

1
00:00:07,829 --> 00:00:05,590
we're going to try to bring together for

2
00:00:11,110 --> 00:00:07,839
you a group of people who have had

3
00:00:12,950 --> 00:00:11,120
experiences abductions or encounters and

4
00:00:15,350 --> 00:00:12,960
let each of them talk with you briefly

5
00:00:16,870 --> 00:00:15,360
for no more than about 10 minutes we're

6
00:00:18,470 --> 00:00:16,880
going to take a very short break at that

7
00:00:20,710 --> 00:00:18,480
time no more than 10 minutes and then

8
00:00:22,710 --> 00:00:20,720
everybody come back in and ask questions

9
00:00:24,230 --> 00:00:22,720
from the audience so we will have a

10
00:00:26,390 --> 00:00:24,240
little break in between the people

11
00:00:27,990 --> 00:00:26,400
presenting their own material

12
00:00:29,349 --> 00:00:28,000
and then we'll take all the questions

13
00:00:31,669 --> 00:00:29,359

from the audience that we can get in our

14

00:00:33,830 --> 00:00:31,679

time allowance there will be a break

15

00:00:36,069 --> 00:00:33,840

regular break after that we'll bring out

16

00:00:37,830 --> 00:00:36,079

the abduction researcher panel

17

00:00:39,670 --> 00:00:37,840

again they will go through

18

00:00:42,790 --> 00:00:39,680

no more than 10 minutes of presenting

19

00:00:44,630 --> 00:00:42,800

material background and so on and then

20

00:00:46,229 --> 00:00:44,640

let the audience ask questions at that

21

00:00:48,310 --> 00:00:46,239

point so i hope you'll all hang around

22

00:00:49,510 --> 00:00:48,320

for the question and answer period

23

00:00:51,350 --> 00:00:49,520

and uh

24

00:00:53,029 --> 00:00:51,360

we will bring on our researchers in just

25

00:00:54,150 --> 00:00:53,039

a moment i mean our abductees in just a

26

00:00:55,830 --> 00:00:54,160

moment if you'll hold with me i'm

27

00:01:00,950 --> 00:00:55,840

missing just one and as soon as i round

28

00:01:03,590 --> 00:01:01,990

all right now that we've got the

29

00:01:05,830 --> 00:01:03,600

technical difficulties out of the way

30

00:01:08,550 --> 00:01:05,840

and everybody's here i'm going to let

31

00:01:11,109 --> 00:01:08,560

each of our members of the panel tell

32

00:01:13,270 --> 00:01:11,119

you who they are and about their

33

00:01:15,109 --> 00:01:13,280

experiences themselves and

34

00:01:16,789 --> 00:01:15,119

we've taken a vote among the

35

00:01:18,630 --> 00:01:16,799

panelists and they voted for leah to

36

00:01:20,789 --> 00:01:18,640

begin because after all she's the least

37

00:01:21,830 --> 00:01:20,799

nervous she's already been up here today

38

00:01:23,749 --> 00:01:21,840

so

39

00:01:24,630 --> 00:01:23,759

after leo

40

00:01:26,950 --> 00:01:24,640

right

41

00:01:29,109 --> 00:01:26,960

after leo hand it to the gentleman on

42

00:01:30,870 --> 00:01:29,119

your left and then we'll pass it down to

43

00:01:32,469 --> 00:01:30,880

the lady on your right and just keep on

44

00:01:33,350 --> 00:01:32,479

going from there

45

00:01:34,630 --> 00:01:33,360

so

46

00:01:37,429 --> 00:01:34,640

leah

47

00:01:38,830 --> 00:01:37,439

time's time's on we're on now right can

48

00:01:41,910 --> 00:01:38,840

you hear

49

00:01:43,830 --> 00:01:41,920

okay all right um i'm not going to talk

50

00:01:45,190 --> 00:01:43,840

very long because i spent an hour and a

51
00:01:47,109 --> 00:01:45,200
half talking

52
00:01:49,190 --> 00:01:47,119
earlier today so

53
00:01:50,710 --> 00:01:49,200
i'm just going to say a few brief things

54
00:01:51,590 --> 00:01:50,720
mainly

55
00:01:53,030 --> 00:01:51,600
um

56
00:01:55,910 --> 00:01:53,040
my name is leah haley i'm from

57
00:01:59,990 --> 00:01:57,990
i've had abduction encounters throughout

58
00:02:02,389 --> 00:02:00,000
my entire life but i didn't remember

59
00:02:04,469 --> 00:02:02,399
them really until 1990

60
00:02:06,789 --> 00:02:04,479
i've been abducted by

61
00:02:09,589 --> 00:02:06,799
various types of

62
00:02:10,869 --> 00:02:09,599
creatures i call them

63
00:02:11,830 --> 00:02:10,879

different people have different names

64

00:02:14,630 --> 00:02:11,840

for them

65

00:02:17,510 --> 00:02:14,640

also have been abducted by military and

66

00:02:18,710 --> 00:02:17,520

or government people i know there's a

67

00:02:20,869 --> 00:02:18,720

debate

68

00:02:22,710 --> 00:02:20,879

among investigators as to whether these

69

00:02:25,270 --> 00:02:22,720

things are really people

70

00:02:27,830 --> 00:02:25,280

or not they're people i was there i know

71

00:02:30,070 --> 00:02:27,840

they're people

72

00:02:33,990 --> 00:02:30,080

a lot of people have trouble buying that

73

00:02:37,110 --> 00:02:35,350

mainly what i'm going to say right now

74

00:02:40,309 --> 00:02:37,120

as a result of questions that i've been

75

00:02:42,790 --> 00:02:40,319

receiving all day

76

00:02:45,990 --> 00:02:42,800

one question that i've

77

00:02:48,630 --> 00:02:46,000

encountered is why did i lose my job

78

00:02:50,309 --> 00:02:48,640

in relation to this

79

00:02:52,070 --> 00:02:50,319

phenomenon

80

00:02:54,229 --> 00:02:52,080

i was teaching an accounting course at

81

00:02:56,390 --> 00:02:54,239

the air force base those who heard me

82

00:03:01,430 --> 00:02:56,400

earlier know that i encountered some

83

00:03:07,190 --> 00:03:04,790

after i was oh another thing i didn't

84

00:03:09,350 --> 00:03:07,200

mention earlier because i had a time

85

00:03:10,869 --> 00:03:09,360

problem

86

00:03:13,509 --> 00:03:10,879

i had to leave out some things i

87

00:03:16,149 --> 00:03:13,519

originally had intended to say so i'll

88

00:03:17,990 --> 00:03:16,159

make up a few of them right now

89

00:03:19,830 --> 00:03:18,000

one thing that i didn't emphasize

90

00:03:21,830 --> 00:03:19,840

earlier today because of the time was

91

00:03:23,030 --> 00:03:21,840

the fact that

92

00:03:25,110 --> 00:03:23,040

when the

93

00:03:26,949 --> 00:03:25,120

air force officer

94

00:03:29,589 --> 00:03:26,959

invited me out to the air force base to

95

00:03:31,430 --> 00:03:29,599

see the space shuttle he insisted that i

96

00:03:33,990 --> 00:03:31,440

bring my camera

97

00:03:35,270 --> 00:03:34,000

so i could take some real good close-up

98

00:03:38,550 --> 00:03:35,280

pictures

99

00:03:44,229 --> 00:03:41,110

he kept telling me over and over again

100

00:03:46,949 --> 00:03:44,239

be sure to bring your camera

101
00:03:49,190 --> 00:03:46,959
he also insisted that i not tell anybody

102
00:03:50,710 --> 00:03:49,200
not even my husband that i was invited

103
00:03:54,949 --> 00:03:50,720
to come out

104
00:03:56,149 --> 00:03:54,959
this invitation was extended to me alone

105
00:03:58,470 --> 00:03:56,159
well

106
00:04:00,390 --> 00:03:58,480
after that i refused to teach another

107
00:04:02,470 --> 00:04:00,400
accounting course on base

108
00:04:04,710 --> 00:04:02,480
and there is no way i will ever

109
00:04:09,110 --> 00:04:04,720
voluntarily step foot on an air force

110
00:04:12,229 --> 00:04:09,120
base again and that's when i lost my job

111
00:04:19,349 --> 00:04:15,350
why won't you teach at the base anymore

112
00:04:23,909 --> 00:04:21,349
and uh

113
00:04:26,950 --> 00:04:23,919

she wouldn't budge and i wouldn't budge

114

00:04:29,350 --> 00:04:26,960

so i i didn't quit i said i won't quit

115

00:04:34,070 --> 00:04:29,360

but i won't teach on base either so i

116

00:04:41,749 --> 00:04:38,150

another thing that i wanted to point out

117

00:04:46,390 --> 00:04:43,670

you know you saw the

118

00:04:49,510 --> 00:04:46,400

circular marks on my back

119

00:04:51,270 --> 00:04:49,520

and a mark on buddy crumley's arm and

120

00:04:53,909 --> 00:04:51,280

and on bill's hand

121

00:04:57,030 --> 00:04:53,919

and i mentioned that

122

00:04:59,909 --> 00:04:57,040

that um bill couldn't undergo hypnosis

123

00:05:02,629 --> 00:04:59,919

he had real good reasons not to undergo

124

00:05:05,510 --> 00:05:02,639

hypnosis in that john carpenter did a

125

00:05:08,070 --> 00:05:05,520

regression on me concerning my marks and

126

00:05:11,350 --> 00:05:08,080

i had no memory whatsoever

127

00:05:13,510 --> 00:05:11,360

none of how those marks got there

128

00:05:15,909 --> 00:05:13,520

buddy crumley recently had a a

129

00:05:18,629 --> 00:05:15,919

regression done on him too

130

00:05:21,029 --> 00:05:18,639

and he remembered struggling

131

00:05:24,469 --> 00:05:21,039

but he did not remember

132

00:05:25,670 --> 00:05:24,479

who or what he was struggling with there

133

00:05:26,950 --> 00:05:25,680

was no

134

00:05:29,510 --> 00:05:26,960

he

135

00:05:30,629 --> 00:05:29,520

no memory whatsoever of who or what did

136

00:05:33,189 --> 00:05:30,639

it

137

00:05:35,749 --> 00:05:33,199

we're at a loss there um i know george

138

00:05:36,870 --> 00:05:35,759

wingfield mentioned last night

139

00:05:38,870 --> 00:05:36,880

that

140

00:05:41,830 --> 00:05:38,880

there were several people several others

141

00:05:43,909 --> 00:05:41,840

who had an identical mark

142

00:05:45,909 --> 00:05:43,919

well when we started investigating we

143

00:05:48,230 --> 00:05:45,919

discovered that the only marks that we

144

00:05:50,790 --> 00:05:48,240

confirmed were similar

145

00:05:53,350 --> 00:05:50,800

marks not identical

146

00:05:55,270 --> 00:05:53,360

we've only been able to confirm

147

00:05:59,189 --> 00:05:55,280

the three of us

148

00:06:01,270 --> 00:05:59,199

as having that same exact mark

149

00:06:03,270 --> 00:06:01,280

so we request

150

00:06:04,790 --> 00:06:03,280

that if any of you investigators

151
00:06:06,469 --> 00:06:04,800
abductees

152
00:06:10,550 --> 00:06:06,479
other members of the audience

153
00:06:14,629 --> 00:06:10,560
if you have seen or had a mark exactly

154
00:06:16,790 --> 00:06:14,639
like ours and know how it got there

155
00:06:18,710 --> 00:06:16,800
please let us know

156
00:06:21,189 --> 00:06:18,720
we want to know who put those marks or

157
00:06:23,830 --> 00:06:21,199
what put those marks on us

158
00:06:26,230 --> 00:06:23,840
none of us have any idea it's a mystery

159
00:06:27,350 --> 00:06:26,240
that we would really like solved

160
00:06:29,270 --> 00:06:27,360
um

161
00:06:31,510 --> 00:06:29,280
we're not interested in knowing about

162
00:06:33,350 --> 00:06:31,520
similar marks now you know

163
00:06:34,469 --> 00:06:33,360

i've had similar marks and i know how

164

00:06:36,070 --> 00:06:34,479

they got there

165

00:06:38,150 --> 00:06:36,080

it's the exact marks that we're

166

00:06:39,909 --> 00:06:38,160

interested in

167

00:06:42,150 --> 00:06:39,919

and i'm going to

168

00:06:47,110 --> 00:06:42,160

allow you the use of the rest of my time

169

00:06:47,120 --> 00:06:51,189

questions are lighter vents

170

00:06:55,510 --> 00:06:52,150

all right

171

00:06:58,150 --> 00:06:55,520

hi i'm vince hi everybody

172

00:07:02,390 --> 00:07:00,790

sorry i i got asked to come up here

173

00:07:06,790 --> 00:07:02,400

i'm pretty reluctant

174

00:07:09,909 --> 00:07:06,800

first of all i'm sweating beyond belief

175

00:07:11,589 --> 00:07:09,919

i've never been hypnotized nor am i i am

176

00:07:14,150 --> 00:07:11,599

not going to be hypnotized i'll tell you

177

00:07:17,589 --> 00:07:14,160

that right now i'm perfectly comfortable

178

00:07:18,790 --> 00:07:17,599

with my array of images from my early

179

00:07:21,110 --> 00:07:18,800

childhood

180

00:07:24,150 --> 00:07:21,120

i do not need to explore

181

00:07:28,469 --> 00:07:24,160

the parts that i don't remember period

182

00:07:32,790 --> 00:07:30,790

it's been around since i've been a kid

183

00:07:34,550 --> 00:07:32,800

from every everything from that bald guy

184

00:07:36,629 --> 00:07:34,560

from when i was real real little who

185

00:07:39,110 --> 00:07:36,639

seemed to be when i was real little it

186

00:07:41,189 --> 00:07:39,120

seemed to be so tall by my bed

187

00:07:42,950 --> 00:07:41,199

to flying down the stairs a little later

188

00:07:44,950 --> 00:07:42,960

on and trying to tell my mother the next

189

00:07:46,790 --> 00:07:44,960

morning watch me fly

190

00:07:49,270 --> 00:07:46,800

and she laughed and

191

00:07:51,110 --> 00:07:49,280

i went outside so do it go outside so i

192

00:07:54,950 --> 00:07:51,120

went outside and i tried and of course i

193

00:08:00,150 --> 00:07:58,150

a major sighting when we were 15 me and

194

00:08:02,070 --> 00:08:00,160

my mother used to deliver a large

195

00:08:04,550 --> 00:08:02,080

newspaper out and

196

00:08:06,309 --> 00:08:04,560

when i was 15 coming up over the 48th

197

00:08:07,430 --> 00:08:06,319

street bridge in pompano beach florida

198

00:08:09,830 --> 00:08:07,440

because that's where i grew up in fort

199

00:08:11,830 --> 00:08:09,840

lauderdale in boca raton

200

00:08:13,189 --> 00:08:11,840

we've seen this disc come straight out

201
00:08:15,189 --> 00:08:13,199
of the sky

202
00:08:18,710 --> 00:08:15,199
almost instantly from an incredibly

203
00:08:21,270 --> 00:08:18,720
bright star to right over us

204
00:08:24,550 --> 00:08:21,280
it was not 20 feet above the car in the

205
00:08:28,710 --> 00:08:27,350
and and we watched it go right down i-95

206
00:08:32,149 --> 00:08:28,720
afterwards because we're right on top of

207
00:08:35,430 --> 00:08:32,159
the bridge it goes over i-95 and it

208
00:08:37,750 --> 00:08:35,440
and then this time in alabama

209
00:08:39,110 --> 00:08:37,760
when i was coming home from the 90 mufon

210
00:08:41,190 --> 00:08:39,120
symposium

211
00:08:43,110 --> 00:08:41,200
and it was i know it's going to sound

212
00:08:44,949 --> 00:08:43,120
believable it was morning or friday the

213
00:08:47,430 --> 00:08:44,959

13th okay

214

00:08:50,550 --> 00:08:47,440

and i'm in the middle of nowhere i mean

215

00:08:52,630 --> 00:08:50,560

nowhere on alabama 82 or 81 i forget the

216

00:08:54,470 --> 00:08:52,640

name of the number of the road it was

217

00:08:56,550 --> 00:08:54,480

like four o'clock in the morning and

218

00:08:59,030 --> 00:08:56,560

watched this light follow me for several

219

00:09:01,030 --> 00:08:59,040

hours and this ain't right so i got out

220

00:09:02,630 --> 00:09:01,040

the car and i took a picture of it and

221

00:09:04,150 --> 00:09:02,640

just as i took a picture this is the

222

00:09:05,750 --> 00:09:04,160

flash went off

223

00:09:06,790 --> 00:09:05,760

i didn't know anything about photography

224

00:09:07,670 --> 00:09:06,800

at the time

225

00:09:09,750 --> 00:09:07,680

and

226

00:09:11,910 --> 00:09:09,760

just as the flash went off this light

227

00:09:13,990 --> 00:09:11,920

started moving towards me so oh god

228

00:09:15,990 --> 00:09:14,000

what's this i jump in the car i'd never

229

00:09:17,350 --> 00:09:16,000

shut it off and i took off like a

230

00:09:20,070 --> 00:09:17,360

banshee and

231

00:09:21,910 --> 00:09:20,080

about 90 miles an hour just as

232

00:09:24,870 --> 00:09:21,920

just as about just as this thing was

233

00:09:26,630 --> 00:09:24,880

closing in on me as these two this

234

00:09:29,750 --> 00:09:26,640

car come around the corner

235

00:09:32,710 --> 00:09:29,760

and uh and shot off like a rocket

236

00:09:36,150 --> 00:09:32,720

a bunch of stuff like that

237

00:09:38,150 --> 00:09:36,160

my my most recent missing time and this

238

00:09:39,430 --> 00:09:38,160

dude this is the one that convinced me

239

00:09:41,750 --> 00:09:39,440

that's the only reason i'm up here

240

00:09:43,910 --> 00:09:41,760

really this is the one that convinced me

241

00:09:45,509 --> 00:09:43,920

that that something might be going on

242

00:09:47,910 --> 00:09:45,519

about

243

00:09:49,350 --> 00:09:47,920

six or seven months ago

244

00:09:51,750 --> 00:09:49,360

maybe a little longer a little shorter

245

00:09:54,470 --> 00:09:51,760

i'm not exactly sure but i got home from

246

00:09:56,630 --> 00:09:54,480

work and i beat the rain

247

00:09:57,829 --> 00:09:56,640

and i was dry

248

00:10:01,269 --> 00:09:57,839

and i was sitting in the house and it

249

00:10:03,269 --> 00:10:01,279

was quarter to eight and i wanted to say

250

00:10:04,630 --> 00:10:03,279

you know i was watching tv and watch see

251

00:10:07,910 --> 00:10:04,640

what's coming on

252

00:10:10,630 --> 00:10:07,920

and i look up against the wall and

253

00:10:12,310 --> 00:10:10,640

and there's this very square i'd say

254

00:10:14,630 --> 00:10:12,320

about two foot square

255

00:10:16,310 --> 00:10:14,640

incredibly intense halogen bright is the

256

00:10:19,269 --> 00:10:16,320

term i like to use

257

00:10:21,590 --> 00:10:19,279

bright light and

258

00:10:22,470 --> 00:10:21,600

and the next thing i know

259

00:10:24,389 --> 00:10:22,480

it's

260

00:10:27,829 --> 00:10:24,399

about 11 30 i hear i can't remember it

261

00:10:30,150 --> 00:10:27,839

was leno or letterman or arsenio hall

262

00:10:32,230 --> 00:10:30,160

but one of the shows was on and i was

263

00:10:33,350 --> 00:10:32,240

soaking wet the front door was wide open

264

00:10:35,269 --> 00:10:33,360

jean and

265

00:10:36,710 --> 00:10:35,279

and uh my stepdaughter were all they

266

00:10:39,590 --> 00:10:36,720

were out in foresight they were spending

267

00:10:41,910 --> 00:10:39,600

the night with grandma um her mother and

268

00:10:44,150 --> 00:10:41,920

stacy's grandmother and next thing i

269

00:10:46,470 --> 00:10:44,160

know i'm laying face first in a bed

270

00:10:48,870 --> 00:10:46,480

soaking wet from head to toe the door is

271

00:10:51,350 --> 00:10:48,880

wide open and the dog is long gone

272

00:10:53,990 --> 00:10:51,360

long gone up until that point it was

273

00:10:56,150 --> 00:10:54,000

fanciful things you know well maybe a

274

00:10:58,870 --> 00:10:56,160

coincidence here coincidence there but

275

00:11:01,110 --> 00:10:58,880

to me that is the one event

276

00:11:03,350 --> 00:11:01,120

and that you know i'm kind of guy i

277

00:11:04,949 --> 00:11:03,360

believe i don't believe a lot of things

278

00:11:06,550 --> 00:11:04,959

and you're going to sell me so easily on

279

00:11:09,190 --> 00:11:06,560

stuff and

280

00:11:12,150 --> 00:11:09,200

that to me is the real the one

281

00:11:15,030 --> 00:11:12,160

real i call it a real time event where i

282

00:11:17,269 --> 00:11:15,040

can consciously without any hypnosis

283

00:11:19,190 --> 00:11:17,279

consciously remember a time then there's

284

00:11:22,310 --> 00:11:19,200

no time and then i'm awake

285

00:11:23,829 --> 00:11:22,320

that's a real time event for me uh

286

00:11:25,430 --> 00:11:23,839

and if it happened to you it would be a

287

00:11:30,150 --> 00:11:25,440

real-time event for you and i hope i'm

288

00:11:43,190 --> 00:11:32,630

well that's it for me

289

00:11:47,829 --> 00:11:46,230

my heart is pounding can you hear it

290

00:11:53,269 --> 00:11:47,839

i hope i can get through this because my

291

00:11:53,279 --> 00:11:56,710

my name is debbie jordan

292

00:12:00,790 --> 00:11:59,110

used to be debbie tomia until june and

293

00:12:02,949 --> 00:12:00,800

now it's debbie jordan

294

00:12:05,030 --> 00:12:02,959

but most people know me

295

00:12:07,190 --> 00:12:05,040

as kathy davis and bud hopkins book

296

00:12:10,710 --> 00:12:07,200

intruder

297

00:12:10,720 --> 00:12:15,350

the reason i'm up here is because

298

00:12:21,030 --> 00:12:18,870

a lot of things have been happening

299

00:12:22,310 --> 00:12:21,040

since 1983

300

00:12:24,870 --> 00:12:22,320

that are different

301

00:12:26,389 --> 00:12:24,880

than what happened in 1983

302

00:12:32,629 --> 00:12:26,399

it's not

303

00:12:33,990 --> 00:12:32,639

i haven't had anything happen since then

304

00:12:36,829 --> 00:12:34,000

quite like that

305

00:12:38,870 --> 00:12:36,839

it seems like it's changing and i'm

306

00:12:41,269 --> 00:12:38,880

changing it's

307

00:12:43,670 --> 00:12:41,279

fascinating and frightening

308

00:12:49,750 --> 00:12:43,680

and i want to know if other people like

309

00:12:55,430 --> 00:12:52,790

i've been having a lot more encounters

310

00:12:57,430 --> 00:12:55,440

with little white balls of light

311

00:12:59,910 --> 00:12:57,440

in my house

312

00:13:01,190 --> 00:12:59,920

and anywhere i go

313

00:13:04,629 --> 00:13:01,200

i had

314

00:13:06,389 --> 00:13:04,639
people witness it down in florida

315

00:13:09,110 --> 00:13:06,399
i've developed an ability to feel

316

00:13:15,030 --> 00:13:11,110
which makes no sense i know it sounds

317

00:13:22,710 --> 00:13:18,069
i've started to dream in 3d

318

00:13:22,720 --> 00:13:25,829
and i

319

00:13:29,670 --> 00:13:27,910
i know it sounds crazy but i feel like

320

00:13:30,629 --> 00:13:29,680
i'm getting smarter

321

00:13:34,949 --> 00:13:30,639
so

322

00:13:37,110 --> 00:13:34,959
i knew that when i was in school

323

00:13:38,069 --> 00:13:37,120
in uh junior high

324

00:13:42,310 --> 00:13:38,079
they'd

325

00:13:43,269 --> 00:13:42,320
all the other kids and i

326

00:13:45,189 --> 00:13:43,279

