

PAUL,
CAN YOU THINK OF ANYTHING FUNNIER. FOUND THIS IN A UFO MAG.
THOUGHT IT MIGHT GENERATE SOME FORM OF DISGUST AND LAUGHTER.

NAP.

An unusual five-ship
UFO-formation was
sighted in Langenburg,
Canada, by Edwin
Fuhr. Canadian Royal
Mounted Police are
convinced, on the basis
of their preliminary
investigation, that some
objects did land on
Fuhr's farm.

Mysterious UFO Formations Found In Canada

"I went out about 9 a.m.," reported Edwin Fuhr of Langenburg, Saskatchewan, Canada. "It was very cold and I had on my coveralls with the hood of my parka over my head. Ice crystals were falling, and it was raining at the time.

"I was going very slowly when I noticed the object in front of me. At first I thought it was a goose blind for hunters.

"I jumped out of the swather (combine) and I walked up to within 15 feet of it. I noticed the object was rotating, spinning (clockwise) and the grass around it was moving.

"I stopped right there and viewed it for maybe two minutes. I don't know exactly how long I was standing there and instinct told me not to go any closer so I backed out all the way back to the swather, walked around it and got in on the left-hand side.

"As I sat down in the seat, four more appeared on the opposite side of me and I immediately froze. I couldn't move at all and they sat there about 15 minutes, rotating, all five of them."

Fuhr added, "Then they went straight up, all even, in a step formation. They were up about 200 feet when a dark gray vapor appeared from the bottom two exhaust ports and lasted

a few seconds. Then they were gone."

Fuhr returned to his farmhouse, about 140 yards away. Realizing something was wrong, his wife asked him why he was upset. Fuhr related the frightening experience. Later in the afternoon, his brother and sister-in-law came over and the incident was again brought up.

When his brother returned to town, he called the Royal Canadian Mounted Police and asked if they had received any reports of anything unusual.

At first, Constable Ron Morier said he was skeptical of the incident but agreed to investigate the following morning.

However, after arriving at the site, Morier stated, "Once I saw the rings, and how genuinely scared Mr. Fuhr was, it was most definite something had landed. Nothing could have been brought into that area. There were no tracks. It came out of the sky and went back to the sky.

"Mr. Fuhr is very sincere and a responsible member of the community that members of the force have known for the past four years."

A complete report of the incident was forwarded to the National Security Council in Ottawa. Fuhr further described the details of his sighting to officials.

"It was about 5-feet high and 11-feet in diameter. It was stainless steel, saucer-shaped, domed, dark on the bottom like it had been hot, very hot. There were no markings on the craft."

After the five objects disappeared Mr. Fuhr said he "got off the swather to see if the spots were warm or hot. They were cool, all five of them. I do not know if they were sitting there all night or not."

While no occupants were observed, Fuhr added, "It looked like something got out, as the grass was trampled down near one of the rings."

Investigation of the rings by Constable Morier resulted in the following preliminary findings:

Five rings were arranged in a horseshoe design, with three of the rings only about 5 feet apart. Two additional rings on each side were further back.

The grass was approximately 18 inches high, with the strange trampling down appearing to come from one of the rings in the center cluster.

While investigating, Morier smelled the grass in the rings and noticed no odor of any kind.

Another ring was found in the area the following Tuesday morning and many residents reported strange lights in the sky.

