

'I WAS KIDNAPED

By FRANK BOURKE

LARAMIE, Wyo. — A hunter's account of contact with beings from outer space and a kidnap voyage aboard a craft from another planet was termed "legitimate" this week by a University of Wyoming psychologist.

Dr. R. Leo Sprinkle, director of counseling and testing at the university, made this conclusion after a thorough evaluation of experiences recounted by Carl Higdon of Rawlins, Wyo.

Higdon, 40, is a veteran oil driller for the AM Well Service Co. of Riverton, and his eerie encounter with outer space occurred last Oct. 25 while hunting in a secluded area of nearby Medicine Bow National Forest.

Higdon gave the Star this account of that day:

"Life has not been the same since I met that 'man' out in the woods. I wish the whole thing hadn't happened, but since it did, I think it's my duty to let folks know about it.

"People may talk behind my back — say I'm going crazy — but I swear I'm telling the truth!

"Around 4 p.m. I noticed a group of five elk huddled together at a distance of several hundred feet from me, in a clearing. Raising my Magnum rifle and getting one of the animals into my sight, I proceeded to pull the trigger.

"Normally the firing of this type of gun would cause quite a jolt. Therefore, you can imagine my surprise with what took place next.

INSTEAD of hitting one of the elk with terrific impact, as it should have, the bullet left my rifle very slowly, almost as if it were coming out in slow motion.

"In addition the projectile dropped into the snow only 50 feet away. I thought to myself, 'What can be going on?'"

Higdon received his answer seconds later.

"Immediately, I sensed a peculiar tingle in the air, like you often feel before an electrical storm. Turning quickly, I spotted a 'stranger' standing behind me in the shadows.

Gliding silently

"At first, I thought he was just another hunter, until my eyes became accustomed to the glare of the bright sunlight on the freshly fallen snow."

"The 'stranger' glided noiselessly toward me. If he had been human, I would certainly have heard his footsteps on the dried twigs and branches which covered the snow. Standing all of six-foot-two, he was dressed in a snug-fitting back jumpsuit, which covered him from the region of the neck to his toes.

"Around his mid-section he wore a wide belt, in the center of which was a six-pointed star, and a mysterious emblem.

up like bristles on a broom. They were spaced about a half-inch apart. Sticking out from the top of his head were two antenna-like rods.

"His face was eerie, because he had no chin — his head ran straight into his neck. His eyes were unusually small, and he had no eyebrows. And, while I was in his company for several hours, at no time during this period did I ever see his hands — if he had them. The sleeves of his one-piece garment were long, and in place of hands he seemed to have two tapered, rod-like appendages, which he would point in order to make things move.

"It was as if he could control the force of gravity with these objects. The possibility arises that they may have been part of his body."

The being approached within several feet of where Higdon stood frozen in his tracks.

"He asked me if I was hungry, and without waiting for a reply, tossed me a small envelope or packet containing four pills. I took them, although normally I don't like to take even an aspirin when I know I'm coming down with a cold. It's like I was being controlled — made to take them."

THE next thing Higdon remembers is being inside a cube-shaped, transparent craft, which moments later lifted from the ground and apparently transported him to another world, somewhere in the limitless void of outer space.

"I recall noticing this transparent object — presumably the ship in which my new friend had arrived — resting on the ground a short distance from where we met.

"All I know is that he pointed his 'arm' at me and zap! — before I knew what hit me, we were inside this strange contraption, with the five elk — all paralyzed and off in a separate compartment.

"Also on board were two additional beings.

"Without any audible sound, we lifted off into the air. I was told we were going to their home planet, some 163,000 light years distance. Together, the three of them placed a helmet upon my head, which had wires sticking out in all directions.

"It was fastened to my head with a strap under the chin. They never explained what the purpose of doing this was.

