

1
00:00:00,120 --> 00:00:10,620
uh

2
00:00:10,630 --> 00:00:22,010
[Applause]

3
00:00:26,509 --> 00:00:24,170
mirror shining in my face there and I

4
00:00:32,770 --> 00:00:26,519
was going up the top of that hill to see

5
00:00:39,290 --> 00:00:35,350
if I could see what it was

6
00:00:40,549 --> 00:00:39,300
well I got 100 200 yards so right there

7
00:00:42,049 --> 00:00:40,559
and I couldn't see nothing losing no

8
00:00:43,630 --> 00:00:42,059
signing or nothing but I really want

9
00:00:47,150 --> 00:00:43,640
closer I got

10
00:00:48,950 --> 00:00:47,160
100 feet before I saw anything this was

11
00:00:50,990 --> 00:00:48,960
going on when I took off with about 100

12
00:01:13,990 --> 00:00:51,000
feet I couldn't see it was gone I mean

13
00:01:18,670 --> 00:01:16,070

what did the surface look like it was

14

00:01:21,230 --> 00:01:18,680

made out of oh

15

00:01:22,670 --> 00:01:21,240

aluminum colored white is colored had a

16

00:01:26,210 --> 00:01:22,680

whitish carrots to it but it wasn't

17

00:01:28,609 --> 00:01:26,220

right there was it was shiny but it

18

00:01:31,030 --> 00:01:28,619

wasn't real bright it was like a this is

19

00:01:34,010 --> 00:01:31,040

some kind of cooking dish

20

00:01:35,390 --> 00:01:34,020

is a door open before these people came

21

00:01:37,930 --> 00:01:35,400

out of it how did they appear how did

22

00:01:41,889 --> 00:01:37,940

you meet the little men

23

00:01:46,310 --> 00:01:44,929

fall off an airplane but I kind of

24

00:01:47,569 --> 00:01:46,320

wanted to do it because it was off or

25

00:01:49,670 --> 00:01:47,579

down it was about four foot off the

26

00:01:53,090 --> 00:01:49,680

ground noise

27

00:01:54,230 --> 00:01:53,100

then I don't know nothing happened I was

28

00:01:55,910 --> 00:01:54,240

talking out there for a couple minutes

29

00:02:04,569 --> 00:01:55,920

and I was just getting ready to go from

30

00:02:08,330 --> 00:02:07,069

but they talked to me for about two

31

00:02:10,249 --> 00:02:08,340

hours up there

32

00:02:11,809 --> 00:02:10,259

and you could perfectly understand that

33

00:02:13,850 --> 00:02:11,819

I thought better English and you're

34

00:02:21,350 --> 00:02:13,860

talking did they talk with any kind of

35

00:02:24,830 --> 00:02:23,390

and what do they have to tell you what

36

00:02:26,930 --> 00:02:24,840

were some of the things they said how

37

00:02:28,670 --> 00:02:26,940

did they address you oh first thing they

38

00:02:29,890 --> 00:02:28,680

said was don't be alarmed you talked to

39

00:02:33,170 --> 00:02:29,900

people before

40

00:02:34,369 --> 00:02:33,180

and then the question about all right

41

00:02:35,630 --> 00:02:34,379

freedom and stuff they were quite

42

00:02:38,030 --> 00:02:35,640

concerns that I shouldn't have seen him

43

00:02:39,710 --> 00:02:38,040

within 100 feet or so on them when I

44

00:02:45,430 --> 00:02:39,720

told him I saw him right down the last

45

00:02:50,089 --> 00:02:47,330

did they tell you what they were doing

46

00:02:52,190 --> 00:02:50,099

there I heard that they were traveling

47

00:02:53,809 --> 00:02:52,200

this hemisphere this trip they were so

48

00:02:56,990 --> 00:02:53,819

they had each one had a tree in their

49

00:02:58,369 --> 00:02:57,000

hand a full of grass and stuff it was so

50

00:02:59,630 --> 00:02:58,379

I looked like they took the knife and

51
