

BILL PECHA
Farmer

1
00:00:04,789 --> 00:00:01,910
as i approach this corner

2
00:00:06,470 --> 00:00:04,799
i glanced up and caught this big object

3
00:00:09,589 --> 00:00:06,480
in this area

4
00:00:11,830 --> 00:00:09,599
what he saw was a ufo at about the spot

5
00:00:14,950 --> 00:00:11,840
where the helicopter is located the

6
00:00:17,750 --> 00:00:14,960
object was 150 feet in diameter 20 feet

7
00:00:20,150 --> 00:00:17,760
high silver gray in color it hovered

8
00:00:21,189 --> 00:00:20,160
over pekka silently

9
00:00:23,830 --> 00:00:21,199
and i

10
00:00:26,070 --> 00:00:23,840
saw these objects hanging down like

11
00:00:29,269 --> 00:00:26,080
cable like

12
00:00:31,349 --> 00:00:29,279
fixtures hanging down below it and

13
00:00:33,430 --> 00:00:31,359

as i watched it these

14

00:00:34,870 --> 00:00:33,440

tentacle-like things went up and these

15

00:00:37,110 --> 00:00:34,880

lights came out

16

00:00:39,590 --> 00:00:37,120

of this

17

00:00:41,910 --> 00:00:39,600

saucer-like thing and these big lights

18

00:00:43,510 --> 00:00:41,920

came on which was a

19

00:00:44,950 --> 00:00:43,520

shaft of lights

20

00:00:46,869 --> 00:00:44,960

two of them

21

00:00:49,750 --> 00:00:46,879

pekka ran back into his home where he

22

00:00:51,189 --> 00:00:49,760

and his wife watched the ufo fly away

23

00:00:52,869 --> 00:00:51,199

panicked frightened they took their

24

00:00:55,590 --> 00:00:52,879

children to the home of a friend gail

25

00:00:58,150 --> 00:00:55,600

around who also saw the object i

26

00:00:59,510 --> 00:00:58,160

couldn't believe what i was seeing

27

00:01:01,430 --> 00:00:59,520

it was just but you had no question that

28

00:01:03,270 --> 00:01:01,440

you saw no no question whatsoever it was

29

00:01:04,390 --> 00:01:03,280

there i saw it

30

00:01:06,789 --> 00:01:04,400

it doesn't matter to me if anyone

31

00:01:09,510 --> 00:01:06,799

believes me or not i know what i saw and

32

00:01:11,270 --> 00:01:09,520

bill too i mean it just it was frightful

33

00:01:13,750 --> 00:01:11,280

whatever bill pekka and several other

34

00:01:15,670 --> 00:01:13,760

colusa residents insists they saw last

35

00:01:18,710 --> 00:01:15,680

october remains unidentified and

36

00:01:21,109 --> 00:01:19,590

hello

37

00:01:22,870 --> 00:01:21,119

good evening or good morning i should

38

00:01:24,550 --> 00:01:22,880

say i'm very sorry

39

00:01:26,469 --> 00:01:24,560

to bother you no problem at all we'd

40

00:01:28,310 --> 00:01:26,479

like to hear about what you saw

41

00:01:30,149 --> 00:01:28,320

well i never used to believe in it but i

42

00:01:31,749 --> 00:01:30,159

do know

43

00:01:33,429 --> 00:01:31,759

um

44

00:01:34,950 --> 00:01:33,439

around one o'clock

45

00:01:36,710 --> 00:01:34,960

the power went off

46

00:01:38,550 --> 00:01:36,720

and i had power running from my shop to

47

00:01:40,230 --> 00:01:38,560

my house and i figured maybe it blew a

48

00:01:41,590 --> 00:01:40,240

fuse in there i've been watching

49

00:01:43,910 --> 00:01:41,600

television

50

00:01:46,789 --> 00:01:43,920

and i went outside very dark with no

51

00:01:48,389 --> 00:01:46,799

lights anywhere and

52

00:01:49,990 --> 00:01:48,399

had this funny feeling like static

53

00:01:51,510 --> 00:01:50,000

electricity around me or something i

54

00:01:53,590 --> 00:01:51,520

don't know i couldn't figure out what

55

00:01:56,069 --> 00:01:53,600

was wrong i looked up behind the barn

56

00:01:58,950 --> 00:01:56,079

which is right behind my house and this

57

00:02:00,950 --> 00:01:58,960

giant object like an upside down cup

58

00:02:03,990 --> 00:02:00,960

was just there hovering not making a

59

00:02:05,510 --> 00:02:04,000

sound but weird looking light

60

00:02:07,429 --> 00:02:05,520

and i ran back in the house to get my

61

00:02:09,749 --> 00:02:07,439

wife and it was already about

62

00:02:11,190 --> 00:02:09,759

like 5-10 miles away

63

00:02:13,350 --> 00:02:11,200

and it was coming back this time with

64

00:02:14,790 --> 00:02:13,360

three giant beams on the ground

65

00:02:17,190 --> 00:02:14,800

lighting up the whole surface of the

66

00:02:22,949 --> 00:02:19,910

and my neighbor has a crop dustin outfit

67

