

1  
00:00:07,089 --> 00:00:04,190  
the car began Rising into the air

2  
00:00:11,330 --> 00:00:07,099  
going up with us in it

3  
00:00:14,390 --> 00:00:11,340  
and after a period of time of this

4  
00:00:17,090 --> 00:00:14,400  
sensation of extreme speed Rising upward

5  
00:00:18,370 --> 00:00:17,100  
being pulled by some force that would

6  
00:00:22,330 --> 00:00:18,380  
not let go

7  
00:00:25,790 --> 00:00:22,340  
we I both actually of us found ourselves

8  
00:00:28,310 --> 00:00:25,800  
outside of the car we were not any

9  
00:00:30,910 --> 00:00:28,320  
longer seeing it we were in a circular

10  
00:00:35,270 --> 00:00:30,920  
room that was a gray

11  
00:00:37,970 --> 00:00:35,280  
just a nondescript Gray

12  
00:00:42,549 --> 00:00:37,980  
um the she and I were both standing

13  
00:00:45,310 --> 00:00:42,559

there there was a hallway in front of us

14

00:00:47,750 --> 00:00:45,320

and there were

15

00:00:51,709 --> 00:00:47,760

some several

16

00:00:54,889 --> 00:00:51,719

gray aliens that came over and took my

17

00:00:57,590 --> 00:00:54,899

hands and began walking me down the hall

18

00:00:59,930 --> 00:00:57,600

I had to described the aliens how high

19

00:01:04,009 --> 00:00:59,940

were there do they have hands feeds uh

20

00:01:06,710 --> 00:01:04,019

face uh they do yes ma'am they're they

21

00:01:09,350 --> 00:01:06,720

have very large heads they're probably

22

00:01:10,870 --> 00:01:09,360

about three and a half to maybe four

23

00:01:13,750 --> 00:01:10,880

feet tall

24

00:01:18,170 --> 00:01:13,760

the eyes are very dark

25

00:01:21,230 --> 00:01:18,180

slanted larger than human eyes the the

26

00:01:25,429 --> 00:01:21,240

mouth is nothing but a soot I didn't

27

00:01:27,130 --> 00:01:25,439

notice any ears the nose to me all I

28

00:01:30,890 --> 00:01:27,140

could see was just a little

29

00:01:33,590 --> 00:01:30,900

tiny little structure it didn't look

30

00:01:34,190 --> 00:01:33,600

like it was really used

31

00:01:38,090 --> 00:01:34,200

um

32

00:01:42,370 --> 00:01:38,100

they're very thin the they do have two

33

00:01:46,850 --> 00:01:42,380

arms two legs the arms are longer

34

00:01:49,850 --> 00:01:46,860

than our Hour Arms the hands are very

35

00:01:53,569 --> 00:01:49,860

different the ones I saw had only four

36

00:01:56,649 --> 00:01:53,579

fingers basically one could have been a

37

00:01:59,030 --> 00:01:56,659

thumb and three fingers they're longer

38

00:02:02,209 --> 00:01:59,040

they had

39

00:02:04,929 --> 00:02:02,219

what appeared to be to me a kind of a

40

00:02:09,050 --> 00:02:04,939

fleshy pad on the end of the fingertips

41

00:02:10,350 --> 00:02:09,060

almost like a suction pad like on a frog

42

00:02:12,010 --> 00:02:10,360

type of thing

43

00:02:15,530 --> 00:02:12,020

[Music]

