

1
00:00:04,070 --> 00:00:01,910
the light was coming at me was extremely

2
00:00:05,670 --> 00:00:04,080
bright the inside of the car lit up i

3
00:00:08,870 --> 00:00:05,680
can remember that

4
00:00:11,270 --> 00:00:08,880
and it was a very dazzling brilliant

5
00:00:12,709 --> 00:00:11,280
occurrence if something did strike my

6
00:00:14,150 --> 00:00:12,719
vehicle

7
00:00:16,390 --> 00:00:14,160
something

8
00:00:18,870 --> 00:00:16,400
didn't want me there apparently or it

9
00:00:20,550 --> 00:00:18,880
was you know i i can't put a judgment on

10
00:00:29,750 --> 00:00:20,560
it

11
00:00:32,229 --> 00:00:29,760
recording of the actual radio call that

12
00:00:33,670 --> 00:00:32,239
he made seconds after the incident

13
00:00:36,069 --> 00:00:33,680

listen closely

14

00:00:38,069 --> 00:00:36,079

407 uh what is your condition

15

00:00:40,549 --> 00:00:38,079

i don't know

16

00:00:43,430 --> 00:00:40,559

someone just hit my car

17

00:00:47,670 --> 00:00:45,510

strange

18

00:00:49,270 --> 00:00:47,680

are you uh what's your condition are you

19

00:00:51,990 --> 00:00:49,280

okay

20

00:00:54,549 --> 00:00:52,000

something attacked my car

21

00:00:55,990 --> 00:00:54,559

i heard the glass breaking in the locks

22

00:01:03,110 --> 00:00:56,000

the

23

00:01:07,830 --> 00:01:04,789

what is it that happened

24

00:01:10,070 --> 00:01:07,840

deputy johnson recreated step by step

25

00:01:12,070 --> 00:01:10,080

the events of that night

26
00:01:14,469 --> 00:01:12,080
i was on routine patrol and i came up to

27
00:01:15,910 --> 00:01:14,479
this intersection and i looked south

28
00:01:17,670 --> 00:01:15,920
and i

29
00:01:21,190 --> 00:01:17,680
saw a bright light

30
00:01:23,429 --> 00:01:21,200
just over the center of the roadway

31
00:01:25,990 --> 00:01:23,439
my first impression was the wave maybe

32
00:01:27,830 --> 00:01:26,000
it was a semi with the one headlight

33
00:01:29,429 --> 00:01:27,840
broken out and then it

34
00:01:31,190 --> 00:01:29,439
dawned on me that the light was too big

35
00:01:34,280 --> 00:01:31,200
around and too intense for an ordinary

36
00:01:49,990 --> 00:01:45,780
[Music]

37
00:01:50,000 --> 00:01:54,389
407 what is your condition

38
00:01:59,830 --> 00:01:56,950

someone just hit my car

39

00:02:01,910 --> 00:01:59,840

i don't know how to explain it though

40

00:02:04,069 --> 00:02:01,920

strange

41

00:02:05,749 --> 00:02:04,079

are you uh what's your condition are you

42

00:02:07,440 --> 00:02:05,759

okay

43

00:02:11,180 --> 00:02:07,450

something attacked my

44

00:02:19,270 --> 00:02:13,590

[Music]

