

1  
00:00:06,970 --> 00:00:05,380

[Music]

2  
00:00:13,270 --> 00:00:06,980

[Laughter]

3  
00:00:13,280 --> 00:00:19,090

[Music]

4  
00:00:24,170 --> 00:00:21,950  
welcome back to liminal frames I'm your

5  
00:00:27,290 --> 00:00:24,180  
host Nathan and I'm joined by my friend

6  
00:00:30,230 --> 00:00:27,300  
and co-host Darren King also known as

7  
00:00:33,770 --> 00:00:30,240  
EXO academian Darren this is I Believe

8  
00:00:36,370 --> 00:00:33,780  
episode 31 we are nearing the end of the

9  
00:00:40,330 --> 00:00:36,380  
month of May I can't believe how fast

10  
00:00:44,209 --> 00:00:40,340  
this year is going by a lot has happened

11  
00:00:46,790 --> 00:00:44,219  
thus far and recently I know you were an

12  
00:00:48,410 --> 00:00:46,800  
attendee at the conference at Rice

13  
00:00:51,889 --> 00:00:48,420

University The Archives of the

14

00:00:54,110 --> 00:00:51,899  
impossible hosted by Dr Jeff and

15

00:00:56,689 --> 00:00:54,120  
that that was an amazing experience with

16

00:00:59,090 --> 00:00:56,699  
a lot of academic lectures and complex

17

00:01:00,889 --> 00:00:59,100  
and thought-provoking content you got to

18

00:01:04,130 --> 00:01:00,899  
rub elbows with a lot a lot of these

19

00:01:05,870 --> 00:01:04,140  
sort of thought leaders and uh and have

20

00:01:08,929 --> 00:01:05,880  
some solid conversations so I would love

21

00:01:11,149 --> 00:01:08,939  
to hear your take on on the weekend and

22

00:01:14,390 --> 00:01:11,159  
uh what were your takeaways

23

00:01:16,370 --> 00:01:14,400  
yes it was a great experience I think I

24

00:01:19,070 --> 00:01:16,380  
was impressed with the breadth and depth

25

00:01:21,289 --> 00:01:19,080  
of Jeff's vision for it it was quite a

26  
00:01:24,289 --> 00:01:21,299  
broad assortment of people talking about

27  
00:01:25,850 --> 00:01:24,299  
all sorts of impossible experience I

28  
00:01:27,590 --> 00:01:25,860  
love the way that Jeff kicked it off

29  
00:01:30,050 --> 00:01:27,600  
with his initial comments where he

30  
00:01:32,570 --> 00:01:30,060  
basically said things like levitation is

31  
00:01:34,249 --> 00:01:32,580  
absolutely impossible and yet it occurs

32  
00:01:36,289 --> 00:01:34,259  
he says with things like this right he

33  
00:01:38,030 --> 00:01:36,299  
says certainly these things according to

34  
00:01:39,649 --> 00:01:38,040  
our conventional Notions cannot happen

35  
00:01:42,050 --> 00:01:39,659  
and yet they do

36  
00:01:43,789 --> 00:01:42,060  
and he actually showed an image of a

37  
00:01:45,890 --> 00:01:43,799  
book that's going to be coming out an

38  
00:01:48,289 --> 00:01:45,900

academic book I believe that's about

39

00:01:49,370 --> 00:01:48,299

these nuns in history that supposedly

40

00:01:51,649 --> 00:01:49,380

flew

41

00:01:52,910 --> 00:01:51,659

and the the title of the book and he

42

00:01:54,590 --> 00:01:52,920

showed that front cover is literally

43

00:01:56,749 --> 00:01:54,600

called they flew

44

00:01:58,190 --> 00:01:56,759

so he can sort of in your face right you

45

00:01:59,929 --> 00:01:58,200

can sort of see these like nuns feet

46

00:02:01,429 --> 00:01:59,939

like hanging in the air while people are

47

00:02:02,330 --> 00:02:01,439

like reaching up and cheering kind of

48

00:02:03,590 --> 00:02:02,340

saying

49

00:02:04,910 --> 00:02:03,600

so

50

00:02:06,530 --> 00:02:04,920

yeah that was one of the things he

51  
00:02:08,449 --> 00:02:06,540  
talked about but there was quite a

52  
00:02:11,390 --> 00:02:08,459  
breadth you know there was people

53  
00:02:13,010 --> 00:02:11,400  
talking about non-dual experience and

54  
00:02:15,589 --> 00:02:13,020  
one person gave an interesting talk

55  
00:02:17,990 --> 00:02:15,599  
about how to induce non-dual experience

56  
00:02:19,670 --> 00:02:18,000  
without using psychedelics sort of a

57  
00:02:21,830 --> 00:02:19,680  
crash course on how you could have kind

58  
00:02:24,410 --> 00:02:21,840  
of a Buddhist teaching for a modern

59  
00:02:25,850 --> 00:02:24,420  
audience in kind of a 30-day kind of

60  
00:02:27,650 --> 00:02:25,860  
treaties kind of thing

61  
00:02:29,750 --> 00:02:27,660  
uh we also had people talk about

62  
00:02:31,790 --> 00:02:29,760  
out-of-body experiences and near-death

63  
00:02:34,070 --> 00:02:31,800

experiences one woman when she was a

64

00:02:36,830 --> 00:02:34,080

toddler experienced herself drowning in

65

00:02:39,110 --> 00:02:36,840

a pool then was hovering above in the

66

00:02:41,150 --> 00:02:39,120

air watching her panicky mother trying

67

00:02:43,130 --> 00:02:41,160

to revive her body and at that moment

68

00:02:44,630 --> 00:02:43,140

she felt like she could either leave or

69

00:02:45,949 --> 00:02:44,640

come back and because of her love for

70

00:02:48,410 --> 00:02:45,959

her mother and recognizing how much

71

00:02:50,030 --> 00:02:48,420

guilt the mother was feeling she came

72

00:02:51,610 --> 00:02:50,040

back and then later on had this amazing

73

00:02:54,710 --> 00:02:51,620

experience where

74

00:02:57,350 --> 00:02:54,720

she was bonding with a man she did not

75

00:02:58,670 --> 00:02:57,360

know who was in a coma-like state then

76  
00:03:00,589 --> 00:02:58,680  
she started feeling this connection with

77  
00:03:02,570 --> 00:03:00,599  
this man and just when she thought there

78  
00:03:04,490 --> 00:03:02,580  
was no hope because no one expected him

79  
00:03:06,970 --> 00:03:04,500  
to revive she was in an out-of-body

80  
00:03:09,650 --> 00:03:06,980  
State when she saw three blue aliens

81  
00:03:11,509 --> 00:03:09,660  
basically operating on him energetically

82  
00:03:13,610 --> 00:03:11,519  
and soon afterwards he started having

83  
00:03:15,110 --> 00:03:13,620  
complete lung recovery when no one was

84  
00:03:16,970 --> 00:03:15,120  
expecting it and made a full recovery

85  
00:03:18,949 --> 00:03:16,980  
and she ended up marrying this man right

86  
00:03:21,410 --> 00:03:18,959  
so this is these are the kind of stories

87  
00:03:24,350 --> 00:03:21,420  
were talked about the experiences

88  
00:03:27,589 --> 00:03:24,360

we had one person that talked about

89

00:03:29,690 --> 00:03:27,599

having known a friend who

90

00:03:32,630 --> 00:03:29,700

basically had a really remarkable

91

00:03:34,190 --> 00:03:32,640

experience with this conductor who was a

92

00:03:36,110 --> 00:03:34,200

conductor of an orchestra but he also

93

00:03:37,550 --> 00:03:36,120

seemed to conduct energy and so one time

94

00:03:39,050 --> 00:03:37,560

when she went to shake his hand it's

95

00:03:40,610 --> 00:03:39,060

like lightning went through their hands

96

00:03:42,890 --> 00:03:40,620

kind of thing and she later experienced

97

00:03:45,050 --> 00:03:42,900

a different dimensional aspect of him

98

00:03:47,449 --> 00:03:45,060

through this ball of light that was

99

00:03:49,190 --> 00:03:47,459

appearing which felt like a a different

100

00:03:50,869 --> 00:03:49,200

dimensional kind of representation of

101  
00:03:53,089 --> 00:03:50,879  
his Spirit while he was also on the

102  
00:03:55,670 --> 00:03:53,099  
earth somewhere else and then last but

103  
00:03:57,589 --> 00:03:55,680  
not least the Highlight for me was Karen

104  
00:04:00,289 --> 00:03:57,599  
Austin my colleague at the John Mack

105  
00:04:02,330 --> 00:04:00,299  
Institute just talked about John's life

106  
00:04:05,449 --> 00:04:02,340  
and his legacy and talked about the the

107  
00:04:07,009 --> 00:04:05,459  
gift of all of the the data from the

108  
00:04:08,869 --> 00:04:07,019  
John Mack Institute that's being handed

109  
00:04:12,170 --> 00:04:08,879  
over to the archives the impossible for

110  
00:04:13,610 --> 00:04:12,180  
Jeff and his crew to to handle uh and

111  
00:04:17,090 --> 00:04:13,620  
that's going to lead to a lot of really

112  
00:04:19,129 --> 00:04:17,100  
interesting data scraping and AI driven

113  
00:04:21,050 --> 00:04:19,139

kind of analysis of patterns and things

114

00:04:22,490 --> 00:04:21,060

like that in the future a lot of really

115

00:04:24,710 --> 00:04:22,500

interesting things happened it was very

116

00:04:26,810 --> 00:04:24,720

moving talk because for Karen she knew

117

00:04:28,670 --> 00:04:26,820

John directly and actually was the last

118

00:04:30,170 --> 00:04:28,680

person to see him alive she took him to

119

00:04:32,689 --> 00:04:30,180

the airport before he flew to the UK

120

00:04:35,330 --> 00:04:32,699

where he was killed unfortunately so it

121

00:04:37,550 --> 00:04:35,340

was a very moving sweeping but really

122

00:04:39,770 --> 00:04:37,560

energizing talk so it was a wonderful

123

00:04:40,969 --> 00:04:39,780

time and like you said I got to see all

124

00:04:42,830 --> 00:04:40,979

sorts of friends that I already knew

125

00:04:44,150 --> 00:04:42,840

from places like New York last year in

126  
00:04:46,670 --> 00:04:44,160  
the conference there that Jay and James

127  
00:04:49,189 --> 00:04:46,680  
put on and also met a bunch of people

128  
00:04:51,050 --> 00:04:49,199  
that knew me that I didn't know which

129  
00:04:52,790 --> 00:04:51,060  
was great as well so yeah it was a great

130  
00:04:56,150 --> 00:04:52,800  
time all around

131  
00:05:00,170 --> 00:04:56,160  
that sounds fantastic and it's exciting

132  
00:05:03,530 --> 00:05:00,180  
to see that it's gaining steam I think

133  
00:05:05,689 --> 00:05:03,540  
the the attention the attendance has

134  
00:05:07,129 --> 00:05:05,699  
been greater at this conference than the

135  
00:05:10,010 --> 00:05:07,139  
year before and that's what I would

136  
00:05:12,710 --> 00:05:10,020  
expect to see as we move forward uh we

137  
00:05:15,710 --> 00:05:12,720  
we know we've heard that academics are

138  
00:05:19,550 --> 00:05:15,720

gaining more and more interest in this

139

00:05:21,770 --> 00:05:19,560

topic that it's not the taboo uh sort of

140

00:05:23,870 --> 00:05:21,780

butt of the joke uh topic that it used

141

00:05:25,370 --> 00:05:23,880

to be there's a lot of interest and

142

00:05:27,529 --> 00:05:25,380

we've heard from folks like Gary Nolan

143

00:05:29,510 --> 00:05:27,539

who have talked about being in private

144

00:05:31,189 --> 00:05:29,520

circles with academics and they you just

145

00:05:33,950 --> 00:05:31,199

peppered with questions they they're

146

00:05:36,650 --> 00:05:33,960

thirsty for this information uh to me

147

00:05:39,290 --> 00:05:36,660

it's a the frontier really of an

148

00:05:42,650 --> 00:05:39,300

exciting time of human knowledge and

149

00:05:45,050 --> 00:05:42,660

discovery that is going to rewrite what

150

00:05:48,050 --> 00:05:45,060

we know about ourselves and the other

151

00:05:50,350 --> 00:05:48,060

academic disciplines that that uh in

152

00:05:53,390 --> 00:05:50,360

many respects have kind of grown stale

153

00:05:56,810 --> 00:05:53,400

uh and so we're kind of poised for

154

00:05:59,210 --> 00:05:56,820

Revival of uh Renaissance if you will of

155

00:06:01,790 --> 00:05:59,220

human knowledge which is to me very very

156

00:06:03,830 --> 00:06:01,800

exciting and encouraging and uh

157

00:06:05,749 --> 00:06:03,840

developing those connections and that

158

00:06:08,210 --> 00:06:05,759

Network there I'm sure was stimulating

159

00:06:10,850 --> 00:06:08,220

for you as you can see new opportunities

160

00:06:12,469 --> 00:06:10,860

arising on the horizon from those

161

00:06:14,570 --> 00:06:12,479

connections

162

00:06:16,129 --> 00:06:14,580

indeed it was it was wonderful and there

163

00:06:18,409 --> 00:06:16,139

was quite an assortment of academics

164

00:06:19,850 --> 00:06:18,419

that reached out to me and said I hear

165

00:06:21,830 --> 00:06:19,860

you have big plans for the future in

166

00:06:23,090 --> 00:06:21,840

terms of trying to actually model a

167

00:06:24,529 --> 00:06:23,100

different way of Being Human and a

168

00:06:26,390 --> 00:06:24,539

different way of being a civilization so

169

00:06:29,029 --> 00:06:26,400

I actually had people everything from

170

00:06:31,070 --> 00:06:29,039

nuclear physicists to archaeologists to

171

00:06:32,510 --> 00:06:31,080

anthropologists coming up to me giving

172

00:06:33,830 --> 00:06:32,520

me their business card and saying I'm

173

00:06:35,809 --> 00:06:33,840

really interested in being involved in

174

00:06:38,809 --> 00:06:35,819

the future you know please keep in touch

175

00:06:40,670 --> 00:06:38,819

so absolutely there was quite quite an

176  
00:06:43,249 --> 00:06:40,680  
assortment and many many of them were

177  
00:06:44,930 --> 00:06:43,259  
academics and I I hear regularly from

178  
00:06:47,330 --> 00:06:44,940  
academics that want to

179  
00:06:49,909 --> 00:06:47,340  
to study this I'm going to be involved

180  
00:06:51,290 --> 00:06:49,919  
with someone who's a PhD in philosophy

181  
00:06:52,850 --> 00:06:51,300  
that's going to be writing a book about

182  
00:06:54,950 --> 00:06:52,860  
these kind of things and going to

183  
00:06:57,529 --> 00:06:54,960  
interview me and some other people so

184  
00:07:00,590 --> 00:06:57,539  
yeah it's really really fascinating that

185  
00:07:03,050 --> 00:07:00,600  
this is all finally Gathering steam in

186  
00:07:03,770 --> 00:07:03,060  
the mainstream and I would suggest based

187  
00:07:04,969 --> 00:07:03,780  
on what we're going to talk about

188  
00:07:05,930 --> 00:07:04,979

tonight that that is just getting

189

00:07:09,650 --> 00:07:05,940

started

190

00:07:14,230 --> 00:07:09,660

yeah exactly uh we're going to do a deep

191

00:07:17,510 --> 00:07:14,240

dive this evening into uh what what the

192

00:07:20,029 --> 00:07:17,520

post-disclosure world may look like what

193

00:07:23,890 --> 00:07:20,039

exploring some facets of that new

194

00:07:26,390 --> 00:07:23,900

reality when the

195

00:07:29,089 --> 00:07:26,400

extraterrestrial or non-human

196

00:07:32,390 --> 00:07:29,099

intelligent aspects of this phenomenon

197

00:07:34,730 --> 00:07:32,400

become publicly known and accepted in

198

00:07:37,550 --> 00:07:34,740

human civilization

199

00:07:39,830 --> 00:07:37,560

um you know it's a it's even to say that

200

00:07:42,650 --> 00:07:39,840

out loud Darren to me is is a very

201  
00:07:44,629 --> 00:07:42,660  
profound thing to imagine and we talk

202  
00:07:48,350 --> 00:07:44,639  
about this all the time but we're

203  
00:07:50,990 --> 00:07:48,360  
hearing in social media we're hearing uh

204  
00:07:53,770 --> 00:07:51,000  
in the rumor mill that that we're

205  
00:07:56,390 --> 00:07:53,780  
seemingly very close to some big

206  
00:07:58,309 --> 00:07:56,400  
announcements or Revelations that uh

207  
00:08:01,309 --> 00:07:58,319  
that will change the the Paradigm

208  
00:08:05,629 --> 00:08:01,319  
further us I've heard people say akin to

209  
00:08:08,050 --> 00:08:05,639  
the 2017 New York Times article and then

210  
00:08:11,589 --> 00:08:08,060  
that will also just continue to snowball

211  
00:08:15,950 --> 00:08:11,599  
with other Revelations that will follow

212  
00:08:17,809 --> 00:08:15,960  
you can't help but see that if there

213  
00:08:20,809 --> 00:08:17,819

isn't there there which I know you and I

214

00:08:24,350 --> 00:08:20,819

both argue there is that the truth

215

00:08:26,749 --> 00:08:24,360

eventually will find the light of day uh

216

00:08:29,150 --> 00:08:26,759

and that the snowballing effect here is

217

00:08:32,870 --> 00:08:29,160

very real the momentum has been building

218

00:08:34,670 --> 00:08:32,880

and eventually you cannot put that

219

00:08:38,329 --> 00:08:34,680

backhand put the toothpaste back in the

220

00:08:40,130 --> 00:08:38,339

tube it is out and I think uh as much as

221

00:08:41,690 --> 00:08:40,140

you and I talk about it all the time and

222

00:08:44,029 --> 00:08:41,700

are excited for that we still don't

223

00:08:46,490 --> 00:08:44,039

really know exactly what that world will

224

00:08:48,650 --> 00:08:46,500

look like we can speculate and and we

225

00:08:51,350 --> 00:08:48,660

can offer our kind of best guesses or

226

00:08:54,170 --> 00:08:51,360

even our aspirations but we don't fully

227

00:08:56,990 --> 00:08:54,180

know what that new day will be like for

228

00:08:58,430 --> 00:08:57,000

the individual and for our entire

229

00:09:00,730 --> 00:08:58,440

civilizations we're going to explore

230

00:09:03,350 --> 00:09:00,740

some of the Contours of that on the show

231

00:09:04,490 --> 00:09:03,360

this evening so as we kind of kick that

232

00:09:06,050 --> 00:09:04,500

off

233

00:09:09,829 --> 00:09:06,060

I know you wanted to talk a little bit

234

00:09:12,230 --> 00:09:09,839

about uh you know what you're hearing or

235

00:09:15,949 --> 00:09:12,240

at least uh you're maybe your assessment

236

00:09:18,949 --> 00:09:15,959

of what you're seeing take place in uh

237

00:09:21,170 --> 00:09:18,959

social media as well as amongst other

238

00:09:22,910 --> 00:09:21,180

ufologists who you you know who you stay

239

00:09:26,269 --> 00:09:22,920

close to so what what what's your take

240

00:09:27,650 --> 00:09:26,279

on where we are at the moment

241

00:09:29,210 --> 00:09:27,660

right well as you and I were talking

242

00:09:30,530 --> 00:09:29,220

about before we went on the air Gary

243

00:09:32,990 --> 00:09:30,540

Newland just today

244

00:09:34,970 --> 00:09:33,000

was making some remarks in a conference

245

00:09:37,070 --> 00:09:34,980

in New York of course we have people

246

00:09:39,829 --> 00:09:37,080

like John Ramirez who've been saying

247

00:09:41,449 --> 00:09:39,839

some pretty bold things about this

248

00:09:43,610 --> 00:09:41,459

I would just say that what I'm hearing

249

00:09:45,710 --> 00:09:43,620

in my circles confirms all of that and

250

00:09:48,110 --> 00:09:45,720

then some so I think

251

00:09:50,509 --> 00:09:48,120

this is not just a a nice conversation

252

00:09:52,370 --> 00:09:50,519

to have about a one day kind of thing I

253

00:09:55,610 --> 00:09:52,380

think we really are on the precipice of

254

00:09:56,810 --> 00:09:55,620

something significant happening and so

255

00:09:58,130 --> 00:09:56,820

it seems like a perfect time to have

256

00:10:00,050 --> 00:09:58,140

this conversation

257

00:10:02,090 --> 00:10:00,060

so yeah so I would say to people if you

258

00:10:03,290 --> 00:10:02,100

are worried about believing the hype I

259

00:10:04,970 --> 00:10:03,300

would say believe the hype this time

260

00:10:06,829 --> 00:10:04,980

there really is something coming and I

261

00:10:09,410 --> 00:10:06,839

think it really is going to Mark a new

262

00:10:12,230 --> 00:10:09,420

day in our civilization

263

00:10:14,750 --> 00:10:12,240

wow uh well I have in a fasten your seat

264

00:10:17,750 --> 00:10:14,760

belts uh put your tray tables in there

265

00:10:18,490 --> 00:10:17,760

up right in the locked positions uh we

266

00:10:24,829 --> 00:10:18,500

will

267

00:10:28,970 --> 00:10:24,839

beta breath I'm looking forward to it uh

268

00:10:31,670 --> 00:10:28,980

I'm also aware that when that time comes

269

00:10:34,970 --> 00:10:31,680

there will be you can almost pick

270

00:10:37,009 --> 00:10:34,980

picture the moment right whenever uh the

271

00:10:40,250 --> 00:10:37,019

audience is hearing something that

272

00:10:43,370 --> 00:10:40,260

profound you can almost hear the breath

273

00:10:45,710 --> 00:10:43,380

of every person kind of inhale as

274

00:10:48,710 --> 00:10:45,720

they're taking in that that new and new

275

00:10:50,750 --> 00:10:48,720

experience and digesting uh what it

276

00:10:53,449 --> 00:10:50,760

means for them what it means for them as

277

00:10:56,690 --> 00:10:53,459

an individual what it means for them in

278

00:10:59,269 --> 00:10:56,700

their families and Social Circles Etc uh

279

00:11:01,310 --> 00:10:59,279

I think that's going to be really the

280

00:11:05,030 --> 00:11:01,320

immediate impact right is what's

281

00:11:07,790 --> 00:11:05,040

happening to us when we uh really sit

282

00:11:09,769 --> 00:11:07,800

with this uh even those of us who have

283

00:11:11,569 --> 00:11:09,779

been champions of the topic for so long

284

00:11:13,490 --> 00:11:11,579

I think sitting down with it and

285

00:11:15,889 --> 00:11:13,500

realizing that yes that thing we've

286

00:11:18,470 --> 00:11:15,899

talked about and we've tried to convince

287

00:11:21,110 --> 00:11:18,480

others of it's a validity

288

00:11:23,389 --> 00:11:21,120

it's here and and what does that mean

289

