

1
00:00:03,189 --> 00:00:01,270
we were sitting

2
00:00:04,390 --> 00:00:03,199
on the other side of the pier with our

3
00:00:06,070 --> 00:00:04,400
feet you know

4
00:00:08,150 --> 00:00:06,080
over toward the river fishing in the

5
00:00:09,190 --> 00:00:08,160
river

6
00:00:10,790 --> 00:00:09,200
and

7
00:00:12,470 --> 00:00:10,800
the fish still wasn't biting so i told

8
00:00:16,070 --> 00:00:12,480
calvin as well

9
00:00:17,910 --> 00:00:16,080
you know we might well go home

10
00:00:19,750 --> 00:00:17,920
i guess that's when i heard it was some

11
00:00:21,830 --> 00:00:19,760
kind of zipping sound

12
00:00:23,750 --> 00:00:21,840
and when i turned around

13
00:00:27,589 --> 00:00:23,760

in this area here about

14

00:00:30,390 --> 00:00:29,349

there was some some kind of crap you

15

00:00:31,589 --> 00:00:30,400

know it was

16

00:00:32,870 --> 00:00:31,599

like it's going to come right onto the

17

00:00:35,350 --> 00:00:32,880

ground

18

00:00:37,510 --> 00:00:35,360

but it came on down and hovered about

19

00:00:38,869 --> 00:00:37,520

about a foot and a half or two feet off

20

00:00:41,110 --> 00:00:38,879

of the ground

21

00:00:42,790 --> 00:00:41,120

we didn't know what to do you know

22

00:00:44,709 --> 00:00:42,800

the river behind us and

23

00:00:46,150 --> 00:00:44,719

and uh that out there not knowing what

24

00:00:46,950 --> 00:00:46,160

it was

25

00:00:49,110 --> 00:00:46,960

so

26
00:00:50,869 --> 00:00:49,120
and then before we had time to really do

27
00:00:51,910 --> 00:00:50,879
anything it seemed like an open

28
00:00:54,630 --> 00:00:51,920
appearance

29
00:00:56,470 --> 00:00:54,640
and toward the end it was you know

30
00:00:58,470 --> 00:00:56,480
us

31
00:01:00,310 --> 00:00:58,480
and

32
00:01:01,910 --> 00:01:00,320
the blue light it had blue flashing

33
00:01:03,830 --> 00:01:01,920
lights as it was you know approaching

34
00:01:05,830 --> 00:01:03,840
the ground but then they went out and

35
00:01:08,149 --> 00:01:05,840
when the opening appeared some source of

36
00:01:09,830 --> 00:01:08,159
light came from the inside it was just

37
00:01:11,830 --> 00:01:09,840
almost blinding

38
00:01:13,590 --> 00:01:11,840

of course we could sell them in in the

39

00:01:15,109 --> 00:01:13,600

or in the opening coming from you know

40

00:01:16,310 --> 00:01:15,119

when they started out the craft but do

41

00:01:18,950 --> 00:01:16,320

you think it was people coming out at

42

00:01:20,550 --> 00:01:18,960

first well they had they had uh

43

00:01:22,550 --> 00:01:20,560

i kind of thought it was people at first

44

00:01:24,230 --> 00:01:22,560

you know off like that but of course

45

00:01:25,350 --> 00:01:24,240

when they when they appeared there in

46

00:01:26,469 --> 00:01:25,360

front of me

47

00:01:27,830 --> 00:01:26,479

um

48

00:01:29,830 --> 00:01:27,840

it was the most shocked i've ever had in

49

00:01:31,670 --> 00:01:29,840

my life what did you see

50

00:01:33,830 --> 00:01:31,680

um well they

51
00:01:36,469 --> 00:01:33,840
they they were they were shorter than me

52
00:01:38,230 --> 00:01:36,479
i'd say about five foot two or three

53
00:01:40,069 --> 00:01:38,240
and they didn't have a neck

54
00:01:41,670 --> 00:01:40,079
the head it seemed to come directly to

55
00:01:44,149 --> 00:01:41,680
their shoulders

56
00:01:46,710 --> 00:01:44,159
and it had something uh that came out to

57
00:01:48,870 --> 00:01:46,720
a point about where my nose would be and

58
00:01:50,069 --> 00:01:48,880
and on each side the ears and i believe

59
00:01:52,069 --> 00:01:50,079
that they looked like they were a little

60
00:01:53,270 --> 00:01:52,079
longer on the ears than the nose but

61
00:01:54,710 --> 00:01:53,280
still pointed them they were still

62
00:01:56,550 --> 00:01:54,720
pointing yeah but it seemed to me when

63
00:01:57,749 --> 00:01:56,560

it came out that doorway or that opening

64

00:01:59,270 --> 00:01:57,759

or whatever it was

65

00:02:01,190 --> 00:01:59,280

then just almost instantly they were

66

00:02:03,910 --> 00:02:01,200

right there on us

67

00:02:06,310 --> 00:02:03,920

and uh their arms they had arms and i

68

00:02:08,710 --> 00:02:06,320

saw the arm moving here and in the

69

00:02:10,309 --> 00:02:08,720

shoulders but they had weld i mean their

70

00:02:11,589 --> 00:02:10,319

their fingers were weld and then they

71

00:02:13,110 --> 00:02:11,599

had something like a thumb and they were

72

00:02:14,309 --> 00:02:13,120

like this

73

00:02:16,229 --> 00:02:14,319

they had me

74

00:02:17,830 --> 00:02:16,239

one on this arm like this and on the

75

00:02:19,670 --> 00:02:17,840

other one you know they had my other one

76

00:02:21,589 --> 00:02:19,680

like that and they just i just seem to

77

00:02:22,949 --> 00:02:21,599

lift up to the same height they were off

78

00:02:25,430 --> 00:02:22,959

the ground and

79

00:02:26,550 --> 00:02:25,440

and we just moved into the crack now

80

00:02:29,190 --> 00:02:26,560

inside

81

00:02:31,750 --> 00:02:29,200

how did they how did they lay you out do

82

00:02:34,070 --> 00:02:31,760

you remember how it happened um yes uh

83

00:02:35,750 --> 00:02:34,080

they i didn't see any tables or chairs

84

00:02:37,270 --> 00:02:35,760

or anything in there i'm not saying it

85

00:02:39,910 --> 00:02:37,280

wasn't in there because the light was

86

00:02:41,270 --> 00:02:39,920

almost blinding but i didn't see any

87

00:02:43,830 --> 00:02:41,280

and when they when they carried me

88

00:02:45,110 --> 00:02:43,840

inside they seemed to just lean me back

89

00:02:48,070 --> 00:02:45,120

you know

90

00:02:50,390 --> 00:02:48,080

and uh this this eye well i keep

91

00:02:53,030 --> 00:02:50,400

referring to it as an eye and it moved

92

00:02:54,710 --> 00:02:53,040

up the in front of me about this close

93

00:02:56,309 --> 00:02:54,720

and it started right in my eyes looking

94

00:02:58,949 --> 00:02:56,319

at me right in the eye

95

00:03:01,750 --> 00:02:58,959

and it seemed it hesitated there for a

96

00:03:03,670 --> 00:03:01,760

few seconds and it just started moving

97

00:03:05,990 --> 00:03:03,680

over my entire body

98

00:03:08,710 --> 00:03:06,000

when they they brought me uh from the

99

00:03:11,270 --> 00:03:08,720

craft that put loneliness here here

100

00:03:12,869 --> 00:03:11,280

and they seem to they didn't drop me you

101
00:03:13,830 --> 00:03:12,879
know they just released me back to the

102
00:03:16,550 --> 00:03:13,840
ground

103
00:03:18,149 --> 00:03:16,560
and uh i fell i don't know why my legs

104
00:03:20,149 --> 00:03:18,159
were weak i don't know why it was the

105
00:03:21,750 --> 00:03:20,159
fright or what it was but i fell onto

106
00:03:23,830 --> 00:03:21,760
the ground

107
00:03:25,030 --> 00:03:23,840
and that's when i seen calvin he's

108
00:03:26,869 --> 00:03:25,040
standing right over here in this area

109
00:03:28,949 --> 00:03:26,879
and he was standing facing the river

110
00:03:31,830 --> 00:03:28,959
with his arms outstretched like that

111
00:03:33,270 --> 00:03:31,840
just like he was staring at something

112
00:03:33,910 --> 00:03:33,280
i think there has to be a reason why

113
00:03:35,030 --> 00:03:33,920

that

114

00:03:38,949 --> 00:03:35,040

[Music]

