

1  
00:00:05,670 --> 00:00:03,110  
jack weiner his brother jim weiner

2  
00:00:12,150 --> 00:00:05,680  
charlie folks and chuck

3  
00:00:16,470 --> 00:00:14,310  
the story which is in two books one is

4  
00:00:18,310 --> 00:00:16,480  
called secret life first-hand documented

5  
00:00:20,950 --> 00:00:18,320  
accounts of ufo abductions and the other

6  
00:00:23,429 --> 00:00:20,960  
is called the allagash abduction spoke

7  
00:00:26,390 --> 00:00:23,439  
fasting did any of you believe in ufos

8  
00:00:28,710 --> 00:00:26,400  
where you started out at that time

9  
00:00:30,390 --> 00:00:28,720  
met samantha what about you you believed

10  
00:00:33,270 --> 00:00:30,400  
in them you believe i always believe

11  
00:00:34,790 --> 00:00:33,280  
that um we can't possibly be the only

12  
00:00:36,950 --> 00:00:34,800  
planet in the universe that has

13  
00:00:38,310 --> 00:00:36,960

intelligent life on it okay

14

00:00:40,470 --> 00:00:38,320

and

15

00:00:41,910 --> 00:00:40,480

open-minded open-minded but did you ever

16

00:00:44,389 --> 00:00:41,920

sit around and say i really believe this

17

00:00:46,950 --> 00:00:44,399

you just gotta let it go yeah all right

18

00:00:48,869 --> 00:00:46,960

now you all met with college

19

00:00:50,950 --> 00:00:48,879

yes arts college

20

00:00:51,830 --> 00:00:50,960

massachusetts college of art in boston

21

00:00:53,510 --> 00:00:51,840

okay

22

00:00:54,869 --> 00:00:53,520

i all decided to go for a good week and

23

00:00:56,150 --> 00:00:54,879

what happened

24

00:00:58,470 --> 00:00:56,160

well we

25

00:01:01,270 --> 00:00:58,480

started out on the trip uh it's a normal

26

00:01:03,110 --> 00:01:01,280

camping trip landed we had to fly in it

27

00:01:05,350 --> 00:01:03,120

was a very remote area

28

00:01:07,830 --> 00:01:05,360

we flew into the lake northern northern

29

00:01:10,469 --> 00:01:07,840

maine oh yeah way up there okay way

30

00:01:13,510 --> 00:01:10,479

elegant almost in canada always again

31

00:01:15,590 --> 00:01:13,520

now something happened the first night

32

00:01:18,390 --> 00:01:15,600

the second night of the second night yes

33

00:01:20,710 --> 00:01:18,400

uh we were all camped on a beach um on

34

00:01:22,310 --> 00:01:20,720

chamberlain lake with a few other

35

00:01:24,310 --> 00:01:22,320

campers there might have been a dozen or

36

00:01:26,310 --> 00:01:24,320

14 other campers there

37

00:01:29,910 --> 00:01:26,320

and we saw a very bright light in the

38

00:01:31,990 --> 00:01:29,920

sky with that had a reddish cast to it

39

00:01:34,390 --> 00:01:32,000

to the east and we thought it might have

40

00:01:35,990 --> 00:01:34,400

been mars right it was so bright

41

00:01:38,149 --> 00:01:36,000

uh we didn't know what to make of it but

42

00:01:40,950 --> 00:01:38,159

then it just did something strange it

43

00:01:43,270 --> 00:01:40,960

collapsed on itself it became inverted

44

00:01:45,990 --> 00:01:43,280

and closed in like an eyelid coming over

45

00:01:47,510 --> 00:01:46,000

an eye and then it disappeared okay then

46

00:01:49,350 --> 00:01:47,520

everything is fine

47

00:01:51,510 --> 00:01:49,360

and then what happened two days later or

48

00:01:52,710 --> 00:01:51,520

two nights later well two nights later

49

00:01:55,270 --> 00:01:52,720

we were at

50

00:01:57,590 --> 00:01:55,280

a different campsite on a different lake

51

00:01:59,910 --> 00:01:57,600

it's called uh eagle lake

52

00:02:01,830 --> 00:01:59,920

and uh we decided that we would go out

53

00:02:04,789 --> 00:02:01,840

and do some night fishing

54

00:02:07,109 --> 00:02:04,799

so all four of us climbed into a single

55

00:02:08,869 --> 00:02:07,119

canoe with our fishing gear after laying

56

00:02:10,710 --> 00:02:08,879

a big fire so that i knew how to get

57

00:02:12,550 --> 00:02:10,720

back it was there was no moon that night

58

00:02:14,630 --> 00:02:12,560

and we had to lay a big fire that would

59

00:02:16,150 --> 00:02:14,640

last for about three hours and jack was

60

00:02:17,670 --> 00:02:16,160

you were quite concerned that it was

61

00:02:19,270 --> 00:02:17,680

going to burn the whole floor that's

62

00:02:21,589 --> 00:02:19,280

right i remember i kept complaining that

63

00:02:22,869 --> 00:02:21,599

we almost made the fire too big okay so

64

00:02:24,309 --> 00:02:22,879

you should find your way back you all

65

00:02:26,550 --> 00:02:24,319

get in the canoe and we all get in the

66

00:02:27,910 --> 00:02:26,560

canoe and go out to go fishing how far

67

00:02:29,910 --> 00:02:27,920

out did you go

68

00:02:32,869 --> 00:02:29,920

we were about two-thirds of the way

69

00:02:35,190 --> 00:02:32,879

across a narrow

70

00:02:37,509 --> 00:02:35,200

inlet where we were

71

00:02:38,869 --> 00:02:37,519

camping was approximately 300 or so

72

00:02:40,869 --> 00:02:38,879

yards wide

73

00:02:43,910 --> 00:02:40,879

and we were about a hundred yards from

74

00:02:46,309 --> 00:02:43,920

uh the far shore from our campsite

75

00:02:49,509 --> 00:02:46,319

when uh

76

00:02:51,509 --> 00:02:49,519

well we were out just you know trying to

77

00:02:53,110 --> 00:02:51,519

catch a few fish and a little while

78

00:02:55,509 --> 00:02:53,120

later we found out we were catch of the

79

00:02:57,750 --> 00:02:55,519

day how what what what physically

80

00:03:00,790 --> 00:02:57,760

happened what what did you see what came

81

00:03:02,229 --> 00:03:00,800

down uh it started uh because we were

82

00:03:04,710 --> 00:03:02,239

getting bit up by mosquitoes and we

83

00:03:06,309 --> 00:03:04,720

started towards our campfire and i was

84

00:03:08,470 --> 00:03:06,319

in the back of the canoe and i noticed

85

00:03:10,229 --> 00:03:08,480

it first i felt like someone was staring

86

00:03:12,869 --> 00:03:10,239

at me on a subway that's the feeling i

87

00:03:14,630 --> 00:03:12,879

had i turned around to look over my

88

00:03:16,630 --> 00:03:14,640

right shoulder and there was a ball of

89

00:03:19,030 --> 00:03:16,640

light and you haven't been sketching all

90

00:03:22,070 --> 00:03:19,040

of this yes and this is just a few

91

00:03:24,470 --> 00:03:22,080

minutes sketch but it it was above the

92

00:03:25,430 --> 00:03:24,480

