

# NIGHT

THE HUDSON VALLEY UFO SIGHTINGS

# SIEGE

DR. J. ALLEN HYNEK  
PHILIP J. IMBROGNO BOB PRATT

1  
00:00:04,630 --> 00:00:02,230  
we all came out over here at the road we

2  
00:00:07,110 --> 00:00:04,640  
looked up at uh i-84

3  
00:00:09,430 --> 00:00:07,120  
and we saw this huge object just

4  
00:00:10,950 --> 00:00:09,440  
hovering over the truck and kind of a

5  
00:00:13,430 --> 00:00:10,960  
shape of an l

6  
00:00:14,870 --> 00:00:13,440  
with all lights like a city of lights i

7  
00:00:17,029 --> 00:00:14,880  
was a little scared because i didn't

8  
00:00:17,830 --> 00:00:17,039  
know what it was really like i thought

9  
00:00:19,990 --> 00:00:17,840  
that

10  
00:00:21,189 --> 00:00:20,000  
little creatures would come out of it

11  
00:00:23,429 --> 00:00:21,199  
and um

12  
00:00:26,070 --> 00:00:23,439  
do stuff to us afterward you know when i

13  
00:00:28,150 --> 00:00:26,080

went to bed that night i barely slept i

14  
00:00:29,669 --> 00:00:28,160  
got up many times opening my window just

15  
00:00:31,830 --> 00:00:29,679  
to see if it was out there could come

16  
00:00:33,510 --> 00:00:31,840  
back i thought

17  
00:00:35,190 --> 00:00:33,520  
i probably couldn't tell this to anyone

18  
00:00:36,709 --> 00:00:35,200  
because no one would believe me because

19  
00:00:39,350 --> 00:00:36,719  
i wouldn't believe it if someone had

20  
00:00:41,430 --> 00:00:39,360  
told me before the object that i saw was

21  
00:00:43,510 --> 00:00:41,440  
at least the size of a football field

22  
00:00:45,750 --> 00:00:43,520  
there were about 20 or 30 more lights in

23  
00:00:47,670 --> 00:00:45,760  
the back red blue greens beautiful

24  
00:00:49,430 --> 00:00:47,680  
colors it looked like a christmas tree

25  
00:00:51,270 --> 00:00:49,440  
in the sky it didn't look like an

26

00:00:52,869 --> 00:00:51,280

airplane to me i'm

27

00:00:54,869 --> 00:00:52,879

familiar with airplanes i was an

28

00:00:56,630 --> 00:00:54,879

aircraft mechanic in the air force for

29

00:00:58,470 --> 00:00:56,640

three and a half years planes when they

30

00:01:00,470 --> 00:00:58,480

fly in formation i don't care how tight

31

00:01:02,709 --> 00:01:00,480

they are they have a tendency to

32

00:01:03,590 --> 00:01:02,719

move up and down in and out so forth and

33

00:01:06,390 --> 00:01:03,600

so on

34

00:01:08,630 --> 00:01:06,400

these lights never wavered they stayed

35

00:01:10,469 --> 00:01:08,640

exactly even

36

00:01:11,270 --> 00:01:10,479

as it was one object

37

00:01:15,670 --> 00:01:11,280

and

38

00:01:17,030 --> 00:01:15,680

over my head virtually it wasn't far

39

00:01:18,310 --> 00:01:17,040

earth it was right over my head and very

40

00:01:20,230 --> 00:01:18,320

still

41

00:01:22,870 --> 00:01:20,240

there was a room of lights in the shape

42

00:01:24,870 --> 00:01:22,880

of a triangle it was just a tremendous

43

00:01:29,030 --> 00:01:24,880

object it was anywhere from wing tip to

44

00:01:31,749 --> 00:01:29,040

wingtip about 4 50 or 60 yards these

45

00:01:33,830 --> 00:01:31,759

were very very unusual lights i've never

46

00:01:35,749 --> 00:01:33,840

seen anything like it in my life and so

47

00:01:38,310 --> 00:01:35,759

i pulled my car over and i had to take a

48

00:01:39,270 --> 00:01:38,320

look and then one night he spotted this

49

00:01:40,390 --> 00:01:39,280

one

50

00:01:41,910 --> 00:01:40,400

round

51

00:01:43,350 --> 00:01:41,920

object

52

00:01:47,190 --> 00:01:43,360

and that's when he called me and he said

53

00:01:50,069 --> 00:01:47,200

quick let's get the camera and we did

54

00:01:52,230 --> 00:01:50,079

oh good god

55

00:01:53,830 --> 00:01:52,240

i don't know

56

00:01:57,590 --> 00:01:53,840

i'll be i'm gonna tell you something

57

00:01:59,109 --> 00:01:57,600

honey i don't know what the hell it is

58

00:02:02,069 --> 00:01:59,119

it's rotating

59

00:02:04,310 --> 00:02:02,079

9 000 odd people have seen this thing or

60

00:02:05,190 --> 00:02:04,320

whatever it is and

61

00:02:07,670 --> 00:02:05,200

they

62

00:02:09,589 --> 00:02:07,680

all just can't be crazy

63

00:02:11,270 --> 00:02:09,599

bob and laurie have two children they

64

00:02:12,309 --> 00:02:11,280

are concerned about what they saw in the

65

00:02:13,990 --> 00:02:12,319

sky

66

00:02:16,790 --> 00:02:14,000

they also wonder why the government

67