00:11:24,889 --> 00:11:23,399

for us how are we we changed in that in

290

00:11:28,670 --> 00:11:24,899

that moment

291

00:11:31,009 --> 00:11:28,680

um how do you see that transpiring uh on

292

00:11:33,829 --> 00:11:31,019

the individual uh experience and and

293

00:11:35,569 --> 00:11:33,839

also within those immediate uh spheres

294

00:11:37,790 --> 00:11:35,579

of influence with your family members

295

00:11:39,530 --> 00:11:37,800

and and your Social Circle and your

296

00:11:42,410 --> 00:11:39,540

social media Circle how do you see that

297

00:11:43,730 --> 00:11:42,420

kind of taking place

298

00:11:45,470 --> 00:11:43,740

yeah I think that's a great place to

299

00:11:46,970 --> 00:11:45,480

begin because we'll we'll get into some

300

00:11:49,250 --> 00:11:46,980

of the different ways this will impact

301  
00:11:51,050 --> 00:11:49,260  
our civilization in the big picture

302  
00:11:53,750 --> 00:11:51,060  
we'll look at it religiously

303  
00:11:56,030 --> 00:11:53,760  
scientifically developmentally

304  
00:11:57,650 --> 00:11:56,040  
but initially I think each of us will

305  
00:11:59,509 --> 00:11:57,660  
have the experience of our Circles of

306  
00:12:02,509 --> 00:11:59,519  
influence suddenly being interested in

307  
00:12:05,329 --> 00:12:02,519  
this topic people who either kind of

308  
00:12:07,790 --> 00:12:05,339  
scoffed at the notion or just didn't

309  
00:12:09,530 --> 00:12:07,800  
show that much interest or whatever

310  
00:12:10,490 --> 00:12:09,540  
hopefully didn't call us crazy but maybe

311  
00:12:12,410 --> 00:12:10,500  
there's some people like that in

312  
00:12:14,210 --> 00:12:12,420  
people's lives

313  
00:12:16,310 --> 00:12:14,220

to suddenly realizing these people will

314

00:12:17,810 --> 00:12:16,320

have no choice but to really face face

315

00:12:19,490 --> 00:12:17,820

this I think there might be some people

316

00:12:21,590 --> 00:12:19,500

that will still somehow want to bury

317

00:12:22,670 --> 00:12:21,600

their heads in the sand but that will be

318

00:12:25,250 --> 00:12:22,680

very clear that that's what they're

319

00:12:28,250 --> 00:12:25,260

doing at that point and willfully so

320

00:12:30,410 --> 00:12:28,260

so yeah I just want to prep this by

321

00:12:32,210 --> 00:12:30,420

saying to everyone just imagine all of

322

00:12:34,550 --> 00:12:32,220

your extended family and your work

323

00:12:36,110 --> 00:12:34,560

colleagues and people that you you know

324

00:12:38,690 --> 00:12:36,120

chat with while you're in the grocery

325

00:12:40,430 --> 00:12:38,700

store line all of those conversations I

326

00:12:42,949 --> 00:12:40,440

think are going to begin to move in this

327

00:12:45,829 --> 00:12:42,959

direction because let's just step back

328

00:12:48,350 --> 00:12:45,839

and think about how historic this is we

329

00:12:51,949 --> 00:12:48,360

are the first generation in history

330

00:12:55,069 --> 00:12:51,959

of the human race that will be

331

00:12:57,769 --> 00:12:55,079

alive when this kind of Revelation

332

00:12:59,269 --> 00:12:57,779

hits the mainstream it's really

333

00:13:00,710 --> 00:12:59,279

remarkable when you think about it I

334

00:13:02,329 --> 00:13:00,720

think those of us really intimately

335

00:13:04,490 --> 00:13:02,339

familiar with this topic and passionate

336

00:13:06,889 --> 00:13:04,500

about it have been so used to being the

337

00:13:08,690 --> 00:13:06,899

the minority party in government that

338

00:13:10,610 --> 00:13:08,700

we're almost not even prepared for the

339

00:13:13,069 --> 00:13:10,620

day that suddenly someone hands us the

340

00:13:16,250 --> 00:13:13,079

reins of power and says okay you were

341

00:13:17,750 --> 00:13:16,260

right there is a there there what now we

342

00:13:19,610 --> 00:13:17,760

really need to think about this I think

343

00:13:21,350 --> 00:13:19,620

I would suggest to people they spend

344

00:13:23,090 --> 00:13:21,360

some time meditating grounding

345

00:13:25,430 --> 00:13:23,100

themselves because it's going to be some

346

00:13:27,290 --> 00:13:25,440

crazy times ahead and a lot of people

347

00:13:30,350 --> 00:13:27,300

that have not shown interest in this

348

00:13:31,970 --> 00:13:30,360

will suddenly be asking you for for

349

00:13:34,190 --> 00:13:31,980

answers because you're the one with the

350

00:13:36,110 --> 00:13:34,200

the interest in the topic so

351

00:13:37,910 --> 00:13:36,120

spend some time thinking about that how

352

00:13:41,090 --> 00:13:37,920

you will respond how can you break down

353

00:13:43,610 --> 00:13:41,100

this incredibly nuanced and uh complex

354

00:13:45,410 --> 00:13:43,620

Topic in a way that can help people not

355

00:13:47,509 --> 00:13:45,420

only understand it but also not be

356

00:13:50,329 --> 00:13:47,519

completely overwhelmed by the experience

357

00:13:55,490 --> 00:13:53,090

I'm thinking of almost the stages of

358

00:13:58,850 --> 00:13:55,500

grief uh and maybe we can talk about

359

00:14:04,069 --> 00:14:02,030

it will be very natural for us to

360

00:14:07,190 --> 00:14:04,079

experience a kind of grief

361

00:14:10,370 --> 00:14:07,200

in the face of this paradigm

362

00:14:14,090 --> 00:14:10,380

shifting revelation

363

00:14:15,650 --> 00:14:14,100

uh it will be if you've ever been close

364

00:14:18,290 --> 00:14:15,660

to someone and you've lost that that

365

00:14:20,269 --> 00:14:18,300

person if you've ever had a major

366

00:14:22,430 --> 00:14:20,279

disappointment in your life you know

367

00:14:26,030 --> 00:14:22,440

what that feeling is like that that

368

00:14:29,569 --> 00:14:26,040

immense sense of loss and

369

00:14:31,310 --> 00:14:29,579

that will be pretty I think palpable uh

370

00:14:33,769 --> 00:14:31,320

for for a lot of people including those

371

00:14:36,470 --> 00:14:33,779

of us that have been talking about this

372

00:14:38,990 --> 00:14:36,480

in The Fringe circles there will be a

373

00:14:41,689 --> 00:14:39,000

kind of grief that this topic that we

374

00:14:44,150 --> 00:14:41,699

have in a way kind of brooded over like

375

00:14:47,329 --> 00:14:44,160

a hen over the egg is now

376

00:14:49,490 --> 00:14:47,339

you know it's left the nest and uh we

377

00:14:51,889 --> 00:14:49,500

got to see how it's going to take its

378

00:14:53,870 --> 00:14:51,899

first steps and we're going to I think

379

00:14:55,790 --> 00:14:53,880

have definite moments where we'll we'll

380

00:14:57,670 --> 00:14:55,800

be upset that it's uh it's it's

381

00:15:00,290 --> 00:14:57,680

unfolding in a way that we didn't

382

00:15:02,030 --> 00:15:00,300

anticipate it would uh and that we will

383

00:15:03,769 --> 00:15:02,040

have to Grapple with that and wrestle

384

00:15:07,009 --> 00:15:03,779

with that and maybe even be frustrated

385

00:15:10,730 --> 00:15:07,019

that the voices that we may have worked

386

00:15:13,730 --> 00:15:10,740

so hard to uh to to create and Foster

387

00:15:16,430 --> 00:15:13,740

and and articulate that those voices

388

00:15:18,650 --> 00:15:16,440

could get drowned out by new voices who

389

00:15:21,590 --> 00:15:18,660

really don't have a deep understanding

390

00:15:23,870 --> 00:15:21,600

of the material yet they are getting a

391

00:15:25,550 --> 00:15:23,880

great deal of attention so there's that

392

00:15:26,930 --> 00:15:25,560

level of grief for those of us who've

393

00:15:28,850 --> 00:15:26,940

been on the inside

394

00:15:31,610 --> 00:15:28,860

and then of course there's that grief

395

00:15:33,290 --> 00:15:31,620

for those who are whose whose lives are

396

00:15:35,269 --> 00:15:33,300

now different in the face of this

397

00:15:37,610 --> 00:15:35,279

reality everything they thought they

398

00:15:39,410 --> 00:15:37,620

knew is is a has been upended and so

399

00:15:41,090 --> 00:15:39,420

they will grieve for the world that they

400

00:15:43,970 --> 00:15:41,100

knew the world that they love the world

401  
00:15:47,030 --> 00:15:43,980  
that they understood in the face of all

402  
00:15:48,530 --> 00:15:47,040  
of this newness and uncertainty so you

403  
00:15:50,689 --> 00:15:48,540  
know those of us who are close to it as

404  
00:15:53,569 --> 00:15:50,699  
you said we have a responsibility I

405  
00:15:55,850 --> 00:15:53,579  
would argue to be present to to

406  
00:15:58,850 --> 00:15:55,860  
ourselves be present to the world those

407  
00:16:01,970 --> 00:15:58,860  
around us and and be a participant in

408  
00:16:04,670 --> 00:16:01,980  
that process because it is a process you

409  
00:16:06,170 --> 00:16:04,680  
cannot grieve and flip a light switch it

410  
00:16:08,810 --> 00:16:06,180  
is something that you are doing you are

411  
00:16:10,550 --> 00:16:08,820  
grieving and that is something you will

412  
00:16:13,069 --> 00:16:10,560  
go through and you need to lean into

413  
00:16:15,949 --> 00:16:13,079

that and and be present in that in that

414

00:16:18,050 --> 00:16:15,959

process to come out on the other end as

415

00:16:19,970 --> 00:16:18,060

a new person uh what are your thoughts

416

00:16:22,189 --> 00:16:19,980

on that

417

00:16:24,410 --> 00:16:22,199

my my first thought is that we are

418

00:16:25,910 --> 00:16:24,420

officially announcing that from from the

419

00:16:27,470 --> 00:16:25,920

moment of disclosure on this podcast

420

00:16:31,009 --> 00:16:27,480

will be known as hen over the egg

421

00:16:34,009 --> 00:16:31,019

instead of liminal frame because to mark

422

00:16:36,050 --> 00:16:34,019

that change in history uh but no in all

423

00:16:37,850 --> 00:16:36,060

seriousness

424

00:16:39,829 --> 00:16:37,860

yes I think that's a great point and as

425

00:16:41,689 --> 00:16:39,839

you were saying this here it made me

426

00:16:44,749 --> 00:16:41,699

think about the fact that

427

00:16:46,850 --> 00:16:44,759

many of us have spent years cultivating

428

00:16:48,710 --> 00:16:46,860

this nuanced understanding of this very

429

00:16:51,050 --> 00:16:48,720

very complex phenomenon which as I've

430

00:16:53,449 --> 00:16:51,060

said many times likely involves many

431

00:16:55,850 --> 00:16:53,459

different actors from different you know

432

00:16:58,189 --> 00:16:55,860

origin sources with with different

433

00:16:59,269 --> 00:16:58,199

factioning going on even within certain

434

00:17:01,189 --> 00:16:59,279

types

435

00:17:04,250 --> 00:17:01,199

so it's very very complex you imagine

436

00:17:07,250 --> 00:17:04,260

someone having to sort of swallow that

437

00:17:08,750 --> 00:17:07,260

entirety in one Fell Swoop is going to

438

00:17:11,210 --> 00:17:08,760

be a lot to take on

439

00:17:13,490 --> 00:17:11,220

and on top of that you're going to have

440

00:17:15,350 --> 00:17:13,500

the thought leaders quote unquote or

441

00:17:17,449 --> 00:17:15,360

social influencers and things like that

442

00:17:18,890 --> 00:17:17,459

that people will look to to give them

443

00:17:20,329 --> 00:17:18,900

some sort of guidance when those people

444

00:17:21,710 --> 00:17:20,339

don't know what they're talking about

445

00:17:23,270 --> 00:17:21,720

they have no idea what they're talking

446

00:17:26,090 --> 00:17:23,280

about and they're going to wax

447

00:17:29,630 --> 00:17:26,100

philosophical but based on Bob probably

448

00:17:31,430 --> 00:17:29,640

bias and Prejudice and watching too much

449

00:17:32,990 --> 00:17:31,440

science fiction or whatever or whether

450

00:17:34,310 --> 00:17:33,000

it's a religious perspective they grew

451

00:17:35,990 --> 00:17:34,320

up with or whatever

452

00:17:37,549 --> 00:17:36,000

there's going to be a lot of people that

453

00:17:39,230 --> 00:17:37,559

are going to be speaking about this

454

00:17:41,570 --> 00:17:39,240

unfortunately that are not very well

455

00:17:43,909 --> 00:17:41,580

educated about it who'd not been

456

00:17:46,310 --> 00:17:43,919

around long enough to really have to

457

00:17:49,010 --> 00:17:46,320

ground the nuance and the complexity the

458

00:17:51,710 --> 00:17:49,020

high strangeness the tricksterness of it

459

00:17:53,090 --> 00:17:51,720

all right how space and time seems to be

460

00:17:55,370 --> 00:17:53,100

distorted and played with by this

461

00:17:56,690 --> 00:17:55,380

phenomenon these are very very complex

462

00:17:58,250 --> 00:17:56,700

issues to wrap your head around that

463

00:18:00,650 --> 00:17:58,260

that even those of us who've been doing

464

00:18:02,870 --> 00:18:00,660

this for years still reckon with the

465

00:18:05,390 --> 00:18:02,880

fact that it it basically blows our

466

00:18:07,310 --> 00:18:05,400

minds so imagine people who are just

467

00:18:09,950 --> 00:18:07,320

used to on the Fly saying what their

468

00:18:12,289 --> 00:18:09,960

opinion is in our fast-paced social

469

00:18:13,909 --> 00:18:12,299

media kind of culture what is that going

470

00:18:16,669 --> 00:18:13,919

to look like when when that kind of

471

00:18:19,190 --> 00:18:16,679

irresponsible

472

00:18:20,930 --> 00:18:19,200

kind of response happens after this

473

00:18:24,350 --> 00:18:20,940

disclosure moment so I think that's even

474

00:18:28,010 --> 00:18:24,360

why we saw in the past certain

475

00:18:29,870 --> 00:18:28,020

societal leaders and thought leaders

476  
00:18:30,890 --> 00:18:29,880  
actually being approached we talked

477  
00:18:32,630 --> 00:18:30,900  
about this right away this has been

478  
00:18:35,270 --> 00:18:32,640  
talked about before

479  
00:18:39,110 --> 00:18:35,280  
where people were

480  
00:18:40,850 --> 00:18:39,120  
approach to basically help cultivate the

481  
00:18:42,950 --> 00:18:40,860  
conversation with a certain group of

482  
00:18:45,770 --> 00:18:42,960  
society that they have influence over

483  
00:18:47,029 --> 00:18:45,780  
because there is this recognition that

484  
00:18:48,529 --> 00:18:47,039  
you know people are going to turn to

485  
00:18:49,970 --> 00:18:48,539  
different leaders this is going to raise

486  
00:18:51,650 --> 00:18:49,980  
some really interesting questions about

487  
00:18:53,529 --> 00:18:51,660  
Authority

488  
00:18:55,669 --> 00:18:53,539

not the least of which is because

489

00:18:58,370 --> 00:18:55,679

suddenly we're going to be dealing with

490

00:19:00,289 --> 00:18:58,380

an intelligence that's far beyond ours

491

00:19:01,730 --> 00:19:00,299

not necessarily morally again we can

492

00:19:03,370 --> 00:19:01,740

have that conversation about what that

493

00:19:07,850 --> 00:19:03,380

means but I just mean in sheer

494

00:19:11,450 --> 00:19:07,860

intellectual computational power it just

495

00:19:13,130 --> 00:19:11,460

eclipses Us by so many times over that

496

00:19:15,169 --> 00:19:13,140

suddenly people are going to be asking

497

00:19:18,289 --> 00:19:15,179

what role does government have here what

498

00:19:20,150 --> 00:19:18,299

role can government play when something

499

00:19:22,430 --> 00:19:20,160

that's so much more sophisticated than

500

00:19:23,990 --> 00:19:22,440

us is on the scene this is going to be

501  
00:19:25,370 --> 00:19:24,000  
very discombobulating and for some

502  
00:19:28,430 --> 00:19:25,380  
people it will make them feel very

503  
00:19:32,029 --> 00:19:28,440  
vulnerable as well I would suggest

504  
00:19:34,190 --> 00:19:32,039  
no doubt there's such a I think we all

505  
00:19:36,770 --> 00:19:34,200  
have a sense in which the current social

506  
00:19:39,169 --> 00:19:36,780  
order is

507  
00:19:40,970 --> 00:19:39,179  
quite fragile

508  
00:19:44,810 --> 00:19:40,980  
um I had a conversation earlier today

509  
00:19:47,450 --> 00:19:44,820  
with a neighbor and it came up just how

510  
00:19:49,430 --> 00:19:47,460  
difficult it is today to and sometimes

511  
00:19:51,409 --> 00:19:49,440  
even function because there's so much

512  
00:19:53,870 --> 00:19:51,419  
information coming at us at every sort

513  
00:19:55,970 --> 00:19:53,880

of hour of the day uh the the

514

00:19:58,370 --> 00:19:55,980

traditional meaning making centers that

515

00:20:02,210 --> 00:19:58,380

we've had in the past aren't really

516

00:20:03,710 --> 00:20:02,220

there any longer uh the the Traditions

517

00:20:06,710 --> 00:20:03,720

that we've grown up with right that

518

00:20:09,529 --> 00:20:06,720

we've many of us have issued uh in favor

519

00:20:11,810 --> 00:20:09,539

of we're not even quite sure what uh

520

00:20:14,150 --> 00:20:11,820

we've just sort of let ourselves adrift

521

00:20:17,330 --> 00:20:14,160

on the ocean of uh social media and

522

00:20:19,610 --> 00:20:17,340

entertainment uh and dopamine hits and

523

00:20:22,610 --> 00:20:19,620

and we we don't really have a discipline

524

00:20:25,789 --> 00:20:22,620

or routine or or any kind of meaningful

525

00:20:27,409 --> 00:20:25,799

tradition that we can latch on to and

526

00:20:30,230 --> 00:20:27,419

I'm so I'm wondering will there be a

527

00:20:33,289 --> 00:20:30,240

kind of a whiplash in a way uh in the

528

00:20:36,409 --> 00:20:33,299

face of this reality where we might

529

00:20:39,289 --> 00:20:36,419

return back to some of those ways of

530

00:20:42,049 --> 00:20:39,299

thinking or or try to find comfort in

531

00:20:44,029 --> 00:20:42,059

those systems that we maybe left behind

532

00:20:47,210 --> 00:20:44,039

and look for answers there you could

533

00:20:49,430 --> 00:20:47,220

imagine for example maybe churches uh

534

00:20:50,750 --> 00:20:49,440

being full of people you know seeking an

535

00:20:53,270 --> 00:20:50,760

answer or seeking you know Community

536

00:20:55,789 --> 00:20:53,280

communion just to try to understand what

537

00:20:57,049 --> 00:20:55,799

it is that it is happening uh you know I

538

00:20:59,870 --> 00:20:57,059

don't know that that's too far-fetched

539

00:21:01,610 --> 00:20:59,880

to imagine or at least all of us uh may

540

00:21:04,190 --> 00:21:01,620

be genuflecting in front of our phones

541

00:21:06,950 --> 00:21:04,200

on social media looking for someone to

542

00:21:10,549 --> 00:21:06,960

step forward who we have some sort of

543

00:21:12,770 --> 00:21:10,559

faith in as a thought leader as a a

544

00:21:14,570 --> 00:21:12,780

person of good character of course

545

00:21:17,029 --> 00:21:14,580

that's obviously very subjective based

546

00:21:19,490 --> 00:21:17,039

on your particular tribe but looking for

547

00:21:22,070 --> 00:21:19,500

them to give guidance Direction and some

548

00:21:25,010 --> 00:21:22,080

sort of answers in the face of this

549

00:21:28,250 --> 00:21:25,020

incredibly complex mystery

550

00:21:31,190 --> 00:21:28,260

um it will consume us it will I think

551

00:21:34,010 --> 00:21:31,200

interrupt our day-to-day is fair to say

552

00:21:35,930 --> 00:21:34,020

I have a hard time imagining going to

553

00:21:37,610 --> 00:21:35,940

work and be like well I'm just gonna do

554

00:21:39,470 --> 00:21:37,620

the normal work thing that I normally do

555

00:21:42,409 --> 00:21:39,480

today and said everyone's going to want

556

00:21:44,450 --> 00:21:42,419

to talk about whatever uh the details

557

00:21:46,850 --> 00:21:44,460

are for this type of

558

00:21:48,289 --> 00:21:46,860

and now an announcement that may occur

559

00:21:51,230 --> 00:21:48,299

so

560

00:21:52,789 --> 00:21:51,240

um what do you see in terms of uh you

561

00:21:54,890 --> 00:21:52,799

know kind of the Rippling effect and

562

00:21:56,570 --> 00:21:54,900

what what what systems are going to be

563

00:21:58,130 --> 00:21:56,580

affected I'm sure all of them are in

564

00:22:01,549 --> 00:21:58,140

some way but what do you see kind of

565

00:22:04,070 --> 00:22:01,559

happening first you see uh you know the

566

00:22:05,870 --> 00:22:04,080

the scientific Community uh you know

567

00:22:07,850 --> 00:22:05,880

kind of us looking to science for

568

00:22:09,649 --> 00:22:07,860

answers do you see folks going back to

569

00:22:12,529 --> 00:22:09,659

religion maybe a combination of those

570

00:22:14,210 --> 00:22:12,539

things where do you see it going

571

00:22:16,310 --> 00:22:14,220

yeah it's a good question I think we'll

572

00:22:18,409 --> 00:22:16,320

see both of those things happen

573

00:22:20,630 --> 00:22:18,419

um as well as other things as well

574

00:22:22,370 --> 00:22:20,640

one thing it will do with the academic

575

00:22:24,470 --> 00:22:22,380

community in the scientific Community is

576

00:22:27,590 --> 00:22:24,480

immediately open up all sorts of new

577

00:22:29,930 --> 00:22:27,600

inquiry and and desire for inquiry and