lakeshore above the water

93

00:03:27,350 --> 00:03:25,440

and

94

00:03:29,270 --> 00:03:27,360

it had a

95

00:03:31,830 --> 00:03:29,280

a sort of an energy pathway around the

96

00:03:33,509 --> 00:03:31,840

polar and equatorial sides of the thing

97

00:03:36,070 --> 00:03:33,519

dividing it into four oscillating

98

00:03:39,030 --> 00:03:36,080

quadrants of colored light and it looked

99

00:03:41,670 --> 00:03:39,040

very liquid in appearance and the color

100

00:03:43,110 --> 00:03:41,680

changes went from red to green to bright

101  
00:03:44,550 --> 00:03:43,120  
yellow white

102  
00:03:46,710 --> 00:03:44,560  
and they seemed to

103  
00:03:47,910 --> 00:03:46,720  
follow this gyroscopic pattern okay let

104  
00:03:49,990 --> 00:03:47,920  
me ask you like i don't know why i'm

105  
00:03:52,630 --> 00:03:50,000  
messing you jim don't take this person

106  
00:03:54,869 --> 00:03:52,640  
you're on drugs no

107  
00:03:56,470 --> 00:03:54,879  
but you're drinking just four guys

108  
00:03:58,830 --> 00:03:56,480  
absolutely not students are having a

109  
00:04:02,149 --> 00:03:58,840  
good time couple of beers no it's not

110  
00:04:03,190 --> 00:04:02,159  
allowed to new trip well

111  
00:04:05,509 --> 00:04:03,200  
not really

112  
00:04:08,789 --> 00:04:05,519  
it's simply not allowed and and when you

113  
00:04:11,030 --> 00:04:08,799

um check in to the to the lake system

114

00:04:13,030 --> 00:04:11,040

there's a ranger that comes and and you

115

00:04:15,190 --> 00:04:13,040

have to register and they check you they

116

00:04:17,990 --> 00:04:15,200

ask you and they look give you a good

117

00:04:20,229 --> 00:04:18,000

look over and if they do find alcohol or

118

00:04:22,550 --> 00:04:20,239

drugs you're out without a refund

119

00:04:24,230 --> 00:04:22,560

absolutely sober okay now you see this

120

00:04:27,030 --> 00:04:24,240

ball of life

121

00:04:29,189 --> 00:04:27,040

what came next well we were watching it

122

00:04:31,430 --> 00:04:29,199

it had no sound we were downwind from it

123

00:04:33,189 --> 00:04:31,440

no noise whatsoever no worrying no

124

00:04:35,590 --> 00:04:33,199

humming no purring

125

00:04:37,990 --> 00:04:35,600

no sound of wind absolutely nothing and

126  
00:04:40,710 --> 00:04:38,000  
it was huge it was as big as a two-story

127  
00:04:42,310 --> 00:04:40,720  
building perfectly spherical

128  
00:04:44,629 --> 00:04:42,320  
people talk to each other did you say oh

129  
00:04:47,350 --> 00:04:44,639  
my god yeah we were like holy mackerel

130  
00:04:49,110 --> 00:04:47,360  
what is this and we knew that it was

131  
00:04:51,749 --> 00:04:49,120  
what we had seen two days before it's

132  
00:04:53,270 --> 00:04:51,759  
the same quality of light so at first we

133  
00:04:54,710 --> 00:04:53,280  
thought well geez is it a weather

134  
00:04:56,629 --> 00:04:54,720  
balloon no it doesn't look like a

135  
00:04:58,390 --> 00:04:56,639  
weather balloon it's too big we thought

136  
00:05:01,029 --> 00:04:58,400  
well it can't be a helicopter there's no

137  
00:05:03,110 --> 00:05:01,039  
noise so i mean we were like geez

138  
00:05:04,310 --> 00:05:03,120

that's got to be a ufo what else could

139

00:05:06,150 --> 00:05:04,320

it possibly be

140

00:05:08,550 --> 00:05:06,160

will you fly i mean i would be in that

141

00:05:12,390 --> 00:05:08,560

water and swimming ashore like

142

00:05:16,150 --> 00:05:14,150

we had mixed feelings i mean you're

143

00:05:17,749 --> 00:05:16,160

you're literally awed by this site

144

00:05:19,110 --> 00:05:17,759

because while you're looking at this

145

00:05:21,029 --> 00:05:19,120

you're thinking you're going through all

146

00:05:22,390 --> 00:05:21,039

this thing what is this it's not this

147

00:05:24,150 --> 00:05:22,400

it's not that sooner or later you come

148

00:05:25,270 --> 00:05:24,160

to the conclusion well it's got to be a

149

00:05:27,830 --> 00:05:25,280

ufo

150

00:05:30,950 --> 00:05:27,840

that part of it is it leaves you

151  
00:05:32,710 --> 00:05:30,960  
awestruck i mean absolutely awesome

152  
00:05:34,390 --> 00:05:32,720  
well you get you get a little frightened

153  
00:05:36,950 --> 00:05:34,400  
too at least we got a little right now

154  
00:05:39,110 --> 00:05:36,960  
charlie our truck he

155  
00:05:41,029 --> 00:05:39,120  
remained a little calmer he seemed to be

156  
00:05:42,230 --> 00:05:41,039  
a little more calm with it all

157  
00:05:44,950 --> 00:05:42,240  
so um

158  
00:05:47,510 --> 00:05:44,960  
the feelings are mixed well you signaled

159  
00:05:48,870 --> 00:05:47,520  
yeah i took the flashlight and flashed

160  
00:05:51,189 --> 00:05:48,880  
at it it

161  
00:05:53,029 --> 00:05:51,199  
remained stationary after we first saw

162  
00:05:55,029 --> 00:05:53,039  
it appear

163  
00:05:56,950 --> 00:05:55,039

above the tree tops

164

00:06:00,629 --> 00:05:56,960

and we just sat

165

00:06:02,550 --> 00:06:00,639

looking at it going whoa look at that

166

00:06:05,189 --> 00:06:02,560

then it started moving as we were

167

00:06:07,510 --> 00:06:05,199

viewing it to our right and when it

168

00:06:08,469 --> 00:06:07,520

moved a few yards i picked a flashlight

169

00:06:11,670 --> 00:06:08,479

up and

170

00:06:13,510 --> 00:06:11,680

flashed at it at which point it

171

00:06:15,830 --> 00:06:13,520

had a large light

172

00:06:17,430 --> 00:06:15,840

immediately hit the water surface and

173

00:06:21,189 --> 00:06:17,440

both it and the light started

174

00:06:22,629 --> 00:06:21,199

approaching us now then what happened

175

00:06:25,029 --> 00:06:22,639

the lights look can you get a picture of

176

00:06:27,909 --> 00:06:25,039

that the light came down out of it when

177

00:06:29,430 --> 00:06:27,919

you flashed it right all right and

178

00:06:31,189 --> 00:06:29,440

approach the boat

179

00:06:32,870 --> 00:06:31,199

and then what happened we decided we

180

00:06:34,710 --> 00:06:32,880

could see it just as good from shore as

181

00:06:36,629 --> 00:06:34,720

we could from

182

00:06:40,390 --> 00:06:36,639

where we started to get the show right

183

00:06:42,550 --> 00:06:40,400

and did it follow you yes oh yes it

184

00:06:45,270 --> 00:06:42,560

came right up behind us

185