00:02:18,470 --> 00:02:16,800

hasn't investigated the event

68

00:02:20,470 --> 00:02:18,480

their concern is shared by david

69

00:02:23,430 --> 00:02:20,480

scarpino an accountant who works in new

70

00:02:25,030 --> 00:02:23,440

york city scarpino a family man has

71

00:02:26,470 --> 00:02:25,040

publicly called for a government

72

00:02:27,990 --> 00:02:26,480

investigation

73

00:02:30,710 --> 00:02:28,000

he and others like bill healey a

74

00:02:33,030 --> 00:02:30,720

meteorologist at the county airport made

75

00:02:34,869 --> 00:02:33,040

this demand at a town meeting

76

00:02:36,390 --> 00:02:34,879

public furore has been led by county

77

00:02:37,750 --> 00:02:36,400

clerk dennis sant

78

00:02:39,750 --> 00:02:37,760

sant feels that a government

79

00:02:41,589 --> 00:02:39,760

investigation is indicated by the fact

80

00:02:43,670 --> 00:02:41,599

that eyewitnesses have all reported

81

00:02:45,589 --> 00:02:43,680

seeing the same thing you know the

82

00:02:49,110 --> 00:02:45,599

movement was almost like a probing

83

00:02:52,309 --> 00:02:49,120

movement it was very slow and it stopped

84

00:02:54,470 --> 00:02:52,319

uh periodically and stationary where it

85

00:02:56,470 --> 00:02:54,480

just came to a standstill

86

00:02:58,470 --> 00:02:56,480

and then it would move to an another

87

00:03:01,430 --> 00:02:58,480

position and the movement from one

88

00:03:02,630 --> 00:03:01,440

position to another was just extremely

89

00:03:05,110 --> 00:03:02,640

slow

90

00:03:06,710 --> 00:03:05,120

now speed at which it was going at that

91

00:03:08,309 --> 00:03:06,720

point was very slow

92

00:03:10,309 --> 00:03:08,319

because i had to walk at a very slow

93

00:03:12,790 --> 00:03:10,319

delivery gate to keep up with just keep

94

00:03:14,869 --> 00:03:12,800

up the lights every step i took it moved

95

00:03:17,430 --> 00:03:14,879

a little bit it moved in a very straight

96

00:03:18,550 --> 00:03:17,440

line very slowly there was absolutely no

97

00:03:20,550 --> 00:03:18,560

noise

98

00:03:23,030 --> 00:03:20,560

when i walked away from it at that point

99

00:03:24,550 --> 00:03:23,040

it started to rotate virtually

100

00:03:27,270 --> 00:03:24,560

almost as it was on an axis it didn't

101  
00:03:29,589 --> 00:03:27,280  
make a big loop it just rotated it

102  
00:03:31,589 --> 00:03:29,599  
appeared as i said to rotate in the sky

103  
00:03:34,390 --> 00:03:31,599  
change lights aircraft

104  
00:03:36,309 --> 00:03:34,400  
i don't care how well precise you want

105  
00:03:37,589 --> 00:03:36,319  
to be in flying those suckers you're not

106  
00:03:38,550 --> 00:03:37,599  
going to be able to make them move 90

107  
00:03:40,229 --> 00:03:38,560  
degrees

108  
00:03:41,509 --> 00:03:40,239  
all right this thing did apparently

109  
00:03:43,670 --> 00:03:41,519  
rotate

110  
00:03:45,990 --> 00:03:43,680  
you can't do that with aircraft i know

111  
00:03:48,630 --> 00:03:46,000  
it wasn't it wasn't an light it wasn't a

112  
00:03:50,309 --> 00:03:48,640  
blimp it wasn't gas

113  
00:03:52,630 --> 00:03:50,319

no one's tried to tell me what it was

114

00:03:54,309 --> 00:03:52,640

but i know what it wasn't the government

115

00:03:55,429 --> 00:03:54,319

didn't come to me as a rational

116

00:03:57,110 --> 00:03:55,439

individual

117

00:03:59,270 --> 00:03:57,120

as an accountant i like

118

00:04:00,949 --> 00:03:59,280

concrete things i like evidence for them

119

00:04:02,309 --> 00:04:00,959

to say that i didn't see anything

120

00:04:03,670 --> 00:04:02,319

without really talking to me and

121

00:04:05,429 --> 00:04:03,680

investigating it

122

00:04:06,869 --> 00:04:05,439

it means that they were trying to hide

123

00:04:07,990 --> 00:04:06,879

something that was my feeling from the

124

00:04:09,910 --> 00:04:08,000

very beginning

125

00:04:10,949 --> 00:04:09,920

they know something

126

00:04:13,110 --> 00:04:10,959

okay

127

00:04:14,949 --> 00:04:13,120

they know something either they know

128

00:04:16,789 --> 00:04:14,959

that there's something up there

129

00:04:19,030 --> 00:04:16,799

and they don't they want to investigate

130

00:04:21,349 --> 00:04:19,040

it themselves and don't want other

131

00:04:23,670 --> 00:04:21,359

people trying to handle it

132

00:04:25,990 --> 00:04:23,680

or they're doing something but if