44

00:02:17,210 --> 00:02:15,540

they're very non-human looking what did

45

00:02:19,490 --> 00:02:17,220

they do with you where did they brought

46

00:02:22,670 --> 00:02:19,500

you they brought me to a room that was

47

00:02:24,589 --> 00:02:22,680

brightly lit they left mother standing

48

00:02:26,750 --> 00:02:24,599

at that point that was all I could

49

00:02:29,089 --> 00:02:26,760

recall was mother was still standing

50

00:02:32,570 --> 00:02:29,099

back there they brought me forward into

51

00:02:35,150 --> 00:02:32,580

a room which looked

52

00:02:38,089 --> 00:02:35,160

exactly well not exactly but it's

53

00:02:40,430 --> 00:02:38,099

reminiscent of what a doctor's office

54

00:02:43,190 --> 00:02:40,440

would look like it appeared to be a

55

00:02:46,550 --> 00:02:43,200

medical room there was a table in there

56

00:02:48,970 --> 00:02:46,560

and they wed me over to the table

57

00:02:51,770 --> 00:02:48,980

and

58

00:02:53,930 --> 00:02:51,780

somewhere in the process I was disrobed

59

00:02:57,949 --> 00:02:53,940

and they

60

00:03:01,309 --> 00:02:57,959

laid me upon the table and and

61

00:03:05,470 --> 00:03:01,319

performed some kind of medical

62

00:03:12,770 --> 00:03:09,470

appeared to be gynecological in nature

63

00:03:15,050 --> 00:03:12,780

and after a Time

64

00:03:16,970 --> 00:03:15,060

of Performing these procedures they

65

00:03:18,290 --> 00:03:16,980

finally got through with whatever they

66

00:03:21,770 --> 00:03:18,300

were doing

67

00:03:25,610 --> 00:03:21,780

and then they they got me on up from the

68

00:03:29,089 --> 00:03:25,620

table the next thing that I recalled was

69

00:03:32,809 --> 00:03:29,099

being led out of that room into another

70

00:03:34,970 --> 00:03:32,819

room where this was a larger room it was

71

00:03:38,809 --> 00:03:34,980

not as brightly lit as the medical room

72

00:03:41,649 --> 00:03:38,819

was and in the center of this room was

73

00:03:45,410 --> 00:03:41,659

what looked like a

74

00:03:49,369 --> 00:03:45,420

man-sized tube basically of glass or

75

00:03:52,670 --> 00:03:49,379

something clear plastic something and

76

00:03:56,330 --> 00:03:52,680

standing in that tube was Mother

77

00:03:59,509 --> 00:03:56,340

just standing there unmoving and when I

78

00:04:02,390 --> 00:03:59,519

saw her I was very distressed I I had

79

00:04:04,550 --> 00:04:02,400

the feeling I didn't know really if

80

00:04:06,470 --> 00:04:04,560

mother was alive you know she was

81

00:04:09,009 --> 00:04:06,480

standing there not moving not making any

82

00:04:12,289 --> 00:04:09,019

motions

83

00:04:16,789 --> 00:04:12,299

I was real upset are you were you scared

84

00:04:19,009 --> 00:04:16,799

madam not not terrorized scared

85

00:04:23,390 --> 00:04:19,019

just confused

86

00:04:29,390 --> 00:04:26,689

the first part was similar to hers of

87

00:04:32,030 --> 00:04:29,400

course yeah the same story up to the

88

00:04:35,330 --> 00:04:32,040

point where we're on board the ship but

89

00:04:38,040 --> 00:04:35,340

I'm in this same foyer

90

00:04:39,230 --> 00:04:38,050

area but they came out in on the ship

91

00:04:42,050 --> 00:04:39,240

[Music]