00:06:46,150 --> 00:06:45,280

did it envelop you um well the the light

186

00:06:49,189 --> 00:06:46,160

was

187

00:06:50,950 --> 00:06:49,199

on the water behind the canoe and um i

188

00:06:53,189 --> 00:06:50,960

remember paddling out the side of the

189

00:06:55,350 --> 00:06:53,199

canoe with my hand because at this point

190

00:06:57,749 --> 00:06:55,360

we just wanted to get away from you yeah

191

00:06:59,909 --> 00:06:57,759

and uh suddenly i was looking over my

192

00:07:02,309 --> 00:06:59,919

shoulder while i was paddling and it was

193

00:07:03,270 --> 00:07:02,319

getting very very close and it seemed to

194

00:07:04,550 --> 00:07:03,280

be

195

00:07:06,710 --> 00:07:04,560

uh

196

00:07:08,230 --> 00:07:06,720

closer than it should be like at one

197

00:07:10,550 --> 00:07:08,240

point it was way back there and all of a

198

00:07:13,110 --> 00:07:10,560

sudden it was right behind us and the

199

00:07:15,589 --> 00:07:13,120

beam of light was coming right up to the

200

00:07:18,150 --> 00:07:15,599

back of the canoe and at that moment i

201  
00:07:20,230 --> 00:07:18,160  
knew in my mind that we weren't going to

202  
00:07:22,230 --> 00:07:20,240  
out paddle this light that

203  
00:07:23,510 --> 00:07:22,240  
this was it they they were going to get

204  
00:07:25,189 --> 00:07:23,520  
us right

205  
00:07:27,749 --> 00:07:25,199  
then what happened

206  
00:07:30,390 --> 00:07:27,759  
do you remember at that point we have a

207  
00:07:32,469 --> 00:07:30,400  
period of of time where we are very

208  
00:07:34,150 --> 00:07:32,479  
confused or can't remember how we got to

209  
00:07:36,870 --> 00:07:34,160  
shore and how we got the camp the next

210  
00:07:38,629 --> 00:07:36,880  
thing you all logically remembered was

211  
00:07:40,390 --> 00:07:38,639  
being on the beach

212  
00:07:42,550 --> 00:07:40,400  
watching it we took we got to the beach

213  
00:07:44,629 --> 00:07:42,560

we got out of the canoe we turned around

214

00:07:47,110 --> 00:07:44,639

it was right in front of us and we

215

00:07:48,950 --> 00:07:47,120

watched it for a few moment moments

216

00:07:50,070 --> 00:07:48,960

and then it appeared

217

00:07:51,990 --> 00:07:50,080

to

218

00:07:53,189 --> 00:07:52,000

implode blink out on itself it was a

219

00:07:55,110 --> 00:07:53,199

very strange way of doing it it was

220

00:07:57,029 --> 00:07:55,120

almost like the light goes

221

00:07:59,430 --> 00:07:57,039

like that and it was at first we thought

222

00:08:00,790 --> 00:07:59,440

it vanished then we saw it moving up

223

00:08:03,029 --> 00:08:00,800

through the sky

224

00:08:05,350 --> 00:08:03,039

and the beam was still going up into the

225

00:08:07,430 --> 00:08:05,360

sky and it was it was kind of like

226

00:08:10,629 --> 00:08:07,440

eclipsing almost as if the light was

227

00:08:12,629 --> 00:08:10,639

going through and like when the moon

228

00:08:14,790 --> 00:08:12,639

eclipses and phases

229

00:08:17,270 --> 00:08:14,800

that's the appearance it was and within

230

00:08:20,230 --> 00:08:17,280

seconds this thing had gone up and

231

00:08:22,550 --> 00:08:20,240

became a star it moved around to the

232

00:08:24,230 --> 00:08:22,560

southwest on the horizon and then just

233

00:08:26,469 --> 00:08:24,240

disappeared out of sight now what about

234

00:08:29,110 --> 00:08:26,479

the fire you left what

235

00:08:31,589 --> 00:08:29,120

a few minutes ago you thought a rainbow

236

00:08:33,589 --> 00:08:31,599

yeah about 20 minutes ago we figured we

237

00:08:34,949 --> 00:08:33,599

had gone out under the water

238

00:08:38,070 --> 00:08:34,959

and when we

239

00:08:40,709 --> 00:08:38,080

walked back to the campsite saying wow

240

00:08:41,829 --> 00:08:40,719

it was incredible what do you think

241

00:08:44,949 --> 00:08:41,839

about it

242

00:08:47,829 --> 00:08:44,959

and uh got up to the campfire

243

00:08:49,750 --> 00:08:47,839

and said geez you know the fire's out do

244

00:08:51,910 --> 00:08:49,760

you think we should you know make build

245

00:08:54,949 --> 00:08:51,920

it up again everybody said now

246

00:08:56,790 --> 00:08:54,959

now leave it leave it out so

247

00:08:58,310 --> 00:08:56,800

we pretty much all

248

00:08:59,829 --> 00:08:58,320

crashed and turned in for the night

249

00:09:01,750 --> 00:08:59,839

about that built a fire that should have

250

00:09:04,310 --> 00:09:01,760

lasted three hours three hours four

251  
00:09:06,870 --> 00:09:04,320  
hours or five hours even we had huge

252  
00:09:08,070 --> 00:09:06,880  
logs on this fire ten inch diameter yeah

253  
00:09:10,389 --> 00:09:08,080  
and they would have burned along

254  
00:09:12,389 --> 00:09:10,399  
obviously but did you say to each other

255  
00:09:14,470 --> 00:09:12,399  
if it flies out

256  
00:09:16,470 --> 00:09:14,480  
that means time no time

257  
00:09:18,310 --> 00:09:16,480  
it was it was very strange joan because

258  
00:09:20,470 --> 00:09:18,320  
we were all

259  
00:09:23,430 --> 00:09:20,480  
we we just had this this feeling of

260  
00:09:25,590 --> 00:09:23,440  
being tired and we wanted to go to bed i

261  
00:09:27,030 --> 00:09:25,600  
liken it to having a local anesthetic if

262  
00:09:29,269 --> 00:09:27,040  
you have an injury to your finger the

263  
00:09:30,710 --> 00:09:29,279

doctor will freeze your your limb and

264

00:09:32,790 --> 00:09:30,720

you'll become very relaxed and

265

00:09:34,949 --> 00:09:32,800

unconcerned right and that's the feeling

266

00:09:36,790 --> 00:09:34,959

we had very unconcerned did you tell

267

00:09:38,310 --> 00:09:36,800

anybody did you talk about this among

268

00:09:39,269 --> 00:09:38,320

yourselves and tell everyone go back and

269

00:09:40,630 --> 00:09:39,279

say you're not going to believe what

270

00:09:43,350 --> 00:09:40,640

happened with that this light was coming

271

00:09:45,910 --> 00:09:43,360

after me and i was crazed well the next

272

00:09:47,910 --> 00:09:45,920

day um we talked about it a little which

273

00:09:48,870 --> 00:09:47,920

was unusual because you'd think that

274

00:09:50,550 --> 00:09:48,880

something

275

00:09:52,070 --> 00:09:50,560

like that we would that's all we would

276

00:09:54,710 --> 00:09:52,080

