

1  
00:00:04,470 --> 00:00:01,829  
a perth family claims it's been

2  
00:00:06,710 --> 00:00:04,480  
confronted by a ufo while crossing the

3  
00:00:08,629 --> 00:00:06,720  
nullarbor their stories being backed by

4  
00:00:10,790 --> 00:00:08,639  
other motorists and the crew of two

5  
00:00:14,150 --> 00:00:10,800  
south australian fishing boats have also

6  
00:00:15,669 --> 00:00:14,160  
reported being buzzed by a ufo faye

7  
00:00:17,910 --> 00:00:15,679  
knowles and her three sons claim an

8  
00:00:20,070 --> 00:00:17,920  
orange blob picked their car up off the

9  
00:00:23,509 --> 00:00:20,080  
highway they fled in terror into the

10  
00:00:25,269 --> 00:00:23,519  
scrub until the object disappeared

11  
00:00:27,029 --> 00:00:25,279  
for the knolls family it was to have

12  
00:00:29,509 --> 00:00:27,039  
been a routine drive across the

13  
00:00:31,429 --> 00:00:29,519

nullarbor that all changed as the family

14

00:00:33,590 --> 00:00:31,439

approached the town of mundra billa on

15

00:00:35,990 --> 00:00:33,600

the air highway they claimed that's when

16

00:00:38,310 --> 00:00:36,000

they had their unexpected and terrifying

17

00:00:39,510 --> 00:00:38,320

encounter with the unknown the car was

18

00:00:40,630 --> 00:00:39,520

shaking

19

00:00:41,910 --> 00:00:40,640

um

20

00:00:44,549 --> 00:00:41,920

i went down the window and i said it's

21

00:00:45,590 --> 00:00:44,559

on top of the roof and all this

22

00:00:47,510 --> 00:00:45,600

i don't know what it was it would come

23

00:00:49,029 --> 00:00:47,520

inside the camera

24

00:00:50,470 --> 00:00:49,039

we thought we were all dead

25

00:00:51,990 --> 00:00:50,480

i went down the window my mum said

26  
00:00:53,029 --> 00:00:52,000  
there's something on the roof and i said

27  
00:00:54,389 --> 00:00:53,039  
come off it you know you've got to be

28  
00:00:55,990 --> 00:00:54,399  
joking

29  
00:00:57,590 --> 00:00:56,000  
she went down here

30  
00:01:00,389 --> 00:00:57,600  
and she put a hand on it on the roof and

31  
00:01:03,830 --> 00:01:00,399  
she goes my god she goes what is it

32  
00:01:06,950 --> 00:01:03,840  
and no i swear to god i'm not lying

33  
00:01:09,350 --> 00:01:06,960  
i swear to god i opened up my window

34  
00:01:11,270 --> 00:01:09,360  
the car started going out of control

35  
00:01:12,710 --> 00:01:11,280  
and all this smoke and

36  
00:01:15,190 --> 00:01:12,720  
it was like smoke

37  
00:01:17,910 --> 00:01:15,200  
not like it was light smoke

38  
00:01:19,270 --> 00:01:17,920

and gases all started coming out and me

39

00:01:21,830 --> 00:01:19,280

and my brother start to go crazy you

40

00:01:23,190 --> 00:01:21,840

know i thought i was going in my head

41

00:01:23,990 --> 00:01:23,200

felt like my brain was getting sucked

42

00:01:25,990 --> 00:01:24,000

out

43

00:01:28,070 --> 00:01:26,000

another motorist and a truck driver also

44

00:01:30,230 --> 00:01:28,080

witnessed the incident they confirmed

45

00:01:32,390 --> 00:01:30,240

the knolls family story police are

46

00:01:34,390 --> 00:01:32,400

investigating the claim they say the car

47

00:01:36,310 --> 00:01:34,400

did have dents on the roof and an ash

48

00:01:38,469 --> 00:01:36,320

substance inside

49

00:01:40,469 --> 00:01:38,479

late today the knolls family returned to

50

00:01:42,550 --> 00:01:40,479

the scene of their experience for the

51  
00:01:44,389 --> 00:01:42,560  
last time and uh you won't travel that

52  
00:01:45,350 --> 00:01:44,399  
stretcher road again no way you don't

53  
00:01:46,710 --> 00:01:45,360  
have a chat

54  
00:01:50,710 --> 00:01:46,720  
you don't even wish to travel in your

55  
00:01:52,710 --> 00:01:50,720  
own car yeah rod stephen 7 news

56  
00:01:55,350 --> 00:01:52,720  
had you believed in ufos before this

57  
00:01:57,030 --> 00:01:55,360  
never

58  
00:01:58,709 --> 00:01:57,040  
