[Music]

2  
00:00:13,030 --> 00:00:06,930  
[Laughter]

3  
00:00:17,349 --> 00:00:14,420  
thank you

4  
00:00:20,689 --> 00:00:17,359  
[Music]

5  
00:00:22,670 --> 00:00:20,699  
welcome back to liminal frames I'm your

6  
00:00:26,630 --> 00:00:22,680  
host Nathan and I'm joined by my friend

7  
00:00:28,550 --> 00:00:26,640  
and co-host Aaron EXO academian

8  
00:00:30,109 --> 00:00:28,560  
Darren it's uh

9  
00:00:32,210 --> 00:00:30,119  
it's good to see you again I feel like

10  
00:00:33,950 --> 00:00:32,220  
it's been ages since we last recorded I

11  
00:00:37,549 --> 00:00:33,960  
know you and I both recently had some

12  
00:00:40,910 --> 00:00:37,559  
travel away from home and I think we

13  
00:00:43,130 --> 00:00:40,920

both had excellent trips spending some

14

00:00:45,709 --> 00:00:43,140

time with friends and family uh it's

15

00:00:48,170 --> 00:00:45,719

good to be back home as well and it's

16

00:00:52,069 --> 00:00:48,180

been a busy week in my opinion for the

17

00:00:54,229 --> 00:00:52,079

UAP UFO topic but uh before we jump into

18

00:00:58,310 --> 00:00:54,239

some of that anything you want to share

19

00:01:01,910 --> 00:00:58,320

about your uh your travels

20

00:01:04,549 --> 00:01:01,920

perhaps there is yes I had a great trip

21

00:01:06,830 --> 00:01:04,559

up to the Pacific Northwest

22

00:01:09,050 --> 00:01:06,840

um northern Washington State and into

23

00:01:11,350 --> 00:01:09,060

British Columbia mostly spent my time in

24

00:01:14,570 --> 00:01:11,360

the Vancouver area

25

00:01:15,950 --> 00:01:14,580

and saw some friends there it was a

26

00:01:17,330 --> 00:01:15,960

great experience just catching up with

27

00:01:19,429 --> 00:01:17,340

people had been a long time since I'd

28

00:01:20,690 --> 00:01:19,439

been back there probably 10 years which

29

00:01:23,210 --> 00:01:20,700

was amazing

30

00:01:25,850 --> 00:01:23,220

but one of the things I was planning to

31

00:01:27,230 --> 00:01:25,860

do which did work out is that there are

32

00:01:28,810 --> 00:01:27,240

some places that are much more

33

00:01:31,130 --> 00:01:28,820

Progressive when it comes to

34

00:01:33,770 --> 00:01:31,140

psychedelics and whatnot and of course

35

00:01:35,510 --> 00:01:33,780

his places in the West in the in the U.S

36

00:01:37,190 --> 00:01:35,520

like Washington State Oregon California

37

00:01:39,289 --> 00:01:37,200

there's places where

38

00:01:40,550 --> 00:01:39,299

a lot of psychedelics are now completely

39

00:01:42,770 --> 00:01:40,560

legal

40

00:01:44,870 --> 00:01:42,780

slowly but surely our entire nation is

41

00:01:46,090 --> 00:01:44,880

slowly moving towards normalizing the

42

00:01:49,010 --> 00:01:46,100

use of these things

43

00:01:51,109 --> 00:01:49,020

psilocybin for instance is much more

44

00:01:52,969 --> 00:01:51,119

readily accepted as a kind of treatment

45

00:01:54,889 --> 00:01:52,979

for depression what not that slowly

46

00:01:56,749 --> 00:01:54,899

gaining traction and even in

47

00:01:58,850 --> 00:01:56,759

conservative States I think

48

00:02:01,310 --> 00:01:58,860

but it was really amazing to go to

49

00:02:03,230 --> 00:02:01,320

Vancouver and be able to go with a

50

00:02:04,910 --> 00:02:03,240

friend of mine to downtown Vancouver and

51  
00:02:07,249 --> 00:02:04,920  
walk into a store and be able to have

52  
00:02:09,889 --> 00:02:07,259  
you know shellfuls of different things

53  
00:02:13,070 --> 00:02:09,899  
you can imagine getting so I was really

54  
00:02:14,570 --> 00:02:13,080  
interested in trying DMT for the first

55  
00:02:16,070 --> 00:02:14,580  
time so I have experience with

56  
00:02:17,830 --> 00:02:16,080  
psilocybin and I've talked about that in

57  
00:02:20,330 --> 00:02:17,840  
the past and had really mind-blowing

58  
00:02:22,910 --> 00:02:20,340  
mind-expanding experiences

59  
00:02:26,750 --> 00:02:22,920  
on psilocybin but was really eager to

60  
00:02:28,490 --> 00:02:26,760  
try DMT and to make a long story short I

61  
00:02:30,350 --> 00:02:28,500  
did sort of two rounds of it the first

62  
00:02:31,729 --> 00:02:30,360  
round was the sort of 30 milligrams

63  
00:02:34,369 --> 00:02:31,739

trying to get to what they call the

64

00:02:36,110 --> 00:02:34,379

waiting room which was a crazy

65

00:02:37,970 --> 00:02:36,120

experience because you're you're

66

00:02:40,369 --> 00:02:37,980

actually trying to suck in this Vapor

67

00:02:42,530 --> 00:02:40,379

that's being burned from a powder and

68

00:02:44,509 --> 00:02:42,540

turned into a vapor and it's so fast

69

00:02:45,650 --> 00:02:44,519

acting compared to psilocybin that by

70

00:02:46,970 --> 00:02:45,660

the time you're finished taking the

71

00:02:49,550 --> 00:02:46,980

vapor you're already feeling like your

72

00:02:51,589 --> 00:02:49,560

brain begin to really sort of phase

73

00:02:53,210 --> 00:02:51,599

shift into something else and so then

74

00:02:55,369 --> 00:02:53,220

you lie down and you have the experience

75

00:02:57,589 --> 00:02:55,379

and the first part was these crazy

76  
00:02:59,210 --> 00:02:57,599  
geometric shapes and everything in kind

77  
00:03:01,250 --> 00:02:59,220  
of Earth Tones

78  
00:03:03,589 --> 00:03:01,260  
and also feeling a little bit of like

79  
00:03:05,330 --> 00:03:03,599  
out of bodiness to that and then the

80  
00:03:08,509 --> 00:03:05,340  
second round was like 50 milligrams

81  
00:03:10,790 --> 00:03:08,519  
which they call breakthrough territory

82  
00:03:12,229 --> 00:03:10,800  
kind of thing and I didn't quite I don't

83  
00:03:13,850 --> 00:03:12,239  
think quite got the full 50 I think I

84  
00:03:16,369 --> 00:03:13,860  
probably got 45 because again you're

85  
00:03:17,809 --> 00:03:16,379  
trying to I'm not a smoker at all and

86  
00:03:19,430 --> 00:03:17,819  
you're trying to suck in this Vapor

87  
00:03:21,110 --> 00:03:19,440  
which is you know kind of burns the

88  
00:03:22,670 --> 00:03:21,120

throat a little bit but you're trying to

89

00:03:25,430 --> 00:03:22,680

do this before it escapes out the top of

90

00:03:28,070 --> 00:03:25,440

the pipe anyway long story short

91

00:03:29,449 --> 00:03:28,080

once it hit me I had to quickly lie down

92

00:03:31,729 --> 00:03:29,459

because you know it was hitting me by

93

00:03:33,229 --> 00:03:31,739

the time I finished basically and that

94

00:03:35,570 --> 00:03:33,239

was a really amazing experience where

95

00:03:37,610 --> 00:03:35,580

basically the ego dissolved altogether I

96

00:03:38,930 --> 00:03:37,620

had no sense of having a history I had

97

00:03:41,690 --> 00:03:38,940

no sense of

98

00:03:43,550 --> 00:03:41,700

a course of events that are part of

99

00:03:44,869 --> 00:03:43,560

Darren King's life none of that was the

100

00:03:45,890 --> 00:03:44,879

case I just felt like I was a

101  
00:03:48,949 --> 00:03:45,900  
consciousness

102  
00:03:50,809 --> 00:03:48,959  
basically that was a part of the

103  
00:03:53,570 --> 00:03:50,819  
environment I was in it was all shapes

104  
00:03:55,910 --> 00:03:53,580  
and uh geometric patterns and whatnot

105  
00:03:58,250 --> 00:03:55,920  
that were moving around me undulating

106  
00:04:00,890 --> 00:03:58,260  
and things and I really had no subject

107  
00:04:03,470 --> 00:04:00,900  
object distinction and I really had no

108  
00:04:04,970 --> 00:04:03,480  
sense of small self ego I had no sense

109  
00:04:07,369 --> 00:04:04,980  
of History because of that I had no

110  
00:04:08,750 --> 00:04:07,379  
sense of time so it was really profound

111  
00:04:10,490 --> 00:04:08,760  
at one point I actually felt this

112  
00:04:13,850 --> 00:04:10,500  
presence like an intelligence around me

113  
00:04:15,770 --> 00:04:13,860

that was somehow distinct from me almost

114

00:04:17,210 --> 00:04:15,780

surprised that I was there almost that

115

00:04:20,210 --> 00:04:17,220

kind of feeling

116

00:04:21,770 --> 00:04:20,220

and then I felt like this this geometric

117

00:04:24,409 --> 00:04:21,780

shape wrap around me almost like a

118

00:04:26,270 --> 00:04:24,419

blanket and come really close around me

119

00:04:27,890 --> 00:04:26,280

so it was a really profound experience

120

00:04:30,050 --> 00:04:27,900

really glad that I had the opportunity

121

00:04:32,450 --> 00:04:30,060

to do that and I hope that that becomes

122

00:04:34,070 --> 00:04:32,460

more normalized in our society as well

123

00:04:36,650 --> 00:04:34,080

but yeah it was absolutely a

124

00:04:39,050 --> 00:04:36,660

mind-blowing trip in more ways than one

125

00:04:41,390 --> 00:04:39,060

uh okay yeah your trip was a little bit

126

00:04:44,810 --> 00:04:41,400

more mind expanding than mine was

127

00:04:46,129 --> 00:04:44,820

perhaps uh I'll give you that I was in

128

00:04:49,610 --> 00:04:46,139

New York City though and had a wonderful

129

00:04:52,790 --> 00:04:49,620

time and one thing that I I love about

130

00:04:55,730 --> 00:04:52,800

New York and I know you've been uh

131

00:04:58,189 --> 00:04:55,740

is just the Cosmopolitan quality of the

132

00:05:00,409 --> 00:04:58,199

city and you know you're talking about

133

00:05:02,930 --> 00:05:00,419

altered sort of experiences of reality

134

00:05:05,090 --> 00:05:02,940

and for for someone like myself who's

135

00:05:08,510 --> 00:05:05,100

from the south and has grown up largely

136

00:05:11,689 --> 00:05:08,520

in more uh you know Suburban areas or or

137

00:05:13,070 --> 00:05:11,699

even some rural areas uh I would and I

138

00:05:14,990 --> 00:05:13,080

lived in the city a little bit as well

139

00:05:17,210 --> 00:05:15,000

but but being in a city of that size

140

00:05:19,790 --> 00:05:17,220

where you're you can walk a single block

141

00:05:22,969 --> 00:05:19,800

and you hear five different languages

142

00:05:25,550 --> 00:05:22,979

being spoken uh we had some amazing

143

00:05:28,370 --> 00:05:25,560

walks in Central Park just observing

144

00:05:30,909 --> 00:05:28,380

people from everywhere and honestly it

145

00:05:34,490 --> 00:05:30,919

was incredibly uh

146

00:05:37,610 --> 00:05:34,500

hopeful and encouraging and optimistic

147

00:05:39,409 --> 00:05:37,620

to see Humanity on full display doing

148

00:05:41,870 --> 00:05:39,419

what we do you know just kind of being

149

00:05:44,810 --> 00:05:41,880

together and and going about our lives

150

00:05:48,469 --> 00:05:44,820

and celebrating these individual moments

151

00:05:51,290 --> 00:05:48,479

and it made me uh you know reflect on

152

00:05:54,469 --> 00:05:51,300

just how much we how much promise we

153

00:05:56,390 --> 00:05:54,479

have as a species when we can look past

154

00:05:58,310 --> 00:05:56,400

some of the petty differences that tend

155

00:06:01,010 --> 00:05:58,320

to divide us and and it was a reminder

156

00:06:04,070 --> 00:06:01,020

too I think that when you're forced to

157

00:06:06,469 --> 00:06:04,080

live or you or you opt to live in an

158

00:06:09,110 --> 00:06:06,479

environment that is full of different

159

00:06:12,170 --> 00:06:09,120

people from different backgrounds and

160

00:06:13,969 --> 00:06:12,180

histories and cultural Frameworks and

161

00:06:16,610 --> 00:06:13,979

and you know views of the world when

162

00:06:18,830 --> 00:06:16,620

you're mingling with those kinds of uh

163

00:06:20,930 --> 00:06:18,840

you know experiences all the time it it

164

00:06:23,930 --> 00:06:20,940

changes you it changes the way that you

165

00:06:25,490 --> 00:06:23,940

look at at reality and that's um you

166

00:06:28,670 --> 00:06:25,500

know I think a big takeaway for things

167

00:06:31,610 --> 00:06:28,680

that we talk about on our show uh how

168

00:06:33,529 --> 00:06:31,620

reality is really impacted by the things

169

00:06:36,110 --> 00:06:33,539

which we sort of surround ourselves with

170

00:06:39,590 --> 00:06:36,120

and if we just give some of these other

171

00:06:42,830 --> 00:06:39,600

perspectives and opportunity we can be

172

00:06:45,409 --> 00:06:42,840

rewarded with a tremendous amount of

173

00:06:47,330 --> 00:06:45,419

world expansion uh and that's really

174

00:06:50,330 --> 00:06:47,340

satisfying

175

00:06:52,309 --> 00:06:50,340

absolutely and it's interesting how of

176

00:06:53,870 --> 00:06:52,319

course that adds to some of the division

177

00:06:55,430 --> 00:06:53,880

we have in our country because the more

178

00:06:57,469 --> 00:06:55,440

Cosmopolitan areas

179

00:06:59,689 --> 00:06:57,479

the area is usually on the coast when

180

00:07:01,730 --> 00:06:59,699

right it's not a coincidence right on

181

00:07:03,650 --> 00:07:01,740

the coastal regions you have more

182

00:07:05,990 --> 00:07:03,660

interaction with International cultures

183

00:07:08,150 --> 00:07:06,000

coming in and mixing and it tends to

184

00:07:10,189 --> 00:07:08,160

stir the pot and you end up with a

185

00:07:12,230 --> 00:07:10,199

different stew than you do in the

186

00:07:14,090 --> 00:07:12,240

central parts of the country and that

187

00:07:17,210 --> 00:07:14,100

leads to what we have now in terms of a

188

00:07:19,610 --> 00:07:17,220

lot of strife but yes I think that's an

189

00:07:21,230 --> 00:07:19,620

apt description or metaphor for what

190

00:07:23,629 --> 00:07:21,240

we're going to talk about today because

191

00:07:26,210 --> 00:07:23,639

we're talking about how new ideas blend

192

00:07:30,110 --> 00:07:26,220

into the culture and change it

193

00:07:31,210 --> 00:07:30,120

exactly a lot of good stuff to cover on

194

00:07:33,770 --> 00:07:31,220

this episode

195

00:07:35,930 --> 00:07:33,780

and before we get into some of these

196

00:07:40,010 --> 00:07:35,940

specific items I know folks are going to

197

00:07:42,290 --> 00:07:40,020

want to get your take on the NASA UAP

198

00:07:44,629 --> 00:07:42,300

panel and breathing that happened just a

199

00:07:46,550 --> 00:07:44,639

few days ago

200

00:07:50,150 --> 00:07:46,560

um my thoughts honestly I thought it was

201  
00:07:53,689 --> 00:07:50,160  
really great I was encouraged by the

202  
00:07:55,670 --> 00:07:53,699  
number of uh academics and and phds that

203  
00:07:58,790 --> 00:07:55,680  
were present and who were treating this

204  
00:08:00,950 --> 00:07:58,800  
pretty seriously that were uh expressed

205  
00:08:03,529 --> 00:08:00,960  
a desire at least you know verbally to

206  
00:08:05,749 --> 00:08:03,539  
you know reduce the stigma and encourage

207  
00:08:07,790 --> 00:08:05,759  
further study uh I thought that Sean

208  
00:08:10,309 --> 00:08:07,800  
Kirkpatrick's remarks were much better

209  
00:08:12,170 --> 00:08:10,319  
than the ones he provided at the at the

210  
00:08:13,850 --> 00:08:12,180  
earlier hearing

211  
00:08:15,830 --> 00:08:13,860  
um and you know his comment of course

212  
00:08:18,230 --> 00:08:15,840  
which has been making the rounds in

213  
00:08:21,409 --> 00:08:18,240

social media about the metallic spheres

214

00:08:23,930 --> 00:08:21,419

being seen throughout the world and uh

215

00:08:25,510 --> 00:08:23,940

and sometimes instances performing some

216

00:08:28,670 --> 00:08:25,520

pretty anomalous

217

00:08:30,469 --> 00:08:28,680

Maneuvers like that was a pretty big

218

00:08:32,389 --> 00:08:30,479

thing to say and I think like a lot of

219

00:08:33,949 --> 00:08:32,399

us when when things like that are said

220

00:08:35,810 --> 00:08:33,959

we get a little frustrated there's not

221

00:08:38,209 --> 00:08:35,820

like a tremendous degree of follow-up

222

00:08:41,570 --> 00:08:38,219

after that that okay wait you just said

223

00:08:43,310 --> 00:08:41,580

there are these flying metal spheres and

224

00:08:44,690 --> 00:08:43,320

that's not you know like wait you're

225

00:08:46,790 --> 00:08:44,700

you're telling me these are real are

226

00:08:48,170 --> 00:08:46,800

they balloons like it'd be interesting

227

00:08:50,269 --> 00:08:48,180

if somebody even asked that direct

228

00:08:52,070 --> 00:08:50,279

question you didn't really hear that uh

229

00:08:54,410 --> 00:08:52,080

ask but it seemed pretty clear at least

230

00:08:56,990 --> 00:08:54,420

to me from the context of his statements

231

00:08:59,449 --> 00:08:57,000

that they weren't balloons that they

232

00:09:02,389 --> 00:08:59,459

were't merely balloons

233

00:09:04,790 --> 00:09:02,399

um so anyway I I thought overall it was

234

00:09:08,570 --> 00:09:04,800

excellent It's a continued advancement

235

00:09:11,630 --> 00:09:08,580

of the of the topic in the mainstream uh

236

00:09:14,329 --> 00:09:11,640

making it more palatable to to discuss

237

00:09:17,810 --> 00:09:14,339

and and express a public interest in

238

00:09:19,310 --> 00:09:17,820

this area uh from an organization that

239

00:09:22,430 --> 00:09:19,320

and I think this was even mentioned in

240

00:09:25,070 --> 00:09:22,440

the opening remarks that has a very high

241

00:09:26,750 --> 00:09:25,080

uh popularity rating in not only the

242

00:09:29,570 --> 00:09:26,760

United States but but throughout the

243

00:09:32,389 --> 00:09:29,580

world NASA is very highly regarded so

244

00:09:34,370 --> 00:09:32,399

for an institution like this to come

245

00:09:37,370 --> 00:09:34,380

forward in a public way with such a show

246

00:09:40,009 --> 00:09:37,380

of force and interest uh to me if you're

247

00:09:42,110 --> 00:09:40,019

a UAP Enthusiast UFO Enthusiast like you

248

00:09:44,389 --> 00:09:42,120

have to be happy that this has happened

249

00:09:46,190 --> 00:09:44,399

and and it should make you hopeful for

250

00:09:48,710 --> 00:09:46,200

where we are going I know it's not as

251  
00:09:50,329 --> 00:09:48,720  
fast as some might like it to be but to

252  
00:09:52,430 --> 00:09:50,339  
be honest this is probably the speed

253  
00:09:54,290 --> 00:09:52,440  
which it needs to be

254  
00:09:58,550 --> 00:09:54,300  
but what were your thoughts about it did

255  
00:10:00,350 --> 00:09:58,560  
you just say go fast I oh no sorry

256  
00:10:03,590 --> 00:10:00,360  
um yeah before we went on the air we

257  
00:10:06,290 --> 00:10:03,600  
were talking about this right that um

258  
00:10:08,930 --> 00:10:06,300  
people easily lose a sense of context

259  
00:10:11,630 --> 00:10:08,940  
here because those of us fascinated by

260  
00:10:14,030 --> 00:10:11,640  
this topic obsessed by it you might say

261  
00:10:16,970 --> 00:10:14,040  
are so into the nuances so into the

262  
00:10:20,030 --> 00:10:16,980  
weeds with it on a daily basis that much

263  
00:10:21,949 --> 00:10:20,040

of this seems like Child's Play to US

264

00:10:23,690 --> 00:10:21,959

but when we really step back and think

265

00:10:26,870 --> 00:10:23,700

about where we are compared to where we

266

00:10:29,930 --> 00:10:26,880

were prior to 2017 it's a sea change

267

00:10:31,910 --> 00:10:29,940

there's no doubt about it I mean NASA is

268

00:10:34,970 --> 00:10:31,920

the organization you want looking into

269

00:10:37,430 --> 00:10:34,980

these things and those of us really

270

00:10:39,769 --> 00:10:37,440

familiar with the data are frustrated

271

00:10:41,949 --> 00:10:39,779

that seti was our best attempt at trying

272

00:10:44,329 --> 00:10:41,959

to ascertain the existence of

273

00:10:46,610 --> 00:10:44,339

extraterrestrial or extra dimensional or

274

00:10:49,310 --> 00:10:46,620

extra conventional life

275

00:10:51,110 --> 00:10:49,320

in the cosmos and so for them to say

276  
00:10:52,250 --> 00:10:51,120  
there's clearly enough data that we're

277  
00:10:53,569 --> 00:10:52,260  
going to take this serious so we're

278  
00:10:55,970 --> 00:10:53,579  
going to actually put together a task

279  
00:10:57,650 --> 00:10:55,980  
force within NASA and look into this

280  
00:11:00,050 --> 00:10:57,660  
data is already groundbreaking

281  
00:11:01,910 --> 00:11:00,060  
absolutely groundbreaking because if

282  
00:11:04,610 --> 00:11:01,920  
they were still under the Old Guard

283  
00:11:05,750 --> 00:11:04,620  
saying there's nothing here there's no

284  
00:11:07,610 --> 00:11:05,760  
there there then they wouldn't even

285  
00:11:09,710 --> 00:11:07,620  
bother to form it to begin with so

286  
00:11:12,110 --> 00:11:09,720  
that's the first thing to make note of

287  
00:11:14,509 --> 00:11:12,120  
is just how different things are

288  
00:11:17,210 --> 00:11:14,519

not only did we have the the UAP task

289

00:11:19,190 --> 00:11:17,220

force but now we have Arrow we have NASA

290

00:11:20,389 --> 00:11:19,200

doing their own task force we have the

291

00:11:22,610 --> 00:11:20,399

White House doing their own

292

00:11:23,930 --> 00:11:22,620

investigation not to mention what's

293

00:11:26,690 --> 00:11:23,940

going on internationally in other

294

00:11:27,829 --> 00:11:26,700

countries so this is a massive shift

295

00:11:29,750 --> 00:11:27,839

from the way things have been

296

00:11:30,829 --> 00:11:29,760

historically so we need to keep that in

297

