

1  
00:00:03,830 --> 00:00:01,990  
he said well i was fighting you might

2  
00:00:05,910 --> 00:00:03,840  
hit these things and they yeah they

3  
00:00:07,749 --> 00:00:05,920  
would hit us back and retaliate and

4  
00:00:08,790 --> 00:00:07,759  
destroy us yeah so what did they look

5  
00:00:10,549 --> 00:00:08,800  
like then

6  
00:00:14,150 --> 00:00:10,559  
they were just like

7  
00:00:17,029 --> 00:00:14,160  
orange yellowy footballs yeah they were

8  
00:00:19,910 --> 00:00:17,039  
glowing a yellow little bit of orange

9  
00:00:22,550 --> 00:00:19,920  
coming into it and and all of a sudden

10  
00:00:25,750 --> 00:00:22,560  
they they they're following us and we

11  
00:00:27,750 --> 00:00:25,760  
died and they followed us we twisted we

12  
00:00:29,589 --> 00:00:27,760  
climbed and they followed them it was

13  
00:00:32,069 --> 00:00:29,599

just as though they were intelligent

14

00:00:34,389 --> 00:00:32,079

then and they seemed to

15

00:00:36,870 --> 00:00:34,399

know by changing direction i mean they

16

00:00:37,750 --> 00:00:36,880

were in control

17

00:00:38,950 --> 00:00:37,760

and

18

00:00:40,950 --> 00:00:38,960

after all

19

00:00:44,310 --> 00:00:40,960

you saw that after 15

20

00:00:46,069 --> 00:00:44,320

50 miles and we lost 14 000 feet at home

21

00:00:47,750 --> 00:00:46,079

they start to

22

00:00:48,549 --> 00:00:47,760

fade away yes

23

00:00:51,110 --> 00:00:48,559

but

24

00:00:53,750 --> 00:00:51,120

at times they they put on the extra

25

00:00:55,350 --> 00:00:53,760

speed and when they sort of you know

26

00:00:58,150 --> 00:00:55,360

they're going along

27

00:01:00,389 --> 00:00:58,160

and when they did that there was sparks

28

00:01:02,869 --> 00:01:00,399

things coming out of the tails

29

00:01:05,750 --> 00:01:02,879

very interesting yeah very interesting

30

00:01:07,429 --> 00:01:05,760

but what they were yes you don't know i

31

00:01:09,830 --> 00:01:07,439

never did you ever think it was the

32

00:01:12,710 --> 00:01:09,840

other side that had used i thought they

33

00:01:14,710 --> 00:01:12,720

were probably rocking you know you think

34

00:01:16,390 --> 00:01:14,720

a lot about this and i wonder whether

35

00:01:17,190 --> 00:01:16,400

they were

36

00:01:19,030 --> 00:01:17,200

um

37

00:01:22,070 --> 00:01:19,040

uh

38

00:01:23,830 --> 00:01:22,080

controlled any aircraft shelves right

39

00:01:25,510 --> 00:01:23,840

of course no one's ever spoken about

40

00:01:27,190 --> 00:01:25,520

this no no

41

00:01:29,510 --> 00:01:27,200

i wonder when they were controlled

42

00:01:31,990 --> 00:01:29,520

anti-aircraft shells controlled by radar

43

00:01:33,270 --> 00:01:32,000

yeah but no one ever no one ever met and