1
00:00:05,349 --> 00:00:02,310
this is about maybe seven o'clock in the

2
00:00:07,190 --> 00:00:05,359
morning when i get up and dad said or my

3
00:00:09,030 --> 00:00:07,200
brother phoned me from his farm he told

4
00:00:10,709 --> 00:00:09,040
me you better swat all that canola down

5
00:00:13,030 --> 00:00:10,719
before it freezes up

6
00:00:14,470 --> 00:00:13,040
so that's what i did i went out to cut

7
00:00:17,349 --> 00:00:14,480
the canola

8
00:00:18,870 --> 00:00:17,359
i went to the east end of the field

9
00:00:20,310 --> 00:00:18,880
because the field was opened up the

10
00:00:21,910 --> 00:00:20,320
night before

11
00:00:23,910 --> 00:00:21,920
there was rounds made around the field

12
00:00:25,990 --> 00:00:23,920
but this was i had to go to the east end

13
00:00:28,230 --> 00:00:26,000

and finish that little corner off

14

00:00:30,230 --> 00:00:28,240

so on the way down i cut the field in

15

00:00:32,790 --> 00:00:30,240

half it went right down the center where

16

00:00:34,630 --> 00:00:32,800

that big slough is sitting there and

17

00:00:35,830 --> 00:00:34,640

coming upon the slough i come across

18

00:00:38,630 --> 00:00:35,840

these

19

00:00:40,470 --> 00:00:38,640

dome-shaped objects in the field and i

20

00:00:41,910 --> 00:00:40,480

didn't know what the hell they were

21

00:00:44,470 --> 00:00:41,920

but

22

00:00:46,790 --> 00:00:44,480

somebody told me that american hunters

23

00:00:49,190 --> 00:00:46,800

used these for hunting geese

24

00:00:51,750 --> 00:00:49,200

so i never thought too much of it drove

25

00:00:53,590 --> 00:00:51,760

me to the driving to the slough

26

00:00:55,670 --> 00:00:53,600

with the swathers so i got a little

27

00:00:57,270 --> 00:00:55,680

closer and i stopped

28

00:01:00,229 --> 00:00:57,280

because everything was moving i thought

29

00:01:01,189 --> 00:01:00,239

well gee goose blinds don't move you sit

30

00:01:03,349 --> 00:01:01,199

still

31

00:01:05,429 --> 00:01:03,359

so i thought to myself well

32

00:01:07,270 --> 00:01:05,439

i might as well get off to see what this

33

00:01:08,950 --> 00:01:07,280

contraption is so i got off on the

34

00:01:11,109 --> 00:01:08,960

ladder side

35

00:01:14,310 --> 00:01:11,119

of the swather and i walked towards him

36

00:01:15,350 --> 00:01:14,320

and i stopped about roughly 15 feet away

37

00:01:16,469 --> 00:01:15,360

from the

38

00:01:17,749 --> 00:01:16,479

object

39

00:01:19,990 --> 00:01:17,759

because i could see right underneath

40

00:01:21,109 --> 00:01:20,000

through it to the bottom the grass was

41

00:01:22,870 --> 00:01:21,119

moving

42

00:01:25,109 --> 00:01:22,880

and i thought to myself what the devil

43

00:01:26,390 --> 00:01:25,119

is that contraption anyway because they

44

00:01:28,789 --> 00:01:26,400

weren't on the ground they were off to

45

00:01:30,069 --> 00:01:28,799

go they're about a foot off the ground

46

00:01:31,109 --> 00:01:30,079

and they were sitting there going around

47

00:01:32,710 --> 00:01:31,119

the circle

48

00:01:34,710 --> 00:01:32,720

they weren't standing stationary i

49

00:01:35,830 --> 00:01:34,720

thought the machine was stationary and

50

00:01:36,870 --> 00:01:35,840

it wasn't

51
00:01:38,870 --> 00:01:36,880
it was

52
00:01:40,710 --> 00:01:38,880
going counterclockwise the grass was

53
00:01:42,389 --> 00:01:40,720
going one way and the machine was going

54
00:01:45,270 --> 00:01:42,399
the other way

55
00:01:47,990 --> 00:01:45,280
so i walked a little closer

56
00:01:50,230 --> 00:01:48,000
i wanted to really see what it was

57
00:01:53,590 --> 00:01:50,240
but it was moving

58
00:01:56,230 --> 00:01:53,600
and instinct told me to back up so uh i

59
00:01:59,270 --> 00:01:56,240
backed up just to stay stand about at

60
00:02:00,950 --> 00:01:59,280
least 15 feet away from

61
00:02:02,230 --> 00:02:00,960
and that's something that's like well

62
00:02:03,990 --> 00:02:02,240
that's kind of odd it's going the

63
00:02:05,590 --> 00:02:04,000

opposite way

64

00:02:06,830 --> 00:02:05,600

it's going counterclockwise it's not

65

00:02:08,790 --> 00:02:06,840

going clockwise it's going

66

00:02:10,710 --> 00:02:08,800

counterclockwise grass was moving one

67

00:02:13,510 --> 00:02:10,720

way the machine was going the other way

68

00:02:15,270 --> 00:02:13,520

and i thought well that's kind of weird

69

00:02:17,750 --> 00:02:15,280

i thought well i wonder who the hell it

70

00:02:18,790 --> 00:02:17,760

is some joker probably playing a trick

71

00:02:21,190 --> 00:02:18,800

on me

72

00:02:23,350 --> 00:02:21,200

and i was going to walk closer instinct

73

00:02:25,510 --> 00:02:23,360

told me to keep my distance

74

00:02:27,190 --> 00:02:25,520

so i kept my distance and i

75

00:02:28,869 --> 00:02:27,200

walked around and looked at it and what

76

00:02:32,150 --> 00:02:28,879

the devil is another one on the other

77

00:02:34,949 --> 00:02:32,160

side there were three in a row

78

00:02:37,350 --> 00:02:34,959

one on the south side about maybe 100

79

00:02:38,869 --> 00:02:37,360

feet away another one on the north side

80

00:02:40,790 --> 00:02:38,879

100 feet away

81

00:02:42,949 --> 00:02:40,800

and there was three in the center

82

00:02:44,630 --> 00:02:42,959

all five machines there was two on the

83

00:02:46,869 --> 00:02:44,640

under the two little ones regarding the

84

00:02:48,550 --> 00:02:46,879

three big ones in the center and it was

85

00:02:52,710 --> 00:02:48,560

sitting in a half moon

86

00:02:57,910 --> 00:02:55,350

all in the circle

87

00:03:02,070 --> 00:02:57,920

half moon position

88

00:03:06,229 --> 00:03:04,710

it was sitting here and i was here

89

00:03:08,790 --> 00:03:06,239

coming down to turn around that was

90

00:03:11,190 --> 00:03:08,800

about 15 feet away

91

00:03:13,350 --> 00:03:11,200

i know you've answered this question

92

00:03:14,390 --> 00:03:13,360

a million times

93

00:03:16,790 --> 00:03:14,400

but

94

00:03:19,589 --> 00:03:16,800

it wasn't natural it was a machine these

95

00:03:21,430 --> 00:03:19,599

were machines it was machine yeah it was

96

00:03:23,670 --> 00:03:21,440

natural it was metal you could tell it

97

00:03:26,869 --> 00:03:23,680

was metal

98

00:03:28,869 --> 00:03:26,879

so i wanted to go up to a filo but if

99

00:03:30,470 --> 00:03:28,879

they told me to keep my distance

100

00:03:32,149 --> 00:03:30,480

now you tell me

101
00:03:34,630 --> 00:03:32,159
how the hell they didn't land on the

102
00:03:37,350 --> 00:03:34,640
crop and they didn't land on the water

103
00:03:39,270 --> 00:03:37,360
and right beside the crop they didn't

104
00:03:41,670 --> 00:03:39,280
hit the crop numbers all the way around

105
00:03:44,309 --> 00:03:41,680
the field there was one there on this

106
00:03:46,309 --> 00:03:44,319
side and three here they never hit the

107
00:03:47,750 --> 00:03:46,319
smoothie get the outline of the whole

108
00:03:49,430 --> 00:03:47,760
sloop

109
00:03:52,149 --> 00:03:49,440
the bigger ones were about 30 feet in

110
00:03:53,750 --> 00:03:52,159