got

327

00:13:46,470 --> 00:13:45,199

a decent score good enough score that

328

00:13:48,470 --> 00:13:46,480

they called my parents in to tell them

329

00:13:53,509 --> 00:13:48,480

that i was goofing off too much because

330

00:13:53,519 --> 00:13:57,430

yeah and my parents are here

331

00:13:57,440 --> 00:14:00,629

but anyway

332

00:14:06,389 --> 00:14:02,629

it was like between i think

333

00:14:09,590 --> 00:14:06,399

i read it and i think it was 118 120

334

00:14:13,990 --> 00:14:12,230

after i started to dream in 3d i call

335

00:14:16,389 --> 00:14:14,000

them my virtual reality dreams because

336

00:14:18,870 --> 00:14:16,399

that's the only thing i can think of

337

00:14:23,430 --> 00:14:18,880

that would most closely describe

338

00:14:30,310 --> 00:14:27,110

i decided to take a test

339

00:14:33,110 --> 00:14:30,320

to get into this group called menza

340

00:14:36,230 --> 00:14:33,120

and i did really well i got in the top

341

00:14:41,670 --> 00:14:38,389

well seems to me like with a score of

342

00:14:46,949 --> 00:14:41,680

118 when you're 14 and then 20 years

343

00:14:50,310 --> 00:14:48,069

the norm

344

00:14:51,990 --> 00:14:50,320

i'm not sure but

345

00:14:53,350 --> 00:14:52,000

the only reason i did it was because i

346

00:14:56,550 --> 00:14:53,360

felt different and i wanted to see if

347

00:14:56,560 --> 00:15:00,150

back that up

348

00:15:05,990 --> 00:15:04,069

i started talking to my friends who

349

00:15:07,350 --> 00:15:06,000

are like me i don't like the words

350

00:15:09,910 --> 00:15:07,360

abductee

351

00:15:10,790 --> 00:15:09,920

doesn't feel right

352

00:15:13,590 --> 00:15:10,800

um

353

00:15:15,590 --> 00:15:13,600

i don't know what i call them like me

354

00:15:18,389 --> 00:15:15,600

and i found out that if i promised not

355

00:15:19,990 --> 00:15:18,399

to tell anybody they they were

356

00:15:21,509 --> 00:15:20,000

they were feeling the same way but they

357

00:15:22,710 --> 00:15:21,519

were also feeling the same way i was and

358

00:15:24,150 --> 00:15:22,720

that they didn't know whether they

359

00:15:26,230 --> 00:15:24,160

should say something or not because it

360

00:15:27,750 --> 00:15:26,240

sounded even more crazy than all the

361

00:15:28,790 --> 00:15:27,760

other stuff we've been telling these

362

00:15:30,310 --> 00:15:28,800

guys

363

00:15:31,269 --> 00:15:30,320

for a while

364

00:15:33,910 --> 00:15:31,279

i had

365

00:15:36,550 --> 00:15:33,920

i've always said that

366

00:15:39,910 --> 00:15:37,829

i still

367

00:15:42,150 --> 00:15:39,920

refer to a lot of my stuff as dreams

368

00:15:47,030 --> 00:15:42,160

because it's still safe

369

00:16:00,389 --> 00:15:49,590

i

370

00:16:04,550 --> 00:16:02,550

well anyway

371

00:16:06,230 --> 00:16:04,560

my mind is blank

372

00:16:08,310 --> 00:16:06,240

i didn't know i was going to have to say

373

00:16:09,430 --> 00:16:08,320

anything

374

00:16:11,189 --> 00:16:09,440

i didn't know i was going to be here

375

00:16:12,949 --> 00:16:11,199

till last night

376

00:16:14,310 --> 00:16:12,959

so i didn't have anything thought up in

377

00:16:16,069 --> 00:16:14,320

my head other than i just want to know

378

00:16:16,949 --> 00:16:16,079

if

379

00:16:19,110 --> 00:16:16,959

will

380

00:16:21,430 --> 00:16:19,120

people like me please come and tell me

381

00:16:22,949 --> 00:16:21,440

and and let's go tell these researcher

382

00:16:24,550 --> 00:16:22,959

guys that something's happening and

383

00:16:31,030 --> 00:16:24,560

let's look into it some more because i

384

00:16:34,949 --> 00:16:33,269

that's about all i have to say so i

385

00:16:44,150 --> 00:16:34,959

guess i'll

386

00:16:47,350 --> 00:16:45,189

hi

387

00:16:49,350 --> 00:16:47,360

i hope you can hear me my voice is

388

00:16:50,949 --> 00:16:49,360

really kind of faint and have a strong

389

00:16:53,030 --> 00:16:50,959

voice

390

00:16:54,790 --> 00:16:53,040

my name is lynn

391

00:16:58,230 --> 00:16:54,800

and i wanted to tell you something that

392

00:17:01,990 --> 00:16:58,240

had happened to me with the ufo

393

00:17:04,390 --> 00:17:02,000

problem we've all been having up here

394

00:17:06,069 --> 00:17:04,400

i wrote a lot so that i could kind of

395

00:17:08,630 --> 00:17:06,079

follow my notes and not

396

00:17:13,510 --> 00:17:10,789

no

397

00:17:16,069 --> 00:17:13,520

um four years ago i went on a retreat in

398

00:17:18,630 --> 00:17:16,079

st louis missouri and it was around fall

399

00:17:20,789 --> 00:17:18,640

so it was getting cold

400

00:17:21,750 --> 00:17:20,799

i was at a main lodge with many of my

401
00:17:24,150 --> 00:17:21,760
friends

402
00:17:25,510 --> 00:17:24,160
when i decided to go to a cabin that was

403
00:17:29,590 --> 00:17:25,520
about

404
00:17:33,350 --> 00:17:31,669
i walked out and was admired just

405
00:17:35,590 --> 00:17:33,360
admiring the sky and how beautiful it

406
00:17:38,070 --> 00:17:35,600
was and i remember remember saying

407
00:17:40,230 --> 00:17:38,080
something to myself something like if

408
00:17:42,630 --> 00:17:40,240
you're out there i really want to see

409
00:17:45,909 --> 00:17:44,070
so i heard the leaves kind of roll

410
00:17:47,750 --> 00:17:45,919
across the ground and a breeze blow by

411
00:17:48,630 --> 00:17:47,760
me

412
00:17:51,350 --> 00:17:48,640
and

413
00:17:53,830 --> 00:17:51,360

on my right there was a hill

414

00:17:57,190 --> 00:17:53,840

and immediately i was enveloped in some

415

00:17:59,990 --> 00:17:57,200

kind of tubular field

416

00:18:02,549 --> 00:18:00,000

i couldn't see it but i could feel it

417

00:18:04,390 --> 00:18:02,559

two creatures floated towards me

418

00:18:06,789 --> 00:18:04,400

and i felt greeted by them and invited

419

00:18:09,590 --> 00:18:06,799

to go with them and they spoke telepathy

420

00:18:11,350 --> 00:18:09,600

with me they never talked

421

00:18:14,230 --> 00:18:11,360

i floated with them to what appeared to

422

00:18:15,909 --> 00:18:14,240

be an old broken down shack

423

00:18:18,390 --> 00:18:15,919

and as i got closer to the shack it

424

00:18:20,230 --> 00:18:18,400

looked more holographic transparent to

425

00:18:22,630 --> 00:18:20,240

me

426

00:18:25,029 --> 00:18:22,640

i could see a disc shaped ship inside

427

00:18:28,150 --> 00:18:25,039

the image of the shack and i was led

428

00:18:30,950 --> 00:18:28,160

inside the craft where i could see uh

429

00:18:33,830 --> 00:18:30,960

where i was introduced sort of you might

430

00:18:35,430 --> 00:18:33,840

want to say to human aliens on my left

431

00:18:38,150 --> 00:18:35,440

and sometimes i can't remember if there

432

00:18:41,350 --> 00:18:38,160

were two or three i get confused

433

00:18:43,430 --> 00:18:41,360

human aliens standing there

434

00:18:45,830 --> 00:18:43,440

they motioned to me with their heads

435

00:18:47,990 --> 00:18:45,840

started for me to turn around and

436

00:18:51,110 --> 00:18:48,000

and they were introducing me

437

00:18:53,990 --> 00:18:51,120

sort of like to a taller creature

438

00:18:56,390 --> 00:18:54,000

he was a very very tall alien

439

00:18:58,310 --> 00:18:56,400

and he was standing with his back

440

00:18:59,990 --> 00:18:58,320

to me

441

00:19:01,190 --> 00:19:00,000

it seemed like i floated directly in

442

00:19:04,950 --> 00:19:01,200

front of him

443

00:19:07,430 --> 00:19:04,960

and this tall robed alien rotated around

444

00:19:10,070 --> 00:19:07,440

and looked straight at me

445

00:19:11,430 --> 00:19:10,080

the cloak was really unusual

446

00:19:13,510 --> 00:19:11,440

because it really wasn't made out of a

447

00:19:15,430 --> 00:19:13,520

material that i could tell it looked

448

00:19:20,470 --> 00:19:15,440

like a

449

00:19:21,990 --> 00:19:20,480

poured into a form like water into a

450

00:19:24,630 --> 00:19:22,000

glass

451
00:19:27,110 --> 00:19:24,640
it was just fascinating

452
00:19:30,870 --> 00:19:27,120
and his eyes were just

453
00:19:33,029 --> 00:19:30,880
unbelievable just unbelievable

454
00:19:35,110 --> 00:19:33,039
i looked into this one's eyes and it

455
00:19:36,710 --> 00:19:35,120
seemed to me

456
00:19:38,789 --> 00:19:36,720
that he could see

457
00:19:39,830 --> 00:19:38,799
every part of who i was and what i was

458
00:19:42,070 --> 00:19:39,840
about

459
00:19:44,630 --> 00:19:42,080
and i knew him and he knew me that's the

460
00:19:47,190 --> 00:19:44,640
only way i can describe it i felt

461
00:19:49,669 --> 00:19:47,200
spiritually exposed and i knew that he

462
00:19:51,510 --> 00:19:49,679
was spiritually exposed to

463
00:19:53,350 --> 00:19:51,520

so what i would call that in my own

464

00:19:55,750 --> 00:19:53,360

interpretation is something like a mind

465

00:20:00,630 --> 00:19:57,990

that's the only way i can explain it

466

00:20:02,470 --> 00:20:00,640

this alien seemed to smile at me but but

467

00:20:05,510 --> 00:20:02,480

he didn't smile

468

00:20:10,230 --> 00:20:05,520

physically with his face

469

00:20:11,510 --> 00:20:10,240

i felt some type of approval from him

470

00:20:14,789 --> 00:20:11,520

and then um

471

00:20:17,510 --> 00:20:14,799

all of a sudden my body then began to

472

00:20:19,430 --> 00:20:17,520

just shake just like every atom in my

473

00:20:22,230 --> 00:20:19,440

whole presence was just shaking and

474

00:20:24,230 --> 00:20:22,240

shaking so fast and faster

475

00:20:27,110 --> 00:20:24,240

and then all of a sudden my whole body

476
00:20:30,070 --> 00:20:27,120
seemed to explode in a silent explosion

477
00:20:33,750 --> 00:20:30,080
and i remember looking at my arm

478
00:20:36,310 --> 00:20:33,760
and seeing light emanate from my body

479
00:20:38,789 --> 00:20:36,320
what i thought was my body it had

480
00:20:40,390 --> 00:20:38,799
transformed into something else

481
00:20:41,590 --> 00:20:40,400
and then i remember looking back up at

482
00:20:45,830 --> 00:20:41,600
his eyes

483
00:20:47,830 --> 00:20:45,840
my whole essence went clear into his

484
00:20:49,350 --> 00:20:47,840
eyes into another universe into another

485
00:20:51,270 --> 00:20:49,360
plane

486
00:20:53,830 --> 00:20:51,280
and i can't remember how long i was

487
00:20:56,390 --> 00:20:53,840
there i remember is like floating around

488
00:20:59,270 --> 00:20:56,400

in free space like i was in total

489

00:21:00,470 --> 00:20:59,280

freedom time didn't exist there at all

490

00:21:01,510 --> 00:21:00,480

period

491

00:21:03,909 --> 00:21:01,520

and

492

00:21:05,110 --> 00:21:03,919

the exhilarats was incredible just

493

00:21:07,750 --> 00:21:05,120

incredible

494

00:21:09,990 --> 00:21:07,760

i remember that he took me to a place

495

00:21:12,230 --> 00:21:10,000

that seemed like a desert what i would

496

00:21:14,310 --> 00:21:12,240

call a desert

497

00:21:16,710 --> 00:21:14,320

where he talked to me about particular

498

00:21:19,669 --> 00:21:16,720

things and taught me certain things

499

00:21:19,679 --> 00:21:23,990

let's see

500

00:21:28,149 --> 00:21:26,149

the next thing i remember

501
00:21:30,149 --> 00:21:28,159
is i remember going into the lodge to

502
00:21:32,230 --> 00:21:30,159
pick up my coat

503
00:21:33,909 --> 00:21:32,240
and i came back to the lodge and

504
00:21:36,230 --> 00:21:33,919
everybody asked me where had been

505
00:21:38,230 --> 00:21:36,240
because as i was leaving they were

506
00:21:40,549 --> 00:21:38,240
planning to play a record for me so they

507
00:21:42,470 --> 00:21:40,559
were observing me leave because they had

508
00:21:44,470 --> 00:21:42,480
already planned to do something for me

509
00:21:45,990 --> 00:21:44,480
and waiting for me to get back

510
00:21:47,830 --> 00:21:46,000
and um

511
00:21:49,190 --> 00:21:47,840
i could recall a little bit of what had

512
00:21:51,350 --> 00:21:49,200
happened to me

513
00:21:52,390 --> 00:21:51,360

but i couldn't quot quite call recall at

514

00:21:54,549 --> 00:21:52,400

all

515

00:21:56,549 --> 00:21:54,559

and they kept asking me well where did

516

00:21:58,390 --> 00:21:56,559

you go and i said well i just went to

517

00:21:59,750 --> 00:21:58,400

the cabin to get my coat and they said

518

00:22:01,430 --> 00:21:59,760

well you couldn't have because we sent

519

00:22:03,029 --> 00:22:01,440

two people to get you

520

00:22:03,990 --> 00:22:03,039

and there's no turn off it's just a

521

00:22:05,990 --> 00:22:04,000

straight

522

00:22:07,909 --> 00:22:06,000

walk and it should have only taken me 10

523

00:22:09,750 --> 00:22:07,919

to 15 minutes

524

00:22:11,350 --> 00:22:09,760

but i didn't say too much and then i got

525

00:22:14,070 --> 00:22:11,360

it home i got home

526

00:22:16,630 --> 00:22:14,080

and two days later it just like

527

00:22:18,149 --> 00:22:16,640

bombarded me a lot of the memory of what

528

00:22:20,230 --> 00:22:18,159

had happened

529

00:22:22,710 --> 00:22:20,240

and

530

00:22:24,789 --> 00:22:22,720

i was i wrote a letter to the

531

00:22:26,149 --> 00:22:24,799

to the retreat

532

00:22:29,190 --> 00:22:26,159

and told them what had happened to me i

533

00:22:30,710 --> 00:22:29,200

didn't expect any response from them

534

00:22:32,789 --> 00:22:30,720

and

535

00:22:35,510 --> 00:22:32,799

i went on the search trying to find

536

00:22:36,710 --> 00:22:35,520

people who understood uh

537

00:22:38,789 --> 00:22:36,720

alien

538

00:22:40,710 --> 00:22:38,799

intervention with with spiritual

539

00:22:42,070 --> 00:22:40,720

approach and it was very difficult to

540

00:22:43,909 --> 00:22:42,080

find i didn't think anybody would

541

00:22:46,070 --> 00:22:43,919

believe this

542

00:22:47,590 --> 00:22:46,080

how could an alien i i thought aliens

543

00:22:49,990 --> 00:22:47,600

would come down and

544

00:22:52,310 --> 00:22:50,000

have a gun strapped to their waist and

545

00:22:56,230 --> 00:22:52,320

say take me to your leader and little

546

00:22:58,470 --> 00:22:56,240

shark guys on and on but it wasn't quite

547

00:22:59,590 --> 00:22:58,480

what i expected

548

00:23:02,549 --> 00:22:59,600

so

549

00:23:04,390 --> 00:23:02,559

my experiences are ongoing

550

00:23:07,110 --> 00:23:04,400

they happen

551

00:23:10,950 --> 00:23:07,120

pretty frequently

552

00:23:13,590 --> 00:23:10,960

my family has had experiences now and um

553

00:23:15,430 --> 00:23:13,600

now that i think about it i remember

554

00:23:16,390 --> 00:23:15,440

all kinds of experiences when i was a

555

00:23:18,710 --> 00:23:16,400

child

556

00:23:21,190 --> 00:23:18,720

they used to visit me and we used to

557

00:23:23,029 --> 00:23:21,200

play with spheres and i remember holding

558

00:23:25,510 --> 00:23:23,039

them and we would just

559

00:23:27,990 --> 00:23:25,520

move them around with our mind

560

00:23:29,909 --> 00:23:28,000

and i remember them leaving me at one

561

00:23:31,990 --> 00:23:29,919

point in time when i was a child and how

562

00:23:34,149 --> 00:23:32,000

upsetting it was it was almost parental

563

00:23:35,750 --> 00:23:34,159

that my parents were leaving me or some

564

00:23:37,750 --> 00:23:35,760

some sort of thing

565

00:23:38,870 --> 00:23:37,760

and i remember getting quite upset about

566

00:23:40,789 --> 00:23:38,880

it

567

00:23:42,789 --> 00:23:40,799

and

568

00:23:44,549 --> 00:23:42,799

i didn't have any experiences for a long

569

00:23:46,230 --> 00:23:44,559

time since they had left me when i was a

570

00:23:48,149 --> 00:23:46,240

child and then as an adult they started

571

00:23:51,269 --> 00:23:48,159

happening again

572

00:23:58,630 --> 00:23:51,279

so that's my story

573

00:24:05,510 --> 00:24:03,269

hi i'm gene robinson i've had a lifetime

574

00:24:06,549 --> 00:24:05,520

of abductions

575

00:24:08,630 --> 00:24:06,559

and

576
00:24:10,390 --> 00:24:08,640
too much to go into the 10 minutes i

577
00:24:11,909 --> 00:24:10,400
have i

578
00:24:14,870 --> 00:24:11,919
mainly want to talk about what's been

579
00:24:16,950 --> 00:24:14,880
happening recently

580
00:24:18,390 --> 00:24:16,960
we all talked about this big happening

581
00:24:20,070 --> 00:24:18,400
of 92

582
00:24:23,510 --> 00:24:20,080
which seemed to be a washout since there

583
00:24:31,510 --> 00:24:27,669
sightings and stuff but to me

584
00:24:35,350 --> 00:24:32,950
unusual

585
00:24:38,070 --> 00:24:35,360
started in 92

586
00:24:43,350 --> 00:24:39,590
seems like i'm

587
00:24:46,950 --> 00:24:44,950
sense of

588
00:24:49,990 --> 00:24:46,960

consciousness

589

00:24:53,029 --> 00:24:50,000

it seems somewhere in between

590

00:24:55,990 --> 00:24:53,039

the physical state

591

00:24:58,470 --> 00:24:56,000

and the dream state

592

00:24:58,480 --> 00:25:03,029

it's i'm tuned it's like i'm tuned in

593

00:25:06,630 --> 00:25:05,029

to a lot of information i'm getting a

594

00:25:07,590 --> 00:25:06,640

lot of

595

00:25:09,909 --> 00:25:07,600

stuff

596

00:25:12,710 --> 00:25:09,919

just pouring into my head

597

00:25:15,110 --> 00:25:12,720

i used to receive the

598

00:25:16,789 --> 00:25:15,120

telepathic messages

599

00:25:18,230 --> 00:25:16,799

and i got

600

00:25:22,149 --> 00:25:18,240

spooked

601
00:25:26,310 --> 00:25:22,159
about this time last year because

602
00:25:28,390 --> 00:25:26,320
some little incident made me feel like

603
00:25:29,510 --> 00:25:28,400
besides the information i was writing

604
00:25:32,870 --> 00:25:29,520
down

605
00:25:35,990 --> 00:25:32,880
i was also getting

606
00:25:37,350 --> 00:25:36,000
subliminal messages and to me it felt

607
00:25:40,630 --> 00:25:37,360
like

608
00:25:45,590 --> 00:25:40,640
i was being programmed to not trust the

609
00:25:49,430 --> 00:25:47,510
it it didn't match what i was writing

610
00:25:51,190 --> 00:25:49,440
down so i didn't understand it so i

611
00:25:53,269 --> 00:25:51,200
decided i wasn't going to do this

612
00:25:55,669 --> 00:25:53,279
anymore

613
00:25:57,510 --> 00:25:55,679

and it was at that point that

614

00:25:59,830 --> 00:25:57,520

i realized i really couldn't shut it off

615

00:26:01,990 --> 00:25:59,840

it was this same area i was getting this

616

00:26:05,590 --> 00:26:02,000

information from

617

00:26:08,070 --> 00:26:05,600

so it's kind of a constant thing

618

00:26:11,990 --> 00:26:10,470

recently

619

00:26:15,510 --> 00:26:12,000

i've felt it

620

00:26:17,590 --> 00:26:15,520

i feel like um there's an influence

621

00:26:18,630 --> 00:26:17,600

in my life both positive and negative

622

00:26:19,750 --> 00:26:18,640

i'm

623

00:26:21,590 --> 00:26:19,760

not

624

00:26:24,710 --> 00:26:21,600

in any shape to really

625

00:26:26,630 --> 00:26:24,720

process it all i don't know

626

00:26:28,070 --> 00:26:26,640

who to trust i don't know

627

00:26:29,909 --> 00:26:28,080

you know you have

628

00:26:32,070 --> 00:26:29,919

good aliens and bad aliens good

629

00:26:34,310 --> 00:26:32,080

government bad government

630

00:26:35,990 --> 00:26:34,320

and

631

00:26:37,750 --> 00:26:36,000

at some point we all

632

00:26:41,669 --> 00:26:37,760

say we have this

633

00:26:48,470 --> 00:26:44,710

and not know what well i had

634

00:26:52,149 --> 00:26:48,480

my first one of those was

635

00:26:54,149 --> 00:26:52,159

one day about six weeks ago

636

00:26:55,669 --> 00:26:54,159

i said well i need to write the

637

00:26:57,110 --> 00:26:55,679

president

638

00:27:01,430 --> 00:26:57,120

and

639

00:27:03,909 --> 00:27:01,440

started

640

00:27:05,590 --> 00:27:03,919

for about a week i revised this letter

641

00:27:07,029 --> 00:27:05,600

over and over and

642

00:27:08,789 --> 00:27:07,039

made sure

643

00:27:10,549 --> 00:27:08,799

it was what i wanted to say because i

644

00:27:12,310 --> 00:27:10,559

felt like

645

00:27:15,110 --> 00:27:12,320

the timing of this

646

00:27:17,750 --> 00:27:15,120

was not of my doing

647

00:27:18,710 --> 00:27:17,760

but the content of the letter was so i

648

00:27:20,950 --> 00:27:18,720

put

649

00:27:22,870 --> 00:27:20,960

everything into that letter

650

00:27:25,110 --> 00:27:22,880

um

651
00:27:26,789 --> 00:27:25,120
and a week passed and i went over and

652
00:27:29,430 --> 00:27:26,799
over you know all the possible

653
00:27:31,110 --> 00:27:29,440
consequences of what might happen

654
00:27:31,990 --> 00:27:31,120
but it was like a finger poking me in

655
00:27:33,430 --> 00:27:32,000
the back

656
00:27:35,590 --> 00:27:33,440
you know you got to mail this now you

657
00:27:38,389 --> 00:27:35,600
got to mail this now

658
00:27:41,269 --> 00:27:38,399
so i took it to the post office

659
00:27:43,190 --> 00:27:41,279
and i felt like i was uh

660
00:27:45,990 --> 00:27:43,200
you know walking to the gallows do i

661
00:27:49,110 --> 00:27:46,000
really want to do this no no no no

662
00:27:51,269 --> 00:27:49,120
so you know i shoved it in a slot

663
00:27:52,760 --> 00:27:51,279

and uh

664

00:27:53,990 --> 00:27:52,770

kind of an interesting

665

00:27:56,470 --> 00:27:54,000

[Music]