00:02:24,070 --> 00:02:22,959

behind my field and uh it lit their

68

00:02:25,750 --> 00:02:24,080

house up

69

00:02:29,030 --> 00:02:25,760

and it was shining these weird lights

70

00:02:30,470 --> 00:02:29,040

out like uh spotlights

71

00:02:33,430 --> 00:02:30,480

they weren't going out too far but they

72

00:02:34,869 --> 00:02:33,440

were quite a part far apart and

73

00:02:36,790 --> 00:02:34,879

it would come right for the house again

74

00:02:39,030 --> 00:02:36,800

so i grabbed my kids out of bed and we

75

00:02:40,630 --> 00:02:39,040

ran to the car and got a pickup the damn

76

00:02:43,270 --> 00:02:40,640

thing followed us until we got to the

77

00:02:45,830 --> 00:02:43,280

cemetery and then i had to hit my brake

78

00:02:48,470 --> 00:02:45,840

lights i was driving the lights

79

00:02:51,670 --> 00:02:48,480

to get over the hump

80

00:02:53,589 --> 00:02:51,680

and uh when i did that it took off like

81

00:02:55,830 --> 00:02:53,599

a flash off to the right and went off

82

00:02:58,309 --> 00:02:55,840

towards the sacramento area

83

00:02:59,589 --> 00:02:58,319

and there was more than one

84

00:03:00,550 --> 00:02:59,599

but i didn't have a chance to look at

85

00:03:03,110 --> 00:03:00,560

the other

86

00:03:04,710 --> 00:03:03,120

this one's too damn close you know yes

87

00:03:07,030 --> 00:03:04,720

but it was hanging over the bar and it

88

00:03:09,270 --> 00:03:07,040

had this funny electricity stuff

89

00:03:11,030 --> 00:03:09,280

bothering you i mean it's like a

90

00:03:12,790 --> 00:03:11,040

like you get a tingle you know you could

91

00:03:16,790 --> 00:03:12,800

feel that in your body all the way

92

00:03:18,390 --> 00:03:16,800

through okay and i'm still ashamed

93

00:03:20,550 --> 00:03:18,400

okay i'm going back to when you first

94

00:03:22,149 --> 00:03:20,560

saw this how close to the ground was it

95

00:03:24,229 --> 00:03:22,159

he was about 50 feet and counting the

96

00:03:27,110 --> 00:03:24,239

barn he was right above the bar and how

97

00:03:28,949 --> 00:03:27,120

far away from you would you say uh well

98

00:03:31,430 --> 00:03:28,959

i would say within 100 feet from my

99

00:03:34,149 --> 00:03:31,440

house to the bar 100 feet okay it was

100

00:03:35,910 --> 00:03:34,159

shaped like an upside down cup right is

101
00:03:37,589 --> 00:03:35,920
that all you could see now could you see

102
00:03:39,670 --> 00:03:37,599
i can't see i couldn't see it above it

103
00:03:41,270 --> 00:03:39,680
because at that point

104
00:03:42,869 --> 00:03:41,280
it was too many weird looking lights

105
00:03:44,149 --> 00:03:42,879
drawing your attention you didn't i just

106
00:03:45,990 --> 00:03:44,159
couldn't take time to look the whole

107
00:03:47,670 --> 00:03:46,000
thing that just scared me you know but i

108
00:03:49,750 --> 00:03:47,680
did look at it for a good two minutes i

109
00:03:51,750 --> 00:03:49,760
mean i stood there i was froze

110
00:03:53,830 --> 00:03:51,760
and it doesn't make a sound okay could

111
00:03:56,149 --> 00:03:53,840
you see a surface

112
00:03:58,390 --> 00:03:56,159
the yes when it took off

113
00:04:01,110 --> 00:03:58,400

it looks like an upside down

114

00:04:03,429 --> 00:04:01,120

well i hate to say this but you know the

115

00:04:06,470 --> 00:04:03,439

movie they have on tv called the

116

00:04:07,750 --> 00:04:06,480

invaders yes okay it looked identical to

117

00:04:10,070 --> 00:04:07,760

that

118

00:04:11,990 --> 00:04:10,080

okay could you were there any openings i

119

00:04:14,309 --> 00:04:12,000

can't see there's too much bright light

120

00:04:16,789 --> 00:04:14,319

too much light too much outside glow

121

00:04:18,550 --> 00:04:16,799

right there right now okay neon color

122

00:04:19,990 --> 00:04:18,560

right now did this light up the ground

123

00:04:21,590 --> 00:04:20,000

under it

124

00:04:23,430 --> 00:04:21,600

but it didn't light the ground up on the

125

00:04:25,590 --> 00:04:23,440

barn until it took off over there and it

126
00:04:28,550 --> 00:04:25,600
stopped and it had free light

127
00:04:30,310 --> 00:04:28,560
it lit up the ground under in a huge big

128
00:04:32,230 --> 00:04:30,320
circle

129
00:04:34,550 --> 00:04:32,240