diameters they had a lip on them like a

111
00:03:55,750 --> 00:03:53,760
bumper all the way around

112
00:03:58,470 --> 00:03:55,760
and it was great

113
00:04:01,670 --> 00:03:58,480

very hot at one time

114

00:04:03,990 --> 00:04:01,680

when the metal is was hot and when it

115

00:04:06,229 --> 00:04:04,000

cools off it gets gray

116

00:04:08,309 --> 00:04:06,239

and that's the ring on that machine was

117

00:04:10,149 --> 00:04:08,319

great i'd say it was maybe about that

118

00:04:11,990 --> 00:04:10,159

far away from the dome because it was

119

00:04:14,390 --> 00:04:12,000

about that thick

120

00:04:17,509 --> 00:04:14,400

and it was all the way around the bottom

121

00:04:20,229 --> 00:04:17,519

and why was that end of the dome only

122

00:04:21,909 --> 00:04:20,239

gray and not the top end i i couldn't

123

00:04:24,550 --> 00:04:21,919

figure that one out the rest of the

124

00:04:25,909 --> 00:04:24,560

machine was a shiny silver like a stone

125

00:04:27,670 --> 00:04:25,919

yeah it's like i'd say they were

126
00:04:29,270 --> 00:04:27,680
stainless steel because it was

127
00:04:30,950 --> 00:04:29,280
brushed uh

128
00:04:33,110 --> 00:04:30,960
looked like like a brushed aluminum

129
00:04:35,189 --> 00:04:33,120
that's what it looked like and you could

130
00:04:37,270 --> 00:04:35,199
tell there was rivets all around because

131
00:04:38,790 --> 00:04:37,280
when it was turning you could see these

132
00:04:40,710 --> 00:04:38,800
little bumps going around once in a

133
00:04:42,950 --> 00:04:40,720
while if you'd blink you could see the

134
00:04:45,749 --> 00:04:42,960
bumps because you watch something in the

135
00:04:47,110 --> 00:04:45,759
in a fan you look at a fan and you blink

136
00:04:48,950 --> 00:04:47,120
you can make out to the whole

137
00:04:50,150 --> 00:04:48,960
subscription of the fan you know when

138
00:04:51,189 --> 00:04:50,160

you're standing you're watching with

139

00:04:54,230 --> 00:04:51,199

your eyes

140

00:04:55,990 --> 00:04:54,240

open and you go don't blink

141

00:04:57,830 --> 00:04:56,000

you can't make out what that's looked

142

00:05:00,310 --> 00:04:57,840

like you blink you can make exactly what

143

00:05:02,790 --> 00:05:00,320

that fat looks like it's uh it's it's

144

00:05:05,350 --> 00:05:02,800

like this straight across but it's this

145

00:05:07,670 --> 00:05:05,360

is the dome of the right here so it was

146

00:05:09,189 --> 00:05:07,680

sectional like that yeah oh yeah it was

147

00:05:12,550 --> 00:05:09,199

because you could tell the lip on this

148

00:05:14,550 --> 00:05:12,560

side was uh hot at one time

149

00:05:15,990 --> 00:05:14,560

and up here there was just like

150

00:05:18,310 --> 00:05:16,000

rivets going around it all the way

151
00:05:22,390 --> 00:05:20,710
all you could tell

152
00:05:23,990 --> 00:05:22,400
there was some compartments but you

153
00:05:27,350 --> 00:05:24,000
couldn't make out what they were now you

154
00:05:29,830 --> 00:05:27,360
know you blink and you could see rivets

155
00:05:31,510 --> 00:05:29,840
they were round they were had round tops

156
00:05:33,110 --> 00:05:31,520
on them and they were they were going

157
00:05:35,270 --> 00:05:33,120
around there was some in the top some of

158
00:05:37,110 --> 00:05:35,280
the centers on the bottom the outside

159
00:05:39,350 --> 00:05:37,120
dome was chrome and that

160
00:05:41,990 --> 00:05:39,360
foot thing was gray and the bottom

161
00:05:42,950 --> 00:05:42,000
machine had four pipes and they were

162
00:05:45,110 --> 00:05:42,960
huge

163
00:05:46,710 --> 00:05:45,120

they weren't small they were all in

164

00:05:49,029 --> 00:05:46,720

around the outside and that's what i

165

00:05:51,670 --> 00:05:49,039

think made that impression in the ground

166

00:05:54,230 --> 00:05:51,680

because it was turning as the machine is

167

00:05:55,270 --> 00:05:54,240

brushed stainless steel that's what it

168

00:05:57,350 --> 00:05:55,280

looks like

169

00:05:59,510 --> 00:05:57,360

and it says as shiny as it could be and

170

00:06:01,670 --> 00:05:59,520

it's that bottom lip is about a foot

171

00:06:03,830 --> 00:06:01,680

wide and it is not

172

00:06:05,830 --> 00:06:03,840

shiny it looks like it was hot at one

173

00:06:07,909 --> 00:06:05,840

time what i couldn't figure out why they

174

00:06:09,909 --> 00:06:07,919

were so close together you couldn't get

175

00:06:11,830 --> 00:06:09,919

your hand between the two of them

176
00:06:13,990 --> 00:06:11,840
but when you noticed this you know i was

177
00:06:15,670 --> 00:06:14,000
standing and i was dumbfounded they

178
00:06:17,990 --> 00:06:15,680
didn't know what the hell was going on

179
00:06:19,110 --> 00:06:18,000
your mind is trying to get this thing

180
00:06:21,749 --> 00:06:19,120
all

181
00:06:24,150 --> 00:06:21,759
unraveled but it doesn't unravel

182
00:06:25,749 --> 00:06:24,160
god i was scared i was just thinking to

183
00:06:27,430 --> 00:06:25,759
myself they just come towards me i'm

184
00:06:29,270 --> 00:06:27,440
history

185
00:06:31,990 --> 00:06:29,280
and there was there was five of them and

186
00:06:34,710 --> 00:06:32,000
there was only one of me and she was you

187
00:06:36,390 --> 00:06:34,720
started to think i was scared stiff i

188
00:06:37,909 --> 00:06:36,400

didn't know what to do

189

00:06:39,189 --> 00:06:37,919

you know if somebody would have just

190

00:06:40,550 --> 00:06:39,199

clapped your hands i think it would drop

191

00:06:43,029 --> 00:06:40,560

dead right there

192

00:06:45,749 --> 00:06:43,039

i'm so scared but you know

193

00:06:48,469 --> 00:06:45,759

it's mind-boggling the way it works it's

194

00:06:51,189 --> 00:06:48,479

really mind-boggling

195

00:06:53,110 --> 00:06:51,199

so instinct told me when i walked up to

196

00:06:54,469 --> 00:06:53,120

the machine to back up

197

00:06:56,790 --> 00:06:54,479

because uh

198

00:06:59,510 --> 00:06:56,800

have you ever had instinct tell you this

199

00:07:01,350 --> 00:06:59,520

you walk up to the back end of a combine

200

00:07:02,950 --> 00:07:01,360

and there's something turning and

201
00:07:03,830 --> 00:07:02,960
instinct will tell you to back up right

202
00:07:05,670 --> 00:07:03,840
away

203
00:07:08,150 --> 00:07:05,680
it won't let you get closer

204
00:07:11,110 --> 00:07:08,160
or touch something that is turning you

205
00:07:12,390 --> 00:07:11,120
stick your hand into a fan would you

206
00:07:13,909 --> 00:07:12,400
instinct will tell you to keep your

207
00:07:16,070 --> 00:07:13,919
distance that's what i'll tell you why

208
00:07:17,430 --> 00:07:16,080
today and a lot of guys says well how

209
00:07:18,950 --> 00:07:17,440
could you tell that

210
00:07:21,430 --> 00:07:18,960
i said that something in the back of my

211
00:07:22,870 --> 00:07:21,440
head was telling me keep my distance

212
00:07:24,710 --> 00:07:22,880
stay back

213
00:07:26,870 --> 00:07:24,720

dangerous

214

00:07:28,390 --> 00:07:26,880

so you keep your distance and it was

215

00:07:31,430 --> 00:07:28,400

cold it was

216