666

00:27:58,230 --> 00:27:56,480

eerie aspect of it was the day i mailed

667

00:27:59,830 --> 00:27:58,240

the letter was the day the world trade

668

00:28:02,070 --> 00:27:59,840

center blew up

669

00:28:03,750 --> 00:28:02,080

and that night or the day after i'm not

670

00:28:05,350 --> 00:28:03,760

sure which was the day

671

00:28:07,269 --> 00:28:05,360

karish

672

00:28:08,310 --> 00:28:07,279

did his custer's last stand thing in

673

00:28:10,470 --> 00:28:08,320

waco

674

00:28:11,750 --> 00:28:10,480

and i'll always feel like

675

00:28:13,909 --> 00:28:11,760

you know

676

00:28:17,430 --> 00:28:13,919

i felt connected in a way

677

00:28:20,630 --> 00:28:17,440

those incidents and it spooked me

678

00:28:23,510 --> 00:28:20,640

but this letter

679

00:28:25,110 --> 00:28:23,520

in a way it felt like my last best cry

680

00:28:28,230 --> 00:28:25,120

for help because

681

00:28:30,470 --> 00:28:28,240

there is things going on constantly

682

00:28:33,590 --> 00:28:30,480

and i appreciate all the researchers you

683

00:28:35,830 --> 00:28:33,600

know and everything they're doing but

684

00:28:38,470 --> 00:28:35,840

what's happening to me now

685

00:28:39,909 --> 00:28:38,480

seems to be moving a lot faster

686

00:28:42,389 --> 00:28:39,919

than

687

00:28:45,029 --> 00:28:42,399

anybody can keep up with

688

00:28:49,269 --> 00:28:45,039

um

689

00:28:51,029 --> 00:28:49,279

and like i was in the military and

690

00:28:53,430 --> 00:28:51,039

you know you did a swearing-in thing and

691

00:28:55,029 --> 00:28:53,440

i believed in what i was doing

692

00:28:56,789 --> 00:28:55,039

and

693

00:29:00,789 --> 00:28:56,799

i uh

694

00:29:00,799 --> 00:29:03,510

i feel like

695

00:29:07,830 --> 00:29:06,230

i needed to um you know a lot of people

696

00:29:09,990 --> 00:29:07,840

have been

697

00:29:11,590 --> 00:29:10,000

been harassed by the government and i

698

00:29:13,510 --> 00:29:11,600

have never

699

00:29:15,269 --> 00:29:13,520

really

700

00:29:16,710 --> 00:29:15,279

you know had anything to judge one way

701
00:29:17,909 --> 00:29:16,720
or another in a way

702
00:29:19,190 --> 00:29:17,919
i'm like

703
00:29:21,590 --> 00:29:19,200
i want

704
00:29:22,470 --> 00:29:21,600
a conference well not a confrontation

705
00:29:25,510 --> 00:29:22,480
but

706
00:29:28,310 --> 00:29:25,520
an acknowledgement because

707
00:29:31,029 --> 00:29:28,320
to me it appalls you have the general

708
00:29:32,230 --> 00:29:31,039
public laughing at us like we're

709
00:29:33,990 --> 00:29:32,240
you know

710
00:29:35,750 --> 00:29:34,000
making it all up

711
00:29:37,909 --> 00:29:35,760
the government

712
00:29:39,350 --> 00:29:37,919
either ignores us or or

713
00:29:41,350 --> 00:29:39,360

um

714

00:29:42,630 --> 00:29:41,360

you know says it's a mass hallucination

715

00:29:45,510 --> 00:29:42,640

this and that

716

00:29:47,430 --> 00:29:45,520

but it seems to me that

717

00:29:48,870 --> 00:29:47,440

even if it is a mass hallucination

718

00:29:49,669 --> 00:29:48,880

whatever it is

719

00:29:51,750 --> 00:29:49,679

that

720

00:29:53,590 --> 00:29:51,760

you think somebody'd be interested

721

00:29:56,470 --> 00:29:53,600

interested enough to do a study on it

722

00:29:59,830 --> 00:29:56,480

because there's thousands of us out here

723

00:30:04,389 --> 00:30:02,310

it's you know it's

724

00:30:06,549 --> 00:30:04,399

pretty much

725

00:30:08,070 --> 00:30:06,559

seriously affecting my family my

726

00:30:10,549 --> 00:30:08,080

children

727

00:30:12,070 --> 00:30:10,559

it's hard to

728

00:30:13,750 --> 00:30:12,080

you know go to work and pretend like

729

00:30:15,830 --> 00:30:13,760

nothing's happening i can't hardly do

730

00:30:18,789 --> 00:30:15,840

that anymore

731

00:30:21,750 --> 00:30:20,230

you know

732

00:30:23,750 --> 00:30:21,760

i just want to know

733

00:30:26,149 --> 00:30:23,760

why if the government knows anything

734

00:30:26,870 --> 00:30:26,159

that could help us

735

00:30:28,789 --> 00:30:26,880

that

736

00:30:31,909 --> 00:30:28,799

you know i i know how they do they have

737

00:30:34,070 --> 00:30:31,919

a military has a need to know basis well

738

00:30:35,190 --> 00:30:34,080

i need to know and i need to know

739

00:30:37,350 --> 00:30:35,200

anything

740

00:30:38,950 --> 00:30:37,360

about you know what's happening to me

741

00:30:40,549 --> 00:30:38,960

because

742

00:30:42,310 --> 00:30:40,559

you know there's definitely something

743

00:30:44,310 --> 00:30:42,320

happening

744

00:30:46,950 --> 00:30:44,320

and

745

00:30:52,360 --> 00:30:46,960

that's basically what i have to say

746

00:30:52,370 --> 00:31:00,310

[Applause]

747

00:31:06,070 --> 00:31:02,789

hi i'm lynn

748

00:31:08,470 --> 00:31:06,080

i live in a small town in in arkansas

749

00:31:09,830 --> 00:31:08,480

and i hope you'll forgive me i i knew

750

00:31:11,909 --> 00:31:09,840

that i was going to be scared to death

751
00:31:17,190 --> 00:31:11,919
and i wrote the whole thing

752
00:31:21,190 --> 00:31:19,830
my conscious knowledge of personal

753
00:31:24,950 --> 00:31:21,200
involvement with the abduction

754
00:31:26,789 --> 00:31:24,960
phenomenon began only one year ago

755
00:31:29,669 --> 00:31:26,799
the event that led to the discovery of a

756
00:31:30,830 --> 00:31:29,679
bizarre reality in my life occurred over

757
00:31:33,990 --> 00:31:30,840
20 years

758
00:31:35,350 --> 00:31:34,000
ago due to the unusual nature of the

759
00:31:39,430 --> 00:31:35,360
occurrence

760
00:31:44,870 --> 00:31:41,269
and was referred to an eminently

761
00:31:46,549 --> 00:31:44,880
qualified professional hypnotherapist

762
00:31:49,509 --> 00:31:46,559
and at this time i would like to say

763
00:31:52,789 --> 00:31:49,519

that it that is john carpenter and i'm

764

00:31:56,710 --> 00:31:54,549

after an exchange of pertinent

765

00:31:59,430 --> 00:31:56,720

information it was determined that

766

00:32:01,750 --> 00:31:59,440

enough symptomology existed to warrant

767

00:32:03,669 --> 00:32:01,760

hypnosis to recover some possible

768

00:32:07,269 --> 00:32:03,679

blocked memories

769

00:32:10,230 --> 00:32:07,279

i fully expected and i desired a mundane

770

00:32:12,310 --> 00:32:10,240

answer to my questions

771

00:32:15,029 --> 00:32:12,320

intellectually i'd entertain the notion

772

00:32:16,149 --> 00:32:15,039

that alien life could exist somewhere

773

00:32:18,710 --> 00:32:16,159

out there

774

00:32:20,310 --> 00:32:18,720

but i had never thought about it on a

775

00:32:22,310 --> 00:32:20,320

visceral level

776

00:32:26,630 --> 00:32:22,320

and i i had not thought about what it

777

00:32:31,669 --> 00:32:28,630

21 years ago

778

00:32:34,070 --> 00:32:31,679

on a warm sunny day a family member and

779

00:32:36,870 --> 00:32:34,080

i had attended some business in a large

780

00:32:39,110 --> 00:32:36,880

city in central arkansas

781

00:32:41,430 --> 00:32:39,120

around one o'clock in the afternoon we

782

00:32:44,549 --> 00:32:41,440

left the city to begin the trip home

783

00:32:46,710 --> 00:32:44,559

a trip of approximately three hours

784

00:32:47,830 --> 00:32:46,720

we were both relaxed and in a pleasant

785

00:32:50,950 --> 00:32:47,840

mood

786

00:32:53,669 --> 00:32:50,960

after two hours of driving time

787

00:32:55,509 --> 00:32:53,679

we approached a small town a road crew

788

00:32:56,870 --> 00:32:55,519

was doing some blasting on the highway

789

00:32:58,789 --> 00:32:56,880

that day

790

00:32:59,830 --> 00:32:58,799

and signaled the traffic in our lane to

791

00:33:01,909 --> 00:32:59,840

stop

792

00:33:04,789 --> 00:33:01,919

we were the lead car and there were

793

00:33:06,789 --> 00:33:04,799

three or four other cars behind us

794

00:33:09,509 --> 00:33:06,799

after clearing the road the crew allowed

795

00:33:11,269 --> 00:33:09,519

us to continue and we slowly approached

796

00:33:13,350 --> 00:33:11,279

our turn at the junction of an

797

00:33:16,230 --> 00:33:13,360

intersecting highway

798

00:33:19,350 --> 00:33:16,240

we both recalled seeing the turn

799

00:33:21,590 --> 00:33:19,360

and then everything went blank

800

00:33:23,269 --> 00:33:21,600

after an interval of grogginess we

801
00:33:26,870 --> 00:33:23,279
suddenly found ourselves on an

802
00:33:30,310 --> 00:33:26,880
unfamiliar paved road with no road signs

803
00:33:33,269 --> 00:33:30,320
or other indicators of our location

804
00:33:35,750 --> 00:33:33,279
the road appeared new and unused both of

805
00:33:37,909 --> 00:33:35,760
us were extremely agitated

806
00:33:39,990 --> 00:33:37,919
and began looking for a turnaround

807
00:33:41,750 --> 00:33:40,000
hoping we would find familiar territory

808
00:33:44,549 --> 00:33:41,760
by turning back

809
00:33:46,070 --> 00:33:44,559
we finally found a very small area that

810
00:33:48,070 --> 00:33:46,080
allowed us to turn the car in the

811
00:33:50,310 --> 00:33:48,080
opposite direction

812
00:33:52,789 --> 00:33:50,320
after several minutes we entered the

813
00:33:57,110 --> 00:33:52,799

town from the wrong direction but we had

814

00:34:01,350 --> 00:33:58,950

we finally made our turn onto the

815

00:34:03,750 --> 00:34:01,360

intersecting highway and continued the

816

00:34:06,389 --> 00:34:03,760

drive toward home extremely puzzled

817

00:34:08,790 --> 00:34:06,399

about what had just happened to us the

818

00:34:11,030 --> 00:34:08,800

area was very rural and the road was

819

00:34:13,190 --> 00:34:11,040

lined with large trees

820

00:34:17,190 --> 00:34:13,200

both of us felt a sense of unease and a

821

00:34:19,430 --> 00:34:17,200

desire to get home as soon as possible

822

00:34:22,230 --> 00:34:19,440

after we drove a short distance i

823

00:34:24,310 --> 00:34:22,240

glanced out the left-hand window and saw

824

00:34:26,230 --> 00:34:24,320

a silver object in the sky that seemed

825

00:34:28,550 --> 00:34:26,240

to be pacing us

826
00:34:30,389 --> 00:34:28,560
i pointed it out to my family member who

827
00:34:32,550 --> 00:34:30,399
was driving

828
00:34:35,270 --> 00:34:32,560
neither of us could determine any

829
00:34:38,230 --> 00:34:35,280
identifying marks and heard no sound

830
00:34:41,030 --> 00:34:38,240
although our windows were rolled down

831
00:34:44,149 --> 00:34:41,040
we both wanted it to be an airplane even

832
00:34:46,550 --> 00:34:44,159
though it had no wings or tail

833
00:34:49,270 --> 00:34:46,560
i watched the craft for several minutes

834
00:34:50,869 --> 00:34:49,280
and it continued pacing us sometimes

835
00:34:52,790 --> 00:34:50,879
briefly hidden from view behind the

836
00:34:55,109 --> 00:34:52,800
large trees

837
00:34:58,470 --> 00:34:55,119
eventually i looked away from the object

838
00:35:01,190 --> 00:34:58,480

and when i looked again it disappeared

839

00:35:03,670 --> 00:35:01,200

when we arrived home we realized that we

840

00:35:05,430 --> 00:35:03,680

had lost about an hour of time somewhere

841

00:35:07,430 --> 00:35:05,440

during the trip

842

00:35:09,750 --> 00:35:07,440

we told other family members of the

843

00:35:11,990 --> 00:35:09,760

strange occurrence and even returned to

844

00:35:13,750 --> 00:35:12,000

the town shortly afterward

845

00:35:17,190 --> 00:35:13,760

specifically to try to locate the

846

00:35:20,470 --> 00:35:17,200

peculiar road we'd been on that day

847

00:35:22,950 --> 00:35:20,480

the missing time plagued us off and on

848

00:35:25,910 --> 00:35:22,960

over the intervening years and finally

849

00:35:28,550 --> 00:35:25,920

after 20 years i could no longer stand

850

00:35:30,870 --> 00:35:28,560

not knowing what had happened to us

851

00:35:32,870 --> 00:35:30,880

i began a concerted effort to locate

852

00:35:36,310 --> 00:35:32,880

someone who could help us break through

853

00:35:38,790 --> 00:35:36,320

the amnesia of that day

854

00:35:41,589 --> 00:35:38,800

under separate independent hypnosis

855

00:35:43,510 --> 00:35:41,599

sessions my family member and i explored

856

00:35:45,910 --> 00:35:43,520

the events that had occurred during the

857

00:35:47,910 --> 00:35:45,920

hour of missing time

858

00:35:50,069 --> 00:35:47,920

with no knowledge of what the other had

859

00:35:52,230 --> 00:35:50,079

recovered under hypnosis

860

00:35:55,430 --> 00:35:52,240

our memories indicated substantive

861

00:35:59,030 --> 00:35:55,440

corroboration of an abduction by beings

862

00:36:01,030 --> 00:35:59,040

that were anything but human

863

00:36:02,150 --> 00:36:01,040

both of us recalled reaching the turn in

864

00:36:05,190 --> 00:36:02,160

the road

865

00:36:07,990 --> 00:36:05,200

and having a tremendous force physically

866

00:36:11,510 --> 00:36:08,000

lift our automobile into the air with us

867

00:36:14,230 --> 00:36:11,520

still inside unable to move

868

00:36:16,710 --> 00:36:14,240

after a short period of time we found

869

00:36:18,630 --> 00:36:16,720

ourselves in a round seamless room with

870

00:36:21,030 --> 00:36:18,640

a domed ceiling

871

00:36:23,750 --> 00:36:21,040

i reported that my family member and i

872

00:36:25,589 --> 00:36:23,760

were separated at this point as i was

873

00:36:27,990 --> 00:36:25,599

led down a hall

874

00:36:30,710 --> 00:36:28,000

my family members stated seeing me let

875

00:36:31,750 --> 00:36:30,720

off down a long hallway by three alien

876
00:36:33,829 --> 00:36:31,760
beings

877
00:36:35,190 --> 00:36:33,839
one smaller than i and two about my

878
00:36:37,750 --> 00:36:35,200
height

879
00:36:39,910 --> 00:36:37,760
i was taken into a brightly lit room

880
00:36:42,790 --> 00:36:39,920
where a physical examination and other

881
00:36:44,950 --> 00:36:42,800
medical procedures were performed

882
00:36:47,430 --> 00:36:44,960
my family member was shown several rooms

883
00:36:49,190 --> 00:36:47,440
during this time as if receiving a tour

884
00:36:51,589 --> 00:36:49,200
of the craft

885
00:36:54,230 --> 00:36:51,599
finally after a period of time i was

886
00:36:56,150 --> 00:36:54,240
taken into another room where i rejoined

887
00:36:58,550 --> 00:36:56,160
my family member

888
00:37:00,470 --> 00:36:58,560

we were released shortly afterward and

889

00:37:03,510 --> 00:37:00,480

re-entered our car apparently having

890

00:37:06,550 --> 00:37:03,520

been placed on the wrong side of town

891

00:37:08,069 --> 00:37:06,560

we turned on the engine and drove off

892

00:37:10,230 --> 00:37:08,079

soon realizing that we were in

893

00:37:11,990 --> 00:37:10,240

unfamiliar territory

894

00:37:15,270 --> 00:37:12,000

from that point on our conscious

895

00:37:17,589 --> 00:37:15,280

memories had taken over

896

00:37:20,829 --> 00:37:17,599

my questions had been answered and the

897

00:37:23,589 --> 00:37:20,839

events of that lost hour were no longer

898

00:37:26,390 --> 00:37:23,599

missing several of my family members and

899

00:37:29,430 --> 00:37:26,400

i have explored many other shared and

900

00:37:31,510 --> 00:37:29,440

individual encounters in the past year

901
00:37:34,069 --> 00:37:31,520
both consciously remembered and through

902
00:37:36,630 --> 00:37:34,079
the use of hypnosis

903
00:37:39,750 --> 00:37:36,640
invariably the shared encounters have

904
00:37:41,589 --> 00:37:39,760
contained corroborative information

905
00:37:43,670 --> 00:37:41,599
these encounters have occurred during

906
00:37:45,270 --> 00:37:43,680
both day and night

907
00:37:47,349 --> 00:37:45,280
in my family

908
00:37:49,589 --> 00:37:47,359
at least the abduction phenomenon

909
00:37:51,190 --> 00:37:49,599
appears to be intergenerational and

910
00:37:53,670 --> 00:37:51,200
ongoing

911
00:37:56,069 --> 00:37:53,680
it has shattered my complacency and

912
00:37:57,990 --> 00:37:56,079
belief in a small world view

913
00:38:02,310 --> 00:37:58,000

and has forced me to see things in a

914

00:38:07,430 --> 00:38:05,510

and that ultimately is why i'm sitting

915

00:38:10,710 --> 00:38:07,440

here before you today

916

00:38:13,270 --> 00:38:10,720

from the reaction of my family friends

917

00:38:15,109 --> 00:38:13,280

co-workers and myself

918

00:38:18,150 --> 00:38:15,119

i know that the urge to deny the

919

00:38:21,349 --> 00:38:18,160

abduction phenomenon is very strong but

920

00:38:24,550 --> 00:38:21,359

ladies and gentlemen it is real

921

00:38:27,750 --> 00:38:24,560

in the final analysis the only defense

922

00:38:29,670 --> 00:38:27,760

we have against the unknown is knowledge

923

00:38:31,750 --> 00:38:29,680

and it's in the hopes of gaining that

924

00:38:33,109 --> 00:38:31,760

knowledge that i accept future

925

00:38:35,670 --> 00:38:33,119

encounters

926
00:38:37,670 --> 00:38:35,680
for knowledge will not be gained through

927
00:38:39,050 --> 00:38:37,680
denial

928
00:38:49,430 --> 00:38:39,060
thank you

929
00:38:51,109 --> 00:38:49,440
[Applause]

930
00:38:53,589 --> 00:38:51,119
i think you can see that everybody's

931
00:38:55,510 --> 00:38:53,599
experiences are varied and yet there are

932
00:38:57,190 --> 00:38:55,520
some unifying feelings that we've all

933
00:38:59,270 --> 00:38:57,200
had to go through at one time or another

934
00:39:02,150 --> 00:38:59,280
with this experience

935
00:39:04,390 --> 00:39:02,160
if you have questions comments for our

936
00:39:06,069 --> 00:39:04,400
panelists we're going to take only 10

937
00:39:07,750 --> 00:39:06,079
minutes we're starting without you if

938
00:39:09,430 --> 00:39:07,760

you're not here in 10 minutes and i'm

939

00:39:11,670 --> 00:39:09,440

assuming there'll be a microphone for

940

00:39:12,870 --> 00:39:11,680

questions so you can line up at that

941

00:39:14,790 --> 00:39:12,880

point we're going to let everybody have

942

00:39:16,630 --> 00:39:14,800

a little get your nerves back together

943

00:39:18,230 --> 00:39:16,640

break and then we'll have questions so

944

00:39:26,630 --> 00:39:18,240

come right back or don't leave if you

945

00:39:31,030 --> 00:39:29,190

all right we're ready to start questions

946

00:39:33,910 --> 00:39:31,040

from the audience if you have a question

947

00:39:36,069 --> 00:39:33,920

for anyone in the panel

948

00:39:39,430 --> 00:39:36,079

there is a microphone

949

00:39:41,270 --> 00:39:39,440

at the head of the stage area

950

00:39:43,750 --> 00:39:41,280

like these women have done if you have a

951
00:39:45,270 --> 00:39:43,760
question come up and get in line we're

952
00:39:47,270 --> 00:39:45,280
going to take one question each and try

953
00:39:49,430 --> 00:39:47,280
to keep them to a specific question so

954
00:39:51,589 --> 00:39:49,440
that the people can answer fully a

955
00:39:53,270 --> 00:39:51,599
smaller question rather than vaguely a

956
00:39:55,109 --> 00:39:53,280
larger question and if you would direct

957
00:39:57,109 --> 00:39:55,119
it to whoever on the panel you would

958
00:39:58,230 --> 00:39:57,119
like to ask the question from

959
00:39:59,829 --> 00:39:58,240
all right

960
00:40:01,270 --> 00:39:59,839
this is for debbie it's not really a

961
00:40:02,630 --> 00:40:01,280
question i just wanted to let you know

962
00:40:04,870 --> 00:40:02,640
that you're not the only one who's

963
00:40:07,190 --> 00:40:04,880

experiencing this this acceleration of

964

00:40:08,950 --> 00:40:07,200

the genius um robin quayle who's

965

00:40:11,430 --> 00:40:08,960

hypnotherapist from atlanta she's

966

00:40:13,829 --> 00:40:11,440

regressed over 600 people who've been

967

00:40:15,829 --> 00:40:13,839

had ufo-related experiences and from

968

00:40:17,670 --> 00:40:15,839

this group she's discovered a group that

969

00:40:19,510 --> 00:40:17,680

has that she's called extraterrestrial

970

00:40:21,349 --> 00:40:19,520

telepathic intelligence phenomenon and

971

00:40:23,190 --> 00:40:21,359

she's calling them prodigies and there

972

00:40:25,270 --> 00:40:23,200

are many people who are doing exactly

973

00:40:26,390 --> 00:40:25,280

what you're doing they're having relate

974

00:40:28,870 --> 00:40:26,400

some sort of interaction with

975

00:40:31,109 --> 00:40:28,880

extraterrestrials and their iq is

976

00:40:32,870 --> 00:40:31,119

accelerating dramatically so you're not

977

00:40:34,309 --> 00:40:32,880

the only one and please come back and

978

00:40:35,910 --> 00:40:34,319

talk to us and if anybody else in the

979

00:40:37,829 --> 00:40:35,920

audience has had that experience please

980

00:40:39,190 --> 00:40:37,839

come back and talk to us and we can give

981

00:40:44,390 --> 00:40:39,200

you some more information and help you

982

00:40:48,309 --> 00:40:46,710

this is for any of you um do you

983

00:40:49,829 --> 00:40:48,319

sometimes get to the point where like

984

00:40:51,030 --> 00:40:49,839

when you're going to sleep at night

985

00:40:53,190 --> 00:40:51,040

you're afraid to because you know

986

00:41:03,990 --> 00:40:53,200

there's something that's going to happen

987

00:41:10,790 --> 00:41:07,670

i used to do that every night

988

00:41:12,390 --> 00:41:10,800

at one point in my life i was like

989

00:41:14,150 --> 00:41:12,400

staying up half the night and sleeping

990

00:41:15,670 --> 00:41:14,160

in the day because it was safe everyone

991

00:41:20,630 --> 00:41:15,680

else would be awake in the day and i

992

00:41:20,640 --> 00:41:23,190

i just

993

00:41:27,270 --> 00:41:25,270

i think a little bit i got i got tired

994

00:41:29,349 --> 00:41:27,280

of being scared

995

00:41:31,430 --> 00:41:29,359

when i started to feel

996

00:41:32,710 --> 00:41:31,440

that

997

00:41:35,910 --> 00:41:32,720

something was going to happen i don't

998

00:41:39,349 --> 00:41:35,920

know the word anticipation or anxiety i

999

00:41:42,950 --> 00:41:40,950

did something else

1000

00:41:44,710 --> 00:41:42,960

i called a friend

1001

00:41:46,309 --> 00:41:44,720

and talked or i went

1002

00:41:49,270 --> 00:41:46,319

and found somebody and just talked to

1003

00:41:51,270 --> 00:41:49,280

him until i got it under control

1004

00:41:52,790 --> 00:41:51,280

and then i figured this way well if

1005

00:41:54,870 --> 00:41:52,800

anything did happen at least i'd sleep

1006

00:41:55,750 --> 00:41:54,880

through it and that'd be all right

1007

00:41:57,670 --> 00:41:55,760

so

1008

00:42:00,550 --> 00:41:57,680

anyone else

1009

00:42:03,109 --> 00:42:00,560

on the panel to me

1010

00:42:04,630 --> 00:42:03,119

sleep is kind of a relief anymore

1011

00:42:07,030 --> 00:42:04,640

because

1012

00:42:09,829 --> 00:42:07,040

you know it kind of like debbie i'm

1013

00:42:11,349 --> 00:42:09,839

having these really

1014

00:42:14,150 --> 00:42:11,359

realistic

1015

00:42:16,870 --> 00:42:14,160

dreams that

1016

00:42:19,190 --> 00:42:16,880

some of them are almost like games

1017

00:42:20,069 --> 00:42:19,200

um they're so

1018

00:42:21,910 --> 00:42:20,079

so

1019

00:42:23,829 --> 00:42:21,920

clear and like

1020

00:42:27,030 --> 00:42:23,839

real time

1021

00:42:32,470 --> 00:42:29,109

i don't know maybe it's my mind sorting

1022

00:42:34,950 --> 00:42:32,480

out everything it needs to but

1023

00:42:38,150 --> 00:42:34,960

i have more anxiety during the waking

1024

00:42:38,160 --> 00:42:42,150

anyone else

1025

00:42:45,430 --> 00:42:43,430

okay

1026

00:42:47,349 --> 00:42:45,440

what i noticed is that there are

1027

00:42:49,670 --> 00:42:47,359

subtleties especially with the animals

1028

00:42:52,710 --> 00:42:49,680

in the house that's that's where i keep

1029

00:42:54,630 --> 00:42:52,720

my attention focused um they

1030

00:42:58,230 --> 00:42:54,640

because they're closer in touch with the

1031

00:43:01,109 --> 00:42:58,240

earth than we are because of our

1032

00:43:03,990 --> 00:43:01,119

our emergence into thought

1033

00:43:06,230 --> 00:43:04,000

they notice field changes different

1034

00:43:07,190 --> 00:43:06,240

more easily if that's the correct

1035

00:43:09,270 --> 00:43:07,200

grammar

1036

00:43:11,030 --> 00:43:09,280

they notice those things quicker than we

1037

00:43:12,630 --> 00:43:11,040

do it seems

1038

00:43:15,589 --> 00:43:12,640

i could be completely off on that one

1039

00:43:17,430 --> 00:43:15,599

but my dog especially which stays off

1040

00:43:19,750 --> 00:43:17,440

the wall stays off the beds and stuff

1041

00:43:21,589 --> 00:43:19,760

and this dog will just go nuts

1042

00:43:23,750 --> 00:43:21,599

after

1043

00:43:25,670 --> 00:43:23,760

what seems to be an encounter of some

1044

00:43:28,950 --> 00:43:25,680

sort the dog just

1045

00:43:30,870 --> 00:43:28,960

totally turns into another animal

1046

00:43:32,550 --> 00:43:30,880

that dog the day that he took off out of

1047

00:43:34,790 --> 00:43:32,560

the house with me he didn't come back

1048

00:43:42,790 --> 00:43:34,800

till the next day he's a little fox

1049

00:43:47,589 --> 00:43:44,550

there was just one period of time where

1050

00:43:49,270 --> 00:43:47,599

i had trouble falling asleep at night

1051
00:43:53,430 --> 00:43:49,280
and that was

1052
00:43:55,270 --> 00:43:53,440
from july 8 1990 when i i discovered the

1053
00:43:56,630 --> 00:43:55,280
possibility of having had these

1054
00:43:57,510 --> 00:43:56,640
encounters

1055
00:44:00,950 --> 00:43:57,520
and

1056
00:44:04,150 --> 00:44:00,960
the first set of hypnosis sessions

1057
00:44:07,589 --> 00:44:04,160
in march of 1991

1058
00:44:08,950 --> 00:44:07,599
it was more the fear of the unknown

1059
00:44:12,550 --> 00:44:08,960
than

1060
00:44:15,750 --> 00:44:12,560
once i

1061
00:44:17,910 --> 00:44:15,760
discovered what the creatures really

1062
00:44:20,550 --> 00:44:17,920
were doing to me and

1063
00:44:23,910 --> 00:44:20,560

that i was brought back safely and and

1064

00:44:25,990 --> 00:44:23,920

all of that i was no longer afraid to go

1065

00:44:27,030 --> 00:44:26,000

to sleep it was just the period of time

1066

00:44:28,790 --> 00:44:27,040

between

1067

00:44:31,589 --> 00:44:28,800

my realization that these things

1068

00:44:33,430 --> 00:44:31,599

possibly could be real and the hypnosis

1069

00:44:35,750 --> 00:44:33,440

sessions that i had trouble going to

1070

00:44:38,790 --> 00:44:35,760

sleep i didn't have trouble after

1071

00:44:44,230 --> 00:44:38,800

i went through regression

1072

00:44:49,670 --> 00:44:46,870

for those of you who have children have

1073

00:44:57,349 --> 00:44:49,680

they been having experiences and if so

1074

00:44:57,359 --> 00:45:01,190

yes

1075

00:45:05,510 --> 00:45:03,750

one of my children is definitely having

1076
00:45:07,510 --> 00:45:05,520
things go on

1077
00:45:09,430 --> 00:45:07,520
and it is picked up

1078
00:45:10,320 --> 00:45:09,440
it's very traumatic

1079
00:45:12,309 --> 00:45:10,330
there's

1080
00:45:14,470 --> 00:45:12,319
[Music]

