

1
00:00:04,390 --> 00:00:02,389
airline pilots with thousands of hours

2
00:00:05,749 --> 00:00:04,400
experience of reported saucers coming

3
00:00:08,950 --> 00:00:05,759
within a few hundred feet of their

4
00:00:11,350 --> 00:00:08,960
planes matching speed briefly and then

5
00:00:13,830 --> 00:00:11,360
darting off at supersonic speed leaving

6
00:00:16,070 --> 00:00:13,840
a glowing exhaust trail

7
00:00:19,029 --> 00:00:16,080
student pilot arthur weisberger reports

8
00:00:21,429 --> 00:00:19,039
on his experience

9
00:00:22,550 --> 00:00:21,439
my name is arthur weisberger

10
00:00:26,950 --> 00:00:22,560
on

11
00:00:28,870 --> 00:00:26,960
my backyard

12
00:00:30,470 --> 00:00:28,880
three shiny objects in the sky attracted

13
00:00:32,549 --> 00:00:30,480

my attention

14

00:00:34,790 --> 00:00:32,559

i glanced up and there were three flying

15

00:00:37,030 --> 00:00:34,800

saucers in a v

16

00:00:40,630 --> 00:00:37,040

approximately a half a mile away from me

17

00:00:42,790 --> 00:00:40,640

at an altitude of 350 feet

18

00:00:44,470 --> 00:00:42,800

they appear to be hovering in midair

19

00:00:45,210 --> 00:00:44,480

with what i believe to be a spinning

20

00:00:47,190 --> 00:00:45,220

action

21

00:00:49,110 --> 00:00:47,200

[Music]

22

00:00:50,389 --> 00:00:49,120

the

23

00:00:52,229 --> 00:00:50,399

saucers

24

00:00:53,910 --> 00:00:52,239

stayed still for approximately 40

25

00:00:56,069 --> 00:00:53,920

seconds

26

00:00:59,110 --> 00:00:56,079

and then took off

27

00:01:00,950 --> 00:00:59,120

due north horizontally

28

00:01:03,590 --> 00:01:00,960

from the dead stop these saucers

29

00:01:05,429 --> 00:01:03,600

exceeded a rate of 500 miles an hour for

30

00:01:07,350 --> 00:01:05,439

approximately five seconds

31

00:01:09,750 --> 00:01:07,360

still going horizontally due north

32

00:01:13,830 --> 00:01:09,760

towards the santa catalina mountains

33

00:01:15,749 --> 00:01:13,840

at the end of five seconds they

34

00:01:16,630 --> 00:01:15,759

went at approximately 45 degrees

35

00:01:18,550 --> 00:01:16,640

straight

36

00:01:19,990 --> 00:01:18,560

well up

37

00:01:21,670 --> 00:01:20,000

they exceeded

38

00:01:23,270 --> 00:01:21,680

a thousand miles an hour until it

39

00:01:27,030 --> 00:01:23,280

vanished from sight

40

00:01:27,910 --> 00:01:27,040

they appeared to be 50 feet in diameter

41

00:01:29,910 --> 00:01:27,920

with

42

00:01:32,230 --> 00:01:29,920

what appeared to be a dome

43

00:01:35,109 --> 00:01:32,240

on the top with i can't be sure but i

44

00:01:37,109 --> 00:01:35,119

believe i saw the sun glinting off of