talk about but we didn't talk about it

277

00:09:57,030 --> 00:09:54,720

much we were still kind of in shock from

278

00:09:59,030 --> 00:09:57,040

it all right and by the end of the next

279

00:10:00,870 --> 00:09:59,040

day we were kind of coming out of the

280

00:10:02,870 --> 00:10:00,880

shock and we started to talk among

281

00:10:05,190 --> 00:10:02,880

ourselves a little bit more and when we

282

00:10:07,670 --> 00:10:05,200

got to our next campsite

283

00:10:10,069 --> 00:10:07,680

we signaled a ranger who was crossing

284

00:10:12,389 --> 00:10:10,079

the lake on the boat to come over

285

00:10:14,630 --> 00:10:12,399

and when the ranger came over

286

00:10:16,750 --> 00:10:14,640

we told him about the sighting and what

287

00:10:19,829 --> 00:10:16,760

did he say

288

00:10:21,509 --> 00:10:19,839

yeah are you on drugs are you drinking

289

00:10:23,590 --> 00:10:21,519

he said what i said right did you get

290

00:10:25,430 --> 00:10:23,600

your going out fellas yeah yeah quick

291

00:10:27,350 --> 00:10:25,440

main accent he says you know they they

292

00:10:29,269 --> 00:10:27,360

had this uh opening for a hardware store

293

00:10:30,949 --> 00:10:29,279

down millinocket and they brought a

294

00:10:32,470 --> 00:10:30,959

couple of searchlights and they they

295

00:10:33,910 --> 00:10:32,480

crisscross them in the sky out of a

296

00:10:36,550 --> 00:10:33,920

batman pickup truck that's probably what

297

00:10:38,550 --> 00:10:36,560

you guys are so that's kind of now 90

298

00:10:39,750 --> 00:10:38,560

miles away was millennia and he thought

299

00:10:41,110 --> 00:10:39,760

that's what it was with two lights

300

00:10:42,630 --> 00:10:41,120

crossing

301  
00:10:44,550 --> 00:10:42,640  
you know john you know like a lot of

302  
00:10:46,470 --> 00:10:44,560  
times you can tell by a person's facial

303  
00:10:47,509 --> 00:10:46,480  
expressions in their eyes when they're

304  
00:10:53,430 --> 00:10:47,519  
lying

305  
00:10:56,470 --> 00:10:53,440  
right away that he knew what we were

306  
00:10:57,269 --> 00:10:56,480  
talking about and he he was trying to

307  
00:11:00,389 --> 00:10:57,279  
to

308  
00:11:02,870 --> 00:11:00,399  
commercial let me come back we're going

309  
00:11:03,829 --> 00:11:02,880  
to talk about what happened and how you

310  
00:11:07,590 --> 00:11:03,839  
all

311  
00:11:10,389 --> 00:11:07,600  
years later and we will be back because

312  
00:11:12,630 --> 00:11:10,399  
12 years later 12 years later they found

313  
00:11:15,050 --> 00:11:12,640

out that they really were abducted by

314

00:11:23,190 --> 00:11:15,060

aliens fascinating

315

00:11:27,750 --> 00:11:25,190

we are back and we are talking with four

316

00:11:30,069 --> 00:11:27,760

men who underwent a mysterious alien

317

00:11:31,590 --> 00:11:30,079

abduction uh when they were still going

318

00:11:34,230 --> 00:11:31,600

to school and now

319

00:11:36,790 --> 00:11:34,240

12 years later are talking about what

320

00:11:39,509 --> 00:11:36,800

what happened it started in 1988. this

321

00:11:41,030 --> 00:11:39,519

happened in 1976 right and then you all

322

00:11:42,790 --> 00:11:41,040

went back you went to school you got

323

00:11:45,350 --> 00:11:42,800

married you had lives

324

00:11:47,430 --> 00:11:45,360

what happened in 1988 that kicked off

325

00:11:49,910 --> 00:11:47,440

this whole thing what started it all was

326

00:11:53,590 --> 00:11:49,920

i was being treated at a a local

327

00:11:55,350 --> 00:11:53,600

hospital in my town for a an epilepsy a

328

00:11:57,829 --> 00:11:55,360

seizure disorder that i had gotten from

329

00:12:00,069 --> 00:11:57,839

a head injury i had a very bad accident

330

00:12:02,230 --> 00:12:00,079

right and i was being treated for that

331

00:12:04,150 --> 00:12:02,240

and one of the type of epilepsy i have

332

00:12:06,550 --> 00:12:04,160

is temporal lobe limbic which means

333

00:12:08,150 --> 00:12:06,560

temporolimbic epilepsy it affects

334

00:12:10,069 --> 00:12:08,160

oh gosh all kinds of things a lot of

335

00:12:12,710 --> 00:12:10,079

parasympathetic functions breathing

336

00:12:13,590 --> 00:12:12,720

heart rate temperature control

337

00:12:15,670 --> 00:12:13,600

uh

338

00:12:17,990 --> 00:12:15,680

affects my olfactory

339

00:12:20,470 --> 00:12:18,000

sense so i smell things i have time

340

00:12:22,069 --> 00:12:20,480

displacements where i get confused about

341

00:12:24,870 --> 00:12:22,079

what's happening in the immediate time

342

00:12:26,230 --> 00:12:24,880

lots and lots of things right

343

00:12:28,710 --> 00:12:26,240

and this came from an accident that

344

00:12:31,910 --> 00:12:28,720

occurred in 1978 okay

345

00:12:35,509 --> 00:12:31,920

and so i was being treated for this and

346

00:12:37,829 --> 00:12:35,519

uh at that time i was having these uh

347

00:12:40,389 --> 00:12:37,839

bedroom experiences where i would wake

348

00:12:42,069 --> 00:12:40,399

up at night and there was

349

00:12:43,910 --> 00:12:42,079

something in my bedroom that was trying

350

00:12:46,389 --> 00:12:43,920

to pull my covers off the bed i could

351  
00:12:48,470 --> 00:12:46,399  
feel them trying to pull me out of bed i

352  
00:12:51,350 --> 00:12:48,480  
would be either totally or partially

353  
00:12:53,350 --> 00:12:51,360  
paralyzed i would hear a voice

354  
00:12:55,269 --> 00:12:53,360  
next to my ear that sounded like

355  
00:12:56,790 --> 00:12:55,279  
something was trying to talk to me but i

356  
00:12:59,350 --> 00:12:56,800  
could never understand what it was would

357  
00:13:01,030 --> 00:12:59,360  
you like to hear what yeah i know

358  
00:13:01,750 --> 00:13:01,040  
this is exactly what it sounded like was

359  
00:13:03,590 --> 00:13:01,760  
like

360  
00:13:04,470 --> 00:13:03,600  
wow yeah

361  
00:13:09,269 --> 00:13:04,480  
yeah

362  
00:13:12,310 --> 00:13:09,279  
you think if you if i just got a little

363  
00:13:14,790 --> 00:13:12,320

closer i could get it but you never do

364

00:13:16,790 --> 00:13:14,800

but you can't move you feel terrified

365

00:13:18,870 --> 00:13:16,800

you know there's something in your room

366

00:13:20,389 --> 00:13:18,880

they're doing something to you and you

367

00:13:23,110 --> 00:13:20,399

