

1
00:00:04,470 --> 00:00:01,990
uh it was so low

2
00:00:06,389 --> 00:00:04,480
you could see the oval shape of the uh

3
00:00:08,470 --> 00:00:06,399
of the object with a red light in front

4
00:00:10,549 --> 00:00:08,480
and a red light to the rear of it

5
00:00:11,589 --> 00:00:10,559
appeared to be cigar shaped maybe the

6
00:00:14,150 --> 00:00:11,599
size of an

7
00:00:15,509 --> 00:00:14,160
automobile

8
00:00:18,070 --> 00:00:15,519
from red light to red light there

9
00:00:20,070 --> 00:00:18,080
appeared to be illuminated white lights

10
00:00:21,429 --> 00:00:20,080
the the whole length of it

11
00:00:23,349 --> 00:00:21,439
i thought it was going to look in the

12
00:00:25,269 --> 00:00:23,359
window and see something extraordinary

13
00:00:26,950 --> 00:00:25,279

because we're that close

14

00:00:28,870 --> 00:00:26,960

i really didn't see anything inside

15

00:00:31,589 --> 00:00:28,880

there was no movement no objects

16

00:00:33,830 --> 00:00:31,599

whatever so it just sword and hubbard

17

00:00:35,830 --> 00:00:33,840

you know just just actually unbelievable

18

00:00:37,750 --> 00:00:35,840

almost seems like a dream really that's

19

00:00:40,310 --> 00:00:37,760

what we did see it seemed like a dream

20

00:00:45,590 --> 00:00:42,950

it soared over this direction across

21

00:00:47,190 --> 00:00:45,600

there and over this tree line and later

22

00:00:48,950 --> 00:00:47,200

that night i think was within a half an

23

00:00:51,189 --> 00:00:48,960

hour or less there were several

24

00:00:53,350 --> 00:00:51,199

sightings in mansfield of uh

25

00:00:56,069 --> 00:00:53,360

similar type description the flying

26

00:00:58,950 --> 00:00:56,079

saucer came from that direction

27

00:01:00,790 --> 00:00:58,960

came across stayed out there a while

28

00:01:03,910 --> 00:01:00,800

and it came back it hold it over here

29

00:01:05,990 --> 00:01:03,920

and it took off in that direction

30

00:01:07,750 --> 00:01:06,000

and to my estimation it looked like a

31

00:01:09,350 --> 00:01:07,760

you know a football it had flashing

32

00:01:10,469 --> 00:01:09,360

lights all the lights going around in a

33

00:01:13,190 --> 00:01:10,479

circle

34

00:01:14,469 --> 00:01:13,200

around the area of it and uh

35

00:01:16,070 --> 00:01:14,479

just say you know it looked like a

36

00:01:18,550 --> 00:01:16,080

football in me with a whole mess of

37

00:01:20,870 --> 00:01:18,560

flashing lights

38

00:01:24,149 --> 00:01:20,880

these were white windows it appeared to

39

00:01:29,350 --> 00:01:26,710

this was all white lights this is what

40

00:01:31,590 --> 00:01:29,360

the chief and i were trying to look in

41

00:01:33,510 --> 00:01:31,600

to see if we could see anything but that

42

00:01:36,069 --> 00:01:33,520

give you i'm not a good artist but that

43

00:01:37,749 --> 00:01:36,079

rough idea there were cars moving up and

44

00:01:39,510 --> 00:01:37,759

down the street

45

00:01:41,830 --> 00:01:39,520

as a past

46

00:01:43,030 --> 00:01:41,840

from that tree line in a westerly

47

00:01:45,109 --> 00:01:43,040

direction

48

00:01:46,950 --> 00:01:45,119

it blocked out several of the cars and

49

00:01:49,590 --> 00:01:46,960

as it moved the cars appeared again

50

00:01:51,830 --> 00:01:49,600

underneath it which proved to me that we

51

00:01:53,429 --> 00:01:51,840

were looking at a solid object

52

00:01:54,389 --> 00:01:53,439

it either was

53

00:01:57,429 --> 00:01:54,399

round

54

00:02:00,069 --> 00:01:57,439

or as it appeared to be then football

55

00:02:01,990 --> 00:02:00,079

shape and it was no higher

56

00:02:05,270 --> 00:02:02,000

and no further away than those fear

57

00:02:08,070 --> 00:02:05,280

trees from us as we walked towards it

58

00:02:09,990 --> 00:02:08,080

none of you had seen any aliens is that

59

00:02:12,229 --> 00:02:10,000

right

60

00:02:14,070 --> 00:02:12,239

and uh what is your own personal theory

61

00:02:15,750 --> 00:02:14,080