1081
00:45:15,030 --> 00:45:14,480
she's having a hard time too

1082
00:45:16,390 --> 00:45:15,040
um

1083
00:45:18,550 --> 00:45:16,400
[Music]

1084
00:45:20,309 --> 00:45:18,560
you know

1085
00:45:21,829 --> 00:45:20,319
dealing with it

1086
00:45:24,069 --> 00:45:21,839
with her

1087
00:45:26,470 --> 00:45:24,079
everyday life as far as school and

1088
00:45:29,510 --> 00:45:26,480

things go um

1089

00:45:32,470 --> 00:45:29,520

the only thing i can do is just

1090

00:45:34,309 --> 00:45:32,480

be supportive and understanding and

1091

00:45:36,069 --> 00:45:34,319

and

1092

00:45:38,710 --> 00:45:36,079

you know i try to protect her the best i

1093

00:45:41,750 --> 00:45:38,720

can but there's nothing i can really do

1094

00:45:48,710 --> 00:45:44,829

cleaning up the emotional aftermath

1095

00:45:50,230 --> 00:45:48,720

and you know i i just be as supportive

1096

00:45:51,349 --> 00:45:50,240

as i can

1097

00:45:53,270 --> 00:45:51,359

at least

1098

00:45:54,309 --> 00:45:53,280

um she

1099

00:45:57,430 --> 00:45:54,319

has

1100

00:45:59,270 --> 00:45:57,440

someone she can talk to about it where

1101
00:46:00,870 --> 00:45:59,280
when i was going through the same things

1102
00:46:05,910 --> 00:46:00,880
as a child

1103
00:46:11,109 --> 00:46:08,390
this stuff i have two boys and they're

1104
00:46:13,430 --> 00:46:11,119
big boys even though they're just barely

1105
00:46:15,430 --> 00:46:13,440
teenagers they're huge

1106
00:46:16,710 --> 00:46:15,440
but they've had stuff they've seen

1107
00:46:19,030 --> 00:46:16,720
things and they had their own

1108
00:46:21,510 --> 00:46:19,040
experiences since they were

1109
00:46:22,390 --> 00:46:21,520
two or three and four years old

1110
00:46:27,510 --> 00:46:22,400
and

1111
00:46:30,950 --> 00:46:27,520
that's 12 still gets scared by the stuff

1112
00:46:33,990 --> 00:46:30,960
the older one seems to be more

1113
00:46:36,550 --> 00:46:34,000

able to he he's more interested about it

1114

00:46:37,990 --> 00:46:36,560

now he wants to know more

1115

00:46:39,589 --> 00:46:38,000

the younger one

1116

00:46:41,510 --> 00:46:39,599

still gets scared by it and the best

1117

00:46:42,870 --> 00:46:41,520

thing only thing i know how to do

1118

00:46:44,710 --> 00:46:42,880

is try to

1119

00:46:45,990 --> 00:46:44,720

try to raise them up the best way i can

1120

00:46:47,670 --> 00:46:46,000

give them

1121

00:46:49,750 --> 00:46:47,680

confidence in themselves

1122

00:46:50,950 --> 00:46:49,760

that way you know

1123

00:46:52,710 --> 00:46:50,960

when they get old at least they won't be

1124

00:46:53,829 --> 00:46:52,720

like their old lady and worry about they

1125

00:46:56,309 --> 00:46:53,839

were nuts

1126

00:46:58,309 --> 00:46:56,319

they'll believe in themselves and they

1127

00:47:00,550 --> 00:46:58,319

know they can they have people that they

1128

00:47:02,309 --> 00:47:00,560

can talk to you know me and

1129

00:47:04,150 --> 00:47:02,319

and my boyfriend and my mom and dad and

1130

00:47:05,910 --> 00:47:04,160

everybody about the stuff so they don't

1131

00:47:07,270 --> 00:47:05,920

feel like they're alone

1132

00:47:10,069 --> 00:47:07,280

and i think that's just about all you

1133

00:47:12,150 --> 00:47:10,079

can do really because you can't be in

1134

00:47:15,270 --> 00:47:12,160

control what's happening but you can be

1135

00:47:17,589 --> 00:47:15,280

in control how you deal with it

1136

00:47:20,150 --> 00:47:17,599

anybody else on the panel i have three

1137

00:47:21,990 --> 00:47:20,160

kids i have a 21 year old girl

1138

00:47:23,030 --> 00:47:22,000

a 13 year old boy and a seven-year-old

1139

00:47:25,030 --> 00:47:23,040

girl

1140

00:47:26,230 --> 00:47:25,040

and they've all had experiences among

1141

00:47:28,710 --> 00:47:26,240

themselves

1142

00:47:30,710 --> 00:47:28,720

i remember one night when i woke up i

1143

00:47:33,910 --> 00:47:30,720

heard my son saying

1144

00:47:35,750 --> 00:47:33,920

i don't want to go i don't want to go

1145

00:47:37,510 --> 00:47:35,760

and he kept mumbling this over and over

1146

00:47:39,349 --> 00:47:37,520

again and i only remember i got up and

1147

00:47:41,990 --> 00:47:39,359

went in his bedroom and

1148

00:47:43,910 --> 00:47:42,000

and put my hand on his arm and said it's

1149

00:47:46,549 --> 00:47:43,920

your choice you don't have to go if you

1150

00:47:47,829 --> 00:47:46,559

don't want to go

1151
00:47:49,910 --> 00:47:47,839
and when he got up in the morning he

1152
00:47:53,190 --> 00:47:49,920
didn't remember anything

1153
00:47:54,549 --> 00:47:53,200
but i do tell my kids this is a choice

1154
00:47:56,390 --> 00:47:54,559
i don't feel

1155
00:47:57,589 --> 00:47:56,400
threatened by them

1156
00:48:01,670 --> 00:47:57,599
and

1157
00:48:03,990 --> 00:48:01,680
the one fear i think my kids do have is

1158
00:48:05,510 --> 00:48:04,000
telling other kids i always say keep it

1159
00:48:07,270 --> 00:48:05,520
to yourself

1160
00:48:09,589 --> 00:48:07,280
if somebody says something to you that

1161
00:48:12,390 --> 00:48:09,599
has heard about my experiences don't

1162
00:48:13,990 --> 00:48:12,400
defend me it's not needed

1163
00:48:15,510 --> 00:48:14,000

just say oh well

1164

00:48:17,190 --> 00:48:15,520

things happen

1165

00:48:19,910 --> 00:48:17,200

and walk away from

1166

00:48:21,750 --> 00:48:19,920

that's my fear as my kids will be made

1167

00:48:24,390 --> 00:48:21,760

fun of at school and instead of saying

1168

00:48:27,109 --> 00:48:24,400

your mom wears combat boots

1169

00:48:28,309 --> 00:48:27,119

your mom goes to space

1170

00:48:32,950 --> 00:48:28,319

so

1171

00:48:36,230 --> 00:48:32,960

i don't like ridicule and i don't want

1172

00:48:38,390 --> 00:48:36,240

my kids being made fun of

1173

00:48:40,870 --> 00:48:38,400

but i am a realist i know that it

1174

00:48:43,430 --> 00:48:40,880

probably will happen at some time

1175

00:48:46,870 --> 00:48:43,440

so i try to face it and give them clues

1176

00:48:51,349 --> 00:48:49,270

i have two daughters one's 19 and the

1177

00:48:53,109 --> 00:48:51,359

other 16.