now these were these shafts of light

130
00:04:36,150 --> 00:04:34,560
that came down from the beam from the

131
00:04:38,070 --> 00:04:36,160
bottom of the object

132
00:04:39,830 --> 00:04:38,080
well this thinner one was a huge light

133
00:04:42,070 --> 00:04:39,840
that went straight down

134
00:04:43,909 --> 00:04:42,080
and then it had one out in front that

135
00:04:45,510 --> 00:04:43,919
went down on the ground

136
00:04:47,350 --> 00:04:45,520
and then it had one on left and right of

137
00:04:48,550 --> 00:04:47,360
it that showed on there were power poles

138
00:04:50,870 --> 00:04:48,560

with

139

00:04:52,230 --> 00:04:50,880

the purples on the 2047 and it looked

140

00:04:54,950 --> 00:04:52,240

like it was shining lights right on

141

00:04:57,110 --> 00:04:54,960

those those uh electrical uh

142

00:04:58,710 --> 00:04:57,120

of the

143

00:05:02,310 --> 00:04:58,720

transformers

144

00:05:04,870 --> 00:05:02,320

was already out already all over the

145

00:05:06,550 --> 00:05:04,880

whole valley but it came

146

00:05:08,870 --> 00:05:06,560

when i called the wife to the window it

147

00:05:10,629 --> 00:05:08,880

was coming right out of the can

148

00:05:12,790 --> 00:05:10,639

and it had these giant light but this

149

00:05:14,790 --> 00:05:12,800

time i only had one light there's a beam

150

00:05:16,629 --> 00:05:14,800

a huge big beam my

151
00:05:19,430 --> 00:05:16,639
couple 300 feet in diameter on the

152
00:05:21,749 --> 00:05:19,440
ground coming right at us

153
00:05:24,629 --> 00:05:21,759
and i panicked and grabbed the kids and

154
00:05:25,990 --> 00:05:24,639
we took off with no lights okay but did

155
00:05:28,070 --> 00:05:26,000
you have any trouble with the car or

156
00:05:30,550 --> 00:05:28,080
anything while you were driving

157
00:05:32,710 --> 00:05:30,560
no i just fired it up and it's a

158
00:05:34,790 --> 00:05:32,720
chevrolet you know it takes a little bit

159
00:05:36,230 --> 00:05:34,800
and i put it in reverse and backed out

160
00:05:37,510 --> 00:05:36,240
and actually the backup lights come on

161
00:05:39,749 --> 00:05:37,520
and that scares me because i figured

162
00:05:41,430 --> 00:05:39,759
it's going to see us you know

163
00:05:43,270 --> 00:05:41,440

and it came right over bailey's trees

164

00:05:45,430 --> 00:05:43,280

which is next door neighbor to us

165

00:05:48,230 --> 00:05:45,440

and their eucalyptus pretty tall

166

00:05:49,749 --> 00:05:48,240

and it just seems to know how to act to

167

00:05:51,110 --> 00:05:49,759

manipulate you know on the ground

168

00:05:52,710 --> 00:05:51,120

maneuver

169

00:05:55,830 --> 00:05:52,720

and it doesn't make a sound that's

170

00:05:58,390 --> 00:05:55,840

what's weird and this followed you

171

00:06:01,029 --> 00:05:58,400

into it right along the side of us

172

00:06:02,870 --> 00:06:01,039

within about 100 yards from us and and i

173

00:06:04,710 --> 00:06:02,880

was made to turn on

174

00:06:06,550 --> 00:06:04,720

the main road and hit it towards town as

175

00:06:07,990 --> 00:06:06,560

fast as i could with no light

176

00:06:11,430 --> 00:06:08,000

it was right there and i was getting

177

00:06:12,790 --> 00:06:11,440

pretty panicked and my wife was too but

178

00:06:13,990 --> 00:06:12,800

when i hit the railroad track there's

179

00:06:15,510 --> 00:06:14,000

quite a little hump over it and i put

180

00:06:17,029 --> 00:06:15,520

the brakes and the brake lights came on

181

00:06:19,830 --> 00:06:17,039

bright red and i figured oh christ is

182

00:06:21,670 --> 00:06:19,840

really going to find us now you know

183

00:06:23,749 --> 00:06:21,680

and uh it took off

184

00:06:25,830 --> 00:06:23,759

off behind us on the right of us and

185

00:06:27,749 --> 00:06:25,840

took off towards the sacramento area and

186

00:06:29,510 --> 00:06:27,759

it just went all way so fast you can't

187

00:06:32,150 --> 00:06:29,520

believe it

188

00:06:34,150 --> 00:06:32,160

did it change in a in appearance at all

189

00:06:36,390 --> 00:06:34,160

when it took off at high rate of speed

190

00:06:39,350 --> 00:06:36,400

you can make any turns it wants i mean

191

00:06:42,629 --> 00:06:39,360

did the the glow around it increase

192