we'll go down the line here what your

62

00:02:17,030 --> 00:02:15,760

personal theory is about this what it

63

00:02:19,030 --> 00:02:17,040

actually was where it might have been

64
00:02:20,309 --> 00:02:19,040
from you have any idea have you harbored

65
00:02:21,510 --> 00:02:20,319
any theories over the years or what it

66
00:02:23,190 --> 00:02:21,520
might have been

67
00:02:25,270 --> 00:02:23,200
well

68
00:02:27,190 --> 00:02:25,280
to myself i would say uh

69
00:02:29,030 --> 00:02:27,200
i saw it i left here

70
00:02:30,630 --> 00:02:29,040
i spoke with the uh

71
00:02:31,430 --> 00:02:30,640
air force was it the air force that came

72
00:02:32,869 --> 00:02:31,440
down

73
00:02:34,710 --> 00:02:32,879
and after that i just put it right out

74
00:02:36,070 --> 00:02:34,720
of my mind you kind of blocked it out

75
00:02:37,270 --> 00:02:36,080
blocked it right off you didn't want to

76

00:02:38,470 --> 00:02:37,280

think about it or you just forgot about

77

00:02:40,710 --> 00:02:38,480

it because it was just another one i

78

00:02:41,750 --> 00:02:40,720

have any more to do with it to be honest

79

00:02:44,630 --> 00:02:41,760

with you

80

00:02:48,390 --> 00:02:44,640

i figured what i saw i told them what i

81

00:02:50,390 --> 00:02:48,400

saw and that was enough for me i uh

82

00:02:52,470 --> 00:02:50,400

it was an experience in itself and i

83

00:02:53,990 --> 00:02:52,480

didn't want to go any further with it

84

00:02:55,910 --> 00:02:54,000

how about yourself chief any personal

85

00:02:58,390 --> 00:02:55,920

theories well it was something unique

86

00:03:00,149 --> 00:02:58,400

that's for sure and uh you know it could

87

00:03:03,110 --> 00:03:00,159

have been something that the the country

88

00:03:04,309 --> 00:03:03,120

has it doesn't care to discuss or reveal

89

00:03:06,070 --> 00:03:04,319

and

90

00:03:07,430 --> 00:03:06,080

or it could have been something

91

00:03:09,830 --> 00:03:07,440

from another planet

92

00:03:12,149 --> 00:03:09,840

either one it had to be one or the other

93

00:03:13,830 --> 00:03:12,159

you would say i might add that

94

00:03:15,990 --> 00:03:13,840

it was during this particular period of

95

00:03:16,830 --> 00:03:16,000

time that

96

00:03:19,670 --> 00:03:16,840

several

97

00:03:22,710 --> 00:03:19,680

sightings were made of similar objects

98

00:03:24,869 --> 00:03:22,720

the one that i recall vividly was the

99

00:03:26,789 --> 00:03:24,879

one in new hampshire and a great deal of

100

00:03:30,149 --> 00:03:26,799

credence was plus placed in that

101
00:03:32,070 --> 00:03:30,159
sighting as was this you know we have

102
00:03:33,270 --> 00:03:32,080
four i think responsible people here who

103
00:03:34,630 --> 00:03:33,280
saw something

104
00:03:36,070 --> 00:03:34,640
shortly after

105
00:03:38,789 --> 00:03:36,080
this sighting i think was a couple of

106
00:03:41,830 --> 00:03:38,799
weeks look magazine did a profile on on

107
00:03:42,949 --> 00:03:41,840
the happening in new hampshire where uh

108
00:03:45,430 --> 00:03:42,959
the

109
00:03:47,350 --> 00:03:45,440
married couple was supposedly taken onto

110
00:03:50,630 --> 00:03:47,360
their ship and

111
00:03:53,429 --> 00:03:50,640
given physicals on board

112
00:03:55,670 --> 00:03:53,439
the object whatever it was they seen and

113
00:03:58,789 --> 00:03:55,680

i was working a four to twelve fill in

114

00:04:01,190 --> 00:03:58,799

shift it was maybe 10 o'clock at night

115

00:04:03,830 --> 00:04:01,200

at the police station

116

00:04:05,429 --> 00:04:03,840

i was really into the article and

117

00:04:07,030 --> 00:04:05,439

i think at that time

118

00:04:08,630 --> 00:04:07,040

my concentration was so much on the

119

00:04:10,070 --> 00:04:08,640

article the door opened the police

120

00:04:12,309 --> 00:04:10,080

station and

121

00:04:14,470 --> 00:04:12,319

i i think i felt like i hit my head on

122

00:04:16,789 --> 00:04:14,480

