

1
00:00:01,510 --> 00:00:00,900
okay i think

2
00:00:03,429 --> 00:00:01,520
[Music]

3
00:00:05,910 --> 00:00:03,439
the first thing that i

4
00:00:08,310 --> 00:00:05,920
think i need to make clear is that

5
00:00:10,549 --> 00:00:08,320
the reason why this encounter is

6
00:00:12,390 --> 00:00:10,559
actually considered to be a little bit

7
00:00:14,150 --> 00:00:12,400
out of the ordinary is the fact that it

8
00:00:16,390 --> 00:00:14,160
actually involved multiple witnesses in

9
00:00:18,150 --> 00:00:16,400
fact three separate parties of witnesses

10
00:00:19,990 --> 00:00:18,160
in three separate cars

11
00:00:22,310 --> 00:00:20,000
um six people in all

12
00:00:24,870 --> 00:00:22,320
and uh the subsequent investigation

13
00:00:27,029 --> 00:00:24,880

recovered a lot of ground traces

14

00:00:29,589 --> 00:00:27,039

including marks on the field and

15

00:00:31,349 --> 00:00:29,599

physical marks on on the bodies of four

16

00:00:32,549 --> 00:00:31,359

of the people involved including myself

17

00:00:34,310 --> 00:00:32,559

so

18

00:00:36,470 --> 00:00:34,320

what we have i guess is a case that's

19

00:00:38,150 --> 00:00:36,480

very unusual and and not often

20

00:00:40,229 --> 00:00:38,160

encountered but

21

00:00:42,310 --> 00:00:40,239

yes you do have extraordinary evidence

22

00:00:43,750 --> 00:00:42,320

which i would love to go into a little

23

00:00:45,270 --> 00:00:43,760

bit later in the show to fill our

24

00:00:47,990 --> 00:00:45,280

audience in about

25

00:00:50,389 --> 00:00:48,000

um let's start when did this close

26
00:00:53,670 --> 00:00:50,399
encounter begin what was the the

27
00:00:55,270 --> 00:00:53,680
8th of august 1993 um my husband and i

28
00:00:56,069 --> 00:00:55,280
were driving home from a friend's house

29
00:00:59,990 --> 00:00:56,079
in

30
00:01:01,189 --> 00:01:00,000
probably about 50 kilometers out of

31
00:01:04,229 --> 00:01:01,199
melbourne

32
00:01:07,990 --> 00:01:06,070
i guess we saw it about twice the height

33
00:01:09,429 --> 00:01:08,000
of the treetops um from several hundred

34
00:01:10,310 --> 00:01:09,439
meters away something that looked like

35
00:01:12,390 --> 00:01:10,320
uh

36
00:01:14,230 --> 00:01:12,400
at first like a blimp but as we drove

37
00:01:15,749 --> 00:01:14,240
closer to it it looked like a circle of

38
00:01:18,789 --> 00:01:15,759

round orange lights

39

00:01:20,149 --> 00:01:18,799

um except in those lights uh there

40

00:01:21,190 --> 00:01:20,159

appeared to be figures standing in the

41

00:01:24,230 --> 00:01:21,200

shadows

42

00:01:26,550 --> 00:01:24,240

um inside inside behind the orange

43

00:01:28,469 --> 00:01:26,560

lights um you could see silhouettes of

44

00:01:30,310 --> 00:01:28,479

tall dark figures and i had enough time

45

00:01:31,749 --> 00:01:30,320

to say to my husband look at the people

46

00:01:33,109 --> 00:01:31,759

in the windows when it shot off to the

47

00:01:35,030 --> 00:01:33,119

left of us and with in a couple of

48

00:01:35,990 --> 00:01:35,040

seconds it was totally gone

49

00:01:37,350 --> 00:01:36,000

um

50

00:01:39,190 --> 00:01:37,360

but that was only the start of it

51
00:01:40,390 --> 00:01:39,200
because we continued uh driving down the

52
00:01:42,630 --> 00:01:40,400
road and about

53
00:01:44,550 --> 00:01:42,640
two kilometers later

54
00:01:46,710 --> 00:01:44,560
we ran into what i guess

55
00:01:48,149 --> 00:01:46,720
i could call a wall or a screen of light

56
00:01:49,670 --> 00:01:48,159
it seemed that way to me anyway i

57
00:01:51,350 --> 00:01:49,680
actually had to put my hand up to my

58
00:01:52,710 --> 00:01:51,360
brow

59
00:01:53,910 --> 00:01:52,720
in order to

60
00:01:55,510 --> 00:01:53,920
look through the window at the

61
00:01:57,510 --> 00:01:55,520
windscreen and i still couldn't see a

62
00:01:59,510 --> 00:01:57,520
thing

63
00:02:02,469 --> 00:01:59,520

from there on

64

00:02:03,830 --> 00:02:02,479

we actually rounded a corner and

65

00:02:05,990 --> 00:02:03,840

what was sitting in the field on the

66

00:02:09,430 --> 00:02:06,000

side of the road was

67

00:02:10,949 --> 00:02:09,440

a huge craft probably

68

00:02:13,110 --> 00:02:10,959

the size of a two to three story

69

00:02:15,110 --> 00:02:13,120

building and the length of an olympic

70

00:02:17,910 --> 00:02:15,120

swimming pool so it wasn't something

71

00:02:20,150 --> 00:02:17,920

that was really uh easy to miss and we

72

00:02:21,910 --> 00:02:20,160

pulled the car over but we weren't the

73

00:02:24,309 --> 00:02:21,920

only people that did

74

00:02:26,150 --> 00:02:24,319

100 metres behind us a bank manager his

75

00:02:30,150 --> 00:02:26,160

wife and their friend who's a registered

76

00:02:32,470 --> 00:02:30,160

nurse pulled over and another 25 to 35

77

00:02:34,390 --> 00:02:32,480

metres behind them david

78

00:02:36,229 --> 00:02:34,400

a government law department employee on

79

00:02:38,150 --> 00:02:36,239

his way home actually pulled over as

80

00:02:39,670 --> 00:02:38,160

well now you weren't traveling on the

81

00:02:41,910 --> 00:02:39,680

road with these people

82

00:02:43,830 --> 00:02:41,920

didn't you know these people at all

83

00:02:46,869 --> 00:02:43,840

all right so basically we stopped the

84

00:02:48,390 --> 00:02:46,879

car got out crossed the road um

85

00:02:50,790 --> 00:02:48,400

i saw

86

00:02:52,550 --> 00:02:50,800

a whole heap of well actually at first

87

00:02:55,270 --> 00:02:52,560

it seemed to be one figure in front of

88

00:02:58,309 --> 00:02:55,280

the craft and then a whole heap of them

89

00:03:00,790 --> 00:02:58,319

i felt um at the same time

90

00:03:02,309 --> 00:03:00,800

this energy or frequency goes through my

91

00:03:03,910 --> 00:03:02,319

body and it's

92

00:03:05,750 --> 00:03:03,920

quite difficult to explain it because

93

00:03:06,470 --> 00:03:05,760

there really isn't a parallel comparison

94

00:03:07,990 --> 00:03:06,480

but

95

00:03:09,990 --> 00:03:08,000

um

96

00:03:11,750 --> 00:03:10,000

i think the only way that that

97

00:03:13,750 --> 00:03:11,760

i might be able to relate it is it felt

98

00:03:15,990 --> 00:03:13,760

like a uh

99

00:03:17,670 --> 00:03:16,000

a low level frequency

100

00:03:19,670 --> 00:03:17,680

coming in waves through my body yet it

101
00:03:21,589 --> 00:03:19,680
was actually so dense that i could

102
00:03:23,270 --> 00:03:21,599
physically feel it and it literally

103
00:03:24,309 --> 00:03:23,280
terrified the living daylights out of me

104
00:03:28,710 --> 00:03:24,319
i mean

105
00:03:30,710 --> 00:03:28,720
when i got out of the car i was um

106
00:03:32,229 --> 00:03:30,720
i was exhilarated you know i wasn't

107
00:03:33,589 --> 00:03:32,239
frightened when i got out of the car all

108
00:03:35,990 --> 00:03:33,599
i could think is this is absolutely

109
00:03:37,190 --> 00:03:36,000
amazing and we're seeing something that

110
00:03:39,430 --> 00:03:37,200
most people wouldn't get the chance to

111
00:03:42,390 --> 00:03:39,440
see in a million lifetimes and all of a

112
00:03:44,710 --> 00:03:42,400
sudden that euphoria changed to absolute

113
00:03:45,670 --> 00:03:44,720

horror and um

114

00:03:47,110 --> 00:03:45,680

i

115

00:03:48,949 --> 00:03:47,120

really

116

00:03:51,830 --> 00:03:48,959

i guess lost the plot

117

00:03:54,550 --> 00:03:51,840

i really lost control i i was so freaked

118

00:03:56,470 --> 00:03:54,560

out i started screaming and um was this

119

00:03:57,910 --> 00:03:56,480

physically uncomfortable to feel that

120

00:03:59,350 --> 00:03:57,920

wave coming

121

00:04:01,589 --> 00:03:59,360

it was almost like something was

122

00:04:03,910 --> 00:04:01,599

interfering with the way

123

00:04:06,789 --> 00:04:03,920

that my mind worked it was like i

124

00:04:11,270 --> 00:04:06,799

couldn't think straight um

125

00:04:13,350 --> 00:04:11,280

it was like i was fighting to

126

00:04:15,509 --> 00:04:13,360

to be able to think properly at all and

127

00:04:18,469 --> 00:04:15,519

all i could feel was this raw emotional

128

00:04:20,069 --> 00:04:18,479

terror it was it really was like a

129

00:04:23,510 --> 00:04:20,079

living nightmare

130

00:04:26,150 --> 00:04:23,520

and um oh goodness then these beings or

131

00:04:28,469 --> 00:04:26,160

figures came across the field they split

132

00:04:29,670 --> 00:04:28,479

up in and at the same time as i was

133

00:04:30,629 --> 00:04:29,680

yelling out

134

00:04:33,670 --> 00:04:30,639

um

135

00:04:35,510 --> 00:04:33,680

their eyes appeared to light up a a

136

00:04:38,469 --> 00:04:35,520

bright red color i don't know whether

137

00:04:40,390 --> 00:04:38,479

that's infrared or what it was

138

00:04:41,430 --> 00:04:40,400

but of course that totally freaked me

139

00:04:44,070 --> 00:04:41,440

out

140

00:04:45,990 --> 00:04:44,080

so the screen just got worse

141

00:04:48,469 --> 00:04:46,000

they came across the field split up into

142

00:04:50,150 --> 00:04:48,479

two groups some came towards us some

143

00:04:52,950 --> 00:04:50,160

came towards a second party of people

144

00:04:55,350 --> 00:04:52,960

down the road i felt this blow to my

145

00:04:58,390 --> 00:04:55,360

solar plexus and i landed flat on my

146

00:05:00,629 --> 00:04:58,400

back in the grass oh my god so you got

147

00:05:02,629 --> 00:05:00,639

knocked over forcefully yeah by

148

00:05:04,950 --> 00:05:02,639

something that didn't touch you that you

149

00:05:07,510 --> 00:05:04,960

saw but it was something that it was

150

00:05:09,189 --> 00:05:07,520

like um almost like a

151

00:05:12,310 --> 00:05:09,199

an electric charge of some sort it

152

00:05:13,830 --> 00:05:12,320

wasn't like a thump it was like um i'd

153

00:05:15,430 --> 00:05:13,840

received an electric shock straight in

154

00:05:17,430 --> 00:05:15,440

the sole

155

00:05:19,029 --> 00:05:17,440

yeah and were you knocked off your feet

156

00:05:20,710 --> 00:05:19,039

literally off my feet and flat on my

157

00:05:22,790 --> 00:05:20,720

