

SCHOOLYARD UFO ENCOUNTERS

Preston Dennett

1
00:00:06,710 --> 00:00:04,309
yeah have you received any reports

2
00:00:08,310 --> 00:00:06,720
uh monday on a ufo sighting in the uh

3
00:00:11,350 --> 00:00:08,320
downey

4
00:00:13,110 --> 00:00:11,360
lakewood area

5
00:00:14,629 --> 00:00:13,120
no sir did you see something well my

6
00:00:16,470 --> 00:00:14,639
little girl and her classmates saw it

7
00:00:17,910 --> 00:00:16,480
and then i found well this is monday

8
00:00:19,910 --> 00:00:17,920
when they saw

9
00:00:21,670 --> 00:00:19,920
they were playing at a school

10
00:00:24,950 --> 00:00:21,680
and

11
00:00:26,550 --> 00:00:24,960
then i heard from other people

12
00:00:28,230 --> 00:00:26,560
who also

13
00:00:29,750 --> 00:00:28,240

my mother-in-law who teaches

14

00:00:31,589 --> 00:00:29,760

different people in her class were

15

00:00:33,510 --> 00:00:31,599

talking about it but my little girl and

16

00:00:35,110 --> 00:00:33,520

her classmates

17

00:00:37,110 --> 00:00:35,120

got the

18

00:00:37,830 --> 00:00:37,120

they came right down over their school

19

00:00:39,270 --> 00:00:37,840

and

20

00:00:41,430 --> 00:00:39,280

they were able to

21

00:00:42,630 --> 00:00:41,440

make drawings of it

22

00:00:44,389 --> 00:00:42,640

and

23

00:00:46,549 --> 00:00:44,399

this was monday around oh i would guess

24

00:00:47,910 --> 00:00:46,559

around 11 o'clock 11 30

25

00:00:50,389 --> 00:00:47,920

and uh

26

00:00:51,750 --> 00:00:50,399

we're in a apartment complex right

27

00:00:53,510 --> 00:00:51,760

practice practically right behind the

28

00:00:55,350 --> 00:00:53,520

school

29

00:00:57,029 --> 00:00:55,360

and uh

30

00:01:01,830 --> 00:00:57,039

on monday at

31

00:01:02,549 --> 00:01:01,840

i say between 11 11 30 uh a vibration

32

00:01:05,670 --> 00:01:02,559

uh

33

00:01:07,830 --> 00:01:05,680

kind of started in the apartment

34

00:01:08,950 --> 00:01:07,840

uh in which we're we're living i don't

35

00:01:10,710 --> 00:01:08,960

know if it was felt throughout the rest

36

00:01:12,630 --> 00:01:10,720

of the units but anyway the the

37

00:01:14,710 --> 00:01:12,640

apartment in which we're living

38

00:01:17,270 --> 00:01:14,720

start to vibrate and i didn't connect it

39

00:01:19,429 --> 00:01:17,280

too until she told us the uh

40

00:01:21,429 --> 00:01:19,439

told us of this uh

41

00:01:23,190 --> 00:01:21,439

well she described it and she told us

42

00:01:25,109 --> 00:01:23,200

that evening monday evening about it and

43

00:01:26,550 --> 00:01:25,119

i happen to think of that vibration

44

00:01:28,149 --> 00:01:26,560

which i couldn't

45

00:01:30,710 --> 00:01:28,159

account for because when it started when

46

00:01:32,630 --> 00:01:30,720

it when it started i it wasn't caused by

47

00:01:34,390 --> 00:01:32,640

anything i could

48

00:01:35,749 --> 00:01:34,400

relate it to

49

00:01:38,149 --> 00:01:35,759

and

50

00:01:40,390 --> 00:01:38,159

so so anyway i was curious because she

51
00:01:42,630 --> 00:01:40,400
she wasn't the first one to see it some

52
00:01:44,230 --> 00:01:42,640
of her classmates saw it and then then

53
00:01:45,350 --> 00:01:44,240
our little girl saw it and she's seven

54
00:01:47,910 --> 00:01:45,360
she

55
00:01:49,109 --> 00:01:47,920
it

56
00:01:50,469 --> 00:01:49,119
and

57
00:01:54,950 --> 00:01:50,479
the stories

58
00:01:57,830 --> 00:01:54,960
all corroborate

59
00:01:59,910 --> 00:01:57,840
so i called the school and they uh

60
00:02:01,990 --> 00:01:59,920
to ask if there was any if the children

61
00:02:04,469 --> 00:02:02,000
had been talking about it and they said

62
00:02:06,230 --> 00:02:04,479
no no they not to their knowledge

63
00:02:09,510 --> 00:02:06,240

but they did talk to the

64

00:02:11,430 --> 00:02:09,520

girls i saw it

65

00:02:13,270 --> 00:02:11,440

okay what uh what kind of description

66

00:02:15,030 --> 00:02:13,280

did they give well see

67

00:02:16,390 --> 00:02:15,040

the way the way friday it was that they

68

00:02:17,750 --> 00:02:16,400

were playing

69

00:02:20,869 --> 00:02:17,760

and

70

00:02:22,790 --> 00:02:20,879

it's the

71

00:02:25,830 --> 00:02:22,800

elementary school and they

72

00:02:27,510 --> 00:02:25,840

the one classmate

73

00:02:29,270 --> 00:02:27,520

called the other

74

00:02:32,710 --> 00:02:29,280

other children's attention to it and she

75

00:02:34,550 --> 00:02:32,720

said it was like a big silver ball

76

00:02:36,470 --> 00:02:34,560

and she said it was she said was as

77

00:02:39,030 --> 00:02:36,480

bright as the sun seemed to be as bright

78

00:02:40,949 --> 00:02:39,040

as the sun it was coming

79

00:02:43,190 --> 00:02:40,959

and it was over the school

80

00:02:45,350 --> 00:02:43,200

and on that on that day monday it was

81

00:02:47,830 --> 00:02:45,360

the visibility here was perfect the sky

82

00:02:48,790 --> 00:02:47,840

was blue there was there were no clouds

83

00:02:50,630 --> 00:02:48,800

and uh

84

00:02:52,229 --> 00:02:50,640

and it was a unusually clear condition

85

00:02:53,670 --> 00:02:52,239

there was no smog

86

00:02:55,509 --> 00:02:53,680

and she said that

87

00:02:56,869 --> 00:02:55,519

and she said it's like a big silver ball

88

00:03:00,229 --> 00:02:56,879

and then she said

89

00:03:02,630 --> 00:03:00,239

it was surrounded by rings of color

90

00:03:04,790 --> 00:03:02,640

and she said it was like trying to come

91

00:03:06,149 --> 00:03:04,800

down to us and

92

00:03:07,830 --> 00:03:06,159

she then said

93

00:03:09,509 --> 00:03:07,840

in the center of it there appeared

94

00:03:12,309 --> 00:03:09,519

another bright sun she said a real

95

00:03:14,470 --> 00:03:12,319

bright sun in the center of it

96

00:03:17,509 --> 00:03:14,480

and that got real bright

97

00:03:18,949 --> 00:03:17,519

and at that point they became frightened

98

00:03:21,750 --> 00:03:18,959

so i said how large was it she said it

99

00:03:23,990 --> 00:03:21,760

was about as large as a street

100

00:03:25,589 --> 00:03:24,000

well she meant as as large as a street

101
00:03:28,229 --> 00:03:25,599
as wide i guess

102
00:03:30,630 --> 00:03:28,239
