

1
00:00:06,070 --> 00:00:03,189
well uh first beginning uh we were

2
00:00:08,150 --> 00:00:06,080
watching television and we have

3
00:00:10,549 --> 00:00:08,160
six dogs here and they started raising a

4
00:00:11,749 --> 00:00:10,559
fuss in which they never do much so i

5
00:00:13,749 --> 00:00:11,759
went outside

6
00:00:15,829 --> 00:00:13,759
and gave a yell at them and as i turned

7
00:00:18,070 --> 00:00:15,839
around to come back on the porch

8
00:00:20,310 --> 00:00:18,080
i looked to the north of me

9
00:00:23,349 --> 00:00:20,320
and uh there were

10
00:00:25,830 --> 00:00:23,359
looked like a fallen star or meter it

11
00:00:28,710 --> 00:00:25,840
was red and kind of coming down and on a

12
00:00:30,630 --> 00:00:28,720
45 45 and

13
00:00:31,910 --> 00:00:30,640

so then i

14

00:00:33,510 --> 00:00:31,920

watched it and i was going to see if it

15

00:00:35,750 --> 00:00:33,520

landed and then maybe go down and see

16

00:00:37,670 --> 00:00:35,760

what it was and uh when it got to the

17

00:00:41,030 --> 00:00:37,680

top of the trees it stopped

18

00:00:42,389 --> 00:00:41,040

in a blue and a white light come on

19

00:00:43,750 --> 00:00:42,399

and uh

20

00:00:45,029 --> 00:00:43,760

i looked at it and i thought i was

21

00:00:47,270 --> 00:00:45,039

seeing things

22

00:00:49,990 --> 00:00:47,280

frank banner's ufo remained over his

23

00:00:52,709 --> 00:00:50,000

swamp more than four hours his children

24

00:00:56,069 --> 00:00:52,719

saw it his in-laws saw it residents of

25

00:00:58,069 --> 00:00:56,079

the area saw it the police saw it

26

00:00:59,830 --> 00:00:58,079

no one photographed it but sergeant

27

00:01:02,389 --> 00:00:59,840

newell schneider of the sheriff's office

28

00:01:06,310 --> 00:01:02,399

remembered it well enough to draw it no

29

00:01:08,550 --> 00:01:06,320

it uh moved very rapidly at any speed or

30

00:01:10,070 --> 00:01:08,560

rather any direction it wanted to go why

31

00:01:12,710 --> 00:01:10,080

i could change and go to the right or

32

00:01:14,310 --> 00:01:12,720

the left or go crossways uh without

33

00:01:15,910 --> 00:01:14,320

hesitating a bit

34

00:01:17,510 --> 00:01:15,920

what do you think it was

35

00:01:19,429 --> 00:01:17,520

well if they call it a flying saucer

36

00:01:21,830 --> 00:01:19,439

that's what it is

37

00:01:24,149 --> 00:01:21,840

40 miles away another swamp land and

38

00:01:26,070 --> 00:01:24,159

another ufo sighting

39

00:01:28,070 --> 00:01:26,080

this is hillsdale and the girls at

40

00:01:29,109 --> 00:01:28,080

hillsdale college had a night to

41

00:01:30,789 --> 00:01:29,119

remember

42

00:01:33,830 --> 00:01:30,799

well when i was looking out the window

43

00:01:37,350 --> 00:01:33,840

with binoculars i guess it was about 12.