back on the ground and it knocked the

158

00:05:25,029 --> 00:05:22,800

wind out of me i couldn't breathe

159

00:05:26,629 --> 00:05:25,039

and i really really struggled to sit up

160

00:05:28,390 --> 00:05:26,639

i kept thinking i was going to die if i

161

00:05:30,710 --> 00:05:28,400

didn't sit up

162

00:05:33,270 --> 00:05:30,720

and when i sat up

163

00:05:35,029 --> 00:05:33,280

i was violently nauseous as well as

164

00:05:36,950 --> 00:05:35,039

struggling to get a bit of air into my

165

00:05:38,390 --> 00:05:36,960

lungs and

166

00:05:41,590 --> 00:05:38,400

i couldn't see a thing in front of my

167

00:05:42,870 --> 00:05:41,600

eyes and that's how i remained for the

168

00:05:44,790 --> 00:05:42,880

the little bit

169

00:05:47,510 --> 00:05:44,800

that i i remember sitting on

170

00:05:49,029 --> 00:05:47,520

in the grass i was totally blind i

171

00:05:51,909 --> 00:05:49,039

couldn't remember

172

00:05:53,909 --> 00:05:51,919

how terrifying yeah it was actually it

173

00:05:56,230 --> 00:05:53,919

was very terrifying um

174

00:05:57,830 --> 00:05:56,240

and uh yeah i think i

175

00:05:59,510 --> 00:05:57,840

might i really

176

00:06:01,510 --> 00:05:59,520

was hysterical and i

177

00:06:03,830 --> 00:06:01,520

so it's almost a little bit embarrassing

178

00:06:06,550 --> 00:06:03,840

to to think about how hysterical i was

179

00:06:08,230 --> 00:06:06,560

there but i think um it's not until you

180

00:06:10,469 --> 00:06:08,240

put in a situation that's totally out of

181

00:06:12,230 --> 00:06:10,479

your control here absolutely and you're

182

00:06:15,670 --> 00:06:12,240

being assaulted knocked over you're

183

00:06:17,590 --> 00:06:15,680

losing your vision and how many red-eyed

184

00:06:18,830 --> 00:06:17,600

terrifying foreign beings are coming

185

00:06:21,590 --> 00:06:18,840

towards you that's

186

00:06:24,710 --> 00:06:21,600

very incredible

187

00:06:29,590 --> 00:06:26,629

the last thing i remember was a hand

188

00:06:32,150 --> 00:06:29,600

being placed on my shoulder um

189

00:06:33,830 --> 00:06:32,160

and i went absolutely ballistic and the

190

00:06:35,029 --> 00:06:33,840

next thing i can remember was being back

191

00:06:37,189 --> 00:06:35,039

in the car

192

00:06:38,629 --> 00:06:37,199

you felt something touching you yeah

193

00:06:40,309 --> 00:06:38,639

without it so that was why you were

194

00:06:43,270 --> 00:06:40,319

still lying on the ground you know i was

195

00:06:45,749 --> 00:06:43,280

actually sitting up um

196

00:06:46,710 --> 00:06:45,759

in the grass with my with my knees apart

197

00:06:49,110 --> 00:06:46,720

um

198

00:06:50,950 --> 00:06:49,120

so i was actually in a sitting position

199

00:06:52,230 --> 00:06:50,960

um

200

00:06:54,469 --> 00:06:52,240

but and

201
00:06:56,230 --> 00:06:54,479
before i i was touched on a shoulder i

202
00:06:58,070 --> 00:06:56,240
heard this male voice say will someone

203
00:07:00,870 --> 00:06:58,080
do something about it i don't know it

204
00:07:02,629 --> 00:07:00,880
sounds ridiculous

205
00:07:04,150 --> 00:07:02,639
do something and someone do something

206
00:07:06,469 --> 00:07:04,160
about her and you think it was one of

207
00:07:08,309 --> 00:07:06,479
those beings yeah yeah well i couldn't

208
00:07:10,309 --> 00:07:08,319
see you know i could only hear yeah that

209
00:07:12,309 --> 00:07:10,319
was totally blind was this a voice you

210
00:07:14,070 --> 00:07:12,319
heard coming from outside it was an

211
00:07:16,070 --> 00:07:14,080
audible voice it wasn't you know and it

212
00:07:18,710 --> 00:07:16,080
was clearly in english obviously yes but

213
00:07:21,029 --> 00:07:18,720

i i still have trouble recalling whether

214

00:07:23,189 --> 00:07:21,039

there was an accent or anything i just i

215

00:07:24,629 --> 00:07:23,199

didn't recognize one so i

216

00:07:26,469 --> 00:07:24,639

assumed there wasn't

217

00:07:28,629 --> 00:07:26,479

anything out of the ordinary with the

218

00:07:30,230 --> 00:07:28,639

voice at all did you hear any sounds

219

00:07:32,070 --> 00:07:30,240

coming from your husband let's say or

220

00:07:33,670 --> 00:07:32,080

the people up the road

221

00:07:36,309 --> 00:07:33,680

only in

222

00:07:37,589 --> 00:07:36,319

the very beginning when i first got hit

223

00:07:39,270 --> 00:07:37,599

and i

224

00:07:41,430 --> 00:07:39,280

sat up

225

00:07:44,629 --> 00:07:41,440

and i called out to my husband that i

226

00:07:47,189 --> 00:07:44,639

couldn't see that i was blind and i

227

00:07:48,469 --> 00:07:47,199

heard him say let go of me

228

00:07:50,150 --> 00:07:48,479

um

229

00:07:53,189 --> 00:07:50,160

and then i heard this the same male

230

00:07:54,629 --> 00:07:53,199

voice um say we don't mean you any harm

231

00:07:55,990 --> 00:07:54,639

and my husband's saying well why did you

232

00:07:57,189 --> 00:07:56,000

hit kelly then

233

00:07:59,830 --> 00:07:57,199

and um

234

00:08:02,150 --> 00:07:59,840

so he saw you get knocked off your feet

235

00:08:03,909 --> 00:08:02,160

and yes yeah for air probably afterwards

236

00:08:05,430 --> 00:08:03,919

yeah so um

237

00:08:07,430 --> 00:08:05,440

you're not a very good situation i

238

00:08:08,950 --> 00:08:07,440

actually threw up that's how frightened

239

00:08:11,350 --> 00:08:08,960

i was i

240

00:08:14,950 --> 00:08:11,360

while i was sitting down i uh

241

00:08:16,950 --> 00:08:14,960

literally threw up so oh dear goodness

242

00:08:19,990 --> 00:08:16,960

and then the last thing you remember is

243

00:08:21,589 --> 00:08:20,000

being touched after uh sitting up and

244

00:08:23,430 --> 00:08:21,599

then you woke up

245

00:08:26,950 --> 00:08:23,440

where well i was back in the car and

246

00:08:28,950 --> 00:08:26,960

totally disoriented um and as far as i

247

00:08:31,749 --> 00:08:28,960

could remember on that particular night

248

00:08:33,750 --> 00:08:31,759

was us driving into this light and i

249

00:08:35,430 --> 00:08:33,760

couldn't remember what had gone out on

250

00:08:37,350 --> 00:08:35,440

the field until several weeks later

251
00:08:39,350 --> 00:08:37,360
actually until we had driven back up

252
00:08:40,870 --> 00:08:39,360
there again but when i got home that

253
00:08:42,630 --> 00:08:40,880
night um

254
00:08:43,990 --> 00:08:42,640
the first thing was that we had about an

255
00:08:45,829 --> 00:08:44,000
hour and a half that we couldn't account

256
00:08:48,070 --> 00:08:45,839
for it it just seemed to have gone

257
00:08:50,310 --> 00:08:48,080
instantaneously missing from our lives

258
00:08:52,070 --> 00:08:50,320
um secondly i was marked with

259
00:08:54,389 --> 00:08:52,080
an equilateral triangle mark underneath

260
00:08:56,470 --> 00:08:54,399
my navel how large or small would that

261
00:08:57,670 --> 00:08:56,480
be about nine or ten millimeters each

262
00:08:59,030 --> 00:08:57,680
way

263
00:09:01,110 --> 00:08:59,040

and

264

00:09:03,030 --> 00:09:01,120

what did that look like uh the triangle

265

00:09:05,509 --> 00:09:03,040

did have a color texture yeah it was red

266

00:09:08,550 --> 00:09:05,519

um it actually looked like a burn or is

267

00:09:12,070 --> 00:09:08,560

it as if the first few layers of um

268

00:09:15,030 --> 00:09:13,910

and i think the most

269

00:09:16,790 --> 00:09:15,040

well i

270

00:09:18,710 --> 00:09:16,800

didn't pay a lot of attention to it i

271

00:09:20,630 --> 00:09:18,720

noticed it because it was geometric and

272

00:09:22,070 --> 00:09:20,640

i'm sort of was wondering well i wonder

273

00:09:23,750 --> 00:09:22,080

if this had anything to do with what we

274

00:09:26,230 --> 00:09:23,760

saw up in the sky but then i thought no

275

00:09:27,750 --> 00:09:26,240

i'm being ridiculous so i left that but

276

00:09:29,910 --> 00:09:27,760

i think the main problem that occurred

277

00:09:32,310 --> 00:09:29,920

that night was that i started bleeding

278

00:09:33,990 --> 00:09:32,320

when i wasn't due and

279

00:09:35,430 --> 00:09:34,000

quite profusely and that continued for

280

00:09:36,870 --> 00:09:35,440

three and a half weeks till i was

281

00:09:38,070 --> 00:09:36,880

hospitalized with an infection in the

282

00:09:40,230 --> 00:09:38,080

womb

283

00:09:42,070 --> 00:09:40,240

which the doctors the hospital doctors

284

00:09:45,030 --> 00:09:42,080

had no explanation for

285

00:09:46,790 --> 00:09:45,040

now as it happens

286

00:09:48,829 --> 00:09:46,800

the two ladies

287

00:09:51,509 --> 00:09:48,839

in the second party also

288

00:09:52,790 --> 00:09:51,519

had gynecological problems quite severe

289

00:09:55,269 --> 00:09:52,800

one some

290

00:09:56,870 --> 00:09:55,279

instantly post encounter

291

00:09:59,190 --> 00:09:56,880

they were also left with the triangular

292

00:10:02,230 --> 00:09:59,200

marks underneath their enables

293

00:10:03,990 --> 00:10:02,240

and what did the diagnosis for that

294

00:10:05,910 --> 00:10:04,000

bleeding turn out to be well there was

295

00:10:07,430 --> 00:10:05,920

no diagnosis there's even even on the

296

00:10:09,030 --> 00:10:07,440

medical records i have there's still

297

00:10:11,030 --> 00:10:09,040

question marks beside everything you

298

00:10:13,509 --> 00:10:11,040

know they checked out um

299

00:10:15,269 --> 00:10:13,519

a uh well first they did pregnancy

300

00:10:17,269 --> 00:10:15,279

tested to even test that i've been

301
00:10:20,150 --> 00:10:17,279
pregnant and something hadn't tested and

302
00:10:20,870 --> 00:10:20,160
that was negative they um

303
00:10:22,949 --> 00:10:20,880
they

304
00:10:24,069 --> 00:10:22,959
checked out endometritis a whole heap of

305
00:10:25,350 --> 00:10:24,079
things and all that they had was that

306
00:10:28,150 --> 00:10:25,360
there was a

307
00:10:30,550 --> 00:10:28,160
anti-uterine infection and they had real

308
00:10:32,660 --> 00:10:30,560
really no explanation for why it

309
00:10:34,069 --> 00:10:32,670
actually started

310
00:10:35,509 --> 00:10:34,079
[Music]

