1
00:00:14,690 --> 00:00:11,209
hello and welcome to episode number 85

2
00:00:19,189 --> 00:00:14,700
of the point of convergence podcast as

3
00:00:22,310 --> 00:00:19,199
always I am your host EXO academian

4
00:00:25,670 --> 00:00:22,320
the year 2017 saw what appeared at the

5
00:00:27,470 --> 00:00:25,680
time to be a sea change in ufology when

6
00:00:29,810 --> 00:00:27,480
a key piece published in the New York

7
00:00:32,510 --> 00:00:29,820
Times made clear that the U.S military

8
00:00:34,130 --> 00:00:32,520
had footage of aerial vehicles of

9
00:00:37,610 --> 00:00:34,140
Unknown Origin

10
00:00:40,729 --> 00:00:37,620
in other words not only were UFOs now

11
00:00:42,530 --> 00:00:40,739
referred to as UAP a thing something

12
00:00:44,930 --> 00:00:42,540
goes intimately familiar with the topic

13
00:00:46,729 --> 00:00:44,940

had long known to be the case but the

14
00:00:50,810 --> 00:00:46,739
U.S government to some degree or another

15
00:00:53,090 --> 00:00:50,820
was now publicly acknowledging this fact

16
00:00:54,650 --> 00:00:53,100
many within ufology assumed this was the

17
00:00:56,869 --> 00:00:54,660
Turning Point we'd all been waiting for

18
00:00:59,810 --> 00:00:56,879
the historical event that would send

19
00:01:01,250 --> 00:00:59,820
this topic fully into hyperdrive and not

20
00:01:03,590 --> 00:01:01,260
just in remote corners of the internet

21
00:01:04,850 --> 00:01:03,600
but more importantly within the

22
00:01:07,730 --> 00:01:04,860
mainstream

23
00:01:10,550 --> 00:01:07,740
in the end that wasn't what happened the

24
00:01:13,130 --> 00:01:10,560
article made waves to be sure dragging

25
00:01:15,230 --> 00:01:13,140
the topic Beyond X-Files land and

26
00:01:16,429 --> 00:01:15,240
tantalizingly closer to mainstream

27
00:01:18,590 --> 00:01:16,439
acceptance

28
00:01:21,109 --> 00:01:18,600
still what many enthusiasts and

29
00:01:22,910 --> 00:01:21,119
researchers were left wondering was why

30
00:01:25,490 --> 00:01:22,920
weren't these Revelations enough to

31
00:01:28,190 --> 00:01:25,500
really bring us past the threshold into

32
00:01:30,950 --> 00:01:28,200
widespread conventional recognition of

33
00:01:33,350 --> 00:01:30,960
the validity of this topic

34
00:01:36,530 --> 00:01:33,360
that question has lingered largely in a

35
00:01:38,929 --> 00:01:36,540
static status until this past week when

36
00:01:40,670 --> 00:01:38,939
a new article by the same authors has

37
00:01:42,649 --> 00:01:40,680
brought to light startling allegations

38
00:01:45,230 --> 00:01:42,659

that take this topic well beyond the

39

00:01:47,390 --> 00:01:45,240

matter of strange lights in the sky

40

00:01:49,609 --> 00:01:47,400

according to an article by Leslie Kane

41

00:01:51,170 --> 00:01:49,619

and Ralph Blumenthal a Former

42

00:01:54,050 --> 00:01:51,180

Intelligence official turned

43

00:01:55,670 --> 00:01:54,060

whistleblower named David grush has

44

00:01:58,969 --> 00:01:55,680

alleged that elements of the U.S

45

00:02:01,850 --> 00:01:58,979

military are in possession of intact and

46

00:02:04,370 --> 00:02:01,860

partially intact craft of non-human

47

00:02:06,289 --> 00:02:04,380

origin and that is a quote

48

00:02:08,150 --> 00:02:06,299

because grush has provided this

49

00:02:09,729 --> 00:02:08,160

information to Congress and the

50

00:02:12,410 --> 00:02:09,739

intelligence Community Inspector General

51
00:02:14,510 --> 00:02:12,420
filing a complaint alleging that he

52
00:02:16,910 --> 00:02:14,520
suffered illegal retaliation for his

53
00:02:18,949 --> 00:02:16,920
confidential disclosures again a quote

54
00:02:21,949 --> 00:02:18,959
and because officials have received

55
00:02:24,650 --> 00:02:21,959
these concerns as quote credible and

56
00:02:26,930 --> 00:02:24,660
Urgent unquote once again we seem to be

57
00:02:29,410 --> 00:02:26,940
at the precipice of a word ufologists

58
00:02:33,290 --> 00:02:29,420
have been Banting about for decades

59
00:02:35,630 --> 00:02:33,300
disclosure true disclosure not hearsay

60
00:02:37,550 --> 00:02:35,640
not rumors but true widespread

61
00:02:39,770 --> 00:02:37,560
acknowledgment by government officials

62
00:02:41,930 --> 00:02:39,780
and widespread acceptance by the

63
00:02:44,089 --> 00:02:41,940

populace of the world that not only are

64

00:02:46,250 --> 00:02:44,099

we not alone in the universe but the

65

00:02:49,250 --> 00:02:46,260

various beings who represent vast

66

00:02:51,290 --> 00:02:49,260

sophisticated intelligence are here in

67

00:02:54,050 --> 00:02:51,300

our very midst and in a collective shock

68

00:02:55,250 --> 00:02:54,060

to the system perhaps have been all

69

00:02:57,650 --> 00:02:55,260

along

70

00:03:00,589 --> 00:02:57,660

as things stand right now this is a

71

00:03:02,270 --> 00:03:00,599

dynamic situation evolving daily as a

72

00:03:05,390 --> 00:03:02,280

story makes its way across the media

73

00:03:07,190 --> 00:03:05,400

landscape inevitably Landing in you in

74

00:03:09,170 --> 00:03:07,200

the awareness of Untold numbers of the

75

00:03:10,910 --> 00:03:09,180

general public and on the desks of

76

00:03:11,990 --> 00:03:10,920

government officials all around the

77

00:03:15,110 --> 00:03:12,000

world

78

00:03:17,330 --> 00:03:15,120

but where do things stand really is

79

00:03:19,670 --> 00:03:17,340

there no turning back at this point have

80

00:03:22,430 --> 00:03:19,680

we crossed the proverbial Event Horizon

81

00:03:25,309 --> 00:03:22,440

is the end result while still rolling

82

00:03:26,990 --> 00:03:25,319

out as we speak already a foregone

83

00:03:29,630 --> 00:03:27,000

conclusion

84

00:03:31,910 --> 00:03:29,640

put simply the question is this will

85

00:03:34,790 --> 00:03:31,920

these remarkable recent events finally

86

00:03:37,610 --> 00:03:34,800

catapult us into a new era in human

87

00:03:39,830 --> 00:03:37,620

civilization where we recognize we are

88

00:03:41,690 --> 00:03:39,840

part of a cosmic neighborhood teeming

89

00:03:43,550 --> 00:03:41,700

with life forms we've as of yet been

90

00:03:47,030 --> 00:03:43,560

largely unaware of

91

00:03:49,430 --> 00:03:47,040

and if so what comes next how will we be

92

00:03:51,589 --> 00:03:49,440

changed by these Revelations

93

00:03:53,449 --> 00:03:51,599

these are the very pressing and profound

94

00:03:56,809 --> 00:03:53,459

questions we'll seek to find some

95

00:04:01,970 --> 00:03:56,819

clarity around on this the 85th episode

96

00:04:06,890 --> 00:04:04,670

foreign

97

00:04:08,869 --> 00:04:06,900

before we dive into recent events that

98

00:04:10,130 --> 00:04:08,879

make up today's episode I just want to

99

00:04:12,589 --> 00:04:10,140

point out that for those of you

100

00:04:15,350 --> 00:04:12,599

interested in gaining access to all of

101

00:04:18,590 --> 00:04:15,360

my content you can do so either by

102

00:04:21,469 --> 00:04:18,600

becoming a patron at patreon.com EXO

103

00:04:23,810 --> 00:04:21,479

academian or you can subscribe on

104

00:04:27,170 --> 00:04:23,820

Spotify both of those options will give

105

00:04:28,850 --> 00:04:27,180

you access to all content I create that

106

00:04:31,969 --> 00:04:28,860

includes of course not only point of

107

00:04:34,070 --> 00:04:31,979

convergence and liminal frames but also

108

00:04:36,590 --> 00:04:34,080

OTC squared which stands for off the

109

00:04:39,110 --> 00:04:36,600

cuff and on the cusp a podcast I record

110

00:04:41,510 --> 00:04:39,120

every month or so as well as feature

111

00:04:43,249 --> 00:04:41,520

series that I create recently I've done

112

00:04:45,590 --> 00:04:43,259

one on the raw material and there's two

113

00:04:47,150 --> 00:04:45,600

episodes of that with more to come so

114

00:04:50,090 --> 00:04:47,160

all of that is available to you if you

115

00:04:53,030 --> 00:04:50,100

become a patreon patron or you subscribe

116

00:04:56,330 --> 00:04:53,040

on Spotify alright with that out of the

117

00:04:57,890 --> 00:04:56,340

way let's dive into today's material as

118

00:05:00,230 --> 00:04:57,900

I mentioned on social media recently

119

00:05:02,570 --> 00:05:00,240

usually point of convergence is not a

120

00:05:04,670 --> 00:05:02,580

current affairs kind of show but of

121

00:05:06,710 --> 00:05:04,680

course we are not living in ordinary

122

00:05:08,810 --> 00:05:06,720

times these are remarkable times to be

123

00:05:11,570 --> 00:05:08,820

living through and how privileged are we

124

00:05:13,670 --> 00:05:11,580

to be living through them first off I'd

125

00:05:15,650 --> 00:05:13,680

like to say that for me this is the

126

00:05:18,170 --> 00:05:15,660

culmination of something I knew was

127

00:05:20,330 --> 00:05:18,180

coming to some degree I was aware of a

128

00:05:22,370 --> 00:05:20,340

behind the scenes plan to move this

129

00:05:24,110 --> 00:05:22,380

topic forward in a significant way in

130

00:05:26,930 --> 00:05:24,120

the pelvic sphere and I've been

131

00:05:29,090 --> 00:05:26,940

referring to that at least partially in

132

00:05:31,249 --> 00:05:29,100

social media and in podcasts over the

133

00:05:32,930 --> 00:05:31,259

last few months so this marks a point

134

00:05:34,850 --> 00:05:32,940

where that really has come to fruition

135

00:05:37,010 --> 00:05:34,860

although again we still have a long way

136

00:05:39,830 --> 00:05:37,020

to go and we'll get into that

137

00:05:42,890 --> 00:05:39,840

but again the key Focus here is that the

138

00:05:45,650 --> 00:05:42,900

plan was to move this topic forward in a

139

00:05:48,110 --> 00:05:45,660

way that was ultimately Unstoppable and

140

00:05:49,610 --> 00:05:48,120

irreversible and so people behind the

141

00:05:51,950 --> 00:05:49,620

scenes have been working together even

142

00:05:53,629 --> 00:05:51,960

internationally to set up a situation

143

00:05:54,890 --> 00:05:53,639

where that would be the case where we

144

00:05:57,529 --> 00:05:54,900

could again as I said in the

145

00:05:59,450 --> 00:05:57,539

introduction catapult this subject into

146

00:06:01,790 --> 00:05:59,460

the mainstream in such a way that it

147

00:06:04,249 --> 00:06:01,800

really catches on and begins to be

148

00:06:06,110 --> 00:06:04,259

grappled with in a serious way by our

149

00:06:08,390 --> 00:06:06,120

civilization

150

00:06:10,790 --> 00:06:08,400

now regarding these recent Revelations

151
00:06:12,950 --> 00:06:10,800
really the first shoe to drop was

152
00:06:16,610 --> 00:06:12,960
Christopher melon's article in Politico

153
00:06:18,890 --> 00:06:16,620
about a week ago saying that if you have

154
00:06:20,930 --> 00:06:18,900
crash retrievals U.S government now is

155
00:06:22,909 --> 00:06:20,940
the time to come clean about it that's

156
00:06:25,610 --> 00:06:22,919
of course a paraphrase

157
00:06:27,550 --> 00:06:25,620
following that up was a remarkable

158
00:06:30,170 --> 00:06:27,560
article that was published on Monday

159
00:06:32,110 --> 00:06:30,180
this was Leslie and Ralph's article

