

SCHIRMER'S DRAWINGS WERE MADE UNDER HYPNOSIS.

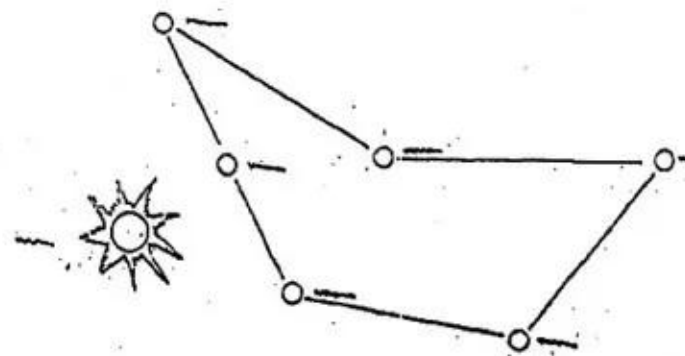

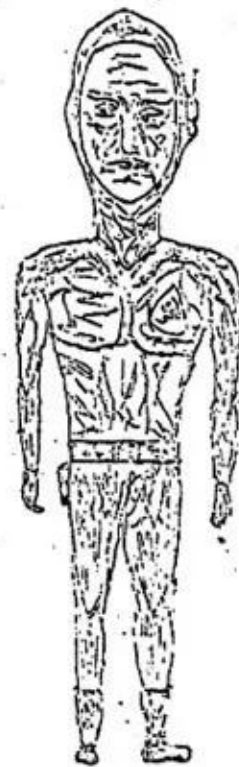

Schirmer did not physically see the 'mother ship' but was shown it on the UFO's video screen.

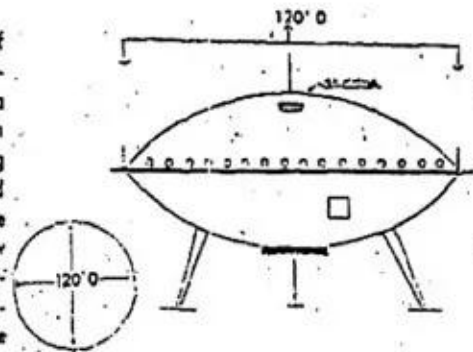

The most mysterious sketch was of the propulsion unit. Schirmer was told that this worked on a principle of 'reversible electromagnetism'. Shown is a series of wire-connected canisters, surrounding a glowing cone in the centre. The triangular objects appeared to be computers.

The spaceman appeared to be 4½-5 feet tall. He wore a close-fitting, hooded, silver-gray uniform, black boots, belt and gloves. On the left chest was a red emblem of a winged serpent. The man's proportions were normal. Looking down, the eye would normally 'see' a picture of a person with a large head and small feet but the conscious mind compensates for this perspective problem.

The spaceman said that his solar system 'was in the next galaxy'.

The dark area of craft, (bottom, centre) emitted a bright reddish glow. A spinning catwalk is depicted by the dark line around centre. Glow went out and catwalk stopped spinning just before men alighted.

1
00:00:05,030 --> 00:00:03,350
uh it was long 2 30

2
00:00:08,549 --> 00:00:05,040
actually i think was the time that this

3
00:00:12,629 --> 00:00:08,559
happened but around around 2 20

4
00:00:17,189 --> 00:00:15,509
i left the two gas stations excuse me i

5
00:00:19,349 --> 00:00:17,199
left the last gas station i checked to

6
00:00:21,189 --> 00:00:19,359
pull onto the highway

7
00:00:23,109 --> 00:00:21,199
and i was making radio contact with the

8
00:00:25,189 --> 00:00:23,119
wahoo sheriff's office because we didn't

9
00:00:26,710 --> 00:00:25,199
have radio communications

10
00:00:27,589 --> 00:00:26,720
available in the city at nighttime

11
00:00:28,830 --> 00:00:27,599
because

12
00:00:31,509 --> 00:00:28,840
we couldn't afford

13
00:00:33,270 --> 00:00:31,519

it so i told them that everything was

14

00:00:35,110 --> 00:00:33,280

all secure

15

00:00:36,549 --> 00:00:35,120

i pulled onto the highway

16

00:00:38,790 --> 00:00:36,559

and putting the mic down i seen some

17

00:00:40,869 --> 00:00:38,800

flashing lights

18

00:00:43,430 --> 00:00:40,879

in front of me first appeared to me to

19

00:00:45,590 --> 00:00:43,440

be a truck i thought as i got closer and

20

00:00:48,229 --> 00:00:45,600

put the high beams

21

00:00:50,630 --> 00:00:48,239

of the lights in the troll car on this

22

00:00:53,750 --> 00:00:50,640

this object started raising these lights

23

00:00:55,510 --> 00:00:53,760

started raising up in the air

24

00:00:56,790 --> 00:00:55,520

to about 40 feet

25

00:01:09,190 --> 00:00:56,800

i

26

00:01:12,710 --> 00:01:09,200

porthole

27

00:01:13,670 --> 00:01:12,720

which sort of circled the the craft

28

00:01:15,830 --> 00:01:13,680

it had

29

00:01:16,630 --> 00:01:15,840

like a catwalk going around the center

30

00:01:18,710 --> 00:01:16,640

of it

31

00:01:21,429 --> 00:01:18,720

it was shaped like a football

32

00:01:23,670 --> 00:01:21,439

very metallic like a very shiny bumper

33

00:01:25,109 --> 00:01:23,680

if you polished it bumped on a car

34

00:01:27,670 --> 00:01:25,119

had sort of a red

35

00:01:29,100 --> 00:01:27,680

race orangey glow coming under from

36

00:01:30,390 --> 00:01:29,110

beneath it

37

00:01:31,990 --> 00:01:30,400

[Music]