311
00:10:38,230 --> 00:10:35,519
now you

312
00:10:41,269 --> 00:10:38,240
wrote about all the details of your

313
00:10:43,590 --> 00:10:41,279

encounter um in this book encounter

314

00:10:45,030 --> 00:10:43,600

which we'll be talking about in a few

315

00:10:47,110 --> 00:10:45,040

minutes for the audience and showing

316

00:10:48,949 --> 00:10:47,120

them some pictures out of it

317

00:10:51,829 --> 00:10:48,959

um

318

00:10:54,230 --> 00:10:51,839

but uh so this didn't seem to be related

319

00:10:56,790 --> 00:10:54,240

to any uh pregnancy or anything like

320

00:10:58,870 --> 00:10:56,800

that they just have question marks yeah

321

00:11:01,509 --> 00:10:58,880

for your case yeah um still on the

322

00:11:04,389 --> 00:11:01,519

medical records oh my goodness

323

00:11:06,230 --> 00:11:04,399

and how did were they able to they were

324

00:11:08,069 --> 00:11:06,240

obviously able to treat you for this and

325

00:11:09,990 --> 00:11:08,079

what was the treatment yeah um i was

326

00:11:13,350 --> 00:11:10,000

placed on a

327

00:11:15,670 --> 00:11:13,360

very strong proof of antibiotics

328

00:11:17,430 --> 00:11:15,680

for several days in hospital then

329

00:11:19,829 --> 00:11:17,440

let out and um

330

00:11:20,470 --> 00:11:19,839

yeah it seemed it seems to do the trick

331

00:11:22,230 --> 00:11:20,480

and

332

00:11:23,750 --> 00:11:22,240

heal the problem but uh

333

00:11:26,829 --> 00:11:23,760

why the problem occurred in the first

334

00:11:29,350 --> 00:11:26,839

place is still a mystery i guess

335

00:11:31,910 --> 00:11:29,360

yeah anyway i went forward to

336

00:11:33,750 --> 00:11:31,920

researchers um this was a bit of a

337

00:11:35,829 --> 00:11:33,760

problem i knew something had gone on

338

00:11:38,069 --> 00:11:35,839

here and i wanted to do something about

339

00:11:40,150 --> 00:11:38,079

it my husband wasn't in agreement with

340

00:11:42,230 --> 00:11:40,160

it but i just couldn't help myself i

341

00:11:44,550 --> 00:11:42,240

started bringing universities and

342

00:11:47,110 --> 00:11:44,560

finally the the civil aviation authority

343

00:11:49,750 --> 00:11:47,120

put me on to ufo researchers and at that

344

00:11:52,230 --> 00:11:49,760

time i had no idea that if something

345

00:11:53,910 --> 00:11:52,240

like a ufo researcher existed you know i

346

00:11:55,190 --> 00:11:53,920

sort of thought i'm the only person in

347

00:11:57,269 --> 00:11:55,200

the history of mankind that this has

348

00:11:59,509 --> 00:11:57,279

happened to so this was a subject you

349

00:12:01,829 --> 00:11:59,519

had no interest no familiarity with and

350

00:12:04,629 --> 00:12:01,839

this extraordinary experience happens to

351
00:12:07,269 --> 00:12:04,639
you yeah and that is really what uh made

352
00:12:08,870 --> 00:12:07,279
you seek out assistance from

353
00:12:10,150 --> 00:12:08,880
people in the field so how did that turn

354
00:12:11,910 --> 00:12:10,160
now what about your husband now let's

355
00:12:13,990 --> 00:12:11,920
backtrack a tiny bit if you don't mind

356
00:12:15,990 --> 00:12:14,000
did he have any marks on his body no

357
00:12:16,949 --> 00:12:16,000
he's the only one that actually yeah

358
00:12:19,350 --> 00:12:16,959
he's he

359
00:12:21,030 --> 00:12:19,360
he and bill um the male member of the

360
00:12:22,710 --> 00:12:21,040
second party seemed to be the only ones

361
00:12:25,350 --> 00:12:22,720
that didn't have marks on their bodies

362
00:12:27,430 --> 00:12:25,360
so out of the six witnesses

363
00:12:30,069 --> 00:12:27,440

there were three females or four females

364

00:12:32,629 --> 00:12:30,079

there was three females and three males

365

00:12:35,509 --> 00:12:32,639

three females had marx and one male

366

00:12:37,350 --> 00:12:35,519

but the other two didn't

367

00:12:38,470 --> 00:12:37,360

okay does your husband did he have

368

00:12:40,870 --> 00:12:38,480

recollection

369

00:12:43,030 --> 00:12:40,880

the next day also or a few weeks later

370

00:12:44,069 --> 00:12:43,040

when you went back to that same place

371

00:12:47,030 --> 00:12:44,079

um

372

00:12:49,750 --> 00:12:47,040

my my husband uh he remembered seeing

373

00:12:50,629 --> 00:12:49,760

the craft in the sky and

374

00:12:52,470 --> 00:12:50,639

but

375

00:12:54,710 --> 00:12:52,480

whenever i mentioned anything out on the

376

00:12:57,110 --> 00:12:54,720

field he would go absolutely ballistic

377

00:12:59,430 --> 00:12:57,120

he would get really really angry and he

378

00:13:01,670 --> 00:12:59,440

denied it for a long time until

379

00:13:03,269 --> 00:13:01,680

about two and a half years ago

380

00:13:05,269 --> 00:13:03,279

when he finally came out and said you

381

00:13:06,870 --> 00:13:05,279

know admitted that yeah he remembers

382

00:13:08,949 --> 00:13:06,880

what went on out in the field and he has

383

00:13:10,550 --> 00:13:08,959

memories of it too and he's also seen

384

00:13:12,949 --> 00:13:10,560

these things at other stages throughout

385

00:13:14,949 --> 00:13:12,959

his lifetime before this which really

386

00:13:16,949 --> 00:13:14,959

surprised me after all these years of

387

00:13:18,150 --> 00:13:16,959

him denying it but you have to

388

00:13:21,350 --> 00:13:18,160

understand he comes from a muslim

389

00:13:23,670 --> 00:13:21,360

background and everything to him was

390

00:13:26,310 --> 00:13:23,680

anything to do with ufos or all this was

391

00:13:28,230 --> 00:13:26,320

totally demonic so his idea was not to

392

00:13:29,829 --> 00:13:28,240

touch it not to think about it not to do

393

00:13:31,670 --> 00:13:29,839

anything he was trying to deny this

394

00:13:33,750 --> 00:13:31,680

whole event occurred

395

00:13:35,110 --> 00:13:33,760

and it will go away yeah which obviously

396

00:13:37,670 --> 00:13:35,120

as you know doesn't work now what about

397

00:13:40,629 --> 00:13:37,680

your background what what is uh you said

398

00:13:42,230 --> 00:13:40,639

he was a muslim well i was a

399

00:13:43,829 --> 00:13:42,240

strange marriage mix here but i was a

400

00:13:45,590 --> 00:13:43,839

full-on pentecostal christian at the

401
00:13:47,269 --> 00:13:45,600
time which probably explains half of my

402
00:13:49,430 --> 00:13:47,279
reaction out on the field because you

403
00:13:51,269 --> 00:13:49,440
know i thought i'd had a run in with

404
00:13:53,430 --> 00:13:51,279
satan himself while i was out there and

405
00:13:55,590 --> 00:13:53,440
i think you know my hysterics had a lot

406
00:13:57,829 --> 00:13:55,600
to do with that um

407
00:14:00,069 --> 00:13:57,839
i i think uh having an upset reaction

408
00:14:02,069 --> 00:14:00,079
has a lot to do with everything

409
00:14:03,829 --> 00:14:02,079
incredible amount of

410
00:14:06,790 --> 00:14:03,839
traumatic events that happen in a short

411
00:14:08,310 --> 00:14:06,800
period of time so his reaction after was

412
00:14:10,629 --> 00:14:08,320
he didn't want to talk about it and you

413
00:14:12,870 --> 00:14:10,639

obviously felt the need to do so you had

414

00:14:16,949 --> 00:14:12,880

physical problems

415

00:14:20,230 --> 00:14:16,959

came off the iv or were there some

416

00:14:23,590 --> 00:14:20,240

lingering physical effects that occurred

417

00:14:25,350 --> 00:14:23,600

effects after the encounter

418

00:14:27,430 --> 00:14:25,360

i think for about nine months i had

419

00:14:30,870 --> 00:14:27,440

massive migraine headaches and extreme

420

00:14:32,870 --> 00:14:30,880

sensitivity to light and to noise um

421

00:14:34,150 --> 00:14:32,880

that seemed to clear up eventually but

422

00:14:38,069 --> 00:14:34,160

this seemed to be

423

00:14:39,990 --> 00:14:38,079

immediately post-encounter effects um

424

00:14:40,949 --> 00:14:40,000

whether that's from oh i don't know what

425

00:14:42,470 --> 00:14:40,959

it's from whether it's from the

426
00:14:44,790 --> 00:14:42,480
frequencies

427
00:14:46,629 --> 00:14:44,800
we felt had you ever had migraines prior

428
00:14:49,430 --> 00:14:46,639
to this and you were getting them how

429
00:14:50,790 --> 00:14:49,440
often uh on a daily basis some days i

430
00:14:52,790 --> 00:14:50,800
couldn't even get out of bed they were

431
00:14:54,710 --> 00:14:52,800
so severe i i all i'd want to do was

432
00:14:56,470 --> 00:14:54,720
feel like i was going to throw up all

433
00:14:58,710 --> 00:14:56,480
day and i just couldn't lift my head off

434
00:15:01,350 --> 00:14:58,720
the pillow goodness and the doctors said

435
00:15:03,750 --> 00:15:01,360
what about these migraines well

436
00:15:06,230 --> 00:15:03,760
not a lot i was sent for for cat scans

437
00:15:08,710 --> 00:15:06,240
and uh there didn't seem to

438
00:15:10,629 --> 00:15:08,720

be any major problem at all nothing was

439

00:15:15,910 --> 00:15:10,639

showing up in the medical department

440

00:15:19,430 --> 00:15:17,590

it's a bit hard to tell doctors oh hold

441

00:15:21,350 --> 00:15:19,440

on you know i had this ufo encounter

442

00:15:22,710 --> 00:15:21,360

maybe this could be linked to it just

443

00:15:25,110 --> 00:15:22,720

you know you just don't do things like

444

00:15:26,550 --> 00:15:25,120

that right right

445

00:15:28,470 --> 00:15:26,560

okay so now

446

00:15:31,110 --> 00:15:28,480

um you had started to lead us into the

447

00:15:33,829 --> 00:15:31,120

talk about contacting uh researchers in

448

00:15:36,069 --> 00:15:33,839

australia yes in australia uh phenomenal

449

00:15:38,790 --> 00:15:36,079

research australia was the people that i

450

00:15:41,829 --> 00:15:38,800

eventually got in contact with and

451

00:15:44,310 --> 00:15:41,839

i'm very thankful that i did because um

452

00:15:46,230 --> 00:15:44,320

they have now gone ahead and done what

453

00:15:47,910 --> 00:15:46,240

is considered to be probably the most

454

00:15:52,150 --> 00:15:47,920

thorough scientific investigation ever

455

00:15:54,150 --> 00:15:52,160

done on a ufo case in australia um

456

00:15:55,829 --> 00:15:54,160

was it an organization or one individual

457

00:15:58,150 --> 00:15:55,839

no it was an organization but it was

458

00:16:00,310 --> 00:15:58,160

headed by john orgatell

459

00:16:01,350 --> 00:16:00,320

although it ended up expanding beyond

460

00:16:03,350 --> 00:16:01,360

that uh

461

00:16:06,150 --> 00:16:03,360

uh the monash university of melbourne

462

00:16:09,269 --> 00:16:06,160

got very deeply involved in the on-field

463

00:16:12,069 --> 00:16:09,279

data collection and analysis as well so

464

00:16:14,230 --> 00:16:12,079

now what now this is very remarkable now

465

00:16:15,749 --> 00:16:14,240

we in this country when there's a ufo

466

00:16:17,910 --> 00:16:15,759

case or a close encounter the

467

00:16:19,670 --> 00:16:17,920

universities don't jump on board and

468

00:16:21,990 --> 00:16:19,680

people don't start usually jumping on

469

00:16:23,670 --> 00:16:22,000

board to do good quality research but

470

00:16:25,670 --> 00:16:23,680

you had a reaction like that over there

471

00:16:28,629 --> 00:16:25,680

you were very fortunate i was so very

472

00:16:30,949 --> 00:16:28,639

very lucky and uh now was it was this uh

473

00:16:33,030 --> 00:16:30,959

were ufo phenomena was that commonly

474

00:16:35,269 --> 00:16:33,040

talked about or no no

475

00:16:36,790 --> 00:16:35,279

australia that's oh it's definitely been

476

00:16:38,230 --> 00:16:36,800

research going on for many many years

477

00:16:39,910 --> 00:16:38,240

there's been a lot more cases and will

478

00:16:41,430 --> 00:16:39,920

ever be brought out in public but it it

479

00:16:43,670 --> 00:16:41,440

wasn't an issue that was dealt with in

480

00:16:46,150 --> 00:16:43,680

public at the time so your case really

481

00:16:48,069 --> 00:16:46,160

was pivotal and brilliant it opened up i

482

00:16:51,350 --> 00:16:48,079

opened the media up in australia

483

00:16:53,749 --> 00:16:51,360

incredibly um yeah it was uh but the

484

00:16:55,350 --> 00:16:53,759

research itself um i just want to go

485

00:16:58,710 --> 00:16:55,360

back to that for a moment absolutely but

486

00:17:01,670 --> 00:16:58,720

the on field ground traces and data took

487

00:17:03,189 --> 00:17:01,680

18 months of investigation

488

00:17:05,189 --> 00:17:03,199

there was no expense speed there was

489

00:17:08,069 --> 00:17:05,199

aerial surveys uh you know infrared

490

00:17:09,750 --> 00:17:08,079

photography from the air uh the magnetic

491

00:17:11,029 --> 00:17:09,760

readings taken were taken by a portable

492

00:17:14,150 --> 00:17:11,039

magnetometer

493

00:17:15,750 --> 00:17:14,160

250 000 worth of equipment and only one

494

00:17:16,549 --> 00:17:15,760

of two in australia

495

00:17:17,990 --> 00:17:16,559

um

496

00:17:20,309 --> 00:17:18,000

so they basically went all the way and

497

00:17:22,789 --> 00:17:20,319

i've seen photographs of

498

00:17:26,150 --> 00:17:22,799

several acres of of the fields cordoned

499

00:17:28,710 --> 00:17:26,160

off into one metre blocks um with pegs

500

00:17:32,710 --> 00:17:28,720

and ribbon and samples were taken from

501
00:17:35,830 --> 00:17:32,720
every single block and uh several times

502
00:17:38,549 --> 00:17:35,840
actually and uh sent to two separate um

503
00:17:40,789 --> 00:17:38,559
individual analysts um

504
00:17:43,270 --> 00:17:40,799
but the ground traces included uh a

505
00:17:45,990 --> 00:17:43,280
triangular mark out on the field

506
00:17:48,150 --> 00:17:46,000
that was first thought to be

507
00:17:50,470 --> 00:17:48,160
burns but ended up being the chemical

508
00:17:52,470 --> 00:17:50,480
pyrin which is a carcinogenic

509
00:17:54,230 --> 00:17:52,480
cancer-causing agent but

510
00:17:56,630 --> 00:17:54,240
it does come naturally in small

511
00:17:58,630 --> 00:17:56,640
quantities in areas such as coal loads

512
00:17:59,830 --> 00:17:58,640
but geologically it shouldn't have been

513
00:18:01,590 --> 00:17:59,840

in this particular position and

514

00:18:03,990 --> 00:18:01,600

certainly not in a triangular formation

515

00:18:06,950 --> 00:18:04,000

how large was the triangle

516

00:18:09,270 --> 00:18:06,960

the triangle was only um

517

00:18:13,270 --> 00:18:09,280

it was an equilateral triangle again and

518

00:18:15,430 --> 00:18:13,280

but the marks were only 20 feet apart um

519

00:18:16,950 --> 00:18:15,440

however there was another very large

520

00:18:19,029 --> 00:18:16,960

magnetic anomaly in the shape of a

521

00:18:21,830 --> 00:18:19,039

semicircle and actually if i show you

522

00:18:24,150 --> 00:18:21,840