160
00:06:35,150 --> 00:06:32,120
Leslie Kane and Ralph Blumenthal

161
00:06:37,129 --> 00:06:35,160
outlining David grush's claims this was

162
00:06:39,170 --> 00:06:37,139
published in the debrief

163
00:06:41,210 --> 00:06:39,180

now I'll get into the fact that this

164

00:06:43,309 --> 00:06:41,220

article actually went through different

165

00:06:45,469 --> 00:06:43,319

Publications before finally being picked

166

00:06:47,930 --> 00:06:45,479

up by the debrief we'll get to how that

167

00:06:50,749 --> 00:06:47,940

happened and what was behind that

168

00:06:53,749 --> 00:06:50,759

the title of this groundbreaking article

169

00:06:57,170 --> 00:06:53,759

is intelligence officials say U.S has

170

00:06:58,550 --> 00:06:57,180

retrieved craft of non-human origin

171

00:07:00,950 --> 00:06:58,560

now first of all I want to point out

172

00:07:03,110 --> 00:07:00,960

that's key they're not saying this might

173

00:07:05,870 --> 00:07:03,120

be non-prosaic they're saying has

174

00:07:08,210 --> 00:07:05,880

retrieved craft of non-human origin so

175

00:07:10,550 --> 00:07:08,220

that's a very specific claim and that's

176
00:07:11,990 --> 00:07:10,560
key to what's going on here for so long

177
00:07:14,570 --> 00:07:12,000
over the last few years we've been

178
00:07:16,790 --> 00:07:14,580
dealing with naysayers who say this

179
00:07:19,670 --> 00:07:16,800
could just be next Generation Tech from

180
00:07:21,710 --> 00:07:19,680
China or Russia or what have you one

181
00:07:25,189 --> 00:07:21,720
thing this article makes clear based on

182
00:07:27,589 --> 00:07:25,199
what grush has been privy to is that a

183
00:07:30,050 --> 00:07:27,599
scientific objective analysis on the

184
00:07:32,870 --> 00:07:30,060
inside has determined that these craft

185
00:07:34,850 --> 00:07:32,880
are non-human in origin and fully

186
00:07:36,589 --> 00:07:34,860
non-prosaic

187
00:07:39,290 --> 00:07:36,599
I want to read from the article now

188
00:07:41,450 --> 00:07:39,300

quote a Former Intelligence official

189

00:07:43,730 --> 00:07:41,460

turned whistleblower has given Congress

190

00:07:46,430 --> 00:07:43,740

and the intelligence Community Inspector

191

00:07:49,610 --> 00:07:46,440

General extensive classified information

192

00:07:52,430 --> 00:07:49,620

about deeply covert programs that he

193

00:07:55,249 --> 00:07:52,440

says possess retrieved intact and

194

00:07:56,330 --> 00:07:55,259

partially intact craft of non-human

195

00:07:58,249 --> 00:07:56,340

origin

196

00:08:00,469 --> 00:07:58,259

the information he says has been

197

00:08:02,270 --> 00:08:00,479

illegally withheld from Congress and he

198

00:08:04,790 --> 00:08:02,280

filed a complaint alleging that he

199

00:08:06,830 --> 00:08:04,800

suffered illegal retaliation of his

200

00:08:08,510 --> 00:08:06,840

confidential disclosures reported here

201
00:08:10,969 --> 00:08:08,520
for the first time

202
00:08:13,070 --> 00:08:10,979
other intelligence officials both active

203
00:08:14,749 --> 00:08:13,080
and retired with knowledge of these

204
00:08:17,330 --> 00:08:14,759
programs through their work in various

205
00:08:20,089 --> 00:08:17,340
agencies have independently provided

206
00:08:22,670 --> 00:08:20,099
similar corroborating information both

207
00:08:26,029 --> 00:08:22,680
on and off the Record The Whistleblower

208
00:08:29,270 --> 00:08:26,039
David Charles grush 36 a decorated

209
00:08:31,309 --> 00:08:29,280
former combat officer in Afghanistan is

210
00:08:34,430 --> 00:08:31,319
a veteran of the National geospatial

211
00:08:37,610 --> 00:08:34,440
Intelligence Agency NGA and the national

212
00:08:39,050 --> 00:08:37,620
reconnaissance office nro he served as

213
00:08:41,089 --> 00:08:39,060

the reconnaissance office's

214

00:08:44,949 --> 00:08:41,099

representative to the unidentified

215

00:08:50,150 --> 00:08:44,959

aerial phenomena task force from 2019 to

216

00:08:53,449 --> 00:08:50,160

2021 from late 2021 to July 2022 he was

217

00:08:55,490 --> 00:08:53,459

the nga's co-lead for UAP analysis and

218

00:08:57,889 --> 00:08:55,500

its representative to the task force

219

00:09:00,350 --> 00:08:57,899

unquote and I just want to quote a

220

00:09:02,630 --> 00:09:00,360

couple other additional paragraphs quote

221

00:09:05,210 --> 00:09:02,640

grush said the recoveries of partial

222

00:09:07,790 --> 00:09:05,220

fragments through and up to intact

223

00:09:09,590 --> 00:09:07,800

vehicles have been made for decades

224

00:09:11,750 --> 00:09:09,600

through the present day by the

225

00:09:14,509 --> 00:09:11,760

government its allies and defense

226

00:09:16,730 --> 00:09:14,519

contractors analysis has determined that

227

00:09:19,310 --> 00:09:16,740

the objects retrieved are of exotic

228

00:09:22,850 --> 00:09:19,320

origin non-human intelligence whether

229

00:09:24,769 --> 00:09:22,860

extraterrestrial or Unknown Origin based

230

00:09:27,050 --> 00:09:24,779

on the vehicle morphologies and

231

00:09:29,389 --> 00:09:27,060

materials science Testing and the

232

00:09:32,630 --> 00:09:29,399

possession of unique Atomic arrangements

233

00:09:34,790 --> 00:09:32,640

and radiological signatures he said

234

00:09:37,250 --> 00:09:34,800

in following his complaint grush is

235

00:09:38,570 --> 00:09:37,260

represented by a lawyer who served as

236

00:09:41,389 --> 00:09:38,580

the original intelligence Community

237

00:09:43,670 --> 00:09:41,399

Inspector General icig

238

00:09:45,829 --> 00:09:43,680

we are not talking about prosaic origins

239

00:09:48,050 --> 00:09:45,839

or identities Rush said referencing

240

00:09:51,050 --> 00:09:48,060

information he provided Congress and the

241

00:09:54,110 --> 00:09:51,060

current icig the material includes

242

00:09:55,910 --> 00:09:54,120

intact and partially intact Vehicles

243

00:09:57,889 --> 00:09:55,920

unquote

244

00:09:59,750 --> 00:09:57,899

now again I just want to point out here

245

00:10:02,509 --> 00:09:59,760

how groundbreaking this is what is being

246

00:10:03,590 --> 00:10:02,519

claimed here these allegations are

247

00:10:06,050 --> 00:10:03,600

startling

248

00:10:08,210 --> 00:10:06,060

because not just is he pointing to there

249

00:10:10,790 --> 00:10:08,220

being crap that seem to be sophisticated

250

00:10:13,009 --> 00:10:10,800

but he speaks to the specific analysis

251
00:10:15,590 --> 00:10:13,019
done on these craft and again quoting

252
00:10:17,509 --> 00:10:15,600
this one section quote analysis has

253
00:10:19,870 --> 00:10:17,519
determined that the objects retrieved

254
00:10:22,070 --> 00:10:19,880
are of exotic origin

255
00:10:24,410 --> 00:10:22,080
non-human intelligence whether

256
00:10:26,090 --> 00:10:24,420
extraterrestrial or Unknown Origin

257
00:10:29,030 --> 00:10:26,100
leaves that open that's very important

258
00:10:31,430 --> 00:10:29,040
there and then again quote based on a

259
00:10:33,829 --> 00:10:31,440
vehicle morphologies and material

260
00:10:35,810 --> 00:10:33,839
science Testing and the possession of

261
00:10:38,930 --> 00:10:35,820
unique Atomic arrangements and

262
00:10:41,509 --> 00:10:38,940
radiological signatures he said unquote

263
00:10:43,970 --> 00:10:41,519

so again we're talking about Atomic kind

264

00:10:45,829 --> 00:10:43,980
of analysis of the material of the

265

00:10:48,530 --> 00:10:45,839
metamaterial of these recovered craft

266

00:10:51,889 --> 00:10:48,540
and they clearly point to this not being

267

00:10:53,569 --> 00:10:51,899
of human design period

268

00:10:55,910 --> 00:10:53,579
they're not going to say something as

269

00:10:58,430 --> 00:10:55,920
specific as that unless that really was

270

00:11:00,769 --> 00:10:58,440
determined so this is groundbreaking in

271

00:11:02,509 --> 00:11:00,779
itself it takes us Beyond conjecture

272

00:11:05,810 --> 00:11:02,519
about this perhaps being Next Generation

273

00:11:07,610 --> 00:11:05,820
technology by China and Russia and I've

274

00:11:10,850 --> 00:11:07,620
noticed that already that in some of the

275

00:11:14,030 --> 00:11:10,860
discussion you're seeing online and in

276

00:11:16,130 --> 00:11:14,040

media in our culture at large you're

277

00:11:18,350 --> 00:11:16,140

seeing less and less of that could this

278

00:11:20,329 --> 00:11:18,360

be China could this be Russia which is

279

00:11:21,829 --> 00:11:20,339

what we've heard many many times in

280

00:11:25,069 --> 00:11:21,839

talking about the videos that came out

281

00:11:26,990 --> 00:11:25,079

in 2017 and whatnot and other exotic

282

00:11:29,329 --> 00:11:27,000

objects that are observed in the sky

283

00:11:32,389 --> 00:11:29,339

because we're speaking here to a very

284

00:11:35,329 --> 00:11:32,399

specific and long-running reverse

285

00:11:38,210 --> 00:11:35,339

engineering program of craft of exotic

286

00:11:41,090 --> 00:11:38,220

origin we can speaks more specifically

287

00:11:43,370 --> 00:11:41,100

now to what these actually are what they

288

00:11:45,949 --> 00:11:43,380

really consist of and what this points

289

00:11:48,530 --> 00:11:45,959

to and those details specifically are

290

00:11:49,550 --> 00:11:48,540

what is so groundbreaking about this

291

00:11:51,710 --> 00:11:49,560

article

292

00:11:54,230 --> 00:11:51,720

now in a moment I want to do a

293

00:11:56,449 --> 00:11:54,240

step-by-step re-representation of the

294

00:11:58,670 --> 00:11:56,459

timeline we've been in since this

295

00:12:01,009 --> 00:11:58,680

article came out how have things moved

296

00:12:02,930 --> 00:12:01,019

forward in our Collective culture we'll

297

00:12:04,550 --> 00:12:02,940

get to that but first I want to just

298

00:12:05,569 --> 00:12:04,560

point out a couple additional things

299

00:12:08,930 --> 00:12:05,579

here

300

00:12:10,430 --> 00:12:08,940

one Leslie Kane in discussions and

301
00:12:12,949 --> 00:12:10,440
interviews since the article came out

302
00:12:15,170 --> 00:12:12,959
when confronted by Skeptics who argue

303
00:12:18,069 --> 00:12:15,180
there's no way a program of this size

304
00:12:20,870 --> 00:12:18,079
could be kept secret so well for so long

305
00:12:23,810 --> 00:12:20,880
Kane points out that the security cost

306
00:12:25,730 --> 00:12:23,820
for this program was more expensive than

307
00:12:28,610 --> 00:12:25,740
the program itself

308
00:12:32,990 --> 00:12:28,620
let's make that clear again the cost for

309
00:12:35,930 --> 00:12:33,000
security alone was more expensive than

310
00:12:38,389 --> 00:12:35,940
the actual money that went into funding

311
00:12:41,210 --> 00:12:38,399
the program itself the research the

312
00:12:43,310 --> 00:12:41,220
re-engineering program itself that says

313
00:12:46,009 --> 00:12:43,320

something to how top secret this was

314

00:12:47,870 --> 00:12:46,019

Above Top Secret of almost anything else

315

00:12:50,210 --> 00:12:47,880

any other program

316

00:12:52,310 --> 00:12:50,220

we've long heard hints of this but this

317

00:12:55,090 --> 00:12:52,320