1178

00:48:54,950 --> 00:48:53,119

before i went to springfield for my

1179

00:48:56,870 --> 00:48:54,960

first set of hypnosis sessions i had to

1180

00:48:58,470 --> 00:48:56,880

give them some kind of an explanation as

1181

00:49:00,390 --> 00:48:58,480

to why i was going

1182

00:49:03,030 --> 00:49:00,400

i didn't really quite know what to say

1183

00:49:04,950 --> 00:49:03,040

without telling a lie because you know

1184

00:49:07,990 --> 00:49:04,960

it seems so absurd

1185

00:49:10,150 --> 00:49:08,000

so what i told them was that my brother

1186

00:49:11,270 --> 00:49:10,160

and i had seen what we believed to be a

1187

00:49:13,510 --> 00:49:11,280

spaceship

1188

00:49:15,589 --> 00:49:13,520

when we were children and i was going to

1189

00:49:18,710 --> 00:49:15,599

springfield to to find out if that

1190

00:49:22,230 --> 00:49:18,720

really was a spaceship or not

1191

00:49:24,710 --> 00:49:22,240

my older daughter said mom

1192

00:49:27,270 --> 00:49:24,720

whatever you find out i don't ever want

1193

00:49:28,309 --> 00:49:27,280

to hear about it

1194

00:49:32,150 --> 00:49:28,319

and

1195

00:49:34,309 --> 00:49:32,160

discussed it

1196

00:49:36,230 --> 00:49:34,319

she's overheard me talking on the phone

1197

00:49:38,230 --> 00:49:36,240

from time to time and she's made it

1198

00:49:40,309 --> 00:49:38,240

evident by slamming doors and things

1199

00:49:42,390 --> 00:49:40,319

like that that she didn't quite approve

1200

00:49:44,470 --> 00:49:42,400

of my conversations

1201
00:49:46,150 --> 00:49:44,480
and i've had to be

1202
00:49:52,790 --> 00:49:46,160
real

1203
00:49:54,870 --> 00:49:52,800
and try to respect

1204
00:49:56,950 --> 00:49:54,880
her

1205
00:49:59,270 --> 00:49:56,960
need to

1206
00:50:02,150 --> 00:49:59,280
to not be involved in this i'm not

1207
00:50:04,870 --> 00:50:02,160
trying to shove it on anybody

1208
00:50:07,589 --> 00:50:04,880
my younger daughter

1209
00:50:08,630 --> 00:50:07,599
wanted to know everything

1210
00:50:10,309 --> 00:50:08,640
that

1211
00:50:11,190 --> 00:50:10,319
i found out

1212
00:50:12,870 --> 00:50:11,200
and

1213
00:50:15,589 --> 00:50:12,880

i tried to

1214

00:50:17,109 --> 00:50:15,599

kind of sugarcoat things and

1215

00:50:19,589 --> 00:50:17,119

and she

1216

00:50:24,150 --> 00:50:19,599

she just wouldn't allow that

1217

00:50:26,790 --> 00:50:24,160

she wanted to know specifics details etc

1218

00:50:29,190 --> 00:50:26,800

i've always been a firm believer in when

1219

00:50:30,950 --> 00:50:29,200

a child asks you a question

1220

00:50:33,510 --> 00:50:30,960

you know if they're ready to ask it

1221

00:50:35,990 --> 00:50:33,520

they're ready for the answer and so if

1222

00:50:37,190 --> 00:50:36,000

she comes to me and asks me a question i

1223

00:50:39,990 --> 00:50:37,200

answer it

1224

00:50:42,710 --> 00:50:40,000

the best that i can

1225

00:50:45,190 --> 00:50:42,720

i i'm not certain

1226
00:50:46,309 --> 00:50:45,200
that either of them has had experiences

1227
00:50:49,270 --> 00:50:46,319
but

1228
00:50:52,870 --> 00:50:49,280
i tend to believe that they both have

1229
00:50:55,829 --> 00:50:52,880
my older one when she was younger

1230
00:50:58,390 --> 00:50:55,839
um about

1231
00:50:59,990 --> 00:50:58,400
two or three four years old wouldn't go

1232
00:51:01,589 --> 00:51:00,000
out in the backyard

1233
00:51:03,510 --> 00:51:01,599
it had a chain link fence on it she

1234
00:51:06,230 --> 00:51:03,520
wouldn't go out there by herself because

1235
00:51:07,829 --> 00:51:06,240
she was was afraid of strangers

1236
00:51:09,670 --> 00:51:07,839
and i didn't know what that meant but

1237
00:51:12,069 --> 00:51:09,680
now i wonder

1238
00:51:15,430 --> 00:51:12,079

the younger one has had dreams that

1239

00:51:18,470 --> 00:51:15,440

she's told me about that seem

1240

00:51:20,390 --> 00:51:18,480

um to closely parallel

1241

00:51:23,109 --> 00:51:20,400

the ones that i had that turned out to

1242

00:51:25,510 --> 00:51:23,119

be real encounters

1243

00:51:27,829 --> 00:51:25,520

and uh you know she's she's had dreams

1244

00:51:30,790 --> 00:51:27,839

of being in a force field that was

1245

00:51:33,349 --> 00:51:30,800

taking her out of the house and she was

1246

00:51:36,710 --> 00:51:33,359

struggling and screaming for me and

1247

00:51:37,910 --> 00:51:36,720

and i wouldn't to respond she said

1248

00:51:40,309 --> 00:51:37,920

and

1249

00:51:42,710 --> 00:51:40,319

she said that she had a dream in which

1250

00:51:44,309 --> 00:51:42,720

she and i both were aboard craft and i

1251
00:51:46,309 --> 00:51:44,319
was in another room doing she didn't

1252
00:51:47,990 --> 00:51:46,319
know what but

1253
00:51:50,069 --> 00:51:48,000
while i was in the other room one of

1254
00:51:52,630 --> 00:51:50,079
these alien creatures that she described

1255
00:51:55,030 --> 00:51:52,640
as being exactly like the one you saw a

1256
00:51:57,670 --> 00:51:55,040
picture of and she had not seen my

1257
00:52:01,349 --> 00:51:57,680
picture either at that point in time but

1258
00:52:06,630 --> 00:52:03,829
this alien was showing her a model of

1259
00:52:09,750 --> 00:52:06,640
the spacecraft and explaining the

1260
00:52:12,630 --> 00:52:09,760
propulsion system to her

1261
00:52:15,910 --> 00:52:12,640
she's the type of person that

1262
00:52:18,309 --> 00:52:15,920
would understand that kind of thing

1263
00:52:19,349 --> 00:52:18,319

so um

1264

00:52:22,549 --> 00:52:19,359

i just

1265

00:52:28,309 --> 00:52:25,349

i don't make an effort to discuss this

1266

00:52:30,950 --> 00:52:28,319

with her but if she comes to me and

1267

00:52:33,190 --> 00:52:30,960

feels the need to discuss it then then i

1268

00:52:35,990 --> 00:52:33,200

will i've tried to present it all in as

1269

00:52:37,190 --> 00:52:36,000

much a positive light as possible

1270

00:52:39,589 --> 00:52:37,200

to

1271

00:52:41,190 --> 00:52:39,599

minimize her fear

1272

00:52:43,430 --> 00:52:41,200

thank you

1273

00:52:47,750 --> 00:52:43,440

do we have another question

1274

00:52:49,270 --> 00:52:47,760

okay what right this lady will be next

1275

00:52:52,069 --> 00:52:49,280

i'd like to say that i've had

1276

00:52:54,549 --> 00:52:52,079

experiences since i was very young but i

1277

00:52:57,270 --> 00:52:54,559

was lucky enough that my parents had

1278

00:52:59,750 --> 00:52:57,280

friends that got me on the right road so

1279

00:53:02,390 --> 00:52:59,760

i wouldn't feel like i feel like you

1280

00:53:04,790 --> 00:53:02,400

guys feel i'm a positive feeling about

1281

00:53:06,790 --> 00:53:04,800

it they told me to make myself look

1282

00:53:09,990 --> 00:53:06,800

beautiful when i went to bed

1283

00:53:11,510 --> 00:53:10,000

for the angels that would take me

1284

00:53:13,270 --> 00:53:11,520

into a

1285

00:53:15,430 --> 00:53:13,280

dreamland

1286

00:53:17,829 --> 00:53:15,440

and i was always told that they were

1287

00:53:21,030 --> 00:53:17,839

angels therefore i thought of them as

1288

00:53:24,150 --> 00:53:21,040

angels i thought i was lucky you know

1289

00:53:26,230 --> 00:53:24,160

and i i didn't remember my dreams until

1290

00:53:28,549 --> 00:53:26,240

i got a little bit older and i saw

1291

00:53:30,150 --> 00:53:28,559

different things but i never had a

1292

00:53:32,150 --> 00:53:30,160

negative

1293

00:53:34,630 --> 00:53:32,160

feeling that i'm i'm getting from

1294

00:53:36,470 --> 00:53:34,640

everybody that's telling their story

1295

00:53:39,030 --> 00:53:36,480

i actually feel

1296

00:53:41,589 --> 00:53:39,040

sorry for most of you except the lady in

1297

00:53:45,670 --> 00:53:41,599

the gold here in the middle

1298

00:53:46,710 --> 00:53:45,680

i feel she's had a wonderful experience

1299

00:53:48,390 --> 00:53:46,720

and

1300

00:53:50,870 --> 00:53:48,400

i feel mine

1301
00:53:53,109 --> 00:53:50,880
yeah i've been on the table and had all

1302
00:53:54,790 --> 00:53:53,119
those all those things stuck on me but

1303
00:53:57,190 --> 00:53:54,800
they give me a sex dream instead so it

1304
00:53:58,549 --> 00:53:57,200
doesn't matter you can laugh at when you

1305
00:54:00,309 --> 00:53:58,559
wake up because you don't remember you

1306
00:54:01,990 --> 00:54:00,319
don't feel the pain

1307
00:54:04,390 --> 00:54:02,000
and as long as they take the pain away

1308
00:54:06,790 --> 00:54:04,400
from you they're probably just making

1309
00:54:07,990 --> 00:54:06,800
you ready for the big change

1310
00:54:09,829 --> 00:54:08,000
that we're going to go from the third

1311
00:54:11,109 --> 00:54:09,839
dimension to the fourth dimension our

1312
00:54:13,030 --> 00:54:11,119
bodies are going to be changing they're

1313
00:54:14,470 --> 00:54:13,040

just trying to keep track of us to make

1314

00:54:16,309 --> 00:54:14,480

sure we're going to be able to handle

1315

00:54:17,910 --> 00:54:16,319

the change

1316

00:54:22,309 --> 00:54:17,920

do you have a question

1317

00:54:27,910 --> 00:54:25,030

i have a comment

1318

00:54:29,990 --> 00:54:27,920

no not every bottle um

1319

00:54:31,990 --> 00:54:30,000

let's have a comment

1320

00:54:36,870 --> 00:54:32,000

they didn't take my pain away they did

1321

00:54:41,030 --> 00:54:38,390

i remember

1322

00:54:42,470 --> 00:54:41,040

a lot of stuff that was really scary and

1323

00:54:44,309 --> 00:54:42,480

it hurt

1324

00:54:45,750 --> 00:54:44,319

i don't hold it against anything or

1325

00:54:48,069 --> 00:54:45,760

anybody

1326

00:54:49,990 --> 00:54:48,079

and i feel like i'm

1327

00:54:52,470 --> 00:54:50,000

in some kind of a twisted way a better

1328

00:54:55,109 --> 00:54:52,480

person because of this i don't see it as

1329

00:54:57,430 --> 00:54:55,119

all negative

1330

00:55:00,630 --> 00:54:57,440

i didn't get any negative or positive

1331

00:55:02,549 --> 00:55:00,640

feelings from whatever this was i had

1332

00:55:04,950 --> 00:55:02,559

more of a sense of this is something

1333

00:55:06,950 --> 00:55:04,960

that's got to be done and we're doing it

1334

00:55:08,870 --> 00:55:06,960

but it was not an intentional thing for

1335

00:55:11,589 --> 00:55:08,880

you to be injured but i'm not going to

1336

00:55:11,599 --> 00:55:16,069

you know perfect either

1337

00:55:21,910 --> 00:55:19,030

and so i like i i like to think i took a

1338

00:55:24,870 --> 00:55:21,920

bad situation and made the best of it

1339

00:55:27,109 --> 00:55:25,829

but

1340

00:55:28,950 --> 00:55:27,119

you know

1341

00:55:32,870 --> 00:55:28,960

maybe

1342

00:55:34,470 --> 00:55:32,880

kind of my guy was different kind of guy

1343

00:55:37,910 --> 00:55:34,480

than your guy i don't know

1344

00:55:39,510 --> 00:55:37,920

i wish i'd have got sex dreams

1345

00:55:49,910 --> 00:55:39,520

that have been the closest i'd ever

1346

00:55:56,950 --> 00:55:53,670

i'd like to to say something to that um

1347

00:55:59,589 --> 00:55:56,960

one thing that that is real prevalent in

1348

00:56:03,349 --> 00:55:59,599

in all of this abductee thing is

1349

00:56:05,829 --> 00:56:03,359

whether it's good or bad

1350

00:56:07,910 --> 00:56:05,839

and that was one thing that came up real

1351
00:56:09,670 --> 00:56:07,920
early in

1352
00:56:11,990 --> 00:56:09,680
my situation

1353
00:56:13,829 --> 00:56:12,000
and it was something that that

1354
00:56:16,950 --> 00:56:13,839
is very hurtful

1355
00:56:18,789 --> 00:56:16,960
it's not something i think that

1356
00:56:21,109 --> 00:56:18,799
i think that all of us need to be very

1357
00:56:23,430 --> 00:56:21,119
very nice and kind to each other because

1358
00:56:25,750 --> 00:56:23,440
we're all in it together

1359
00:56:27,829 --> 00:56:25,760
and the experiences that we have are

1360
00:56:31,910 --> 00:56:27,839
very subjective

1361
00:56:34,309 --> 00:56:31,920
each one of us the same thing could be

1362
00:56:37,510 --> 00:56:34,319
happening to every one of us but we take

1363
00:56:38,549 --> 00:56:37,520

with it our own baggage we

1364

00:56:41,990 --> 00:56:38,559

you know

1365

00:56:44,549 --> 00:56:42,000

and you you cannot say that any person

1366

00:56:46,549 --> 00:56:44,559

is wrong for feeling that it was

1367

00:56:48,150 --> 00:56:46,559

negative or wrong for feeling that it

1368

00:56:50,390 --> 00:56:48,160

was good

1369

00:56:52,390 --> 00:56:50,400

because i i do feel that it is very

1370

00:56:53,990 --> 00:56:52,400

subjective

1371

00:56:56,150 --> 00:56:54,000

and

1372

00:57:00,870 --> 00:56:56,160

i think

1373

00:57:03,750 --> 00:57:00,880

we uh it's a hard enough situation that

1374

00:57:04,870 --> 00:57:03,760

that we we just need to be good to each

1375

00:57:08,150 --> 00:57:04,880

other

1376
00:57:10,390 --> 00:57:08,160
don't add to the situation um you know

1377
00:57:21,270 --> 00:57:10,400
by we already have an alien problem

1378
00:57:25,910 --> 00:57:24,069
and i wanted to add that

1379
00:57:28,390 --> 00:57:25,920
of course i didn't have enough time to

1380
00:57:31,270 --> 00:57:28,400
get into everything this morning

1381
00:57:32,950 --> 00:57:31,280
but i've encountered a variety of what i

1382
00:57:35,190 --> 00:57:32,960
call creatures

1383
00:57:37,829 --> 00:57:35,200
and

1384
00:57:42,549 --> 00:57:37,839
the majority of my encounters have been

1385
00:57:45,270 --> 00:57:42,559
extremely positive but i have had a few

1386
00:57:48,150 --> 00:57:45,280
that were negative and i'm sorry but i

1387
00:57:51,589 --> 00:57:48,160
just don't see how you can interpret a

1388
00:57:52,829 --> 00:57:51,599

reptilian rape as something positive

1389

00:57:56,390 --> 00:57:52,839

and

1390

00:58:01,030 --> 00:57:57,829

you know

1391

00:58:03,430 --> 00:58:01,040

i just had both and

1392

00:58:06,630 --> 00:58:03,440

when somebody asked me that question

1393

00:58:08,470 --> 00:58:06,640

i'll tell them honestly that

1394

00:58:10,789 --> 00:58:08,480

that some of them have been positive

1395

00:58:11,510 --> 00:58:10,799

some of them have been negative

1396

00:58:29,670 --> 00:58:11,520

i

1397

00:58:31,750 --> 00:58:29,680

can and

1398

00:58:34,829 --> 00:58:31,760

and try to help my daughters with it the

1399

00:58:38,069 --> 00:58:34,839

best that i can but

1400

00:58:41,109 --> 00:58:38,079

um and we can't i don't believe

1401
00:58:43,910 --> 00:58:41,119
categorize them all as you know all

1402
00:58:46,069 --> 00:58:43,920
good or all bad

1403
00:58:48,230 --> 00:58:46,079
i think that it's important that we

1404
00:58:49,270 --> 00:58:48,240
realize that we have

1405
00:58:52,069 --> 00:58:49,280
both

1406
00:58:54,789 --> 00:58:52,079
i i wish that i could say that we all up

1407
00:58:56,710 --> 00:58:54,799
here experienced only positive

1408
00:58:59,030 --> 00:58:56,720
encounters

1409
00:59:00,470 --> 00:58:59,040
and they were all supposed to help us

1410
00:59:03,349 --> 00:59:00,480
grow

1411
00:59:06,549 --> 00:59:03,359
but unfortunately that's not the case

1412
00:59:11,990 --> 00:59:09,030
only thing i got to say about it is

1413
00:59:14,069 --> 00:59:12,000

i think linda howell put it best a year

1414

00:59:16,309 --> 00:59:14,079

or a year and a half ago

1415

00:59:18,470 --> 00:59:16,319

the difference between cultures

1416

00:59:20,390 --> 00:59:18,480

in between here in south america and

1417

00:59:23,510 --> 00:59:20,400

we're all in the same continent

1418

00:59:26,230 --> 00:59:23,520

um we're in the same hemisphere

1419

00:59:28,230 --> 00:59:26,240

is vast between here let's say in costa

1420

00:59:30,549 --> 00:59:28,240

rica or brazil

1421

00:59:32,870 --> 00:59:30,559

between us and the natives in the rain

1422

00:59:34,150 --> 00:59:32,880

forest it's a vast contrast between us

1423

00:59:36,470 --> 00:59:34,160

and them

1424

00:59:38,870 --> 00:59:36,480

and i think as i said again and i think

1425

00:59:40,470 --> 00:59:38,880

as linda said it best is that they are

1426

00:59:42,870 --> 00:59:40,480

alien to us

1427

00:59:46,309 --> 00:59:42,880

their way of looking at their codes

1428

00:59:47,910 --> 00:59:46,319

morals and ethics are alien to us and we

1429

00:59:49,190 --> 00:59:47,920

are alien to them

1430

00:59:51,589 --> 00:59:49,200

and

1431

00:59:52,630 --> 00:59:51,599

what you know i may be totally wrong in

1432

00:59:55,109 --> 00:59:52,640

this but

1433

00:59:58,230 --> 00:59:55,119

a rape or whatever to them maybe just

1434

01:00:01,270 --> 00:59:58,240

scientific procedure in every way shape

1435

01:00:02,150 --> 01:00:01,280

or form and to us it's a total violation

1436

01:00:03,990 --> 01:00:02,160

of our

1437

01:00:06,789 --> 01:00:04,000

ethics laws

1438

01:00:09,270 --> 01:00:06,799

criminal non-criminal whatever

1439

01:00:12,230 --> 01:00:09,280

but the thing in here i think to keep in

1440

01:00:15,109 --> 01:00:12,240

mind is that they are alien to us in our

1441

01:00:16,309 --> 01:00:15,119

way of thinking and that's important to

1442

01:00:18,390 --> 01:00:16,319

remember

1443

01:00:21,109 --> 01:00:18,400

when they perform these procedures on

1444

01:00:21,119 --> 01:00:24,309

i think

1445

01:00:29,349 --> 01:00:27,190

i used to be like you i felt very

1446

01:00:30,390 --> 01:00:29,359

positive about this

1447

01:00:33,430 --> 01:00:30,400

but

1448

01:00:34,870 --> 01:00:33,440

over the last year or so

1449

01:00:45,910 --> 01:00:34,880

i

1450

01:00:47,190 --> 01:00:45,920

um

1451

01:00:51,109 --> 01:00:47,200

i can't

1452

01:00:53,030 --> 01:00:51,119

twist it into a positive experience um

1453

01:00:55,910 --> 01:00:53,040

i've been you know

1454

01:00:57,670 --> 01:00:55,920

told that i should think more positively

1455

01:00:58,789 --> 01:00:57,680

about it i

1456

01:00:59,990 --> 01:00:58,799

i'm

1457

01:01:02,150 --> 01:01:00,000

you know that

1458

01:01:04,390 --> 01:01:02,160

maybe i'm going through early menopause

1459

01:01:06,150 --> 01:01:04,400

you know anything like that other than

1460

01:01:08,069 --> 01:01:06,160

the real thing but

1461

01:01:10,309 --> 01:01:08,079

i don't feel like i'm totally negative

1462

01:01:13,030 --> 01:01:10,319

about the negative experiences because

1463

01:01:13,750 --> 01:01:13,040

what i have gained is an appreciation

1464

01:01:17,190 --> 01:01:13,760

for

1465

01:01:18,069 --> 01:01:17,200

humanity as it is

1466

01:01:20,789 --> 01:01:18,079

and

1467

01:01:21,910 --> 01:01:20,799

i think humanity's most

1468

01:01:24,150 --> 01:01:21,920

valuable

1469

01:01:26,470 --> 01:01:24,160

resource is free will and i don't

1470

01:01:30,309 --> 01:01:26,480

appreciate being forced to do something

1471

01:01:35,510 --> 01:01:33,270

thank you one more response okay

1472

01:01:36,950 --> 01:01:35,520

i think that we can't deny the fact that

1473

01:01:39,510 --> 01:01:36,960

there are destructive people in the

1474

01:01:41,270 --> 01:01:39,520

world with different motives and

1475

01:01:44,069 --> 01:01:41,280

although my experiences have been very

1476

01:01:46,309 --> 01:01:44,079

positive i have been really lucky i feel

1477

01:01:47,910 --> 01:01:46,319

and i wouldn't say that it's because i'm

1478

01:01:50,630 --> 01:01:47,920

better than anybody else or more

1479

01:01:53,349 --> 01:01:50,640

enlightened than anybody else

1480

01:01:55,190 --> 01:01:53,359

i really can't give you specifics of why

1481

01:01:56,069 --> 01:01:55,200

mine were only positive

1482

01:01:58,150 --> 01:01:56,079

but

1483

01:01:59,910 --> 01:01:58,160

the aliens have different motives they

1484

01:02:02,230 --> 01:01:59,920

have different personalities and people

1485

01:02:05,349 --> 01:02:02,240

have different personalities and i have

1486

01:02:08,390 --> 01:02:05,359

never seen a reptilian type thing so

1487

01:02:10,950 --> 01:02:08,400

i couldn't say what would happen to me

1488

01:02:12,870 --> 01:02:10,960

so they do have different motives

1489

01:02:15,430 --> 01:02:12,880

and i think there's room for it all i

1490

01:02:17,750 --> 01:02:15,440

can do is speak for my experiences but

1491

01:02:21,670 --> 01:02:17,760

it doesn't deny the fact that there are

1492

01:02:23,109 --> 01:02:21,680

destructive motives out there

1493

01:02:25,349 --> 01:02:23,119

thank you

1494

01:02:26,630 --> 01:02:25,359

and do you want one more thing all right

1495

01:02:28,630 --> 01:02:26,640

please

1496

01:02:31,349 --> 01:02:28,640

i may not have another opportunity to

1497

01:02:34,950 --> 01:02:31,359

say this but i just wanted to thank all

1498

01:02:37,829 --> 01:02:34,960

of you researchers investigators

1499

01:02:39,750 --> 01:02:37,839

directors of organizations whoever you

1500

01:02:42,150 --> 01:02:39,760

are whatever it is that you're doing to

1501

01:02:44,230 --> 01:02:42,160

help us i think on behalf of all

1502

01:02:46,829 --> 01:02:44,240

abductees um

1503

01:02:50,069 --> 01:02:46,839

i can say that we really sincerely

1504

01:02:52,150 --> 01:02:50,079

appreciate all the time all the money

1505

01:03:01,349 --> 01:02:52,160

that you're devoting to help us out and

1506

01:03:04,789 --> 01:03:02,789

i know that we could sit here and i

1507

01:03:06,309 --> 01:03:04,799

would love to i have lots of questions

1508

01:03:08,150 --> 01:03:06,319

for our panelists the rest of the

1509

01:03:09,670 --> 01:03:08,160

evening and i'm hoping to persuade those

1510

01:03:12,309 --> 01:03:09,680

of you who are willing to come back

1511

01:03:14,230 --> 01:03:12,319

after the abduction researcher panel and

1512

01:03:15,990 --> 01:03:14,240

be available for more questions from the

1513

01:03:18,069 --> 01:03:16,000

audience we're going to take

1514

01:03:20,390 --> 01:03:18,079

is it 10 minute break lou

1515

01:03:23,190 --> 01:03:20,400

and then our abduction researchers will

1516

01:03:25,109 --> 01:03:23,200

come up and present a brief um

1517

01:03:26,549 --> 01:03:25,119

presentation and take questions and then

1518

01:03:28,549 --> 01:03:26,559

we're going to try to get all of these

1519

01:03:36,069 --> 01:03:28,559

people back up here for more questions

1520

01:03:39,910 --> 01:03:38,309

i'm cheyenne turner and i'm going to be

1521

01:03:42,069 --> 01:03:39,920

the moderator for

1522

01:03:43,589 --> 01:03:42,079

the research researchers involved with

1523

01:03:44,390 --> 01:03:43,599

the abductions

1524

01:03:45,589 --> 01:03:44,400

and

1525

01:03:47,109 --> 01:03:45,599

i would like to explain just a little

1526

01:03:49,829 --> 01:03:47,119

bit of how i got

1527

01:03:50,950 --> 01:03:49,839

involved with some of this field

1528

01:03:53,029 --> 01:03:50,960

i was

1529

01:03:56,630 --> 01:03:53,039

president of a group in dallas

1530

01:03:58,470 --> 01:03:56,640

the mufon metroplex for about four years

1531

01:04:00,150 --> 01:03:58,480

and i would get many many calls from

1532

01:04:01,430 --> 01:04:00,160

abductees who were in a great deal of

1533

01:04:04,069 --> 01:04:01,440

pain

1534

01:04:06,549 --> 01:04:04,079

didn't know who to go to

1535

01:04:07,990 --> 01:04:06,559

and just needed someone you know to hear

1536

01:04:11,589 --> 01:04:08,000

their story

1537

01:04:13,829 --> 01:04:11,599

and that's how i originally met carla

1538

01:04:15,829 --> 01:04:13,839

and i remember when um she and her

1539

01:04:17,910 --> 01:04:15,839

husband were sitting in my living room

1540

01:04:21,029 --> 01:04:17,920

giving me their story and

1541

01:04:23,750 --> 01:04:21,039

obviously in a great deal of distress

1542

01:04:24,710 --> 01:04:23,760

and i helped them find someone to go to

1543

01:04:27,829 --> 01:04:24,720

to

1544

01:04:30,789 --> 01:04:27,839

do the hypnosis and regressions and i

1545

01:04:33,589 --> 01:04:31,589

the

1546

01:04:35,829 --> 01:04:33,599

researchers really give a great deal of

1547

01:04:38,710 --> 01:04:35,839

their time and effort and i think

1548

01:04:41,750 --> 01:04:38,720

they're really to be commended because

1549

01:04:43,990 --> 01:04:41,760

it takes a lot of understanding

1550

01:04:45,870 --> 01:04:44,000

and i think that we all owe them a great

1551

01:04:53,349 --> 01:04:45,880

deal of thanks

1552

01:04:54,710 --> 01:04:53,359

[Applause]