00:11:33,410 --> 00:11:30,839

mind

298

00:11:36,170 --> 00:11:33,420

and yes this conference this briefing

299

00:11:38,750 --> 00:11:36,180

was not full of just scoff there was

300

00:11:40,250 --> 00:11:38,760

reference like you say to these orbs and

301  
00:11:41,329 --> 00:11:40,260  
a lot was said in a short period of time

302  
00:11:42,769 --> 00:11:41,339  
there when you think about the

303  
00:11:44,030 --> 00:11:42,779  
implications because he's saying

304  
00:11:46,490 --> 00:11:44,040  
basically

305  
00:11:47,930 --> 00:11:46,500  
not only do these orbs exist and they

306  
00:11:49,550 --> 00:11:47,940  
seem to be anomalous we're not sure how

307  
00:11:51,350 --> 00:11:49,560  
they're staying Aloft we don't see any

308  
00:11:53,090 --> 00:11:51,360  
signs of propulsion

309  
00:11:54,650 --> 00:11:53,100  
but if they're metal on top of that you

310  
00:11:57,470 --> 00:11:54,660  
know which they certainly seem to be by

311  
00:11:59,269 --> 00:11:57,480  
looking at it then you know that's some

312  
00:12:01,310 --> 00:11:59,279  
weight to that and doesn't just tend to

313  
00:12:02,690 --> 00:12:01,320

float and even if someone says well I

314

00:12:05,090 --> 00:12:02,700

don't buy the metal thing I think

315

00:12:07,069 --> 00:12:05,100

they're just balloons well then he says

316

00:12:08,870 --> 00:12:07,079

things like making interesting Maneuvers

317

00:12:11,090 --> 00:12:08,880

or something like that and of course

318

00:12:12,949 --> 00:12:11,100

balloons don't tend to make Maneuvers if

319

00:12:15,530 --> 00:12:12,959

they are blown in the wind there's a

320

00:12:18,290 --> 00:12:15,540

very you know predictable pattern that

321

00:12:19,850 --> 00:12:18,300

that takes that you can say that looks

322

00:12:22,850 --> 00:12:19,860

like wind patterns to me but clearly

323

00:12:25,250 --> 00:12:22,860

he's seen some kind of evidence of

324

00:12:26,750 --> 00:12:25,260

sharp Maneuvers that suggest some sort

325

00:12:28,370 --> 00:12:26,760

of intelligent control

326

00:12:30,650 --> 00:12:28,380

and he said this is all over the world

327

00:12:32,389 --> 00:12:30,660

so that's a lot really it's in like you

328

00:12:34,550 --> 00:12:32,399

say it's much more than was said in the

329

00:12:37,009 --> 00:12:34,560

the initial conference

330

00:12:38,449 --> 00:12:37,019

so I think we we should be encouraged I

331

00:12:40,370 --> 00:12:38,459

think that

332

00:12:42,290 --> 00:12:40,380

some people are put off by the fact that

333

00:12:44,750 --> 00:12:42,300

it's been declared that experience or

334

00:12:46,850 --> 00:12:44,760

testimony will not be part of the mix

335

00:12:49,009 --> 00:12:46,860

but of course we have to realize here

336

00:12:49,970 --> 00:12:49,019

we're talking about trying to persuade a

337

00:12:54,170 --> 00:12:49,980

very

338

00:12:56,030 --> 00:12:54,180

skeptical audience a scientific group of

339

00:12:58,129 --> 00:12:56,040

people who have assumed there's nothing

340

00:13:00,230 --> 00:12:58,139

here so if they're going to be persuaded

341

00:13:01,550 --> 00:13:00,240

it's not going to be by narratives no

342

00:13:03,110 --> 00:13:01,560

matter how much they are based in

343

00:13:05,150 --> 00:13:03,120

reality and they are based in reality

344

00:13:06,410 --> 00:13:05,160

but that alone will not convince these

345

00:13:08,269 --> 00:13:06,420

people

346

00:13:10,310 --> 00:13:08,279

it's going to be hard data it's going to

347

00:13:12,590 --> 00:13:10,320

be sensor system data corroborating

348

00:13:14,750 --> 00:13:12,600

witness accounts and things like that

349

00:13:16,430 --> 00:13:14,760

and we are at a point in history with

350

00:13:18,290 --> 00:13:16,440

our technological innovation where we

351  
00:13:20,569 --> 00:13:18,300  
really should be able to have multiple

352  
00:13:22,370 --> 00:13:20,579  
sensor systems often backing up this

353  
00:13:24,350 --> 00:13:22,380  
data and corroborating it

354  
00:13:27,050 --> 00:13:24,360  
so yeah I think we should absolutely be

355  
00:13:28,430 --> 00:13:27,060  
encouraged by this and I think also as

356  
00:13:31,129 --> 00:13:28,440  
you and I talked before we went on the

357  
00:13:33,710 --> 00:13:31,139  
air this is also part of the slow bleed

358  
00:13:37,190 --> 00:13:33,720  
the slower climatization that I think

359  
00:13:39,650 --> 00:13:37,200  
has been underway since 2017 that this

360  
00:13:41,090 --> 00:13:39,660  
is not just about them coming forward to

361  
00:13:43,190 --> 00:13:41,100  
the public and say hey for the first

362  
00:13:44,810 --> 00:13:43,200  
time we're taking this seriously

363  
00:13:47,030 --> 00:13:44,820

there's a bit of a

364

00:13:48,829 --> 00:13:47,040

play there because I think many of them

365

00:13:50,629 --> 00:13:48,839

do know there's something and there has

366

00:13:52,550 --> 00:13:50,639

been something for quite some time but

367

00:13:54,050 --> 00:13:52,560

by at least saying that acting like wow

368

00:13:55,129 --> 00:13:54,060

look at this there actually is some data

369

00:13:57,470 --> 00:13:55,139

we're going to look into this we're

370

00:13:59,329 --> 00:13:57,480

going to form some task forces what that

371

00:14:01,970 --> 00:13:59,339

does is it slowly implants in people's

372

00:14:04,370 --> 00:14:01,980

minds that there maybe is there there

373

00:14:06,410 --> 00:14:04,380

and that makes it a much easier

374

00:14:07,910 --> 00:14:06,420

transition towards actually confirming

375

00:14:10,430 --> 00:14:07,920

something later on so I think this is

376

00:14:12,050 --> 00:14:10,440

all part of a play that is going to take

377

00:14:13,910 --> 00:14:12,060

numerous steps

378

00:14:15,889 --> 00:14:13,920

yeah completely agree uh giving

379

00:14:18,889 --> 00:14:15,899

permission to take it seriously that's

380

00:14:22,190 --> 00:14:18,899

what this is really doing and the more

381

00:14:25,550 --> 00:14:22,200

academics that cross that line then the

382

00:14:27,410 --> 00:14:25,560

more will follow we will get better data

383

00:14:28,670 --> 00:14:27,420

better instrumentation and they talked a

384

00:14:31,129 --> 00:14:28,680

great deal about calibrating

385

00:14:33,350 --> 00:14:31,139

instrumentation all those things are

386

00:14:35,690 --> 00:14:33,360

things we should be celebrating as

387

00:14:38,629 --> 00:14:35,700

glacially slow as the as that process

388

00:14:41,210 --> 00:14:38,639

might be as you point out we really have

389

00:14:43,430 --> 00:14:41,220

to go that way we have to because the

390

00:14:45,470 --> 00:14:43,440

world we live in isn't going to take a

391

00:14:47,110 --> 00:14:45,480

witness testimony on face value they're

392

00:14:50,210 --> 00:14:47,120

gonna they're gonna require

393

00:14:52,009 --> 00:14:50,220

many different uh platforms and

394

00:14:54,410 --> 00:14:52,019

corroborating pieces of evidence to to

395

00:14:57,650 --> 00:14:54,420

really get there and and be confronted

396

00:14:59,150 --> 00:14:57,660

with the reality of this phenomena and I

397

00:15:00,889 --> 00:14:59,160

think that that is what is happening it

398

00:15:02,810 --> 00:15:00,899

is clear that that is happening it's

399

00:15:04,129 --> 00:15:02,820

just happening a little bit slowly one

400

00:15:06,530 --> 00:15:04,139

other thing I wanted to point out is

401  
00:15:07,790 --> 00:15:06,540  
that uh he mentioned that there had been

402  
00:15:10,610 --> 00:15:07,800  
a briefing with the five eyes

403  
00:15:12,949 --> 00:15:10,620  
organization uh you know the the the the

404  
00:15:14,509 --> 00:15:12,959  
five intelligence the five country is a

405  
00:15:16,389 --> 00:15:14,519  
part of that intelligence apparatus that

406  
00:15:19,310 --> 00:15:16,399  
we share intelligence with

407  
00:15:21,949 --> 00:15:19,320  
just another in my opinion another data

408  
00:15:24,949 --> 00:15:21,959  
point to show there is a there there

409  
00:15:27,590 --> 00:15:24,959  
you're not going to have a high level uh

410  
00:15:30,710 --> 00:15:27,600  
intelligence briefing with you're the

411  
00:15:34,250 --> 00:15:30,720  
four of your other closest allies on a

412  
00:15:36,889 --> 00:15:34,260  
subject that is entirely fantasy that is

413  
00:15:39,050 --> 00:15:36,899

uh you know some somebody's uh you know

414

00:15:40,910 --> 00:15:39,060

crazy concocted idea that they've you

415

00:15:43,370 --> 00:15:40,920

know Twisted some congressperson's arm

416

00:15:46,009 --> 00:15:43,380

into throwing some some time and energy

417

00:15:48,530 --> 00:15:46,019

and dollars toward this is a very

418

00:15:50,990 --> 00:15:48,540

serious thing and and yes there are

419

00:15:52,910 --> 00:15:51,000

actual drones there are uh you know

420

00:15:54,829 --> 00:15:52,920

drones that are in our skies from our

421

00:15:57,170 --> 00:15:54,839

adversaries drone technology is

422

00:15:59,210 --> 00:15:57,180

advancing and there probably are some

423

00:16:00,949 --> 00:15:59,220

novel technologies that that our

424

00:16:04,269 --> 00:16:00,959

adversaries possess and that we possess

425

00:16:06,949 --> 00:16:04,279

that are in our skies but all that said

426  
00:16:09,170 --> 00:16:06,959  
they there is something happening there

427  
00:16:11,389 --> 00:16:09,180  
is in fact they're there and I think

428  
00:16:15,710 --> 00:16:11,399  
that it's it's we're really past the

429  
00:16:17,810 --> 00:16:15,720  
point in my opinion where uh this sort

430  
00:16:19,670 --> 00:16:17,820  
of fantasy argument holds any water and

431  
00:16:22,670 --> 00:16:19,680  
and it starts to look more like a

432  
00:16:24,829 --> 00:16:22,680  
conspiracy than than actual reality and

433  
00:16:26,030 --> 00:16:24,839  
I think it's worth pointing that out

434  
00:16:27,769 --> 00:16:26,040  
um and then the last thing I want to say

435  
00:16:29,449 --> 00:16:27,779  
about the hearing is it was brought up

436  
00:16:32,930 --> 00:16:29,459  
and it's been discussed a good bit in

437  
00:16:35,030 --> 00:16:32,940  
social media was uh the

438  
00:16:37,670 --> 00:16:35,040

the mention about harassment so there

439

00:16:39,110 --> 00:16:37,680

was a a little bit of a talk about uh

440

00:16:41,810 --> 00:16:39,120

the folks on the panel who'd been

441

00:16:44,210 --> 00:16:41,820

subject to harassment from essentially

442

00:16:46,249 --> 00:16:44,220

the people in the UFO Community is what

443

00:16:47,870 --> 00:16:46,259

I could ascertain it was kind of

444

00:16:50,870 --> 00:16:47,880

difficult they were a little bit vague

445

00:16:53,689 --> 00:16:50,880

as to where it was coming from and what

446

00:16:55,670 --> 00:16:53,699

the nature of the harassment was uh but

447

00:16:58,189 --> 00:16:55,680

I think you and I are both want to be

448

00:17:01,670 --> 00:16:58,199

very clear that that that's not okay

449

00:17:04,490 --> 00:17:01,680

it's not acceptable uh to harass these

450

00:17:07,429 --> 00:17:04,500

officials and and try to you know shame

451  
00:17:08,929 --> 00:17:07,439  
them or strong-arm them into believing

452  
00:17:12,829 --> 00:17:08,939  
or looking at something that you think

453  
00:17:14,569 --> 00:17:12,839  
they need to see uh as uh as everyone's

454  
00:17:16,909 --> 00:17:14,579  
grandma always says you know you catch

455  
00:17:19,549 --> 00:17:16,919  
more flies with honey that than you do

456  
00:17:20,870 --> 00:17:19,559  
with anything else so that's the

457  
00:17:22,850 --> 00:17:20,880  
approach we should take here you know we

458  
00:17:25,069 --> 00:17:22,860  
shouldn't be belittling uh people that

459  
00:17:28,309 --> 00:17:25,079  
are that are sticking their professional

460  
00:17:30,409 --> 00:17:28,319  
necks out to try to find answers

461  
00:17:32,450 --> 00:17:30,419  
yeah and that goes for both sides right

462  
00:17:36,590 --> 00:17:32,460  
it's not just the people who believe

463  
00:17:39,049 --> 00:17:36,600

this and want to call the bluff of some

464

00:17:40,970 --> 00:17:39,059

of these experts and say come on do your

465

00:17:42,409 --> 00:17:40,980

job admit that it's real

466

00:17:43,850 --> 00:17:42,419

there's those people who need to settle

467

00:17:46,850 --> 00:17:43,860

down and let the people do the research

468

00:17:48,590 --> 00:17:46,860

they have to really go through the

469

00:17:50,150 --> 00:17:48,600

effort of determining that there is

470

00:17:51,770 --> 00:17:50,160

evidence and present that because that's

471

00:17:53,810 --> 00:17:51,780

what's going to persuade a skeptical

472

00:17:55,310 --> 00:17:53,820

public and a scientific Community not

473

00:17:57,409 --> 00:17:55,320

just because you say you think it's real

474

00:17:58,730 --> 00:17:57,419

and you've known all along those people

475

00:18:02,150 --> 00:17:58,740

need to settle down

476  
00:18:03,890 --> 00:18:02,160  
but so too do the Skeptics that say what

477  
00:18:06,169 --> 00:18:03,900  
are you doing even looking into this you

478  
00:18:08,029 --> 00:18:06,179  
know it's ridiculous this is an X-Files

479  
00:18:09,950 --> 00:18:08,039  
episode right in other words you get

480  
00:18:13,669 --> 00:18:09,960  
those kind of belligerent Skeptics on

481  
00:18:14,990 --> 00:18:13,679  
both sides so neither one is helpful

482  
00:18:16,669 --> 00:18:15,000  
um the other thing I would say too I

483  
00:18:18,350 --> 00:18:16,679  
think you made a good point and I want

484  
00:18:20,150 --> 00:18:18,360  
to draw an analogy here

485  
00:18:22,130 --> 00:18:20,160  
when you talk about the meeting with the

486  
00:18:23,150 --> 00:18:22,140  
five eyes and whatnot and I'm aware of

487  
00:18:25,730 --> 00:18:23,160  
different things that are happening

488  
00:18:27,409 --> 00:18:25,740

internationally in terms of preparation

489

00:18:29,510 --> 00:18:27,419

for something that's coming

490

00:18:31,850 --> 00:18:29,520

and I'll give you the analogy of when

491

00:18:34,730 --> 00:18:31,860

during the Cold War when we were worried

492

00:18:36,890 --> 00:18:34,740

about the Soviets launching an attack

493

00:18:39,470 --> 00:18:36,900

what would make us nervous is not

494

00:18:41,570 --> 00:18:39,480

suddenly that missiles are leading silos

495

00:18:43,730 --> 00:18:41,580

but actually that our satellites were

496

00:18:47,210 --> 00:18:43,740

picking up movement of

497

00:18:49,010 --> 00:18:47,220

you know tanks and Rocket carriers and

498

00:18:50,870 --> 00:18:49,020

things like that and troops moving right

499

00:18:54,409 --> 00:18:50,880

those kinds of things you see

500

00:18:55,490 --> 00:18:54,419

politicians going into directions where

501  
00:18:57,950 --> 00:18:55,500  
there's going to be like they're going

502  
00:19:00,710 --> 00:18:57,960  
into uh underground facilities those

503  
00:19:02,210 --> 00:19:00,720  
kinds of things hint at what's about to

504  
00:19:04,549 --> 00:19:02,220  
happen right that's what you would see

505  
00:19:07,070 --> 00:19:04,559  
just prior to a nuclear launch you would

506  
00:19:09,409 --> 00:19:07,080  
see all these signs building up towards

507  
00:19:11,390 --> 00:19:09,419  
this final thing but it's the signs that

508  
00:19:12,770 --> 00:19:11,400  
tell you what's coming and I would Point

509  
00:19:15,710 --> 00:19:12,780  
people to that when they think about

510  
00:19:17,750 --> 00:19:15,720  
this notion of disclosure coming in some

511  
00:19:20,169 --> 00:19:17,760  
significant way that what we're seeing

512  
00:19:23,529 --> 00:19:20,179  
here is that very thing we're seeing the

513  
00:19:25,850 --> 00:19:23,539

preemptive you know initial movement

514

00:19:28,310 --> 00:19:25,860

across International borders that's

515

00:19:29,690 --> 00:19:28,320

hinting at this preparation for

516

00:19:31,669 --> 00:19:29,700

something and that would not be

517

00:19:33,890 --> 00:19:31,679

happening if there was not a there there

518

00:19:35,990 --> 00:19:33,900

again like you say it's not just that

519

00:19:38,570 --> 00:19:36,000

the data is there but clearly there's a

520

00:19:41,210 --> 00:19:38,580

preparation for disclosing of that data

521

00:19:43,010 --> 00:19:41,220

in some way some shape or form otherwise

522

00:19:44,810 --> 00:19:43,020

these kinds of movements across

523

00:19:46,669 --> 00:19:44,820

international border there's different

524

00:19:48,529 --> 00:19:46,679

political factions aligning around

525

00:19:50,450 --> 00:19:48,539

briefing each other and whatnot would

526  
00:19:51,950 --> 00:19:50,460  
not be happening unless that was for a

527  
00:19:53,750 --> 00:19:51,960  
purpose

528  
00:19:56,990 --> 00:19:53,760  
that's an excellent point

529  
00:20:00,350 --> 00:19:57,000  
uh well very good I think um we're

530  
00:20:03,110 --> 00:20:00,360  
looking forward to more coming from that

531  
00:20:05,870 --> 00:20:03,120  
conversation uh from the panelists that

532  
00:20:08,510 --> 00:20:05,880  
participated uh now that we know who

533  
00:20:10,370 --> 00:20:08,520  
they are uh it's a lot to get excited

534  
00:20:13,010 --> 00:20:10,380  
about and to and to be looking forward

535  
00:20:15,049 --> 00:20:13,020  
to uh later this year and of course

536  
00:20:17,150 --> 00:20:15,059  
there is Kirkpatrick pointed out there

537  
00:20:19,549 --> 00:20:17,160  
is a uh an official you know report

538  
00:20:20,450 --> 00:20:19,559

coming from Arrow uh in just a few

539

00:20:22,430 --> 00:20:20,460

months

540

00:20:24,770 --> 00:20:22,440

um so that will be interesting uh to see

541

00:20:27,590 --> 00:20:24,780

as well as as we get more and more data

542

00:20:29,870 --> 00:20:27,600

about what they are up to

543

00:20:31,810 --> 00:20:29,880

um one of the big challenges with this

544

00:20:34,549 --> 00:20:31,820

topic is

545

00:20:38,990 --> 00:20:34,559

uh you know the way that it sort of

546

00:20:42,049 --> 00:20:39,000

confronts our Notions of of of what is

547

00:20:44,990 --> 00:20:42,059

real or what we might expect uh the UFO

548

00:20:46,610 --> 00:20:45,000

phenomena to represent uh and we've

549

00:20:49,010 --> 00:20:46,620

talked a good deal about some of this as

550

00:20:52,789 --> 00:20:49,020

well just the way that we are all in a

551  
00:20:55,909 --> 00:20:52,799  
way primed uh to have a certain

552  
00:20:58,430 --> 00:20:55,919  
narrative expectation about what the

553  
00:21:03,710 --> 00:20:58,440  
arrival of a non-human intelligent

554  
00:21:07,010 --> 00:21:03,720  
species may mean for our world uh we've

555  
00:21:10,070 --> 00:21:07,020  
all seen countless movies and TV shows

556  
00:21:11,930 --> 00:21:10,080  
that have gone through scenarios uh that

557  
00:21:13,970 --> 00:21:11,940  
we're all quite familiar with and I

558  
00:21:17,150 --> 00:21:13,980  
think maybe sometimes we forget the

559  
00:21:20,750 --> 00:21:17,160  
degree to which that content is at the

560  
00:21:23,390 --> 00:21:20,760  
Forefront of our mental image of what

561  
00:21:25,370 --> 00:21:23,400  
this may be and what of what an

562  
00:21:29,090 --> 00:21:25,380  
unfolding of a disclosure of this this

563  
00:21:31,610 --> 00:21:29,100

nature may look like and you and I have

564

00:21:33,649 --> 00:21:31,620

discussed a great length the this has

565

00:21:36,289 --> 00:21:33,659

that it's probably not going to be a lot

566

00:21:38,810 --> 00:21:36,299

like that at all and how we're going to

567

00:21:42,830 --> 00:21:38,820

have to Grapple with many different

568

00:21:45,289 --> 00:21:42,840

areas where our expectation does not

569

00:21:47,810 --> 00:21:45,299

conform to the reality of the situation

570

00:21:51,710 --> 00:21:47,820

and so we're going to walk through some

571

00:21:53,090 --> 00:21:51,720

of those scenarios on this episode uh

572

00:21:56,090 --> 00:21:53,100

and I don't know where you wanted to

573

00:21:57,590 --> 00:21:56,100

start with this one uh I'll let you kind

574

00:22:00,350 --> 00:21:57,600

of open the floor with what you think is

575

00:22:03,950 --> 00:22:00,360

maybe an initial area of conflict

576

00:22:08,029 --> 00:22:03,960

between our expectation and the reality

577

00:22:09,950 --> 00:22:08,039

that the phenomena may represent for us

578

00:22:12,230 --> 00:22:09,960

yeah when we were talking about this and

579

00:22:15,649 --> 00:22:12,240

following up on our previous episode

580

00:22:17,390 --> 00:22:15,659

where we talked about disclosure

581

00:22:20,630 --> 00:22:17,400

because there are so many implications

582

00:22:21,529 --> 00:22:20,640

ramifications consequences to this it

583

00:22:24,049 --> 00:22:21,539

really

584

00:22:26,510 --> 00:22:24,059

needed a deeper dive into some of the

585

00:22:28,370 --> 00:22:26,520

specifics of what this will look like as

586

00:22:30,409 --> 00:22:28,380

our civilization begins to metabolize

587

00:22:32,570 --> 00:22:30,419

this information

588

00:22:34,430 --> 00:22:32,580

as you hinted at there many of us

589

00:22:37,250 --> 00:22:34,440