and we took her to the school and

103
00:03:33,270 --> 00:03:30,640
and on the school playground like they

104
00:03:36,309 --> 00:03:33,280
had these um areas

105
00:03:37,910 --> 00:03:36,319
more stenciled out on the on a paving

106
00:03:40,550 --> 00:03:37,920
for games and so forth and there's a

107
00:03:41,509 --> 00:03:40,560
very large circle and the circle must be

108
00:03:43,910 --> 00:03:41,519
at least

109
00:03:45,509 --> 00:03:43,920
30 feet in diameter and i said now was

110
00:03:47,589 --> 00:03:45,519
it as large as this circle she says oh

111
00:03:48,470 --> 00:03:47,599
yeah she was bigger than that and she

112
00:03:50,869 --> 00:03:48,480
said

113
00:03:52,550 --> 00:03:50,879

they stayed there and it was

114

00:03:54,309 --> 00:03:52,560

watching them she pushed she said it was

115

00:03:55,509 --> 00:03:54,319

watching them so i said well what

116

00:03:57,750 --> 00:03:55,519

happened then she said well the school

117

00:03:59,190 --> 00:03:57,760

bell rang and we went in

118

00:04:01,190 --> 00:03:59,200

and she said i looked over my shoulders

119

00:04:03,750 --> 00:04:01,200

to look at it again and she said she

120

00:04:06,789 --> 00:04:03,760

said it will probably come back tomorrow

121

00:04:10,470 --> 00:04:06,799

so we questioned the other girl

122

00:04:11,589 --> 00:04:10,480

and the story is the same with them and

123

00:04:13,509 --> 00:04:11,599

it's a dangerous thing so my

124

00:04:15,190 --> 00:04:13,519

mother-in-law was at class

125

00:04:16,550 --> 00:04:15,200

the other day and they were talking

126
00:04:20,229 --> 00:04:16,560
about

127
00:04:21,189 --> 00:04:20,239
what

128
00:04:25,590 --> 00:04:21,199
they were talking about more than the

129
00:04:26,950 --> 00:04:25,600
same thing you know a ufo sighting and

130
00:04:28,469 --> 00:04:26,960
so i call the police department see if

131
00:04:30,550 --> 00:04:28,479
there were any reports but it was this

132
00:04:32,550 --> 00:04:30,560
was monday night now so she said you'd

133
00:04:33,590 --> 00:04:32,560
have to call back earlier

134
00:04:35,510 --> 00:04:33,600
tomorrow

135
00:04:38,310 --> 00:04:35,520
so and they gave me your number so the

136
00:04:39,830 --> 00:04:38,320
thing that puzzles me is that that

137
00:04:41,830 --> 00:04:39,840
the kids were able to describe this

138
00:04:43,510 --> 00:04:41,840

thing and oh yeah they were i said well

139

00:04:44,950 --> 00:04:43,520

what were these rings coming out from it

140

00:04:47,030 --> 00:04:44,960

she said well they were like the colors

141

00:04:49,430 --> 00:04:47,040

in the rainbow and then she said she

142

00:04:50,550 --> 00:04:49,440

said no she said they were colored but

143

00:04:53,749 --> 00:04:50,560

they weren't like the rainbow but there

144

00:04:55,110 --> 00:04:53,759

were two rings and they came out from it

145

00:04:56,710 --> 00:04:55,120

and uh

146

00:04:58,230 --> 00:04:56,720

i said now this bright stone that came

147

00:04:59,830 --> 00:04:58,240

out out of the center of it i said was

148

00:05:01,670 --> 00:04:59,840

it bill all the time she said no she

149

00:05:04,469 --> 00:05:01,680

says when it wasn't there before there

150

00:05:07,350 --> 00:05:04,479

was just like a big gray area

151
00:05:09,749 --> 00:05:07,360
so it's a it's just an amazing thing and

152
00:05:11,430 --> 00:05:09,759
then this vibration that we felt in the

153
00:05:14,550 --> 00:05:11,440
apartment complex

154
00:05:16,390 --> 00:05:14,560
happened had to happen at the same time

155
00:05:19,029 --> 00:05:16,400
because i connected the two and they

156
00:05:21,110 --> 00:05:19,039
were at recess around 11 11 30 between

157
00:05:21,990 --> 00:05:21,120
11 11 30 and that's when this vibration

158
00:05:22,710 --> 00:05:22,000
started

159
00:05:24,070 --> 00:05:22,720
and

160
00:05:25,990 --> 00:05:24,080
it only lasted for i would say the

161
00:05:27,590 --> 00:05:26,000
vibration only lasted for

162
00:05:29,029 --> 00:05:27,600
all

163
00:05:30,629 --> 00:05:29,039

uh

164

00:05:35,430 --> 00:05:30,639

10

165

00:05:37,590 --> 00:05:35,440

so uh

166

00:05:39,110 --> 00:05:37,600

so i i think it's i think it's uh it's

167

00:05:43,350 --> 00:05:39,120

just

168

00:05:47,350 --> 00:05:45,909

i'm surprised that uh others at the

169

00:05:48,710 --> 00:05:47,360

school didn't see it but i haven't

170

00:05:51,189 --> 00:05:48,720

really gone over there i was going to

171

00:05:53,110 --> 00:05:51,199

take the drawings that these

172

00:05:55,270 --> 00:05:53,120

little girls made and take them over and

173

00:05:57,189 --> 00:05:55,280

ask perhaps if someone

174

00:05:58,870 --> 00:05:57,199

maybe an adult teacher or someone else

175

00:06:00,550 --> 00:05:58,880

might have seen it

176
00:06:01,350 --> 00:06:00,560
okay did they actually see this object

177
00:06:07,830 --> 00:06:01,360
leave

178
00:06:09,990 --> 00:06:07,840
no they all went into the um

179
00:06:12,070 --> 00:06:10,000
they all went back into the classroom oh

180
00:06:13,270 --> 00:06:12,080
i see yeah and uh she said when she

181
00:06:16,070 --> 00:06:13,280
looked over her shoulder it was still

182
00:06:20,390 --> 00:06:17,749
okay did they give any estimate of how

183
00:06:23,029 --> 00:06:20,400
high that thing was yeah yeah

184
00:06:24,309 --> 00:06:23,039
yeah i was trying to i was trying to i

185
00:06:25,350 --> 00:06:24,319
was trying to

186
00:06:29,749 --> 00:06:25,360
uh

187
00:06:30,469 --> 00:06:29,759
have her give me an idea and

188
00:06:33,990 --> 00:06:30,479

i

189

00:06:35,990 --> 00:06:34,000

poles and

190

00:06:38,150 --> 00:06:36,000

it would be my guess she pointed to a

191

00:06:40,070 --> 00:06:38,160

really high pole and it would be my

192

00:06:41,110 --> 00:06:40,080

guess it was

193

00:06:42,950 --> 00:06:41,120

uh

194

00:06:44,230 --> 00:06:42,960

oh at least several hundred

195

00:06:46,309 --> 00:06:44,240

feet maybe

196

00:06:48,710 --> 00:06:46,319

several hundred feet off the ground

197

00:06:50,629 --> 00:06:48,720

but some but from the way she describes

198

00:06:54,680 --> 00:06:50,639

it as large as she described it like

199

00:06:58,150 --> 00:06:56,550

[Music]

