

1
00:00:09,030 --> 00:00:07,749
i saw this luminous object it was

2
00:00:11,509 --> 00:00:09,040
enormous

3
00:00:12,870 --> 00:00:11,519
it was about 11 at night

4
00:00:15,669 --> 00:00:12,880
i was with a friend

5
00:00:17,910 --> 00:00:15,679
it was about 12 years ago

6
00:00:19,429 --> 00:00:17,920
it was overwhelming ten times bigger

7
00:00:22,230 --> 00:00:19,439
than the moon

8
00:00:24,470 --> 00:00:22,240
it came towards us then it turned and it

9
00:00:26,070 --> 00:00:24,480
left towards the next village

10
00:00:35,430 --> 00:00:26,080
it was enormous

11
00:00:41,750 --> 00:00:39,030
i saw one up there near our house

12
00:00:43,670 --> 00:00:41,760
it was a disc round

13
00:00:45,750 --> 00:00:43,680

the colors of the

14

00:00:47,670 --> 00:00:45,760

orange yellow

15

00:00:56,310 --> 00:00:47,680

bigger than the moon

16

00:00:56,320 --> 00:01:09,330

more translucent

17

00:01:09,340 --> 00:01:22,550

[Music]

18

00:01:28,260 --> 00:01:23,910

he says yes he's seen that's what he

19

00:01:28,270 --> 00:01:52,950

[Music]

