[Laughter]

3
00:00:13,280 --> 00:00:17,710
[Music]

4
00:00:23,630 --> 00:00:20,630
welcome back to another episode of

5
00:00:26,090 --> 00:00:23,640
liminal frames I am your host Nathan and

6
00:00:29,150 --> 00:00:26,100
I'm joined by my friend co-host and

7
00:00:30,950 --> 00:00:29,160
colleague Darren EXO academian

8
00:00:34,069 --> 00:00:30,960
Darren

9
00:00:36,650 --> 00:00:34,079
my head is still spinning it has been a

10
00:00:38,330 --> 00:00:36,660
whirlwind of a couple of weeks here not

11
00:00:40,790 --> 00:00:38,340
even a couple weeks it's felt almost

12
00:00:44,030 --> 00:00:40,800
like a couple of months so many things

13
00:00:47,450 --> 00:00:44,040

have happened uh just a quick bullet

14

00:00:49,430 --> 00:00:47,460

point list here of what's taken place

15

00:00:51,529 --> 00:00:49,440

and I want to get your initial reaction

16

00:00:53,510 --> 00:00:51,539

to some of this we had the crystal

17

00:00:55,729 --> 00:00:53,520

Mellon article in Politico that was

18

00:00:58,670 --> 00:00:55,739

really uh I think the furthest that

19

00:01:01,670 --> 00:00:58,680

we've seen melon go in in his uh public

20

00:01:03,709 --> 00:01:01,680

writings uh talking about uh the people

21

00:01:06,469 --> 00:01:03,719

that have confided in him the the people

22

00:01:09,830 --> 00:01:06,479

that he has referred uh to Congress

23

00:01:12,830 --> 00:01:09,840

about uh crash retrieval programs uh

24

00:01:15,590 --> 00:01:12,840

that was a pretty big and bold type of

25

00:01:17,570 --> 00:01:15,600

of Peace there and that was just kind of

26
00:01:19,550 --> 00:01:17,580
the Prelude to of course what everyone

27
00:01:22,670 --> 00:01:19,560
has been talking about in our circles

28
00:01:24,710 --> 00:01:22,680
the David Rush article that came out in

29
00:01:27,710 --> 00:01:24,720
the debrief written by Leslie Kane and

30
00:01:30,230 --> 00:01:27,720
Ralph Blumenthal that was followed up by

31
00:01:33,230 --> 00:01:30,240
the David Rush interview on news Nation

32
00:01:35,630 --> 00:01:33,240
from Ross coltheart several interview

33
00:01:39,109 --> 00:01:35,640
segments there and a full-length segment

34
00:01:41,929 --> 00:01:39,119
that aired on Sunday night on top of

35
00:01:45,289 --> 00:01:41,939
that we had the national Press Club

36
00:01:47,450 --> 00:01:45,299
event with Stephen Greer that was

37
00:01:49,670 --> 00:01:47,460
several hours long many different

38
00:01:52,609 --> 00:01:49,680

current whistleblower testimonies and

39

00:01:55,030 --> 00:01:52,619

witness testimonies that were submitted

40

00:01:57,109 --> 00:01:55,040

so I'm very compelling stories there

41

00:01:59,090 --> 00:01:57,119

from him

42

00:02:02,450 --> 00:01:59,100

and then of course the reactions the

43

00:02:05,149 --> 00:02:02,460

reactions to all of the above uh we've

44

00:02:06,770 --> 00:02:05,159

had the social media reaction we've had

45

00:02:09,529 --> 00:02:06,780

the mainstream media reaction the

46

00:02:11,089 --> 00:02:09,539

skeptical reaction uh and then lest we

47

00:02:13,190 --> 00:02:11,099

forget there was one other event we're

48

00:02:16,670 --> 00:02:13,200

going to talk about as well that was

49

00:02:19,970 --> 00:02:16,680

this uh bizarre uh potential encounter

50

00:02:21,770 --> 00:02:19,980

that happened in Las Vegas with uh you

51
00:02:23,690 --> 00:02:21,780
know reported sightings of beings in

52
00:02:26,449 --> 00:02:23,700
someone's backyard

53
00:02:29,809 --> 00:02:26,459
I mean Darren like if you were to rewind

54
00:02:31,910 --> 00:02:29,819
10 years for a go you would want like

55
00:02:34,250 --> 00:02:31,920
one of these kinds of events would be

56
00:02:36,710 --> 00:02:34,260
like would have made the entire year in

57
00:02:39,350 --> 00:02:36,720
in ufology but to have all these things

58
00:02:42,949 --> 00:02:39,360
happen essentially back to back over the

59
00:02:44,449 --> 00:02:42,959
course of several days uh it is um I

60
00:02:45,890 --> 00:02:44,459
don't even know if we fully digested I

61
00:02:47,449 --> 00:02:45,900
don't know if we fully uh you know

62
00:02:49,369 --> 00:02:47,459
wrapped our minds around what has just

63
00:02:51,050 --> 00:02:49,379

taken place but you know what are your

64

00:02:53,690 --> 00:02:51,060

initial thoughts to that uh quick

65

00:02:55,009 --> 00:02:53,700

summary and uh you know how you been

66

00:02:57,229 --> 00:02:55,019

you're getting good good sleep with all

67

00:02:59,990 --> 00:02:57,239

this it's just a lot going on man

68

00:03:02,270 --> 00:03:00,000

there is indeed I mean yeah if you were

69

00:03:03,530 --> 00:03:02,280

writing a book or writing a story you

70

00:03:04,970 --> 00:03:03,540

would at least spread it out over six

71

00:03:06,350 --> 00:03:04,980

months because it just would not be

72

00:03:07,729 --> 00:03:06,360

believable that that much would happen

73

00:03:09,190 --> 00:03:07,739

in the space of a week and a half or

74

00:03:11,390 --> 00:03:09,200

whatever it's been

75

00:03:14,030 --> 00:03:11,400

unprecedented right I mean it's it's

76
00:03:16,309 --> 00:03:14,040
shocking and remarkable and of course

77
00:03:18,229 --> 00:03:16,319
there's all the details to get into in

78
00:03:20,930 --> 00:03:18,239
terms of how much this has moved the

79
00:03:22,910 --> 00:03:20,940
proverbial needle in the big picture

80
00:03:25,070 --> 00:03:22,920
these are three very different kinds of

81
00:03:26,990 --> 00:03:25,080
events between the Las Vegas citing

82
00:03:29,750 --> 00:03:27,000
reported sighting we should say alleged

83
00:03:32,630 --> 00:03:29,760
the Greer event and of course the

84
00:03:34,670 --> 00:03:32,640
debrief article mixed with the Ross cool

85
00:03:38,869 --> 00:03:34,680
tart interview of garage

86
00:03:40,490 --> 00:03:38,879
I mean absolutely Bonkers in a way in

87
00:03:42,170 --> 00:03:40,500
many ways it's the the week that many in

88
00:03:44,630 --> 00:03:42,180

ufology have been hoping for their

89

00:03:46,490 --> 00:03:44,640

entire lives and undoubtedly I've seen

90

00:03:47,930 --> 00:03:46,500

people that have been in this for

91

00:03:50,690 --> 00:03:47,940

decades much longer than you and I have

92

00:03:53,330 --> 00:03:50,700

been who said they can hardly believe

93

00:03:55,070 --> 00:03:53,340

how much has happened and they have been

94

00:03:57,229 --> 00:03:55,080

waiting for someone like David grass to

95

00:03:58,850 --> 00:03:57,239

come out and say these things what's

96

00:04:01,250 --> 00:03:58,860

interesting for those of us intimately

97

00:04:02,630 --> 00:04:01,260

familiar with the topic is that many of

98

00:04:04,130 --> 00:04:02,640

the revelations she brought forward are

99

00:04:06,050 --> 00:04:04,140

things we've heard right this has been

100

00:04:08,210 --> 00:04:06,060

in the Grapevine so to speak

101
00:04:10,670 --> 00:04:08,220
what's different is he's saying this

102
00:04:13,490 --> 00:04:10,680
publicly and he's saying this as a very

103
00:04:15,830 --> 00:04:13,500
credible highly ranking intelligence

104
00:04:17,810 --> 00:04:15,840
officer with information from numerous

105
00:04:20,629 --> 00:04:17,820
agencies someone who worked on the UAP

106
00:04:22,310 --> 00:04:20,639
task force and indeed helped draft the

107
00:04:23,570 --> 00:04:22,320
legislation to do with whistleblowers

108
00:04:27,110 --> 00:04:23,580
coming forward

109
00:04:29,450 --> 00:04:27,120
so what a week indeed are you sleeping

110
00:04:31,610 --> 00:04:29,460
uh well I gotta admit the first uh

111
00:04:32,689 --> 00:04:31,620
couple of days there I wasn't sleeping

112
00:04:33,830 --> 00:04:32,699
very well

113
00:04:35,810 --> 00:04:33,840

um and I don't know that had anything to

114

00:04:37,189 --> 00:04:35,820

do with these things but uh perhaps it

115

00:04:38,930 --> 00:04:37,199

did

116

00:04:40,670 --> 00:04:38,940

um sleeping a lot better now after I've

117

00:04:42,189 --> 00:04:40,680

had a chance to kind of sit with a lot

118

00:04:45,409 --> 00:04:42,199

of these Revelations

119

00:04:47,810 --> 00:04:45,419

uh it's just so much content and it's so

120

00:04:50,390 --> 00:04:47,820

dense and like you said a lot of the

121

00:04:53,810 --> 00:04:50,400

things that were revealed uh in the

122

00:04:55,790 --> 00:04:53,820

David Rush uh you know pieces there were

123

00:04:59,689 --> 00:04:55,800

things that if you've been studying this

124

00:05:02,689 --> 00:04:59,699

topic for a while we already essentially

125

00:05:05,150 --> 00:05:02,699

you know knew or believed were the case

126

00:05:06,950 --> 00:05:05,160

uh so you know a degree of validation

127

00:05:09,590 --> 00:05:06,960

there at least for those who are already

128

00:05:11,270 --> 00:05:09,600

following this now I I can already hear

129

00:05:12,650 --> 00:05:11,280

them talking you know well you know it

130

00:05:15,590 --> 00:05:12,660

just sounds like he got a hold of the

131

00:05:17,390 --> 00:05:15,600

ufology uh Kool-Aid and he had a big old

132

00:05:19,969 --> 00:05:17,400

gulp of it and he just regurgitated

133

00:05:23,090 --> 00:05:19,979

everything that you know these uh

134

00:05:25,189 --> 00:05:23,100

Fanatics have essentially fed him uh you

135

00:05:28,070 --> 00:05:25,199

know over time and you know I want to

136

00:05:31,070 --> 00:05:28,080

get into some of that as we unpack what

137

00:05:33,830 --> 00:05:31,080

he talked about because I think that's

138

00:05:36,710 --> 00:05:33,840

um it just I lumped that into the

139

00:05:40,610 --> 00:05:36,720

disingenuous critique of of what we've

140

00:05:42,830 --> 00:05:40,620

had happen here uh you know David grush

141

00:05:45,770 --> 00:05:42,840

is as credible a witness as you could

142

00:05:48,529 --> 00:05:45,780

hope for uh you know somebody who has

143

00:05:52,010 --> 00:05:48,539

been within the establishment a long

144

00:05:55,249 --> 00:05:52,020

career highly decorated uh constantly

145

00:05:57,050 --> 00:05:55,259

promoted uh not just promoted in you

146

00:06:00,070 --> 00:05:57,060

know kind of the same type of role but

147

00:06:02,570 --> 00:06:00,080

elevated into other more sensitive roles

148

00:06:05,570 --> 00:06:02,580

progressively throughout his career

149

00:06:08,930 --> 00:06:05,580

trusted with some of our country's most

150

00:06:12,290 --> 00:06:08,940

sensitive Secrets uh you know to to then

151

00:06:15,350 --> 00:06:12,300

sort of say that this person had just uh

152

00:06:17,510 --> 00:06:15,360

been hoodwinked by a couple of uh you

153

00:06:20,870 --> 00:06:17,520

know folks that are you know into sci-fi

154

00:06:23,629 --> 00:06:20,880

and fantasy stories uh I think uh would

155

00:06:26,689 --> 00:06:23,639

in and of itself be a incredibly

156

00:06:29,990 --> 00:06:26,699

shocking and and terrifying and

157

00:06:32,930 --> 00:06:30,000

troubling Revelation there uh for a guy

158

00:06:35,629 --> 00:06:32,940

like this to be easily duped man we've

159

00:06:37,249 --> 00:06:35,639

got some bigger problems at work here uh

160

00:06:39,350 --> 00:06:37,259

you know if that really is true and I

161

00:06:41,809 --> 00:06:39,360

don't I don't think that it is

162

00:06:43,850 --> 00:06:41,819

indeed in fact he mentioned on the cool

163

00:06:46,309 --> 00:06:43,860

start interview that he was very

164

00:06:48,670 --> 00:06:46,319

methodical very cautious about believing

165

00:06:51,170 --> 00:06:48,680

these Revelations he took years actually

166

00:06:52,309 --> 00:06:51,180

corroborating them for himself so that

167

00:06:54,409 --> 00:06:52,319

he felt like he could really be

168

00:06:56,930 --> 00:06:54,419

confident about this let's be honest

169

00:06:59,150 --> 00:06:56,940

about this these naysayers who that is

170

00:07:01,490 --> 00:06:59,160

their critique it's ridiculous because

171

00:07:04,370 --> 00:07:01,500

this is career suicide in many ways

172

00:07:06,170 --> 00:07:04,380

right the only reason someone like this

173

00:07:07,550 --> 00:07:06,180

comes forward is either they're not a

174

00:07:09,350 --> 00:07:07,560

credible witness and for the very

175

00:07:11,570 --> 00:07:09,360

reasons you just pointed out he very

176

00:07:12,710 --> 00:07:11,580

much is a credible witness the only

177

00:07:15,050 --> 00:07:12,720

reason they would do it is if they

178

00:07:16,610 --> 00:07:15,060

become so convinced that it's in the

179

00:07:18,529 --> 00:07:16,620

public good that they are willing to

180

00:07:19,909 --> 00:07:18,539

make a massive sacrifice to come forward

181

00:07:21,350 --> 00:07:19,919

and do this and that's the way that I

182

00:07:23,510 --> 00:07:21,360

read this I don't know how you read it

183

00:07:26,450 --> 00:07:23,520

any other way

184

00:07:29,270 --> 00:07:26,460

yes well the the one alternate way

185

00:07:32,570 --> 00:07:29,280

is that folks will say aha here we here

186

00:07:35,150 --> 00:07:32,580

we have another uh attempt on behalf of

187

00:07:38,450 --> 00:07:35,160

the secret Keepers to you know kind of

188

00:07:40,610 --> 00:07:38,460

have us chase down this rabbit hole and

189

00:07:43,850 --> 00:07:40,620

control the narrative he's all a part of

190

00:07:45,529 --> 00:07:43,860

the the disinfo campaign no one can be

191

00:07:46,670 --> 00:07:45,539

trusted the government can't be trusted

192

00:07:49,010 --> 00:07:46,680

ever

193

00:07:50,870 --> 00:07:49,020

um so that's certainly the other uh you

194

00:07:52,850 --> 00:07:50,880

know storyline here that we hear

195

00:07:54,350 --> 00:07:52,860

bantered about

196

00:07:56,930 --> 00:07:54,360

um I you know I'm incredibly frustrated

197

00:07:58,969 --> 00:07:56,940

by that I think that that you know it

198

00:08:01,730 --> 00:07:58,979

does point to me it highlights the

199

00:08:05,210 --> 00:08:01,740

damage that uh the lack of government

200

00:08:07,430 --> 00:08:05,220

transparency has inflicted upon the

201
00:08:09,890 --> 00:08:07,440
public over so many decades not just

202
00:08:11,629 --> 00:08:09,900
with this topic but so many other areas

203
00:08:13,370 --> 00:08:11,639
where we feel as if the government

204
00:08:15,409 --> 00:08:13,380
hasn't been straight with the American

205
00:08:18,170 --> 00:08:15,419
people or the people of the world

206
00:08:19,969 --> 00:08:18,180
uh we we know governments keep secrets

207
00:08:22,129 --> 00:08:19,979
and uh there are many instances and

208
00:08:23,629 --> 00:08:22,139
examples where governments have kept

209
00:08:26,510 --> 00:08:23,639
secrets those Secrets have later been

210
00:08:28,189 --> 00:08:26,520
exposed and people who tried to expose

211
00:08:31,430 --> 00:08:28,199
them back when the events were taking

212
00:08:33,829 --> 00:08:31,440
place were ridiculed and marginalized

213
00:08:37,130 --> 00:08:33,839

and and and later on they're Vindicated

214

00:08:39,050 --> 00:08:37,140

but later on is almost too late so we've

215

00:08:41,029 --> 00:08:39,060

suffered particularly heavily in this

216

00:08:43,550 --> 00:08:41,039

community the community of interests of

217

00:08:46,490 --> 00:08:43,560

ufology here uh from this kind of effect

218

00:08:50,630 --> 00:08:46,500

and I understand we have a right to be

219

00:08:53,690 --> 00:08:50,640

uh reflexively uh skeptical about what

220

00:08:55,250 --> 00:08:53,700

might be taking place here and uh and at

221

00:08:58,790 --> 00:08:55,260

the same time

222

00:09:01,490 --> 00:08:58,800

I do think we've had so many different

223

00:09:03,590 --> 00:09:01,500

uh folks come forward from within

224

00:09:06,110 --> 00:09:03,600

programs uh who aren't connected to each

225

00:09:09,050 --> 00:09:06,120

other explicitly over the course of many

226

00:09:11,329 --> 00:09:09,060

many years uh decades even who've come

227

00:09:13,790 --> 00:09:11,339

forward that to say this is just one

228

00:09:16,910 --> 00:09:13,800

grand conspiracy you know where all of

229

00:09:19,070 --> 00:09:16,920

these individuals are a part of uh you

230

00:09:21,290 --> 00:09:19,080

know I think is a bridge too far

231

00:09:24,290 --> 00:09:21,300

um so I you know I'm frustrated by that

232

00:09:26,150 --> 00:09:24,300

I get it I it bothers me as well but I

233

00:09:28,070 --> 00:09:26,160

think we have an opportunity here uh

234

00:09:29,870 --> 00:09:28,080

maybe a unique one with particularly

235

00:09:31,970 --> 00:09:29,880

with this subject to be straight with

236

00:09:34,250 --> 00:09:31,980

the people the people of America and the

237

00:09:36,470 --> 00:09:34,260

world about what really took place and

238

00:09:39,170 --> 00:09:36,480

then restore a credibility that has been

239

00:09:40,670 --> 00:09:39,180

lost I think there's a great option uh

240

00:09:43,310 --> 00:09:40,680

you know to kind of take this forward

241

00:09:45,829 --> 00:09:43,320

and enhance that kind of trust that is

242

00:09:48,050 --> 00:09:45,839

so desperately needed

243

00:09:50,570 --> 00:09:48,060

absolutely true and I think when I

244

00:09:53,210 --> 00:09:50,580

reflect on not just the news but how the

245

00:09:54,650 --> 00:09:53,220

news has been received that has been as

246

00:09:56,269 --> 00:09:54,660

interesting as the news itself almost

247

00:09:58,670 --> 00:09:56,279

when you think about the the

248

00:10:00,050 --> 00:09:58,680

sociological equation here because on

249

00:10:01,610 --> 00:10:00,060

the one hand

250

00:10:04,730 --> 00:10:01,620

it's almost like the government has done

251

00:10:07,190 --> 00:10:04,740

its job so well that now people jump

252

00:10:10,070 --> 00:10:07,200

into this psyop category even when it's

253

00:10:12,050 --> 00:10:10,080

not a psyop so if you really want to

254

00:10:14,090 --> 00:10:12,060

confuse people to the point where they

255

00:10:16,310 --> 00:10:14,100

basically lose interest they're

256

00:10:18,949 --> 00:10:16,320

exhausted from even trying to pry apart

257

00:10:20,389 --> 00:10:18,959

the truth from the falsehood the weed

258

00:10:22,310 --> 00:10:20,399

from the chaff

259

00:10:25,070 --> 00:10:22,320

they've done that so much historically

260

00:10:26,449 --> 00:10:25,080

and even he spoke to this spoke to this

261

00:10:28,610 --> 00:10:26,459

that there's been information that's

262

00:10:30,650 --> 00:10:28,620

been leaked over time but it's mixed

263

00:10:32,630 --> 00:10:30,660

with disinformation so much so that

264

00:10:35,150 --> 00:10:32,640

people just don't know what to make of

265

00:10:37,430 --> 00:10:35,160

it and they just basically give up or it

266

00:10:39,350 --> 00:10:37,440

gets put into conspiracy theory kind of

267

00:10:41,329 --> 00:10:39,360

territory so that's what I've I've

268

00:10:43,190 --> 00:10:41,339

noticed is that some people jump right

269

00:10:45,710 --> 00:10:43,200

to psyop right away which is interesting

270

00:10:47,870 --> 00:10:45,720

because again this is someone who's

271

00:10:50,150 --> 00:10:47,880

coming forward to say I'm here to expose

272

00:10:51,710 --> 00:10:50,160

the very groups that brought about the

273

00:10:53,509 --> 00:10:51,720

psyops and then he gets accused of being

274

00:10:55,670 --> 00:10:53,519

part of a psyop so even people who are

275

00:10:57,350 --> 00:10:55,680

interested in this topic I'm seeing them

276

00:11:00,410 --> 00:10:57,360

say I don't believe any of it right it's

277

00:11:02,810 --> 00:11:00,420

another psyop which if you're rush you

278

00:11:06,110 --> 00:11:02,820

must be shaking your head thinking what

279

00:11:08,090 --> 00:11:06,120

here I am the one trying to tattletail

280

00:11:09,590 --> 00:11:08,100

on this endeavor that goes back

281

00:11:11,569 --> 00:11:09,600

historically he's talked about those

282

00:11:12,949 --> 00:11:11,579

very things now of course the people

283

00:11:14,269 --> 00:11:12,959

convinced of that narrative will say

284

00:11:16,250 --> 00:11:14,279

well of course he's going to say that

285

00:11:18,650 --> 00:11:16,260

because that's even more convincing he

286

00:11:21,110 --> 00:11:18,660

makes psyops part of the psyop it's the

287

00:11:23,210 --> 00:11:21,120

ultimate psya right so this speaks to

288

00:11:25,970 --> 00:11:23,220

like what you're saying the lack of

289

00:11:27,290 --> 00:11:25,980

trust in our government and our not just

290

00:11:29,030 --> 00:11:27,300

our government but our media structures

291

00:11:30,829 --> 00:11:29,040

we're going to get into that how

292

00:11:33,710 --> 00:11:30,839

Authority is looked at

293

00:11:36,230 --> 00:11:33,720

and so people feel most empowered

294

00:11:37,190 --> 00:11:36,240

ironically by just saying I don't

295

00:11:38,990 --> 00:11:37,200

believe it

296

00:11:40,550 --> 00:11:39,000

no matter what it is they just feel more

297

00:11:43,550 --> 00:11:40,560

comfortable saying that unless it comes

298

00:11:45,170 --> 00:11:43,560

from their buddy down the street or you

299

00:11:46,310 --> 00:11:45,180

know their their Poker Club that gets

300

00:11:47,690 --> 00:11:46,320

together and someone says hey did you

301
00:11:49,490 --> 00:11:47,700
hear this they're more likely to believe

302
00:11:51,350 --> 00:11:49,500
that than they are to believe anything

303
00:11:53,630 --> 00:11:51,360
coming from governmental structures or

304
00:11:55,970 --> 00:11:53,640
official Legacy Media

305
00:11:57,230 --> 00:11:55,980
which again just is ironic when you

306
00:11:58,430 --> 00:11:57,240
consider the fact that what Russia is

307
00:12:01,130 --> 00:11:58,440
trying to do here

308
00:12:04,250 --> 00:12:01,140
you also get like you said people who

309
00:12:06,290 --> 00:12:04,260
claim really really strangely

310
00:12:08,210 --> 00:12:06,300
that all gresh is doing is basically

311
00:12:11,210 --> 00:12:08,220