200

00:07:02,870 --> 00:06:58,160

yeah

201
00:07:04,469 --> 00:07:02,880
see see my wife was saying that after

202
00:07:06,390 --> 00:07:04,479
she drew the picture

203
00:07:09,350 --> 00:07:06,400
we have a uh

204
00:07:11,589 --> 00:07:09,360
a film can here it's like a can they put

205
00:07:13,189 --> 00:07:11,599
film in and i said uh

206
00:07:15,029 --> 00:07:13,199
well well the funny part of it was when

207
00:07:16,790 --> 00:07:15,039
it did the drawings i said now you draw

208
00:07:18,469 --> 00:07:16,800
what it looked like so she drew her

209
00:07:19,749 --> 00:07:18,479
classmates on the ground on a separate

210
00:07:22,390 --> 00:07:19,759
piece of paper and

211
00:07:24,870 --> 00:07:22,400
the playground was the trees and swings

212
00:07:27,270 --> 00:07:24,880
and she named each of her friends

213
00:07:29,589 --> 00:07:27,280

and and then uh she drew on another

214

00:07:31,510 --> 00:07:29,599

piece of paper the round object and she

215

00:07:34,150 --> 00:07:31,520

drew it perfectly round and around the

216

00:07:35,589 --> 00:07:34,160

the perimeter she put these two rings

217

00:07:37,430 --> 00:07:35,599

that were coming out from it and then

218

00:07:40,230 --> 00:07:37,440

right in the center she drew

219

00:07:41,270 --> 00:07:40,240

a a smaller circle which she colored

220

00:07:42,469 --> 00:07:41,280

yellow

221

00:07:44,550 --> 00:07:42,479

so

222

00:07:45,830 --> 00:07:44,560

she was trying to i was looking at her

223

00:07:48,469 --> 00:07:45,840

she didn't know i was watching her but

224

00:07:50,230 --> 00:07:48,479

she she was told because she put the

225

00:07:52,869 --> 00:07:50,240

piece of paper that had the

226

00:07:54,869 --> 00:07:52,879

the object on it above the piece of

227

00:07:56,710 --> 00:07:54,879

paper that had her she and her

228

00:07:59,990 --> 00:07:56,720

classmates playing

229

00:08:02,309 --> 00:08:00,000

and uh and she wasn't and she wasn't uh

230

00:08:04,790 --> 00:08:02,319

she knew she wasn't quite getting it uh

231

00:08:06,950 --> 00:08:04,800

the way she wanted it so my wife put the

232

00:08:09,029 --> 00:08:06,960

paper on what she drew the object at

233

00:08:10,390 --> 00:08:09,039

right angles and she says yes she says

234

00:08:12,710 --> 00:08:10,400

that's that's how it was like right

235

00:08:14,710 --> 00:08:12,720

above us so then we held up this film

236

00:08:16,469 --> 00:08:14,720

can and we said now was it solid looking

237

00:08:18,469 --> 00:08:16,479

like this was it metallic looking and

238

00:08:20,469 --> 00:08:18,479

she says yes she says with silver and

239

00:08:22,469 --> 00:08:20,479

metallic looking

240

00:08:24,710 --> 00:08:22,479

and uh

241

00:08:26,550 --> 00:08:24,720

so the size of it

242

00:08:28,790 --> 00:08:26,560

if it was as if it was larger than this

243

00:08:30,550 --> 00:08:28,800

circle it had to be quite low because

244

00:08:33,829 --> 00:08:30,560

this circle as i said is at least 30

245

00:08:36,550 --> 00:08:33,839

feet in in diameter

246

00:08:38,949 --> 00:08:36,560

so uh she she gave as good a description

247

00:08:41,110 --> 00:08:38,959

of it of something that you could uh

248

00:08:43,909 --> 00:08:41,120

certainly ever ever hope for did they

249

00:08:46,310 --> 00:08:43,919

hear any sound no i asked her and she

250

00:08:47,990 --> 00:08:46,320

says no there was no sound

251
00:08:49,670 --> 00:08:48,000
but and when she said when we asked if

252
00:08:51,430 --> 00:08:49,680
there was if there was any sound she

253
00:08:53,430 --> 00:08:51,440
said there was no sound that's when i

254
00:08:55,030 --> 00:08:53,440
kicked next that's when i remember the

255
00:08:55,990 --> 00:08:55,040
vibration

256
00:08:59,269 --> 00:08:56,000
okay

257
00:09:01,990 --> 00:08:59,279
and so whatever that vibration was

258
00:09:04,150 --> 00:09:02,000
it was uh it was very unsettling the

259
00:09:06,389 --> 00:09:04,160
vibration when it when it started it was

260
00:09:09,190 --> 00:09:06,399
really unsettling because it was like a

261
00:09:11,190 --> 00:09:09,200
high intensity vibration and that is the

262
00:09:13,269 --> 00:09:11,200
decision things weren't rattling it was

263
00:09:14,630 --> 00:09:13,279

like a very high

264

00:09:17,110 --> 00:09:14,640

uh um

265

00:09:20,310 --> 00:09:17,120

or however you might describe it things

266

00:09:22,710 --> 00:09:20,320

are just like like humming uh-huh

267

00:09:25,030 --> 00:09:22,720

okay

268

00:09:27,350 --> 00:09:25,040

and how old was she she's seven seven

269

00:09:30,550 --> 00:09:28,550

i asked her if the rest of her

270

00:09:31,990 --> 00:09:30,560

classmates saw and she said uh well she

271

00:09:34,070 --> 00:09:32,000

didn't know because they were looking up

272

00:09:35,590 --> 00:09:34,080

at it but she uh

273

00:09:37,590 --> 00:09:35,600

she wasn't the first one to see it was

274

00:09:39,269 --> 00:09:37,600

her friend and then about four

275

00:09:40,630 --> 00:09:39,279

of her friends were all looking up at it

276

00:09:41,990 --> 00:09:40,640

