comes not from america but from behind

4
00:00:11,910 --> 00:00:09,760
the iron curtain

5
00:00:14,549 --> 00:00:11,920
seen on the ground by the refugee mayor

6
00:00:16,310 --> 00:00:14,559
of a small east german town its crew was

7
00:00:18,710 --> 00:00:16,320
startled by the screams of the mayor's

8
00:00:21,429 --> 00:00:18,720
daughter the first eyewitness report of

9
00:00:23,080 --> 00:00:21,439
a supposed soviet guided missile tells

10
00:00:26,950 --> 00:00:23,090
of a saucer-shaped object

11
00:00:31,669 --> 00:00:30,310
the moment the crew disappeared in the

12
00:00:35,430 --> 00:00:31,679
cylinder

13
00:00:37,830 --> 00:00:35,440

the disc grows with a humming noise

14

00:00:39,030 --> 00:00:37,840

until the thing was standing on the

15

00:00:42,069 --> 00:00:39,040

cylinder

16

00:00:46,310 --> 00:00:42,079

like a big mushroom

17

00:00:50,869 --> 00:00:46,320

then he said the disc began rotating

18

00:00:53,590 --> 00:00:50,879

red blue and green flames spurted out

19

00:00:57,189 --> 00:00:53,600

from the holes in it

20

00:00:58,630 --> 00:00:57,199

he thinks they were for yet propulsion

21

00:01:01,750 --> 00:00:58,640

these holes

22

00:01:03,430 --> 00:01:01,760

he saw the thing rise straight up from

23

00:01:10,310 --> 00:01:03,440

the ground

24

00:01:13,429 --> 00:01:10,320

once it had gained height

25

00:01:15,350 --> 00:01:13,439

it moved faster he said than any fighter