00:06:44,790 --> 00:06:42,639

it turns soft blue i mean kind of a

193

00:06:47,350 --> 00:06:44,800

purplish blue when it took off when it

194

00:06:49,909 --> 00:06:47,360

takes off okay

195

00:06:52,550 --> 00:06:49,919

now then during this whole experience at

196

00:06:55,350 --> 00:06:52,560

no time you saw any kind of a surface

197

00:06:57,830 --> 00:06:55,360

right it's just an outline of a shadow

198

00:06:59,749 --> 00:06:57,840

you know okay okay like i say i've seen

199

00:07:01,350 --> 00:06:59,759

a good look of it there at the barn

200

00:07:02,950 --> 00:07:01,360

right but the underneath got some weird

201
00:07:04,550 --> 00:07:02,960
looking things on it that's right that's

202
00:07:06,629 --> 00:07:04,560
what startled me

203
00:07:07,990 --> 00:07:06,639
doesn't have any colored lights on it

204
00:07:10,469 --> 00:07:08,000
yes

205
00:07:11,909 --> 00:07:10,479
it's kind of a frosty light

206
00:07:14,390 --> 00:07:11,919
you know it's not

207
00:07:16,150 --> 00:07:14,400
they're just uh like a neon light right

208
00:07:18,150 --> 00:07:16,160
and they're series of little teeny

209
00:07:20,550 --> 00:07:18,160
things that go through the light like

210
00:07:23,270 --> 00:07:20,560
like little neon tubes did any member of

211
00:07:25,350 --> 00:07:23,280
your family have this feeling also

212
00:07:27,110 --> 00:07:25,360
uh no i woke them out of sound sleep

213
00:07:30,629 --> 00:07:27,120

okay then the only time you had this

214

00:07:31,990 --> 00:07:30,639

tingling sensation would be outside

215

00:07:33,589 --> 00:07:32,000

but it looked like to me it was drawing

216

00:07:35,189 --> 00:07:33,599

electricity out of the power poles or

217

00:07:37,189 --> 00:07:35,199

something because it had these beams on

218

00:07:39,589 --> 00:07:37,199

these transformers

219

00:07:41,110 --> 00:07:39,599

okay now were these high were these just

220

00:07:43,909 --> 00:07:41,120

high voltage lines or were they the

221

00:07:46,469 --> 00:07:43,919

large transmission lines well see we

222

00:07:48,390 --> 00:07:46,479

have irrigation pumps on the canal oh

223

00:07:51,029 --> 00:07:48,400

yes and they're quite i don't have any

224

00:07:52,950 --> 00:07:51,039

voltage but they're quite a bit

225

00:07:54,390 --> 00:07:52,960

and they're big huge transformers so i

226

00:07:55,909 --> 00:07:54,400

don't know if it was just looking at

227

00:07:57,270 --> 00:07:55,919

them or drawing energy from them but

228

00:08:00,230 --> 00:07:57,280

look like to me it's drawing something

229

00:08:03,029 --> 00:08:00,240

from them uh-huh okay now how big was

230

00:08:05,749 --> 00:08:03,039

this object is there any estimates no

231

00:08:06,550 --> 00:08:05,759

how large was the object

232

00:08:09,990 --> 00:08:06,560

uh

233

00:08:12,309 --> 00:08:10,000

i don't want to get i hate to guess

234

00:08:14,309 --> 00:08:12,319

could you compare it was it was as big

235

00:08:15,670 --> 00:08:14,319

as around as my whole bar

236

00:08:17,510 --> 00:08:15,680

and the barn is pretty old but it

237

00:08:19,990 --> 00:08:17,520

covered the whole top of it

238

00:08:21,990 --> 00:08:20,000

and the barn is probably like

239

00:08:23,589 --> 00:08:22,000

75 by

240

00:08:25,990 --> 00:08:23,599

maybe 50

241

00:08:28,790 --> 00:08:26,000

and it goes up pretty tall okay do you

242

00:08:30,869 --> 00:08:28,800

have any livestock on the farm no i just

243

00:08:31,990 --> 00:08:30,879

got two animals and cat and a dog that's

244

00:08:34,149 --> 00:08:32,000

in the shop

245

00:08:36,389 --> 00:08:34,159

okay

246

00:08:37,509 --> 00:08:36,399

we have your name sir yes sir mr bill

247

00:08:41,509 --> 00:08:37,519

peggy

248

00:08:48,150 --> 00:08:44,310

my real it's actually billy benson

249

00:08:52,070 --> 00:08:50,550

and your wife saw this my wife seen it

250

00:08:55,030 --> 00:08:52,080

right out the window and what was your

251

00:08:57,829 --> 00:08:55,040

wife's first name linda peggy

252

00:09:00,630 --> 00:08:57,839

and your children son uh my children

253

00:09:04,090 --> 00:09:00,640

sees the light but they were on a

254

00:09:05,430 --> 00:09:04,100

they were scared and asleep okay

255

00:09:06,870 --> 00:09:05,440

[Applause]