intimately familiar with this topic have

590

00:22:39,169 --> 00:22:37,260

had to years to work through the nuances

591

00:22:41,630 --> 00:22:39,179

to actually experience some cognitive

592

00:22:44,330 --> 00:22:41,640

dissonance when we wanted to believe one

593

00:22:45,350 --> 00:22:44,340

thing until the data you know confronted

594

00:22:46,970 --> 00:22:45,360

us to the point where we said well

595

00:22:48,230 --> 00:22:46,980

actually it's something else or it's

596

00:22:50,570 --> 00:22:48,240

just too complex for me to even

597

00:22:55,490 --> 00:22:53,390

I know that a line that Jeff kreipel

598

00:22:58,370 --> 00:22:55,500

came up with that I love is refuse to

599

00:23:00,470 --> 00:22:58,380

land right refusal to land it's very

600

00:23:03,169 --> 00:23:00,480

tempting to want to land in all sorts of

601  
00:23:05,270 --> 00:23:03,179  
areas in this topic but because it's so

602  
00:23:07,130 --> 00:23:05,280  
eclipses our understanding not just of

603  
00:23:11,570 --> 00:23:07,140  
what these others may be but what

604  
00:23:14,870 --> 00:23:11,580  
reality is full stop I think we have to

605  
00:23:17,210 --> 00:23:14,880  
keep an open mind be willing to explore

606  
00:23:18,830 --> 00:23:17,220  
different Avenues but also recognize

607  
00:23:21,049 --> 00:23:18,840  
there's a lot we don't know and there's

608  
00:23:23,570 --> 00:23:21,059  
a lot we don't know that we don't know

609  
00:23:25,250 --> 00:23:23,580  
so these are things to keep in mind the

610  
00:23:27,350 --> 00:23:25,260  
challenge is in the general public

611  
00:23:29,090 --> 00:23:27,360  
people don't tend to think that way they

612  
00:23:31,250 --> 00:23:29,100  
tend to immediately go with a gut

613  
00:23:33,770 --> 00:23:31,260

instinct reaction I believe that's true

614

00:23:35,750 --> 00:23:33,780

I think that's fake news right this is

615

00:23:37,970 --> 00:23:35,760

what happens in our culture right now

616

00:23:39,710 --> 00:23:37,980

so you take again the consideration that

617

00:23:41,029 --> 00:23:39,720

we've had years to metabolize this

618

00:23:42,590 --> 00:23:41,039

information and work through some of the

619

00:23:43,789 --> 00:23:42,600

nuance and I think many of us even when

620

00:23:45,710 --> 00:23:43,799

you think back over the last few years

621

00:23:48,169 --> 00:23:45,720

you almost see this

622

00:23:50,529 --> 00:23:48,179

Evolution on UFO Twitter from

623

00:23:52,909 --> 00:23:50,539

extraterrestrial to interdimensional to

624

00:23:55,549 --> 00:23:52,919

ultra-terrestrial right so you actually

625

00:23:58,010 --> 00:23:55,559

see this kind of evolution as people

626  
00:23:59,330 --> 00:23:58,020  
grapple with the data and say well it's

627  
00:24:01,490 --> 00:23:59,340  
kind of like that but then there's this

628  
00:24:03,350 --> 00:24:01,500  
data that says somehow this is part of

629  
00:24:05,210 --> 00:24:03,360  
the picture too and then you bring in

630  
00:24:06,529 --> 00:24:05,220  
PSI phenomena stuff a near-death

631  
00:24:09,289 --> 00:24:06,539  
experience and Out of Body Experience

632  
00:24:11,630 --> 00:24:09,299  
and how that's related how psychedelic

633  
00:24:13,370 --> 00:24:11,640  
experiences sometimes put you in the

634  
00:24:14,930 --> 00:24:13,380  
presence of beings that seem a lot like

635  
00:24:16,549 --> 00:24:14,940  
the beings that supposedly are doing

636  
00:24:19,730 --> 00:24:16,559  
abductions what does that say about

637  
00:24:22,490 --> 00:24:19,740  
reality so many intriguing questions

638  
00:24:25,070 --> 00:24:22,500

and you think about that complexity you

639

00:24:28,310 --> 00:24:25,080

think about even how abductee you slash

640

00:24:30,350 --> 00:24:28,320

contact e slash experiencers often also

641

00:24:32,390 --> 00:24:30,360

have memory of previous lifetimes

642

00:24:34,310 --> 00:24:32,400

sometimes even memories of having

643

00:24:37,549 --> 00:24:34,320

different forms sometimes people even

644

00:24:39,350 --> 00:24:37,559

believing that they were a gray alien in

645

00:24:41,630 --> 00:24:39,360

another lifetime or that they even now

646

00:24:43,310 --> 00:24:41,640

have kind of a dual identity Susie

647

00:24:45,950 --> 00:24:43,320

Hansen wrote this book called dual Soul

648

00:24:47,690 --> 00:24:45,960

identity which is all about that so

649

00:24:49,490 --> 00:24:47,700

these are Notions that the general

650

00:24:50,930 --> 00:24:49,500

public is not prepared for they're

651  
00:24:52,669 --> 00:24:50,940  
thinking it's either going to be Star

652  
00:24:54,710 --> 00:24:52,679  
Trek or Independence Day right those are

653  
00:24:57,770 --> 00:24:54,720  
the kind of the templates we have and

654  
00:24:59,630 --> 00:24:57,780  
whenever you see Alien movies in the

655  
00:25:01,430 --> 00:24:59,640  
mainstream they tend to be quick

656  
00:25:03,890 --> 00:25:01,440  
confirmation but one of our assumptions

657  
00:25:06,350 --> 00:25:03,900  
and then the action plays out the movie

658  
00:25:08,270 --> 00:25:06,360  
is not two hours of mind-blowing what

659  
00:25:11,090 --> 00:25:08,280  
does this mean and what is reality and

660  
00:25:13,370 --> 00:25:11,100  
who am I who are we but this is actually

661  
00:25:14,930 --> 00:25:13,380  
what's entailed in this so yeah we

662  
00:25:16,490 --> 00:25:14,940  
wanted to spend some time going into

663  
00:25:18,230 --> 00:25:16,500

each of these some of the different

664

00:25:21,770 --> 00:25:18,240

implications of this and the different

665

00:25:23,870 --> 00:25:21,780

areas that inevitably get raised in the

666

00:25:26,870 --> 00:25:23,880

midst of grappling with this and when

667

00:25:29,090 --> 00:25:26,880

you think about just how mind stretching

668

00:25:30,769 --> 00:25:29,100

this is and civilization challenging

669

00:25:34,130 --> 00:25:30,779

this is in terms of our reality

670

00:25:36,350 --> 00:25:34,140

construct ultimately you can see why

671

00:25:38,149 --> 00:25:36,360

again not to excuse the secret keeping

672

00:25:40,310 --> 00:25:38,159

up till now but you definitely recognize

673

00:25:42,710 --> 00:25:40,320

if nothing else that it's a complicated

674

00:25:44,470 --> 00:25:42,720

matter and that considerations around

675

00:25:47,870 --> 00:25:44,480

how to release this without

676  
00:25:50,450 --> 00:25:47,880  
destabilizing the construct because we

677  
00:25:52,190 --> 00:25:50,460  
have economies that run on fear and

678  
00:25:53,450 --> 00:25:52,200  
greed and so if you suddenly inject a

679  
00:25:56,149 --> 00:25:53,460  
lot of fear

680  
00:25:58,730 --> 00:25:56,159  
into the system and the system is not

681  
00:26:00,289 --> 00:25:58,740  
built with withhold and sustain that

682  
00:26:02,810 --> 00:26:00,299  
kind of

683  
00:26:05,390 --> 00:26:02,820  
Terror that could exist across the

684  
00:26:07,669 --> 00:26:05,400  
culture then you really do give some

685  
00:26:09,890 --> 00:26:07,679  
great thought to how do we do this in a

686  
00:26:12,230 --> 00:26:09,900  
way that moves us forward but doesn't

687  
00:26:13,610 --> 00:26:12,240  
completely Panic people but again I just

688  
00:26:15,590 --> 00:26:13,620

want to quickly add here that I think

689

00:26:18,110 --> 00:26:15,600

those of us who are familiar with this

690

00:26:19,490 --> 00:26:18,120

topic also have this sense that and this

691

00:26:21,769 --> 00:26:19,500

is true for many experiences it's

692

00:26:24,350 --> 00:26:21,779

certainly true for me that the status

693

00:26:26,029 --> 00:26:24,360

quo is not sustainable anyway so even if

694

00:26:28,430 --> 00:26:26,039

it means there's some

695

00:26:30,769 --> 00:26:28,440

serious destabilization in the long run

696

00:26:32,750 --> 00:26:30,779

to me that still seems like the lesser

697

00:26:34,430 --> 00:26:32,760

of two evils

698

00:26:36,590 --> 00:26:34,440

yeah it uh

699

00:26:38,810 --> 00:26:36,600

I love the the term

700

00:26:40,730 --> 00:26:38,820

that you use metabolizing the

701  
00:26:42,649 --> 00:26:40,740  
information I think that's a good

702  
00:26:44,210 --> 00:26:42,659  
way to think about this that it takes

703  
00:26:46,190 --> 00:26:44,220  
time to

704  
00:26:49,669 --> 00:26:46,200  
work through

705  
00:26:51,310 --> 00:26:49,679  
the various implications of of this

706  
00:26:54,049 --> 00:26:51,320  
phenomenal experience

707  
00:26:55,909 --> 00:26:54,059  
in order to find some footing right

708  
00:26:57,529 --> 00:26:55,919  
because really we need a frame of

709  
00:27:01,549 --> 00:26:57,539  
reference we need something that we can

710  
00:27:04,490 --> 00:27:01,559  
stand on to then build off of right so

711  
00:27:06,350 --> 00:27:04,500  
at least we have uh you know to some

712  
00:27:09,769 --> 00:27:06,360  
degree we have these existing narratives

713  
00:27:11,750 --> 00:27:09,779

like you said Independence Day uh or uh

714

00:27:13,730 --> 00:27:11,760

was that the one that used uh Star Trek

715

00:27:15,350 --> 00:27:13,740

yeah Star Trek those are great uh

716

00:27:16,789 --> 00:27:15,360

comparisons

717

00:27:18,769 --> 00:27:16,799

um you know at least we have those

718

00:27:20,570 --> 00:27:18,779

because I think they aren't terrible

719

00:27:23,210 --> 00:27:20,580

jumping off points I mean they and they

720

00:27:26,630 --> 00:27:23,220

in a way kind of epitomize the the sort

721

00:27:28,250 --> 00:27:26,640

of Base human fight or flight instincts

722

00:27:30,350 --> 00:27:28,260

right

723

00:27:31,730 --> 00:27:30,360

um you know off which we have to make

724

00:27:33,529 --> 00:27:31,740

decisions and we're going to have to

725

00:27:36,710 --> 00:27:33,539

make decisions in the face of some of

726  
00:27:39,409 --> 00:27:36,720  
these uh revelatory uh announcements

727  
00:27:40,789 --> 00:27:39,419  
that may be coming uh in terms of what

728  
00:27:43,430 --> 00:27:40,799  
they mean for us personally and

729  
00:27:44,750 --> 00:27:43,440  
communally Etc and and some of those

730  
00:27:46,070 --> 00:27:44,760  
decisions are going to be wrong let's

731  
00:27:47,690 --> 00:27:46,080  
let's be clear about that right some of

732  
00:27:50,810 --> 00:27:47,700  
the initial decisions that we're going

733  
00:27:54,049 --> 00:27:50,820  
to make in reaction to this reality are

734  
00:27:56,350 --> 00:27:54,059  
going to be wrong and they're going to

735  
00:27:59,450 --> 00:27:56,360  
you know sort of Spawn

736  
00:28:02,269 --> 00:27:59,460  
conclusions or or lines of inquiry that

737  
00:28:04,370 --> 00:28:02,279  
will be dead ends that and in many ways

738  
00:28:07,789 --> 00:28:04,380

the community of interest can maybe help

739

00:28:09,470 --> 00:28:07,799

with some of that navigation right it

740

00:28:12,230 --> 00:28:09,480

can we can say you know yeah we've

741

00:28:14,690 --> 00:28:12,240

explored that idea this is what you know

742

00:28:16,370 --> 00:28:14,700

it tends to uh you know lead lead toward

743

00:28:18,350 --> 00:28:16,380

or are this the evidence that kind of

744

00:28:21,830 --> 00:28:18,360

supports that way of thinking but also

745

00:28:24,830 --> 00:28:21,840

consider this alternative as well so

746

00:28:27,850 --> 00:28:24,840

helping in a way kind of being digestive

747

00:28:30,769 --> 00:28:27,860

AIDS right for the larger

748

00:28:33,110 --> 00:28:30,779

community of of interests that are the

749

00:28:35,570 --> 00:28:33,120

global Community as they as they get you

750

00:28:37,789 --> 00:28:35,580

know acclimated to this reality I think

751

00:28:40,130 --> 00:28:37,799

is a is a really important uh you know

752

00:28:43,850 --> 00:28:40,140

task that is before us

753

00:28:45,110 --> 00:28:43,860

um but but it is so abstract right you

754

00:28:47,390 --> 00:28:45,120

know I think you're talking about

755

00:28:50,029 --> 00:28:47,400

psychedelics at the at the onset of the

756

00:28:52,610 --> 00:28:50,039

show is a good uh you know sort of

757

00:28:54,110 --> 00:28:52,620

comparison point there because when

758

00:28:57,470 --> 00:28:54,120

you're when you're in that kind of state

759

00:28:59,570 --> 00:28:57,480

of mind it it's so abstract and

760

00:29:02,870 --> 00:28:59,580

disassociative from your normal waking

761

00:29:06,649 --> 00:29:02,880

state that you you go through a process

762

00:29:09,110 --> 00:29:06,659

of uh of acclimate acclimatization and

763

00:29:11,690 --> 00:29:09,120

meaning making that you that you

764

00:29:13,669 --> 00:29:11,700

generate as the experience progresses

765

00:29:15,649 --> 00:29:13,679

you don't you don't enter into that

766

00:29:17,450 --> 00:29:15,659

experience and go oh I mean I this all

767

00:29:19,430 --> 00:29:17,460

makes sense to me like you know I've got

768

00:29:21,889 --> 00:29:19,440

these swirling things happening and you

769

00:29:24,950 --> 00:29:21,899

know that's not how it works you really

770

00:29:27,529 --> 00:29:24,960

have to sit with the experience and then

771

00:29:30,350 --> 00:29:27,539

it begins to sort of take a kind of form

772

00:29:32,450 --> 00:29:30,360

uh and a meaning that that you know that

773

00:29:33,769 --> 00:29:32,460

is really quite personal to you and I

774

00:29:37,010 --> 00:29:33,779

think that that is something that we

775

00:29:38,870 --> 00:29:37,020

will see occur uh and and that that said

776

00:29:40,490 --> 00:29:38,880

we're still going to have areas that

777

00:29:42,590 --> 00:29:40,500

that we're going to be completely

778

00:29:45,529 --> 00:29:42,600

ignorant toward because as we've talked

779

00:29:49,190 --> 00:29:45,539

about many times uh we don't have an

780

00:29:51,350 --> 00:29:49,200

experience of reality that is close to

781

00:29:54,130 --> 00:29:51,360

to the actual truth of reality we have

782

00:29:57,590 --> 00:29:54,140

an interface we have an approximation

783

00:29:59,630 --> 00:29:57,600

and so when reality is uh is so

784

00:30:02,269 --> 00:29:59,640

incredibly strange Beyond even our

785

00:30:03,950 --> 00:30:02,279

ability to comprehend it we're naturally

786

00:30:06,649 --> 00:30:03,960

going to get a lot of things wrong

787

00:30:08,750 --> 00:30:06,659

there'll be some translation error uh in

788

00:30:11,690 --> 00:30:08,760

trying to understand what that means

789

00:30:13,970 --> 00:30:11,700

um you know so so what uh with all that

790

00:30:16,850 --> 00:30:13,980

said you know what do you think some of

791

00:30:19,130 --> 00:30:16,860

the big challenges are here for you know

792

00:30:21,289 --> 00:30:19,140

human beings as as this kind of becomes

793

00:30:23,510 --> 00:30:21,299

more and more widely accepted what's

794

00:30:26,330 --> 00:30:23,520

what's one of the biggest hurdles to

795

00:30:28,669 --> 00:30:26,340

overcome do you think here like just the

796

00:30:32,149 --> 00:30:28,679

the Extraterrestrial notion that it may

797

00:30:34,370 --> 00:30:32,159

not be that or uh that physical reality

798

00:30:36,710 --> 00:30:34,380

isn't exactly what we thought it was you

799

00:30:39,710 --> 00:30:36,720

know what's the biggest sort of tectonic

800

00:30:41,570 --> 00:30:39,720

shock here that you think is happening

801  
00:30:43,130 --> 00:30:41,580  
I think there's one thing that stands

802  
00:30:45,769 --> 00:30:43,140  
out to me it's that this will

803  
00:30:48,769 --> 00:30:45,779  
demonstrate to us how little we know

804  
00:30:51,590 --> 00:30:48,779  
because up until now we're the lone wolf

805  
00:30:52,730 --> 00:30:51,600  
on the scene with the Apex intelligence

806  
00:30:54,049 --> 00:30:52,740  
at least that's how we've looked at

807  
00:30:57,230 --> 00:30:54,059  
ourselves right

808  
00:30:59,570 --> 00:30:57,240  
so suddenly when we're presented with

809  
00:31:02,570 --> 00:30:59,580  
this knowledge that not only are there

810  
00:31:03,470 --> 00:31:02,580  
other sophisticated intelligences on the

811  
00:31:06,950 --> 00:31:03,480  
scene

812  
00:31:09,470 --> 00:31:06,960  
but they Eclipse us many times over to

813  
00:31:11,330 --> 00:31:09,480

the point where they fairly effortlessly

814

00:31:13,070 --> 00:31:11,340

have been able to conduct their Affairs

815

00:31:15,350 --> 00:31:13,080

including interacting with human beings

816

00:31:18,169 --> 00:31:15,360

and running hybridization programs

817

00:31:19,490 --> 00:31:18,179

whatnot with us being largely unaware of

818

00:31:21,409 --> 00:31:19,500

the entire thing

819

00:31:23,810 --> 00:31:21,419

which we think about

820

00:31:25,730 --> 00:31:23,820

you know as parents you can fool your

821

00:31:27,710 --> 00:31:25,740

your five-year-old right it's harder

822

00:31:29,269 --> 00:31:27,720

when they're 10 or 15 but when they're

823

00:31:31,130 --> 00:31:29,279

five years old you you can really fool

824

00:31:32,510 --> 00:31:31,140

them and they are convinced of these

825

00:31:35,149 --> 00:31:32,520

miraculous things that you're able to do

826

00:31:36,049 --> 00:31:35,159

as adults that's kind of how I think a

827

00:31:38,570 --> 00:31:36,059

lot of people are going to feel they're

828

00:31:41,029 --> 00:31:38,580

going to feel like five-year-olds who

829

00:31:43,430 --> 00:31:41,039

are being schooled by these much more

830

00:31:46,570 --> 00:31:43,440

sophisticated intelligences so that's

831

00:31:50,029 --> 00:31:46,580

the first I think real

832

00:31:52,190 --> 00:31:50,039

Monumental fact to metabolize and I

833

00:31:53,750 --> 00:31:52,200

think a lot of people even now and this

834

00:31:55,430 --> 00:31:53,760

surprises me because this is not the way

835

00:31:57,289 --> 00:31:55,440

that I'm built at all

836

00:31:58,909 --> 00:31:57,299

I like mystery

837

00:32:00,470 --> 00:31:58,919

but a lot of people just don't even want

838

00:32:02,330 --> 00:32:00,480

to talk about this not so much because

839

00:32:04,370 --> 00:32:02,340  
they're not interested but to my

840

00:32:06,529 --> 00:32:04,380  
surprise is because

841

00:32:08,750 --> 00:32:06,539  
it just kind of scares them they don't

842

00:32:10,370 --> 00:32:08,760  
feel good about the notion that there

843

00:32:11,930 --> 00:32:10,380  
are other beings so much more

844

00:32:14,330 --> 00:32:11,940  
sophisticated than us that they can do

845

00:32:16,789 --> 00:32:14,340  
things and we have no control over it

846

00:32:18,710 --> 00:32:16,799  
when they hear about hints that they can

847

00:32:21,590 --> 00:32:18,720  
control our Behavior patterns and I've

848

00:32:23,930 --> 00:32:21,600  
had that experience right then

849

00:32:25,070 --> 00:32:23,940  
and even control our perception many

850

00:32:26,090 --> 00:32:25,080  
people will say well what are we left

851  
00:32:27,889 --> 00:32:26,100  
with

852  
00:32:29,930 --> 00:32:27,899  
right there's no there's no not going to

853  
00:32:32,210 --> 00:32:29,940  
be a war here between the aliens and us

854  
00:32:34,549 --> 00:32:32,220  
they can control our behavior and our

855  
00:32:36,230 --> 00:32:34,559  
perceptual States then it's game over

856  
00:32:37,909 --> 00:32:36,240  
before we begin especially if they like

857  
00:32:40,490 --> 00:32:37,919  
you say have a fight or flight response

858  
00:32:42,889 --> 00:32:40,500  
and this immediately triggers Their Fear

859  
00:32:45,289 --> 00:32:42,899  
of the other the unknown right this is

860  
00:32:47,630 --> 00:32:45,299  
the unknown to the nth degree and it's a

861  
00:32:50,269 --> 00:32:47,640  
highly sophisticated unknown on top of

862  
00:32:53,210 --> 00:32:50,279  
that so A lot of people are just going

863  
00:32:55,430 --> 00:32:53,220

to have fear as a response because it

864

00:32:58,490 --> 00:32:55,440

doesn't fit into the

865

00:33:00,769 --> 00:32:58,500

Independence Day or Star Trek Variety in

866

00:33:01,970 --> 00:33:00,779

fact it shows us how silly those Notions

867

00:33:03,710 --> 00:33:01,980

are

868

00:33:05,630 --> 00:33:03,720

when confronted with the reality that's

869

00:33:07,130 --> 00:33:05,640

much much more complex so I want to get

870

00:33:09,110 --> 00:33:07,140

your take on that too but that's one

871

00:33:11,210 --> 00:33:09,120

thing that strikes me right away is that

872

00:33:13,190 --> 00:33:11,220

I'm wired in such a way that

873

00:33:15,110 --> 00:33:13,200

as you can probably tell by the things I

874

00:33:17,149 --> 00:33:15,120

do and the way I conduct my Affairs I

875

00:33:19,789 --> 00:33:17,159

pursue mystery it's what makes me feel

876

00:33:22,370 --> 00:33:19,799

alive but for many people anything that

877

00:33:25,430 --> 00:33:22,380

is unfamiliar is

878

00:33:27,350 --> 00:33:25,440

almost immediately scary and

879

00:33:29,210 --> 00:33:27,360

intimidating and something they want to

880

00:33:30,950 --> 00:33:29,220

deny so that's also something we're

881

00:33:33,169 --> 00:33:30,960

going to have to wrestle with as we

882

00:33:34,909 --> 00:33:33,179

metabolize is there'll be large segments

883