regurgitating a mashup of all these

312
00:12:12,170 --> 00:12:11,220
popular ufology memes as if that's the

313
00:12:14,030 --> 00:12:12,180

answer

314

00:12:16,610 --> 00:12:14,040

as if it's not obvious to everyone else

315

00:12:18,949 --> 00:12:16,620

that that's the case but of course The

316

00:12:20,569 --> 00:12:18,959

Logical answer to me seems to be well

317

00:12:22,190 --> 00:12:20,579

because there was always a there there

318

00:12:23,509 --> 00:12:22,200

and so these things that have been

319

00:12:26,090 --> 00:12:23,519

rumored that have been leaked out again

320

00:12:27,350 --> 00:12:26,100

in the midst of other disinformation but

321

00:12:29,810 --> 00:12:27,360

there's been truth nuggets that have

322

00:12:31,910 --> 00:12:29,820

come out and that's why this feels

323

00:12:33,230 --> 00:12:31,920

strangely familiar and yet some people

324

00:12:36,050 --> 00:12:33,240

want to jump in and say well it's just a

325

00:12:38,509 --> 00:12:36,060

regurgitation of of myth basically

326

00:12:41,269 --> 00:12:38,519

this speaks to how much of a challenge

327

00:12:43,550 --> 00:12:41,279

this is how much of a heel we have to

328

00:12:45,110 --> 00:12:43,560

climb here because it's not just about

329

00:12:47,569 --> 00:12:45,120

truth I made this point on point of

330

00:12:49,670 --> 00:12:47,579

convergence last week it's not just

331

00:12:52,550 --> 00:12:49,680

about truth it's about what is palatable

332

00:12:54,470 --> 00:12:52,560

what can pass to Gatekeepers both the

333

00:12:57,050 --> 00:12:54,480

the media Gatekeepers the government

334

00:12:58,850 --> 00:12:57,060

Gatekeepers and even the gatekeeping in

335

00:13:01,610 --> 00:12:58,860

people's minds in the general public

336

00:13:03,590 --> 00:13:01,620

this is what we're up against and I

337

00:13:06,230 --> 00:13:03,600

think all of us in this field recognize

338

00:13:08,629 --> 00:13:06,240

after a week like this just how daunting

339

00:13:10,490 --> 00:13:08,639

that task is because if you don't see

340

00:13:13,329 --> 00:13:10,500

massive movement of the needle after a

341

00:13:15,590 --> 00:13:13,339

week like this what is it going to take

342

00:13:17,930 --> 00:13:15,600

exactly and I know we're going to touch

343

00:13:20,170 --> 00:13:17,940

on that during this show well let's

344

00:13:23,990 --> 00:13:20,180

unpack some of the things that were

345

00:13:26,449 --> 00:13:24,000

discussed in in grush's but both the

346

00:13:29,449 --> 00:13:26,459

article from the debrief as well as

347

00:13:31,730 --> 00:13:29,459

those interviews with Ross goldthart uh

348

00:13:34,129 --> 00:13:31,740

you know Chief among them is that the

349

00:13:37,030 --> 00:13:34,139

the government has been a part of a very

350

00:13:39,850 --> 00:13:37,040

sophisticated crash retrieve program

351
00:13:41,470 --> 00:13:39,860
spanning many many years and decades

352
00:13:45,829 --> 00:13:41,480
retrieving

353
00:13:47,269 --> 00:13:45,839
non-human technical craft I think that

354
00:13:51,170 --> 00:13:47,279
are technical vehicles for the

355
00:13:54,410 --> 00:13:51,180
particular language that he would use

356
00:13:57,110 --> 00:13:54,420
um and not only that but there were

357
00:13:59,449 --> 00:13:57,120
Revelations about uh of course beings

358
00:14:02,090 --> 00:13:59,459
that were recovered as part of some of

359
00:14:05,090 --> 00:14:02,100
these uh events because some of these

360
00:14:07,670 --> 00:14:05,100
technical Vehicles were crashed and had

361
00:14:09,949 --> 00:14:07,680
uh Pilots uh presumably dead Pilots

362
00:14:11,690 --> 00:14:09,959
possibly a live Pilots though I don't

363
00:14:14,030 --> 00:14:11,700

think living Pilots or living beings

364

00:14:17,509 --> 00:14:14,040

were discussed although perhaps

365

00:14:21,110 --> 00:14:17,519

implied uh and then addition to that we

366

00:14:24,290 --> 00:14:21,120

had uh instances of malevolent activity

367

00:14:27,530 --> 00:14:24,300

a hint to that by at least some of the

368

00:14:30,710 --> 00:14:27,540

beings or at least one incident with the

369

00:14:33,769 --> 00:14:30,720

beings there's a secret cold war going

370

00:14:35,990 --> 00:14:33,779

on between the U.S and its adversaries

371

00:14:38,210 --> 00:14:36,000

trying to back engineer reverse and

372

00:14:40,389 --> 00:14:38,220

engineer these crafts because we aren't

373

00:14:43,250 --> 00:14:40,399

the only ones who received these things

374

00:14:44,810 --> 00:14:43,260

uh let's see what else have I should I

375

00:14:46,430 --> 00:14:44,820

hit on here

376

00:14:48,470 --> 00:14:46,440

um

377

00:14:51,170 --> 00:14:48,480

that that there's been such a degree of

378

00:14:52,730 --> 00:14:51,180

cover-up as well that that that human

379

00:14:55,430 --> 00:14:52,740

beings have done bad things to other

380

00:14:57,889 --> 00:14:55,440

human beings uh you know and it sounded

381

00:15:02,389 --> 00:14:57,899

as if people had been killed in service

382

00:15:05,509 --> 00:15:02,399

of keeping all of this secret so

383

00:15:07,670 --> 00:15:05,519

quite a lot there to go through I don't

384

00:15:09,590 --> 00:15:07,680

know where you want to begin maybe we

385

00:15:12,170 --> 00:15:09,600

could also touch on as we start off here

386

00:15:15,829 --> 00:15:12,180

with the the initial challenge of just

387

00:15:18,170 --> 00:15:15,839

getting this article placed into the

388

00:15:21,170 --> 00:15:18,180

media uh to begin with because we know

389

00:15:23,170 --> 00:15:21,180

that the debrief was not the first uh

390

00:15:25,250 --> 00:15:23,180

option for this piece

391

00:15:26,870 --> 00:15:25,260

indeed that's true

392

00:15:28,850 --> 00:15:26,880

yeah let's break this down a little bit

393

00:15:31,750 --> 00:15:28,860

so as I mentioned on point of

394

00:15:36,350 --> 00:15:31,760

convergence gresh was very strategic

395

00:15:38,509 --> 00:15:36,360

wise very careful cautious premeditated

396

00:15:40,910 --> 00:15:38,519

even in how he went about this

397

00:15:42,949 --> 00:15:40,920

because he's someone who understands the

398

00:15:46,250 --> 00:15:42,959

system right he understands it really

399

00:15:47,990 --> 00:15:46,260

really well he knows that it's set up to

400

00:15:49,189 --> 00:15:48,000

keep secret secret for the sake of

401
00:15:51,530 --> 00:15:49,199
National Security

402
00:15:54,170 --> 00:15:51,540
but he also recognizes that if there's a

403
00:15:56,030 --> 00:15:54,180
legitimate bit of information or tranche

404
00:15:57,949 --> 00:15:56,040
of information that really is in the

405
00:15:59,329 --> 00:15:57,959
best interest of the public to know he

406
00:16:01,310 --> 00:15:59,339
recognizes that some of those same

407
00:16:02,569 --> 00:16:01,320
safeguards make it almost impossible to

408
00:16:04,310 --> 00:16:02,579
get it out

409
00:16:06,769 --> 00:16:04,320
so he was confronted with a unique

410
00:16:08,750 --> 00:16:06,779
situation a challenge

411
00:16:11,210 --> 00:16:08,760
but he also was in a unique opportunity

412
00:16:12,829 --> 00:16:11,220
of being able to be a part of the

413
00:16:14,990 --> 00:16:12,839

drafting of the legislation to do with

414

00:16:17,870 --> 00:16:15,000

the Whistleblower testimony

415

00:16:20,150 --> 00:16:17,880

so remember this historically he is

416

00:16:22,550 --> 00:16:20,160

drafting part of that legislation while

417

00:16:25,129 --> 00:16:22,560

he's also seeing these Revelations while

418

00:16:27,829 --> 00:16:25,139

he's also seeing that even official

419

00:16:29,389 --> 00:16:27,839

groups like Arrow are not going to have

420

00:16:32,389 --> 00:16:29,399

access to some of the information he's

421

00:16:34,189 --> 00:16:32,399

come across and so that means they will

422

00:16:36,230 --> 00:16:34,199

likely not come to the conclusion they

423

00:16:38,150 --> 00:16:36,240

might have otherwise which raises

424

00:16:40,850 --> 00:16:38,160

interesting secondary questions around

425

00:16:42,230 --> 00:16:40,860

was Arrow ever really designed to really

426

00:16:43,910 --> 00:16:42,240

get to the bottom of this that's another

427

00:16:46,189 --> 00:16:43,920

something we can get into

428

00:16:47,990 --> 00:16:46,199

but so basically what happens is he's

429

00:16:49,970 --> 00:16:48,000

aware of all these things all these

430

00:16:51,710 --> 00:16:49,980

people are coming forward who worked in

431

00:16:54,290 --> 00:16:51,720

the programs people that respect him

432

00:16:56,090 --> 00:16:54,300

trust him maybe have a bit of a guilty

433

00:16:57,650 --> 00:16:56,100

conscience a sense that they also

434

00:16:59,810 --> 00:16:57,660

recognize this needs to come out he

435

00:17:02,090 --> 00:16:59,820

talked about this this point that there

436

00:17:04,309 --> 00:17:02,100

are people on the inside

437

00:17:06,530 --> 00:17:04,319

tens he even said maybe even hundreds of

438

00:17:08,510 --> 00:17:06,540

people who want this out they recognize

439

00:17:10,730 --> 00:17:08,520

it's in the public interest to get this

440

00:17:13,309 --> 00:17:10,740

out this is not actually a threat to

441

00:17:14,750 --> 00:17:13,319

National Security much of this and so

442

00:17:16,850 --> 00:17:14,760

they came to him they told him these

443

00:17:18,409 --> 00:17:16,860

stories they also to be very clear

444

00:17:20,210 --> 00:17:18,419

because some people want to just dismiss

445

00:17:22,850 --> 00:17:20,220

it on that while it's just stories you

446

00:17:25,429 --> 00:17:22,860

know he also saw documents he saw photos

447

00:17:27,110 --> 00:17:25,439

he saw much of the evidence of course he

448

00:17:29,690 --> 00:17:27,120

can't bring that forward to the public

449

00:17:31,730 --> 00:17:29,700

he can't hand that to Ross coulart to

450

00:17:34,430 --> 00:17:31,740

put on the monitor because that would be

451
00:17:36,110 --> 00:17:34,440
violating his NDA that would be bringing

452
00:17:38,450 --> 00:17:36,120
classified material to the public which

453
00:17:42,190 --> 00:17:38,460
would put him in jail he cannot do that

454
00:17:44,690 --> 00:17:42,200
what he can do is testify about those

455
00:17:46,070 --> 00:17:44,700
details specific details here not just

456
00:17:49,250 --> 00:17:46,080
the things we know about publicly but

457
00:17:51,409 --> 00:17:49,260
the details about what he saw in terms

458
00:17:53,090 --> 00:17:51,419
of the actual evidence he can provide

459
00:17:55,130 --> 00:17:53,100
that to people who do have security

460
00:17:56,750 --> 00:17:55,140
clearances that have the appropriate

461
00:17:58,669 --> 00:17:56,760
security clinches to have that and

462
00:18:00,950 --> 00:17:58,679
indeed he has already done that that's

463
00:18:02,990 --> 00:18:00,960

one of the real Revelations that came

464

00:18:04,909 --> 00:18:03,000

out is he's testified on all these

465

00:18:06,529 --> 00:18:04,919

matters it's not like the Ross kulthart

466

00:18:07,789 --> 00:18:06,539

interview was the first time he'd

467

00:18:10,669 --> 00:18:07,799

actually spoken about these things or

468

00:18:13,669 --> 00:18:10,679

even with Blumenthal and Kane

469

00:18:16,190 --> 00:18:13,679

so it's remarkable and then when it came

470

00:18:18,830 --> 00:18:16,200

to actually bringing to the public the

471

00:18:21,830 --> 00:18:18,840

civilization shaking kind of Revelations

472

00:18:24,110 --> 00:18:21,840

you'd think everybody in the media would

473

00:18:26,090 --> 00:18:24,120

be lining up to say we'll take it

474

00:18:27,830 --> 00:18:26,100

so of course what did blue and fall and

475

00:18:30,169 --> 00:18:27,840

Kane do they aimed first for the highest

476
00:18:31,730 --> 00:18:30,179
the most credible the most well-known uh

477
00:18:32,630 --> 00:18:31,740
news organization in the world the New

478
00:18:35,510 --> 00:18:32,640
York Times

479
00:18:37,789 --> 00:18:35,520
the Pinnacle of media and they turned it

480
00:18:40,010 --> 00:18:37,799
down they just flatly refused an early

481
00:18:42,529 --> 00:18:40,020
draft of the article which as I said on

482
00:18:45,470 --> 00:18:42,539
POC speaks to how there's been an

483
00:18:47,690 --> 00:18:45,480
editorial turnover since they published

484
00:18:49,730 --> 00:18:47,700
the article in 2017 that really launched

485
00:18:51,890 --> 00:18:49,740
the most modern version of the UFO

486
00:18:55,669 --> 00:18:51,900
phenomenon era but because of that

487
00:18:58,610 --> 00:18:55,679
turnover they just rejected it

488
00:19:00,169 --> 00:18:58,620

so they then went to some other major

489

00:19:03,110 --> 00:19:00,179

Outlets one of them being the Washington

490

00:19:04,669 --> 00:19:03,120

Post who supposedly were interested but

491

00:19:06,409 --> 00:19:04,679

they were spending so long in

492

00:19:08,110 --> 00:19:06,419

corroborating in trying to find

493

00:19:11,450 --> 00:19:08,120

additional sourcing for the information

494

00:19:14,450 --> 00:19:11,460

that that kind of eventually LED them to

495

00:19:17,390 --> 00:19:14,460

decide to just go with a secondary and

496

00:19:19,310 --> 00:19:17,400

less known publication in the debrief

497

00:19:20,930 --> 00:19:19,320

by the way Politico and the hill also

498

00:19:23,090 --> 00:19:20,940

turned it down they also had options on

499

00:19:25,130 --> 00:19:23,100

this before they went to the debrief but

500

00:19:27,529 --> 00:19:25,140

as I mentioned on POC and as has come

501
00:19:29,090 --> 00:19:27,539
out since then because Russia's name had

502
00:19:31,610 --> 00:19:29,100
already leaked into the public he'd

503
00:19:33,710 --> 00:19:31,620
already been experiencing threats as we

504
00:19:35,990 --> 00:19:33,720
found from Ross coulart

505
00:19:37,370 --> 00:19:36,000
cool Tarts suggesting that there has

506
00:19:38,750 --> 00:19:37,380
been even people have broken into

507
00:19:40,610 --> 00:19:38,760
grush's home

508
00:19:41,750 --> 00:19:40,620
Ross went as far as to say he believes

509
00:19:43,730 --> 00:19:41,760
it might have been one of the defense

510
00:19:46,789 --> 00:19:43,740
contractors so we're hearing sort of

511
00:19:48,650 --> 00:19:46,799
insinuations of goons hired by defense

512
00:19:50,390 --> 00:19:48,660
contractors who are being named or at

513
00:19:52,909 --> 00:19:50,400

least pointed towards in these

514

00:19:55,730 --> 00:19:52,919

Revelations and so this was happening

515

00:19:57,890 --> 00:19:55,740

and so Kane and Blumenthal felt like

516

00:19:59,090 --> 00:19:57,900

they had to get the information out now

517

00:20:00,770 --> 00:19:59,100

and so that's why they went with the

518

00:20:03,110 --> 00:20:00,780

debrief

519

00:20:04,909 --> 00:20:03,120

yeah and I think you know if you're on

520

00:20:06,529 --> 00:20:04,919

the receiving end of those kinds of

521

00:20:08,990 --> 00:20:06,539

threats and if those things are

522

00:20:11,330 --> 00:20:09,000

escalating uh go coming forward and

523

00:20:13,370 --> 00:20:11,340

being public that's a great way or a

524

00:20:16,250 --> 00:20:13,380

better way to protect yourself and and

525

00:20:18,590 --> 00:20:16,260

so I totally understand why Leslie and

526

00:20:22,070 --> 00:20:18,600

Ralph felt the urgency to to move this

527

00:20:23,510 --> 00:20:22,080

forward any means necessary and of

528

00:20:25,430 --> 00:20:23,520

course it was uh it was a coordinated

529

00:20:27,669 --> 00:20:25,440

effort it wasn't just that debrief peace

530

00:20:30,590 --> 00:20:27,679

it was the interview that Ross had done

531

00:20:32,450 --> 00:20:30,600

as well so it was a complete uh almost

532

00:20:35,990 --> 00:20:32,460

served up on a silver platter quite

533

00:20:39,169 --> 00:20:36,000

frankly uh for the world to consume and

534

00:20:42,070 --> 00:20:39,179

to you know dig into an invitation to to

535

00:20:45,590 --> 00:20:42,080

further investigate these amazing claims

536

00:20:47,990 --> 00:20:45,600

and you know you you can't help but just

537

00:20:50,270 --> 00:20:48,000

be frustrated by the whole thing because

538

00:20:52,250 --> 00:20:50,280

I mean the claims are not only are they

539

00:20:53,950 --> 00:20:52,260

incredible but the degree as you said to

540

00:20:56,990 --> 00:20:53,960

which he presented all this information

541

00:20:58,789 --> 00:20:57,000

to the proper authorities uh and that

542

00:21:01,909 --> 00:20:58,799

we've gotten really kind of crickets

543

00:21:04,130 --> 00:21:01,919

from the large mainstream media Outlets

544

00:21:06,350 --> 00:21:04,140

as far as you know follow-up questions

545

00:21:08,510 --> 00:21:06,360

to these recipients you know where well

546

00:21:10,490 --> 00:21:08,520

did you receive this information and and

547

00:21:13,250 --> 00:21:10,500

uh can you speak to you know the

548

00:21:14,570 --> 00:21:13,260

existence of this uh of this complaint

549

00:21:16,789 --> 00:21:14,580

etc etc

550

00:21:19,130 --> 00:21:16,799

just further corroboration of the story

551

00:21:21,230 --> 00:21:19,140

uh and and let's not forget as well

552

00:21:23,830 --> 00:21:21,240

there were other corroborating elements

553

00:21:26,750 --> 00:21:23,840

in the piece itself from uh colleagues

554

00:21:29,350 --> 00:21:26,760

who were quoted in the debrief article

555

00:21:32,090 --> 00:21:29,360

uh there were folks who had known grush

556

00:21:34,669 --> 00:21:32,100

during his career who commented publicly

557

00:21:36,770 --> 00:21:34,679

on social media also other you know

558

00:21:38,510 --> 00:21:36,780

ranking officials there

559

00:21:40,850 --> 00:21:38,520

um and then I I want to applaud the

560

00:21:43,850 --> 00:21:40,860

debrief in this regard they published a

561

00:21:46,430 --> 00:21:43,860

three-part q a with Tim McMillan uh and

562

00:21:49,970 --> 00:21:46,440

Christopher plane going through in depth

563

00:21:52,970 --> 00:21:49,980

like how Tim and his team at the debrief

564

00:21:56,570 --> 00:21:52,980

vetted uh these claims or at least

565

00:21:58,490 --> 00:21:56,580

vetted Russia's background and and had

566

00:22:02,149 --> 00:21:58,500

corroborating evidence that they were

567

00:22:05,149 --> 00:22:02,159

indeed legitimate and so you know you've

568

00:22:07,490 --> 00:22:05,159

got all this stuff that is there and the

569

00:22:09,470 --> 00:22:07,500

lack of traction is I think I don't know

570

00:22:12,110 --> 00:22:09,480

it's incredibly frustrating I I will say

571

00:22:14,210 --> 00:22:12,120

this you know the truth will find a way

572

00:22:16,850 --> 00:22:14,220

it'll try it'll find its way out and and

573

00:22:18,830 --> 00:22:16,860

the fact that we now know

574

00:22:21,110 --> 00:22:18,840

that so many different people have

575

00:22:23,149 --> 00:22:21,120

received this information Through

576
00:22:25,070 --> 00:22:23,159
official channels you know they now have

577
00:22:26,690 --> 00:22:25,080
been exposed to this it's one of those

578
00:22:28,730 --> 00:22:26,700
things that that once you've been

579
00:22:31,070 --> 00:22:28,740
exposed to it you know you can't let it

580
00:22:33,409 --> 00:22:31,080
go at least not very easily and it will

581
00:22:34,909 --> 00:22:33,419
spread and I believe that it is and of

582
00:22:37,970 --> 00:22:34,919
course we've even heard instances and

583
00:22:40,730 --> 00:22:37,980
hints that folks who work within these

584
00:22:42,649 --> 00:22:40,740
specific programs have also provided

585
00:22:45,649 --> 00:22:42,659
corroborating evidence in support of

586
00:22:47,630 --> 00:22:45,659
Grocer's claims so that tells me they're

587
00:22:50,090 --> 00:22:47,640
willing at least in some regards some

588
00:22:52,850 --> 00:22:50,100

capacity to come forward when the time

589

00:22:54,890 --> 00:22:52,860

is right as well

590

00:22:56,930 --> 00:22:54,900

absolutely agreed

591

00:22:59,029 --> 00:22:56,940

I think one

592

00:23:00,890 --> 00:22:59,039

startling

593

00:23:02,870 --> 00:23:00,900

eventuality that we need to look at here

594

00:23:04,789 --> 00:23:02,880

with all that you just said there we've

595

00:23:07,909 --> 00:23:04,799

stated in terms of making the case for

596

00:23:10,909 --> 00:23:07,919

how strong this evidence is how credible

597

00:23:12,710 --> 00:23:10,919

the witness is that it has not moved the

598

00:23:15,350 --> 00:23:12,720

needle like we were thinking let's

599

00:23:17,149 --> 00:23:15,360

backtrack a bit to when the article came

600

00:23:18,950 --> 00:23:17,159

out in the debrief

601
00:23:21,470 --> 00:23:18,960
send shock waves that Monday morning

602
00:23:23,510 --> 00:23:21,480
right I I knew it was coming when I saw

603
00:23:24,529 --> 00:23:23,520
it begin to make the waves and it's like

604
00:23:26,409 --> 00:23:24,539
people are waking up getting their

605
00:23:28,970 --> 00:23:26,419
coffee and going what what's happened

606
00:23:31,310 --> 00:23:28,980
and then you begin to see it spread

607
00:23:34,490 --> 00:23:31,320
throughout UFO Twitter and social media

608
00:23:36,409 --> 00:23:34,500
it begins to be republished sort of

609
00:23:39,409 --> 00:23:36,419
summarized and republished among some

610
00:23:41,930 --> 00:23:39,419
other secondary papers and news outlets

611
00:23:44,870 --> 00:23:41,940
we're waiting to see it get picked up on

612
00:23:47,409 --> 00:23:44,880
mass that never really happened we saw

613
00:23:50,090 --> 00:23:47,419

probably the most major in the U.S was

614

00:23:52,010 --> 00:23:50,100

groups like Fox News but as we can get

615

00:23:54,230 --> 00:23:52,020

into later it's interesting how

616

00:23:56,450 --> 00:23:54,240

conservative media right leading media

617

00:23:58,010 --> 00:23:56,460

is more apt to report on these things

618

00:23:58,970 --> 00:23:58,020

than left leaning media and we can get