she said and and

277

00:09:44,470 --> 00:09:42,000

and she said they were looking straight

278

00:09:45,990 --> 00:09:44,480

up at it so she trained her

279

00:09:47,990 --> 00:09:46,000

put her head back and

280

00:09:49,829 --> 00:09:48,000

it had to be almost directly overhead

281

00:09:51,350 --> 00:09:49,839

okay did they actually see this thing

282

00:09:54,550 --> 00:09:51,360

descending towards them or was it

283

00:09:56,870 --> 00:09:54,560

stationary i i don't know i don't know

284

00:09:59,509 --> 00:09:56,880

when this uh when thought i would have

285

00:10:01,509 --> 00:09:59,519

to have to ask her that did she

286

00:10:03,670 --> 00:10:01,519

mention how many were in that group of

287

00:10:05,110 --> 00:10:03,680

children about i would say about four or

288

00:10:07,590 --> 00:10:05,120

five

289

00:10:09,110 --> 00:10:07,600

okay yeah she knows them by name because

290

00:10:11,110 --> 00:10:09,120

i guess they all

291

00:10:12,949 --> 00:10:11,120

they're all the same age

292

00:10:14,949 --> 00:10:12,959

do you still have those drawings well

293

00:10:17,350 --> 00:10:14,959

yeah yeah we have the drawings and

294

00:10:19,269 --> 00:10:17,360

they're uh they're really they're you

295

00:10:20,550 --> 00:10:19,279

know they're really

296

00:10:22,069 --> 00:10:20,560

uh

297

00:10:23,670 --> 00:10:22,079

they're humorous because the way she

298

00:10:25,750 --> 00:10:23,680

does the the relationship with the

299

00:10:28,310 --> 00:10:25,760

children and then they uh

300

00:10:30,310 --> 00:10:28,320

and then this object

301
00:10:32,630 --> 00:10:30,320
okay is there any possibility of getting

302
00:10:35,190 --> 00:10:32,640
those oh sure sure

303
00:10:37,350 --> 00:10:35,200
be happy to get a letter off to you

304
00:10:38,790 --> 00:10:37,360
about that

305
00:10:41,110 --> 00:10:38,800
all right sir well we sure appreciate

306
00:10:43,350 --> 00:10:41,120
this report and we're going to check

307
00:10:45,509 --> 00:10:43,360
into this right away and see if we can't

308
00:10:48,310 --> 00:10:45,519
come up with some information on it

309
00:10:51,110 --> 00:10:48,320
and uh it's uh the object which she has

310
00:10:53,430 --> 00:10:51,120
described where you described to me

311
00:10:55,990 --> 00:10:53,440
would uh fit the category of what we

312
00:10:59,110 --> 00:10:56,000
refer to as the saturn type object the

313
00:11:01,030 --> 00:10:59,120

sphere surrounded by

314

00:11:03,350 --> 00:11:01,040

rotating bands

315

00:11:06,230 --> 00:11:03,360

or colored bands right down through the

316

00:11:11,350 --> 00:11:08,949

and uh

317

00:11:13,110 --> 00:11:11,360

it comes a surprise that this uh took

318

00:11:20,630 --> 00:11:13,120

place in broad daylight like this

319

00:11:23,910 --> 00:11:22,550

but we're going to uh we'll check into

320

00:11:26,150 --> 00:11:23,920

it anyway see if we can't come up with

321

00:11:27,590 --> 00:11:26,160

some more information and uh if we get

322

00:11:29,030 --> 00:11:27,600

it we'll get back to you and let you

323

00:11:30,389 --> 00:11:29,040

know okay

324

00:11:35,750 --> 00:11:30,399

okay well thank you now thank you very

325

00:11:39,750 --> 00:11:37,269

yes sir i'm calling for the ufo

326

00:11:42,069 --> 00:11:39,760

reporting center in washington oh yes

327

00:11:44,710 --> 00:11:42,079

and we had an unnamed caller left a

328

00:11:45,990 --> 00:11:44,720

message at our office today regarding uh

329

00:11:47,670 --> 00:11:46,000

something that you were supposed to have

330

00:11:49,590 --> 00:11:47,680

seen several days ago

331

00:11:52,230 --> 00:11:49,600

uh where are you calling from

332

00:11:54,470 --> 00:11:52,240

seattle washington oh no that was my son

333

00:11:56,470 --> 00:11:54,480

left you that i see

334

00:11:58,710 --> 00:11:56,480

no that was i didn't see it myself this

335

00:11:59,590 --> 00:11:58,720

happened about a block away from where i

336

00:12:02,470 --> 00:11:59,600

live

337

00:12:04,870 --> 00:12:02,480

about 15 school children saw it

338

00:12:06,710 --> 00:12:04,880

and the teacher oh i see

339

00:12:08,069 --> 00:12:06,720

and one of the school children was my

340

00:12:09,590 --> 00:12:08,079

daughter

341

00:12:11,430 --> 00:12:09,600

that's how it came to mind what was a

342

00:12:13,350 --> 00:12:11,440

wonderful fight

343

00:12:16,310 --> 00:12:13,360

the thing hung there for five minutes

344

00:12:18,150 --> 00:12:16,320

and all the kids just stared at it

345

00:12:19,430 --> 00:12:18,160

uh

346

00:12:21,110 --> 00:12:19,440

do you want me to tell you about it yes

347

00:12:37,190 --> 00:12:21,120

sir we'd like to hear all about it well

348

00:12:41,269 --> 00:12:40,230

it right behind the school

349

00:12:43,190 --> 00:12:41,279

and uh

350

00:12:45,030 --> 00:12:43,200

at 8 30

351
00:12:46,629 --> 00:12:45,040
they saw this thing go down in that

352
00:12:48,230 --> 00:12:46,639
canyon now whether it ever landed there

353
00:12:49,430 --> 00:12:48,240
or just hovered down in there i don't

354