were you at all tempted not to tell the

59  
00:02:00,789 --> 00:01:58,719  
police because people may take mickey

60  
00:02:02,310 --> 00:02:00,799  
out of you we weren't going to go but we

61  
00:02:04,069 --> 00:02:02,320  
made up our mind to go you know because

62  
00:02:05,749 --> 00:02:04,079  
it might happen to someone else well

63  
00:02:07,350 --> 00:02:05,759

let's go back to stage one what time in

64

00:02:09,029 --> 00:02:07,360

the morning was it when you when it

65

00:02:11,589 --> 00:02:09,039

first happened about five o'clock in the

66

00:02:12,390 --> 00:02:11,599

morning and you were driving which way

67

00:02:14,630 --> 00:02:12,400

uh

68

00:02:15,510 --> 00:02:14,640

towards victoria

69

00:02:17,430 --> 00:02:15,520

and

70

00:02:19,030 --> 00:02:17,440

did it suddenly come behind you in front

71

00:02:20,070 --> 00:02:19,040

of you or just hover over the middle of

72

00:02:24,470 --> 00:02:20,080

the road

73

00:02:25,670 --> 00:02:24,480

up in front of you yeah in front of us

74

00:02:27,350 --> 00:02:25,680

how big

75

00:02:28,630 --> 00:02:27,360

uh

76

00:02:30,150 --> 00:02:28,640

well it looked like looked like

77

00:02:32,309 --> 00:02:30,160

truckloads to us you know i didn't take

78

00:02:33,990 --> 00:02:32,319

much noise uh sean said to me oh that's

79

00:02:35,670 --> 00:02:34,000

something unusual now i said i've come

80

00:02:37,990 --> 00:02:35,680

off and you got to be joking

81

00:02:39,270 --> 00:02:38,000

was it still dark it was pretty dark

82

00:02:40,390 --> 00:02:39,280

then yeah

83

00:02:41,509 --> 00:02:40,400

and you thought it was patrick you

84

00:02:43,110 --> 00:02:41,519

thought they were just headlights sort

85

00:02:44,309 --> 00:02:43,120

of coming towards i did you know you see

86

00:02:45,270 --> 00:02:44,319

something late you wouldn't take much an

87

00:02:47,190 --> 00:02:45,280

agent

88

00:02:50,150 --> 00:02:47,200

just think it's a truck or a car we're

89

00:02:52,710 --> 00:02:50,160

all awake at the time yes we were did it

90

00:02:55,030 --> 00:02:52,720

make a noise oh it was terrible it was

91

00:02:57,190 --> 00:02:55,040

terrifying what was the noise like it

92

00:02:59,670 --> 00:02:57,200

was like a humming sound

93

00:03:04,869 --> 00:02:59,680

and so when it got you kept driving

94

00:03:10,550 --> 00:03:08,149

i was driving you were driving sean

95

00:03:13,509 --> 00:03:10,560

and did you drive straight at it did it

96

00:03:18,309 --> 00:03:13,519

leap over you or what ah no i had to put

97

00:03:20,550 --> 00:03:18,319

my foot down because it was chasing us

98

00:03:21,589 --> 00:03:20,560

did get behind you somehow then what it

99

00:03:26,869 --> 00:03:21,599

was

100

00:03:29,350 --> 00:03:26,879

jumps on the earth

101  
00:03:32,630 --> 00:03:29,360  
like you explained this

102  
00:03:35,830 --> 00:03:32,640  
like it was a fair distance back

103  
00:03:37,350 --> 00:03:35,840  
and the next second it was on the roof

104  
00:03:39,910 --> 00:03:37,360  
did you hear a clunking noise we got on

105  
00:03:42,470 --> 00:03:39,920  
the roof yes we did

106  
00:03:44,229 --> 00:03:42,480  
and then wayne after that how long doors

107  
00:03:46,390 --> 00:03:44,239  
go for it when did it lift the car off

108  
00:03:48,869 --> 00:03:46,400  
the ground start shaking and start

109  
00:03:50,630 --> 00:03:48,879  
lifting the ground up now look at me

110  
00:03:52,309 --> 00:03:50,640  
start lifting it

111  
00:03:54,789 --> 00:03:52,319  
what were you saying to each other we

112  
00:03:57,110 --> 00:03:54,799  
died we thought we were dying

113  
00:03:59,190 --> 00:03:57,120

you know but you know what to do did you

114

00:04:00,630 --> 00:03:59,200

shout you cry i was screaming i was

115

00:04:02,949 --> 00:04:00,640

hysterical

116

00:04:05,270 --> 00:04:02,959

but talking like i am