619

00:24:00,950 --> 00:23:58,980

into that because I think that's an

620

00:24:03,049 --> 00:24:00,960

important part of the public American

621

00:24:04,850 --> 00:24:03,059

conversation anyway

622

00:24:07,789 --> 00:24:04,860

in Europe actually it got more traction

623

00:24:11,149 --> 00:24:07,799

you had papers in Paris that put it on

624

00:24:12,710 --> 00:24:11,159

the front page above the fold you know

625

00:24:15,950 --> 00:24:12,720

someone actually showed a photo of going

626
00:24:18,710 --> 00:24:15,960
to a newsstand and there's Dave grush in

627
00:24:21,049 --> 00:24:18,720
you know in a large form major feature

628
00:24:23,210 --> 00:24:21,059
right on the front page in Paris you had

629
00:24:24,289 --> 00:24:23,220
the guardian in the UK that published

630
00:24:26,029 --> 00:24:24,299
this so they were one of the biggest

631
00:24:27,169 --> 00:24:26,039
ones that sort of picked up from ran

632
00:24:29,210 --> 00:24:27,179
with the story

633
00:24:31,310 --> 00:24:29,220
and then you have America you know we

634
00:24:33,770 --> 00:24:31,320
we're champions of freedom and and yet

635
00:24:36,529 --> 00:24:33,780
it doesn't hardly make its way into

636
00:24:38,510 --> 00:24:36,539
Legacy Media at all we can talk later on

637
00:24:41,049 --> 00:24:38,520
about how even an event like the Las

638
00:24:43,430 --> 00:24:41,059

Vegas incident which has a lot less

639

00:24:46,190 --> 00:24:43,440

backing in terms of credibility and

640

00:24:47,990 --> 00:24:46,200

support that made traction that this one

641

00:24:49,909 --> 00:24:48,000

didn't which raises really interesting

642

00:24:52,010 --> 00:24:49,919

questions of what's really going on here

643

00:24:54,470 --> 00:24:52,020

what is it going to take again this is

644

00:24:56,390 --> 00:24:54,480

the the question I raise is not just

645

00:24:58,490 --> 00:24:56,400

what is the nature of these Revelations

646

00:25:01,370 --> 00:24:58,500

and what does this say about the nature

647

00:25:02,450 --> 00:25:01,380

of what's been happening not just 20th

648

00:25:06,230 --> 00:25:02,460

century history and how that gets

649

00:25:08,570 --> 00:25:06,240

Rewritten by this but what is the nature

650

00:25:10,490 --> 00:25:08,580

of the Stranglehold

651
00:25:12,110 --> 00:25:10,500
in our culture right now that prevents

652
00:25:13,669 --> 00:25:12,120
this from really taking hold and

653
00:25:17,270 --> 00:25:13,679
breaking through a threshold and being

654
00:25:19,070 --> 00:25:17,280
reckoned with what is it it's a shocking

655
00:25:21,529 --> 00:25:19,080
series of events in some ways because

656
00:25:24,830 --> 00:25:21,539
you began the week with so much optimism

657
00:25:26,210 --> 00:25:24,840
believing that here we go this is what

658
00:25:30,289 --> 00:25:26,220
people been talking about the summer

659
00:25:32,269 --> 00:25:30,299
2023 was going to be lit and it

660
00:25:33,890 --> 00:25:32,279
certainly seems that way and I know some

661
00:25:36,350 --> 00:25:33,900
of the people involved in preparing for

662
00:25:37,970 --> 00:25:36,360
this and yet once it's sort of started

663
00:25:40,490 --> 00:25:37,980

rolling you get that nervous feeling

664

00:25:42,649 --> 00:25:40,500

like the snowball is not quite Gathering

665

00:25:44,269 --> 00:25:42,659

the steam we were hoping for and now

666

00:25:46,430 --> 00:25:44,279

we're at a point where there's a real

667

00:25:47,930 --> 00:25:46,440

question here I even heard Michael

668

00:25:49,970 --> 00:25:47,940

schellenberger who actually wrote a

669

00:25:52,190 --> 00:25:49,980

really great piece further corroborates

670

00:25:54,289 --> 00:25:52,200

what gracious said and this is someone

671

00:25:55,070 --> 00:25:54,299

who's an objective sort of neutral media

672

00:25:57,350 --> 00:25:55,080

person

673

00:25:59,210 --> 00:25:57,360

who did exactly the job that the

674

00:26:01,430 --> 00:25:59,220

mainstream media should have done and he

675

00:26:03,169 --> 00:26:01,440

came to some startling Revelations that

676

00:26:05,510 --> 00:26:03,179

Rush certainly seems credible to him and

677

00:26:06,830 --> 00:26:05,520

that there was people in high positions

678

00:26:07,730 --> 00:26:06,840

that were willing to support what he

679

00:26:09,830 --> 00:26:07,740

said

680

00:26:11,570 --> 00:26:09,840

but you know again he's the exception to

681

00:26:13,669 --> 00:26:11,580

the rule and he even he is an

682

00:26:15,710 --> 00:26:13,679

independent investigative journalist

683

00:26:18,409 --> 00:26:15,720

kind of like in the in the light of sort

684

00:26:21,049 --> 00:26:18,419

of Ross cool tart kind of thing why is

685

00:26:25,130 --> 00:26:21,059

there such a Stranglehold is it that the

686

00:26:27,409 --> 00:26:25,140

dod has such a pulse on mainstream media

687

00:26:28,669 --> 00:26:27,419

that basically Legacy Media is in the

688

00:26:30,890 --> 00:26:28,679

pocket of the dod I don't think it's

689

00:26:32,990 --> 00:26:30,900

quite that simple I think they do have

690

00:26:35,990 --> 00:26:33,000

influence there's something in the

691

00:26:37,549 --> 00:26:36,000

mainstream media itself that seems

692

00:26:42,590 --> 00:26:37,559

unable

693

00:26:44,930 --> 00:26:42,600

the better word to bring this up what is

694

00:26:46,669 --> 00:26:44,940

it is it some sort of mass apathy is it

695

00:26:47,990 --> 00:26:46,679

some sort of who knows what's going on

696

00:26:49,850 --> 00:26:48,000

but I think it's really interesting to

697

00:26:52,789 --> 00:26:49,860

think about the implications because

698

00:26:54,649 --> 00:26:52,799

again if we don't see this move the

699

00:26:55,789 --> 00:26:54,659

needle significantly and we can still

700

00:26:57,490 --> 00:26:55,799

talk about whether that will happen

701
00:27:01,190 --> 00:26:57,500
because there have been like you say

702
00:27:02,990 --> 00:27:01,200
political situations since then arise

703
00:27:04,730 --> 00:27:03,000
that suggests this will at least get

704
00:27:07,610 --> 00:27:04,740
additional hearings

705
00:27:09,950 --> 00:27:07,620
if we have any politicians that are

706
00:27:12,289 --> 00:27:09,960
willing to really Champion truth then

707
00:27:13,669 --> 00:27:12,299
surely these Revelations will take us

708
00:27:15,470 --> 00:27:13,679
there but what do you think about when

709
00:27:17,330 --> 00:27:15,480
you think about the nature of the

710
00:27:20,810 --> 00:27:17,340
revelations and then the response since

711
00:27:23,750 --> 00:27:20,820
then well I think that uh as you said

712
00:27:27,950 --> 00:27:23,760
there's not necessarily some uh

713
00:27:31,549 --> 00:27:27,960

nefarious DOD string pulling here that

714

00:27:33,289 --> 00:27:31,559

prevents these Outlets from uh covering

715

00:27:36,110 --> 00:27:33,299

the story and I think I tweeted this in

716

00:27:39,230 --> 00:27:36,120

social media that the the official

717

00:27:42,649 --> 00:27:39,240

narrative about reality right now is is

718

00:27:44,570 --> 00:27:42,659

gatekeeper enough uh that that

719

00:27:47,269 --> 00:27:44,580

I don't think we understand the degree

720

00:27:50,750 --> 00:27:47,279

to which we're holding on to a current

721

00:27:52,190 --> 00:27:50,760

Paradigm about the world and uh

722

00:27:55,730 --> 00:27:52,200

particularly when it comes to the

723

00:27:59,750 --> 00:27:55,740

mainstream media which has a long Legacy

724

00:28:01,909 --> 00:27:59,760

of uh you know sort of left I think that

725

00:28:04,310 --> 00:28:01,919

people would would rightly argue you

726

00:28:06,710 --> 00:28:04,320

know left leaning kinds of stories

727

00:28:09,470 --> 00:28:06,720

things that are highly rational or

728

00:28:11,810 --> 00:28:09,480

purport to be highly rational uh you

729

00:28:13,669 --> 00:28:11,820

know it's very cerebral uh you know

730

00:28:15,890 --> 00:28:13,679

media in and of itself at least when it

731

00:28:18,950 --> 00:28:15,900

comes to print media and so you have a

732

00:28:22,610 --> 00:28:18,960

legacy here of uh that has accumulated

733

00:28:26,029 --> 00:28:22,620

over time this uh almost like a shell

734

00:28:28,909 --> 00:28:26,039

that is impervious to uh narratives that

735

00:28:32,149 --> 00:28:28,919

are not within the official domain of

736

00:28:35,330 --> 00:28:32,159

the world and so if it's not about Trump

737

00:28:38,029 --> 00:28:35,340

or if it's not about the economy uh or

738

00:28:40,549 --> 00:28:38,039

if it's not about you know some other uh

739

00:28:42,169 --> 00:28:40,559

social policy of some kind it's just not

740

00:28:43,789 --> 00:28:42,179

going to get the kind of coverage that

741

00:28:46,070 --> 00:28:43,799

that you think it would and that that's

742

00:28:48,409 --> 00:28:46,080

why we've seen as you pointed out

743

00:28:51,470 --> 00:28:48,419

earlier the more right-leaning outlets

744

00:28:54,289 --> 00:28:51,480

and right-leaning pundits uh come

745

00:28:55,909 --> 00:28:54,299

forward in support of this story uh to

746

00:28:58,490 --> 00:28:55,919

the frustration of those of us who might

747

00:29:00,830 --> 00:28:58,500

lean more to the left because I think

748

00:29:04,070 --> 00:29:00,840

the left has a

749

00:29:06,830 --> 00:29:04,080

uh kind of a a bias here just to put it

750

00:29:08,930 --> 00:29:06,840

bluntly a bias toward this story

751

00:29:11,510 --> 00:29:08,940

um they don't want to be seen as uh you

752

00:29:13,610 --> 00:29:11,520

know the tinfoil hat Kooks

753

00:29:17,149 --> 00:29:13,620

um and whereas the right has has in many

754

00:29:20,090 --> 00:29:17,159

ways already uh taken a stand against

755

00:29:22,070 --> 00:29:20,100

the media for forever I mean since I was

756

00:29:24,649 --> 00:29:22,080

a child I grew up you know hearing about

757

00:29:26,810 --> 00:29:24,659

you know how the right just hated the

758

00:29:28,430 --> 00:29:26,820

media and then you know the Clinton News

759

00:29:31,430 --> 00:29:28,440

Network I mean I remember hearing about

760

00:29:34,250 --> 00:29:31,440

that so this has been ingrained in in

761

00:29:36,710 --> 00:29:34,260

the thoughts of the right leaning in a

762

00:29:38,510 --> 00:29:36,720

political spectrum and so that they're

763

00:29:41,690 --> 00:29:38,520

already in some ways kind of inoculated

764

00:29:44,149 --> 00:29:41,700

uh to uh the the official sort of

765

00:29:45,710 --> 00:29:44,159

storyline here whatever it may be and

766

00:29:47,570 --> 00:29:45,720

there are times when I get frustrated

767

00:29:49,549 --> 00:29:47,580

with that you know it's sort of like you

768

00:29:51,830 --> 00:29:49,559

know can't we have a discussion about

769

00:29:55,909 --> 00:29:51,840

the facts right what it what happens to

770

00:29:58,430 --> 00:29:55,919

be true but you and I both know that the

771

00:30:01,190 --> 00:29:58,440

facts as they are presented to the world

772

00:30:04,070 --> 00:30:01,200

are often not as clear as they they

773

00:30:05,810 --> 00:30:04,080

appear although we like to be able to

774

00:30:07,610 --> 00:30:05,820

cite them right I think on the left we

775

00:30:09,470 --> 00:30:07,620

tend to want to go well you know I read

776

00:30:11,269 --> 00:30:09,480

this piece in the Atlantic and I read

777

00:30:13,250 --> 00:30:11,279

this piece in the New York Times and

778

00:30:15,169 --> 00:30:13,260

here's the facts that I I can quote to

779

00:30:19,070 --> 00:30:15,179

you about that and it becomes this sort

780

00:30:21,649 --> 00:30:19,080

of uh uh it's my ammunition for why I am

781

00:30:23,930 --> 00:30:21,659

right and you were wrong and and the

782

00:30:26,450 --> 00:30:23,940

right here I think rightly so in this

783

00:30:28,970 --> 00:30:26,460

instance uh is just a little bit more

784

00:30:32,389 --> 00:30:28,980

willing to say I'm not so sure about

785

00:30:34,610 --> 00:30:32,399

that and uh and they are you know I

786

00:30:37,430 --> 00:30:34,620

think the tip of the spear here when it

787

00:30:39,470 --> 00:30:37,440

comes to making some progress in at

788

00:30:42,230 --> 00:30:39,480

least in media circles or counter media

789

00:30:44,090 --> 00:30:42,240

with this particular story but you I you

790

00:30:47,149 --> 00:30:44,100

know I would argue we're going to cross

791

00:30:49,490 --> 00:30:47,159

the threshold eventually this will break

792

00:30:52,789 --> 00:30:49,500

and it will be something that cannot be

793

00:30:54,950 --> 00:30:52,799

ignored any longer and uh you know given

794

00:30:56,510 --> 00:30:54,960

the range that it already has achieved I

795

00:30:59,269 --> 00:30:56,520

I don't see that it's going to be too

796

00:31:01,610 --> 00:30:59,279

much longer before that will happen

797

00:31:02,810 --> 00:31:01,620

yeah I think that's most of my

798

00:31:05,269 --> 00:31:02,820

perspective too and I'll get into that

799

00:31:06,529 --> 00:31:05,279

in a minute but I want to parse out what

800

00:31:08,870 --> 00:31:06,539

you just sort of hinted at there in

801
00:31:10,430 --> 00:31:08,880
terms of the situation in American Media

802
00:31:12,409 --> 00:31:10,440
and American culture in general between

803
00:31:14,750 --> 00:31:12,419
the left and the right now of course

804
00:31:16,070 --> 00:31:14,760
those are speaking in generalities many

805
00:31:18,409 --> 00:31:16,080
many people would consider themselves

806
00:31:20,289 --> 00:31:18,419
purple somewhere in between

807
00:31:22,430 --> 00:31:20,299
but the way that things have been

808
00:31:23,630 --> 00:31:22,440
marginalized and pushed to the extremes

809
00:31:25,490 --> 00:31:23,640
both politically and in terms of

810
00:31:27,230 --> 00:31:25,500
cultural narratives that's what we

811
00:31:29,810 --> 00:31:27,240
really see and I think to many of our

812
00:31:32,810 --> 00:31:29,820
friends north of the border and in and

813
00:31:34,190 --> 00:31:32,820

Europe that are listening to us might be

814

00:31:35,870 --> 00:31:34,200

completely perplexed by what they see

815

00:31:37,909 --> 00:31:35,880

and it might be almost nonsensical when

816

00:31:39,529 --> 00:31:37,919

they look at the situation it lets us

817

00:31:41,389 --> 00:31:39,539

make this clear

818

00:31:43,570 --> 00:31:41,399

so basically on the right you already

819

00:31:46,190 --> 00:31:43,580

have a built-in distrust of government

820

00:31:47,810 --> 00:31:46,200

on the right many people believe the

821

00:31:49,070 --> 00:31:47,820

solution is to basically dismantle

822

00:31:50,690 --> 00:31:49,080

government to make it as small as

823

00:31:52,669 --> 00:31:50,700

possible

824

00:31:55,430 --> 00:31:52,679

many people on the right as you hinted

825

00:31:57,289 --> 00:31:55,440

at believe that media is in lockstep

826

00:31:58,909 --> 00:31:57,299

with the left-leaning government that

827

00:32:01,130 --> 00:31:58,919

wants to just continually grow and take

828

00:32:03,350 --> 00:32:01,140

away freedom from the people

829

00:32:05,450 --> 00:32:03,360

so when a story like this comes out you

830

00:32:08,029 --> 00:32:05,460

actually get people on the right

831

00:32:09,710 --> 00:32:08,039

politically willing to talk about it why

832

00:32:11,630 --> 00:32:09,720

it's not just because they're the brave

833

00:32:13,610 --> 00:32:11,640

ones it's because it fits with their

834

00:32:15,049 --> 00:32:13,620

narrative that's already their narrative

835

00:32:16,909 --> 00:32:15,059

that you can't trust government the

836

00:32:19,250 --> 00:32:16,919

secrets are everywhere this is why we

837

00:32:21,590 --> 00:32:19,260

need to dismantle it and so this becomes

838

00:32:22,730 --> 00:32:21,600

fuel for their their narrative so of

839

00:32:24,110 --> 00:32:22,740

course they're going to want to act on

840

00:32:27,049 --> 00:32:24,120

this I'm not saying there isn't some

841

00:32:28,610 --> 00:32:27,059

actual desire to do the right thing but

842

00:32:30,590 --> 00:32:28,620

it very much fits with their

843

00:32:32,450 --> 00:32:30,600

pre-existing view of the world and

844

00:32:34,310 --> 00:32:32,460

especially of America today

845

00:32:37,310 --> 00:32:34,320

on the left you have a very different

846

00:32:38,870 --> 00:32:37,320

situation you have this belief that most

847

00:32:40,370 --> 00:32:38,880

of the problems in our culture are

848

00:32:42,049 --> 00:32:40,380

systemic issues and if we just keep

849

00:32:44,149 --> 00:32:42,059

changing the system we'll fix all our

850

00:32:46,789 --> 00:32:44,159

problems and we can ultimately trust

851
00:32:48,950 --> 00:32:46,799
those systemic kind of alterations that

852
00:32:51,230 --> 00:32:48,960
we need to make as we grow and and

853
00:32:52,730 --> 00:32:51,240
become a more just Society in a more

854
00:32:56,090 --> 00:32:52,740
equal Society

855
00:32:58,310 --> 00:32:56,100
so for those people this is a bridge

856
00:33:00,289 --> 00:32:58,320
much much too far this is this is like

857
00:33:02,870 --> 00:33:00,299
Europe you know from America there's no

858
00:33:03,889 --> 00:33:02,880
bridge that goes across because if this

859
00:33:06,110 --> 00:33:03,899
is true

860
00:33:07,850 --> 00:33:06,120
then it's not just this one area that is

861
00:33:09,830 --> 00:33:07,860
impacted it's your entire world view

862
00:33:13,549 --> 00:33:09,840
it's your entire view of your country of

863
00:33:16,370 --> 00:33:13,559

your nation's history of your belief in

864

00:33:18,710 --> 00:33:16,380

the liberty and the American way as you

865

00:33:22,789 --> 00:33:18,720

understand it right so this is why this

866

00:33:25,430 --> 00:33:22,799

is so difficult to really make waves and

867

00:33:26,450 --> 00:33:25,440

and be treated in a bipartisan manner

868

00:33:28,430 --> 00:33:26,460

because there's such different

869

00:33:31,070 --> 00:33:28,440

narratives right now about the history

870

00:33:33,710 --> 00:33:31,080

of our nation of the current situation

871

00:33:35,990 --> 00:33:33,720

in the nation and so actually this story

872

00:33:38,389 --> 00:33:36,000

as groundbreaking as it is how it

873

00:33:41,029 --> 00:33:38,399

transcends Americana it becomes the

874

00:33:42,710 --> 00:33:41,039

issue of all time right the topic that

875

00:33:44,330 --> 00:33:42,720

should be garnering the interest of

876

00:33:46,370 --> 00:33:44,340

every human being across the planet

877

00:33:49,490 --> 00:33:46,380

instead it sort of gets released into

878

00:33:50,870 --> 00:33:49,500

this American machine that wants to fit

879

00:33:52,570 --> 00:33:50,880

into one of these narratives that's kind

880

00:33:54,710 --> 00:33:52,580

of what happens and because even today

881

00:33:56,990 --> 00:33:54,720

as much as there is so much that's

882

00:33:58,730 --> 00:33:57,000

dysfunctional about America feels like

883

00:34:00,909 --> 00:33:58,740

we're every week sleeping closer and

884

00:34:03,230 --> 00:34:00,919

closer to Civil War because of those

885

00:34:05,630 --> 00:34:03,240

polarized different views about the

886

00:34:07,549 --> 00:34:05,640

nature of reality itself basically

887

00:34:09,409 --> 00:34:07,559

but we're also in a situation where

888

00:34:11,570 --> 00:34:09,419

America has incredible influence around

889

00:34:13,190 --> 00:34:11,580

the world we know as you pointed out

890

00:34:15,050 --> 00:34:13,200

earlier there are other nations who've

891

00:34:16,909 --> 00:34:15,060

had these crash retrievals it's not just

892

00:34:19,129 --> 00:34:16,919

why has America stayed silent why have

893

00:34:20,629 --> 00:34:19,139

all the other states silent too now of

894

00:34:22,250 --> 00:34:20,639

course part of it's because as gresh

895

00:34:24,409 --> 00:34:22,260

talked about there's been this new Cold

896

00:34:27,230 --> 00:34:24,419

War there's been this this race to who

897

00:34:29,629 --> 00:34:27,240

can re-engineer this technology first

898

00:34:31,909 --> 00:34:29,639

and this does achieve geospatial and

899

00:34:34,970 --> 00:34:31,919

geopolitical dominance

900

00:34:37,490 --> 00:34:34,980

but it also speaks to the fact that

901
00:34:39,770 --> 00:34:37,500
because of America's power in the world

902
00:34:41,629 --> 00:34:39,780
really being the only superpower for a

903
00:34:43,550 --> 00:34:41,639
long time they were able to wield

904
00:34:46,550 --> 00:34:43,560
immense pressure to prevent these other

905
00:34:48,290 --> 00:34:46,560
countries from from speaking up so we we

906
00:34:51,230 --> 00:34:48,300
think back to what happened in Brazil

907
00:34:53,810 --> 00:34:51,240
cases where suddenly American troops are

908
00:34:56,030 --> 00:34:53,820
in within hours right of something being

909
00:34:57,589 --> 00:34:56,040
reported in terms of a crash UFO in a

910
00:35:00,470 --> 00:34:57,599
completely supposedly Sovereign Nation

911
00:35:02,570 --> 00:35:00,480
in a different continent that shows how

912
00:35:04,910 --> 00:35:02,580
much influence America wields here

913
00:35:07,790 --> 00:35:04,920

around the world this is the situation

914

00:35:09,910 --> 00:35:07,800

we're in but like you say as much as

915

00:35:13,370 --> 00:35:09,920

those are difficult odds to bet against

916

00:35:16,130 --> 00:35:13,380

this story is just so well supported

917

00:35:18,170 --> 00:35:16,140

ultimately and we are in a different era

918

00:35:20,030 --> 00:35:18,180

than we were in the 20th century where

919

00:35:22,430 --> 00:35:20,040

different intelligence organizations

920

00:35:23,990 --> 00:35:22,440

could try to control a few newspapers

921

00:35:25,550 --> 00:35:24,000

around the world we're in a very

922

00:35:28,130 --> 00:35:25,560

different media environment with social

923

00:35:30,589 --> 00:35:28,140

media with things that go viral where

