

1
00:00:05,269 --> 00:00:02,720
loccent met deand in 2000 my very first

2
00:00:09,709 --> 00:00:05,279
night in Hollywood I met James Dean it

3
00:00:11,150 --> 00:00:09,719
was very very on occurrence I had

4
00:00:12,860 --> 00:00:11,160
arrived off the play where those were

5
00:00:18,620 --> 00:00:12,870
you know took a long time in those days

6
00:00:20,810 --> 00:00:18,630
about 16 hours flight and I'd been met

7
00:00:23,240 --> 00:00:20,820
by Grace Kelly and various people but I

8
00:00:28,700 --> 00:00:23,250
found that I was alone for myself for

9
00:00:30,439 --> 00:00:28,710
the evening and a woman I knew phoned up

10
00:00:34,069 --> 00:00:30,449
and said he would let me take you out to

11
00:00:36,770 --> 00:00:34,079
dinner and we went to various place and

12
00:00:38,180 --> 00:00:36,780
she was wearing trousers and they

13
00:00:40,250 --> 00:00:38,190

wouldn't let her in any of the smart

14

00:00:44,229 --> 00:00:40,260

Hollywood restaurants think of it you

15

00:00:46,190 --> 00:00:44,239

know what if it was 1952 54 America

16

00:00:50,360 --> 00:00:46,200

however we finally went to a little

17

00:00:52,310 --> 00:00:50,370

Italian dive and that was full and so

18

00:00:54,500 --> 00:00:52,320

well got turned to eyes on her mind just

19

00:00:56,500 --> 00:00:54,510

a hamburger anyway I was hungry by then

20

00:01:01,099 --> 00:00:56,510

and then I heard feet running down

21

00:01:02,360 --> 00:01:01,109

Street and it was James Dean and he said

22

00:01:06,800 --> 00:01:02,370

I was in that restaurant you couldn't

23

00:01:09,649 --> 00:01:06,810

get a table and my name is James Dean is

24

00:01:12,140 --> 00:01:09,659

it will you come and join me so we said

25

00:01:13,880 --> 00:01:12,150

yes they kind of evened then going back

26
00:01:15,950 --> 00:01:13,890
into the restaurant said oh before we go

27
00:01:19,999 --> 00:01:15,960
in I must show you something

28
00:01:23,840 --> 00:01:20,009
I've just got a new car and they're in

29
00:01:26,240 --> 00:01:23,850
the courtyard of this little restaurant

30
00:01:28,550 --> 00:01:26,250
was a I know what the car was some

31
00:01:30,469 --> 00:01:28,560
little silver very smart thing all done

32
00:01:37,130 --> 00:01:30,479
up in cellophane with a bunch of roses

33
00:01:38,569 --> 00:01:37,140
tied to its bonnet and I said how fast

34
00:01:41,960 --> 00:01:38,579
you can you drive in this drawing under

35
00:01:43,990 --> 00:01:41,970
150 in it and I said have you driven it

36
00:01:47,179 --> 00:01:44,000
he said I've never been in it at all and

37
00:01:50,359 --> 00:01:47,189
some strange thing came over me some

38
00:01:52,940 --> 00:01:50,369

almost different voice and I said look I

39

00:01:55,490 --> 00:01:52,950

won't join your table unless you want me

40

00:01:58,730 --> 00:01:55,500

to but I must say something please do

41

00:02:01,370 --> 00:01:58,740

42

00:02:03,410 --> 00:02:01,380

43

00:02:07,190 --> 00:02:03,420

44

00:02:10,430 --> 00:02:07,200

45

00:02:13,110 --> 00:02:10,440

o'clock at night and by 10 o'clock

46

00:02:16,530 --> 00:02:13,120

next says you'll be dead if you get into

47

00:02:18,810 --> 00:02:16,540

that car I love Lawson someone had

48

00:02:22,620 --> 00:02:18,820
