

1
00:00:04,070 --> 00:00:03,270
um we were playing down over there on

2
00:00:09,030 --> 00:00:04,080
the

3
00:00:10,709 --> 00:00:09,040
something shiny so we all ran

4
00:00:11,830 --> 00:00:10,719
down over there and it was in the early

5
00:00:14,230 --> 00:00:11,840
morning

6
00:00:16,630 --> 00:00:14,240
it was at break time yeah

7
00:00:19,429 --> 00:00:16,640
and then we saw something shiny

8
00:00:21,910 --> 00:00:19,439
and we saw two two people they were in

9
00:00:24,550 --> 00:00:21,920
black tight black suit

10
00:00:26,470 --> 00:00:24,560
and they had big eyes and a small we

11
00:00:28,630 --> 00:00:26,480
didn't actually see their nose it was

12
00:00:31,349 --> 00:00:28,640
quite small and their mouth was quite

13
00:00:32,870 --> 00:00:31,359

small as well one of them was running in

14

00:00:35,430 --> 00:00:32,880

slow motion

15

00:00:39,510 --> 00:00:35,440

up across the ship and the other one was

16

00:00:43,430 --> 00:00:41,750

yeah you made a drawing huh it was it

17

00:00:45,670 --> 00:00:43,440

looked like this

18

00:00:47,590 --> 00:00:45,680

no yeah something like that i couldn't

19

00:00:49,670 --> 00:00:47,600

see the eyes or the nurse on the mouth

20

00:00:52,950 --> 00:00:49,680

it was just blank

21

00:00:56,790 --> 00:00:54,790

well when they came i thought they were

22

00:00:59,110 --> 00:00:56,800

crazy

23

00:01:00,950 --> 00:00:59,120

this is the first thing you saw

24

00:01:02,069 --> 00:01:00,960

i thought they were crazy just coming to

25

00:01:04,549 --> 00:01:02,079

our school

26

00:01:05,750 --> 00:01:04,559

doing nothing and all i saw was

27

00:01:08,870 --> 00:01:05,760

something

28

00:01:11,270 --> 00:01:08,880

like silver coming down and i said what

29

00:01:13,510 --> 00:01:11,280

must that be and everybody's crowding it

30

00:01:15,990 --> 00:01:13,520

i must go crowd too then i went and i

31

00:01:18,149 --> 00:01:16,000

started crowding and everybody

32

00:01:20,390 --> 00:01:18,159

then more people came more and then i

33

00:01:23,109 --> 00:01:20,400

said hey i can't see anymore come on

34

00:01:24,870 --> 00:01:23,119

somebody i'm sure come on

35

00:01:26,870 --> 00:01:24,880

and then i went to the front and i

36

00:01:28,950 --> 00:01:26,880

started seeing more of them and then i

37

00:01:31,990 --> 00:01:28,960

just ran away

38

00:01:33,910 --> 00:01:32,000

um the day before the spaceship came my

39

00:01:36,149 --> 00:01:33,920

friends and i were sitting

40

00:01:37,830 --> 00:01:36,159

in the playground and

41

00:01:39,749 --> 00:01:37,840

one of my friends her name emily she

42

00:01:42,469 --> 00:01:39,759

looked up into the sky and she said oh

43

00:01:43,830 --> 00:01:42,479

there's a ufo she said and i looked at

44

00:01:46,469 --> 00:01:43,840

it and she said no just kidding it's an

45

00:01:47,749 --> 00:01:46,479

airplane and we looked up and um

46

00:01:50,149 --> 00:01:47,759

i thought to myself that can't be an

47

00:01:52,230 --> 00:01:50,159

airplane because it was very shiny it

48

00:01:53,830 --> 00:01:52,240

looked kind of like a cigarette you know

49

00:01:55,350 --> 00:01:53,840

it was a long thing and then on the end

50

00:01:56,789 --> 00:01:55,360

it was all shiny

51

00:01:59,270 --> 00:01:56,799

and um

52

00:02:02,310 --> 00:01:59,280

so i said maybe it is a ufo so we're all

53

00:02:04,469 --> 00:02:02,320

kind of like getting scared now and then

54