1553

01:04:56,630 --> 01:04:54,720

what they're going to be doing is

1554

01:04:58,710 --> 01:04:56,640

introducing themselves giving a little

1555

01:05:00,390 --> 01:04:58,720

bit of their background and what their

1556

01:05:01,349 --> 01:05:00,400

research involves

1557

01:05:03,750 --> 01:05:01,359

so

1558

01:05:07,029 --> 01:05:03,760

we will start

1559

01:05:08,630 --> 01:05:07,039

on this end with forest crawford

1560

01:05:10,870 --> 01:05:08,640

i made linda sit in the middle so she'd

1561

01:05:12,470 --> 01:05:10,880

get all the attention too

1562

01:05:14,390 --> 01:05:12,480

i talked a lot about symbol stuff

1563

01:05:15,829 --> 01:05:14,400

earlier so you know that i like

1564

01:05:18,150 --> 01:05:15,839

controversial correlations or

1565

01:05:19,990 --> 01:05:18,160

correlations in general but what may not

1566

01:05:22,150 --> 01:05:20,000

have been evident is that i'm very

1567

01:05:24,870 --> 01:05:22,160

involved in abduction research as well

1568

01:05:28,069 --> 01:05:24,880

and uh have a training as a

1569

01:05:29,910 --> 01:05:28,079

hypnotherapist extensive background in

1570

01:05:31,589 --> 01:05:29,920

ufology so to speak i've been doing it

1571

01:05:33,109 --> 01:05:31,599

for a long time that's kind of what i

1572

01:05:34,470 --> 01:05:33,119

bring to the

1573

01:05:36,710 --> 01:05:34,480

abduction

1574

01:05:38,390 --> 01:05:36,720

research phenomenon and have

1575

01:05:40,150 --> 01:05:38,400

worked with abductees essentially in the

1576

01:05:42,950 --> 01:05:40,160

st louis area but uh

1577

01:05:45,910 --> 01:05:42,960

all over the country as well and a lot

1578

01:05:48,390 --> 01:05:45,920

of the information that i present comes

1579

01:05:49,910 --> 01:05:48,400

from their experiences in fact almost

1580

01:05:51,270 --> 01:05:49,920

all of it does except for when i tell

1581

01:05:53,270 --> 01:05:51,280

you it's something weird that happened

1582

01:05:55,349 --> 01:05:53,280

to me

1583

01:05:57,430 --> 01:05:55,359

and it comes from their experiences and

1584

01:05:59,750 --> 01:05:57,440

the correlations that come out of that

1585

01:06:00,789 --> 01:05:59,760

work and the communications in there so

1586

01:06:02,950 --> 01:06:00,799

uh

1587

01:06:06,470 --> 01:06:02,960

i rely heavily on

1588

01:06:08,710 --> 01:06:06,480

my relationship with with the abduction

1589

01:06:10,710 --> 01:06:08,720

and contact uh

1590

01:06:12,309 --> 01:06:10,720

experiencers if you will

1591

01:06:13,270 --> 01:06:12,319

that i work with

1592

01:06:15,430 --> 01:06:13,280

because they're the ones that are

1593

01:06:17,029 --> 01:06:15,440

bringing the pieces together we're just

1594

01:06:21,510 --> 01:06:17,039

kind of helping them realize that that's

1595

01:06:26,230 --> 01:06:23,430

well it was the animal mutilations that

1596

01:06:27,829 --> 01:06:26,240

led me to human abductions the two i

1597

01:06:29,430 --> 01:06:27,839

think are related

1598

01:06:31,670 --> 01:06:29,440

in relationship to the phenomenons

1599

01:06:33,589 --> 01:06:31,680

intrusion on the planet

1600

01:06:35,910 --> 01:06:33,599

and

1601
01:06:38,789 --> 01:06:35,920
i've never been actively involved in

1602
01:06:41,190 --> 01:06:38,799
terms of the therapy side

1603
01:06:43,670 --> 01:06:41,200
or the hypnosis side but what happened

1604
01:06:45,670 --> 01:06:43,680
is that because i was doing

1605
01:06:47,109 --> 01:06:45,680
programs that were relating to the

1606
01:06:49,910 --> 01:06:47,119
subject matter

1607
01:06:52,630 --> 01:06:49,920
i began to be a lightning rod for people

1608
01:06:55,510 --> 01:06:52,640
sending me audio cassettes

1609
01:06:58,470 --> 01:06:55,520
and letters and at this point it seems

1610
01:07:00,309 --> 01:06:58,480
like hundreds of drawings

1611
01:07:02,309 --> 01:07:00,319
because they wanted to be able to share

1612
01:07:04,789 --> 01:07:02,319
something with someone

1613
01:07:06,789 --> 01:07:04,799

that they felt that they could at least

1614

01:07:08,069 --> 01:07:06,799

i guess and whether it was anonymously

1615

01:07:10,230 --> 01:07:08,079

or

1616

01:07:12,230 --> 01:07:10,240

giving me their name and their number

1617

01:07:13,589 --> 01:07:12,240

sharing experiences

1618

01:07:15,910 --> 01:07:13,599

and now

1619

01:07:18,630 --> 01:07:15,920

over time it seems that

1620

01:07:20,789 --> 01:07:18,640

what has been valuable from my point of

1621

01:07:23,510 --> 01:07:20,799

view in research is that

1622

01:07:25,670 --> 01:07:23,520

totally apart from hypnosis i have been

1623

01:07:27,510 --> 01:07:25,680

seeing these patterns that are emerging

1624

01:07:28,390 --> 01:07:27,520

from dozens and dozens and dozens of

1625

01:07:30,870 --> 01:07:28,400

people

1626

01:07:34,230 --> 01:07:30,880

from all over the united states

1627

01:07:36,950 --> 01:07:34,240

some are also coming from south america

1628

01:07:38,870 --> 01:07:36,960

and i'm seeing the same drawings from

1629

01:07:40,710 --> 01:07:38,880

people who don't know each other and

1630

01:07:43,670 --> 01:07:40,720

live on two different coasts

1631

01:07:46,630 --> 01:07:43,680

and i i hope that there is some value

1632

01:07:49,990 --> 01:07:46,640

value in contributing uh these patterns

1633

01:07:52,710 --> 01:07:50,000

in this evolving alien taxonomy

1634

01:07:53,670 --> 01:07:52,720

that i am uh trying to continue to

1635

01:07:57,029 --> 01:07:53,680

gather

1636

01:07:59,270 --> 01:07:57,039

uh because it may be that there are

1637

01:08:00,470 --> 01:07:59,280

might be screen memories as some people

1638

01:08:03,190 --> 01:08:00,480

suggest

1639

01:08:05,029 --> 01:08:03,200
and that the menagerie might be

1640

01:08:07,510 --> 01:08:05,039
something that's testing us on the other

1641

01:08:09,990 --> 01:08:07,520
hand occam's razor would suggest that if

1642

01:08:12,470 --> 01:08:10,000
you go for the simplest possible

1643

01:08:14,150 --> 01:08:12,480
answer or reason for why there is this

1644

01:08:16,950 --> 01:08:14,160
pattern of

1645

01:08:19,510 --> 01:08:16,960
similar descriptions it's because there

1646

01:08:21,110 --> 01:08:19,520
are actually different

1647

01:08:23,910 --> 01:08:21,120
whatever they are

1648

01:08:26,550 --> 01:08:23,920
involved in various people's lives and

1649

01:08:29,669 --> 01:08:26,560
that is an area of research that

1650

01:08:31,669 --> 01:08:29,679
that provokes me in this huge phenomenon

1651

01:08:33,829 --> 01:08:31,679

that includes many

1652

01:08:37,510 --> 01:08:33,839

facets as we've been discussing the last

1653

01:08:42,550 --> 01:08:39,990

my name is john carpenter

1654

01:08:45,189 --> 01:08:42,560

and i have the position in the mutual

1655

01:08:47,590 --> 01:08:45,199

ufo network of director of abduction

1656

01:08:49,349 --> 01:08:47,600

research uh it's i was just thinking

1657

01:08:53,030 --> 01:08:49,359

here it's real interesting five years

1658

01:08:56,550 --> 01:08:53,040

ago i came as a naive listener

1659

01:08:58,709 --> 01:08:56,560

and was learning from people like linda

1660

01:09:00,550 --> 01:08:58,719

about what all was going on

1661

01:09:01,749 --> 01:09:00,560

and today it felt more like a family

1662

01:09:03,749 --> 01:09:01,759

reunion

1663

01:09:06,470 --> 01:09:03,759

i knew everybody up here that spoke

1664

01:09:09,030 --> 01:09:06,480

today they all knew me and i knew so

1665

01:09:11,269 --> 01:09:09,040

many people out there in the audience so

1666

01:09:14,950 --> 01:09:11,279

uh this is becoming less of a conference

1667

01:09:17,349 --> 01:09:14,960

and more of a reunion uh every year

1668

01:09:20,470 --> 01:09:17,359

anyway i got into all of this because i

1669

01:09:22,309 --> 01:09:20,480

volunteered and uh

1670

01:09:25,030 --> 01:09:22,319

i thought it would be interesting if one

1671

01:09:26,149 --> 01:09:25,040

day i might get to sit in on one

1672

01:09:27,749 --> 01:09:26,159

case

1673

01:09:30,950 --> 01:09:27,759

and

1674

01:09:32,829 --> 01:09:30,960

it kind of went uh the other way

1675

01:09:34,550 --> 01:09:32,839

have a lot of people sit in on my

1676

01:09:37,829 --> 01:09:34,560

sessions

1677

01:09:39,189 --> 01:09:37,839

which are now probably uh oh

1678

01:09:40,149 --> 01:09:39,199

several hundred

1679

01:09:42,309 --> 01:09:40,159

um

1680

01:09:44,789 --> 01:09:42,319

i work in springfield as a licensed

1681

01:09:46,229 --> 01:09:44,799

clinical social worker and had training

1682

01:09:49,349 --> 01:09:46,239

in hypnosis

1683

01:09:52,229 --> 01:09:49,359

and um it's been a real interesting

1684

01:09:54,070 --> 01:09:52,239

journey uh like everyone has said today

1685

01:09:57,510 --> 01:09:54,080

we don't know where all it's going but

1686

01:10:01,110 --> 01:09:57,520

i'm in it now for the ride and i'm

1687

01:10:02,630 --> 01:10:01,120

fascinated with everything that comes up

1688

01:10:05,510 --> 01:10:02,640

and part of my

1689

01:10:08,310 --> 01:10:05,520

position now is to try to get other

1690

01:10:10,630 --> 01:10:08,320

mental health professionals helping and

1691

01:10:13,510 --> 01:10:10,640

helping in the right way because there's

1692

01:10:15,430 --> 01:10:13,520

obviously as you've heard here today

1693

01:10:18,550 --> 01:10:15,440

a real need

1694

01:10:21,110 --> 01:10:18,560

and we don't want just anybody you know

1695

01:10:23,270 --> 01:10:21,120

trying to take this on in in in

1696

01:10:24,870 --> 01:10:23,280

providing the help because it's a it's a

1697

01:10:26,310 --> 01:10:24,880

special kind of help as you've heard

1698

01:10:29,030 --> 01:10:26,320

from the

1699

01:10:31,669 --> 01:10:29,040

as i will call them participants in this

1700

01:10:33,830 --> 01:10:31,679

odyssey that were up here a few minutes

1701
01:10:35,270 --> 01:10:33,840
ago

1702
01:10:37,110 --> 01:10:35,280
they need a special kind of

1703
01:10:38,870 --> 01:10:37,120
understanding this is such a unique and

1704
01:10:41,510 --> 01:10:38,880
bizarre phenomenon

1705
01:10:43,669 --> 01:10:41,520
and you just can't go in a 50-minute

1706
01:10:45,350 --> 01:10:43,679
hour with some psychologists and expect

1707
01:10:48,470 --> 01:10:45,360
to unravel it all

1708
01:10:49,910 --> 01:10:48,480
and it's just it just requires you know

1709
01:10:52,709 --> 01:10:49,920
many hours

1710
01:10:54,870 --> 01:10:52,719
uh last weekend when i was with john in

1711
01:10:56,790 --> 01:10:54,880
atlanta and but and

1712
01:10:59,270 --> 01:10:56,800
david jacobs and and we were talking

1713
01:11:01,990 --> 01:10:59,280

about even what but hopkins does and we

1714

01:11:04,470 --> 01:11:02,000

all spend like uh three to four hours

1715

01:11:07,590 --> 01:11:04,480

each time we meet with somebody because

1716

01:11:08,790 --> 01:11:07,600

it just requires that much support and

1717

01:11:15,030 --> 01:11:08,800

and

1718

01:11:16,950 --> 01:11:15,040

right

1719

01:11:18,870 --> 01:11:16,960

and and so it's real important that

1720

01:11:20,310 --> 01:11:18,880

other professionals just don't jump in

1721

01:11:21,830 --> 01:11:20,320

thinking oh this is something new and

1722

01:11:23,110 --> 01:11:21,840

interesting and i'll just fit it into my

1723

01:11:26,070 --> 01:11:23,120

little schedule

1724

01:11:28,390 --> 01:11:26,080

it doesn't work that way

1725

01:11:30,550 --> 01:11:28,400

so i think that as

1726

01:11:32,229 --> 01:11:30,560

we've been doing the the conferences it

1727

01:11:34,470 --> 01:11:32,239

came out of the

1728

01:11:35,350 --> 01:11:34,480

roper report

1729

01:11:38,790 --> 01:11:35,360

in

1730

01:11:40,310 --> 01:11:38,800

professionals at a time around the

1731

01:11:42,630 --> 01:11:40,320

country and really trying to give them

1732

01:11:43,750 --> 01:11:42,640

the best information the best ideas of

1733

01:11:45,590 --> 01:11:43,760

how to help

1734

01:11:47,590 --> 01:11:45,600

ironically i think a lot of those

1735

01:11:48,870 --> 01:11:47,600

professionals that show up are showing

1736

01:11:51,270 --> 01:11:48,880

up because they've already had

1737

01:11:53,990 --> 01:11:51,280

experiences

1738

01:11:55,830 --> 01:11:54,000

they've told us that a lot of times so

1739

01:11:58,390 --> 01:11:55,840

uh you know the numbers in the roper

1740

01:12:01,270 --> 01:11:58,400

poll are probably exactly right in and

1741

01:12:03,350 --> 01:12:01,280

as we were saying uh perhaps uh very

1742

01:12:05,030 --> 01:12:03,360

conservative numbers

1743

01:12:07,510 --> 01:12:05,040

so obviously there's a need out there

1744

01:12:09,110 --> 01:12:07,520

and i find myself really trying to help

1745

01:12:12,390 --> 01:12:09,120

i get calls from california and

1746

01:12:14,149 --> 01:12:12,400

minnesota and florida all in one night

1747

01:12:16,070 --> 01:12:14,159

which is hard when my four-year-old is

1748

01:12:17,590 --> 01:12:16,080

tugging on my leg and wanting me to go

1749

01:12:20,229 --> 01:12:17,600

play a game with him

1750

01:12:21,910 --> 01:12:20,239

so it's been a real challenge but

1751

01:12:24,790 --> 01:12:21,920

there's no way i'm going to quit there's

1752

01:12:27,270 --> 01:12:24,800

no way i'm going to stop

1753

01:12:32,709 --> 01:12:27,280

it it has to be seen through all the way

1754

01:12:38,950 --> 01:12:36,390

yeah i'm john mack i won't um burden you

1755

01:12:42,149 --> 01:12:38,960

with another speech i i

1756

01:12:46,790 --> 01:12:44,229

what i cannot resist saying is how

1757

01:12:48,830 --> 01:12:46,800

profoundly entering this field changes

1758

01:12:51,510 --> 01:12:48,840

everything in your life

1759

01:12:54,790 --> 01:12:51,520

personal uh professional

1760

01:12:56,550 --> 01:12:54,800

uh your energy systems um i and one of

1761

01:12:59,030 --> 01:12:56,560

the things i want to mention

1762

01:13:00,709 --> 01:12:59,040

john uh talked about the fact that you

1763

01:13:03,189 --> 01:13:00,719

need to set aside three or four hours

1764

01:13:04,470 --> 01:13:03,199

well there's a big economic aspect of

1765

01:13:06,870 --> 01:13:04,480

this

1766

01:13:08,310 --> 01:13:06,880

most psychiatrists are

1767

01:13:10,390 --> 01:13:08,320

set up or other mental health

1768

01:13:12,709 --> 01:13:10,400

professionals to do one hour the

1769

01:13:13,990 --> 01:13:12,719

reimbursement structure only reimburses

1770

01:13:14,790 --> 01:13:14,000

for one hour

1771

01:13:17,590 --> 01:13:14,800

and

1772

01:13:19,990 --> 01:13:17,600

think one of the things this is forcing

1773

01:13:22,149 --> 01:13:20,000

us to do is to examine the

1774

01:13:24,070 --> 01:13:22,159

rather rigid structure of the mental

1775

01:13:27,270 --> 01:13:24,080

health professions with regard to

1776

01:13:29,910 --> 01:13:27,280

therapy and treatment if you were

1777

01:13:31,110 --> 01:13:29,920

to do a 45 minute hypnosis session or a

1778

01:13:33,990 --> 01:13:31,120

whole session you've only left 50

1779

01:13:36,870 --> 01:13:34,000

minutes it's a little bit like a surgeon

1780

01:13:38,870 --> 01:13:36,880

who goes in to do a

1781

01:13:41,750 --> 01:13:38,880

resection of a piece of the bowel and

1782

01:13:43,669 --> 01:13:41,760

gets gets it out and looks as watched as

1783

01:13:45,189 --> 01:13:43,679

well it's 50 minutes there's no time for

1784

01:13:48,149 --> 01:13:45,199

sewing up here we'll just leave the

1785

01:13:50,630 --> 01:13:48,159

person with the abdomen open and uh

1786

01:13:51,910 --> 01:13:50,640

you know leave i mean that's it has

1787

01:13:53,350 --> 01:13:51,920

pointed out the

1788

01:13:54,149 --> 01:13:53,360

uh

1789

01:13:55,830 --> 01:13:54,159

the

1790

01:13:57,430 --> 01:13:55,840

way in which our profession is

1791

01:13:58,870 --> 01:13:57,440

structured not according to human need

1792

01:14:00,709 --> 01:13:58,880

but according to the convenience of the

1793

01:14:02,229 --> 01:14:00,719

therapists and i think that

1794

01:14:04,229 --> 01:14:02,239

has to be looked at differently the

1795

01:14:05,910 --> 01:14:04,239

other thing that it's changed for me

1796

01:14:07,750 --> 01:14:05,920

is the whole notion that there is such a

1797

01:14:10,149 --> 01:14:07,760

thing as an expert who knows something

1798

01:14:11,830 --> 01:14:10,159

and this person has this problem that's

1799

01:14:14,270 --> 01:14:11,840

all changing

1800

01:14:16,870 --> 01:14:14,280

working with abductees is totally

1801

01:14:18,870 --> 01:14:16,880

non-hierarchical they know something and

1802

01:14:21,510 --> 01:14:18,880

if i can help facilitate that knowledge

1803

01:14:22,550 --> 01:14:21,520

and learn from that and be of use then

1804

01:14:26,709 --> 01:14:22,560

that's

1805

01:14:28,709 --> 01:14:26,719

the model of the old doctor

1806

01:14:30,229 --> 01:14:28,719

doctor-patient hierarchical model so

1807

01:14:33,270 --> 01:14:30,239

it's forcing

1808

01:14:36,390 --> 01:14:33,280

me to totally re-examine the whole model

1809

01:14:38,149 --> 01:14:36,400

of how i do treatment and therapy

1810

01:14:40,709 --> 01:14:38,159

not just in this area but how our

1811

01:14:43,510 --> 01:14:40,719

profession is structured so i think this

1812

01:14:45,110 --> 01:14:43,520

this work has the possibility of uh

1813

01:14:47,030 --> 01:14:45,120

radically uh

1814

01:14:48,709 --> 01:14:47,040

uh

1815

01:14:51,189 --> 01:14:48,719

showing us ways of reforming and

1816

01:14:52,950 --> 01:14:51,199

restructuring how we do uh

1817

01:14:54,229 --> 01:14:52,960

support counseling therapy whatever you

1818

01:14:58,070 --> 01:14:54,239

want to call it in the in the mental

1819

01:15:01,030 --> 01:14:59,990

well before i say anything i'd like to

1820

01:15:03,510 --> 01:15:01,040

say that

1821

01:15:05,669 --> 01:15:03,520

it's wonderful to have an end to the old

1822

01:15:07,990 --> 01:15:05,679

patient doctor hierarchy i think i can

1823

01:15:12,200 --> 01:15:08,000

speak for many patients out there

1824

01:15:15,030 --> 01:15:12,210

so thank you i'm carla turner

1825

01:15:17,510 --> 01:15:15,040

[Applause]

1826

01:15:19,350 --> 01:15:17,520

i think i may be the only one on this

1827

01:15:21,110 --> 01:15:19,360

stage who came into this research

1828

01:15:22,550 --> 01:15:21,120

because of the experiences my family and

1829

01:15:24,630 --> 01:15:22,560

i were going through

1830

01:15:27,510 --> 01:15:24,640

and like cheyenne said we did get to

1831

01:15:28,390 --> 01:15:27,520

someone who gave us extremely valuable

1832

01:15:29,910 --> 01:15:28,400

help

1833

01:15:31,830 --> 01:15:29,920

when we needed it

1834

01:15:33,910 --> 01:15:31,840

and

1835

01:15:35,430 --> 01:15:33,920

i also want to say thank you to the

1836

01:15:37,110 --> 01:15:35,440

folks who are trying to educate our

1837

01:15:38,950 --> 01:15:37,120

mental health professionals because i

1838

01:15:41,510 --> 01:15:38,960

did turn to those in the community where

1839

01:15:43,750 --> 01:15:41,520

we lived every single one of them

1840

01:15:45,830 --> 01:15:43,760

none of them would work with us

1841

01:15:48,229 --> 01:15:45,840

it was something that they would be left

1842

01:15:49,910 --> 01:15:48,239

out of the profession for doing

1843

01:15:51,189 --> 01:15:49,920

and i hope that you can reach all of

1844

01:15:53,030 --> 01:15:51,199

these people and i want to give you a

1845

01:15:53,990 --> 01:15:53,040

specific name and address to include on

1846

01:15:59,189 --> 01:15:54,000

your next

1847

01:16:03,189 --> 01:16:01,350

this being the case where we were and

1848

01:16:04,950 --> 01:16:03,199

for a lot of people where you are we had

1849

01:16:07,830 --> 01:16:04,960

to turn to each other to other people in

1850

01:16:09,830 --> 01:16:07,840

this predicament for help and found some

1851
01:16:11,510 --> 01:16:09,840
excellent help i will not say we had to

1852
01:16:12,870 --> 01:16:11,520
settle for it i think we were lucky to

1853
01:16:14,550 --> 01:16:12,880
get it

1854
01:16:17,110 --> 01:16:14,560
but in the course of working through

1855
01:16:19,669 --> 01:16:17,120
what my family and i had been through

1856
01:16:22,790 --> 01:16:19,679
i've developed an association with the

1857
01:16:24,630 --> 01:16:22,800
researcher working with us and became as

1858
01:16:26,470 --> 01:16:24,640
much of an assistant as i could in her

1859
01:16:27,830 --> 01:16:26,480
research and have continued to do that

1860
01:16:29,990 --> 01:16:27,840
to this day

1861
01:16:32,070 --> 01:16:30,000
i am not the primary hypnotist believe

1862
01:16:33,910 --> 01:16:32,080
me but i make sure the people who want

1863
01:16:35,590 --> 01:16:33,920

regression who ask for regression do

1864

01:16:38,550 --> 01:16:35,600

have someone that they can go to that i

1865

01:16:40,390 --> 01:16:38,560

trust with my life and with my children

1866

01:16:42,790 --> 01:16:40,400

i wouldn't recommend anyone that i

1867

01:16:44,229 --> 01:16:42,800

didn't have very good recommendations

1868

01:16:45,830 --> 01:16:44,239

from people they had already worked with

1869

01:16:47,750 --> 01:16:45,840

and i think that's important for any of

1870

01:16:51,350 --> 01:16:47,760

you to know about

1871

01:16:54,950 --> 01:16:53,430

a backdoor researcher in a front door

1872

01:16:56,870 --> 01:16:54,960

abductee i'm in a very different

1873

01:16:58,950 --> 01:16:56,880

position from a lot of the researchers

1874

01:17:01,110 --> 01:16:58,960

because i have a very personal stake in

1875

01:17:02,790 --> 01:17:01,120

how the research goes

1876

01:17:03,990 --> 01:17:02,800

and therefore perhaps some of my

1877

01:17:06,149 --> 01:17:04,000

feelings are going to be a little bit

1878

01:17:08,070 --> 01:17:06,159

different than the others that you will

1879

01:17:10,550 --> 01:17:08,080

have heard or will hear

1880

01:17:12,550 --> 01:17:10,560

i do find that i can sit outside as the

1881

01:17:14,870 --> 01:17:12,560

abductee and look at the researchers as

1882

01:17:16,790 --> 01:17:14,880

you guys and say why are you guys doing

1883

01:17:18,229 --> 01:17:16,800

this or doing that why aren't you doing

1884

01:17:19,910 --> 01:17:18,239

this or doing that

1885

01:17:22,229 --> 01:17:19,920

and then on the other hand

1886

01:17:23,590 --> 01:17:22,239

other abductees or experiencers who come

1887

01:17:25,669 --> 01:17:23,600

to us

1888

01:17:27,189 --> 01:17:25,679

put me in the position of the researcher

1889

01:17:30,550 --> 01:17:27,199

trying to make sense they want some

1890

01:17:32,709 --> 01:17:30,560

answers some solutions some explanations

1891

01:17:34,709 --> 01:17:32,719

and i'm back on the other side of the

1892

01:17:36,950 --> 01:17:34,719

fence here so i can sympathize from both

1893

01:17:39,030 --> 01:17:36,960

ways and and i can tell you in my

1894

01:17:40,470 --> 01:17:39,040

opinion on both sides of the fence the

1895

01:17:42,149 --> 01:17:40,480

researchers need to get their acts

1896

01:17:45,030 --> 01:17:42,159

together a little bit better on some

1897

01:17:47,510 --> 01:17:45,040

things there is too much

1898

01:17:49,430 --> 01:17:47,520

jealousy there is too much hoarding of

1899

01:17:51,590 --> 01:17:49,440

information and while

1900

01:17:53,270 --> 01:17:51,600

researchers fight over these things

1901

01:17:55,189 --> 01:17:53,280

abductees go on going through these

1902

01:17:56,550 --> 01:17:55,199

experiences not getting anywhere so i

1903

01:17:58,790 --> 01:17:56,560

think we've gotta have to clean the

1904

01:18:00,229 --> 01:17:58,800

whole act up a bit

1905

01:18:02,310 --> 01:18:00,239

secondly on

1906

01:18:04,310 --> 01:18:02,320

the side of whether which we've heard

1907

01:18:06,390 --> 01:18:04,320

raised here the past two days the

1908

01:18:07,990 --> 01:18:06,400

question of good aliens bad aliens good

1909

01:18:10,149 --> 01:18:08,000

experiences bad experiences good

1910

01:18:12,790 --> 01:18:10,159

abductees bad abductees and it's come to

1911

01:18:13,910 --> 01:18:12,800

that in many cases from the research

1912

01:18:15,350 --> 01:18:13,920

that the

1913

01:18:17,910 --> 01:18:15,360

researcher i work with is barbara

1914

01:18:21,430 --> 01:18:17,920

bartlett from the research of well into

1915

01:18:23,350 --> 01:18:21,440

the hundreds of cases approximately 500

1916

01:18:24,709 --> 01:18:23,360

including those that i have worked with

1917

01:18:26,790 --> 01:18:24,719

and have brought

1918

01:18:28,310 --> 01:18:26,800

research investigative material into the

1919

01:18:30,630 --> 01:18:28,320

fund from

1920

01:18:32,630 --> 01:18:30,640

we see that you cannot say

1921

01:18:33,990 --> 01:18:32,640

if you're going to be true to the data

1922

01:18:36,310 --> 01:18:34,000

you cannot say

1923

01:18:39,030 --> 01:18:36,320

that a person's experiences when they

1924

01:18:42,229 --> 01:18:39,040

have an encounter reflect that person's

1925

01:18:44,709 --> 01:18:42,239

inner being that person's moral strength

1926

01:18:46,870 --> 01:18:44,719

or lack of it that person spiritual

1927

01:18:49,430 --> 01:18:46,880

evolution or lack of it because as Leah

1928

01:18:51,270 --> 01:18:49,440

pointed out the same person can have a

1929

01:18:52,870 --> 01:18:51,280

positive experience one time and a

1930

01:18:55,030 --> 01:18:52,880

negative one the next time and this is

1931

01:18:58,229 --> 01:18:55,040

the same person

1932

01:18:59,590 --> 01:18:58,239

so there is an objective reality that is

1933

01:19:02,149 --> 01:18:59,600

different in some

1934

01:19:04,550 --> 01:19:02,159

experiences from others no matter who's

1935

01:19:06,550 --> 01:19:04,560

experiencing them and if I had to stake

1936

01:19:08,149 --> 01:19:06,560

anything right now which is a

1937

01:19:10,070 --> 01:19:08,159

bad thing to do to put money on the

1938

01:19:11,990 --> 01:19:10,080

table and any answers to these questions

1939

01:19:14,390 --> 01:19:12,000

right now the things i would feel

1940

01:19:17,510 --> 01:19:14,400

strongest on putting money on are that

1941

01:19:19,590 --> 01:19:17,520

there are a variety of alien types

1942

01:19:21,669 --> 01:19:19,600

although we have many cases where two or

1943

01:19:24,149 --> 01:19:21,679

more types are involved in a person's

1944

01:19:25,750 --> 01:19:24,159

abduction as if they're working together

1945

01:19:27,910 --> 01:19:25,760

we don't know what that means but we

1946

01:19:29,910 --> 01:19:27,920

know that some of the experiences are so

1947

01:19:31,750 --> 01:19:29,920

intrinsically different that there seem

1948

01:19:33,430 --> 01:19:31,760

to be many agendas

1949

01:19:35,430 --> 01:19:33,440

not just one

1950

01:19:37,350 --> 01:19:35,440

so you can't put a good label or bad

1951

01:19:39,189 --> 01:19:37,360

label on the entirety when you have

1952

01:19:40,470 --> 01:19:39,199

diverse things that are not in the same

1953

01:19:42,470 --> 01:19:40,480

pot

1954

01:19:44,070 --> 01:19:42,480

i think the one thing we the research

1955

01:19:46,390 --> 01:19:44,080

shows is that there are many things

1956

01:19:48,229 --> 01:19:46,400

going on that don't fit the patterns

1957

01:19:49,750 --> 01:19:48,239

that are nice neat patterns if you look

1958

01:19:51,669 --> 01:19:49,760

at just what one group is doing you're

1959

01:19:53,350 --> 01:19:51,679

going to get some patterns if you pull

1960

01:19:54,790 --> 01:19:53,360

in what's happening to everybody you're

1961

01:19:57,270 --> 01:19:54,800

going to get some things that won't fit

1962

01:19:59,830 --> 01:19:57,280

in any category or any pattern

1963

01:20:01,590 --> 01:19:59,840

so looking for neat answers i think is a

1964

01:20:03,110 --> 01:20:01,600

limiting way to approach it from what

1965

01:20:04,470 --> 01:20:03,120

the people we've worked with have

1966

01:20:06,149 --> 01:20:04,480

experienced

1967

01:20:07,750 --> 01:20:06,159

and trying to put everything into one

1968

01:20:09,110 --> 01:20:07,760

pot is defeating because you're not

1969

01:20:10,950 --> 01:20:09,120

going to get everything in there without

1970

01:20:12,709 --> 01:20:10,960

chopping off somebody's arms or legs or

1971

01:20:15,430 --> 01:20:12,719

other experience that doesn't fit the

1972

01:20:21,510 --> 01:20:17,110

other than that

1973

01:20:24,709 --> 01:20:22,790

okay thank you

1974

01:20:26,070 --> 01:20:24,719

we're now going to open the floor for

1975

01:20:27,110 --> 01:20:26,080

questions

1976

01:20:28,629 --> 01:20:27,120

if you'd like to come up to the

1977

01:20:30,830 --> 01:20:28,639

microphone

1978

01:20:33,510 --> 01:20:30,840

and

1979

01:20:35,030 --> 01:20:33,520

present your question

1980

01:20:38,629 --> 01:20:35,040

and do try to make them as brief as

1981

01:20:42,870 --> 01:20:41,030

i guess this will be for anybody

1982

01:20:44,790 --> 01:20:42,880

um a lot of the speakers have said

1983

01:20:46,550 --> 01:20:44,800

something about the environmental damage

1984

01:20:49,510 --> 01:20:46,560

that we're doing to the planet

1985

01:20:50,950 --> 01:20:49,520

and how the aliens feel about that and

1986

01:20:59,210 --> 01:20:50,960

i'd like to get some more feedback on

1987

01:20:59,220 --> 01:21:03,430

[Music]

