

1
00:00:03,669 --> 00:00:02,070
when i got a bit further down the hill

2
00:00:05,110 --> 00:00:03,679
that i noticed on the right hand side of

3
00:00:07,510 --> 00:00:05,120
me some

4
00:00:09,190 --> 00:00:07,520
long oblong shaped lights

5
00:00:10,709 --> 00:00:09,200
i didn't know what they were i mean i

6
00:00:12,629 --> 00:00:10,719
only sort of caught a glimpse of a

7
00:00:14,130 --> 00:00:12,639
bright orange light sort of shining

8
00:00:16,310 --> 00:00:14,140
through

9
00:00:18,470 --> 00:00:16,320
[Music]

10
00:00:20,550 --> 00:00:18,480
as i got down the hillside and started

11
00:00:22,950 --> 00:00:20,560
to come around the corner by um this

12
00:00:25,509 --> 00:00:22,960
little hotel that takes us back through

13
00:00:27,990 --> 00:00:25,519

the back roads towards the freeway

14

00:00:29,910 --> 00:00:28,000

one of the girls in the back noticed a

15

00:00:35,670 --> 00:00:29,920

very bright white light with the type of

16

00:00:39,110 --> 00:00:37,270

when the girls were sort of saying oh

17

00:00:41,590 --> 00:00:39,120

maybe you know like it's

18

00:00:43,430 --> 00:00:41,600

a ufo and um

19

00:00:45,750 --> 00:00:43,440

you know we sort of like just laughed it

20

00:00:46,950 --> 00:00:45,760

off and said don't be so ridiculous

21

00:00:49,029 --> 00:00:46,960

i heard

22

00:00:51,830 --> 00:00:49,039

victoria and one of the other girls in

23

00:00:52,869 --> 00:00:51,840

the back there they were commenting on

24

00:00:54,069 --> 00:00:52,879

something that was behind us they

25

00:00:55,590 --> 00:00:54,079

actually thought somebody was coming up

26

00:00:57,110 --> 00:00:55,600

behind us like a truck or something

27

00:00:59,590 --> 00:00:57,120

because it was moving fairly fast and

28

00:01:01,590 --> 00:00:59,600

very bright

29

00:01:03,430 --> 00:01:01,600

it was just such a brightest blinding

30

00:01:05,509 --> 00:01:03,440

light it was orange like a sunset and it

31

00:01:08,230 --> 00:01:05,519

was just spanning across the road

32

00:01:13,830 --> 00:01:08,240

i got really scared i said to grace

33

00:01:22,870 --> 00:01:15,109

because i knew there was a town just a

34

00:01:27,429 --> 00:01:25,429

since we got closer like into the middle

35

00:01:29,350 --> 00:01:27,439

of this car parking area and looked up

36

00:01:30,630 --> 00:01:29,360

we could see this ship

37

00:01:32,230 --> 00:01:30,640

well that's what you'd have to call it

38

00:01:33,990 --> 00:01:32,240

because it was

39

00:01:36,149 --> 00:01:34,000

you know definitely not an airplane and

40

00:01:37,670 --> 00:01:36,159

um and it was it was something from

41

00:01:39,429 --> 00:01:37,680

definitely not this world that's for

42

00:01:41,350 --> 00:01:39,439

sure

43

00:01:51,990 --> 00:01:41,360

sort of moved across from this direction

44

00:01:57,530 --> 00:01:54,149

sort of disappeared into a gully where

45

00:01:57,540 --> 00:02:02,149

[Music]