00:02:05,749 --> 00:02:04,479

um the day that it happened then we

55

00:02:07,670 --> 00:02:05,759

started thinking yeah that must have

56

00:02:10,550 --> 00:02:07,680

been a ufo in the sky because my brother

57

00:02:12,869 --> 00:02:10,560

also saw it but he's left the school now

58

00:02:15,110 --> 00:02:12,879

it was sort of like sort like a round

59

00:02:17,030 --> 00:02:15,120

shape it's not like a plate so like two

60

00:02:17,990 --> 00:02:17,040

plates that was just like on top of each

61

00:02:20,630 --> 00:02:18,000

other

62

00:02:23,110 --> 00:02:20,640

then there was not like the um halt the

63

00:02:25,110 --> 00:02:23,120

hatch foot and also like in between two

64

00:02:29,270 --> 00:02:25,120

trees which you couldn't see that

65

00:02:31,750 --> 00:02:29,280

clearly and it was just silver all over

66

00:02:33,350 --> 00:02:31,760

i didn't see any men or something

67

00:02:35,270 --> 00:02:33,360

like that

68

00:02:37,350 --> 00:02:35,280

you saw one ufo

69

00:02:39,190 --> 00:02:37,360

that's surrounded by little ones yeah

70

00:02:42,470 --> 00:02:39,200

one favorite

71

00:02:48,309 --> 00:02:45,509

yeah let me see let me see your drawing

72

00:02:50,470 --> 00:02:48,319

one big one one big ship and then small

73

00:02:53,509 --> 00:02:50,480

ones surrounding it with

74

00:02:56,630 --> 00:02:53,519

um with their lights yeah

75

00:02:58,149 --> 00:02:56,640

surrounding the ship

76

00:02:59,190 --> 00:02:58,159

like uh

77

00:03:01,190 --> 00:02:59,200

seance

78

00:03:03,110 --> 00:03:01,200

this is sean's drawing yes yeah

79

00:03:05,589 --> 00:03:03,120

basically yeah and

80

00:03:08,390 --> 00:03:05,599

okay one landed the big one landed and

81

00:03:10,309 --> 00:03:08,400

the two aliens came out yes and what

82

00:03:12,229 --> 00:03:10,319

happened with the little ones the little

83

00:03:13,830 --> 00:03:12,239

ones they were just flowing around in

84

00:03:15,750 --> 00:03:13,840

the air they didn't yeah they didn't

85

00:03:16,790 --> 00:03:15,760

touch the ground

86

00:03:17,589 --> 00:03:16,800

and

87

00:03:19,430 --> 00:03:17,599

these

88

00:03:21,430 --> 00:03:19,440

major silver lights

89

00:03:22,869 --> 00:03:21,440

yeah yeah we're making different color

90

00:03:25,030 --> 00:03:22,879

lights like yeah

91

00:03:26,789 --> 00:03:25,040

flash to green then they would go to

92

00:03:28,789 --> 00:03:26,799

blue blue and then

93

00:03:31,190 --> 00:03:28,799

yeah yeah purple and

94

00:03:39,270 --> 00:03:31,200

red but it was like it was going like

95

00:03:44,789 --> 00:03:40,949

they're going quickly

96

00:03:48,390 --> 00:03:44,799

like as if it was one ship moving yeah

97

00:03:50,550 --> 00:03:49,589

yellow

98

00:03:53,350 --> 00:03:50,560

no

99

00:03:57,190 --> 00:03:53,360

i didn't have a silver crayon

100

00:03:59,830 --> 00:03:57,200

so i did it yellow yeah

101
00:04:02,470 --> 00:03:59,840
so but what happened you came home and

102
00:04:04,630 --> 00:04:02,480
you told your parents yes some of them

103
00:04:06,869 --> 00:04:04,640
didn't believe it

104
00:04:10,470 --> 00:04:06,879
my mom didn't believe me your mom didn't

105
00:04:12,390 --> 00:04:10,480
believe you my mom's mom also

106
00:04:14,470 --> 00:04:12,400
is that hard because if you see

107
00:04:17,030 --> 00:04:14,480
something and nobody believes you what

108
00:04:19,189 --> 00:04:17,040
happens well yeah you feel sad you stop

109
