

1
00:00:05,430 --> 00:00:03,270
can you tell us uh dr mitchell exactly

2
00:00:10,870 --> 00:00:05,440
what the locals of roswell told you if

3
00:00:16,710 --> 00:00:14,310
the asset was that the arrival event was

4
00:00:19,830 --> 00:00:16,720
an alien craft that it was

5
00:00:21,990 --> 00:00:19,840
uh not of this planet that's the essence

6
00:00:23,990 --> 00:00:22,000
what they really told me was their

7
00:00:27,109 --> 00:00:24,000
particular east what

8
00:00:29,669 --> 00:00:27,119
had some particular part of it like a

9
00:00:31,830 --> 00:00:29,679
sheriff's deputy was controlling traffic

10
00:00:34,950 --> 00:00:31,840
but heard from what

11
00:00:37,670 --> 00:00:34,960
the other people what was going on the

12
00:00:39,990 --> 00:00:37,680
family of the undertaker told about the

13
00:00:41,510 --> 00:00:40,000

small coffins that were created for the

14

00:00:45,110 --> 00:00:41,520

alien bodies

15

00:00:47,430 --> 00:00:45,120

and my air force family friend said yes

16

00:00:50,790 --> 00:00:47,440

he had heard the same thing from uh

17

00:00:53,830 --> 00:00:51,910

and uh

18

00:00:56,229 --> 00:00:53,840

each one of them just told what their

19

00:00:58,470 --> 00:00:56,239

portion of the activity was all about so

20

00:01:01,110 --> 00:00:58,480

putting it all together the sum total

21

00:01:03,270 --> 00:01:01,120

was yes it was an avian spacecraft

22

00:01:07,030 --> 00:01:03,280

after i came back from space and was

23

00:01:08,550 --> 00:01:07,040

lecturing around and visiting back home

24

00:01:10,789 --> 00:01:08,560

some of them came to me and pulled me

25

00:01:12,550 --> 00:01:10,799

aside and told me their story

26

00:01:13,670 --> 00:01:12,560

that they had been shut up

27

00:01:15,910 --> 00:01:13,680

after

28

00:01:18,230 --> 00:01:15,920

the wrongful incident

29

00:01:20,550 --> 00:01:18,240

and they were now older they didn't want

30

00:01:22,710 --> 00:01:20,560

to take their story to the grave

31

00:01:24,469 --> 00:01:22,720

and they wanted it out and they figured

32

00:01:26,550 --> 00:01:24,479

i was trustworthy since i was a local

33

00:01:28,950 --> 00:01:26,560

boy and been to the moon

34

00:01:31,910 --> 00:01:28,960

it'd be okay if i took their story

35

00:01:34,310 --> 00:01:31,920

so i promised them i wouldn't

36

00:01:35,910 --> 00:01:34,320

tell their names but i would carry their

37

00:01:38,310 --> 00:01:35,920

story forward

38

00:01:40,469 --> 00:01:38,320

a few years ago ten years ago i did take

39

00:01:43,190 --> 00:01:40,479

the story to the pentagon

40

00:01:44,950 --> 00:01:43,200

i did have a meeting

41

00:01:46,469 --> 00:01:44,960

with high-level intelligence people who

42

00:01:48,469 --> 00:01:46,479

joined chiefs of staff

43

00:01:50,230 --> 00:01:48,479

i did tell the story with a couple of

44

00:01:54,950 --> 00:01:50,240

other

45

00:01:55,990 --> 00:01:54,960

dr stephen griff refers that name

46

00:01:57,590 --> 00:01:56,000

and

47

00:01:59,270 --> 00:01:57,600

told my story

48

00:02:00,469 --> 00:01:59,280

of what i knew about the roswell

49

00:02:03,429 --> 00:02:00,479

institute

50

00:02:04,789 --> 00:02:03,439

and subsequently had it confirmed that

51

00:02:06,830 --> 00:02:04,799

it was true

52

00:02:09,430 --> 00:02:06,840

and that the

53

00:02:10,790 --> 00:02:09,440

individual the individual who i told

54

00:02:13,110 --> 00:02:10,800

this with

55

00:02:14,550 --> 00:02:13,120

had tried to get into it to find out

56

00:02:17,190 --> 00:02:14,560

personally

57

00:02:18,710 --> 00:02:17,200

about the information and he was

58

00:02:21,350 --> 00:02:18,720

rejected as many others have been

59

00:02:23,030 --> 00:02:21,360

rejected to have first-hand knowledge of

60

00:02:25,110 --> 00:02:23,040

of the cover-up

61

00:02:25,830 --> 00:02:25,120

in any event however

62

00:02:30,550 --> 00:02:25,840

the

63

00:02:31,509 --> 00:02:30,560

has been confirmed we have to remember

64

00:02:34,070 --> 00:02:31,519

that

65

00:02:36,630 --> 00:02:34,080

right after world war ii

66

00:02:39,830 --> 00:02:36,640

the army air force was separated and

67

00:02:42,470 --> 00:02:39,840

became the ar became the air force

68

00:02:45,589 --> 00:02:42,480

a separate branch of service

69

00:02:47,750 --> 00:02:45,599

and that the office oss which was the

70

00:02:50,070 --> 00:02:47,760

office of special services

71

00:02:51,910 --> 00:02:50,080

was disbanded and eventually became the

72

00:02:53,030 --> 00:02:51,920