924

00:35:32,930 --> 00:35:30,599

everybody has a cell phone and can both

925

00:35:35,390 --> 00:35:32,940

send information and take photos and and

926
00:35:37,010 --> 00:35:35,400
videos of things we can get into the Las

927
00:35:40,010 --> 00:35:37,020
Vegas thing because of that

928
00:35:41,750 --> 00:35:40,020
but in this era that defense is

929
00:35:43,250 --> 00:35:41,760
crumbling in terms of the secret Keepers

930
00:35:44,990 --> 00:35:43,260
and I think even the secret Keepers

931
00:35:46,609 --> 00:35:45,000
themselves recognize

932
00:35:48,470 --> 00:35:46,619
even the ones that would like to keep

933
00:35:50,270 --> 00:35:48,480
the secret that this is basically a lost

934
00:35:52,250 --> 00:35:50,280
War already this is a foregone

935
00:35:54,050 --> 00:35:52,260
conclusion like you're pointing at it's

936
00:35:56,210 --> 00:35:54,060
going to take longer than those of us in

937
00:35:58,310 --> 00:35:56,220
this field would like to be the case but

938
00:36:00,230 --> 00:35:58,320

inevitably I think already

939

00:36:02,329 --> 00:36:00,240

the The Dominoes have dropped that need

940

00:36:05,750 --> 00:36:02,339

to drop that there's enough awareness of

941

00:36:09,290 --> 00:36:05,760

this that if this doesn't become well

942

00:36:11,510 --> 00:36:09,300

recognized and accounted for and

943

00:36:13,970 --> 00:36:11,520

legislated around in our government

944

00:36:16,849 --> 00:36:13,980

circles and in our culture then we truly

945

00:36:18,829 --> 00:36:16,859

are an orwellian kind of nightmare

946

00:36:20,450 --> 00:36:18,839

because all the signs are there that

947

00:36:24,230 --> 00:36:20,460

this is really going to happen

948

00:36:27,230 --> 00:36:24,240

yeah I totally agree uh so uh you know

949

00:36:30,710 --> 00:36:27,240

be patient and be supportive I think we

950

00:36:32,990 --> 00:36:30,720

are on the right track here uh you know

951
00:36:35,450 --> 00:36:33,000
you can't uh put the toothpaste back in

952
00:36:36,470 --> 00:36:35,460
the tube this is not going away uh and

953
00:36:39,230 --> 00:36:36,480
that's one thing that I want to

954
00:36:40,970 --> 00:36:39,240
re-emphasize is that uh for the last

955
00:36:43,190 --> 00:36:40,980
several years there have been so many

956
00:36:44,870 --> 00:36:43,200
people who have said ah this will be it

957
00:36:47,089 --> 00:36:44,880
you know this is this is the end of the

958
00:36:49,130 --> 00:36:47,099
UFO thing it's done you know stick a

959
00:36:51,890 --> 00:36:49,140
fork in it and and it's not and it keeps

960
00:36:53,270 --> 00:36:51,900
it keeps moving forward and uh more and

961
00:36:54,470 --> 00:36:53,280
more credible people are coming forward

962
00:36:56,270 --> 00:36:54,480
and I think that's what we're going to

963
00:36:59,089 --> 00:36:56,280

continue to see here

964

00:37:01,370 --> 00:36:59,099

um so keep your eyes peeled and amplify

965

00:37:04,310 --> 00:37:01,380

the stories that that are out there that

966

00:37:06,589 --> 00:37:04,320

have the greatest degree of veracity uh

967

00:37:08,329 --> 00:37:06,599

now a story that got a lot of media

968

00:37:10,790 --> 00:37:08,339

attention even in some of these

969

00:37:12,349 --> 00:37:10,800

mainstream uh media Outlets that didn't

970

00:37:15,890 --> 00:37:12,359

necessarily pick up the story about

971

00:37:20,150 --> 00:37:15,900

David Rush was this Las Vegas uh you

972

00:37:20,890 --> 00:37:20,160

know backyard alien you know experience

973

00:37:24,410 --> 00:37:20,900

um

974

00:37:27,050 --> 00:37:24,420

you know what a weird coincidence that

975

00:37:29,270 --> 00:37:27,060

this happened uh at the same time as the

976

00:37:31,130 --> 00:37:29,280

grush story I don't want to imply

977

00:37:33,530 --> 00:37:31,140

necessarily anything uh you know

978

00:37:35,870 --> 00:37:33,540

untoward there but it is pretty strange

979

00:37:39,230 --> 00:37:35,880

that a story like that got a lot of

980

00:37:42,410 --> 00:37:39,240

oxygen uh at the same time as this very

981

00:37:44,810 --> 00:37:42,420

official Complaint uh the you know

982

00:37:47,870 --> 00:37:44,820

evidence for this Las Vegas incident

983

00:37:51,109 --> 00:37:47,880

isn't particularly amazing uh we have a

984

00:37:53,270 --> 00:37:51,119

9-1-1 call we have a response uh from uh

985

00:37:55,430 --> 00:37:53,280

local police uh we of course have a

986

00:37:58,609 --> 00:37:55,440

meteor in the sky that preceded the

987

00:38:01,550 --> 00:37:58,619

event uh so this kind of a perfect storm

988

00:38:04,730 --> 00:38:01,560

of things that that occurred uh along

989

00:38:06,290 --> 00:38:04,740

with the uh the always present shaky cam

990

00:38:09,470 --> 00:38:06,300

footage you gotta have the shaky cam

991

00:38:12,589 --> 00:38:09,480

footage uh that I have seen so many uh

992

00:38:14,630 --> 00:38:12,599

filters applied to and slow-mos and

993

00:38:17,329 --> 00:38:14,640

enhances and you know CSI enhance

994

00:38:19,609 --> 00:38:17,339

enhance uh and it's really hard for me

995

00:38:21,770 --> 00:38:19,619

to make out anything in that backyard uh

996

00:38:23,930 --> 00:38:21,780

so I don't know I'm frustrated by that

997

00:38:25,250 --> 00:38:23,940

why do you think that story got so much

998

00:38:29,329 --> 00:38:25,260

attention

999

00:38:30,710 --> 00:38:29,339

versus this incredible story from David

1000

00:38:32,930 --> 00:38:30,720

Rush

1001
00:38:34,730 --> 00:38:32,940
great question and and to highlight what

1002
00:38:37,609 --> 00:38:34,740
Nathan's speaking to here

1003
00:38:40,430 --> 00:38:37,619
news outlets like CNN did Cover the Las

1004
00:38:42,470 --> 00:38:40,440
Vegas sighting they did not really cover

1005
00:38:44,990 --> 00:38:42,480
the grush testimony

1006
00:38:47,990 --> 00:38:45,000
how does that happen what is it about

1007
00:38:50,390 --> 00:38:48,000
our psychological nature and the

1008
00:38:51,950 --> 00:38:50,400
sociological equation that would let

1009
00:38:54,829 --> 00:38:51,960
that happen and I think we need to speak

1010
00:38:57,170 --> 00:38:54,839
to this it's not just CNN it's not just

1011
00:38:59,589 --> 00:38:57,180
a Legacy Media that make these decisions

1012
00:39:02,030 --> 00:38:59,599
There's Something About This unconscious

1013
00:39:04,130 --> 00:39:02,040

collective subconscious kind of

1014

00:39:05,450 --> 00:39:04,140

persuasion that's involved here I think

1015

00:39:08,750 --> 00:39:05,460

what I want to say really quickly about

1016

00:39:12,650 --> 00:39:08,760

that is that the implications of

1017

00:39:14,109 --> 00:39:12,660

Russia's testimony are immense not just

1018

00:39:17,510 --> 00:39:14,119

because it suggests that the government

1019

00:39:19,849 --> 00:39:17,520

keeps Secrets civilization changing

1020

00:39:22,670 --> 00:39:19,859

secrets to itself and even tries to

1021

00:39:24,050 --> 00:39:22,680

weaponize information around that when

1022

00:39:26,329 --> 00:39:24,060

it actually could be used for good and

1023

00:39:27,710 --> 00:39:26,339

bring about technologies that could give

1024

00:39:29,930 --> 00:39:27,720

free energy to the world begin to

1025

00:39:32,329 --> 00:39:29,940

transform our relationship with the

1026

00:39:34,550 --> 00:39:32,339

planet all these kinds of things

1027

00:39:35,990 --> 00:39:34,560

you've got that going on that's a big

1028

00:39:37,670 --> 00:39:36,000

pill for people to swallow especially

1029

00:39:39,770 --> 00:39:37,680

again people on the left who tend to

1030

00:39:41,810 --> 00:39:39,780

trust the system for the most part

1031

00:39:44,690 --> 00:39:41,820

then there's also the question of Ash

1032

00:39:46,430 --> 00:39:44,700

not being the Apex species there's that

1033

00:39:48,650 --> 00:39:46,440

aspect too and I think we really

1034

00:39:51,470 --> 00:39:48,660

shouldn't underestimate how much of a

1035

00:39:53,290 --> 00:39:51,480

sway this has here because this is a

1036

00:39:56,750 --> 00:39:53,300

largely unconscious

1037

00:39:58,670 --> 00:39:56,760

knee-jerk kind of response where

1038

00:39:59,870 --> 00:39:58,680

it's one thing to think the history of

1039

00:40:01,550 --> 00:39:59,880

your government is not what you would

1040

00:40:03,109 --> 00:40:01,560

hope it to be it's another thing to

1041

00:40:06,170 --> 00:40:03,119

think that you're very origin as a

1042

00:40:08,390 --> 00:40:06,180

species your destiny is a species your

1043

00:40:09,890 --> 00:40:08,400

place on the pyramid is completely

1044

00:40:11,930 --> 00:40:09,900

different than everything you've ever

1045

00:40:13,430 --> 00:40:11,940

believed and what every other basically

1046

00:40:16,250 --> 00:40:13,440

human being in the face of the planet

1047

00:40:18,290 --> 00:40:16,260

has ever believed these are Revelations

1048

00:40:20,390 --> 00:40:18,300

that are so shocking and they run so

1049

00:40:23,210 --> 00:40:20,400

deep that for many people again I think

1050

00:40:25,550 --> 00:40:23,220

unconsciously they just pass on it and I

1051
00:40:27,109 --> 00:40:25,560
think even journalists sometimes because

1052
00:40:28,550 --> 00:40:27,119
they're human beings right they they

1053
00:40:30,470 --> 00:40:28,560
want to be objective just like

1054
00:40:33,890 --> 00:40:30,480
scientists we've seen so many scientists

1055
00:40:35,510 --> 00:40:33,900
and academics not give this subject the

1056
00:40:37,490 --> 00:40:35,520
same fair treatment that they give other

1057
00:40:40,190 --> 00:40:37,500
subjects we have experience for

1058
00:40:41,990 --> 00:40:40,200
testimony on mass in other fields that

1059
00:40:43,370 --> 00:40:42,000
would be considered a data set because

1060
00:40:45,410 --> 00:40:43,380
it's not one or two it's many many

1061
00:40:47,030 --> 00:40:45,420
people with diverse backgrounds that

1062
00:40:49,130 --> 00:40:47,040
don't know each other reporting

1063
00:40:50,870 --> 00:40:49,140

remarkably similar things

1064

00:40:52,970 --> 00:40:50,880

but it doesn't get treated with the same

1065

00:40:54,829 --> 00:40:52,980

fairness it's not held to the same

1066

00:40:57,290 --> 00:40:54,839

standard as other kinds of testimony or

1067

00:40:58,970 --> 00:40:57,300

other witness accounts in other kinds of

1068

00:41:01,550 --> 00:40:58,980

inquiries

1069

00:41:04,310 --> 00:41:01,560

the same way here I think yes we have

1070

00:41:06,050 --> 00:41:04,320

journalists basically deciding on their

1071

00:41:07,490 --> 00:41:06,060

own I'm just not going to publish this

1072

00:41:09,710 --> 00:41:07,500

they can come up with all sorts of

1073

00:41:11,030 --> 00:41:09,720

reasons they can rationalize we've

1074

00:41:12,710 --> 00:41:11,040

talked before I think on this show I've

1075

00:41:14,349 --> 00:41:12,720

definitely talked about how there's

1076

00:41:16,490 --> 00:41:14,359

evidence that when we make decisions as

1077

00:41:18,650 --> 00:41:16,500

individuals we think we're making

1078

00:41:21,109 --> 00:41:18,660

rational decisions for which we can

1079

00:41:22,370 --> 00:41:21,119

point to justifications but when actual

1080

00:41:24,410 --> 00:41:22,380

Studies have been done by people like

1081

00:41:26,990 --> 00:41:24,420

Dean radin they've found that actually

1082

00:41:29,450 --> 00:41:27,000

we make a gut instinct decision and then

1083

00:41:31,010 --> 00:41:29,460

a split second later it arrives in our

1084

00:41:33,650 --> 00:41:31,020

cognitive apparatus and we come up with

1085

00:41:36,470 --> 00:41:33,660

justifications to support the gut

1086

00:41:37,790 --> 00:41:36,480

instinct that we've already come to I

1087

00:41:40,010 --> 00:41:37,800

think something similar happens here

1088

00:41:41,930 --> 00:41:40,020

people convince themselves politicians

1089

00:41:44,390 --> 00:41:41,940

journalists convince themselves that

1090

00:41:46,849 --> 00:41:44,400

they have logical reasons rational

1091

00:41:48,410 --> 00:41:46,859

reasons for refusing these stories and

1092

00:41:51,230 --> 00:41:48,420

yet I think a lot of it can be boiled

1093

00:41:53,990 --> 00:41:51,240

down to this deep-seated fear this

1094

00:41:56,510 --> 00:41:54,000

instinctual almost like existential fear

1095

00:41:58,550 --> 00:41:56,520

of what this implies about our place in

1096

00:42:00,290 --> 00:41:58,560

the universe and rather than having open

1097

00:42:01,609 --> 00:42:00,300

arms and embracing it like a mystery

1098

00:42:03,829 --> 00:42:01,619

like I think people like you and I do

1099

00:42:06,910 --> 00:42:03,839

many people go that's a bridge too far

1100

00:42:09,290 --> 00:42:06,920

for my own sense of self and my history

1101
00:42:11,030 --> 00:42:09,300
and the ramifications for what it means

1102
00:42:14,569 --> 00:42:11,040
for Humanity

1103
00:42:16,550 --> 00:42:14,579
yeah absolutely I think that the the Las

1104
00:42:17,930 --> 00:42:16,560
Vegas story is you know if you look at

1105
00:42:20,150 --> 00:42:17,940
it it's a lot it's very entertaining

1106
00:42:22,790 --> 00:42:20,160
right it's got this kind of um found

1107
00:42:24,410 --> 00:42:22,800
footage quality to it so it's very

1108
00:42:27,230 --> 00:42:24,420
titillating and it's entertaining and

1109
00:42:29,329 --> 00:42:27,240
and easier for us to just be along for

1110
00:42:30,950 --> 00:42:29,339
the journey there oh this is fun and

1111
00:42:33,650 --> 00:42:30,960
it's an alien and oh we've got this

1112
00:42:36,050 --> 00:42:33,660
9-1-1 call and I hear Mulder and Scully

1113
00:42:38,510 --> 00:42:36,060

around the cave absolutely right so you

1114

00:42:43,790 --> 00:42:38,520

can see that that the quality of that

1115

00:42:46,670 --> 00:42:43,800

story it fits into that that bucket the

1116

00:42:49,670 --> 00:42:46,680

bucket of entertainment value whereas

1117

00:42:52,849 --> 00:42:49,680

the garage story it's it's literally

1118

00:42:55,490 --> 00:42:52,859

like a gateway to to Insanity for many

1119

00:42:58,010 --> 00:42:55,500

people right so if you take the the

1120

00:43:00,829 --> 00:42:58,020

claims of gresh seriously

1121

00:43:03,710 --> 00:43:00,839

you can kind of peer over the the fence

1122

00:43:07,190 --> 00:43:03,720

there at what lies beyond that and go I

1123

00:43:09,770 --> 00:43:07,200

don't know if I'm ready for all of the

1124

00:43:12,589 --> 00:43:09,780

things that that follow by taking this

1125

00:43:16,730 --> 00:43:12,599

seriously uh it's it's being discussed

1126

00:43:18,170 --> 00:43:16,740

very seriously so it's easier for you to

1127

00:43:20,569 --> 00:43:18,180

look at that and kind of just say you

1128

00:43:22,910 --> 00:43:20,579

know what keep on moving uh I don't want

1129

00:43:24,950 --> 00:43:22,920

to go down that alley I'd rather stay on

1130

00:43:26,809 --> 00:43:24,960

the Main Street where I can I can see

1131

00:43:29,210 --> 00:43:26,819

I've been down this path many times it's

1132

00:43:31,970 --> 00:43:29,220

well lit I don't have to explore what

1133

00:43:35,270 --> 00:43:31,980

was down there uh because it reveals

1134

00:43:38,270 --> 00:43:35,280

something about the world that I am not

1135

00:43:41,150 --> 00:43:38,280

ready for that I fear and I think that

1136

00:43:43,609 --> 00:43:41,160

that is a very real and rational fear

1137

00:43:45,950 --> 00:43:43,619

that most people have it also speaks to

1138

00:43:48,530 --> 00:43:45,960

the long stigma that has been maintained

1139

00:43:51,890 --> 00:43:48,540

around this topic for quite frankly

1140

00:43:53,690 --> 00:43:51,900

Generations uh and as grush himself

1141

00:43:56,150 --> 00:43:53,700

pointed out there has been a very

1142

00:43:59,750 --> 00:43:56,160

sophisticated disinformation campaign

1143

00:44:02,809 --> 00:43:59,760

against the American people unethical is

1144

00:44:04,849 --> 00:44:02,819

the phrase that he used so imagine what

1145

00:44:07,430 --> 00:44:04,859

we're talking about there uh if anyone

1146

00:44:09,770 --> 00:44:07,440

ever watched the uh the movie about

1147

00:44:12,530 --> 00:44:09,780

Edward Snowden are you familiar with the

1148

00:44:14,990 --> 00:44:12,540

Snowden story uh that is an example of

1149

00:44:18,890 --> 00:44:15,000

unethical overreach of American

1150

00:44:20,510 --> 00:44:18,900

intelligence into the lives of private

1151

00:44:22,790 --> 00:44:20,520

citizens so if we're talking about

1152

00:44:25,190 --> 00:44:22,800

things like that but to an even greater

1153

00:44:29,089 --> 00:44:25,200

degree which I think you would agree we

1154

00:44:32,329 --> 00:44:29,099

certainly are uh it's it's it's a it's a

1155

00:44:34,370 --> 00:44:32,339

a very scary place to go and uh and

1156

00:44:36,589 --> 00:44:34,380

there's a lot to unravel there and a lot

1157

00:44:39,349 --> 00:44:36,599

of people have to answer for some pretty

1158

00:44:41,210 --> 00:44:39,359

terrible Behavior

1159

00:44:44,809 --> 00:44:41,220

absolutely I think you said unethical

1160

00:44:46,309 --> 00:44:44,819

and immoral it's it's both and to your

1161

00:44:47,990 --> 00:44:46,319

point there he actually spoke to it he

1162

00:44:50,510 --> 00:44:48,000

said he didn't just leave it to people

1163

00:44:52,190 --> 00:44:50,520

to perhaps surmise that there's been

1164

00:44:53,930 --> 00:44:52,200

some sort of disinformation campaign but

1165

00:44:56,450 --> 00:44:53,940

he named it he said there has been a

1166

00:44:58,670 --> 00:44:56,460

very coordinated sophisticated ongoing

1167

00:45:01,010 --> 00:44:58,680

disinformation campaign against a very

1168

00:45:03,170 --> 00:45:01,020

citizenry who elect these people

1169

00:45:05,150 --> 00:45:03,180

remember we elect these people not the

1170

00:45:06,530 --> 00:45:05,160

other way around they work for us even

1171

00:45:08,030 --> 00:45:06,540

if they're not elected if they're just

1172

00:45:10,670 --> 00:45:08,040

appointed or whatever

1173

00:45:13,190 --> 00:45:10,680

they work for us ultimately something

1174

00:45:14,990 --> 00:45:13,200

has gone wrong in our system we think

1175

00:45:18,050 --> 00:45:15,000

back to what Eisenhower said on the way

1176

00:45:20,030 --> 00:45:18,060

out the military-industrial complex the

1177

00:45:23,150 --> 00:45:20,040

Power Players the true Power Players

1178

00:45:25,190 --> 00:45:23,160

that exist beyond the surface

1179

00:45:27,710 --> 00:45:25,200

infrastructure that we get to have a say

1180

00:45:29,690 --> 00:45:27,720

in terms of casting ballots that's the

1181

00:45:32,450 --> 00:45:29,700

part that I think is concerning for many

1182

00:45:34,730 --> 00:45:32,460

of us because when you think about the

1183

00:45:38,450 --> 00:45:34,740

military-industrial complex having so

1184

00:45:40,730 --> 00:45:38,460

much Sway and not only does it use our

1185

00:45:43,309 --> 00:45:40,740

taxpayer dollars to create these weapons

1186

00:45:46,970 --> 00:45:43,319

of mass destruction but perhaps has been

1187

00:45:48,530 --> 00:45:46,980

aware of and working around non-human

1188

00:45:51,230 --> 00:45:48,540

technology of an incredibly

1189

00:45:53,690 --> 00:45:51,240

sophisticated nature that allows them to

1190

00:45:55,490 --> 00:45:53,700

who knows what in terms of what they can

1191

00:45:57,589 --> 00:45:55,500

then manipulate

1192

00:45:59,450 --> 00:45:57,599

and so this raises some really really

1193

00:46:01,130 --> 00:45:59,460

troubling questions this is not the kind

1194

00:46:03,109 --> 00:46:01,140

of thing that you get together and say

1195

00:46:04,309 --> 00:46:03,119

okay time to write the ship and two

1196

00:46:05,690 --> 00:46:04,319

weeks later you're back to where you

1197

00:46:08,089 --> 00:46:05,700

should be it's not that kind of thing

1198

00:46:09,710 --> 00:46:08,099

we're talking about a decades-long

1199

00:46:12,349 --> 00:46:09,720

sophisticated

1200

00:46:13,790 --> 00:46:12,359

manipulation of the entire system to the

1201
00:46:16,010 --> 00:46:13,800
point where the entire system almost

1202
00:46:17,809 --> 00:46:16,020
seems like a farce this raises real

1203
00:46:20,690 --> 00:46:17,819
questions about do we live under

1204
00:46:21,970 --> 00:46:20,700
Democratic conditions or not and as I

1205
00:46:24,349 --> 00:46:21,980
said to you before we went on the air

1206
00:46:27,130 --> 00:46:24,359
when you have the media being as

1207
00:46:29,270 --> 00:46:27,140
apathetic as they are and so easily

1208
00:46:32,569 --> 00:46:29,280
controlled as they are

1209
00:46:33,770 --> 00:46:32,579
what hope do we have as a republic you

1210
00:46:35,690 --> 00:46:33,780
really have to ask these questions and

1211
00:46:37,309 --> 00:46:35,700
as I said before we got on the air the

1212
00:46:39,829 --> 00:46:37,319
founding fathers recognized that if you

1213
00:46:43,130 --> 00:46:39,839

don't have a media that can hold feed to

1214

00:46:45,950 --> 00:46:43,140

the fire eventually just corrupt human

1215

00:46:47,390 --> 00:46:45,960

nature will win the day we might

1216

00:46:48,470 --> 00:46:47,400

not call it royalty like they did in

1217

00:46:50,089 --> 00:46:48,480

Europe but we're still going to end up

1218

00:46:52,370 --> 00:46:50,099

with a similar situation

1219

00:46:54,050 --> 00:46:52,380

so it really really even for those of us

1220

00:46:56,510 --> 00:46:54,060

interested in this topic

1221

00:46:58,849 --> 00:46:56,520

poses some really daunting questions and

1222

00:47:00,109 --> 00:46:58,859

this is again where I keep saying this

1223

00:47:01,910 --> 00:47:00,119

really ultimately speaks the fact that

1224

00:47:03,170 --> 00:47:01,920

we need an entire rewrite of our

1225

00:47:04,430 --> 00:47:03,180

civilization

1226

00:47:06,290 --> 00:47:04,440

because one of the things I brought up

1227

00:47:07,069 --> 00:47:06,300