can't there's absolutely nothing you can

368

00:13:24,470 --> 00:13:23,120

do about it and you swear you're awake i

369

00:13:26,710 --> 00:13:24,480

mean it's one thing if you wake up and

370

00:13:29,269 --> 00:13:26,720

say oh what a terrible nightmare i've

371

00:13:31,350 --> 00:13:29,279

just had but when you absolutely believe

372

00:13:33,430 --> 00:13:31,360

that you're awake during this kind of

373

00:13:36,389 --> 00:13:33,440

event it really does some serious things

374

00:13:38,230 --> 00:13:36,399

to your mind right and so uh i got in

375

00:13:39,990 --> 00:13:38,240

the habit where i wasn't i was afraid

376

00:13:41,829 --> 00:13:40,000

literally afraid to go to sleep at night

377

00:13:44,310 --> 00:13:41,839

i was going around the house locking the

378

00:13:46,629 --> 00:13:44,320

windows i was literally padlocking

379

00:13:48,470 --> 00:13:46,639

myself into my bedroom because i thought

380

00:13:50,230 --> 00:13:48,480

whatever it was i could keep it out you

381

00:13:51,990 --> 00:13:50,240

were married this time no no i wasn't

382

00:13:53,670 --> 00:13:52,000

married at this time i'm single and i

383

00:13:55,509 --> 00:13:53,680

was living with other roommates at the

384

00:13:56,790 --> 00:13:55,519

time in fact charles was one of them

385

00:13:58,069 --> 00:13:56,800

charlie was one of the roommates i was

386

00:14:00,069 --> 00:13:58,079

living with charlie and three other

387

00:14:01,750 --> 00:14:00,079

roommates in an apartment

388

00:14:04,150 --> 00:14:01,760

and of course they noticed i was being a

389

00:14:05,990 --> 00:14:04,160

little strange

390

00:14:07,910 --> 00:14:06,000

and of course i wasn't sleeping my

391

00:14:09,829 --> 00:14:07,920

seizure activity started going up the

392

00:14:11,509 --> 00:14:09,839

doctors at the hospital started asking

393

00:14:13,030 --> 00:14:11,519

me questions about it well at first i

394

00:14:15,030 --> 00:14:13,040

didn't want to talk about it because i

395

00:14:16,870 --> 00:14:15,040

didn't want them to think i was crazy

396

00:14:18,069 --> 00:14:16,880

well eventually they said well jim if

397

00:14:19,509 --> 00:14:18,079

you don't talk to us about it we're

398

00:14:20,949 --> 00:14:19,519

gonna drop you as a patient we know

399

00:14:22,389 --> 00:14:20,959

there's something wrong we can see

400

00:14:24,389 --> 00:14:22,399

you're not sleeping your seizure

401

00:14:26,150 --> 00:14:24,399

activity is going up if you talk to us

402

00:14:27,670 --> 00:14:26,160

or you're out of here right so i mean

403

00:14:30,150 --> 00:14:27,680

you know they bit my arm and i had to

404

00:14:32,550 --> 00:14:30,160

tell them but when i told them they were

405

00:14:34,470 --> 00:14:32,560

holy mackerel what do we do now guys in

406

00:14:35,269 --> 00:14:34,480

that case the guys in that case are we

407

00:14:36,790 --> 00:14:35,279

are

408

00:14:39,509 --> 00:14:36,800

if he isn't we don't know how to deal

409

00:14:41,030 --> 00:14:39,519

with them right so uh but actually the

410

00:14:42,629 --> 00:14:41,040

psychiatrist that i was seeing who

411

00:14:45,509 --> 00:14:42,639

specialized in the temporal index

412

00:14:47,350 --> 00:14:45,519

epilepsy was he was a really really good

413

00:14:50,230 --> 00:14:47,360

person not just a good psychiatrist but

414

00:14:52,310 --> 00:14:50,240

a very good person and he said look jim

415

00:14:55,269 --> 00:14:52,320

i'll see what i can do maybe i can find

416

00:14:56,710 --> 00:14:55,279

someone in somewhere who deals with

417

00:14:58,230 --> 00:14:56,720

people like you

418

00:15:00,069 --> 00:14:58,240

and i said okay i would really

419

00:15:02,069 --> 00:15:00,079

appreciate that and

420

00:15:03,430 --> 00:15:02,079

about a week later he called me on the

421

00:15:06,230 --> 00:15:03,440

phone and he said well you know jim

422

00:15:07,829 --> 00:15:06,240

there's a ufo convention being held at a

423

00:15:09,750 --> 00:15:07,839

neighboring town

424

00:15:11,590 --> 00:15:09,760

and ray fowler is going to be there and

425

00:15:13,829 --> 00:15:11,600

at that time i believe ray fowler was

426  
00:15:15,030 --> 00:15:13,839  
the head of northeast investigations for

427  
00:15:16,790 --> 00:15:15,040  
mufon

428  
00:15:17,750 --> 00:15:16,800  
so he said why don't you go talk to this

429  
00:15:18,550 --> 00:15:17,760  
guy

430  
00:15:20,629 --> 00:15:18,560  
uh

431  
00:15:22,389 --> 00:15:20,639  
i'm sure he'll know who he can who you

432  
00:15:24,389 --> 00:15:22,399  
can be referred to for help you

433  
00:15:26,470 --> 00:15:24,399  
obviously need it right so i did that's

434  
00:15:29,189 --> 00:15:26,480  
how i ran into ray fowler i went to this

435  
00:15:30,389 --> 00:15:29,199  
convention uh and i talked to ray i told

436  
00:15:32,710 --> 00:15:30,399  
him the story

437  
00:15:34,310 --> 00:15:32,720  
and he was there um

438  
00:15:36,150 --> 00:15:34,320

i think he was lecturing or selling one

439

00:15:38,870 --> 00:15:36,160

of his previous books because he has a

440

00:15:40,949 --> 00:15:38,880

few out and he said to you to what to

441

00:15:42,710 --> 00:15:40,959

have hypnosis he

442

00:15:44,550 --> 00:15:42,720

he that yeah he that's exactly what he

443

00:15:47,189 --> 00:15:44,560

said the thing that tipped him off was

444

00:15:49,590 --> 00:15:47,199

this twin business um you know i mean

445

00:15:51,350 --> 00:15:49,600

what he i he i we told the story and i

446

00:15:53,350 --> 00:15:51,360

said well my identical twin and two

447

00:15:54,949 --> 00:15:53,360

other friends he goes wait did you say

448

00:15:57,670 --> 00:15:54,959

identical twin

449

00:15:59,910 --> 00:15:57,680

and i said yes he said come here he took

450

00:16:02,870 --> 00:15:59,920

me in a side room and made me tell him

451  
00:16:04,550 --> 00:16:02,880  
everything and why identical twins well

452  
00:16:07,269 --> 00:16:04,560  
i think this is one of the few cases

453  
00:16:08,870 --> 00:16:07,279  
that involves identical twins it's also

454  
00:16:11,590 --> 00:16:08,880  
one of the few cases that involves a

455  
00:16:13,749 --> 00:16:11,600  
multiple abductions now when they

456  
00:16:15,269 --> 00:16:13,759  