578

00:22:31,850 --> 00:22:29,940

study because suddenly it goes from

579

00:22:33,409 --> 00:22:31,860

being something that's rumored about

580

00:22:35,210 --> 00:22:33,419

maybe in

581

00:22:37,610 --> 00:22:35,220

you know circles that are considered

582

00:22:40,789 --> 00:22:37,620

kind of x-filesish and conspiracy

583

00:22:43,070 --> 00:22:40,799

conspiracy theorish suddenly we'll have

584

00:22:44,930 --> 00:22:43,080

been pronounced from on high from

585

00:22:45,770 --> 00:22:44,940

official circles that this this is a

586

00:22:48,529 --> 00:22:45,780

thing

587

00:22:50,690 --> 00:22:48,539

and suddenly that opens up so many

588

00:22:53,149 --> 00:22:50,700

questions because it already

589

00:22:55,490 --> 00:22:53,159

confounds our understanding of how the

590

00:22:57,770 --> 00:22:55,500

travel happens right how they go from

591

00:22:59,750 --> 00:22:57,780

there to here whatever the there is even

592

00:23:00,590 --> 00:22:59,760

if the there is a then rather than a

593

00:23:02,090 --> 00:23:00,600

there

594

00:23:04,010 --> 00:23:02,100

you know these are these are really

595

00:23:05,810 --> 00:23:04,020

fascinating questions and part of the

596

00:23:07,789 --> 00:23:05,820

reason why this has not garnered More

597

00:23:09,289 --> 00:23:07,799

Steam in the mainstream is because we

598

00:23:12,909 --> 00:23:09,299

don't see as you and I have talked about

599

00:23:14,930 --> 00:23:12,919

on previous podcasts this trail of

600

00:23:16,490 --> 00:23:14,940

Starcraft that are coming in from

601  
00:23:18,409 --> 00:23:16,500  
outside of Saturn and then you know

602  
00:23:20,510 --> 00:23:18,419  
coming towards the Earth as we sort of

603  
00:23:22,789 --> 00:23:20,520  
would expect based on science fiction

604  
00:23:24,710 --> 00:23:22,799  
history instead they seem to be able to

605  
00:23:27,230 --> 00:23:24,720  
manipulate space-time to the point where

606  
00:23:28,430 --> 00:23:27,240  
you just blip in and blip out which

607  
00:23:30,830 --> 00:23:28,440  
again raises all sorts of questions

608  
00:23:32,390 --> 00:23:30,840  
about where are they blipping out to is

609  
00:23:34,250 --> 00:23:32,400  
that a different dimension is at a

610  
00:23:36,529 --> 00:23:34,260  
different place in our physical universe

611  
00:23:39,830 --> 00:23:36,539  
is the notion of a physical Universe

612  
00:23:42,169 --> 00:23:39,840  
only a a localized partial construct

613  
00:23:44,029 --> 00:23:42,179

which is soon to be eclipsed by a much

614

00:23:46,130 --> 00:23:44,039

broader understanding of reality these

615

00:23:49,250 --> 00:23:46,140

are all the kind of questions that will

616

00:23:50,690 --> 00:23:49,260

suddenly come to the fore per scientific

617

00:23:54,590 --> 00:23:50,700

communities because suddenly there will

618

00:23:57,350 --> 00:23:54,600

be data to to look at and a passion to

619

00:24:00,110 --> 00:23:57,360

actually examine that data and to put up

620

00:24:02,510 --> 00:24:00,120

new sensor systems and try to scramble

621

00:24:04,250 --> 00:24:02,520

to to try to understand this so I think

622

00:24:07,490 --> 00:24:04,260

that's going to be revolutionary and

623

00:24:08,990 --> 00:24:07,500

will actually help to speed up this

624

00:24:11,510 --> 00:24:09,000

Scientific Revolution that we're already

625

00:24:14,210 --> 00:24:11,520

in the midst of I would suggest where

626

00:24:16,310 --> 00:24:14,220

the sort of Hardcore physicalist men uh

627

00:24:18,649 --> 00:24:16,320

sort of model of reality will be quick

628

00:24:21,529 --> 00:24:18,659

quickly left behind I think based on

629

00:24:24,470 --> 00:24:21,539

some of the the data that will come up

630

00:24:26,029 --> 00:24:24,480

but as you say some people when they are

631

00:24:27,649 --> 00:24:26,039

in an emergency situation when they

632

00:24:29,390 --> 00:24:27,659

sense a crisis they go back to church

633

00:24:32,330 --> 00:24:29,400

they go back to the synagogue whatever

634

00:24:34,430 --> 00:24:32,340

their you know the um whatever their

635

00:24:36,770 --> 00:24:34,440

place of worship was or their

636

00:24:38,570 --> 00:24:36,780

traditional background

637

00:24:40,430 --> 00:24:38,580

the mosque whatever it is right we're

638

00:24:42,350 --> 00:24:40,440

going to have people go into those

639

00:24:44,210 --> 00:24:42,360

circles and asking people who are in

640

00:24:46,430 --> 00:24:44,220

many ways the least prepared to talk

641

00:24:49,250 --> 00:24:46,440

about this of anyone and then these

642

00:24:52,310 --> 00:24:49,260

people in these official sort of

643

00:24:54,169 --> 00:24:52,320

spiritual centers religious centers will

644

00:24:57,169 --> 00:24:54,179

feel probably the pressure of do I give

645

00:24:58,970 --> 00:24:57,179

the do I tow the party line here or do I

646

00:25:00,770 --> 00:24:58,980

actually open up the possibility that

647

00:25:03,230 --> 00:25:00,780

maybe we haven't thought broadly enough

648

00:25:06,169 --> 00:25:03,240

about these these topics and so

649

00:25:07,970 --> 00:25:06,179

who who your priest is and or your

650

00:25:10,190 --> 00:25:07,980

pastor or whatever

651  
00:25:12,830 --> 00:25:10,200  
your Iman whatever is going to really

652  
00:25:15,289 --> 00:25:12,840  
determine what kind of answer you get

653  
00:25:17,570 --> 00:25:15,299  
and you're going to see not just

654  
00:25:19,370 --> 00:25:17,580  
scientific panels being quickly put

655  
00:25:21,409 --> 00:25:19,380  
together to try to study this but also

656  
00:25:23,750 --> 00:25:21,419  
religious panels we're going to have the

657  
00:25:25,130 --> 00:25:23,760  
Vatican probably scramble to to gather

658  
00:25:27,350 --> 00:25:25,140  
people to talk and you're going to have

659  
00:25:29,510 --> 00:25:27,360  
Evangelical circles try to do that

660  
00:25:32,750 --> 00:25:29,520  
so it's going to be fascinating because

661  
00:25:34,730 --> 00:25:32,760  
every corner of our society is going to

662  
00:25:37,669 --> 00:25:34,740  
suddenly be grappling with this topic

663  
00:25:39,649 --> 00:25:37,679

how could they not and

664

00:25:41,590 --> 00:25:39,659

it's really there's so many moving parts

665

00:25:44,750 --> 00:25:41,600

that it's very difficult to know exactly

666

00:25:46,070 --> 00:25:44,760

what the response will be and on top of

667

00:25:48,310 --> 00:25:46,080

that as I've mentioned before there's

668

00:25:51,250 --> 00:25:48,320

always the X Factor of let's not forget

669

00:25:53,750 --> 00:25:51,260

that the others are in the mix here

670

00:25:56,570 --> 00:25:53,760

standing by and watching as for the

671

00:25:58,549 --> 00:25:56,580

first time our civilization grapples

672

00:26:00,769 --> 00:25:58,559

with the notion that we are not alone

673

00:26:02,450 --> 00:26:00,779

and this is being mentioned from on a

674

00:26:05,590 --> 00:26:02,460

high from official circles not just

675

00:26:08,810 --> 00:26:05,600

Rumor Mill and and conspiracy theorizing

676

00:26:10,610 --> 00:26:08,820

so how will they respond and as I've

677

00:26:12,830 --> 00:26:10,620

been saying on recent podcasts and we've

678

00:26:14,930 --> 00:26:12,840

discussed many times on this show this

679

00:26:17,029 --> 00:26:14,940

is also happening You could argue in the

680

00:26:19,490 --> 00:26:17,039

midst of a perfect storm where our

681

00:26:21,409 --> 00:26:19,500

civilization is facing so many major

682

00:26:24,470 --> 00:26:21,419

major challenges like civilization

683

00:26:26,930 --> 00:26:24,480

ending type of challenges all of this is

684

00:26:28,549 --> 00:26:26,940

happening at the same time it almost

685

00:26:30,289 --> 00:26:28,559

feels like a movie that's packed full of

686

00:26:32,870 --> 00:26:30,299

too many plot details you know it's just

687

00:26:34,789 --> 00:26:32,880

it's so astonishing when you think about

688

00:26:37,370 --> 00:26:34,799

all this happening at the same time and

689

00:26:39,470 --> 00:26:37,380

I would suggest as I've said before that

690

00:26:41,390 --> 00:26:39,480

that is that is by design that the

691

00:26:42,409 --> 00:26:41,400

others increasing their interaction with

692

00:26:44,450 --> 00:26:42,419

us

693

00:26:46,310 --> 00:26:44,460

official circles feeling like now they

694

00:26:47,750 --> 00:26:46,320

have no choice but to respond in the

695

00:26:51,230 --> 00:26:47,760

midst of also these civilization

696

00:26:54,470 --> 00:26:51,240

challenging circumstances is all part of

697

00:26:57,409 --> 00:26:54,480

the same Enterprise I would suggest

698

00:26:59,510 --> 00:26:57,419

do you think we talked about grief do

699

00:27:02,390 --> 00:26:59,520

you think that there will be a good deal

700

00:27:05,210 --> 00:27:02,400

of anger as well I wonder if we can

701  
00:27:07,970 --> 00:27:05,220  
explore that emotion uh a little bit

702  
00:27:09,890 --> 00:27:07,980  
further I can only imagine that there

703  
00:27:13,850 --> 00:27:09,900  
will be those with with pointed

704  
00:27:15,049 --> 00:27:13,860  
questions at authorities about what they

705  
00:27:23,090 --> 00:27:15,059  
know

706  
00:27:26,390 --> 00:27:23,100  
how long has this been a secret Within

707  
00:27:29,630 --> 00:27:26,400  
you know certain circles uh because it

708  
00:27:32,570 --> 00:27:29,640  
would be pretty difficult to argue that

709  
00:27:34,250 --> 00:27:32,580  
that someone didn't know uh you know

710  
00:27:37,730 --> 00:27:34,260  
that that oh we all just sort of found

711  
00:27:39,769 --> 00:27:37,740  
out together in 2023 and you know nobody

712  
00:27:42,890 --> 00:27:39,779  
had really realized this before I think

713  
00:27:46,190 --> 00:27:42,900

there's enough uh in the cultural

714

00:27:48,649 --> 00:27:46,200

Zeitgeist uh understanding of this topic

715

00:27:50,330 --> 00:27:48,659

even on the very surface level that the

716

00:27:53,830 --> 00:27:50,340

governments of the world or at least a

717

00:27:57,590 --> 00:27:53,840

government has kept some pretty uh

718

00:27:59,890 --> 00:27:57,600

Monumental Secrets uh what will be the

719

00:28:04,190 --> 00:27:59,900

repercussions of

720

00:28:07,669 --> 00:28:04,200

the intense level of attention on this

721

00:28:09,710 --> 00:28:07,679

topic to our leaders to our governmental

722

00:28:12,769 --> 00:28:09,720

leaders and and what kind of

723

00:28:17,029 --> 00:28:12,779

responsibility do they have in your view

724

00:28:18,950 --> 00:28:17,039

to offer a kind of uh a mea culpa even

725

00:28:21,110 --> 00:28:18,960

if they weren't necessarily the ones

726

00:28:23,930 --> 00:28:21,120

that said hey let's let's put it in the

727

00:28:26,810 --> 00:28:23,940

default and never open this again but

728

00:28:29,390 --> 00:28:26,820

they inherited those secrets from their

729

00:28:31,970 --> 00:28:29,400

legacy predecessors what responsibility

730

00:28:34,789 --> 00:28:31,980

they have to say you know we messed up

731

00:28:36,970 --> 00:28:34,799

here and uh at the time when this

732

00:28:41,090 --> 00:28:36,980

decision was made it made a lot of sense

733

00:28:42,890 --> 00:28:41,100

but uh as you know when you tell a lie

734

00:28:45,350 --> 00:28:42,900

as a kid you have to tell another lie

735

00:28:47,690 --> 00:28:45,360

and another lie until eventually it goes

736

00:28:49,610 --> 00:28:47,700

it grows so big that you cannot control

737

00:28:52,190 --> 00:28:49,620

it any longer and that's essentially

738

00:28:53,049 --> 00:28:52,200

where we are and you have to pay the

739

00:28:56,690 --> 00:28:53,059

price

740

00:28:58,850 --> 00:28:56,700

for that falsehood so what what do you

741

00:29:01,070 --> 00:28:58,860

see in terms of a social reaction there

742

00:29:03,289 --> 00:29:01,080

and and the way leadership May respond

743

00:29:04,789 --> 00:29:03,299

in the face of it

744

00:29:05,990 --> 00:29:04,799

it's a great question because if you

745

00:29:08,090 --> 00:29:06,000

think about it

746

00:29:09,830 --> 00:29:08,100

government's going to be asking the

747

00:29:13,310 --> 00:29:09,840

populace to trust us while we navigate

748

00:29:15,890 --> 00:29:13,320

these Waters while also admitting that

749

00:29:17,630 --> 00:29:15,900

there's been a 75 year at least lie

750

00:29:20,149 --> 00:29:17,640

being told

751

00:29:23,450 --> 00:29:20,159

a great deception being perpetrated so

752

00:29:25,669 --> 00:29:23,460

this is this is challenging in itself to

753

00:29:27,529 --> 00:29:25,679

say such a thing to the populace of

754

00:29:29,330 --> 00:29:27,539

course many people in ufology will feel

755

00:29:32,029 --> 00:29:29,340

finally vindication

756

00:29:35,090 --> 00:29:32,039

these things that we knew all along long

757

00:29:37,250 --> 00:29:35,100

suspected anyway were only

758

00:29:38,810 --> 00:29:37,260

superficially interested in studying

759

00:29:40,970 --> 00:29:38,820

this they're more interested in studying

760

00:29:42,409 --> 00:29:40,980

it internally while suppressing it

761

00:29:43,850 --> 00:29:42,419

externally

762

00:29:45,470 --> 00:29:43,860

because they were basically just trying

763

00:29:46,850 --> 00:29:45,480

to buy time they were trying to kick the

764

00:29:48,350 --> 00:29:46,860

can down the road hoping they could

765

00:29:50,269 --> 00:29:48,360

understand that

766

00:29:54,350 --> 00:29:50,279

so now that's one question I would ask

767

00:29:55,909 --> 00:29:54,360

people to really think about is why now

768

00:29:57,889 --> 00:29:55,919

there are many answers to that question

769

00:29:59,389 --> 00:29:57,899

I think but I would ask people to spend

770

00:30:02,149 --> 00:29:59,399

some time thinking about that maybe in

771

00:30:03,710 --> 00:30:02,159

the future we can unwrap that a bit

772

00:30:05,870 --> 00:30:03,720

but yeah this is this is going to be

773

00:30:08,930 --> 00:30:05,880

interesting because

774

00:30:10,490 --> 00:30:08,940

we already have such distrust in

775

00:30:12,830 --> 00:30:10,500

government right now

776

00:30:15,110 --> 00:30:12,840

in American society we've never been

777

00:30:16,850 --> 00:30:15,120

more divided since the Civil War many

778

00:30:19,610 --> 00:30:16,860

people think we're inevitably headed

779

00:30:21,649 --> 00:30:19,620

towards that kind of eventuality again

780

00:30:24,649 --> 00:30:21,659

and so in the midst of that you have

781

00:30:26,090 --> 00:30:24,659

this groundbreaking news coming out and

782

00:30:28,669 --> 00:30:26,100

I would also suggest or remind people

783

00:30:31,070 --> 00:30:28,679

that government is not one thing it is

784

00:30:32,690 --> 00:30:31,080

not a monolith even in the U.S here we

785

00:30:34,610 --> 00:30:32,700

have different branches of government by

786

00:30:36,110 --> 00:30:34,620

Design so you're going to have a little

787

00:30:37,789 --> 00:30:36,120

bit of posturing between the different

788

00:30:38,990 --> 00:30:37,799

branches of government in terms of how

789

00:30:41,289 --> 00:30:39,000

they're going to handle this you're not

790

00:30:43,750 --> 00:30:41,299

going to have a one-size-fits-all

791

00:30:45,769 --> 00:30:43,760

unanimous kind of Monolithic

792

00:30:46,850 --> 00:30:45,779

announcement from the different branches

793

00:30:47,810 --> 00:30:46,860

of government you're going to have the

794

00:30:51,649 --> 00:30:47,820

different branches of government

795

00:30:53,870 --> 00:30:51,659

actually posturing and posing questions

796

00:30:56,269 --> 00:30:53,880

to each other while this comes out as

797

00:30:57,230 --> 00:30:56,279

well so this is fascinating in itself

798

00:30:58,850 --> 00:30:57,240

and then you've got different

799

00:31:00,110 --> 00:30:58,860

governments we've got some governments

800

00:31:02,090 --> 00:31:00,120

in the world

801  
00:31:04,310 --> 00:31:02,100  
that have had crash retrieval programs

802  
00:31:06,889 --> 00:31:04,320  
that I'm aware of that were actually

803  
00:31:09,350 --> 00:31:06,899  
legal and they were on the books and was

804  
00:31:12,590 --> 00:31:09,360  
conducted according to you know the

805  
00:31:14,870 --> 00:31:12,600  
auspices of democracy others like in our

806  
00:31:16,490 --> 00:31:14,880  
country were not done legally from all

807  
00:31:18,830 --> 00:31:16,500  
intents and purposes it certainly seems

808  
00:31:21,350 --> 00:31:18,840  
like there was a loopholes and whatnot

809  
00:31:23,090 --> 00:31:21,360  
used to basically use taxpayer money

810  
00:31:25,549 --> 00:31:23,100  
while this was being investigated for

811  
00:31:27,950 --> 00:31:25,559  
decades and not being acknowledged not

812  
00:31:30,889 --> 00:31:27,960  
really having any oversight taking place

813  
00:31:33,830 --> 00:31:30,899

so this is again all of that Revelation

814

00:31:35,810 --> 00:31:33,840

is happening right when we say

815

00:31:37,669 --> 00:31:35,820

while we're acknowledging that let's not

816

00:31:39,409 --> 00:31:37,679

forget the pink elephant in the room

817

00:31:41,269 --> 00:31:39,419

which is that there is another

818

00:31:45,289 --> 00:31:41,279

intelligence here and they've been here

819

00:31:47,510 --> 00:31:45,299

perhaps longer than we have they are so

820

00:31:49,130 --> 00:31:47,520

Advanced So Sophisticated that they can

821

00:31:51,169 --> 00:31:49,140

run circles around us to the point where

822

00:31:53,090 --> 00:31:51,179

we didn't even realize the vast majority

823

00:31:54,710 --> 00:31:53,100

of us that they've been here and they've

824

00:31:55,909 --> 00:31:54,720

been conducting Affairs and to some

825

00:31:58,310 --> 00:31:55,919

degree

826

00:32:00,289 --> 00:31:58,320

managing aspects of our civilization

827

00:32:02,570 --> 00:32:00,299

even potentially aspects of our

828

00:32:03,769 --> 00:32:02,580

governmental programs so these are the

829

00:32:05,990 --> 00:32:03,779

kinds of questions that are going to be

830

00:32:07,789 --> 00:32:06,000

surfacing for people and when you

831

00:32:10,250 --> 00:32:07,799

already have a huge parts of the

832

00:32:12,230 --> 00:32:10,260

population distrusting government

833

00:32:14,810 --> 00:32:12,240

then the last thing you could argue that

834

00:32:17,149 --> 00:32:14,820

our society needs on the one hand is

835

00:32:18,769 --> 00:32:17,159

just one more rug pulled out from under

836

00:32:20,029 --> 00:32:18,779

us in terms of trust of those

837

00:32:21,950 --> 00:32:20,039

institutions

838

00:32:23,930 --> 00:32:21,960

at the same time I think what's more

839

00:32:26,149 --> 00:32:23,940

important to highlight here is that

840

00:32:28,610 --> 00:32:26,159

again our civilization is on the brink

841

00:32:31,070 --> 00:32:28,620

we are closer to collapse I would

842

00:32:33,169 --> 00:32:31,080

suggest that many people realize

843

00:32:34,909 --> 00:32:33,179

the messages from these others is very

844

00:32:37,250 --> 00:32:34,919

much along those lines I want to make

845

00:32:40,310 --> 00:32:37,260

that point very clearly

846

00:32:42,889 --> 00:32:40,320

so we need a wake-up call in other words

847

00:32:47,289 --> 00:32:42,899

and this may be the very thing that we

848

00:32:50,570 --> 00:32:47,299

need to to consider really substantially

849

00:32:52,450 --> 00:32:50,580

sustainably rethinking the very way we

850

00:32:55,610 --> 00:32:52,460

conduct our Affairs as a civilization

851  
00:32:56,570 --> 00:32:55,620  
and perhaps as Ronald Reagan said back

852  
00:32:59,029 --> 00:32:56,580  
in the day

853  
00:33:01,250 --> 00:32:59,039  
perhaps being aware of an intelligence

854  
00:33:02,990 --> 00:33:01,260  
that's from Beyond the Earth

855  
00:33:04,909 --> 00:33:03,000  
might be the one thing that finally

856  
00:33:06,950 --> 00:33:04,919  
begins to unite us as a people and

857  
00:33:09,769 --> 00:33:06,960  
changes fundamentally the way we behave

858  
00:33:12,049 --> 00:33:09,779  
as a civilization

859  
00:33:14,330 --> 00:33:12,059  
right I would hope that it humbles us

860  
00:33:18,430 --> 00:33:14,340  
that

861  
00:33:23,690 --> 00:33:21,169  
earth-shattering news

862  
00:33:25,730 --> 00:33:23,700  
even if we might be feeling those

863  
00:33:26,870 --> 00:33:25,740

intense you know feelings of grief or

864

00:33:29,930 --> 00:33:26,880

anger

865

00:33:32,630 --> 00:33:29,940

that we feel that sense of humility and

866

00:33:36,169 --> 00:33:32,640

wonder and lean into

867

00:33:39,250 --> 00:33:36,179

the the new space that is created

868

00:33:41,810 --> 00:33:39,260

in the wake of such an announcement

