

1
00:00:03,270 --> 00:00:02,070
radio got noisy

2
00:00:03,990 --> 00:00:03,280
and

3
00:00:17,029 --> 00:00:04,000
i

4
00:00:18,550 --> 00:00:17,039
down

5
00:00:18,790 --> 00:00:18,560
to the floor

6
00:00:20,470 --> 00:00:18,800
and

7
00:00:21,510 --> 00:00:20,480
[Music]

8
00:00:23,509 --> 00:00:21,520
i heard a

9
00:00:26,390 --> 00:00:23,519
kind of a wizard noise

10
00:00:29,349 --> 00:00:26,400
and when i looked up it was right over

11
00:00:30,630 --> 00:00:29,359
the radiator in my car

12
00:00:32,389 --> 00:00:30,640
it was coming

13
00:00:34,389 --> 00:00:32,399

just slowing as

14

00:00:36,069 --> 00:00:34,399

though you had it on the string was

15

00:00:37,430 --> 00:00:36,079

pulling that along

16

00:00:39,430 --> 00:00:37,440

that's the way it

17

00:00:41,110 --> 00:00:39,440

got it right towards me

18

00:00:43,750 --> 00:00:41,120

howard

19

00:00:47,350 --> 00:00:43,760

i took my foot off the gas pedal the

20

00:00:49,830 --> 00:00:47,360

lights went out the motor stopped

21

00:00:52,389 --> 00:00:49,840

it hit the windshield went off to the

22

00:00:55,270 --> 00:00:52,399

right and as it glanced at the end of

23

00:00:57,430 --> 00:00:55,280

the windshield the car

24

00:00:58,869 --> 00:00:57,440

turned all orange inside and exploded

25

00:01:00,150 --> 00:00:58,879

and all i could think of my car was

26

00:01:02,470 --> 00:01:00,160

blowing up and that's the last i

27

00:01:04,149 --> 00:01:02,480

remember until i was headed back down

28

00:01:06,149 --> 00:01:04,159

here i turned around here somewhere so i

29

00:01:07,590 --> 00:01:06,159

don't know what drive what was it like

30

00:01:10,830 --> 00:01:07,600

coming down the road at you now can you

31

00:01:14,230 --> 00:01:10,840

describe that well when i see it it was

32

00:01:16,710 --> 00:01:14,240

um either black or dark blue and it was

33

00:01:18,230 --> 00:01:16,720

florence and had these lights all around

34

00:01:25,429 --> 00:01:18,240

it

35

00:01:29,670 --> 00:01:26,710

all right

36

00:01:31,030 --> 00:01:29,680

now in a short time i'm going to touch

37

00:01:33,990 --> 00:01:31,040

your forehead

38

00:01:36,469 --> 00:01:34,000

and you will now be able to describe how

39

00:01:38,950 --> 00:01:36,479

you're sitting in the car what direction

40

00:01:41,270 --> 00:01:38,960

you were going and now

41

00:01:42,710 --> 00:01:41,280

minute by minute you will be able to

42

00:01:46,789 --> 00:01:42,720

describe

43

00:01:48,350 --> 00:01:47,240

ready

44

00:01:52,550 --> 00:01:48,360

[Music]

45

00:01:56,389 --> 00:01:54,740

now where are you now

46

00:01:58,950 --> 00:01:56,399

[Applause]

47

00:02:00,310 --> 00:01:58,960

he's coming from work you're coming from

48

00:02:05,030 --> 00:02:00,320

work

49

00:02:10,550 --> 00:02:08,469

at the light and i'm 22

50

00:02:14,150 --> 00:02:10,560

turning to the right

51
00:02:14,160 --> 00:02:20,550
the radio was got a lot of static

52
00:02:24,309 --> 00:02:22,340
i'm shutting it off

53
00:02:26,150 --> 00:02:24,319
[Applause]