00:04:21,749 --> 00:04:19,199
you're lost

110
00:04:23,670 --> 00:04:21,759
you start to think as if it wasn't true

111
00:04:25,510 --> 00:04:23,680
yeah and people

112
00:04:27,670 --> 00:04:25,520
people say to you no it wasn't true so

113
00:04:29,590 --> 00:04:27,680

you you think it wasn't true then you

114

00:04:32,710 --> 00:04:29,600

think that you're mad yeah

115

00:04:34,870 --> 00:04:32,720

yeah and after that you get all upset

116

00:04:36,870 --> 00:04:34,880

yeah and everyone starts teasing and my

117

00:04:38,710 --> 00:04:36,880

friends over the road when i go there

118

00:04:41,909 --> 00:04:38,720

and i tell them about it they just say

119

00:04:44,469 --> 00:04:41,919

oh he believes in aliens oh he's stupid

120

00:04:46,230 --> 00:04:44,479

you've seen too many movies yeah

121

00:04:49,270 --> 00:04:46,240

was there nobody

122

00:04:51,270 --> 00:04:49,280

in your neighborhood who believed you

123

00:04:53,430 --> 00:04:51,280

my mom and dad

124

00:04:54,830 --> 00:04:53,440

my granny and my granddad believed me

125

00:04:56,390 --> 00:04:54,840

but my uncle

126
00:05:00,390 --> 00:04:56,400
didn't

127
00:05:01,189 --> 00:05:00,400
where the spaceship had landed all the

128
00:05:03,590 --> 00:05:01,199
the

129
00:05:05,510 --> 00:05:03,600
insects and ants and stuff like that

130
00:05:07,189 --> 00:05:05,520
were all dead and there was a huge black

131
00:05:08,550 --> 00:05:07,199
mark thing

132
00:05:11,350 --> 00:05:08,560
and

133
00:05:13,590 --> 00:05:11,360
my mom said might have just been a

134
00:05:15,350 --> 00:05:13,600
might have just been a fire there but i

135
00:05:18,070 --> 00:05:15,360
don't think there was i think it was the

136
00:05:19,990 --> 00:05:18,080
alien ship yeah but

137
00:05:21,909 --> 00:05:20,000
have you have gone to the place of

138
00:05:24,469 --> 00:05:21,919

course and have you seen anything

139

00:05:26,790 --> 00:05:24,479

no we weren't allowed in evidence i mean

140

00:05:28,710 --> 00:05:26,800

that it was there

141

00:05:30,790 --> 00:05:28,720

some other people came to the school and

142

00:05:32,790 --> 00:05:30,800

they went out the boundary of the

143

00:05:34,629 --> 00:05:32,800

playground and they went to go and see

144

00:05:35,350 --> 00:05:34,639

what had happened there and they saw

145

00:05:37,350 --> 00:05:35,360

that

146

00:05:40,790 --> 00:05:37,360

the grass was burnt and all the living

147

00:05:42,790 --> 00:05:40,800

things had died there in that area

148

00:05:44,629 --> 00:05:42,800

him and his parents and his brother and

149

00:05:46,790 --> 00:05:44,639

sister all believed me

150

00:05:49,110 --> 00:05:46,800

and my mother just believed me but my

151

00:05:50,710 --> 00:05:49,120

dad didn't believe anything i said

152

00:05:52,710 --> 00:05:50,720

anything

153

00:05:55,909 --> 00:05:52,720

and did you describe it uh describe it

154

00:05:58,469 --> 00:05:55,919

to them exactly what happened yeah and i

155

00:06:00,390 --> 00:05:58,479

drew it on a paper and i said daddy this

156

00:06:03,029 --> 00:06:00,400

is what it looked like and then he's

157

00:06:06,390 --> 00:06:03,039

doing well and he said uh michael i

158

00:06:08,390 --> 00:06:06,400

think you're telling the truth now and

159

00:06:09,749 --> 00:06:08,400

then that's all he said of it and that's

160

00:06:17,430 --> 00:06:09,759

all

161

00:06:21,110 --> 00:06:17,440

who who was dreaming about it since then

162

