

1
00:00:05,430 --> 00:00:03,429
it was a little after six in the evening

2
00:00:06,630 --> 00:00:05,440
we were coming out of the woods here up

3
00:00:08,870 --> 00:00:06,640
this road

4
00:00:09,830 --> 00:00:08,880
and uh we saw this glow through the

5
00:00:11,509 --> 00:00:09,840
trees

6
00:00:13,190 --> 00:00:11,519
and when we got in the opening here we

7
00:00:16,710 --> 00:00:13,200
could see this object

8
00:00:19,910 --> 00:00:16,720
hovering over here stopped the truck

9
00:00:21,590 --> 00:00:19,920
and uh you know everybody wow

10
00:00:22,550 --> 00:00:21,600
what'd it look like how big was it how

11
00:00:25,509 --> 00:00:22,560
bright

12
00:00:28,230 --> 00:00:25,519
yeah it was about 20 feet 25 feet in

13
00:00:30,470 --> 00:00:28,240

diameter about 8 or 10 feet thick it was

14

00:00:33,350 --> 00:00:30,480

a disc shaped object

15

00:00:35,750 --> 00:00:33,360

glowing golden color i could hear it

16

00:00:38,150 --> 00:00:35,760

hear hear a sound when i got up closer

17

00:00:40,869 --> 00:00:38,160

but um it suddenly got louder and

18

00:00:42,790 --> 00:00:40,879

started to move in kind of a

19

00:00:44,790 --> 00:00:42,800

wobbling motion and

20

00:00:46,549 --> 00:00:44,800

that scared me and i decided you know

21

00:00:48,470 --> 00:00:46,559

i'd better get out of there

22

00:00:50,950 --> 00:00:48,480

and so uh

23

00:00:52,150 --> 00:00:50,960

i raised up to go

24

00:00:55,270 --> 00:00:52,160

and uh

25

00:00:56,830 --> 00:00:55,280

i just felt a numbing shock a kind of a

26

00:00:58,709 --> 00:00:56,840

just and blacked

27

00:01:01,029 --> 00:00:58,719

out um

28

00:01:03,750 --> 00:01:01,039

my co-workers the guys in the truck uh

29

00:01:05,270 --> 00:01:03,760

said they saw a beam come out of this

30

00:01:07,830 --> 00:01:05,280

craft and hit me in the head in the

31

00:01:10,149 --> 00:01:07,840

chest and knocked me backward

32

00:01:11,510 --> 00:01:10,159

the next thing i knew i i was regaining

33

00:01:13,670 --> 00:01:11,520

consciousness

34

00:01:15,749 --> 00:01:13,680

apparently inside the craft

35

00:01:17,990 --> 00:01:15,759

and i was in a great deal of pain i

36

00:01:20,070 --> 00:01:18,000

didn't just come to

37

00:01:22,390 --> 00:01:20,080

right you know snap to

38

00:01:25,510 --> 00:01:22,400

and i discovered these

39

00:01:27,429 --> 00:01:25,520

three creatures standing over me i

40

00:01:29,350 --> 00:01:27,439

lashed out at him i

41

00:01:31,830 --> 00:01:29,360

was backing away from him they came

42

00:01:32,630 --> 00:01:31,840

towards me and i was really hysterical

43

00:01:35,830 --> 00:01:32,640

and i

44

00:01:38,789 --> 00:01:35,840

screamed at him to get away from me and

45

00:01:41,109 --> 00:01:38,799

they just stopped at one point there and

46

00:01:42,870 --> 00:01:41,119

just turned around and left the room

47

00:01:44,710 --> 00:01:42,880

just all at once

48

00:01:46,950 --> 00:01:44,720

uh i found myself on the pavement

49

00:01:49,910 --> 00:01:46,960

outside of the town of heber i was

50

00:01:53,350 --> 00:01:49,920

laying beside the road and when i looked

51
00:01:55,749 --> 00:01:53,360
up i saw a craft hovering above the road

52
00:01:56,870 --> 00:01:55,759
