

1
00:00:05,749 --> 00:00:03,510
on the night of november 2nd 1975

2
00:00:08,950 --> 00:00:05,759
i was sitting here doing my homework and

3
00:00:11,990 --> 00:00:08,960
i looked out the window and right above

4
00:00:13,509 --> 00:00:12,000
the blue building i saw a ufo come down

5
00:00:15,350 --> 00:00:13,519
out of the sky

6
00:00:19,109 --> 00:00:15,360
and

7
00:00:20,790 --> 00:00:19,119
the building is a football field it

8
00:00:22,950 --> 00:00:20,800
landed there

9
00:00:25,189 --> 00:00:22,960
a lot of people in town saw it

10
00:00:26,870 --> 00:00:25,199
i i don't know how many people saw it

11
00:00:28,790 --> 00:00:26,880
and told us the next day that they saw

12
00:00:30,950 --> 00:00:28,800
this thing up in the sky in the sky as

13
00:00:33,190 --> 00:00:30,960

we pulled around the driveway here i

14

00:00:35,590 --> 00:00:33,200

noticed up by the blue shed over there

15

00:00:38,549 --> 00:00:35,600

that there was a something in the sky

16

00:00:40,069 --> 00:00:38,559

so i pulled out of the driveway

17

00:00:41,830 --> 00:00:40,079

i said turn down here we maybe get

18

00:00:44,950 --> 00:00:41,840

closer to it

19

00:00:46,630 --> 00:00:44,960

so we just went over this way and then

20

00:00:50,150 --> 00:00:46,640

you could just see it real good before

21

00:00:52,069 --> 00:00:50,160

the trees it was definitely right there

22

00:00:57,510 --> 00:00:52,079

and

23

00:00:59,430 --> 00:00:57,520

fence across we couldn't go any further

24

00:01:01,189 --> 00:00:59,440

and we just noticed it

25

00:01:03,430 --> 00:01:01,199

it was just coming right in front of the

26
00:01:05,350 --> 00:01:03,440
trees and we just stood here a minute

27
00:01:06,550 --> 00:01:05,360
until we saw it just glide over the top

28
00:01:07,429 --> 00:01:06,560
of the trees

29
00:01:09,590 --> 00:01:07,439
and

30
00:01:11,670 --> 00:01:09,600
then it was gone

31
00:01:13,750 --> 00:01:11,680
well a couple days later after we saw

32
00:01:15,510 --> 00:01:13,760
the ufo go down

33
00:01:17,830 --> 00:01:15,520
i saw a lot of people over here looking

34
00:01:20,950 --> 00:01:17,840
at something so i came over here and i

35
00:01:22,630 --> 00:01:20,960
found this big brown spot on the

36
00:01:25,350 --> 00:01:22,640
on the football field where the grass

37
00:01:29,190 --> 00:01:26,789
as you can see the blue building is

38
00:01:32,469 --> 00:01:29,200

right over there and the burn spot is

39

00:01:35,510 --> 00:01:32,479

right here it's right in line

40

00:01:38,710 --> 00:01:35,520

with the window we saw the ufo come down

41

00:01:40,789 --> 00:01:38,720

from yeah at the time it wasn't

42

00:01:42,950 --> 00:01:40,799

scary it i didn't frighten me when i

43

00:01:44,310 --> 00:01:42,960

looked out the window and i saw it i i

44

00:01:47,270 --> 00:01:44,320

didn't get scared or anything but

45

00:01:49,990 --> 00:01:47,280

afterwards when i realized that what i

46

00:01:51,910 --> 00:01:50,000

had seen was unexplainable that's when

47

00:01:53,190 --> 00:01:51,920

it started to get scary and then when

48

00:01:55,190 --> 00:01:53,200

they found the

49

00:01:57,510 --> 00:01:55,200

patch on the football field well that

50

00:01:59,749 --> 00:01:57,520

got a little got a little worse it's

51
00:02:00,789 --> 00:01:59,759
been six months since we saw the ufo go

52
00:02:03,350 --> 00:02:00,799
down

53
00:02:04,860 --> 00:02:03,360
and as you can see the bird spot is

54
00:02:08,630 --> 00:02:04,870
still visible

55
00:02:17,510 --> 00:02:09,589
i

56
00:02:19,990 --> 00:02:17,520
you know from another country or

57
00:02:22,070 --> 00:02:20,000
something the army was putting up in the

58
00:02:24,470 --> 00:02:22,080
air i wish they'd come and tell us that

59
00:02:25,910 --> 00:02:24,480
i did that this was it and that just

60
00:02:27,830 --> 00:02:25,920
leave us out here thinking that it was

61
00:02:30,070 --> 00:02:27,840
something from

62
00:02:32,150 --> 00:02:30,080
some outer space place

63
00:02:33,750 --> 00:02:32,160

i'd be satisfied with any kind of a

64

00:02:35,190 --> 00:02:33,760

explanation

65

00:02:37,030 --> 00:02:35,200

a ufo

66

00:02:40,150 --> 00:02:37,040

i i wouldn't believe in it

67

00:02:42,550 --> 00:02:40,160

i wouldn't believe i wouldn't believe me

68

00:02:45,430 --> 00:02:42,560

if i were you

69

00:02:48,470 --> 00:02:45,440

because i i have nothing to show you

70

00:02:50,150 --> 00:02:48,480

i can't say you know i saw this