00:12:50,230 --> 00:12:49,440
know

355
00:12:51,509 --> 00:12:50,240
and

356
00:12:53,030 --> 00:12:51,519
they were trying to climb there was a

357
00:12:53,829 --> 00:12:53,040
fence around the playground of course

358
00:12:55,110 --> 00:12:53,839
and they couldn't get out of the

359
00:12:56,550 --> 00:12:55,120
playground but they were trying to climb

360
00:12:58,550 --> 00:12:56,560
the fence so they could look down into

361
00:13:00,949 --> 00:12:58,560
cannon but they couldn't see it

362
00:13:02,870 --> 00:13:00,959
and then an hour later at 9 30 this

363
00:13:04,550 --> 00:13:02,880

thing came up out of the canyon

364

00:13:05,670 --> 00:13:04,560

and just hovered right at eye level

365

00:13:07,030 --> 00:13:05,680

where they could look right in the

366

00:13:10,710 --> 00:13:07,040

windows and everything see the people

367

00:13:13,509 --> 00:13:11,430

and

368

00:13:14,790 --> 00:13:13,519

it just it just over there for about

369

00:13:16,710 --> 00:13:14,800

five minutes

370

00:13:20,310 --> 00:13:16,720

and and finally it raised up and they

371

00:13:23,110 --> 00:13:20,320

came over and it circled the school yard

372

00:13:25,110 --> 00:13:23,120

and uh with all the kids looking at it

373

00:13:27,190 --> 00:13:25,120

and then it they say it disappeared just

374

00:13:29,509 --> 00:13:27,200

by going right straight up in the air or

375

00:13:31,430 --> 00:13:29,519

disappeared out of sight

376
00:13:32,470 --> 00:13:31,440
now the strange thing about this whole

377
00:13:34,069 --> 00:13:32,480
thing

378
00:13:35,430 --> 00:13:34,079
they run in and tell their teacher what

379
00:13:38,230 --> 00:13:35,440
they saw and the teacher said just

380
00:13:39,670 --> 00:13:38,240
forget it forget you saw anything

381
00:13:41,910 --> 00:13:39,680
and uh

382
00:13:43,430 --> 00:13:41,920
i can't understand that mentality

383
00:13:45,269 --> 00:13:43,440
they just baffled me even and the

384
00:13:47,350 --> 00:13:45,279
teacher that stood there and saw it with

385
00:13:50,069 --> 00:13:47,360
him told the kids to forget they saw

386
00:13:52,389 --> 00:13:50,079
anything right well we run into this

387
00:13:54,389 --> 00:13:52,399
yes it just didn't

388
00:13:56,150 --> 00:13:54,399

it baffles me and enrages me at the same

389

00:13:58,069 --> 00:13:56,160

time that they would tell my

390

00:14:00,069 --> 00:13:58,079

you know to see a ufo was one of the

391

00:14:01,829 --> 00:14:00,079

sites seeing a century

392

00:14:02,949 --> 00:14:01,839

one of the great sites if you're lucky

393

00:14:04,629 --> 00:14:02,959

enough to see one and they're my

394

00:14:06,629 --> 00:14:04,639

daughter soul and then told

395

00:14:08,629 --> 00:14:06,639

you know told to forget about it right

396

00:14:11,189 --> 00:14:08,639

uh how old was your daughter he's ten

397

00:14:13,509 --> 00:14:11,199

two two ten that's a good observing age

398

00:14:15,269 --> 00:14:13,519

yeah and there was a girl that had a

399

00:14:17,430 --> 00:14:15,279

pair of binoculars just had a bear they

400

00:14:18,870 --> 00:14:17,440

were going to watch birds or something

401
00:14:20,949 --> 00:14:18,880
and she watched these things through

402
00:14:22,389 --> 00:14:20,959
binoculars and we went over the house to

403
00:14:24,310 --> 00:14:22,399
see her

404
00:14:26,389 --> 00:14:24,320
and because the teacher we didn't see

405
00:14:28,550 --> 00:14:26,399
her now she wasn't there but my wife saw

406
00:14:31,110 --> 00:14:28,560
her later that day in a store and she

407
00:14:33,750 --> 00:14:32,389
i didn't see anything we didn't see

408
00:14:35,430 --> 00:14:33,760
anything

409
00:14:38,310 --> 00:14:35,440
and the girl was probably the best that

410
00:14:41,269 --> 00:14:38,320
saw the thing best of all you know

411
00:14:42,710 --> 00:14:41,279
but turned off by the teacher's attitude

412
00:14:45,030 --> 00:14:42,720
and another little boy that was all

413
00:14:47,030 --> 00:14:45,040

excited about it and everything like

414

00:14:48,310 --> 00:14:47,040

his reaction was the same thing uh that

415

00:14:50,310 --> 00:14:48,320

wasn't nothing

416

00:14:52,790 --> 00:14:50,320

but at the time my daughter was telling

417

00:14:54,550 --> 00:14:52,800

me he was all excited he knew what a ufo

418

00:14:56,470 --> 00:14:54,560

was and everything but

419

00:14:59,350 --> 00:14:56,480

that they turned them off on it did you

420

00:15:00,870 --> 00:14:59,360

run into that all the time oh yes sure

421

00:15:03,350 --> 00:15:00,880

now do you remember the exact date on

422

00:15:05,910 --> 00:15:03,360

that yeah it was uh

423

00:15:07,350 --> 00:15:05,920

friday a week ago

424

00:15:08,949 --> 00:15:07,360

in the morning

425

00:15:10,870 --> 00:15:08,959

i'd had to get a counter take that would

426

00:15:13,590 --> 00:15:10,880

be a week ago last friday this last

427

00:15:16,550 --> 00:15:13,600

friday

428

00:15:19,430 --> 00:15:16,560

yeah that's right yeah that's right

429

00:15:22,629 --> 00:15:20,870

you know the real story is to get these

430

00:15:24,870 --> 00:15:22,639