869

00:33:43,730 --> 00:33:41,820

because you you have a tremendous

870

00:33:45,710 --> 00:33:43,740

opportunity and I think I think our

871

00:33:48,230 --> 00:33:45,720

governments have a tremendous

872

00:33:50,870 --> 00:33:48,240

opportunity here as well even if they

873

00:33:52,730 --> 00:33:50,880

have a degree of culpability

874

00:33:54,409 --> 00:33:52,740

and keeping things secret

875

00:33:58,430 --> 00:33:54,419

they have an opportunity for

876

00:34:02,029 --> 00:33:58,440

transparency and uh and a level of a

877

00:34:04,149 --> 00:34:02,039

deeper intimacy with their population uh

878

00:34:07,850 --> 00:34:04,159

in the in the face of such an enormous

879

00:34:11,210 --> 00:34:07,860

truth that that a great deal of trust

880

00:34:14,389 --> 00:34:11,220

could be restored if if done well if

881

00:34:16,430 --> 00:34:14,399

done right uh you know you you you

882

00:34:19,250 --> 00:34:16,440

certainly wouldn't uh

883

00:34:21,470 --> 00:34:19,260

begrudge the the population though the

884

00:34:24,530 --> 00:34:21,480

populace to to have their doubts right

885

00:34:26,270 --> 00:34:24,540

as you said earlier you know you want us

886

00:34:28,849 --> 00:34:26,280

to trust you and you've not been telling

887

00:34:30,829 --> 00:34:28,859

us and up and forthright with us so what

888

00:34:34,310 --> 00:34:30,839

are you going to do now how are you

889

00:34:36,730 --> 00:34:34,320

going to demonstrate to us that you are

890

00:34:39,589 --> 00:34:36,740

proceeding in good faith that you are

891

00:34:43,550 --> 00:34:39,599

including us in the conversation that

892

00:34:46,129 --> 00:34:43,560

you've got a wide uh casting a wide net

893

00:34:48,050 --> 00:34:46,139

for folks to participate in

894

00:34:50,510 --> 00:34:48,060

understanding what this is because it

895

00:34:52,869 --> 00:34:50,520

really will require I think in a way

896

00:34:56,530 --> 00:34:52,879

that maybe hasn't been performed before

897

00:35:00,470 --> 00:34:56,540

almost a a very public Manhattan Project

898

00:35:03,230 --> 00:35:00,480

of of of people from a wide number of

899

00:35:05,930 --> 00:35:03,240

disciplines and experiences and walks of

900

00:35:07,790 --> 00:35:05,940

life and I think I I'm speaking for a

901  
00:35:09,890 --> 00:35:07,800  
second here on behalf of experiencers

902  
00:35:12,470 --> 00:35:09,900  
although I'm not one myself but those

903  
00:35:14,690 --> 00:35:12,480  
who've had Direct experience with this

904  
00:35:17,630 --> 00:35:14,700  
kind of intelligence who don't have a

905  
00:35:20,390 --> 00:35:17,640  
PhD or aren't the leader of a Fortune

906  
00:35:23,210 --> 00:35:20,400  
100 company or aren't an elected

907  
00:35:26,150 --> 00:35:23,220  
official they've had real tangible

908  
00:35:29,510 --> 00:35:26,160  
experience sometimes generationally with

909  
00:35:31,970 --> 00:35:29,520  
this intelligence and they deserve quite

910  
00:35:35,329 --> 00:35:31,980  
frankly exceeded those tables in those

911  
00:35:38,390 --> 00:35:35,339  
conversations so you know how do you see

912  
00:35:41,089 --> 00:35:38,400  
that taking place do you see that there

913  
00:35:44,270 --> 00:35:41,099

might be an opportunity to include those

914

00:35:46,609 --> 00:35:44,280

voices and and if not immediately which

915

00:35:48,290 --> 00:35:46,619

I think may be the case because

916

00:35:50,750 --> 00:35:48,300

you first have to kind of let the horse

917

00:35:53,510 --> 00:35:50,760

leave the barn and then then you can go

918

00:35:55,190 --> 00:35:53,520

go for the ride right so uh how do you

919

00:35:57,349 --> 00:35:55,200

see it unfolding do you think that that

920

00:35:59,270 --> 00:35:57,359

will eventually occur if not in the

921

00:36:01,970 --> 00:35:59,280

immediacy of the announcement but later

922

00:36:04,130 --> 00:36:01,980

on experiencers being brought into that

923

00:36:06,410 --> 00:36:04,140

conversation

924

00:36:09,710 --> 00:36:06,420

it surely seems like now is the right

925

00:36:12,109 --> 00:36:09,720

time for that part of the the farce that

926

00:36:14,510 --> 00:36:12,119

this appears to be to people my friend

927

00:36:16,490 --> 00:36:14,520

Stuart Davis sort of threw up his hands

928

00:36:17,990 --> 00:36:16,500

a year ago and was just frustrated that

929

00:36:19,670 --> 00:36:18,000

we were still asking the same questions

930

00:36:21,710 --> 00:36:19,680

we've been asking for five years 10

931

00:36:23,089 --> 00:36:21,720

years 20 years talking about the craft

932

00:36:25,010 --> 00:36:23,099

in the sky

933

00:36:26,690 --> 00:36:25,020

kind of missing the more obvious

934

00:36:28,849 --> 00:36:26,700

question which is who are the beings

935

00:36:31,069 --> 00:36:28,859

operating the craft whether you know

936

00:36:32,870 --> 00:36:31,079

directly or remotely or whatever and

937

00:36:35,109 --> 00:36:32,880

it's not like that's a complete mystery

938

00:36:37,790 --> 00:36:35,119

we've had like you say experiencers

939

00:36:40,130 --> 00:36:37,800

encountering the beings themselves for

940

00:36:41,810 --> 00:36:40,140

decades and decades and decades and

941

00:36:44,930 --> 00:36:41,820

while there's a lot of high strangeness

942

00:36:46,910 --> 00:36:44,940

and Paradox in this phenomenon there's a

943

00:36:48,410 --> 00:36:46,920

remarkable consistency in the nature of

944

00:36:51,290 --> 00:36:48,420

the messages too

945

00:36:53,270 --> 00:36:51,300

so absolutely there is

946

00:36:54,890 --> 00:36:53,280

valuable information to be gathered

947

00:36:56,089 --> 00:36:54,900

there if you think about intelligent

948

00:36:57,829 --> 00:36:56,099

circles

949

00:36:59,390 --> 00:36:57,839

what they do when they go into foreign

950

00:37:02,270 --> 00:36:59,400

countries is they try to Foster

951  
00:37:04,910 --> 00:37:02,280  
relationships and gather information by

952  
00:37:08,630 --> 00:37:04,920  
building relationships that should

953  
00:37:11,270 --> 00:37:08,640  
happen here we should have a grand and

954  
00:37:12,950 --> 00:37:11,280  
deep and Broad intelligence operation

955  
00:37:15,829 --> 00:37:12,960  
that basically is going to try to

956  
00:37:17,690 --> 00:37:15,839  
understand what the messages are who

957  
00:37:18,950 --> 00:37:17,700  
these beings are what their intentions

958  
00:37:21,170 --> 00:37:18,960  
are

959  
00:37:23,089 --> 00:37:21,180  
again I would suggest that that's

960  
00:37:25,730 --> 00:37:23,099  
complex there are different factions

961  
00:37:27,109 --> 00:37:25,740  
different groups again I think that

962  
00:37:28,849 --> 00:37:27,119  
what you're going to see initially

963  
00:37:30,349 --> 00:37:28,859

because I still see this happening on

964

00:37:32,390 --> 00:37:30,359

UFO Twitter so I'm sure it'll happen in

965

00:37:35,150 --> 00:37:32,400

the broader Society too which is kind of

966

00:37:37,130 --> 00:37:35,160

a conflation of all the messages and all

967

00:37:39,710 --> 00:37:37,140

the encounters over time to assume it's

968

00:37:41,569 --> 00:37:39,720

all one thing I think that's a mistake I

969

00:37:43,370 --> 00:37:41,579

think we have to be cautious and look

970

00:37:46,490 --> 00:37:43,380

for patterns in the data

971

00:37:48,230 --> 00:37:46,500

I think that even though some people

972

00:37:50,089 --> 00:37:48,240

would question some of the means by

973

00:37:52,550 --> 00:37:50,099

which some of the encounters have taken

974

00:37:53,690 --> 00:37:52,560

place some of the hybridization programs

975

00:37:55,730 --> 00:37:53,700

and whatnot

976  
00:37:58,010 --> 00:37:55,740  
that have been reported over time even

977  
00:38:01,370 --> 00:37:58,020  
the abduction experiences again I would

978  
00:38:04,550 --> 00:38:01,380  
really want to impress upon people here

979  
00:38:07,069 --> 00:38:04,560  
the notion that it is not as agency

980  
00:38:09,470 --> 00:38:07,079  
robbing as it appears now on a certain

981  
00:38:11,690 --> 00:38:09,480  
level it is no doubt and some people

982  
00:38:14,510 --> 00:38:11,700  
have even cried Stockholm syndrome that

983  
00:38:16,849 --> 00:38:14,520  
any people who Proclaim these beings to

984  
00:38:18,890 --> 00:38:16,859  
be good and well-meaning in the big

985  
00:38:20,030 --> 00:38:18,900  
picture how can they be when they when

986  
00:38:22,910 --> 00:38:20,040  
they abduct people from their homes

987  
00:38:25,310 --> 00:38:22,920  
against their will apparently

988  
00:38:27,290 --> 00:38:25,320

fair point but again I think when you

989

00:38:29,329 --> 00:38:27,300

look closely at this and I have and I

990

00:38:31,490 --> 00:38:29,339

have friends and colleagues who've been

991

00:38:34,370 --> 00:38:31,500

involved in those introduction and

992

00:38:37,069 --> 00:38:34,380

experiences going back 30 years

993

00:38:38,810 --> 00:38:37,079

when you look closely it is not a slam

994

00:38:41,510 --> 00:38:38,820

dunk case of the Stockholm syndrome I

995

00:38:45,170 --> 00:38:41,520

think really there is over time this

996

00:38:48,710 --> 00:38:45,180

sense of a grander mission a sense of

997

00:38:51,170 --> 00:38:48,720

purpose in life a sense of this is about

998

00:38:53,390 --> 00:38:51,180

life itself moving forward and learning

999

00:38:55,670 --> 00:38:53,400

and US learning but also them as well

1000

00:38:58,010 --> 00:38:55,680

and that's even part of the the goals

1001  
00:39:00,109 --> 00:38:58,020  
with the hybridization program so some

1002  
00:39:02,930 --> 00:39:00,119  
people are going to become privy to

1003  
00:39:03,950 --> 00:39:02,940  
those kinds of aspects of the data I'm

1004  
00:39:05,569 --> 00:39:03,960  
talking about people who've never heard

1005  
00:39:07,310 --> 00:39:05,579  
about this before and be terrified

1006  
00:39:09,349 --> 00:39:07,320  
because of that right you're telling me

1007  
00:39:10,190 --> 00:39:09,359  
that beings can appear in my room in the

1008  
00:39:12,109 --> 00:39:10,200  
middle of the night it doesn't matter

1009  
00:39:14,450 --> 00:39:12,119  
how many padlocks I have in the door it

1010  
00:39:16,430 --> 00:39:14,460  
doesn't matter how many you know uh

1011  
00:39:19,010 --> 00:39:16,440  
rifles I have under my bed I can't do

1012  
00:39:21,530 --> 00:39:19,020  
anything and the answer is no you can't

1013  
00:39:23,690 --> 00:39:21,540

and maybe it's time to get beyond that

1014

00:39:26,150 --> 00:39:23,700

kind of thinking this sort of ego

1015

00:39:27,650 --> 00:39:26,160

Transcendence is is important I know

1016

00:39:31,430 --> 00:39:27,660

some people are going to say I'm giving

1017

00:39:33,290 --> 00:39:31,440

too much power and to these others and

1018

00:39:35,390 --> 00:39:33,300

not being cautious enough I understand

1019

00:39:36,770 --> 00:39:35,400

that we can later get into the

1020

00:39:38,329 --> 00:39:36,780

developmental levels and how they look

1021

00:39:40,010 --> 00:39:38,339

at these things differently

1022

00:39:42,710 --> 00:39:40,020

but I'm just saying the data itself

1023

00:39:44,750 --> 00:39:42,720

suggests that that's the case that

1024

00:39:47,089 --> 00:39:44,760

people

1025

00:39:48,890 --> 00:39:47,099

largely come to this this sense of

1026  
00:39:50,750 --> 00:39:48,900  
understanding of at least be seeing it

1027  
00:39:52,010 --> 00:39:50,760  
as a neutral but often as a positive

1028  
00:39:54,710 --> 00:39:52,020  
experience

1029  
00:39:56,510 --> 00:39:54,720  
so I think we need to keep that in mind

1030  
00:39:58,849 --> 00:39:56,520  
and that needs to come front and center

1031  
00:40:00,290 --> 00:39:58,859  
we need to get Beyond just saying this

1032  
00:40:02,630 --> 00:40:00,300  
has involved abductions and

1033  
00:40:04,250 --> 00:40:02,640  
hybridization that sounds not good we

1034  
00:40:07,609 --> 00:40:04,260  
need to listen to experiences when they

1035  
00:40:09,530 --> 00:40:07,619  
say it's more complex than that my My

1036  
00:40:10,910 --> 00:40:09,540  
overall take is I'm glad this happened

1037  
00:40:13,430 --> 00:40:10,920  
in the big picture yes it was

1038  
00:40:16,310 --> 00:40:13,440

traumatizing initially but it also sort

1039

00:40:18,109 --> 00:40:16,320

of shook me out of my stupor and to

1040

00:40:20,569 --> 00:40:18,119

quote Whitley Streeper here another

1041

00:40:22,310 --> 00:40:20,579

experiencer he talks about this being

1042

00:40:24,730 --> 00:40:22,320

all those things shocking and

1043

00:40:27,109 --> 00:40:24,740

traumatizing initially but also

1044

00:40:28,670 --> 00:40:27,119

affording us the greatest potential for

1045

00:40:30,890 --> 00:40:28,680

Spiritual transformation in the history

1046

00:40:33,770 --> 00:40:30,900

of our civilization and again I just

1047

00:40:36,170 --> 00:40:33,780

want to remind people we need that we do

1048

00:40:37,550 --> 00:40:36,180

not have another 30 years to carry on

1049

00:40:39,770 --> 00:40:37,560

the way we are now that's what I would

1050

00:40:42,290 --> 00:40:39,780

suggest again I think that comes back to

1051

00:40:45,530 --> 00:40:42,300

why this is all happening now

1052

00:40:47,089 --> 00:40:45,540

but absolutely my goal is to help

1053

00:40:48,829 --> 00:40:47,099

experiences be part of that conversation

1054

00:40:50,690 --> 00:40:48,839

I know with the John Mack Institute we

1055

00:40:53,569 --> 00:40:50,700

want to do that we want to engage with

1056

00:40:55,910 --> 00:40:53,579

scientists and academics and media but

1057

00:40:58,089 --> 00:40:55,920

we very much expect and plan to have

1058

00:41:00,829 --> 00:40:58,099

experiencers at that table because

1059

00:41:03,170 --> 00:41:00,839

that's essential to really begin to make

1060

00:41:04,730 --> 00:41:03,180

sense of this whole thing

1061

00:41:07,190 --> 00:41:04,740

well I wondered if we could spend a

1062

00:41:09,950 --> 00:41:07,200

little more time going through the

1063

00:41:11,930 --> 00:41:09,960

developmental levels and the different

1064

00:41:14,329 --> 00:41:11,940

kinds of responses that people may have

1065

00:41:16,790 --> 00:41:14,339

based on the level that they may find

1066

00:41:18,190 --> 00:41:16,800

themselves in uh and I think it's

1067

00:41:20,990 --> 00:41:18,200

important to remind

1068

00:41:23,690 --> 00:41:21,000

ourselves that the world is full of of

1069

00:41:27,170 --> 00:41:23,700

humans that are in all different walks

1070

00:41:29,569 --> 00:41:27,180

of life that there are humans who are

1071

00:41:32,630 --> 00:41:29,579

still living in uh you know third world

1072

00:41:35,089 --> 00:41:32,640

environments or uh you know that don't

1073

00:41:36,770 --> 00:41:35,099

have the kind of luxuries that we have

1074

00:41:39,349 --> 00:41:36,780

in the west

1075

00:41:41,150 --> 00:41:39,359

um and even in you know no matter where

1076

00:41:43,550 --> 00:41:41,160

they live there are different humans who

1077

00:41:46,430 --> 00:41:43,560

have different uh perspectives on

1078

00:41:49,069 --> 00:41:46,440

uh you know kind of the the metaphysical

1079

00:41:51,890 --> 00:41:49,079

reality of of the world you know and how

1080

00:41:55,310 --> 00:41:51,900

how things work and so you and I both

1081

00:41:57,349 --> 00:41:55,320

know that where you find yourself uh the

1082

00:41:59,089 --> 00:41:57,359

context in which you find uh that you

1083

00:42:03,710 --> 00:41:59,099

make sense of the world that dictates

1084

00:42:05,810 --> 00:42:03,720

your response to information and uh when

1085

00:42:08,569 --> 00:42:05,820

you're when you're presented with

1086

00:42:10,790 --> 00:42:08,579

information that does not fit into that

1087

00:42:13,430 --> 00:42:10,800

model of the world that helps you make

1088

00:42:17,030 --> 00:42:13,440

sense of things well then cracks begin

1089

00:42:19,190 --> 00:42:17,040

to form the model begins to break and

1090

00:42:21,109 --> 00:42:19,200

and ultimately transform and I think the

1091

00:42:24,589 --> 00:42:21,119

the concern that I would have of course

1092

00:42:28,730 --> 00:42:24,599

is is how severe is the breakage uh can

1093

00:42:32,030 --> 00:42:28,740

we uh navigate that transformation in a

1094

00:42:34,370 --> 00:42:32,040

way that is uh safe and healthy for not

1095

00:42:38,030 --> 00:42:34,380

only the individual but also for the

1096

00:42:38,750 --> 00:42:38,040

society uh and so you know what do you

1097

00:42:41,690 --> 00:42:38,760

think

1098

00:42:44,510 --> 00:42:41,700

Not only would be you know sort of

1099

00:42:46,490 --> 00:42:44,520

helpful recommendations uh to to be

1100

00:42:49,069 --> 00:42:46,500

thinking about for folks that are going

1101

00:42:50,990 --> 00:42:49,079

to be processing this

1102

00:42:53,329 --> 00:42:51,000

um but but what might be some of the

1103

00:42:56,510 --> 00:42:53,339

reactions based on some of the varying

1104

00:42:59,750 --> 00:42:56,520

developmental levels that we we see in

1105

00:43:01,849 --> 00:42:59,760

human symbolization today

1106

00:43:03,470 --> 00:43:01,859

yeah that is the the six million dollar

1107

00:43:04,849 --> 00:43:03,480

question

1108

00:43:06,410 --> 00:43:04,859

because

1109

00:43:08,270 --> 00:43:06,420

as I've said before and as we've

1110

00:43:10,069 --> 00:43:08,280

discussed on this podcast

1111

00:43:13,609 --> 00:43:10,079

many people keep asking this question

1112

00:43:15,490 --> 00:43:13,619

what will the human response be to this

1113

00:43:17,690 --> 00:43:15,500

Revelation what will the

1114

00:43:19,670 --> 00:43:17,700

civilization-wide response be to this

1115

00:43:22,250 --> 00:43:19,680

Revelation these series of Revelations

1116

00:43:24,410 --> 00:43:22,260

and really there is no such thing as one

1117

00:43:25,490 --> 00:43:24,420

response as you say there are many

1118

00:43:27,589 --> 00:43:25,500

different

1119

00:43:29,089 --> 00:43:27,599

types of people around the world in very

1120

00:43:30,589 --> 00:43:29,099

different conditions living under very

1121

00:43:32,870 --> 00:43:30,599

different conditions

1122

00:43:34,670 --> 00:43:32,880

that's part of what's the problem that

1123

00:43:35,809 --> 00:43:34,680

we need to begin to work towards a

1124

00:43:38,390 --> 00:43:35,819

solution

1125

00:43:39,710 --> 00:43:38,400

but even within one country you have

1126

00:43:41,990 --> 00:43:39,720

different World Views I've discussed

1127

00:43:44,569 --> 00:43:42,000

before how even in the United States you

1128

00:43:47,030 --> 00:43:44,579

have three very different World Views

1129

00:43:49,490 --> 00:43:47,040

coexisting and it fundamentally changes

1130

00:43:51,109 --> 00:43:49,500

the way that people look at reality at

1131

00:43:52,790 --> 00:43:51,119

themselves at others at the way

1132

00:43:53,750 --> 00:43:52,800

government should should work all those

1133

00:43:56,089 --> 00:43:53,760

things

1134

00:43:57,530 --> 00:43:56,099

are are changed because of these World

1135

00:43:59,270 --> 00:43:57,540

Views so

1136

00:44:01,730 --> 00:43:59,280

you have to realize you can read the

1137

00:44:04,069 --> 00:44:01,740

same Public Relation statement

1138

00:44:05,809 --> 00:44:04,079

but how people are going to hear it is

1139

00:44:07,790 --> 00:44:05,819

very different based not only just on

1140

00:44:09,770 --> 00:44:07,800

their personal history but also on their

1141

00:44:12,650 --> 00:44:09,780

level of development

1142

00:44:13,670 --> 00:44:12,660

this this is key and interestingly even

1143

00:44:15,730 --> 00:44:13,680

when you look at the abduction

1144

00:44:19,069 --> 00:44:15,740

literature and the contact literature

1145

00:44:21,349 --> 00:44:19,079

people's responses at least initially in

1146

00:44:23,630 --> 00:44:21,359

terms of their interpretation of the

1147

00:44:24,770 --> 00:44:23,640

events really did differ depending on

1148

00:44:27,589 --> 00:44:24,780

their level of Developmental

1149

00:44:30,349 --> 00:44:27,599

Consciousness so we can also expect that

1150

00:44:32,089 --> 00:44:30,359

will happen on a civilization-wide level

1151

00:44:35,450 --> 00:44:32,099

as well

1152

00:44:38,329 --> 00:44:35,460

some people just look at the unknown

1153

00:44:40,010 --> 00:44:38,339

as a fearful thing some people just have

1154

00:44:41,450 --> 00:44:40,020

a default response to anything that

1155

00:44:43,630 --> 00:44:41,460

comes here that I don't know what it is

1156

00:44:46,730 --> 00:44:43,640

it's not already part of my

1157

00:44:49,069 --> 00:44:46,740

understanding and familiarity that's