20

00:01:58,709 --> 00:01:54,870

down

21

00:02:08,949 --> 00:01:58,719

the sky

22

00:02:29,670 --> 00:02:11,029

and as it came down onto the mountain it

23

00:02:34,830 --> 00:02:32,070

he said the same shape and more or less

24

00:02:39,830 --> 00:02:38,390

colors i saw these orange lights many

25

00:02:43,110 --> 00:02:39,840

times

26

00:02:45,350 --> 00:02:43,120

they appear here and there

27

00:02:48,309 --> 00:02:45,360

one time at 5 00 a.m

28

00:02:51,350 --> 00:02:48,319

one time at 7 pm

29

00:02:57,190 --> 00:02:54,710

and they have a flat dome on top

30

00:02:59,509 --> 00:02:57,200

they have notches on their sides

31

00:03:02,550 --> 00:02:59,519

like bitten out

32

00:03:05,030 --> 00:03:02,560

and they are surrounded by light

33

00:03:07,270 --> 00:03:05,040

sometimes they are more yellowish

34

00:03:09,830 --> 00:03:07,280

sometimes more reddish

35

00:03:12,149 --> 00:03:09,840

sometimes they rotate

36

00:03:13,589 --> 00:03:12,159

it was about 7 30 pm

37

00:03:15,830 --> 00:03:13,599

my daughter comes home from school at

38

00:03:18,309 --> 00:03:15,840

that time i went to the corner of the

39

00:03:19,030 --> 00:03:18,319

street to pick her up then i waited for

40

00:03:21,430 --> 00:03:19,040

her

41

00:03:23,030 --> 00:03:21,440

it suddenly appeared in the sky it was

42

00:03:25,830 --> 00:03:23,040

very very big

43

00:03:27,430 --> 00:03:25,840

in the middle of this round big thing

44

00:03:29,110 --> 00:03:27,440

was something moving

45

00:03:30,229 --> 00:03:29,120

it looked like it would change its

46

00:03:32,470 --> 00:03:30,239

colors

47

00:03:33,350 --> 00:03:32,480

i showed it to my daughter but she only

48

00:03:35,750 --> 00:03:33,360

said

49

00:03:38,229 --> 00:03:35,760

don't look at it come on let's go

50

00:03:41,910 --> 00:03:38,239

but i wanted to see it it's center

51
00:03:44,630 --> 00:03:41,920
pulsated it was very large and round

52
00:03:48,869 --> 00:03:44,640
very bright it was yellow with orange

53
00:03:52,630 --> 00:03:51,350
and have many little lights

54
00:03:54,789 --> 00:03:52,640
they are yellow

55
00:03:58,309 --> 00:03:54,799
orange and white

56
00:04:01,270 --> 00:03:58,319
and they appear and disappear

57
00:04:02,470 --> 00:04:01,280
the light objects sometimes suddenly

58
00:04:12,309 --> 00:04:02,480
appear

59
00:04:15,670 --> 00:04:12,319
direction of the tepots deco hill

60
00:04:17,830 --> 00:04:15,680
most people here have seen them

61
00:04:23,670 --> 00:04:17,840
you will find that out when you ask in

62
00:04:27,430 --> 00:04:25,909
one night we saw this light in the

63
00:04:31,270 --> 00:04:27,440

mountains

64

00:04:33,350 --> 00:04:31,280

we observed it through our binoculars

65

00:04:36,629 --> 00:04:33,360

it was very bright

66

00:04:39,510 --> 00:04:36,639

pulsated in red and orange

67

00:04:42,950 --> 00:04:39,520

but was mostly red

68

00:04:45,670 --> 00:04:42,960

it looked like it had landed on a hill

69

00:04:48,390 --> 00:04:45,680

it was a round object

70

00:04:54,660 --> 00:04:48,400

for several minutes it stayed there

71

00:04:58,310 --> 00:04:56,070

[Music]

72

00:05:00,710 --> 00:04:58,320

we saw for several times these lights

73

00:05:03,510 --> 00:05:00,720

over the cerro de la luz

74

00:05:22,550 --> 00:05:03,520

they were red and yellow and orange they

75

00:05:27,909 --> 00:05:24,870

it was very large

76

00:05:28,950 --> 00:05:27,919

it was shiny in a very bright intense

77

00:05:54,230 --> 00:05:28,960

light

78

00:05:59,990 --> 00:05:57,029

it was around 7 30 p.m when i saw a

79

00:06:01,749 --> 00:06:00,000

strange luminous object standing on the

80

00:06:04,950 --> 00:06:01,759

cerro de ombre

81

00:06:08,550 --> 00:06:04,960

it was an orange colored object round

82

00:06:09,510 --> 00:06:08,560

very very very bright and very very very

83

00:06:13,270 --> 00:06:09,520

big

84

00:06:16,309 --> 00:06:13,280

aircraft light

85

00:06:18,390 --> 00:06:16,319

it came down slowly and eventually

86

00:06:19,510 --> 00:06:18,400

lighted up the whole area where it was

87

00:06:22,390 --> 00:06:19,520

landing

88

00:06:24,629 --> 00:06:22,400

it was staying there for 15 minutes

89

00:06:25,749 --> 00:06:24,639

i was together with another sister of

90

00:06:26,870 --> 00:06:25,759

our order

91

00:06:29,830 --> 00:06:26,880

it came

92

00:06:37,070 --> 00:06:29,840

stood there and suddenly vanished it was

93

00:06:55,830 --> 00:06:49,090

[Music]