38

00:01:32,870 --> 00:01:32,000

and

39

00:01:36,390 --> 00:01:32,880

then

40

00:01:42,710 --> 00:01:39,270

that came on to me in the patrol car

41

00:01:44,630 --> 00:01:42,720

it felt as if we were being pulled

42

00:01:46,710 --> 00:01:44,640

and then it was being pulled you know we

43

00:01:49,030 --> 00:01:46,720

were being pulled up the side of this

44

00:01:50,950 --> 00:01:49,040

bank to the left of the road

45

00:01:52,870 --> 00:01:50,960

and up toward this field

46

00:01:56,630 --> 00:01:52,880

the car and i

47

00:01:58,789 --> 00:01:56,640

i i felt nothing i i at first i felt

48

00:02:01,910 --> 00:01:58,799

kind of stunned and shocked and then i

49

00:02:02,950 --> 00:02:01,920

felt sort of tingly

50

00:02:05,429 --> 00:02:02,960

and as

51
00:02:07,749 --> 00:02:05,439
the car and i moved up the bank to the

52
00:02:09,350 --> 00:02:07,759
top of this field

53
00:02:10,630 --> 00:02:09,360
this object

54
00:02:12,750 --> 00:02:10,640
landed

55
00:02:15,510 --> 00:02:12,760
and some legs came out and it sat down

56
00:02:17,030 --> 00:02:15,520
[Applause]

57
00:02:19,350 --> 00:02:17,040
i was just sitting there really

58
00:02:21,030 --> 00:02:19,360
motionless i couldn't move

59
00:02:23,270 --> 00:02:21,040
i may even have my mouth open i don't

60
00:02:25,430 --> 00:02:23,280
remember you know being

61
00:02:26,790 --> 00:02:25,440
probably scared

62
00:02:29,510 --> 00:02:26,800
this hatch

63
00:02:34,550 --> 00:02:31,990

and this light came out of the hatch

64

00:02:37,830 --> 00:02:34,560

and this farm came down

65

00:02:40,790 --> 00:02:37,840

and looked the form of a human being

66

00:02:42,630 --> 00:02:40,800

and this farm started walking

67

00:02:45,270 --> 00:02:42,640

toward the patrol car with

68

00:02:47,830 --> 00:02:45,280

an object in both its hands

69

00:02:49,110 --> 00:02:47,840

appeared to be hands

70

00:02:51,589 --> 00:02:49,120

and he was walking straight toward the

71

00:02:53,670 --> 00:02:51,599

patrol car

72

00:02:55,270 --> 00:02:53,680

as he was doing this another form came

73

00:02:56,710 --> 00:02:55,280

out

74

00:02:58,430 --> 00:02:56,720

and started walking toward the patrol

75

00:02:59,830 --> 00:02:58,440

car also

76

00:03:02,470 --> 00:02:59,840

[Applause]

77

00:03:05,110 --> 00:03:03,430

being

78

00:03:06,949 --> 00:03:05,120

got in front of it walked up to the

79

00:03:08,869 --> 00:03:06,959

front of patrol car with this object in

80

00:03:09,750 --> 00:03:08,879

his hand which looked sort of squishy

81

00:03:11,190 --> 00:03:09,760

oval

82

00:03:12,949 --> 00:03:11,200

type it looked like it had a lens in

83

00:03:13,990 --> 00:03:12,959

front of it

84

00:03:15,350 --> 00:03:14,000

and

85

00:03:16,869 --> 00:03:15,360

the only thing i could

86

00:03:19,589 --> 00:03:16,879

think was oh my god what's going to

87

00:03:21,830 --> 00:03:19,599

happen now

88

00:03:24,149 --> 00:03:21,840

and

89

00:03:25,750 --> 00:03:24,159

this green light came out

90

00:03:28,560 --> 00:03:25,760

all over the car

91

00:03:30,309 --> 00:03:28,570

and then so i like went back in again

92

00:03:31,190 --> 00:03:30,319

[Applause]