on POC that relates to something Rush

1228

00:47:09,530 --> 00:47:07,079

said

1229

00:47:11,510 --> 00:47:09,540

was that the situations we've got a new

1230

00:47:13,670 --> 00:47:11,520

Cold War where we've got nation-states

1231

00:47:16,609 --> 00:47:13,680

around the world rushing to be the first

1232

00:47:19,430 --> 00:47:16,619

ones to develop this technology and as I

1233

00:47:21,530 --> 00:47:19,440

pointed out on POC I've heard concerns

1234

00:47:24,589 --> 00:47:21,540

amongst experiencers that they've been

1235

00:47:26,750 --> 00:47:24,599

warned that these are not just space

1236

00:47:28,790 --> 00:47:26,760

travel vehicles but time travel Vehicles

1237

00:47:30,290 --> 00:47:28,800

all the evidence suggests this is the

1238

00:47:35,270 --> 00:47:30,300

case

1239

00:47:37,130 --> 00:47:35,280

just having your five-year-old going and

1240

00:47:40,670 --> 00:47:37,140

messing with your iPhone

1241

00:47:43,550 --> 00:47:40,680

we've got human beings rushing perhaps

1242

00:47:45,770 --> 00:47:43,560

carelessly to try to get these things to

1243

00:47:47,630 --> 00:47:45,780

work not knowing really what is involved

1244

00:47:49,010 --> 00:47:47,640

and I've heard that there's concerns

1245

00:47:51,410 --> 00:47:49,020

there's actually could be collapse of

1246

00:47:53,030 --> 00:47:51,420

local space-time which directly impacts

1247

00:47:56,030 --> 00:47:53,040

our experience of the past the present

1248

00:47:57,950 --> 00:47:56,040

and the future so rather than us getting

1249

00:48:00,109 --> 00:47:57,960

together and saying let's have a big

1250

00:48:02,630 --> 00:48:00,119

Global tribal conversation about what

1251
00:48:04,609 --> 00:48:02,640
this means let's take a moment to think

1252
00:48:05,990 --> 00:48:04,619
about the ramifications of the fact that

1253
00:48:08,089 --> 00:48:06,000
we're not alone

1254
00:48:09,710 --> 00:48:08,099
in fact perhaps life is teeming all

1255
00:48:12,230 --> 00:48:09,720
around us and we've had much too narrow

1256
00:48:14,089 --> 00:48:12,240
a model just to have room for it let's

1257
00:48:16,069 --> 00:48:14,099
invite new scientific inquiry to

1258
00:48:17,450 --> 00:48:16,079
understand this broader dimensions of

1259
00:48:19,609 --> 00:48:17,460
reality

1260
00:48:21,230 --> 00:48:19,619
but on top of that we've got questions

1261
00:48:22,970 --> 00:48:21,240
about technology that could transform

1262
00:48:24,530 --> 00:48:22,980
civilization that could really help us

1263
00:48:25,910 --> 00:48:24,540

deal with things like climate change

1264

00:48:27,650 --> 00:48:25,920

could help us deal with many of the

1265

00:48:30,710 --> 00:48:27,660

inequalities in the world

1266

00:48:32,210 --> 00:48:30,720

you hear testimony about even cures for

1267

00:48:33,890 --> 00:48:32,220

various diseases that have been brought

1268

00:48:35,750 --> 00:48:33,900

forward that have also been suppressed

1269

00:48:37,550 --> 00:48:35,760

again allegedly admittedly I'm going to

1270

00:48:38,870 --> 00:48:37,560

say it allegedly there but when you hear

1271

00:48:40,130 --> 00:48:38,880

about all these other things that are

1272

00:48:42,829 --> 00:48:40,140

being confirmed by someone like David

1273

00:48:44,089 --> 00:48:42,839

grush as credible as he is you think

1274

00:48:46,370 --> 00:48:44,099

about some of the other things that have

1275

00:48:47,690 --> 00:48:46,380

been leaked out over time is that

1276

00:48:49,270 --> 00:48:47,700

disinformation or is that actually

1277

00:48:51,470 --> 00:48:49,280

credible that there's actually been

1278

00:48:53,990 --> 00:48:51,480

cures that have been offered to us that

1279

00:48:56,870 --> 00:48:54,000

have been again kept under wraps so that

1280

00:49:00,050 --> 00:48:56,880

it can fuel the capitalist system in

1281

00:49:02,589 --> 00:49:00,060

terms of pharmaceuticals and bankrolling

1282

00:49:04,970 --> 00:49:02,599

these old players these are some really

1283

00:49:06,650 --> 00:49:04,980

challenging questions it's depressing a

1284

00:49:08,690 --> 00:49:06,660

little bit to think about it but I hope

1285

00:49:10,730 --> 00:49:08,700

that what we do is we take that and it

1286

00:49:12,230 --> 00:49:10,740

becomes motivation it becomes a

1287

00:49:14,809 --> 00:49:12,240

generative kind of motivation to

1288

00:49:17,329 --> 00:49:14,819

recognize how much we must change the

1289

00:49:19,490 --> 00:49:17,339

surface and superficial changes will not

1290

00:49:21,349 --> 00:49:19,500

be sufficient here I think Russia's

1291

00:49:23,870 --> 00:49:21,359

claims make this clear once we really

1292

00:49:26,510 --> 00:49:23,880

sit down with the gravity of these

1293

00:49:29,510 --> 00:49:26,520

Revelations these accusations and

1294

00:49:31,309 --> 00:49:29,520

recognize how rotten the system we're in

1295

00:49:33,050 --> 00:49:31,319

is as if there wasn't already plenty of

1296

00:49:35,150 --> 00:49:33,060

evidence to see that that's the case but

1297

00:49:38,210 --> 00:49:35,160

these I think just add to it so we need

1298

00:49:39,589 --> 00:49:38,220

more than just a revolution so that

1299

00:49:41,270 --> 00:49:39,599

these kind of things don't happen in the

1300

00:49:43,430 --> 00:49:41,280

future but we need to really think about

1301

00:49:46,309 --> 00:49:43,440

like I say even the the geopolitical

1302

00:49:48,890 --> 00:49:46,319

situation where we gather nuclear

1303

00:49:50,750 --> 00:49:48,900

weapons where we take space-time travel

1304

00:49:52,550 --> 00:49:50,760

vehicles and we try to race against each

1305

00:49:54,829 --> 00:49:52,560

other to develop those first

1306

00:49:56,630 --> 00:49:54,839

we work on bioweapons and we say it's

1307

00:49:58,910 --> 00:49:56,640

just in case the other guys use it first

1308

00:50:00,290 --> 00:49:58,920

this is the kind of collective Insanity

1309

00:50:02,930 --> 00:50:00,300

that this points to I'm getting on a bit

1310

00:50:04,430 --> 00:50:02,940

of a rabbit Trail here but this is in

1311

00:50:05,270 --> 00:50:04,440

the mix this is part of what's going on

1312

00:50:06,890 --> 00:50:05,280

here

1313

00:50:09,710 --> 00:50:06,900

it's just shocking when you really think

1314

00:50:11,510 --> 00:50:09,720

about not just how much this is not

1315

00:50:13,430 --> 00:50:11,520

making it into the mainstream yet but

1316

00:50:16,010 --> 00:50:13,440

when you think about just how deep and

1317

00:50:17,510 --> 00:50:16,020

how far this goes you wonder what it's

1318

00:50:21,550 --> 00:50:17,520

going to take for that to for that to

1319

00:50:25,790 --> 00:50:21,560

happen yeah the the knot feels so taut

1320

00:50:28,270 --> 00:50:25,800

that disentangle it is not going to be

1321

00:50:32,510 --> 00:50:28,280

done without a great degree of friction

1322

00:50:34,329 --> 00:50:32,520

and perhaps even you know damage I think

1323

00:50:37,370 --> 00:50:34,339

that that is the main concern

1324

00:50:40,849 --> 00:50:37,380

really giving the power back to the

1325

00:50:44,390 --> 00:50:40,859

people reclaiming uh the the you know

1326

00:50:47,510 --> 00:50:44,400

our Humanity essentially in the face of

1327

00:50:51,410 --> 00:50:47,520

uh a far overreach of state power and

1328

00:50:54,230 --> 00:50:51,420

and this is a glaring example of that uh

1329

00:50:57,710 --> 00:50:54,240

where the state has uh you know taken it

1330

00:50:59,569 --> 00:50:57,720

upon itself to you know act uh on behalf

1331

00:51:01,910 --> 00:50:59,579

of everyone else not just in the U.S but

1332

00:51:04,849 --> 00:51:01,920

but around the world to keep this secret

1333

00:51:06,530 --> 00:51:04,859

so you know I I put forward again as an

1334

00:51:09,589 --> 00:51:06,540

optimist here that we have a tremendous

1335

00:51:12,410 --> 00:51:09,599

opportunity uh you know at our at our

1336

00:51:14,630 --> 00:51:12,420

feet now to to to turn a different page

1337

00:51:16,670 --> 00:51:14,640

and for the government to take the lead

1338

00:51:19,190 --> 00:51:16,680

and and try to do the right thing and

1339

00:51:21,829 --> 00:51:19,200

and I'm heartened by people like David

1340

00:51:24,410 --> 00:51:21,839

grush who you know this is a guy who was

1341

00:51:26,329 --> 00:51:24,420

a young man you know he's he's he's got

1342

00:51:28,250 --> 00:51:26,339

a he's had a great career so far but

1343

00:51:31,370 --> 00:51:28,260

he's got a lot of life left ahead of him

1344

00:51:33,950 --> 00:51:31,380

and he walked away from that to try to

1345

00:51:35,630 --> 00:51:33,960

expose this I I can't help but admire

1346

00:51:37,849 --> 00:51:35,640

the kind of Courage that it takes to do

1347

00:51:40,790 --> 00:51:37,859

that and and it makes me believe that

1348

00:51:43,190 --> 00:51:40,800

that there are more people like him uh

1349

00:51:45,950 --> 00:51:43,200

within our institutions he as broken as

1350

00:51:48,589 --> 00:51:45,960

they are who have the values and have

1351
00:51:50,870 --> 00:51:48,599
the uh the moral compass to do the right

1352
00:51:53,450 --> 00:51:50,880
thing and and I would argue they are

1353
00:51:56,270 --> 00:51:53,460
doing it it is happening and that that

1354
00:52:00,109 --> 00:51:56,280
will it will occur uh whether we like it

1355
00:52:03,109 --> 00:52:00,119
or not the the light will see the day

1356
00:52:04,250 --> 00:52:03,119
um you know interestingly we had as we

1357
00:52:05,870 --> 00:52:04,260
you know talked about the top of the

1358
00:52:07,790 --> 00:52:05,880
show we had a lot of other events

1359
00:52:10,790 --> 00:52:07,800
happening this week and and chief among

1360
00:52:12,770 --> 00:52:10,800
them was the uh the national press event

1361
00:52:15,650 --> 00:52:12,780
with Stephen Greer

1362
00:52:18,410 --> 00:52:15,660
uh you know where we heard from several

1363
00:52:20,870 --> 00:52:18,420

uh Witnesses and whistleblowers uh many

1364

00:52:23,150 --> 00:52:20,880

of them who had been in the military and

1365

00:52:25,849 --> 00:52:23,160

uh and scientific Community uh come

1366

00:52:28,069 --> 00:52:25,859

forward with some I mean incredibly uh

1367

00:52:30,470 --> 00:52:28,079

bombastic claims something abused

1368

00:52:33,290 --> 00:52:30,480

bombastic in this podcast before well

1369

00:52:35,150 --> 00:52:33,300

there it is thank you appreciate it uh

1370

00:52:35,930 --> 00:52:35,160

you know there were quite a few claims

1371

00:52:38,390 --> 00:52:35,940

there

1372

00:52:40,730 --> 00:52:38,400

um one that stood out to me uh you know

1373

00:52:44,270 --> 00:52:40,740

particularly crazy sounding but maybe

1374

00:52:47,390 --> 00:52:44,280

totally plausible was the uh Antarctic

1375

00:52:50,089 --> 00:52:47,400

neutrino energy wet weapon that not only

1376

00:52:52,849 --> 00:52:50,099

are we using this new neutrino collector

1377

00:52:56,270 --> 00:52:52,859

to look for neutrinos in the Galaxy but

1378

00:52:59,630 --> 00:52:56,280

we're also using these things as uh you

1379

00:53:02,990 --> 00:52:59,640

know as a wet weapon to you know I guess

1380

00:53:05,569 --> 00:53:03,000

take down craft that are you know near

1381

00:53:07,970 --> 00:53:05,579

Earth uh and I think he even hinted as

1382

00:53:09,950 --> 00:53:07,980

well that that station might be used for

1383

00:53:13,730 --> 00:53:09,960

some degree of interstellar

1384

00:53:17,210 --> 00:53:13,740

communication of some kind so so I mean

1385

00:53:19,010 --> 00:53:17,220

a lot to to kind of grapple with right

1386

00:53:22,849 --> 00:53:19,020

there but you know what stood out for

1387

00:53:25,250 --> 00:53:22,859

you from the the Steven Greer piece

1388

00:53:27,170 --> 00:53:25,260

well before we quickly go there just to

1389

00:53:29,809 --> 00:53:27,180

quickly back up for a second so yeah we

1390

00:53:32,510 --> 00:53:29,819

went from the the grush revelations and

1391

00:53:34,730 --> 00:53:32,520

then just to draw this to a close with

1392

00:53:36,770 --> 00:53:34,740

the Las Vegas incident initially that

1393

00:53:38,750 --> 00:53:36,780

got a lot of press and that also got a

1394

00:53:40,970 --> 00:53:38,760

lot of attention in UFO Twitter

1395

00:53:42,950 --> 00:53:40,980

but I think as time went on it became

1396

00:53:45,049 --> 00:53:42,960

more and more likely that it was a hoax

1397

00:53:46,670 --> 00:53:45,059

of some sort there are numerous reasons

1398

00:53:48,950 --> 00:53:46,680

for that like you mentioned there was a

1399

00:53:51,290 --> 00:53:48,960

an object noticed in the sky a light

1400

00:53:52,910 --> 00:53:51,300

that seemed to be falling to Earth

1401

00:53:54,349 --> 00:53:52,920

but of course since then we've had

1402

00:53:55,849 --> 00:53:54,359

different groups established that that

1403

00:53:58,250 --> 00:53:55,859

was a meteorite of some sort but of

1404

00:53:59,510 --> 00:53:58,260

course again if you believe in all the

1405

00:54:00,950 --> 00:53:59,520

conspiracy theories then you think well

1406

00:54:02,329 --> 00:54:00,960

of course NASA is going to say it's a

1407

00:54:03,950 --> 00:54:02,339

meteorite that's what NASA does they

1408

00:54:05,270 --> 00:54:03,960

cover these things up this is the mess

1409

00:54:07,549 --> 00:54:05,280

we're in right

1410

00:54:09,109 --> 00:54:07,559

but what occurred to me was okay if we

1411

00:54:11,210 --> 00:54:09,119

really want to check this kid's

1412

00:54:13,130 --> 00:54:11,220

testimony then we have technology today

1413

00:54:15,109 --> 00:54:13,140

we should be able to track the

1414

00:54:16,490 --> 00:54:15,119

trajectory based on that footage to know

1415

00:54:18,170 --> 00:54:16,500

where that would have fallen would it

1416

00:54:20,270 --> 00:54:18,180

have fallen anywhere near his backyard

1417

00:54:22,970 --> 00:54:20,280

to me that would like set the story as

1418

00:54:24,710 --> 00:54:22,980

truth or falsehood right away just do

1419

00:54:26,630 --> 00:54:24,720

that simple thing you can do and this is

1420

00:54:29,089 --> 00:54:26,640

again where science can help us

1421

00:54:30,770 --> 00:54:29,099

but what we have like you said was this

1422

00:54:33,410 --> 00:54:30,780

thing seeing streaking across the sky

1423

00:54:36,049 --> 00:54:33,420

apparently falling to Earth we had a kid

1424

00:54:37,190 --> 00:54:36,059

making a 911 call talking about beings

1425

00:54:38,630 --> 00:54:37,200

that were definitely not human they're

1426

00:54:40,190 --> 00:54:38,640

eight feet tall could be 10 feet tall

1427

00:54:42,349 --> 00:54:40,200

definitely not human kept saying that

1428

00:54:44,390 --> 00:54:42,359

right so the meteorite footage whatever

1429

00:54:46,010 --> 00:54:44,400

it was was body cam footage from a

1430

00:54:48,049 --> 00:54:46,020

police officer and then you have police

1431

00:54:49,790 --> 00:54:48,059

officers going to the scene and then

1432

00:54:51,950 --> 00:54:49,800

getting caught up in the situation too

1433

00:54:53,150 --> 00:54:51,960

you can hear and there response that

1434

00:54:55,130 --> 00:54:53,160

they're a bit nervous too they don't

1435

00:54:56,569 --> 00:54:55,140

really want to go in the backyard and

1436

00:54:58,130 --> 00:54:56,579

they sort of jokingly say that shows up

1437

00:55:00,470 --> 00:54:58,140

again you deal with it don't call us

1438

00:55:02,990 --> 00:55:00,480

this is actually part of what happened

1439

00:55:05,329 --> 00:55:03,000

and of course the kid also said he saw

1440

00:55:07,670 --> 00:55:05,339

apparently a kind of like blurring that

1441

00:55:09,230 --> 00:55:07,680

happened some sort of cloaking device or

1442

00:55:11,510 --> 00:55:09,240

something just before the being

1443

00:55:13,730 --> 00:55:11,520

disappeared with the craft and it always

1444

00:55:15,349 --> 00:55:13,740

left was this perfect circle but of

1445

00:55:17,930 --> 00:55:15,359

course one of the first things that cast

1446

00:55:19,849 --> 00:55:17,940

out on this claims came when people did

1447

00:55:22,190 --> 00:55:19,859

research and looked at Google Earth or

1448

00:55:24,290 --> 00:55:22,200

something and and saw that that Circle

1449

00:55:26,750 --> 00:55:24,300

had been there long before the reported

1450

00:55:29,150 --> 00:55:26,760

incident so that suddenly brings into

1451
00:55:30,650 --> 00:55:29,160
question the testimony so as time has

1452
00:55:32,450 --> 00:55:30,660
gone on it's more more likely that it

1453
00:55:35,569 --> 00:55:32,460
was basically just a hoax and it was a

1454
00:55:37,790 --> 00:55:35,579
combination of these coincidental events

1455
00:55:38,990 --> 00:55:37,800
that put together made it seem a lot

1456
00:55:40,370 --> 00:55:39,000
more credible than it was like you

1457
00:55:42,589 --> 00:55:40,380
pointed out earlier there was also this

1458
00:55:45,589 --> 00:55:42,599
like Rumble bang like something crashing

1459
00:55:47,930 --> 00:55:45,599
and somebody's like door cam sort of

1460
00:55:49,670 --> 00:55:47,940
like shaking in the neighborhood and so

1461
00:55:51,530 --> 00:55:49,680
when you look at that put together it

1462
00:55:53,210 --> 00:55:51,540
looks pretty compelling but actually

1463
00:55:55,309 --> 00:55:53,220

when you parse it all out it looks like

1464

00:55:58,069 --> 00:55:55,319

a bunch of coincidental information and

1465

00:56:00,230 --> 00:55:58,079

one kid who called 9-1-1 and kind of

1466

00:56:01,970 --> 00:56:00,240

gave this incredible testimony what was

1467

00:56:04,309 --> 00:56:01,980

also in interesting when I think back

1468

00:56:06,230 --> 00:56:04,319

was I had some people saying this kid's

1469

00:56:07,970 --> 00:56:06,240

not lying I mean this this sounds real

1470

00:56:09,710 --> 00:56:07,980

right and then you had other people like

1471

00:56:11,569 --> 00:56:09,720

James fox saying this kid does not sound

1472

00:56:13,370 --> 00:56:11,579

credible to me when I listen to that so

1473

00:56:15,109 --> 00:56:13,380

that just shows you the subjective bias

1474

00:56:17,150 --> 00:56:15,119

we have when we try to evaluate

1475

00:56:18,829 --> 00:56:17,160

Witnesses which speaks to the fact that

1476

00:56:20,870 --> 00:56:18,839

we do need to corroborate the accounts

1477

00:56:23,690 --> 00:56:20,880

and again I think if we had just worked

1478

00:56:25,549 --> 00:56:23,700

on trying to triangulate and establish

1479

00:56:27,890 --> 00:56:25,559

where that thing would have fallen would

1480

00:56:30,230 --> 00:56:27,900

it have fallen anywhere near my guess is

1481

00:56:32,210 --> 00:56:30,240

no my guess is that based on where it

1482

00:56:33,770 --> 00:56:32,220

was falling and how fast it's traveling

1483

00:56:35,150 --> 00:56:33,780

it's probably gotten well beyond the

1484

00:56:36,230 --> 00:56:35,160

neighborhood by that point but that's

1485

00:56:37,490 --> 00:56:36,240

the kind of thing that we could look

1486

00:56:40,069 --> 00:56:37,500

into

1487

00:56:41,450 --> 00:56:40,079

but so the irony there in which the vote

1488

00:56:43,490 --> 00:56:41,460

we're seeing here is this ended up most

1489

00:56:46,069 --> 00:56:43,500

likely being a false story and yet

1490

00:56:47,569 --> 00:56:46,079

mainstream media covered it so if they

1491

00:56:49,849 --> 00:56:47,579

wanted to turn around and claim that

1492

00:56:51,589 --> 00:56:49,859

well Russia's claims certainly sound

1493

00:56:53,210 --> 00:56:51,599

interesting but we just don't like to

1494

00:56:55,069 --> 00:56:53,220

report on things that we can't say are

1495

00:56:57,290 --> 00:56:55,079

really credible and yet they published a

1496

00:56:58,930 --> 00:56:57,300

Las Vegas incident which very quickly

1497

00:57:00,710 --> 00:56:58,940

with a bit of research and homework

1498

00:57:02,450 --> 00:57:00,720

becomes pretty clear that it's most

1499

00:57:04,370 --> 00:57:02,460

likely a hoax so that doesn't really

1500

00:57:06,170 --> 00:57:04,380

hold up what they're saying there again

1501

00:57:09,230 --> 00:57:06,180

I think it speaks to a combination of

1502

00:57:11,450 --> 00:57:09,240

the implications are too deep maybe the

1503

00:57:14,510 --> 00:57:11,460

relationships with the dod are too

1504

00:57:16,690 --> 00:57:14,520

strong and that subtle psychological

1505

00:57:20,270 --> 00:57:16,700

sociological

1506

00:57:21,829 --> 00:57:20,280

resistance to just how deep-seated this

1507

00:57:24,650 --> 00:57:21,839

fear is around this this almost

1508

00:57:26,630 --> 00:57:24,660

unconscious fear okay enough about those

1509

00:57:28,730 --> 00:57:26,640

two let's get on to like you say as if

1510

00:57:31,010 --> 00:57:28,740

that wasn't enough already we then had

1511

00:57:33,530 --> 00:57:31,020

the the situation with Greer coming

1512

00:57:34,910 --> 00:57:33,540

forward and giving his testimony his

1513

00:57:37,549 --> 00:57:34,920

usual speech about what he believes

1514

00:57:38,809 --> 00:57:37,559

about the phenomenon in terms of the

1515

00:57:41,089 --> 00:57:38,819

beings and in terms of the government

1516

00:57:43,309 --> 00:57:41,099

response he also brought forward uh

1517

00:57:44,990 --> 00:57:43,319

whistleblowers who uh you could say that

1518

00:57:46,730 --> 00:57:45,000

we're bringing forward testimony of

1519

00:57:49,130 --> 00:57:46,740

course we should be clear here

1520

00:57:50,750 --> 00:57:49,140

number one I think I found those those

1521

00:57:52,430 --> 00:57:50,760

people quite credible

1522

00:57:53,870 --> 00:57:52,440

I also want to point out though I think

1523

00:57:56,089 --> 00:57:53,880

that of course he's going to bring

1524

00:57:58,910 --> 00:57:56,099

forward witnesses that give testimony

1525

00:58:00,589 --> 00:57:58,920

that supports his understanding of the

1526