the picture of the craft we all drew

523

00:18:26,630 --> 00:18:24,160

these are the this is the original craft

524

00:18:27,990 --> 00:18:26,640

that i actually uh here tell you what

525

00:18:30,310 --> 00:18:28,000

let's hold it up for the camera and

526

00:18:32,630 --> 00:18:30,320

we'll let them uh do a close-up okay

527

00:18:34,870 --> 00:18:32,640

we're going to use this camera correct

528

00:18:36,310 --> 00:18:34,880

which one are we using here

529

00:18:37,909 --> 00:18:36,320

all right this camera is going to do a

530

00:18:40,230 --> 00:18:37,919

close-up

531

00:18:42,230 --> 00:18:40,240

in a moment and

532

00:18:43,590 --> 00:18:42,240

there we go all right now i'm going to

533

00:18:46,070 --> 00:18:43,600

point to the one that we're talking

534

00:18:46,950 --> 00:18:46,080

about first now this one right here is

535

00:18:56,390 --> 00:18:46,960

the

536

00:18:58,950 --> 00:18:56,400

close encounter did you do this um

537

00:19:00,549 --> 00:18:58,960

within about four or five weeks four to

538

00:19:02,390 --> 00:19:00,559

five weeks yesterday were you asked to

539

00:19:05,510 --> 00:19:02,400

do so yes i was when i first contacted

540

00:19:07,590 --> 00:19:05,520

the researchers they they um asked that

541

00:19:10,950 --> 00:19:07,600

uh i submit anything that i could

542

00:19:12,950 --> 00:19:10,960

remember including drawings um and uh

543

00:19:14,630 --> 00:19:12,960

you know written documentation of

544

00:19:16,789 --> 00:19:14,640

everything that i remembered

545

00:19:18,070 --> 00:19:16,799

the second and the reason you didn't do

546

00:19:19,830 --> 00:19:18,080

the sooner is because you were having

547

00:19:21,590 --> 00:19:19,840

that medical problem for the first three

548

00:19:23,029 --> 00:19:21,600

and a half weeks certainly

549

00:19:25,110 --> 00:19:23,039

the reason is that i hadn't gone forward

550

00:19:27,190 --> 00:19:25,120

to researchers you know i mean

551

00:19:29,190 --> 00:19:27,200

that took a bit of courage and it also

552

00:19:31,909 --> 00:19:29,200

took a bit of research to even find out

553

00:19:34,390 --> 00:19:31,919

where to go to yeah but the second group

554

00:19:36,070 --> 00:19:34,400

came forward six weeks after um i did

555

00:19:37,590 --> 00:19:36,080

with the same story and drew the same

556

00:19:39,830 --> 00:19:37,600

thing yet they

557

00:19:41,830 --> 00:19:39,840

hadn't weren't aware that i'd already

558

00:19:43,909 --> 00:19:41,840

been to the researchers and they weren't

559

00:19:45,590 --> 00:19:43,919

told about that either until until

560

00:19:47,990 --> 00:19:45,600

approximately

561

00:19:50,150 --> 00:19:48,000

nine months um

562

00:19:52,630 --> 00:19:50,160

after the investigation had started oh

563

00:19:54,630 --> 00:19:52,640

after the encounter so how did these

564

00:19:57,190 --> 00:19:54,640

people know to come forward was there

565

00:19:58,950 --> 00:19:57,200

some publicity involved no no none

566

00:20:01,430 --> 00:19:58,960

whatsoever they on their own just like

567

00:20:02,630 --> 00:20:01,440

you felt and you know oh no no no no no

568

00:20:07,510 --> 00:20:02,640

what

569

00:20:09,590 --> 00:20:07,520

an advertisement put by the researchers

570

00:20:11,990 --> 00:20:09,600

in a local paper because i insisted that

571

00:20:14,710 --> 00:20:12,000

there was second um a second group of

572

00:20:18,070 --> 00:20:14,720

people behind me but the advertisement

573

00:20:20,950 --> 00:20:18,080

was very carefully worded um

574

00:20:24,070 --> 00:20:20,960

and it was basically to do if if anyone

575

00:20:26,310 --> 00:20:24,080

had had any unusual activity in in this

576

00:20:28,630 --> 00:20:26,320

particular suburb and what they did get

577

00:20:29,750 --> 00:20:28,640

was a whole spate of ufo sighting

578

00:20:31,669 --> 00:20:29,760

reports

579

00:20:33,750 --> 00:20:31,679

and then they've got this one phone call

580

00:20:36,149 --> 00:20:33,760

of these people saying look i don't know

581

00:20:38,070 --> 00:20:36,159

if you're going to believe this but

582

00:20:39,350 --> 00:20:38,080

we had this really unusual experience

583

00:20:40,789 --> 00:20:39,360

and then they mentioned the name of the

584

00:20:42,470 --> 00:20:40,799

road and i mean that those sort of

585

00:20:43,830 --> 00:20:42,480

things weren't so it wasn't just

586

00:20:45,110 --> 00:20:43,840

actually the people on the ground there

587

00:20:58,870 --> 00:20:45,120

were a lot of people that had seen an

588

00:21:02,230 --> 00:21:00,710

right and they didn't say ufo sighting

589

00:21:05,909 --> 00:21:02,240

or anything and yet they got a series of

590

00:21:07,990 --> 00:21:05,919

calls about this very compelling so um

591

00:21:10,149 --> 00:21:08,000

so basically they were kept unaware of

592

00:21:11,909 --> 00:21:10,159

our presence that night and um the

593

00:21:13,990 --> 00:21:11,919

sketches they drew were without ever

594

00:21:15,990 --> 00:21:14,000

seeing mine or having any clue of what

595

00:21:18,070 --> 00:21:16,000

i'd drawn the same as the beans on the

596

00:21:20,549 --> 00:21:18,080

field they drew very similar sketches to

597

00:21:22,549 --> 00:21:20,559

very similar absolutely um

598

00:21:24,310 --> 00:21:22,559

and what we'd seen wasn't the usual

599

00:21:26,310 --> 00:21:24,320

little gray that most people may have

600

00:21:28,390 --> 00:21:26,320

seen in the media these were six to

601
00:21:31,270 --> 00:21:28,400
seven foot tall and black let's take a

602
00:21:32,950 --> 00:21:31,280
look at the drawings that um the same

603
00:21:34,149 --> 00:21:32,960
witnesses the same two women who drew

604
00:21:36,070 --> 00:21:34,159
the craft

605
00:21:38,789 --> 00:21:36,080
craft and yourself so we'll do a

606
00:21:40,710 --> 00:21:38,799
close-up of this and again i'll point

607
00:21:46,549 --> 00:21:40,720
to the

608
00:21:48,870 --> 00:21:46,559
the one right here that kelly drew

609
00:21:50,630 --> 00:21:48,880
and oops cricket sorry about that and

610
00:21:53,110 --> 00:21:50,640
the ones on the other page are by the

611
00:21:54,789 --> 00:21:53,120
other two witnesses who also

612
00:21:56,549 --> 00:21:54,799
did the same drawing did the similar

613
00:21:58,230 --> 00:21:56,559

drawings of the crap completely separate

614

00:21:59,510 --> 00:21:58,240

did these two women uh talk with each

615

00:22:00,630 --> 00:21:59,520

other before they did their drawings

616

00:22:02,390 --> 00:22:00,640

were they friends they were they were

617

00:22:03,350 --> 00:22:02,400

friends

618

00:22:05,669 --> 00:22:03,360

okay

619

00:22:07,430 --> 00:22:05,679

now the unusual thing is that

620

00:22:10,470 --> 00:22:07,440

we all did the same thing all we drew

621

00:22:12,549 --> 00:22:10,480

were a face and eyes no nose no mouth no

622

00:22:15,270 --> 00:22:12,559

anything else and did they feel that the

623

00:22:17,190 --> 00:22:15,280

eyes were red as well um they don't

624

00:22:18,310 --> 00:22:17,200

remember the eyes lighting up red simply

625

00:22:20,230 --> 00:22:18,320

because when they were on the side of

626

00:22:22,230 --> 00:22:20,240

the field they when they first crossed

627

00:22:24,390 --> 00:22:22,240

the road they saw the craft they saw the

628

00:22:26,149 --> 00:22:24,400

beings they heard a humming noise and

629

00:22:27,430 --> 00:22:26,159

that was it they were unconscious so

630

00:22:28,870 --> 00:22:27,440

they didn't even see the beings come

631

00:22:31,510 --> 00:22:28,880

across the field and split up that they

632

00:22:33,350 --> 00:22:31,520

did see them there um

633

00:22:35,669 --> 00:22:33,360

so i you know our story is slightly

634

00:22:36,870 --> 00:22:35,679

different but they they

635

00:22:39,029 --> 00:22:36,880

simply because we had different

636

00:22:41,190 --> 00:22:39,039

experiences at the same place but they

637

00:22:42,950 --> 00:22:41,200

did take researchers back to the same

638

00:22:44,549 --> 00:22:42,960

place and so you might have been the

639

00:22:46,470 --> 00:22:44,559

only unfortunate one that got knocked

640

00:22:47,909 --> 00:22:46,480

off her yeah i might have been the only

641

00:22:49,430 --> 00:22:47,919

unfortunate one that managed to stay

642

00:22:50,950 --> 00:22:49,440

conscious for a little while longer i

643

00:22:51,909 --> 00:22:50,960

would have been better off if i hadn't

644

00:22:54,470 --> 00:22:51,919

yeah

645

00:22:55,669 --> 00:22:54,480

truly difficult one

646

00:22:57,750 --> 00:22:55,679

goodness

647

00:22:59,510 --> 00:22:57,760

all right so let's keep talking about

648

00:23:01,190 --> 00:22:59,520

the uh during the investigation with

649

00:23:02,710 --> 00:23:01,200

this researcher that

650

00:23:04,470 --> 00:23:02,720

did you find this helpful to find out

651

00:23:06,830 --> 00:23:04,480

that the other witnesses had seen a

652

00:23:10,710 --> 00:23:06,840

similar thing when you did yeah

653

00:23:12,149 --> 00:23:10,720

um well it's sort of uh by that stage i

654

00:23:14,070 --> 00:23:12,159

was really starting to think god i must

655

00:23:17,029 --> 00:23:14,080

be going crazy you know

656

00:23:19,110 --> 00:23:17,039

absolutely yeah it must be some form of

657

00:23:20,630 --> 00:23:19,120

psychosis or something like that because

658

00:23:22,310 --> 00:23:20,640

it just couldn't be real and i think

659

00:23:24,710 --> 00:23:22,320

that was the greatest effect on my whole

660

00:23:26,310 --> 00:23:24,720

life actually is that

661

00:23:27,510 --> 00:23:26,320

all through my life i've been taught

662

00:23:28,950 --> 00:23:27,520

that

663

00:23:29,830 --> 00:23:28,960

strange things like this they don't

664

00:23:32,470 --> 00:23:29,840

exist

665

00:23:33,510 --> 00:23:32,480

and i believed in science and academia

666

00:23:37,990 --> 00:23:33,520

and

667

00:23:40,470 --> 00:23:38,000

with this reality that something did

668

00:23:42,390 --> 00:23:40,480

exist and i've been told that this just

669

00:23:44,470 --> 00:23:42,400

didn't exist so i'd never contemplated

670

00:23:45,909 --> 00:23:44,480

it and i started realizing hey these

671

00:23:47,510 --> 00:23:45,919

guys don't know what they're talking

672

00:23:48,950 --> 00:23:47,520

about there's just opinions because they

673

00:23:50,710 --> 00:23:48,960

didn't really know

674

00:23:53,269 --> 00:23:50,720

and i think that's where

675

00:23:55,110 --> 00:23:53,279

your whole concept of of logic and

676
00:23:57,990 --> 00:23:55,120
reality gets shaken to the very

677
00:24:00,390 --> 00:23:58,000
foundations um

678
00:24:02,710 --> 00:24:00,400
with myself uh it was

679
00:24:04,470 --> 00:24:02,720
almost like i had to go right back and

680
00:24:06,870 --> 00:24:04,480
start to question everything i'd ever

681
00:24:09,190 --> 00:24:06,880
been taught in my life

682
00:24:11,350 --> 00:24:09,200
and ask ask myself is this truth or not

683
00:24:13,669 --> 00:24:11,360
and i have to find the answer for myself

684
00:24:15,190 --> 00:24:13,679
what a difficult search

685
00:24:16,870 --> 00:24:15,200
very difficult

686
00:24:19,269 --> 00:24:16,880
i bet that's been quite a difficult

687
00:24:20,630 --> 00:24:19,279
struggle to especially since the general

688
00:24:22,230 --> 00:24:20,640

public although

689

00:24:23,909 --> 00:24:22,240

like i said you're fortunate that the

690

00:24:25,669 --> 00:24:23,919

media and the people you turned to for

691

00:24:27,029 --> 00:24:25,679

help were at least willing to assist you

692

00:24:29,029 --> 00:24:27,039

rather than

693

00:24:31,750 --> 00:24:29,039

uh giving you very negative feedback and

694

00:24:34,310 --> 00:24:31,760

just ignoring you and leaving you alone

695

00:24:36,710 --> 00:24:34,320

um to deal with it

696

00:24:39,669 --> 00:24:36,720

without information well i think i think

697

00:24:41,750 --> 00:24:39,679

um the australian media

698

00:24:42,789 --> 00:24:41,760

actually talked to this so well simply

699

00:24:44,230 --> 00:24:42,799

because

700

00:24:45,909 --> 00:24:44,240

for the first time they had something

701
00:24:47,590 --> 00:24:45,919
physical to look at they had ground

702
00:24:49,190 --> 00:24:47,600
traces to look at they had marks on

703
00:24:51,110 --> 00:24:49,200
people's bodies um

704
00:24:52,950 --> 00:24:51,120
uh

705
00:24:54,390 --> 00:24:52,960
glenda from the second car and david

706
00:24:56,470 --> 00:24:54,400
from the third car

707
00:24:57,830 --> 00:24:56,480
had amazing ligature marks around their

708
00:24:59,510 --> 00:24:57,840
ankles which

709
00:25:02,310 --> 00:24:59,520
which implied what

710
00:25:03,990 --> 00:25:02,320
well glenda says that she she recalls

711
00:25:04,630 --> 00:25:04,000
being strapped down to a table you know

712
00:25:26,789 --> 00:25:04,640
a

713
00:25:30,549 --> 00:25:26,799

the

714

00:25:31,990 --> 00:25:30,559

now he

715

00:25:33,990 --> 00:25:32,000

came forward to speak with the

716

00:25:35,990 --> 00:25:34,000

researchers and share his experiences

717

00:25:39,669 --> 00:25:36,000

but he has never wanted to come public

718

00:25:41,750 --> 00:25:39,679

yeah um he uh actually didn't come up

719

00:25:43,909 --> 00:25:41,760

didn't we didn't even find out anything

720

00:25:45,350 --> 00:25:43,919

about him until 1996 three years down

721

00:25:47,029 --> 00:25:45,360

the track apparently

722

00:25:49,510 --> 00:25:47,039

very early on in the piece they'd gone

723

00:25:51,269 --> 00:25:49,520

to other researchers to tell their story

724

00:25:53,350 --> 00:25:51,279

and no one had been interested and it

725

00:25:55,029 --> 00:25:53,360

hadn't been linked up so no one

726

00:25:56,710 --> 00:25:55,039

knew that he had anything to do with

727

00:25:58,789 --> 00:25:56,720

this and they had got a little bit

728

00:26:01,990 --> 00:25:58,799

disillusioned and decided that maybe

729

00:26:04,950 --> 00:26:02,000

they'd better just keep it to themselves

730

00:26:07,350 --> 00:26:04,960

and it wasn't until they saw a story in

731

00:26:09,269 --> 00:26:07,360

a magazine um an article that i'd done

732

00:26:11,510 --> 00:26:09,279

that i thought you know hold on a second

733

00:26:13,269 --> 00:26:11,520

this sounds exactly like what

734

00:26:14,870 --> 00:26:13,279

what um

735

00:26:16,789 --> 00:26:14,880

well what he went through this is his

736

00:26:17,870 --> 00:26:16,799

wife encouraging him but he's got to do

737

00:26:20,390 --> 00:26:17,880

something about it of course

738

00:26:23,110 --> 00:26:20,400

[Laughter]