93

00:03:33,270 --> 00:03:31,200

and

94

00:03:35,509 --> 00:03:33,280

i felt a sensation

95

00:03:40,550 --> 00:03:35,519

then

96

00:03:42,390 --> 00:03:40,560

there and that was it and this other

97

00:03:44,390 --> 00:03:42,400

being started walking up toward the car

98

00:03:46,710 --> 00:03:44,400

i was sitting straight looking straight

99

00:03:49,270 --> 00:03:46,720

i couldn't even move my head

100

00:03:50,149 --> 00:03:49,280

and he walked up to the car

101
00:03:51,830 --> 00:03:50,159
and

102
00:03:53,429 --> 00:03:51,840
the window was about three quarters the

103
00:03:55,589 --> 00:03:53,439
way rolled down

104
00:03:57,910 --> 00:03:55,599
and he had an object in his hand

105
00:03:59,350 --> 00:03:57,920
a silver object

106
00:04:02,149 --> 00:03:59,360
that

107
00:04:04,149 --> 00:04:02,159
looked like a big pencil with a round

108
00:04:05,670 --> 00:04:04,159
ball on the end of it

109
00:04:07,350 --> 00:04:05,680
and he pressed this against the side of

110
00:04:08,309 --> 00:04:07,360
my neck

111
00:04:12,470 --> 00:04:08,319
which

112
00:04:14,630 --> 00:04:12,480
i felt some pain from and said ouch

113
00:04:16,949 --> 00:04:14,640

then he stepped back and i sort of sat

114

00:04:20,390 --> 00:04:16,959

there and he opened up the

115

00:04:23,909 --> 00:04:20,400

car door and just went like this

116

00:04:25,430 --> 00:04:23,919

and i saw raised up out of the troll car

117

00:04:28,629 --> 00:04:25,440

and i was looking at him and he was

118

00:04:29,990 --> 00:04:28,639

looking at me

119

00:04:32,230 --> 00:04:30,000

and

120

00:04:32,570 --> 00:04:32,240

he said are you the watchman of this

121

00:04:34,150 --> 00:04:32,580

town

122

00:04:38,070 --> 00:04:34,160

[Applause]

123

00:04:43,590 --> 00:04:41,189

he said come with me watchman

124

00:04:45,510 --> 00:04:43,600

and we started moving toward

125

00:04:46,629 --> 00:04:45,520

the spacecraft

126
00:04:48,230 --> 00:04:46,639
and

127
00:04:50,870 --> 00:04:48,240
it felt like

128
00:04:53,030 --> 00:04:50,880
i was walking on air

129
00:04:54,550 --> 00:04:53,040
we got up to the hatch to where you went

130
00:04:56,550 --> 00:04:54,560
inside of the spacecraft and we just

131
00:04:59,110 --> 00:04:56,560
sort of like floated up into the first

132
00:05:02,150 --> 00:05:00,629
and he says

133
00:05:04,950 --> 00:05:02,160
to me watchmen come with me and we were

134
00:05:06,870 --> 00:05:04,960
in a circular room

135
00:05:08,710 --> 00:05:06,880
and there were a lot of cylinders about

136
00:05:10,469 --> 00:05:08,720
four and a half feet high

137
00:05:11,360 --> 00:05:10,479
and about two feet wide that circled the

138
00:05:13,189 --> 00:05:11,370

whole room

139

00:05:15,909 --> 00:05:13,199

[Music]