00:03:01,330 --> 00:02:59,640
cut it right all the way down just a

52
00:03:03,589 --> 00:03:01,340
slab of it each day

53
00:03:05,210 --> 00:03:03,599
that's what they were doing they started

54
00:03:23,290 --> 00:03:05,220
collecting organic material and stuff

55
00:03:38,229 --> 00:03:25,550
you sound like you find it rather hard

56
00:03:42,289 --> 00:03:40,729
did they mention anything about bands

57
00:03:50,670 --> 00:03:42,299
getting into space sort of coming into

58
00:03:50,680 --> 00:03:59,289
[Applause]

59
00:04:05,089 --> 00:04:02,809
every two years the two that were here

60
00:04:08,210 --> 00:04:05,099
but they can't stand his atmosphere with

61
00:04:10,550 --> 00:04:08,220
it most men who would have even a harder

62
00:04:12,470 --> 00:04:10,560
time today though because they they were

63
00:04:15,170 --> 00:04:12,480

telling me they're much broader advance

64

00:04:17,749 --> 00:04:15,180

than this kind of stuff than we are but

65

00:04:19,189 --> 00:04:17,759

they were more interested in agriculture

66

00:04:20,569 --> 00:04:19,199

aspects of Agriculture than anything

67

00:04:23,030 --> 00:04:20,579

they asked me what I was doing about the

68

00:04:24,770 --> 00:04:23,040

menorah or whatever where I got it and

69

00:04:26,150 --> 00:04:24,780

what it did and all that stuff they

70

00:04:27,890 --> 00:04:26,160

didn't know nothing about agriculture

71

00:04:29,570 --> 00:04:27,900

they don't have no or if anything or

72

00:04:31,189 --> 00:04:29,580

anything like that up there but they

73

00:04:33,230 --> 00:04:31,199

survive and what they get all the

74

00:04:34,790 --> 00:04:33,240

atmosphere they have and you didn't

75

00:04:36,170 --> 00:04:34,800

stress any point they made loud on

76

00:04:37,670 --> 00:04:36,180

Sailors like that but they never

77

00:04:39,129 --> 00:04:37,680

stressed the point they didn't say how

78

00:04:41,270 --> 00:04:39,139

they lived

79

00:04:42,950 --> 00:04:41,280

did you say that there were other things

80

00:04:46,790 --> 00:04:42,960

they told you that you cannot reveal

81

00:04:53,770 --> 00:04:46,800

them yeah I mean why not why can't you

82

00:05:00,490 --> 00:04:57,170

being investigated into a who's

83

00:05:08,150 --> 00:05:04,930

so you can't tell us what they told you

84

00:05:09,409 --> 00:05:08,160

from my own personal reasons can you

85

00:05:15,430 --> 00:05:09,419

give us an indication of what it was

86

00:05:21,050 --> 00:05:18,110

why they were here

87

00:05:24,610 --> 00:05:21,060

today's creatures have features like we

88

00:05:30,770 --> 00:05:28,270

arms and legs and heads

89

00:05:32,629 --> 00:05:30,780

I would presume so they just had a

90

00:05:34,129 --> 00:05:32,639

complete uniform colored or anything I

91

00:05:35,689 --> 00:05:34,139

mean as far as seeing creatures you

92

00:05:37,969 --> 00:05:35,699

can't see anything the voice comes from

93

00:05:40,370 --> 00:05:37,979

it from the front or something I don't

94

00:05:41,749 --> 00:05:40,380

know could play come from the head or

95

00:05:46,990 --> 00:05:41,759

couldn't say it comes from the stomach

96

00:06:11,150 --> 00:05:49,490

what color were the uniforms

97

00:06:16,550 --> 00:06:13,430

and there you have reporting from his

98

00:06:18,830 --> 00:06:16,560

barn in Newark New York Gary wilcott the

99

00:06:21,650 --> 00:06:18,840

28 year old Dairy Farmer who says he saw