there and then it just shot straight up

53
00:01:59,190 --> 00:01:56,880
outside

54
00:02:02,149 --> 00:01:59,200
well if they had evidence you know

55
00:02:03,910 --> 00:02:02,159
uh more conclusive than what i you know

56
00:02:06,149 --> 00:02:03,920
i'm able to gather from what happened to

57
00:02:08,869 --> 00:02:06,159
me then i would be willing to accept it

58
00:02:10,630 --> 00:02:08,879
you know it's it's just that i accept

59
00:02:13,510 --> 00:02:10,640
the the the

60
00:02:14,710 --> 00:02:13,520
beings in a craft explanation

61
00:02:16,150 --> 00:02:14,720
uh

62
00:02:18,710 --> 00:02:16,160
because it's

63
00:02:20,229 --> 00:02:18,720

it just works better it fits better it's

64

00:02:22,790 --> 00:02:20,239

so much you know it's obvious that's

65

00:02:25,750 --> 00:02:22,800

what it was to me he spent five days on

66

00:02:27,830 --> 00:02:25,760

the ufo uh he thinks now there is some

67

00:02:29,030 --> 00:02:27,840

small time loss in there

68

00:02:30,550 --> 00:02:29,040

but uh

69

00:02:31,830 --> 00:02:30,560

for all intent and purposes he spent

70

00:02:33,990 --> 00:02:31,840

five days on there he did come in

71

00:02:37,589 --> 00:02:34,000

contact with some beings or human-like

72

00:02:39,190 --> 00:02:37,599

but they weren't humans and

73

00:02:41,190 --> 00:02:39,200

he had quite an experience he said he

74

00:02:42,790 --> 00:02:41,200

doesn't remember anything

75

00:02:44,869 --> 00:02:42,800

about a blue light

76

00:02:48,309 --> 00:02:44,879

in the first encounter last wednesday

77

00:02:50,470 --> 00:02:48,319

the blue light that they saw he said

78

00:02:52,309 --> 00:02:50,480

at that instant he got felt like he got

79

00:02:54,390 --> 00:02:52,319

hit in the forehead with a baseball bat

80

00:02:56,550 --> 00:02:54,400

and knocked him out and he woke up he

81

00:02:58,149 --> 00:02:56,560

was aboard one of the craft

82

00:02:59,670 --> 00:02:58,159

and uh

83

00:03:01,350 --> 00:02:59,680

they never spoke to him they let him

84

00:03:02,550 --> 00:03:01,360

around by the hand they wouldn't they

85

00:03:05,270 --> 00:03:02,560

wouldn't talk to him they showed him

86

00:03:07,270 --> 00:03:05,280

this and that and when they let him off

87

00:03:09,990 --> 00:03:07,280

he woke up did he say they were friendly

88

00:03:11,750 --> 00:03:10,000

creatures smiled all the time friendly

89

00:03:13,589 --> 00:03:11,760

never harmed him they don't they were

90

00:03:15,589 --> 00:03:13,599

just as nice as they could be but there

91

00:03:17,670 --> 00:03:15,599

was a total lack of communication either

92

00:03:19,270 --> 00:03:17,680

verbal or mental and he said that's what

93

00:03:21,350 --> 00:03:19,280

made him so upset that he couldn't uh

94

00:03:24,309 --> 00:03:21,360

speak with him that's what he was very

95

00:03:26,229 --> 00:03:24,319

very disgusted about that nervous and

96

00:03:29,910 --> 00:03:26,239

just plain disgust the chance of a

97

00:03:31,670 --> 00:03:29,920

lifetime and they wouldn't cooperate

98

00:03:33,190 --> 00:03:31,680

obviously dwayne you know your own

99

00:03:35,509 --> 00:03:33,200

brother probably better than anybody

100

00:03:36,949 --> 00:03:35,519

else do you believe the story i've never
