

1
00:00:09,990 --> 00:00:07,269
it was a perfect shape it was it was

2
00:00:12,709 --> 00:00:10,000
shaped sort of more like a pearl with a

3
00:00:15,589 --> 00:00:12,719
with a tail and i watched this thing and

4
00:00:16,710 --> 00:00:15,599
and suddenly disappeared

5
00:00:19,189 --> 00:00:16,720
and

6
00:00:21,750 --> 00:00:19,199
i was i thought well am i

7
00:00:24,390 --> 00:00:21,760
um seeing things i had had a very

8
00:00:25,910 --> 00:00:24,400
grueling flight i'd been waiting for

9
00:00:28,150 --> 00:00:25,920
i had engine trouble and i'd been

10
00:00:30,550 --> 00:00:28,160
waiting for hours expecting to

11
00:00:32,870 --> 00:00:30,560
go into the sea you know

12
00:00:34,630 --> 00:00:32,880
um however suddenly this thing

13
00:00:36,709 --> 00:00:34,640

reappeared

14

00:00:39,270 --> 00:00:36,719

and coming towards me and well i'm not

15

00:00:40,389 --> 00:00:39,280

going to let it go this time and i kept

16

00:00:42,709 --> 00:00:40,399

my

17

00:00:45,350 --> 00:00:42,719

look fixed on it

18

00:00:47,830 --> 00:00:45,360

and it was approaching fairly fast and

19

00:00:51,590 --> 00:00:47,840

then suddenly um

20

00:00:52,709 --> 00:00:51,600

gradually rather it it began to thin out

21

00:00:56,470 --> 00:00:52,719

and

22

00:00:58,069 --> 00:00:56,480

eyes

23

00:00:59,110 --> 00:00:58,079

became a sort of ghost i could see the

24

00:01:01,270 --> 00:00:59,120

water