739

00:26:24,950 --> 00:26:23,120

yes just as traumatic for the spouse as

740

00:26:27,669 --> 00:26:24,960

the person yeah and he was also left

741

00:26:29,510 --> 00:26:27,679

with um the same marks on his body that

742

00:26:32,390 --> 00:26:29,520

the two women in the second car had was

743

00:26:34,230 --> 00:26:32,400

a series of three dots on the inside

744

00:26:36,870 --> 00:26:34,240

thigh um how large might these thoughts

745

00:26:39,430 --> 00:26:36,880

be like a puncture dot or a brute you

746

00:26:41,350 --> 00:26:39,440

know like the end of a pencil eraser on

747

00:26:43,909 --> 00:26:41,360

the other yeah about the size of at the

748

00:26:46,630 --> 00:26:43,919

end of a pencil eraser um three red

749

00:26:48,789 --> 00:26:46,640

spots in a row that never fade in in

750

00:26:53,990 --> 00:26:48,799

color is there any tenderness on these

751
00:26:58,390 --> 00:26:56,149
i'm just aware of the markings i've been

752
00:27:00,710 --> 00:26:58,400
given photographs of the marksman

753
00:27:02,710 --> 00:27:00,720
now do you still have your triangle

754
00:27:04,870 --> 00:27:02,720
when about five months afterwards five

755
00:27:06,390 --> 00:27:04,880
months yeah um

756
00:27:08,390 --> 00:27:06,400
actually at first it was fred and i

757
00:27:11,350 --> 00:27:08,400
thought well this could be a burn then

758
00:27:13,269 --> 00:27:11,360
it healed to be the outline of a scar

759
00:27:15,190 --> 00:27:13,279
a triangular sculpt

760
00:27:17,990 --> 00:27:15,200
suggested more that it was it might have

761
00:27:20,389 --> 00:27:18,000
been a cut or all this layers of skin

762
00:27:21,510 --> 00:27:20,399
removed rather than rather than actually

763
00:27:22,549 --> 00:27:21,520

a burn

764

00:27:24,230 --> 00:27:22,559

um

765

00:27:25,669 --> 00:27:24,240

i didn't realize of course how important

766

00:27:27,110 --> 00:27:25,679

that was until

767

00:27:28,710 --> 00:27:27,120

january the following year when the

768

00:27:30,710 --> 00:27:28,720

researchers said well hey you're not

769

00:27:34,310 --> 00:27:30,720

alone in this because the other two had

770

00:27:35,669 --> 00:27:34,320

it as well and that was a real relief

771

00:27:38,310 --> 00:27:35,679

yeah so

772

00:27:40,470 --> 00:27:38,320

now have you since you know met with the

773

00:27:41,990 --> 00:27:40,480

other witnesses and become no friends

774

00:27:44,149 --> 00:27:42,000

perhaps

775

00:27:45,350 --> 00:27:44,159

i didn't understand that at first um

776

00:27:46,389 --> 00:27:45,360

well i thought you know we've been

777

00:27:48,870 --> 00:27:46,399

through this and no one else in the

778

00:27:50,310 --> 00:27:48,880

world has experienced this it's like

779

00:27:51,510 --> 00:27:50,320

well i really needed them because i

780

00:27:53,510 --> 00:27:51,520

wasn't having the support from my

781

00:27:56,070 --> 00:27:53,520

husband at all that i needed in fact he

782

00:27:58,230 --> 00:27:56,080

was angry the whole at the whole thing

783

00:27:59,990 --> 00:27:58,240

because he just wanted me not to tell

784

00:28:01,830 --> 00:28:00,000

anybody and let's go on living the way

785

00:28:05,110 --> 00:28:01,840

we were living and yet don't even talk

786

00:28:06,070 --> 00:28:05,120

about it with him yeah yeah um

787

00:28:08,950 --> 00:28:06,080

but

788

00:28:11,830 --> 00:28:08,960

they um at first they well they weren't

789

00:28:13,669 --> 00:28:11,840
even told about us until july 1994 so i

790

00:28:16,389 --> 00:28:13,679
had to wait all of that time

791

00:28:18,789 --> 00:28:16,399
um but a year later

792

00:28:20,310 --> 00:28:18,799
about nine months um after they came

793

00:28:21,750 --> 00:28:20,320
forward they were told about our

794

00:28:23,510 --> 00:28:21,760
presence that night

795

00:28:25,669 --> 00:28:23,520
um they hadn't seen us ahead of them

796

00:28:27,430 --> 00:28:25,679
even though i'd seen them behind us

797

00:28:28,710 --> 00:28:27,440
and

798

00:28:30,470 --> 00:28:28,720
they did go

799

00:28:32,789 --> 00:28:30,480
public they did a lecture at a

800

00:28:35,590 --> 00:28:32,799
university and two radio shows that i

801

00:28:38,870 --> 00:28:35,600

know of but i only learnt those in in

802

00:28:40,310 --> 00:28:38,880

retrospect or i would have been there

803

00:28:42,870 --> 00:28:40,320

and they decided that they weren't going

804

00:28:45,110 --> 00:28:42,880

to do it anymore um

805

00:28:47,269 --> 00:28:45,120

that bill was

806

00:28:49,669 --> 00:28:47,279

terrified of uh you know his position as

807

00:28:51,269 --> 00:28:49,679

a bank manager if anyone found out and

808

00:28:52,310 --> 00:28:51,279

uh it was the girls who'd actually been

809

00:28:53,990 --> 00:28:52,320

speaking

810

00:28:55,590 --> 00:28:54,000

and so

811

00:28:57,750 --> 00:28:55,600

they all just decided that it just

812

00:28:59,269 --> 00:28:57,760

wasn't worth all the trouble of going

813

00:29:00,710 --> 00:28:59,279

public and

814

00:29:02,789 --> 00:29:00,720

they decided that

815

00:29:03,830 --> 00:29:02,799

they were going to leave it behind and

816

00:29:05,430 --> 00:29:03,840

really didn't want to deal with it

817

00:29:07,510 --> 00:29:05,440

anymore there was actually a lot more to

818

00:29:09,269 --> 00:29:07,520

it there was a big court case that went

819

00:29:11,510 --> 00:29:09,279

on over revealing their personal

820

00:29:13,510 --> 00:29:11,520

information in public and

821

00:29:15,190 --> 00:29:13,520

a lot of other things who was it there

822

00:29:16,389 --> 00:29:15,200

with the researchers and the second

823

00:29:18,549 --> 00:29:16,399

party so

824

00:29:21,510 --> 00:29:18,559

there was a lot a lot more complications

825

00:29:24,070 --> 00:29:21,520

that went on than meets the eye

826

00:29:26,950 --> 00:29:24,080

now writing this book encounter uh which

827

00:29:29,190 --> 00:29:26,960

he wrote in 1996

828

00:29:31,350 --> 00:29:29,200

well actually i didn't um it was

829

00:29:32,549 --> 00:29:31,360

published in 96 but all of this really

830

00:29:34,710 --> 00:29:32,559

comes from

831

00:29:36,870 --> 00:29:34,720

um the journals that i was encouraged to

832

00:29:39,350 --> 00:29:36,880

keep by the researchers it was like

833

00:29:41,190 --> 00:29:39,360

write everything down you know and maybe

834

00:29:43,350 --> 00:29:41,200

one day it can be used as reference

835

00:29:45,750 --> 00:29:43,360

material or something um

836

00:29:47,350 --> 00:29:45,760

and uh

837

00:29:48,789 --> 00:29:47,360

it was it was a form of i guess a form

838

00:29:50,950 --> 00:29:48,799

of therapy too

839

00:29:53,190 --> 00:29:50,960

but more than that i've gone back

840

00:29:55,190 --> 00:29:53,200

through my my old

841

00:29:57,029 --> 00:29:55,200

journals and sometimes i'm amazed at how

842

00:29:59,350 --> 00:29:57,039

much you forget over the years and it's

843

00:30:01,430 --> 00:29:59,360

like oh god i forgot all about that you

844

00:30:03,350 --> 00:30:01,440

know it might be a little incident or

845

00:30:04,870 --> 00:30:03,360

you know a little insight and it was

846

00:30:06,950 --> 00:30:04,880

really good to write it down but the

847

00:30:09,830 --> 00:30:06,960

book basically

848

00:30:12,389 --> 00:30:09,840

came from that um and and from an

849

00:30:14,149 --> 00:30:12,399

interview that was done on tape and what

850

00:30:15,430 --> 00:30:14,159

what compelled you to write this book

851
00:30:17,350 --> 00:30:15,440
was it something that felt

852
00:30:19,830 --> 00:30:17,360
therapeutically valuable did you want to

853
00:30:21,990 --> 00:30:19,840
share it with a larger audience um not

854
00:30:23,669 --> 00:30:22,000
at first that's what took me quite a

855
00:30:25,510 --> 00:30:23,679
number of years to do anything with it

856
00:30:27,190 --> 00:30:25,520
um i didn't really want to share it with

857
00:30:29,669 --> 00:30:27,200
a lot of people it was even telling my

858
00:30:31,350 --> 00:30:29,679
best friends was a bit of a problem but

859
00:30:32,710 --> 00:30:31,360
the support that i got from them really

860
00:30:34,230 --> 00:30:32,720
encouraged me a lot

861
00:30:36,710 --> 00:30:34,240
but it was actually researchers and

862
00:30:38,950 --> 00:30:36,720
other experiences i got to meet quite a

863
00:30:41,510 --> 00:30:38,960

number of you know actually now it's in

864

00:30:44,389 --> 00:30:41,520

the thousands of other experiences now

865

00:30:47,750 --> 00:30:44,399

across the globe but by then i've met

866

00:30:49,669 --> 00:30:47,760

um several people and

867

00:30:50,710 --> 00:30:49,679

everyone kept saying to me listen you've

868

00:30:56,789 --> 00:30:50,720

got

869

00:30:58,630 --> 00:30:56,799

parties of witnesses

870

00:31:00,630 --> 00:30:58,640

and um

871

00:31:02,070 --> 00:31:00,640

we've been in our situations alone we

872

00:31:03,269 --> 00:31:02,080

haven't got what you've got to get out

873

00:31:05,750 --> 00:31:03,279

there and tell people hey there's

874

00:31:06,389 --> 00:31:05,760

something going on and basically i think

875

00:31:26,630 --> 00:31:06,399

i

876

00:31:29,909 --> 00:31:26,640

your book

877

00:31:31,509 --> 00:31:29,919

oh very good actually um media went

878

00:31:32,710 --> 00:31:31,519

crazy on it in australia and actually

879

00:31:33,669 --> 00:31:32,720

that's where

880

00:31:36,230 --> 00:31:33,679

the

881

00:31:38,710 --> 00:31:36,240

a lot of um

882

00:31:41,509 --> 00:31:38,720

a lot of media attention turned to ufos

883

00:31:43,350 --> 00:31:41,519

from there on in and um

884

00:31:45,590 --> 00:31:43,360

oh actually a little bit before my book

885

00:31:47,509 --> 00:31:45,600

um but i think i was one of the first

886

00:31:49,430 --> 00:31:47,519

well probably the first experiencer to

887

00:31:52,070 --> 00:31:49,440

go so full-on in the australian media

888

00:31:54,710 --> 00:31:52,080

and i was on current affairs programs

889