46

00:02:06,149 --> 00:02:04,630

we were scared for our safety i mean

47

00:02:08,309 --> 00:02:06,159

i i got to be honest i think it's the

48

00:02:10,070 --> 00:02:08,319

first time in my life that

49

00:02:11,190 --> 00:02:10,080

i could identify of anybody telling me

50

00:02:17,990 --> 00:02:11,200

that they were scared they were going to

51
00:02:20,550 --> 00:02:19,670
when i got to the opening of the drive

52
00:02:24,550 --> 00:02:20,560
here

53
00:02:26,790 --> 00:02:24,560
was something else up

54
00:02:28,790 --> 00:02:26,800
some activity up there in the sky

55
00:02:31,350 --> 00:02:28,800
we were still scared we didn't know what

56
00:02:33,509 --> 00:02:31,360
they were either

57
00:02:35,350 --> 00:02:33,519
they seemed to be moving in a direction

58
00:02:37,190 --> 00:02:35,360
at this this this other craft had gone

59
00:02:38,710 --> 00:02:37,200
over and gone down

60
00:02:41,190 --> 00:02:38,720
so the first thing you think of just

61
00:02:42,949 --> 00:02:41,200
pull up someone's driveway

62
00:02:44,390 --> 00:02:42,959
and as i pulled in the light was so

63
00:02:45,990 --> 00:02:44,400

blinding it actually was hurting our

64

00:02:50,949 --> 00:02:46,000

eyes to look at it

65

00:02:55,190 --> 00:02:52,710

it wasn't a human it definitely was no

66

00:02:57,030 --> 00:02:55,200

human that's for sure

67

00:02:58,790 --> 00:02:57,040

i felt threatened by it i felt really

68

00:03:00,149 --> 00:02:58,800

really threatened by it

69

00:03:03,750 --> 00:03:00,159

that was the closest thing i've ever

70

00:03:05,990 --> 00:03:03,760

experienced with the thought of actually

71

00:03:08,149 --> 00:03:06,000

you know coming close to death i suppose

72

00:03:10,229 --> 00:03:08,159

which sounds pretty silly but um the

73

00:03:14,309 --> 00:03:10,239

fear i had was like that like i wasn't

74

00:03:18,149 --> 00:03:15,670

and the weird thing is

75

00:03:21,509 --> 00:03:18,159

it's not the normal thing to talk about

76

00:03:24,390 --> 00:03:21,519

and for people to accept

77

00:03:26,949 --> 00:03:24,400

but um you know it's been three years

78

00:03:30,630 --> 00:03:26,959

now and uh

79

00:03:32,789 --> 00:03:30,640

and i still feel very distressed by it

80

00:03:34,630 --> 00:03:32,799

in the weeks um

81

00:03:35,750 --> 00:03:34,640

i felt a lot of doubt with what happened

82

00:03:37,589 --> 00:03:35,760

to grace

83

00:03:39,589 --> 00:03:37,599

uh i didn't believe it

84

00:03:41,030 --> 00:03:39,599

um truly believed it because it had i

85

00:03:42,470 --> 00:03:41,040

hadn't experienced anything that much

86

00:03:43,830 --> 00:03:42,480

like that myself

87

00:03:45,750 --> 00:03:43,840

so uh

88

00:03:46,869 --> 00:03:45,760

i i didn't want i didn't show it either

89

00:03:48,789 --> 00:03:46,879

i mean i didn't show that i didn't

90

00:03:50,710 --> 00:03:48,799

believe it because i think it was

91

00:03:52,149 --> 00:03:50,720

important that i looked like i was

92

00:03:54,229 --> 00:03:52,159

supporting her so that otherwise you

93

00:03:56,229 --> 00:03:54,239

know you know she might go sort of

94

00:03:57,990 --> 00:03:56,239

you know off the rails if she didn't

95

00:03:59,589 --> 00:03:58,000

feel she had some support from her

96

00:04:01,350 --> 00:03:59,599

husband

97

00:04:03,190 --> 00:04:01,360

but two weeks later those days

98

00:04:05,030 --> 00:04:03,200

disappeared

99

00:04:07,110 --> 00:04:05,040

late one night they were both awoken by

100

00:04:09,270 --> 00:04:07,120

the distressed fifteen-year-old son

101
00:04:11,270 --> 00:04:09,280
he was dead set that he had