00:33:37,009 --> 00:33:34,919

of the culture even when presented with

884

00:33:38,870 --> 00:33:37,019

evidence will choose to deny it because

885

00:33:41,509 --> 00:33:38,880

we already see that happening in our

886

00:33:47,029 --> 00:33:43,730

yeah I don't know

887

00:33:52,909 --> 00:33:49,669

that we have a framework to to even

888

00:33:55,250 --> 00:33:52,919

operate within to begin making sense of

889

00:33:57,649 --> 00:33:55,260

it right we

890

00:34:00,529 --> 00:33:57,659

we live in a time where our meeting

891

00:34:03,409 --> 00:34:00,539

making models are kind of busted uh that

892

00:34:05,029 --> 00:34:03,419

there are most folks don't have one

893

00:34:07,610 --> 00:34:05,039

really to begin with or what they

894

00:34:11,409 --> 00:34:07,620

operate under is some sort of kind of uh

895

00:34:15,109 --> 00:34:11,419

like consumerist capitalist

896

00:34:19,730 --> 00:34:15,119

entertainment you know rat race or

897

00:34:21,950 --> 00:34:19,740

hamster Wheeling of life and you know if

898

00:34:24,349 --> 00:34:21,960

they're not uh entertained on a regular

899

00:34:26,990 --> 00:34:24,359

basis uh or if they don't have something

900

00:34:30,050 --> 00:34:27,000

to be outraged by uh

901  
00:34:32,089 --> 00:34:30,060  
if you dig underneath that layer of

902  
00:34:33,889 --> 00:34:32,099  
reaction I guess that's that surface

903  
00:34:35,629 --> 00:34:33,899  
layer of reaction that everyone kind of

904  
00:34:37,550 --> 00:34:35,639  
operates under if you get below that

905  
00:34:39,109 --> 00:34:37,560  
there's not a lot of substance there

906  
00:34:40,490 --> 00:34:39,119  
there's not there's not it's not like

907  
00:34:43,190 --> 00:34:40,500  
there's a lot of people in other words

908  
00:34:46,190 --> 00:34:43,200  
who have done the real meaningful

909  
00:34:49,970 --> 00:34:46,200  
difficult work on understanding who they

910  
00:34:53,329 --> 00:34:49,980  
truly are who we are as individuals who

911  
00:34:56,450 --> 00:34:53,339  
we are as the self uh that that inner

912  
00:34:58,010 --> 00:34:56,460  
work you know we're really good at uh at

913  
00:35:00,770 --> 00:34:58,020

everything that that is on the surface

914

00:35:03,349 --> 00:35:00,780

we're really good at evaluating the

915

00:35:07,010 --> 00:35:03,359

externalities of our world we're

916

00:35:08,990 --> 00:35:07,020

horrible at the inner exploration and

917

00:35:11,390 --> 00:35:09,000

the the truth of the matter is is that

918

00:35:14,030 --> 00:35:11,400

it's the inner exploration that is the

919

00:35:16,670 --> 00:35:14,040

most important factor and I think is

920

00:35:19,430 --> 00:35:16,680

Central to what the phenomena represents

921

00:35:22,910 --> 00:35:19,440

in its totality and this is something

922

00:35:25,550 --> 00:35:22,920

that our our greatest Traditions are the

923

00:35:28,810 --> 00:35:25,560

the the Pinnacles of human of of thought

924

00:35:31,550 --> 00:35:28,820

philosophy civilization the these are

925

00:35:34,370 --> 00:35:31,560

conclusions that have all been you know

926

00:35:36,349 --> 00:35:34,380

sort of arrived at independently uh in

927

00:35:38,089 --> 00:35:36,359

different civilizations throughout the

928

00:35:41,089 --> 00:35:38,099

world and throughout our human history

929

00:35:43,730 --> 00:35:41,099

so I think we need to look there and and

930

00:35:46,190 --> 00:35:43,740

kind of redeem some of the the the the

931

00:35:49,609 --> 00:35:46,200

the the understandings and the wisdom

932

00:35:53,089 --> 00:35:49,619

that we worked really hard honestly to

933

00:35:55,730 --> 00:35:53,099

get to uh we need to revisit that and

934

00:35:58,510 --> 00:35:55,740

and and digest that in order to really

935

00:36:03,230 --> 00:35:58,520

be in a place where we can appropriately

936

00:36:06,890 --> 00:36:03,240

grapple with the the weird wild vastness

937

00:36:09,890 --> 00:36:06,900

that the phenomena represents

938

00:36:12,349 --> 00:36:09,900

um and and you know I'm struck by where

939

00:36:14,089 --> 00:36:12,359

do you begin with that you know it's not

940

00:36:18,230 --> 00:36:14,099

like we have

941

00:36:21,470 --> 00:36:18,240

a world that uh is sort of eagerly

942

00:36:24,230 --> 00:36:21,480

hanging on the words of a wise teacher

943

00:36:25,730 --> 00:36:24,240

and and when they can answer in an issue

944

00:36:28,250 --> 00:36:25,740

a pronouncement of some kind we're going

945

00:36:29,630 --> 00:36:28,260

to go oh yeah that's really like that's

946

00:36:31,130 --> 00:36:29,640

meaningful insightful and I'm going to

947

00:36:32,870 --> 00:36:31,140

sit with that and make you know and

948

00:36:34,370 --> 00:36:32,880

really help that you know I'm going to

949

00:36:36,890 --> 00:36:34,380

use that to guide my decisions and

950

00:36:38,870 --> 00:36:36,900

thinking no we're going to look to uh

951  
00:36:40,910 --> 00:36:38,880  
you know who are the Talking Heads who

952  
00:36:42,710 --> 00:36:40,920  
are the uh the folks on reality

953  
00:36:45,589 --> 00:36:42,720  
television and what they're going to do

954  
00:36:47,170 --> 00:36:45,599  
when they react to oh my gosh you know

955  
00:36:49,310 --> 00:36:47,180  
we're not alone we're not the Apex

956  
00:36:50,810 --> 00:36:49,320  
species there's you know vast

957  
00:36:52,790 --> 00:36:50,820  
intelligences they've been here all

958  
00:36:55,190 --> 00:36:52,800  
along I mean you can only imagine the

959  
00:36:58,130 --> 00:36:55,200  
reactions that some of these uh you know

960  
00:37:00,829 --> 00:36:58,140  
sort of pundits uh will have and how

961  
00:37:04,550 --> 00:37:00,839  
that will in a way kind of spin out of

962  
00:37:06,470 --> 00:37:04,560  
control uh in our world because we we

963  
00:37:08,990 --> 00:37:06,480

just haven't done the work you know

964

00:37:11,750 --> 00:37:09,000

we're really kind of shallow people

965

00:37:13,849 --> 00:37:11,760

unfortunately uh and it's time for some

966

00:37:15,890 --> 00:37:13,859

depth

967

00:37:17,750 --> 00:37:15,900

absolutely and I think

968

00:37:20,030 --> 00:37:17,760

I wholeheartedly agree with that and

969

00:37:22,069 --> 00:37:20,040

while we can rightly blame some of that

970

00:37:24,710 --> 00:37:22,079

on the nature of our society

971

00:37:26,030 --> 00:37:24,720

we have a nine to five five day week

972

00:37:28,130 --> 00:37:26,040

work culture

973

00:37:30,170 --> 00:37:28,140

many people just struggling to pay the

974

00:37:32,930 --> 00:37:30,180

bills and stay above water

975

00:37:34,849 --> 00:37:32,940

so much of that is true there's systemic

976

00:37:37,490 --> 00:37:34,859

issues that we need to address again

977

00:37:39,410 --> 00:37:37,500

I've talked about some of those before

978

00:37:41,270 --> 00:37:39,420

but nevertheless we also have to have

979

00:37:44,030 --> 00:37:41,280

this individual Reckoning I think where

980

00:37:47,089 --> 00:37:44,040

we recognize that if you had the time

981

00:37:50,690 --> 00:37:47,099

and the energy would you use that to

982

00:37:53,030 --> 00:37:50,700

grow your interiority would you really

983

00:37:55,730 --> 00:37:53,040

pursue the depths of who you are would

984

00:37:57,290 --> 00:37:55,740

you explore the Inner Space of what it

985

00:37:59,390 --> 00:37:57,300

is to be human as much as you are open

986

00:38:02,690 --> 00:37:59,400

to exploring outer space in terms of

987

00:38:07,310 --> 00:38:05,329

these are really key questions and I

988

00:38:08,329 --> 00:38:07,320

think people will be confronted by them

989

00:38:09,470 --> 00:38:08,339

in ways that will make them

990

00:38:11,329 --> 00:38:09,480

uncomfortable

991

00:38:16,550 --> 00:38:11,339

because to touch on something you hinted

992

00:38:20,390 --> 00:38:18,950

we already in what we think of as

993

00:38:21,829 --> 00:38:20,400

reality there's now all sorts of

994

00:38:24,470 --> 00:38:21,839

evidence suggesting that it's actually

995

00:38:26,270 --> 00:38:24,480

just a perceptual interface

996

00:38:28,550 --> 00:38:26,280

so that's the first thing people will

997

00:38:30,890 --> 00:38:28,560

have to metabolize and that is already

998

00:38:32,510 --> 00:38:30,900

massive

999

00:38:33,770 --> 00:38:32,520

we look at the work of people like

1000

00:38:35,870 --> 00:38:33,780

Donald Hoffman

1001  
00:38:38,390 --> 00:38:35,880  
who pointed out that what we basically

1002  
00:38:41,450 --> 00:38:38,400  
are dealing with is a

1003  
00:38:43,490 --> 00:38:41,460  
reality construct that is actually the

1004  
00:38:46,130 --> 00:38:43,500  
fruit of the evolutionary process that

1005  
00:38:48,470 --> 00:38:46,140  
gives us shortcuts icons and on an

1006  
00:38:50,270 --> 00:38:48,480  
interface if you will to allow us to

1007  
00:38:52,730 --> 00:38:50,280  
navigate an underlying reality that we

1008  
00:38:56,930 --> 00:38:52,740  
don't usually interact with directly and

1009  
00:38:59,690 --> 00:38:56,940  
that is so complex and multi-faceted and

1010  
00:39:01,190 --> 00:38:59,700  
would involve a bombardment of so many

1011  
00:39:03,170 --> 00:39:01,200  
sensory inputs that it would be

1012  
00:39:04,790 --> 00:39:03,180  
completely overwhelming so what

1013  
00:39:08,450 --> 00:39:04,800

evolution by natural selection has

1014

00:39:10,790 --> 00:39:08,460

basically done is given us a a fiction

1015

00:39:12,410 --> 00:39:10,800

a constructive fiction that allows us to

1016

00:39:13,490 --> 00:39:12,420

navigate and stay alive and propagate

1017

00:39:16,790 --> 00:39:13,500

the species

1018

00:39:19,430 --> 00:39:16,800

but is not a pipeline into the truth of

1019

00:39:21,050 --> 00:39:19,440

the underlying reality whatsoever when

1020

00:39:22,790 --> 00:39:21,060

you really sit down and think about that

1021

00:39:24,890 --> 00:39:22,800

that already is a huge shock to the

1022

00:39:28,609 --> 00:39:24,900

system that

1023

00:39:32,210 --> 00:39:28,619

again the the point of evolution the end

1024

00:39:34,130 --> 00:39:32,220

goal has nothing to do with showing you

1025

00:39:35,750 --> 00:39:34,140

what really is we talk about the blue

1026

00:39:37,730 --> 00:39:35,760

pill and the red pill in The Matrix

1027

00:39:39,050 --> 00:39:37,740

evolution is not your friend in that

1028

00:39:41,510 --> 00:39:39,060

sense all it wants to do is keep you

1029

00:39:43,370 --> 00:39:41,520

alive so if you believe that's a juicy

1030

00:39:44,450 --> 00:39:43,380

red steak then all that matters is that

1031

00:39:47,750 --> 00:39:44,460

it keeps you alive it doesn't matter

1032

00:39:50,450 --> 00:39:47,760

what it actually is underlyingly

1033

00:39:52,790 --> 00:39:50,460

so that's a huge one because what's

1034

00:39:54,589 --> 00:39:52,800

interesting is again and I hinted at

1035

00:39:56,990 --> 00:39:54,599

this earlier

1036

00:39:59,089 --> 00:39:57,000

sometimes when people have these

1037

00:40:01,310 --> 00:39:59,099

different kinds of experience

1038

00:40:02,810 --> 00:40:01,320

Altered States of experience whether

1039

00:40:04,550 --> 00:40:02,820

it's a near-death experience or an

1040

00:40:07,190 --> 00:40:04,560

out-of-body experience or a psychedelic

1041

00:40:08,930 --> 00:40:07,200

Journey like I just had or an encounter

1042

00:40:11,690 --> 00:40:08,940

with beings that seem to take you into

1043

00:40:13,069 --> 00:40:11,700

an alternate realm or maybe it feels

1044

00:40:14,870 --> 00:40:13,079

like sometimes you don't go anywhere and

1045

00:40:17,569 --> 00:40:14,880

yet everything changes it's like a

1046

00:40:21,290 --> 00:40:17,579

different dimensional wavelength you

1047

00:40:23,210 --> 00:40:21,300

enter into like changing a radio station

1048

00:40:26,030 --> 00:40:23,220

and the fact that all of these different

1049

00:40:27,770 --> 00:40:26,040

kinds of encounters and experiences

1050

00:40:29,630 --> 00:40:27,780

bring with them the sense of that being

1051  
00:40:33,170 --> 00:40:29,640  
more real than real that being more real

1052  
00:40:34,609 --> 00:40:33,180  
than this so think about that not only

1053  
00:40:36,109 --> 00:40:34,619  
that people have to reckon with the fact

1054  
00:40:38,990 --> 00:40:36,119  
that there's these highly sophisticated

1055  
00:40:40,670 --> 00:40:39,000  
intelligences in our midst but on top of

1056  
00:40:43,069 --> 00:40:40,680  
that that what we've thought of as

1057  
00:40:45,470 --> 00:40:43,079  
reality is actually a subset of

1058  
00:40:47,690 --> 00:40:45,480  
something much more complex that we have

1059  
00:40:50,150 --> 00:40:47,700  
not really dealt with directly and these

1060  
00:40:53,630 --> 00:40:50,160  
beings in their sophistication can run

1061  
00:40:55,910 --> 00:40:53,640  
circles in those deeper structures and

1062  
00:40:57,349 --> 00:40:55,920  
be able to take us into these different

1063  
00:40:59,089 --> 00:40:57,359

Realms that we don't even know what they

1064

00:41:00,710 --> 00:40:59,099

are we don't have no concept of them

1065

00:41:02,390 --> 00:41:00,720

other than when you experience it you

1066

00:41:05,150 --> 00:41:02,400

know something's different and somehow

1067

00:41:07,550 --> 00:41:05,160

it's more real you come back here and

1068

00:41:09,230 --> 00:41:07,560

you actually feel this rather than being

1069

00:41:11,329 --> 00:41:09,240

oh I'm happy I'm home you often have

1070

00:41:14,990 --> 00:41:11,339

this feeling of actually this feels kind

1071

00:41:17,089 --> 00:41:15,000

of fake and uh

1072

00:41:19,550 --> 00:41:17,099

like a construct it doesn't feel like

1073

00:41:21,109 --> 00:41:19,560

it's the the base reality and yet all of

1074

00:41:24,170 --> 00:41:21,119

these other experiences do

1075

00:41:26,870 --> 00:41:24,180

so there's so much when you think about

1076

00:41:29,630 --> 00:41:26,880

what to do here because it it impacts

1077

00:41:32,270 --> 00:41:29,640

every every single area you know like

1078

00:41:35,030 --> 00:41:32,280

who we are as a people why we're here

1079

00:41:37,849 --> 00:41:35,040

what is the purpose of life what is life

1080

00:41:39,410 --> 00:41:37,859

and death how are these beings connected

1081

00:41:40,130 --> 00:41:39,420

to us there's so many things to think

1082

00:41:42,170 --> 00:41:40,140

about

1083

00:41:43,730 --> 00:41:42,180

but for you how do you how do you think

1084

00:41:46,670 --> 00:41:43,740

about

1085

00:41:48,589 --> 00:41:46,680

let alone the whole alien question but

1086

00:41:50,750 --> 00:41:48,599

just the question around what is reality

1087

00:41:53,750 --> 00:41:50,760

and how the nature of these experiences

1088

00:41:55,490 --> 00:41:53,760

immediately bring that question in some

1089

00:41:56,870 --> 00:41:55,500

ways more front and center than the

1090

00:41:58,310 --> 00:41:56,880

question of who these others are at

1091

00:41:59,690 --> 00:41:58,320

least initially

1092

00:42:04,210 --> 00:41:59,700

I think that's going to be the biggest

1093

00:42:07,370 --> 00:42:04,220

struggle uh is this um

1094

00:42:10,010 --> 00:42:07,380

realization that the physical my

1095

00:42:12,770 --> 00:42:10,020

physical instantiation everything that I

1096

00:42:16,430 --> 00:42:12,780

think I know of who I am what I am what

1097

00:42:21,050 --> 00:42:16,440

life is uh what death is all of those

1098

00:42:24,530 --> 00:42:21,060

things are uh just an overlay onto some

1099

00:42:27,829 --> 00:42:24,540

some sort of deeper structure uh it

1100

00:42:29,990 --> 00:42:27,839

raises a whole host of of questions uh

1101

00:42:33,410 --> 00:42:30,000

that I don't know that I'm or most of us

1102

00:42:36,950 --> 00:42:33,420

are prepared to even entertain uh

1103

00:42:40,910 --> 00:42:36,960

questions of identity and self uh of the

1104

00:42:44,089 --> 00:42:40,920

Persistence of self of agency uh of uh

1105

00:42:46,130 --> 00:42:44,099

relationships uh you know Duality I mean

1106

00:42:49,130 --> 00:42:46,140

all these things are

1107

00:42:51,230 --> 00:42:49,140

come into into play here

1108

00:42:52,790 --> 00:42:51,240

um you know the the thing that came to

1109

00:42:55,430 --> 00:42:52,800

mind as you were just talking there that

1110

00:42:57,650 --> 00:42:55,440

I think for me at least helps illustrate

1111

00:43:00,290 --> 00:42:57,660

the the sort of strangeness of it all

1112

00:43:02,510 --> 00:43:00,300

perhaps is that

1113

00:43:04,910 --> 00:43:02,520

you know while it it is true that we're

1114

00:43:08,950 --> 00:43:04,920

finding that that Evolution as a process

1115

00:43:12,170 --> 00:43:08,960

does not exactly uh lead toward uh

1116

00:43:13,970 --> 00:43:12,180

organisms that have a a representation

1117

00:43:16,130 --> 00:43:13,980

of reality a true representation of

1118

00:43:17,809 --> 00:43:16,140

reality in fact it's the opposite well

1119

00:43:20,089 --> 00:43:17,819

it's possible that these intelligences

1120

00:43:23,630 --> 00:43:20,099

don't don't even operate within the

1121

00:43:25,790 --> 00:43:23,640

realm of the the physical uh theory of

1122

00:43:28,550 --> 00:43:25,800

evolution at all that there may not be

1123

00:43:31,910 --> 00:43:28,560

for them that kind of evolutionary

1124

00:43:34,970 --> 00:43:31,920

limiter and for them the reality is is

1125

00:43:37,550 --> 00:43:34,980

as it is is as it truly is

1126

00:43:40,970 --> 00:43:37,560

um and evolution for us is just really

1127

00:43:43,630 --> 00:43:40,980

kind of a byproduct of our of our uh

1128

00:43:47,930 --> 00:43:43,640

physicalist materialist investigations

1129

00:43:50,270 --> 00:43:47,940

it's a useful uh a discovery for us in

1130

00:43:52,609 --> 00:43:50,280

this world that we operate in but in and

1131

00:43:54,890 --> 00:43:52,619

of itself is uh there's no law that says

1132

00:43:57,650 --> 00:43:54,900

it has to be the case for uh entities

1133

00:44:00,050 --> 00:43:57,660

that may exist you know at a base a

1134

00:44:03,170 --> 00:44:00,060

deeper level of reality than where we

1135

00:44:06,230 --> 00:44:03,180

find ourselves so that juxtaposition of

1136

00:44:07,849 --> 00:44:06,240

strangeness alone is is quite jarring uh

1137

00:44:10,010 --> 00:44:07,859

that there are these potentially these

1138

00:44:12,349 --> 00:44:10,020

entities that um and we talked about of

1139

00:44:14,089 --> 00:44:12,359

course there's a there's a great span of

1140

00:44:17,150 --> 00:44:14,099

entities you know perhaps that some

1141

00:44:19,490 --> 00:44:17,160

which are Leica similar to us and have

1142

00:44:22,250 --> 00:44:19,500

evolved and and may have the same kind

1143

00:44:24,050 --> 00:44:22,260

of evolutionary limitation on the way

1144

00:44:25,790 --> 00:44:24,060

that they perceive the world but there

1145

00:44:28,010 --> 00:44:25,800

may be other entities that that don't

1146

00:44:31,790 --> 00:44:28,020

don't have that and so

1147

00:44:34,069 --> 00:44:31,800

um it's it's quite a lot to really it's

1148

00:44:35,630 --> 00:44:34,079

not this is no easy task and I think

1149

00:44:38,210 --> 00:44:35,640

that's kind of what we're landing on

1150

00:44:41,390 --> 00:44:38,220

here is that it's not something you can

1151  
00:44:43,550 --> 00:44:41,400  
necessarily hand a person a one-pager

1152  
00:44:45,670 --> 00:44:43,560  
and be like here you go you know here's

1153  
00:44:49,010 --> 00:44:45,680  
here's this one little easy to digest

1154  
00:44:51,290 --> 00:44:49,020  
understanding of reality uh as it truly

1155  
00:44:53,150 --> 00:44:51,300  
is I don't know that we're we're going

1156  
00:44:56,450 --> 00:44:53,160  
to arrive there in fact we're going to

1157  
00:44:58,670 --> 00:44:56,460  
require uh and maybe honestly you and I

1158  
00:45:02,630 --> 00:44:58,680  
are part of this endeavor we're going to

1159  
00:45:06,010 --> 00:45:02,640  
require uh you know sort of pioneers and

1160  
00:45:08,510 --> 00:45:06,020  
adventurers and uh not necessarily

1161  
00:45:09,650 --> 00:45:08,520  
astronauts but in intro knots or

1162  
00:45:12,770 --> 00:45:09,660  
something you know people that are

1163  
00:45:14,750 --> 00:45:12,780

willing to to figure this out and and to

1164

00:45:17,809 --> 00:45:14,760

to stumble our way forward and push the

1165

00:45:21,650 --> 00:45:17,819

boundaries of of what is actually out

1166

00:45:23,569 --> 00:45:21,660

there in order to come back with some uh

1167

00:45:25,790 --> 00:45:23,579

learnings and wisdom that we can share

1168

00:45:28,490 --> 00:45:25,800

with other people and help make their

1169

00:45:31,190 --> 00:45:28,500

Journey a little easier uh so it to me

1170

00:45:32,870 --> 00:45:31,200

it's a daunting task but a lot like you

1171

00:45:34,730 --> 00:45:32,880

I I like mystery and I like the

1172

00:45:36,470 --> 00:45:34,740

challenge and I think it's that's one of

1173

00:45:39,410 --> 00:45:36,480

the things that's so attractive about

1174

00:45:43,130 --> 00:45:39,420

this subject generally is that it it's a