00:31:55,750 --> 00:31:54,720

and in academic journals and and so on

890

00:31:57,669 --> 00:31:55,760

and

891

00:31:59,509 --> 00:31:57,679

you know it's it's not an easy thing i

892

00:32:01,590 --> 00:31:59,519

mean i'm not an unintelligent woman so

893

00:32:02,630 --> 00:32:01,600

it's a you know i know it looks crazy

894

00:32:04,149 --> 00:32:02,640

but

895

00:32:05,909 --> 00:32:04,159

if someone doesn't get up there and make

896

00:32:07,669 --> 00:32:05,919

a fool of themselves and invent an

897

00:32:10,230 --> 00:32:07,679

absolutely stupid story like that when

898

00:32:11,110 --> 00:32:10,240

they know how ridiculous it sounds

899

00:32:13,509 --> 00:32:11,120

so

900

00:32:15,110 --> 00:32:13,519

the purpose behind it you know

901
00:32:17,430 --> 00:32:15,120
you know it's going to look stupid you

902
00:32:19,269 --> 00:32:17,440
know it's going to probably ruin your

903
00:32:21,110 --> 00:32:19,279
reputation or whatever but when you've

904
00:32:23,430 --> 00:32:21,120
got a truth to get out there it's really

905
00:32:25,190 --> 00:32:23,440
important and um i just thank god that a

906
00:32:26,310 --> 00:32:25,200
lot of people actually did listen which

907
00:32:27,990 --> 00:32:26,320
is um

908
00:32:29,990 --> 00:32:28,000
yeah you're very fortunate it didn't

909
00:32:32,310 --> 00:32:30,000
ruin your reputation and you live in a

910
00:32:34,950 --> 00:32:32,320
now it did

911
00:32:34,960 --> 00:32:38,470
but okay

912
00:32:42,389 --> 00:32:41,430
um but you live in a small town now in

913
00:32:45,110 --> 00:32:42,399

australia

914

00:32:47,590 --> 00:32:45,120

and how do your your

915

00:32:49,830 --> 00:32:47,600

fellow townspeople uh feel about your

916

00:32:50,950 --> 00:32:49,840

experience or is there any you know

917

00:32:53,830 --> 00:32:50,960

fault

918

00:32:55,909 --> 00:32:53,840

feedback from us yeah well actually my

919

00:32:57,909 --> 00:32:55,919

next door my next next-door neighbor is

920

00:32:59,269 --> 00:32:57,919

a pastor of a church

921

00:33:01,190 --> 00:32:59,279

and

922

00:33:03,830 --> 00:33:01,200

within weeks of me moving in he was on

923

00:33:05,909 --> 00:33:03,840

my doorstep saying uh i heard you wrote

924

00:33:08,470 --> 00:33:05,919

a book and he said oh the boys have been

925

00:33:11,029 --> 00:33:08,480

talking about it so but i don't i tend

926

00:33:13,509 --> 00:33:11,039

to uh stick to myself a lot i'm a very

927

00:33:15,750 --> 00:33:13,519

private person so i really don't know

928

00:33:17,909 --> 00:33:15,760

what people say and think nobody's

929

00:33:19,430 --> 00:33:17,919

coming no one will do it purposely to me

930

00:33:21,430 --> 00:33:19,440

actually the only problem person having

931

00:33:23,830 --> 00:33:21,440

any problem with it at the moment is my

932

00:33:25,110 --> 00:33:23,840

my oldest uh she's about to turn 13 and

933

00:33:26,789 --> 00:33:25,120

she's going through that stage where

934

00:33:27,590 --> 00:33:26,799

everything about her mum's embarrassing

935

00:33:30,789 --> 00:33:27,600

and

936

00:33:32,549 --> 00:33:30,799

this just makes it worse

937

00:33:34,870 --> 00:33:32,559

once upon a time she used to be really

938

00:33:38,310 --> 00:33:34,880

proud of this not anymore yeah so that's

939

00:33:40,710 --> 00:33:38,320

just that age yes being a 13 year old so

940

00:33:42,950 --> 00:33:40,720

now you have three children

941

00:33:44,789 --> 00:33:42,960

and how do the others uh has there been

942

00:33:47,190 --> 00:33:44,799

any experiences that you know of that

943

00:33:48,870 --> 00:33:47,200

your children have had or have you had

944

00:33:49,750 --> 00:33:48,880

and well let's start with your children

945

00:33:53,590 --> 00:33:49,760

and then

946

00:33:55,190 --> 00:33:53,600

um well i certainly hope not um but none

947

00:33:57,830 --> 00:33:55,200

that you know of that your children have

948

00:34:00,070 --> 00:33:57,840

not had any encounters or visitations do

949

00:34:02,470 --> 00:34:00,080

you feel you've had any visitations or

950

00:34:06,389 --> 00:34:02,480

encounters since that night august 93

951
00:34:08,069 --> 00:34:06,399
event yes i had for five months after

952
00:34:10,790 --> 00:34:08,079
the encounter

953
00:34:11,909 --> 00:34:10,800
i had what i term as night visitations i

954
00:34:16,230 --> 00:34:11,919
had

955
00:34:18,149 --> 00:34:16,240
woke up on four occasions to see

956
00:34:20,470 --> 00:34:18,159
one of these tall dark beings standing

957
00:34:22,230 --> 00:34:20,480
right beside my bed um whether it was a

958
00:34:24,389 --> 00:34:22,240
sleep phenomena or something i don't

959
00:34:26,470 --> 00:34:24,399
know but it certainly seemed real when i

960
00:34:28,550 --> 00:34:26,480
woke up and um

961
00:34:30,470 --> 00:34:28,560
yeah uh well enough to scare the living

962
00:34:32,389 --> 00:34:30,480
daylights out of me so that you know

963
00:34:33,909 --> 00:34:32,399

only it's only been two and a half years

964

00:34:35,349 --> 00:34:33,919

since i've been able to sleep without

965

00:34:36,710 --> 00:34:35,359

the light on again

966

00:34:38,389 --> 00:34:36,720

so you know when you when you've been

967

00:34:40,149 --> 00:34:38,399

that scared as an adult that you've got

968

00:34:42,389 --> 00:34:40,159

to sleep with the light on in your room

969

00:34:45,030 --> 00:34:42,399

you know it's uh to me it was very very

970

00:34:47,589 --> 00:34:45,040

real now the being that you saw in the

971

00:34:49,109 --> 00:34:47,599

follow-up visitations night visitations

972

00:34:51,510 --> 00:34:49,119

where did they appear as best as you

973

00:34:54,790 --> 00:34:51,520

could tell to be the same beings only

974

00:34:56,389 --> 00:34:54,800

one um okay was it this did it appear to

975

00:34:58,390 --> 00:34:56,399

be the same as the

976

00:35:00,230 --> 00:34:58,400

seven beings how many did you see out in

977

00:35:01,750 --> 00:35:00,240

the field that night we didn't write

978

00:35:03,030 --> 00:35:01,760

seven or eight did it appear to be the

979

00:35:06,550 --> 00:35:03,040

same yeah

980

00:35:07,829 --> 00:35:06,560

yeah yes i was um pretty sure it was one

981

00:35:10,069 --> 00:35:07,839

of the same

982

00:35:12,310 --> 00:35:10,079

so other than the

983

00:35:14,870 --> 00:35:12,320

sort of teardrop shape head with the red

984

00:35:16,710 --> 00:35:14,880

eyes that appear to glow is that a

985

00:35:19,910 --> 00:35:16,720

appropriate yeah to describe it were

986

00:35:23,030 --> 00:35:19,920

there what about the rest of the

987

00:35:26,230 --> 00:35:23,040

i'm sure beside my bed um it seemed to

988

00:35:29,190 --> 00:35:26,240

be wearing a cloak huh um like a keep

989

00:35:31,990 --> 00:35:29,200

yeah down to the ground and a hood on it

990

00:35:34,150 --> 00:35:32,000

and and it's really actually quite

991

00:35:35,349 --> 00:35:34,160

strange because um

992

00:35:37,670 --> 00:35:35,359

glinda

993

00:35:39,109 --> 00:35:37,680

from the second party um

994

00:35:40,790 --> 00:35:39,119

only found out

995

00:35:43,190 --> 00:35:40,800

probably two years down the track i was

996

00:35:44,630 --> 00:35:43,200

given more of her diagrams

997

00:35:46,870 --> 00:35:44,640

and uh

998

00:35:48,150 --> 00:35:46,880

where she says she came back into

999

00:35:49,270 --> 00:35:48,160

consciousness and she was strapped down

1000

00:35:50,870 --> 00:35:49,280

to a table

1001
00:35:52,630 --> 00:35:50,880
the being that she woke up and saw was

1002
00:35:54,870 --> 00:35:52,640
also wearing a cloak

1003
00:35:57,190 --> 00:35:54,880
um so there's sort of a

1004
00:35:58,630 --> 00:35:57,200
little coincidence there yeah but out on

1005
00:36:00,470 --> 00:35:58,640
the field

1006
00:36:02,069 --> 00:36:00,480
i really can't tell you about their

1007
00:36:04,710 --> 00:36:02,079
bodies because when some when you see

1008
00:36:06,230 --> 00:36:04,720
this sort of this huge mess of glowing

1009
00:36:07,589 --> 00:36:06,240
red eyes coming straight at you you're

1010
00:36:09,190 --> 00:36:07,599
not looking at anything else but the

1011
00:36:10,390 --> 00:36:09,200
eyes you know i mean you're not worried

1012
00:36:13,510 --> 00:36:10,400
about the color of their fingernail

1013
00:36:15,910 --> 00:36:13,520

polish it just doesn't enter your mind

1014

00:36:17,430 --> 00:36:15,920

like when cats eyes you know the light

1015

00:36:19,530 --> 00:36:17,440

hits them just right at night was it

1016

00:36:21,100 --> 00:36:19,540

that kind of a red eye it was like

1017

00:36:23,870 --> 00:36:21,110

[Music]

1018

00:36:26,390 --> 00:36:23,880

[Applause]

1019

00:36:29,109 --> 00:36:26,400

um a

1020

00:36:30,630 --> 00:36:29,119

a red hot glow on a stove

1021

00:36:33,030 --> 00:36:30,640

that sort of glow

1022

00:36:35,750 --> 00:36:33,040

very interesting

1023

00:36:37,270 --> 00:36:35,760

hmm wow i would be terrified who

1024

00:36:38,710 --> 00:36:37,280

wouldn't be terrified seeing something

1025

00:36:41,270 --> 00:36:38,720

like that and i can't even imagine

1026
00:36:43,670 --> 00:36:41,280
waking up and standing on the side of my

1027
00:36:46,150 --> 00:36:43,680
bed as some red-eyed creature with a

1028
00:36:48,069 --> 00:36:46,160
cloak on that's right yeah oh thank you

1029
00:36:49,510 --> 00:36:48,079
goodness that first time it happened

1030
00:36:51,430 --> 00:36:49,520
there was no way i was going back to

1031
00:36:57,270 --> 00:36:51,440
sleep that night i was sort of i'm

1032
00:37:00,150 --> 00:36:58,470
you know there's a lot of people that i

1033
00:37:01,670 --> 00:37:00,160
speak to how often did it happen during

1034
00:37:03,430 --> 00:37:01,680
that five month period

1035
00:37:05,750 --> 00:37:03,440
four times during five months and what

1036
00:37:07,850 --> 00:37:05,760
happened during those night visitation

1037
00:37:09,270 --> 00:37:07,860
okay well the first time um

1038
00:37:11,670 --> 00:37:09,280

[Music]