117

00:04:08,550 --> 00:04:05,280

uh explain this

118

00:04:11,110 --> 00:04:08,560

if you're doing 200 kilometers you blow

119

00:04:14,789 --> 00:04:11,120

out a back tire would you

120

00:04:16,629 --> 00:04:14,799

would you roll a car or what

121

00:04:19,590 --> 00:04:16,639

yeah is that

122

00:04:21,349 --> 00:04:19,600

does that explain it how long were you

123

00:04:22,550 --> 00:04:21,359

there how long you suspended how far off

124

00:04:24,390 --> 00:04:22,560

the ground do you think you were we

125

00:04:25,830 --> 00:04:24,400

don't know because we were stunned you

126

00:04:27,830 --> 00:04:25,840

know we were in the state of shock

127

00:04:29,030 --> 00:04:27,840

because we don't know what was going on

128

00:04:30,629 --> 00:04:29,040

all of a sudden these things on our roof

129

00:04:32,230 --> 00:04:30,639

and pulling the car up we don't know

130

00:04:34,469 --> 00:04:32,240

what's going on so then it dropped you

131

00:04:36,629 --> 00:04:34,479

and you blew a tyre yeah what happened

132

00:04:37,990 --> 00:04:36,639

next did you get out of the car i went

133

00:04:40,070 --> 00:04:38,000

down the window and i said and i found

134

00:04:41,350 --> 00:04:40,080

this thing on the roof you know

135

00:04:43,270 --> 00:04:41,360

and i said dude there's something on top

136

00:04:45,030 --> 00:04:43,280

of our roof i said it's land on the roof

137

00:04:46,230 --> 00:04:45,040

or something you know

138

00:04:47,990 --> 00:04:46,240

and i didn't know what to do and i was

139

00:04:50,070 --> 00:04:48,000

screaming as soon as i said that a

140

00:04:50,870 --> 00:04:50,080

little this um smoke stuff come into the

141

00:04:54,550 --> 00:04:50,880

car

142

00:04:57,350 --> 00:04:54,560

black stuff wasn't it well a grit or

143

00:04:59,189 --> 00:04:57,360

sort of it was like a soot

144

00:05:01,110 --> 00:04:59,199

like sweet stuff just coming on top of

145

00:05:03,029 --> 00:05:01,120

us so then what did you all do we

146

00:05:05,350 --> 00:05:03,039

thought we were dying then we got out

147

00:05:07,590 --> 00:05:05,360

the car and he'd be on the little tree

148

00:05:08,950 --> 00:05:07,600

in the bushes and he couldn't find us

149

00:05:10,230 --> 00:05:08,960

then we were jumping we were still there

150

00:05:12,230 --> 00:05:10,240

they were still there waiting for it

151  
00:05:13,909 --> 00:05:12,240  
looking for us was it on the road moving

152  
00:05:15,990 --> 00:05:13,919  
around we don't know it was up the road

153  
00:05:18,230 --> 00:05:16,000  
a bit further from us

154  
00:05:19,830 --> 00:05:18,240  
i'm sorry that's right and so up the

155  
00:05:21,110 --> 00:05:19,840  
road a bit further then it'll come back

156  
00:05:22,710 --> 00:05:21,120  
looking for you yeah and then we took

157  
00:05:24,469 --> 00:05:22,720  
off in the bushes

158  
00:05:26,230 --> 00:05:24,479  
how long did you stay in the bushes oh

159  
00:05:27,670 --> 00:05:26,240  
about 15 minutes

160  
00:05:29,270 --> 00:05:27,680  
then all of a sudden it took off again

161  
00:05:31,670 --> 00:05:29,280  
and we when we hopped in the car to take

162  
00:05:33,189 --> 00:05:31,680  
off again come after us again wouldn't

163  
00:05:34,629 --> 00:05:33,199

leave us alone

164

00:05:37,029 --> 00:05:34,639

well did you

165

00:05:38,790 --> 00:05:37,039

who changed the tyre sean chang took him

166

00:05:39,590 --> 00:05:38,800

two minutes to change the tire i bet it

167

00:05:41,029 --> 00:05:39,600

did

168

00:05:42,310 --> 00:05:41,039

we left a jack and everything we just

169

00:05:43,029 --> 00:05:42,320

left everything up there we just took

170

00:05:45,350 --> 00:05:43,039

off

171

00:05:47,110 --> 00:05:45,360

and at that stage did you think you'd

172

00:05:49,350 --> 00:05:47,120

you evolved with a with a flying saucer

173

00:05:52,230 --> 00:05:49,360