44

00:01:39,510 --> 00:01:37,360

i saw it and i saw two red lights and i

45

00:01:40,870 --> 00:01:39,520

saw what looked to be shaped like a pie

46

00:01:42,870 --> 00:01:40,880

i could just see the front of it i just

47

00:01:44,230 --> 00:01:42,880

saw the round front and i see the lights

48

00:01:45,590 --> 00:01:44,240

on either side

49

00:01:47,429 --> 00:01:45,600

and then the red light was sort of

50

00:01:48,710 --> 00:01:47,439

casting a glow over the whole thing so

51

00:01:51,030 --> 00:01:48,720

it looked like

52

00:01:52,389 --> 00:01:51,040

a round disc at first when i'd heard the

53

00:01:53,429 --> 00:01:52,399

other girls talk about it i didn't

54

00:01:57,429 --> 00:01:53,439

really

55

00:01:59,590 --> 00:01:57,439

make myself comprehend it because i

56

00:02:01,350 --> 00:01:59,600

hadn't seen it with my own eyes but then

57

00:02:04,630 --> 00:02:01,360

when i saw it

58

00:02:05,749 --> 00:02:04,640

i just was fascinated i wasn't afraid

59

00:02:12,790 --> 00:02:05,759

i

60

00:02:16,309 --> 00:02:12,800

but

61

00:02:18,710 --> 00:02:16,319

i don't

62

00:02:21,350 --> 00:02:18,720

i believe i saw it but i can't fathom it

63

00:02:23,430 --> 00:02:21,360

because it seems so unreal william van

64

00:02:26,150 --> 00:02:23,440

horn hillsdale's undertaker and civil

65

00:02:28,150 --> 00:02:26,160

defense director also spotted the ufo

66

00:02:31,030 --> 00:02:28,160

and was out with his geiger counter next

67

00:02:33,430 --> 00:02:31,040

day checking a mysterious perfect circle

68

00:02:35,910 --> 00:02:33,440

where the ufo had been seen

69

00:02:37,670 --> 00:02:35,920

van horn did not find any radioactivity

70

00:02:39,589 --> 00:02:37,680

here but this did not shake his

71

00:02:41,670 --> 00:02:39,599

certainty that he had seen a hovering

72

00:02:43,589 --> 00:02:41,680

vehicle with two lights

73

00:02:46,470 --> 00:02:43,599

many people ask him why he did not go

74

00:02:48,550 --> 00:02:46,480

right up to the ufo in the dark i'd uh

75

00:02:49,430 --> 00:02:48,560

much rather be a live coward than a dead

76

00:02:52,229 --> 00:02:49,440

hero

77

00:02:53,589 --> 00:02:52,239

and with the area of uncertainty that we

78

00:02:55,830 --> 00:02:53,599

have here

79

00:02:57,110 --> 00:02:55,840

how do i know but what

80

00:03:01,190 --> 00:02:57,120

maybe

81

00:03:03,509 --> 00:03:01,200

uh another electrical charge which is

82

00:03:05,190 --> 00:03:03,519

being radiated by one of these vehicles

83

00:03:07,030 --> 00:03:05,200

which would uh

84

00:03:09,270 --> 00:03:07,040

electrocute you if you got within a

85

00:03:11,910 --> 00:03:09,280

certain area of it there was no sound

86

00:03:14,550 --> 00:03:11,920

whatsoever i could not hear a

87

00:03:17,030 --> 00:03:14,560

a bit of sound nycaps director major

88

00:03:19,350 --> 00:03:17,040

donald e kehoe a retired marine corps

89

00:03:22,070 --> 00:03:19,360

officer insisted that the air force knew

90

00:03:24,550 --> 00:03:22,080

more than it was telling we are

91

00:03:27,110 --> 00:03:24,560

being observed

92

00:03:29,830 --> 00:03:27,120

by some type of device

93

00:03:31,430 --> 00:03:29,840

which is ahead of us

94

00:03:33,110 --> 00:03:31,440

far ahead of us and is probably

95

00:03:35,830 --> 00:03:33,120

controlled by a

96

00:03:38,070 --> 00:03:35,840

highly advanced superior civilization

97

00:03:40,949 --> 00:03:38,080

now this is a conclusion which i

98

00:03:43,030 --> 00:03:40,959

personally have stated and is shared by

99

00:03:44,830 --> 00:03:43,040

some members of our board of governors

100

00:03:46,869 --> 00:03:44,840

and advisers not all of

101
00:03:49,190 --> 00:03:46,879
them but

102
00:03:51,030 --> 00:03:49,200
it has reached to the point where

103
00:03:53,030 --> 00:03:51,040
many people in the air force have the

104
00:03:54,949 --> 00:03:53,040
same conclusion in fact the air force at

105
00:03:56,630 --> 00:03:54,959
one time had a top secret estimate that

106
00:03:57,990 --> 00:03:56,640
these things were interplanetary

107
00:03:59,670 --> 00:03:58,000
spaceships

108
00:04:01,429 --> 00:03:59,680
so you will see that this instead of

109
00:04:03,670 --> 00:04:01,439
being a

110
00:04:05,990 --> 00:04:03,680
subject for ridicule

111
00:04:08,309 --> 00:04:06,000
and a big joke actually is a serious

112
00:04:09,589 --> 00:04:08,319
matter which could affect the lives of

