

THIS IS THE HOUSE near Kelly where little men from out in space were supposed to have been seen last night. With the gun is Lucky Sutton looking up at the porch roof where one of the invaders supposedly sat. In the doorway is Billy Ray Taylor, who says his hair was pulled by the man on the roof.

Kelly Farmhouse Scene Of Alleged Raid By Strange Crew Last Night; Reports Say Bullets Failed To Affect Visitors

All kinds of investigations were going on today in connection with the bizarre story of how a space-ship carrying 12 to 15 little men landed in the Kelly community early last night and battled occupants of a farmhouse.

Most official of the probes was

went out of the house to get a bucket of water. He saw what looked like a flying saucer come over the trees and land in a field at a point about a city block behind the house. There was no explosion, only a semi-hissing sound, and the watcher returned to the house with the bucket of water.

00:00:43,590 --> 00:00:42,290