1
00:00:03,510 --> 00:00:01,990
went to pick up my crew to go to work

2
00:00:04,470 --> 00:00:03,520
and one of them was sick so we couldn't

3
00:00:06,230 --> 00:00:04,480
work

4
00:00:07,909 --> 00:00:06,240
so i came back to the house and decided

5
00:00:09,509 --> 00:00:07,919
i'd go hunting

6
00:00:12,549 --> 00:00:09,519
so i decided to go on down into the

7
00:00:19,029 --> 00:00:12,559
forest and i hunted down there until

8
00:00:23,189 --> 00:00:21,510
so i walked down over this hill whenever

9
00:00:25,509 --> 00:00:23,199
i got over the hill i seen these five

10
00:00:30,950 --> 00:00:25,519
belt standing down there one of them was

11
00:00:36,630 --> 00:00:33,910
then something happened beyond his range

12
00:00:38,389 --> 00:00:36,640
of experience

13
00:00:39,990 --> 00:00:38,399

okay let yourself relax deeply and go

14

00:00:41,510 --> 00:00:40,000

right back to that same deep

15

00:00:42,830 --> 00:00:41,520

concentration

16

00:00:44,470 --> 00:00:42,840

that same deep

17

00:00:46,709 --> 00:00:44,480

relaxation

18

00:00:49,830 --> 00:00:46,719

let the muscles relax let yourself know

19

00:00:51,510 --> 00:00:49,840

that you can breathe deeply and easily

20

00:00:53,670 --> 00:00:51,520

as you look at the spot

21

00:00:56,470 --> 00:00:53,680

sometimes these people have a loss of

22

00:00:58,470 --> 00:00:56,480

time experience an amnesic period

23

00:00:59,910 --> 00:00:58,480

which occurs during the ufo sighting

24

00:01:01,750 --> 00:00:59,920

then later they check their watches and

25

00:01:03,830 --> 00:01:01,760

find out that they have lost some time

26

00:01:05,910 --> 00:01:03,840

which they cannot account for

27

00:01:07,670 --> 00:01:05,920

and these cases are most exciting and

28

00:01:08,950 --> 00:01:07,680

interesting because it suggests the

29

00:01:09,830 --> 00:01:08,960

possibility

30

00:01:12,230 --> 00:01:09,840

that

31

00:01:14,070 --> 00:01:12,240

the persons have been taken on board

32

00:01:15,270 --> 00:01:14,080

have been examined and then released and

33

00:01:24,149 --> 00:01:15,280

have been told that they will not

34

00:01:24,159 --> 00:01:29,510

not far

35

00:01:33,960 --> 00:01:31,350

a bullet don't

36

00:01:38,069 --> 00:01:33,970

don't look right

37

00:01:38,079 --> 00:01:41,749

there's somebody

38

00:01:51,510 --> 00:01:42,550

strange

39

00:01:51,520 --> 00:01:58,149

he wants me to go with me

40

00:02:04,709 --> 00:01:59,320

lights are bright

41

00:02:04,719 --> 00:02:15,110

lighter

42

00:02:21,510 --> 00:02:16,869

i can't

43

00:02:25,270 --> 00:02:21,520

they look like me

44

00:02:25,280 --> 00:02:28,470

he said

45

00:02:28,480 --> 00:02:31,830

the sun burns him

46

00:02:38,550 --> 00:02:34,480

he's gonna take me take me back

47

00:02:40,550 --> 00:02:38,560

[Music]

48

00:02:45,910 --> 00:02:40,560

just let yourself go back inside the

49

00:02:45,920 --> 00:02:50,229

oh

50

00:02:54,630 --> 00:02:51,940

i can't get in ain't no door

51
00:02:59,270 --> 00:02:54,640
[Music]

52
00:03:03,350 --> 00:02:59,770
no

53
00:03:05,190 --> 00:03:03,360
[Music]

54
00:03:08,630 --> 00:03:05,200
for

55
00:03:08,640 --> 00:03:11,350
i can see

56
00:03:14,309 --> 00:03:13,350
pretty good

57
00:03:14,990 --> 00:03:14,319
the ball

58
00:03:17,509 --> 00:03:15,000
looks like a

59
00:03:20,390 --> 00:03:17,519
[Music]

60
00:03:24,070 --> 00:03:22,869
but it's got a blue

61
00:03:30,550 --> 00:03:24,080
gray

62
00:03:35,590 --> 00:03:33,670
it's kind of dark

63
00:03:38,869 --> 00:03:35,600

no light

64

00:03:48,070 --> 00:03:40,630

there there's the lights

65

00:03:52,869 --> 00:03:51,030

we're back both arms for me

66

00:03:54,710 --> 00:03:52,879

this first attack goes across your upper

67

00:03:56,949 --> 00:03:54,720

abdomen

68

00:03:59,030 --> 00:03:56,959

in order to corroborate the story he

69

00:04:00,550 --> 00:03:59,040

arranged for a polygraph exam to be

70

00:04:02,390 --> 00:04:00,560

administered

71

00:04:05,110 --> 00:04:02,400

regarding whether or not you actually

72

00:04:06,949 --> 00:04:05,120

have that ufo experience in question

73

00:04:12,860 --> 00:04:06,959

do you intend to answer truthfully each

74

00:04:16,310 --> 00:04:14,470

[Music]

75

00:04:25,430 --> 00:04:16,320

did you ride in that spacecraft you

76
00:04:29,990 --> 00:04:27,670
carl managed to work through a traumatic

77
00:04:31,350 --> 00:04:30,000
incident that he had been unable to live

78
00:04:36,070 --> 00:04:31,360
with

79
00:04:40,230 --> 00:04:36,080
longer was haunted by nightmares

80
00:04:42,390 --> 00:04:40,240
he no longer doubted his own sanity

81
00:04:45,030 --> 00:04:42,400
the abduction experience was resolved to

82
00:04:47,749 --> 00:04:45,040
his own satisfaction and call resumed

83
00:04:49,189 --> 00:04:47,759
his work with a new figure

84
00:04:51,189 --> 00:04:49,199
don't make a hill of beans to me what

85
00:04:52,950 --> 00:04:51,199
anybody believes or not

86
00:04:54,950 --> 00:04:52,960
i know what happened to me

87
00:04:56,629 --> 00:04:54,960
if people want to take it at

88
00:04:57,740 --> 00:04:56,639

face value that's fine if they don't it

89

00:04:59,270 --> 00:04:57,750

don't make me any different

90

00:05:00,310 --> 00:04:59,280

[Music]