1158

00:44:50,930 --> 00:44:49,079

that's already something that could be

1159

00:44:52,430 --> 00:44:50,940

dangerous for me they see it as a threat

1160

00:44:54,829 --> 00:44:52,440

right away

1161

00:44:56,809 --> 00:44:54,839

not only in terms of we've discussed

1162

00:44:58,069 --> 00:44:56,819

before how military establishments kind

1163

00:45:00,109 --> 00:44:58,079

of that becomes part of the default

1164

00:45:01,730 --> 00:45:00,119

culture right anything you can't can't

1165

00:45:04,730 --> 00:45:01,740

understand you don't know you see as a

1166

00:45:06,950 --> 00:45:04,740

Potential Threat right but even

1167

00:45:10,130 --> 00:45:06,960

people in certain worldview perspectives

1168

00:45:13,250 --> 00:45:10,140

will also see it that way I have a very

1169

00:45:15,170 --> 00:45:13,260

clear defined delineated understanding

1170

00:45:17,210 --> 00:45:15,180

of what there is in reality and when I'm

1171

00:45:19,490 --> 00:45:17,220

suddenly presented with something that

1172

00:45:22,010 --> 00:45:19,500

does not fit that I'll either try to

1173

00:45:23,329 --> 00:45:22,020

force it into like a square peg into a

1174

00:45:27,050 --> 00:45:23,339

round hole something that doesn't really

1175

00:45:28,790 --> 00:45:27,060

fit I'll uh Angels and Demons perhaps or

1176

00:45:31,490 --> 00:45:28,800

I will

1177

00:45:34,010 --> 00:45:31,500

have a kind of existential crisis

1178

00:45:36,770 --> 00:45:34,020

because this thing does not fit within

1179

00:45:39,530 --> 00:45:36,780

any aspect of my previous model and then

1180

00:45:41,329 --> 00:45:39,540

you have full-on ontological shock and

1181

00:45:42,230 --> 00:45:41,339

existential crisis happening at the same

1182

00:45:43,609 --> 00:45:42,240

time

1183

00:45:45,109 --> 00:45:43,619

and you're even going to get people as

1184

00:45:46,550 --> 00:45:45,119

I've discussed before

1185

00:45:49,370 --> 00:45:46,560

from different World Views and different

1186

00:45:51,589 --> 00:45:49,380

developmental levels then

1187

00:45:54,349 --> 00:45:51,599

becoming acrimonious towards each other

1188

00:45:55,910 --> 00:45:54,359

how can you possibly see these beings as

1189

00:45:57,829 --> 00:45:55,920

good they're demons they're here to

1190

00:45:59,089 --> 00:45:57,839

deceive you and if that's the

1191

00:46:01,670 --> 00:45:59,099

perspective you're going to take then

1192

00:46:03,290 --> 00:46:01,680

you're a messenger of the enemy and we

1193

00:46:05,930 --> 00:46:03,300

go to war with you because of this right

1194

00:46:08,030 --> 00:46:05,940

these are the kind of things that's not

1195

00:46:10,730 --> 00:46:08,040

way out there fiction this is the kind

1196

00:46:13,069 --> 00:46:10,740

of posturing I think we will see because

1197

00:46:14,329 --> 00:46:13,079

no matter how nicely you try to paint it

1198

00:46:16,190 --> 00:46:14,339

and not no matter how much you try to

1199

00:46:17,809 --> 00:46:16,200

get ahead of the narrative some people

1200

00:46:19,849 --> 00:46:17,819

are going to try to force us into those

1201  
00:46:21,950 --> 00:46:19,859  
default narratives as soon as they hear

1202  
00:46:25,490 --> 00:46:21,960  
these Revelations

1203  
00:46:28,849 --> 00:46:25,500  
yeah I want to be hopeful that

1204  
00:46:32,750 --> 00:46:28,859  
it's going to be a catalyst for really

1205  
00:46:34,730 --> 00:46:32,760  
positive change but I as you as you were

1206  
00:46:39,710 --> 00:46:34,740  
just talking there I'm reminded of how

1207  
00:46:43,609 --> 00:46:39,720  
reactionary we can be and to me at least

1208  
00:46:47,150 --> 00:46:43,619  
the the most successful outcome we could

1209  
00:46:50,450 --> 00:46:47,160  
have here would be a response from these

1210  
00:46:52,670 --> 00:46:50,460  
others themselves uh that as our

1211  
00:46:56,170 --> 00:46:52,680  
societal awareness becomes more

1212  
00:46:59,690 --> 00:46:56,180  
prevalent that they become more knowable

1213  
00:47:04,130 --> 00:46:59,700

because without their uh

1214

00:47:06,349 --> 00:47:04,140

you know voice at the table so to speak

1215

00:47:09,290 --> 00:47:06,359

um we really are kind of having this

1216

00:47:11,990 --> 00:47:09,300

conversation in a bit of a vacuum

1217

00:47:14,450 --> 00:47:12,000

um and and we may need that you know

1218

00:47:18,530 --> 00:47:14,460

voice to serve as kind of a hall monitor

1219

00:47:19,370 --> 00:47:18,540

or uh you know to quiet the room

1220

00:47:21,890 --> 00:47:19,380

um

1221

00:47:24,170 --> 00:47:21,900

and so it will be interesting to see

1222

00:47:25,970 --> 00:47:24,180

what whether that takes place and it

1223

00:47:27,349 --> 00:47:25,980

will be interesting as well if it does

1224

00:47:29,510 --> 00:47:27,359

not

1225

00:47:32,690 --> 00:47:29,520

um because that speaks something to me

1226

00:47:34,069 --> 00:47:32,700

uh just as loudly as if it were to

1227

00:47:35,450 --> 00:47:34,079

take place

1228

00:47:37,910 --> 00:47:35,460

um and I wonder I know you did talk

1229

00:47:40,609 --> 00:47:37,920

about this earlier in this episode but

1230

00:47:44,870 --> 00:47:40,619

you know the the so the whole notion of

1231

00:47:48,770 --> 00:47:44,880

why now and and what might be the uh

1232

00:47:53,510 --> 00:47:48,780

collection of converging factors that

1233

00:47:56,089 --> 00:47:53,520

are driving this moment in in time

1234

00:47:59,210 --> 00:47:56,099

um it may be something that is

1235

00:48:01,849 --> 00:47:59,220

unavoidable uh that

1236

00:48:04,430 --> 00:48:01,859

now is the time and there is no other

1237

00:48:07,849 --> 00:48:04,440

time it must be now for a variety of

1238

00:48:10,010 --> 00:48:07,859

reasons not just that the government may

1239

00:48:13,910 --> 00:48:10,020

have their hand forced

1240

00:48:17,150 --> 00:48:13,920

um but it is the right time for the

1241

00:48:20,930 --> 00:48:19,430

yeah it's again one of the 10 million

1242

00:48:23,809 --> 00:48:20,940

dollar questions I keep up in the ante

1243

00:48:24,650 --> 00:48:23,819

in terms of how expensive is

1244

00:48:26,390 --> 00:48:24,660

um

1245

00:48:28,309 --> 00:48:26,400

because

1246

00:48:30,050 --> 00:48:28,319

I think that's a really important

1247

00:48:31,069 --> 00:48:30,060

question to ask and for the people

1248

00:48:33,290 --> 00:48:31,079

who've

1249

00:48:34,490 --> 00:48:33,300

been at this longer than we have you

1250

00:48:36,410 --> 00:48:34,500

know even at the

1251  
00:48:39,170 --> 00:48:36,420  
rice conference I ran into people who've

1252  
00:48:40,670 --> 00:48:39,180  
been at this for decades and have been

1253  
00:48:42,410 --> 00:48:40,680  
so

1254  
00:48:45,349 --> 00:48:42,420  
conditioned into believing there will

1255  
00:48:46,670 --> 00:48:45,359  
never be disclosure day that even now

1256  
00:48:48,410 --> 00:48:46,680  
they can't see the writing on the wall

1257  
00:48:50,870 --> 00:48:48,420  
when it's very clear that something is

1258  
00:48:55,609 --> 00:48:50,880  
is imminent something is really shifting

1259  
00:48:59,329 --> 00:48:57,230  
. yeah a really interesting question is

1260  
00:49:01,130 --> 00:48:59,339  
is why now

1261  
00:49:03,530 --> 00:49:01,140  
and if it is

1262  
00:49:05,630 --> 00:49:03,540  
to some degree because the others are

1263  
00:49:09,650 --> 00:49:05,640

forcing the hand or saying now is the

1264

00:49:11,870 --> 00:49:09,660

time then that in itself points to the

1265

00:49:14,510 --> 00:49:11,880

power situation here right the power

1266

00:49:16,730 --> 00:49:14,520

dynamics the sense that

1267

00:49:19,910 --> 00:49:16,740

seemingly these others whenever they

1268

00:49:25,010 --> 00:49:19,920

want to can force the hand which of

1269

00:49:27,349 --> 00:49:25,020

course also raises the notion that

1270

00:49:30,410 --> 00:49:27,359

has the lack of disclosure up until now

1271

00:49:32,569 --> 00:49:30,420

been partly at the hands of these others

1272

00:49:33,710 --> 00:49:32,579

and I would suggest it has been I think

1273

00:49:41,270 --> 00:49:33,720

that

1274

00:49:43,490 --> 00:49:41,280

doesn't happen without the others having

1275

00:49:45,170 --> 00:49:43,500

a say in that so I want people to think

1276

00:49:47,390 --> 00:49:45,180

along and hard about that because the

1277

00:49:50,150 --> 00:49:47,400

fact that it's happening now would not

1278

00:49:51,589 --> 00:49:50,160

be happening unless the others again I'm

1279

00:49:54,410 --> 00:49:51,599

not trying to make it one monolithic

1280

00:49:55,849 --> 00:49:54,420

thing but a certain group of the others

1281

00:49:56,990 --> 00:49:55,859

that have been very active in our

1282

00:49:59,210 --> 00:49:57,000

civilization

1283

00:50:01,970 --> 00:49:59,220

and have even You could argue

1284

00:50:03,230 --> 00:50:01,980

infiltrated and influenced at best let's

1285

00:50:05,690 --> 00:50:03,240

use that word

1286

00:50:08,210 --> 00:50:05,700

elements of our military

1287

00:50:11,150 --> 00:50:08,220

they they've had a say in this

1288

00:50:12,650 --> 00:50:11,160

and I think when people ask why have

1289

00:50:14,809 --> 00:50:12,660

they not landed on the White House lawn

1290

00:50:16,910 --> 00:50:14,819

why have they not made some sort of

1291

00:50:18,170 --> 00:50:16,920

Public Announcement themselves and to

1292

00:50:21,349 --> 00:50:18,180

some people that looks immediately

1293

00:50:23,870 --> 00:50:21,359

suspicious and speaks to nefarious

1294

00:50:26,930 --> 00:50:23,880

intentions I would really caution people

1295

00:50:28,609 --> 00:50:26,940

to not go there I think that partly what

1296

00:50:30,730 --> 00:50:28,619

this involves is an intelligence that's

1297

00:50:33,050 --> 00:50:30,740

very different than us that

1298

00:50:35,210 --> 00:50:33,060

responds very differently that acts very

1299

00:50:36,770 --> 00:50:35,220

differently that thinks much more

1300

00:50:40,250 --> 00:50:36,780

quickly I'm saying this partly from

1301

00:50:41,870 --> 00:50:40,260

personal experience that the kind of

1302

00:50:43,609 --> 00:50:41,880

information that's provided is sometimes

1303

00:50:46,309 --> 00:50:43,619

extremely overwhelming because it's

1304

00:50:49,309 --> 00:50:46,319

multi-dimensional and

1305

00:50:53,690 --> 00:50:49,319

um just so loud because there's there's

1306

00:50:55,790 --> 00:50:53,700

so many uh Dimensions to it and it's

1307

00:50:58,549 --> 00:50:55,800

I want to remind people that we're

1308

00:51:00,349 --> 00:50:58,559

talking about a different intelligence

1309

00:51:04,370 --> 00:51:00,359

one that's been around for a lot longer

1310

00:51:06,710 --> 00:51:04,380

than we have been and therefore simple

1311

00:51:09,290 --> 00:51:06,720

conversations are not quite what you

1312

00:51:11,569 --> 00:51:09,300

might think they are and so up until now

1313

00:51:14,030 --> 00:51:11,579

they've used intermediaries to to

1314

00:51:16,730 --> 00:51:14,040  
communicate with our civilization

1315

00:51:19,010 --> 00:51:16,740  
and even experiencers who've dealt with

1316

00:51:20,990 --> 00:51:19,020  
them directly have this sense of it

1317

00:51:22,549 --> 00:51:21,000  
being very very overwhelming

1318

00:51:24,770 --> 00:51:22,559  
and part of what you're trying to

1319

00:51:26,690 --> 00:51:24,780  
wrestle with in terms of are they good

1320

00:51:28,910 --> 00:51:26,700  
are they bad do they mean as well what

1321

00:51:30,890 --> 00:51:28,920  
is their ultimate intention is so

1322

00:51:32,329 --> 00:51:30,900  
difficult to initially to work through

1323

00:51:35,210 --> 00:51:32,339  
because there's so much information

1324

00:51:37,790 --> 00:51:35,220  
coming and also frankly because

1325

00:51:39,890 --> 00:51:37,800  
sometimes we act like the frightened

1326

00:51:42,349 --> 00:51:39,900

animals I would suggest that people

1327

00:51:43,730 --> 00:51:42,359

imagine that you want to I had a friend

1328

00:51:45,890 --> 00:51:43,740

who actually described it this way and I

1329

00:51:48,410 --> 00:51:45,900

think it's a good analogy imagine that

1330

00:51:51,349 --> 00:51:48,420

you have a wolf you have an intelligence

1331

00:51:54,049 --> 00:51:51,359

that's trying to befriend the wolf and

1332

00:51:56,630 --> 00:51:54,059

help model the wolf and help lead the

1333

00:51:58,609 --> 00:51:56,640

wolf towards greater insight

1334

00:52:01,790 --> 00:51:58,619

but we know that wolves by definition

1335

00:52:03,109 --> 00:52:01,800

are not trusting they're suspicious they

1336

00:52:05,270 --> 00:52:03,119

wonder about are you a threat to the

1337

00:52:07,309 --> 00:52:05,280

pack all those kind of things they will

1338

00:52:09,290 --> 00:52:07,319

see anything that doesn't fit their

1339

00:52:11,150 --> 00:52:09,300

language internal language and culture

1340

00:52:13,490 --> 00:52:11,160

as

1341

00:52:17,390 --> 00:52:13,500

potentially threatening

1342

00:52:20,210 --> 00:52:17,400

to their existence now we are the wolves

1343

00:52:23,150 --> 00:52:20,220

the others are the are the intelligence

1344

00:52:25,190 --> 00:52:23,160

trying to align with ultimately the

1345

00:52:26,930 --> 00:52:25,200

Wolves I would suggest to us here which

1346

00:52:28,670 --> 00:52:26,940

is not to say that all of them are good

1347

00:52:30,829 --> 00:52:28,680

in every single faction every single

1348

00:52:32,809 --> 00:52:30,839

element of otherness is always good I'm

1349

00:52:34,370 --> 00:52:32,819

not saying that but I do think partly

1350

00:52:37,130 --> 00:52:34,380

what this comes down to is we actually

1351  
00:52:39,470 --> 00:52:37,140  
are much more like The Primitives or the

1352  
00:52:41,809 --> 00:52:39,480  
Wolves the the wolf pack that in

1353  
00:52:44,049 --> 00:52:41,819  
inevitably looks at things as as

1354  
00:52:46,970 --> 00:52:44,059  
suspicious and potentially dangerous

1355  
00:52:48,650 --> 00:52:46,980  
that we don't understand and we do

1356  
00:52:51,109 --> 00:52:48,660  
respond with fight or flight that's our

1357  
00:52:52,670 --> 00:52:51,119  
evolutionary impulse almost every

1358  
00:52:55,130 --> 00:52:52,680  
experiencer will tell you that that was

1359  
00:52:56,329 --> 00:52:55,140  
their initial response because when

1360  
00:52:57,770 --> 00:52:56,339  
selling something that you don't

1361  
00:53:00,470 --> 00:52:57,780  
understand is at the foot of your bed

1362  
00:53:02,390 --> 00:53:00,480  
for instance you initially go this can't

1363  
00:53:04,549 --> 00:53:02,400

be good and you don't even have that

1364

00:53:06,530 --> 00:53:04,559

that much of a rational conversation you

1365

00:53:08,990 --> 00:53:06,540

don't even get there right you just your

1366

00:53:10,370 --> 00:53:09,000

autonomic responses go insane you have

1367

00:53:12,710 --> 00:53:10,380

adrenaline flushing through your body

1368

00:53:14,870 --> 00:53:12,720

because you're suddenly confronted with

1369

00:53:17,990 --> 00:53:14,880

this thing that should not be

1370

00:53:20,690 --> 00:53:18,000

to put a great Metallica song The Way

1371

00:53:23,450 --> 00:53:20,700

um so so these are these are things to

1372

00:53:25,790 --> 00:53:23,460

think about that this is not

1373

00:53:28,370 --> 00:53:25,800

Independence Day right this was not us

1374

00:53:30,530 --> 00:53:28,380

going to war with the aliens this is

1375

00:53:33,710 --> 00:53:30,540

also not I can try to think of another

1376

00:53:36,109 --> 00:53:33,720

example Star Trek or something where

1377

00:53:37,730 --> 00:53:36,119

and Enterprise lands and these Klingons

1378

00:53:38,690 --> 00:53:37,740

get off and they communicate with us and

1379

00:53:40,130 --> 00:53:38,700

they're kind of a little rougher on the

1380

00:53:41,930 --> 00:53:40,140

edges but mostly we have no problem

1381

00:53:44,210 --> 00:53:41,940

communicating it's much more complex

1382

00:53:46,970 --> 00:53:44,220

than that as well so

1383

00:53:48,349 --> 00:53:46,980

these are the questions that now were on

1384

00:53:51,230 --> 00:53:48,359

the cusp of asking though this is the

1385

00:53:53,809 --> 00:53:51,240

part even as I say this I'm I'm just

1386

00:53:56,390 --> 00:53:53,819

struck by how civilization changing this

1387

00:53:58,250 --> 00:53:56,400

is because suddenly the conversation is

1388

00:53:59,870 --> 00:53:58,260

not about is there something up in this

1389

00:54:01,190 --> 00:53:59,880

guy that we don't understand are those

1390

00:54:03,890 --> 00:54:01,200

objects are they intelligently

1391

00:54:06,170 --> 00:54:03,900

controlled yes to all the above now the

1392

00:54:07,549 --> 00:54:06,180

question is who are these others what

1393

00:54:10,849 --> 00:54:07,559

are they here for

1394

00:54:12,650 --> 00:54:10,859

how do we respond how do we move forward

1395

00:54:13,910 --> 00:54:12,660

with that fundamentally changed

1396

00:54:15,130 --> 00:54:13,920

understanding of the nature of our

1397

00:54:17,930 --> 00:54:15,140

reality

1398

00:54:19,849 --> 00:54:17,940

well we don't even know the questions to

1399

00:54:23,510 --> 00:54:19,859

ask right when you're dealing with

1400

00:54:26,030 --> 00:54:23,520

something that is this foreign to uh the

1401

00:54:30,950 --> 00:54:26,040

way we look at the world uh in in in

1402

00:54:33,109 --> 00:54:30,960

almost every respect uh we don't even

1403

00:54:34,849 --> 00:54:33,119

we can't begin to know which which are

1404

00:54:38,470 --> 00:54:34,859

the right questions to ask and I think

1405

00:54:41,210 --> 00:54:38,480

it is important that we

1406

00:54:44,809 --> 00:54:41,220

certainly bring our academic disciplines

1407

00:54:47,290 --> 00:54:44,819

to bear on trying to understand this but

1408

00:54:51,770 --> 00:54:47,300

as you and I have talked about before

1409

00:54:54,530 --> 00:54:51,780

Academia also has to come to a place of

1410

00:54:58,010 --> 00:54:54,540

change and radical transformation so

1411

00:54:59,569 --> 00:54:58,020

that they can be in a position to to

1412

00:55:02,089 --> 00:54:59,579

better understand this in other words

1413

00:55:04,849 --> 00:55:02,099

the traditional means of academic

1414

00:55:07,309 --> 00:55:04,859

inquiry aren't going to be sufficient

1415

00:55:09,109 --> 00:55:07,319

because they've clearly missed this the

1416

00:55:12,349 --> 00:55:09,119

entire time there's been a tremendous

1417

00:55:15,710 --> 00:55:12,359

blind spot uh in in our academic study

1418

00:55:16,910 --> 00:55:15,720

thus far so not you know you can

1419

00:55:19,549 --> 00:55:16,920

understand that there will be new

1420

00:55:22,370 --> 00:55:19,559

disciplines emerging that will be

1421

00:55:26,089 --> 00:55:22,380

looking at every facet of whatever this

1422

00:55:30,049 --> 00:55:26,099

may be but there will be areas of those

1423

00:55:33,710 --> 00:55:30,059

inquiry which will require entirely new

1424

00:55:36,710 --> 00:55:33,720

ways of thinking uh and be willing to

1425

00:55:38,690 --> 00:55:36,720

look at the Paradigm that they were

1426  
00:55:40,910 --> 00:55:38,700  
trained under and say what is it about

1427  
00:55:43,970 --> 00:55:40,920  
this that isn't

1428  
00:55:46,190 --> 00:55:43,980  
fully operable in a way that helps us to

1429  
00:55:48,290 --> 00:55:46,200  
understand this thing that has been

1430  
00:55:51,829 --> 00:55:48,300  
right under our noses this entire time

1431  
00:55:54,230 --> 00:55:51,839  
to quote uh Robert Bigelow it's been

1432  
00:55:57,410 --> 00:55:54,240  
right there the entire time and somehow

1433  
00:56:00,109 --> 00:55:57,420  
we have missed it and so it really could

1434  
00:56:03,770 --> 00:56:00,119  
lead to I'm again hopeful I'm an

1435  
00:56:07,490 --> 00:56:03,780  
optimist a tremendous Renaissance

1436  
00:56:10,130 --> 00:56:07,500  
uh for uh you know humanity and so many

1437  
00:56:12,230 --> 00:56:10,140  
different facets but I I can't help but

1438  
00:56:14,809 --> 00:56:12,240

think that there will be some some very

1439

00:56:16,910 --> 00:56:14,819

real Growing Pains here

1440

00:56:20,390 --> 00:56:16,920

um and and do we have enough time you

1441

00:56:24,650 --> 00:56:20,400

know can we get our act together uh fast

1442

00:56:27,650 --> 00:56:24,660

enough uh to to respond to this in a way

1443

00:56:30,650 --> 00:56:27,660

that uh that gets through the I think

1444

00:56:34,309 --> 00:56:30,660

the knee-jerk initial shock uh and

1445

00:56:36,650 --> 00:56:34,319

probably some degree of violence uh that

1446

00:56:40,190 --> 00:56:36,660

you might expect can we get past that

