

1  
00:00:04,230 --> 00:00:02,550  
i was my friend philippia was trying to

2  
00:00:05,990 --> 00:00:04,240  
find a way over the stream and i was

3  
00:00:06,950 --> 00:00:06,000  
looking at the bushes up the top of the

4  
00:00:08,070 --> 00:00:06,960  
trees

5  
00:00:10,150 --> 00:00:08,080  
and then

6  
00:00:12,150 --> 00:00:10,160  
suddenly this silvery cigar-shaped

7  
00:00:13,350 --> 00:00:12,160  
object seemed to pop up from behind the

8  
00:00:15,190 --> 00:00:13,360  
bushes

9  
00:00:16,630 --> 00:00:15,200  
and uh trying to take off then it

10  
00:00:18,710 --> 00:00:16,640  
disappeared again well i saw the

11  
00:00:21,750 --> 00:00:18,720  
spaceship i didn't see the man the

12  
00:00:22,950 --> 00:00:21,760  
spaceship it looked a cigar shape with a

13  
00:00:24,310 --> 00:00:22,960

dome on it

14

00:00:27,830 --> 00:00:24,320

it had

15

00:00:29,669 --> 00:00:27,840

yellowy orange to red light on top of it

16

00:00:32,069 --> 00:00:29,679

how clearly did you see it

17

00:00:33,990 --> 00:00:32,079

well i think i couldn't see its face

18

00:00:36,310 --> 00:00:34,000

because it was too far away oh you say

19

00:00:37,670 --> 00:00:36,320

you saw a man as well did you yes

20

00:00:39,510 --> 00:00:37,680

and what about him

21

00:00:43,270 --> 00:00:39,520

well

22

00:00:44,790 --> 00:00:43,280

are you sure it wasn't perhaps just a

23

00:00:47,590 --> 00:00:44,800

helicopter or an aircraft from the

24

00:00:49,990 --> 00:00:47,600

airfield near here a helicopter

25

00:00:51,910 --> 00:00:50,000

could land there but it's that's private

26

00:00:53,990 --> 00:00:51,920

property over there and if they landed

27

00:00:55,830 --> 00:00:54,000

there they could be prosecuted and with

28

00:00:57,590 --> 00:00:55,840

an aircraft the only thing they could

29

00:01:00,790 --> 00:00:57,600

get in there was a harrier

30

00:01:02,470 --> 00:01:00,800

were you frightened at the time yes why

31

00:01:04,710 --> 00:01:02,480

i thought there was your whole arm

32

00:01:07,350 --> 00:01:04,720

inside there or something i know that

33

00:01:09,109 --> 00:01:07,360

the 16 children saw it

34

00:01:11,030 --> 00:01:09,119

and did they all see the same thing do

35

00:01:13,590 --> 00:01:11,040

you

36

00:01:16,149 --> 00:01:13,600

similarity think all their descriptions

37

00:02:05,109 --> 00:01:16,159

i i got them to draw and write what they

38

00:02:10,710 --> 00:02:07,270

i'm absolutely sure of what i saw that

39

00:02:13,830 --> 00:02:10,720

day i saw an object that was

40

00:02:16,229 --> 00:02:13,840

large cigar shape silver

41

00:02:18,470 --> 00:02:16,239

after 30 years i've no nearer the

42

00:02:21,110 --> 00:02:18,480

understanding than i was on the day that

43

00:02:24,470 --> 00:02:21,120

i saw it but i am