91

00:05:02,550 --> 00:05:00,320

the only thing

92

00:05:05,110 --> 00:05:02,560

i'm saying is if this does happen to

93

00:05:07,430 --> 00:05:05,120

anybody else what they are to do is talk

94

00:05:09,510 --> 00:05:07,440

to somebody about it not to hold it

95

00:05:11,590 --> 00:05:09,520

inside and try to conquer themselves

96

00:05:15,909 --> 00:05:11,600

because it can't be done i don't think i

97

00:05:20,870 --> 00:05:18,310

as far as the

98

00:05:22,469 --> 00:05:20,880

experience happening to me

99

00:05:23,749 --> 00:05:22,479

i think if it hadn't been for dr

100

00:05:25,590 --> 00:05:23,759

sprinkle i probably would have been in

101
00:05:27,990 --> 00:05:25,600
the institution by now natural girls

102
00:05:30,230 --> 00:05:28,000
radio i'm your host patricia baker i am

103
00:05:32,950 --> 00:05:30,240
here with my co-host pk

104
00:05:35,430 --> 00:05:32,960
and the most intriguing guests i think

105
00:05:38,950 --> 00:05:35,440
we have ever had on the show we have

106
00:05:41,350 --> 00:05:38,960
marjorie and carl higidon with us tonight

107
00:05:43,430 --> 00:05:41,360
talking about an incredible abduction

108
00:05:45,510 --> 00:05:43,440
experience and if you're watching us on

109
00:05:48,870 --> 00:05:45,520
video you can also see their adorable

110
00:05:50,790 --> 00:05:48,880
dog doc who has just joined us he is the

111
00:05:53,110 --> 00:05:50,800
sweetest little dog

112
00:05:54,870 --> 00:05:53,120
but carl we've been talking and marjorie

113
00:05:57,270 --> 00:05:54,880

we've been talking about

114

00:05:59,830 --> 00:05:57,280

the bullet now the i will tell you i

115

00:06:03,029 --> 00:05:59,840

contacted a friend of mine

116

00:06:05,029 --> 00:06:03,039

who handled ammunitions for

117

00:06:07,270 --> 00:06:05,039

the new york city police department and

118

00:06:08,230 --> 00:06:07,280

he trained snipers

119

00:06:10,550 --> 00:06:08,240

also

120

00:06:12,390 --> 00:06:10,560

and i showed him your article i showed

121

00:06:15,270 --> 00:06:12,400

him the picture of the bullet that

122

00:06:18,950 --> 00:06:15,280

marjorie had studio shots taken up

123

00:06:21,350 --> 00:06:18,960

and he said patricia i have never

124

00:06:24,230 --> 00:06:21,360

ever seen anything

125

00:06:26,870 --> 00:06:24,240

like this in all my years

126

00:06:28,950 --> 00:06:26,880

of working with the police

127

00:06:30,710 --> 00:06:28,960

and with ammunition

128

00:06:32,710 --> 00:06:30,720

never seen anything like this from a

129

00:06:34,710 --> 00:06:32,720

commercial weapon ever

130

00:06:38,070 --> 00:06:34,720

so it had basically been turned inside

131

00:06:40,070 --> 00:06:38,080

out and all the lead was gone right

132

00:06:41,749 --> 00:06:40,080

that's what happened

133

00:06:44,390 --> 00:06:41,759

right

134

00:06:46,830 --> 00:06:44,400

incredible it's like

135

00:06:49,430 --> 00:06:46,840

it had a porsche field up

136

00:06:50,870 --> 00:06:49,440

there because it didn't find its target

137

00:06:53,430 --> 00:06:50,880

because you pointed it at the elk it

138

00:06:57,670 --> 00:06:53,440

didn't hit the elk and you said you saw

139

00:06:59,909 --> 00:06:57,680

it just kind of floating and then drop

140

00:07:01,670 --> 00:06:59,919

but you picked it up which was which was

141

00:07:06,710 --> 00:07:01,680

great that you picked it up and put it

142

00:07:10,870 --> 00:07:08,710

i did that before

143

00:07:13,110 --> 00:07:10,880

they took me

144

00:07:15,189 --> 00:07:13,120

actually

145

00:07:19,270 --> 00:07:15,199

i don't

146

00:07:22,309 --> 00:07:19,280

an abduction

147

00:07:24,629 --> 00:07:22,319

i agreed to go with

148

00:07:26,390 --> 00:07:24,639

them so you agreed to go so you don't

149

00:07:29,589 --> 00:07:26,400

think of it as they kidnapped you you

150

00:07:31,909 --> 00:07:29,599

think of it as you went along with it

151

00:07:35,830 --> 00:07:31,919

right that they invited him

152

00:07:38,390 --> 00:07:37,350

nothing else to do i think i'll take a

153

00:07:39,670 --> 00:07:38,400

trip

154

00:07:42,870 --> 00:07:39,680

carl

155

00:07:46,390 --> 00:07:42,880

i was wondering if because you said the

156

00:07:48,309 --> 00:07:46,400

the you didn't hit the elk with it

157

00:07:49,350 --> 00:07:48,319

were the elf that they took did they

158

00:07:51,589 --> 00:07:49,360

take them

159

00:07:54,230 --> 00:07:51,599

living as uh

160