00:07:34,070 --> 00:07:31,440

i had a part go on that day gloves on

217

00:07:36,070 --> 00:07:34,080

caps with flaps down and it was so cold

218

00:07:37,589 --> 00:07:36,080

i was shaking and then you get towards

219

00:07:38,629 --> 00:07:37,599

this gun in a machine that's standing

220

00:07:39,749 --> 00:07:38,639

and you could

221

00:07:42,070 --> 00:07:39,759

i was just

222

00:07:44,550 --> 00:07:42,080

gritting my teeth what the devil could

223

00:07:47,029 --> 00:07:44,560

that damn thing be and it's not a goose

224

00:07:48,550 --> 00:07:47,039

blind because i know what they look like

225

00:07:49,990 --> 00:07:48,560

and i said well this damn sucker is

226

00:07:54,469 --> 00:07:50,000

turning

227

00:07:56,469 --> 00:07:54,479

did you hear anything no like no sound

228

00:07:59,270 --> 00:07:56,479

no sound no sound all i could hear was

229

00:08:02,550 --> 00:07:59,280

the swats running and that when you walk

230

00:08:04,230 --> 00:08:02,560

up to something your mind goes blank

231

00:08:05,589 --> 00:08:04,240

because you're you're so scared that

232

00:08:07,270 --> 00:08:05,599

everything seems to

233

00:08:08,950 --> 00:08:07,280

i had this uh

234

00:08:10,550 --> 00:08:08,960

echoing sound in my ears and i thought

235

00:08:12,309 --> 00:08:10,560

well the swather ain't running anymore

236

00:08:14,469 --> 00:08:12,319

what the hell is it and

237

00:08:16,950 --> 00:08:14,479

it disappears out of your mind your mind

238

00:08:19,350 --> 00:08:16,960

is like a picture it just stops and i

239

00:08:21,029 --> 00:08:19,360

thought to myself now what the devil

240

00:08:22,629 --> 00:08:21,039

so i thought you know you got all kinds

241

00:08:23,430 --> 00:08:22,639

of things going through your head and

242

00:08:25,670 --> 00:08:23,440

your

243

00:08:27,510 --> 00:08:25,680

sanity and thinking and thinking

244

00:08:29,350 --> 00:08:27,520

and then now when you your mind tells

245

00:08:31,270 --> 00:08:29,360

you you better back up and go to that

246

00:08:33,350 --> 00:08:31,280

swather and get back on

247

00:08:35,190 --> 00:08:33,360

and get the h out of here

248

00:08:37,269 --> 00:08:35,200

and i thought to myself well i better

249

00:08:39,029 --> 00:08:37,279

get on this water

250

00:08:40,630 --> 00:08:39,039

backed up all the way to this water

251
00:08:41,589 --> 00:08:40,640
backwards i didn't take my eyes off the

252
00:08:44,230 --> 00:08:41,599
object

253
00:08:45,990 --> 00:08:44,240
and i got on on the wheel side of this

254
00:08:49,509 --> 00:08:46,000
water

255
00:08:51,030 --> 00:08:49,519
engine was dead

256
00:08:52,070 --> 00:08:51,040
because when i got off the engine was

257
00:08:55,110 --> 00:08:52,080
running

258
00:08:57,030 --> 00:08:55,120
it wouldn't start the ignition was dead

259
00:08:59,110 --> 00:08:57,040
it was completely dead and the engine

260
00:09:00,710 --> 00:08:59,120
was running when they got off of it

261
00:09:02,790 --> 00:09:00,720
because the ignition key was turned over

262
00:09:04,710 --> 00:09:02,800
to the side and uh

263
00:09:06,310 --> 00:09:04,720

i tried it and i tried it and it just

264

00:09:08,470 --> 00:09:06,320

would not start

265

00:09:10,470 --> 00:09:08,480

so i'm sitting there waiting

266

00:09:11,910 --> 00:09:10,480

no that's thinking what the hell to do

267

00:09:14,150 --> 00:09:11,920

what are you going to do and that damn

268

00:09:15,990 --> 00:09:14,160

thing comes towards you

269

00:09:16,870 --> 00:09:16,000

i'm telling you i was so scared i didn't

270

00:09:18,070 --> 00:09:16,880

know

271

00:09:23,509 --> 00:09:18,080

the

272

00:09:24,630 --> 00:09:23,519

whites you could see on your knuckles

273

00:09:26,389 --> 00:09:24,640

because i was sitting there just

274

00:09:27,590 --> 00:09:26,399

gritting my teeth trying to move and i

275

00:09:29,829 --> 00:09:27,600

couldn't

276

00:09:32,790 --> 00:09:29,839

so it was cold and i was sitting there i

277

00:09:34,870 --> 00:09:32,800

don't know how long i sat on that spot

278

00:09:37,590 --> 00:09:34,880

i was uh i thought to myself well the

279

00:09:38,870 --> 00:09:37,600

gate is closed over there

280

00:09:40,470 --> 00:09:38,880

how the hell if i ever get this

281

00:09:41,509 --> 00:09:40,480

contraption started i ain't going to

282

00:09:43,990 --> 00:09:41,519

stop i'm going to go straight through

283

00:09:45,990 --> 00:09:44,000

that gate and i'm not getting off

284

00:09:48,310 --> 00:09:46,000

and it wouldn't move it just would not

285

00:09:49,990 --> 00:09:48,320

move it was frozen like somebody just

286

00:09:51,829 --> 00:09:50,000

froze it through the ground and what not

287

00:09:54,710 --> 00:09:51,839

the engine wouldn't go

288

00:09:56,630 --> 00:09:54,720

so i sat there maybe i don't know half

289

00:09:58,470 --> 00:09:56,640

an hour maybe an hour

290

00:09:59,990 --> 00:09:58,480

and i was on the sucker started to lift

291

00:10:03,829 --> 00:10:00,000

off the ground

292

00:10:05,829 --> 00:10:03,839

now they were going up slowly in a step

293

00:10:07,750 --> 00:10:05,839

the big one like the three big ones in

294

00:10:09,509 --> 00:10:07,760

the center took off first and the little

295

00:10:11,430 --> 00:10:09,519

ones followed

296

00:10:12,550 --> 00:10:11,440

and they were just right over top of my

297

00:10:14,310 --> 00:10:12,560

head

298

00:10:16,470 --> 00:10:14,320

and i thought to myself well now what

299

00:10:18,630 --> 00:10:16,480

the hell am i gonna do

300

00:10:20,069 --> 00:10:18,640

you look up what the hell now they were

301
00:10:22,389 --> 00:10:20,079
top of my head and that's going on in

302
00:10:24,310 --> 00:10:22,399
your mind and you look up and i'll say

303
00:10:26,550 --> 00:10:24,320
now they're too damn close they're

304
00:10:28,230 --> 00:10:26,560
closer now than they were before and you

305
00:10:29,350 --> 00:10:28,240
could see the whole bottom of that

306
00:10:31,110 --> 00:10:29,360
machine

307
00:10:34,949 --> 00:10:31,120
boy what an outfit that's i wonder who

308
00:10:39,030 --> 00:10:37,190
that's the one right there

309
00:10:41,269 --> 00:10:39,040
but the dome could be a little

310
00:10:43,509 --> 00:10:41,279
more pointed you know it was so there

311
00:10:45,110 --> 00:10:43,519
wasn't was there an opening on the body

312
00:10:47,990 --> 00:10:45,120
on the bottom it was open it was uh like

313
00:10:50,710 --> 00:10:48,000

a vent like events there was about four

314

00:10:52,630 --> 00:10:50,720

of them here there was one one in that

315

00:10:54,389 --> 00:10:52,640

corner one in this corner one where one

316

00:10:57,110 --> 00:10:54,399

over here there was four of them that's

317

00:10:59,350 --> 00:10:57,120

all remember but they were huge

318

00:11:00,389 --> 00:10:59,360

they weren't small pipes to me it looked

319

00:11:03,030 --> 00:11:00,399

like it

320

00:11:04,230 --> 00:11:03,040

was their way of maneuvering the machine

321

00:11:06,710 --> 00:11:04,240

moving it

322

00:11:07,990 --> 00:11:06,720

but when they were above my head i