1175

00:45:46,550 --> 00:45:43,140

gateway or into these most fundamental

1176

00:45:48,250 --> 00:45:46,560

questions uh and as someone who's grown

1177

00:45:52,190 --> 00:45:48,260

up around

1178

00:45:54,670 --> 00:45:52,200

valuing that kind of uh of thinking and

1179

00:45:57,109 --> 00:45:54,680

philosophy and theology I mean it's it's

1180

00:45:58,069 --> 00:45:57,119

very enticing

1181

00:46:00,650 --> 00:45:58,079

um

1182

00:46:03,050 --> 00:46:00,660

yeah that's what I'll say about it

1183

00:46:04,430 --> 00:46:03,060

yeah I was thinking about the analogy of

1184

00:46:05,870 --> 00:46:04,440

The Truman Show when you were talking

1185

00:46:07,790 --> 00:46:05,880

about that there because I think again A

1186

00:46:09,349 --> 00:46:07,800

lot of people are under the assumption

1187

00:46:11,690 --> 00:46:09,359

that

1188

00:46:13,490 --> 00:46:11,700

in fact you hear this said a lot most

1189

00:46:15,589 --> 00:46:13,500

Americans already believe that

1190

00:46:17,870 --> 00:46:15,599

extraterrestrial life exists so not a

1191

00:46:19,910 --> 00:46:17,880

big deal just add that cherry on top of

1192

00:46:22,130 --> 00:46:19,920

the cake that we've already

1193

00:46:23,270 --> 00:46:22,140

developed to describe and model our

1194

00:46:25,130 --> 00:46:23,280

reality

1195

00:46:28,190 --> 00:46:25,140

but actually this is much more like The

1196

00:46:30,109 --> 00:46:28,200

Truman Show because this Revelation is

1197

00:46:31,490 --> 00:46:30,119

like pulling the proverbial thread on

1198

00:46:33,290 --> 00:46:31,500

the sweater

1199

00:46:36,290 --> 00:46:33,300

I'm thinking of a great Weezer song from

1200

00:46:39,770 --> 00:46:36,300

back in the day where inevitably the

1201  
00:46:43,309 --> 00:46:41,630  
and then it's like The Truman Show it's

1202  
00:46:45,710 --> 00:46:43,319  
not just one more piece you recognize

1203  
00:46:47,930 --> 00:46:45,720  
the entire thing to some degree is a as

1204  
00:46:50,210 --> 00:46:47,940  
a narrative fiction which has been

1205  
00:46:52,609 --> 00:46:50,220  
useful but it's

1206  
00:46:54,950 --> 00:46:52,619  
brought you to the precipice of an

1207  
00:46:57,589 --> 00:46:54,960  
entirely new phase in human existence

1208  
00:47:00,230 --> 00:46:57,599  
where we are confronted not just with

1209  
00:47:02,089 --> 00:47:00,240  
the proverbial other but we are

1210  
00:47:03,890 --> 00:47:02,099  
presented with an understanding that

1211  
00:47:07,430 --> 00:47:03,900  
everything we thought was real was

1212  
00:47:09,109 --> 00:47:07,440  
actually partial and really a fiction a

1213  
00:47:10,910 --> 00:47:09,119

useful fiction as you say but

1214

00:47:14,569 --> 00:47:10,920

nevertheless a fiction and that some of

1215

00:47:16,490 --> 00:47:14,579

these beings maybe evidence of

1216

00:47:18,849 --> 00:47:16,500

beings that actually at the end of that

1217

00:47:21,109 --> 00:47:18,859

evolutionary trajectory

1218

00:47:22,790 --> 00:47:21,119

transcend physical reality altogether

1219

00:47:24,170 --> 00:47:22,800

what we perceive as physical reality

1220

00:47:25,670 --> 00:47:24,180

again this is the thing every time you

1221

00:47:28,250 --> 00:47:25,680

talk about this you're constantly

1222

00:47:30,109 --> 00:47:28,260

qualifying the terms you use because

1223

00:47:32,510 --> 00:47:30,119

when people say well is this happening

1224

00:47:34,130 --> 00:47:32,520

in physical reality my question is well

1225

00:47:36,430 --> 00:47:34,140

how do you define physical reality

1226  
00:47:39,770 --> 00:47:36,440  
because again as I've said many times

1227  
00:47:42,109 --> 00:47:39,780  
people like Nima or Kaneha Med these

1228  
00:47:45,349 --> 00:47:42,119  
World leading physicists are saying

1229  
00:47:48,050 --> 00:47:45,359  
space time is largely illusory it's a

1230  
00:47:52,130 --> 00:47:48,060  
secondary byproduct of some deeper

1231  
00:47:54,950 --> 00:47:52,140  
structure and you can already see

1232  
00:47:56,089 --> 00:47:54,960  
evidence that it's not a real thing it's

1233  
00:47:58,910 --> 00:47:56,099  
actually

1234  
00:48:02,030 --> 00:47:58,920  
largely an illusion it's a persuasive

1235  
00:48:03,950 --> 00:48:02,040  
illusion and we've again evolved around

1236  
00:48:05,510 --> 00:48:03,960  
it in such a way that we have this

1237  
00:48:07,910 --> 00:48:05,520  
relationship with it but nevertheless

1238  
00:48:09,530 --> 00:48:07,920

there is a deeper structure from which

1239

00:48:11,809 --> 00:48:09,540

you get things like quantum theory and

1240

00:48:13,550 --> 00:48:11,819

space-time so when you recognize that

1241

00:48:15,470 --> 00:48:13,560

these beings are so sophisticated that

1242

00:48:16,910 --> 00:48:15,480

they're probably long been aware of that

1243

00:48:18,230 --> 00:48:16,920

and they're actually working in these

1244

00:48:20,329 --> 00:48:18,240

deeper structures

1245

00:48:22,670 --> 00:48:20,339

and that if you think about that really

1246

00:48:24,530 --> 00:48:22,680

changes the question because it's not do

1247

00:48:26,030 --> 00:48:24,540

they have physics that goes beyond our

1248

00:48:28,130 --> 00:48:26,040

understanding of physics it's

1249

00:48:31,069 --> 00:48:28,140

recognizing as Bernardo Castro plugs to

1250

00:48:34,970 --> 00:48:31,079

say physics is the study and measurement

1251

00:48:37,849 --> 00:48:34,980

of our perception not of reality

1252

00:48:41,390 --> 00:48:37,859

I'll say that again physics is the study

1253

00:48:44,750 --> 00:48:41,400

of our perception not of reality so when

1254

00:48:47,089 --> 00:48:44,760

you start recognizing how small and

1255

00:48:49,430 --> 00:48:47,099

truncated and limited our understanding

1256

00:48:51,710 --> 00:48:49,440

of what we think reality has been and

1257

00:48:55,069 --> 00:48:51,720

that what this Revelation these series

1258

00:48:57,349 --> 00:48:55,079

of Revelations will bring to bear is a

1259

00:48:59,569 --> 00:48:57,359

completely new understanding of what it

1260

00:49:02,089 --> 00:48:59,579

means to be a being in a reality that

1261

00:49:03,890 --> 00:49:02,099

we've not dealt with directly before and

1262

00:49:05,630 --> 00:49:03,900

that furthermore in fact when people

1263

00:49:07,190 --> 00:49:05,640

have had these experiences like

1264

00:49:08,690 --> 00:49:07,200

out-of-body experiences near-death

1265

00:49:10,550 --> 00:49:08,700

experiences psychedelic Journeys

1266

00:49:13,010 --> 00:49:10,560

encounters with these others that take

1267

00:49:15,470 --> 00:49:13,020

them into alternate Realms that actually

1268

00:49:18,290 --> 00:49:15,480

is closer to the base reality than what

1269

00:49:20,089 --> 00:49:18,300

we think about as our waking consensus

1270

00:49:22,130 --> 00:49:20,099

experience

1271

00:49:24,710 --> 00:49:22,140

and how much will that blow people's

1272

00:49:26,329 --> 00:49:24,720

minds to recognize that our usual state

1273

00:49:28,370 --> 00:49:26,339

is actually the illusion that is the

1274

00:49:30,589 --> 00:49:28,380

dream state and some of these other

1275

00:49:32,390 --> 00:49:30,599

Ways and Means can help us experience

1276  
00:49:33,589 --> 00:49:32,400  
more of a base reality and hence why it

1277  
00:49:35,750 --> 00:49:33,599  
feels more real

1278  
00:49:37,790 --> 00:49:35,760  
so

1279  
00:49:40,490 --> 00:49:37,800  
again I wanted to be able to highlight

1280  
00:49:44,329 --> 00:49:40,500  
some of this to make people realize just

1281  
00:49:46,190 --> 00:49:44,339  
how deep down the rabbit hole this goes

1282  
00:49:49,089 --> 00:49:46,200  
there is no way to quickly metabolize

1283  
00:49:51,650 --> 00:49:49,099  
this and not really a way that you can

1284  
00:49:53,630 --> 00:49:51,660  
even plan to okay we're going to have

1285  
00:49:54,890 --> 00:49:53,640  
some destabilization then we'll you know

1286  
00:49:56,089 --> 00:49:54,900  
within three months we'll be back to

1287  
00:49:58,069 --> 00:49:56,099  
where we were

1288  
00:49:59,569 --> 00:49:58,079

again depends how it rolls out and

1289

00:50:02,630 --> 00:49:59,579

what's what's involved in that rollout

1290

00:50:05,510 --> 00:50:02,640

but really this has the siege of a

1291

00:50:08,150 --> 00:50:05,520

complete rewrite of our understanding of

1292

00:50:10,309 --> 00:50:08,160

reality and therefore un

1293

00:50:11,750 --> 00:50:10,319

doubtedly of our civilization the

1294

00:50:14,569 --> 00:50:11,760

structure of our civilization which

1295

00:50:16,309 --> 00:50:14,579

again I would argue is necessary so I

1296

00:50:17,870 --> 00:50:16,319

see this as a good thing as much as some

1297

00:50:19,970 --> 00:50:17,880

people will feel intimidated by all of

1298

00:50:21,770 --> 00:50:19,980

this I also just want to quickly say one

1299

00:50:24,230 --> 00:50:21,780

last thing before I turn it back to you

1300

00:50:25,849 --> 00:50:24,240

to discuss the next Nuance we can we can

1301

00:50:27,589 --> 00:50:25,859

bring up because there's many

1302

00:50:29,329 --> 00:50:27,599

but that is that I just want to remind

1303

00:50:32,569 --> 00:50:29,339

people that you can be in the presence

1304

00:50:34,670 --> 00:50:32,579

of a intelligence that seems so much

1305

00:50:36,650 --> 00:50:34,680

more sophisticated than you that can

1306

00:50:38,210 --> 00:50:36,660

think a hundred thousand times more

1307

00:50:41,089 --> 00:50:38,220

quickly than you I've had this kind of

1308

00:50:43,130 --> 00:50:41,099

experience where you feel like the

1309

00:50:44,809 --> 00:50:43,140

five-year-old and that's maybe an insult

1310

00:50:46,190 --> 00:50:44,819

to five-year-olds because you feel so

1311

00:50:48,230 --> 00:50:46,200

much like you're being eclipsed by this

1312

00:50:49,670 --> 00:50:48,240

intelligence it's relationship with

1313

00:50:52,190 --> 00:50:49,680

space and time is completely different

1314

00:50:55,069 --> 00:50:52,200

they basically transcended that you feel

1315

00:50:56,809 --> 00:50:55,079

like they have to speak in such a dumb

1316

00:50:59,089 --> 00:50:56,819

down way to even communicate with you

1317

00:51:01,430 --> 00:50:59,099

but in the midst of that and you feel

1318

00:51:03,710 --> 00:51:01,440

that immense powerful presence that

1319

00:51:05,510 --> 00:51:03,720

sophistication and yet also feel

1320

00:51:06,530 --> 00:51:05,520

completely comfortable like get to the

1321

00:51:08,630 --> 00:51:06,540

point where you feel completely

1322

00:51:11,089 --> 00:51:08,640

comfortable I've had experiences where

1323

00:51:12,650 --> 00:51:11,099

there's so much information pouring

1324

00:51:15,230 --> 00:51:12,660

through me when I'm in this kind of

1325

00:51:16,970 --> 00:51:15,240

communicative state that it feels like

1326

00:51:18,589 --> 00:51:16,980

you're dying it feels like that and

1327

00:51:21,049 --> 00:51:18,599

that's why it's actually I would suggest

1328

00:51:23,510 --> 00:51:21,059

it's helpful to practice things whether

1329

00:51:26,390 --> 00:51:23,520

it's Buddhist Meditation or whatever

1330

00:51:27,950 --> 00:51:26,400

to begin to transcend your own sense of

1331

00:51:29,809 --> 00:51:27,960

ego because the more you're familiar

1332

00:51:32,510 --> 00:51:29,819

with doing that the less attached you

1333

00:51:34,430 --> 00:51:32,520

are to a certain body-mind kind of

1334

00:51:36,170 --> 00:51:34,440

consideration of who you are based on a

1335

00:51:38,210 --> 00:51:36,180

history of I'm this person I was born to

1336

00:51:40,910 --> 00:51:38,220

these parents in this place this is who

1337

00:51:42,170 --> 00:51:40,920

I am some total that's it the more

1338

00:51:43,849 --> 00:51:42,180

you're attached to that the more it's

1339

00:51:45,890 --> 00:51:43,859

going to be discombobulating to deal

1340

00:51:47,450 --> 00:51:45,900

with these Revelations the more we can

1341

00:51:49,970 --> 00:51:47,460

actually prepare ourselves by beginning

1342

00:51:52,190 --> 00:51:49,980

to transcend the ego to recognize and

1343

00:51:55,370 --> 00:51:52,200

actually practice even

1344

00:51:57,230 --> 00:51:55,380

different ways that we can experience

1345

00:51:59,930 --> 00:51:57,240

that learn to familiarize yourself learn

1346

00:52:01,849 --> 00:51:59,940

to normalize that for ourselves the more

1347

00:52:04,430 --> 00:52:01,859

this will be easy to metabolize but

1348

00:52:06,109 --> 00:52:04,440

again like you hinted at earlier the way

1349

00:52:07,790 --> 00:52:06,119

our society is structured right now many

1350

00:52:09,290 --> 00:52:07,800

many people have not even begun that

1351  
00:52:13,010 --> 00:52:09,300

Journey

1352  
00:52:15,170 --> 00:52:13,020

I I'm thinking about the the past we

1353  
00:52:17,470 --> 00:52:15,180

that we ignored and could have gone down

1354  
00:52:21,190 --> 00:52:17,480

in our history that that we never did

1355  
00:52:23,870 --> 00:52:21,200

that uh you know take a lot of our

1356  
00:52:26,510 --> 00:52:23,880

uh our greatest religious you know

1357  
00:52:28,430 --> 00:52:26,520

teachers and and the wisdom that they

1358  
00:52:30,950 --> 00:52:28,440

gained and and how they're teaching is

1359  
00:52:33,950 --> 00:52:30,960

often were distorted and and twisted and

1360  
00:52:36,589 --> 00:52:33,960

it really kind of uh commoditized and

1361  
00:52:40,010 --> 00:52:36,599

you know we've certainly seen firsthand

1362  
00:52:42,130 --> 00:52:40,020

some of the abuses uh that have uh been

1363  
00:52:45,890 --> 00:52:42,140

born from a misinterpretation

1364

00:52:48,470 --> 00:52:45,900

misapplication of the the teachings uh

1365

00:52:50,089 --> 00:52:48,480

from from our greatest Traditions but I

1366

00:52:53,329 --> 00:52:50,099

wonder what would human civilization

1367

00:52:55,910 --> 00:52:53,339

look like had we actually uh heeded the

1368

00:52:58,549 --> 00:52:55,920

the advice there and and uh and gone it

1369

00:53:02,030 --> 00:52:58,559

down a different path and maybe this is

1370

00:53:06,170 --> 00:53:02,040

an opportunity for us to uh come face to

1371

00:53:08,690 --> 00:53:06,180

face with uh that choice again

1372

00:53:12,710 --> 00:53:08,700

um and what will we choose we are so

1373

00:53:15,470 --> 00:53:12,720

wedded to the world that we have now

1374

00:53:16,790 --> 00:53:15,480

um and and wedded as being too generous

1375

00:53:19,670 --> 00:53:16,800

quite frankly because that implies a

1376

00:53:22,970 --> 00:53:19,680

degree of choice we in a way of have uh

1377

00:53:26,210 --> 00:53:22,980

have have enslaved ourselves uh to the

1378

00:53:29,329 --> 00:53:26,220

world that we live in now and uh many of

1379

00:53:31,430 --> 00:53:29,339

us feel trapped right there is a sense

1380

00:53:33,530 --> 00:53:31,440

that we have uh We've made a bargain by

1381

00:53:36,109 --> 00:53:33,540

which which we cannot Escape

1382

00:53:39,950 --> 00:53:36,119

uh and perhaps this is an opportunity

1383

00:53:42,049 --> 00:53:39,960

for us to uh to to do things differently

1384

00:53:44,750 --> 00:53:42,059

and to imagine a different world I think

1385

00:53:46,849 --> 00:53:44,760

that's what's the most challenging uh to

1386

00:53:50,870 --> 00:53:46,859

even get your mind around is conceiving

1387

00:53:54,049 --> 00:53:50,880

of a world of other human beings that

1388

00:53:57,230 --> 00:53:54,059

that live breathe and operate with a a

1389

00:54:01,849 --> 00:53:57,240

totally different set of of parameters

1390

00:54:05,210 --> 00:54:01,859

and incentives uh and behaviors uh talk

1391

00:54:06,950 --> 00:54:05,220

about a foreign alien experience I mean

1392

00:54:10,010 --> 00:54:06,960

you it's hard to even you know

1393

00:54:13,670 --> 00:54:10,020

understand the conceive of it and that

1394

00:54:15,650 --> 00:54:13,680

is perhaps what the confrontation with

1395

00:54:19,370 --> 00:54:15,660

the phenomena the being presented with

1396

00:54:21,530 --> 00:54:19,380

its reality May Force us to do

1397

00:54:23,569 --> 00:54:21,540

um but but there will be the denialists

1398

00:54:25,730 --> 00:54:23,579

of course you know the escapists and and

1399

00:54:27,950 --> 00:54:25,740

I'm not going to pay attention to that I

1400

00:54:29,030 --> 00:54:27,960

want this world that I have

1401

00:54:32,450 --> 00:54:29,040

um

1402

00:54:35,210 --> 00:54:32,460

so I I don't know I'm also I guess in

1403

00:54:37,450 --> 00:54:35,220

this discussion I'm I'm deeply curious

1404

00:54:41,809 --> 00:54:37,460

about the way in which

1405

00:54:43,430 --> 00:54:41,819

the interaction from the others like

1406

00:54:47,990 --> 00:54:43,440

you know

1407

00:54:53,390 --> 00:54:51,530

almost uh violating to know that that

1408

00:54:56,569 --> 00:54:53,400

these others have been with us this

1409

00:54:59,630 --> 00:54:56,579

whole time and and can experience you

1410

00:55:02,089 --> 00:54:59,640

and I and everyone in ways that we can't

1411

00:55:04,910 --> 00:55:02,099

even understand ourselves it feels uh

1412

00:55:06,710 --> 00:55:04,920

like a violation of our privacy it's uh

1413

00:55:07,970 --> 00:55:06,720

you know so but I don't know if we can

1414

00:55:09,470 --> 00:55:07,980

kind of explore that to some degree

1415

00:55:12,349 --> 00:55:09,480

because we we've definitely talked about

1416

00:55:14,329 --> 00:55:12,359

how this manifests itself in things like

1417

00:55:16,910 --> 00:55:14,339

the experiencer accounts you know that

1418

00:55:19,010 --> 00:55:16,920

that where many of the experiencers will

1419

00:55:20,510 --> 00:55:19,020

initially have a sense in which they've

1420

00:55:22,549 --> 00:55:20,520

been abducted they've been violated

1421

00:55:25,490 --> 00:55:22,559

they've been taken against their will

1422

00:55:27,770 --> 00:55:25,500

later on they may contextualize that in

1423

00:55:30,049 --> 00:55:27,780

different ways and and may you know

1424

00:55:32,450 --> 00:55:30,059

understand it in a different uh facet

1425

00:55:35,030 --> 00:55:32,460

that is enriching and adds to their life

1426

00:55:38,450 --> 00:55:35,040

and and isn't viewed in a negative

1427

00:55:41,089 --> 00:55:38,460

context anymore so uh you know is that a

1428

00:55:43,370 --> 00:55:41,099

good sort of way to to think about this

1429

00:55:46,250 --> 00:55:43,380

that maybe Humanity will

1430

00:55:49,430 --> 00:55:46,260

as an on-ramp kind of go through a

1431

00:55:52,190 --> 00:55:49,440

similar stage similar stages of of not

1432

00:55:54,589 --> 00:55:52,200

grief but of coping with what this

1433

00:55:57,230 --> 00:55:54,599

reality may be like

1434

00:55:59,030 --> 00:55:57,240

it's a good question and just to refresh

1435

00:56:01,790 --> 00:55:59,040

people's minds for those maybe not so

1436

00:56:03,349 --> 00:56:01,800

familiar with this aspect of the data

1437

00:56:05,690 --> 00:56:03,359

I know people personally who have been

1438

00:56:08,329 --> 00:56:05,700

through this experience and

1439

00:56:10,309 --> 00:56:08,339

you see them go through this process of

1440

00:56:12,470 --> 00:56:10,319

metabolizing this for themselves

1441

00:56:14,870 --> 00:56:12,480

so for instance back in the 90s when

1442

00:56:17,870 --> 00:56:14,880

John Mack was working with people who

1443

00:56:20,150 --> 00:56:17,880

had had these abduction experiences

1444

00:56:23,030 --> 00:56:20,160

just again put yourself in their shoes

1445

00:56:24,589 --> 00:56:23,040

there was no Baseline for this this was

1446

00:56:26,569 --> 00:56:24,599

not something that you could look up in

1447

00:56:27,470 --> 00:56:26,579

the Encyclopedia set that existed at the

1448

00:56:29,630 --> 00:56:27,480

time

1449

00:56:31,849 --> 00:56:29,640

or the burgeoning internet

1450

00:56:33,230 --> 00:56:31,859

this was a complete unknown the idea

1451

00:56:36,710 --> 00:56:33,240

that

1452

00:56:38,750 --> 00:56:36,720

apparently physical in every way beings

1453

00:56:40,250 --> 00:56:38,760

were manifesting in your room you have

1454

00:56:42,650 --> 00:56:40,260

no idea how they got there they seem to

1455

00:56:45,170 --> 00:56:42,660

just be able to go through solid walls

1456

00:56:47,510 --> 00:56:45,180

and when they interact with you it's

1457

00:56:49,010 --> 00:56:47,520

very clear their physical beings this is

1458

00:56:50,690 --> 00:56:49,020

not just a projection this is not a

1459

00:56:52,730 --> 00:56:50,700

hallucination

1460

00:56:55,309 --> 00:56:52,740

and

1461

00:56:57,470 --> 00:56:55,319

yes you feel that initial violation of I

1462

00:56:58,549 --> 00:56:57,480

don't remember inviting you in here and

1463

00:57:00,109 --> 00:56:58,559

on top of that you're telling me we're

1464

00:57:02,930 --> 00:57:00,119

going somewhere and you're going to take

1465

00:57:04,549 --> 00:57:02,940

sperm or eggs and you're what you're

1466

00:57:06,109 --> 00:57:04,559

doing some sort of hybridized species

1467

00:57:08,390 --> 00:57:06,119

experiment

1468