45

00:02:19,280 --> 00:02:22,390

what

46

00:02:35,750 --> 00:02:24,150

val was rushed to a local hospital where

47

00:02:39,910 --> 00:02:37,910

my eyes were extremely painful as if i'd

48

00:02:41,830 --> 00:02:39,920

been subjected to uh

49

00:02:44,229 --> 00:02:41,840

something like arc welder burn or

50

00:02:45,270 --> 00:02:44,239

something

51

00:02:47,509 --> 00:02:45,280

my uh

52

00:02:49,430 --> 00:02:47,519

there's some stuff put in my eyes and

53

00:02:52,070 --> 00:02:49,440

they were covered with an adhesive

54

00:02:53,830 --> 00:02:52,080

bandage but in a matter of six to eight

55

00:02:55,750 --> 00:02:53,840

hours it cleared up johnson was

56

00:02:57,509 --> 00:02:55,760

unconscious for 40 minutes before he

57

00:02:59,670 --> 00:02:57,519

radioed for help and was taken to the

58

00:03:01,750 --> 00:02:59,680

hospital a doctor and later an eye

59

00:03:04,149 --> 00:03:01,760

specialist confirmed that johnson had

60

00:03:07,110 --> 00:03:04,159

suffered mild welder or flash burns to

61

00:03:09,030 --> 00:03:07,120

his eyes even stranger both johnson's

62

00:03:11,430 --> 00:03:09,040

wristwatch and the electric clock in his

63

00:03:13,990 --> 00:03:11,440

patrol car had mysteriously stopped for

64

00:03:16,229 --> 00:03:14,000

14 minutes an investigator from the

65

00:03:18,309 --> 00:03:16,239

center for ufo studies in evanston

66

00:03:20,470 --> 00:03:18,319

illinois flew in to examine the damaged

67

00:03:22,229 --> 00:03:20,480

patrol car there was no evidence of

68

00:03:24,470 --> 00:03:22,239

radioactivity and neither the

69

00:03:26,470 --> 00:03:24,480

investigator nor the sheriff can figure

70

00:03:29,350 --> 00:03:26,480

how the two spring-mounted antennas

71

00:03:31,270 --> 00:03:29,360

became bent at almost 90 degree angles

72

00:03:34,309 --> 00:03:31,280

at the scene of the accident skidmarks

73

00:03:37,589 --> 00:03:34,319

show deputy johnson coasted for 800 feet

74

00:03:39,589 --> 00:03:37,599

after impact before applying the brakes

75

00:03:41,910 --> 00:03:39,599

the area around here has been searched

76

00:03:43,670 --> 00:03:41,920

but nothing's been found all kinds of

77

00:03:45,910 --> 00:03:43,680

small airplane theories have been

78

00:03:47,750 --> 00:03:45,920

bandied around but deputy johnson

79

00:03:49,270 --> 00:03:47,760

clearly remembers hearing no engine

80

00:03:51,589 --> 00:03:49,280

noise

81

00:03:53,830 --> 00:03:51,599

and nothing explains the 14-minute laps

82

00:03:56,630 --> 00:03:53,840

in the two timepieces nor the peculiar

83

00:03:59,110 --> 00:03:56,640

bending of the antennas it's a mystery

84

00:04:01,270 --> 00:03:59,120

or as the ufo investigator from illinois

85

00:04:03,750 --> 00:04:01,280

said it appears to have been a close

86

00:04:05,589 --> 00:04:03,760

encounter of the second kind

87

00:04:07,670 --> 00:04:05,599

val johnson's a very good fellow and

88

00:04:09,990 --> 00:04:07,680

he's a good officer he has

89

00:04:12,390 --> 00:04:10,000

two young children and a nice wife and

90

00:04:15,509 --> 00:04:12,400

he's very reliable person and

91

00:04:17,990 --> 00:04:15,519

my feeling was that whatever happened uh

92

00:04:19,749 --> 00:04:18,000

was strange and unknown and uh there was

93

00:04:21,430 --> 00:04:19,759

no doubt in my mind that val was telling

94

00:04:24,070 --> 00:04:21,440

what he actually saw

95

00:04:31,270 --> 00:04:24,080

this is deputy val johnson and his wife

96

00:04:35,510 --> 00:04:33,430

now

97

00:04:36,950 --> 00:04:35,520

since that incredible experience that

98

00:04:38,550 --> 00:04:36,960

has shocked us all have you had any

99

00:04:40,790 --> 00:04:38,560

other experiences any any other close

100

00:04:44,550 --> 00:04:40,800

encounters no sir no had you had any

101
00:04:47,670 --> 00:04:44,560
before this no no this is the first one

102
00:04:49,030 --> 00:04:47,680
well how has it changed your life

103
00:04:51,590 --> 00:04:49,040
well it's uh

104
00:04:52,550 --> 00:04:51,600
it's uh brought our family union closer

105
00:04:53,670 --> 00:04:52,560
together

106
00:04:55,110 --> 00:04:53,680
uh

107
00:04:56,550 --> 00:04:55,120
because it scared everybody so much you

108
00:04:58,629 --> 00:04:56,560
mean well there was a lot of people

109
00:05:01,110 --> 00:04:58,639
confused about it and a lot of uh

110
00:05:02,950 --> 00:05:01,120
unusual stories that came out about it

111
00:05:04,790 --> 00:05:02,960
uh but uh

112
00:05:06,310 --> 00:05:04,800
it's uh brought us closer together as a

113
00:05:07,990 --> 00:05:06,320

family unit was it a religious

114

00:05:09,189 --> 00:05:08,000

experience for you many times these

115

00:05:11,670 --> 00:05:09,199

events are

116

00:05:13,350 --> 00:05:11,680

a religious experience upon reflection

117

00:05:14,070 --> 00:05:13,360

afterwards it's been about six months

118

00:05:15,909 --> 00:05:14,080

now

119

00:05:18,070 --> 00:05:15,919

fun reflection uh

120

00:05:18,950 --> 00:05:18,080

we've kind of come to the conclusion

121

00:05:20,629 --> 00:05:18,960

that

122

00:05:22,230 --> 00:05:20,639

perhaps the creator has made other

123

00:05:24,070 --> 00:05:22,240

things that we can't readily see or