speaks to this directly how carefully

318

00:12:58,610 --> 00:12:55,100

guarded this was and of course we know

319

00:13:00,650 --> 00:12:58,620

many nefarious things happened by

320

00:13:03,530 --> 00:13:00,660

official sources trying to keep this

321

00:13:06,050 --> 00:13:03,540

secret for so long not just discrediting

322

00:13:08,269 --> 00:13:06,060

people who had evidence but also

323

00:13:12,110 --> 00:13:08,279

character assassination sometimes even

324

00:13:14,449 --> 00:13:12,120

worse even mortal danger for people who

325

00:13:16,430 --> 00:13:14,459

dared to speak about these things this

326

00:13:18,410 --> 00:13:16,440

is what is part of the history and as

327

00:13:21,170 --> 00:13:18,420

Ross coulart has pointed out on recent

328

00:13:23,629 --> 00:13:21,180

podcasts on need to know with Bryce

329

00:13:26,329 --> 00:13:23,639

Sabal he believes this points to clear

330

00:13:28,730 --> 00:13:26,339

criminal behavior in the past criminal

331

00:13:31,129 --> 00:13:28,740

behavior that should come to light in

332

00:13:33,170 --> 00:13:31,139

light of further investigations into

333

00:13:36,170 --> 00:13:33,180

this program because of the revelations

334

00:13:38,210 --> 00:13:36,180

that gresh has brought forward

335

00:13:39,530 --> 00:13:38,220

I also want to point out that Rush makes

336

00:13:42,590 --> 00:13:39,540

the point that we've had a bit of a

337

00:13:45,769 --> 00:13:42,600

zero-sum game here internationally that

338

00:13:48,170 --> 00:13:45,779

a new kind of cold war has arisen around

339

00:13:49,970 --> 00:13:48,180

these materials because let's make this

340

00:13:52,970 --> 00:13:49,980

clear it's not just the United States

341

00:13:54,530 --> 00:13:52,980

that's recovered these materials again I

342

00:13:57,110 --> 00:13:54,540

want to point to that we recovered not

343

00:13:59,870 --> 00:13:57,120

only crash material debris and whatnot

344

00:14:01,730 --> 00:13:59,880

but basically fully intact craft as well

345

00:14:04,790 --> 00:14:01,740

which of course gives you a much better

346

00:14:06,110 --> 00:14:04,800

chance to try to reverse engineer it we

347

00:14:07,910 --> 00:14:06,120

are not the only ones that have

348

00:14:09,650 --> 00:14:07,920

recovered these kinds of vehicles this

349

00:14:12,230 --> 00:14:09,660

kind of material it's happened around

350

00:14:13,790 --> 00:14:12,240

the world and continues to happen

351

00:14:15,829 --> 00:14:13,800

now of course one of the first things

352

00:14:18,410 --> 00:14:15,839

you'll hear from the naysayers in the

353

00:14:20,990 --> 00:14:18,420

mainstream is why would spacecraft come

354

00:14:23,389 --> 00:14:21,000

all the way here from Zeta reticuli or

355

00:14:25,850 --> 00:14:23,399

something like that only to crash in the

356

00:14:27,410 --> 00:14:25,860

Earth's atmosphere it sounds ridiculous

357

00:14:28,550 --> 00:14:27,420

and so they're going to reject that

358

00:14:30,829 --> 00:14:28,560

they're going to say there's no way

359

00:14:31,670 --> 00:14:30,839

these could be spacecraft it doesn't add

360

00:14:33,470 --> 00:14:31,680

up

361

00:14:35,389 --> 00:14:33,480

those of us intimately familiar with

362

00:14:38,210 --> 00:14:35,399

this topic know there are some

363

00:14:40,250 --> 00:14:38,220

peculiarities like that the public is

364

00:14:42,650 --> 00:14:40,260

now for the first time going to be going

365

00:14:45,410 --> 00:14:42,660

through the many step process of trying

366

00:14:48,050 --> 00:14:45,420

to make sense of this peculiar and

367

00:14:50,269 --> 00:14:48,060

enigmatic topic the same way we within

368

00:14:52,310 --> 00:14:50,279

ufology have been doing over multiple

369

00:14:53,930 --> 00:14:52,320

years I'm going to speak more on that

370

00:14:56,509 --> 00:14:53,940

later on because it says something about

371

00:14:59,030 --> 00:14:56,519

where we really are in terms of this

372

00:15:02,210 --> 00:14:59,040

becoming metabolized into our Collective

373

00:15:05,269 --> 00:15:02,220

civilization and where we go from here

374

00:15:07,610 --> 00:15:05,279

so again very interesting not only has

375

00:15:10,129 --> 00:15:07,620

there been recovered Vehicles by the U.S

376

00:15:12,829 --> 00:15:10,139

but other nations as well and there's

377

00:15:14,629 --> 00:15:12,839

been this zero-sum game race towards

378

00:15:16,490 --> 00:15:14,639

being the first to really reverse

379

00:15:19,370 --> 00:15:16,500

engineer these craft because again

380

00:15:21,290 --> 00:15:19,380

because they are so sophisticated it

381

00:15:23,389 --> 00:15:21,300

basically is game over for Every Other

382

00:15:25,730 --> 00:15:23,399

Nation if you're the first one to arrive

383

00:15:28,910 --> 00:15:25,740

there because this allows you to have

384

00:15:31,670 --> 00:15:28,920

basically geospatial and geopolitical

385

00:15:33,710 --> 00:15:31,680

dominance over the entire world

386

00:15:35,329 --> 00:15:33,720

and yes absolutely along with you I

387

00:15:37,490 --> 00:15:35,339

recognize that that is a sad State of

388

00:15:39,829 --> 00:15:37,500

Affairs although at the same time you

389

00:15:42,470 --> 00:15:39,839

can also recognize how the U.S military

390

00:15:44,689 --> 00:15:42,480

and allies would certainly want to get a

391

00:15:46,550 --> 00:15:44,699

hold of this before terrorist groups and

392

00:15:49,250 --> 00:15:46,560

things like that that could really use

393

00:15:51,949 --> 00:15:49,260

this to do real damage to our Collective

394

00:15:53,990 --> 00:15:51,959

civilization nevertheless it says

395

00:15:56,509 --> 00:15:54,000

something to the nature of our current

396

00:15:58,850 --> 00:15:56,519

situation where we still act against

397

00:16:00,829 --> 00:15:58,860

each other and rather than uniting

398

00:16:02,990 --> 00:16:00,839

around this great mystery the greatest

399

00:16:05,689 --> 00:16:03,000

mystery in the history of the world in

400

00:16:08,090 --> 00:16:05,699

the history of our species instead we're

401

00:16:10,009 --> 00:16:08,100

still divided we keep these things in

402

00:16:11,090 --> 00:16:10,019

the dark and we compete against each

403

00:16:13,730 --> 00:16:11,100

other

404

00:16:16,550 --> 00:16:13,740

now speaking of what was going on behind

405

00:16:18,590 --> 00:16:16,560

the scenes as Cain and Blumenthal and

406

00:16:20,569 --> 00:16:18,600

others work towards bringing gracious

407

00:16:23,090 --> 00:16:20,579

stories to the surface of course Russ

408

00:16:25,069 --> 00:16:23,100

cool tart is also interviewing rush and

409

00:16:27,590 --> 00:16:25,079

that will be available tomorrow the full

410

00:16:29,569 --> 00:16:27,600

interview on news Nation

411

00:16:31,910 --> 00:16:29,579

while there was this behind the scenes

412

00:16:35,210 --> 00:16:31,920

effort to bring this information forward

413

00:16:37,610 --> 00:16:35,220

one thing became clear and that is that

414

00:16:41,389 --> 00:16:37,620

the greatest chance this has for Success

415

00:16:43,670 --> 00:16:41,399

lies in grush's Stellar reputation his

416

00:16:46,430 --> 00:16:43,680

apparent credibility makes it difficult

417

00:16:47,990 --> 00:16:46,440

to bury this in vague innuendo and

418

00:16:50,569 --> 00:16:48,000

standard character assassination

419

00:16:53,030 --> 00:16:50,579

attempts which is usually the modus

420

00:16:55,129 --> 00:16:53,040

operandi of the secret Keepers who do

421

00:16:56,990 --> 00:16:55,139

their best to bury these things almost

422

00:17:00,490 --> 00:16:57,000

immediately

423

00:17:03,230 --> 00:17:00,500

now to that point recently Susan go

424

00:17:05,329 --> 00:17:03,240

spokesperson for the Pentagon came out

425

00:17:07,789 --> 00:17:05,339

and said that Arrow has found no

426

00:17:10,730 --> 00:17:07,799

evidence to support these claims being

427

00:17:12,710 --> 00:17:10,740

made by David grush now of course those

428

00:17:14,689 --> 00:17:12,720

familiar with the situation recognize

429

00:17:17,350 --> 00:17:14,699

that this misses the point altogether

430

00:17:20,329 --> 00:17:17,360

because part of grush's allegations

431

00:17:22,309 --> 00:17:20,339

include the fact that Arrow does not

432

00:17:24,650 --> 00:17:22,319

have access to all the information they

433

00:17:26,390 --> 00:17:24,660

don't have access to key elements of the

434

00:17:29,150 --> 00:17:26,400

information that would actually allow

435

00:17:30,770 --> 00:17:29,160

them to do their job so for go to come

436

00:17:33,230 --> 00:17:30,780

out and say that Arrow has found no

437

00:17:35,390 --> 00:17:33,240

evidence of these allegations is like a

438

00:17:37,430 --> 00:17:35,400

bridge to nowhere it's a nonsense kind

439

00:17:39,950 --> 00:17:37,440

of statement again this points to the

440

00:17:42,650 --> 00:17:39,960

fact that we need media journalists to

441

00:17:44,810 --> 00:17:42,660

come forward and ask hard questions to

442

00:17:47,570 --> 00:17:44,820

not let the topic be dismissed so

443

00:17:50,029 --> 00:17:47,580

quickly effortlessly almost through

444

00:17:52,789 --> 00:17:50,039

clearly vague and ultimately misleading

445

00:17:55,430 --> 00:17:52,799

statements and to that point this last

446

00:17:59,029 --> 00:17:55,440

week Matt Ford host of the good trouble

447

00:18:01,970 --> 00:17:59,039

show tweeted yes quote members of the

448

00:18:04,370 --> 00:18:01,980

press Pentagon spokeswoman Susan go will

449

00:18:06,590 --> 00:18:04,380

engage in a full-blown disinformation

450

00:18:09,049 --> 00:18:06,600

campaign to disparage Pentagon

451
00:18:12,409 --> 00:18:09,059
whistleblower David grush in the coming

452
00:18:15,049 --> 00:18:12,419
days she will distract you with dopsr

453
00:18:16,669 --> 00:18:15,059
and arrow and question his credibility

454
00:18:18,650 --> 00:18:16,679
unquote

455
00:18:20,330 --> 00:18:18,660
again my good friend Matt trying to give

456
00:18:22,310 --> 00:18:20,340
the heads up there to the media to

457
00:18:24,830 --> 00:18:22,320
journalists saying look at what's

458
00:18:26,930 --> 00:18:24,840
Happening Here open your eyes begin to

459
00:18:29,330 --> 00:18:26,940
ask hard questions don't take these

460
00:18:31,430 --> 00:18:29,340
statements at face value especially when

461
00:18:35,029 --> 00:18:31,440
they're so clearly misleading what you

462
00:18:36,770 --> 00:18:35,039
do even an Iota a research and again let

463
00:18:38,390 --> 00:18:36,780

me make this clear here there is an

464

00:18:39,890 --> 00:18:38,400

understanding amongst those who are

465

00:18:42,409 --> 00:18:39,900

trying to bring this information forward

466

00:18:44,690 --> 00:18:42,419

even people on the inside trying to

467

00:18:47,570 --> 00:18:44,700

bring this information forward this will

468

00:18:50,510 --> 00:18:47,580

not work if the media if journalists do

469

00:18:52,190 --> 00:18:50,520

not do their job the secret holders who

470

00:18:54,950 --> 00:18:52,200