00:57:10,790 --> 00:57:08,400

and then I had to come back and try to

1469

00:57:12,770 --> 00:57:10,800

tell the world the story I have to try

1470

00:57:14,809 --> 00:57:12,780

to get people to take me seriously

1471

00:57:16,790 --> 00:57:14,819

just think about how discombobulating

1472

00:57:18,349 --> 00:57:16,800

that is not just the initial nature of

1473

00:57:21,349 --> 00:57:18,359

the experience but how no one's going to

1474

00:57:27,109 --> 00:57:24,770

and nevertheless the vast majority of

1475

00:57:28,609 --> 00:57:27,119

the time these people given enough time

1476  
00:57:30,250 --> 00:57:28,619  
for reflection

1477  
00:57:33,349 --> 00:57:30,260  
and getting past that initial

1478  
00:57:35,930 --> 00:57:33,359  
post-traumatic stress response

1479  
00:57:37,910 --> 00:57:35,940  
come to Value these experiences and feel

1480  
00:57:40,309 --> 00:57:37,920  
like they've been given a great gift

1481  
00:57:42,349 --> 00:57:40,319  
where they've been able to see much more

1482  
00:57:43,970 --> 00:57:42,359  
of reality to be

1483  
00:57:45,650 --> 00:57:43,980  
to have been able to come into contact

1484  
00:57:48,349 --> 00:57:45,660  
with beings that

1485  
00:57:50,450 --> 00:57:48,359  
really put into proper context how

1486  
00:57:52,910 --> 00:57:50,460  
limited we are and how much

1487  
00:57:55,430 --> 00:57:52,920  
on a positive note how much potential we

1488  
00:57:57,290 --> 00:57:55,440

have to grow and change and become much

1489

00:57:59,030 --> 00:57:57,300

more than we see ourselves as being now

1490

00:58:01,370 --> 00:57:59,040

because this touches on what you

1491

00:58:03,890 --> 00:58:01,380

mentioned earlier our biggest

1492

00:58:05,809 --> 00:58:03,900

problem is a lack of imagination

1493

00:58:07,549 --> 00:58:05,819

the reason why our society doesn't

1494

00:58:09,349 --> 00:58:07,559

change in a greater clip than it does is

1495

00:58:11,150 --> 00:58:09,359

because we just have a lack of

1496

00:58:13,010 --> 00:58:11,160

imagination and so like you say many

1497

00:58:14,990 --> 00:58:13,020

people feel kind of stuck but they don't

1498

00:58:17,510 --> 00:58:15,000

know how to change it and to some degree

1499

00:58:19,849 --> 00:58:17,520

we also excuse ourselves from being

1500

00:58:21,290 --> 00:58:19,859

culpable that the same system keeps

1501  
00:58:24,410 --> 00:58:21,300  
continuing I understand the one hand

1502  
00:58:27,290 --> 00:58:24,420  
that we feel helpless in some some ways

1503  
00:58:30,109 --> 00:58:27,300  
but are we really all doing the best we

1504  
00:58:32,150 --> 00:58:30,119  
can to whatever small way we can move

1505  
00:58:33,530 --> 00:58:32,160  
the needle forward are we doing that or

1506  
00:58:35,510 --> 00:58:33,540  
are we just throwing our hands up and

1507  
00:58:36,950 --> 00:58:35,520  
saying well it's not my problem really

1508  
00:58:39,109 --> 00:58:36,960  
because I'm not the one in charge anyway

1509  
00:58:41,150 --> 00:58:39,119  
and is that really how you would go

1510  
00:58:43,250 --> 00:58:41,160  
about things if you really felt in your

1511  
00:58:44,690 --> 00:58:43,260  
deepest bones that that's what needed to

1512  
00:58:46,490 --> 00:58:44,700  
happen

1513  
00:58:49,130 --> 00:58:46,500

but yeah these people that have these

1514

00:58:52,430 --> 00:58:49,140

experiences eventually come to not only

1515

00:58:54,530 --> 00:58:52,440

change their opinion of these others and

1516

00:58:56,750 --> 00:58:54,540

metabolize and begin to normalize a

1517

00:58:58,069 --> 00:58:56,760

sense of this is this is reality it's

1518

00:58:59,089 --> 00:58:58,079

much more than we thought of reality

1519

00:59:01,190 --> 00:58:59,099

before

1520

00:59:03,650 --> 00:59:01,200

but on top of that and this is again the

1521

00:59:05,329 --> 00:59:03,660

part that is mind-blowing on top of

1522

00:59:06,289 --> 00:59:05,339

mind-blowing a whole different level

1523

00:59:07,910 --> 00:59:06,299

here

1524

00:59:09,770 --> 00:59:07,920

is that they even begin to see

1525

00:59:12,890 --> 00:59:09,780

themselves differently and they begin to

1526

00:59:16,130 --> 00:59:12,900

for instance very often have memories

1527

00:59:18,230 --> 00:59:16,140

greater awareness of somehow being a

1528

00:59:20,990 --> 00:59:18,240

participant a willing participant in

1529

00:59:23,030 --> 00:59:21,000

this process having memories

1530

00:59:25,130 --> 00:59:23,040

of prior to birth

1531

00:59:27,410 --> 00:59:25,140

having conversations meetings around

1532

00:59:28,849 --> 00:59:27,420

coming into this world incarnating

1533

00:59:31,309 --> 00:59:28,859

having a mission

1534

00:59:33,309 --> 00:59:31,319

so this question around what is actual

1535

00:59:36,470 --> 00:59:33,319

violation here versus what is volition

1536

00:59:38,450 --> 00:59:36,480

becomes very very complex because the

1537

00:59:41,270 --> 00:59:38,460

very way we've defined

1538

00:59:43,789 --> 00:59:41,280

a self that can make decisions on behalf

1539

00:59:46,130 --> 00:59:43,799

of itself gets expanded right that the

1540

00:59:47,870 --> 00:59:46,140

the borders not only between nation

1541

00:59:50,270 --> 00:59:47,880

states but between ourselves and

1542

00:59:52,010 --> 00:59:50,280

everything else and everyone else also

1543

00:59:55,549 --> 00:59:52,020

begin to blur

1544

00:59:57,049 --> 00:59:55,559

so the implications are immense but yes

1545

00:59:59,089 --> 00:59:57,059

I think you make a good point that we're

1546

01:00:00,890 --> 00:59:59,099

going to go on through that uh as a

1547

01:00:04,069 --> 01:00:00,900

collective as well we'll go through

1548

01:00:05,750 --> 01:00:04,079

those different aspects of this grieving

1549

01:00:07,010 --> 01:00:05,760

process first of all just having to

1550

01:00:09,470 --> 01:00:07,020

recognize that what we thought of as

1551

01:00:13,069 --> 01:00:09,480

reality things that felt familiar and

1552

01:00:15,890 --> 01:00:13,079

like apple pie and American flags things

1553

01:00:17,809 --> 01:00:15,900

we grew up with are not going to be our

1554

01:00:19,730 --> 01:00:17,819

new understanding of reality and at

1555

01:00:22,130 --> 01:00:19,740

first we are going to feel some sense of

1556

01:00:24,049 --> 01:00:22,140

violation because like you say

1557

01:00:25,250 --> 01:00:24,059

we feel a bit duped that we didn't know

1558

01:00:28,069 --> 01:00:25,260

this was going on

1559

01:00:29,510 --> 01:00:28,079

we also feel like when evidence is

1560

01:00:32,809 --> 01:00:29,520

presented which I think it will be in

1561

01:00:34,970 --> 01:00:32,819

the long run that there's been some

1562

01:00:38,329 --> 01:00:34,980

if not seating then definitely control

1563

01:00:40,549 --> 01:00:38,339

and manipulation of our trajectory as a

1564

01:00:43,250 --> 01:00:40,559

species even genetic manipulation on

1565

01:00:45,289 --> 01:00:43,260

mass some people will not like that they

1566

01:00:47,170 --> 01:00:45,299

will feel like tagged animals that the

1567

01:00:50,390 --> 01:00:47,180

same way that we you know breed puppies

1568

01:00:51,829 --> 01:00:50,400

to be what we want

1569

01:00:53,210 --> 01:00:51,839

but again that really comes down to

1570

01:00:55,549 --> 01:00:53,220

recognizing we are not the Apex

1571

01:00:56,990 --> 01:00:55,559

intelligence and for me personally

1572

01:00:58,910 --> 01:00:57,000

I know some people have a problem with

1573

01:01:00,230 --> 01:00:58,920

this but for me personally when I've

1574

01:01:01,789 --> 01:01:00,240

been

1575

01:01:03,950 --> 01:01:01,799

in the presence of some other

1576

01:01:06,710 --> 01:01:03,960

intelligences that are much further

1577

01:01:08,270 --> 01:01:06,720

beyond me I trust that more than I trust

1578

01:01:09,410 --> 01:01:08,280

myself and I know some people will say

1579

01:01:11,809 --> 01:01:09,420

well you're just surrendering your

1580

01:01:14,270 --> 01:01:11,819

volition there like it's game over

1581

01:01:15,829 --> 01:01:14,280

again even my sense of self becomes

1582

01:01:18,470 --> 01:01:15,839

expanded so it's not as simple as it was

1583

01:01:19,970 --> 01:01:18,480

before so the equations get completely

1584

01:01:21,530 --> 01:01:19,980

changed that's what occurs to me here

1585

01:01:24,890 --> 01:01:21,540

not just for individuals but for the

1586

01:01:29,030 --> 01:01:26,870

that's um

1587

01:01:32,089 --> 01:01:29,040

it's like an ecstatic experience I mean

1588

01:01:33,470 --> 01:01:32,099

it's it's uh like you said it reshapes

1589

01:01:36,770 --> 01:01:33,480

the entire way you look you understand

1590

01:01:39,170 --> 01:01:36,780

who you are who what the world is and we

1591

01:01:40,910 --> 01:01:39,180

have examples of this and I I know I'm

1592

01:01:42,829 --> 01:01:40,920

kind of continue to dip back into this

1593

01:01:46,430 --> 01:01:42,839

well but that's because it's familiar to

1594

01:01:50,270 --> 01:01:46,440

me and I think it's also uh a very

1595

01:01:52,609 --> 01:01:50,280

useful uh well to to draw from and that

1596

01:01:55,789 --> 01:01:52,619

we you know we have a lot of anecdotal

1597

01:01:58,069 --> 01:01:55,799

uh stories from our religious traditions

1598

01:02:00,710 --> 01:01:58,079

of experiences that are just like this

1599

01:02:03,650 --> 01:02:00,720

and those Traditions wouldn't exist

1600

01:02:07,430 --> 01:02:03,660

without individuals who encountered

1601  
01:02:09,530 --> 01:02:07,440  
other intelligence Beyond them uh we

1602  
01:02:13,130 --> 01:02:09,540  
just we called them Angels or we called

1603  
01:02:15,650 --> 01:02:13,140  
them you know God quite frankly uh but

1604  
01:02:17,930 --> 01:02:15,660  
but really it's something that that

1605  
01:02:19,849 --> 01:02:17,940  
doesn't fall into those need categories

1606  
01:02:22,789 --> 01:02:19,859  
it's just something that is outside of

1607  
01:02:25,130 --> 01:02:22,799  
of a human instantiation a human

1608  
01:02:27,289 --> 01:02:25,140  
intelligence but when you encounter it

1609  
01:02:29,710 --> 01:02:27,299  
and and when you when you in turn a

1610  
01:02:31,930 --> 01:02:29,720  
relationship with it

1611  
01:02:35,210 --> 01:02:31,940  
you're all you're at a loss for words

1612  
01:02:38,329 --> 01:02:35,220  
you are doing it the best you can to

1613  
01:02:41,329 --> 01:02:38,339

transcribe what it feels like in that

1614

01:02:43,849 --> 01:02:41,339

moment and the way the world uh has been

1615

01:02:45,589 --> 01:02:43,859

transformed in that moment and you're

1616

01:02:47,630 --> 01:02:45,599

then you're going back to to your

1617

01:02:48,829 --> 01:02:47,640

colleagues your friends who haven't had

1618

01:02:50,150 --> 01:02:48,839

the experience at all and you're saying

1619

01:02:51,650 --> 01:02:50,160

well it was like this it was like that

1620

01:02:52,849 --> 01:02:51,660

this is what I think it means and this

1621

01:02:54,650 --> 01:02:52,859

is how we should live our life and

1622

01:02:56,990 --> 01:02:54,660

you're getting a lot of just dumbfounded

1623

01:02:58,849 --> 01:02:57,000

looks uh you know maybe they're and

1624

01:03:01,130 --> 01:02:58,859

maybe lose friends quite frankly most of

1625

01:03:02,510 --> 01:03:01,140

the time you did lose friends in that

1626

01:03:03,410 --> 01:03:02,520

process they don't want to hear it they

1627

01:03:05,630 --> 01:03:03,420

don't want to listen to you anymore

1628

01:03:07,069 --> 01:03:05,640

because they they like the world that

1629

01:03:08,930 --> 01:03:07,079

they knew and what you're telling them

1630

01:03:10,970 --> 01:03:08,940

is a world that is unfamiliar that is

1631

01:03:12,410 --> 01:03:10,980

foreign that is alien

1632

01:03:15,829 --> 01:03:12,420

to them

1633

01:03:21,530 --> 01:03:15,839

and so I I you know I'm of the opinion

1634

01:03:24,049 --> 01:03:21,540

that for True transformation to occur

1635

01:03:25,670 --> 01:03:24,059

human beings are going to need an

1636

01:03:28,970 --> 01:03:25,680

experience like that

1637

01:03:34,430 --> 01:03:28,980

uh on a very personal level we're going

1638

01:03:37,250 --> 01:03:34,440

to need not just a a statement that that

1639

01:03:40,549 --> 01:03:37,260

comes from an authority that that

1640

01:03:44,089 --> 01:03:40,559

helps us understand this is real but an

1641

01:03:46,910 --> 01:03:44,099

experience of this otherness that that

1642

01:03:49,789 --> 01:03:46,920

is more real than real and and only in

1643

01:03:52,309 --> 01:03:49,799

that experience you know are we uh I

1644

01:03:54,829 --> 01:03:52,319

would argue you know kind of able to be

1645

01:03:57,410 --> 01:03:54,839

truly transformed now you and I have

1646

01:03:59,750 --> 01:03:57,420

talked about other time is that there

1647

01:04:01,789 --> 01:03:59,760

there are different methods by which we

1648

01:04:04,370 --> 01:04:01,799

can have that kind of experience even if

1649

01:04:07,010 --> 01:04:04,380

if you know we don't have an alien

1650

01:04:09,109 --> 01:04:07,020

landing on our front lawn or coming to

1651  
01:04:11,390 --> 01:04:09,119  
see us in the middle of the night uh you

1652  
01:04:14,150 --> 01:04:11,400  
know there are ways that that

1653  
01:04:17,630 --> 01:04:14,160  
individuals right now without that

1654  
01:04:21,109 --> 01:04:17,640  
happening to them can can cultivate an

1655  
01:04:24,170 --> 01:04:21,119  
experience of otherness that is uh you

1656  
01:04:27,349 --> 01:04:24,180  
know approximate or or similar uh to

1657  
01:04:29,770 --> 01:04:27,359  
what this is like and uh and I would

1658  
01:04:33,170 --> 01:04:29,780  
encourage individuals to to do that

1659  
01:04:37,609 --> 01:04:33,180  
because it does transform you

1660  
01:04:40,130 --> 01:04:37,619  
um and so you know how do we in in of

1661  
01:04:41,990 --> 01:04:40,140  
the others taking direct action I like I

1662  
01:04:43,910 --> 01:04:42,000  
kind of wish they would

1663  
01:04:47,390 --> 01:04:43,920

um how would we sort of encourage or

1664

01:04:50,030 --> 01:04:47,400

recommend an entire world uh to to take

1665

01:04:51,710 --> 01:04:50,040

that kind of Journey uh after a press

1666

01:04:53,390 --> 01:04:51,720

release right I mean it just seems like

1667

01:04:55,150 --> 01:04:53,400

a really challenging thing to ask people

1668

01:04:57,109 --> 01:04:55,160

to do

1669

01:04:58,609 --> 01:04:57,119

indeed and I'm glad you brought up

1670

01:05:00,950 --> 01:04:58,619

religious history because we haven't

1671

01:05:03,770 --> 01:05:00,960

touched on that that much

1672

01:05:06,410 --> 01:05:03,780

but like you say ironically this has

1673

01:05:08,450 --> 01:05:06,420

shaped Western Civilization as many

1674

01:05:10,010 --> 01:05:08,460

historians have pointed out you cannot

1675

01:05:11,390 --> 01:05:10,020

separate the development of Western

1676

01:05:13,130 --> 01:05:11,400

civilization and everything that's

1677

01:05:15,230 --> 01:05:13,140

brought with the fruition of

1678

01:05:16,730 --> 01:05:15,240

technological innovation you can't

1679

01:05:20,210 --> 01:05:16,740

separate it from Christendom you can

1680

01:05:22,190 --> 01:05:20,220

separate it from Christian Europe

1681

01:05:24,470 --> 01:05:22,200

having a certain view of an ordered

1682

01:05:27,109 --> 01:05:24,480

Universe designed by God

1683

01:05:29,870 --> 01:05:27,119

that would allow us to study it learn

1684

01:05:31,849 --> 01:05:29,880

from it and develop Technologies to

1685

01:05:34,430 --> 01:05:31,859

manipulate it and to

1686

01:05:37,490 --> 01:05:34,440

move ahead and to mirror our image of

1687

01:05:39,109 --> 01:05:37,500

God by taking control and Dominion of

1688

01:05:42,049 --> 01:05:39,119

everything around us right these kind of

1689

01:05:44,089 --> 01:05:42,059

religious terms we use we think back to

1690

01:05:45,650 --> 01:05:44,099

things like the Star of Bethlehem right

1691

01:05:48,770 --> 01:05:45,660

it sure sounds like an anomalous object

1692

01:05:50,990 --> 01:05:48,780

to me lights in the sky right did did

1693

01:05:52,849 --> 01:05:51,000

Moses come back and say wow I just had a

1694

01:05:55,069 --> 01:05:52,859

crazy anomalous experience probably

1695

01:05:57,770 --> 01:05:55,079

didn't use those terms whatever the

1696

01:05:59,450 --> 01:05:57,780

Hebrew equivalent is but nevertheless

1697

01:06:02,390 --> 01:05:59,460

like you say this is what was happening

1698

01:06:04,250 --> 01:06:02,400

and it's funny because we again in kind

1699

01:06:06,349 --> 01:06:04,260

of our lazy thinking we we tend to think

1700

01:06:07,609 --> 01:06:06,359

of these as different categories well

1701

01:06:10,490 --> 01:06:07,619

well now you're talking about religion

1702

01:06:12,170 --> 01:06:10,500

well no we're talking about like you say

1703

01:06:14,710 --> 01:06:12,180

people coming into contact with

1704

01:06:18,650 --> 01:06:14,720

apparently non-human

1705

01:06:20,690 --> 01:06:18,660

beings of vast intelligence to the point

1706

01:06:23,150 --> 01:06:20,700

where often these beings that have been

1707

01:06:24,950 --> 01:06:23,160

called Angels historically have to keep

1708

01:06:26,270 --> 01:06:24,960

saying don't be afraid why do they have

1709

01:06:28,130 --> 01:06:26,280

to keep saying don't be afraid because

1710

01:06:30,710 --> 01:06:28,140

it's an overwhelming experience so while

1711

01:06:32,930 --> 01:06:30,720

we've tamed that and painted these

1712

01:06:35,870 --> 01:06:32,940

images of

1713

01:06:38,510 --> 01:06:35,880

childlike beings playing Harps with

1714

01:06:40,849 --> 01:06:38,520

wings really when you think about the

1715

01:06:42,650 --> 01:06:40,859

way that the experiences were described

1716

01:06:44,930 --> 01:06:42,660

they were very overwhelming much like

1717

01:06:47,690 --> 01:06:44,940

you know a gray alien or or a reptilian

1718

01:06:49,069 --> 01:06:47,700

or a giant mantis being I'm not saying

1719

01:06:50,750 --> 01:06:49,079

that's what they look like specifically

1720

01:06:52,370 --> 01:06:50,760

but they were overwhelming they were

1721

01:06:53,569 --> 01:06:52,380

discombobulating to the people who

1722

01:06:56,029 --> 01:06:53,579

experienced it

1723

01:06:58,910 --> 01:06:56,039

and also changed their life you see

1724

01:07:00,529 --> 01:06:58,920

people who say who am I to be worthy of

1725

01:07:02,630 --> 01:07:00,539

this but I will give my life for this

1726

01:07:04,970 --> 01:07:02,640

now this calling that I feel

1727

01:07:06,650 --> 01:07:04,980

that's exactly how many people feel that

1728

01:07:08,690 --> 01:07:06,660

have had encounters with these others

1729

01:07:11,450 --> 01:07:08,700

first is discombobulating overwhelming

1730

01:07:12,829 --> 01:07:11,460

but they also feel this igniting of a

1731

01:07:14,809 --> 01:07:12,839

sense of mission

1732

01:07:17,210 --> 01:07:14,819

everybody that I know that I'm sort of

1733

01:07:19,730 --> 01:07:17,220

on the same path with we all feel that

1734

01:07:21,349 --> 01:07:19,740

like this is why we're here this this

1735

01:07:24,470 --> 01:07:21,359

intimate familiarity with this

1736

01:07:26,510 --> 01:07:24,480

phenomenon is Central to why we came

1737

01:07:28,609 --> 01:07:26,520

here why we're here what we're here to

1738

01:07:31,130 --> 01:07:28,619

do our business is not finished here

1739

01:07:32,750 --> 01:07:31,140

until we fulfill something that is

1740

01:07:33,950 --> 01:07:32,760

connected intimately to this phenomenon

1741

01:07:35,930 --> 01:07:33,960

and how is that not a religious

1742

01:07:38,450 --> 01:07:35,940

experience how is like you say has that

1743

01:07:40,069 --> 01:07:38,460

on an ecstatic experience much like

1744

01:07:41,750 --> 01:07:40,079

religious history

1745

01:07:44,029 --> 01:07:41,760

and then I think about

1746

01:07:46,670 --> 01:07:44,039

even hints that you know the the

1747

01:07:48,650 --> 01:07:46,680

Catholic church and the Vatican is well

1748

01:07:51,349 --> 01:07:48,660

aware that these things that we call

1749

01:07:53,450 --> 01:07:51,359

orbs now were part of ancient history

1750

01:07:55,490 --> 01:07:53,460

and even more recent history and you

1751

01:08:00,410 --> 01:07:55,500

have Notions like Saint Francis of

1752

01:08:02,029 --> 01:08:00,420

Assisi having bodily reactions that look

1753

01:08:03,230 --> 01:08:02,039

like what we would call now a modern

1754

01:08:05,750 --> 01:08:03,240

disease

1755

01:08:07,730 --> 01:08:05,760

which can just basically happen when you

1756

01:08:10,069 --> 01:08:07,740

come into close contact with these orbs

1757

01:08:12,470 --> 01:08:10,079

so we have people that calm Kelly here

1758

01:08:14,630 --> 01:08:12,480

saying well you know these orbs look fun

1759

01:08:16,370 --> 01:08:14,640

and exciting but don't get too close

1760

01:08:18,470 --> 01:08:16,380

because not necessarily because they

1761

01:08:19,910 --> 01:08:18,480

mean to but they're just kind of

