

# Burned by a UFO

A monstrously huge, incredibly bright UFO burned one close-up observer and was seen by 16 others, including four South Carolina policemen.

Described as a "perfect flying saucer," complete with windows and a high-pitched whine, the amazing, slow-moving craft not only left behind awed eyewitnesses but traces of radiation as well.

"It was incredible — absolutely out of this world!" declared 40-year-old Jerry McAlister, who sustained superficial burns on his face after being subjected to the full intensity of the UFO.

The bizarre encounter was investigated by top professionals who say they're absolutely convinced of its authenticity.

McAlister, an electrician in Anderson, S.C., was startled out of a deep sleep at 4:20 a.m. on September 11 when he heard "a loud whining noise" and what sounded like "a thumping of blades."

But what he saw was no helicopter. "The bedroom was flooded with light," he recalled. "It was literally like someone turned on a bright light bulb in the room."

"I went to the window overlooking my backyard and there was a huge craft, two stories high by 70 feet in diameter, hovering 100 feet from my house."

together, facing each other. Around the outer rim of the saucer were windows. And the whole craft was encircled by powerful lights. It was made of a dark gray metal. It was spinning in a clockwise direction. I was absolutely stunned."

In addition to his burned face, McAlister suffered from migraine headaches and a ringing in his ears for four days after the sighting.

His wife and children also saw the object — as did police.

"Four of us deputies in two separate cars arrived at the scene outside McAlister's house and watched the object in the sky," said Anderson County Sheriff's Deputy Mike Burton.

**BURNED ON HIS FACE,** Jerry McAlister holds artist's impression of huge UFO, which he saw hovering 100 feet from his home.