want to get this out and yes those

471

00:18:56,330 --> 00:18:54,960

people do exist will not be able to

472

00:18:59,270 --> 00:18:56,340

unless

473

00:19:01,190 --> 00:18:59,280

the public the American public holds

474

00:19:03,650 --> 00:19:01,200

feet to the fire as Hussein goes

475

00:19:06,289 --> 00:19:03,660

demanding further investigation into

476
00:19:09,289 --> 00:19:06,299
these matters and furthermore we also

477
00:19:10,909 --> 00:19:09,299
need journalists fueling the public by

478
00:19:13,909 --> 00:19:10,919
doing their job and uncovering

479
00:19:16,190 --> 00:19:13,919
additional details and digging digging

480
00:19:18,409 --> 00:19:16,200
so that further Revelations come to the

481
00:19:20,930 --> 00:19:18,419
surface this is key if this is to work

482
00:19:22,850 --> 00:19:20,940
this entire Endeavor trying to move this

483
00:19:26,210 --> 00:19:22,860
forward and bring about what would be

484
00:19:28,850 --> 00:19:26,220
considered capital D disclosure

485
00:19:30,950 --> 00:19:28,860
and as an aside let me just add that not

486
00:19:33,230 --> 00:19:30,960
only do we need this for disclosure but

487
00:19:35,570 --> 00:19:33,240
we need it for another d word and that

488
00:19:38,270 --> 00:19:35,580

is democracy we cannot have a

489

00:19:40,370 --> 00:19:38,280

sustainable functioning democracy if the

490

00:19:42,770 --> 00:19:40,380

Press doesn't do its job this is

491

00:19:44,470 --> 00:19:42,780

essential and the truth is we are in a

492

00:19:46,850 --> 00:19:44,480

sad State of Affairs in terms of

493

00:19:49,010 --> 00:19:46,860

journalists really digging in and asking

494

00:19:52,610 --> 00:19:49,020

hard questions and not simply taking

495

00:19:54,770 --> 00:19:52,620

officials comments at face value

496

00:19:56,210 --> 00:19:54,780

now something else I'd like to point out

497

00:19:59,029 --> 00:19:56,220

here in terms of how this information

498

00:20:01,730 --> 00:19:59,039

came out it's important to recognize

499

00:20:04,250 --> 00:20:01,740

that grush was very careful and

500

00:20:06,049 --> 00:20:04,260

coordinated and strategic in terms of

501
00:20:08,450 --> 00:20:06,059
bringing this information forward and

502
00:20:10,490 --> 00:20:08,460
how he did it first of all I want to

503
00:20:13,549 --> 00:20:10,500
point out that he has a long history

504
00:20:15,650 --> 00:20:13,559
amongst different agencies in the U.S

505
00:20:19,010 --> 00:20:15,660
government he understands how the system

506
00:20:20,750 --> 00:20:19,020
works he was a key player in drafting

507
00:20:23,690 --> 00:20:20,760
some of the Whistleblower legislation

508
00:20:25,909 --> 00:20:23,700
that was arrived at last year so again

509
00:20:28,370 --> 00:20:25,919
think about this he's being exposed to

510
00:20:30,409 --> 00:20:28,380
these Revelations but also knows that

511
00:20:32,510 --> 00:20:30,419
this information is highly classified

512
00:20:35,029 --> 00:20:32,520
you cannot just bring this to the public

513
00:20:36,590 --> 00:20:35,039

no matter how much you believe it is in

514

00:20:39,890 --> 00:20:36,600

the Public's best interest it would be

515

00:20:40,730 --> 00:20:39,900

illegal to do so you would go to jail

516

00:20:43,490 --> 00:20:40,740

Etc

517

00:20:44,990 --> 00:20:43,500

but the key here in some detractors have

518

00:20:46,310 --> 00:20:45,000

seen this as a negative and they

519

00:20:48,830 --> 00:20:46,320

actually use this to say there's nothing

520

00:20:51,470 --> 00:20:48,840

here but a key Point here is that he's

521

00:20:54,350 --> 00:20:51,480

not exposing classified documents he's

522

00:20:56,810 --> 00:20:54,360

not bringing forward photos videos those

523

00:20:59,690 --> 00:20:56,820

kinds of things he's talking about what

524

00:21:01,970 --> 00:20:59,700

he was told by people within the program

525

00:21:03,770 --> 00:21:01,980

he speaks to the fact that even people

526
00:21:06,230 --> 00:21:03,780
he knew throughout his career actually

527
00:21:08,330 --> 00:21:06,240
had knowledge of this and later on began

528
00:21:11,210 --> 00:21:08,340
to tell him about this because of his

529
00:21:13,250 --> 00:21:11,220
work with the UAP task force so he's

530
00:21:15,350 --> 00:21:13,260
bringing this forward in such a way that

531
00:21:17,510 --> 00:21:15,360
it allows for further digging further

532
00:21:21,350 --> 00:21:17,520
investigation by Congress and whatnot

533
00:21:23,029 --> 00:21:21,360
without violating any of his ndas and

534
00:21:26,029 --> 00:21:23,039
without actually bringing forth

535
00:21:28,909 --> 00:21:26,039
classified information specifically but

536
00:21:31,370 --> 00:21:28,919
by doing this it now allows other

537
00:21:34,190 --> 00:21:31,380
elements of government to do their job

538
00:21:36,110 --> 00:21:34,200

we would hope and dig further begin to

539

00:21:39,289 --> 00:21:36,120

craft additional legislation if

540

00:21:42,350 --> 00:21:39,299

necessary to finally uproot and uncover

541

00:21:43,370 --> 00:21:42,360

the depth and full extent of these

542

00:21:45,230 --> 00:21:43,380

secrets

543

00:21:47,210 --> 00:21:45,240

and by the way I think one thing that

544

00:21:49,130 --> 00:21:47,220

will be shocking undoubtedly to the

545

00:21:51,470 --> 00:21:49,140

public is that the nature of those

546

00:21:53,930 --> 00:21:51,480

Secrets make clear that this is about

547

00:21:55,730 --> 00:21:53,940

much more than space aliens that in fact

548

00:21:58,250 --> 00:21:55,740

that might be a bit of a distraction

549

00:22:00,890 --> 00:21:58,260

from what's really going on and the full

550

00:22:03,289 --> 00:22:00,900

complexity that this speaks to points to

551
00:22:05,990 --> 00:22:03,299
actually raising questions about the

552
00:22:08,570 --> 00:22:06,000
nature of reality itself

553
00:22:10,190 --> 00:22:08,580
now we'll get to some of that later

554
00:22:12,049 --> 00:22:10,200
now I want to go through a series of

555
00:22:13,909 --> 00:22:12,059
tweets that I made through the week as

556
00:22:16,430 --> 00:22:13,919
the information continued to roll out

557
00:22:17,810 --> 00:22:16,440
and has just gathered more traction in

558
00:22:19,310 --> 00:22:17,820
the mainstream

559
00:22:21,350 --> 00:22:19,320
now one thing we should point out here

560
00:22:23,210 --> 00:22:21,360
of course is there's one group of people

561
00:22:25,970 --> 00:22:23,220
that were largely left out of this

562
00:22:28,070 --> 00:22:25,980
conversation and that is experiencers

563
00:22:30,230 --> 00:22:28,080

and this often happens in these kinds of

564

00:22:32,630 --> 00:22:30,240

conversations at the public level anyway

565

00:22:34,850 --> 00:22:32,640

we know that arrow is very specifically

566

00:22:37,490 --> 00:22:34,860

not including experience for Testimony

567

00:22:40,730 --> 00:22:37,500

in their investigations

568

00:22:42,950 --> 00:22:40,740

but we should take the opportunity to

569

00:22:45,409 --> 00:22:42,960

think about what experiencers are saying

570

00:22:47,630 --> 00:22:45,419

how are the people who've been contacted

571

00:22:49,970 --> 00:22:47,640

by these various beings thinking about

572

00:22:52,070 --> 00:22:49,980

these matters what kind of messages have

573

00:22:54,230 --> 00:22:52,080

been shared well we know that

574

00:22:56,810 --> 00:22:54,240

historically one clear message has been

575

00:22:59,330 --> 00:22:56,820

shared over and over again it speaks to

576
00:23:01,430 --> 00:22:59,340
a coming cataclysm a kind of Apocalypse

577
00:23:04,490 --> 00:23:01,440
if you will because of the trajectory

578
00:23:07,130 --> 00:23:04,500
our civilization is on I would suggest

579
00:23:09,710 --> 00:23:07,140
you that these things are all connected

580
00:23:12,649 --> 00:23:09,720
this is something I tweeted in this past

581
00:23:14,510 --> 00:23:12,659
week after these Revelations came out I

582
00:23:17,450 --> 00:23:14,520
said quote in the midst of today's

583
00:23:19,190 --> 00:23:17,460
Monumental disclosure news I'll add one

584
00:23:21,770 --> 00:23:19,200
tidbit you perhaps haven't heard

585
00:23:24,350 --> 00:23:21,780
elsewhere there has been a distinct

586
00:23:26,990 --> 00:23:24,360
uptick in messages provided by a

587
00:23:29,510 --> 00:23:27,000
contingent of the others a contingent

588
00:23:32,750 --> 00:23:29,520

that sees what's coming I would suggest

589

00:23:35,149 --> 00:23:32,760

to you that it's all connected unquote

590

00:23:37,250 --> 00:23:35,159

and then someone actually asked after I

591

00:23:39,710 --> 00:23:37,260

tweeted that can you share the nature of

592

00:23:41,810 --> 00:23:39,720

the messages to which I replied quote

593

00:23:44,090 --> 00:23:41,820

generally speaking the current

594

00:23:46,730 --> 00:23:44,100

trajectory of our civilization is not

595

00:23:49,010 --> 00:23:46,740

sustainable we need a massive change in

596

00:23:51,409 --> 00:23:49,020

course we need to transcend base

597

00:23:54,770 --> 00:23:51,419

capitalism and a commodity focused view

598

00:23:58,070 --> 00:23:54,780

of the planet biosphere collapse awaits

599

00:24:00,110 --> 00:23:58,080

us which they will inherit if we fail to

600

00:24:01,850 --> 00:24:00,120

change unquote

601
00:24:03,950 --> 00:24:01,860
and by the way I'm also aware of

602
00:24:05,930 --> 00:24:03,960
messages to do with the craft that have

603
00:24:08,750 --> 00:24:05,940
been recovered and a Potential Threat

604
00:24:10,850 --> 00:24:08,760
they pose when used by US when

605
00:24:12,409 --> 00:24:10,860
re-engineered by us when and we don't

606
00:24:14,630 --> 00:24:12,419
fully understand what we're dealing with

607
00:24:16,190 --> 00:24:14,640
I'll get to that a little bit later in

608
00:24:18,049 --> 00:24:16,200
the episode

609
00:24:19,850 --> 00:24:18,059
but I just want to point out again that

610
00:24:22,669 --> 00:24:19,860
we're kind of in a perfect storm in some

611
00:24:24,789 --> 00:24:22,679
ways in the sense that not only are we

612
00:24:27,649 --> 00:24:24,799
receiving messages from these others

613
00:24:29,510 --> 00:24:27,659

speaking to our current trajectory not

614

00:24:31,130 --> 00:24:29,520

being sustainable and that they actually

615

00:24:32,570 --> 00:24:31,140

have knowledge of they're not just

616

00:24:34,310 --> 00:24:32,580

guessing they're not just saying things

617

00:24:37,010 --> 00:24:34,320

don't look good from the way we see it

618

00:24:39,169 --> 00:24:37,020

like you see it from one point in linear

619

00:24:41,450 --> 00:24:39,179

time they're saying they have awareness

620

00:24:43,970 --> 00:24:41,460

of the future the way that they navigate

621

00:24:45,649 --> 00:24:43,980

space-time is different than us much

622

00:24:48,529 --> 00:24:45,659

more sophisticated

623

00:24:50,330 --> 00:24:48,539

now when we look around at what we see

624

00:24:52,549 --> 00:24:50,340

arising right now we have this perfect

625

00:24:54,110 --> 00:24:52,559

storm brewing we have nuclear

626

00:24:56,830 --> 00:24:54,120

