

1
00:00:03,270 --> 00:00:00,630

[Music]

2
00:00:08,310 --> 00:00:03,280

we had been driving out this country

3
00:00:11,910 --> 00:00:08,320

road which it is a very desolate area

4
00:00:14,709 --> 00:00:11,920

and all of a sudden we've seen this

5
00:00:19,910 --> 00:00:17,269

so i didn't know whether to stop to back

6
00:00:22,390 --> 00:00:19,920

up keep going or what so we just kept

7
00:00:23,670 --> 00:00:22,400

driving

8
00:00:25,189 --> 00:00:23,680

we thought well

9
00:00:27,429 --> 00:00:25,199

maybe it's

10
00:00:31,349 --> 00:00:27,439

it's an air balloon or something you

11
00:00:33,590 --> 00:00:31,359

know weather balloon or something

12
00:00:36,310 --> 00:00:33,600

but the closer we got

13
00:00:37,510 --> 00:00:36,320

we could tell that either it was going

14

00:00:38,790 --> 00:00:37,520

to be us

15

00:00:40,790 --> 00:00:38,800

or it

16

00:00:44,709 --> 00:00:40,800

because it kept getting lower and

17

00:00:50,389 --> 00:00:47,750

and this object come down

18

00:00:53,110 --> 00:00:50,399

almost to the treetops almost ahead of

19

00:00:55,110 --> 00:00:53,120

us and i screamed for betty to stop

20

00:01:04,070 --> 00:00:55,120

and i think if she hadn't stopped and we

21

00:01:07,350 --> 00:01:05,910

i got out in the car cobbing me for

22

00:01:08,710 --> 00:01:07,360

about

23

00:01:10,830 --> 00:01:08,720

i guess

24

00:01:12,950 --> 00:01:10,840

a minute or two and he was

25

00:01:14,390 --> 00:01:12,960

screaming like he was trying to get away

26
00:01:16,230 --> 00:01:14,400
from me and then pulling me back in the

27
00:01:17,749 --> 00:01:16,240
car and i got back in the car and betty

28
00:01:20,390 --> 00:01:17,759
walked to the head of

29
00:01:25,510 --> 00:01:22,710
i thought it was the end of time because

30
00:01:27,590 --> 00:01:25,520
i've always been taught

31
00:01:29,830 --> 00:01:27,600
the bible says the world will be

32
00:01:32,149 --> 00:01:29,840
destroyed by fire

33
00:01:33,990 --> 00:01:32,159
hell and brimstone

34
00:01:36,069 --> 00:01:34,000
well how did i know that the hell in

35
00:01:39,030 --> 00:01:36,079
brimstone wasn't

36
00:01:44,950 --> 00:01:41,910
and as hot as it was

37
00:01:47,190 --> 00:01:44,960
if hell is any hotter god forbid i want

38
00:01:49,109 --> 00:01:47,200

to live a good life

39

00:01:53,670 --> 00:01:49,119

because it was just

40

00:01:57,670 --> 00:01:55,590

i kept trying to calm kobe and i

41

00:01:59,749 --> 00:01:57,680

couldn't i had to tell him something

42

00:02:02,230 --> 00:01:59,759

that would come him and i said if you

43

00:02:04,469 --> 00:02:02,240

see this big man come out of it it'd be

44

00:02:05,429 --> 00:02:04,479

jesus

45

00:02:07,830 --> 00:02:05,439

well

46

00:02:09,350 --> 00:02:07,840

i just had a feeling to look up in the

47

00:02:11,029 --> 00:02:09,360

sky

48

00:02:13,350 --> 00:02:11,039

i looked around a little bit more and i

49

00:02:15,750 --> 00:02:13,360

saw that object

50

00:02:19,589 --> 00:02:15,760

it looked like a diamond

51
00:02:26,229 --> 00:02:23,750
it was a grayish metallic looking color

52
00:02:27,750 --> 00:02:26,239
but yet the flames that was thrown out

53
00:02:29,830 --> 00:02:27,760
was a

54
00:02:31,670 --> 00:02:29,840