323

00:11:09,269 --> 00:11:08,000

couldn't figure this out they were

324

00:11:10,710 --> 00:11:09,279

straight down

325

00:11:13,509 --> 00:11:10,720

and how the hell they get from that

326

00:11:15,910 --> 00:11:13,519

sloop over my head i was 15 feet away so

327

00:11:17,590 --> 00:11:15,920

they had to move over so what drove them

328

00:11:19,750 --> 00:11:17,600

over sideways and

329

00:11:21,910 --> 00:11:19,760

you try to fade this all out

330

00:11:23,750 --> 00:11:21,920

it doesn't make sense and then i thought

331

00:11:25,030 --> 00:11:23,760

to myself made those pipes stay moved or

332

00:11:26,710 --> 00:11:25,040

something you know

333

00:11:29,670 --> 00:11:26,720

at an angle to get the machine to move

334

00:11:31,350 --> 00:11:29,680

over the pattern was like uh

335

00:11:34,230 --> 00:11:31,360

like can you draw the underside of those

336

00:11:36,630 --> 00:11:35,590

well let's say a round circle like this

337

00:11:38,310 --> 00:11:36,640

and it was

338

00:11:43,590 --> 00:11:38,320

around

339

00:11:44,870 --> 00:11:43,600

there were portholes actually

340

00:11:46,230 --> 00:11:44,880

and

341

00:11:47,750 --> 00:11:46,240

when you look underneath them there was

342

00:11:49,190 --> 00:11:47,760

more than four because when they looked

343

00:11:51,190 --> 00:11:49,200

at from the side

344

00:11:52,870 --> 00:11:51,200

of it looked like there was four

345

00:11:55,110 --> 00:11:52,880

but there's more

346

00:11:57,110 --> 00:11:55,120

there's i can't remember when i was at

347

00:12:00,389 --> 00:11:57,120

six or seven there was a pile of men

348

00:12:01,750 --> 00:12:00,399

away but they all turned

349

00:12:03,430 --> 00:12:01,760

according to what that looked like when

350

00:12:04,949 --> 00:12:03,440

you look from the bottom up

351
00:12:07,590 --> 00:12:04,959
and you know how the machine looked like

352
00:12:09,110 --> 00:12:07,600
in the bottom it was like

353
00:12:10,790 --> 00:12:09,120
molded

354
00:12:13,269 --> 00:12:10,800
you couldn't tell if there was bulge or

355
00:12:14,949 --> 00:12:13,279
whatever underneath it wasn't but it was

356
00:12:17,990 --> 00:12:14,959
like that all the way around and they

357
00:12:20,389 --> 00:12:18,000
were on the outside only the center had

358
00:12:23,430 --> 00:12:20,399
a big circle that's all it had

359
00:12:25,750 --> 00:12:23,440
and there was nothing out of there but

360
00:12:27,750 --> 00:12:25,760
i could still see that as plain as day

361
00:12:30,870 --> 00:12:27,760
i haven't

362
00:12:32,389 --> 00:12:30,880
nightmares about this bottom part

363
00:12:33,670 --> 00:12:32,399

and then i thought well i better see if

364

00:12:35,670 --> 00:12:33,680

that swats it's gonna start still

365

00:12:37,829 --> 00:12:35,680

wouldn't start

366

00:12:40,389 --> 00:12:37,839

everything was dead so i sat there some

367

00:12:41,829 --> 00:12:40,399

more and they were sitting in one spot

368

00:12:44,069 --> 00:12:41,839

they were just hovering there on one

369

00:12:47,269 --> 00:12:44,079

spot over top of my head and

370

00:12:48,629 --> 00:12:47,279

and the crop it was flattened right out

371

00:12:51,509 --> 00:12:48,639

you know there was crop on either side

372

00:12:53,590 --> 00:12:51,519

of me and it was the pressure from the

373

00:12:55,829 --> 00:12:53,600

object that were

374

00:12:58,550 --> 00:12:55,839

these machines running

375

00:13:00,629 --> 00:12:58,560

you couldn't tell what the hell it was

376

00:13:02,550 --> 00:13:00,639

it was just uh all you could see was

377

00:13:06,710 --> 00:13:02,560

like when they got higher up it was like

378

00:13:08,710 --> 00:13:06,720

a vapor like you see behind a jet plane

379

00:13:11,350 --> 00:13:08,720

vapor but you couldn't see it that clear

380

00:13:12,389 --> 00:13:11,360

it was more like a fall you know it was

381

00:13:14,150 --> 00:13:12,399

thinner

382

00:13:15,829 --> 00:13:14,160

do you think that was just the air or

383

00:13:17,430 --> 00:13:15,839

was that something that the vehicle was

384

00:13:19,590 --> 00:13:17,440

pumping out well it came out of the

385

00:13:21,269 --> 00:13:19,600

porch you know it came out of these

386

00:13:23,269 --> 00:13:21,279

ports the vapor

387

00:13:24,550 --> 00:13:23,279

it it was actually

388

00:13:27,110 --> 00:13:24,560

going down

389

00:13:28,310 --> 00:13:27,120

as the thing rose up it was pushing this

390

00:13:30,310 --> 00:13:28,320

vapor down

391

00:13:32,150 --> 00:13:30,320

but uh and did it i couldn't feel

392

00:13:34,629 --> 00:13:32,160

anything that's what i i couldn't figure

393

00:13:38,150 --> 00:13:34,639

out did it look like smog did it look

394

00:13:40,150 --> 00:13:38,160

well yeah something like it's uh

395

00:13:42,790 --> 00:13:40,160

how when it hits the ground

396

00:13:45,670 --> 00:13:42,800

yeah fires out that's what it was doing

397

00:13:46,629 --> 00:13:45,680

but you couldn't feel anything

398

00:13:49,829 --> 00:13:46,639

and

399

00:13:51,430 --> 00:13:49,839

couldn't feel nothing

400

00:13:53,110 --> 00:13:51,440

and i thought to myself what the devil

401
00:13:55,670 --> 00:13:53,120
is that contraption i still didn't know

402
00:13:57,509 --> 00:13:55,680
about these ufos they never even took a

403
00:13:59,030 --> 00:13:57,519
thought it was a ufo

404
00:14:00,710 --> 00:13:59,040
but uh

405
00:14:04,230 --> 00:14:00,720
sitting there sitting there waiting and

406
00:14:06,949 --> 00:14:04,240
all of a sudden they start to go

407
00:14:09,189 --> 00:14:06,959
slowly and they just took off as a flat

408
00:14:11,030 --> 00:14:09,199
they were gone and they went to the

409
00:14:12,629 --> 00:14:11,040
northeast

410
00:14:15,030 --> 00:14:12,639
end of the sky

411
00:14:17,670 --> 00:14:15,040
man when they took off you'd blink your

412
00:14:19,509 --> 00:14:17,680
mister i was holding on to that source

413
00:14:21,430 --> 00:14:19,519

for your life see it wouldn't have got

414

00:14:23,509 --> 00:14:21,440

me up there for no money but i had to

415

00:14:26,230 --> 00:14:23,519

take this water up too

416

00:14:30,069 --> 00:14:26,240

see the the crop was flat

417

00:14:31,590 --> 00:14:30,079

why was the crop flat it was standing up

418

00:14:32,870 --> 00:14:31,600

the one soon as they ever got the crop

419

00:14:34,949 --> 00:14:32,880

come up

420

00:14:37,269 --> 00:14:34,959

what was pushing the crop down what i

421

00:14:40,870 --> 00:14:37,279

don't get because i conveniently the

422

00:14:43,189 --> 00:14:40,880

wind but yet the crop was still down

423

00:14:44,629 --> 00:14:43,199

they were going in just a wake a

424

00:14:46,710 --> 00:14:44,639

you're you're waiting you would have

425

00:14:49,189 --> 00:14:46,720

missed them

426

00:14:50,870 --> 00:14:49,199

so then the swather started and i

427

00:14:53,829 --> 00:14:50,880

thought thank god

428

00:14:56,069 --> 00:14:53,839

it took off and i didn't stop i

429

00:14:57,910 --> 00:14:56,079

went straight for the house

430

00:15:00,230 --> 00:14:57,920