115

00:03:44,149 --> 00:03:40,869

maybe because you could take it well it

116

00:03:48,149 --> 00:03:46,229

i don't know i think that they they know

117

00:03:50,149 --> 00:03:48,159

more of what's going on down here on

118

00:03:51,350 --> 00:03:50,159

this everything we think

119

00:03:53,270 --> 00:03:51,360

and

120

00:03:55,030 --> 00:03:53,280

i don't know they might have been

121

00:03:56,550 --> 00:03:55,040

you might say looking for somebody that

122

00:03:58,550 --> 00:03:56,560

uh

123

00:04:00,229 --> 00:03:58,560

that could um

124

00:04:01,509 --> 00:04:00,239

that could you might say hold up under

125

00:04:05,429 --> 00:04:01,519

this train

126

00:04:07,270 --> 00:04:05,439

and uh and convince people that you know

127

00:04:09,750 --> 00:04:07,280

that that there is another world and

128

00:04:12,550 --> 00:04:09,760

there's some kind of life on it well

129

00:04:14,070 --> 00:04:12,560

uh last year on october the 16th in the

130

00:04:15,910 --> 00:04:14,080

fall of the year calvin parker and

131

00:04:18,229 --> 00:04:15,920

myself we uh

132

00:04:22,150 --> 00:04:18,239

at that time we were employed by the fd

133

00:04:24,070 --> 00:04:22,160

walking son shipyard in pascagoula

134

00:04:26,870 --> 00:04:24,080

and sometime during the day on october

135

00:04:29,510 --> 00:04:26,880

11th we decided to go fishing after work

136

00:04:32,469 --> 00:04:29,520

something that i do you know quite often

137

00:04:35,510 --> 00:04:32,479

when i'm not working is fishing

138

00:04:37,350 --> 00:04:35,520

so after we got off work uh probably 4

139

00:04:40,230 --> 00:04:37,360

30 i think we were working nine hours a

140

00:04:42,550 --> 00:04:40,240

day we i came home and um

141

00:04:44,629 --> 00:04:42,560

get to get more fishing gear

142

00:04:46,150 --> 00:04:44,639

and we wouldn't go out in a boat because

143

00:04:47,670 --> 00:04:46,160

uh we were going to the banks of the

144

00:04:49,749 --> 00:04:47,680

river and fish from the banks first

145

00:04:52,150 --> 00:04:49,759

speckled rotten redfish

146

00:04:53,749 --> 00:04:52,160

so we tried we

147

00:04:55,670 --> 00:04:53,759

got our bait and we got to the river and

148

00:04:57,270 --> 00:04:55,680

tried several spots and the fish didn't

149

00:04:59,110 --> 00:04:57,280

seem to be biting

150

00:05:01,189 --> 00:04:59,120

so there was one more spot that we were

151
00:05:02,950 --> 00:05:01,199
going to try that

152
00:05:04,790 --> 00:05:02,960
in the past i caught fish there a lot of

153
00:05:07,350 --> 00:05:04,800
times at the old shaw peter shipyard

154
00:05:09,670 --> 00:05:07,360
it's no abandoned shipyard

155
00:05:11,909 --> 00:05:09,680
so we went um

156
00:05:14,629 --> 00:05:11,919
back up the river to the old shipyard

157
00:05:16,710 --> 00:05:14,639
and we're fishing for a pier off of the

158
00:05:18,070 --> 00:05:16,720
a walk you might see on that uh thanks

159
00:05:19,830 --> 00:05:18,080
to the river there

160
00:05:21,990 --> 00:05:19,840
and uh

161
00:05:24,469 --> 00:05:22,000
it did become dark by that time we do

162
00:05:26,390 --> 00:05:24,479
quite a bit of uh

163
00:05:28,469 --> 00:05:26,400

fishing after thought you know down here

164

00:05:30,310 --> 00:05:28,479

in that time of year

165

00:05:31,749 --> 00:05:30,320

so i don't know what attracted my

166

00:05:33,670 --> 00:05:31,759

attention for i had reached around to

167

00:05:35,590 --> 00:05:33,680

get more bait which was sitting behind

168

00:05:37,510 --> 00:05:35,600

us or

169

00:05:39,350 --> 00:05:37,520

i heard some kind of zipping like sound

170

00:05:42,150 --> 00:05:39,360

like uh air of

171

00:05:43,990 --> 00:05:42,160

a steam or somebody escaping from a pipe

172

00:05:47,110 --> 00:05:44,000

and as i turned around

173

00:05:50,150 --> 00:05:47,120

i saw some uh two blue flashing lights

174

00:05:53,350 --> 00:05:50,160

or either pull satan lights i'm not sure

175

00:05:54,950 --> 00:05:53,360

and it seemed like um it it was some

176

00:05:57,270 --> 00:05:54,960

type of craft and it seemed like it was

177

00:05:59,990 --> 00:05:57,280

almost down to the ground in

178

00:06:01,749 --> 00:06:00,000

in fact it was it seemed to be about a

179

00:06:04,550 --> 00:06:01,759

a couple of feet you know above the

180

00:06:06,550 --> 00:06:04,560

ground and just hovered there

181

00:06:09,510 --> 00:06:06,560

so kevin had turned by this time and you

182

00:06:11,270 --> 00:06:09,520

know he was looking at it too

183

00:06:13,270 --> 00:06:11,280

and really i didn't know what to do it

184

00:06:15,189 --> 00:06:13,280

just it just so just fell down there for

185

00:06:17,270 --> 00:06:15,199

a few minutes just and um

186

00:06:19,270 --> 00:06:17,280

and then almost immediately some type of

187

00:06:20,710 --> 00:06:19,280

opening appeared in the end that was

188

00:06:22,390 --> 00:06:20,720

taught us with what i assume would be

189

00:06:23,270 --> 00:06:22,400

the front end

190

00:06:25,189 --> 00:06:23,280

and

191