92

00:04:44,390 --> 00:04:42,060

I saw her and these two little creatures

93

00:04:45,890 --> 00:04:44,400

going down the hall their backs were to

94

00:04:51,170 --> 00:04:45,900

me

95

00:04:53,450 --> 00:04:51,180

saying about the fact that she's going

96

00:04:57,409 --> 00:04:53,460

and I'm here and I'd rather keep us all

97

00:05:00,529 --> 00:04:57,419

together but she goes out and disappears

98

00:05:02,990 --> 00:05:00,539

and seemingly a little bit of time

99

00:05:05,029 --> 00:05:03,000

passes and I'm looking around me to see

100

00:05:07,310 --> 00:05:05,039

what's going on

101  
00:05:10,310 --> 00:05:07,320  
and then the next thing I know I'm in

102  
00:05:12,710 --> 00:05:10,320  
that last room the round one where that

103  
00:05:16,430 --> 00:05:12,720  
tube of there is

104  
00:05:18,710 --> 00:05:16,440  
and in that room I was never aware of

105  
00:05:21,170 --> 00:05:18,720  
the tube but I did see

106  
00:05:23,570 --> 00:05:21,180  
the wall where the instruments on it

107  
00:05:25,370 --> 00:05:23,580  
they look like computer readouts except

108  
00:05:27,469 --> 00:05:25,380  
they were scrolling from the right to

109  
00:05:30,469 --> 00:05:27,479  
the left instead of up and down like

110  
00:05:33,710 --> 00:05:30,479  
Americans do

111  
00:05:35,330 --> 00:05:33,720  
and then after that I'm zooming out of

112  
00:05:38,870 --> 00:05:35,340  
the bottom of the car I mean at the

113  
00:05:41,270 --> 00:05:38,880

bottom of this thing and I looked up and

114

00:05:43,189 --> 00:05:41,280

saw this thing up over my head the

115

00:05:47,210 --> 00:05:43,199

machine

116

00:05:51,350 --> 00:05:47,220

and it had this Iris eye on it that was

117

00:05:55,330 --> 00:05:51,360

just closing as we're going out

118

00:05:59,450 --> 00:05:55,340

can we get back in the car

119

00:06:02,330 --> 00:05:59,460

it's hard because you do feel isolated

120

00:06:04,070 --> 00:06:02,340

even though you are fortunate enough to

121

00:06:06,290 --> 00:06:04,080

run into other people who have

122

00:06:07,730 --> 00:06:06,300

experienced these things you still know

123

00:06:10,430 --> 00:06:07,740

that there are a lot of people out there

124

00:06:12,770 --> 00:06:10,440

that you can't talk to about this you

125

00:06:15,050 --> 00:06:12,780

can't tell them that

126

00:06:17,990 --> 00:06:15,060

I talk to the aliens every night you

127

00:06:19,670 --> 00:06:18,000

know or whenever it is there's one

128

00:06:21,490 --> 00:06:19,680

person in the world who knows that you

129

00:06:25,189 --> 00:06:21,500

are telling the truth and it's your mom

130

00:06:28,070 --> 00:06:25,199

yes thank God

131

00:06:30,050 --> 00:06:28,080

yeah that uh probably helped me more

132

00:06:32,570 --> 00:06:30,060

than anything if I had had only my own

133

00:06:34,370 --> 00:06:32,580

memories it would have been harder but

134

00:06:37,430 --> 00:06:34,380

because mother and I shared that one

135

00:06:39,650 --> 00:06:37,440

it's been a lot easier with with having

136

00:06:42,409 --> 00:06:39,660

a family member who was there and said

137

00:06:44,930 --> 00:06:42,419

the same thing exactly with no sharing

138

00:06:47,210 --> 00:06:44,940

you know of facts before him and

139

00:06:50,749 --> 00:06:47,220

after all these years ma'am how do you

140

00:06:54,350 --> 00:06:50,759

feel about the story now I never had any

141

00:06:57,409 --> 00:06:54,360

particular ill feelings about it

142

00:06:59,029 --> 00:06:57,419

I was always interested in esoteric of

143

00:07:01,550 --> 00:06:59,039

one side or another

144

00:07:04,809 --> 00:07:01,560

so to me it was just another part of it

145

00:07:07,790 --> 00:07:04,819

I was a fairy tale reader as a child

146

00:07:10,629 --> 00:07:07,800

have you seen it that's a fairy tale no

147

00:07:13,490 --> 00:07:10,639

but I mean it's easier to accept

148

00:07:15,890 --> 00:07:13,500

something that is a little outside of

149

00:07:18,350 --> 00:07:15,900

ordinary daily life

150

00:07:20,390 --> 00:07:18,360

if you have read a great deal in other

151

00:07:22,490 --> 00:07:20,400

ways you know that

152

00:07:24,969 --> 00:07:22,500

areas

153

00:07:28,430 --> 00:07:24,979

so it didn't come as any particular

154

00:07:30,409 --> 00:07:28,440

stunning to me that it could be alien

155

00:07:33,050 --> 00:07:30,419

live

156

00:07:36,409 --> 00:07:33,060

because I had never had a belief that we

157

00:07:38,749 --> 00:07:36,419

were the only ones in the universe it's

158

00:07:42,350 --> 00:07:38,759

ridiculous for us to have supposed that