the ceiling my feet don't ever touch the

123

00:04:20,390 --> 00:04:16,799

floor so it just startled me so it's

124

00:04:21,990 --> 00:04:20,400

just kind of a strange experience

125

00:04:23,990 --> 00:04:22,000

did you feel as if

126
00:04:25,030 --> 00:04:24,000
you know anything like that might have

127
00:04:27,590 --> 00:04:25,040
happened

128
00:04:30,070 --> 00:04:27,600
that you're unaware of that you were

129
00:04:32,950 --> 00:04:30,080
no it just seemed strange that we never

130
00:04:35,430 --> 00:04:32,960
made more of it that uh like i said

131
00:04:37,110 --> 00:04:35,440
a bus smash up or something you'd

132
00:04:39,030 --> 00:04:37,120
you'd say holy smoke what's happening

133
00:04:40,390 --> 00:04:39,040
and why why and then probably talk a lot

134
00:04:42,950 --> 00:04:40,400
about it this thing here just seemed to

135
00:04:44,790 --> 00:04:42,960
go away by itself and i've often

136
00:04:47,909 --> 00:04:44,800
wondered why we didn't discuss it a lot

137
00:04:49,430 --> 00:04:47,919
more or think a lot more of it

138
00:04:52,950 --> 00:04:49,440

how can we correlate this information

139

00:04:55,430 --> 00:04:52,960

how do we know what we're being told

140

00:04:57,909 --> 00:04:55,440

we probably don't right we only they

141

00:04:59,990 --> 00:04:57,919

only reveal what they want to reveal and

142

00:05:01,749 --> 00:05:00,000

again you know it's a it had to be one

143

00:05:03,749 --> 00:05:01,759

of the other as well i'm saying it had

144

00:05:05,749 --> 00:05:03,759

to be something that we had that was

145

00:05:07,270 --> 00:05:05,759

they didn't care to reveal what it was

146

00:05:08,790 --> 00:05:07,280

or

147

00:05:10,469 --> 00:05:08,800

something from outer space the

148

00:05:12,070 --> 00:05:10,479

government didn't cut us in on any

149

00:05:14,150 --> 00:05:12,080

information the air force didn't

150

00:05:15,670 --> 00:05:14,160

communicate with us is as to what they

151
00:05:17,590 --> 00:05:15,680
did or didn't find

152
00:05:19,830 --> 00:05:17,600
nightcap came out and made the

153
00:05:21,510 --> 00:05:19,840
investigation took the radiation

154
00:05:22,870 --> 00:05:21,520
readings in the field

155
00:05:24,790 --> 00:05:22,880
so they did make an intensive

156
00:05:27,110 --> 00:05:24,800
investigation of the scene remained in

157
00:05:28,870 --> 00:05:27,120
the area for three days

158
00:05:31,670 --> 00:05:28,880
matter of fact mr fowler wrote a book

159
00:05:33,749 --> 00:05:31,680
and included this in his book

160
00:05:34,790 --> 00:05:33,759
i think i mistakenly said before that

161
00:05:39,189 --> 00:05:34,800
the

162
00:05:40,870 --> 00:05:39,199
really that

163
00:05:44,230 --> 00:05:40,880

did you notice any um

164

00:05:46,790 --> 00:05:44,240

electromagnetic effects any radiation uh

165

00:05:48,870 --> 00:05:46,800

effects after in the area

166

00:05:51,590 --> 00:05:48,880

what what we did that night was notified

167

00:05:54,629 --> 00:05:51,600

through officer jones's urgings uh he

168

00:05:55,990 --> 00:05:54,639

notified otis air force base and

169

00:05:58,629 --> 00:05:56,000

on the cape

170

00:06:01,590 --> 00:05:58,639

who the following day uh

171

00:06:03,749 --> 00:06:01,600

brought here or flew over here a radar

172

00:06:05,670 --> 00:06:03,759

plane that circled this particular area

173

00:06:08,710 --> 00:06:05,680

for uh

174

00:06:11,670 --> 00:06:08,720

uh quite a period of time

175

00:06:15,189 --> 00:06:11,680

my understanding was that they did

176

00:06:18,790 --> 00:06:15,199

find radiation readings in the field

177

00:06:21,350 --> 00:06:18,800

that were above normal

178

00:06:23,909 --> 00:06:21,360

and uh they did flyovers to do that we

179

00:06:26,150 --> 00:06:23,919

had a radar plane flying over the uh

180

00:06:28,790 --> 00:06:26,160

area here for most of the following

181

00:06:31,189 --> 00:06:28,800

morning the uh government authorities

182

00:06:32,550 --> 00:06:31,199