Arrangements that are happening right

627

00:25:00,409 --> 00:24:56,840

now resorting and re-posturing of

628

00:25:04,610 --> 00:25:00,419

geopolitical forces we have China Russia

629

00:25:08,090 --> 00:25:04,620

the U.S allies all reposturing around

630

00:25:10,130 --> 00:25:08,100

nuclear arms we also know that as Warren

631

00:25:11,870 --> 00:25:10,140

Buffett recently pointed out the

632

00:25:13,909 --> 00:25:11,880

challenge with nuclear weapons is once

633

00:25:16,789 --> 00:25:13,919

you create them you can't uncreate them

634

00:25:18,890 --> 00:25:16,799

and almost as a certainty as time goes

635

00:25:21,289 --> 00:25:18,900

on more and more nation states and even

636

00:25:23,450 --> 00:25:21,299

potentially terrorist groups will get

637

00:25:25,970 --> 00:25:23,460

their hands on nuclear weapons just

638

00:25:27,470 --> 00:25:25,980

think about how dangerous that is what

639

00:25:29,210 --> 00:25:27,480

we're sitting on right now and how it

640

00:25:32,210 --> 00:25:29,220

will only become more dangerous as time

641

00:25:34,610 --> 00:25:32,220

goes on in addition to that we have bio

642

00:25:36,230 --> 00:25:34,620

weapons and this recent pandemic points

643

00:25:38,390 --> 00:25:36,240

to what that can do

644

00:25:40,430 --> 00:25:38,400

we also have the arrival of artificial

645

00:25:42,529 --> 00:25:40,440

intelligence we're close to General

646

00:25:44,510 --> 00:25:42,539

artificial intelligence and again with

647

00:25:47,090 --> 00:25:44,520

our current level of Consciousness being

648

00:25:49,070 --> 00:25:47,100

not very high the threats that that

649

00:25:51,470 --> 00:25:49,080

poses to us again because we treat that

650

00:25:53,269 --> 00:25:51,480

like a zero-sum game two we don't think

651
00:25:54,830 --> 00:25:53,279
about what would be in the greatest good

652
00:25:57,529 --> 00:25:54,840
for the greatest numbers of people

653
00:26:01,010 --> 00:25:57,539
instead we compete with each other we

654
00:26:03,169 --> 00:26:01,020
race to this conclusion and because of

655
00:26:05,870 --> 00:26:03,179
the current center of gravity in terms

656
00:26:07,909 --> 00:26:05,880
of collective Consciousness we Face the

657
00:26:10,549 --> 00:26:07,919
possibility that AI will get out of

658
00:26:12,409 --> 00:26:10,559
control that we will seed our own demise

659
00:26:14,510 --> 00:26:12,419
in this race

660
00:26:16,970 --> 00:26:14,520
by the way that's also a message I've

661
00:26:19,310 --> 00:26:16,980
heard some people receive from some

662
00:26:20,990 --> 00:26:19,320
contingents of the others something to

663
00:26:23,450 --> 00:26:21,000

keep in mind and again I just want to

664

00:26:25,549 --> 00:26:23,460

add in this one last piece that the

665

00:26:27,350 --> 00:26:25,559

retrieval and attempted reverse

666

00:26:30,230 --> 00:26:27,360

engineering of these craft themselves

667

00:26:31,909 --> 00:26:30,240

also poses a kind of threat and what

668

00:26:33,769 --> 00:26:31,919

happens now is this becomes more and

669

00:26:35,690 --> 00:26:33,779

more public that's also a question to

670

00:26:37,610 --> 00:26:35,700

think about how are all of these

671

00:26:40,250 --> 00:26:37,620

different elements these points of

672

00:26:42,529 --> 00:26:40,260

convergence if you will pointing to some

673

00:26:43,789 --> 00:26:42,539

kind of culmination point and how is

674

00:26:45,769 --> 00:26:43,799

that related to the fact that we're

675

00:26:49,250 --> 00:26:45,779

seeing more and more interaction

676
00:26:51,169 --> 00:26:49,260
intervention of these others why are our

677
00:26:53,930 --> 00:26:51,179
Naval groups seeing so much activity

678
00:26:55,730 --> 00:26:53,940
when compared with history why are

679
00:26:57,409 --> 00:26:55,740
people receiving so many telepathic

680
00:26:59,690 --> 00:26:57,419
messages from different groups of these

681
00:27:01,789 --> 00:26:59,700
others this is what's in the public

682
00:27:03,950 --> 00:27:01,799
discourse some people again are only

683
00:27:05,510 --> 00:27:03,960
aware of some of these parts the nuts

684
00:27:07,789 --> 00:27:05,520
and bolts people tend to only think

685
00:27:09,590 --> 00:27:07,799
about one aspect of the data perhaps

686
00:27:12,350 --> 00:27:09,600
experiencers only think about messages

687
00:27:15,350 --> 00:27:12,360
you have to really I think consider all

688
00:27:17,510 --> 00:27:15,360

all of this and ask questions about what

689

00:27:19,970 --> 00:27:17,520

this might be pointing towards in terms

690

00:27:22,149 --> 00:27:19,980

again of this culmination point where it

691

00:27:25,669 --> 00:27:22,159

seems like everything is leading towards

692

00:27:28,010 --> 00:27:25,679

one key event and of course that raises

693

00:27:30,649 --> 00:27:28,020

the question is that key event that all

694

00:27:33,409 --> 00:27:30,659

of these converging forces are leading

695

00:27:35,750 --> 00:27:33,419

us towards the very event these others

696

00:27:37,549 --> 00:27:35,760

are warning about telling us about how

697

00:27:39,470 --> 00:27:37,559

will our Collective response to these

698

00:27:42,529 --> 00:27:39,480

Revelations brought forward by gresh and

699

00:27:44,690 --> 00:27:42,539

others change our trajectory as a

700

00:27:47,450 --> 00:27:44,700

civilization or how will the lack of

701
00:27:49,370 --> 00:27:47,460
response be ultimately what SEALs Our

702
00:27:51,590 --> 00:27:49,380
Fate again as I've said on recent

703
00:27:53,570 --> 00:27:51,600
podcasts we are aware of the questions

704
00:27:55,250 --> 00:27:53,580
we are aware of the messages that have

705
00:27:57,409 --> 00:27:55,260
been brought forward the question is

706
00:28:00,049 --> 00:27:57,419
what will we do with this and it's not

707
00:28:02,210 --> 00:28:00,059
just us within ufology now as more and

708
00:28:04,549 --> 00:28:02,220
more of this becomes metabolized in the

709
00:28:06,890 --> 00:28:04,559
mainstream we as a civilization will

710
00:28:08,810 --> 00:28:06,900
have questions to answer and those

711
00:28:11,510 --> 00:28:08,820
questions will be arising with this new

712
00:28:14,049 --> 00:28:11,520
data at the very time that we are facing

713
00:28:16,430 --> 00:28:14,059

civilization ending potentially

714

00:28:18,590 --> 00:28:16,440

challenges how will this all work

715

00:28:19,789 --> 00:28:18,600

together this I think is the key

716

00:28:22,250 --> 00:28:19,799

question

717

00:28:24,350 --> 00:28:22,260

but now let's get back to events as they

718

00:28:26,570 --> 00:28:24,360

rolled out this week I want to reflect

719

00:28:27,950 --> 00:28:26,580

again on tweets that I made as the days

720

00:28:29,870 --> 00:28:27,960

went on

721

00:28:32,510 --> 00:28:29,880

one of the things I said the next day

722

00:28:35,630 --> 00:28:32,520

after the publication of this article by

723

00:28:37,970 --> 00:28:35,640

Keane and Blumenthal was quote as hoped

724

00:28:40,010 --> 00:28:37,980

for and expected a piece that started in

725

00:28:42,649 --> 00:28:40,020

a relatively new and not widely read

726

00:28:46,430 --> 00:28:42,659

publication is being picked up in much

727

00:28:48,590 --> 00:28:46,440

more mainstream Publications unquote I

728

00:28:50,810 --> 00:28:48,600

followed that up with another quote the

729

00:28:55,190 --> 00:28:50,820

web of coverage continues to grow now

730

00:28:58,430 --> 00:28:55,200

Fox News NBC ABC CBS New York Times

731

00:29:00,169 --> 00:28:58,440

Washington Post Politico Etc when are

732

00:29:03,049 --> 00:29:00,179

you going to publish the civilization

733

00:29:05,330 --> 00:29:03,059

changing news unquote and then of course

734

00:29:06,830 --> 00:29:05,340

other papers internationally also picked

735

00:29:09,169 --> 00:29:06,840

us up the guardian being one of the

736

00:29:10,850 --> 00:29:09,179

first key ones to do so

737

00:29:13,669 --> 00:29:10,860

but this brings me to something I

738

00:29:15,590 --> 00:29:13,679

mentioned earlier what was the series of

739

00:29:18,710 --> 00:29:15,600

events that led to this article being

740

00:29:20,690 --> 00:29:18,720

published in a publication like the

741

00:29:23,210 --> 00:29:20,700

debrief which while respected is

742

00:29:24,889 --> 00:29:23,220

relatively small and new

743

00:29:27,830 --> 00:29:24,899

the reason that happened is because

744

00:29:29,630 --> 00:29:27,840

other major papers turned this article

745

00:29:32,269 --> 00:29:29,640

down which again I think says something

746

00:29:35,090 --> 00:29:32,279

about the nature of media and journalism

747

00:29:37,669 --> 00:29:35,100

in America today the New York Times

748

00:29:40,070 --> 00:29:37,679

passed on an early draft of this article

749

00:29:42,169 --> 00:29:40,080

which again speaks to how differently

750

00:29:44,570 --> 00:29:42,179

the New York Times and his editorial

751
00:29:48,230 --> 00:29:44,580
board handles these kinds of pieces now

752
00:29:49,549 --> 00:29:48,240
as opposed to 2017 when Blumenthal and

753
00:29:51,529 --> 00:29:49,559
Kane published the groundbreaking

754
00:29:54,289 --> 00:29:51,539
article that kicked this all off the

755
00:29:56,630 --> 00:29:54,299
modern the most modern UFO era you could

756
00:29:59,269 --> 00:29:56,640
suggest again there's been a turnover of

757
00:30:01,250 --> 00:29:59,279
some of the editorial members since that

758
00:30:03,289 --> 00:30:01,260
time and clearly they are not nearly as

759
00:30:05,029 --> 00:30:03,299
open to publishing these kinds of pieces

760
00:30:08,090 --> 00:30:05,039
as they used to be

761
00:30:09,529 --> 00:30:08,100
The Washington Post also had a chance to

762
00:30:11,149 --> 00:30:09,539
publish this in fact they were one of

763
00:30:13,190 --> 00:30:11,159

the last ones that was considering doing

764

00:30:15,710 --> 00:30:13,200

so but they were trying to get

765

00:30:17,810 --> 00:30:15,720

confirmation from official members of

766

00:30:19,669 --> 00:30:17,820

Congress and whatnot to try to

767

00:30:21,830 --> 00:30:19,679

corroborate some of this and because

768

00:30:24,769 --> 00:30:21,840

that was delaying things and taking much

769

00:30:26,570 --> 00:30:24,779

longer than Kane and Blumenthal were

770

00:30:29,510 --> 00:30:26,580

comfortable with they eventually went

771

00:30:32,149 --> 00:30:29,520

with the debrief Politico and the hill

772

00:30:34,250 --> 00:30:32,159

were another two outlets that turned

773

00:30:36,409 --> 00:30:34,260

this down along the way

774

00:30:38,870 --> 00:30:36,419

so again they try to get this published

775

00:30:42,169 --> 00:30:38,880

in the most well-recognized Publications

776

00:30:45,169 --> 00:30:42,179

and Outlets but ran into problems in

777

00:30:47,510 --> 00:30:45,179

doing so ultimately as Kane has pointed

778

00:30:49,250 --> 00:30:47,520

out since then part of the reasoning for

779

00:30:51,169 --> 00:30:49,260

going ahead and Publishing when they did

780

00:30:55,250 --> 00:30:51,179

rather than waiting for the Washington

781