1988

01:21:06,790 --> 01:21:04,790

it's not that

1989

01:21:10,470 --> 01:21:06,800

the aliens you know

1990

01:21:13,430 --> 01:21:10,480

always tell them consciously you know uh

1991

01:21:15,510 --> 01:21:13,440

you need to clean this up or do this

1992

01:21:17,990 --> 01:21:15,520

it's interesting i it seems like there's

1993

01:21:20,629 --> 01:21:18,000

an effect that definitely takes place so

1994

01:21:23,750 --> 01:21:20,639

many people have had these experiences

1995

01:21:25,430 --> 01:21:23,760

are are so much more in tune with with

1996

01:21:29,110 --> 01:21:25,440

nature

1997

01:21:31,669 --> 01:21:29,120

jean who you heard up here gene robinson

1998

01:21:33,669 --> 01:21:31,679

when i was working with her

1999

01:21:35,510 --> 01:21:33,679

soon after some of her first

2000

01:21:36,709 --> 01:21:35,520

recollections that she was having these

2001

01:21:40,070 --> 01:21:36,719

experiences

2002

01:21:42,629 --> 01:21:40,080

she saw a turtle crossing the road

2003

01:21:44,470 --> 01:21:42,639

and she was just kind of watching it and

2004

01:21:47,030 --> 01:21:44,480

marveling at it

2005

01:21:48,149 --> 01:21:47,040

and and with new eyes so to speak with

2006

01:21:50,790 --> 01:21:48,159

new eyes

2007

01:21:53,030 --> 01:21:50,800

and here came a car down the road

2008

01:21:55,910 --> 01:21:53,040

and instead of swerving to miss it it

2009

01:21:58,629 --> 01:21:55,920

swerved to hit the turtle and it just

2010

01:22:01,030 --> 01:21:58,639

tore her up that that had happened and

2011

01:22:02,470 --> 01:22:01,040

she never reacted that way before

2012

01:22:04,870 --> 01:22:02,480

and with so many people have been

2013

01:22:08,470 --> 01:22:04,880

through this experience there is such a

2014

01:22:13,350 --> 01:22:10,950

phenomenon that happens that tune them

2015

01:22:15,189 --> 01:22:13,360

into nature i don't know

2016

01:22:17,110 --> 01:22:15,199

where exactly it comes from whether it's

2017

01:22:19,030 --> 01:22:17,120

like directly told to them or it's just

2018

01:22:21,830 --> 01:22:19,040

part of the experience or what but there

2019

01:22:23,430 --> 01:22:21,840

is definitely a phenomenon there

2020

01:22:24,550 --> 01:22:23,440

so it's hard to answer in terms of

2021

01:22:26,390 --> 01:22:24,560

whether they're told anything

2022

01:22:30,229 --> 01:22:26,400

specifically to do there's just an

2023

01:22:33,590 --> 01:22:31,990

one thing that i've noticed

2024

01:22:35,110 --> 01:22:33,600

is that

2025

01:22:36,629 --> 01:22:35,120

there will be

2026

01:22:38,550 --> 01:22:36,639

a little bit like the time release

2027

01:22:39,830 --> 01:22:38,560

capsules

2028

01:22:42,149 --> 01:22:39,840

two weeks ago

2029

01:22:43,510 --> 01:22:42,159

within a four hour period at night i had

2030

01:22:45,030 --> 01:22:43,520

a phone call from four different

2031

01:22:47,510 --> 01:22:45,040

abductees

2032

01:22:49,430 --> 01:22:47,520

and each one of them there was one in

2033

01:22:51,910 --> 01:22:49,440

oregon there was one in new jersey there

2034

01:22:55,110 --> 01:22:51,920

was one in pennsylvania

2035

01:22:57,669 --> 01:22:55,120

i think the other one was in maryland

2036

01:22:58,870 --> 01:22:57,679

each one was just calling independently

2037

01:22:59,910 --> 01:22:58,880

to say

2038

01:23:02,550 --> 01:22:59,920

linda

2039

01:23:06,070 --> 01:23:02,560

last night i had the only way i could

2040

01:23:07,510 --> 01:23:06,080

describe it was a virtual reality dream

2041

01:23:09,830 --> 01:23:07,520

and

2042

01:23:11,189 --> 01:23:09,840

debbie the kathy davis carried debbie

2043

01:23:13,189 --> 01:23:11,199

tomy

2044

01:23:15,110 --> 01:23:13,199

in illinois she was also i talked with

2045

01:23:17,910 --> 01:23:15,120

her about that time

2046

01:23:20,070 --> 01:23:17,920

well i had not heard the term from an

2047

01:23:22,229 --> 01:23:20,080

abductee about having a virtual reality

2048

01:23:23,830 --> 01:23:22,239

dream before

2049

01:23:24,629 --> 01:23:23,840

a couple weeks ago

2050

01:23:38,629 --> 01:23:24,639

in

2051
01:23:40,550 --> 01:23:38,639
only the content and the subject matter

2052
01:23:43,669 --> 01:23:40,560
of what they were describing all had to

2053
01:23:45,590 --> 01:23:43,679
do with earthquakes volcanoes and high

2054
01:23:47,990 --> 01:23:45,600
winds

2055
01:23:49,830 --> 01:23:48,000
the first time that i had heard about

2056
01:23:52,709 --> 01:23:49,840
the high wind

2057
01:23:55,430 --> 01:23:52,719
dreams was in 1989

2058
01:23:56,950 --> 01:23:55,440
then there were more people in 1990 who

2059
01:23:59,270 --> 01:23:56,960
were saying they were

2060
01:24:02,070 --> 01:23:59,280
having dreams not vivid dreams or not

2061
01:24:03,990 --> 01:24:02,080
this three-dimensional color feeling but

2062
01:24:06,870 --> 01:24:04,000
they were having dreams about seeing the

2063
01:24:09,430 --> 01:24:06,880

planet being swept with increasingly

2064

01:24:11,110 --> 01:24:09,440

higher higher winds

2065

01:24:12,870 --> 01:24:11,120

worse storms

2066

01:24:15,110 --> 01:24:12,880

the volcanoes have already already

2067

01:24:17,830 --> 01:24:15,120

always been there in the earthquakes

2068

01:24:20,070 --> 01:24:17,840

well over this evolution of the years

2069

01:24:23,030 --> 01:24:20,080

when you suddenly would get on a night

2070

01:24:25,030 --> 01:24:23,040

or two nights this pattern of abductees

2071

01:24:27,110 --> 01:24:25,040

calling from all over the country

2072

01:24:29,669 --> 01:24:27,120

i began to wonder about this this

2073

01:24:31,350 --> 01:24:29,679

release of information and these changes

2074

01:24:33,830 --> 01:24:31,360

there have been lots of arguments about

2075

01:24:35,590 --> 01:24:33,840

whether the so-called screens that

2076

01:24:37,430 --> 01:24:35,600

abductees have been presented about

2077

01:24:40,629 --> 01:24:37,440

seeing the earth going through some kind

2078

01:24:43,669 --> 01:24:40,639

of huge cataclysm was this a test or is

2079

01:24:46,390 --> 01:24:43,679

this something being shown in the future

2080

01:24:50,629 --> 01:24:46,400

regardless of what is the truth or not

2081

01:24:53,750 --> 01:24:50,639

the truth there is a fact that abductees

2082

01:24:57,030 --> 01:24:53,760

around the country at certain times seem

2083

01:24:58,629 --> 01:24:57,040

to get releases in dreams or

2084

01:25:01,030 --> 01:24:58,639

vivid dreams or now they're saying

2085

01:25:03,350 --> 01:25:01,040

virtual reality dreams as if it's taking

2086

01:25:04,629 --> 01:25:03,360

on a whole new character right now just

2087

01:25:05,669 --> 01:25:04,639

suddenly

2088

01:25:07,910 --> 01:25:05,679

and

2089

01:25:09,990 --> 01:25:07,920

every time that there is this new

2090

01:25:12,149 --> 01:25:10,000

agitation among the abductees that i

2091

01:25:14,070 --> 01:25:12,159

know and stay in touch with me there

2092

01:25:16,470 --> 01:25:14,080

always seems to be

2093

01:25:18,070 --> 01:25:16,480

the bot the common denominator has to do

2094

01:25:20,390 --> 01:25:18,080

with something having to do with the

2095

01:25:23,110 --> 01:25:20,400

planet earth

2096

01:25:25,830 --> 01:25:23,120

where this is going to head and lead i

2097

01:25:28,390 --> 01:25:25,840

don't know but something

2098

01:25:29,750 --> 01:25:28,400

seems to work at some subconscious level

2099

01:25:34,950 --> 01:25:29,760

or other level

2100

01:25:38,950 --> 01:25:36,629

i just wanted to add a little bit to

2101

01:25:41,510 --> 01:25:38,960

what john was saying also

2102

01:25:45,030 --> 01:25:41,520

that many of the experiencers

2103

01:25:47,110 --> 01:25:45,040

um develop sensitivities to a multitude

2104

01:25:49,510 --> 01:25:47,120

of different kinds of energies and

2105

01:25:50,870 --> 01:25:49,520

natural phenomena as well because of

2106

01:25:52,470 --> 01:25:50,880

their experience which

2107

01:25:53,990 --> 01:25:52,480

which goes along with what john was

2108

01:25:55,430 --> 01:25:54,000

saying about their attunement to the

2109

01:25:57,669 --> 01:25:55,440

planet becomes

2110

01:26:00,310 --> 01:25:57,679

very sharp they can sense earthquakes

2111

01:26:02,229 --> 01:26:00,320

coming days to two weeks sometimes in

2112

01:26:05,110 --> 01:26:02,239

advance

2113

01:26:07,510 --> 01:26:05,120

they can feel shifts in

2114

01:26:08,790 --> 01:26:07,520

in weather or other conditions in

2115

01:26:10,390 --> 01:26:08,800

advance

2116

01:26:12,470 --> 01:26:10,400

or they can tell when things are or

2117

01:26:13,430 --> 01:26:12,480

slightly awry and their their attunement

2118

01:26:15,430 --> 01:26:13,440

to the

2119

01:26:17,590 --> 01:26:15,440

the workings and patterns of nature

2120

01:26:19,430 --> 01:26:17,600

seems to be heightened in some way

2121

01:26:21,189 --> 01:26:19,440

we've even tested some of these energy

2122

01:26:23,350 --> 01:26:21,199

abilities at least in a rudimentary

2123

01:26:25,350 --> 01:26:23,360

sense

2124

01:26:27,350 --> 01:26:25,360

and shows that they can easily detect

2125

01:26:30,070 --> 01:26:27,360

extreme magnetic fields and changes in

2126
01:26:32,709 --> 01:26:30,080
those or another phenomenon that deals

2127
01:26:33,669 --> 01:26:32,719
with stress in materials called tensor

2128
01:26:36,550 --> 01:26:33,679
fields

2129
01:26:37,830 --> 01:26:36,560
that that can also be tested and we

2130
01:26:39,189 --> 01:26:37,840
there's more work needs to be done in

2131
01:26:41,590 --> 01:26:39,199
this area to really quantify it

2132
01:26:42,390 --> 01:26:41,600
scientifically but early indications are

2133
01:26:46,629 --> 01:26:42,400
that

2134
01:26:49,590 --> 01:26:46,639
different kinds of energies and

2135
01:26:51,590 --> 01:26:49,600
and are are affected emotionally by

2136
01:26:53,910 --> 01:26:51,600
changes that are going on to the earth

2137
01:26:56,229 --> 01:26:53,920
and the the this may

2138
01:26:57,750 --> 01:26:56,239

contribute to this growing concern that

2139

01:26:59,110 --> 01:26:57,760

they have that the planet is about to

2140

01:27:00,470 --> 01:26:59,120

tip on its side and everything's going

2141

01:27:02,470 --> 01:27:00,480

to go crazy

2142

01:27:03,830 --> 01:27:02,480

so it's kind of hard to tell

2143

01:27:06,070 --> 01:27:03,840

if they're just really feeling more in

2144

01:27:07,669 --> 01:27:06,080

tune with things or if these predictions

2145

01:27:13,560 --> 01:27:07,679

that we keep hearing are really have

2146

01:27:16,709 --> 01:27:14,709

[Music]