54
00:02:28,869 --> 00:02:26,160
i'm hearing noise

55
00:02:31,750 --> 00:02:28,879
what kind of noise

56
00:02:35,350 --> 00:02:31,760
a vision knowing a wizard noise all

57
00:02:40,309 --> 00:02:37,670
i see a uh

58
00:02:42,869 --> 00:02:40,319
something the size of the baseball

59
00:02:45,990 --> 00:02:42,879
where do you see that coming towards me

60
00:02:47,750 --> 00:02:46,000
toward you now yes

61
00:02:48,830 --> 00:02:47,760
what would that be

62
00:02:51,990 --> 00:02:48,840
i don't

63
00:02:53,250 --> 00:02:52,000

know got lights on it

64

00:02:54,550 --> 00:02:53,260

yes

65

00:02:56,400 --> 00:02:54,560

[Applause]

66

00:02:57,990 --> 00:02:56,410

driving right right for me

67

00:03:04,390 --> 00:02:58,000

[Applause]

68

00:03:08,070 --> 00:03:06,210

gonna hit the car

69

00:03:11,990 --> 00:03:08,080

[Applause]

70

00:03:12,000 --> 00:03:15,990

now tell me what you observe

71

00:03:20,309 --> 00:03:18,949

it's hit the windshield yes we're going

72

00:03:29,430 --> 00:03:20,319

to the right

73

00:03:33,110 --> 00:03:30,949

describe it

74

00:03:33,400 --> 00:03:33,120

i don't see anything it's just more than

75

00:03:35,110 --> 00:03:33,410

me

76

00:03:39,509 --> 00:03:35,120

[Applause]

77

00:03:43,030 --> 00:03:40,630

on the road

78

00:03:45,430 --> 00:03:43,040

[Applause]

79

00:03:47,030 --> 00:03:45,440

are you still in the car

80

00:03:49,910 --> 00:03:47,040

yes

81

00:03:51,509 --> 00:03:49,920

i got my hands on the wheel

82

00:03:53,429 --> 00:03:51,519

you got your hands on the wheel and

83

00:03:54,869 --> 00:03:53,439

something's moving

84

00:03:57,190 --> 00:03:54,879

all right now

85

00:04:00,229 --> 00:03:57,200

now keep yourself alert now and describe

86

00:04:02,550 --> 00:04:00,239

for me what's happening

87

00:04:04,070 --> 00:04:02,560

why did they pick on me why did it have

88

00:04:05,670 --> 00:04:04,080

to be me

89

00:04:07,750 --> 00:04:05,680

who's they

90

00:04:12,550 --> 00:04:07,760

the ones that are following me

91

00:04:15,429 --> 00:04:12,560

[Music]

92

00:04:17,830 --> 00:04:15,439

where do they come from then

93

00:04:19,430 --> 00:04:17,840

down over the sky

94

00:04:21,270 --> 00:04:19,440

where in the sky

95

00:04:23,110 --> 00:04:21,280

from the moon right there what makes you

96

00:04:24,870 --> 00:04:23,120

think they come from the moon because

97

00:04:27,030 --> 00:04:24,880

there's people up there as well as there

98

00:04:29,030 --> 00:04:27,040

is down here you believe in life in the

99

00:04:32,310 --> 00:04:29,040

universe yeah you believe these people

100

00:04:34,390 --> 00:04:32,320

are hostile and mean you any harm

101

00:04:36,469 --> 00:04:34,400

not all the time

102

00:04:39,350 --> 00:04:36,479

why are they interested in you i don't

103

00:04:42,080 --> 00:04:39,360

know i'd like to know

104

00:04:45,030 --> 00:04:42,090

i don't know but they were there

105

00:04:47,430 --> 00:04:45,040

[Music]

106

00:04:49,430 --> 00:04:47,440

i'm ready

107

00:04:52,390 --> 00:04:49,440

now in a short time i'm going to count

108

00:04:54,310 --> 00:04:52,400

backwards from three to one