00:06:28,309 --> 00:06:25,199

the the light that had come outside

192

00:06:31,430 --> 00:06:28,319

which is it was real real bright light

193

00:06:33,510 --> 00:06:31,440

and three things appeared in the doorway

194

00:06:35,350 --> 00:06:33,520

of the craft and they seemed to just

195

00:06:36,710 --> 00:06:35,360

glide out out of the craft they never

196

00:06:39,590 --> 00:06:36,720

touched the ground they seem to just

197

00:06:41,670 --> 00:06:39,600

glide across it must have been 25 or 30

198

00:06:43,110 --> 00:06:41,680

feet from us or or maybe a little

199

00:06:44,390 --> 00:06:43,120

further than that

200

00:06:46,790 --> 00:06:44,400

and they

201
00:06:48,870 --> 00:06:46,800
they came to us just glided over to us

202
00:06:51,029 --> 00:06:48,880
and then two of them took me

203
00:06:53,990 --> 00:06:51,039
by their arms from the side

204
00:06:56,870 --> 00:06:54,000
and one took hold of calvin and and um

205
00:06:59,189 --> 00:06:56,880
i seen calvin go limp and i didn't know

206
00:07:01,589 --> 00:06:59,199
it then but he had fainted

207
00:07:03,430 --> 00:07:01,599
so they um they carried me inside the

208
00:07:05,830 --> 00:07:03,440
craft and

209
00:07:07,430 --> 00:07:05,840
and the light was almost blinding inside

210
00:07:09,350 --> 00:07:07,440
in fact for about three or four days i

211
00:07:11,670 --> 00:07:09,360
had something like a bad welding flash

212
00:07:13,270 --> 00:07:11,680
in my eyes

213
00:07:15,670 --> 00:07:13,280

and i can't

214

00:07:17,670 --> 00:07:15,680

i can't recall i can't remember

215

00:07:19,670 --> 00:07:17,680

just what was on the inside simply

216

00:07:21,510 --> 00:07:19,680

because the light was so bright that i

217

00:07:24,550 --> 00:07:21,520

just couldn't could make out what it was

218

00:07:26,550 --> 00:07:24,560

but i didn't see any tables or chairs

219

00:07:27,990 --> 00:07:26,560

and the room seemed to be round of

220

00:07:29,430 --> 00:07:28,000

course that could have been because the

221

00:07:32,469 --> 00:07:29,440

light seemed to be growing from the

222

00:07:34,390 --> 00:07:32,479

walls and the overhead in the ceiling

223

00:07:36,390 --> 00:07:34,400

but they carried me what i guess about

224

00:07:38,469 --> 00:07:36,400

middle of the room and we would just

225

00:07:40,230 --> 00:07:38,479

seem to be suspended there i i couldn't

226

00:07:42,150 --> 00:07:40,240

move i didn't have any feelings no

227

00:07:45,350 --> 00:07:42,160

sensation of

228

00:07:47,830 --> 00:07:45,360

of any field and it seemed something

229

00:07:49,350 --> 00:07:47,840

like a big eye i keep referring to it as

230

00:07:52,150 --> 00:07:49,360

an eye because it was about signs for

231

00:07:53,909 --> 00:07:52,160

small baseball in the end it was focused

232

00:07:55,430 --> 00:07:53,919

toward me was a different color or

233

00:07:57,189 --> 00:07:55,440

different light

234

00:07:59,029 --> 00:07:57,199

and it seemed to come directly out from

235

00:08:00,790 --> 00:07:59,039

the wall and it came within six or eight

236

00:08:03,350 --> 00:08:00,800

inches of my face and

237

00:08:04,790 --> 00:08:03,360

and uh it remained there for a few

238

00:08:09,270 --> 00:08:04,800

minutes and then it

239

00:08:11,510 --> 00:08:09,280

went over my entire body

240

00:08:13,189 --> 00:08:11,520

i'm assuming it did because when it went

241

00:08:15,270 --> 00:08:13,199

down like this i seem to be suspended

242

00:08:17,350 --> 00:08:15,280

and the next time i see it it was coming

243

00:08:19,670 --> 00:08:17,360

back up over this way so i assume that

244

00:08:21,430 --> 00:08:19,680

it went over my entire body

245

00:08:22,869 --> 00:08:21,440

but it came back in front of my face and

246

00:08:24,150 --> 00:08:22,879

stayed there for a few more minutes and

247

00:08:25,749 --> 00:08:24,160

then it seemed to just go right back

248

00:08:28,309 --> 00:08:25,759

into the wall

249

00:08:30,309 --> 00:08:28,319

and these things that the the the way

250

00:08:32,230 --> 00:08:30,319

they were holding me i was elevated

251
00:08:34,149 --> 00:08:32,240
because they they weren't as tall as me

252
00:08:35,829 --> 00:08:34,159
and they were upright and i was elevated

253
00:08:37,350 --> 00:08:35,839
like this and i could see

254
00:08:38,469 --> 00:08:37,360
i could move my eyes on the thing i

255
00:08:40,230 --> 00:08:38,479
could move

256
00:08:42,070 --> 00:08:40,240
and i could see that they had released

257
00:08:44,470 --> 00:08:42,080
me and i don't know where they went

258
00:08:45,430 --> 00:08:44,480
whether they went outside the craft or

259
00:08:47,269 --> 00:08:45,440
another

260
00:08:49,030 --> 00:08:47,279
uh room or compartment but they didn't

261
00:08:51,030 --> 00:08:49,040
come in front of me

262
00:08:53,509 --> 00:08:51,040
and they left me that way for

263
00:08:56,550 --> 00:08:53,519

for a few minutes i don't know how long

264

00:08:58,070 --> 00:08:56,560

and then after a while they uh i seen a

265

00:09:00,150 --> 00:08:58,080