00:30:57,049 --> 00:30:55,260

Post to perhaps finish their vetting and

782

00:30:58,970 --> 00:30:57,059

whatnot and their confirmation their

783

00:31:00,950 --> 00:30:58,980

additional sourcing

784

00:31:02,750 --> 00:31:00,960

what was determined was that grush

785

00:31:04,490 --> 00:31:02,760

himself was potentially in danger

786

00:31:06,950 --> 00:31:04,500

because his name had been leaked online

787

00:31:09,649 --> 00:31:06,960

he was already receiving threats again

788

00:31:12,289 --> 00:31:09,659

whistleblowers are taking a huge risk

789

00:31:15,110 --> 00:31:12,299

even one as calculating and as

790

00:31:18,169 --> 00:31:15,120

intelligent as Rush he recognizes he was

791

00:31:20,389 --> 00:31:18,179

in danger not just politically not just

792

00:31:23,029 --> 00:31:20,399

professionally but also in terms of

793

00:31:24,710 --> 00:31:23,039

danger to his very life we know what

794

00:31:27,409 --> 00:31:24,720

secret keepers have done historically

795

00:31:28,549 --> 00:31:27,419

allegedly including ending people's

796

00:31:31,190 --> 00:31:28,559

lives who tried to bring this

797

00:31:33,409 --> 00:31:31,200

information forward certainly he could

798

00:31:35,149 --> 00:31:33,419

have been in danger and Kane and

799

00:31:37,190 --> 00:31:35,159

Blumenthal didn't want to take that risk

800

00:31:39,710 --> 00:31:37,200

so that's why they decided to go ahead

801
00:31:42,470 --> 00:31:39,720
with the debrief when they did

802
00:31:43,909 --> 00:31:42,480
now earlier on I pointed out that one of

803
00:31:46,610 --> 00:31:43,919
the reasons Crush came forward is

804
00:31:48,350 --> 00:31:46,620
because he recognized that Arrow the

805
00:31:51,230 --> 00:31:48,360
body that was created to try to look

806
00:31:53,990 --> 00:31:51,240
into this didn't really have sufficient

807
00:31:55,669 --> 00:31:54,000
access to actually do their job

808
00:31:57,470 --> 00:31:55,679
but there's something more than that

809
00:31:59,690 --> 00:31:57,480
that kind of comes up here that we

810
00:32:01,669 --> 00:31:59,700
should consider and it's quite troubling

811
00:32:04,130 --> 00:32:01,679
really it has to do with the fact that

812
00:32:07,070 --> 00:32:04,140
not only perhaps does Arrow not have

813
00:32:08,570 --> 00:32:07,080

sufficient access to the kinds of

814

00:32:10,130 --> 00:32:08,580

information that would allow them to

815

00:32:13,250 --> 00:32:10,140

answer the questions they're supposed to

816

00:32:15,529 --> 00:32:13,260

be investigating but in addition is it

817

00:32:18,289 --> 00:32:15,539

possible that Arrow has been set up with

818

00:32:20,690 --> 00:32:18,299

the intention to never come to the real

819

00:32:23,450 --> 00:32:20,700

truth here again we have people like

820

00:32:25,490 --> 00:32:23,460

Moultrie who've appointed Kirkpatrick

821

00:32:28,730 --> 00:32:25,500

and we have previous whistleblowers like

822

00:32:31,010 --> 00:32:28,740

Luis Elizondo who resigned in protest

823

00:32:32,750 --> 00:32:31,020

from his position because he recognized

824

00:32:34,810 --> 00:32:32,760

there wasn't really this commitment to

825

00:32:37,370 --> 00:32:34,820

truth and bringing this to the public

826

00:32:39,470 --> 00:32:37,380

Elizondo has said that Moultrie was one

827

00:32:41,810 --> 00:32:39,480

of the people that was actually a

828

00:32:44,090 --> 00:32:41,820

roadblock in the process historically

829

00:32:47,149 --> 00:32:44,100

that was his experience so again we have

830

00:32:49,789 --> 00:32:47,159

to ask questions when he's in charge in

831

00:32:51,289 --> 00:32:49,799

putting Kirkpatrick in his position and

832

00:32:53,149 --> 00:32:51,299

even then there's been questions raised

833

00:32:55,250 --> 00:32:53,159

around whether Kirkpatrick even has the

834

00:32:56,810 --> 00:32:55,260

kind of clearances that would allow him

835

00:32:59,990 --> 00:32:56,820

to really get to the relevant

836

00:33:03,769 --> 00:33:00,000

information and then furthermore we have

837

00:33:06,649 --> 00:33:03,779

news recently that Arrow also paid for

838

00:33:08,810 --> 00:33:06,659

perception management unquote to

839

00:33:11,389 --> 00:33:08,820

an outside private company now this

840

00:33:14,210 --> 00:33:11,399

raises questions to which I asked on

841

00:33:16,789 --> 00:33:14,220

social media quote why is Arrow which is

842

00:33:19,070 --> 00:33:16,799

supposed to be about impartial objective

843

00:33:21,889 --> 00:33:19,080

methodical science-based investigation

844

00:33:24,710 --> 00:33:21,899

with a supposed commitment to public

845

00:33:27,590 --> 00:33:24,720

transparency spending Millions for

846

00:33:29,210 --> 00:33:27,600

perception management unquote

847

00:33:30,590 --> 00:33:29,220

now again there are some who would say

848

00:33:32,630 --> 00:33:30,600

this just goes with the territory

849

00:33:34,250 --> 00:33:32,640

whenever you have a agency like this

850

00:33:36,529 --> 00:33:34,260

who's investigating these kinds of

851

00:33:38,570 --> 00:33:36,539

things perception management is just

852

00:33:40,730 --> 00:33:38,580

part of the task otherwise you will have

853

00:33:42,230 --> 00:33:40,740

chaos but in light of some of these

854

00:33:44,269 --> 00:33:42,240

other Revelations and these other

855

00:33:46,909 --> 00:33:44,279

questions or at least being posed and

856

00:33:50,269 --> 00:33:46,919

the history that we're aware of here at

857

00:33:53,149 --> 00:33:50,279

the very least begs certain questions

858

00:33:55,669 --> 00:33:53,159

now since the original article came out

859

00:33:58,490 --> 00:33:55,679

last Monday you may have noticed that

860

00:34:00,409 --> 00:33:58,500

Leslie Kane in various interviews has

861

00:34:03,289 --> 00:34:00,419

sort of distanced herself from these

862

00:34:05,570 --> 00:34:03,299

questions or these concerns or these

863

00:34:08,270 --> 00:34:05,580

statements made about bodies recovered

864

00:34:10,550 --> 00:34:08,280

and in clips from the interview with

865

00:34:13,970 --> 00:34:10,560

Ross cultart it's clear that grush makes

866

00:34:16,790 --> 00:34:13,980

clear that yes indeed recovered bodies

867

00:34:18,950 --> 00:34:16,800

of non-human origin have been part of

868

00:34:21,530 --> 00:34:18,960

this Enterprise he points out that when

869

00:34:24,050 --> 00:34:21,540

you recovered crashed vehicles you quite

870

00:34:26,210 --> 00:34:24,060

often recover dead Pilots that's

871

00:34:28,310 --> 00:34:26,220

basically the claim here this will be

872

00:34:30,050 --> 00:34:28,320

talked about more in the interview that

873

00:34:32,210 --> 00:34:30,060

will happen on Sunday between Ross

874

00:34:34,790 --> 00:34:32,220

kulthart and David garage

875

00:34:37,250 --> 00:34:34,800

but the reason Leslie Kane is distancing

876

00:34:38,629 --> 00:34:37,260

herself from those aspects is number one

877

00:34:40,609 --> 00:34:38,639

because it was not part of the original

878

00:34:42,889 --> 00:34:40,619

article so that's a truthful statement

879

00:34:45,649 --> 00:34:42,899

but I would also suggest to you it's

880

00:34:48,230 --> 00:34:45,659

because Kane is calculating what will

881

00:34:51,109 --> 00:34:48,240

actually be palatable to the public and

882

00:34:53,030 --> 00:34:51,119

what will not be so we go from lights in

883

00:34:55,310 --> 00:34:53,040

the sky to the idea of them being

884

00:34:58,130 --> 00:34:55,320

technologically advanced sophisticated

885

00:34:59,930 --> 00:34:58,140

craft of some sort and then once we get

886

00:35:01,910 --> 00:34:59,940

past the idea that perhaps it's the

887

00:35:03,829 --> 00:35:01,920

Chinese or the Russians who just

888

00:35:05,930 --> 00:35:03,839

leapfrogged us in terms of technological

889

00:35:08,750 --> 00:35:05,940

advancement we get to the possibility

890

00:35:11,690 --> 00:35:08,760

that these are not conventionally human

891

00:35:14,150 --> 00:35:11,700

whatsoever which of course gets us to

892

00:35:16,790 --> 00:35:14,160

the doorway of the question around okay

893

00:35:19,430 --> 00:35:16,800

if these are not of human origin then

894

00:35:22,250 --> 00:35:19,440

who exactly is operating these vehicles

895

00:35:24,290 --> 00:35:22,260

but the reason why I think Kane is

896

00:35:26,030 --> 00:35:24,300

careful to distance herself from that

897

00:35:28,790 --> 00:35:26,040

claim at this point

898

00:35:32,030 --> 00:35:28,800

relates to a tweet that I also published

899

00:35:34,069 --> 00:35:32,040

last week and it goes as follows quote

900

00:35:37,430 --> 00:35:34,079

part of the trickiness of rolling out

901
00:35:39,589 --> 00:35:37,440
details uncovered by David grush include

902
00:35:42,470 --> 00:35:39,599
calculating the difference between the

903
00:35:45,109 --> 00:35:42,480
full extent of the revelations and what

904
00:35:48,290 --> 00:35:45,119
the American public and mainstream media

905
00:35:50,750 --> 00:35:48,300
can metabolize at any given time

906
00:35:53,450 --> 00:35:50,760
these two are not at all always in

907
00:35:55,490 --> 00:35:53,460
alignment and to be clear the end goal

908
00:35:58,310 --> 00:35:55,500
is to make this story go fully viral

909
00:36:01,130 --> 00:35:58,320
Catching Fire amongst the mainstream so

910
00:36:02,510 --> 00:36:01,140
as to make its momentum Unstoppable and

911
00:36:05,630 --> 00:36:02,520
irreversible

912
00:36:08,390 --> 00:36:05,640
unquote now following this initial Tweet

913
00:36:10,609 --> 00:36:08,400

someone responded to me saying sometimes

914

00:36:12,589 --> 00:36:10,619

the responsibility to the truth is more

915

00:36:14,630 --> 00:36:12,599

important than predicting the effect it

916

00:36:16,849 --> 00:36:14,640

will have on others

917

00:36:19,849 --> 00:36:16,859

true but then I followed up with this

918

00:36:22,490 --> 00:36:19,859

quote to be clear I'm not even saying

919

00:36:24,770 --> 00:36:22,500

this is about that I'm saying the story

920

00:36:27,470 --> 00:36:24,780

can die prematurely if it isn't

921

00:36:29,690 --> 00:36:27,480

digestible to various Gatekeepers along

922

00:36:32,390 --> 00:36:29,700

the way that's the tricky game that's

923

00:36:34,970 --> 00:36:32,400

being strategized as we speak in terms

924

00:36:36,349 --> 00:36:34,980

of what is and what isn't included

925

00:36:38,510 --> 00:36:36,359

unquote

926
00:36:41,390 --> 00:36:38,520
and this speaks basically to the strange

927
00:36:44,690 --> 00:36:41,400
situation we find ourselves in it's not

928
00:36:47,690 --> 00:36:44,700
truth that ultimately wins out here it's

929
00:36:50,390 --> 00:36:47,700
what's digestible by the masses it can

930
00:36:53,150 --> 00:36:50,400
be true but if it's a bridge too far it

931
00:36:55,130 --> 00:36:53,160
will die on the vine as they say so

932
00:36:56,210 --> 00:36:55,140
there's a calculation being made here by

933
00:36:58,310 --> 00:36:56,220
the people trying to bring this

934
00:37:00,770 --> 00:36:58,320
information forward that it's done in