00:07:55,029 --> 00:07:54,240

on the hoof shall we say as opposed to

161

00:07:56,309 --> 00:07:55,039

uh

162

00:07:59,990 --> 00:07:56,319

asleep or

163

00:08:05,350 --> 00:08:02,629

well all i know is they

164

00:08:07,350 --> 00:08:05,360

floated across the field

165

00:08:08,950 --> 00:08:07,360

and were put in the

166

00:08:11,270 --> 00:08:08,960

back end of this

167

00:08:14,790 --> 00:08:11,280

cubicle we were in

168

00:08:21,270 --> 00:08:18,469

how we all fit in that little cute

169

00:08:23,189 --> 00:08:21,280

cubicle but they were the elk were alive

170

00:08:24,230 --> 00:08:23,199

at the time

171

00:08:26,230 --> 00:08:24,240

yes

172

00:08:27,990 --> 00:08:26,240

so that's probably why they were alive

173

00:08:31,350 --> 00:08:28,000

he wanted to keep them alive that's why

174

00:08:33,509 --> 00:08:31,360

they didn't let the bullet hit them

175

00:08:36,149 --> 00:08:33,519

well i guess

176

00:08:38,389 --> 00:08:36,159

i don't you also you also saw people in

177

00:08:41,350 --> 00:08:38,399

there humans right that you saw other

178

00:08:43,269 --> 00:08:41,360

human beings in there oh

179

00:08:45,750 --> 00:08:43,279

there was a

180

00:08:48,630 --> 00:08:45,760

man and

181

00:08:51,110 --> 00:08:48,640

three or four kids

182

00:08:51,910 --> 00:08:51,120

that were standing on the outside of

183

00:08:53,509 --> 00:08:51,920

this

184

00:08:54,550 --> 00:08:53,519

deal we went into

185

00:08:59,590 --> 00:08:54,560

when

186

00:09:00,949 --> 00:08:59,600

they looked like humans so

187

00:09:02,949 --> 00:09:00,959

i don't know

188

00:09:04,230 --> 00:09:02,959

what they were doing there

189

00:09:06,389 --> 00:09:04,240

but they were

190

00:09:09,990 --> 00:09:06,399

talking amongst yourself

191

00:09:11,829 --> 00:09:10,000

like nothing was wrong

192

00:09:14,550 --> 00:09:11,839

so i don't know if

193

00:09:15,829 --> 00:09:14,560

maybe these guys that

194

00:09:17,030 --> 00:09:15,839

got me

195

00:09:18,310 --> 00:09:17,040

were not

196

00:09:19,590 --> 00:09:18,320

human

197

00:09:23,350 --> 00:09:19,600

maybe they were

198

00:09:28,630 --> 00:09:25,590

that's a possibility definitely yes it's

199

00:09:31,670 --> 00:09:28,640

a possibility absolutely yes

200

00:09:34,790 --> 00:09:31,680

they they did not walk

201
00:09:37,590 --> 00:09:34,800
they floated wherever they went

202
00:09:40,710 --> 00:09:37,600
they just floated across

203
00:09:40,720 --> 00:09:44,310
so

204
00:09:52,389 --> 00:09:48,230
these beings that i've seen up there

205
00:09:56,790 --> 00:09:54,710
yeah that's it's hard to say

206
00:09:59,269 --> 00:09:56,800
now another thing that we just talked

207
00:10:01,829 --> 00:09:59,279
about off the air which we all find

208
00:10:05,030 --> 00:10:01,839
fascinating is that you still have a

209
00:10:09,829 --> 00:10:05,040
telepathic connection with also one you

210
00:10:15,430 --> 00:10:10,790
yeah

211
00:10:24,710 --> 00:10:18,150
does he have anything interesting to say

212
00:10:24,720 --> 00:10:29,110
then i get my breath back here

213
00:10:36,870 --> 00:10:31,110

about

214

00:10:43,269 --> 00:10:41,030

i told him we needed some rain

215

00:10:44,310 --> 00:10:43,279

the next day

216

00:10:45,670 --> 00:10:44,320

we got

217

00:10:47,509 --> 00:10:45,680

three inches

218

00:10:48,389 --> 00:10:47,519

of rain

219

00:10:50,310 --> 00:10:48,399

wow

220

00:10:52,470 --> 00:10:50,320

the day after that

221

00:10:54,069 --> 00:10:52,480

we got two

222

00:10:59,990 --> 00:10:54,079

oh my god

223

00:11:05,110 --> 00:11:03,269

oh my goodness so he is kind of like a

224

00:11:08,710 --> 00:11:05,120

good friend if he does something like

225

00:11:08,720 --> 00:11:17,829

i think he likes you

226

00:11:22,470 --> 00:11:20,630

i can ask him

227

00:11:26,310 --> 00:11:22,480

questions like

228

00:11:32,870 --> 00:11:29,509

and what's his answer

229

00:11:32,880 --> 00:11:37,910

hello

230

00:11:42,310 --> 00:11:40,150

you mean you can ask him like how long i

231

00:11:44,310 --> 00:11:42,320

would live and he would know is that

232

00:11:47,509 --> 00:11:44,320

what you're saying yeah

233

00:11:58,389 --> 00:11:49,269

my husband wants to know so we can buy

234

00:11:58,399 --> 00:12:03,030

that would be neat wouldn't it

235

00:12:06,870 --> 00:12:05,740

for kim not for her i asked him

236

00:12:08,710 --> 00:12:06,880

[Music]