140

00:05:17,350 --> 00:05:15,919

and it had sort of like a cable running

141

00:05:18,950 --> 00:05:17,360

through it two cables running through

142

00:05:21,670 --> 00:05:18,960

these they look like

143

00:05:23,270 --> 00:05:21,680

tall batteries to me

144

00:05:24,629 --> 00:05:23,280

and then in the center

145

00:05:26,790 --> 00:05:24,639

of this room

146

00:05:29,270 --> 00:05:26,800

was a huge

147

00:05:30,070 --> 00:05:29,280

cocoon or

148

00:05:32,310 --> 00:05:30,080

you know

149

00:05:33,909 --> 00:05:32,320

like this shaped object

150

00:05:36,629 --> 00:05:33,919

was spinning and it was giving off

151
00:05:39,189 --> 00:05:36,639
colors like the rainbow and was about 20

152
00:05:41,110 --> 00:05:39,199
feet long

153
00:05:43,590 --> 00:05:41,120
and it seemed like these cables were

154
00:05:44,469 --> 00:05:43,600
coming up and connecting

155
00:05:46,230 --> 00:05:44,479
to

156
00:05:48,469 --> 00:05:46,240
these two block things that came down on

157
00:05:50,070 --> 00:05:48,479
each end of it

158
00:05:52,390 --> 00:05:50,080
and we walked the complete circle in

159
00:05:54,390 --> 00:05:52,400
there

160
00:05:57,990 --> 00:05:54,400
and i said

161
00:06:03,510 --> 00:06:00,230
and he said this is how our craft

162
00:06:08,390 --> 00:06:03,520
operates and he said it operates on

163
00:06:13,029 --> 00:06:10,710

and then i looked at him

164

00:06:15,590 --> 00:06:13,039

and he said come with me watchman

165

00:06:17,430 --> 00:06:15,600

and we walked back over to where i came

166

00:06:21,110 --> 00:06:17,440

up in with him

167

00:06:23,110 --> 00:06:21,120

and this glass sheet came down

168

00:06:24,790 --> 00:06:23,120

and we stepped onto this

169

00:06:27,350 --> 00:06:24,800

which i felt

170

00:06:30,390 --> 00:06:27,360

and we moved up into the second level

171

00:06:34,390 --> 00:06:32,390

and lo and behold i've never seen

172

00:06:36,230 --> 00:06:34,400

anything like it before in my life with

173

00:06:38,790 --> 00:06:36,240

so many different types of instrument

174

00:06:40,870 --> 00:06:38,800

panels and computer type things that you

175

00:06:42,550 --> 00:06:40,880

just wouldn't believe it

176

00:06:44,309 --> 00:06:42,560

this

177

00:06:45,430 --> 00:06:44,319

cone thing was right in the center of

178

00:06:46,950 --> 00:06:45,440

the floor

179

00:06:48,230 --> 00:06:46,960

you see half of it

180

00:06:51,350 --> 00:06:48,240

from on top and half of it from the

181

00:06:52,390 --> 00:06:51,360

bottom but it gave off a red

182

00:06:53,589 --> 00:06:52,400

glow

183

00:06:55,830 --> 00:06:53,599

that sort of

184

00:06:59,029 --> 00:06:55,840

not flashed but kind of died down and

185

00:07:03,029 --> 00:07:00,790

and he says watchmen come with me and we

186

00:07:04,230 --> 00:07:03,039

walked over

187

00:07:06,469 --> 00:07:04,240

to a

188

00:07:11,270 --> 00:07:06,479

screen that was up on the side i say

189

00:07:14,830 --> 00:07:12,550

and

190

00:07:18,550 --> 00:07:14,840

it was sort of like a tv

191

00:07:20,710 --> 00:07:18,560

screen and he pressed some buttons

192

00:07:21,909 --> 00:07:20,720

and i guess flip some switches i wasn't

193

00:07:23,990 --> 00:07:21,919

paying too much attention to him i was

194

00:07:26,150 --> 00:07:24,000

looking at the screen

195

00:07:28,710 --> 00:07:26,160

and some stars in the sky appeared on

196

00:07:33,189 --> 00:07:30,950

and he put his finger up like this and

197

00:07:36,790 --> 00:07:33,199

he said uh

198

00:07:39,510 --> 00:07:36,800

this is where we're from watchmen

199

00:07:42,390 --> 00:07:39,520

and then he put his hand back down

200

00:07:44,710 --> 00:07:42,400

he didn't say where

201
00:07:46,070 --> 00:07:44,720
and he didn't say the name

202
00:07:47,749 --> 00:07:46,080
he just pointed

203
00:07:49,670 --> 00:07:47,759
the purpose

204
00:07:53,589 --> 00:07:49,680
that we're here

205
00:07:58,150 --> 00:07:55,749
and there was another being standing

206
00:07:59,350 --> 00:07:58,160
a little distanced away

207
00:08:00,629 --> 00:07:59,360
and the man

208
00:08:02,629 --> 00:08:00,639
turned to him

209
00:08:05,350 --> 00:08:02,639
and they both looked at each other

210
00:08:07,270 --> 00:08:05,360
and he started depressing buttons

211
00:08:08,790 --> 00:08:07,280
and he says watch

212
00:08:10,830 --> 00:08:08,800
watchmen

213
00:08:13,670 --> 00:08:10,840

and there was this

214

00:08:17,589 --> 00:08:13,680

antenna the outside of the spacecraft

215

00:08:19,310 --> 00:08:17,599

which angled toward a power unit

216

00:08:21,110 --> 00:08:19,320

and this boat went out

217

00:08:22,710 --> 00:08:21,120

[Applause]

218

00:08:24,309 --> 00:08:22,720

a color i've never seen before in my

219

00:08:25,430 --> 00:08:24,319

life i don't even think i could describe

220

00:08:27,510 --> 00:08:25,440

it

221

00:08:29,189 --> 00:08:27,520

went out and came back

222

00:08:30,950 --> 00:08:29,199

and this stayed like this for about

223

00:08:33,909 --> 00:08:30,960

three minutes

224

00:08:38,469 --> 00:08:36,399

and he turned and looked at me

225

00:08:42,630 --> 00:08:38,479

[Applause]

226

00:08:44,470 --> 00:08:42,640

and i felt as i was getting a very very

227

00:08:49,110 --> 00:08:44,480

uh an awful lot of role of input of

228

00:08:55,030 --> 00:08:50,150

and

229

00:08:56,630 --> 00:08:55,040

the shoulder

230

00:08:58,550 --> 00:08:56,640

and he felt

231

00:09:01,350 --> 00:08:58,560

real when he touched me

232

00:09:04,150 --> 00:09:01,360

and i think at that time i did touch him

233

00:09:07,670 --> 00:09:04,160

and he felt real to me

234

00:09:10,230 --> 00:09:07,680

and he says watchmen come with me

235

00:09:12,630 --> 00:09:10,240

we walked back over to the

236

00:09:15,110 --> 00:09:12,640

exit i'll say where

237

00:09:16,630 --> 00:09:15,120

we came up and the glass sheet came down

238

00:09:18,230 --> 00:09:16,640

again

239

00:09:20,790 --> 00:09:18,240

and we went up into the third part of

240

00:09:23,110 --> 00:09:20,800

the craft

241

00:09:25,269 --> 00:09:23,120

which was the observation deck

242

00:09:28,389 --> 00:09:25,279

he said

243

00:09:29,829 --> 00:09:28,399

with me

244

00:09:31,590 --> 00:09:29,839

and we walked over and we were standing

245

00:09:35,110 --> 00:09:31,600

there looking out of a big plate glass

246

00:09:39,509 --> 00:09:37,990

and there were

247

00:09:40,790 --> 00:09:39,519

there was a control panel right in front

248

00:09:42,310 --> 00:09:40,800

of it and there were two

249

00:09:44,150 --> 00:09:42,320

chairs that looked like dentist chairs

250

00:09:47,030 --> 00:09:44,160

you know grinders dentist dentist here

251
00:09:48,949 --> 00:09:47,040
but really uh super structure of a chair

252
00:09:51,430 --> 00:09:48,959
better than a dentist chair

253
00:09:52,630 --> 00:09:51,440
uh

254
00:09:55,110 --> 00:09:52,640
any

255
00:09:56,510 --> 00:09:55,120
we looked out the window

256
00:09:58,470 --> 00:09:56,520
and i could see this one

257
00:10:00,470 --> 00:09:58,480
[Applause]

