

1
00:00:05,510 --> 00:00:02,750
in the promotion of the Lord of the

2
00:00:06,800 --> 00:00:05,520
Rings fellowship of doing you were

3
00:00:09,470 --> 00:00:06,810
interviewed by a colleague in a

4
00:00:11,780 --> 00:00:09,480
co-worker of mine a couple of months ago

5
00:00:15,230 --> 00:00:11,790
and this is what happens during the

6
00:00:18,830 --> 00:00:15,240
interview the batch of the group group

7
00:00:21,140 --> 00:00:18,840
Dion and then the old one and the new

8
00:00:23,990 --> 00:00:21,150
one because the new one has different

9
00:00:27,230 --> 00:00:24,000
name I think yes see it's now the

10
00:00:29,240 --> 00:00:27,240
section that's right that's the one and

11
00:00:31,820 --> 00:00:29,250
I people so many people have promised me

12
00:00:33,740 --> 00:00:31,830
that I will get it for you and I've

13
00:00:35,479 --> 00:00:33,750

never had it I will get it for you well

14

00:00:39,350 --> 00:00:35,489

I will give you an address to send it to

15

00:00:41,600 --> 00:00:39,360

yes hope we must do that after yeah okay

16

00:00:46,760 --> 00:00:41,610

what was this wearing the same clothes

17

00:00:48,440 --> 00:00:46,770

yes it's a spectacular soul I have only

18

00:00:50,600 --> 00:00:48,450

have one suit

19

00:00:52,400 --> 00:00:50,610

I think the charges were different but

20

00:00:55,340 --> 00:00:52,410

the rest is the same in the face is the

21

00:00:56,869 --> 00:00:55,350

same man well you see it goes back a

22

00:01:01,639 --> 00:00:56,879

long way going back to the Second World

23

00:01:03,830 --> 00:01:01,649

War I was in what they call Special

24

00:01:06,590 --> 00:01:03,840

Forces I was in the Air Force and also

25

00:01:09,620 --> 00:01:06,600

attached to Special Forces so I have a

26

00:01:11,149 --> 00:01:09,630

lot of connections even now with the

27

00:01:13,270 --> 00:01:11,159

Special Forces from all over the world

28

00:01:16,219 --> 00:01:13,280

and when I go to different countries

29

00:01:18,890 --> 00:01:16,229

their commanders are paratroopers and so

30

00:01:21,649 --> 00:01:18,900

on I collect this insignia and of course

31

00:01:23,390 --> 00:01:21,659

the famous cooked young and it's almost

32

00:01:25,640 --> 00:01:23,400

impossible to find because it doesn't

33

00:01:28,190 --> 00:01:25,650

exist anymore and I think there's

34

00:01:31,880 --> 00:01:28,200

another one it's called yes II or si si

35

00:01:35,120 --> 00:01:31,890

SE e yes special in the sense es Castell

36

00:01:38,090 --> 00:01:35,130

one that's a new one and I remember I

37

00:01:40,190 --> 00:01:38,100

was in Ghent uh-huh and I met some

38

00:01:42,830 --> 00:01:40,200

policemen there and they said but you

39

00:01:44,569 --> 00:01:42,840

worry we will send it to never go never

40

00:01:47,060 --> 00:01:44,579

did never did and then I have a great

41

00:01:48,530 --> 00:01:47,070

friend who was Belgian come on Dale

42

00:01:51,109 --> 00:01:48,540

Shiva lagoon

43

00:01:54,530 --> 00:01:51,119

who was in the commanders in Belgium and

44

00:01:59,120 --> 00:01:54,540

he is a collector and he hasn't got it

45

00:02:00,980 --> 00:01:59,130

and he has been trying for 10 years to

46

00:02:04,880 --> 00:02:00,990

get it and he hasn't got it because I

47

00:02:06,679 --> 00:02:04,890

collect insignia from Sephora all over

48

00:02:10,369 --> 00:02:06,689

the world you know and terrorists mr.