237

00:12:10,470 --> 00:12:08,720

i asked him about

238

00:12:12,389 --> 00:12:10,480

one of my life's

239

00:12:16,069 --> 00:12:12,399

policies

240

00:12:16,079 --> 00:12:19,670

he had cancer

241

00:12:25,750 --> 00:12:24,150

and i asked him is he going to be okay

242

00:12:29,590 --> 00:12:25,760

he come back and said

243

00:12:33,030 --> 00:12:29,600

yeah he'll be home in a month or so

244

00:12:38,470 --> 00:12:36,470

he'd come back he was fine

245

00:12:40,870 --> 00:12:38,480

he died of a heart attack

246

00:12:44,310 --> 00:12:43,110

oh my goodness

247

00:12:46,710 --> 00:12:44,320

incredible

248

00:12:49,670 --> 00:12:46,720

i i am i'm amazed at this aren't you

249

00:12:52,790 --> 00:12:49,680

pkay this is just

250

00:12:55,829 --> 00:12:52,800

this is the first time i've heard

251
00:12:57,670 --> 00:12:55,839
this type of uh an interaction this kind

252
00:12:58,470 --> 00:12:57,680
of friendship

253
00:13:00,470 --> 00:12:58,480
where

254
00:13:02,710 --> 00:13:00,480
you're able to communicate

255
00:13:04,829 --> 00:13:02,720
with somebody from another galaxy i

256
00:13:08,470 --> 00:13:04,839
think he's from another galaxy who knows

257
00:13:10,790 --> 00:13:08,480
but yeah yeah i mean this is a there's a

258
00:13:13,269 --> 00:13:10,800
a really touching thing about this

259
00:13:15,430 --> 00:13:13,279
relationship you have with him this is

260
00:13:16,710 --> 00:13:15,440
the first i've heard of it

261
00:13:20,069 --> 00:13:16,720
yeah

262
00:13:21,590 --> 00:13:20,079
it's it's really a blessing

263
00:13:25,590 --> 00:13:21,600

what are the questions

264

00:13:29,829 --> 00:13:28,470

we also have a certificate from the

265

00:13:33,430 --> 00:13:29,839

psychiatrist

266

00:13:36,310 --> 00:13:33,440

that says he does not have any

267

00:13:37,910 --> 00:13:36,320

mental illnesses

268

00:13:39,030 --> 00:13:37,920

well i would not think so he's too

269

00:13:42,230 --> 00:13:39,040

bright

270

00:13:44,949 --> 00:13:42,240

yes and too grounded i mean that's right

271

00:13:48,069 --> 00:13:44,959

you're both very down-to-earth people i

272

00:13:51,350 --> 00:13:48,079

mean you're you're very down-to-earth

273

00:13:53,189 --> 00:13:51,360

and very methodical you know about how

274

00:13:53,910 --> 00:13:53,199

you go about things

275

00:13:56,310 --> 00:13:53,920

so

276

00:13:58,310 --> 00:13:56,320

you know it's it's just again an amazing

277

00:14:00,710 --> 00:13:58,320

experience that took you out of this

278

00:14:02,470 --> 00:14:00,720

reality and to another

279

00:14:04,550 --> 00:14:02,480

but i'm so impressed with your

280

00:14:05,750 --> 00:14:04,560

friendship with also one

281

00:14:08,550 --> 00:14:05,760

and i think

282

00:14:11,189 --> 00:14:08,560

and again it really says something about

283

00:14:13,269 --> 00:14:11,199

who you both are as people

284

00:14:16,150 --> 00:14:13,279

that you are

285

00:14:18,470 --> 00:14:16,160

taken more or less under the wing of

286

00:14:21,750 --> 00:14:18,480

these advanced beings they must have

287

00:14:24,150 --> 00:14:21,760

respect for you which is unusual i mean

288

00:14:24,949 --> 00:14:24,160

because we must be like ants to them you

289

00:14:27,590 --> 00:14:24,959

know

290

00:14:29,110 --> 00:14:27,600

but here here's this friendship that

291

00:14:30,949 --> 00:14:29,120

you've developed

292

00:14:33,269 --> 00:14:30,959

um i i'm just

293

00:14:34,710 --> 00:14:33,279

my heart is full of love i mean i just

294

00:14:38,470 --> 00:14:34,720

feel so

295

00:14:40,629 --> 00:14:38,480

amazed at this experience uh this way

296

00:14:42,550 --> 00:14:40,639

it's it's incredible it's just an

297

00:14:44,470 --> 00:14:42,560

incredible experience

298

00:14:47,509 --> 00:14:44,480

have you continued have you have you

299

00:14:50,870 --> 00:14:47,519

been told anything to enhance your

300

00:14:55,189 --> 00:14:52,790

no

301

00:14:58,470 --> 00:14:55,199

so it's strictly on

302

00:14:59,829 --> 00:14:58,480

that that makes good sense also

303

00:15:02,870 --> 00:14:59,839

yeah

304

00:15:05,750 --> 00:15:02,880

exactly uh-huh

305

00:15:07,990 --> 00:15:05,760

but he can't change things

306

00:15:09,430 --> 00:15:08,000

he can't yeah i can ask for help but it

307

00:15:12,389 --> 00:15:09,440

don't do any good

308

00:15:15,189 --> 00:15:12,399

i can't change anything okay here on

309

00:15:20,389 --> 00:15:16,870

can you be told something that's going

310

00:15:25,189 --> 00:15:22,710

you know what i didn't catch that

311

00:15:27,750 --> 00:15:25,199

i said can he be told anything that may

312

00:15:29,509 --> 00:15:27,760

take place

313

00:15:31,430 --> 00:15:29,519

something of something that's coming in

314

00:15:36,550 --> 00:15:31,440

the future

315

00:15:41,430 --> 00:15:38,470

i just don't

316

00:15:42,870 --> 00:15:41,440

i don't look to the future

317

00:15:44,190 --> 00:15:42,880

i'm down

318

00:15:46,870 --> 00:15:44,200

downstairs boys

319

00:15:49,110 --> 00:15:46,880

[Laughter]

320

00:15:51,350 --> 00:15:49,120

strictly one day at a time that's that's

321

00:15:53,030 --> 00:15:51,360

nothing wrong with that that's right

322

00:15:55,189 --> 00:15:53,040

yeah sometimes a little bit of knowledge

323

00:15:57,189 --> 00:15:55,199

is too much that's right

324

00:16:01,430 --> 00:15:57,199

now marjorie have you ever had any

325

00:16:04,550 --> 00:16:02,710

only

326

00:16:06,790 --> 00:16:04,560

when we've gone out in the different

327

00:16:08,870 --> 00:16:06,800

things that i have seen since it has

328

00:16:13,189 --> 00:16:08,880

happened

329

00:16:16,949 --> 00:16:14,870

well

330

00:16:18,949 --> 00:16:16,959

i'd be sleeping it

331

00:16:22,389 --> 00:16:18,959

at night

332

00:16:23,430 --> 00:16:22,399

and wake up say we gotta go see where

333

00:16:25,910 --> 00:16:23,440

we're going

334

00:16:31,430 --> 00:16:25,920

out south

335

00:16:33,430 --> 00:16:31,440

we're supposed to sit on this hill

336

00:16:35,590 --> 00:16:33,440

and

337

00:16:39,509 --> 00:16:35,600

we sit there

338

00:16:41,990 --> 00:16:39,519

for about 15 minutes and we drove down

339

00:16:43,749 --> 00:16:42,000

so we got that back down on the

340

00:16:45,350 --> 00:16:43,759

main road

341

00:16:47,990 --> 00:16:45,360

this uh

342

00:16:49,350 --> 00:16:48,000

looked like an ice cream cone upside

343

00:16:51,509 --> 00:16:49,360

down

344

00:16:56,389 --> 00:16:51,519

shot from something

345

00:16:59,430 --> 00:16:56,399

about 150 to 200 feet in the air

346

00:17:02,230 --> 00:16:59,440

and then we smelt uh

347

00:17:04,549 --> 00:17:02,240

horrible like

348

00:17:06,549 --> 00:17:04,559

i don't know dirty socks or

349

00:17:07,750 --> 00:17:06,559

yeah stuff

350

00:17:11,909 --> 00:17:07,760

and

351
00:17:14,870 --> 00:17:13,909
i told you i said a good thing we wasn't

352
00:17:15,829 --> 00:17:14,880
up there

353
00:17:19,029 --> 00:17:15,839
yeah

354
00:17:20,760 --> 00:17:19,039
i guess so he doesn't know what would

355
00:17:22,150 --> 00:17:20,770
have happened i don't know what

356
00:17:23,829 --> 00:17:22,160
[Music]