kids together and get them

431

00:15:25,590 --> 00:15:24,880

within let them tell you what they saw

432

00:15:27,350 --> 00:15:25,600

but

433

00:15:28,710 --> 00:15:27,360

it was uh oh we did talk to some other

434

00:15:30,550 --> 00:15:28,720

kids that

435

00:15:31,990 --> 00:15:30,560

that uh thought there was about five

436

00:15:34,790 --> 00:15:32,000

kids in one family and they were all

437

00:15:35,590 --> 00:15:34,800

excited about it and uh

438

00:15:37,749 --> 00:15:35,600

and

439

00:15:44,389 --> 00:15:37,759

i tried to collaborate what everyone

440

00:15:48,470 --> 00:15:46,470

but my daughter says it did make a noise

441

00:15:49,829 --> 00:15:48,480

like a slight roar you know

442

00:15:51,269 --> 00:15:49,839

but they all agreed on the color and

443

00:15:52,629 --> 00:15:51,279

they all agreed that it had windows in

444

00:15:54,550 --> 00:15:52,639

the side they all agreed that you could

445

00:15:55,430 --> 00:15:54,560

look in and see

446

00:16:00,790 --> 00:15:55,440

people

447

00:16:02,629 --> 00:16:00,800

the one boy said they look like the head

448

00:16:04,150 --> 00:16:02,639

mask over their faces

449

00:16:06,790 --> 00:16:04,160

and my little girl said they look like

450

00:16:09,430 --> 00:16:06,800

their faces were all rough like

451
00:16:12,069 --> 00:16:09,440
funny observation you know yeah

452
00:16:13,749 --> 00:16:12,079
but they generally agreed where it was

453
00:16:16,150 --> 00:16:13,759
what it did and how it disappeared they

454
00:16:18,389 --> 00:16:16,160
all agreed on that you know it just it

455
00:16:20,069 --> 00:16:18,399
circled over the schoolyard and just

456
00:16:21,590 --> 00:16:20,079
went right on straight up in the air and

457
00:16:24,389 --> 00:16:21,600
they never saw it again

458
00:16:26,629 --> 00:16:24,399
now this is a ufo this is no

459
00:16:28,389 --> 00:16:26,639
helicopter or an airplane because my

460
00:16:31,269 --> 00:16:28,399
little girl has seen thousands of them

461
00:16:32,870 --> 00:16:31,279
you know she could possibly have okay

462
00:16:35,110 --> 00:16:32,880
what kind of description did she give of

463
00:16:37,350 --> 00:16:35,120

this vehicle

464

00:16:39,749 --> 00:16:37,360

silver silver silver

465

00:16:41,350 --> 00:16:39,759

and she said it daddy looked just like a

466

00:16:42,629 --> 00:16:41,360

plate it was flat on the bottom and

467

00:16:44,790 --> 00:16:42,639

round on the top

468

00:16:47,670 --> 00:16:44,800

the traditional saucer thing you know

469

00:16:49,590 --> 00:16:47,680

right and uh and it had

470

00:16:52,389 --> 00:16:49,600

and they made another observation here

471

00:16:53,110 --> 00:16:52,399

that as it caught the light of the sun

472

00:16:54,790 --> 00:16:53,120

uh

473

00:16:57,110 --> 00:16:54,800

certain

474

00:16:58,710 --> 00:16:57,120

parts of it would just flash

475

00:17:00,870 --> 00:16:58,720

brilliantly now whether that was just

476

00:17:07,909 --> 00:17:00,880

the

477

00:17:10,470 --> 00:17:07,919

object itself you know right but it

478

00:17:11,590 --> 00:17:10,480

flashed brilliantly and it had lights on

479

00:17:12,710 --> 00:17:11,600

it

480

00:17:16,230 --> 00:17:12,720

yellow

481

00:17:18,230 --> 00:17:16,240

blue light on it that blinked

482

00:17:20,870 --> 00:17:18,240

and that object actually came up over

483

00:17:22,230 --> 00:17:20,880

the schoolyard came up yeah but the best

484

00:17:24,150 --> 00:17:22,240

observation was when it come out his

485

00:17:26,069 --> 00:17:24,160

little canyon behind that went down in

486

00:17:27,669 --> 00:17:26,079

that canyon i'm disabled right now and

487

00:17:29,669 --> 00:17:27,679

i'm on crutches and i couldn't really

488

00:17:32,950 --> 00:17:29,679

get around very good down there

489

00:17:35,830 --> 00:17:32,960

and it we covered about maybe one-fourth

490

00:17:37,029 --> 00:17:35,840

of the canyon the next the next two days

491

00:17:38,630 --> 00:17:37,039

trying to see if we can see anything

492

00:17:40,710 --> 00:17:38,640

down there you know but

493

00:17:42,390 --> 00:17:40,720

like it's so bushy

494

00:17:45,350 --> 00:17:42,400

and hard to get around there i really

495

00:17:47,430 --> 00:17:45,360

couldn't go over it right

496

00:17:49,750 --> 00:17:47,440

you take a table body you know two or

497

00:17:52,390 --> 00:17:49,760

three able-bodied men could go over that

498

00:17:55,029 --> 00:17:52,400

in an hour right yeah right because it's

499

00:17:57,190 --> 00:17:55,039

just a small can just a little thing

500

00:17:58,549 --> 00:17:57,200

okay did your daughter make any drawings

501
00:18:00,470 --> 00:17:58,559
or sketches yeah she did make me a

502
00:18:02,789 --> 00:18:00,480
little drawing yeah

503
00:18:04,230 --> 00:18:02,799
i asked her to draw me

504
00:18:05,909 --> 00:18:04,240
we had her i guess she still got it i

505
00:18:09,830 --> 00:18:05,919
don't know what's around here

506
00:18:12,549 --> 00:18:10,710
okay

507
00:18:13,430 --> 00:18:12,559
and how many witnesses or kids do you

508