00:58:02,630 --> 00:58:00,599
entire thing what he wants to suggest is

1527
00:58:05,210 --> 00:58:02,640
is going on here

1528
00:58:07,130 --> 00:58:05,220
so what's interesting is he talks about

1529
00:58:10,010 --> 00:58:07,140
Greer I'm talking about here saying that

1530
00:58:11,210 --> 00:58:10,020
basically ETS are benevolent if ever you

1531
00:58:12,890 --> 00:58:11,220
experience something negative leaving

1532
00:58:14,809 --> 00:58:12,900
like an abduction account kind of thing

1533
00:58:17,329 --> 00:58:14,819
that's my labs that's the government

1534
00:58:19,309 --> 00:58:17,339
doing bad things we know that they

1535
00:58:20,510 --> 00:58:19,319
according to him we've reverse

1536
00:58:21,890 --> 00:58:20,520
engineered these vehicles which I

1537
00:58:23,150 --> 00:58:21,900
actually don't disagree with I think we

1538
00:58:25,609 --> 00:58:23,160

have done some of that

1539

00:58:26,809 --> 00:58:25,619

but that allows him to slot it into this

1540

00:58:28,250 --> 00:58:26,819

neat category that whenever it's

1541

00:58:30,290 --> 00:58:28,260

something negative we can just trust

1542

00:58:31,849 --> 00:58:30,300

that it's the government whenever it's

1543

00:58:34,130 --> 00:58:31,859

something positive and glowing and love

1544

00:58:35,630 --> 00:58:34,140

and light then it's the it's the ETS so

1545

00:58:37,010 --> 00:58:35,640

a couple things there

1546

00:58:39,829 --> 00:58:37,020

number one

1547

00:58:42,349 --> 00:58:39,839

this is an open question are they et's

1548

00:58:43,970 --> 00:58:42,359

is the Extraterrestrial hypothesis which

1549

00:58:46,430 --> 00:58:43,980

is based on our current understanding of

1550

00:58:48,650 --> 00:58:46,440

space-time even attainable is even

1551
00:58:50,089 --> 00:58:48,660
sensical once we have a a larger

1552
00:58:51,470 --> 00:58:50,099
understanding of the deeper structures

1553
00:58:53,270 --> 00:58:51,480
of reality that's an open question

1554
00:58:55,069 --> 00:58:53,280
that's being asked right now I've never

1555
00:58:56,150 --> 00:58:55,079
really heard him address that on that

1556
00:58:59,750 --> 00:58:56,160
level there's kind of this is just

1557
00:59:01,910 --> 00:58:59,760
assumption that that's what they are

1558
00:59:03,890 --> 00:59:01,920
but yeah in terms of the the witnesses

1559
00:59:06,049 --> 00:59:03,900
themselves that was very interesting and

1560
00:59:08,510 --> 00:59:06,059
the Antarctic situation like you say was

1561
00:59:10,130 --> 00:59:08,520
was quite a bombshell bombastic was I

1562
00:59:12,410 --> 00:59:10,140
might even want to say Nathan was

1563
00:59:14,990 --> 00:59:12,420

discombobulated by the nature of those

1564

00:59:17,569 --> 00:59:15,000

Revelations I was waiting for that

1565

00:59:20,569 --> 00:59:17,579

um but again the witness sounded quite

1566

00:59:22,190 --> 00:59:20,579

credible and it does not surprise me

1567

00:59:23,870 --> 00:59:22,200

that these things are going on in fact I

1568

00:59:25,849 --> 00:59:23,880

think one thing both Nathan and I would

1569

00:59:28,250 --> 00:59:25,859

would testify to here

1570

00:59:30,349 --> 00:59:28,260

is that the longer we've looked into the

1571

00:59:33,289 --> 00:59:30,359

subject the more it's bled into other

1572

00:59:35,450 --> 00:59:33,299

topics that are somehow related and it

1573

00:59:37,190 --> 00:59:35,460

draws into more and more questions so

1574

00:59:39,470 --> 00:59:37,200

many things you assumed about the nature

1575

00:59:41,530 --> 00:59:39,480

of reality the nature of our governing

1576

00:59:43,309 --> 00:59:41,540

structures the nature of how much

1577

00:59:45,950 --> 00:59:43,319

cutting-edge science could be really

1578

00:59:47,390 --> 00:59:45,960

kept Under Wraps that really is next

1579

00:59:49,910 --> 00:59:47,400

Generation to the point where it makes

1580

00:59:51,470 --> 00:59:49,920

current generation look like horse and

1581

00:59:53,809 --> 00:59:51,480

buggy kind of thing so when he talks

1582

00:59:55,430 --> 00:59:53,819

about these neutrino devices and a

1583

00:59:57,410 --> 00:59:55,440

directed energy weapon in Antarctica

1584

00:59:59,390 --> 00:59:57,420

that can also cause earthquakes by the

1585

01:00:01,430 --> 00:59:59,400

way that also might be some sort of

1586

01:00:03,349 --> 01:00:01,440

communication device

1587

01:00:05,030 --> 01:00:03,359

of course the critics are going to say

1588

01:00:06,230 --> 01:00:05,040

absolutely that's science fiction in

1589

01:00:09,410 --> 01:00:06,240

fact I probably could point to the three

1590

01:00:11,930 --> 01:00:09,420

novels that's based on but this is the

1591

01:00:13,549 --> 01:00:11,940

this is what's in the mix is that

1592

01:00:14,990 --> 01:00:13,559

we end up with a situation where people

1593

01:00:16,370 --> 01:00:15,000

don't know what to make of these things

1594

01:00:18,170 --> 01:00:16,380

because it does sometimes sound like

1595

01:00:19,670 --> 01:00:18,180

science fiction and yet for people like

1596

01:00:21,530 --> 01:00:19,680

you and I who really look into these

1597

01:00:23,210 --> 01:00:21,540

things and we hear about the credible

1598

01:00:26,150 --> 01:00:23,220

Witnesses like the brushes of the world

1599

01:00:28,430 --> 01:00:26,160

coming forward you end up leaning as

1600

01:00:30,349 --> 01:00:28,440

uncomfortable as it is from a sort of

1601
01:00:32,150 --> 01:00:30,359
total perspective in terms of world view

1602
01:00:34,430 --> 01:00:32,160
you end up leaning towards the fact

1603
01:00:36,770 --> 01:00:34,440
that's more likely to be case than not

1604
01:00:38,690 --> 01:00:36,780
what was your takeaways from the Greer

1605
01:00:40,910 --> 01:00:38,700
testimony and his Witnesses

1606
01:00:42,829 --> 01:00:40,920
yeah I mean Greer of course is a

1607
01:00:46,190 --> 01:00:42,839
lightning rod figure in the community

1608
01:00:49,910 --> 01:00:46,200
and and uh he's got supporters and many

1609
01:00:51,349 --> 01:00:49,920
detractors uh you know arguably for good

1610
01:00:53,270 --> 01:00:51,359
reason

1611
01:00:56,390 --> 01:00:53,280
um

1612
01:00:58,190 --> 01:00:56,400
I'm frustrated that these two events

1613
01:01:00,589 --> 01:00:58,200

took place at the same time

1614

01:01:03,470 --> 01:01:00,599

um I think that um

1615

01:01:06,950 --> 01:01:03,480

it became kind of easy at least in in

1616

01:01:08,750 --> 01:01:06,960

the the area of UFOs for for the grush

1617

01:01:10,670 --> 01:01:08,760

story to just sort of get buried under

1618

01:01:14,630 --> 01:01:10,680

the weight of these other things taking

1619

01:01:17,390 --> 01:01:14,640

place alongside it uh you know although

1620

01:01:18,950 --> 01:01:17,400

I will say that that Greer uh at least

1621

01:01:21,349 --> 01:01:18,960

from my perspective

1622

01:01:23,630 --> 01:01:21,359

you know I I applaud what he's trying to

1623

01:01:25,670 --> 01:01:23,640

do but it doesn't seem to carry the same

1624

01:01:27,770 --> 01:01:25,680

degree of weight that it would have

1625

01:01:30,109 --> 01:01:27,780

carried back when he did the initial

1626

01:01:32,270 --> 01:01:30,119

disclosure project

1627

01:01:34,849 --> 01:01:32,280

um and and of course you know for a long

1628

01:01:37,370 --> 01:01:34,859

time Greer was really the figurehead of

1629

01:01:39,370 --> 01:01:37,380

the movement and carrying the torch uh

1630

01:01:43,010 --> 01:01:39,380

in the in the public Area Public Arena

1631

01:01:44,930 --> 01:01:43,020

uh for this topic uh you know a lot of

1632

01:01:47,450 --> 01:01:44,940

folks in in who are interested in UFOs

1633

01:01:49,250 --> 01:01:47,460

can tell you that they on one of their

1634

01:01:51,349 --> 01:01:49,260

on-ramps into the topic was through

1635

01:01:55,010 --> 01:01:51,359

Steven Greer and and either that was

1636

01:01:57,710 --> 01:01:55,020

through uh C5 or that was through uh one

1637

01:02:00,230 --> 01:01:57,720

of his films uh so we had we owe a a

1638

01:02:03,170 --> 01:02:00,240

debt of gratitude I think to Stephen

1639

01:02:05,089 --> 01:02:03,180

Greer for for those efforts uh and

1640

01:02:07,130 --> 01:02:05,099

clearly he's got a lot of folks who are

1641

01:02:10,789 --> 01:02:07,140

willing to step forward and confide in

1642

01:02:13,010 --> 01:02:10,799

him and and give him their trust and and

1643

01:02:14,089 --> 01:02:13,020

telling these stories now a couple of

1644

01:02:15,530 --> 01:02:14,099

things stood out to me about the

1645

01:02:18,109 --> 01:02:15,540

conference itself

1646

01:02:20,510 --> 01:02:18,119

first of all Stephen Greer looked pretty

1647

01:02:21,710 --> 01:02:20,520

shaken up at the beginning of of that

1648

01:02:22,370 --> 01:02:21,720

conference

1649

01:02:25,309 --> 01:02:22,380

um

1650

01:02:26,809 --> 01:02:25,319

I've never seen him quite I mean he's an

1651
01:02:28,849 --> 01:02:26,819
emotional guy and and you know I can

1652
01:02:31,309 --> 01:02:28,859
relate late to that but he looked like

1653
01:02:32,450 --> 01:02:31,319
he was under duress to a certain degree

1654
01:02:34,549 --> 01:02:32,460
um so I don't really know what that was

1655
01:02:36,710 --> 01:02:34,559
about it was a little bit uh you know

1656
01:02:38,089 --> 01:02:36,720
concerning

1657
01:02:40,190 --> 01:02:38,099
um the witnesses that he brought forward

1658
01:02:43,430 --> 01:02:40,200
again I felt were you know pretty

1659
01:02:44,870 --> 01:02:43,440
compelling uh but you know I wanted to

1660
01:02:46,549 --> 01:02:44,880
know and I think a couple of them may

1661
01:02:48,410 --> 01:02:46,559
have said this but it wasn't clear to me

1662
01:02:51,230 --> 01:02:48,420
that all of them had how many of them

1663
01:02:53,270 --> 01:02:51,240

have uh brought their testimony to Arrow

1664

01:02:54,289 --> 01:02:53,280

or tried to bring it to Arrow which by

1665

01:02:56,809 --> 01:02:54,299

the way still doesn't have a

1666

01:02:59,030 --> 01:02:56,819

public-facing website on how you can do

1667

01:03:00,530 --> 01:02:59,040

that uh but how many of them have made

1668

01:03:04,130 --> 01:03:00,540

that attempt or submitted their

1669

01:03:06,650 --> 01:03:04,140

testimony uh to Arrow or to Congress

1670

01:03:08,870 --> 01:03:06,660

it would be good to know uh you know the

1671

01:03:11,089 --> 01:03:08,880

number of folks who have tried

1672

01:03:13,730 --> 01:03:11,099

um and then you know some of the claims

1673

01:03:17,390 --> 01:03:13,740

are my concern with it is some of the

1674

01:03:19,670 --> 01:03:17,400

claims are so uh you know Larger than

1675

01:03:22,670 --> 01:03:19,680

Life you know we had we had claims of

1676

01:03:25,069 --> 01:03:22,680

basically human trafficking uh you know

1677

01:03:28,010 --> 01:03:25,079

with uh you know alien re-reproduction

1678

01:03:31,910 --> 01:03:28,020

vehicles in the Indonesian jungle

1679

01:03:35,450 --> 01:03:31,920

um we had uh you know contractor careers

1680

01:03:36,589 --> 01:03:35,460

destroyed uh just by being present and

1681

01:03:38,210 --> 01:03:36,599

seeing the thing that they shouldn't

1682

01:03:41,450 --> 01:03:38,220

have seen

1683

01:03:44,450 --> 01:03:41,460

um you know a lot of you know pretty out

1684

01:03:47,990 --> 01:03:44,460

there sorts of stories and and My worry

1685

01:03:50,270 --> 01:03:48,000

is that the the sci-fi-esque nature of

1686

01:03:53,030 --> 01:03:50,280

these uh incidents

1687

01:03:55,849 --> 01:03:53,040

you know really can make it super easy

1688

01:03:58,430 --> 01:03:55,859

for folks who already don't want to give

1689

01:04:00,650 --> 01:03:58,440

this the you know in any kind of uh you

1690

01:04:01,910 --> 01:04:00,660

know second thought they're gonna be

1691

01:04:03,109 --> 01:04:01,920

like yeah I mean here we have more of

1692

01:04:05,690 --> 01:04:03,119

that stuff you know we had the crazy

1693

01:04:07,069 --> 01:04:05,700

stories and you know I you know look at

1694

01:04:08,569 --> 01:04:07,079

these people who are talking that they

1695

01:04:10,789 --> 01:04:08,579

seem they seem a little bit crazy they

1696

01:04:12,349 --> 01:04:10,799

seem like they're you know traumatized

1697

01:04:14,210 --> 01:04:12,359

and I don't want to be one of those I

1698

01:04:16,069 --> 01:04:14,220

want to be like them I'd rather just

1699

01:04:17,990 --> 01:04:16,079

kind of like keep on doing what I'm

1700

01:04:20,150 --> 01:04:18,000

doing and so that that's the worry that

1701

01:04:22,609 --> 01:04:20,160

I have with the effort for Stephen Greer

1702

01:04:25,190 --> 01:04:22,619

there's a you know an earnestness that

1703

01:04:27,530 --> 01:04:25,200

he brings to the topic which is I mean

1704

01:04:29,329 --> 01:04:27,540

you know great I appreciate that but at

1705

01:04:32,030 --> 01:04:29,339

the same time I feel like it's not as

1706

01:04:35,030 --> 01:04:32,040

calculated in the impact that it would

1707

01:04:37,309 --> 01:04:35,040

have as what we have seen from the likes

1708

01:04:39,230 --> 01:04:37,319

of Christopher Bell and uh and Leslie

1709

01:04:42,410 --> 01:04:39,240

key and Ralph Blumenthal who have really

1710

01:04:44,930 --> 01:04:42,420

tried to push this uh forward through

1711

01:04:46,430 --> 01:04:44,940

the official channels and see the this

1712

01:04:48,770 --> 01:04:46,440

in the right way in the public

1713

01:04:51,410 --> 01:04:48,780

Consciousness where it can be accepted

1714

01:04:55,370 --> 01:04:53,870

absolutely and I think because I know

1715

01:04:58,190 --> 01:04:55,380

that he's a um

1716

01:05:00,349 --> 01:04:58,200

a tricky figure who sets people off on

1717

01:05:01,549 --> 01:05:00,359

both sides of the equation in the

1718

01:05:03,410 --> 01:05:01,559

ufology

1719

01:05:05,270 --> 01:05:03,420

I think I want to address the the

1720

01:05:07,370 --> 01:05:05,280

history a little bit here to give some

1721

01:05:09,289 --> 01:05:07,380

context I assume this is the case for

1722

01:05:11,210 --> 01:05:09,299

YouTube but I'll speak for myself I

1723

01:05:13,849 --> 01:05:11,220

think it's undoubtedly true that Stephen

1724

01:05:18,170 --> 01:05:13,859

Greer has been a historic figure in this

1725

01:05:21,049 --> 01:05:18,180

field he gave invaluable evidence and

1726

01:05:23,990 --> 01:05:21,059

really championed this cause in the

1727

01:05:26,030 --> 01:05:24,000

1990s when no one else was doing it he

1728

01:05:28,010 --> 01:05:26,040

really helped us establish the

1729

01:05:30,049 --> 01:05:28,020

foundations of which we all stand upon

1730

01:05:31,789 --> 01:05:30,059

so I'm very thankful for him I'd

1731

01:05:33,349 --> 01:05:31,799

anything he does Now does not take away

1732

01:05:35,210 --> 01:05:33,359

from that ultimately

1733

01:05:37,670 --> 01:05:35,220

it's unfortunate I think that more

1734

01:05:40,609 --> 01:05:37,680

recent activity actions by him have

1735

01:05:42,289 --> 01:05:40,619

tarnished his legacy I would say that

1736

01:05:44,690 --> 01:05:42,299

because he does have an impressive

1737

01:05:46,010 --> 01:05:44,700

Legacy and he did I think at one point

1738

01:05:48,890 --> 01:05:46,020

in his life

1739

01:05:50,690 --> 01:05:48,900

put aside a career as a emergency doctor

1740

01:05:55,670 --> 01:05:50,700

and

1741

01:05:56,809 --> 01:05:55,680

many others to do so as well

1742

01:05:58,069 --> 01:05:56,819

I think it's important in these

1743

01:05:59,390 --> 01:05:58,079

situations I know this is a big thing

1744

01:06:01,549 --> 01:05:59,400

that you and I believe that it's

1745

01:06:04,970 --> 01:06:01,559

important not to to turn these people

1746

01:06:06,230 --> 01:06:04,980

into demons or perfect Heroes either and

1747

01:06:08,270 --> 01:06:06,240

so many people would like to demonize

1748

01:06:09,770 --> 01:06:08,280

him and just say you know he's just

1749

01:06:12,109 --> 01:06:09,780

completely out for money and there's

1750

01:06:13,190 --> 01:06:12,119

nothing else to him I do not think it's

1751

01:06:15,770 --> 01:06:13,200

that simple

1752

01:06:16,849 --> 01:06:15,780

he believes he's doing the right thing I

1753

01:06:19,250 --> 01:06:16,859

believe that

1754

01:06:21,950 --> 01:06:19,260

I also think that he is a troubled

1755

01:06:24,109 --> 01:06:21,960

person who has as some people know had a

1756

01:06:26,990 --> 01:06:24,119

challenging upbringing and that impacts

1757

01:06:28,549 --> 01:06:27,000

people and we should be gracious because

1758

01:06:29,950 --> 01:06:28,559

of that we should not just want to

1759

01:06:32,690 --> 01:06:29,960

demonize them but we should have

1760

01:06:34,130 --> 01:06:32,700

sympathy empathy for things they've been

1761

01:06:36,049 --> 01:06:34,140

through and how that might impact them

1762

01:06:38,089 --> 01:06:36,059

and those of us who've been lucky enough

1763

01:06:40,430 --> 01:06:38,099

to have healthy childhoods be thankful

1764

01:06:43,309 --> 01:06:40,440

for the fact that we've had that

1765

01:06:45,829 --> 01:06:43,319

so while we can also on the one hand

1766

01:06:48,049 --> 01:06:45,839

recognize that there's reasons why he is

1767

01:06:50,569 --> 01:06:48,059

the way he is we still can't deny the

1768

01:06:53,870 --> 01:06:50,579

fact that he is turned into a very

1769

01:06:56,569 --> 01:06:53,880

divisive figure who has gone so far as

1770

01:06:58,010 --> 01:06:56,579

to attack people like Leslie Kane I

1771

01:07:01,370 --> 01:06:58,020

don't know anyone else who goes after

1772

01:07:03,349 --> 01:07:01,380

Leslie Kane because she has just been

1773

01:07:05,809 --> 01:07:03,359

such a stalwart figure in terms of

1774

01:07:08,450 --> 01:07:05,819

trying to be objective trying to move

1775

01:07:11,870 --> 01:07:08,460

forward this topic in a really careful

1776

01:07:13,609 --> 01:07:11,880

methodical way in our culture

1777

01:07:15,289 --> 01:07:13,619

has to maintain this fine balance

1778

01:07:16,490 --> 01:07:15,299

between being respected in journalism

1779

01:07:18,589 --> 01:07:16,500

but also

1780

01:07:20,930 --> 01:07:18,599

helping to move forward these causes she

1781

01:07:24,529 --> 01:07:20,940

believes in both in survival of death as

1782

01:07:25,910 --> 01:07:24,539

well as the UFO phenomenon so to go

1783

01:07:28,010 --> 01:07:25,920

after someone like that doesn't make any

1784

01:07:28,670 --> 01:07:28,020

sense to me other than the fact that you

1785

01:07:32,809 --> 01:07:28,680

are

1786

01:07:34,490 --> 01:07:32,819

getting attention he did the same thing

1787

01:07:37,930 --> 01:07:34,500

with Luis Elizondo and people like that

1788

01:07:40,609 --> 01:07:37,940

so when people that support Greer 100

1789

01:07:43,609 --> 01:07:40,619

want to say there's a UFO cult that's

1790

01:07:46,309 --> 01:07:43,619

against Greer now it's not that simple

1791

01:07:48,710 --> 01:07:46,319

he has buried himself with his own

1792

01:07:50,329 --> 01:07:48,720

actions his own words and that's partly

1793

01:07:52,490 --> 01:07:50,339

why this did not get the attraction it

1794

01:07:55,490 --> 01:07:52,500

could have he brought forward some great

1795

01:07:57,829 --> 01:07:55,500

witness testimony I'm saddened that it

1796

01:08:00,170 --> 01:07:57,839

didn't get more traction because of the

1797

01:08:02,089 --> 01:08:00,180

the unfortunate recent history and

1798

01:08:04,309 --> 01:08:02,099

fortunately he's not capable of a degree

1799

01:08:07,130 --> 01:08:04,319

of self-awareness to be aware of those

1800

01:08:08,870 --> 01:08:07,140

things and from all reports including

1801
01:08:10,789 --> 01:08:08,880
people that you and I know that were

1802
01:08:13,670 --> 01:08:10,799
closely involved with Stephen Greer

1803
01:08:15,710 --> 01:08:13,680
historically he tends to ask people to

1804
01:08:17,749 --> 01:08:15,720
move along when they dare to question

1805
01:08:19,970 --> 01:08:17,759
any of his actions so he's not really

1806
01:08:22,849 --> 01:08:19,980
open to criticism I think people that

1807
01:08:25,189 --> 01:08:22,859
support career need to hear this so this

1808
01:08:27,289 --> 01:08:25,199
is where it is it's a it's a complex

1809
01:08:29,090 --> 01:08:27,299
situation he's not all good not all bad

1810
01:08:31,249 --> 01:08:29,100
he has a great historical Legacy

1811
01:08:32,870 --> 01:08:31,259
unfortunately recent actions have

1812
01:08:35,269 --> 01:08:32,880
tarnished that to some degree and have

1813
01:08:36,590 --> 01:08:35,279

not really helped the overall cause and

1814

01:08:38,930 --> 01:08:36,600

I think that's what we're most concerned

1815

01:08:41,390 --> 01:08:38,940

with moving forward

1816

01:08:43,849 --> 01:08:41,400

yeah for sure and you know clearly there

1817

01:08:45,890 --> 01:08:43,859

are folks that uh you know find the work

1818

01:08:48,590 --> 01:08:45,900

that he does to be incredibly gratifying

1819

01:08:50,749 --> 01:08:48,600

uh I met someone even recently that uh

1820

01:08:53,870 --> 01:08:50,759

had downloaded his app and you know is

1821

01:08:57,169 --> 01:08:53,880

eager to try C5 you know as you said he

1822

01:09:00,769 --> 01:08:57,179

has a very uh strong Legacy and we do

1823

01:09:02,870 --> 01:09:00,779

owe him a debt of gratitude there I can

1824

01:09:05,450 --> 01:09:02,880

only hope that even though it may not be

1825

01:09:07,490 --> 01:09:05,460

uh the Avenue that that you and I would

1826

01:09:11,030 --> 01:09:07,500

choose or the methods that we would

1827

01:09:13,789 --> 01:09:11,040

choose that it is it serves as one

1828

01:09:16,309 --> 01:09:13,799

additional means of moving this topic

1829

01:09:18,289 --> 01:09:16,319

forward because it does have reach there

1830

01:09:19,910 --> 01:09:18,299

are folks who when they experience

1831