1039

00:37:13,190 --> 00:37:11,680

i could feel this i was asleep and i had

1040

00:37:15,270 --> 00:37:13,200

a very vivid dream where i could feel

1041

00:37:17,589 --> 00:37:15,280

this presence in my dream

1042

00:37:19,430 --> 00:37:17,599

and something said to me not to be

1043

00:37:22,870 --> 00:37:19,440

frightened of what was about to happen

1044

00:37:24,390 --> 00:37:22,880

and i felt this suction on my chest and

1045

00:37:26,230 --> 00:37:24,400

i almost like my chest to turn into an

1046

00:37:28,470 --> 00:37:26,240

elastic band and something's sucking

1047

00:37:30,390 --> 00:37:28,480

something out of me and then i got a bit

1048

00:37:32,230 --> 00:37:30,400

panicked and it eased back into me a

1049

00:37:33,670 --> 00:37:32,240

little bit and then it started again but

1050

00:37:35,589 --> 00:37:33,680

really really strong and that's what

1051
00:37:37,670 --> 00:37:35,599
woke me up like energy or something was

1052
00:37:39,030 --> 00:37:37,680
being drawn out of me but it really made

1053
00:37:41,510 --> 00:37:39,040
my chest feel like it was an elastic

1054
00:37:43,349 --> 00:37:41,520
band and when i woke up that's when i

1055
00:37:45,589 --> 00:37:43,359
saw this thing standing this far away

1056
00:37:47,589 --> 00:37:45,599
from me on the side of the bed yet in my

1057
00:37:49,510 --> 00:37:47,599
here's the difference in my dream when i

1058
00:37:51,430 --> 00:37:49,520
was asleep i couldn't see anything it

1059
00:37:53,430 --> 00:37:51,440
was just a presence only ever in all of

1060
00:37:55,270 --> 00:37:53,440
these dreams when i woke up did i see

1061
00:37:57,030 --> 00:37:55,280
something in the dreams there was never

1062
00:37:59,510 --> 00:37:57,040
anything to see it was just an awareness

1063
00:38:02,390 --> 00:37:59,520

of a very strong presence of something

1064

00:38:04,630 --> 00:38:02,400

and what i did notice is the the same

1065

00:38:06,550 --> 00:38:04,640

absolute horror energy that i had out on

1066

00:38:09,750 --> 00:38:06,560

the field was the same thing i felt when

1067

00:38:12,150 --> 00:38:09,760

this thing showed up oh dear and

1068

00:38:13,910 --> 00:38:12,160

how what happened next when you had that

1069

00:38:16,230 --> 00:38:13,920

feeling of horror how long did this last

1070

00:38:18,150 --> 00:38:16,240

did anything happen like a

1071

00:38:20,069 --> 00:38:18,160

any physical marks the next day any

1072

00:38:23,030 --> 00:38:20,079

communication any

1073

00:38:24,870 --> 00:38:23,040

missing time that you knew of no it just

1074

00:38:26,550 --> 00:38:24,880

seemed to just stand there and look at

1075

00:38:28,950 --> 00:38:26,560

me and

1076

00:38:31,510 --> 00:38:28,960

and then it was gone but

1077

00:38:33,510 --> 00:38:31,520

i just got the impression that i might

1078

00:38:35,430 --> 00:38:33,520

have won this time but you know there'll

1079

00:38:37,670 --> 00:38:35,440

be other days that's that's the whole

1080

00:38:39,349 --> 00:38:37,680

impression almost like it was there long

1081

00:38:40,390 --> 00:38:39,359

enough for me to realize that hey this

1082

00:38:43,270 --> 00:38:40,400

is real

1083

00:38:46,550 --> 00:38:43,280

and then it wasn't and um

1084

00:38:47,750 --> 00:38:46,560

yeah it wasn't a good year i think after

1085

00:38:53,589 --> 00:38:47,760

that

1086

00:38:55,270 --> 00:38:53,599

things but um we had some very strange

1087

00:38:57,270 --> 00:38:55,280

electrical phenomena going on around the

1088

00:38:59,190 --> 00:38:57,280

house

1089

00:39:01,990 --> 00:38:59,200

we had major appliances blowing light

1090

00:39:03,430 --> 00:39:02,000

bulbs going all of the time

1091

00:39:05,990 --> 00:39:03,440

just what do you mean going blowing up

1092

00:39:09,910 --> 00:39:07,589

we had the tv turning on and off by

1093

00:39:12,310 --> 00:39:09,920

itself the my husband's car would turn

1094

00:39:13,430 --> 00:39:12,320

over in the driveway like it was like

1095

00:39:15,030 --> 00:39:13,440

with the sound of car that's been

1096

00:39:16,310 --> 00:39:15,040

flooded with a kill switch on and the

1097

00:39:18,470 --> 00:39:16,320

door's locked and he'd run down to

1098

00:39:20,550 --> 00:39:18,480

try and fight yeah he'd run down

1099

00:39:21,829 --> 00:39:20,560

to try and find the thief and the car's

1100

00:39:23,910 --> 00:39:21,839

still locked and

1101

00:39:25,589 --> 00:39:23,920

the kill switch is still on oh my gosh

1102

00:39:26,710 --> 00:39:25,599

and no here in the ignition and the car

1103

00:39:29,109 --> 00:39:26,720

is going

1104

00:39:31,109 --> 00:39:29,119

yeah and uh

1105

00:39:32,230 --> 00:39:31,119

some to me and i was getting electric

1106

00:39:35,109 --> 00:39:32,240

shocks from things that shouldn't

1107

00:39:37,270 --> 00:39:35,119

conduct electricity like uh rocks and

1108

00:39:39,349 --> 00:39:37,280

soil and wood and things out in the

1109

00:39:41,750 --> 00:39:39,359

garden i kept getting these these shocks

1110

00:39:43,270 --> 00:39:41,760

all the time and i really think that

1111

00:39:45,750 --> 00:39:43,280

especially with the car

1112

00:39:47,589 --> 00:39:45,760

that somehow whatever we were in contact

1113

00:39:49,990 --> 00:39:47,599

with in out in the field

1114

00:39:51,750 --> 00:39:50,000

had uh some sort of electrical charge or

1115

00:39:53,829 --> 00:39:51,760

something that started to

1116

00:39:55,589 --> 00:39:53,839

not only affect our bodies but but you

1117

00:39:58,230 --> 00:39:55,599

know mechanical things like the car as

1118

00:40:02,550 --> 00:40:00,310

wow how long did those strange

1119

00:40:04,390 --> 00:40:02,560

that stuff went on for about nine or ten

1120

00:40:06,309 --> 00:40:04,400

months so you were having migraines for

1121

00:40:08,390 --> 00:40:06,319

about nine months yeah you were having

1122

00:40:10,550 --> 00:40:08,400

strange electrical effects

1123

00:40:12,150 --> 00:40:10,560

and then they dissipated stopped

1124

00:40:14,390 --> 00:40:12,160

abruptly

1125

00:40:15,430 --> 00:40:14,400

it just seemed to disappear just to stop

1126

00:40:17,349 --> 00:40:15,440

um

1127

00:40:19,190 --> 00:40:17,359

and so the night visitation stopped

1128

00:40:21,430 --> 00:40:19,200

after that nine months as well

1129

00:40:23,349 --> 00:40:21,440

they were only the first five months

1130

00:40:25,589 --> 00:40:23,359

first five months so after nine months

1131

00:40:28,630 --> 00:40:25,599

after as far as you know

1132

00:40:32,309 --> 00:40:28,640

you have had no experiences

1133

00:40:34,790 --> 00:40:32,319

well not not anything like that no

1134

00:40:36,630 --> 00:40:34,800

yeah now have you had any any

1135

00:40:40,230 --> 00:40:36,640

experiences at all

1136

00:40:44,870 --> 00:40:40,240

prior to august 93 on the road

1137

00:40:48,230 --> 00:40:44,880

well there's only one experience that

1138

00:40:49,510 --> 00:40:48,240

now makes sense and it didn't then

1139

00:40:51,430 --> 00:40:49,520

um in

1140

00:40:53,670 --> 00:40:51,440

1991

1141

00:40:56,150 --> 00:40:53,680

i was living in a melbourne suburb leila

1142

00:40:59,829 --> 00:40:56,160

and i was very very pregnant um

1143

00:40:59,839 --> 00:41:04,550

very very pregnant

1144

00:41:08,390 --> 00:41:06,550

and minutes away from dvd

1145

00:41:09,349 --> 00:41:08,400

i woke up in the morning

1146

00:41:11,910 --> 00:41:09,359

lying

1147

00:41:13,430 --> 00:41:11,920

spread eagled on my my huge stomach

1148

00:41:16,309 --> 00:41:13,440

balancing on the bed with my arms and

1149

00:41:18,230 --> 00:41:16,319

legs sort of off the bed um with my son

1150

00:41:19,349 --> 00:41:18,240

kicking me and my waters had actually

1151

00:41:20,950 --> 00:41:19,359

broken and

1152

00:41:22,150 --> 00:41:20,960

it was really hard actually to get up

1153

00:41:23,670 --> 00:41:22,160

off the bed and i don't even know how i

1154

00:41:25,670 --> 00:41:23,680

got in that position but i got up and i

1155

00:41:27,670 --> 00:41:25,680

started to walk towards the door

1156

00:41:28,710 --> 00:41:27,680

and i noticed my night he was on inside

1157

00:41:30,230 --> 00:41:28,720

out

1158

00:41:31,430 --> 00:41:30,240

and then i thought when did i you know

1159

00:41:33,430 --> 00:41:31,440

it's a bit stupid putting that on

1160

00:41:35,589 --> 00:41:33,440

backwards and

1161

00:41:37,510 --> 00:41:35,599

i asked myself when you know when did i

1162

00:41:39,030 --> 00:41:37,520

put it on and i could not remember going

1163

00:41:40,950 --> 00:41:39,040

to bed the last thing i remember was

1164

00:41:42,950 --> 00:41:40,960

sitting out in the lounge room

1165

00:41:45,829 --> 00:41:42,960

and it's the first time in my life where

1166

00:41:47,670 --> 00:41:45,839

i hadn't remembered doing something and

1167

00:41:48,790 --> 00:41:47,680

i sort of you know ticked over in my

1168

00:41:49,829 --> 00:41:48,800

mind

1169

00:41:52,470 --> 00:41:49,839

and

1170

00:41:55,190 --> 00:41:52,480

because i was going into labor at that

1171

00:41:57,270 --> 00:41:55,200

very time you know sort of my

1172

00:41:58,790 --> 00:41:57,280

the concern about it lasted until about

1173

00:41:59,829 --> 00:41:58,800

as far as i got to the bedroom door and

1174

00:42:02,069 --> 00:41:59,839

that was it you know there's other

1175

00:42:04,550 --> 00:42:02,079

things sort of took precedence over it

1176

00:42:06,550 --> 00:42:04,560

but i also came up with um

1177

00:42:07,589 --> 00:42:06,560

these marks on the side of my legs which

1178

00:42:09,270 --> 00:42:07,599

were like

1179

00:42:11,510 --> 00:42:09,280

um

1180

00:42:12,790 --> 00:42:11,520

deep grooves and that were dark purple

1181

00:42:14,069 --> 00:42:12,800

and they all seemed to come up around

1182

00:42:18,069 --> 00:42:14,079

the same time

1183

00:42:19,109 --> 00:42:18,079

and it's only now um

1184

00:42:21,510 --> 00:42:19,119

after

1185

00:42:23,270 --> 00:42:21,520

i've learned a lot about ufo experiences

1186

00:42:25,510 --> 00:42:23,280

and everything that i that they that

1187

00:42:27,510 --> 00:42:25,520

they're the classical scoop marks that a

1188

00:42:29,829 --> 00:42:27,520

lot of um

1189

00:42:31,990 --> 00:42:29,839

ufo experiences actually have and if you

1190

00:42:34,470 --> 00:42:32,000

actually feel them you can feel um what

1191

00:42:36,309 --> 00:42:34,480

feels like a hole going down through the

1192

00:42:37,190 --> 00:42:36,319

muscle tissue right down like a punch

1193

00:42:38,710 --> 00:42:37,200

biopsy

1194

00:42:40,950 --> 00:42:38,720

so you still have that mark on your

1195

00:42:43,270 --> 00:42:40,960

ankle no on both of my calves both of

1196

00:42:45,750 --> 00:42:43,280

your cows yeah

1197

00:42:48,069 --> 00:42:45,760

so that does look like something else

1198

00:42:50,230 --> 00:42:48,079

strange happened there but yeah so now

1199

00:42:52,150 --> 00:42:50,240

with the birth healthy normal everything

1200

00:42:54,950 --> 00:42:52,160

went fine when you did get you went to a

1201

00:42:56,230 --> 00:42:54,960

hospital well i had to be induced but um

1202

00:42:58,550 --> 00:42:56,240

uh

1203

00:43:00,790 --> 00:42:58,560

yeah the birth was fine um and your son

1204

00:43:03,190 --> 00:43:00,800

is how old now this is your youngest

1205

00:43:06,470 --> 00:43:03,200

yeah he's eight and look at that big

1206

00:43:10,470 --> 00:43:08,550

wonderful so he's eight years old now

1207

00:43:13,270 --> 00:43:10,480

and is there anything unique about him

1208

00:43:18,390 --> 00:43:13,280

that you've noticed that perhaps

1209

00:43:24,309 --> 00:43:20,550

unlike the therapy

1210

00:43:24,319 --> 00:43:28,069

and we'll be again soon

1211

00:43:31,750 --> 00:43:29,510

yeah so there's nothing in particular

1212

00:43:34,630 --> 00:43:31,760

about his health or his uh thinking

1213

00:43:36,710 --> 00:43:34,640

philosophy mental capacity he's a very

1214

00:43:38,550 --> 00:43:36,720

very compassionate child but whether

1215

00:43:40,069 --> 00:43:38,560

that's got to do with the way that you

1216

00:43:42,630 --> 00:43:40,079

know different children are raised you

1217

00:43:43,750 --> 00:43:42,640

know you learn by your mistakes i guess

1218

00:43:49,430 --> 00:43:43,760

um

1219

00:43:50,710 --> 00:43:49,440

everyday wonderful kid huh yeah that's

1220

00:43:52,470 --> 00:43:50,720

it

1221

00:43:54,790 --> 00:43:52,480

well wonderful i'm glad to hear that i

1222

00:43:57,030 --> 00:43:54,800

mean uh and looking back that's very

1223

00:43:59,910 --> 00:43:57,040