258
00:10:03,600 --> 00:10:00,480
being walking back and forth

259
00:10:06,949 --> 00:10:03,610
by where my patrol car was

260
00:10:11,829 --> 00:10:09,110
and i

261
00:10:14,310 --> 00:10:11,839
think i said wow

262
00:10:17,190 --> 00:10:14,320
and he put his

263
00:10:19,829 --> 00:10:17,200

he didn't know he didn't he turned

264

00:10:22,630 --> 00:10:19,839

to me

265

00:10:26,230 --> 00:10:22,640

and he said

266

00:10:27,990 --> 00:10:26,240

something i i don't understand

267

00:10:31,590 --> 00:10:28,000

and he said some more things that i i

268

00:10:34,230 --> 00:10:31,600

didn't understand or couldn't make out

269

00:10:37,750 --> 00:10:34,240

and i still don't

270

00:10:41,430 --> 00:10:39,030

toward

271

00:10:43,990 --> 00:10:41,440

the plate glass window ice

272

00:10:44,870 --> 00:10:44,000

as i say referred to to the stars out

273

00:10:46,550 --> 00:10:44,880

there

274

00:10:48,389 --> 00:10:46,560

and he says to me

275

00:10:50,550 --> 00:10:48,399

a watchman

276

00:10:53,750 --> 00:10:50,560

one day you yourself will see the

277

00:10:55,350 --> 00:10:53,760

universe as i have

278

00:10:57,430 --> 00:10:55,360

and he reached up and he touched me on

279

00:10:59,030 --> 00:10:57,440

the shoulder

280

00:11:02,630 --> 00:10:59,040

like this you know like grabbing you on

281

00:11:04,310 --> 00:11:02,640

the shoulder like a man does

282

00:11:06,630 --> 00:11:04,320

to steer you away and he says come with

283

00:11:07,750 --> 00:11:06,640

me watchman

284

00:11:10,710 --> 00:11:07,760

and

285

00:11:14,150 --> 00:11:10,720

then he stopped

286

00:11:16,630 --> 00:11:14,160

and he said watchman and i turned around

287

00:11:18,710 --> 00:11:16,640

like this to look at him

288

00:11:20,150 --> 00:11:18,720

and felt i was like i was getting more

289

00:11:23,990 --> 00:11:20,160

input of something

290

00:11:28,470 --> 00:11:26,069

then he says watchmen come with me we

291

00:11:31,030 --> 00:11:28,480

walked over

292

00:11:33,990 --> 00:11:31,040

and we went down

293

00:11:35,750 --> 00:11:34,000

all the way out of the craft

294

00:11:37,509 --> 00:11:35,760

as we got outside

295

00:11:38,550 --> 00:11:37,519

this other being started walking back

296

00:11:40,350 --> 00:11:38,560

toward

297

00:11:41,509 --> 00:11:40,360

the spacecraft and boarded it

298

00:11:44,720 --> 00:11:41,519

[Applause]

299

00:11:46,870 --> 00:11:44,730

as we were walking toward my patrol car

300

00:11:49,030 --> 00:11:46,880

[Applause]

301
00:11:56,150 --> 00:11:49,040
and

302
00:11:56,949 --> 00:11:56,160
at me

303
00:11:58,470 --> 00:11:56,959
and

304
00:12:00,629 --> 00:11:58,480
then again it felt like i was receiving

305
00:12:03,110 --> 00:12:00,639
an input of words of some kind that i

306
00:12:05,030 --> 00:12:03,120
couldn't understand

307
00:12:07,190 --> 00:12:05,040
and he turned

308
00:12:09,190 --> 00:12:07,200
no he saw a lifted his hand and then he

309
00:12:11,269 --> 00:12:09,200
turned and walked

310
00:12:12,710 --> 00:12:11,279
back to the spacecraft

311
00:12:14,150 --> 00:12:12,720
floated up inside

312
00:12:17,670 --> 00:12:14,160
[Applause]

313
00:12:20,710 --> 00:12:17,680

this catwalk thing started spinning

314

00:12:22,270 --> 00:12:20,720

the lights started flashing off and on

315

00:12:23,750 --> 00:12:22,280

this red orange glow

316

00:12:26,550 --> 00:12:23,760

[Applause]

317

00:12:28,949 --> 00:12:26,560

came out from beneath it

318

00:12:30,470 --> 00:12:28,959

it started lifting up in the air

319

00:12:32,130 --> 00:12:30,480

and i guess it got about a hundred feet

320

00:12:34,230 --> 00:12:32,140

high just shot straight outside

321

00:12:37,430 --> 00:12:34,240

[Applause]