1762

01:08:22,729 --> 01:08:19,920

radioactive they're not good for our

1763

01:08:24,229 --> 01:08:22,739

physiology to come into contact with and

1764

01:08:25,729 --> 01:08:24,239

this may be some of the very same things

1765

01:08:27,890 --> 01:08:25,739

that were happening in religious history

1766

01:08:29,510 --> 01:08:27,900

but we put it in a different category

1767

01:08:31,849 --> 01:08:29,520

and it makes me think about the fact

1768

01:08:33,530 --> 01:08:31,859

that some of the churches I was in in my

1769

01:08:35,390 --> 01:08:33,540

deep history

1770

01:08:36,950 --> 01:08:35,400

I noticed a distinct difference there

1771

01:08:40,189 --> 01:08:36,960

was sort of the more charismatic groups

1772

01:08:42,729 --> 01:08:40,199

who were interested in having a

1773

01:08:45,289 --> 01:08:42,739

real-time experience with something

1774

01:08:46,610 --> 01:08:45,299

Transcendent something Sublime and

1775

01:08:47,709 --> 01:08:46,620

divine right and there was an

1776

01:08:50,090 --> 01:08:47,719

expectation that that was available

1777

01:08:52,490 --> 01:08:50,100

there were other religious groups also

1778

01:08:57,910 --> 01:08:52,500

Christian who didn't like any of that

1779

01:09:03,229 --> 01:09:01,729

concretized monumentized kind of thing

1780

01:09:04,729 --> 01:09:03,239

that you put in a book and it's safe

1781

01:09:06,709 --> 01:09:04,739

because you can't change the book right

1782

01:09:09,289 --> 01:09:06,719

and so you even see different

1783

01:09:10,189 --> 01:09:09,299

personality types ref you know reflected

1784

01:09:12,950 --> 01:09:10,199

in different kind of religious

1785

01:09:13,669 --> 01:09:12,960

Traditions I think what many people will

1786

01:09:16,729 --> 01:09:13,679

be

1787

01:09:18,530 --> 01:09:16,739

shocked and in awe of in this case is

1788

01:09:21,289 --> 01:09:18,540

that this is all happening in real time

1789

01:09:23,990 --> 01:09:21,299

this is not safe this has not been put

1790

01:09:25,610 --> 01:09:24,000

through tribunals like the Council of

1791

01:09:28,130 --> 01:09:25,620

nicaea and whatnot where everybody's

1792

01:09:29,209 --> 01:09:28,140

sort of inherits this ancient tradition

1793

01:09:31,130 --> 01:09:29,219

that's been

1794

01:09:32,689 --> 01:09:31,140

some people would say is ironed out a

1795

01:09:34,550 --> 01:09:32,699

lot of the good stuff but nevertheless

1796

01:09:36,650 --> 01:09:34,560

it's tame and it's safe what we're

1797

01:09:38,870 --> 01:09:36,660

confronted here is we are like those

1798

01:09:41,630 --> 01:09:38,880

religious figures we are Moses we are

1799

01:09:45,289 --> 01:09:41,640

Abraham right we are the Apostle Paul we

1800

01:09:46,249 --> 01:09:45,299

are these people having first century if

1801  
01:09:49,010 --> 01:09:46,259  
you will

1802  
01:09:51,110 --> 01:09:49,020  
even though it's the 21st century

1803  
01:09:53,329 --> 01:09:51,120  
experience with something that

1804  
01:09:56,390 --> 01:09:53,339  
fundamentally changes perhaps the future

1805  
01:09:59,930 --> 01:09:56,400  
trajectory of our civilization

1806  
01:10:04,550 --> 01:10:02,689  
we

1807  
01:10:05,689 --> 01:10:04,560  
this is about us right this is about who

1808  
01:10:09,410 --> 01:10:05,699  
we are

1809  
01:10:09,420 --> 01:10:13,850  
I don't know I can't help but

1810  
01:10:17,510 --> 01:10:15,229  
you know think about that that

1811  
01:10:19,550 --> 01:10:17,520  
experience where it what does it feel

1812  
01:10:23,229 --> 01:10:19,560  
like to be truly known you know to be

1813  
01:10:26,450 --> 01:10:23,239

fully known to be laid bare uh and to be

1814

01:10:28,790 --> 01:10:26,460

revealed in a way that that you've never

1815

01:10:31,910 --> 01:10:28,800

been revealed before

1816

01:10:34,010 --> 01:10:31,920

um terrifying yes uh you know scary

1817

01:10:36,410 --> 01:10:34,020

absolutely

1818

01:10:39,709 --> 01:10:36,420

um intimidating definitely

1819

01:10:40,729 --> 01:10:39,719

but there's a degree of as you said

1820

01:10:43,030 --> 01:10:40,739

earlier

1821

01:10:46,550 --> 01:10:43,040

uh kind of kind of trust

1822

01:10:48,350 --> 01:10:46,560

that comes from that uh level of

1823

01:10:49,910 --> 01:10:48,360

intimacy

1824

01:10:52,669 --> 01:10:49,920

um and

1825

01:10:54,649 --> 01:10:52,679

you know you can't help but also look at

1826  
01:10:57,590 --> 01:10:54,659  
the entire Enterprise and and Come Away

1827  
01:11:00,709 --> 01:10:57,600  
with a sense that you know this is about

1828  
01:11:03,050 --> 01:11:00,719  
all of our Journeys right this is about

1829  
01:11:05,630 --> 01:11:03,060  
the the Journey of the the the

1830  
01:11:08,390 --> 01:11:05,640  
development of the individual of the

1831  
01:11:10,430 --> 01:11:08,400  
individual awareness of uh you know

1832  
01:11:12,050 --> 01:11:10,440  
there's a lot of new age you know sort

1833  
01:11:15,290 --> 01:11:12,060  
of mumbo-jumbo that has been thrown

1834  
01:11:17,570 --> 01:11:15,300  
around but in a sort of uh what we are

1835  
01:11:19,870 --> 01:11:17,580  
here to do right and as you talked about

1836  
01:11:22,430 --> 01:11:19,880  
personality types and you know different

1837  
01:11:24,950 --> 01:11:22,440  
personalities that are fixating on on

1838  
01:11:28,490 --> 01:11:24,960

sort of the different aspects of of our

1839

01:11:32,090 --> 01:11:28,500

experience uh I cannot help but evaluate

1840

01:11:35,149 --> 01:11:32,100

the range of that uh behavior and come

1841

01:11:36,290 --> 01:11:35,159

away going yeah like some of us are you

1842

01:11:38,390 --> 01:11:36,300

know we're here and we're really kind of

1843

01:11:41,870 --> 01:11:38,400

trapped on the things we just love the

1844

01:11:43,490 --> 01:11:41,880

things you know we it's uh you know we

1845

01:11:45,229 --> 01:11:43,500

just got here and everything's shiny and

1846

01:11:46,729 --> 01:11:45,239

we love the shiny stuff

1847

01:11:49,010 --> 01:11:46,739

um and then we have others that that

1848

01:11:50,450 --> 01:11:49,020

they get here and uh none of that

1849

01:11:53,750 --> 01:11:50,460

stuff means anything you know they don't

1850

01:11:55,729 --> 01:11:53,760

care about that stuff at all uh they

1851

01:11:57,350 --> 01:11:55,739

care about uh how they treat other

1852

01:11:59,450 --> 01:11:57,360

people and they're you know they're

1853

01:12:01,130 --> 01:11:59,460

giving things away possessions mean

1854

01:12:02,330 --> 01:12:01,140

nothing to them

1855

01:12:04,370 --> 01:12:02,340

um

1856

01:12:06,770 --> 01:12:04,380

you know what

1857

01:12:08,630 --> 01:12:06,780

we tend to We tend to look at those

1858

01:12:10,729 --> 01:12:08,640

behaviors and create a kind of a value

1859

01:12:12,110 --> 01:12:10,739

scale oh well the people that are going

1860

01:12:14,330 --> 01:12:12,120

for the shiny stuff well they're you

1861

01:12:15,830 --> 01:12:14,340

know their their low class they're

1862

01:12:17,030 --> 01:12:15,840

underdeveloped like the people that are

1863

01:12:18,830 --> 01:12:17,040

giving it all away that's a hard

1864

01:12:20,630 --> 01:12:18,840

development you know well you know maybe

1865

01:12:22,490 --> 01:12:20,640

in some ways you can look at it that way

1866

01:12:24,830 --> 01:12:22,500

but you know the truth of it is like

1867

01:12:28,970 --> 01:12:24,840

this is these are the steps that we all

1868

01:12:31,189 --> 01:12:28,980

must go through and I I think

1869

01:12:35,450 --> 01:12:31,199

you know all that you know kind of

1870

01:12:38,330 --> 01:12:35,460

Preamble there is to say that the uh

1871

01:12:41,390 --> 01:12:38,340

acknowledgment the onset of the

1872

01:12:43,490 --> 01:12:41,400

phenomena in our world is an

1873

01:12:46,189 --> 01:12:43,500

acknowledgment that

1874

01:12:48,729 --> 01:12:46,199

there is much more to be done that there

1875

01:12:51,530 --> 01:12:48,739

is much more than than just what is here

1876

01:12:54,530 --> 01:12:51,540

and and when there is more to what is

1877

01:12:57,890 --> 01:12:54,540

here how does it change the entire

1878

01:12:59,209 --> 01:12:57,900

Paradigm of what you value of what you

1879

01:13:00,470 --> 01:12:59,219

spend your time on what you send your

1880

01:13:03,709 --> 01:13:00,480

thoughts on how you treat other

1881

01:13:05,510 --> 01:13:03,719

individuals uh you know those are the

1882

01:13:07,669 --> 01:13:05,520

things that I hear from a lot of

1883

01:13:10,430 --> 01:13:07,679

experiencers that that it has changed

1884

01:13:12,770 --> 01:13:10,440

the way that they have uh treated the

1885

01:13:15,649 --> 01:13:12,780

world they're much more conscious about

1886

01:13:17,750 --> 01:13:15,659

you know their behavior at least they

1887

01:13:20,209 --> 01:13:17,760

they certainly try to be

1888

01:13:22,610 --> 01:13:20,219

um and so you know that's exactly what I

1889

01:13:24,950 --> 01:13:22,620

would expect to happen if you are

1890

01:13:28,250 --> 01:13:24,960

encountering a kind of intelligence like

1891

01:13:30,950 --> 01:13:28,260

this that uh you know is representative

1892

01:13:33,470 --> 01:13:30,960

of that deeper layer of reality it's

1893

01:13:35,689 --> 01:13:33,480

going to shatter into a million pieces

1894

01:13:38,450 --> 01:13:35,699

the things that that you know we tend to

1895

01:13:41,090 --> 01:13:38,460

think are important uh and we value so

1896

01:13:43,850 --> 01:13:41,100

many stupid silly senseless things and

1897

01:13:46,130 --> 01:13:43,860

it's gonna I think expose how stupid and

1898

01:13:48,350 --> 01:13:46,140

silly those things are and and those of

1899

01:13:49,729 --> 01:13:48,360

us that have been collecting them you

1900

01:13:51,410 --> 01:13:49,739

know we're going to feel pretty foolish

1901

01:13:53,450 --> 01:13:51,420

right oh you're telling me right now

1902

01:13:54,890 --> 01:13:53,460

that uh all this cool stuff that I've

1903

01:13:56,630 --> 01:13:54,900

got behind me that I've accumulated

1904

01:13:59,630 --> 01:13:56,640

doesn't mean anything like it's not it's

1905

01:14:01,910 --> 01:13:59,640

not important uh well you know the world

1906

01:14:03,290 --> 01:14:01,920

that I grew up in told me it was so now

1907

01:14:06,410 --> 01:14:03,300

I'm kind of dealing with an entire

1908

01:14:08,510 --> 01:14:06,420

crisis that I have to navigate my way

1909

01:14:09,830 --> 01:14:08,520

through I feel like a lot of people are

1910

01:14:12,530 --> 01:14:09,840

going to be stuck in that place at least

1911

01:14:14,750 --> 01:14:12,540

you know people in the West

1912

01:14:16,970 --> 01:14:14,760

it's a good point about how experiences

1913

01:14:18,890 --> 01:14:16,980

are changed because if you think about

1914

01:14:21,590 --> 01:14:18,900

this perhaps this will provide the

1915

01:14:23,930 --> 01:14:21,600

opportunity for many many more people to

1916

01:14:25,610 --> 01:14:23,940

fall into that category where they are

1917

01:14:27,350 --> 01:14:25,620

confronted with

1918

01:14:29,450 --> 01:14:27,360

Notions that transcend their previous

1919

01:14:32,689 --> 01:14:29,460

models of the world

1920

01:14:34,610 --> 01:14:32,699

and provide the opportunity to actually

1921

01:14:37,189 --> 01:14:34,620

embrace a new way of being

1922

01:14:40,189 --> 01:14:37,199

I think that

1923

01:14:41,630 --> 01:14:40,199

something that really changed for me and

1924

01:14:44,830 --> 01:14:41,640

I know it's true for a lot of

1925

01:14:47,930 --> 01:14:44,840

experiencers is this notion that

1926

01:14:50,990 --> 01:14:47,940

absolutely unquestionably

1927

01:14:52,310 --> 01:14:51,000

without a doubt this lifetime is not all

1928

01:14:54,590 --> 01:14:52,320

there is

1929

01:14:57,830 --> 01:14:54,600

and it almost being Preposterous to

1930

01:15:00,950 --> 01:14:57,840

think that that's the case so

1931

01:15:02,450 --> 01:15:00,960

once you really metabolize that part the

1932

01:15:04,610 --> 01:15:02,460

fact that this is just one chapter of

1933

01:15:07,310 --> 01:15:04,620

many then

1934

01:15:08,689 --> 01:15:07,320

it's not about saying to people come on

1935

01:15:10,430 --> 01:15:08,699

they'll be so materialistic why do you

1936

01:15:12,110 --> 01:15:10,440

want a Ferrari in a big house on a yacht

1937

01:15:13,910 --> 01:15:12,120

it's not about that it's recognizing

1938

01:15:16,130 --> 01:15:13,920

that as you kind of hinted at there

1939

01:15:18,530 --> 01:15:16,140

those things don't really have meaning

1940

01:15:20,149 --> 01:15:18,540

when the context changes right it's not

1941

01:15:23,209 --> 01:15:20,159

that the things change it's that the

1942

01:15:25,010 --> 01:15:23,219

context changes so if you see what we

1943

01:15:27,830 --> 01:15:25,020

perceive as physical reality in this

1944

01:15:30,350 --> 01:15:27,840

lifetime is actually just being a stage

1945

01:15:32,330 --> 01:15:30,360

that has been set up to allow for the

1946

01:15:34,070 --> 01:15:32,340

evolution of your Consciousness which

1947

01:15:36,050 --> 01:15:34,080

carries on after this lifetime that's

1948

01:15:37,610 --> 01:15:36,060

been here before this lifetime that in

1949

01:15:39,470 --> 01:15:37,620

some ways is not even linear like that

1950

01:15:41,950 --> 01:15:39,480

that's part of the illusory nature of

1951

01:15:44,330 --> 01:15:41,960

our experience you have a multi-faceted

1952

01:15:47,090 --> 01:15:44,340

multi-dimensional component to yourself

1953

01:15:49,010 --> 01:15:47,100

and again I've had experiences where I'm

1954

01:15:50,330 --> 01:15:49,020

feeling like I'm interacting with

1955

01:15:52,370 --> 01:15:50,340

another intelligence and it actually

1956

01:15:55,610 --> 01:15:52,380

feels like it's me it feels like it's

1957

01:15:57,530 --> 01:15:55,620

another aspect of me right so again this

1958

01:16:00,110 --> 01:15:57,540

gets very complex in terms of where do

1959

01:16:02,930 --> 01:16:00,120

we end and they begin

1960

01:16:05,810 --> 01:16:02,940

um but when you really have that shift

1961

01:16:07,910 --> 01:16:05,820

in the perspective of the context then

1962

01:16:10,310 --> 01:16:07,920

it just follows that you look at things

1963

01:16:12,350 --> 01:16:10,320

differently and you recognize that it

1964

01:16:15,110 --> 01:16:12,360

would be a huge waste of your own time

1965

01:16:19,430 --> 01:16:15,120

and energy if you got caught up in these

1966

01:16:20,870 --> 01:16:19,440

toys basically when you realize that the

1967

01:16:23,750 --> 01:16:20,880

whole point of being here was to grow

1968

01:16:26,030 --> 01:16:23,760

your soul for lack of a better term and

1969

01:16:27,890 --> 01:16:26,040

that that's what you take with you and

1970

01:16:31,010 --> 01:16:27,900

so if you got caught up in these these

1971

01:16:33,350 --> 01:16:31,020

toys then it's like you know a 35 year

1972

01:16:34,910 --> 01:16:33,360

old who's still in a sandbox in the back

1973

01:16:37,370 --> 01:16:34,920

of the house playing with like toy

1974

01:16:38,689 --> 01:16:37,380

trucks I mean that's kind of cute I

1975

01:16:40,970 --> 01:16:38,699

guess in a way but it's actually kind of

1976

01:16:43,550 --> 01:16:40,980

sad right it's like maybe you need to

1977

01:16:45,709 --> 01:16:43,560

move on so Failure to Launch in the nth

1978

01:16:47,390 --> 01:16:45,719

degree right so that that's something I

1979

01:16:49,490 --> 01:16:47,400

I want to point out here that it's not

1980

01:16:51,709 --> 01:16:49,500

about trying to shame people into saying

1981

01:16:53,630 --> 01:16:51,719

be less materialistic that's wrong it's

1982

01:16:55,669 --> 01:16:53,640

about recognizing that will naturally

1983

01:16:57,530 --> 01:16:55,679

follow once you have this contextual

1984

01:16:59,930 --> 01:16:57,540

shift and you're aware of the larger

1985

01:17:02,450 --> 01:16:59,940

context and I think that this will help

1986

01:17:04,310 --> 01:17:02,460

do that for many people and as I pointed

1987

01:17:07,189 --> 01:17:04,320

out I think in our last episode one of

1988

01:17:09,169 --> 01:17:07,199

the real fascinating questions for me is

1989

01:17:12,229 --> 01:17:09,179

what happens when hundreds of millions

1990

01:17:15,110 --> 01:17:12,239

of people are trying ce5 right what

1991

01:17:16,550 --> 01:17:15,120

happens when people are aware that there

1992

01:17:17,689 --> 01:17:16,560

are different kinds of entities all

1993

01:17:19,729 --> 01:17:17,699

around us

1994

01:17:21,950 --> 01:17:19,739

and you can actually

1995

01:17:24,410 --> 01:17:21,960

proactively try to make contact and it

1996

01:17:27,410 --> 01:17:24,420

seems to work again the the number of

1997

01:17:30,470 --> 01:17:27,420

people who practice C5 or slash Heist

1998

01:17:33,410 --> 01:17:30,480

human initiated contact events and

1999

01:17:35,510 --> 01:17:33,420

actually have not only encounters but

2000

01:17:37,970 --> 01:17:35,520

very often it's the case it's positive

2001  
01:17:40,910 --> 01:17:37,980  
encounters so again even that notion

2002  
01:17:45,229 --> 01:17:40,920  
right that that the way we Prime the

2003  
01:17:46,669 --> 01:17:45,239  
experience with positivity or negativity

2004  
01:17:47,990 --> 01:17:46,679  
results in different kinds of

2005  
01:17:49,970 --> 01:17:48,000  
experiences people are going to have to

2006  
01:17:52,010 --> 01:17:49,980  
metabolize that right that they are

2007  
01:17:54,770 --> 01:17:52,020  
actually in a complex multi-faceted

2008  
01:17:56,510 --> 01:17:54,780  
Cosmos it's multi-dimensional and that

2009  
01:17:59,149 --> 01:17:56,520  
different beings are available to be

2010  
01:18:01,850 --> 01:17:59,159  
contacted but you have to be aware you

2011  
01:18:02,750 --> 01:18:01,860  
have to have spiritual hygiene energetic

2012  
01:18:05,030 --> 01:18:02,760  
hygiene

2013  
01:18:06,410 --> 01:18:05,040

to make sure that you're making the

2014

01:18:08,570 --> 01:18:06,420

right kind of contact in the same way

2015

01:18:09,950 --> 01:18:08,580

that we're conscious of where we drive

2016

01:18:11,030 --> 01:18:09,960

in the city at the middle of the night

2017

01:18:13,610 --> 01:18:11,040

kind of thing

2018

01:18:15,229 --> 01:18:13,620

the same way you have to learn some

2019

01:18:16,910 --> 01:18:15,239

protocols to follow and this is going to

2020

01:18:18,050 --> 01:18:16,920

be very very new to people right this is

2021

01:18:20,330 --> 01:18:18,060

uh

2022

01:18:21,950 --> 01:18:20,340

this really makes you think about just

2023

01:18:24,229 --> 01:18:21,960

how far reaching this goes because it

2024

01:18:25,729 --> 01:18:24,239

not only do we become confronted with

2025

01:18:28,370 --> 01:18:25,739

the fact there are others in our midst

2026

01:18:30,229 --> 01:18:28,380

but suddenly you have billions of people

2027

01:18:32,030 --> 01:18:30,239

aware of that and how does that change

2028

01:18:34,790 --> 01:18:32,040

their behavior and how does that change

2029

01:18:37,070 --> 01:18:34,800

in Behavior then change the entire

2030

01:18:38,990 --> 01:18:37,080

civilization change the nature of our

2031

01:18:40,010 --> 01:18:39,000

relationship with reality

2032

01:18:42,350 --> 01:18:40,020

hmm

2033

01:18:45,110 --> 01:18:42,360

well priming the experience I I have to

2034

01:18:48,290 --> 01:18:45,120

you know sort of explore how is the

2035

01:18:50,390 --> 01:18:48,300

experience being primed right now uh you

2036

01:18:54,110 --> 01:18:50,400

know there's a lot of and has been a lot

2037

01:18:57,229 --> 01:18:54,120

of speculation in the UFO Community uh

2038

01:18:59,270 --> 01:18:57,239

for decades of course that there are uh

2039

01:19:03,050 --> 01:18:59,280

the secret Keepers and there's going to

2040

01:19:04,610 --> 01:19:03,060

be kind of a controlled uh disclosure

2041

01:19:06,410 --> 01:19:04,620

there's going to be a rollout there's

2042

01:19:09,050 --> 01:19:06,420

going to you know the Puppet Master sort

2043

01:19:11,390 --> 01:19:09,060

of uh in a concept here

2044

01:19:14,390 --> 01:19:11,400

um and I'm

2045

01:19:17,689 --> 01:19:14,400

you know aware here how keenly

2046

01:19:20,510 --> 01:19:17,699

important priming the experience is

2047

01:19:24,110 --> 01:19:20,520

right so so how is the experience of

2048

01:19:26,510 --> 01:19:24,120

this rollout being primed for Humanity

2049

01:19:29,510 --> 01:19:26,520

right now I mean it's pretty clear to me

2050

01:19:31,010 --> 01:19:29,520

looking at it you know just unfold and

2051

01:19:34,189 --> 01:19:31,020

someone that has an interest in this

2052

01:19:37,370 --> 01:19:34,199

that it's the vector by which it's it's

2053

01:19:39,410 --> 01:19:37,380

unfolding is uh is very much through you

2054

01:19:42,070 --> 01:19:39,420

know kind of the scientific inquiry

2055

01:19:45,890 --> 01:19:42,080

scientific method you know academic

2056

01:19:48,410 --> 01:19:45,900

understanding uh that kind of blinders

2057