nice that everything went smoothly

1224

00:44:02,710 --> 00:43:59,920

well so this is an absolutely

1225

00:44:05,670 --> 00:44:02,720

extraordinary case i mean the amount of

1226

00:44:07,670 --> 00:44:05,680

evidence you have between the

1227

00:44:10,230 --> 00:44:07,680

landing marks and all the things that

1228

00:44:12,390 --> 00:44:10,240

happened to the soil um i know that

1229

00:44:14,309 --> 00:44:12,400

there's i have a little list here if you

1230

00:44:16,150 --> 00:44:14,319

don't mind just to summarize things for

1231

00:44:17,990 --> 00:44:16,160

people

1232

00:44:20,870 --> 00:44:18,000

the evidence that you have let me get

1233

00:44:22,550 --> 00:44:20,880

the soil effects here um there's six

1234

00:44:23,990 --> 00:44:22,560

soil effects that i got now where what

1235

00:44:25,750 --> 00:44:24,000

i'm reading off of now just so people

1236

00:44:27,910 --> 00:44:25,760

know is off of an article that you wrote

1237

00:44:30,069 --> 00:44:27,920

that is on the internet through the

1238

00:44:31,990 --> 00:44:30,079

let me just double check move on la

1239

00:44:33,990 --> 00:44:32,000

website because you were just down there

1240

00:44:36,150 --> 00:44:34,000

doing a presentation for them as well

1241

00:44:38,230 --> 00:44:36,160

along with a lot of other places

1242

00:44:39,510 --> 00:44:38,240

kentucky canada northern and southern

1243

00:44:41,510 --> 00:44:39,520

california

1244

00:44:43,670 --> 00:44:41,520

and uh the sixth soil effects now you

1245

00:44:46,390 --> 00:44:43,680

had mentioned that there was uh with a

1246

00:44:49,030 --> 00:44:46,400

tannic acid is that the um

1247

00:44:50,390 --> 00:44:49,040

tannic acid is probably the strange one

1248

00:44:51,829 --> 00:44:50,400

because it was coat

1249

00:44:53,670 --> 00:44:51,839

it should have been dissolved with all

1250

00:44:55,990 --> 00:44:53,680

the rain it was actually coated in an

1251
00:44:57,670 --> 00:44:56,000
unidentifiable waxy substance which

1252
00:44:59,990 --> 00:44:57,680
seems to be a residue

1253
00:45:02,390 --> 00:45:00,000
left from yeah what's the waxy substance

1254
00:45:13,030 --> 00:45:02,400
that's incredible is it plant material

1255
00:45:16,790 --> 00:45:14,470
and it was only in this this

1256
00:45:19,589 --> 00:45:16,800
crescent-shaped magnetic anomaly in fact

1257
00:45:21,750 --> 00:45:19,599
all of the all of the soil um changes

1258
00:45:24,550 --> 00:45:21,760
and changes in the chemistry were

1259
00:45:26,550 --> 00:45:24,560
confined to that uh that crescent-shaped

1260
00:45:28,390 --> 00:45:26,560
magnetic anomaly and and the ground

1261
00:45:30,710 --> 00:45:28,400
within that so out of the entire large

1262
00:45:32,950 --> 00:45:30,720
area that they tested it most of

1263
00:45:34,790 --> 00:45:32,960

everything

1264

00:45:35,990 --> 00:45:34,800

now they're also how is the foliage of

1265

00:45:38,230 --> 00:45:36,000

the area

1266

00:45:39,670 --> 00:45:38,240

that's very interesting actually um

1267

00:45:41,349 --> 00:45:39,680

all the foliage

1268

00:45:43,829 --> 00:45:41,359

in the crescent area including blades of

1269

00:45:45,190 --> 00:45:43,839

grass leaves everything

1270

00:45:47,510 --> 00:45:45,200

was covered in

1271

00:45:48,710 --> 00:45:47,520

what looked like little holes everywhere

1272

00:45:51,349 --> 00:45:48,720

it's like a

1273

00:45:53,030 --> 00:45:51,359

constant abrasion through everything and

1274

00:45:54,309 --> 00:45:53,040

this little hole effect seems to go

1275

00:45:55,670 --> 00:45:54,319

further because it was actually in the

1276

00:45:57,109 --> 00:45:55,680

soil as well

1277

00:45:59,270 --> 00:45:57,119

um

1278

00:46:01,990 --> 00:45:59,280

the soil seemed to be filled with little

1279

00:46:04,150 --> 00:46:02,000

air holes as if water had been drained

1280

00:46:06,230 --> 00:46:04,160

from it very very rapidly like some kind

1281

00:46:07,670 --> 00:46:06,240

of kind of um rapid dehydration yeah

1282

00:46:09,670 --> 00:46:07,680

it's a little bit similar to what

1283

00:46:11,270 --> 00:46:09,680

happens uh in some crop circles that's

1284

00:46:12,870 --> 00:46:11,280

very interesting they've had that

1285

00:46:15,270 --> 00:46:12,880

happening the hardening of the soil the

1286

00:46:17,030 --> 00:46:15,280

rapid compacting exactly yeah so the

1287

00:46:18,950 --> 00:46:17,040

compacting from the pressure the minute

1288

00:46:21,750 --> 00:46:18,960

air holes also there was a great deal of

1289

00:46:23,510 --> 00:46:21,760

sulfur present in that yeah um yeah an

1290

00:46:25,670 --> 00:46:23,520

extraordinary amount actually in the

1291

00:46:27,190 --> 00:46:25,680

semicircle sort of

1292

00:46:29,589 --> 00:46:27,200

but after my experience all i could

1293

00:46:31,190 --> 00:46:29,599

think of the fire and brimstone

1294

00:46:32,790 --> 00:46:31,200

the sulphur comes in really well there

1295

00:46:34,790 --> 00:46:32,800

doesn't it i wonder if that's where that

1296

00:46:37,349 --> 00:46:34,800

original association came from you know

1297

00:46:40,390 --> 00:46:37,359

that's very possible very interesting

1298

00:46:42,550 --> 00:46:40,400

now the uh and and the other cross

1299

00:46:44,309 --> 00:46:42,560

reference that we have between you and

1300

00:46:46,069 --> 00:46:44,319

the other two carloads of witnesses a

1301
00:46:47,510 --> 00:46:46,079
total of six people from three different

1302
00:46:49,589 --> 00:46:47,520
vantage points well the six of you were

1303
00:46:51,109 --> 00:46:49,599
along the road what you all share

1304
00:46:53,270 --> 00:46:51,119
together is

1305
00:46:54,870 --> 00:46:53,280
as we saw earlier in the show the

1306
00:46:57,829 --> 00:46:54,880
drawings of the crafts that were all

1307
00:46:59,829 --> 00:46:57,839
drawn separately yet clearly you know

1308
00:47:02,069 --> 00:46:59,839
you all saw the same thing the drawings

1309
00:47:02,950 --> 00:47:02,079
of the beings

1310
00:47:05,510 --> 00:47:02,960
you

1311
00:47:08,150 --> 00:47:05,520
and some of the other women had similar

1312
00:47:09,510 --> 00:47:08,160
medical problems after did any of them

1313
00:47:11,589 --> 00:47:09,520

experience

1314

00:47:13,750 --> 00:47:11,599

the migraines like you did or any

1315

00:47:15,430 --> 00:47:13,760

unusual electrical effects around their

1316

00:47:16,390 --> 00:47:15,440

homes

1317

00:47:18,230 --> 00:47:16,400

um

1318

00:47:20,630 --> 00:47:18,240

i am not sure

1319

00:47:27,550 --> 00:47:20,640

actually you now asking me questions

1320

00:47:27,560 --> 00:47:38,390

[Laughter]

1321

00:47:43,510 --> 00:47:41,750

the ladies did um as for electrical

1322

00:47:46,069 --> 00:47:43,520

phenomena i don't know

1323

00:47:48,069 --> 00:47:46,079

bill did seem to have uh that was male

1324

00:47:49,829 --> 00:47:48,079

from the second part he did seem to have

1325

00:47:50,710 --> 00:47:49,839

one unusual

1326

00:47:53,430 --> 00:47:50,720

um

1327

00:47:55,829 --> 00:47:53,440

factor with with his experience is that

1328

00:47:57,589 --> 00:47:55,839

directly afterwards he started losing

1329

00:47:59,510 --> 00:47:57,599

quite large clumps of hair from out the

1330

00:48:01,030 --> 00:47:59,520

back of his head and within a very short

1331

00:48:04,150 --> 00:48:01,040

amount of time he developed quite a

1332

00:48:05,750 --> 00:48:04,160

large bald spot um so there seems to

1333

00:48:08,230 --> 00:48:05,760

know whether it's effects of radiation

1334

00:48:11,109 --> 00:48:08,240

or what it was but um now did you have

1335

00:48:12,950 --> 00:48:11,119

any uh uh res action as if you were

1336

00:48:14,790 --> 00:48:12,960

exposed to radiation or anything like

1337

00:48:17,670 --> 00:48:14,800

that well this is this is what makes me

1338

00:48:18,630 --> 00:48:17,680

keep thinking back to the law the

1339

00:48:20,069 --> 00:48:18,640

incident

1340

00:48:23,829 --> 00:48:20,079

that might have occurred two years

1341

00:48:26,470 --> 00:48:23,839

before was that i got very very ill

1342

00:48:29,109 --> 00:48:26,480

after that and i started losing

1343

00:48:30,870 --> 00:48:29,119

hair by the handful um

1344

00:48:32,710 --> 00:48:30,880

right after the birth of your son after

1345

00:48:35,510 --> 00:48:32,720

the event where you woke up and i

1346

00:48:36,470 --> 00:48:35,520

actually had to um oh dear i actually

1347

00:48:38,950 --> 00:48:36,480

had a

1348

00:48:40,790 --> 00:48:38,960

to be rushed to hospital with with what

1349

00:48:43,510 --> 00:48:40,800

was supposed to be appendicitis and they

1350

00:48:45,030 --> 00:48:43,520

and they did a um

1351
00:48:46,710 --> 00:48:45,040
an emergency operation on me at one

1352
00:48:48,870 --> 00:48:46,720
o'clock in the morning but first they

1353
00:48:51,030 --> 00:48:48,880
did a blood test and one of the signs of

1354
00:48:53,589 --> 00:48:51,040
appendicitis is that your um white cell

1355
00:48:55,190 --> 00:48:53,599
count goes sky high

1356
00:48:57,430 --> 00:48:55,200
and yet when they got inside all they

1357
00:48:59,030 --> 00:48:57,440
could find was some sort of inflammation

1358
00:49:01,349 --> 00:48:59,040
and there wasn't anything wrong with the

1359
00:49:03,510 --> 00:49:01,359
appendix just the whole inside of me had

1360
00:49:05,910 --> 00:49:03,520
become inflamed and

1361
00:49:08,870 --> 00:49:05,920
what i find is unusual is that

1362
00:49:10,470 --> 00:49:08,880
radiation uh has the same effect but it

1363
00:49:12,470 --> 00:49:10,480

sends the white

1364

00:49:14,069 --> 00:49:12,480

cell count soaring and

1365

00:49:15,910 --> 00:49:14,079

you know sort of all happened around the

1366

00:49:17,190 --> 00:49:15,920

same period and it really makes me think

1367

00:49:19,349 --> 00:49:17,200

that um that you might have had some

1368

00:49:22,230 --> 00:49:19,359

radiation exposure on the event that

1369

00:49:23,510 --> 00:49:22,240

occurred before the uh august 93 event

1370

00:49:25,670 --> 00:49:23,520

that you talk about in this book now

1371

00:49:27,589 --> 00:49:25,680

your book encounter is not available at

1372

00:49:28,630 --> 00:49:27,599

the moment you have sold out of all your

1373

00:49:31,270 --> 00:49:28,640

copies

1374

00:49:33,190 --> 00:49:31,280

and people are going to just have to uh

1375

00:49:35,190 --> 00:49:33,200

wait while you find another publisher in

1376

00:49:36,790 --> 00:49:35,200

the hopes of making it available or if

1377

00:49:38,870 --> 00:49:36,800

they're very lucky they'll find it in a

1378

00:49:40,309 --> 00:49:38,880

used bookstore but it's not available at

1379

00:49:42,790 --> 00:49:40,319

the moment it hasn't been published in

1380

00:49:44,630 --> 00:49:42,800

the united states

1381

00:49:46,309 --> 00:49:44,640

yeah if people want to reach you however

1382

00:49:48,069 --> 00:49:46,319

are you open to hearing from some of our

1383

00:49:49,430 --> 00:49:48,079

viewers yes

1384

00:49:52,069 --> 00:49:49,440

how would people get in touch with you

1385

00:49:53,910 --> 00:49:52,079

kelly uh usually by email uh okay would

1386

00:49:57,589 --> 00:49:53,920

you be willing to say your email that's

1387

00:49:59,510 --> 00:49:57,599

fine it's uh all lowercase expo expo

1388

00:50:03,270 --> 00:49:59,520

at i

1389

00:50:04,870 --> 00:50:03,280

hyphen o dot net dot a u okay read it

1390

00:50:08,470 --> 00:50:04,880

one more time say it one more time okay

1391

00:50:09,990 --> 00:50:08,480

that's expo expo at i

1392

00:50:13,030 --> 00:50:10,000

hyphen o

1393

00:50:14,870 --> 00:50:13,040

dot net dot a u well thank you we really

1394

00:50:16,630 --> 00:50:14,880

appreciate that you're willing to hear

1395

00:50:19,270 --> 00:50:16,640

from our viewers this is truly an

1396

00:50:20,710 --> 00:50:19,280

incredible case and if people

1397

00:50:22,870 --> 00:50:20,720

do want to learn more even though they

1398

00:50:24,630 --> 00:50:22,880

may not be able to

1399

00:50:26,150 --> 00:50:24,640

find your book

1400

00:50:28,230 --> 00:50:26,160

perhaps they can find more information

1401

00:50:30,069 --> 00:50:28,240

about you on the internet anyway do you

1402

00:50:37,670 --> 00:50:30,079

feel that there's any site in particular

1403

00:50:40,750 --> 00:50:39,270

very good i'm glad you feel that's

1404

00:50:42,710 --> 00:50:40,760

responsible

1405

00:50:45,750 --> 00:50:42,720

grouponla.com will have accurate

1406

00:50:48,390 --> 00:50:45,760

information about kelly kale's

1407

00:50:49,910 --> 00:50:48,400

case her last name is c-a-h-i-l-l just