49

00:02:11,900 --> 00:02:10,379

Lee Bart is a man of his word and he has

50

00:02:13,400 --> 00:02:11,910

asked me he could not be here tonight be

51

00:02:17,420 --> 00:02:13,410

he has asked me to give you

52

00:02:21,890 --> 00:02:17,430

these and I hope you will be happy cool

53

00:02:23,380 --> 00:02:21,900

is this what you're required don't

54

00:02:27,950 --> 00:02:23,390

believe it

55

00:02:28,970 --> 00:02:27,960

it's incredible certainly is why I don't

56

00:02:31,250 --> 00:02:28,980

know how you got it

57

00:02:33,170 --> 00:02:31,260

well it's incredible I think maybe I

58

00:02:34,730 --> 00:02:33,180

shouldn't go think he nicked this one

59

00:02:39,290 --> 00:02:34,740

off the police when I was wearing it

60

00:02:42,170 --> 00:02:39,300

just like a but what will you use with

61

00:02:44,810 --> 00:02:42,180

it I will put it on the wall on my

62

00:02:49,420 --> 00:02:44,820

collection at home yes definitely I have

63

00:02:54,020 --> 00:02:49,430

the German one case canine at the French

64

00:02:57,110 --> 00:02:54,030

jjn Shonda Gupta emotional trauma v

65

00:02:59,180 --> 00:02:57,120

Nacional and this I've heard of but I've

66

00:03:00,830 --> 00:02:59,190

never seen it but in your in your days

67

00:03:02,270 --> 00:03:00,840

in second row were you're in active duty

68

00:03:05,210 --> 00:03:02,280

oh yes

69

00:03:11,510 --> 00:03:05,220

so you actually wore something like that

70

00:03:16,340 --> 00:03:11,520

as well no I was attached to three

71

00:03:20,180 --> 00:03:16,350

organizations one of which is this tie s

72

00:03:23,060 --> 00:03:20,190

o e SMEs re which is Special Operations

73

00:03:25,760 --> 00:03:23,070

Executive I was in Yugoslavia the last

74

00:03:28,640 --> 00:03:25,770

year of the war with Tito as a British

75

00:03:32,720 --> 00:03:28,650

liaison officer I was also attached to

76

00:03:37,820 --> 00:03:32,730

the SS British a science and also to a

77

00:03:40,220 --> 00:03:37,830

unit called pops keys private army very

78

00:03:42,590 --> 00:03:40,230

famous but very strange yes about a

79

00:03:43,760 --> 00:03:42,600

hundred people and I was backwards and

80

00:03:45,970 --> 00:03:43,770

forwards backwards and forwards between

81

00:03:50,750 --> 00:03:45,980

the Air Force and the army and all these

82

00:03:53,510 --> 00:03:50,760

groups and even now when I go to certain

83

00:03:58,280 --> 00:03:53,520

countries and I meet certain people they

84

00:04:01,280 --> 00:03:58,290

say what can you prove that you are you

85

00:04:05,990 --> 00:04:01,290

know part of all this and I always carry

86

00:04:11,479 --> 00:04:06,000

on me the identification Lee and there

87

00:04:13,940 --> 00:04:11,489

it is membership cards of the SAS cff

88

00:04:16,280 --> 00:04:13,950

Seeley that's one it's very useful

89

00:04:18,590 --> 00:04:16,290
because if I want to go to military

90

00:04:20,659 --> 00:04:18,600
headquarters or police headquarters they

91

00:04:21,469 --> 00:04:20,669
say who you you're an actor yeah but but

92

00:04:23,480 --> 00:04:21,479
why are you here

93

00:04:25,660 --> 00:04:23,490
yeah and so on do you have any reason

94

00:04:28,120 --> 00:04:25,670
and I say that and

95

00:04:30,370 --> 00:04:28,130
and it works all over the world that's

96

00:04:32,890 --> 00:04:30,380
nothing and it certainly has yeah it's

97

00:04:34,690 --> 00:04:32,900
unbelievable this I mean this is this is

98

00:04:38,170 --> 00:04:34,700
the greatest treasure I've ever had

99

00:04:39,880 --> 00:04:38,180
it's incredible I'm really grateful I'm

100

00:04:42,880 --> 00:04:39,890
gonna tell you how grateful I as small