113
00:04:11,750 --> 00:04:09,599

all of us

114

00:04:14,149 --> 00:04:11,760

and for the umpteenth time in as many

115

00:04:15,910 --> 00:04:14,159

years the air force called before a

116

00:04:18,150 --> 00:04:15,920

congressional committee said it was

117

00:04:20,229 --> 00:04:18,160

hiding nothing air force secretary

118

00:04:22,150 --> 00:04:20,239

harold brown we have

119

00:04:24,550 --> 00:04:22,160

not been hiding anything

120

00:04:27,749 --> 00:04:24,560

the investigations have been

121

00:04:29,909 --> 00:04:27,759

made public the explanations of those

122

00:04:31,430 --> 00:04:29,919

where there is a clear explanation have

123

00:04:34,230 --> 00:04:31,440

been made public the hearing this

124

00:04:37,189 --> 00:04:34,240

morning was public for just that reason

125

00:04:39,990 --> 00:04:37,199

in those cases where for lack of data or

126
00:04:41,270 --> 00:04:40,000
lack of a convincing hypothesis

127
00:04:45,510 --> 00:04:41,280
the

128
00:04:47,830 --> 00:04:45,520
unidentified category we've been

129
00:04:50,390 --> 00:04:47,840
perfectly willing to say that too

130
00:04:52,550 --> 00:04:50,400
but if the air force had nothing to hide

131
00:04:54,230 --> 00:04:52,560
frank manor the michigan farmer who had

132
00:04:55,990 --> 00:04:54,240
brought in the first report

133
00:04:58,230 --> 00:04:56,000
was caught in the middle

134
00:05:00,230 --> 00:04:58,240
he was mad well you can look at here

135
00:05:01,430 --> 00:05:00,240
look beer bottle's throwing look at my

136
00:05:02,629 --> 00:05:01,440
windshield

137
00:05:03,909 --> 00:05:02,639
what would you think if somebody was

138
00:05:04,870 --> 00:05:03,919

throwing beer bottles at your house

139

00:05:05,909 --> 00:05:04,880

stand out in the middle of the road

140

00:05:07,029 --> 00:05:05,919

screaming

141

00:05:08,790 --> 00:05:07,039

uh

142

00:05:10,710 --> 00:05:08,800

you nut they're fantastic and all that

143

00:05:12,310 --> 00:05:10,720

what would you think are you sorry now

144

00:05:15,270 --> 00:05:12,320

that you did tell people what you saw

145

00:05:17,110 --> 00:05:15,280

yes i am i am i'm sorry because it

146

00:05:19,189 --> 00:05:17,120

not that it's not the truth but it's

147

00:05:21,110 --> 00:05:19,199

just the idea the reaction of the people

148

00:05:22,950 --> 00:05:21,120

they think you're a

149

00:05:24,870 --> 00:05:22,960

nut tell you the truth that's just what

150

00:05:26,150 --> 00:05:24,880

they figure you are and i'm not going to

151
00:05:29,029 --> 00:05:26,160
take it anymore i don't want nobody down

152
00:05:30,950 --> 00:05:29,039
in here i just leave me alone

153
00:05:32,790 --> 00:05:30,960
and if the thing lands right there and

154
00:05:33,670 --> 00:05:32,800
right there by that punk i'd never say a

155
00:05:35,029 --> 00:05:33,680
word

156
00:05:36,629 --> 00:05:35,039
then he got out and talked to me i

157
00:05:37,990 --> 00:05:36,639
wouldn't tell nobody

158
00:05:40,790 --> 00:05:38,000
that's just the way i feel i'm bitter

159
00:05:42,870 --> 00:05:40,800
and and disgusted in the whole matter

160
00:05:44,790 --> 00:05:42,880
and if if people's going to act like

161
00:05:47,350 --> 00:05:44,800
that i hope one lands right in ann arbor

162
00:05:49,350 --> 00:05:47,360
right in the middle of detroit mr ford

163
00:05:51,189 --> 00:05:49,360

uh what about flying saucers you've had

164

00:05:53,270 --> 00:05:51,199

some in michigan in the past

165

00:05:54,390 --> 00:05:53,280

week if you really believe in flying

166

00:05:56,790 --> 00:05:54,400

saucers you've called for a

167

00:05:59,909 --> 00:05:56,800

congressional investigation dave we've

168

00:06:01,830 --> 00:05:59,919

had several uh incidents in michigan in

169

00:06:03,990 --> 00:06:01,840

the last week

170

00:06:04,950 --> 00:06:04,000

uh incident that

171

00:06:08,309 --> 00:06:04,960

many

172

00:06:11,590 --> 00:06:08,319

reliable good citizens felt were

173

00:06:14,390 --> 00:06:11,600

sufficient to justify some action by our

174

00:06:17,350 --> 00:06:14,400

government and not the kind of flip and

175

00:06:21,110 --> 00:06:17,360

answer that was given by the air force

176

00:06:23,590 --> 00:06:21,120

where they passed it off as a swamp gas

177

00:06:25,909 --> 00:06:23,600

the congress should investigate the rash

178

00:06:28,550 --> 00:06:25,919

of reported sightings of unidentified