minute when they come back to the side

266

00:09:02,470 --> 00:09:00,160

of me and took hold on me again

267

00:09:03,670 --> 00:09:02,480

and they carried me back outside the

268

00:09:06,150 --> 00:09:03,680

craft and

269

00:09:08,470 --> 00:09:06,160

and we were still just gliding i wasn't

270

00:09:10,630 --> 00:09:08,480

touching anything that i know of

271

00:09:12,230 --> 00:09:10,640

and they seemed to just glide back out

272

00:09:14,230 --> 00:09:12,240

to where they had taken me from and put

273

00:09:16,710 --> 00:09:14,240

me back down on the ground

274

00:09:19,190 --> 00:09:16,720

but when they did i fell because my legs

275

00:09:21,269 --> 00:09:19,200

were weak and they gave way on me

276

00:09:22,630 --> 00:09:21,279

and it was this time i seen calvin again

277

00:09:24,310 --> 00:09:22,640

he was standing there

278

00:09:26,470 --> 00:09:24,320

he was standing facing the river with

279

00:09:28,070 --> 00:09:26,480

his arms outstretched and he was almost

280

00:09:29,990 --> 00:09:28,080

in shock

281

00:09:31,670 --> 00:09:30,000

or he seemed to appear to me at that

282

00:09:34,470 --> 00:09:31,680

time he was if something was wrong with

283

00:09:36,389 --> 00:09:34,480

him but so i was trying to to get to

284

00:09:37,829 --> 00:09:36,399

make my way toward him and and uh i was

285

00:09:40,470 --> 00:09:37,839

crawling i couldn't get my legs to

286

00:09:42,470 --> 00:09:40,480

working but before i got to him they i

287

00:09:44,310 --> 00:09:42,480

the strength of what it was came back to

288

00:09:46,790 --> 00:09:44,320

my legs and i was getting up on my feet

289

00:09:48,790 --> 00:09:46,800

and i heard that the same sound i heard

290

00:09:50,949 --> 00:09:48,800

before a zipping sound

291

00:09:52,949 --> 00:09:50,959

and i glanced around and i saw the blue

292

00:09:56,710 --> 00:09:52,959

flashing lights and and it was the crack

293

00:10:00,470 --> 00:09:56,720

was just cold it's just almost instantly

294

00:10:02,550 --> 00:10:00,480

and i i got to i made it to calvin and i

295

00:10:04,470 --> 00:10:02,560

shook him and was calling to him and it

296

00:10:06,550 --> 00:10:04,480

took me several minutes to get him where

297

00:10:09,430 --> 00:10:06,560

i could even even talk to him you know

298

00:10:11,509 --> 00:10:09,440

with any any sense and and he was going

299

00:10:13,509 --> 00:10:11,519

in shock

300

00:10:15,269 --> 00:10:13,519

and these things that uh that came out

301
00:10:18,630 --> 00:10:15,279
of the craft they were about

302
00:10:21,509 --> 00:10:18,640
five or five foot four inches tall

303
00:10:23,269 --> 00:10:21,519
and they didn't have a neck there uh

304
00:10:24,470 --> 00:10:23,279
the head seemed to come directly to the

305
00:10:26,150 --> 00:10:24,480
shoulders and they had something that

306
00:10:29,190 --> 00:10:26,160
resembled a nose

307
00:10:31,590 --> 00:10:29,200
on up on the face and and uh about where

308
00:10:33,110 --> 00:10:31,600
ears would be something that was similar

309
00:10:34,790 --> 00:10:33,120
to the nose when it was a little longer

310
00:10:35,990 --> 00:10:34,800
they seemed to come out almost to a

311
00:10:37,829 --> 00:10:36,000
point

312
00:10:40,870 --> 00:10:37,839
and under the nose it was something like

313
00:10:43,750 --> 00:10:40,880

a slit for a mouth and and uh it was

314

00:10:45,509 --> 00:10:43,760

very wrinkled and it seemed it appeared

315

00:10:47,750 --> 00:10:45,519

to me to be something like an elephant

316

00:10:49,350 --> 00:10:47,760

skin but i don't know where it was

317

00:10:50,790 --> 00:10:49,360

a metal or what it was but it seemed to

318

00:10:52,389 --> 00:10:50,800

be very wrinkles with the wrinkles

319

00:10:54,230 --> 00:10:52,399

running horizontal

320

00:10:55,110 --> 00:10:54,240

and in the area where the eyes should

321

00:10:57,350 --> 00:10:55,120

have been

322

00:10:59,750 --> 00:10:57,360

uh it was so wrinkled that

323

00:11:01,509 --> 00:10:59,760

that i'm not even sure there was eyes i

324

00:11:04,470 --> 00:11:01,519

don't recall but there was any eyes

325

00:11:05,829 --> 00:11:04,480

nothing calvin says he came

326

00:11:08,550 --> 00:11:05,839

but um

327

00:11:10,069 --> 00:11:08,560

anyway after i i broke i got counted

328

00:11:12,069 --> 00:11:10,079

when i could talk to him we didn't know

329

00:11:15,269 --> 00:11:12,079

what to do and and uh

330

00:11:17,269 --> 00:11:15,279

we were almost scared to death and

331

00:11:19,110 --> 00:11:17,279

we we first decided we wouldn't tell

332

00:11:20,870 --> 00:11:19,120

anyone but the more we talked about it

333

00:11:22,389 --> 00:11:20,880

the more we realized that we had to tell

334

00:11:24,470 --> 00:11:22,399

somebody if it was the military

335

00:11:25,670 --> 00:11:24,480

authorities if nobody else so

336

00:11:28,150 --> 00:11:25,680

we call

337

00:11:29,990 --> 00:11:28,160

keisler air force base which is only

338

00:11:31,430 --> 00:11:30,000

about well obviously about 30 miles

339

00:11:33,910 --> 00:11:31,440