256

00:09:09,910 --> 00:09:06,880

did the police department get any

257

00:09:12,310 --> 00:09:09,920

additional reports in there yes

258

00:09:13,509 --> 00:09:12,320

i didn't i called my neighbors because i

259

00:09:14,870 --> 00:09:13,519

was very worried about them when i got

260

00:09:16,630 --> 00:09:14,880

to town because it had this huge light

261

00:09:18,949 --> 00:09:16,640

over their house

262

00:09:20,310 --> 00:09:18,959

in their own airport and i called her

263

00:09:22,150 --> 00:09:20,320

and she said that

264

00:09:23,509 --> 00:09:22,160

they weren't asleep they didn't hear

265

00:09:25,430 --> 00:09:23,519

anything or nothing i told her it didn't

266

00:09:27,509 --> 00:09:25,440

make a sound and i didn't want to tell

267

00:09:29,350 --> 00:09:27,519

her that i was waking up scaring her and

268

00:09:31,829 --> 00:09:29,360

she said she kind of believes in it too

269

00:09:34,790 --> 00:09:31,839

but she would keep an eye out

270

00:09:36,470 --> 00:09:34,800

okay how long did the power outage last

271

00:09:37,829 --> 00:09:36,480

well i'd

272

00:09:39,910 --> 00:09:37,839

well i can't tell you everything going

273

00:09:40,949 --> 00:09:39,920

on it wasn't i didn't want to stay in

274

00:09:42,310 --> 00:09:40,959

the dark because i didn't want to be

275

00:09:44,949 --> 00:09:42,320

seen

276

00:09:46,310 --> 00:09:44,959

i think about maybe 15 minutes or 20

277

00:09:48,150 --> 00:09:46,320

minutes and this covered the whole

278

00:09:49,990 --> 00:09:48,160

county you just did it everything was

279

00:09:51,269 --> 00:09:50,000

black around here i didn't know until

280

00:09:53,269 --> 00:09:51,279

they told me that the whole county was

281

00:09:54,949 --> 00:09:53,279

knocked down

282

00:09:57,590 --> 00:09:54,959

uh do you you said that there was more

283

00:09:58,870 --> 00:09:57,600

than one object yes there were three i

284

00:10:00,310 --> 00:09:58,880

i'm pretty sure there were three because

285

00:10:01,190 --> 00:10:00,320

there was the other two things going

286

00:10:03,190 --> 00:10:01,200

away

287

00:10:04,630 --> 00:10:03,200

is it coming towards us

288

00:10:06,230 --> 00:10:04,640

and that's when i figured holy hell is

289

00:10:07,350 --> 00:10:06,240

going to break it was i didn't you know

290

00:10:09,030 --> 00:10:07,360

i just

291

00:10:10,150 --> 00:10:09,040

was very sick after it was there once

292

00:10:12,150 --> 00:10:10,160

that they well it's going to come back

293

00:10:14,230 --> 00:10:12,160

and get it okay now these the other two

294

00:10:15,829 --> 00:10:14,240

were they similar to the one by the barn

295

00:10:18,550 --> 00:10:15,839

they just had lights

296

00:10:20,949 --> 00:10:18,560

they looked like a smaller too small one

297

00:10:22,470 --> 00:10:20,959

okay what color were the lights on those

298

00:10:23,750 --> 00:10:22,480

they were they were uh

299

00:10:26,470 --> 00:10:23,760

uh uh

300