yes we really did we said we're dead you

174

00:05:54,870 --> 00:05:52,240

know we thought we were really dying

175

00:05:56,469 --> 00:05:54,880

the question this morning that possibly

176  
00:05:58,550 --> 00:05:56,479  
the argument against whether it was ufo

177  
00:06:00,550 --> 00:05:58,560  
or not that possibly it was a freak it

178  
00:06:03,110 --> 00:06:00,560  
was what they call ball lightning do you

179  
00:06:05,510 --> 00:06:03,120  
believe no that's not true no way no way

180  
00:06:07,270 --> 00:06:05,520  
if it's happening for about an hour and

181  
00:06:09,270 --> 00:06:07,280  
a half

182  
00:06:10,710 --> 00:06:09,280  
i don't doubt if it's a ball

183  
00:06:12,550 --> 00:06:10,720  
you think you're all this well for about

184  
00:06:14,150 --> 00:06:12,560  
an hour and a half and it went on for

185  
00:06:16,629 --> 00:06:14,160  
about an hour and a half wouldn't leave

186  
00:06:18,150 --> 00:06:16,639  
us alone did any other cars or trucks

187  
00:06:19,909 --> 00:06:18,160  
pass you up yes they did

188  
00:06:21,350 --> 00:06:19,919

there was a couple of trucks we tried to

189

00:06:22,710 --> 00:06:21,360

pull one up but

190

00:06:24,309 --> 00:06:22,720

the lady wouldn't pull up for us because

191

00:06:25,749 --> 00:06:24,319

she's lady trucky she told us when we

192

00:06:27,749 --> 00:06:25,759

got up the road that she didn't know it

193

00:06:29,909 --> 00:06:27,759

was us we were in trouble did she see

194

00:06:31,590 --> 00:06:29,919

something yes they did yeah they came

195

00:06:34,469 --> 00:06:31,600

around last night to have an interview

196

00:06:36,870 --> 00:06:34,479

with what's his name um fred

197

00:06:38,710 --> 00:06:36,880

i forget his second name yeah but then

198

00:06:40,870 --> 00:06:38,720

once it reported to the police

199

00:06:42,390 --> 00:06:40,880

there was no witness that said they seen

200

00:06:43,909 --> 00:06:42,400

something on our car but they won't give

201  
00:06:45,670 --> 00:06:43,919  
their name

202  
00:06:47,189 --> 00:06:45,680  
went to the police did it when you were

203  
00:06:48,629 --> 00:06:47,199  
trying to put it back together again

204  
00:06:49,670 --> 00:06:48,639  
today and pitch together what it might

205  
00:06:51,350 --> 00:06:49,680  
have been

206  
00:06:52,150 --> 00:06:51,360  
did you cross your minds maybe it was

207  
00:06:57,589 --> 00:06:52,160  
some

208  
00:07:01,029 --> 00:06:59,110  
why do you think that that single out

209  
00:07:02,790 --> 00:07:01,039  
your car we don't know it's chasing

210  
00:07:04,790 --> 00:07:02,800  
other cars and all the sun to come after

211  
00:07:07,430 --> 00:07:04,800  
us we don't really know

212  
00:07:08,230 --> 00:07:07,440  
because there was four of us in the car

213  
00:07:09,430 --> 00:07:08,240

so

214

00:07:10,870 --> 00:07:09,440

none of you got physically hurt don't

215

00:07:12,710 --> 00:07:10,880

even nobody tried to you didn't see any

216

00:07:13,670 --> 00:07:12,720

any um little green men or any men from

217

00:07:15,430 --> 00:07:13,680

outer space

218

00:07:17,670 --> 00:07:15,440

no way

219

00:07:19,589 --> 00:07:17,680

before all of this happened uh have any

220

00:07:22,550 --> 00:07:19,599

any of you any of the four of you

221

00:07:24,469 --> 00:07:22,560

believed in flying swords no way

222

00:07:26,309 --> 00:07:24,479

i thought it was all that crap you know

223

00:07:28,230 --> 00:07:26,319

i thought come on you know stuff like

224

00:07:29,589 --> 00:07:28,240

there's only movies you know but the way

225

00:07:30,550 --> 00:07:29,599

it happened it actually seemed like was

226

00:07:32,230 --> 00:07:30,560

a movie

227

00:07:34,629 --> 00:07:32,240

one of the policemen has already said

228

00:07:36,469 --> 00:07:34,639

that uh that when you finally talked to

229

00:07:37,909 --> 00:07:36,479