south of here

340

00:11:35,910 --> 00:11:33,920

and i talked to someone there and they

341

00:11:37,430 --> 00:11:35,920

told me that the air force didn't handle

342

00:11:38,310 --> 00:11:37,440

those things anymore that we would have

343

00:11:41,829 --> 00:11:38,320

to go

344

00:11:44,470 --> 00:11:41,839

through our insurance department

345

00:11:45,590 --> 00:11:44,480

then we hesitated again because you know

346

00:11:47,190 --> 00:11:45,600

you go to the

347

00:11:49,509 --> 00:11:47,200

people just something like that is not

348

00:11:51,829 --> 00:11:49,519

supposed to happen and when you would

349

00:11:53,350 --> 00:11:51,839

probably be laughed at and ridiculed

350

00:11:54,870 --> 00:11:53,360

but we we talked it over again and

351

00:11:57,269 --> 00:11:54,880

decided we would call the sheriff's

352

00:11:58,870 --> 00:11:57,279

department and the sheriff fred diamond

353

00:12:00,470 --> 00:11:58,880

told us to come on over there that we

354

00:12:02,629 --> 00:12:00,480

talked about it

355

00:12:05,509 --> 00:12:02,639

so we stayed there for several hours

356

00:12:08,230 --> 00:12:05,519

talking with them with them questions

357

00:12:10,150 --> 00:12:08,240

and uh the sheriff promised me that it

358

00:12:12,550 --> 00:12:10,160

wouldn't it wouldn't any news familiar

359

00:12:14,389 --> 00:12:12,560

know anything about it that he would try

360

00:12:15,670 --> 00:12:14,399

to get get it to the proper authorities

361

00:12:17,030 --> 00:12:15,680

if he could find out who the proper

362

00:12:19,190 --> 00:12:17,040

authorities was

363

00:12:21,190 --> 00:12:19,200

and have it investigated

364

00:12:22,710 --> 00:12:21,200

so we went home that morning and it was

365

00:12:24,389 --> 00:12:22,720

morning because they had kept us very

366

00:12:25,269 --> 00:12:24,399

quite late

367

00:12:27,430 --> 00:12:25,279

and

368

00:12:29,509 --> 00:12:27,440

with assurance that no

369

00:12:30,629 --> 00:12:29,519

it wouldn't be any publicity about it at

370

00:12:34,710 --> 00:12:30,639

all

371

00:12:35,750 --> 00:12:34,720

well we we went on to work that morning

372

00:12:39,590 --> 00:12:35,760

and

373

00:12:41,750 --> 00:12:39,600

by seven or eight o'clock

374

00:12:43,430 --> 00:12:41,760

there was telephones ringing uh you know

375

00:12:45,990 --> 00:12:43,440

all over the shipyard

376

00:12:48,069 --> 00:12:46,000

and i called fred diamond and he said

377

00:12:49,910 --> 00:12:48,079

that he don't know how the story leaked

378

00:12:52,949 --> 00:12:49,920

out from the sheriff's department

379

00:12:54,629 --> 00:12:52,959

but uh you know that by that time the

380

00:12:56,949 --> 00:12:54,639

whole world knew about it you said

381

00:12:58,389 --> 00:12:56,959

something that was like an eye ran up

382

00:13:00,310 --> 00:12:58,399

and down your body do you think it was

383

00:13:01,509 --> 00:13:00,320

like examining you

384

00:13:03,910 --> 00:13:01,519

um

385

00:13:06,150 --> 00:13:03,920

yes it was something it had to be some

386

00:13:08,470 --> 00:13:06,160

type of examination well i say had to be

387

00:13:10,550 --> 00:13:08,480

it it appears to me that it would be and

388

00:13:11,670 --> 00:13:10,560

after talking with a lot of scientists

389

00:13:14,150 --> 00:13:11,680

and uh

390

00:13:15,430 --> 00:13:14,160

um i'm convinced that it was something

391

00:13:17,990 --> 00:13:15,440

it was there was some type of

392

00:13:19,750 --> 00:13:18,000

examination that it given me

393

00:13:20,949 --> 00:13:19,760

did you communicate with these creatures

394

00:13:21,990 --> 00:13:20,959

these things

395

00:13:23,829 --> 00:13:22,000

no

396

00:13:25,829 --> 00:13:23,839

and the only sound that they made they

397

00:13:28,310 --> 00:13:25,839

didn't attempt to communicate with me

398

00:13:30,310 --> 00:13:28,320

the only sound that that that they made

399

00:13:32,150 --> 00:13:30,320

one of them and i'm not even sure it

400

00:13:33,829 --> 00:13:32,160

come from from one of the things but it

401
00:13:36,150 --> 00:13:33,839
was some kind of moment like sound a

402
00:13:37,910 --> 00:13:36,160
little mumbling sound from one of them

403
00:13:40,069 --> 00:13:37,920
but other than that they they didn't try

404
00:13:41,670 --> 00:13:40,079
to communicate i tried to

405
00:13:42,790 --> 00:13:41,680
to say something to them aboard the

406
00:13:43,910 --> 00:13:42,800
craft

407
00:13:45,670 --> 00:13:43,920
but uh

408
00:13:47,910 --> 00:13:45,680
it

409
00:13:49,350 --> 00:13:47,920
i think now and then i have a lot of

410
00:13:50,550 --> 00:13:49,360
reasons to believe many a different

411
00:13:52,470 --> 00:13:50,560
reason to believe these things were

412
00:13:54,069 --> 00:13:52,480
robots they weren't beings they were

413
00:13:55,910 --> 00:13:54,079

being controlled by beings from

414

00:13:58,310 --> 00:13:55,920

somewhere else what made you think that

415

00:14:00,230 --> 00:13:58,320

sir well for

416

00:14:01,269 --> 00:14:00,240