01:09:22,189 --> 01:09:19,920

something if they're gonna you know

1832

01:09:24,110 --> 01:09:22,199

Google who do I talk to they're probably

1833

01:09:27,410 --> 01:09:24,120

going to come across Steve and Greer and

1834

01:09:29,329 --> 01:09:27,420

and you know go go to him first uh and

1835

01:09:31,189 --> 01:09:29,339

and hopefully you know he'll collate

1836

01:09:33,110 --> 01:09:31,199

that and get it to somebody that will

1837

01:09:35,150 --> 01:09:33,120

listen and it will move the needle in

1838

01:09:37,309 --> 01:09:35,160

the conversation and I think overall

1839

01:09:39,910 --> 01:09:37,319

we've got a lot of different efforts at

1840

01:09:43,249 --> 01:09:39,920

work here and you and I know know that

1841

01:09:46,550 --> 01:09:43,259

unraveling this Enigma really does

1842

01:09:48,650 --> 01:09:46,560

require efforts on multiple fronts you

1843

01:09:51,110 --> 01:09:48,660

know what we want to avoid though is

1844

01:09:52,430 --> 01:09:51,120

that kind of uh you know stumbling over

1845

01:09:54,289 --> 01:09:52,440

each other we want to make sure that

1846

01:09:57,650 --> 01:09:54,299

we're not you know taking two steps

1847

01:09:59,810 --> 01:09:57,660

backward only one one step forward so

1848

01:10:01,370 --> 01:09:59,820

um you know I worry about that and uh

1849

01:10:02,990 --> 01:10:01,380

you know hopefully we won't have that

1850

01:10:04,610 --> 01:10:03,000

that happened here we'll have some you

1851
01:10:06,470 --> 01:10:04,620
know really productive things that that

1852
01:10:08,150 --> 01:10:06,480
will come from this particular

1853
01:10:10,010 --> 01:10:08,160
conference and and I'd like to think

1854
01:10:10,669 --> 01:10:10,020
that we will

1855
01:10:12,169 --> 01:10:10,679
um

1856
01:10:14,870 --> 01:10:12,179
now

1857
01:10:16,729 --> 01:10:14,880
I want to kind of turn our attention if

1858
01:10:19,970 --> 01:10:16,739
if you don't mind at the end of the show

1859
01:10:23,570 --> 01:10:19,980
here to talk a little bit more about

1860
01:10:25,510 --> 01:10:23,580
some of the reactions uh that we've seen

1861
01:10:28,149 --> 01:10:25,520
both in the community

1862
01:10:30,830 --> 01:10:28,159
uh you know the social media Community

1863
01:10:32,209 --> 01:10:30,840

uh in the mainstream media and and

1864

01:10:34,010 --> 01:10:32,219

particularly I would like to talk a

1865

01:10:37,189 --> 01:10:34,020

little bit about kind of the the

1866

01:10:39,590 --> 01:10:37,199

skeptical reactions uh to the these

1867

01:10:42,310 --> 01:10:39,600

events and and namely here I'm talking

1868

01:10:46,490 --> 01:10:42,320

about what we've heard from David grush

1869

01:10:47,330 --> 01:10:46,500

uh you know there's been a wide I think

1870

01:10:50,990 --> 01:10:47,340

um

1871

01:10:53,510 --> 01:10:51,000

uh you know reaction to these things uh

1872

01:10:55,790 --> 01:10:53,520

as you said a lot of folks were I mean

1873

01:10:57,950 --> 01:10:55,800

really primed before the the debrief

1874

01:10:59,330 --> 01:10:57,960

article hit the Press there have been a

1875

01:11:01,729 --> 01:10:59,340

lot of talk in recent weeks that

1876

01:11:02,810 --> 01:11:01,739

something huge was coming coming and

1877

01:11:05,149 --> 01:11:02,820

there was something from The Washington

1878

01:11:06,590 --> 01:11:05,159

Post and everybody was on pins and

1879

01:11:09,649 --> 01:11:06,600

needles and it was going to change the

1880

01:11:11,450 --> 01:11:09,659

the conversation etc etc and uh of

1881

01:11:13,669 --> 01:11:11,460

course the article came and went and

1882

01:11:16,310 --> 01:11:13,679

while the conversation is changed I

1883

01:11:18,530 --> 01:11:16,320

think uh it's not necessarily been this

1884

01:11:20,209 --> 01:11:18,540

you know oh the dawning of a new day and

1885

01:11:21,770 --> 01:11:20,219

everyone that you talk to you know when

1886

01:11:23,810 --> 01:11:21,780

you walk out into the world goes have

1887

01:11:25,490 --> 01:11:23,820

you heard about this UFO thing you know

1888

01:11:27,649 --> 01:11:25,500

that hasn't happened I think some folks

1889

01:11:31,669 --> 01:11:27,659

may have had the expectation that it

1890

01:11:33,950 --> 01:11:31,679

might uh so we had uh in a way kind of a

1891

01:11:35,990 --> 01:11:33,960

okay like a hangover a little bit of a

1892

01:11:38,390 --> 01:11:36,000

sugar crash or something you know after

1893

01:11:41,209 --> 01:11:38,400

this took place and we've seen a little

1894

01:11:43,130 --> 01:11:41,219

bit of um you know frustration and uh

1895

01:11:45,410 --> 01:11:43,140

maybe even some despondency another word

1896

01:11:48,229 --> 01:11:45,420

I haven't used on this show before uh

1897

01:11:51,110 --> 01:11:48,239

you know in the community and so you

1898

01:11:52,910 --> 01:11:51,120

know I I want to you know kind of say

1899

01:11:54,950 --> 01:11:52,920

that I understand that you know I relate

1900

01:11:56,630 --> 01:11:54,960

like to that it's been a roller coaster

1901
01:11:59,030 --> 01:11:56,640
of a week you know for those of us have

1902
01:12:01,850 --> 01:11:59,040
been tracking this very closely

1903
01:12:03,830 --> 01:12:01,860
um but when it comes to the Skeptics

1904
01:12:06,950 --> 01:12:03,840
and I want to talk about this uh you

1905
01:12:10,370 --> 01:12:06,960
know in particular uh you know I have

1906
01:12:12,709 --> 01:12:10,380
seen some of the most outlandish uh

1907
01:12:15,830 --> 01:12:12,719
responses to David Rush from the skeptic

1908
01:12:17,930 --> 01:12:15,840
community that you know in my opinion uh

1909
01:12:21,350 --> 01:12:17,940
you know are now trending toward

1910
01:12:23,570 --> 01:12:21,360
conspiracy theory of their own uh that

1911
01:12:26,030 --> 01:12:23,580
instead of saying okay we have a very

1912
01:12:28,250 --> 01:12:26,040
credible witness here whose claims

1913
01:12:30,830 --> 01:12:28,260

should be investigated and we should do

1914

01:12:32,510 --> 01:12:30,840

we should support that investigation so

1915

01:12:35,090 --> 01:12:32,520

that the truth will come to the light of

1916

01:12:36,890 --> 01:12:35,100

day and you know I'm convicted that the

1917

01:12:38,810 --> 01:12:36,900

truth will be there's no UFO thing at

1918

01:12:40,910 --> 01:12:38,820

all it'll it's all you know bogus

1919

01:12:43,790 --> 01:12:40,920

instead of seeing that we're seeing

1920

01:12:45,590 --> 01:12:43,800

character assassination we're seeing uh

1921

01:12:47,930 --> 01:12:45,600

you know ad hominem attack where we're

1922

01:12:49,850 --> 01:12:47,940

seeing it you know ridiculous claims

1923

01:12:52,610 --> 01:12:49,860

that he's just uh like he like he read a

1924

01:12:55,370 --> 01:12:52,620

UFO magazine and then just like recycled

1925

01:12:59,270 --> 01:12:55,380

the those claims from UFO history and

1926

01:13:01,250 --> 01:12:59,280

and said I've seen it all uh you know if

1927

01:13:03,770 --> 01:13:01,260

that's happening with this guy then then

1928

01:13:05,689 --> 01:13:03,780

we've got much bigger problems within

1929

01:13:09,050 --> 01:13:05,699

the intelligence community of the United

1930

01:13:11,750 --> 01:13:09,060

States so I you know I think that we're

1931

01:13:13,669 --> 01:13:11,760

seeing the debunkers and the Skeptics in

1932

01:13:17,689 --> 01:13:13,679

some ways kind of implode in real time

1933

01:13:20,090 --> 01:13:17,699

as they search for uh ever increasingly

1934

01:13:22,370 --> 01:13:20,100

crazy theories as to why this can't

1935

01:13:23,990 --> 01:13:22,380

really be a thing and the articles in

1936

01:13:26,330 --> 01:13:24,000

fact that we did see from many of the

1937

01:13:28,490 --> 01:13:26,340

mainstream Outlets were along the same

1938

01:13:30,649 --> 01:13:28,500

kinds of lines as you pointed out one of

1939

01:13:32,810 --> 01:13:30,659

your I think one of your tweets that you

1940

01:13:33,890 --> 01:13:32,820

know they sort of end with this uh you

1941

01:13:36,229 --> 01:13:33,900

know you don't have to believe in this

1942

01:13:37,910 --> 01:13:36,239

stuff because it's all Hokum you know uh

1943

01:13:38,990 --> 01:13:37,920

you know and they don't do any work they

1944

01:13:40,490 --> 01:13:39,000

just sort of say you know we've heard

1945

01:13:42,050 --> 01:13:40,500

this before and they only play some

1946

01:13:43,370 --> 01:13:42,060

X-Files music in the background and

1947

01:13:46,070 --> 01:13:43,380

you're not one of those people who

1948

01:13:47,810 --> 01:13:46,080

believe this right so Case Closed

1949

01:13:50,270 --> 01:13:47,820

um so it's getting increasingly

1950

01:13:53,090 --> 01:13:50,280

difficult I think for the opposition of

1951

01:13:55,130 --> 01:13:53,100

this topic to really have a footing and

1952

01:13:57,110 --> 01:13:55,140

uh you know I'm curious if you think the

1953

01:13:59,209 --> 01:13:57,120

same you know and and what's it going to

1954

01:14:02,570 --> 01:13:59,219

be like for those folks who invested so

1955

01:14:05,030 --> 01:14:02,580

much of themselves into uh you know

1956

01:14:06,950 --> 01:14:05,040

making it every every effort they can

1957

01:14:08,450 --> 01:14:06,960

that there isn't a there there to this

1958

01:14:10,669 --> 01:14:08,460

topic

1959

01:14:11,930 --> 01:14:10,679

well I would say that our our friend

1960

01:14:13,729 --> 01:14:11,940

Kelly Chase

1961

01:14:15,229 --> 01:14:13,739

made a point today that I saw that I

1962

01:14:17,770 --> 01:14:15,239

think was right on which is that you

1963

01:14:20,990 --> 01:14:17,780

know these people are suffering from

1964

01:14:23,390 --> 01:14:21,000

their worldview being challenged to the

1965

01:14:25,250 --> 01:14:23,400

nth degree and they're going through

1966

01:14:27,830 --> 01:14:25,260

crisis because of it even if they're not

1967

01:14:29,930 --> 01:14:27,840

fully conscious of this yet

1968

01:14:31,729 --> 01:14:29,940

so we can be impacted by things and be

1969

01:14:33,410 --> 01:14:31,739

moved by things

1970

01:14:34,430 --> 01:14:33,420

without being fully conscious of what

1971

01:14:36,169 --> 01:14:34,440

we're doing

1972

01:14:38,090 --> 01:14:36,179

we can be experiencing cognitive

1973

01:14:40,250 --> 01:14:38,100

dissonance before we are aware that

1974

01:14:42,229 --> 01:14:40,260

we're experiencing cognitive dissonance

1975

01:14:43,669 --> 01:14:42,239

has to reach a certain threshold for us

1976

01:14:45,830 --> 01:14:43,679

to become aware of that

1977

01:14:48,530 --> 01:14:45,840

I think you're beginning to see signs of

1978

01:14:52,550 --> 01:14:48,540

that with some of these characters these

1979

01:14:55,130 --> 01:14:52,560

Skeptics but as you say are now spinning

1980

01:14:56,510 --> 01:14:55,140

tails that are so intricate and

1981

01:14:59,390 --> 01:14:56,520

far-fetched that it sounds more like

1982

01:15:01,729 --> 01:14:59,400

they are the ones trying to craft a

1983

01:15:03,470 --> 01:15:01,739

conspiracy theory and form a cult than

1984

01:15:05,149 --> 01:15:03,480

those that they accuse of doing the very

1985

01:15:07,189 --> 01:15:05,159

thing

1986

01:15:09,110 --> 01:15:07,199

to suggest first of all that you think

1987

01:15:10,970 --> 01:15:09,120

that for instance

1988

01:15:13,130 --> 01:15:10,980

the videos that were released in 2017

1989

01:15:15,649 --> 01:15:13,140

were just misidentifications of prosaic

1990

01:15:18,229 --> 01:15:15,659

vehicles and whatnot and that you in

1991

01:15:20,209 --> 01:15:18,239

your basement can ascertain that when

1992

01:15:22,310 --> 01:15:20,219

the US military with all of its

1993

01:15:25,010 --> 01:15:22,320

trillions of dollars and unique sensor

1994

01:15:25,910 --> 01:15:25,020

systems and Analysis systems can't do

1995

01:15:29,750 --> 01:15:25,920

that

1996

01:15:31,250 --> 01:15:29,760

there to do it for us because we would

1997

01:15:34,010 --> 01:15:31,260

be lost without you

1998

01:15:35,270 --> 01:15:34,020

number one you begin there but then you

1999

01:15:37,370 --> 01:15:35,280

end up saying

2000

01:15:40,370 --> 01:15:37,380

all the grush things speaks to is that

2001

01:15:43,850 --> 01:15:40,380

people tell lies and because there's

2002

01:15:45,590 --> 01:15:43,860

such a low level of discernment amongst

2003

01:15:47,810 --> 01:15:45,600

the entire military that something

2004

01:15:50,149 --> 01:15:47,820

outlandish like this can get past up the

2005

01:15:52,610 --> 01:15:50,159

chain and because it's past of the chain

2006

01:15:54,830 --> 01:15:52,620

it's assumed to be truth and again

2007

01:15:56,270 --> 01:15:54,840

we thank the Lord that you are there to

2008

01:15:58,430 --> 01:15:56,280

help us realize that that's really

2009

01:16:01,550 --> 01:15:58,440

what's going on there's nothing to it

2010

01:16:04,430 --> 01:16:01,560

again if really the military the

2011

01:16:07,970 --> 01:16:04,440

government was disusceptible to deceit

2012

01:16:09,649 --> 01:16:07,980

then how do any of us have a hope at all

2013

01:16:12,470 --> 01:16:09,659

as you say these are these are

2014

01:16:14,510 --> 01:16:12,480

ridiculous claims and somehow they do it

2015

01:16:16,250 --> 01:16:14,520

with a straight face

2016

01:16:18,110 --> 01:16:16,260

would they make a big deal out of what

2017

01:16:20,209 --> 01:16:18,120

seems like a first maybe a situation

2018

01:16:22,490 --> 01:16:20,219

where perhaps the law firm

2019

01:16:24,110 --> 01:16:22,500

representing David Rush separated

2020

01:16:26,330 --> 01:16:24,120

themselves from him but as you pointed

2021

01:16:27,890 --> 01:16:26,340

out with your background in law that's

2022

01:16:29,990 --> 01:16:27,900

just because they had finished the

2023

01:16:32,270 --> 01:16:30,000

duties that they were prescribed to do

2024

01:16:34,250 --> 01:16:32,280

and furthermore we found out since then

2025

01:16:35,930 --> 01:16:34,260

that the person who is directly

2026

01:16:37,430 --> 01:16:35,940

representing him someone with a lot of

2027

01:16:39,649 --> 01:16:37,440

credibility is actually going to

2028

01:16:40,910 --> 01:16:39,659

full-time represent him now so clearly

2029

01:16:43,550 --> 01:16:40,920

this is not someone who wants to

2030

01:16:45,290 --> 01:16:43,560

distance themselves from these claims he

2031

01:16:47,330 --> 01:16:45,300

believes so much in the claims and

2032

01:16:49,070 --> 01:16:47,340

believes so much in the Democratic

2033

01:16:50,270 --> 01:16:49,080

importance of those claims coming to

2034

01:16:53,510 --> 01:16:50,280

light that he's going to make it a

2035

01:16:54,649 --> 01:16:53,520

full-time job to support grush in his

2036

01:16:56,630 --> 01:16:54,659

endeavors

2037

01:16:58,610 --> 01:16:56,640

this is where we are

2038

01:17:00,350 --> 01:16:58,620

now one thing I would like to touch on

2039

01:17:01,610 --> 01:17:00,360

before we close today

2040

01:17:04,550 --> 01:17:01,620

is

2041

01:17:07,189 --> 01:17:04,560

the fine line between reporting things

2042

01:17:08,810 --> 01:17:07,199

that are passed up the chain that are

2043

01:17:11,689 --> 01:17:08,820

evidentiary in other words there is

2044

01:17:13,550 --> 01:17:11,699

evidence for these things and when even

2045

01:17:16,490 --> 01:17:13,560

people who are whistleblowers who mean

2046

01:17:19,010 --> 01:17:16,500

well Veer into speculation and that

2047

01:17:20,689 --> 01:17:19,020

speculation gets taken as much as gospel

2048

01:17:22,850 --> 01:17:20,699

truth as the other things that were

2049

01:17:24,830 --> 01:17:22,860

passed on so we have someone like David

2050

01:17:26,870 --> 01:17:24,840

grash who admittedly said he has a

2051
01:17:28,490 --> 01:17:26,880
physics background and so he felt like

2052
01:17:30,110 --> 01:17:28,500
he could wax philosophic in that

2053
01:17:32,990 --> 01:17:30,120
interview with Ross because it's what

2054
01:17:34,610 --> 01:17:33,000
humans do right we try to make sense of

2055
01:17:36,950 --> 01:17:34,620
things and so he starts talking about

2056
01:17:38,209 --> 01:17:36,960
maybe these are inter-dimensional that

2057
01:17:40,310 --> 01:17:38,219
could be the case we don't know that

2058
01:17:42,470 --> 01:17:40,320
they're space aliens now on the one hand

2059
01:17:44,149 --> 01:17:42,480
I'm thankful that he he widened the

2060
01:17:46,669 --> 01:17:44,159
aperture and said this is not just a

2061
01:17:48,649 --> 01:17:46,679
question of either it's prosaic or it's

2062
01:17:51,649 --> 01:17:48,659
ETS from Alpha Centauri it's not that

2063
01:17:53,330 --> 01:17:51,659

simple I'm glad that he opened that up I

2064

01:17:55,010 --> 01:17:53,340

think there was actually part of the

2065

01:17:56,810 --> 01:17:55,020

interview that kind of got cut off or

2066

01:17:58,910 --> 01:17:56,820

truncated where he actually said maybe

2067

01:18:00,649 --> 01:17:58,920

spacecraft is not the correct parlance

2068

01:18:02,810 --> 01:18:00,659

and that that'll maybe will come out in

2069

01:18:05,149 --> 01:18:02,820

the longer version of the interview

2070

01:18:07,130 --> 01:18:05,159

but it's interesting when we when we put

2071

01:18:09,169 --> 01:18:07,140

together the Greer testimony and the

2072

01:18:10,790 --> 01:18:09,179

fresh testimony because I responded to

2073

01:18:14,209 --> 01:18:10,800

someone on social media who talked about

2074

01:18:17,090 --> 01:18:14,219

those two situations so someone named

2075

01:18:18,110 --> 01:18:17,100

Ben Lumen on Twitter said quote this

2076

01:18:19,610 --> 01:18:18,120

speaks to what you talked about before

2077

01:18:21,830 --> 01:18:19,620

in terms of how Greer looked at the

2078

01:18:23,750 --> 01:18:21,840

beginning of the conference Greer looks

2079

01:18:25,550 --> 01:18:23,760

like he had the living bleep

2080

01:18:28,090 --> 01:18:25,560

scared out of him

2081

01:18:30,709 --> 01:18:28,100

he and Russia agree on the fundamentals

2082

01:18:33,950 --> 01:18:30,719

non-human intelligence crash retrievals

2083

01:18:35,990 --> 01:18:33,960

cover-ups criminal activity Etc where

2084

01:18:38,450 --> 01:18:36,000

they differ is the interesting bit Greer

2085

01:18:40,970 --> 01:18:38,460

insists they're all friendly grush says

2086

01:18:42,530 --> 01:18:40,980

they're not so what's interesting there

2087

01:18:44,030 --> 01:18:42,540

is that

2088

01:18:46,970 --> 01:18:44,040

number one

2089

01:18:48,290 --> 01:18:46,980

when he says grush says they're not this

2090

01:18:51,350 --> 01:18:48,300

was one little piece of the interview

2091

01:18:52,729 --> 01:18:51,360

where Ross would oppressed him and there

2092

01:18:55,189 --> 01:18:52,739

was some discussion about perhaps there

2093

01:18:56,870 --> 01:18:55,199

have been human casualties in the

2094

01:18:59,090 --> 01:18:56,880

process of somehow engaging these

2095

01:19:01,550 --> 01:18:59,100

non-human intelligences now you and I

2096

01:19:03,169 --> 01:19:01,560

who have been familiar with the topic

2097

01:19:04,970 --> 01:19:03,179

recognize that

2098

01:19:06,169 --> 01:19:04,980

there's more to it there that's a bit of

2099

01:19:09,110 --> 01:19:06,179

murky Waters there's been some

2100

01:19:11,390 --> 01:19:09,120

suggestion that perhaps we engage them

2101

01:19:13,010 --> 01:19:11,400

we went after them in an offensive

2102

01:19:14,450 --> 01:19:13,020

Manner and perhaps there was some sort

2103

01:19:16,490 --> 01:19:14,460

of crash or something that happened

2104

01:19:18,530 --> 01:19:16,500

after the fact so that's a human

2105

01:19:20,450 --> 01:19:18,540

casualty but was that really at the

2106

01:19:21,890 --> 01:19:20,460

hands of the non-human intelligence can

2107

01:19:23,870 --> 01:19:21,900

we infer from that that they are

2108

01:19:25,790 --> 01:19:23,880

malevolent I think these are things we

2109

01:19:27,530 --> 01:19:25,800

need to be very cautious about I'm

2110

01:19:30,290 --> 01:19:27,540

concerned when those kind of things get

2111

01:19:32,630 --> 01:19:30,300

put out there because again based on our

2112

01:19:35,209 --> 01:19:32,640

human psychology we so quickly jump to

2113

01:19:38,270 --> 01:19:35,219

threat we hear that we go well that

2114

01:19:40,610 --> 01:19:38,280

sounds dangerous right even before the

2115

01:19:42,470 --> 01:19:40,620

interview Ross had said in social media

2116

01:19:45,110 --> 01:19:42,480

what I've heard makes me scared and

2117

01:19:46,790 --> 01:19:45,120

people immediately jump to oh they're

2118

01:19:48,350 --> 01:19:46,800

demonic or there's something totally

2119

01:19:50,689 --> 01:19:48,360

malevolent they're out to invade us or

2120

01:19:52,130 --> 01:19:50,699

destroy us turn us into zombies and yet

2121

01:19:54,410 --> 01:19:52,140

later on he actually said the part that

2122

01:19:57,229 --> 01:19:54,420

scared him was actually that military

2123

01:19:58,970 --> 01:19:57,239

groups had perhaps even gone as far as

2124

01:20:00,050 --> 01:19:58,980

killing people to keep this secret

2125

01:20:01,490 --> 01:20:00,060

secret

2126
01:20:03,530 --> 01:20:01,500
so these are things we need to be very

2127
01:20:05,930 --> 01:20:03,540
careful about in terms of letting

2128
01:20:07,010 --> 01:20:05,940
whistleblowers let them speculate

2129
01:20:08,510 --> 01:20:07,020
because they're human beings but

2130
01:20:10,010 --> 01:20:08,520
recognize when they're speculating the

2131
01:20:11,810 --> 01:20:10,020
same things happen with Luis Elizondo

2132
01:20:14,450 --> 01:20:11,820
we've talked about this before he can

2133
01:20:16,550 --> 01:20:14,460
talk about other kinds of humanity and

2134
01:20:18,890 --> 01:20:16,560
people jump to oh he knows something for

2135
01:20:20,630 --> 01:20:18,900
sure because look at his position he had

2136