cia

73

00:02:54,790 --> 00:02:53,040

so that

74

00:02:56,949 --> 00:02:54,800

here was a major

75

00:02:59,589 --> 00:02:56,959

military organization

76

00:03:02,149 --> 00:02:59,599

and a major intelligence organization

77

00:03:03,990 --> 00:03:02,159

totally in disarray newfounded didn't

78

00:03:06,470 --> 00:03:04,000

know what they were doing after world

79

00:03:08,550 --> 00:03:06,480

war ii and not really reorganized yet

80

00:03:12,710 --> 00:03:08,560

and as a result of that

81

00:03:15,030 --> 00:03:12,720

the president truman at that time

82

00:03:18,390 --> 00:03:15,040

convened a very high level

83

00:03:20,149 --> 00:03:18,400

uh committee to examine this alien or

84

00:03:22,149 --> 00:03:20,159

ufo phenomenon

85

00:03:24,309 --> 00:03:22,159

they did come to the conclusion

86

00:03:26,149 --> 00:03:24,319

that it was alien

87

00:03:28,309 --> 00:03:26,159

and the military

88

00:03:29,910 --> 00:03:28,319

rightly came to the conclusion

89

00:03:32,149 --> 00:03:29,920

if this if they're hostile there's

90

00:03:33,830 --> 00:03:32,159

nothing we can do about it therefore

91

00:03:37,270 --> 00:03:33,840

their choice

92

00:03:40,309 --> 00:03:37,280

was to deny it and to hush it up

93

00:03:43,190 --> 00:03:40,319

and create a the national security act

94

00:03:47,030 --> 00:03:43,200

of 1940's 47

95

00:03:48,710 --> 00:03:47,040

which validated that

96

00:03:51,830 --> 00:03:48,720

deception

97

00:03:54,149 --> 00:03:51,840

and covers up and allowed the group

98

00:03:56,070 --> 00:03:54,159

to go underground as it were and we've

99

00:03:57,910 --> 00:03:56,080

been living with that now for 50 years

100

00:03:58,710 --> 00:03:57,920

it is really

101
00:04:03,589 --> 00:03:58,720
the

102
00:04:05,589 --> 00:04:03,599
entire denial

103
00:04:07,030 --> 00:04:05,599
of this phenomenon

104
00:04:08,149 --> 00:04:07,040
and

105
00:04:09,429 --> 00:04:08,159
the

106
00:04:13,110 --> 00:04:09,439
addition of

107
00:04:14,949 --> 00:04:13,120
dismissal disinformation misinformation

108
00:04:16,949 --> 00:04:14,959
to cloak

109
00:04:19,189 --> 00:04:16,959
and to discourage

110
00:04:21,990 --> 00:04:19,199
uh investigation

111
00:04:24,070 --> 00:04:22,000
to misinform it's just been continuous

112
00:04:27,110 --> 00:04:24,080
for many many years now eventually it

113
00:04:30,230 --> 00:04:27,120

came away from the fear i believe of not

114

00:04:30,620 --> 00:04:30,240

being able to protect and do their duty

115

00:04:31,909 --> 00:04:30,630

to

116

00:04:33,749 --> 00:04:31,919

[Music]

117

00:04:35,350 --> 00:04:33,759

the notion of power and control

118

00:04:36,550 --> 00:04:35,360

controlling the knowledge and the

119

00:04:38,070 --> 00:04:36,560

technology

120

00:04:39,749 --> 00:04:38,080

and the group involved with that is

121

00:04:41,590 --> 00:04:39,759

still doing it we have created our

122

00:04:43,430 --> 00:04:41,600

reality here

123

00:04:45,909 --> 00:04:43,440

and we have created it right now rather

124

00:04:47,510 --> 00:04:45,919

badly for it's not a sustainable reality

125

00:04:50,230 --> 00:04:47,520

we have created

126

00:04:53,189 --> 00:04:50,240

with our science and technology

127

00:04:57,510 --> 00:04:53,199

instead of using it for the greater good

128

00:04:59,350 --> 00:04:57,520

it's been captured by a interest greed

129

00:05:01,189 --> 00:04:59,360

self-service

130

00:05:03,430 --> 00:05:01,199

which is rife

131

00:05:07,189 --> 00:05:03,440

and instead of using it all of our

132

00:05:09,510 --> 00:05:07,199

technology and our brilliance and genius

133

00:05:11,110 --> 00:05:09,520

for greater good we we use it for

134

00:05:12,710 --> 00:05:11,120

self-service and that's not going to

135

00:05:15,350 --> 00:05:12,720

work

136

00:05:16,870 --> 00:05:15,360

it's important that we look at our

137

00:05:18,710 --> 00:05:16,880

civilization

138

00:05:20,950 --> 00:05:18,720

our place in history

139

00:05:22,790 --> 00:05:20,960

use our tools of science

140

00:05:25,590 --> 00:05:22,800

for greater understanding

141

00:05:28,150 --> 00:05:25,600

to promote the greater good

142

00:05:32,550 --> 00:05:28,160

and that's what it's all about

143

00:05:34,230 --> 00:05:32,560

i happen to be privileged enough to have

144

00:05:36,150 --> 00:05:34,240

been in on the fact that we have been

145

00:05:38,469 --> 00:05:36,160

visited on this planet

146

00:05:40,070 --> 00:05:38,479

and the ufo phenomena is real although