1  
00:00:06,289 --> 00:00:03,710  
while possibly 4 20 in the morning I was

2  
00:00:08,270 --> 00:00:06,299  
awakened by sound I thought it was a

3  
00:00:13,009 --> 00:00:08,280  
helicopter crashing here in the backyard

4  
00:00:14,629 --> 00:00:13,019  
and I woke up and the whole entire uh

5  
00:00:17,269 --> 00:00:14,639  
inside of my house was lit up real

6  
00:00:19,670 --> 00:00:17,279  
bright and outside real bright

7  
00:00:21,470 --> 00:00:19,680  
so I finally got into the window and uh

8  
00:00:24,470 --> 00:00:21,480  
bedroom window and looked out

9  
00:00:26,929 --> 00:00:24,480  
and uh didn't see any crash of a

10  
00:00:28,910 --> 00:00:26,939  
helicopter first thing I seen was just

11  
00:00:32,089 --> 00:00:28,920  
my most perfect Flying Saucer you would

12  
00:00:34,549 --> 00:00:32,099  
ever see and I never believed in them

13  
00:00:37,130 --> 00:00:34,559

but I've seen that one I believe in them

14

00:00:39,530 --> 00:00:37,140

now but uh it was over the whole

15

00:00:41,290 --> 00:00:39,540

structure of these pine trees here where

16

00:00:44,750 --> 00:00:41,300

uh right here

17

00:00:47,510 --> 00:00:44,760

there's about 70 foot in circumference

18

00:00:49,369 --> 00:00:47,520

approximately two stores High

19

00:00:52,970 --> 00:00:49,379

I viewed it for approximately three

20

00:00:54,889 --> 00:00:52,980

minutes but I uh in turn I I had a broke

21

00:00:57,350 --> 00:00:54,899

leg and uh I grabbed one of my crutches

22

00:00:58,849 --> 00:00:57,360

and finally hit my wife and leg and got

23

00:01:02,090 --> 00:00:58,859

her awake and then she got to the window

24

00:01:04,670 --> 00:01:02,100

and uh she said oh my oh my gosh I'm

25

00:01:06,830 --> 00:01:04,680

beautiful and so it was sitting there uh

26  
00:01:08,330 --> 00:01:06,840  
hovering over these pine trees and as it

27  
00:01:11,570 --> 00:01:08,340  
was hovering over the trees it was still

28  
00:01:14,990 --> 00:01:11,580  
uh floating this uh up and down motion

29  
00:01:17,030 --> 00:01:15,000  
clockwise just like that oh then when it

30  
00:01:19,310 --> 00:01:17,040  
got ready to leave it just turned up on

31  
00:01:21,230 --> 00:01:19,320  
it tipped up on the edge and just went

32  
00:01:25,130 --> 00:01:21,240  
off like a streak of lightning

33  
00:01:26,770 --> 00:01:25,140  
the saucer landed in his front yard came

34  
00:01:29,870 --> 00:01:26,780  
down in his front yard

35  
00:01:33,170 --> 00:01:29,880  
they went to his house and he drew this

36  
00:01:35,810 --> 00:01:33,180  
sketch yeah and uh about an hour and a

37  
00:01:36,950 --> 00:01:35,820  
half later the Easley Sheriff's

38  
00:01:39,109 --> 00:01:36,960

Department

39  
00:01:40,910 --> 00:01:39,119  
call me and ask could they come down and

40  
00:01:43,429 --> 00:01:40,920  
uh May draw a sketch of the saucer that

41  
00:01:45,230 --> 00:01:43,439  
was here in the backyard I said sure So

42  
00:01:47,749 --> 00:01:45,240  
they came down across my hour and a half

43  
00:01:51,770 --> 00:01:47,759  
I drew this sketch here of the saucer

44  
00:01:53,690 --> 00:01:51,780  
yeah and not even seeing this they I

45  
00:01:57,109 --> 00:01:53,700  
drew mine they compared it and you see

46  
00:01:58,789 --> 00:01:57,119  
how close they are right uh and they

47  
00:02:01,510 --> 00:01:58,799  
didn't even uh I didn't even know if

48  
00:02:03,830 --> 00:02:01,520  
they had a sketch

49  
00:02:07,429 --> 00:02:03,840  
didn't even know anyone else had seen it

50  
00:02:09,249 --> 00:02:07,439  
there were 17 people in all 17 people

51

00:02:12,770 --> 00:02:09,259

gathered here

52

00:02:14,390 --> 00:02:12,780

four Deputy sheriffs and our family and

53

00:02:16,070 --> 00:02:14,400

those neighbors and the next door

54

00:02:18,410 --> 00:02:16,080

neighbors there's 17 people in all

55

00:02:20,390 --> 00:02:18,420

Daybreak came at five after seven that's

56

00:02:21,729 --> 00:02:20,400

when it got up down there real high and

57

00:02:24,650 --> 00:02:21,739

it was still bright

58

00:02:27,130 --> 00:02:24,660

and then all of a sudden it laughed and

59

00:02:29,690 --> 00:02:27,140

it was cloudy like yeah

60

00:02:31,610 --> 00:02:29,700

about through there from where it lay

61

00:02:33,530 --> 00:02:31,620

off it was cloudy as it could be just

62

00:02:35,509 --> 00:02:33,540

like it's coming up you know rain storm

63

00:02:39,470 --> 00:02:35,519

was there any odor or smell of anything

64

00:02:41,330 --> 00:02:39,480

no smell no odor no smoke these trees

65

00:02:41,740 --> 00:02:41,340

nothing moved when it was there or when

66

00:02:45,530 --> 00:02:41,750

it left

67

00:02:52,009 --> 00:02:47,930

I could see windows but the windows were

68

00:02:54,290 --> 00:02:52,019

black black it was just all white and

69

00:02:57,229 --> 00:02:54,300

the windows was blacked out it looked

70

00:03:01,250 --> 00:02:57,239

like have you seen the UFOs before nice

71

00:03:03,710 --> 00:03:01,260

have you heard of that the story yeah I

72

00:03:05,750 --> 00:03:03,720

read magazines what you're interested in

73

00:03:07,309 --> 00:03:05,760

she is yeah she's the only one that's

74

00:03:09,530 --> 00:03:07,319

ever believed in them or like to read

75

00:03:11,149 --> 00:03:09,540

about them and my sister she reads about

76

00:03:13,430 --> 00:03:11,159

them and she loves it and she believes

77

00:03:15,890 --> 00:03:13,440

in it we'd make fun of her and she would

78

00:03:18,410 --> 00:03:15,900

give Nancy her books you know she bought

79

00:03:19,610 --> 00:03:18,420

the UFO magazine and I was given to me

80

00:03:21,170 --> 00:03:19,620

after she finished with them and I'd

81

00:03:23,990 --> 00:03:21,180

read them I say mama look at this you

82

00:03:25,210 --> 00:03:24,000

know I ain't full without believe that

83

00:03:26,930 --> 00:03:25,220

stuff

84

00:03:29,809 --> 00:03:26,940

I didn't

85

00:03:33,470 --> 00:03:29,819

how about you yourself this was the

86

00:03:36,110 --> 00:03:33,480

first time I see and before then I

87

00:03:38,690 --> 00:03:36,120

didn't believe in it no sir

88

00:03:40,610 --> 00:03:38,700

how about you no I ain't believing them

89

00:03:42,110 --> 00:03:40,620

I got telling you I don't I didn't

90

00:03:45,050 --> 00:03:42,120

believe they even sent the men to the

91

00:03:47,570 --> 00:03:45,060

Moon I just this I just never could get

92

00:03:49,130 --> 00:03:47,580

it in my mind and believe that mess but

93

00:03:50,930 --> 00:03:49,140

uh I believe it now

94

00:03:53,809 --> 00:03:50,940

and uh

95

00:03:56,449 --> 00:03:53,819

this this saucer here

96

00:03:58,130 --> 00:03:56,459

uh I'm definitely I don't it didn't come

97

00:04:00,289 --> 00:03:58,140

from the United States

98

00:04:01,429 --> 00:04:00,299

we uh we we brilliant though I don't

99

00:04:02,809 --> 00:04:01,439

believe we that brilliant now something

100

00:04:04,910 --> 00:04:02,819

that beautiful

101

00:04:07,490 --> 00:04:04,920

not that not a structure like like this

102

00:04:08,860 --> 00:04:07,500

one you know I believe it comes from