01:20:23,330 --> 01:20:20,640
but again I think we need to be careful

2137
01:20:26,090 --> 01:20:23,340
there sometimes what you want to do is

2138
01:20:27,410 --> 01:20:26,100

open people's minds you want to expand

2139

01:20:29,990 --> 01:20:27,420

the conversation that doesn't mean

2140

01:20:31,910 --> 01:20:30,000

you're speaking to understand Intel that

2141

01:20:33,470 --> 01:20:31,920

speaks specifically to something

2142

01:20:35,630 --> 01:20:33,480

and this is something I just want to

2143

01:20:37,669 --> 01:20:35,640

close with here in response to that

2144

01:20:40,189 --> 01:20:37,679

thing that was said about Greer saying

2145

01:20:42,890 --> 01:20:40,199

they're all good rushing they're not

2146

01:20:44,330 --> 01:20:42,900

I said quote Greers is a statement of

2147

01:20:46,189 --> 01:20:44,340

faith for which he could not possibly

2148

01:20:49,010 --> 01:20:46,199

have the requisite knowledge to State

2149

01:20:51,229 --> 01:20:49,020

solidly Russia's is an interpretation

2150

01:20:53,270 --> 01:20:51,239

based on events that have admittedly

2151
01:20:55,310 --> 01:20:53,280
often involved humans offensively

2152
01:20:58,430 --> 01:20:55,320
engaging non-human intelligence where

2153
01:21:00,590 --> 01:20:58,440
details are murky casualty does not

2154
01:21:03,110 --> 01:21:00,600
equal malevolent non-human intelligence

2155
01:21:05,450 --> 01:21:03,120
so this is what I want to point to here

2156
01:21:06,470 --> 01:21:05,460
we can quickly leap to these things and

2157
01:21:08,810 --> 01:21:06,480
this is something that you and I have

2158
01:21:11,030 --> 01:21:08,820
talked about many times on this show we

2159
01:21:14,090 --> 01:21:11,040
tend to either turn these people into

2160
01:21:15,890 --> 01:21:14,100
heroes or we demonize them we are very

2161
01:21:17,930 --> 01:21:15,900
very thankful for David grush coming

2162
01:21:19,669 --> 01:21:17,940
forward but we need to do our due

2163
01:21:20,990 --> 01:21:19,679

diligence now and recognize when he's

2164

01:21:23,990 --> 01:21:21,000

speculating and when he's actually

2165

01:21:25,850 --> 01:21:24,000

referring to valid Intel that's been

2166

01:21:27,530 --> 01:21:25,860

really obtained for instance one thing I

2167

01:21:29,810 --> 01:21:27,540

found very interesting in his testimony

2168

01:21:32,330 --> 01:21:29,820

was that he spoke to the degree of

2169

01:21:34,130 --> 01:21:32,340

analysis Atomic level analysis that had

2170

01:21:35,810 --> 01:21:34,140

been done on the metamaterials

2171

01:21:37,310 --> 01:21:35,820

and this is the first time we've heard

2172

01:21:39,110 --> 01:21:37,320

about this really I think this is one of

2173

01:21:40,669 --> 01:21:39,120

the greatest Revelations to me was that

2174

01:21:42,709 --> 01:21:40,679

they had come to a conclusion that

2175

01:21:45,350 --> 01:21:42,719

there's no way they were very very

2176
01:21:47,810 --> 01:21:45,360
convinced the honest shadow of a doubt

2177
01:21:49,130 --> 01:21:47,820
but no other nation-state developed this

2178
01:21:51,830 --> 01:21:49,140
this is not Chinese or Russian

2179
01:21:53,330 --> 01:21:51,840
technology it's too far outside of the

2180
01:21:55,070 --> 01:21:53,340
box it's things that we don't even

2181
01:21:56,330 --> 01:21:55,080
understand how you would engineer it in

2182
01:21:58,790 --> 01:21:56,340
that way we don't even understand the

2183
01:22:01,669 --> 01:21:58,800
emergent properties that it produces

2184
01:22:03,830 --> 01:22:01,679
this speaks I think to

2185
01:22:05,149 --> 01:22:03,840
to the the biggest Revelation in all of

2186
01:22:07,490 --> 01:22:05,159
this which is that the vehicles

2187
01:22:09,950 --> 01:22:07,500
themselves that have been analyzed speak

2188
01:22:12,350 --> 01:22:09,960

to this being fully non-prosaic fully

2189

01:22:14,689 --> 01:22:12,360

unconventional and if nothing else I

2190

01:22:16,550 --> 01:22:14,699

hope that moves the needle yes

2191

01:22:19,430 --> 01:22:16,560

absolutely yeah I think it's a great

2192

01:22:20,990 --> 01:22:19,440

point to make that uh you know we are we

2193

01:22:23,810 --> 01:22:21,000

are doing a great deal of speculation

2194

01:22:25,610 --> 01:22:23,820

and you you and I partake in that quite

2195

01:22:27,470 --> 01:22:25,620

often as well

2196

01:22:30,350 --> 01:22:27,480

um and we need to keep that front of

2197

01:22:33,410 --> 01:22:30,360

Mind as we hear these claims uh I was

2198

01:22:35,149 --> 01:22:33,420

really impressed with the you know level

2199

01:22:36,970 --> 01:22:35,159

of nuance that he brought into the

2200

01:22:39,590 --> 01:22:36,980

conversation it wasn't as

2201
01:22:42,229 --> 01:22:39,600
two-dimensional as you you might expect

2202
01:22:43,910 --> 01:22:42,239
it to be uh for for someone that maybe

2203
01:22:46,430 --> 01:22:43,920
saw some documents and just said hey

2204
01:22:49,250 --> 01:22:46,440
we've got ETS and you know Case Closed

2205
01:22:53,270 --> 01:22:49,260
here it was it was he he went out of his

2206
01:22:56,330 --> 01:22:53,280
way to use particular words to try to

2207
01:22:58,310 --> 01:22:56,340
add some additional Contour context to

2208
01:23:01,610 --> 01:22:58,320
what he was stating there and I think

2209
01:23:04,669 --> 01:23:01,620
that that speaks to uh the degree of uh

2210
01:23:07,370 --> 01:23:04,679
time energy and and thought that he

2211
01:23:09,470 --> 01:23:07,380
himself has put into this topic already

2212
01:23:11,689 --> 01:23:09,480
it's not something that he just sort of

2213
01:23:13,370 --> 01:23:11,699

you know grabbed off of a one one page

2214

01:23:15,350 --> 01:23:13,380

somewhere and said you know okay well

2215

01:23:18,410 --> 01:23:15,360

that's what it is I mean this is a guy

2216

01:23:20,270 --> 01:23:18,420

who clearly he he takes the skills that

2217

01:23:23,270 --> 01:23:20,280

he has gained over the course of his

2218

01:23:26,810 --> 01:23:23,280

career in analyzing intelligence and

2219

01:23:29,330 --> 01:23:26,820

sussing out what might be true from all

2220

01:23:31,729 --> 01:23:29,340

of that noise I mean that's what the guy

2221

01:23:34,250 --> 01:23:31,739

you know is skilled at doing and clearly

2222

01:23:36,169 --> 01:23:34,260

he he did that here you know he looked

2223

01:23:38,810 --> 01:23:36,179

at these documents and and he's making

2224

01:23:41,270 --> 01:23:38,820

some he's extrapolating some conclusions

2225

01:23:43,550 --> 01:23:41,280

uh based on what he has seen but he's

2226

01:23:45,709 --> 01:23:43,560

also I think he was also pretty quick to

2227

01:23:48,590 --> 01:23:45,719

say you know this is sort of what I you

2228

01:23:51,229 --> 01:23:48,600

know what I think here uh I just don't

2229

01:23:53,930 --> 01:23:51,239

just based on what I've seen

2230

01:23:56,209 --> 01:23:53,940

um you know so you know I I really did

2231

01:23:57,950 --> 01:23:56,219

appreciate that and I I'm frustrated

2232

01:23:59,630 --> 01:23:57,960

with uh you know sort of the Stephen

2233

01:24:01,610 --> 01:23:59,640

Greer kind of flattening of the

2234

01:24:04,250 --> 01:24:01,620

narrative there I think that that's not

2235

01:24:07,010 --> 01:24:04,260

particularly helpful particularly those

2236

01:24:08,750 --> 01:24:07,020

who might come to Greer and say I had a

2237

01:24:11,330 --> 01:24:08,760

really bad experience and you can only

2238

01:24:13,189 --> 01:24:11,340

imagine his response being well you know

2239

01:24:14,750 --> 01:24:13,199

you'll come to look at that very

2240

01:24:17,090 --> 01:24:14,760

positively late later like it really

2241

01:24:19,189 --> 01:24:17,100

wasn't bad uh so I think we have to be

2242

01:24:20,390 --> 01:24:19,199

fair and true to the experiences that we

2243

01:24:22,910 --> 01:24:20,400

have here

2244

01:24:26,149 --> 01:24:22,920

um I do worry that that uh malevolent

2245

01:24:28,189 --> 01:24:26,159

sort of intent or malevolent word is

2246

01:24:31,430 --> 01:24:28,199

going to sort of carry a lot of weight

2247

01:24:33,649 --> 01:24:31,440

as this goes forward and I'm concerned

2248

01:24:35,330 --> 01:24:33,659

that you know the the instinctual human

2249

01:24:38,149 --> 01:24:35,340

reaction to that is like well let's

2250

01:24:40,669 --> 01:24:38,159

let's start you know getting some ammo

2251

01:24:42,110 --> 01:24:40,679

and some guns and be ready for these uh

2252

01:24:44,209 --> 01:24:42,120

so you know do you have a concern about

2253

01:24:46,370 --> 01:24:44,219

that as well

2254

01:24:47,630 --> 01:24:46,380

absolutely and I think one of the

2255

01:24:49,130 --> 01:24:47,640

interesting things when we look back at

2256

01:24:50,930 --> 01:24:49,140

history and I think I mentioned this too

2257

01:24:53,570 --> 01:24:50,940

before we went on the air

2258

01:24:55,010 --> 01:24:53,580

is that even when we do have press

2259

01:24:57,350 --> 01:24:55,020

conferences that have been held or

2260

01:24:58,729 --> 01:24:57,360

documents that have been uncovered in

2261

01:25:00,530 --> 01:24:58,739

terms of different government agencies

2262

01:25:02,209 --> 01:25:00,540

talking to each other

2263

01:25:04,669 --> 01:25:02,219

the vast majority of the time what we

2264

01:25:07,550 --> 01:25:04,679

actually see is this

2265

01:25:09,350 --> 01:25:07,560

this understanding that these others do

2266

01:25:11,390 --> 01:25:09,360

not represent an imminent threat to

2267

01:25:12,709 --> 01:25:11,400

humanity that there's this recognition

2268

01:25:14,810 --> 01:25:12,719

that they've been around that they

2269

01:25:17,209 --> 01:25:14,820

perhaps are surveilling us but they

2270

01:25:19,189 --> 01:25:17,219

don't pose a direct threat and this was

2271

01:25:21,350 --> 01:25:19,199

even said among some military circles

2272

01:25:22,669 --> 01:25:21,360

who are very geared towards recognizing

2273

01:25:24,590 --> 01:25:22,679

a threat you could even say they're

2274

01:25:25,850 --> 01:25:24,600

weighted towards seeing a threat even

2275

01:25:27,590 --> 01:25:25,860

perhaps before there is one because

2276

01:25:29,870 --> 01:25:27,600

that's kind of their job

2277

01:25:31,310 --> 01:25:29,880

so this speaks to I think the fact that

2278

01:25:34,070 --> 01:25:31,320

we've actually seen this over and over

2279

01:25:35,510 --> 01:25:34,080

again established that this is not a

2280

01:25:37,430 --> 01:25:35,520

major threat and this is why I wanted to

2281

01:25:39,410 --> 01:25:37,440

bring in that Nuance about the

2282

01:25:41,510 --> 01:25:39,420

possibility that casualties if they have

2283

01:25:43,189 --> 01:25:41,520

happened might be incidental and not

2284

01:25:44,830 --> 01:25:43,199

actually intended

2285

01:25:47,030 --> 01:25:44,840

we also need to take in consideration

2286

01:25:49,669 --> 01:25:47,040

experience your data again which I just

2287

01:25:51,350 --> 01:25:49,679

want to point out again this is not part

2288

01:25:52,610 --> 01:25:51,360

of this conversation publicly it should

2289

01:25:54,169 --> 01:25:52,620

be

2290

01:25:56,149 --> 01:25:54,179

I don't think any of these journalists

2291

01:25:57,770 --> 01:25:56,159

said wait a second we're hearing about

2292

01:25:59,689 --> 01:25:57,780

craft we're hearing about beings we're

2293

01:26:01,850 --> 01:25:59,699

hearing about dead Pilots let's go talk

2294

01:26:04,070 --> 01:26:01,860

to the people who claim they've actually

2295

01:26:06,290 --> 01:26:04,080

spoken to these beings people who have a

2296

01:26:07,910 --> 01:26:06,300

remarkable degree of similarity

2297

01:26:09,709 --> 01:26:07,920

common ground and how they describe

2298

01:26:11,270 --> 01:26:09,719

these beings and there is a coherent

2299

01:26:13,070 --> 01:26:11,280

message and again what I would point out

2300

01:26:15,530 --> 01:26:13,080

is that even people once they've

2301
01:26:16,970 --> 01:26:15,540
overcome the ontological shock get to

2302
01:26:18,229 --> 01:26:16,980
the point once they get past that

2303
01:26:20,450 --> 01:26:18,239
initial trauma

2304
01:26:22,490 --> 01:26:20,460
that fight or flight response they have

2305
01:26:24,890 --> 01:26:22,500
an overwhelmingly positive attitude

2306
01:26:27,169 --> 01:26:24,900
towards the interactions

2307
01:26:30,050 --> 01:26:27,179
yeah absolutely

2308
01:26:32,330 --> 01:26:30,060
um you know it's uh it's it's it's gonna

2309
01:26:33,590 --> 01:26:32,340
be fascinating to watch this continue to

2310
01:26:35,930 --> 01:26:33,600
unfold

2311
01:26:39,050 --> 01:26:35,940
um we didn't even touch on the the bit

2312
01:26:41,090 --> 01:26:39,060
from his uh one hour testimony about the

2313
01:26:42,649 --> 01:26:41,100

vatican's involvement here

2314

01:26:44,390 --> 01:26:42,659

um so I know that we're going to want to

2315

01:26:47,209 --> 01:26:44,400

touch on that in a future episode

2316

01:26:50,209 --> 01:26:47,219

because there's a lot to uh dig into

2317

01:26:52,370 --> 01:26:50,219

with that little piece of the puzzle

2318

01:26:54,410 --> 01:26:52,380

um you know I think all pointing to the

2319

01:26:56,149 --> 01:26:54,420

fact that you know something that we

2320

01:26:57,950 --> 01:26:56,159

talk about pretty much every show that

2321

01:27:00,590 --> 01:26:57,960

reality is a lot Stranger than we think

2322

01:27:04,310 --> 01:27:00,600

it is uh that the things that we've been

2323

01:27:08,030 --> 01:27:04,320

told about the world about history that

2324

01:27:10,010 --> 01:27:08,040

they are far more complex than than what

2325

01:27:12,110 --> 01:27:10,020

we've been led to believe

2326

01:27:14,149 --> 01:27:12,120

um and that you know just being prepared

2327

01:27:16,550 --> 01:27:14,159

for that eventuality I think that's

2328

01:27:19,010 --> 01:27:16,560

important to emphasize you know it's

2329

01:27:21,830 --> 01:27:19,020

important to keep our minds flexible and

2330

01:27:23,570 --> 01:27:21,840

prepared for new information and and and

2331

01:27:25,370 --> 01:27:23,580

you know be willing and ready to

2332

01:27:28,729 --> 01:27:25,380

assimilate new information as as it

2333

01:27:31,129 --> 01:27:28,739

comes our way because no one has the has

2334

01:27:33,590 --> 01:27:31,139

the corner under the story at this point

2335

01:27:35,990 --> 01:27:33,600

uh you know facts are going to continue

2336

01:27:38,330 --> 01:27:36,000

to emerge new information is going to

2337

01:27:40,550 --> 01:27:38,340

come to light and we will have to assess

2338

01:27:42,830 --> 01:27:40,560

that analyze it and group it with the

2339

01:27:44,689 --> 01:27:42,840

other data sets that we have both from

2340

01:27:46,910 --> 01:27:44,699

the Lit Literature and from experience

2341

01:27:49,250 --> 01:27:46,920

or testimony and on and on we're going

2342

01:27:50,689 --> 01:27:49,260

to have to continue to do the work to

2343

01:27:53,689 --> 01:27:50,699

try to understand what this is all about

2344

01:27:56,390 --> 01:27:53,699

and I'm optimistic that we'll be putting

2345

01:27:58,370 --> 01:27:56,400

more people to that task you know the

2346

01:28:01,510 --> 01:27:58,380

more and more that this topic does hit

2347

01:28:05,209 --> 01:28:01,520

whatever media Outlet it hits with with

2348

01:28:07,070 --> 01:28:05,219

folks who have compelling testimony the

2349

01:28:09,110 --> 01:28:07,080

more folks who will see that read it

2350

01:28:10,729 --> 01:28:09,120

digest it and go you know what there is

2351

01:28:12,410 --> 01:28:10,739

something there and maybe I had an

2352

01:28:14,689 --> 01:28:12,420

experience that was like that and I can

2353

01:28:17,149 --> 01:28:14,699

feel more comfortable coming forward and

2354

01:28:18,950 --> 01:28:17,159

supporting this and and researching this

2355

01:28:21,110 --> 01:28:18,960

and encouraging others to do the same

2356

01:28:23,810 --> 01:28:21,120

and and that's what is building the

2357

01:28:25,430 --> 01:28:23,820

momentum and will continue to do so

2358

01:28:27,470 --> 01:28:25,440

agreed and I would say one thing that

2359

01:28:29,930 --> 01:28:27,480

encourages me is that even though

2360

01:28:32,330 --> 01:28:29,940

traditional media is slow to act on this

2361

01:28:33,770 --> 01:28:32,340

people who can think critically and are

2362

01:28:36,169 --> 01:28:33,780

examining the evidence that's already

2363

01:28:38,209 --> 01:28:36,179

been put forward people like academics

2364

01:28:41,689 --> 01:28:38,219

there's more and more of those reaching

2365

01:28:43,310 --> 01:28:41,699

out to me and to other people saying how

2366

01:28:45,290 --> 01:28:43,320

can I be involved how can I get a hold

2367

01:28:47,030 --> 01:28:45,300

of the the raw data to begin to research

2368

01:28:48,410 --> 01:28:47,040

this again that's something with the

2369

01:28:50,930 --> 01:28:48,420

John Mack Institute we're really

2370

01:28:52,669 --> 01:28:50,940

encouraged about and hope to see more of

2371

01:28:54,709 --> 01:28:52,679

that happen we want to see this dialogue

2372

01:28:57,290 --> 01:28:54,719

this interface between the experience

2373

01:28:58,610 --> 01:28:57,300

for testimony and Academia and I think

2374

01:29:00,530 --> 01:28:58,620

what we'll find

2375

01:29:02,209 --> 01:29:00,540

is that actually there's a lot of these

2376

01:29:04,490 --> 01:29:02,219

outlier events that were considered

2377

01:29:06,530 --> 01:29:04,500

outlier that are not nearly as rare as

2378

01:29:08,629 --> 01:29:06,540

people think that most of us know

2379

01:29:10,850 --> 01:29:08,639

someone who's had an encounter of an

2380

01:29:11,930 --> 01:29:10,860

unusual sort whether it's a near-death

2381

01:29:15,229 --> 01:29:11,940

experience or of an out-of-body

2382

01:29:17,209 --> 01:29:15,239

experience or some sort of Psy event or

2383

01:29:19,490 --> 01:29:17,219

an encounter with a being that looks

2384

01:29:20,810 --> 01:29:19,500

either like a typical gray alien or

2385

01:29:22,970 --> 01:29:20,820

perhaps even seeing a supposedly

2386

01:29:25,610 --> 01:29:22,980

deceased relative all of these things

2387

01:29:27,950 --> 01:29:25,620

that supposedly cannot happen according

2388

01:29:29,330 --> 01:29:27,960

to a physicalist model somehow are part

2389

01:29:31,669 --> 01:29:29,340

of our reality

2390

01:29:33,890 --> 01:29:31,679

so far they're being censored because

2391

01:29:35,390 --> 01:29:33,900

they don't fit that but hopefully as

2392

01:29:37,790 --> 01:29:35,400

time goes on and more and more of this

2393

01:29:39,169 --> 01:29:37,800

evidence becomes clear those who are

2394

01:29:41,930 --> 01:29:39,179

willing to think critically about it

2395

01:29:43,490 --> 01:29:41,940

that begins not to just help us move

2396

01:29:45,590 --> 01:29:43,500

towards how does this fit within our

2397

01:29:47,930 --> 01:29:45,600

current model but how is this

2398

01:29:50,330 --> 01:29:47,940

information so persuasive and so

2399

01:29:54,470 --> 01:29:50,340

predominant that actually it even begins

2400

01:29:56,570 --> 01:29:54,480

to help us imagine and lead into other

2401

01:29:58,010 --> 01:29:56,580

possibilities for reality this is not

2402

01:30:00,290 --> 01:29:58,020

just something you sort of cram into the

2403

01:30:02,270 --> 01:30:00,300

suitcase it's already chock full this is

2404

01:30:03,910 --> 01:30:02,280

actually something like people like Nima

2405

01:30:05,870 --> 01:30:03,920

or Kani Hamed are saying about reality

2406

01:30:08,090 --> 01:30:05,880

space-time cannot be foundational

2407

01:30:10,550 --> 01:30:08,100

there's deeper structures and I think

2408

01:30:13,250 --> 01:30:10,560

eventually we will see a day where all

2409

01:30:15,470 --> 01:30:13,260

of this data is allowed back in that it

2410

01:30:17,390 --> 01:30:15,480

can enter the public sphere enter the

2411

01:30:19,550 --> 01:30:17,400

academic sphere and be looked at in an

2412

01:30:21,350 --> 01:30:19,560

objective way and I think that bodes

2413

01:30:24,050 --> 01:30:21,360

well for our future

2414

01:30:26,209 --> 01:30:24,060

yes here here for that day

2415

01:30:28,970 --> 01:30:26,219

um well we thank everyone for listening

2416

01:30:31,550 --> 01:30:28,980

uh to this episode and uh for the words

2417

01:30:33,770 --> 01:30:31,560

of encouragement that we receive uh on

2418

01:30:36,290 --> 01:30:33,780

on the the comments uh your likes and

2419

01:30:38,330 --> 01:30:36,300

subscribes you're always welcome and we

2420

01:30:40,669 --> 01:30:38,340

look forward to the next episode where

2421

01:30:42,350 --> 01:30:40,679

I'm sure we're going to have even Wilder

2422

01:30:44,149 --> 01:30:42,360

things to discuss at least it seems

2423

01:30:46,790 --> 01:30:44,159

we're on track for that so I'm gonna I'm

2424

01:30:49,010 --> 01:30:46,800

gonna plan for having another discombob

2425

01:30:49,970 --> 01:30:49,020

this combobulating conversation in the

2426

01:30:51,830 --> 01:30:49,980

near future

2427

01:30:53,689 --> 01:30:51,840

it will be bombastic guaranteed

2428

01:30:56,270 --> 01:30:53,699

excellent

2429

01:30:58,850 --> 01:30:56,280

and on that note uh May the quality of

2430

01:31:01,070 --> 01:30:58,860

our questions shaped by a desire for

2431

01:31:03,530 --> 01:31:01,080

understanding enhance our journey of

2432

01:31:05,050 --> 01:31:03,540

Discovery and may our travels broaden

2433

01:31:08,149 --> 01:31:05,060

the sphere of our Consciousness

2434

01:31:12,050 --> 01:31:08,159

reminding us that new discoveries beget

2435

01:31:13,970 --> 01:31:12,060

New Horizons as always Adventure awaits

2436

01:31:17,750 --> 01:31:13,980

we'll see you next time on liminal

2437

01:31:21,550 --> 01:31:19,980

[Music]

2438

01:31:27,830 --> 01:31:21,560

[Laughter]