for it's a video just mentioned several

417

00:14:04,870 --> 00:14:01,279

reasons

418

00:14:07,509 --> 00:14:04,880

i didn't see any movement of of breath

419

00:14:10,389 --> 00:14:07,519

in the in the chest area i didn't see

420

00:14:12,150 --> 00:14:10,399

any movement of breath in them in the

421

00:14:13,110 --> 00:14:12,160

the slip of the mouth here it didn't

422

00:14:16,790 --> 00:14:13,120

move

423

00:14:19,910 --> 00:14:16,800

is something mechanically

424

00:14:22,389 --> 00:14:19,920

they can move their arms like this

425

00:14:24,150 --> 00:14:22,399

and in their shoulders but their head

426

00:14:26,629 --> 00:14:24,160

didn't move and when they move they seem

427

00:14:28,710 --> 00:14:26,639

to turn as if mechanically

428

00:14:30,550 --> 00:14:28,720

it appeared to me that they they had

429

00:14:32,230 --> 00:14:30,560

something that they were programmed you

430

00:14:34,629 --> 00:14:32,240

might say to do something they had

431

00:14:36,069 --> 00:14:34,639

something specific to do and they just

432

00:14:37,750 --> 00:14:36,079

simply done it and their attention

433

00:14:40,470 --> 00:14:37,760

wasn't distracting one way or the other

434

00:14:43,430 --> 00:14:40,480

did their examination of you hurt you no

435

00:14:44,949 --> 00:14:43,440

no the only only physical pain that i

436

00:14:46,710 --> 00:14:44,959

had is when when

437

00:14:47,990 --> 00:14:46,720

they took hold of me there on the base

438

00:14:49,990 --> 00:14:48,000

of the river

439

00:14:52,310 --> 00:14:50,000

the one that took hold of my left arm

440

00:14:54,870 --> 00:14:52,320

and this arm here just instantly i felt

441

00:14:57,670 --> 00:14:54,880

pain but it was gone just that quick

442

00:14:59,829 --> 00:14:57,680

and then once the ball aboard the craft

443

00:15:02,389 --> 00:14:59,839

one time i felt this

444

00:15:04,069 --> 00:15:02,399

the same pain in the same area again but

445

00:15:05,910 --> 00:15:04,079

it was just instantly and that's the

446

00:15:08,069 --> 00:15:05,920

only physical pain that i had through

447

00:15:10,829 --> 00:15:08,079

the entire thing now approximately how

448

00:15:13,750 --> 00:15:10,839

long do you figure you were in the craft

449

00:15:15,910 --> 00:15:13,760

itself well i'm not sure

450

00:15:18,150 --> 00:15:15,920

because i don't wear a watch a watch

451
00:15:20,870 --> 00:15:18,160
won't keep time on me

452
00:15:21,990 --> 00:15:20,880
and calvin didn't have a watch and

453
00:15:24,310 --> 00:15:22,000
we um

454
00:15:26,389 --> 00:15:24,320
we've tried to go back and uh i've tried

455
00:15:27,990 --> 00:15:26,399
to go back and try to figure the time

456
00:15:30,310 --> 00:15:28,000
out from the time that

457
00:15:32,629 --> 00:15:30,320
that we left the area going to call it

458
00:15:36,710 --> 00:15:32,639
keisler air force base and all and it

459
00:15:38,470 --> 00:15:36,720
could have possibly been as long as um

460
00:15:39,350 --> 00:15:38,480
well it could have been anywhere from 30

461
00:15:41,350 --> 00:15:39,360
minutes

462
00:15:42,790 --> 00:15:41,360
to an hour and probably even longer than

463
00:15:44,790 --> 00:15:42,800

that can you give our listeners some

464

00:15:47,749 --> 00:15:44,800

idea of the size of this craft that you

465

00:15:49,189 --> 00:15:47,759

were suspended with that well the crab

466

00:15:51,189 --> 00:15:49,199

uh

467

00:15:53,189 --> 00:15:51,199

let me explain now the angle that i was

468

00:15:55,350 --> 00:15:53,199

looking forward to crying it's hard for

469

00:15:57,829 --> 00:15:55,360

me to say which i can't say

470

00:16:00,069 --> 00:15:57,839

holy crap or shroud like a ditch or

471

00:16:01,110 --> 00:16:00,079

whether it was long or oblong like a

472

00:16:03,590 --> 00:16:01,120

cigar

473

00:16:05,670 --> 00:16:03,600

because i it was it was

474

00:16:08,550 --> 00:16:05,680

let me give you an example like the

475

00:16:10,069 --> 00:16:08,560

craft was sitting here we're assuming

476
00:16:11,829 --> 00:16:10,079
that this is the front end of it that

477
00:16:13,990 --> 00:16:11,839
was the end it was tortoise

478
00:16:16,629 --> 00:16:14,000
well i'm looking at it from this angle

479
00:16:18,389 --> 00:16:16,639
so all i can see is what is this side of

480
00:16:20,790 --> 00:16:18,399
what i'm assuming to be the front and

481
00:16:23,350 --> 00:16:20,800
maybe it's a little bit of the mat so i

482
00:16:26,150 --> 00:16:23,360
can't be sure whether the craft was was

483
00:16:28,150 --> 00:16:26,160
round like a desk or was long or oblong

484
00:16:29,829 --> 00:16:28,160
but it appeared to me it was about 30 or

485
00:16:31,189 --> 00:16:29,839
40 foot long

486
00:16:34,710 --> 00:16:31,199
and maybe

487
00:16:37,269 --> 00:16:34,720
um eight or ten foot high

488
00:16:39,350 --> 00:16:37,279

well it hasn't affected me i don't think

489

00:16:42,389 --> 00:16:39,360

it has it has affected my life because i

490

00:16:44,150 --> 00:16:42,399

know and now i don't have time to

491

00:16:46,790 --> 00:16:44,160