357
00:17:25,990 --> 00:17:23,839
it might have took

358
00:17:27,189 --> 00:17:26,000
me and my wife and

359
00:17:29,270 --> 00:17:27,199
my son

360
00:17:30,310 --> 00:17:29,280
who was with us

361
00:17:33,590 --> 00:17:30,320
and

362
00:17:35,750 --> 00:17:33,600
he might have took us again i don't know

363
00:17:37,990 --> 00:17:35,760

yeah you don't know when in this

364

00:17:40,710 --> 00:17:38,000

situation but you you said you were

365

00:17:41,590 --> 00:17:40,720

followed by lights in the sky for a long

366

00:17:44,390 --> 00:17:41,600

time

367

00:17:47,750 --> 00:17:44,400

after the initial experience right

368

00:17:51,270 --> 00:17:49,590

my crew members even

369

00:17:54,549 --> 00:17:51,280

saw

370

00:17:56,150 --> 00:17:54,559

heaven's sakes it wasn't just me

371

00:17:57,909 --> 00:17:56,160

they were at the least bit shy about

372

00:17:59,750 --> 00:17:57,919

letting you know they were around then

373

00:18:04,470 --> 00:17:59,760

that's right

374

00:18:05,430 --> 00:18:04,480

watching they were watching you

375

00:18:07,029 --> 00:18:05,440

hmm

376

00:18:09,669 --> 00:18:07,039

gosh

377

00:18:11,750 --> 00:18:09,679

well why do you think you they came to

378

00:18:26,549 --> 00:18:11,760

you do you think it was just right place

379

00:18:30,710 --> 00:18:29,110

they might have been mistreated i don't

380

00:18:32,070 --> 00:18:30,720

i don't know

381

00:18:33,270 --> 00:18:32,080

mm-hmm

382

00:18:36,870 --> 00:18:33,280

they might have really wanted to

383

00:18:40,230 --> 00:18:36,880

showcase that area of the forest

384

00:18:41,190 --> 00:18:40,240

uh that strange things happen there

385

00:18:42,870 --> 00:18:41,200

oh

386

00:18:45,029 --> 00:18:42,880

okay

387

00:18:47,590 --> 00:18:45,039

so other people have reported seeing

388

00:18:48,950 --> 00:18:47,600

things since it happened

389

00:18:54,630 --> 00:18:48,960

okay

390

00:18:58,310 --> 00:18:54,640

is is mystical for some reason probably

391

00:19:04,230 --> 00:19:01,270

and when the film crews

392

00:19:05,830 --> 00:19:04,240

came in to take uh pictures

393

00:19:08,789 --> 00:19:05,840

of the area

394

00:19:12,470 --> 00:19:08,799

a lot of them would not go down into the

395

00:19:13,590 --> 00:19:12,480

actual area they said it was too weird

396

00:19:14,789 --> 00:19:13,600

to

397

00:19:18,310 --> 00:19:14,799

um

398

00:19:25,029 --> 00:19:18,320

they refused to go into the actual area

399

00:19:28,789 --> 00:19:26,789

yeah they didn't want to go up in that

400

00:19:30,870 --> 00:19:28,799

cube

401
00:19:32,140 --> 00:19:30,880
yes they probably didn't have

402
00:19:34,950 --> 00:19:32,150
mastectomies either

403
00:19:37,190 --> 00:19:34,960
[Laughter]