00:10:27,590 --> 00:10:26,480

they're a neon light neon light same

301
00:10:28,870 --> 00:10:27,600
same

302
00:10:30,230 --> 00:10:28,880
only they didn't have anything under

303
00:10:32,310 --> 00:10:30,240
them i couldn't see they would look like

304
00:10:34,630 --> 00:10:32,320
smaller ones let's see oh they went away

305
00:10:37,990 --> 00:10:34,640
fast

306
00:10:42,389 --> 00:10:39,910
i can't see my machine that big can't at

307
00:10:44,630 --> 00:10:42,399
least make something

308
00:10:46,550 --> 00:10:44,640
now this uh was handled by the colusa

309
00:10:48,069 --> 00:10:46,560
police department

310
00:10:50,630 --> 00:10:48,079
because i couldn't stand it any longer i

311
00:10:52,230 --> 00:10:50,640
had to know somebody else seen it

312
00:10:54,069 --> 00:10:52,240
and they said they had one other caller

313
00:10:55,509 --> 00:10:54,079

a couple i don't remember but the police

314

00:10:56,630 --> 00:10:55,519

department came here and i told them

315

00:10:58,150 --> 00:10:56,640

what i saw

316

00:11:00,150 --> 00:10:58,160

and they're the ones that called you

317

00:11:02,230 --> 00:11:00,160

this is the police or the sheriff this

318

00:11:03,670 --> 00:11:02,240

is the police here in town okay call the

319

00:11:05,110 --> 00:11:03,680

sheriff's department i guess they sent

320

00:11:06,790 --> 00:11:05,120

you guys

321

00:11:08,949 --> 00:11:06,800

oh they dispatched out to the police

322

00:11:11,590 --> 00:11:08,959

here okay

323

00:11:13,829 --> 00:11:11,600

it's not a fib sir well i really believe

324

00:11:15,750 --> 00:11:13,839

it no i didn't i used to think a little

325

00:11:17,990 --> 00:11:15,760

bit you know they had me wonder that's

326

00:11:20,230 --> 00:11:18,000

all it ever went to but

327

00:11:23,030 --> 00:11:20,240

i believe it okay other than this

328

00:11:25,590 --> 00:11:23,040

tingling sensation now did you have any

329

00:11:27,590 --> 00:11:25,600

other physical or strange mental

330

00:11:28,630 --> 00:11:27,600

feelings while all this was going on

331

00:11:29,990 --> 00:11:28,640

well

332

00:11:31,670 --> 00:11:30,000

i don't really know i couldn't i

333

00:11:33,350 --> 00:11:31,680

couldn't get in the house i was all

334

00:11:34,470 --> 00:11:33,360

frustrated i couldn't i hit the walls

335

00:11:35,350 --> 00:11:34,480

going down because they had the lights

336

00:11:36,470 --> 00:11:35,360

in there

337

00:11:37,990 --> 00:11:36,480

i couldn't and i've always walked

338

00:11:40,470 --> 00:11:38,000

through that hall before without running

339

00:11:42,870 --> 00:11:40,480

into everything but i guess i was scared

340

00:11:44,949 --> 00:11:42,880

too

341

00:11:47,190 --> 00:11:44,959

electricity i mean it's

342

00:11:49,990 --> 00:11:47,200

like your hairs then you take some kind

343

00:11:51,670 --> 00:11:50,000

of a daikon or coats you know you wear

344

00:11:53,829 --> 00:11:51,680

and you get this static electricity when