reddish yellowish

55
00:02:34,470 --> 00:02:31,680
looking glow

56
00:02:37,830 --> 00:02:34,480
just about the minute that i got up

57
00:02:40,070 --> 00:02:37,840
close enough to really make the shape of

58
00:02:42,949 --> 00:02:40,080
the

59
00:02:45,750 --> 00:02:42,959
object whatever it is

60
00:02:48,229 --> 00:02:45,760
the helicopters were there

61
00:02:49,750 --> 00:02:48,239
we was amazed at you know what kind of

62
00:02:52,070 --> 00:02:49,760
helicopters they were we were about

63
00:02:54,070 --> 00:02:52,080

scared to death the double rotary kind

64

00:02:57,030 --> 00:02:54,080

of helicopters

65

00:02:58,949 --> 00:02:57,040

i never saw one before

66

00:03:01,270 --> 00:02:58,959

the fear of ridicule kept betty from

67

00:03:03,030 --> 00:03:01,280

telling about her ufo encounter but

68

00:03:05,270 --> 00:03:03,040

weeks later when patches of her hair

69

00:03:06,949 --> 00:03:05,280

started falling out she told her doctor

70

00:03:08,710 --> 00:03:06,959

about the incident

71

00:03:11,030 --> 00:03:08,720

specialists were brought in including a

72

00:03:14,309 --> 00:03:11,040

dermatologist and a radiologist to run

73

00:03:15,990 --> 00:03:14,319

tests they all turned up negative

74

00:03:17,750 --> 00:03:16,000

john schussler and his group started

75

00:03:18,710 --> 00:03:17,760

their own investigation several months

76

00:03:21,030 --> 00:03:18,720

later

77

00:03:23,030 --> 00:03:21,040

despite the inconclusive medical reports

78

00:03:25,670 --> 00:03:23,040

shustler believes that all three victims

79

00:03:27,910 --> 00:03:25,680

received some kind of radiation exposure

80

00:03:29,990 --> 00:03:27,920

caused by the ufo

81

00:03:31,910 --> 00:03:30,000

it's a package of symptoms that all

82

00:03:33,830 --> 00:03:31,920

three had and all three being different

83

00:03:35,990 --> 00:03:33,840

kinds of people that's the significant

84

00:03:38,390 --> 00:03:36,000

thing from their age their the past

85

00:03:40,630 --> 00:03:38,400

history medical history etc but they all

86

00:03:42,789 --> 00:03:40,640

had common symptoms

87

00:03:44,869 --> 00:03:42,799

the common symptoms all manifested

88

00:03:47,750 --> 00:03:44,879

themselves right after the incident

89

00:03:50,949 --> 00:03:47,760

starting within hours i do expect them

90

00:03:53,429 --> 00:03:50,959

to take care of my medical bills

91

00:03:55,750 --> 00:03:53,439

and what i have had to go through with

92

00:03:57,830 --> 00:03:55,760

and what i'm still going through with

93

00:03:59,190 --> 00:03:57,840

and what i may have to continue for

94

00:04:01,110 --> 00:03:59,200

years

95

00:04:04,390 --> 00:04:01,120

i don't believe in the little green men

96

00:04:07,030 --> 00:04:04,400

and all of that stuff from outer space

97

00:04:08,949 --> 00:04:07,040

but if it's some something that

98

00:04:10,869 --> 00:04:08,959

people don't know about

99

00:04:12,149 --> 00:04:10,879

and it slipped in here and did that to

100

00:04:13,589 --> 00:04:12,159

us

101
00:04:15,910 --> 00:04:13,599
and the government

102
00:04:19,590 --> 00:04:15,920
say yet say they don't know about it

103
00:04:22,629 --> 00:04:19,600
when they had the helicopters up there

104
00:04:25,030 --> 00:04:22,639