322

00:12:41,269 --> 00:12:37,440

let me tell you i was scared

323

00:12:45,990 --> 00:12:44,069

when i was aboard the spacecraft i had

324

00:12:47,829 --> 00:12:46,000

probably no feeling at all

325

00:12:50,629 --> 00:12:47,839

my body was tingling

326

00:12:53,910 --> 00:12:50,639

i was perspiring i was hot

327

00:12:57,509 --> 00:12:55,990

i got back into the patrol car

328

00:13:00,710 --> 00:12:57,519

i turned it around

329

00:13:02,310 --> 00:13:00,720

and i hit it back for the police station

330

00:13:08,150 --> 00:13:02,320

on the way to the police station at a

331

00:13:12,069 --> 00:13:10,389

i tried to make communication with wahoo

332

00:13:15,670 --> 00:13:12,079

sheriff's office

333

00:13:21,110 --> 00:13:17,990

i got to the station i jumped out of the

334

00:13:23,110 --> 00:13:21,120

car and fast walk walked into the police

335

00:13:25,110 --> 00:13:23,120

station

336

00:13:27,269 --> 00:13:25,120

and i noticed that the wall clock in the

337

00:13:30,949 --> 00:13:27,279

police station said one minute after

338

00:13:35,829 --> 00:13:34,550

well i went directly to the bathroom

339

00:13:36,790 --> 00:13:35,839

i had to go to the bathroom but to drink

340

00:13:37,630 --> 00:13:36,800

water

341

00:13:38,949 --> 00:13:37,640

because i was hot

342

00:13:41,030 --> 00:13:38,959

[Applause]

343

00:13:42,710 --> 00:13:41,040

and i walked back into the main room of

344

00:13:43,910 --> 00:13:42,720

the police station we had a real small

345

00:13:45,430 --> 00:13:43,920

police station

346

00:13:47,670 --> 00:13:45,440

it was about

347

00:13:48,949 --> 00:13:47,680

20 by 20.

348

00:13:51,509 --> 00:13:48,959

and

349

00:13:55,590 --> 00:13:51,519

i sat there at the table

350

00:13:56,540 --> 00:13:55,600

and i lit a cigarette and i said wow

351
00:13:58,310 --> 00:13:56,550
what the hell happened

352
00:14:00,949 --> 00:13:58,320
[Applause]

353
00:14:02,629 --> 00:14:00,959
something happened to me

354
00:14:06,310 --> 00:14:02,639
did i really see a flying saucer did

355
00:14:10,389 --> 00:14:09,269
i looked at my report log

356
00:14:11,590 --> 00:14:10,399
and i remembered through all the

357
00:14:14,069 --> 00:14:11,600
training and everything i went through

358
00:14:15,030 --> 00:14:14,079
that regardless of the nature or what it

359
00:14:17,509 --> 00:14:15,040
was

360
00:14:21,590 --> 00:14:17,519
put it in your report book

361
00:14:27,269 --> 00:14:24,230
so i looked at my report book and i got

362
00:14:32,230 --> 00:14:27,279
my pen out and i wrote

363
00:14:36,629 --> 00:14:32,240

at 2 30 am december 3rd 1967

364

00:14:37,990 --> 00:14:36,639

i saw a ufo at the at junction 6 and 63.

365

00:14:40,389 --> 00:14:38,000

believe it or not

366

00:14:43,269 --> 00:14:40,399

about 6 30 that morning

367

00:14:44,389 --> 00:14:43,279

a fellow officer came in

368

00:14:47,829 --> 00:14:44,399

and i

369

00:14:52,389 --> 00:14:51,509

and uh the fellow officer

370

00:14:54,069 --> 00:14:52,399

says

371

00:14:56,389 --> 00:14:54,079

i believe you heard

372

00:14:58,470 --> 00:14:56,399

one time i was on my way to

373

00:15:00,949 --> 00:14:58,480

wahoo nebraska

374

00:15:02,230 --> 00:15:00,959

and i was driving down the road i looked

375

00:15:04,949 --> 00:15:02,240

over

376

00:15:07,670 --> 00:15:04,959

lo and behold there were two ufos

377

00:15:09,030 --> 00:15:07,680

sitting in a field

378

00:15:12,870 --> 00:15:09,040

and these little green men were out

379

00:15:13,930 --> 00:15:12,880

there walking around it waving at me

380

00:15:16,790 --> 00:15:13,940

i said sure paul

381

00:15:17,990 --> 00:15:16,800

[Applause]