came in and uh said that the further

183

00:06:34,550 --> 00:06:32,560

incidents on this

184

00:06:36,150 --> 00:06:34,560

uh this of this nature

185

00:06:37,510 --> 00:06:36,160

would have to be included in a separate

186

00:06:39,830 --> 00:06:37,520

police plotter

187

00:06:42,150 --> 00:06:39,840

uh i'm unaware of that the chief at that

188

00:06:43,430 --> 00:06:42,160

time suggested that we keep a separate

189

00:06:46,230 --> 00:06:43,440

bladder

190

00:06:48,629 --> 00:06:46,240

for all incoming calls on ufo calls

191

00:06:51,189 --> 00:06:48,639

because we did receive uh many curious

192

00:06:53,029 --> 00:06:51,199

calls and also people saying they had

193

00:06:55,029 --> 00:06:53,039

seen sightings would have it wasn't due

194

00:06:56,870 --> 00:06:55,039

to the government uh saying i'm unaware

195

00:06:57,830 --> 00:06:56,880

but it could have happened

196

00:06:59,430 --> 00:06:57,840

and

197

00:07:01,990 --> 00:06:59,440

did the government say anything in terms

198

00:07:03,670 --> 00:07:02,000

of you know don't don't publicize this

199

00:07:06,150 --> 00:07:03,680

again i'm unaware of that i wasn't the

200

00:07:08,629 --> 00:07:06,160

chief at the time and the perhaps it was

201
00:07:09,909 --> 00:07:08,639
said to the my predecessor it wasn't

202
00:07:13,270 --> 00:07:09,919
said to me

203
00:07:18,230 --> 00:07:15,909
i would know on that the is

204
00:07:20,469 --> 00:07:18,240
correct on that someone on walmart

205
00:07:21,830 --> 00:07:20,479
street also saw it uh that night can you

206
00:07:23,510 --> 00:07:21,840
tell me about that do you remember that

207
00:07:26,070 --> 00:07:23,520
uh there were several other sightings

208
00:07:27,990 --> 00:07:26,080
that night uh by people in in sharon

209
00:07:29,670 --> 00:07:28,000
that had seen it i guess at a greater

210
00:07:31,270 --> 00:07:29,680
distance and we had seen it here but

211
00:07:32,790 --> 00:07:31,280
they had seen it

212
00:07:34,870 --> 00:07:32,800
uh wasn't it the previous night or

213
00:07:35,990 --> 00:07:34,880

something someone said the uh

214

00:07:37,990 --> 00:07:36,000

yeah

215

00:07:39,270 --> 00:07:38,000

also on walmart park street there were

216

00:07:41,270 --> 00:07:39,280

other sightings over the years do you

217

00:07:43,350 --> 00:07:41,280

recall any

218

00:07:45,589 --> 00:07:43,360

again so many things that went on after

219

00:07:47,670 --> 00:07:45,599

that we heard and read so much i'm not

220

00:07:49,830 --> 00:07:47,680

clear on on who's seen whether there

221

00:07:52,230 --> 00:07:49,840

were several other people that did say

222

00:07:53,909 --> 00:07:52,240

they had sightings and sharon at various

223

00:07:56,070 --> 00:07:53,919

times that right

224

00:07:58,390 --> 00:07:56,080

raymond fowler actually saw something in

225

00:07:59,189 --> 00:07:58,400

beverly let me just ask you one question

226

00:08:01,670 --> 00:07:59,199

though

227

00:08:02,869 --> 00:08:01,680

you have questions did we really see it

228

00:08:04,869 --> 00:08:02,879

right

229

00:08:07,830 --> 00:08:04,879

okay as long as we started that was the

230

00:08:09,749 --> 00:08:07,840

main thing i think uh

231

00:08:11,830 --> 00:08:09,759

both of these both of these guys retired

232

00:08:13,749 --> 00:08:11,840

now i want you to know

233

00:08:15,270 --> 00:08:13,759

i think jimmy will agree with me we kid

234

00:08:16,150 --> 00:08:15,280

each other a lot

235

00:08:18,629 --> 00:08:16,160

but

236

00:08:21,110 --> 00:08:18,639

it's criticism on the side we all

237

00:08:24,070 --> 00:08:21,120

discussed it among ourselves

238

00:08:28,469 --> 00:08:24,080

and as chief said i read every article i

239

00:08:30,710 --> 00:08:28,479

could find on it if seen by chiefs

240

00:08:33,829 --> 00:08:30,720

deputy sheriff sheriffs

241

00:08:36,230 --> 00:08:33,839

their vehicles have been disabled

242

00:08:37,589 --> 00:08:36,240

but it's pretty hard to discuss them