1447

00:56:42,950 --> 00:56:40,200

and then into that new future where the

1448

00:56:46,190 --> 00:56:42,960

possibility space is tremendously Broad

1449

00:56:48,530 --> 00:56:46,200

and amazing we have a lot of problems

1450

00:56:50,870 --> 00:56:48,540

that need solving

1451

00:56:51,710 --> 00:56:50,880

um climate uh certainly being one of

1452

00:56:54,109 --> 00:56:51,720

them

1453

00:56:57,650 --> 00:56:54,119

you know but we have tremendous

1454

00:57:00,650 --> 00:56:57,660

inequality in the world uh we have uh of

1455

00:57:02,390 --> 00:57:00,660

course Health being a huge issue as well

1456

00:57:06,290 --> 00:57:02,400

you can only imagine how many

1457

00:57:08,569 --> 00:57:06,300

individuals will be lining up to say you

1458

00:57:12,530 --> 00:57:08,579

know what can they teach us about how to

1459

00:57:15,890 --> 00:57:12,540

heal XYZ conditions uh you know what

1460

00:57:18,290 --> 00:57:15,900

about uh you know Interstellar travel

1461

00:57:22,250 --> 00:57:18,300

all these questions that will be brought

1462

00:57:23,870 --> 00:57:22,260

to bear uh you know almost take a number

1463

00:57:26,630 --> 00:57:23,880

and it's going to take forever to get

1464

00:57:28,490 --> 00:57:26,640

through all of this uh you know line of

1465

00:57:30,410 --> 00:57:28,500

inquiry and do we have the time for that

1466

00:57:34,010 --> 00:57:30,420

I I don't know

1467

00:57:35,750 --> 00:57:34,020

um how does it change uh the way that we

1468

00:57:37,910 --> 00:57:35,760

relate to

1469

00:57:39,770 --> 00:57:37,920

uh our children you know knowing that

1470

00:57:42,950 --> 00:57:39,780

we've got our children growing up in a

1471

00:57:47,150 --> 00:57:42,960

world like this and uh what what future

1472

00:57:48,650 --> 00:57:47,160

is there for them in this uh new reality

1473

00:57:50,750 --> 00:57:48,660

it certainly doesn't look like what it

1474

00:57:53,210 --> 00:57:50,760

looks like today

1475

00:57:56,690 --> 00:57:53,220

um and how do we navigate that

1476

00:58:00,950 --> 00:57:56,700

um so many questions merge really when

1477

00:58:02,750 --> 00:58:00,960

you introduce this new Factor uh and

1478

00:58:04,670 --> 00:58:02,760

even questions about our human history

1479

00:58:06,290 --> 00:58:04,680

right so if this intelligence has been

1480

00:58:09,470 --> 00:58:06,300

around as you and I have talked about

1481

00:58:11,809 --> 00:58:09,480

before for so long uh what questions

1482

00:58:14,930 --> 00:58:11,819

might we ask it about who we are and

1483

00:58:18,890 --> 00:58:14,940

where we came from and what our role and

1484

00:58:20,750 --> 00:58:18,900

connection is to them uh talk about

1485

00:58:22,970 --> 00:58:20,760

rewriting the history books I mean you

1486

00:58:25,010 --> 00:58:22,980

might as well throw them away because

1487

00:58:28,010 --> 00:58:25,020

they will be entirely different in the

1488

00:58:31,549 --> 00:58:28,020

wake of such an announcement

1489

00:58:33,710 --> 00:58:31,559

indeed in each each of the bullet points

1490

00:58:35,210 --> 00:58:33,720

you discussed there could be an entire

1491

00:58:37,370 --> 00:58:35,220

episode on its own

1492

00:58:38,450 --> 00:58:37,380

there are so many rabbit holes that

1493

00:58:40,609 --> 00:58:38,460

emerge

1494

00:58:42,410 --> 00:58:40,619

to chase down when you think about these

1495

00:58:44,690 --> 00:58:42,420

implications

1496

00:58:46,370 --> 00:58:44,700

one thing I would say in terms of your

1497

00:58:47,930 --> 00:58:46,380

sense of wanting to be hopeful wanting

1498

00:58:51,170 --> 00:58:47,940

to be optimistic

1499

00:58:54,410 --> 00:58:51,180

I think undoubtedly this revelation will

1500

00:58:57,049 --> 00:58:54,420

be better than not having it because the

1501

00:58:59,690 --> 00:58:57,059

fact that the trajectory we're on is not

1502

00:59:05,569 --> 00:58:59,700

sustainable and we seem to be just not

1503

00:59:09,710 --> 00:59:07,430

even when

1504

00:59:12,109 --> 00:59:09,720

every day we're confronted with data

1505

00:59:13,190 --> 00:59:12,119

that suggests that the biosphere is in

1506

00:59:16,370 --> 00:59:13,200

trouble

1507

00:59:18,589 --> 00:59:16,380

we just bury our heads in the sand and

1508

00:59:21,470 --> 00:59:18,599

hope that it goes away I'm reminded of

1509

00:59:23,450 --> 00:59:21,480

when I was 20 years old and I drove a

1510

00:59:25,490 --> 00:59:23,460

Volkswagen around when I started making

1511

00:59:27,530 --> 00:59:25,500

a sound I just tried to ignore it I just

1512

00:59:29,210 --> 00:59:27,540

hope that it would like just go away

1513

00:59:31,970 --> 00:59:29,220

turns out that never worked that well

1514

00:59:33,410 --> 00:59:31,980

for me it didn't happen that way it just

1515

00:59:34,910 --> 00:59:33,420

actually got worse and sometimes I'd

1516

00:59:36,289 --> 00:59:34,920

find out after the fact you know if you

1517

00:59:37,849 --> 00:59:36,299

would have dealt with this a month ago

1518

00:59:39,289 --> 00:59:37,859

it would have been fine but now now

1519

00:59:40,849 --> 00:59:39,299

you've you know you've cracked the

1520

00:59:43,309 --> 00:59:40,859

transmission or something and so now you

1521

00:59:45,349 --> 00:59:43,319

have to replace the whole engine

1522

00:59:47,089 --> 00:59:45,359

that's kind of the equivalent to what

1523

00:59:48,650 --> 00:59:47,099

we're experiencing as a civilization we

1524

00:59:50,870 --> 00:59:48,660

keep getting these warning signs we've

1525

00:59:53,030 --> 00:59:50,880

got scientists trying to shove from the

1526  
00:59:54,770 --> 00:59:53,040  
rooftops waving their arms you know the

1527  
00:59:56,809 --> 00:59:54,780  
data is not good

1528  
00:59:59,870 --> 00:59:56,819  
all of our for instance models around

1529  
01:00:02,950 --> 00:59:59,880  
climate change every time a model is is

1530  
01:00:05,450 --> 01:00:02,960  
put forward we seem to eclipse the model

1531  
01:00:07,970 --> 01:00:05,460  
sooner and in more drastic ways than we

1532  
01:00:10,670 --> 01:00:07,980  
were expecting

1533  
01:00:11,990 --> 01:00:10,680  
again I mentioned last time I think that

1534  
01:00:13,910 --> 01:00:12,000  
you know there was a recent announcement

1535  
01:00:16,130 --> 01:00:13,920  
how ocean temperatures were higher now

1536  
01:00:17,569 --> 01:00:16,140  
than they've ever been on record

1537  
01:00:19,789 --> 01:00:17,579  
now I want to say a couple things to the

1538  
01:00:21,470 --> 01:00:19,799

Skeptics here because I understand that

1539

01:00:24,470 --> 01:00:21,480

historically we sometimes make mistakes

1540

01:00:25,970 --> 01:00:24,480

we sometimes get things wrong when you

1541

01:00:27,530 --> 01:00:25,980

and I were in high school I remember

1542

01:00:29,150 --> 01:00:27,540

there being discussion about the

1543

01:00:32,990 --> 01:00:29,160

possibility of a new Ice Age at some

1544

01:00:35,630 --> 01:00:33,000

point and was that ever wrong right or

1545

01:00:37,309 --> 01:00:35,640

the sense that population explosion

1546

01:00:39,490 --> 01:00:37,319

would eventually be our demise whereas

1547

01:00:41,510 --> 01:00:39,500

now we see in the first world anyway

1548

01:00:43,309 --> 01:00:41,520

actually we're not even at replacement

1549

01:00:45,890 --> 01:00:43,319

levels that eventually basically when

1550

01:00:47,750 --> 01:00:45,900

you have health care and basic needs

1551  
01:00:49,370 --> 01:00:47,760  
being met people voluntarily choose to

1552  
01:00:50,930 --> 01:00:49,380  
have fewer children and we have every

1553  
01:00:52,970 --> 01:00:50,940  
expectation that if we could raise

1554  
01:00:55,430 --> 01:00:52,980  
living standards around the world that

1555  
01:00:59,089 --> 01:00:55,440  
that problem would take care of itself

1556  
01:01:02,150 --> 01:00:59,099  
but we should not be fooled by a couple

1557  
01:01:05,210 --> 01:01:02,160  
examples of where the scare mongering

1558  
01:01:08,030 --> 01:01:05,220  
turned out to be false because that sets

1559  
01:01:10,190 --> 01:01:08,040  
you up for a massive shock to the system

1560  
01:01:11,690 --> 01:01:10,200  
when you realize well it turns out all

1561  
01:01:13,490 --> 01:01:11,700  
these warning signs were just that

1562  
01:01:15,410 --> 01:01:13,500  
warning signs red flags that we did not

1563  
01:01:16,490 --> 01:01:15,420

pay attention to to the part where it's

1564

01:01:17,809 --> 01:01:16,500

too late

1565

01:01:19,309 --> 01:01:17,819

so

1566

01:01:20,870 --> 01:01:19,319

and we didn't even discuss all the

1567

01:01:24,530 --> 01:01:20,880

possibilities we've we've talked before

1568

01:01:28,130 --> 01:01:24,540

about AI again because of our

1569

01:01:30,230 --> 01:01:28,140

our market-based capitalistic system we

1570

01:01:31,730 --> 01:01:30,240

don't have the kind of tribal mentality

1571

01:01:35,030 --> 01:01:31,740

where we sit around a campfire

1572

01:01:36,770 --> 01:01:35,040

collectively use that as a metaphor and

1573

01:01:38,750 --> 01:01:36,780

talk about what's in the best interest

1574

01:01:41,870 --> 01:01:38,760

of the tribe we don't do that

1575

01:01:44,390 --> 01:01:41,880

the market-driven capitalist me first

1576

01:01:47,089 --> 01:01:44,400

greed driven system says you'll get

1577

01:01:49,430 --> 01:01:47,099

different groups will chase down how to

1578

01:01:52,910 --> 01:01:49,440

have the most advanced AI

1579

01:01:55,130 --> 01:01:52,920

because first a market gives you massive

1580

01:01:56,710 --> 01:01:55,140

advantages here more than any other kind

1581

01:01:59,770 --> 01:01:56,720

of technological innovation in history

1582

01:02:01,670 --> 01:01:59,780

so we are not giving any kind of

1583

01:02:04,130 --> 01:02:01,680

society-wide consideration to the

1584

01:02:08,390 --> 01:02:04,140

implications of AI

1585

01:02:10,010 --> 01:02:08,400

not good you've also got things like bio

1586

01:02:11,510 --> 01:02:10,020

weapons we just went through a pandemic

1587

01:02:13,130 --> 01:02:11,520

there's many many questions about even

1588

01:02:14,450 --> 01:02:13,140

the nature and the origin and the

1589

01:02:17,270 --> 01:02:14,460

ultimate

1590

01:02:19,250 --> 01:02:17,280

perhaps nefarious aspects of that

1591

01:02:20,990 --> 01:02:19,260

pandemic that shows you how little trust

1592

01:02:23,030 --> 01:02:21,000

there is in this system and the way we

1593

01:02:26,390 --> 01:02:23,040

gather information and how censorship

1594

01:02:28,370 --> 01:02:26,400

happens some very valid concerns

1595

01:02:32,270 --> 01:02:28,380

so again all of this points to the fact

1596

01:02:34,130 --> 01:02:32,280

that we are in Dire Straits we need

1597

01:02:36,230 --> 01:02:34,140

something we need a shock to the system

1598

01:02:37,609 --> 01:02:36,240

we need the equivalent of the paddles on

1599

01:02:39,650 --> 01:02:37,619

the person who's had the heart attack to

1600

01:02:41,210 --> 01:02:39,660

bring them back to life we were like the

1601  
01:02:42,410 --> 01:02:41,220  
dying patient who doesn't even realize

1602  
01:02:46,730 --> 01:02:42,420  
he's dying

1603  
01:02:48,650 --> 01:02:46,740  
so that sounds pretty drastic but I

1604  
01:02:51,289 --> 01:02:48,660  
really think that's where we're at and

1605  
01:02:53,089 --> 01:02:51,299  
again the messages from the others

1606  
01:02:55,789 --> 01:02:53,099  
consistently has been the case that was

1607  
01:02:58,970 --> 01:02:55,799  
the messages back in the 90s when John

1608  
01:03:00,710 --> 01:02:58,980  
Mack was interviewing and speaking with

1609  
01:03:02,690 --> 01:03:00,720  
and interacting with these experiences

1610  
01:03:04,849 --> 01:03:02,700  
that were having these experiences

1611  
01:03:06,349 --> 01:03:04,859  
things are much worse now than they were

1612  
01:03:08,750 --> 01:03:06,359  
then and already then it looked pretty

1613  
01:03:10,609 --> 01:03:08,760

dire so again I would suggest to people

1614

01:03:13,010 --> 01:03:10,619

that all of this this Brewing perfect

1615

01:03:14,690 --> 01:03:13,020

storm is for a reason and if ever

1616

01:03:16,549 --> 01:03:14,700

there's a time to wake up it's now

1617

01:03:19,370 --> 01:03:16,559

because we don't have that many more

1618

01:03:21,410 --> 01:03:19,380

opportunities to do so this may be our

1619

01:03:24,109 --> 01:03:21,420

last opportunity to do so

1620

01:03:26,210 --> 01:03:24,119

and again to speak into your thing about

1621

01:03:28,010 --> 01:03:26,220

optimism I think we should be optimistic

1622

01:03:29,569 --> 01:03:28,020

because we know something must change

1623

01:03:31,670 --> 01:03:29,579

and if there's anything that's going to

1624

01:03:33,410 --> 01:03:31,680

give us the impetus to change perhaps

1625

01:03:36,530 --> 01:03:33,420

this is it

1626

01:03:39,170 --> 01:03:36,540

I I'm yeah I am optimistic and I think

1627

01:03:42,049 --> 01:03:39,180

that uh in part because the people that

1628

01:03:44,630 --> 01:03:42,059

I talk to and of course I'm I'm the

1629

01:03:46,789 --> 01:03:44,640

small sample size here right so it who

1630

01:03:48,770 --> 01:03:46,799

knows how indicative it is of of the

1631

01:03:52,010 --> 01:03:48,780

larger population but I have this

1632

01:03:54,770 --> 01:03:52,020

feeling this intuition that that most

1633

01:03:56,750 --> 01:03:54,780

people of the world recognize that that

1634

01:03:59,030 --> 01:03:56,760

the way the world is we're operating

1635

01:04:02,450 --> 01:03:59,040

right now is not sustainable it's not

1636

01:04:06,410 --> 01:04:02,460

going to work the problem is that we we

1637

01:04:09,470 --> 01:04:06,420

are all in a way held captive to it uh

1638

01:04:12,890 --> 01:04:09,480

we find ourselves just to be you know a

1639

01:04:14,870 --> 01:04:12,900

bit player in this larger uh drama and

1640

01:04:17,450 --> 01:04:14,880

we're looking at the script or watching

1641

01:04:19,010 --> 01:04:17,460

the main uh you know actors kind of move

1642

01:04:20,870 --> 01:04:19,020

the plot forward and we're going I don't

1643

01:04:22,490 --> 01:04:20,880

know that I want to be if this plot

1644

01:04:24,650 --> 01:04:22,500

keeps going I think I'm gonna be one of

1645

01:04:27,650 --> 01:04:24,660

those characters that gets killed off in

1646

01:04:30,190 --> 01:04:27,660

this in this movie uh and so you know I

1647

01:04:34,130 --> 01:04:30,200

think in some respects we would welcome

1648

01:04:36,650 --> 01:04:34,140

this type of tectonic shift and we do

1649

01:04:38,450 --> 01:04:36,660

kind of joke about it even at times uh

1650

01:04:39,890 --> 01:04:38,460

you know oh it's what are you going to

1651  
01:04:41,390 --> 01:04:39,900  
tell me now that there are aliens you

1652  
01:04:42,710 --> 01:04:41,400  
know thank goodness you know I'm glad

1653  
01:04:45,049 --> 01:04:42,720  
that I'm glad they're finally here maybe

1654  
01:04:46,970 --> 01:04:45,059  
they can sort this out because you know

1655  
01:04:49,490 --> 01:04:46,980  
the system that that we find ourselves

1656  
01:04:52,690 --> 01:04:49,500  
in just feels like it's a total mess and

1657  
01:04:55,549 --> 01:04:52,700  
we feel powerless our individual agency

1658  
01:04:58,089 --> 01:04:55,559  
at that little small level in our

1659  
01:05:01,670 --> 01:04:58,099  
societies it doesn't feel strong enough

1660  
01:05:03,470 --> 01:05:01,680  
to move the needle uh and perhaps this

1661  
01:05:06,049 --> 01:05:03,480  
will

1662  
01:05:09,890 --> 01:05:06,059  
um or at least it'll it'll Galvanize us

1663  
01:05:12,490 --> 01:05:09,900

to exercise our Collective will uh to to

1664

01:05:15,589 --> 01:05:12,500

move Society in in a better Direction

1665

01:05:18,950 --> 01:05:15,599

but there's so much work to be done I I

1666

01:05:21,710 --> 01:05:18,960

don't even know uh

1667

01:05:24,170 --> 01:05:21,720

where we would begin right I would hope

1668

01:05:26,390 --> 01:05:24,180

that we could begin by solving some of

1669

01:05:28,910 --> 01:05:26,400

the the big challenges that we have but

1670

01:05:31,609 --> 01:05:28,920

uh Chief among them would be putting

1671

01:05:34,250 --> 01:05:31,619

down these weapons that could annihilate

1672

01:05:37,549 --> 01:05:34,260

us all uh that we could stop killing

1673

01:05:39,470 --> 01:05:37,559

each other literally uh killing you know

1674

01:05:42,829 --> 01:05:39,480

those of us who are in the same species

1675

01:05:46,849 --> 01:05:42,839

uh on the planet every day in the name

1676

01:05:49,250 --> 01:05:46,859

of you know some crazy ideology you know

1677

01:05:52,370 --> 01:05:49,260

it just doesn't make sense can we can we

1678

01:05:55,490 --> 01:05:52,380

wake up from that kind of uh irrational

1679

01:05:57,770 --> 01:05:55,500

type of behavior I don't know

1680

01:05:59,930 --> 01:05:57,780

um and then I'm also you know curious

1681

01:06:04,069 --> 01:05:59,940

what your take is as we've talked about

1682

01:06:05,870 --> 01:06:04,079

this before on the degree to which there

1683

01:06:07,370 --> 01:06:05,880

might be some others that don't want

1684

01:06:11,270 --> 01:06:07,380

this to happen

1685

01:06:14,089 --> 01:06:11,280

um you know and certainly uh we're

1686

01:06:16,130 --> 01:06:14,099

full-on and speculation land here we'll

1687

01:06:19,309 --> 01:06:16,140

readily admit that

1688

01:06:22,069 --> 01:06:19,319

um but we we know that not every

1689

01:06:24,109 --> 01:06:22,079

non-human intelligence uh you know

1690

01:06:26,990 --> 01:06:24,119

certainly has the the best interest of

1691

01:06:29,029 --> 01:06:27,000

humanity at heart uh and I doubt that

1692

01:06:31,549 --> 01:06:29,039

they're going to say well okay I guess

1693

01:06:32,450 --> 01:06:31,559

we we gave it a good go and we're just

1694

01:06:35,329 --> 01:06:32,460

not gonna

1695

01:06:38,089 --> 01:06:35,339

push back any longer and we know that

1696

01:06:40,190 --> 01:06:38,099

they've persuaded of course some in the

1697

01:06:41,990 --> 01:06:40,200

Human family to to sort of see things

1698

01:06:44,210 --> 01:06:42,000

from their perspective as well or

1699

01:06:46,609 --> 01:06:44,220

Bargains may have been made between

1700

01:06:48,890 --> 01:06:46,619

certain human groups and these other

1701

01:06:51,710 --> 01:06:48,900

groups that don't want this kind of

1702

01:06:54,470 --> 01:06:51,720

disclosure to take place

1703

01:06:57,470 --> 01:06:54,480

um so it doesn't seem like it's going to

1704

01:06:59,630 --> 01:06:57,480

be perfect or Smooth by any means do you

1705

01:07:02,089 --> 01:06:59,640

see some friction there potentially in

1706

01:07:04,670 --> 01:07:02,099

in the others themselves and how this

1707

01:07:06,289 --> 01:07:04,680

might proceed

1708

01:07:07,789 --> 01:07:06,299

yeah that's a fascinating question and

1709

01:07:10,069 --> 01:07:07,799

again that's the elephant in the room

1710

01:07:12,109 --> 01:07:10,079

that people sometimes forget to

1711

01:07:13,609 --> 01:07:12,119

think about

1712

01:07:15,710 --> 01:07:13,619

I think one thing I would lean on here

1713

01:07:18,109 --> 01:07:15,720

is this sense as I've said before on

1714

01:07:20,650 --> 01:07:18,119

this podcast and on point of convergence

1715

01:07:22,670 --> 01:07:20,660

that my sense again according to

1716

01:07:25,010 --> 01:07:22,680

developmental levels

1717

01:07:27,950 --> 01:07:25,020

and how that rolls out and again I want

1718

01:07:29,930 --> 01:07:27,960

to remind people here that

1719

01:07:32,270 --> 01:07:29,940

not only

1720

01:07:34,069 --> 01:07:32,280

from an idealistic perspective and from

1721

01:07:36,109 --> 01:07:34,079

the teachings of

1722

01:07:38,630 --> 01:07:36,119

our most ancient spiritual Traditions

1723

01:07:41,210 --> 01:07:38,640

speaking about us all having a common

1724

01:07:43,309 --> 01:07:41,220

source not just us but potentially every

1725

01:07:45,170 --> 01:07:43,319

sentient being in the universe

1726

01:07:47,089 --> 01:07:45,180

not only is that I think actually

1727

01:07:49,309 --> 01:07:47,099

indicative of underlying reality and we

1728

01:07:51,410 --> 01:07:49,319

should keep that in mind here I think

1729

01:07:52,910 --> 01:07:51,420

ultimately there's exactly one

1730

01:07:54,589 --> 01:07:52,920

Consciousness in the universe and we're

1731

01:07:56,270 --> 01:07:54,599

like different fractal impressions of

1732

01:07:58,670 --> 01:07:56,280

that different facets of a diamond if

1733

01:08:00,650 --> 01:07:58,680

you will including them including us

1734