382

00:15:19,269 --> 00:15:18,000

and uh

383

00:15:20,470 --> 00:15:19,279

he says i don't think you should tell

384

00:15:21,590 --> 00:15:20,480

anybody her because i don't think

385

00:15:23,590 --> 00:15:21,600

anybody's gonna believe you matter of

386

00:15:25,509 --> 00:15:23,600

fact you're gonna lose your job if you

387

00:15:29,110 --> 00:15:25,519

tell the people

388

00:15:33,350 --> 00:15:30,470

he said well you know he said a lot of

389

00:15:34,629 --> 00:15:33,360

people won't even accept the truth

390

00:15:37,509 --> 00:15:34,639

i said well i'll wait for the chief he

391

00:15:39,110 --> 00:15:37,519

says no i'll go on home so i went home

392

00:15:40,389 --> 00:15:39,120

and i was you know i really felt like

393

00:15:42,710 --> 00:15:40,399

everything was drained completely out of

394

00:15:44,550 --> 00:15:42,720

my body and i laid down on the couch

395

00:15:47,030 --> 00:15:44,560

and as i laid there i started getting a

396

00:15:49,030 --> 00:15:47,040

buzzing feeling in my head

397

00:15:50,470 --> 00:15:49,040

and it felt like i was being

398

00:15:53,749 --> 00:15:50,480

i had pressure on my body i couldn't

399

00:15:55,110 --> 00:15:53,759

move my arms i couldn't you know how

400

00:15:55,910 --> 00:15:55,120

you try to open your mouth you can't say

401
00:15:59,189 --> 00:15:55,920
help

402
00:16:02,629 --> 00:15:59,199
you know and then i went off to sleep in

403
00:16:06,550 --> 00:16:04,790
and the chief says get your butt down to

404
00:16:09,110 --> 00:16:06,560
the station right now

405
00:16:10,470 --> 00:16:09,120
what is this you mean you seen a ufo

406
00:16:12,389 --> 00:16:10,480
i said i don't feel good i'm sick and

407
00:16:15,030 --> 00:16:12,399
i'm not coming down the police station

408
00:16:16,470 --> 00:16:15,040
he said i'll be right over

409
00:16:18,230 --> 00:16:16,480
so the next thing

410
00:16:20,870 --> 00:16:18,240
tv came in

411
00:16:23,670 --> 00:16:20,880
press came in you know newspapers

412
00:16:29,030 --> 00:16:23,680
radio stations

413
00:16:32,710 --> 00:16:30,550

two days later

414

00:16:34,949 --> 00:16:32,720

the ridicule started coming in

415

00:16:38,069 --> 00:16:34,959

believe me

416

00:16:40,150 --> 00:16:38,079

and i had a man

417

00:16:42,069 --> 00:16:40,160

run three blocks

418

00:16:43,430 --> 00:16:42,079

huffing and puffing he owned the

419

00:16:45,670 --> 00:16:43,440

goodyear tire shop there in ashland

420

00:16:47,509 --> 00:16:45,680

nebraska can you help me

421

00:16:49,350 --> 00:16:47,519

heard if you ever see another flying

422

00:16:52,610 --> 00:16:49,360

saucer and it lands you me i want to

423

00:16:52,620 --> 00:16:58,949

[Applause]

424

00:17:02,710 --> 00:17:00,790

uh the phone ring this is the planet

425

00:17:05,110 --> 00:17:02,720

mars you know i mean really ridiculous

426

00:17:07,270 --> 00:17:05,120

stuff i think

427

00:17:08,949 --> 00:17:07,280

though being here in florida one of the

428

00:17:10,710 --> 00:17:08,959

the neatest walkings i got was right out

429

00:17:13,510 --> 00:17:10,720

here in the lobby

430

00:17:14,870 --> 00:17:13,520

the gentleman out there selling books

431

00:17:17,029 --> 00:17:14,880

and i walked up

432

00:17:19,990 --> 00:17:17,039

and he says herb sherman i said yes

433

00:17:31,110 --> 00:17:20,000

my name is so-and-so

434

00:17:31,120 --> 00:17:34,549

i thought that was neat

435

00:17:36,549 --> 00:17:34,960

um

436

00:17:39,029 --> 00:17:36,559

[Applause]

437

00:17:41,350 --> 00:17:39,039

the united states air force

438

00:17:42,950 --> 00:17:41,360

continent committee blue book project or

439

00:17:44,150 --> 00:17:42,960

however you want to say it

440

00:17:46,870 --> 00:17:44,160

investigating

441

00:17:49,590 --> 00:17:46,880

team came down to ashland nebraska

442

00:17:51,909 --> 00:17:49,600

to investigate me

443

00:17:53,830 --> 00:17:51,919

a gentleman by the name of john ahrens

444

00:17:56,230 --> 00:17:53,840

who is a friend of mine

445

00:17:58,150 --> 00:17:56,240

and genome by the name of roy craig who

446

00:18:01,590 --> 00:17:58,160

was a physicist

447

00:18:03,430 --> 00:18:01,600

uh john ahrens he probably hit me but he

448

00:18:06,230 --> 00:18:03,440

was a shrink

449

00:18:09,190 --> 00:18:06,240

uh a psychiatrist

450

00:18:11,110 --> 00:18:09,200

tim and i had long discussions and he

451
00:18:12,549 --> 00:18:11,120
told me to tell my story over and over

452
00:18:14,710 --> 00:18:12,559
and over and over and i told it over and

453
00:18:18,470 --> 00:18:14,720
over and over and over and then they

454
00:18:20,870 --> 00:18:18,480
found a 25-minute time lapse

455
00:18:25,110 --> 00:18:20,880
in my log

456
00:18:31,510 --> 00:18:26,830
what happened to you

457
00:18:33,510 --> 00:18:31,520
between 2 30 a.m december 3rd 1967 and 3

458
00:18:38,070 --> 00:18:33,520
a.m

459
00:18:43,430 --> 00:18:39,830
and then i looked at him and i couldn't

460
00:18:46,630 --> 00:18:43,440
say anything because i didn't remember

461
00:18:48,230 --> 00:18:46,640
so he says you gotta come to boulder

462
00:18:51,430 --> 00:18:48,240
that's okay

463
00:18:52,140 --> 00:18:51,440

so they took me up to boulder

464

00:18:55,190 --> 00:18:52,150

and

465

00:18:57,909 --> 00:18:55,200

[Applause]