them that your mother was uh was really

230

00:07:39,110 --> 00:07:37,919

shocked you really looked like you'd

231

00:07:41,110 --> 00:07:39,120

seen something horrible out there in the

232

00:07:43,270 --> 00:07:41,120

desert we did we were like ghosts

233

00:07:46,230 --> 00:07:43,280

we were just like white ghosts

234

00:07:48,150 --> 00:07:46,240

did you manage to um sleep last night no

235

00:07:49,830 --> 00:07:48,160

i couldn't sleep

236

00:07:51,510 --> 00:07:49,840

i i'm too scared to turn the light off

237

00:07:52,950 --> 00:07:51,520

now and when we're driving along in the

238

00:07:55,110 --> 00:07:52,960

car and friday night it's behind us all

239

00:07:57,670 --> 00:07:55,120

the time there's chase-ness

240

00:07:59,110 --> 00:07:57,680

are you likely to drive home again

241

00:08:00,390 --> 00:07:59,120

no i don't think so not enough room that

242

00:08:03,110 --> 00:08:00,400

way i know why we're getting trained

243

00:08:05,510 --> 00:08:03,120

home to perth taking a train back

244

00:08:07,350 --> 00:08:05,520

now the ash that was on the car in the

245

00:08:08,869 --> 00:08:07,360

car was the ash still there when you got

246

00:08:10,230 --> 00:08:08,879

the police station yes we left

247

00:08:12,150 --> 00:08:10,240

everything does it not to clean it don't

248

00:08:13,510 --> 00:08:12,160

do nothing with the car you're getting

249

00:08:15,909 --> 00:08:13,520

it all checked there for a second is

250

00:08:17,510 --> 00:08:15,919

that ash being um being analyzed yeah

251  
00:08:19,830 --> 00:08:17,520  
everything is everything's going to be

252  
00:08:21,909 --> 00:08:19,840  
you should set it higher

253  
00:08:24,309 --> 00:08:21,919  
do you now believe that there is life in

254  
00:08:25,749 --> 00:08:24,319  
outer space no actually i i'm not saying

255  
00:08:27,749 --> 00:08:25,759  
believe it all don't you know but what

256  
00:08:29,350 --> 00:08:27,759  
i'm saying is uh

257  
00:08:30,710 --> 00:08:29,360  
there is something out there which you

258  
00:08:32,310 --> 00:08:30,720  
can't explain

259  
00:08:33,430 --> 00:08:32,320  
which i don't know

260  
00:08:35,909 --> 00:08:33,440  
there's definitely something out there

261  
00:08:37,589 --> 00:08:35,919  
it's got something's got to be done

262  
00:08:41,350 --> 00:08:37,599  
someone else is going to get really hurt

263  
00:08:43,350 --> 00:08:41,360

what could be done we don't really know

264

00:08:45,430 --> 00:08:43,360

and just one final question about the

265

00:08:46,710 --> 00:08:45,440

the look of it do you all agree on the

266

00:08:48,630 --> 00:08:46,720

description of it or you have different

267

00:08:49,990 --> 00:08:48,640

ideas no we definitely agree on the

268

00:08:51,990 --> 00:08:50,000

library

269

00:08:54,550 --> 00:08:52,000

so what like do you think it was um it

270

00:08:56,070 --> 00:08:54,560

was all of a sudden it was a small line

271

00:08:58,310 --> 00:08:56,080

and all of a sudden it comes so big like

272

00:08:59,430 --> 00:08:58,320

it's like a big ball

273

00:09:01,110 --> 00:08:59,440

could you see anything in the middle of

274

00:09:02,710 --> 00:09:01,120

anything metallic

275

00:09:03,910 --> 00:09:02,720

um

276

00:09:05,509 --> 00:09:03,920

we don't really know you know we're in a

277

00:09:07,030 --> 00:09:05,519

state of shock

278

00:09:08,790 --> 00:09:07,040

i didn't really take notice patrick is

279

00:09:09,509 --> 00:09:08,800

that the sort of thing you you saw big

280

00:09:10,790 --> 00:09:09,519

boy

281

00:09:12,949 --> 00:09:10,800

yeah it was like

282

00:09:15,110 --> 00:09:12,959

uh it was like it looked like a truck

283

00:09:17,750 --> 00:09:15,120

headlight and on top it looked like it

284

00:09:20,389 --> 00:09:17,760

had a light uh high beam like a light

285

00:09:22,150 --> 00:09:20,399

high beam and like a flash it was kept