and my mother said well what the devil

431

00:15:01,509 --> 00:15:00,240

took you so long dinner time's at 12

432

00:15:04,629 --> 00:15:01,519

o'clock you know

433

00:15:07,269 --> 00:15:04,639

and i didn't know how to tell her this

434

00:15:08,389 --> 00:15:07,279

well i said i started watching something

435

00:15:10,389 --> 00:15:08,399

in the

436

00:15:12,790 --> 00:15:10,399

in a slough

437

00:15:15,110 --> 00:15:12,800

not too far from the house

438

00:15:17,269 --> 00:15:15,120

and dad was reading the newspaper at the

439

00:15:19,430 --> 00:15:17,279

other end of the room we had

440

00:15:21,509 --> 00:15:19,440

the house was uh there was a breakfast

441

00:15:23,829 --> 00:15:21,519

nook on the far end and that's where he

442

00:15:26,470 --> 00:15:23,839

was sitting reading the newspaper

443

00:15:28,470 --> 00:15:26,480

and he looks at me and says what was it

444

00:15:29,829 --> 00:15:28,480

well you know i sort of

445

00:15:31,990 --> 00:15:29,839

didn't want to tell him i was sort of

446

00:15:34,550 --> 00:15:32,000

nervous and then i told him

447

00:15:36,550 --> 00:15:34,560

yeah i said it was some kind of object

448

00:15:38,310 --> 00:15:36,560

from uh i don't know where

449

00:15:39,749 --> 00:15:38,320

but they're not there no more

450

00:15:41,110 --> 00:15:39,759

well what happened to them i said they

451
00:15:42,550 --> 00:15:41,120
took off

452
00:15:45,030 --> 00:15:42,560
but where did they go i said how the

453
00:15:46,550 --> 00:15:45,040
hell would i know they went straight up

454
00:15:48,310 --> 00:15:46,560
that's all i know

455
00:15:49,910 --> 00:15:48,320
and he says to me we're the flying

456
00:15:51,430 --> 00:15:49,920
saucers

457
00:15:53,910 --> 00:15:51,440
what's a flying saucer i didn't know

458
00:15:55,990 --> 00:15:53,920
what that was he read it in the german

459
00:15:58,230 --> 00:15:56,000
paper years ago

460
00:16:01,350 --> 00:15:58,240
that these objects were flying around in

461
00:16:03,350 --> 00:16:01,360
in in canada and foreign countries

462
00:16:05,590 --> 00:16:03,360
and he told me about kenny going look i

463
00:16:08,230 --> 00:16:05,600

said i don't care go and look

464

00:16:10,150 --> 00:16:08,240

and mom was at the telephone she had for

465

00:16:11,749 --> 00:16:10,160

my sister they were going to butcher an

466

00:16:13,269 --> 00:16:11,759

animal next day

467

00:16:14,470 --> 00:16:13,279

the first i heard about is when my

468

00:16:16,470 --> 00:16:14,480

mother called

469

00:16:18,310 --> 00:16:16,480

ruth something something terrible

470

00:16:21,030 --> 00:16:18,320

happened i said what do you mean well

471

00:16:23,509 --> 00:16:21,040

she says edwin was home for lunch and he

472

00:16:26,550 --> 00:16:23,519

he didn't look very good and he said he

473

00:16:28,310 --> 00:16:26,560

saw these these uh circles in the or

474

00:16:30,470 --> 00:16:28,320

these these uh things they were like

475

00:16:31,670 --> 00:16:30,480

flying saucers and he he showed with his

476

00:16:33,590 --> 00:16:31,680

hands he knows

477

00:16:36,310 --> 00:16:33,600

how they were shaped and that

478

00:16:38,629 --> 00:16:36,320

and he said there were five of them and

479

00:16:40,949 --> 00:16:38,639

and then of course my dad didn't believe

480

00:16:43,110 --> 00:16:40,959

him he says oh come on and he says yes

481

00:16:45,590 --> 00:16:43,120

and he couldn't eat his lunch

482

00:16:48,069 --> 00:16:45,600

and so then

483

00:16:50,230 --> 00:16:48,079

yeah and then he this is what my mother

484

00:16:51,749 --> 00:16:50,240

was telling me and she was all she

485

00:16:54,150 --> 00:16:51,759

didn't know what to say

486

00:16:55,990 --> 00:16:54,160

and well i says i don't know what you're

487

00:16:58,550 --> 00:16:56,000

talking about you know it just didn't

488

00:17:00,710 --> 00:16:58,560

make sense to me she says he saw

489

00:17:03,189 --> 00:17:00,720

something out there and and he was

490

00:17:06,230 --> 00:17:03,199

really scared i think it scared him to

491

00:17:08,870 --> 00:17:06,240

death and i said well what was it and

492

00:17:11,110 --> 00:17:08,880

she says i don't know if she says it it

493

00:17:13,669 --> 00:17:11,120

if it was a plane it wasn't a pla i said

494

00:17:16,069 --> 00:17:13,679

well was it an airplane maybe he said no

495

00:17:19,189 --> 00:17:16,079

and ron moyer happened to be over there

496

00:17:21,990 --> 00:17:19,199

at the house in town here and he she

497

00:17:24,390 --> 00:17:22,000

says to my sister a helicopter had

498

00:17:25,990 --> 00:17:24,400

landed in the slough

499

00:17:29,029 --> 00:17:26,000

and i was following from the table i

500

00:17:30,789 --> 00:17:29,039

said no it wasn't no helicopter

501
00:17:32,470 --> 00:17:30,799
and well you know how

502
00:17:33,990 --> 00:17:32,480
older people are you don't pay attention

503
00:17:35,750 --> 00:17:34,000
to what you're saying

504
00:17:37,830 --> 00:17:35,760
so ron moyer he was out there and then

505
00:17:39,590 --> 00:17:37,840
about a half an hour later

506
00:17:41,270 --> 00:17:39,600
out of the fire

507
00:17:42,630 --> 00:17:41,280
and he says to dad

508
00:17:44,470 --> 00:17:42,640
let's go out to another saloon have a

509
00:17:47,270 --> 00:17:44,480
look and see what there really was out

510
00:17:49,190 --> 00:17:47,280
there and they went and i went and took

511
00:17:50,070 --> 00:17:49,200
this water and the water sang by the

512
00:17:53,830 --> 00:17:50,080
house

513
00:17:55,830 --> 00:17:53,840

and i drove out where i left off and i

514

00:17:58,950 --> 00:17:55,840

went back and forth they were crawling

515

00:18:00,710 --> 00:17:58,960

around in that slough all day long

516

00:18:01,909 --> 00:18:00,720

and i stopped to swather and i asked him

517

00:18:03,350 --> 00:18:01,919

i said what are you guys looking for

518

00:18:04,549 --> 00:18:03,360

here anyway

519

00:18:05,750 --> 00:18:04,559

well you never know they could have

520

00:18:08,549 --> 00:18:05,760

dropped the pen

521

00:18:10,230 --> 00:18:08,559

i said how do you know they had one

522

00:18:11,990 --> 00:18:10,240

were you able to figure out if he was

523

00:18:14,470 --> 00:18:12,000

just farting around if it was just

524

00:18:16,470 --> 00:18:14,480

partner i never just believed him always

525

00:18:17,510 --> 00:18:16,480

unexplainable you know

526

00:18:19,029 --> 00:18:17,520

i mean

527

00:18:21,430 --> 00:18:19,039

the facts were what they were the

528

00:18:23,990 --> 00:18:21,440

pictures the the grass uh

529

00:18:25,669 --> 00:18:24,000

all of that is you know it's all

530

00:18:29,110 --> 00:18:25,679

what it was and

531

00:18:30,470 --> 00:18:29,120

for me to say uh you know to solve that

532

00:18:32,070 --> 00:18:30,480

and say yeah

533

00:18:33,990 --> 00:18:32,080

it would definitely this i couldn't do

534

00:18:35,750 --> 00:18:34,000

that you know

535

00:18:38,150 --> 00:18:35,760

all you could see in the slew was like

536

00:18:39,990 --> 00:18:38,160

the tripod like you got here

537