404
00:19:38,310 --> 00:19:37,200
the ones that was really afraid of it

405
00:19:40,950 --> 00:19:38,320
for the

406
00:19:42,390 --> 00:19:40,960
the japanese up there

407
00:19:45,270 --> 00:19:42,400
really

408
00:19:46,950 --> 00:19:45,280
they were the most afraid

409
00:19:50,310 --> 00:19:46,960
they came and did a

410
00:19:53,909 --> 00:19:51,830
and they were they were afraid or they

411
00:19:57,669 --> 00:19:53,919
weren't afraid they were

412
00:19:59,590 --> 00:19:57,679
we're afraid they would never go into it

413
00:20:01,270 --> 00:19:59,600

they refused

414

00:20:02,310 --> 00:20:01,280

incredible

415

00:20:03,669 --> 00:20:02,320

you just

416

00:20:05,909 --> 00:20:03,679

did they say anything about what they

417

00:20:09,430 --> 00:20:05,919

were feeling or what they anticipated

418

00:20:18,310 --> 00:20:10,470

no

419

00:20:21,110 --> 00:20:19,350

yeah

420

00:20:25,669 --> 00:20:21,120

yes they could have been because it

421

00:20:29,029 --> 00:20:26,470

now

422

00:20:31,110 --> 00:20:29,039

when people heard about this story this

423

00:20:33,830 --> 00:20:31,120

was back in 74

424

00:20:36,070 --> 00:20:33,840

and then on to 75 uh when you had your

425

00:20:38,710 --> 00:20:36,080

television shows done you were also on

426

00:20:41,110 --> 00:20:38,720

leonard du moyes in search of they did a

427

00:20:42,149 --> 00:20:41,120

segment about your story which i know is

428

00:20:44,710 --> 00:20:42,159

excellent

429

00:20:46,549 --> 00:20:44,720

um how did people treat you after that

430

00:20:48,630 --> 00:20:46,559

were they accepting

431

00:20:51,510 --> 00:20:48,640

of this and accepting of you were they

432

00:20:52,789 --> 00:20:51,520

supportive or not

433

00:20:55,350 --> 00:20:52,799

i've only had

434

00:20:57,669 --> 00:20:55,360

one person

435

00:21:00,310 --> 00:20:57,679

say that i was crazy

436

00:21:03,909 --> 00:21:00,320

and i talked to her for about

437

00:21:12,630 --> 00:21:05,830

she changed her mind

438

00:21:16,870 --> 00:21:14,470

that's good well you know and i think

439

00:21:18,149 --> 00:21:16,880

it's it sounds like you live in a

440

00:21:21,270 --> 00:21:18,159

community

441

00:21:24,149 --> 00:21:21,280

uh that is supportive and you all stick

442

00:21:25,750 --> 00:21:24,159

together which is a good thing because

443

00:21:28,230 --> 00:21:25,760

there's so many people that have these

444

00:21:29,350 --> 00:21:28,240

experiences and then they get treated so

445

00:21:31,270 --> 00:21:29,360

badly

446

00:21:33,510 --> 00:21:31,280

and so i'm really glad to hear you were

447

00:21:35,669 --> 00:21:33,520

treated you were treated well

448

00:21:37,909 --> 00:21:35,679

by your community at large that's a

449

00:21:40,470 --> 00:21:37,919

wonderful thing to hear

450

00:21:42,710 --> 00:21:40,480

definitely did it affect the children at

451
00:21:47,990 --> 00:21:45,510
even all my bosses

452
00:21:49,190 --> 00:21:48,000
felt the same way

453
00:21:50,870 --> 00:21:49,200
they

454
00:21:52,390 --> 00:21:50,880
never said

455
00:21:54,070 --> 00:21:52,400
they accepted it

456
00:21:56,870 --> 00:21:54,080
like it was

457
00:21:59,270 --> 00:21:56,880
good wonderful fantastic you know that

458
00:22:00,950 --> 00:21:59,280
is great

459
00:22:03,110 --> 00:22:00,960
the fact is

460
00:22:04,950 --> 00:22:03,120
a year after

461
00:22:06,470 --> 00:22:04,960
this happened to me

462
00:22:09,909 --> 00:22:06,480
another company

463
00:22:25,110 --> 00:22:09,919

hired me for more money than what i was

464

00:22:29,270 --> 00:22:27,750

right that's good and

465

00:22:30,870 --> 00:22:29,280

i'll run their

466

00:22:32,630 --> 00:22:30,880

well service

467

00:22:34,549 --> 00:22:32,640

business for

468

00:22:36,470 --> 00:22:34,559

five years

469

00:22:40,549 --> 00:22:36,480

between drilling and

470

00:22:44,390 --> 00:22:42,230

i had several

471

00:22:45,830 --> 00:22:44,400

men under me working

472

00:22:47,750 --> 00:22:45,840

and i had no

473

00:22:50,549 --> 00:22:47,760

problem with none of them

474

00:22:53,270 --> 00:22:50,559

no that's just that great yes it is

475

00:22:55,750 --> 00:22:53,280

excellent that's really good to hear

476

00:22:58,390 --> 00:22:55,760

i have regained my faith in the human

477

00:22:59,990 --> 00:22:58,400

race hearing that that's good

478

00:23:03,750 --> 00:23:00,000

very good

479

00:23:08,789 --> 00:23:06,230

the people of rollins when they ask them

480

00:23:11,750 --> 00:23:08,799

about the story they said if it was

481

00:23:13,029 --> 00:23:11,760

anybody besides carl they would not have

482

00:23:19,029 --> 00:23:13,039

believed it

483

00:23:19,990 --> 00:23:19,039

matter of fact that person oh that's

484

00:23:23,190 --> 00:23:20,000

great

485

00:23:25,750 --> 00:23:23,200

yes and you can see that today i mean

486

00:23:27,590 --> 00:23:25,760

you're both matter of fact people you're

487

00:23:29,669 --> 00:23:27,600

both down to earth

488

00:23:31,510 --> 00:23:29,679

i can tell you both wouldn't lie you

489

00:23:33,750 --> 00:23:31,520

make you would never make up a story

490

00:23:37,350 --> 00:23:33,760

like this and besides it's so again

491

00:23:40,230 --> 00:23:37,360

outside of what you grew up with what

492

00:23:42,230 --> 00:23:40,240

you knew about um it just wouldn't it's

493

00:23:43,990 --> 00:23:42,240

not possible i mean this really happened

494

00:23:45,669 --> 00:23:44,000

that we have no doubt and i know our

495

00:23:48,950 --> 00:23:45,679

audience has no doubt

496

00:23:51,029 --> 00:23:48,960

that this truly did happen and

497

00:23:53,590 --> 00:23:51,039

um marjorie can you get back on the

498

00:23:56,470 --> 00:23:53,600

phone for a second

499

00:23:58,070 --> 00:23:56,480

i just want to ask you a question

500

00:23:59,430 --> 00:23:58,080

okay go ahead

501
00:24:02,310 --> 00:23:59,440
um you know

502
00:24:05,430 --> 00:24:02,320