94

00:07:01,189 --> 00:06:59,270

it was hovering here above the trees

95

00:07:04,230 --> 00:07:01,199

not too high

96

00:07:13,270 --> 00:07:04,240

it was a large orange colored disc

97

00:07:20,950 --> 00:07:16,790

one time during my training here i saw

98

00:07:24,070 --> 00:07:20,960

such an object over the cerro de la luz

99

00:07:26,070 --> 00:07:24,080

it had exactly the shape and the colors

100

00:07:27,589 --> 00:07:26,080

as on the photo

101
00:07:30,469 --> 00:07:27,599
it was round

102
00:07:34,150 --> 00:07:30,479
and consisted of yellow and red light i

103
00:07:36,710 --> 00:07:34,160
saw these objects several times over the

104
00:07:39,189 --> 00:07:36,720
rocks and hills

105
00:07:41,589 --> 00:07:39,199
one time in this direction

106
00:07:42,830 --> 00:07:41,599
one time over there

107
00:07:45,189 --> 00:07:42,840
another time

108
00:07:47,029 --> 00:07:45,199
over them

109
00:07:49,350 --> 00:07:47,039
always at night

110
00:07:52,390 --> 00:07:49,360
one time at 8pm

111
00:07:55,110 --> 00:07:52,400
one time at 4am

112
00:07:58,629 --> 00:07:55,120
yes they are identical

113
00:08:01,749 --> 00:07:58,639

they have these red and yellow lights

114

00:08:09,589 --> 00:08:01,759

and whenever they appear suddenly

115

00:08:15,830 --> 00:08:12,950

i saw this red orange light

116

00:08:17,270 --> 00:08:15,840

two times in this direction

117

00:08:19,909 --> 00:08:17,280

the third time

118

00:08:23,110 --> 00:08:19,919

over the cemetery

119

00:08:24,830 --> 00:08:23,120

in direction of the village santiago

120

00:08:28,469 --> 00:08:24,840

a little bit to the

121

00:08:31,110 --> 00:08:28,479

left this was two months ago

122

00:08:33,029 --> 00:08:31,120

the sighting lasted for about three

123

00:08:34,630 --> 00:08:33,039

minutes

124

00:08:36,389 --> 00:08:34,640

it was gliding

125

00:08:38,949 --> 00:08:36,399

wobbling

126
00:08:41,750 --> 00:08:38,959
went up and down

127
00:08:43,350 --> 00:08:41,760
another time was at 9 pm

128
00:08:45,590 --> 00:08:43,360
my wife was there

129
00:08:48,150 --> 00:08:45,600
my mother was there

130
00:08:49,750 --> 00:08:48,160
we saw how this luminous object moved

131
00:09:24,690 --> 00:08:49,760
down slowly

132
00:09:24,700 --> 00:09:29,030
[Music]

133
00:09:33,269 --> 00:09:31,110
we were a group of people in a

134
00:09:40,710 --> 00:09:33,279
meditation class

135
00:09:45,430 --> 00:09:42,949
it was very impressive

136
00:09:47,829 --> 00:09:45,440
because it was very large

137
00:09:50,710 --> 00:09:47,839
it changed its colors

138
00:09:52,870 --> 00:09:50,720

stood there for a while before it

139

00:09:55,269 --> 00:09:52,880

suddenly disappeared

140

00:09:57,030 --> 00:09:55,279

we were all very impressed by what we

141

00:09:59,350 --> 00:09:57,040

saw

142

00:10:01,190 --> 00:09:59,360

it looked like it were looking for a

143

00:10:03,030 --> 00:10:01,200

place to land

144

00:10:05,350 --> 00:10:03,040

it bright colors

145

00:10:06,710 --> 00:10:05,360

and when it rose they became more

146

00:10:10,230 --> 00:10:06,720

intense

147

00:10:13,670 --> 00:10:10,240

and it grew and changed its colors

148

00:10:15,750 --> 00:10:13,680

it was yellow and orange mixed

149

00:10:17,420 --> 00:10:15,760

more or less like on the photos of

150

00:10:29,190 --> 00:10:17,430

carlos

151
00:10:32,710 --> 00:10:30,310
thomas

152
00:10:35,509 --> 00:10:32,720
this is

153
00:10:37,509 --> 00:10:35,519
many people have seen these objects at

154
00:10:41,509 --> 00:10:37,519
different opportunities

155
00:10:44,150 --> 00:10:41,519
in different parts of tipwat's land

156
00:10:45,750 --> 00:10:44,160
they appear within a second

157
00:10:48,470 --> 00:10:45,760
hover in the sky

158
00:10:55,590 --> 00:10:51,910
they look like on the photos and films

159
00:10:57,829 --> 00:10:55,600
and this proves they are real

160
00:11:26,829 --> 00:10:57,839
i had several sightings

161
00:11:43,590 --> 00:11:28,630
is

162
00:11:43,600 --> 00:11:56,069
[Music]