00:18:41,909 --> 00:18:40,000

the marks were in the slow

538

00:18:43,909 --> 00:18:41,919

in the grass and all you could see was

539

00:18:45,270 --> 00:18:43,919

these marks and like somebody was

540

00:18:46,950 --> 00:18:45,280

walking around

541

00:18:49,110 --> 00:18:46,960

a tripod step

542

00:18:51,430 --> 00:18:49,120

going into that object but they were

543

00:18:53,909 --> 00:18:51,440

there was tracks all around the machine

544

00:18:54,830 --> 00:18:53,919

there was footprints around that

545

00:18:56,870 --> 00:18:54,840

space

546

00:18:58,870 --> 00:18:56,880

aircraft but you know they're not

547

00:19:01,029 --> 00:18:58,880

footprints they're just you know

548

00:19:02,549 --> 00:19:01,039

marks in the grass that's all it is and

549

00:19:05,190 --> 00:19:02,559

that was high grass

550

00:19:07,029 --> 00:19:05,200

and which one of these had the uh tracks

551
00:19:08,950 --> 00:19:07,039
around it the stomping right this one

552
00:19:11,110 --> 00:19:08,960
here the front one

553
00:19:14,150 --> 00:19:11,120
that was sitting on that side had the

554
00:19:16,150 --> 00:19:14,160
tripod track on it like the door

555
00:19:19,510 --> 00:19:16,160
actually opened on it so that machine

556
00:19:21,510 --> 00:19:19,520
was had to be sitting stationary to open

557
00:19:23,909 --> 00:19:21,520
okay so it had stopped spinning and

558
00:19:27,990 --> 00:19:23,919
there was there was something triangular

559
00:19:31,510 --> 00:19:29,909
and they can't explain this to me and

560
00:19:33,270 --> 00:19:31,520
the scientists they checked it all out

561
00:19:35,190 --> 00:19:33,280
and they don't know

562
00:19:36,630 --> 00:19:35,200
all they know they said it was a door

563
00:19:38,150 --> 00:19:36,640

that was opened on the side of the

564

00:19:40,070 --> 00:19:38,160

spacecraft

565

00:19:41,830 --> 00:19:40,080

this was a tripod

566

00:19:44,390 --> 00:19:41,840

we got three the

567

00:19:46,390 --> 00:19:44,400

front leg was here and two on this side

568

00:19:49,750 --> 00:19:46,400

and it was open

569

00:19:51,510 --> 00:19:49,760

those tripods in uh sitting right there

570

00:19:52,789 --> 00:19:51,520

was open so uh

571

00:19:55,510 --> 00:19:52,799

you could see there was something was

572

00:19:57,590 --> 00:19:55,520

out because the grass was bent down oh

573

00:20:00,470 --> 00:19:57,600

and and and they and they they walked

574

00:20:02,870 --> 00:20:00,480

around yeah just around here just around

575

00:20:04,950 --> 00:20:02,880

the front part there was no results the

576
00:20:07,350 --> 00:20:04,960
grass was all standing up on the outside

577
00:20:09,909 --> 00:20:07,360
just on this one side over here

578
00:20:11,110 --> 00:20:09,919
there was about 30 feet across the

579
00:20:13,669 --> 00:20:11,120
middle

580
00:20:15,430 --> 00:20:13,679
they were big huge

581
00:20:16,870 --> 00:20:15,440
and there was three of them sitting like

582
00:20:19,990 --> 00:20:16,880
it looked like one machine because they

583
00:20:22,390 --> 00:20:20,000
were bumped together so close this is

584
00:20:25,190 --> 00:20:22,400
well how did the center ron mario is

585
00:20:27,190 --> 00:20:25,200
what do you think that really was

586
00:20:30,070 --> 00:20:27,200
devil only knows that's all he kept

587
00:20:32,870 --> 00:20:30,080
saying i just i don't know why you're

588
00:20:35,110 --> 00:20:32,880

saying the devil only knows well he says

589

00:20:36,950 --> 00:20:35,120

where were they from i said gosh don't

590

00:20:39,430 --> 00:20:36,960

ask me i didn't stop to ask him how i

591

00:20:42,070 --> 00:20:39,440

didn't get close enough to him because i

592

00:20:44,789 --> 00:20:42,080

instinct told him to keep my distance

593

00:20:47,190 --> 00:20:44,799

he says what do you think it is

594

00:20:49,110 --> 00:20:47,200

i says i don't know what it is why are

595

00:20:50,630 --> 00:20:49,120

you asking me this i'm asking you you're

596

00:20:53,270 --> 00:20:50,640

the cop you're supposed to be

597

00:20:55,190 --> 00:20:53,280

investigating this

598

00:20:57,830 --> 00:20:55,200

and he says well i can tell you what

599

00:20:59,590 --> 00:20:57,840

they were but you won't believe me

600

00:21:01,830 --> 00:20:59,600

well it says i have to says i'm the only

601
00:21:03,110 --> 00:21:01,840
guy that's seen him you never see them i

602
00:21:04,710 --> 00:21:03,120
see them live

603
00:21:07,350 --> 00:21:04,720
you know the machine was work turning

604
00:21:09,029 --> 00:21:07,360
and everything but they're not here now

605
00:21:10,630 --> 00:21:09,039
but it says you may be watching me in

606
00:21:13,669 --> 00:21:10,640
the sky because they flew

607
00:21:19,350 --> 00:21:17,029
whatever he saw was there and they came

608
00:21:22,870 --> 00:21:19,360
from above and they left the via the

609
00:21:25,990 --> 00:21:22,880
same road he saw something

610
00:21:27,270 --> 00:21:26,000
and i said to the rcmp it says you know

611
00:21:30,310 --> 00:21:27,280
that

612
00:21:33,270 --> 00:21:30,320
in the northeast of the sky there is red

613
00:21:34,789 --> 00:21:33,280

lights red orange yellow green all kinds

614

00:21:37,430 --> 00:21:34,799

of colors a light and they're not

615

00:21:39,270 --> 00:21:37,440

sitting still moving back and forth

616

00:21:40,630 --> 00:21:39,280

he said what do you think they are i

617

00:21:42,549 --> 00:21:40,640

said i don't know i'm asking you that

618

00:21:43,909 --> 00:21:42,559

you're the policeman

619

00:21:45,830 --> 00:21:43,919

well he says why are you asking me i

620

00:21:47,909 --> 00:21:45,840

don't know that either he's not asking

621

00:21:48,870 --> 00:21:47,919

you about the answers i haven't got a

622

00:21:50,750 --> 00:21:48,880

clue

623

00:21:54,230 --> 00:21:50,760

and my dad told him his sister

624

00:21:57,430 --> 00:21:54,240

unidentified flying objects

625

00:21:59,430 --> 00:21:57,440

and uh this went on no far

626

00:22:01,190 --> 00:21:59,440

maybe five ten minutes and i had just

627

00:22:03,510 --> 00:22:01,200

told myself i can't sit here and talk i

628

00:22:05,190 --> 00:22:03,520

have to take off and swat this field and

629

00:22:07,590 --> 00:22:05,200

i gotta get it sloth by the days over

630

00:22:10,230 --> 00:22:07,600

and it was 190 acres there

631

00:22:11,830 --> 00:22:10,240

and so i got that field swath

632

00:22:13,750 --> 00:22:11,840

uh ron moyer says now what the devil

633

00:22:15,990 --> 00:22:13,760

were gonna do

634

00:22:18,470 --> 00:22:16,000

he says don't look at me i can't do

635

00:22:20,230 --> 00:22:18,480

nothing i says well isn't the rcp

636

00:22:21,590 --> 00:22:20,240

supposed to do something fence this

637

00:22:23,110 --> 00:22:21,600

place off how do you know it's not

638

00:22:25,110 --> 00:22:23,120

radioactive

639

00:22:27,590 --> 00:22:25,120

oh he says i never thought of that

640

00:22:29,830 --> 00:22:27,600

and it was we had a guy out for winnipeg

641

00:22:32,470 --> 00:22:29,840

manitoba was a guy you got it

642

00:22:34,710 --> 00:22:32,480