i'm just very curious in terms of how

503
00:24:07,750 --> 00:24:05,440
this you see you see this affecting

504
00:24:09,669 --> 00:24:07,760
your life and carl's life do you see it

505
00:24:10,870 --> 00:24:09,679
in a positive light do you see that it

506
00:24:12,789 --> 00:24:10,880
was um

507
00:24:14,310 --> 00:24:12,799
or how do you see it i mean just i'm

508
00:24:16,950 --> 00:24:14,320
going to shut up and just ask you the

509
00:24:19,590 --> 00:24:16,960
question how do you see it

510
00:24:22,390 --> 00:24:19,600
well the way i see it if it hadn't been

511
00:24:25,269 --> 00:24:22,400
for dr sprinkle we neither one of us

512
00:24:26,470 --> 00:24:25,279
would probably be here

513
00:24:28,789 --> 00:24:26,480

tell us a little more about the book

514

00:24:33,510 --> 00:24:28,799

that i wrote

515

00:24:37,110 --> 00:24:33,520

about 20 years ago

516

00:24:38,230 --> 00:24:37,120

for my own therapy trying to understand

517

00:24:40,149 --> 00:24:38,240

this

518

00:24:42,549 --> 00:24:40,159

mm-hmm

519

00:24:45,590 --> 00:24:42,559

that kind of leo did

520

00:24:49,430 --> 00:24:45,600

and for leo he did the regressive uh

521

00:24:52,390 --> 00:24:49,440

hypnosis uh with a pendulum for carl and

522

00:24:54,230 --> 00:24:52,400

i know leo is a true healer so i'm sure

523

00:24:56,230 --> 00:24:54,240

all of that really helped to put things

524

00:24:59,029 --> 00:24:56,240

in perspective

525

00:25:03,029 --> 00:24:59,039

not only that carl could call him in the

526
00:25:05,750 --> 00:25:03,039
middle of the night and talk to him

527
00:25:07,029 --> 00:25:05,760
we had a lot of things after this

528
00:25:11,990 --> 00:25:07,039
happened

529
00:25:15,430 --> 00:25:12,000
in my book

530
00:25:16,310 --> 00:25:15,440
that carl would have to talk to sprinkle

531
00:25:20,390 --> 00:25:16,320
and

532
00:25:21,590 --> 00:25:20,400
because carl

533
00:25:23,669 --> 00:25:21,600
was sure

534
00:25:24,950 --> 00:25:23,679
for a lot of times that he had to have

535
00:25:26,830 --> 00:25:24,960
dreamt this

536
00:25:28,950 --> 00:25:26,840
he said it's just too

537
00:25:34,070 --> 00:25:28,960
bizarre and i told him there's the

538
00:25:39,669 --> 00:25:36,390

that's right that wasn't a hallucination

539

00:25:42,070 --> 00:25:39,679

that's right there was the search party

540

00:25:45,510 --> 00:25:42,080

and and there was all this other proof

541

00:25:47,269 --> 00:25:45,520

that we have that something happened

542

00:25:48,789 --> 00:25:47,279

um marjorie can you move a little closer

543

00:25:50,870 --> 00:25:48,799

so we can see you can you move a little

544

00:25:54,070 --> 00:25:50,880

closer to carl there

545

00:25:55,430 --> 00:25:54,080

we want to see your pretty face here

546

00:26:00,549 --> 00:25:55,440

thank you

547

00:26:01,750 --> 00:26:00,559

leo sprinkle dr sprinkle is was very

548

00:26:04,789 --> 00:26:01,760

valuable

549

00:26:07,510 --> 00:26:04,799

in your integration of this experience

550

00:26:10,549 --> 00:26:07,520

and your recovery from the shock of it

551
00:26:12,789 --> 00:26:10,559
so thank goodness for dr sprinkle and we

552
00:26:14,950 --> 00:26:12,799
give a big shout out to leo he's

553
00:26:17,909 --> 00:26:14,960
certainly a dear friend to so many

554
00:26:19,190 --> 00:26:17,919
and we appreciate him he's he's a great

555
00:26:20,870 --> 00:26:19,200
guy if it hadn't been for him we

556
00:26:23,190 --> 00:26:20,880
wouldn't have met you all

557
00:26:25,350 --> 00:26:23,200
and we're very grateful i mean this is

558
00:26:27,510 --> 00:26:25,360
an incredible story i can't wait for you

559
00:26:30,310 --> 00:26:27,520
to finish your book exactly so that we

560
00:26:32,310 --> 00:26:30,320
can sit to everybody so everybody can

561
00:26:34,230 --> 00:26:32,320
buy this because i know we've barely

562
00:26:36,630 --> 00:26:34,240
scratched the surface

563
00:26:39,430 --> 00:26:36,640

of all of what has happened i know i've

564

00:26:41,909 --> 00:26:39,440

read countless articles but still we

565

00:26:43,110 --> 00:26:41,919

learned even more tonight during the

566

00:26:45,750 --> 00:26:43,120

interview

567

00:26:47,830 --> 00:26:45,760

so this is a story that that has to be

568

00:26:49,990 --> 00:26:47,840

told and we're so glad you're writing it

569

00:26:52,230 --> 00:26:50,000

down marjorie we're so happy that you're

570

00:26:55,029 --> 00:26:52,240

doing that

571

00:26:56,789 --> 00:26:55,039

the book should be out in about a month

572

00:26:58,950 --> 00:26:56,799

oh wonderful

573

00:27:00,710 --> 00:26:58,960

just in time for a christmas gift right

574

00:27:03,750 --> 00:27:00,720

yes yes

575

00:27:10,070 --> 00:27:07,029

if that ever happens to anybody

576
00:27:11,190 --> 00:27:10,080
talk to somebody

577
00:27:13,190 --> 00:27:11,200
yeah

578
00:27:15,430 --> 00:27:13,200
so if this happens

579
00:27:17,830 --> 00:27:15,440
to anybody out there

580
00:27:19,510 --> 00:27:17,840
talk to dr sprinkle or

581
00:27:21,269 --> 00:27:19,520
talk to somebody

582
00:27:22,470 --> 00:27:21,279
you know and try

583
00:27:24,870 --> 00:27:22,480
mm-hmm

584
00:27:27,110 --> 00:27:24,880
that's great advice yeah

585
00:27:29,269 --> 00:27:27,120
you don't want to keep it all inside you

586
00:27:32,389 --> 00:27:29,279
can't honestly no you're an expert like

587
00:27:34,389 --> 00:27:32,399
dr sprinkle who is able to help you

588
00:27:35,590 --> 00:27:34,399

through this and help you understand all

589

00:27:37,269 --> 00:27:35,600

of it

590

00:27:39,430 --> 00:27:37,279

don't dwell on it

591

00:27:41,669 --> 00:27:39,440

and then get on with your life

592

00:27:43,750 --> 00:27:41,679

don't dwell on me that's and what i

593

00:27:47,510 --> 00:27:43,760

heard marjorie also say is don't dwell

594

00:27:48,549 --> 00:27:47,520

on it just keep on going right

595

00:27:54,230 --> 00:27:48,559

right

596

00:27:56,710 --> 00:27:54,240