hypnotized you they thought you

457  
00:16:21,189 --> 00:16:15,279  
remembered

458  
00:16:23,509 --> 00:16:21,199  
around us all of us so they decided to

459  
00:16:25,749 --> 00:16:23,519  
take all of you and hypnotize all of you

460  
00:16:28,150 --> 00:16:25,759  
right and you all

461  
00:16:30,790 --> 00:16:28,160  
remember the same things now we have a

462  
00:16:33,189 --> 00:16:30,800  
tape who is the tape of

463  
00:16:35,350 --> 00:16:33,199

we have an audio tapers of youtube this

464

00:16:37,189 --> 00:16:35,360

is one of the audio tapes of you being

465

00:16:38,629 --> 00:16:37,199

hypnotized we've never heard the tape so

466

00:16:40,150 --> 00:16:38,639

this is going to be interesting and this

467

00:16:42,550 --> 00:16:40,160

is a tape review under hypnosis

468

00:16:43,590 --> 00:16:42,560

describing the beginning part of going

469

00:16:45,990 --> 00:16:43,600

on

470

00:16:47,910 --> 00:16:46,000

the the ship i think we hear the tape

471

00:17:00,150 --> 00:16:47,920

no doubt it was a tube

472

00:17:08,309 --> 00:17:02,790

i don't like that feeling it's like

473

00:17:14,630 --> 00:17:10,150

that's what was scary

474

00:17:20,470 --> 00:17:17,350

not

475

00:17:21,510 --> 00:17:20,480

perceiving

476

00:17:24,309 --> 00:17:21,520

time

477

00:17:26,710 --> 00:17:24,319

the tube is this is going up there i can

478

00:17:28,630 --> 00:17:26,720

tell it's pretty obvious to me that if

479

00:17:30,470 --> 00:17:28,640

we could look up that tube

480

00:17:32,390 --> 00:17:30,480

whoever was at the other end could look

481

00:17:34,630 --> 00:17:32,400

down

482

00:17:36,950 --> 00:17:34,640

and i was

483

00:17:38,549 --> 00:17:36,960

i was just terrified about what whatever

484

00:17:40,070 --> 00:17:38,559

it was that was in the other end of that

485

00:17:43,830 --> 00:17:40,080

tube wanted one

486

00:17:49,990 --> 00:17:47,669

oh that's heavy now you all began to go

487

00:17:52,230 --> 00:17:50,000

through this hypnosis okay

488

00:17:54,150 --> 00:17:52,240

what did the two you all went up the

489

00:17:56,310 --> 00:17:54,160

tube this was found out by each one of

490

00:17:58,710 --> 00:17:56,320

you independently separately they

491

00:18:00,390 --> 00:17:58,720

hypnotized until the kind of same thing

492

00:18:02,230 --> 00:18:00,400

that's right all right now that was the

493

00:18:04,070 --> 00:18:02,240

start of the tube you were taking up the

494

00:18:06,470 --> 00:18:04,080

tube what were you did you all find that

495

00:18:09,350 --> 00:18:06,480

happen during hypnosis

496

00:18:11,750 --> 00:18:09,360

um well the next thing i remembered um

497

00:18:14,789 --> 00:18:11,760

after going up the tube

498

00:18:17,350 --> 00:18:14,799

was um i was aware that i was lying on

499

00:18:19,830 --> 00:18:17,360

my back lying on your back flat on my

500

00:18:21,830 --> 00:18:19,840

back and the first thing i noticed were

501  
00:18:24,230 --> 00:18:21,840  
my bare feet

502  
00:18:25,750 --> 00:18:24,240  
and then i noticed that i was naked and

503  
00:18:27,590 --> 00:18:25,760  
i was wondering

504  
00:18:28,710 --> 00:18:27,600  
you know how did i get naked and where

505  
00:18:31,750 --> 00:18:28,720  
am i

506  
00:18:32,710 --> 00:18:31,760  
and it was in a brightly a very bright

507  
00:18:34,789 --> 00:18:32,720  
room

508  
00:18:36,150 --> 00:18:34,799  
without any details i couldn't see

509  
00:18:38,630 --> 00:18:36,160  
anything really

510  
00:18:41,270 --> 00:18:38,640  
and all i could move were my eyes i

511  
00:18:44,070 --> 00:18:41,280  
couldn't move any any of my limbs

512  
00:18:45,990 --> 00:18:44,080  
tied down or just no i i didn't i did i

513  
00:18:48,070 --> 00:18:46,000

wasn't tied down i was just laying flat

514

00:18:50,470 --> 00:18:48,080

on my back unable to move the way you

515

00:18:52,789 --> 00:18:50,480

feel sometimes in your dreams right and

516

00:18:55,110 --> 00:18:52,799

when i was i started moving my eyes

517

00:18:57,350 --> 00:18:55,120

around and when i looked to my left i

518

00:18:59,750 --> 00:18:57,360

noticed that these three guys were

519

00:19:01,350 --> 00:18:59,760

sitting on a bench of some kind it

520

00:19:03,029 --> 00:19:01,360

wasn't like a normal chair it was just

521

00:19:06,150 --> 00:19:03,039

some kind of

522

00:19:07,750 --> 00:19:06,160

slab that came out of this haze and they

523

00:19:10,630 --> 00:19:07,760

were all just sitting there looking

524

00:19:13,590 --> 00:19:10,640

unconcerned completely naked also naked

525

00:19:16,470 --> 00:19:13,600

also naked do you remember that

526

00:19:18,870 --> 00:19:16,480

i remember certain uh things more

527

00:19:22,150 --> 00:19:18,880

clearly than others and

528

00:19:25,510 --> 00:19:22,160

i remember the inability to see very far

529

00:19:27,270 --> 00:19:25,520

i remember some figures i remember uh

530

00:19:29,510 --> 00:19:27,280

glimpses of my friends

531

00:19:31,110 --> 00:19:29,520

and i remember in one instance i was

532

00:19:32,789 --> 00:19:31,120

able to see

533

00:19:34,870 --> 00:19:32,799

one of the twins the back of their head

534

00:19:36,549 --> 00:19:34,880

the back of their shoulders and the

535

00:19:38,390 --> 00:19:36,559

upper part of their back as it was

536

00:19:40,870 --> 00:19:38,400

turned they were turned to me

537

00:19:43,430 --> 00:19:40,880

and there were figures bending over

538

00:19:45,510 --> 00:19:43,440

one of the twins and inscribing a line

539

00:19:47,430 --> 00:19:45,520

around the shoulder

540

00:19:49,909 --> 00:19:47,440

and underneath the shoulder blade and

541

00:19:51,590 --> 00:19:49,919

then inserting some sort of uh probe so

542

00:19:54,070 --> 00:19:51,600

they were doing medical experiments

543

00:19:55,830 --> 00:19:54,080

let's go for a quick commercial and then

544

00:19:57,510 --> 00:19:55,840

can you remember the medical experiments

545

00:19:59,190 --> 00:19:57,520

now oh yeah you'll see a lot of head

546

00:20:01,830 --> 00:19:59,200

shaking here okay i would rather forget

547

00:20:03,270 --> 00:20:01,840

them okay all right then let's forget

548

00:20:05,830 --> 00:20:03,280

them but after the show because it's

549

00:20:07,909 --> 00:20:05,840

sweet sweet so uh let's remember that