935
00:37:02,930 --> 00:37:00,780
such a way that it grounds itself it's

936
00:37:05,510 --> 00:37:02,940
metabolized by the public by the

937
00:37:07,490 --> 00:37:05,520
mainstream to enough of a degree that

938
00:37:09,589 --> 00:37:07,500

further Revelations can take it further

939

00:37:11,630 --> 00:37:09,599

but there's this recognition that it has

940

00:37:14,089 --> 00:37:11,640

to be done in a certain way for this

941

00:37:16,790 --> 00:37:14,099

really to have the reach and the impact

942

00:37:19,609 --> 00:37:16,800

that it potentially has

943

00:37:21,589 --> 00:37:19,619

now again when we speak about what's

944

00:37:24,589 --> 00:37:21,599

actually palatable to the masses versus

945

00:37:26,150 --> 00:37:24,599

what is really in the mix here to those

946

00:37:27,109 --> 00:37:26,160

of us intimately familiar with this

947

00:37:28,970 --> 00:37:27,119

topic

948

00:37:30,829 --> 00:37:28,980

you can quickly see that all that's

949

00:37:33,470 --> 00:37:30,839

really being talked about in the

950

00:37:36,230 --> 00:37:33,480

mainstream is is this human or is it

951
00:37:37,790 --> 00:37:36,240
extraterrestrial now interestingly grush

952
00:37:39,770 --> 00:37:37,800
has actually brought forth other

953
00:37:41,630 --> 00:37:39,780
possibilities he didn't just leave it to

954
00:37:44,210 --> 00:37:41,640
those two he said it could be something

955
00:37:45,829 --> 00:37:44,220
else he pointed to his background as a

956
00:37:48,170 --> 00:37:45,839
physicist and the possibility of other

957
00:37:50,930 --> 00:37:48,180
dimensions so he's speaking there to the

958
00:37:52,069 --> 00:37:50,940
interdimensional kind of possibility as

959
00:37:54,470 --> 00:37:52,079
well

960
00:37:56,510 --> 00:37:54,480
but this again speaks to where we're at

961
00:37:58,910 --> 00:37:56,520
in the public conversation I just want

962
00:38:01,069 --> 00:37:58,920
to remind us all that some of the things

963
00:38:03,890 --> 00:38:01,079

that took us years to come to some of

964

00:38:06,470 --> 00:38:03,900

the Notions that we came to only by a

965

00:38:08,270 --> 00:38:06,480

step-by-step process that process is

966

00:38:09,770 --> 00:38:08,280

just beginning in fact we're not even

967

00:38:11,990 --> 00:38:09,780

clear yet that it's been fully

968

00:38:14,569 --> 00:38:12,000

metabolized to the point where this will

969

00:38:16,550 --> 00:38:14,579

be a thing this will be an aspect of

970

00:38:19,250 --> 00:38:16,560

public knowledge moving forward that's

971

00:38:20,810 --> 00:38:19,260

been clearly acknowledged and is being

972

00:38:23,210 --> 00:38:20,820

acted upon in terms of further

973

00:38:25,190 --> 00:38:23,220

investigation and further contemplation

974

00:38:26,990 --> 00:38:25,200

of the implications

975

00:38:29,210 --> 00:38:27,000

but this speaks to another tweet that I

976
00:38:31,010 --> 00:38:29,220
made this week as these things continue

977
00:38:33,109 --> 00:38:31,020
to roll out and as more and more

978
00:38:35,510 --> 00:38:33,119
networks and papers around the world

979
00:38:37,910 --> 00:38:35,520
began to pick up on the story

980
00:38:40,190 --> 00:38:37,920
I said quote when it comes to the

981
00:38:42,950 --> 00:38:40,200
metabolizing of these Revelations by the

982
00:38:45,230 --> 00:38:42,960
mainstream one of if not the most

983
00:38:47,510 --> 00:38:45,240
challenging aspects will be that as

984
00:38:50,390 --> 00:38:47,520
valet and heinek determined decades ago

985
00:38:53,750 --> 00:38:50,400
the eth that is the Extraterrestrial

986
00:38:56,450 --> 00:38:53,760
hypothesis is likely far too simple an

987
00:38:59,690 --> 00:38:56,460
explanation for the complexity of the

988
00:39:01,370 --> 00:38:59,700

data at hand unquote

989

00:39:03,170 --> 00:39:01,380

now I'd like to comment here that some

990

00:39:05,270 --> 00:39:03,180

people followed up this tweet by saying

991

00:39:07,370 --> 00:39:05,280

things like yes indeed the

992

00:39:10,250 --> 00:39:07,380

Extraterrestrial hypothesis might only

993

00:39:12,650 --> 00:39:10,260

account for one aspect of the phenomenon

994

00:39:13,849 --> 00:39:12,660

there may be other origin sources in the

995

00:39:16,250 --> 00:39:13,859

mix as well

996

00:39:17,930 --> 00:39:16,260

and that's certainly true but I'd also

997

00:39:19,970 --> 00:39:17,940

like to point out what I think filet and

998

00:39:22,370 --> 00:39:19,980

heinek were really getting at here it's

999

00:39:24,230 --> 00:39:22,380

not just that it's incomplete in terms

1000

00:39:26,150 --> 00:39:24,240

of there could be other origin sources

1001
00:39:28,190 --> 00:39:26,160
as well but they were actually pointing

1002
00:39:30,470 --> 00:39:28,200
to the fact that our understanding of

1003
00:39:33,050 --> 00:39:30,480
space-time is so insufficient perhaps

1004
00:39:35,329 --> 00:39:33,060
even woefully misguided to the point

1005
00:39:37,849 --> 00:39:35,339
where these are not really space aliens

1006
00:39:40,490 --> 00:39:37,859
at all or if they are that's only one

1007
00:39:42,770 --> 00:39:40,500
small aspect of it based on a notion of

1008
00:39:45,650 --> 00:39:42,780
space-time as a foundational model of

1009
00:39:47,690 --> 00:39:45,660
reality that is frankly just basically

1010
00:39:50,210 --> 00:39:47,700
barking up the wrong tree again we have

1011
00:39:52,250 --> 00:39:50,220
physicists these days like Nema arkani

1012
00:39:54,050 --> 00:39:52,260
Hamed saying this is what we already

1013
00:39:56,569 --> 00:39:54,060

know space-time is not foundational

1014

00:39:58,730 --> 00:39:56,579

there are deeper structures the math is

1015

00:40:01,490 --> 00:39:58,740

already telling us this so again we have

1016

00:40:04,250 --> 00:40:01,500

alignment here between modern physics

1017

00:40:06,710 --> 00:40:04,260

and scientific Revelations and what we

1018

00:40:08,390 --> 00:40:06,720

see evidenced in this historical data

1019

00:40:10,790 --> 00:40:08,400

but again this is something that the

1020

00:40:13,550 --> 00:40:10,800

public is just beginning to reckon with

1021

00:40:16,670 --> 00:40:13,560

and the point is if we try to push too

1022

00:40:19,310 --> 00:40:16,680

much too soon it may die on the vine

1023

00:40:21,650 --> 00:40:19,320

before it's really grounded into our

1024

00:40:24,530 --> 00:40:21,660

society in such a way that we can be

1025

00:40:26,990 --> 00:40:24,540

sure of further investigation

1026

00:40:29,390 --> 00:40:27,000

now speaking to this notion of other

1027

00:40:32,150 --> 00:40:29,400

hypotheses that perhaps are more apt

1028

00:40:35,030 --> 00:40:32,160

than the Extraterrestrial hypothesis

1029

00:40:37,430 --> 00:40:35,040

one of course involves Michael Master's

1030

00:40:40,130 --> 00:40:37,440

notion of them being extra terrestrials

1031

00:40:42,109 --> 00:40:40,140

that is beings that are from the future

1032

00:40:45,109 --> 00:40:42,119

as we understand it and not only beings

1033

00:40:48,530 --> 00:40:45,119

from the future but beings who are our

1034

00:40:49,910 --> 00:40:48,540

direct descendants now again this is key

1035

00:40:52,190 --> 00:40:49,920

here and this relates to something I

1036

00:40:53,810 --> 00:40:52,200

said earlier first of all I want to

1037

00:40:56,569 --> 00:40:53,820

point out that this has been rumored for

1038

00:40:58,010 --> 00:40:56,579

some time this DNA link even the

1039

00:41:00,230 --> 00:40:58,020

possibility as I've said on recent

1040

00:41:02,990 --> 00:41:00,240

podcasts that the bodies recovered at

1041

00:41:04,910 --> 00:41:03,000

Roswell and other places were shockingly

1042

00:41:07,310 --> 00:41:04,920

found to have some sort of genetic

1043

00:41:09,710 --> 00:41:07,320

connection to us that raises additional

1044

00:41:11,089 --> 00:41:09,720

questions around what is the nature of

1045

00:41:13,069 --> 00:41:11,099

that connection

1046

00:41:14,990 --> 00:41:13,079

but let's take for a second the notion

1047

00:41:17,030 --> 00:41:15,000

that they can move through time and they

1048

00:41:19,670 --> 00:41:17,040

are somehow related to us and perhaps

1049

00:41:22,490 --> 00:41:19,680

even somehow connected to the Earth

1050

00:41:25,130 --> 00:41:22,500

directly in terms of their ancestry and

1051

00:41:26,870 --> 00:41:25,140

their ultimate origin even if in the

1052

00:41:30,230 --> 00:41:26,880

future in their further sophistication

1053

00:41:32,870 --> 00:41:30,240

they've explored the cosmos but are they

1054

00:41:34,250 --> 00:41:32,880

really extraterrestrial in that sense is

1055

00:41:36,410 --> 00:41:34,260

that the best way to describe them

1056

00:41:38,450 --> 00:41:36,420

probably not

1057

00:41:40,130 --> 00:41:38,460

nevertheless this raises other

1058

00:41:42,430 --> 00:41:40,140

interesting questions and possibilities

1059

00:41:45,230 --> 00:41:42,440

even when we think about historically

1060

00:41:48,530 --> 00:41:45,240

controversial Notions like my labs that

1061

00:41:50,089 --> 00:41:48,540

is military alien involvement now part

1062

00:41:52,250 --> 00:41:50,099

of the challenge here is that it's very

1063

00:41:55,790 --> 00:41:52,260

difficult to find evidence of this kind

1064

00:41:57,410 --> 00:41:55,800

of cooperation between U.S military for

1065

00:41:59,089 --> 00:41:57,420

instance and alien group some would

1066

00:42:01,370 --> 00:41:59,099

argue that there isn't enough evidence

1067

00:42:03,710 --> 00:42:01,380

to substantiate people's claims of

1068

00:42:05,569 --> 00:42:03,720

coming into contact with these kinds of

1069

00:42:07,430 --> 00:42:05,579

Arrangements where they see both what

1070

00:42:10,130 --> 00:42:07,440

seem to be Earth humans as well as

1071

00:42:12,710 --> 00:42:10,140

aliens but again if we bring time into

1072

00:42:15,890 --> 00:42:12,720

the mix and if the human genome changes

1073

00:42:18,470 --> 00:42:15,900

over time is played with spliced with

1074

00:42:20,089 --> 00:42:18,480

other different kinds of beings perhaps

1075

00:42:23,089 --> 00:42:20,099

even from the Earth again we think about

1076
00:42:25,310 --> 00:42:23,099
the mantids and the Grays and these kind

1077
00:42:26,810 --> 00:42:25,320
of insectoid forms that also we see

1078
00:42:29,089 --> 00:42:26,820
present on the Earth

1079
00:42:31,069 --> 00:42:29,099
then perhaps the time piece begins to

1080
00:42:32,450 --> 00:42:31,079
make sense of a lot of this and of

1081
00:42:34,910 --> 00:42:32,460
course this is what I've been talking a

1082
00:42:36,710 --> 00:42:34,920
lot about recently I don't want to LEAP

1083
00:42:39,290 --> 00:42:36,720
to the conclusion I don't want to land

1084
00:42:41,569 --> 00:42:39,300
at the conclusion that these are us from

1085
00:42:43,130 --> 00:42:41,579
the future of full stop but I think

1086
00:42:44,810 --> 00:42:43,140
there is evidence that they're somehow

1087
00:42:46,490 --> 00:42:44,820
connected to us which raises questions

1088
00:42:47,810 --> 00:42:46,500

about their origin and their connection