01:19:49,910 --> 01:19:48,420

on these things are permitted we're not

2058

01:19:52,010 --> 01:19:49,920

going to talk about these things because

2059

01:19:54,709 --> 01:19:52,020

they're not real

2060

01:19:56,630 --> 01:19:54,719

um and so I'm wondering you know here

2061

01:19:58,970 --> 01:19:56,640

out loud is that the

2062

01:20:03,310 --> 01:19:58,980

is that the best approach for this how

2063

01:20:05,870 --> 01:20:03,320

do we go from uh that kind of narrow

2064

01:20:08,330 --> 01:20:05,880

material as scientific

2065

01:20:12,110 --> 01:20:08,340

you know expectation setting

2066

01:20:14,750 --> 01:20:12,120

to to transition from there to what what

2067

01:20:16,729 --> 01:20:14,760

it really is to The Wider how do we go

2068

01:20:18,890 --> 01:20:16,739

from from the nuts and bolts to the woo

2069

01:20:20,750 --> 01:20:18,900

as the sort of The Perennial debate in

2070

01:20:23,750 --> 01:20:20,760

the UFO Community right we're not

2071

01:20:24,950 --> 01:20:23,760

priming for Wu at all right now I don't

2072

01:20:26,870 --> 01:20:24,960

think

2073

01:20:28,850 --> 01:20:26,880

um and maybe that's because people of

2074

01:20:30,950 --> 01:20:28,860

the woo was a lot harder it's a lot more

2075

01:20:34,310 --> 01:20:30,960

subjective uh people have fewer answers

2076

01:20:36,830 --> 01:20:34,320

there if all we've done is a as a secret

2077

01:20:39,410 --> 01:20:36,840

state has been studying you know craft

2078

01:20:41,090 --> 01:20:39,420

or debris and under a microscope then of

2079

01:20:42,530 --> 01:20:41,100

course we're going to run you know roll

2080

01:20:45,110 --> 01:20:42,540

this out from a nuts and bolts

2081

01:20:48,290 --> 01:20:45,120

perspective uh if but on the other hand

2082

01:20:50,209 --> 01:20:48,300

there is evidence to show that that you

2083

01:20:54,290 --> 01:20:50,219

know agencies and individuals have

2084

01:20:56,450 --> 01:20:54,300

studied some aspects of the woo uh for

2085

01:20:59,229 --> 01:20:56,460

decades as well it's just that maybe the

2086

01:21:02,870 --> 01:20:59,239

answers are harder to uh

2087

01:21:05,390 --> 01:21:02,880

distill and package for a materialist

2088

01:21:07,430 --> 01:21:05,400

audience so so how do you you think

2089

01:21:09,229 --> 01:21:07,440

about all this in in that you know how

2090

01:21:12,649 --> 01:21:09,239

do you think the the

2091

01:21:15,470 --> 01:21:12,659

uh the revelation of what this is is

2092

01:21:17,270 --> 01:21:15,480

being primed for uh Humanity at this

2093

01:21:19,970 --> 01:21:17,280

moment

2094

01:21:21,530 --> 01:21:19,980

it's a good question and definitely I

2095

01:21:23,510 --> 01:21:21,540

think when we think about how this would

2096

01:21:25,490 --> 01:21:23,520

roll out for for instance the shamanic

2097

01:21:26,990 --> 01:21:25,500

culture it would be very very different

2098

01:21:29,149 --> 01:21:27,000

they

2099

01:21:31,610 --> 01:21:29,159

already see this as part of reality

2100

01:21:34,370 --> 01:21:31,620

right when Ross coldheart spoke with

2101

01:21:36,410 --> 01:21:34,380

Aborigines in Australia

2102

01:21:37,970 --> 01:21:36,420

they basically laughed and said you

2103

01:21:39,709 --> 01:21:37,980

white people act like this is a new

2104

01:21:42,110 --> 01:21:39,719

thing we've known about these beings all

2105

01:21:43,729 --> 01:21:42,120

along we have relationship with them so

2106

01:21:44,990 --> 01:21:43,739

for a group like them it's not going to

2107

01:21:47,030 --> 01:21:45,000

be nearly as daunting because it's

2108

01:21:49,490 --> 01:21:47,040

already been metabolized it's they're

2109

01:21:51,050 --> 01:21:49,500

born with that kind of part of their

2110

01:21:53,270 --> 01:21:51,060

culture

2111

01:21:55,610 --> 01:21:53,280

so as you say in western civilization

2112

01:21:57,470 --> 01:21:55,620

where we've truncated reality where

2113

01:21:59,390 --> 01:21:57,480

we've flat landed everything so that we

2114

01:22:00,649 --> 01:21:59,400

think that physical reality is all that

2115

01:22:02,209 --> 01:22:00,659

really counts and everything else is

2116

01:22:04,729 --> 01:22:02,219

mushy subjective stuff that is

2117

01:22:08,149 --> 01:22:04,739

ultimately just the

2118

01:22:09,550 --> 01:22:08,159

byproduct of Epi phenomenalist firings

2119

01:22:13,490 --> 01:22:09,560

of our brain

2120

01:22:14,870 --> 01:22:13,500

then this blows that entirely apart but

2121

01:22:16,610 --> 01:22:14,880

how do you how do you take the first

2122

01:22:18,649 --> 01:22:16,620

step what does that look like

2123

01:22:21,250 --> 01:22:18,659

as we talked about right now there's

2124

01:22:24,649 --> 01:22:21,260

this attempt to ground this in reality

2125

01:22:26,990 --> 01:22:24,659

and to even if the secret Keepers know

2126

01:22:28,729 --> 01:22:27,000

darn well there's a there there they

2127

01:22:31,610 --> 01:22:28,739

recognize they have to package this in

2128

01:22:33,590 --> 01:22:31,620

such a way that the Skeptics the cynics

2129

01:22:35,149 --> 01:22:33,600

will actually have to acknowledge that

2130

01:22:37,850 --> 01:22:35,159

something's going on that can't be

2131

01:22:39,709 --> 01:22:37,860

explained and in our culture the way

2132

01:22:43,490 --> 01:22:39,719

that that looks as you present evidence

2133

01:22:45,530 --> 01:22:43,500

that is objective impartial and

2134

01:22:47,930 --> 01:22:45,540

difficult to disagree with

2135

01:22:49,850 --> 01:22:47,940

but as I've said before I think

2136

01:22:52,729 --> 01:22:49,860

one question that really

2137

01:22:55,070 --> 01:22:52,739

comes to me around this and I'm sure the

2138

01:22:57,709 --> 01:22:55,080

secret keepers are wondering about this

2139

01:22:59,149 --> 01:22:57,719

is what will the response of the others

2140

01:23:02,030 --> 01:22:59,159

be to this

2141

01:23:05,630 --> 01:23:02,040

because they are not an inert Force they

2142

01:23:07,310 --> 01:23:05,640

are an ever-present force that have been

2143

01:23:08,689 --> 01:23:07,320

shaping things from behind the scenes

2144

01:23:10,490 --> 01:23:08,699

from behind the curtain they've been The

2145

01:23:12,770 --> 01:23:10,500

Wizard of Oz if you will

2146

01:23:15,470 --> 01:23:12,780

so what happens when suddenly they

2147

01:23:17,030 --> 01:23:15,480

become aware that we're aware of them

2148

01:23:19,250 --> 01:23:17,040

this is an interesting question I don't

2149

01:23:21,350 --> 01:23:19,260

think anyone knows the answer to it and

2150

01:23:22,970 --> 01:23:21,360

I also want to make this point because I

2151  
01:23:24,830 --> 01:23:22,980  
always want to give this caveat because

2152  
01:23:26,750 --> 01:23:24,840  
I think people otherwise think that I

2153  
01:23:27,709 --> 01:23:26,760  
paint too Rosie a picture of this entire

2154  
01:23:29,689 --> 01:23:27,719  
thing

2155  
01:23:31,130 --> 01:23:29,699  
again there are entities out there that

2156  
01:23:33,229 --> 01:23:31,140  
are not so friendly there are entities

2157  
01:23:35,330 --> 01:23:33,239  
out there that are not so evolved and

2158  
01:23:37,490 --> 01:23:35,340  
again I think those go hand in hand

2159  
01:23:38,870 --> 01:23:37,500  
the the higher your evolutionary

2160  
01:23:40,010 --> 01:23:38,880  
Consciousness is the more you're

2161  
01:23:42,050 --> 01:23:40,020  
connected to the sense of being

2162  
01:23:44,209 --> 01:23:42,060  
connected to everything and everyone and

2163  
01:23:45,649 --> 01:23:44,219

that changes your behavior in the same

2164

01:23:47,810 --> 01:23:45,659

way I talked about when you change the

2165

01:23:49,550 --> 01:23:47,820

context of realizing this is just one

2166

01:23:51,050 --> 01:23:49,560

iteration amongst many lifetimes it

2167

01:23:52,550 --> 01:23:51,060

automatically changes your relationship

2168

01:23:54,830 --> 01:23:52,560

to reality

2169

01:23:56,689 --> 01:23:54,840

in the same way the highest of these

2170

01:23:57,890 --> 01:23:56,699

beings see themselves as connected to

2171

01:24:00,709 --> 01:23:57,900

everyone and everything and they don't

2172

01:24:02,990 --> 01:24:00,719

want to dominate or suppress

2173

01:24:06,050 --> 01:24:03,000

or colonize because that would be like

2174

01:24:11,330 --> 01:24:08,630

so there are again entities though that

2175

01:24:13,310 --> 01:24:11,340

are negative that are more like viral

2176

01:24:14,630 --> 01:24:13,320

kind of parasitic kind of entities and

2177

01:24:16,430 --> 01:24:14,640

people will have to be aware of those

2178

01:24:17,510 --> 01:24:16,440

and the irony is those have already been

2179

01:24:20,149 --> 01:24:17,520

working

2180

01:24:22,010 --> 01:24:20,159

in our world and we just haven't had a

2181

01:24:24,229 --> 01:24:22,020

category for them

2182

01:24:25,669 --> 01:24:24,239

so when you think about the

2183

01:24:27,410 --> 01:24:25,679

psychological field and I think about

2184

01:24:28,250 --> 01:24:27,420

John Mack and what he had to run into in

2185

01:24:30,050 --> 01:24:28,260

terms of

2186

01:24:31,490 --> 01:24:30,060

saying to people this really was not

2187

01:24:33,890 --> 01:24:31,500

Psychopathology these people are

2188

01:24:35,450 --> 01:24:33,900

completely healthy this is a real part

2189

01:24:37,729 --> 01:24:35,460

of reality

2190

01:24:40,430 --> 01:24:37,739

and some things that we quickly wanted

2191

01:24:41,930 --> 01:24:40,440

to make mental illness issues were not

2192

01:24:44,390 --> 01:24:41,940

something else

2193

01:24:47,090 --> 01:24:44,400

but what this shows us is that

2194

01:24:49,250 --> 01:24:47,100

this really changes the menu because you

2195

01:24:51,649 --> 01:24:49,260

can have experiences that are positive

2196

01:24:53,750 --> 01:24:51,659

that are not someone being delusional in

2197

01:24:56,330 --> 01:24:53,760

the same way some people

2198

01:24:58,250 --> 01:24:56,340

demonstrating negative behaviors even

2199

01:25:00,110 --> 01:24:58,260

self-defeating behaviors might also

2200

01:25:01,310 --> 01:25:00,120

being be

2201

01:25:03,229 --> 01:25:01,320

um

2202

01:25:05,510 --> 01:25:03,239

unfortunately suffering under some sort

2203

01:25:07,070 --> 01:25:05,520

of parasitic entity that is not them and

2204

01:25:08,630 --> 01:25:07,080

it's not just something gone wrong in

2205

01:25:11,570 --> 01:25:08,640

the neuronal connections of their brain

2206

01:25:13,490 --> 01:25:11,580

this can't be fixed by drugs it's

2207

01:25:14,870 --> 01:25:13,500

something fundamental about reality and

2208

01:25:16,729 --> 01:25:14,880

the relationship with reality and in

2209

01:25:18,590 --> 01:25:16,739

fact reality itself is kind of more

2210

01:25:21,110 --> 01:25:18,600

energetic and the physicality again is

2211

01:25:22,729 --> 01:25:21,120

just illusory and so that even changes

2212

01:25:25,010 --> 01:25:22,739

our entire understanding of Health Care

2213

01:25:27,350 --> 01:25:25,020

how do we approach medicine when we

2214

01:25:30,169 --> 01:25:27,360

realize that we are primarily energetic

2215

01:25:31,790 --> 01:25:30,179

beings and that our relationship with

2216

01:25:34,189 --> 01:25:31,800

each other with ourselves with the

2217

01:25:36,709 --> 01:25:34,199

greater Cosmos has more to do with our

2218

01:25:38,270 --> 01:25:36,719

health than anything to do with these

2219

01:25:41,209 --> 01:25:38,280

much

2220

01:25:43,010 --> 01:25:41,219

higher level things like drugs and

2221

01:25:45,290 --> 01:25:43,020

medicines that those are sort of last

2222

01:25:46,850 --> 01:25:45,300

gasp ways of trying to address the issue

2223

01:25:49,070 --> 01:25:46,860

that actually you can get at at the root

2224

01:25:50,450 --> 01:25:49,080

so these are all the questions that come

2225

01:25:52,310 --> 01:25:50,460

to mind the more we talk about this

2226

01:25:54,110 --> 01:25:52,320

tonight the more I'm aware of all the

2227

01:25:55,729 --> 01:25:54,120

different areas in our society that will

2228

01:25:58,729 --> 01:25:55,739

be impacted by this

2229

01:26:00,770 --> 01:25:58,739

but for sure one is just the fact that

2230

01:26:02,870 --> 01:26:00,780

there is good and bad and everything in

2231

01:26:04,370 --> 01:26:02,880

between it's the full spectrum and

2232

01:26:07,550 --> 01:26:04,380

people are just not prepared to realize

2233

01:26:15,649 --> 01:26:11,390

it's a incredible task and

2234

01:26:20,810 --> 01:26:18,530

when when moments happen like this that

2235

01:26:22,310 --> 01:26:20,820

they're happening at the right time in a

2236

01:26:25,010 --> 01:26:22,320

way I mean as we talked about of course

2237

01:26:28,910 --> 01:26:25,020

you know time is uh in many ways a

2238

01:26:31,370 --> 01:26:28,920

pretty subjective thing uh

2239

01:26:35,149 --> 01:26:31,380

but the world

2240

01:26:38,870 --> 01:26:35,159

really needs this and um I think to to

2241

01:26:42,229 --> 01:26:38,880

to the tragedy that it has been hidden

2242

01:26:45,350 --> 01:26:42,239

uh from us that that the truth has been

2243

01:26:50,750 --> 01:26:45,360

suppressed uh in many ways that we have

2244

01:26:53,030 --> 01:26:50,760

traded our our basis uh desires uh we

2245

01:26:56,810 --> 01:26:53,040

we've doubled down on those and we

2246

01:26:59,209 --> 01:26:56,820

instead of pursuing the the deeper uh

2247

01:27:01,850 --> 01:26:59,219

truths of of reality I mean and how much

2248

01:27:05,030 --> 01:27:01,860

time we may have wasted uh in

2249

01:27:07,910 --> 01:27:05,040

Generations we have wasted uh that have

2250

01:27:09,410 --> 01:27:07,920

been chasing the wrong kinds of things

2251

01:27:11,689 --> 01:27:09,420

um you know it represents this

2252

01:27:13,970 --> 01:27:11,699

tremendous opportunity for Change and

2253

01:27:16,250 --> 01:27:13,980

transformation and

2254

01:27:19,250 --> 01:27:16,260

uh you know call you can call me naive

2255

01:27:21,110 --> 01:27:19,260

or or too hopeful optimistic but you

2256

01:27:23,209 --> 01:27:21,120

know I believe we could use a dash of

2257

01:27:25,669 --> 01:27:23,219

that I believe that our world needs that

2258

01:27:27,649 --> 01:27:25,679

that we'd be better off if we if we went

2259

01:27:29,209 --> 01:27:27,659

down that path

2260

01:27:31,490 --> 01:27:29,219

um and

2261

01:27:34,310 --> 01:27:31,500

you know it's perhaps these other

2262

01:27:38,090 --> 01:27:34,320

entities are at least the ones that are

2263

01:27:41,149 --> 01:27:38,100

you know benevolent or not allowed to

2264

01:27:42,890 --> 01:27:41,159

get us in some terrible way you know

2265

01:27:44,870 --> 01:27:42,900

they're they're rooting us on they're

2266

01:27:47,570 --> 01:27:44,880

rooting this entire and dead efferon

2267

01:27:49,810 --> 01:27:47,580

they they want to see this come to pass

2268

01:27:52,910 --> 01:27:49,820

um because uh you can imagine

2269

01:27:54,649 --> 01:27:52,920

uh if you were a parent and you were

2270

01:27:57,770 --> 01:27:54,659

looking at your kids you know doing

2271

01:27:59,810 --> 01:27:57,780

terrible things and you were you had the

2272

01:28:01,970 --> 01:27:59,820

ability to step in and kind of stop you

2273

01:28:04,129 --> 01:28:01,980

know them from continuing to behave that

2274

01:28:05,930 --> 01:28:04,139

way I mean you you would it would be the

2275

01:28:07,550 --> 01:28:05,940

right thing to do

2276

01:28:10,070 --> 01:28:07,560

um not because you think like just

2277

01:28:11,450 --> 01:28:10,080

intervening is gonna uh mean that

2278

01:28:13,689 --> 01:28:11,460

they're never gonna make mistakes again

2279

01:28:15,709 --> 01:28:13,699

but your intervention is

2280

01:28:18,830 --> 01:28:15,719

intervening at all you're you're you're

2281

01:28:22,189 --> 01:28:18,840

you're hoping to introduce a teachable

2282

01:28:23,990 --> 01:28:22,199

moment where you can say hey if you

2283

01:28:25,430 --> 01:28:24,000

continue doing this you're going to not

2284

01:28:27,709 --> 01:28:25,440

only hurt yourself but you're going to

2285

01:28:29,990 --> 01:28:27,719

hurt your siblings you know you're going

2286

01:28:31,250 --> 01:28:30,000

to hurt your other the other around you

2287

01:28:34,370 --> 01:28:31,260

and you're gonna hurt the world around

2288

01:28:37,550 --> 01:28:34,380

you so pointing out making them aware of

2289

01:28:40,850 --> 01:28:37,560

the damage that they can do uh you know

2290

01:28:43,430 --> 01:28:40,860

is is the responsible thing to do uh for

2291

01:28:45,709 --> 01:28:43,440

someone that has that kind of Greater uh

2292

01:28:49,250 --> 01:28:45,719

perceptual awareness of what is going on

2293

01:28:51,890 --> 01:28:49,260

and so you know I I hope I hope that the

2294

01:28:54,709 --> 01:28:51,900

others are many of the others are of

2295

01:28:55,850 --> 01:28:54,719

that persuasion that they uh are you

2296

01:28:58,370 --> 01:28:55,860

know kind of

2297

01:29:01,310 --> 01:28:58,380

you know rooting for this that they will

2298

01:29:04,430 --> 01:29:01,320

uh make themselves more known in a way

2299

01:29:06,290 --> 01:29:04,440

that will lead to True transformation

2300

01:29:08,689 --> 01:29:06,300

um you know I don't know it's not going

2301

01:29:10,790 --> 01:29:08,699

to be easy that much I I think if we can

2302

01:29:13,189 --> 01:29:10,800

pretty much guarantee uh and there are

2303

01:29:15,770 --> 01:29:13,199

no shortcuts either right we can't just

2304

01:29:17,450 --> 01:29:15,780

uh you know pop a pill here and go go

2305

01:29:20,030 --> 01:29:17,460

through the entire process we've got to

2306

01:29:22,189 --> 01:29:20,040

put in the work and that may honestly be

2307

01:29:24,770 --> 01:29:22,199

the hardest part of it all right is is

2308

01:29:26,570 --> 01:29:24,780

this understanding that uh a press

2309

01:29:29,270 --> 01:29:26,580

release isn't going to make you a better

2310

01:29:30,770 --> 01:29:29,280

person a press release isn't going to

2311

01:29:33,110 --> 01:29:30,780

magically solve all of your your

2312

01:29:36,590 --> 01:29:33,120

problems as much as you might crave just

2313

01:29:39,649 --> 01:29:36,600

disclosure uh there's still so much work

2314

01:29:41,510 --> 01:29:39,659

left to be done and I think so many

2315

01:29:44,810 --> 01:29:41,520

people in the community are in absolute

2316

01:29:46,610 --> 01:29:44,820

abject denial about that uh that they

2317

01:29:50,050 --> 01:29:46,620

they just think that this is going to be

2318

01:29:52,610 --> 01:29:50,060

some sort of amazing you know

2319

01:29:54,410 --> 01:29:52,620

Utopia whenever we get this uh

2320

01:29:56,270 --> 01:29:54,420

pronouncement from on high and I I

2321

01:29:59,330 --> 01:29:56,280

really think that that's uh only the

2322

01:30:01,850 --> 01:29:59,340

beginning of the next uh very long

2323

01:30:04,129 --> 01:30:01,860

chapter in in the human story and in in

2324

01:30:06,530 --> 01:30:04,139

our individual stories of the things

2325

01:30:08,510 --> 01:30:06,540

that we must do to to change and

2326

01:30:11,450 --> 01:30:08,520

transform ourselves

2327

01:30:14,149 --> 01:30:11,460

indeed agreed and that's a worthy note

2328

01:30:17,390 --> 01:30:15,890

thank you for listening with us and

2329

01:30:20,629 --> 01:30:17,400

spending time with us we really

2330

01:30:22,850 --> 01:30:20,639

appreciate all of the comments and and

2331

01:30:24,350 --> 01:30:22,860

shares and likes that we get uh on the

2332

01:30:29,810 --> 01:30:24,360

show

2333

01:30:32,270 --> 01:30:29,820

Darren and I I'm grateful for our

2334

01:30:34,850 --> 01:30:32,280

friendship and I'm grateful for those

2335

01:30:37,250 --> 01:30:34,860

that we have met along the way uh and

2336

01:30:39,350 --> 01:30:37,260

know that that that we're going to you

2337

01:30:41,810 --> 01:30:39,360

know meet new friends and colleagues and

2338

01:30:44,870 --> 01:30:41,820

uh as this conversation continues to

2339

01:30:49,129 --> 01:30:44,880

expand uh we hope that that you be part

2340

01:30:51,410 --> 01:30:49,139

of that we hope that you uh decide to

2341

01:30:55,669 --> 01:30:51,420

you know be an influence where you are

2342

01:30:59,570 --> 01:30:55,679

and be a voice for uh you know the good

2343

01:31:01,310 --> 01:30:59,580

that can be done in the world

2344

01:31:03,709 --> 01:31:01,320

um and may the call the quality of our

2345

01:31:06,229 --> 01:31:03,719

questions shaped by a desire for

2346

01:31:07,430 --> 01:31:06,239

understanding enhance our journey of

2347

01:31:09,649 --> 01:31:07,440

discovery

2348

01:31:12,410 --> 01:31:09,659

and may our travels broaden the sphere

2349

01:31:16,490 --> 01:31:12,420

of our Consciousness reminding us that

2350

01:31:20,090 --> 01:31:16,500

new discoveries beget New Horizons

2351

01:31:21,890 --> 01:31:20,100

as always Adventure awaits

2352

01:31:25,580 --> 01:31:21,900

we'll see you next time on liminal

2353

01:31:29,390 --> 01:31:27,710

[Music]

2354

01:31:35,690 --> 01:31:29,400

[Laughter]