it was radioactive bad it just thought

643

00:22:36,470 --> 00:22:34,720

radios out the machine just rattled when

644

00:22:37,750 --> 00:22:36,480

it went into the red

645

00:22:39,669 --> 00:22:37,760

you should have seen their faces and

646

00:22:42,070 --> 00:22:39,679

some of those policemen and they were

647

00:22:44,070 --> 00:22:42,080

walking around in those spots

648

00:22:46,230 --> 00:22:44,080

then those abra cover

649

00:22:47,830 --> 00:22:46,240

rcp from regina come out with german

650

00:22:50,470 --> 00:22:47,840

shepherd dogs

651
00:22:52,230 --> 00:22:50,480
they would not go into those circles

652
00:22:54,070 --> 00:22:52,240
they wouldn't go near

653
00:22:56,390 --> 00:22:54,080
we couldn't get those dogs to go in that

654
00:22:59,110 --> 00:22:56,400
circle for no money i a little little

655
00:23:00,549 --> 00:22:59,120
mongrel dog he wouldn't go close to the

656
00:23:02,870 --> 00:23:00,559
slough

657
00:23:05,029 --> 00:23:02,880
the cattle wouldn't go close to it and

658
00:23:07,029 --> 00:23:05,039
people were walking around in there what

659
00:23:08,950 --> 00:23:07,039
i don't get is how they knew the

660
00:23:10,390 --> 00:23:08,960
difference between the water and the

661
00:23:13,190 --> 00:23:10,400
land

662
00:23:15,190 --> 00:23:13,200
water was

663
00:23:18,310 --> 00:23:15,200

two feet from the edge of the slope

664

00:23:19,750 --> 00:23:18,320

it didn't land in the crop

665

00:23:22,470 --> 00:23:19,760

you tell me how do they know the

666

00:23:24,710 --> 00:23:22,480

difference see the crop on the east side

667

00:23:27,190 --> 00:23:24,720

of the field wasn't sewn right against

668

00:23:28,149 --> 00:23:27,200

the slough there was a blank spot in

669

00:23:29,750 --> 00:23:28,159

between

670

00:23:31,990 --> 00:23:29,760

and that's where the grass fed growing

671

00:23:33,669 --> 00:23:32,000

up and it was four feet high in there

672

00:23:35,110 --> 00:23:33,679

and i said to a lot of guys and they

673

00:23:38,230 --> 00:23:35,120

said how the hell do they know the

674

00:23:40,630 --> 00:23:38,240

difference between water and land

675

00:23:43,510 --> 00:23:40,640

no you're up that high you come down

676
00:23:45,590 --> 00:23:43,520
how the hell do they know where to land

677
00:23:47,350 --> 00:23:45,600
well yes they did

678
00:23:49,510 --> 00:23:47,360
they never landed in the water weren't

679
00:23:51,669 --> 00:23:49,520
even close to it

680
00:23:52,950 --> 00:23:51,679
and i said that to the rcp

681
00:23:54,149 --> 00:23:52,960
and lots of guys would stand there and

682
00:23:55,590 --> 00:23:54,159
scratch their head they didn't know what

683
00:23:57,269 --> 00:23:55,600
they answered

684
00:24:00,230 --> 00:23:57,279
says well they didn't land on the crop

685
00:24:01,430 --> 00:24:00,240
and it didn't land in the goddamn sloop

686
00:24:02,470 --> 00:24:01,440
in the water

687
00:24:05,110 --> 00:24:02,480
how they could tell the difference

688
00:24:07,510 --> 00:24:05,120

between the crop and the slow the canola

689

00:24:09,590 --> 00:24:07,520

there was a canal field right beside did

690

00:24:11,909 --> 00:24:09,600

not land in the canola

691

00:24:14,950 --> 00:24:11,919

right beside it but not in it

692

00:24:16,310 --> 00:24:14,960

you lie in bed and you think about this

693

00:24:17,269 --> 00:24:16,320

you close your eyes you can see the

694

00:24:19,590 --> 00:24:17,279

whole

695

00:24:20,950 --> 00:24:19,600

thing in front of you and it's

696

00:24:23,510 --> 00:24:20,960

i don't know

697

00:24:24,630 --> 00:24:23,520

it's brandon into my fingers and all

698

00:24:25,669 --> 00:24:24,640

over

699

00:24:27,750 --> 00:24:25,679

it's

700

00:24:29,190 --> 00:24:27,760

a lot of people says well how can you

701
00:24:31,430 --> 00:24:29,200
keep thinking about it

702
00:24:34,149 --> 00:24:31,440
i just want to know how you do

703
00:24:36,789 --> 00:24:34,159
you sit down and you just think about it

704
00:24:38,470 --> 00:24:36,799
how the hell did they get down here

705
00:24:41,510 --> 00:24:38,480
and we're trying to get where they are

706
00:24:43,190 --> 00:24:41,520
we'll never get there where they are

707
00:24:46,149 --> 00:24:43,200
you can't plan

708
00:24:47,909 --> 00:24:46,159
an outing just to see these machines you

709
00:24:51,510 --> 00:24:47,919
kind of end up seeing them

710
00:24:52,789 --> 00:24:51,520
by accident like i did

711
00:24:54,390 --> 00:24:52,799
well

712
00:24:55,190 --> 00:24:54,400
by accident what do you mean by accident

713
00:24:57,430 --> 00:24:55,200

well

714

00:24:58,789 --> 00:24:57,440

i was swathing here and i come along

715

00:25:00,230 --> 00:24:58,799

it's going to turn the sloth around and

716

00:25:01,909 --> 00:25:00,240

the fetal they're sitting there they're

717

00:25:03,830 --> 00:25:01,919

sitting right in my path how can i turn

718

00:25:05,590 --> 00:25:03,840

around

719

00:25:07,590 --> 00:25:05,600

is this all true

720

00:25:09,430 --> 00:25:07,600

well i said if it's a lie as you can

721

00:25:10,870 --> 00:25:09,440

expect to see something else coming up

722

00:25:13,029 --> 00:25:10,880

with july

723

00:25:14,870 --> 00:25:13,039

and and they they said

724

00:25:16,789 --> 00:25:14,880

if it's a lie you'll have to call the

725

00:25:19,190 --> 00:25:16,799

rcmp liars then

726

00:25:21,590 --> 00:25:19,200

all the rcmp is involved

727

00:25:23,830 --> 00:25:21,600

just i said you better believe it

728

00:25:25,269 --> 00:25:23,840

i said there's not just me there's

729

00:25:28,390 --> 00:25:25,279

united states

730

00:25:32,630 --> 00:25:28,400

the air force come flying in with six

731

00:25:34,789 --> 00:25:32,640

planes aircrafts which flew or slowed

732

00:25:37,110 --> 00:25:34,799

from every angle taking pictures and

733

00:25:39,430 --> 00:25:37,120

that's just well the canadian air force

734

00:25:41,510 --> 00:25:39,440

was in there the navy was in there the

735

00:25:44,310 --> 00:25:41,520

army was in there now who are you going

736

00:25:45,990 --> 00:25:44,320

to call liars here

737

00:25:47,510 --> 00:25:46,000

do you think it was a lie i don't think

738

00:25:49,590 --> 00:25:47,520

so because this is your eyes don't

739

00:25:51,110 --> 00:25:49,600

deceive you you know

740

00:25:52,710 --> 00:25:51,120

that's what i saw

741

00:25:54,710 --> 00:25:52,720

but you don't you don't have to believe

742

00:25:57,190 --> 00:25:54,720

me i don't care what you believe for

743

00:25:58,549 --> 00:25:57,200

what i saw was real

744

00:26:00,310 --> 00:25:58,559

i says when you were sitting on a

745

00:26:01,590 --> 00:26:00,320

swather and it does not move off the

746

00:26:03,750 --> 00:26:01,600

spot

747

00:26:05,110 --> 00:26:03,760

there's something got to be haywire here

748

00:26:08,149 --> 00:26:05,120

i wouldn't want to go through it again

749

00:26:10,950 --> 00:26:08,159

never again because uh your bones the

750

00:26:13,430 --> 00:26:10,960

ache like you had electrical sock

751

00:26:15,350 --> 00:26:13,440

my joints i couldn't move hardly