550

00:20:09,830 --> 00:20:07,919

one more time this week and then you

551  
00:20:12,710 --> 00:20:09,840  
guys can watch them from your memory i

552  
00:20:18,549 --> 00:20:12,720  
will be right back with more in a moment

553  
00:20:22,230 --> 00:20:21,110  
for men about their mysterious alien

554  
00:20:24,950 --> 00:20:22,240  
abduction

555  
00:20:27,270 --> 00:20:24,960  
medical experiments each one of you they

556  
00:20:29,669 --> 00:20:27,280  
did something to

557  
00:20:31,270 --> 00:20:29,679  
with probes they took things and what do

558  
00:20:32,950 --> 00:20:31,280  
they do can you miss that let's go right

559  
00:20:34,390 --> 00:20:32,960  
down the line let's start with you chuck

560  
00:20:36,310 --> 00:20:34,400  
do you remember what they did to you uh

561  
00:20:38,549 --> 00:20:36,320  
i remember they were doing something to

562  
00:20:41,029 --> 00:20:38,559  
my penis with some sort of a

563  
00:20:44,070 --> 00:20:41,039

device

564

00:20:46,070 --> 00:20:44,080

i no i don't think it i just felt wet

565

00:20:47,190 --> 00:20:46,080

down there like they had taken semen

566

00:20:48,390 --> 00:20:47,200

take it

567

00:20:49,510 --> 00:20:48,400

did they talk to you while this was

568

00:20:52,390 --> 00:20:49,520

happening

569

00:20:54,549 --> 00:20:52,400

no no it was like being in a dance uh i

570

00:20:55,909 --> 00:20:54,559

was just following through right sort of

571

00:20:58,070 --> 00:20:55,919

like being on this show having the

572

00:20:59,830 --> 00:20:58,080

people guide us to the stage right we're

573

00:21:02,789 --> 00:20:59,840

just going along with things all right

574

00:21:04,470 --> 00:21:02,799

what about you joey um

575

00:21:06,390 --> 00:21:04,480

i was uh

576

00:21:08,710 --> 00:21:06,400

like totally

577

00:21:11,270 --> 00:21:08,720

unwilling to want to be

578

00:21:13,430 --> 00:21:11,280

having things done to me that uh

579

00:21:15,110 --> 00:21:13,440

will you struggle with feeling violated

580

00:21:18,710 --> 00:21:15,120

uh i remember

581

00:21:21,510 --> 00:21:18,720

being extremely uh

582

00:21:24,630 --> 00:21:21,520

upset and wanting to be other places

583

00:21:28,230 --> 00:21:24,640

uh my canoe where i belonged and not

584

00:21:44,390 --> 00:21:29,110

i

585

00:21:45,590 --> 00:21:44,400

you can't get away far enough because

586

00:21:48,870 --> 00:21:45,600

you're already laying on your back

587

00:21:51,669 --> 00:21:48,880

there's like nowhere to go nice and uh

588

00:21:53,110 --> 00:21:51,679

these huge black eyes just looked right

589

00:21:55,350 --> 00:21:53,120

into mine and i don't know if you've

590

00:21:58,149 --> 00:21:55,360

ever been in an elevator that suddenly

591

00:22:02,470 --> 00:21:58,159

drops a little bit and your stomach goes

592

00:22:07,830 --> 00:22:04,870

my thinking conscious mind just

593

00:22:09,430 --> 00:22:07,840

go right into these eyes

594

00:22:11,750 --> 00:22:09,440

and i was told

595

00:22:12,549 --> 00:22:11,760

relax

596

00:22:14,870 --> 00:22:12,559

move

597

00:22:16,870 --> 00:22:14,880

you're not in any danger

598

00:22:18,870 --> 00:22:16,880

well i don't know i there was like no

599

00:22:21,270 --> 00:22:18,880

words

600

00:22:23,510 --> 00:22:21,280

no lips moved it was just like

601  
00:22:24,630 --> 00:22:23,520  
all of a sudden my thoughts were filled

602  
00:22:26,630 --> 00:22:24,640  
with this

603  
00:22:27,990 --> 00:22:26,640  
message and it was like

604  
00:22:30,630 --> 00:22:28,000  
almost like a

605  
00:22:31,909 --> 00:22:30,640  
sort of like a command and yet

606  
00:22:34,789 --> 00:22:31,919  
uh

607  
00:22:37,350 --> 00:22:34,799  
almost for like matter of fact very

608  
00:22:38,950 --> 00:22:37,360  
matter of fact like a physician says

609  
00:22:40,789 --> 00:22:38,960  
this needle's not gonna hurt you're

610  
00:22:43,669 --> 00:22:40,799  
going to feel a little stabbed a little

611  
00:22:44,710 --> 00:22:43,679  
you know what did they do to you

612  
00:22:46,950 --> 00:22:44,720  
um

613  
00:22:50,070 --> 00:22:46,960

well as jack said the first thing i

614

00:22:52,070 --> 00:22:50,080

remember under hypnosis was

615

00:22:53,190 --> 00:22:52,080

looking at my feet and my toes and

616

00:22:56,390 --> 00:22:53,200

thinking

617

00:22:59,990 --> 00:22:58,149

and they're like hey you know it's like

618

00:23:01,990 --> 00:23:00,000

my legs

619

00:23:03,029 --> 00:23:02,000

and then i noticed like my chest and

620

00:23:04,710 --> 00:23:03,039

they're like

621

00:23:06,230 --> 00:23:04,720

then i started getting very anxious

622

00:23:07,110 --> 00:23:06,240

about having

623

00:23:08,710 --> 00:23:07,120

being

624

00:23:10,070 --> 00:23:08,720

disclosed

625

00:23:13,029 --> 00:23:10,080

and

626

00:23:15,590 --> 00:23:13,039

then there was this like panel

627

00:23:18,230 --> 00:23:15,600

that had a similar color to the top of

628

00:23:19,750 --> 00:23:18,240

the table sort of a bluish

629

00:23:21,830 --> 00:23:19,760

glow to it

630

00:23:24,630 --> 00:23:21,840

above my chest i could only like see the

631

00:23:28,789 --> 00:23:24,640

bottom part which is

632

00:23:31,350 --> 00:23:28,799

very flat and elimin emanating this blue

633

00:23:32,950 --> 00:23:31,360

uh light sort of like a neon blue

634

00:23:35,669 --> 00:23:32,960

remember this happening to charlie i saw

635

00:23:37,430 --> 00:23:35,679

this scene that he's talking about

636

00:23:39,190 --> 00:23:37,440

the thing over his chest looked

637

00:23:42,230 --> 00:23:39,200

something like the sydney opera house in

638

00:23:44,470 --> 00:23:42,240

australia oh yeah it seemed to be have a

639

00:23:47,590 --> 00:23:44,480

fluted design and it was causing charlie

640

00:23:51,990 --> 00:23:49,510

it was the most frightening part of the

641

00:23:54,950 --> 00:23:52,000

of the event for me what about the two

642

00:23:56,710 --> 00:23:54,960

of you you actually have scars you found

643

00:23:58,070 --> 00:23:56,720

can you show on camera that they

644

00:23:59,909 --> 00:23:58,080

obviously they took some they took

645

00:24:02,149 --> 00:23:59,919

actual questions from you or join your

646

00:24:03,830 --> 00:24:02,159

scars oh my

647

00:24:05,590 --> 00:24:03,840