for a recreation that that i did have

492

00:16:50,069 --> 00:16:46,800

before with my wife and my children

493

00:16:52,069 --> 00:16:50,079

and uh there's always um that there's so

494

00:16:53,749 --> 00:16:52,079

many interviews and there's so many

495

00:16:56,230 --> 00:16:53,759

places that i go in the country which

496

00:16:57,670 --> 00:16:56,240

i'd rather be home with my family

497

00:16:59,590 --> 00:16:57,680

and

498

00:17:01,269 --> 00:16:59,600

shortly afterwards for a few months i

499

00:17:03,350 --> 00:17:01,279

didn't i couldn't sleep and i couldn't

500

00:17:06,470 --> 00:17:03,360

eat i could was hold my mind all the

501
00:17:08,309 --> 00:17:06,480
time but the fears all gone now you know

502
00:17:10,230 --> 00:17:08,319
it's just um

503
00:17:11,829 --> 00:17:10,240
it's just not as much fear as it was

504
00:17:14,630 --> 00:17:11,839
before have you had any recurring

505
00:17:16,230 --> 00:17:14,640
nightmares about this uh shortly after i

506
00:17:19,110 --> 00:17:16,240
did yes but

507
00:17:20,150 --> 00:17:19,120
that's all going on and then i might add

508
00:17:21,829 --> 00:17:20,160
that uh

509
00:17:23,429 --> 00:17:21,839
we uh

510
00:17:25,669 --> 00:17:23,439
we asked

511
00:17:26,549 --> 00:17:25,679
the sheriff at night

512
00:17:28,549 --> 00:17:26,559
uh

513
00:17:30,549 --> 00:17:28,559

because after we decided to tell the

514

00:17:32,230 --> 00:17:30,559

sheriff certainly we wanted to to prove

515

00:17:33,750 --> 00:17:32,240

to him that it did happen so we asked

516

00:17:36,549 --> 00:17:33,760

for a lie detector test they didn't have

517

00:17:39,909 --> 00:17:36,559

the facilities here in jackson county

518

00:17:42,150 --> 00:17:39,919

so later on in the

519

00:17:44,950 --> 00:17:42,160

i think it was either the latter part of

520

00:17:47,110 --> 00:17:44,960

october or the early part of november

521

00:17:49,669 --> 00:17:47,120

uh calvin had had a nervous breakdown

522

00:17:52,950 --> 00:17:49,679

because i think because of this he was

523

00:17:55,990 --> 00:17:52,960

in a hospital in in jones county

524

00:17:57,990 --> 00:17:56,000

uh i took a polygraph test

525

00:18:00,390 --> 00:17:58,000

here in pascagoula

526

00:18:01,750 --> 00:18:00,400

which proved that i was telling

527

00:18:03,270 --> 00:18:01,760

the truth

528

00:18:04,950 --> 00:18:03,280

you said your friend calvin is at a

529

00:18:07,029 --> 00:18:04,960

nervous breakdown yes he had a he had

530

00:18:09,110 --> 00:18:07,039

another breakdown and he remained a

531

00:18:10,390 --> 00:18:09,120

while in the hospital but he's okay now

532

00:18:12,310 --> 00:18:10,400

he's

533

00:18:14,630 --> 00:18:12,320

you don't seem to be too affected by

534

00:18:15,590 --> 00:18:14,640

outwardly

535

00:18:16,710 --> 00:18:15,600

well

536

00:18:20,230 --> 00:18:16,720

the

537

00:18:22,789 --> 00:18:20,240

calvin is quite a bit younger than me

538

00:18:25,270 --> 00:18:22,799

and calvin had never known much fear

539

00:18:27,909 --> 00:18:25,280

but i've known fear a lot of times not

540

00:18:30,150 --> 00:18:27,919

nothing like that but i was in uh in

541

00:18:31,990 --> 00:18:30,160

combating career in fact i was in career

542

00:18:33,350 --> 00:18:32,000

about 20 months and 16 days in the

543

00:18:36,230 --> 00:18:33,360

korean war

544

00:18:37,270 --> 00:18:36,240

and i've known fear many times before

545

00:18:39,270 --> 00:18:37,280

and

546

00:18:40,710 --> 00:18:39,280

unless that was the reason that caused

547

00:18:43,029 --> 00:18:40,720

me to hold up better than calvin you

548

00:18:45,430 --> 00:18:43,039

know i don't know speaking of fear were

549

00:18:47,669 --> 00:18:45,440

you afraid during this entire thing i

550

00:18:49,270 --> 00:18:47,679

certainly was and now

551
00:18:51,590 --> 00:18:49,280
i can explain that

552
00:18:53,350 --> 00:18:51,600
uh normal what i consider normal fear to

553
00:18:55,350 --> 00:18:53,360
be is something that

554
00:18:57,190 --> 00:18:55,360
that you expect you know just normal

555
00:18:58,470 --> 00:18:57,200
fear is something that you expect you

556
00:19:00,630 --> 00:18:58,480
only serve

557
00:19:02,789 --> 00:19:00,640
but this was something that uh wasn't

558
00:19:04,470 --> 00:19:02,799
supposed to even exist

559
00:19:05,990 --> 00:19:04,480
and it's fear that you can't even

560
00:19:08,150 --> 00:19:06,000
explain

561
00:19:09,350 --> 00:19:08,160
because i kept thinking you know that

562
00:19:11,669 --> 00:19:09,360
what are they gonna do are they going to

563
00:19:13,750 --> 00:19:11,679

take us away or are they going to kill

564

00:19:14,710 --> 00:19:13,760

us or they're going to take us away and

565

00:19:16,390 --> 00:19:14,720

uh

566

00:19:18,390 --> 00:19:16,400

well in fact when they carry me aboard

567

00:19:21,110 --> 00:19:18,400

that craft i figured that that that i've

568

00:19:22,950 --> 00:19:21,120

never put my foot on earth again but you

569

00:19:24,470 --> 00:19:22,960

never see a family i never see my family

