1  
00:00:05,510 --> 00:00:02,930  
again we have this bias that we assume

2  
00:00:07,309 --> 00:00:05,520  
this is the Baseline this is reality and

3  
00:00:08,870 --> 00:00:07,319  
anything else we experience in an

4  
00:00:10,490 --> 00:00:08,880  
altered state of consciousness is

5  
00:00:13,070 --> 00:00:10,500  
something else it's a dream world or

6  
00:00:15,530 --> 00:00:13,080  
some sort of Illusion but again really

7  
00:00:17,750 --> 00:00:15,540  
this is the illusion it's a constructive

8  
00:00:19,970 --> 00:00:17,760  
illusion it's useful it allows us to

9  
00:00:21,529 --> 00:00:19,980  
navigate and stay alive which is the

10  
00:00:24,050 --> 00:00:21,539  
only thing that Evolution was really

11  
00:00:26,450 --> 00:00:24,060  
concerned with to propagate the species

12  
00:00:27,830 --> 00:00:26,460  
and whatnot but it's really important as

13  
00:00:29,929 --> 00:00:27,840

I said in this quote here that we

14

00:00:31,970 --> 00:00:29,939  
remember that when we're trying to make

15

00:00:33,410 --> 00:00:31,980  
sense of anomalous experience just as

16

00:00:35,810 --> 00:00:33,420  
we're trying to make sense of any

17

00:00:37,610 --> 00:00:35,820  
experience whether it's anomalous or not

18

00:00:40,369 --> 00:00:37,620  
we have to remember that what we're

19

00:00:42,770 --> 00:00:40,379  
dealing with is the interface with icons

20

00:00:44,930 --> 00:00:42,780  
that have been served up to us to allow

21

00:00:48,250 --> 00:00:44,940  
us to navigate an underlying reality we

22

00:00:51,470 --> 00:00:48,260  
as of yet do not directly interface with

23

00:00:53,209 --> 00:00:51,480  
except perhaps through experiences with

24

00:00:55,310 --> 00:00:53,219  
psychedelics and experiences with some

25

00:00:57,709 --> 00:00:55,320  
of these others who seem to take us into

26

00:01:00,290 --> 00:00:57,719

alternate Realms Altered States Of

27

00:01:02,810 --> 00:01:00,300

Consciousness again this I think all

28

00:01:04,850 --> 00:01:02,820

speaks to this larger reality all around