yeah big score and you never had that

648

00:24:07,350 --> 00:24:05,600

before no

649

00:24:09,430 --> 00:24:07,360

all right and so they must have taken

650

00:24:10,390 --> 00:24:09,440

scraping from you well what happened was

651  
00:24:12,710 --> 00:24:10,400  
is um

652  
00:24:14,310 --> 00:24:12,720  
this is the result of a lump

653  
00:24:16,390 --> 00:24:14,320  
that grew there

654  
00:24:18,789 --> 00:24:16,400  
that was removed

655  
00:24:22,070 --> 00:24:18,799  
and sent to the and and it was sent to

656  
00:24:24,070 --> 00:24:22,080  
the armed forces institute of pathology

657  
00:24:25,269 --> 00:24:24,080  
which was not where they told me it was

658  
00:24:30,310 --> 00:24:25,279  
sent

659  
00:24:35,350 --> 00:24:32,549  
the national health institute in georgia

660  
00:24:37,350 --> 00:24:35,360  
they said this and late years later i

661  
00:24:39,590 --> 00:24:37,360  
found out that they actually sent it to

662  
00:24:41,830 --> 00:24:39,600  
the air force institute of pathology for

663  
00:24:44,789 --> 00:24:41,840

study wow and what about you you have

664

00:24:48,070 --> 00:24:44,799

scars well no what i have on my legs are

665

00:24:51,269 --> 00:24:48,080

patches uh when i was on the examination

666

00:24:55,029 --> 00:24:51,279

table i remember them taking these

667

00:24:56,870 --> 00:24:55,039

uh almost flat roundish objects

668

00:24:59,990 --> 00:24:56,880

and they put them on the bottom of my

669

00:25:01,590 --> 00:25:00,000

ankle so ever since then i have patches

670

00:25:05,029 --> 00:25:01,600

where no hair will grow

671

00:25:05,830 --> 00:25:05,039

on both both both legs

672

00:25:07,990 --> 00:25:05,840

yeah

673

00:25:09,590 --> 00:25:08,000

okay lastly before we go to commercial

674

00:25:11,190 --> 00:25:09,600

then we'll be back a lot more

675

00:25:13,510 --> 00:25:11,200

how did you all get off the ship do you

676  
00:25:14,710 --> 00:25:13,520  
remember getting off

677  
00:25:15,750 --> 00:25:14,720  
i remember

678  
00:25:16,630 --> 00:25:15,760  
after

679  
00:25:18,870 --> 00:25:16,640  
um

680  
00:25:22,310 --> 00:25:18,880  
the medical procedures

681  
00:25:24,789 --> 00:25:22,320  
and after watching charlie and chuck um

682  
00:25:26,549 --> 00:25:24,799  
being uh march back and forth down this

683  
00:25:29,029 --> 00:25:26,559  
hallway to wherever they were taking us

684  
00:25:31,510 --> 00:25:29,039  
to do these procedures they came and

685  
00:25:32,789 --> 00:25:31,520  
they gathered us all four together and

686  
00:25:34,710 --> 00:25:32,799  
you're happy to see each other you were

687  
00:25:36,870 --> 00:25:34,720  
just in a state of shock well no i i

688  
00:25:39,350 --> 00:25:36,880

felt actually happy i was happy to see

689

00:25:42,070 --> 00:25:39,360

everyone because um at least i knew that

690

00:25:44,549 --> 00:25:42,080

we were all alive then right and so that

691

00:25:47,029 --> 00:25:44,559

made me happy we were all still alive

692

00:25:49,750 --> 00:25:47,039

and so uh i remember being marched down

693

00:25:51,110 --> 00:25:49,760

this hallway of some type it was

694

00:25:52,710 --> 00:25:51,120

very difficult

695

00:25:54,950 --> 00:25:52,720

there were no details

696

00:25:57,190 --> 00:25:54,960

and they um

697

00:25:59,750 --> 00:25:57,200

there was some our clothing was there in

698

00:26:00,870 --> 00:25:59,760

a heap and we got our clothing and we

699

00:26:03,750 --> 00:26:00,880

were um

700

00:26:05,430 --> 00:26:03,760

helping each other into our clothing

701  
00:26:07,669 --> 00:26:05,440  
and it was very it was kind of like we

702  
00:26:08,710 --> 00:26:07,679  
were doing this in our sleeper in a days

703  
00:26:10,870 --> 00:26:08,720  
in a way

704  
00:26:13,830 --> 00:26:10,880  
and then um they marched us into this

705  
00:26:17,510 --> 00:26:13,840  
room where there was this bright

706  
00:26:20,070 --> 00:26:17,520  
light of some kind coming out of a wall

707  
00:26:21,990 --> 00:26:20,080  
and then the next thing we knew uh we

708  
00:26:24,630 --> 00:26:22,000  
were back on the beach and you all

709  
00:26:26,870 --> 00:26:24,640  
remember the same thing it all came out

710  
00:26:28,789 --> 00:26:26,880  
on hypnosis to each one of you no i i

711  
00:26:30,070 --> 00:26:28,799  
think it was different you know

712  
00:26:31,510 --> 00:26:30,080  
there were some differences like one of

713  
00:26:33,830 --> 00:26:31,520

the things you find with this kind of

714

00:26:36,390 --> 00:26:33,840

phenomenon in general and including our

715

00:26:39,430 --> 00:26:36,400

case is that you don't remember things

716

00:26:42,390 --> 00:26:39,440

in exact chronological order it's you

717

00:26:44,149 --> 00:26:42,400

just remember snippets okay and so you

718

00:26:45,350 --> 00:26:44,159

know we all have these kind of little

719

00:26:47,750 --> 00:26:45,360

snippets

720

00:26:49,990 --> 00:26:47,760

that we remember everything else is shut

721

00:26:50,950 --> 00:26:50,000

out probably as far as we can shut it

722

00:26:52,950 --> 00:26:50,960

and so

723

00:26:54,870 --> 00:26:52,960

that's how how we remember everything

724

00:26:56,390 --> 00:26:54,880

it's impossible for us to remember

725

00:26:58,549 --> 00:26:56,400

everything in perfect chronological

726

00:27:00,630 --> 00:26:58,559

order being in an automobile accident

727

00:27:03,190 --> 00:27:00,640

you being a passenger what you remember

728

00:27:05,110 --> 00:27:03,200

is a hubcap flying by you where the

729

00:27:07,110 --> 00:27:05,120

driver remembers you know gripping the

730

00:27:09,590 --> 00:27:07,120

wheel and looking at the you know i

731

00:27:11,510 --> 00:27:09,600

remember being in the back of the canoe

732

00:27:14,390 --> 00:27:11,520

the entire time

733

00:27:17,029 --> 00:27:14,400

of witnessing this object come and go

734

00:27:19,350 --> 00:27:17,039

and uh i remember jim was in front of me

735

00:27:21,830 --> 00:27:19,360

and his the lower part of his leg

736

00:27:23,110 --> 00:27:21,840

leaving the canoe

737

00:27:25,029 --> 00:27:23,120

and that's

738

00:27:26,710 --> 00:27:25,039

that was at the shore of the lake and i

739

00:27:28,389 --> 00:27:26,720

i can't remember how he got to the shore