we in a terrible shape

105
00:04:27,749 --> 00:04:25,040
because if it can happen to us it could

106
00:04:29,749 --> 00:04:27,759
happen to a whole city the object lit up

107
00:04:32,629 --> 00:04:29,759
the surrounding pine woods like it was

108
00:04:33,990 --> 00:04:32,639
daylight and i was burning my skin was

109
00:04:35,990 --> 00:04:34,000
burning well you must have been

110
00:04:39,990 --> 00:04:36,000
terrified how long did the craft hover

111
00:04:41,830 --> 00:04:40,000
over you oh about 20 minutes

112
00:04:44,230 --> 00:04:41,840
fire was coming out of the bottom like a

113
00:04:45,670 --> 00:04:44,240

bow torch it lifted up and then flew

114

00:04:47,430 --> 00:04:45,680

over the trees

115

00:04:49,670 --> 00:04:47,440

that was when we saw the helicopters

116

00:04:52,150 --> 00:04:49,680

come out the helicopters

117

00:04:54,390 --> 00:04:52,160

cover county 23 of them and i understand

118

00:04:56,710 --> 00:04:54,400

in fact you later identify them as ch-47

119

00:04:58,629 --> 00:04:56,720

chinook military helicopters yes it

120

00:05:01,270 --> 00:04:58,639

seems if they were trying to escort the

121

00:05:03,830 --> 00:05:01,280

crash somewhere it looked like they were

122

00:05:04,950 --> 00:05:03,840

about to collide the roar sounded like a

123

00:05:07,110 --> 00:05:04,960

tornado

124

00:05:09,110 --> 00:05:07,120

when we got home i washed

125

00:05:11,110 --> 00:05:09,120

kobe off and put him to bed

126

00:05:14,070 --> 00:05:11,120

when the water touched his skin he cried

127

00:05:17,029 --> 00:05:14,080

out like he had been burned

128

00:05:19,670 --> 00:05:17,039

as if he had been in the sun too long

129

00:05:22,070 --> 00:05:19,680

and i was too sick to work the next day

130

00:05:24,070 --> 00:05:22,080

my eyes swell closed and welts appeared

131

00:05:25,510 --> 00:05:24,080

on my face and head i thought it was

132

00:05:27,350 --> 00:05:25,520

going to die

133

00:05:29,350 --> 00:05:27,360

vicki came and took me at the emergency

134

00:05:31,830 --> 00:05:29,360

room of the hospital they treated me

135

00:05:34,150 --> 00:05:31,840

like a burn patient

136

00:05:36,870 --> 00:05:34,160

over the next few days i kept losing big

137

00:05:39,029 --> 00:05:36,880

patches of skin on my face and about

138

00:05:40,950 --> 00:05:39,039

half my hair fell out

139

00:05:43,270 --> 00:05:40,960

they kept me in the hospital over a

140

00:05:44,950 --> 00:05:43,280

month with no improvement

141

00:05:46,550 --> 00:05:44,960

it seems to me it takes remarkable inner

142

00:05:49,270 --> 00:05:46,560

strength to survive an ordeal like that

143

00:05:52,390 --> 00:05:49,280

how are you doing now i have cancer

144

00:05:55,189 --> 00:05:52,400

i was operated on in march 1983 and the

145

00:05:57,909 --> 00:05:55,199

doctors could not say if they got it all

146

00:05:58,870 --> 00:05:57,919

now some days i'm okay other days are

147

00:06:00,070 --> 00:05:58,880

terrible

148

00:06:01,670 --> 00:06:00,080

has the government ever expressed a

149

00:06:03,029 --> 00:06:01,680

willingness to take responsibility for

150

00:06:05,510 --> 00:06:03,039

this thing no

151

00:06:07,510 --> 00:06:05,520

and i'm mad i'm mad as hell and