01:08:02,870 --> 01:08:00,660

but in addition to that

1735

01:08:05,150 --> 01:08:02,880

there is a lot of evidence that they are

1736

01:08:08,630 --> 01:08:05,160

somehow even more directly connected to

1737

01:08:12,109 --> 01:08:08,640

us than that that there's a DNA Link

1738

01:08:14,329 --> 01:08:12,119

Between Us and Them many of them anyway

1739

01:08:17,150 --> 01:08:14,339

we've talked before about why do we keep

1740

01:08:18,289 --> 01:08:17,160

seeing this dominant humanoid shape that

1741

01:08:20,390 --> 01:08:18,299

looks like

1742

01:08:21,829 --> 01:08:20,400

different versions of beings that

1743

01:08:23,870 --> 01:08:21,839

already exist on the Earth

1744

01:08:26,090 --> 01:08:23,880

that raises questions about time travel

1745

01:08:27,890 --> 01:08:26,100

are these extra Tempest rules as Mike

1746

01:08:29,930 --> 01:08:27,900

Masters would suggest

1747

01:08:31,910 --> 01:08:29,940

is time and fall but perhaps in a way

1748

01:08:34,610 --> 01:08:31,920

that eclipses our current way of being

1749

01:08:37,550 --> 01:08:34,620

able to think about it these are all

1750

01:08:40,010 --> 01:08:37,560

matters on the table right now physics

1751

01:08:42,470 --> 01:08:40,020

is really wondering what is time what is

1752

01:08:44,090 --> 01:08:42,480

space time these are these are questions

1753

01:08:46,430 --> 01:08:44,100

that are debated and there's different

1754

01:08:48,169 --> 01:08:46,440

perspectives and this phenomenon gives

1755

01:08:50,150 --> 01:08:48,179

us a chance to have more data to think

1756

01:08:53,209 --> 01:08:50,160

about that

1757

01:08:55,430 --> 01:08:53,219

but I think in the midst of all that yes

1758

01:08:57,829 --> 01:08:55,440

it's it's important to think about how

1759

01:09:00,349 --> 01:08:57,839

these different others might jockey for

1760

01:09:02,630 --> 01:09:00,359

position in the midst of this change in

1761

01:09:04,189 --> 01:09:02,640

our civilization's understanding but

1762

01:09:05,809 --> 01:09:04,199

what I lean on here as well is not just

1763

01:09:07,249 --> 01:09:05,819

that we are connected to them in some

1764

01:09:08,630 --> 01:09:07,259

way which alone doesn't guarantee

1765

01:09:10,490 --> 01:09:08,640

anything because we go to war with each

1766

01:09:11,689 --> 01:09:10,500

other all the time even though we you

1767

01:09:13,550 --> 01:09:11,699

know all have the same ancestors

1768

01:09:16,309 --> 01:09:13,560

ultimately

1769

01:09:18,349 --> 01:09:16,319

but I think my understanding is that

1770

01:09:19,849 --> 01:09:18,359

because of Developmental Consciousness

1771

01:09:21,530 --> 01:09:19,859

and how that rolls out in spiral

1772

01:09:24,950 --> 01:09:21,540

Dynamics and whatnot

1773

01:09:27,590 --> 01:09:24,960

the ones that are at the most

1774

01:09:28,849 --> 01:09:27,600

high levels the ones that are the most

1775

01:09:31,010 --> 01:09:28,859

ascendant in terms of their

1776

01:09:32,990 --> 01:09:31,020

understanding not just of technology and

1777

01:09:35,150 --> 01:09:33,000

reality but of consciousness of

1778

01:09:36,470 --> 01:09:35,160

fundamental Consciousness we've talked

1779

01:09:38,510 --> 01:09:36,480

many times about

1780

01:09:40,550 --> 01:09:38,520

Consciousness seemingly being the the

1781

01:09:43,430 --> 01:09:40,560

substrate of all that is so they have a

1782

01:09:46,189 --> 01:09:43,440

they have a very intimate grasp of that

1783

01:09:48,650 --> 01:09:46,199

and a broad grasp of that and because of

1784

01:09:51,410 --> 01:09:48,660

that they see us as the kind of

1785

01:09:52,970 --> 01:09:51,420

kindergarten class and when the sixth

1786

01:09:54,709 --> 01:09:52,980

graders want to beat up on the

1787

01:09:55,970 --> 01:09:54,719

kindergarten class you know the 12th

1788

01:09:57,530 --> 01:09:55,980

graders have something to say about that

1789

01:09:59,330 --> 01:09:57,540

they tend to step in

1790

01:10:01,729 --> 01:09:59,340

so again I think the fact that we have

1791

01:10:05,030 --> 01:10:01,739

not seen our civilization our planet

1792

01:10:06,590 --> 01:10:05,040

overrun by a malevolent alien species

1793

01:10:08,990 --> 01:10:06,600

already speaks to the fact there's some

1794

01:10:10,850 --> 01:10:09,000

kind of shielding around our planet that

1795

01:10:13,310 --> 01:10:10,860

there is this sense of let's Let The

1796

01:10:15,169 --> 01:10:13,320

Kindergartners figure out their business

1797

01:10:17,570 --> 01:10:15,179

and eventually introduce them to the

1798

01:10:19,850 --> 01:10:17,580

larger Cosmic Community I think that's

1799

01:10:22,010 --> 01:10:19,860

partly what's in play here

1800

01:10:23,510 --> 01:10:22,020

and these were interesting questions

1801

01:10:25,790 --> 01:10:23,520

though and this will be part of the

1802

01:10:27,830 --> 01:10:25,800

dynamic so people will say to you

1803

01:10:29,450 --> 01:10:27,840

wait a second not only are there aliens

1804

01:10:31,370 --> 01:10:29,460

but there's different factions of aliens

1805

01:10:33,229 --> 01:10:31,380

and different origin sources how how do

1806

01:10:34,729 --> 01:10:33,239

I make sense of this you're telling me

1807

01:10:36,950 --> 01:10:34,739

that some of them might be beyond space

1808

01:10:38,510 --> 01:10:36,960

time some of them may be more energetic

1809

01:10:40,490 --> 01:10:38,520

in nature what does that mean does that

1810

01:10:41,810 --> 01:10:40,500

mean demons does this mean angels I was

1811

01:10:43,669 --> 01:10:41,820

not taught about this I don't remember

1812

01:10:45,830 --> 01:10:43,679

having this elective offered to me in

1813

01:10:47,630 --> 01:10:45,840

high school right these are the kinds of

1814

01:10:49,189 --> 01:10:47,640

questions that are on the table and

1815

01:10:50,870 --> 01:10:49,199

again it just really

1816

01:10:52,729 --> 01:10:50,880

is mind-boggling when you think about

1817

01:10:55,149 --> 01:10:52,739

the nature of the conversations that are

1818

01:10:58,550 --> 01:10:55,159

coming sooner than later

1819

01:11:02,870 --> 01:10:58,560

right what you said there makes me think

1820

01:11:06,350 --> 01:11:02,880

about the way uh understanding might be

1821

01:11:09,970 --> 01:11:06,360

gated in this unfolding because there is

1822

01:11:12,590 --> 01:11:09,980

a sense in which there are

1823

01:11:14,810 --> 01:11:12,600

uh and we we have touched on this to

1824

01:11:17,510 --> 01:11:14,820

some degree there are acceptable Notions

1825

01:11:20,750 --> 01:11:17,520

of non-human intelligence or acceptable

1826

01:11:22,669 --> 01:11:20,760

uh ways in which it it it it it can

1827

01:11:25,130 --> 01:11:22,679

behave or or the ways it may have

1828

01:11:27,970 --> 01:11:25,140

interacted with with us and and then

1829

01:11:31,729 --> 01:11:27,980

there are uh there are further sort of

1830

01:11:33,110 --> 01:11:31,739

rings outside of that ring that if

1831

01:11:35,510 --> 01:11:33,120

you've been in this topic long enough

1832

01:11:37,070 --> 01:11:35,520

you you know what that territory looks

1833

01:11:38,870 --> 01:11:37,080

like but I don't think we're going to be

1834

01:11:40,310 --> 01:11:38,880

able to get to the outer ring

1835

01:11:43,010 --> 01:11:40,320

immediately we're going to have to go

1836

01:11:46,130 --> 01:11:43,020

through this sort of process of

1837

01:11:49,070 --> 01:11:46,140

assessment and discernment and

1838

01:11:51,950 --> 01:11:49,080

acceptance in a way that that there are

1839

01:11:55,910 --> 01:11:51,960

these sort of wider possibilities that

1840

01:11:56,570 --> 01:11:55,920

we may initially be willing to entertain

1841

01:11:58,130 --> 01:11:56,580

um

1842

01:12:01,850 --> 01:11:58,140

I don't know that we're going to be able

1843

01:12:05,649 --> 01:12:01,860

to jump to interdimensional or uh you

1844

01:12:09,470 --> 01:12:05,659

know extraterrestrial or in a sort of uh

1845

01:12:12,610 --> 01:12:09,480

ascendant uh light beings you know on on

1846

01:12:15,290 --> 01:12:12,620

day one you know with this kind of uh uh

1847

01:12:17,870 --> 01:12:15,300

revelatory knowledge so you know how do

1848

01:12:22,250 --> 01:12:17,880

you see that transpiring do you think

1849

01:12:25,430 --> 01:12:22,260

that it's going to uh be a kind of an

1850

01:12:28,729 --> 01:12:25,440

organic process of discovery that it

1851

01:12:31,189 --> 01:12:28,739

will it will be uh you know will it will

1852

01:12:33,350 --> 01:12:31,199

it unfold over several you know years

1853

01:12:35,750 --> 01:12:33,360

perhaps I mean how long will it take us

1854

01:12:38,330 --> 01:12:35,760

to really kind of get our arms around

1855

01:12:40,669 --> 01:12:38,340

the true nature of the situation to the

1856

01:12:43,970 --> 01:12:40,679

extent that we even can really fully

1857

01:12:46,550 --> 01:12:43,980

grasp the uh the great complexity of of

1858

01:12:48,530 --> 01:12:46,560

the entire picture there

1859

01:12:49,970 --> 01:12:48,540

yeah great questions and I think it is

1860

01:12:51,890 --> 01:12:49,980

important for us

1861

01:12:54,290 --> 01:12:51,900

familiar with this topic to remember

1862

01:12:57,229 --> 01:12:54,300

that we didn't get here overnight that

1863

01:13:00,470 --> 01:12:57,239

we may have very nuanced sophisticated

1864

01:13:02,930 --> 01:13:00,480

Notions of it now or able to

1865

01:13:05,030 --> 01:13:02,940

hold in our minds very apparently

1866

01:13:06,649 --> 01:13:05,040

disparate data that sometimes seems to

1867

01:13:08,689 --> 01:13:06,659

contradict itself

1868

01:13:09,890 --> 01:13:08,699

right and we try to make sense of that

1869

01:13:14,630 --> 01:13:09,900

and and

1870

01:13:16,910 --> 01:13:14,640

form patterns from that data but people

1871

01:13:18,590 --> 01:13:16,920

that are confronted with this overnight

1872

01:13:20,450 --> 01:13:18,600

because it's being announced from

1873

01:13:23,810 --> 01:13:20,460

official circles and discussed in media

1874

01:13:25,250 --> 01:13:23,820

and whatnot don't have the luxury of

1875

01:13:28,490 --> 01:13:25,260

years

1876

01:13:31,550 --> 01:13:28,500

to entertain this as a fun notion on the

1877

01:13:33,050 --> 01:13:31,560

side they are suddenly finding that

1878

01:13:37,430 --> 01:13:33,060

their

1879

01:13:40,430 --> 01:13:37,440

fundamental relationship with reality is

1880

01:13:41,930 --> 01:13:40,440

being forced to change overnight

1881

01:13:43,970 --> 01:13:41,940

in a way it's a kind of abduction

1882

01:13:46,189 --> 01:13:43,980

experience because it's the Abduction of

1883

01:13:48,590 --> 01:13:46,199

your former model of reality right in

1884

01:13:50,270 --> 01:13:48,600

your relationship to it

1885

01:13:52,010 --> 01:13:50,280

and this is going to be happening on

1886

01:13:53,810 --> 01:13:52,020

mass in a way this never happened in the

1887

01:13:55,370 --> 01:13:53,820

history of our civilization so certainly

1888

01:13:56,750 --> 01:13:55,380

it's very difficult to predict what's

1889

01:13:59,450 --> 01:13:56,760

going to happen

1890

01:14:02,149 --> 01:13:59,460

and I think anyone who has a very

1891

01:14:04,729 --> 01:14:02,159

sort of trite simple answer to that

1892

01:14:06,890 --> 01:14:04,739

question is not really weighing the

1893

01:14:10,189 --> 01:14:06,900

complexity of the factors involved the

1894

01:14:15,590 --> 01:14:12,410

it really is it really is astonishing

1895

01:14:17,209 --> 01:14:15,600

and one wonders what's going to happen I

1896

01:14:19,070 --> 01:14:17,219

mean if I were to turn this back and say

1897

01:14:20,990 --> 01:14:19,080

to you

1898

01:14:24,530 --> 01:14:21,000

do you think this is something that

1899

01:14:26,689 --> 01:14:24,540

people can can rock and and reckon with

1900

01:14:28,790 --> 01:14:26,699

and get to Notions like interdimensional

1901

01:14:30,890 --> 01:14:28,800

ultra-terrestrial extra-term pastoral

1902

01:14:32,570 --> 01:14:30,900

within a few months or is it going to

1903

01:14:35,330 --> 01:14:32,580

take three years like it has for some

1904

01:14:38,090 --> 01:14:35,340

people in in UFO Twitter

1905

01:14:39,770 --> 01:14:38,100

and perhaps what I would suggest and

1906

01:14:42,290 --> 01:14:39,780

then I'll hand it over to you to sort of

1907

01:14:44,950 --> 01:14:42,300

think about that and reflect on that

1908

01:14:47,149 --> 01:14:44,960

but I think almost inevitably it will be

1909

01:14:49,070 --> 01:14:47,159

destabilizing at first you kind of have

1910

01:14:51,709 --> 01:14:49,080

to blow up the the initial model the

1911

01:14:55,130 --> 01:14:51,719

existing model and from that wreckage

1912

01:14:57,229 --> 01:14:55,140

that debris field you say I wonder what

1913

01:15:00,010 --> 01:14:57,239

would happen if this was in play or if

1914

01:15:03,470 --> 01:15:00,020

this was possible because nothing

1915

01:15:06,350 --> 01:15:03,480

excites curiosity and provokes new

1916

01:15:08,450 --> 01:15:06,360

models than necessity

1917

01:15:10,310 --> 01:15:08,460

right and we will be in that position we

1918

01:15:13,610 --> 01:15:10,320

will have no choice but to really

1919

01:15:17,149 --> 01:15:13,620

reconsider the nature of reality to

1920

01:15:18,709 --> 01:15:17,159

dream up new Notions of models that

1921

01:15:20,450 --> 01:15:18,719

don't have anything to do with what's

1922

01:15:21,590 --> 01:15:20,460

currently on the table as I've said

1923

01:15:23,870 --> 01:15:21,600

before and I become more and more

1924

01:15:25,370 --> 01:15:23,880

convinced of this that any of the the

1925

01:15:27,709 --> 01:15:25,380

leading models right now leading

1926

01:15:30,410 --> 01:15:27,719

hypotheses fail miserably mainly because

1927

01:15:32,570 --> 01:15:30,420

we just fail so miserably

1928

01:15:34,729 --> 01:15:32,580

at a really understanding

1929

01:15:36,290 --> 01:15:34,739

base reality and that's not that's not

1930

01:15:37,970 --> 01:15:36,300

an indictment of us that's just where we

1931

01:15:40,850 --> 01:15:37,980

are in our developmental Consciousness

1932

01:15:42,590 --> 01:15:40,860

as a civilization so I think this is

1933

01:15:44,450 --> 01:15:42,600

going to entail a lot of humility it's

1934

01:15:46,490 --> 01:15:44,460

going to demand a lot of humility

1935

01:15:49,490 --> 01:15:46,500

and one hopes they'll be more and more

1936

01:15:52,550 --> 01:15:49,500

interaction with these others that would

1937

01:15:55,010 --> 01:15:52,560

therefore see new understandings new

1938

01:15:57,830 --> 01:15:55,020

insights new Inspirations we've talked

1939

01:16:00,229 --> 01:15:57,840

many times about even famous historic

1940

01:16:02,570 --> 01:16:00,239

cases of scientists that came up with

1941

01:16:05,330 --> 01:16:02,580

Innovative understandings and

1942

01:16:07,189 --> 01:16:05,340

technological innovations were inspired

1943

01:16:08,750 --> 01:16:07,199

by some sort of other intelligence and

1944

01:16:11,209 --> 01:16:08,760

when you listen to them it sounds a lot

1945

01:16:13,310 --> 01:16:11,219

like either their higher self or some

1946

01:16:15,590 --> 01:16:13,320

interdimensional entity or some alien

1947

01:16:17,290 --> 01:16:15,600

intelligence is basically seeding their

1948

01:16:19,669 --> 01:16:17,300

understanding to help us move forward

1949

01:16:22,850 --> 01:16:19,679

what happens

1950

01:16:24,830 --> 01:16:22,860

when suddenly billions of people are

1951

01:16:26,209 --> 01:16:24,840

aware there is a there there and start

1952

01:16:28,370 --> 01:16:26,219

reaching out even with their own

1953

01:16:31,070 --> 01:16:28,380

Consciousness to to make contact with

1954

01:16:33,830 --> 01:16:31,080

these others what happens with ce5 and

1955

01:16:36,169 --> 01:16:33,840

Heist protocols when suddenly billions

1956

01:16:37,790 --> 01:16:36,179

of people and at the minimum hundreds of

1957

01:16:40,790 --> 01:16:37,800

millions of people start hearing about

1958

01:16:43,970 --> 01:16:40,800

these things and start trying it how

1959

01:16:46,669 --> 01:16:43,980

does that Dynamic change our reality

1960

01:16:48,709 --> 01:16:46,679

itself perhaps on mass does it

1961

01:16:50,870 --> 01:16:48,719

fundamentally move us into a different

1962

01:16:52,669 --> 01:16:50,880

kind of dimensional relationship with

1963

01:16:54,709 --> 01:16:52,679

reality and with the cosmic Community

1964

01:16:55,910 --> 01:16:54,719

these are all questions I think that

1965

01:16:58,130 --> 01:16:55,920

really come to me when I think about

1966

01:17:04,010 --> 01:16:58,140

what lies ahead what about for you

1967

01:17:08,330 --> 01:17:06,169

the paddles to the chest the shock to

1968

01:17:12,850 --> 01:17:08,340

the system I really think that this will

1969

01:17:16,370 --> 01:17:12,860

in fact be just like that that it will

1970

01:17:20,450 --> 01:17:16,380

send a jolt of electricity through the

1971

01:17:23,390 --> 01:17:20,460

human mind and and

1972

01:17:25,490 --> 01:17:23,400

light on fire are imaginations in a way

1973

01:17:28,430 --> 01:17:25,500

that maybe we have not had in a very

1974

01:17:32,689 --> 01:17:28,440

very long time that the spark of

1975

01:17:35,590 --> 01:17:32,699

possibility will be lit and

1976

01:17:37,970 --> 01:17:35,600

I think it will be contagious now it it

1977

01:17:40,970 --> 01:17:37,980

can it be contained is the question

1978

01:17:44,630 --> 01:17:40,980

right because that you and I both know

1979

01:17:46,610 --> 01:17:44,640

that when you when you accept that

1980

01:17:49,910 --> 01:17:46,620

something is possible and when you're

1981

01:17:53,930 --> 01:17:49,920

given a permission to believe

1982

01:17:57,470 --> 01:17:53,940

that something is possible then a lot of

1983

01:17:59,149 --> 01:17:57,480

things then become more possible for you

1984

01:18:02,209 --> 01:17:59,159

you know the world that you live in

1985

01:18:05,870 --> 01:18:02,219

changes and many things are on the table

1986

01:18:09,590 --> 01:18:05,880

that once were not and I'm here reminded

1987

01:18:12,070 --> 01:18:09,600

of uh stories that I'm sure all of us

1988

01:18:15,590 --> 01:18:12,080

have from our own lives and our families

1989

01:18:18,350 --> 01:18:15,600

uh in our in our closest circles stories

1990

01:18:22,310 --> 01:18:18,360

that we've wrote off in the past as

1991

01:18:26,770 --> 01:18:22,320

being Pure Fantasy uh tricks of the

1992

01:18:31,070 --> 01:18:26,780

imagination wishful thinking etc etc

1993

01:18:33,890 --> 01:18:31,080

will be re-examined in the light of this

1994

01:18:37,310 --> 01:18:33,900

knowledge and we will at that point say

1995

01:18:40,850 --> 01:18:37,320

well wow maybe there was something to

1996

01:18:42,950 --> 01:18:40,860

that Beyond uh our human understanding

1997

01:18:46,070 --> 01:18:42,960

that that it wasn't just a figment of

1998

01:18:49,130 --> 01:18:46,080

imagination that it was uh you know to

1999

01:18:52,610 --> 01:18:49,140

some degree a true connection with this

2000

01:18:54,649 --> 01:18:52,620

broader reality that we have ignored uh

2001

01:18:59,330 --> 01:18:54,659

think of those that have had near-death

2002

01:19:01,189 --> 01:18:59,340

experience uh and uh and and how common

2003

01:19:04,130 --> 01:19:01,199

those experiences are and how many

2004

01:19:07,130 --> 01:19:04,140

similarities there are across the nde or

2005

01:19:09,950 --> 01:19:07,140

past life experiences those things come

2006

01:19:13,130 --> 01:19:09,960

right to the Forefront uh when when used

2007

01:19:15,950 --> 01:19:13,140

when you make it known and acceptable to

2008

01:19:19,430 --> 01:19:15,960

believe that we are no longer

2009

01:19:21,890 --> 01:19:19,440

at the top of the food chain uh and uh

2010

01:19:24,410 --> 01:19:21,900

and there's much more to reality and

2011

01:19:26,750 --> 01:19:24,420

life than we once thought

2012

01:19:29,870 --> 01:19:26,760

um so it you know I think the the

2013

01:19:32,390 --> 01:19:29,880

challenge could perhaps be really as it

2014

01:19:34,610 --> 01:19:32,400

maybe has often been separating the

2015

01:19:37,669 --> 01:19:34,620

signal from the noise there

2016

01:19:41,330 --> 01:19:37,679

um and and really does make me think

2017

01:19:45,709 --> 01:19:41,340

that the the need for some some serious

2018

01:19:48,350 --> 01:19:45,719

thoughtful uh Collective worldwide

2019

01:19:50,930 --> 01:19:48,360

Endeavor to understand this is going to

2020

01:19:52,970 --> 01:19:50,940

be a Paramount importance because just

2021

01:19:54,770 --> 01:19:52,980