00:18:16,470 --> 00:18:13,440
think there

509
00:18:17,830 --> 00:18:16,480
with at least 15 kids

510
00:18:23,190 --> 00:18:17,840
and the teacher

511
00:18:25,750 --> 00:18:23,200
uh

512
00:18:27,190 --> 00:18:25,760
but i've forgotten right now okay anyway

513
00:18:29,830 --> 00:18:27,200

but you know i

514

00:18:32,789 --> 00:18:29,840

i called a san diego paper they had no

515

00:18:34,710 --> 00:18:32,799

interest in it at all i called channel 8

516

00:18:37,430 --> 00:18:34,720

which is the local tv and they had no

517

00:18:38,870 --> 00:18:37,440

interest in at all i i felt society i

518

00:18:40,710 --> 00:18:38,880

was disappointed i thought

519

00:18:42,470 --> 00:18:40,720

society was more sophisticated at this

520

00:18:43,830 --> 00:18:42,480

time and that sort of thing

521

00:18:45,510 --> 00:18:43,840

but they

522

00:18:47,190 --> 00:18:45,520

they're hung up on their old spheres i

523

00:18:49,029 --> 00:18:47,200

guess they always did you know something

524

00:18:51,669 --> 00:18:49,039

you don't understand

525

00:18:53,750 --> 00:18:51,679

forget it right

526

00:18:57,110 --> 00:18:53,760

well this is very interesting and as

527

00:18:59,190 --> 00:18:57,120

much as we had a

528

00:19:02,390 --> 00:18:59,200

somewhat similar incident happen near

529

00:19:04,710 --> 00:19:02,400

downey on the first monday or the second

530

00:19:07,110 --> 00:19:04,720

monday the second of may up and down

531

00:19:08,950 --> 00:19:07,120

yeah right uh

532

00:19:10,470 --> 00:19:08,960

yeah right the object came down right

533

00:19:12,950 --> 00:19:10,480

over the schoolyard right in the middle

534

00:19:14,630 --> 00:19:12,960

of recess it did well the same thing

535

00:19:16,710 --> 00:19:14,640

happened here yeah

536

00:19:19,590 --> 00:19:16,720

and why was that described just as a

537

00:19:22,830 --> 00:19:19,600

very bright silver object they couldn't

538

00:19:25,909 --> 00:19:22,840

make out any real uh structural

539

00:19:28,310 --> 00:19:25,919

uh parts on the object

540

00:19:30,310 --> 00:19:28,320

of the brilliant light and

541

00:19:32,470 --> 00:19:30,320

of course the in this particular case

542

00:19:34,310 --> 00:19:32,480

the students they got

543

00:19:36,549 --> 00:19:34,320

quite panic stricken and ran into the

544

00:19:39,190 --> 00:19:36,559

school and uh by the time they looked

545

00:19:41,029 --> 00:19:39,200

back out again the thing had gone

546

00:19:43,669 --> 00:19:41,039

what day was that was that anywhere near

547

00:19:44,870 --> 00:19:43,679

the friday that uh it was may 2nd monday

548

00:19:46,870 --> 00:19:44,880

may 2nd

549

00:19:48,150 --> 00:19:46,880

so that was in the same week

550

00:19:50,310 --> 00:19:48,160

right

551

00:19:52,310 --> 00:19:50,320

that's interesting

552

00:19:53,830 --> 00:19:52,320

but they didn't have the same situation

553

00:19:55,750 --> 00:19:53,840

there where the teachers told the kids

554

00:19:58,390 --> 00:19:55,760

or maybe they were my knowledge not when

555

00:19:59,830 --> 00:19:58,400

i talked to the one of the girl's father

556

00:20:02,310 --> 00:19:59,840

and uh

557

00:20:03,990 --> 00:20:02,320

he had uh

558

00:20:06,870 --> 00:20:04,000

pretty well quizzed his daughter

559

00:20:09,190 --> 00:20:06,880

regarding the incident and he was going

560

00:20:10,789 --> 00:20:09,200

to get in contact with other parents

561

00:20:12,310 --> 00:20:10,799

whose children were involved and see if

562

00:20:14,310 --> 00:20:12,320

they couldn't correlate all the

563

00:20:16,630 --> 00:20:14,320

information was that were they older or

564

00:20:17,750 --> 00:20:16,640

what what grade were they

565

00:20:19,350 --> 00:20:17,760

great school

566

00:20:21,270 --> 00:20:19,360

elementary huh right yeah this is

567

00:20:23,029 --> 00:20:21,280

elementary time

568

00:20:25,270 --> 00:20:23,039

up to sixth grade i think his daughter

569

00:20:26,230 --> 00:20:25,280

was about seven and a half oh something

570

00:20:28,390 --> 00:20:26,240

like that

571

00:20:30,070 --> 00:20:28,400

and uh how how many people saw it how

572

00:20:31,750 --> 00:20:30,080

many children saw it i don't remember

573

00:20:32,710 --> 00:20:31,760

the group but it's pretty large group of

574

00:20:35,190 --> 00:20:32,720

kids

575

00:20:36,630 --> 00:20:35,200

she's only five days away huh they saw

576

00:20:39,350 --> 00:20:36,640

it on monday and then this thing was

577

00:20:40,870 --> 00:20:39,360

seen again on that same friday

578

00:20:42,630 --> 00:20:40,880

what in the world it would do what would

579

00:20:44,789 --> 00:20:42,640

it be doing down in that canyon for an

580

00:20:47,270 --> 00:20:44,799

hour

581

00:20:48,950 --> 00:20:47,280

do you have any ideas well of course in

582

00:20:50,870 --> 00:20:48,960

down in the canyons like that is quite

583

00:20:53,190 --> 00:20:50,880

common for these vehicles but what is

584

00:20:55,110 --> 00:20:53,200

really important is the fact that uh the

585

00:20:56,789 --> 00:20:55,120