00:06:23,189 --> 00:06:21,120

yes yes in a bad way

163

00:06:25,990 --> 00:06:23,199

yeah in a bad way

164

00:06:28,390 --> 00:06:26,000

no let me tell me first in a bad way why

165

00:06:31,029 --> 00:06:28,400

you have nightmares about it yes i used

166

00:06:32,550 --> 00:06:31,039

to but then after about a year i stopped

167

00:06:36,150 --> 00:06:32,560

dreaming about it

168

00:06:38,870 --> 00:06:36,160

i dreamt that um the same one i saw

169

00:06:41,430 --> 00:06:38,880

without hair he came into my bedroom and

170

00:06:43,590 --> 00:06:41,440

he took me from my bed

171

00:06:46,150 --> 00:06:43,600

did you dream that yes yeah and then i

172

00:06:49,110 --> 00:06:46,160

just screamed i woke up and screamed and

173

00:06:51,029 --> 00:06:49,120

what did your mom say well she she just

174

00:06:52,870 --> 00:06:51,039

kept on saying it was a nightmare she

175

00:06:56,309 --> 00:06:52,880

didn't really believe me

176

00:07:01,189 --> 00:06:58,309

no it's not at all

177

00:07:04,070 --> 00:07:01,199

nothing it was all fun to me

178

00:07:05,430 --> 00:07:04,080

um i heard this lady on tv i think it

179

00:07:08,950 --> 00:07:05,440

was still dark

180

00:07:12,309 --> 00:07:08,960

and she said this lady got kidnapped and

181

00:07:15,189 --> 00:07:12,319

she had babies that were aliens

182

00:07:17,270 --> 00:07:15,199

that's why you were afraid of yes yeah i

183

00:07:19,430 --> 00:07:17,280

think the aliens came because they are

184

00:07:21,270 --> 00:07:19,440

curious like us and

185

00:07:22,790 --> 00:07:21,280

um well they want to learn about us and

186

00:07:24,790 --> 00:07:22,800

we want to learn about them

187

00:07:27,189 --> 00:07:24,800

some people say that um people are

188

00:07:29,029 --> 00:07:27,199

saying that the aliens came to warn us

189

00:07:31,189 --> 00:07:29,039

something's gonna happen that something

190

00:07:33,830 --> 00:07:31,199

bad is going to happen to the earth

191

00:07:36,790 --> 00:07:33,840

i think they came here to um try and

192

00:07:38,150 --> 00:07:36,800

warn us that the children

193

00:07:40,390 --> 00:07:38,160

because we're young for a long time

194

00:07:41,670 --> 00:07:40,400

we've got a long time till we die um to

195

00:07:42,629 --> 00:07:41,680

warn us that

196

00:07:47,189 --> 00:07:42,639

in

197

00:07:49,189 --> 00:07:47,199

happen to the earth yeah and not to

198

00:07:50,869 --> 00:07:49,199

pollute because we're young we can still

199

00:07:52,230 --> 00:07:50,879

prevent it yeah

200

00:07:53,990 --> 00:07:52,240

do you still have

201
00:07:56,830 --> 00:07:54,000
all that feeling

202
00:07:58,710 --> 00:07:56,840
that as a child you can do a lot

203
00:08:00,710 --> 00:07:58,720
yeah

204
00:08:03,110 --> 00:08:00,720
do you feel as a child do you feel

205
00:08:05,749 --> 00:08:03,120
privileged or do you think

206
00:08:07,589 --> 00:08:05,759
next time if if the ufo's coming please

207
00:08:08,710 --> 00:08:07,599
go to another school

208
00:08:10,790 --> 00:08:08,720
no

209
00:08:12,150 --> 00:08:10,800
privilege thank you you feel privileged

210
00:08:15,189 --> 00:08:12,160
that you saw them i'd love them to

211
00:08:17,270 --> 00:08:15,199
imagine you could see them again

212
00:08:18,950 --> 00:08:17,280
but only this time closely

213
00:08:21,090 --> 00:08:18,960

what do you want to say anything i want

214

00:08:24,710 --> 00:08:21,100

to know when are we going to be on tv