466

00:18:59,510 --> 00:18:57,919

i met a ufo team there

467

00:19:02,950 --> 00:18:59,520

i have a lot of people

468

00:19:04,310 --> 00:19:02,960

who run a lot of tests on me

469

00:19:07,990 --> 00:19:04,320

and

470

00:19:08,830 --> 00:19:08,000

a hypnotist by the name of

471

00:19:11,430 --> 00:19:08,840

dr

472

00:19:14,150 --> 00:19:11,440

leo sprinkler

473

00:19:17,669 --> 00:19:15,909

time regression hypnosis on me which

474

00:19:19,110 --> 00:19:17,679

found out a small detail that i had been

475

00:19:20,230 --> 00:19:19,120

aboard

476

00:19:21,750 --> 00:19:20,240

the

477

00:19:23,350 --> 00:19:21,760

spacecraft and that i had actually

478

00:19:24,950 --> 00:19:23,360

communicated with them

479

00:19:26,710 --> 00:19:24,960

they played the tape back to me and it

480

00:19:28,870 --> 00:19:26,720

shocked me

481

00:19:31,110 --> 00:19:28,880

i didn't know what to think i said are

482

00:19:33,270 --> 00:19:31,120

you is that really my voice on that tape

483

00:19:35,270 --> 00:19:33,280

you bet it is boy

484

00:19:37,430 --> 00:19:35,280

i says my god

485

00:19:40,470 --> 00:19:37,440

what do i do now

486

00:19:43,270 --> 00:19:40,480

so i while i was up in boulder

487

00:19:44,230 --> 00:19:43,280

the city got real cute you know

488

00:19:49,669 --> 00:19:44,240

the city

489

00:19:53,350 --> 00:19:49,679

uh the day i left they uh

490

00:19:55,350 --> 00:19:53,360

matter of fact the night i left

491

00:19:57,750 --> 00:19:55,360

they went down to our beautiful cemetery

492

00:20:00,070 --> 00:19:57,760

there in ashland nebraska

493

00:20:02,630 --> 00:20:00,080

and took this dummy

494

00:20:04,950 --> 00:20:02,640

and hung it by the neck and a tree

495

00:20:06,310 --> 00:20:04,960

put a big star on it

496

00:20:08,789 --> 00:20:06,320

shot a hose through it and paint the

497

00:20:10,390 --> 00:20:08,799

hose with red like blood and put herb

498

00:20:12,710 --> 00:20:10,400

across the star

499

00:20:14,310 --> 00:20:12,720

with a cowboy head on it

500

00:20:15,669 --> 00:20:14,320

and they really made it look big because

501
00:20:17,590 --> 00:20:15,679
they went

502
00:20:19,029 --> 00:20:17,600
down to the mortuary and they got the

503
00:20:22,310 --> 00:20:19,039
ambulance out of code three runs

504
00:20:24,149 --> 00:20:22,320
salaries red lights the whole works

505
00:20:25,830 --> 00:20:24,159
went over there and they very carefully

506
00:20:27,590 --> 00:20:25,840
took it down and put it on a stretcher

507
00:20:33,990 --> 00:20:27,600
and covered it up

508
00:20:34,000 --> 00:20:37,029
i um

509
00:20:40,070 --> 00:20:38,310
they thought they scared me but they

510
00:20:41,270 --> 00:20:40,080
didn't you see that's what they were

511
00:20:42,549 --> 00:20:41,280
trying to do they were trying to scare

512
00:20:43,669 --> 00:20:42,559
me but they didn't scare me because i

513
00:20:45,110 --> 00:20:43,679

thought it was kind of funny and i

514

00:20:46,470 --> 00:20:45,120

laughed about it when i read it in the

515

00:20:49,909 --> 00:20:46,480

paper and seen all the pictures and

516

00:20:56,630 --> 00:20:53,029

but while i was in boulder

517

00:20:58,390 --> 00:20:56,640

they blew my car up with dynamite

518

00:21:04,390 --> 00:20:58,400

and that really made me mad

519

00:21:09,190 --> 00:21:07,350

and i was furious you know i could have

520

00:21:12,390 --> 00:21:09,200

done like uh

521

00:21:13,350 --> 00:21:12,400

george c scott did that movie rage

522

00:21:15,430 --> 00:21:13,360

you know

523

00:21:17,110 --> 00:21:15,440

that's how mad it was but

524

00:21:18,789 --> 00:21:17,120

through the whole crisis i had one very

525

00:21:20,710 --> 00:21:18,799

good friend in ashland nebraska his name

526
00:21:22,149 --> 00:21:20,720
is lero y demit

527
00:21:24,950 --> 00:21:22,159
very close friend

528
00:21:26,549 --> 00:21:24,960
and he helped me a lot in ashland he was

529
00:21:28,149 --> 00:21:26,559
one of our relief officers on the police

530
00:21:30,230 --> 00:21:28,159
department

531
00:21:33,510 --> 00:21:30,240
and i i'm i was really proud to have him

532
00:21:34,990 --> 00:21:33,520
as a friend as well he stuck by

533
00:21:37,110 --> 00:21:35,000
and my family

534
00:21:39,590 --> 00:21:37,120
[Applause]

535
00:21:42,149 --> 00:21:39,600
i really can't say uh i went to my

536
00:21:44,390 --> 00:21:42,159
father and i said dad i said

537
00:21:47,830 --> 00:21:44,400
i know you're

538
00:21:50,390 --> 00:21:47,840

have 20 something years in the air force

539

00:21:54,549 --> 00:21:50,400

but i asked my father point blank i said

540

00:22:00,310 --> 00:21:57,190

my father never said no

541

00:22:01,830 --> 00:22:00,320

and he never said yes he just said son

542

00:22:02,470 --> 00:22:01,840

if you're telling the truth stick with
