

1  
00:00:04,550 --> 00:00:03,110  
this happened in december 28 1988 at 7

2  
00:00:07,510 --> 00:00:04,560  
45 pm

3  
00:00:09,270 --> 00:00:07,520  
uh the people of the area of cabo rojo

4  
00:00:10,470 --> 00:00:09,280  
on la has two towns to the southwest of

5  
00:00:13,589 --> 00:00:10,480  
the island

6  
00:00:15,990 --> 00:00:13,599  
that night so a very huge a ball of blue

7  
00:00:18,070 --> 00:00:16,000  
light as we see here in the drawing you

8  
00:00:20,390 --> 00:00:18,080  
know that was flying over the sierra

9  
00:00:21,670 --> 00:00:20,400  
bermeja mountains a small ridge there

10  
00:00:23,429 --> 00:00:21,680  
where many of these incidents have been

11  
00:00:25,109 --> 00:00:23,439  
happening in puerto rico

12  
00:00:27,029 --> 00:00:25,119  
and then

13  
00:00:27,750 --> 00:00:27,039

this ball of light changed

14

00:00:29,669 --> 00:00:27,760

and

15

00:00:31,910 --> 00:00:29,679

it changed to another color

16

00:00:34,709 --> 00:00:31,920

to a huge bowl of yellowish light and

17

00:00:38,069 --> 00:00:34,719

the indices all could see that this was

18

00:00:39,510 --> 00:00:38,079

part of a triangular craft very big in

19

00:00:41,590 --> 00:00:39,520

size

20

00:00:43,990 --> 00:00:41,600

and this yellow light was on the

21

00:00:46,630 --> 00:00:44,000

underneath the object it was a almost

22

00:00:49,190 --> 00:00:46,640

semi-circular something like a bulge or

23

00:00:51,750 --> 00:00:49,200

a ball of yellow light very bright

24

00:00:53,590 --> 00:00:51,760

and the two j fires were trying to

25

00:00:56,389 --> 00:00:53,600

intercept it and in three different

26  
00:00:59,349 --> 00:00:56,399  
occasions made it beer away and changed

27  
00:01:01,349 --> 00:00:59,359  
its trajectory his direction

28  
00:01:02,709 --> 00:01:01,359  
in this occasion the object stopped in

29  
00:01:07,510 --> 00:01:02,719  
midair

30  
00:01:12,230 --> 00:01:09,510  
as if it was going to collide

31  
00:01:13,750 --> 00:01:12,240  
with the object by the back of it and

32  
00:01:14,789 --> 00:01:13,760  
people began screaming because they

33  
00:01:17,030 --> 00:01:14,799  
believed there was going to be a

34  
00:01:18,550 --> 00:01:17,040  
collision an explosion and something a

35  
00:01:20,149 --> 00:01:18,560  
terrible might happen

36  
00:01:21,910 --> 00:01:20,159  
but what happened was that the jet

37  
00:01:23,510 --> 00:01:21,920  
fighter just disappeared vanished

38  
00:01:24,950 --> 00:01:23,520

mid-air next to the

39

00:01:27,190 --> 00:01:24,960

to the ufo

40

00:01:29,990 --> 00:01:27,200

the other jet fighter kept flying next

41

00:01:31,350 --> 00:01:30,000

to it by the right side of it and then

42

00:01:34,149 --> 00:01:31,360

all of a sudden

43

00:01:36,789 --> 00:01:34,159

it also disappeared it vanished

44

00:01:38,310 --> 00:01:36,799

the ufo then came back again

45

00:01:40,870 --> 00:01:38,320

turned around

46

00:01:43,830 --> 00:01:40,880

flew over an area known there as this a

47

00:01:45,350 --> 00:01:43,840

man lake is a small pond surrounded by

48

00:01:47,590 --> 00:01:45,360

many palm trees

49

00:01:50,230 --> 00:01:47,600

and over these countries i would say

50

00:01:53,670 --> 00:01:50,240

about an altitude of a hundred feet

51  
00:01:55,830 --> 00:01:53,680  
from the palm trees uh it divided itself

52  
00:01:56,950 --> 00:01:55,840  
this huge triangular object into two

53  
00:01:58,469 --> 00:01:56,960  
different

54  
00:02:01,749 --> 00:01:58,479  
objects it's split

55  
00:02:03,910 --> 00:02:01,759  
with a luminous explosion a soundless

56  
00:02:07,030 --> 00:02:03,920  
explosion a very bright light

57  
00:02:09,510 --> 00:02:07,040  
and both parts of the crap

58  
00:02:11,350 --> 00:02:09,520  
one flew very fast to the

59  
00:02:13,430 --> 00:02:11,360  
to the north and one flew very fast to

60  
00:02:15,270 --> 00:02:13,440  
the east and disappeared

61  
00:02:17,110 --> 00:02:15,280  
there were other witnesses

62  
00:02:18,390 --> 00:02:17,120  
that say that there was a certain

63  
00:02:20,150 --> 00:02:18,400

fighter that was checking on the

64

00:02:21,670 --> 00:02:20,160

situation from a distance

65

00:02:23,430 --> 00:02:21,680

but when

66

00:02:25,030 --> 00:02:23,440

that pilot

67

00:02:27,030 --> 00:02:25,040

of that sergeant fighter saw what

68

00:02:31,110 --> 00:02:27,040

happened and finally he tried to flee

69

00:02:36,470 --> 00:02:33,270

balls of red light came out from the

70

00:02:38,390 --> 00:02:36,480

from the ufo and began chasing it and

71

00:02:39,990 --> 00:02:38,400

they disappear to the north they don't

72

00:02:42,390 --> 00:02:40,000

know what happened to this surgeon

73

00:02:49,270 --> 00:02:45,750

how many witnesses followed this event

74

00:02:52,229 --> 00:02:49,280

up to now more than a hundred witnesses

75

00:02:55,589 --> 00:02:52,239

what are your conclusions

76

00:02:57,589 --> 00:02:55,599

well this this incident did occur it's a

77

00:02:59,589 --> 00:02:57,599

very important one when you have more

78

00:03:01,750 --> 00:02:59,599

than 100 witnesses

79

00:03:03,350 --> 00:03:01,760

that describe the same thing to you they

80

00:03:05,670 --> 00:03:03,360

make the same drawings to you what they

81

00:03:08,309 --> 00:03:05,680

saw

82

00:03:10,149 --> 00:03:08,319

all the details fit

83

00:03:12,710 --> 00:03:10,159

with all the descriptions

84

00:03:15,270 --> 00:03:12,720

and we have other information in the

85

00:03:16,710 --> 00:03:15,280

investigation we made for example that

86

00:03:18,309 --> 00:03:16,720

this jet craft

87

00:03:19,830 --> 00:03:18,319

must have been from the navy of the

88

00:03:21,830 --> 00:03:19,840

united states

89

00:03:24,149 --> 00:03:21,840

because that day the required national

90

00:03:26,630 --> 00:03:24,159

guard had no airplanes or any air

91

00:03:29,430 --> 00:03:26,640

practices in the area and roosevelt road

92

00:03:31,589 --> 00:03:29,440

naval station in seva the principle

93

00:03:33,430 --> 00:03:31,599

based in the caribbean from the u.s did

94

00:03:35,350 --> 00:03:33,440

have some air practices that night and

95

00:03:37,750 --> 00:03:35,360

personnel in the area even though they

96

00:03:39,990 --> 00:03:37,760

denied it but the faa federal aviation

97

00:03:42,149 --> 00:03:40,000

administration in san juan confirmed to