having everyone kind of armchair

2022

01:19:56,570 --> 01:19:54,780

quarterback whatever that this might

2023

01:19:59,209 --> 01:19:56,580

mean I don't think that's going to

2024

01:20:01,310 --> 01:19:59,219

really get us anywhere uh anywhere

2025

01:20:03,050 --> 01:20:01,320

productive for that matter but you could

2026  
01:20:05,030 --> 01:20:03,060  
easily see where people could say well

2027  
01:20:06,470 --> 01:20:05,040  
there's there's non-human intelligence

2028  
01:20:08,510 --> 01:20:06,480  
uh and they're talking to me right now

2029  
01:20:11,390 --> 01:20:08,520  
and they're telling me that I can do XYZ

2030  
01:20:14,270 --> 01:20:11,400  
or whatever I want uh you know human

2031  
01:20:16,610 --> 01:20:14,280  
beings can find justification for all

2032  
01:20:20,209 --> 01:20:16,620  
kinds of things but I'm I'm also

2033  
01:20:22,490 --> 01:20:20,219  
reminded of those even now who have had

2034  
01:20:24,649 --> 01:20:22,500  
even maybe even a personal experience

2035  
01:20:27,290 --> 01:20:24,659  
with this intelligence at least one

2036  
01:20:29,810 --> 01:20:27,300  
faction of it and are in absolute denial

2037  
01:20:31,610 --> 01:20:29,820  
that it's real uh you and I have talked

2038  
01:20:33,470 --> 01:20:31,620

about this many times in fact I think it

2039

01:20:36,649 --> 01:20:33,480

was one of the earlier topics of our

2040

01:20:38,930 --> 01:20:36,659

conversation that in the face of the

2041

01:20:41,570 --> 01:20:38,940

revelations that we already have been

2042

01:20:43,790 --> 01:20:41,580

privy to that there are people who just

2043

01:20:46,910 --> 01:20:43,800

go about their day-to-day and and

2044

01:20:50,330 --> 01:20:46,920

complete ignorance of of the reality

2045

01:20:53,510 --> 01:20:50,340

itself and so I I kind of Wonder to what

2046

01:20:56,390 --> 01:20:53,520

extent those people will still be there

2047

01:20:59,149 --> 01:20:56,400

um in a sense and they might acknowledge

2048

01:21:00,590 --> 01:20:59,159

that oh yeah it's real but you know I

2049

01:21:02,390 --> 01:21:00,600

don't really think about it because I

2050

01:21:03,830 --> 01:21:02,400

gotta you know I gotta pay the mortgage

2051  
01:21:05,090 --> 01:21:03,840  
and I don't really need I don't have

2052  
01:21:07,910 --> 01:21:05,100  
time for that

2053  
01:21:10,370 --> 01:21:07,920  
um so how many of those folks will will

2054  
01:21:13,010 --> 01:21:10,380  
there be uh you know in some ways kind

2055  
01:21:14,750 --> 01:21:13,020  
of keeping things going and staying on

2056  
01:21:17,870 --> 01:21:14,760  
the hamster wheel that you're already on

2057  
01:21:19,790 --> 01:21:17,880  
the devil you know oh right is uh is

2058  
01:21:22,910 --> 01:21:19,800  
better than the devil you don't

2059  
01:21:25,250 --> 01:21:22,920  
indeed you know I think about this

2060  
01:21:28,790 --> 01:21:25,260  
trauma piece we talked about before and

2061  
01:21:30,050 --> 01:21:28,800  
how trauma well is nothing anyone wants

2062  
01:21:32,290 --> 01:21:30,060  
to experience

2063  
01:21:35,350 --> 01:21:32,300

when they go through it it often

2064

01:21:39,229 --> 01:21:35,360

deconstructs to a degree deep enough

2065

01:21:40,850 --> 01:21:39,239

that real transformation is possible

2066

01:21:43,910 --> 01:21:40,860

really want to hit this home for people

2067

01:21:46,250 --> 01:21:43,920

because again I think sometimes we don't

2068

01:21:47,689 --> 01:21:46,260

realize we're like shuffling deck chairs

2069

01:21:49,610 --> 01:21:47,699

on the Titanic

2070

01:21:51,110 --> 01:21:49,620

we talk about well maybe if we just do a

2071

01:21:53,390 --> 01:21:51,120

bit of this and a bit of this and if we

2072

01:21:55,430 --> 01:21:53,400

get you know this wind technology going

2073

01:21:56,870 --> 01:21:55,440

and solar technology you know at this

2074

01:21:59,090 --> 01:21:56,880

small Pace you know then eventually

2075

01:22:00,950 --> 01:21:59,100

we'll be fine we'll turn it around and

2076

01:22:03,110 --> 01:22:00,960

it's almost like we're trying to

2077

01:22:05,090 --> 01:22:03,120

convince ourselves that we're doing

2078

01:22:07,310 --> 01:22:05,100

something when we if we really look at

2079

01:22:09,950 --> 01:22:07,320

it we're not really taking it seriously

2080

01:22:11,330 --> 01:22:09,960

or working with any kind of speed or

2081

01:22:13,430 --> 01:22:11,340

urgency that we could if we really

2082

01:22:16,250 --> 01:22:13,440

wanted to and this certainly is not a

2083

01:22:18,169 --> 01:22:16,260

civilization-wide Embrace of an approach

2084

01:22:20,930 --> 01:22:18,179

to this even though we know all of the

2085

01:22:22,970 --> 01:22:20,940

variables in play ours Planet wide kind

2086

01:22:25,610 --> 01:22:22,980

of issues you can't have one nation

2087

01:22:27,709 --> 01:22:25,620

become a green technology kind of nation

2088

01:22:30,770 --> 01:22:27,719

While others go completely the opposite

2089

01:22:32,750 --> 01:22:30,780

way we don't have the option for China

2090

01:22:34,790 --> 01:22:32,760

or India to go through an industrial

2091

01:22:36,830 --> 01:22:34,800

revolution like we did there'll be too

2092

01:22:38,810 --> 01:22:36,840

much damage to the planet at the same

2093

01:22:41,090 --> 01:22:38,820

time we have to as First World countries

2094

01:22:42,649 --> 01:22:41,100

who did go through all that say who are

2095

01:22:44,630 --> 01:22:42,659

we to say to them they can't and and

2096

01:22:46,669 --> 01:22:44,640

what kind of sacrifices do we need to

2097

01:22:48,350 --> 01:22:46,679

make to also play our play our role here

2098

01:22:50,149 --> 01:22:48,360

now some people with think I'm getting

2099

01:22:51,770 --> 01:22:50,159

preachy here but again I just really

2100

01:22:54,050 --> 01:22:51,780

want to hit home I think the situation

2101  
01:22:56,149 --> 01:22:54,060  
is much more dire than we realize

2102  
01:22:59,330 --> 01:22:56,159  
and so I come back to this trauma piece

2103  
01:23:01,370 --> 01:22:59,340  
this will undoubtedly be traumatic but

2104  
01:23:03,649 --> 01:23:01,380  
even when I speak with close friends of

2105  
01:23:04,970 --> 01:23:03,659  
mine who are trauma counselors

2106  
01:23:07,370 --> 01:23:04,980  
people have been through some of the

2107  
01:23:10,850 --> 01:23:07,380  
most horrific things you can imagine and

2108  
01:23:14,090 --> 01:23:10,860  
it blows up their life no fun but on the

2109  
01:23:16,430 --> 01:23:14,100  
other side of that you then have the

2110  
01:23:19,610 --> 01:23:16,440  
real capacity for transformational

2111  
01:23:21,709 --> 01:23:19,620  
change not just situational posturing

2112  
01:23:23,450 --> 01:23:21,719  
and that kind of thing but really

2113  
01:23:25,490 --> 01:23:23,460

fundamentally re-examining your

2114

01:23:27,410 --> 01:23:25,500

relationship with life with reality why

2115

01:23:29,630 --> 01:23:27,420

you're here what you're doing

2116

01:23:31,729 --> 01:23:29,640

and I just want to remind people that a

2117

01:23:34,130 --> 01:23:31,739

consistent message that experiencers

2118

01:23:35,390 --> 01:23:34,140

Come Away with from these encounters is

2119

01:23:36,709 --> 01:23:35,400

not just you need to do things

2120

01:23:38,270 --> 01:23:36,719

differently with the Earth you need to

2121

01:23:40,010 --> 01:23:38,280

treat the Earth with respect you need to

2122

01:23:41,209 --> 01:23:40,020

think about not just creating it like a

2123

01:23:43,970 --> 01:23:41,219

commodity

2124

01:23:45,890 --> 01:23:43,980

but also who are you what is your

2125

01:23:48,410 --> 01:23:45,900

relationship with the cosmos what is

2126  
01:23:50,270 --> 01:23:48,420  
your multi-dimensional cross lifetime

2127  
01:23:52,550 --> 01:23:50,280  
kind of experience so many people Come

2128  
01:23:54,590 --> 01:23:52,560  
Away with experiences of remembering

2129  
01:23:57,110 --> 01:23:54,600  
past lives remembering sometimes being

2130  
01:23:59,390 --> 01:23:57,120  
in different forms in different

2131  
01:24:01,669 --> 01:23:59,400  
lifetimes even as a gray alien some

2132  
01:24:03,410 --> 01:24:01,679  
people really do have a fundamental

2133  
01:24:05,630 --> 01:24:03,420  
sense of having an identity as partly

2134  
01:24:07,490 --> 01:24:05,640  
human partly something else these are

2135  
01:24:09,830 --> 01:24:07,500  
Notions that will also probably be

2136  
01:24:11,930 --> 01:24:09,840  
introduced to the conversation as this

2137  
01:24:14,870 --> 01:24:11,940  
spirals out and yet these are questions

2138  
01:24:17,450 --> 01:24:14,880

we need to engage with we need to

2139

01:24:18,950 --> 01:24:17,460

fundamentally think about what this

2140

01:24:20,750 --> 01:24:18,960

means in all of the big questions

2141

01:24:24,110 --> 01:24:20,760

because it's not just one big question

2142

01:24:26,209 --> 01:24:24,120

it's not just are we alone no but it's

2143

01:24:28,790 --> 01:24:26,219

also who then are we

2144

01:24:30,229 --> 01:24:28,800

what is life what is this you know I

2145

01:24:32,390 --> 01:24:30,239

think again about my Buddhist training

2146

01:24:34,130 --> 01:24:32,400

and they will often say that Romana

2147

01:24:35,990 --> 01:24:34,140

maharshi will get people to ask this

2148

01:24:38,330 --> 01:24:36,000

question over and over again and you

2149

01:24:40,010 --> 01:24:38,340

keep asking it you go deeper and deeper

2150

01:24:43,130 --> 01:24:40,020

and deeper until eventually you realize

2151  
01:24:45,950 --> 01:24:43,140  
there's no individual eye that is to

2152  
01:24:48,290 --> 01:24:45,960  
some degree an illusion what I am is the

2153  
01:24:50,330 --> 01:24:48,300  
cosmos what I am is everything and how

2154  
01:24:52,070 --> 01:24:50,340  
differently would we respond if we

2155  
01:24:54,110 --> 01:24:52,080  
recognize that we were facets of that

2156  
01:24:55,790 --> 01:24:54,120  
one Diamond how would we look at each

2157  
01:24:58,010 --> 01:24:55,800  
other differently look at these others

2158  
01:24:59,630 --> 01:24:58,020  
differently and look at our relationship

2159  
01:25:00,470 --> 01:24:59,640  
with the planet differently all these

2160  
01:25:03,470 --> 01:25:00,480  
things

2161  
01:25:06,410 --> 01:25:03,480  
really key questions who am I what is

2162  
01:25:08,450 --> 01:25:06,420  
this what is this everything around me

2163  
01:25:11,390 --> 01:25:08,460

what I'm doing day to day what is this

2164

01:25:13,790 --> 01:25:11,400

we get so caught up in our capitalist

2165

01:25:15,169 --> 01:25:13,800

system like you said that we we file it

2166

01:25:18,050 --> 01:25:15,179

and we file out of work we sit in

2167

01:25:20,149 --> 01:25:18,060

traffic blah blah and we're so busy with

2168

01:25:22,130 --> 01:25:20,159

that that our lives are gone before we

2169

01:25:23,750 --> 01:25:22,140

know it decades have gone by

2170

01:25:25,790 --> 01:25:23,760

and we haven't really entertained those

2171

01:25:28,310 --> 01:25:25,800

deep questions what I'm excited about

2172

01:25:30,470 --> 01:25:28,320

with this Revelation that's coming is

2173

01:25:33,530 --> 01:25:30,480

not just the question about are physical

2174

01:25:35,030 --> 01:25:33,540

aliens from Alpha Centauri here but like

2175

01:25:36,709 --> 01:25:35,040

you say what is the nature of reality

2176  
01:25:38,209 --> 01:25:36,719  
maybe that experience I had when I was

2177  
01:25:39,950 --> 01:25:38,219  
10 years old and I saw that being maybe

2178  
01:25:42,229 --> 01:25:39,960  
that really happened maybe that wasn't

2179  
01:25:44,450 --> 01:25:42,239  
just a dream maybe there's a

2180  
01:25:47,110 --> 01:25:44,460  
multi-dimensional aspect to life all

2181  
01:25:49,910 --> 01:25:47,120  
around us and what really makes me

2182  
01:25:51,169 --> 01:25:49,920  
excited is the possibility that just

2183  
01:25:54,110 --> 01:25:51,179  
that question

2184  
01:25:55,790 --> 01:25:54,120  
being asked by many many people in the

2185  
01:25:58,790 --> 01:25:55,800  
millions and the billions how might that

2186  
01:26:01,070 --> 01:25:58,800  
fundamentally change our relationship

2187  
01:26:03,169 --> 01:26:01,080  
with reality how might that offer us new

2188  
01:26:04,669 --> 01:26:03,179

opportunities to see the world there's

2189

01:26:07,490 --> 01:26:04,679

been some really interesting research

2190

01:26:09,950 --> 01:26:07,500

done on psilocybin and how people that

2191

01:26:13,550 --> 01:26:09,960

have experienced psilocybin and seen

2192

01:26:15,350 --> 01:26:13,560

these deeper realities seen and felt is

2193

01:26:17,090 --> 01:26:15,360

very important in an embodied way they

2194

01:26:19,850 --> 01:26:17,100

felt connected to everything and

2195

01:26:21,950 --> 01:26:19,860

everyone you act completely differently

2196

01:26:25,129 --> 01:26:21,960

when that is your false understanding of

2197

01:26:26,510 --> 01:26:25,139

identity this has the possibility to do

2198

01:26:29,450 --> 01:26:26,520

something like that in the best case

2199

01:26:31,910 --> 01:26:29,460

scenario it was like a a mass psilocybin

2200

01:26:33,470 --> 01:26:31,920

effect across the planet so these are

2201

01:26:35,990 --> 01:26:33,480

the things that are daunting challenges

2202

01:26:37,970 --> 01:26:36,000

we face but also I think this Revelation

2203

01:26:39,590 --> 01:26:37,980

while initially will be traumatizing

2204

01:26:42,410 --> 01:26:39,600

there will be some destabilization

2205

01:26:45,590 --> 01:26:42,420

undoubtedly when we have a market-based

2206

01:26:48,350 --> 01:26:45,600

system that tries to respond to reduce

2207

01:26:51,770 --> 01:26:48,360

the unknown this is the unknown with a

2208

01:26:54,410 --> 01:26:51,780

capital u and so how is that going to be

2209

01:26:57,050 --> 01:26:54,420

treated and handled by a market-based

2210

01:27:00,770 --> 01:26:57,060

system of capitalism and what does that

2211

01:27:02,149 --> 01:27:00,780

say about the system we've trusted to

2212

01:27:03,770 --> 01:27:02,159

care for our children and our

2213

01:27:05,689 --> 01:27:03,780

grandchildren moving forward is a way we

2214

01:27:07,669 --> 01:27:05,699

can do it better these are all questions

2215

01:27:09,169 --> 01:27:07,679

I think that arise as secondary

2216

01:27:11,570 --> 01:27:09,179

questions because of these initial

2217

01:27:14,810 --> 01:27:11,580

Revelations

2218

01:27:18,470 --> 01:27:14,820

there is indeed another way another way

2219

01:27:22,070 --> 01:27:18,480

to be we have been trapped by

2220

01:27:25,970 --> 01:27:22,080

our ways of thinking in a way the trauma

2221

01:27:27,290 --> 01:27:25,980

that we experience in reality now the

2222

01:27:30,729 --> 01:27:27,300

day-to-day

2223

01:27:34,510 --> 01:27:30,739

it defines us and it confines us

2224

01:27:38,090 --> 01:27:34,520

it constrains what we think is possible

2225

01:27:41,090 --> 01:27:38,100

and what this represents as we have said

2226

01:27:45,770 --> 01:27:41,100

many times is

2227

01:27:48,290 --> 01:27:45,780

a a ray of light a a a a a Hint it is

2228

01:27:51,649 --> 01:27:48,300

something greater and deeper than what

2229

01:27:54,590 --> 01:27:51,659

we think can be true and it it gives us

2230

01:27:58,129 --> 01:27:54,600

that opportunity it invites us into that

2231

01:28:01,850 --> 01:27:58,139

opportunity uh it cannot be ignored we

2232

01:28:06,110 --> 01:28:01,860

we can no longer ignore it and a new day

2233

01:28:07,910 --> 01:28:06,120

will come and a new way uh will be shown

2234

01:28:10,390 --> 01:28:07,920

and

2235

01:28:14,810 --> 01:28:10,400

we will step into that future

2236

01:28:17,330 --> 01:28:14,820

uh perhaps we will stumble uh but I am

2237

01:28:21,470 --> 01:28:17,340

hopeful we will take those steps and

2238

01:28:24,350 --> 01:28:21,480

eventually learn how to run and what a

2239

01:28:25,910 --> 01:28:24,360

wonderful day that will be

2240

01:28:28,129 --> 01:28:25,920

agreed and I think the only thing I

2241

01:28:31,430 --> 01:28:28,139

would add as we close here is that

2242

01:28:33,590 --> 01:28:31,440

my hope is my goal is to be part of a

2243

01:28:35,810 --> 01:28:33,600

movement that not only thinks about how

2244

01:28:38,330 --> 01:28:35,820

we have to be different systemically in

2245

01:28:40,790 --> 01:28:38,340

terms of our systems whatnot but that

2246

01:28:42,950 --> 01:28:40,800

also the kind of ego death that people

2247

01:28:45,229 --> 01:28:42,960

experience sometimes when they encounter

2248

01:28:46,910 --> 01:28:45,239

these others will be something that all

2249

01:28:48,410 --> 01:28:46,920

of us begin to experience but not

2250

01:28:50,149 --> 01:28:48,420

because it's traumatic but because of

2251

01:28:51,830 --> 01:28:50,159

what lies on the other side of that a

2252

01:28:53,450 --> 01:28:51,840

Transcendent understanding of being

2253

01:28:55,430 --> 01:28:53,460

connected to everything

2254

01:28:57,590 --> 01:28:55,440

and that I think just as important as

2255

01:28:59,510 --> 01:28:57,600

the systemic changes we need to make

2256

01:29:01,910 --> 01:28:59,520

we also need to treat each other

2257

01:29:04,850 --> 01:29:01,920

differently one-on-one small groups

2258

01:29:06,410 --> 01:29:04,860

larger groups organization-wide the

2259

01:29:09,410 --> 01:29:06,420

interpersonal changes we need to make

2260

01:29:11,390 --> 01:29:09,420

are also I think Paramount I have a goal

2261

01:29:12,770 --> 01:29:11,400

to actually help train people with that

2262

01:29:13,850 --> 01:29:12,780

because of some of the experiences I've

2263

01:29:16,550 --> 01:29:13,860

had some of the things I've been

2264

01:29:18,830 --> 01:29:16,560

practicing and developing for for a long

2265

01:29:21,470 --> 01:29:18,840

time now because I think we have to

2266

01:29:23,750 --> 01:29:21,480

fundamentally unlearn some of the ways

2267

01:29:26,390 --> 01:29:23,760

we've learned to be with each other with

2268

01:29:27,890 --> 01:29:26,400

so much deception and lies like you say

2269

01:29:30,470 --> 01:29:27,900

even if they're white lies that all of

2270

01:29:31,910 --> 01:29:30,480

that actually robs us of this deeper

2271

01:29:34,669 --> 01:29:31,920

Treasure of being connected to each

2272

01:29:37,610 --> 01:29:34,679

other and my firm belief is my

2273

01:29:39,590 --> 01:29:37,620

conviction is if we can be radically

2274

01:29:41,990 --> 01:29:39,600

transparent with each other we become

2275

01:29:43,610 --> 01:29:42,000

more psychic we become inherently more

2276

01:29:45,830 --> 01:29:43,620  
connected to each other and to

2277

01:29:47,330 --> 01:29:45,840  
everything else and so my hope is that

2278

01:29:49,970 --> 01:29:47,340  
that is a big part of what happens here

2279

01:29:56,810 --> 01:29:53,510  
Amen to that I'm here for it and I'm

2280

01:29:59,169 --> 01:29:56,820  
sure many of our listeners are as well

2281

01:30:05,209 --> 01:29:59,179  
uh I am

2282

01:30:06,950 --> 01:30:05,219  
encouraged uh and uh and optimistic I

2283

01:30:08,990 --> 01:30:06,960  
think it's going to be a very positive

2284

01:30:12,649 --> 01:30:09,000  
thing there will be many difficult

2285

01:30:13,570 --> 01:30:12,659  
conversations ahead but one's well worth

2286

01:30:17,090 --> 01:30:13,580  
having

2287

01:30:20,990 --> 01:30:17,100  
and I encourage all of those who listen

2288

01:30:23,330 --> 01:30:21,000

to this podcast uh to be you know ready

2289

01:30:26,810 --> 01:30:23,340

and open to having those conversations

2290

01:30:29,510 --> 01:30:26,820

uh not only with uh those that they love

2291

01:30:31,010 --> 01:30:29,520

but uh The Strangers that they meet and

2292

01:30:33,229 --> 01:30:31,020

that we can be you know kind of

2293

01:30:36,890 --> 01:30:33,239

ambassadors for

2294

01:30:39,709 --> 01:30:36,900

um a new way of understanding

2295

01:30:42,169 --> 01:30:39,719

and on that note May the quality of our

2296

01:30:44,689 --> 01:30:42,179

questions shaped by desire for

2297

01:30:45,830 --> 01:30:44,699

understanding enhance our journey of

2298

01:30:48,350 --> 01:30:45,840

discovery

2299

01:30:51,470 --> 01:30:48,360

the mayor travels broaden the sphere of

2300

01:30:54,590 --> 01:30:51,480

our Consciousness reminding us that new

2301

01:30:57,709 --> 01:30:54,600

discoveries beget New Horizons

2302

01:30:59,570 --> 01:30:57,719

and as always Adventure awaits

2303

01:31:03,450 --> 01:30:59,580

we'll see you next time on liminal

2304

01:31:07,250 --> 01:31:05,680

[Music]

2305

01:31:13,550 --> 01:31:07,260

[Laughter]