570

00:19:25,990 --> 00:19:24,480

anymore

571

00:19:28,710 --> 00:19:26,000

what is your feeling on youtube do you

572

00:19:29,590 --> 00:19:28,720

think of his life beyond this earth

573

00:19:31,510 --> 00:19:29,600

well

574

00:19:33,830 --> 00:19:31,520

let me let me explain now before this

575

00:19:35,830 --> 00:19:33,840

happened to me i can't say that i

576

00:19:37,990 --> 00:19:35,840

believed or displayed

577

00:19:40,310 --> 00:19:38,000

because i simply didn't know didn't

578

00:19:42,470 --> 00:19:40,320

think about it one way or the other

579

00:19:44,789 --> 00:19:42,480

i guess i'm like most people i had my

580

00:19:47,270 --> 00:19:44,799

own little world that i lived in and i

581

00:19:49,270 --> 00:19:47,280

didn't consider the life on other worlds

582

00:19:52,710 --> 00:19:49,280

i didn't think about it

583

00:19:55,110 --> 00:19:52,720

but now there's no doubt in my mind i

584

00:19:57,029 --> 00:19:55,120

positively know that there's uh

585

00:19:58,950 --> 00:19:57,039

at least one world up there somewhere

586

00:20:01,190 --> 00:19:58,960

with some type of life one i meant to be

587

00:20:02,230 --> 00:20:01,200

in fact an intelligent but peaceful life

588

00:20:04,870 --> 00:20:02,240

that's right

589

00:20:06,630 --> 00:20:04,880

i think they're peaceful because um

590

00:20:08,470 --> 00:20:06,640

you know they didn't know

591

00:20:09,590 --> 00:20:08,480

they didn't try to harm calvin and me

592

00:20:11,830 --> 00:20:09,600

physically

593

00:20:12,870 --> 00:20:11,840

uh in fact they seemed to be very easy

594

00:20:15,190 --> 00:20:12,880

with us

595

00:20:16,630 --> 00:20:15,200

uh what they wanted i don't know

596

00:20:17,909 --> 00:20:16,640

but i certainly don't think that they're

597

00:20:20,070 --> 00:20:17,919

hospital

598

00:20:21,110 --> 00:20:20,080

at all would you advocate our government

599

00:20:23,270 --> 00:20:21,120

trying to

600

00:20:26,070 --> 00:20:23,280

communicate or contact these individuals

601
00:20:27,590 --> 00:20:26,080
these beings to help us on our planet

602
00:20:29,350 --> 00:20:27,600
well certainly

603
00:20:31,510 --> 00:20:29,360
since this has happened to me i've i've

604
00:20:33,110 --> 00:20:31,520
done i've done all the research and um

605
00:20:34,789 --> 00:20:33,120
and all the reading on these things that

606
00:20:37,669 --> 00:20:34,799
i can i've talked with many scientists

607
00:20:38,950 --> 00:20:37,679
and doctors and people that is concerned

608
00:20:40,789 --> 00:20:38,960
i think the government should have been

609
00:20:43,190 --> 00:20:40,799
doing a long time ago

610
00:20:44,630 --> 00:20:43,200
because um as wasteful as our government

611
00:20:46,870 --> 00:20:44,640
is and they're spending the money that

612
00:20:48,549 --> 00:20:46,880
they've simply thrown away so that money

613
00:20:50,070 --> 00:20:48,559

could have been used to try to maybe

614

00:20:51,430 --> 00:20:50,080

come take intelligent life on other

615

00:20:52,789 --> 00:20:51,440

walls and probably could have already

616

00:20:54,789 --> 00:20:52,799

been done

617

00:20:58,070 --> 00:20:54,799

one of the arguments that the government

618

00:21:00,470 --> 00:20:58,080

always gives is that if they reveal

619

00:21:02,310 --> 00:21:00,480

the presence of ufos it would cause

620

00:21:04,630 --> 00:21:02,320

widespread panic and fear a lot of the

621

00:21:06,310 --> 00:21:04,640

war of the worlds broadcast of awesome

622

00:21:09,029 --> 00:21:06,320

worlds many years ago do you you agree

623

00:21:11,430 --> 00:21:09,039

with that well to a certain extent now i

624

00:21:12,470 --> 00:21:11,440

agree that that may be years years ago

625

00:21:15,590 --> 00:21:12,480

yes

626
00:21:17,669 --> 00:21:15,600
but i think that the fact is out now and

627
00:21:19,350 --> 00:21:17,679
and honey i honestly believe this i

628
00:21:21,750 --> 00:21:19,360
don't think that the air force has

629
00:21:23,029 --> 00:21:21,760
abandoned the ufo studies i think that

630
00:21:25,669 --> 00:21:23,039
they have um

631
00:21:28,230 --> 00:21:25,679
i think that they have a definite proof

632
00:21:29,190 --> 00:21:28,240
that other other uh wealth and bins do

633
00:21:31,270 --> 00:21:29,200
exist

634
00:21:35,270 --> 00:21:31,280
and i think before this year is out and

635
00:21:38,390 --> 00:21:36,549
well

636
00:21:41,029 --> 00:21:38,400
with some reservation but

637
00:21:44,070 --> 00:21:41,039
uh i think before the year is out

638
00:21:45,830 --> 00:21:44,080

that our government is going to uh a

639

00:21:46,630 --> 00:21:45,840

particular air force is going to come

640

00:21:47,990 --> 00:21:46,640

out

641

00:21:49,750 --> 00:21:48,000

to the american people and tell them

642

00:21:51,110 --> 00:21:49,760

that these things do exist but they're i

643

00:21:53,190 --> 00:21:51,120

think they're going to do it in a way

644

00:21:54,549 --> 00:21:53,200

where they won't cause mastery like you

645

00:21:57,190 --> 00:21:54,559

just mentioned