1089

00:42:50,150 --> 00:42:47,820

to Earth

1090

00:42:51,829 --> 00:42:50,160

and it also I think speaks to how we

1091

00:42:53,750 --> 00:42:51,839

don't really understand space time we

1092

00:42:55,670 --> 00:42:53,760

already know this but again what we see

1093

00:42:58,550 --> 00:42:55,680

with them is an ability to move through

1094

00:42:59,990 --> 00:42:58,560

time seemingly effortlessly I also want

1095

00:43:02,630 --> 00:43:00,000

to point out earlier we talked about

1096

00:43:05,329 --> 00:43:02,640

experiencers experiencers are very often

1097

00:43:07,790 --> 00:43:05,339

told that they are us and we are them

1098

00:43:09,230 --> 00:43:07,800

these are direct quotes basically and

1099

00:43:11,089 --> 00:43:09,240

they also mentioned being so far from

1100

00:43:12,890 --> 00:43:11,099

the future that we wouldn't even really

1101
00:43:15,710 --> 00:43:12,900
understand it and when you think about

1102
00:43:17,270 --> 00:43:15,720
that you also recognize that as time

1103
00:43:20,210 --> 00:43:17,280
goes on and we understand more and more

1104
00:43:21,829 --> 00:43:20,220
of reality our models of reality evolve

1105
00:43:24,230 --> 00:43:21,839
and sometimes completely reinvent

1106
00:43:25,849 --> 00:43:24,240
themselves with new data then it's not

1107
00:43:28,430 --> 00:43:25,859
surprising that their understanding

1108
00:43:30,050 --> 00:43:28,440
would be so far above ours even if they

1109
00:43:32,329 --> 00:43:30,060
were ultimately connected to us and

1110
00:43:33,290 --> 00:43:32,339
perhaps our descendants that it would be

1111
00:43:35,030 --> 00:43:33,300
something that we couldn't really

1112
00:43:37,069 --> 00:43:35,040
grapple with and fully understand yet

1113
00:43:38,930 --> 00:43:37,079

because we're just working at such a

1114

00:43:41,210 --> 00:43:38,940

primitive understanding compared to

1115

00:43:44,089 --> 00:43:41,220

where they are and of course perhaps

1116

00:43:45,770 --> 00:43:44,099

more importantly when they are relative

1117

00:43:48,290 --> 00:43:45,780

to us

1118

00:43:50,630 --> 00:43:48,300

now speaking of when they are relative

1119

00:43:52,670 --> 00:43:50,640

to us and how they got here

1120

00:43:54,890 --> 00:43:52,680

I just want to raise something else that

1121

00:43:56,450 --> 00:43:54,900

is potentially concerning something else

1122

00:43:58,670 --> 00:43:56,460

that relates to messages some

1123

00:44:01,130 --> 00:43:58,680

experiencers have received from a

1124

00:44:03,470 --> 00:44:01,140

contingent of these others and it has to

1125

00:44:05,630 --> 00:44:03,480

do with these vehicles the nature of

1126
00:44:08,210 --> 00:44:05,640
these vehicles and what they're capable

1127
00:44:09,470 --> 00:44:08,220
of doing again according to what we just

1128
00:44:11,750 --> 00:44:09,480
discussed with them being extra

1129
00:44:14,150 --> 00:44:11,760
tempestules potentially

1130
00:44:16,010 --> 00:44:14,160
there's the issue of course of them

1131
00:44:18,950 --> 00:44:16,020
traveling through time that these are

1132
00:44:21,530 --> 00:44:18,960
time travel Vehicles not just vehicles

1133
00:44:23,450 --> 00:44:21,540
that allow us to move through space and

1134
00:44:24,829 --> 00:44:23,460
so part of the messaging has revolved

1135
00:44:27,050 --> 00:44:24,839
around the fact that these are very

1136
00:44:29,150 --> 00:44:27,060
dangerous Vehicles when you don't know

1137
00:44:31,550 --> 00:44:29,160
what you're doing that both the past

1138
00:44:33,890 --> 00:44:31,560

present and future as we perceive and

1139

00:44:36,770 --> 00:44:33,900

understand them and experience them can

1140

00:44:39,470 --> 00:44:36,780

be directly impacted if these vehicles

1141

00:44:41,630 --> 00:44:39,480

are used incorrectly and again I want to

1142

00:44:44,329 --> 00:44:41,640

remind you of the fact that as different

1143

00:44:46,849 --> 00:44:44,339

nation states rush to understand these

1144

00:44:49,670 --> 00:44:46,859

things first how careful are we being

1145

00:44:52,130 --> 00:44:49,680

and what might we be creating in terms

1146

00:44:54,829 --> 00:44:52,140

of a consequence an implication that

1147

00:44:57,349 --> 00:44:54,839

could affect all of us in that race for

1148

00:45:00,109 --> 00:44:57,359

technological advancement still based

1149

00:45:03,349 --> 00:45:00,119

around a zero-sum game of nation states

1150

00:45:05,690 --> 00:45:03,359

competing with each other

1151

00:45:07,849 --> 00:45:05,700

now as we draw to a close for this

1152

00:45:09,170 --> 00:45:07,859

week's episode I'd like to point out a

1153

00:45:12,349 --> 00:45:09,180

few things that I think we should be

1154

00:45:14,510 --> 00:45:12,359

aware of one has to do with us becoming

1155

00:45:17,030 --> 00:45:14,520

accustomed to the kinds of conversations

1156

00:45:19,609 --> 00:45:17,040

that are had in the public that will

1157

00:45:21,829 --> 00:45:19,619

feel painfully slow and first level to

1158

00:45:23,030 --> 00:45:21,839

those of us intimately familiar with

1159

00:45:25,010 --> 00:45:23,040

this topic

1160

00:45:28,790 --> 00:45:25,020

and this relates to something I tweeted

1161

00:45:31,130 --> 00:45:28,800

just today I said quote making some

1162

00:45:33,890 --> 00:45:31,140

sense of the peculiarities around the

1163

00:45:37,010 --> 00:45:33,900

UFO phenomenon involve a multi-step

1164

00:45:40,069 --> 00:45:37,020

process one has to metabolize landing at

1165

00:45:44,270 --> 00:45:40,079

level one before inevitably becoming

1166

00:45:47,150 --> 00:45:44,280

aware of level two and on it goes binary

1167

00:45:49,370 --> 00:45:47,160

thinking is the Doom of progress here

1168

00:45:51,829 --> 00:45:49,380

a challenge that will arise for many of

1169

00:45:53,710 --> 00:45:51,839

us in ufology is that as these

1170

00:45:56,930 --> 00:45:53,720

Revelations spread into the mainstream

1171

00:45:59,270 --> 00:45:56,940

various new quote-unquote experts will

1172

00:46:01,609 --> 00:45:59,280

emerge jumping straight to Binary

1173

00:46:04,069 --> 00:46:01,619

thinking or quickly landing at level one

1174

00:46:06,349 --> 00:46:04,079

of the multi-step process I just

1175

00:46:09,230 --> 00:46:06,359

referenced and then confidently

1176
00:46:12,109 --> 00:46:09,240
declaring the matter done all that is to

1177
00:46:14,809 --> 00:46:12,119
say be ready for a long ride it only

1178
00:46:16,730 --> 00:46:14,819
gets more complex from here as this

1179
00:46:18,710 --> 00:46:16,740
serum spreads further into the body

1180
00:46:21,710 --> 00:46:18,720
public unquote

1181
00:46:24,710 --> 00:46:21,720
now that tweet was in reference to how

1182
00:46:27,470 --> 00:46:24,720
much the public has to evolve to really

1183
00:46:28,970 --> 00:46:27,480
begin to Grapple with this topic but I

1184
00:46:31,370 --> 00:46:28,980
would point out that even those of us

1185
00:46:34,190 --> 00:46:31,380
within the conversation within ufology

1186
00:46:36,950 --> 00:46:34,200
as it's called still are not grappling

1187
00:46:37,790 --> 00:46:36,960
with the full scope of what this points

1188
00:46:39,349 --> 00:46:37,800

to

1189

00:46:41,450 --> 00:46:39,359

and so I leave you with this final

1190

00:46:43,190 --> 00:46:41,460

concluding thought

1191

00:46:45,530 --> 00:46:43,200

when it comes to debating different

1192

00:46:47,870 --> 00:46:45,540

hypotheses to explain the Enigma

1193

00:46:50,630 --> 00:46:47,880

colloquially referred to as the UFO

1194

00:46:53,329 --> 00:46:50,640

phenomenon it's apparent that many even

1195

00:46:56,150 --> 00:46:53,339

within the ufological community are not

1196

00:46:58,849 --> 00:46:56,160

yet seeing just How Deep The Rabbit Hole

1197

00:47:00,650 --> 00:46:58,859

goes the issue is not really about what

1198

00:47:02,630 --> 00:47:00,660

percentage of apparently non-human

1199

00:47:06,290 --> 00:47:02,640

beings are extraterrestrial versus

1200

00:47:08,870 --> 00:47:06,300

interdimensional Etc but rather just how

1201
00:47:10,790 --> 00:47:08,880
incomplete or even woefully misguided is

1202
00:47:12,710 --> 00:47:10,800
our very understanding of reality

1203
00:47:15,050 --> 00:47:12,720
altogether

1204
00:47:17,030 --> 00:47:15,060
it's from our fundamental understanding

1205
00:47:19,910 --> 00:47:17,040
of all that is that we generate

1206
00:47:22,550 --> 00:47:19,920
hypotheses to begin with and I contend

1207
00:47:24,470 --> 00:47:22,560
that the update we need to undergo will

1208
00:47:27,170 --> 00:47:24,480
have to happen on that foundational

1209
00:47:29,390 --> 00:47:27,180
level that that will need to happen

1210
00:47:31,670 --> 00:47:29,400
before we can move on to step two

1211
00:47:33,290 --> 00:47:31,680
generating meaningful and testable

1212
00:47:35,569 --> 00:47:33,300
hypotheses

1213
00:47:38,210 --> 00:47:35,579

to that end I would suggest you that we

1214

00:47:40,030 --> 00:47:38,220

must be ready and willing to unlearn or

1215

00:47:42,589 --> 00:47:40,040

at the very least fundamentally

1216

00:47:45,109 --> 00:47:42,599

recontextualize much of what we've long

1217

00:47:47,990 --> 00:47:45,119

assumed to be what I've called the myth

1218

00:47:49,730 --> 00:47:48,000

of close to Pinnacle knowledge rooted in

1219

00:47:52,970 --> 00:47:49,740

the Arrogant belief that we're close to

1220

00:47:55,010 --> 00:47:52,980

understanding all that is long before we

1221

00:47:57,109 --> 00:47:55,020

can really arrive at anything close to

1222

00:47:59,210 --> 00:47:57,119

what one might consider sufficient

1223

00:48:02,510 --> 00:47:59,220

understanding from which to make sense

1224

00:48:05,109 --> 00:48:02,520

of the dizzying array of complexity the

1225

00:48:07,430 --> 00:48:05,119

UFO phenomenon and general paranormality

1226

00:48:10,670 --> 00:48:07,440

presents to us

1227

00:48:13,130 --> 00:48:10,680

without doubt we are in a new era and

1228

00:48:14,690 --> 00:48:13,140

what a time to be alive but let's not

1229

00:48:17,210 --> 00:48:14,700

make the mistake so many of our

1230

00:48:19,430 --> 00:48:17,220

ancestors have made assuming that this

1231

00:48:20,630 --> 00:48:19,440

new dawn represents the summit of

1232

00:48:23,569 --> 00:48:20,640

understanding

1233

00:48:26,210 --> 00:48:23,579

what it represents is a new Plateau with

1234

00:48:28,910 --> 00:48:26,220

exciting virgin terrain to be explored

1235

00:48:31,910 --> 00:48:28,920

and mapped but let us remember that that

1236

00:48:34,970 --> 00:48:31,920

exploration itself will lead inevitably

1237

00:48:37,430 --> 00:48:34,980

to our next level of understanding and

1238

00:48:39,290 --> 00:48:37,440

potentially to our next stage of

1239

00:48:43,910 --> 00:48:39,300

collective consciousness

1240

00:48:46,370 --> 00:48:43,920

and so it is and may it be so

1241

00:48:48,470 --> 00:48:46,380

and on that note we've come to the close

1242

00:48:50,750 --> 00:48:48,480

of another edition of the point of

1243

00:48:52,790 --> 00:48:50,760

convergence podcast if you'd like to