incident occurred during daylight hours

586

00:20:58,630 --> 00:20:56,799

which is very rare

587

00:21:00,230 --> 00:20:58,640

yeah oh was the other one in the evening

588

00:21:15,190 --> 00:21:00,240

or something no that was 11 o'clock in

589

00:21:18,149 --> 00:21:16,870

we're getting out of the way radar huh

590

00:21:19,909 --> 00:21:18,159

oh

591

00:21:21,590 --> 00:21:19,919

and down there they my daughter

592

00:21:23,510 --> 00:21:21,600

remembers that it was exactly an hour

593

00:21:25,830 --> 00:21:23,520

because she saw it and she remembered

594

00:21:27,190 --> 00:21:25,840

they come out for recess at 9 30 again

595

00:21:29,590 --> 00:21:27,200

and then when they come up out of the

596

00:21:30,789 --> 00:21:29,600

canyon she happened to see achieve their

597

00:21:32,390 --> 00:21:30,799

kids all stood there with their mouth

598

00:21:34,230 --> 00:21:32,400

hanging open

599

00:21:36,070 --> 00:21:34,240

okay if we got a questionnaire off to

600

00:21:37,669 --> 00:21:36,080

you could you kind of uh work with your

601
00:21:40,470 --> 00:21:37,679
daughter to fill that in yeah i'd like

602
00:21:42,310 --> 00:21:40,480
to also if we could get uh some

603
00:21:44,070 --> 00:21:42,320
investigators in there would you kind of

604
00:21:46,070 --> 00:21:44,080
operate as a hub

605
00:21:47,750 --> 00:21:46,080
to get them started i would be glad to

606
00:21:50,149 --> 00:21:47,760
cooperate with anybody it just

607
00:21:52,070 --> 00:21:50,159
infuriates me that they they're gonna

608
00:21:54,149 --> 00:21:52,080
just uh you know

609
00:21:55,590 --> 00:21:54,159
ignore the whole thing

610
00:21:56,549 --> 00:21:55,600
where did your son finally get our

611
00:21:58,870 --> 00:21:56,559
number

612
00:22:00,470 --> 00:21:58,880
i gave

613
00:22:02,390 --> 00:22:00,480

department and they gave me your number

614

00:22:04,789 --> 00:22:02,400

right but since i don't have so much i

615

00:22:07,029 --> 00:22:04,799

don't have very much money right now

616

00:22:08,549 --> 00:22:07,039

uh i didn't call because i found out i

617

00:22:09,669 --> 00:22:08,559

was out of town i just couldn't afford

618

00:22:10,470 --> 00:22:09,679

it so

619

00:22:11,990 --> 00:22:10,480

uh

620

00:22:13,909 --> 00:22:12,000

he had more money you give me a number

621

00:22:15,590 --> 00:22:13,919

i'll call it so he did

622

00:22:17,110 --> 00:22:15,600

that's how that happened but if you want

623

00:22:19,190 --> 00:22:17,120

to send anybody around i'd be glad to

624

00:22:20,310 --> 00:22:19,200

cooperate and show them where it is in

625

00:22:22,630 --> 00:22:20,320

the canyon

626

00:22:25,830 --> 00:22:22,640

was there any estimated distance between

627

00:22:27,430 --> 00:22:25,840

the witnesses and the object i uh i

628

00:22:29,029 --> 00:22:27,440

estimate that i don't think it could

629

00:22:30,870 --> 00:22:29,039

have been over a hundred foot

630

00:22:32,230 --> 00:22:30,880

they were right on top of things staring

631

00:22:33,669 --> 00:22:32,240

right into it

632

00:22:35,750 --> 00:22:33,679

yeah you know it would you know the

633

00:22:38,710 --> 00:22:35,760

average fly as you know the average

634

00:22:40,230 --> 00:22:38,720

flying saucer or ufo sighting is

635

00:22:41,909 --> 00:22:40,240

we saw two objects fight at

636

00:22:43,990 --> 00:22:41,919

approximately five thousand feet going

637

00:22:45,510 --> 00:22:44,000

northwest or something right well

638

00:22:48,390 --> 00:22:45,520

they're valueless they're this is a

639

00:22:49,830 --> 00:22:48,400

wonderful sighting the ground level and

640

00:22:52,149 --> 00:22:49,840

and they're gonna

641

00:22:53,750 --> 00:22:52,159

just ignore it i can't believe it well

642

00:22:55,590 --> 00:22:53,760

we'll get somebody in there to dig that

643

00:22:57,190 --> 00:22:55,600

out i wish you would

644

00:22:59,430 --> 00:22:57,200

i don't have the time or i can't do it

645

00:23:01,270 --> 00:22:59,440

because i'm disabled but i'll cooperate

646

00:23:03,350 --> 00:23:01,280

i'd love to cooperate with you well we

647

00:23:04,950 --> 00:23:03,360

sure appreciate that very much okay and

648

00:23:08,149 --> 00:23:04,960

thank you again for talking to me are

649

00:23:09,510 --> 00:23:08,159

you is this the hub or ufo information

650

00:23:11,750 --> 00:23:09,520

is sent in or

651

00:23:14,710 --> 00:23:11,760

well it's a national center

652

00:23:17,110 --> 00:23:14,720

but uh we're a private uh scientific

653

00:23:18,630 --> 00:23:17,120

organization working on this subject oh

654

00:23:20,149 --> 00:23:18,640

is that right right

655

00:23:22,230 --> 00:23:20,159

it's not in any way associated with the

656

00:23:23,750 --> 00:23:22,240

government oh so it's all by public i

657

00:23:25,430 --> 00:23:23,760

mean

658

00:23:27,110 --> 00:23:25,440

it's a self-funded

659

00:23:29,110 --> 00:23:27,120

organization right yeah

660

00:23:31,190 --> 00:23:29,120

good all right well i'm glad to hear it

661

00:23:32,789 --> 00:23:31,200

i'll send somebody around we'll dig that
