

1  
00:00:12,060 --> 00:00:03,860  
well I definitely loved yo films

2  
00:00:12,070 --> 00:00:17,680  
[Music]

3  
00:00:55,869 --> 00:00:48,920  
you know the old man I mean the idea was

4  
00:00:59,470 --> 00:00:55,879  
supposed to be that he is taken in by

5  
00:01:13,850 --> 00:00:59,480  
godlike entities creatures of pure

6  
00:01:19,370 --> 00:01:13,860  
energy and intelligence his whole life

7  
00:01:19,380 --> 00:01:24,370  
[Music]

8  
00:01:33,280 --> 00:01:28,149  
they choose this room which is a very

9  
00:01:36,859 --> 00:01:33,290  
inaccurate replica of French

10  
00:01:40,130 --> 00:01:36,869  
architecture deliberately so inaccurate

11  
00:01:42,620 --> 00:01:40,140  
because you know when we suggesting that

12  
00:01:45,260 --> 00:01:42,630  
they had some idea of something that he

13  
00:01:47,499 --> 00:01:45,270

might think was pretty but weren't quite

14

00:01:49,800 --> 00:01:47,509

sure just as we know

15

00:01:55,389 --> 00:01:49,810

quite sure and what to do and soothe

16

00:01:58,300 --> 00:01:55,399

with with animals try to give them what

17

00:02:00,730 --> 00:01:58,310

we think is their natural you know

18

00:02:04,710 --> 00:02:00,740

environment and anyway when they get

19

00:02:09,070 --> 00:02:04,720

finished with him happens in so many

20

00:02:11,350 --> 00:02:09,080

myth of all cultures in the world he is

21

00:02:18,570 --> 00:02:11,360

transformed into some kind of super

22

00:02:23,910 --> 00:02:18,580

being and sent back to you know

23

00:02:26,890 --> 00:02:23,920

transform them and made you know

24

00:02:28,300 --> 00:02:26,900

Superman uh and we know we'd have to

25

00:02:32,860 --> 00:02:28,310

only guess what happens when he goes

26

00:02:35,710 --> 00:02:32,870

back it is the pattern of a great deal