102
00:04:12,149 --> 00:04:11,280
presents in his room you know there was

103
00:04:15,030 --> 00:04:12,159
there was

104
00:04:17,990 --> 00:04:15,040
somebody in his room and um

105
00:04:19,990 --> 00:04:18,000
one thing that uh he did kept saying the

106
00:04:21,830 --> 00:04:20,000
time was that at that time was that can

107
00:04:23,110 --> 00:04:21,840
you hear that sound and he kept pointing

108
00:04:26,950 --> 00:04:23,120
up to the ceiling

109
00:04:29,670 --> 00:04:26,960
and um we we could hear and this low

110
00:04:32,390 --> 00:04:29,680
drone sound i knew then i'd heard that

111
00:04:35,030 --> 00:04:32,400
sound before we got back into bed and i

112
00:04:36,550 --> 00:04:35,040
was laying there i thought do i lie here

113
00:04:39,270 --> 00:04:36,560

and just let this thing go through and

114

00:04:41,749 --> 00:04:39,280

just you know try and wipe it off as

115

00:04:43,670 --> 00:04:41,759

another bad experience or do i actually

116

00:04:45,430 --> 00:04:43,680

get up and look and if it is what i

117

00:04:46,950 --> 00:04:45,440

think it is then maybe my husband will

118

00:04:51,030 --> 00:04:46,960

be able to see for the first time and he

119

00:04:53,909 --> 00:04:52,870

i just couldn't believe what i was

120

00:04:55,350 --> 00:04:53,919

seeing

121

00:04:56,629 --> 00:04:55,360

when you see

122

00:04:58,550 --> 00:04:56,639

you see an object that's just sort of

123

00:05:00,310 --> 00:04:58,560

floating through the air

124

00:05:02,469 --> 00:05:00,320

right at slow pace

125

00:05:04,230 --> 00:05:02,479

and you think yourself oh my god

126

00:05:07,189 --> 00:05:04,240

struck me as you know being awesome and

127

00:05:08,950 --> 00:05:07,199

just something unbelievable

128

00:05:11,350 --> 00:05:08,960

it was a relief

129

00:05:13,270 --> 00:05:11,360

that he was able to see this thing and

130

00:05:16,230 --> 00:05:13,280

all i kept saying was that that was the

131

00:05:19,430 --> 00:05:16,240

thing that was there the night when i

132

00:05:23,189 --> 00:05:21,590

certainly by its nature by the way

133

00:05:24,469 --> 00:05:23,199

characteristics of the weight we just

134

00:05:26,870 --> 00:05:24,479

hovered across the

135

00:05:28,950 --> 00:05:26,880

house at a slow pace uh yeah no nothing

136

00:05:30,629 --> 00:05:28,960

man-made not from this country not from

137

00:05:32,150 --> 00:05:30,639

this earth i should say

138

00:05:33,590 --> 00:05:32,160

either accept or you don't accept it i

139

00:05:36,390 --> 00:05:33,600

tend to say now after i've seen it with

140

00:05:38,710 --> 00:05:36,400

my own eyes i accept it but i don't you

141

00:05:40,150 --> 00:05:38,720

know harp on about it and and talk about

142

00:05:42,150 --> 00:05:40,160

it and if it's um it's just one of those

143

00:05:43,670 --> 00:05:42,160

things that you try and and leave as a

144

00:05:45,029 --> 00:05:43,680

part of your life that's happened and

145

00:05:46,950 --> 00:05:45,039

let's get on with things let's move on

146

00:05:48,230 --> 00:05:46,960

from here you see that's how i sort of

147

00:05:50,629 --> 00:05:48,240

try and treat it rather than try and

148

00:05:52,310 --> 00:05:50,639

find explanation as to what it is yeah i

149

00:05:53,189 --> 00:05:52,320

really don't have a theory

150

00:05:55,990 --> 00:05:53,199

yet

151

00:05:57,830 --> 00:05:56,000

it's basically um

152

00:05:59,830 --> 00:05:57,840

it's more the fear

153

00:06:02,309 --> 00:05:59,840

again i don't know why because i'm still

154

00:06:05,029 --> 00:06:02,319

here and i am healthy you know i mean