2147

01:27:19,110 --> 01:27:16,719

anyone else have a comment on the panel

2148

01:27:21,669 --> 01:27:19,120

said it

2149

01:27:24,149 --> 01:27:21,679

any other questions from the audience

2150

01:27:27,750 --> 01:27:24,159

this might be a short evening

2151

01:27:33,430 --> 01:27:30,790

i'm interested in the

2152

01:27:36,070 --> 01:27:33,440

the state of of mind or state of

2153

01:27:38,390 --> 01:27:36,080

consciousness or maybe should say

2154

01:27:39,350 --> 01:27:38,400

altered state of consciousness

2155

01:27:41,669 --> 01:27:39,360

uh

2156

01:27:43,110 --> 01:27:41,679

prior immediately prior to during and

2157

01:27:46,709 --> 01:27:43,120

immediately after

2158

01:27:50,950 --> 01:27:49,189

linda may have touched on an aspect of

2159

01:27:53,110 --> 01:27:50,960

it with the dreams

2160

01:27:56,070 --> 01:27:53,120

the and maybe i should be asking this to

2161

01:27:58,310 --> 01:27:56,080

the uh abductees

2162

01:28:01,910 --> 01:27:58,320

themselves and if if

2163

01:28:04,790 --> 01:28:01,920

you have if you can answer the question

2164

01:28:06,310 --> 01:28:04,800

i wish you would if the panelists can't

2165

01:28:08,390 --> 01:28:06,320

um

2166

01:28:09,990 --> 01:28:08,400

the accounts that i have read when i

2167

01:28:13,189 --> 01:28:10,000

read them

2168

01:28:17,110 --> 01:28:13,199

i get the idea or the impression of

2169

01:28:18,390 --> 01:28:17,120

a dream a dream state at least my

2170

01:28:22,070 --> 01:28:18,400

dream

2171

01:28:27,189 --> 01:28:24,629

and and the particular

2172

01:28:29,669 --> 01:28:27,199

curious thing is

2173

01:28:32,149 --> 01:28:29,679

which is like my dream states i don't

2174

01:28:34,310 --> 01:28:32,159

think the ridiculous things in my dreams

2175

01:28:35,270 --> 01:28:34,320

are ridiculous until i wake up and

2176

01:28:37,110 --> 01:28:35,280

become

2177

01:28:40,310 --> 01:28:37,120

and think about them in with my

2178

01:28:42,470 --> 01:28:40,320

conscious mind and and i and i get this

2179

01:28:44,709 --> 01:28:42,480

from that this is possibly the case

2180

01:28:46,629 --> 01:28:44,719

seems to be the case in the abduction

2181

01:28:49,430 --> 01:28:46,639

experience

2182

01:28:50,950 --> 01:28:49,440

and i would just like for someone to to

2183

01:28:53,910 --> 01:28:50,960

talk about that

2184

01:28:56,390 --> 01:28:53,920

uh some either you all or the

2185

01:28:59,750 --> 01:28:56,400

actual

2186

01:29:02,790 --> 01:28:59,760

yeah i'd like to start it and then

2187

01:29:07,350 --> 01:29:04,870

in the west we have a very limited

2188

01:29:09,270 --> 01:29:07,360

number of words for different states of

2189

01:29:11,750 --> 01:29:09,280

consciousness in eastern

2190

01:29:12,950 --> 01:29:11,760

thinking and religion there may be 50 80

2191

01:29:14,790 --> 01:29:12,960

100

2192

01:29:17,510 --> 01:29:14,800

words for for the different possible

2193

01:29:19,110 --> 01:29:17,520

states we have uh conscious unconscious

2194

01:29:21,189 --> 01:29:19,120

dream sleep

2195

01:29:23,270 --> 01:29:21,199

we have hypnagogic states which means

2196

01:29:24,709 --> 01:29:23,280

the state when you're falling asleep and

2197

01:29:26,550 --> 01:29:24,719

hitting the pumpkin when you're waking

2198

01:29:29,510 --> 01:29:26,560

up in that sort of in-between state and

2199

01:29:31,030 --> 01:29:29,520

that's about it i guess you can have uh

2200

01:29:33,590 --> 01:29:31,040

stupor if you're

2201

01:29:38,470 --> 01:29:35,750

we really are very limited in what we

2202

01:29:40,390 --> 01:29:38,480

know now this phenomenon forces us to

2203

01:29:43,350 --> 01:29:40,400

think about subtleties and you know we

2204

01:29:44,550 --> 01:29:43,360

don't like to think about subtleties uh

2205

01:29:48,470 --> 01:29:44,560

so

2206

01:29:50,709 --> 01:29:48,480

90 yeah numbers a high percentage of

2207

01:29:53,510 --> 01:29:50,719

people will remember until they've had a

2208

01:29:55,990 --> 01:29:53,520

chance to explore their abductions as

2209

01:29:57,669 --> 01:29:56,000

dreams okay now when they call a dream

2210

01:29:59,510 --> 01:29:57,679

is it a dream that recollects an

2211

01:30:01,189 --> 01:29:59,520

abduction is it an abduction they're

2212

01:30:02,950 --> 01:30:01,199

calling a dream there's all kinds of

2213

01:30:04,390 --> 01:30:02,960

ways the word dream is you there's just

2214

01:30:05,830 --> 01:30:04,400

an experience that happens at night you

2215

01:30:07,350 --> 01:30:05,840

call it a dream because that's the way

2216

01:30:09,750 --> 01:30:07,360

you were raised to think

2217

01:30:11,590 --> 01:30:09,760

what uh i mentioned this afternoon and i

2218

01:30:14,709 --> 01:30:11,600

want to stress it

2219

01:30:17,669 --> 01:30:14,719

if you take a an abduction experier

2220

01:30:19,669 --> 01:30:17,679

through the night of an experience

2221

01:30:22,149 --> 01:30:19,679

there is that moment of truth when they

2222

01:30:24,310 --> 01:30:22,159

realize they weren't really asleep when

2223

01:30:26,070 --> 01:30:24,320

this happened now there's a sort of like

2224

01:30:27,750 --> 01:30:26,080

you went to bed and it's very important

2225

01:30:29,110 --> 01:30:27,760

to go you know reconstruct the events of

2226

01:30:30,790 --> 01:30:29,120

the night like okay what time do you go

2227

01:30:33,669 --> 01:30:30,800

to bed you're watching television and

2228

01:30:35,910 --> 01:30:33,679

you went to bed and then what happened

2229

01:30:37,669 --> 01:30:35,920

and then and then this light came in now

2230

01:30:39,990 --> 01:30:37,679

but you didn't say you fell asleep and

2231

01:30:42,629 --> 01:30:40,000

that's a moment of truth and at that

2232

01:30:44,310 --> 01:30:42,639

moment a shift in consciousness occurs

2233

01:30:46,950 --> 01:30:44,320

it's not as if they're just like an

2234

01:30:48,629 --> 01:30:46,960

ordinary waking consciousness uh

2235

01:30:50,950 --> 01:30:48,639

one of the people that bud and i have

2236

01:30:53,830 --> 01:30:50,960

worked with in in new york describes

2237

01:30:56,070 --> 01:30:53,840

it's as if the aliens come through a

2238

01:30:57,910 --> 01:30:56,080

screen they break through uh it's like a

2239

01:31:00,390 --> 01:30:57,920

scrim which is the the screen in the

2240

01:31:02,390 --> 01:31:00,400

theater in it's as if they shatter one

2241

01:31:03,669 --> 01:31:02,400

reality and come into this reality

2242

01:31:05,270 --> 01:31:03,679

person is not asleep but they're in

2243

01:31:06,870 --> 01:31:05,280

another state of consciousness but

2244

01:31:08,390 --> 01:31:06,880

they're fully present in that state of

2245

01:31:09,990 --> 01:31:08,400

consciousness but it's a different state

2246

01:31:11,590 --> 01:31:10,000

of consciousness so it's a true

2247

01:31:14,390 --> 01:31:11,600

experience but in another state of

2248

01:31:15,430 --> 01:31:14,400

consciousness and we don't have language

2249

01:31:17,590 --> 01:31:15,440

for that

2250

01:31:19,510 --> 01:31:17,600

so that's just a starter this is a very

2251
01:31:21,590 --> 01:31:19,520
important and very interesting subject a

2252
01:31:23,830 --> 01:31:21,600
very good question

2253
01:31:26,149 --> 01:31:23,840
um clark i'd like to say something

2254
01:31:28,310 --> 01:31:26,159
having had the experience and had also

2255
01:31:30,550 --> 01:31:28,320
having worked with and listened to many

2256
01:31:32,790 --> 01:31:30,560
many other people with the experience

2257
01:31:35,510 --> 01:31:32,800
in one instance

2258
01:31:37,669 --> 01:31:35,520
when i had a daytime encounter

2259
01:31:39,669 --> 01:31:37,679
i was in an altered state before i know

2260
01:31:42,870 --> 01:31:39,679
i knew i was having an encounter it was

2261
01:31:45,430 --> 01:31:42,880
almost technologically precise i was

2262
01:31:47,350 --> 01:31:45,440
walking from one from a neighbor's yard

2263
01:31:49,669 --> 01:31:47,360

to my yard and when i stepped i was

2264

01:31:52,229 --> 01:31:49,679

perfectly fine on this side of the line

2265

01:31:55,430 --> 01:31:52,239

i took a step over an invisible barrier

2266

01:31:59,350 --> 01:31:55,440

which immediately put me into an altered

2267

01:32:01,830 --> 01:31:59,360

state before i even saw the the ets

2268

01:32:04,310 --> 01:32:01,840

so i felt it was very much an imposed

2269

01:32:06,629 --> 01:32:04,320

external technologically produced state

2270

01:32:08,870 --> 01:32:06,639

of mind so that when i looked up and saw

2271

01:32:10,709 --> 01:32:08,880

the little beings there in the yard i

2272

01:32:12,390 --> 01:32:10,719

didn't freak i did not act as i would

2273

01:32:15,030 --> 01:32:12,400

have normally my normal state of

2274

01:32:17,350 --> 01:32:15,040

consciousness was very much dampened and

2275

01:32:18,870 --> 01:32:17,360

it was there was surprise there wasn't

2276

01:32:20,390 --> 01:32:18,880

shock and fainting

2277

01:32:22,870 --> 01:32:20,400

the same thing seems to happen with

2278

01:32:24,790 --> 01:32:22,880

other people no matter there's a change

2279

01:32:27,030 --> 01:32:24,800

in how you normally would react and i

2280

01:32:29,590 --> 01:32:27,040

think it's imposed

2281

01:32:31,830 --> 01:32:29,600

in some very external uh technological

2282

01:32:33,189 --> 01:32:31,840

way for instance one abductee who was

2283

01:32:35,590 --> 01:32:33,199

very upset about things that had

2284

01:32:37,750 --> 01:32:35,600

happened with him and and had said the

2285

01:32:39,990 --> 01:32:37,760

next time i get my little hands around

2286

01:32:41,669 --> 01:32:40,000

their little necks i'm going to smash

2287

01:32:43,510 --> 01:32:41,679

them in the face i'm really mad about

2288

01:32:46,149 --> 01:32:43,520

this they're not going to do me this way

2289

01:32:48,470 --> 01:32:46,159

anymore and he had a house guest staying

2290

01:32:50,070 --> 01:32:48,480

at his house and when the house guest

2291

01:32:52,950 --> 01:32:50,080

was asleep in the living room on the

2292

01:32:55,270 --> 01:32:52,960

sofa the the host woke up in the middle

2293

01:32:56,709 --> 01:32:55,280

of the night for no apparent reason and

2294

01:32:58,229 --> 01:32:56,719

looked down the hallway and saw the

2295

01:33:00,149 --> 01:32:58,239

little blue light

2296

01:33:01,990 --> 01:33:00,159

probe that had been in his house several

2297

01:33:04,390 --> 01:33:02,000

times before during experiences or

2298

01:33:06,629 --> 01:33:04,400

before they on the onset of one he saw

2299

01:33:07,990 --> 01:33:06,639

this bobbing over the head of the person

2300

01:33:10,709 --> 01:33:08,000

who was sleeping in his living room on

2301

01:33:12,629 --> 01:33:10,719

the couch and he had just said not three

2302

01:33:14,310 --> 01:33:12,639

days before if i ever see him again i'm

2303

01:33:17,189 --> 01:33:14,320

gonna give him this

2304

01:33:18,470 --> 01:33:17,199

he looked up and said oh i know what

2305

01:33:19,990 --> 01:33:18,480

that is

2306

01:33:21,990 --> 01:33:20,000

out to sleep

2307

01:33:23,590 --> 01:33:22,000

the next morning was doubly furious he

2308

01:33:25,830 --> 01:33:23,600

had been thwarted in what he would have

2309

01:33:27,510 --> 01:33:25,840

normally and naturally wish to do

2310

01:33:29,510 --> 01:33:27,520

so it seems like there's an imposed

2311

01:33:31,110 --> 01:33:29,520

state not perhaps

2312

01:33:33,270 --> 01:33:31,120

dream state at all

2313

01:33:35,830 --> 01:33:33,280

just something that dampens our normal

2314

01:33:37,270 --> 01:33:35,840

response and that's how it feels really

2315

01:33:38,709 --> 01:33:37,280

and it's in the daytime you know you're

2316

01:33:40,550 --> 01:33:38,719

not sleeping when you're walking and

2317

01:33:41,350 --> 01:33:40,560

talking and driving and cooking and so

2318

01:33:45,270 --> 01:33:41,360

on

2319

01:33:48,390 --> 01:33:45,280

so it's not like the dream state feels

2320

01:33:54,870 --> 01:33:48,400

anyone else on the panel for that one

2321

01:33:59,510 --> 01:33:57,350

i'd like to ask our steam panel a broad

2322

01:34:01,590 --> 01:33:59,520

experience here

2323

01:34:02,790 --> 01:34:01,600

a question perhaps you can't answer

2324

01:34:05,110 --> 01:34:02,800

completely but give us some

2325

01:34:07,510 --> 01:34:05,120

contributions from your experience

2326

01:34:09,750 --> 01:34:07,520

to compare and contrast

2327

01:34:12,629 --> 01:34:09,760

the information we're putting together

2328

01:34:14,550 --> 01:34:12,639

on abductions meaning force by

2329

01:34:17,189 --> 01:34:14,560

not giving you free will

2330

01:34:19,030 --> 01:34:17,199

however you want to call that versus the

2331

01:34:21,189 --> 01:34:19,040

contact voluntarily where there's no

2332

01:34:22,950 --> 01:34:21,199

force what are we learning from these

2333

01:34:25,270 --> 01:34:22,960

two are we getting similar data

2334

01:34:27,430 --> 01:34:25,280

conflicting data and how is it coming

2335

01:34:29,590 --> 01:34:27,440

about can you contrast

2336

01:34:30,830 --> 01:34:29,600

and show the conflictions and contrast

2337

01:34:33,830 --> 01:34:30,840

on

2338

01:34:35,750 --> 01:34:33,840

this uh

2339

01:34:38,470 --> 01:34:35,760

to start to answer that question i think

2340

01:34:41,030 --> 01:34:38,480

it's important to know who comes to us

2341

01:34:44,229 --> 01:34:41,040

people who are coping people who

2342

01:34:46,870 --> 01:34:44,239

um maybe remember things consciously or

2343

01:34:49,350 --> 01:34:46,880

feel their contactees may never come to

2344

01:34:52,070 --> 01:34:49,360

us for any kind of help so it's kind of

2345

01:34:53,510 --> 01:34:52,080

skewed in terms of the population that

2346

01:34:55,430 --> 01:34:53,520

we may see

2347

01:34:57,990 --> 01:34:55,440

we see the people who are confused

2348

01:35:01,590 --> 01:34:58,000

anxious sleepless irritable you know all

2349

01:35:03,430 --> 01:35:01,600

those more traumatic responses

2350

01:35:05,750 --> 01:35:03,440

and so they may see themselves more as

2351
01:35:09,189 --> 01:35:05,760
abducted and terrorized or something

2352
01:35:15,750 --> 01:35:11,830
so i i think that that was an important

2353
01:35:17,990 --> 01:35:15,760
distinction in terms of comparison

2354
01:35:19,189 --> 01:35:18,000
i would like to talk to a lot of people

2355
01:35:21,270 --> 01:35:19,199
who

2356
01:35:22,149 --> 01:35:21,280
perhaps call themselves as contactees

2357
01:35:25,189 --> 01:35:22,159
and have

2358
01:35:27,669 --> 01:35:25,199
maybe more positive experiences

2359
01:35:30,149 --> 01:35:27,679
just for that comparison but

2360
01:35:33,350 --> 01:35:30,159
i think so much of what i do see comes

2361
01:35:35,109 --> 01:35:33,360
because it comes to the label of trauma

2362
01:35:36,870 --> 01:35:35,119
at least initially

2363
01:35:39,430 --> 01:35:36,880

i do want to add that through my

2364

01:35:42,709 --> 01:35:39,440

research

2365

01:35:44,550 --> 01:35:42,719

that i would say about 50 percent end up

2366

01:35:45,750 --> 01:35:44,560

feeling positive about it about 50

2367

01:35:46,709 --> 01:35:45,760

percent

2368

01:35:49,030 --> 01:35:46,719

don't

2369

01:35:52,629 --> 01:35:49,040

even though at first they may have come

2370

01:35:55,430 --> 01:35:52,639

for that in the initial traumatic um

2371

01:35:58,149 --> 01:35:55,440

release that they need to work through

2372

01:35:59,910 --> 01:35:58,159

well one of the things that i know in

2373

01:36:02,229 --> 01:35:59,920

letters and audio cassettes people have

2374

01:36:05,270 --> 01:36:02,239

sent me that probably

2375

01:36:06,390 --> 01:36:05,280

the second emotion after fear is anger

2376

01:36:08,390 --> 01:36:06,400

and

2377

01:36:10,070 --> 01:36:08,400

that there is a pattern in the people

2378

01:36:12,149 --> 01:36:10,080

who feel that their will has been

2379

01:36:14,149 --> 01:36:12,159

violated that they have been raped or

2380

01:36:15,830 --> 01:36:14,159

there's a kind of a

2381

01:36:18,390 --> 01:36:15,840

syndrome there

2382

01:36:20,950 --> 01:36:18,400

i think it's also interesting that there

2383

01:36:22,070 --> 01:36:20,960

are several men that have corresponded

2384

01:36:27,510 --> 01:36:22,080

and

2385

01:36:29,590 --> 01:36:27,520

you you were talking about will

2386

01:36:31,830 --> 01:36:29,600

and versus violation or will or those

2387

01:36:33,910 --> 01:36:31,840

who felt like that they had consciously

2388

01:36:36,470 --> 01:36:33,920

acquiesced to do something versus those

2389

01:36:38,149 --> 01:36:36,480

who felt that they had no choice well

2390

01:36:39,189 --> 01:36:38,159

there is a couple of interesting

2391

01:36:41,270 --> 01:36:39,199

twilight

2392

01:36:42,229 --> 01:36:41,280

areas here that seems to involve both

2393

01:36:45,270 --> 01:36:42,239

and

2394

01:36:47,669 --> 01:36:45,280

in men uh one of these patterns that

2395

01:36:49,669 --> 01:36:47,679

i've heard over and over again is where

2396

01:36:52,229 --> 01:36:49,679

they feel in the beginning that they're

2397

01:36:54,229 --> 01:36:52,239

having a sexual encounter with a pretty

2398

01:36:55,030 --> 01:36:54,239

blonde woman or something

2399

01:36:56,390 --> 01:36:55,040

and

2400

01:36:59,590 --> 01:36:56,400

they are

2401
01:37:00,870 --> 01:36:59,600
happy and willfully involved in this

2402
01:37:02,790 --> 01:37:00,880
action

2403
01:37:05,590 --> 01:37:02,800
and then

2404
01:37:07,510 --> 01:37:05,600
you will hear them it's one or two

2405
01:37:08,310 --> 01:37:07,520
versions i've heard

2406
01:37:11,270 --> 01:37:08,320
they

2407
01:37:12,790 --> 01:37:11,280
suddenly the blonde woman

2408
01:37:15,270 --> 01:37:12,800
who they thought

2409
01:37:17,990 --> 01:37:15,280
they were in a sexual relationship with

2410
01:37:19,430 --> 01:37:18,000
is suddenly replaced by either a gray

2411
01:37:21,430 --> 01:37:19,440
that's floating above them because they

2412
01:37:22,470 --> 01:37:21,440
feel no physical pressure

2413
01:37:24,470 --> 01:37:22,480

and or

2414

01:37:26,550 --> 01:37:24,480

they suddenly see clearly whether the

2415

01:37:28,709 --> 01:37:26,560

phenomenon releases this or there's

2416

01:37:31,510 --> 01:37:28,719

something that the human mind and spirit

2417

01:37:32,950 --> 01:37:31,520

forces through this wall they see the

2418

01:37:35,109 --> 01:37:32,960

tubes and the machines that are hooked

2419

01:37:37,350 --> 01:37:35,119

up to their genitals at that moment they

2420

01:37:40,310 --> 01:37:37,360

feel complete and total humiliation and

2421

01:37:43,590 --> 01:37:40,320

rage now i've seen that pattern

2422

01:37:46,790 --> 01:37:43,600

and one man uh just three nights ago who

2423

01:37:49,510 --> 01:37:46,800

has had this happen to him several times

2424

01:37:52,149 --> 01:37:49,520

he called because he's been going

2425

01:37:53,510 --> 01:37:52,159

through as of ebb and flow of

2426

01:37:55,109 --> 01:37:53,520

vacillation

2427

01:37:57,669 --> 01:37:55,119

between i am

2428

01:38:00,950 --> 01:37:57,679

i am finally getting ready to deal with

2429

01:38:03,669 --> 01:38:00,960

them on a conscious level i am going to

2430

01:38:05,430 --> 01:38:03,679

break through this strange state and he

2431

01:38:06,390 --> 01:38:05,440

called the other night to tell me that

2432

01:38:10,070 --> 01:38:06,400

he was

2433

01:38:12,870 --> 01:38:10,080

conscious and that there was a golf

2434

01:38:14,790 --> 01:38:12,880

ball-sized glowing white light in the

2435

01:38:16,629 --> 01:38:14,800

bedroom which he saw move what he

2436

01:38:17,669 --> 01:38:16,639

estimated to be about five feet through

2437

01:38:19,669 --> 01:38:17,679

the air

2438

01:38:21,990 --> 01:38:19,679

but he said that he was struck with a

2439

01:38:25,030 --> 01:38:22,000

terror that was as deep and abiding as

2440

01:38:26,070 --> 01:38:25,040

anything he'd ever experienced before

2441

01:38:28,950 --> 01:38:26,080

well

2442

01:38:30,390 --> 01:38:28,960

just a week or so before he had said i

2443

01:38:31,270 --> 01:38:30,400

am ready

2444

01:38:33,510 --> 01:38:31,280

for

2445

01:38:35,430 --> 01:38:33,520

conscious encounter

2446

01:38:38,070 --> 01:38:35,440

now there's something about these golf

2447

01:38:40,550 --> 01:38:38,080

ball size baseball size

2448

01:38:43,109 --> 01:38:40,560

softball sized lights

2449

01:38:45,189 --> 01:38:43,119

uh for i'm sure all of us here and and

2450

01:38:46,870 --> 01:38:45,199

those of you out there it is

2451

01:38:48,950 --> 01:38:46,880

prevalent throughout the abduction

2452

01:38:51,350 --> 01:38:48,960

literature and the experiences

2453

01:38:53,910 --> 01:38:51,360

and i've wondered are they some kind of

2454

01:38:56,790 --> 01:38:53,920

an advanced tv telephone

2455

01:38:59,030 --> 01:38:56,800

communication system it's come in place

2456

01:39:00,310 --> 01:38:59,040

to make some kind of communication

2457

01:39:03,109 --> 01:39:00,320

and yet

2458

01:39:05,830 --> 01:39:03,119

i know more abductees are so terrified

2459

01:39:08,070 --> 01:39:05,840

of these glowing light balls and the few

2460

01:39:10,390 --> 01:39:08,080

that have relaxed into a place

2461

01:39:12,310 --> 01:39:10,400

eventually after they've come and gone

2462

01:39:14,470 --> 01:39:12,320

they get some kind of communication from

2463

01:39:17,830 --> 01:39:14,480

them so what i'm trying to say is is

2464

01:39:21,990 --> 01:39:17,840

that when it comes to this issue of

2465

01:39:23,830 --> 01:39:22,000

uh saying i they want an experience

2466

01:39:26,709 --> 01:39:23,840

the phenomenon seems to come back with

2467

01:39:29,750 --> 01:39:26,719

something that would seem to be now

2468

01:39:31,510 --> 01:39:29,760

up front center and conscious but we all

2469

01:39:33,669 --> 01:39:31,520

still seem to have a great deal of

2470

01:39:35,910 --> 01:39:33,679

difficulty even dealing with a ball of

2471

01:39:38,149 --> 01:39:35,920

light

2472

01:39:39,750 --> 01:39:38,159

i i would like to say about the contact

2473

01:39:41,750 --> 01:39:39,760

and

2474

01:39:43,590 --> 01:39:41,760

uh division

2475

01:39:45,350 --> 01:39:43,600

that for the

2476

01:39:47,109 --> 01:39:45,360

working purpose i think you need to

2477

01:39:49,590 --> 01:39:47,119

define what those things are and

2478

01:39:51,510 --> 01:39:49,600

abduction is where someone is taken

2479

01:39:53,910 --> 01:39:51,520

forcibly or against their will and a

2480

01:39:55,830 --> 01:39:53,920

contact is where you have an exchange of

2481

01:39:58,070 --> 01:39:55,840

information where nobody is forced to do

2482

01:40:00,870 --> 01:39:58,080

anything it's easy to say that two

2483

01:40:02,310 --> 01:40:00,880

things are not alike and the same things

2484

01:40:03,590 --> 01:40:02,320

can happen within one person's

2485

01:40:05,910 --> 01:40:03,600

experience

2486

01:40:08,149 --> 01:40:05,920

now there are those who do think they

2487

01:40:09,910 --> 01:40:08,159

have gone willingly once the intrusion

2488

01:40:12,550 --> 01:40:09,920

is started but if you remember how

2489

01:40:14,870 --> 01:40:12,560

artificially and technologically easy it

2490

01:40:17,030 --> 01:40:14,880

is for these people to change our moods

2491

01:40:19,270 --> 01:40:17,040

and change our minds and change our

2492

01:40:21,270 --> 01:40:19,280

even our sensory input from pain to

2493

01:40:23,350 --> 01:40:21,280

pleasure from fear to love

2494

01:40:25,189 --> 01:40:23,360

instantaneously then we don't really

2495

01:40:26,629 --> 01:40:25,199

know when we go by ourselves if we're

2496

01:40:28,070 --> 01:40:26,639

going willingly or if we're going

2497

01:40:29,990 --> 01:40:28,080

because we've been made to feel we're

2498

01:40:31,910 --> 01:40:30,000

going willingly so

2499

01:40:33,750 --> 01:40:31,920

i tr i tend to say if they don't take

2500

01:40:35,430 --> 01:40:33,760

you anywhere under any conditions you've

2501
01:40:36,390 --> 01:40:35,440
had a contact if they've taken you

2502
01:40:39,510 --> 01:40:36,400
anywhere

2503
01:40:45,109 --> 01:40:41,590
because a contact is simply a talk an

2504
01:40:50,229 --> 01:40:47,109
is that it

2505
01:40:52,709 --> 01:40:50,239
another question

2506
01:40:54,870 --> 01:40:52,719
uh concerning government involvement or

2507
01:40:56,709 --> 01:40:54,880
military involvement in abductions does

2508
01:40:58,550 --> 01:40:56,719
this not take place when the person is

2509
01:41:00,149 --> 01:40:58,560
sort of coming out of the closet and

2510
01:41:02,229 --> 01:41:00,159
starting to

2511
01:41:04,390 --> 01:41:02,239
talk about it or get

2512
01:41:06,550 --> 01:41:04,400
therapy or something what what what's

2513
01:41:08,310 --> 01:41:06,560

when does this happen

2514

01:41:12,229 --> 01:41:08,320

some people doesn't think it happens at

2515

01:41:16,629 --> 01:41:14,390

in one case it happened before the

2516

01:41:19,030 --> 01:41:16,639

person even knew there was anything and

2517

01:41:21,030 --> 01:41:19,040

certainly hadn't come out of the closet

2518

01:41:23,109 --> 01:41:21,040

in another case it had happened uh

2519

01:41:24,870 --> 01:41:23,119

before anyone except the immediate

2520

01:41:26,229 --> 01:41:24,880

family knew so there was no coming out

2521

01:41:28,470 --> 01:41:26,239

of the closet i don't think it has

2522

01:41:30,390 --> 01:41:28,480

anything to do with trying to keep you

2523

01:41:32,470 --> 01:41:30,400

from talking because for a lot of us it

2524

01:41:35,590 --> 01:41:32,480

really pushes you to talk

2525

01:41:38,550 --> 01:41:35,600

yeah i would tend to agree with that too

2526

01:41:39,270 --> 01:41:38,560

obviously leah who you heard today is

2527

01:41:48,950 --> 01:41:39,280

the

2528

01:41:50,870 --> 01:41:48,960

interesting where

2529

01:41:52,870 --> 01:41:50,880

uh the person who didn't know much about

2530

01:41:54,790 --> 01:41:52,880

the phenomena would say

2531

01:41:56,629 --> 01:41:54,800

you know i think something happened last

2532

01:41:57,669 --> 01:41:56,639

night and the other thing that's strange

2533

01:41:59,510 --> 01:41:57,679

is that

2534

01:42:01,030 --> 01:41:59,520

these black helicopters were roaring

2535

01:42:02,709 --> 01:42:01,040

through the valley this morning we've

2536

01:42:05,109 --> 01:42:02,719

never seen those before i wonder why

2537

01:42:07,030 --> 01:42:05,119

they're circling our house

2538

01:42:08,629 --> 01:42:07,040

you know and they hadn't even explored

2539

01:42:11,350 --> 01:42:08,639

the experience but you know it gave me

2540

01:42:13,830 --> 01:42:11,360

the feeling sometimes that

2541

01:42:15,590 --> 01:42:13,840

there was some kind of surveillance

2542

01:42:17,990 --> 01:42:15,600

certainly when we know that satellites

2543

01:42:19,669 --> 01:42:18,000

can read newspapers from space

2544

01:42:21,270 --> 01:42:19,679

that some of these objects just might be

2545

01:42:23,109 --> 01:42:21,280

tracked somehow and they might know

2546

01:42:24,629 --> 01:42:23,119

where they're going

2547

01:42:26,470 --> 01:42:24,639

in maryland there have been several of

2548

01:42:29,109 --> 01:42:26,480

us involved with the investigation of a

2549

01:42:31,350 --> 01:42:29,119

case of a woman who last june

2550

01:42:32,229 --> 01:42:31,360

was waked up with a pulsing uh blue

2551

01:42:34,149 --> 01:42:32,239

light

2552

01:42:36,229 --> 01:42:34,159

coming through the shades in the bedroom

2553

01:42:37,830 --> 01:42:36,239

it's a very small house i've been in

2554

01:42:39,189 --> 01:42:37,840

this house

2555

01:42:41,990 --> 01:42:39,199

and uh

2556

01:42:44,870 --> 01:42:42,000

for some reason that's still not clear

2557

01:42:46,790 --> 01:42:44,880

she never opened up the shades she did

2558

01:42:48,470 --> 01:42:46,800

go to the doorway to see in the living

2559

01:42:51,030 --> 01:42:48,480

room and she could also see the light

2560

01:42:53,189 --> 01:42:51,040

pulsing there she never made any

2561

01:42:55,669 --> 01:42:53,199

aggressive action to go out of the house

2562

01:42:58,310 --> 01:42:55,679

or anything but the next morning there

2563

01:43:00,470 --> 01:42:58,320

was a 14-foot diameter circle

2564

01:43:02,550 --> 01:43:00,480

in the front yard which we did get soil

2565

01:43:04,629 --> 01:43:02,560

samples from we were able to find that

2566

01:43:06,229 --> 01:43:04,639

there were some very strange biochemical

2567

01:43:07,669 --> 01:43:06,239

changes actually in the seed in the

2568

01:43:08,709 --> 01:43:07,679

grass

2569

01:43:11,910 --> 01:43:08,719

and

2570

01:43:13,510 --> 01:43:11,920

she began to have helicopters

2571

01:43:14,790 --> 01:43:13,520

of

2572

01:43:16,629 --> 01:43:14,800

we think

2573

01:43:19,510 --> 01:43:16,639

military nature

2574

01:43:21,990 --> 01:43:19,520

um over the house on such a regular

2575

01:43:23,189 --> 01:43:22,000

basis that a mufon investigator went

2576

01:43:24,390 --> 01:43:23,199

with a

2577

01:43:27,030 --> 01:43:24,400

camcorder

2578

01:43:28,550 --> 01:43:27,040

videotaped this uh there were other

2579

01:43:30,390 --> 01:43:28,560

researchers who would be on the

2580

01:43:31,830 --> 01:43:30,400

telephone with her and all of a sudden

2581

01:43:34,390 --> 01:43:31,840

the phone they couldn't even talk on the

2582

01:43:36,709 --> 01:43:34,400

phone because the sound in the house was

2583

01:43:38,470 --> 01:43:36,719

so loud

2584

01:43:39,270 --> 01:43:38,480

one day

2585

01:43:41,109 --> 01:43:39,280

uh

2586

01:43:43,189 --> 01:43:41,119

feeling like she was going out of her

2587

01:43:45,109 --> 01:43:43,199

skin she said i'm going to forget all

2588

01:43:48,070 --> 01:43:45,119

this i'm going to lie down

2589

01:43:50,950 --> 01:43:48,080

on a chair in the backyard in the sun

2590

01:43:53,350 --> 01:43:50,960

i'm going to make this all go away

2591

01:43:55,430 --> 01:43:53,360

and she was lying feeling relaxed for

2592

01:43:56,950 --> 01:43:55,440

the first time in a while in the sun and

2593

01:43:58,950 --> 01:43:56,960

she said it was like somebody leaned

2594

01:44:01,109 --> 01:43:58,960

over her and the shadow came across her

2595

01:44:03,189 --> 01:44:01,119

face and her head and she opened up her

2596

01:44:05,189 --> 01:44:03,199

eyes expecting to see her husband

2597

01:44:07,910 --> 01:44:05,199

leaning over

2598

01:44:10,550 --> 01:44:07,920

and she said approximately 10 feet above

2599

01:44:13,350 --> 01:44:10,560

her was a helicopter

2600

01:44:15,830 --> 01:44:13,360

and the helicopter she said was

2601
01:44:18,310 --> 01:44:15,840
all beige

2602
01:44:19,510 --> 01:44:18,320
and she said she couldn't see through

2603
01:44:21,350 --> 01:44:19,520
the windows

2604
01:44:24,310 --> 01:44:21,360
and she was going on in these new

2605
01:44:27,350 --> 01:44:24,320
details about this helicopter

2606
01:44:29,189 --> 01:44:27,360
and i said well the sound must have been

2607
01:44:31,590 --> 01:44:29,199
horrific

2608
01:44:33,350 --> 01:44:31,600
and she said well there wasn't any sound

2609
01:44:35,189 --> 01:44:33,360
and i said well there must have been

2610
01:44:36,550 --> 01:44:35,199
things must have been blowing this is 10

2611
01:44:39,910 --> 01:44:36,560
feet above you

2612
01:44:41,189 --> 01:44:39,920
she said no it was very still

2613
01:44:43,910 --> 01:44:41,199

well

2614

01:44:46,149 --> 01:44:43,920

that is not a helicopter as i understand

2615

01:44:48,470 --> 01:44:46,159

helicopters in terrestrial terms

2616

01:44:49,750 --> 01:44:48,480

interacting with air molecules

2617

01:44:52,870 --> 01:44:49,760

so

2618

01:44:54,629 --> 01:44:52,880

again we've got this camouflage i don't

2619

01:44:56,870 --> 01:44:54,639

know what it is

2620

01:44:58,709 --> 01:44:56,880

um where this

2621

01:45:01,270 --> 01:44:58,719

thing was

2622

01:45:03,109 --> 01:45:01,280

she thought a military helicopter well

2623

01:45:05,669 --> 01:45:03,119

interestingly enough one of the

2624

01:45:08,550 --> 01:45:05,679

investigators in maryland began doing

2625

01:45:10,870 --> 01:45:08,560

some research through a congressman

2626
01:45:12,709 --> 01:45:10,880
and they were able to push this case

2627
01:45:14,709 --> 01:45:12,719
actually to

2628
01:45:18,790 --> 01:45:14,719
some agencies and they got back a

2629
01:45:21,189 --> 01:45:18,800
response that there was a classified

2630
01:45:23,030 --> 01:45:21,199
national security reason for why

2631
01:45:25,270 --> 01:45:23,040
helicopters were in that neighborhood

2632
01:45:28,149 --> 01:45:25,280
and they would not define it and that's

2633
01:45:30,550 --> 01:45:28,159
as of a couple of months ago

2634
01:45:32,550 --> 01:45:30,560
we don't know what more she she still

2635
01:45:35,910 --> 01:45:32,560
has helicopters over the house but i

2636
01:45:38,070 --> 01:45:35,920
think there's an example of

2637
01:45:40,149 --> 01:45:38,080
hearing and seeing real helicopters and

2638
01:45:42,229 --> 01:45:40,159

then what was this thing 10 feet above

2639

01:45:46,070 --> 01:45:42,239

her on on

2640

01:45:49,830 --> 01:45:47,910

anyone else

2641

01:45:51,189 --> 01:45:49,840

i'll just make a brief comment about

2642

01:45:54,229 --> 01:45:51,199

this uh

2643

01:45:56,790 --> 01:45:54,239

it's a hard question to answer because

2644

01:45:58,870 --> 01:45:56,800

it seems to be very complex you'll have

2645

01:46:00,470 --> 01:45:58,880

one witness over here who's having

2646

01:46:02,629 --> 01:46:00,480

experiences with gray's never saw a

2647

01:46:04,550 --> 01:46:02,639

government person or helicopter their

2648

01:46:06,229 --> 01:46:04,560

entire life of experiences

2649

01:46:07,990 --> 01:46:06,239

another person that seems to be involved

2650

01:46:10,550 --> 01:46:08,000

with a group exactly like this other

2651

01:46:12,790 --> 01:46:10,560

woman is harassed continuously by

2652

01:46:14,550 --> 01:46:12,800

helicopters government people sometimes

2653

01:46:16,790 --> 01:46:14,560

they're even abducted maybe by the

2654

01:46:18,390 --> 01:46:16,800

government and and interrogated or

2655

01:46:20,390 --> 01:46:18,400

examined to see what the aliens are up

2656

01:46:22,390 --> 01:46:20,400

to maybe who knows

2657

01:46:23,830 --> 01:46:22,400

and then you have other cases like

2658

01:46:25,270 --> 01:46:23,840

what bill talked about where the

2659

01:46:26,629 --> 01:46:25,280

government and the aliens seem to be

2660

01:46:28,390 --> 01:46:26,639

working together

2661

01:46:30,470 --> 01:46:28,400

what the hell does this all mean you

2662

01:46:31,750 --> 01:46:30,480

know i mean are there we have three

2663

01:46:32,950 --> 01:46:31,760

different groups with three different

2664

01:46:35,750 --> 01:46:32,960

motives and they just happen to look

2665

01:46:36,870 --> 01:46:35,760

alike you know maybe

2666

01:46:38,390 --> 01:46:36,880

and when does the government get

2667

01:46:41,590 --> 01:46:38,400

involved are they understaffed maybe

2668

01:46:44,149 --> 01:46:41,600

they just can't handle all the abductees

2669

01:46:45,910 --> 01:46:44,159

you know i i don't know but it seems

2670

01:46:49,669 --> 01:46:45,920

like uh though all those kind of

2671

01:46:54,229 --> 01:46:50,470

okay

2672

01:46:57,510 --> 01:46:55,910

you pointed out that it takes a lot of

2673

01:46:59,590 --> 01:46:57,520

commitment and sensitivity for a

2674

01:47:01,590 --> 01:46:59,600

therapist to work with these people how

2675

01:47:06,870 --> 01:47:01,600

are you going to determine who's got the

2676
01:47:13,590 --> 01:47:10,229
um i won't determine that the abductee

2677
01:47:17,990 --> 01:47:16,629
they will know who feels right to them

2678
01:47:19,990 --> 01:47:18,000
uh the person may have all the

2679
01:47:21,350 --> 01:47:20,000
credentials in the world they can be a

2680
01:47:24,390 --> 01:47:21,360
total jerk

2681
01:47:28,790 --> 01:47:26,709
no names

2682
01:47:30,390 --> 01:47:28,800
and then there's some who have

2683
01:47:32,149 --> 01:47:30,400
very little training but their hearts in

2684
01:47:33,669 --> 01:47:32,159
the right place they have intelligence

2685
01:47:35,750 --> 01:47:33,679
maturity

2686
01:47:36,550 --> 01:47:35,760
they have enough skills to do the right

2687
01:47:38,709 --> 01:47:36,560
thing

2688
01:47:40,229 --> 01:47:38,719

and i applaud them

2689

01:47:41,109 --> 01:47:40,239

so uh

2690

01:47:59,430 --> 01:47:41,119

i

2691

01:48:09,189 --> 01:47:59,440

that

2692

01:48:13,510 --> 01:48:11,750

work uh requires some kind of a new

2693

01:48:15,430 --> 01:48:13,520

field um

2694

01:48:17,350 --> 01:48:15,440

that uh there might be mental health

2695

01:48:19,109 --> 01:48:17,360

professionals that would be qualified to

2696

01:48:20,709 --> 01:48:19,119

be in it but i would not like to see it

2697

01:48:21,990 --> 01:48:20,719

restricted to

2698

01:48:23,669 --> 01:48:22,000

mental health professionals first of all

2699

01:48:25,350 --> 01:48:23,679

we've got more to unlearn

2700

01:48:30,470 --> 01:48:25,360

than

2701
01:48:34,470 --> 01:48:32,950
are natural to this field now so be what

2702
01:48:36,550 --> 01:48:34,480
i think the question should be asked is

2703
01:48:39,030 --> 01:48:36,560
who what what is what are the natural

2704
01:48:41,830 --> 01:48:39,040
gifts that people need to enter this

2705
01:48:45,109 --> 01:48:41,840
field i i'm working with an assistant in

2706
01:48:46,870 --> 01:48:45,119
boston uh pam casey who has had no

2707
01:48:48,870 --> 01:48:46,880
mental health training at all she's not

2708
01:48:51,350 --> 01:48:48,880
an abductee and yet she's an absolute

2709
01:48:54,470 --> 01:48:51,360
natural in working with people knows

2710
01:48:56,229 --> 01:48:54,480
what to say when is open

2711
01:48:58,470 --> 01:48:56,239
can hold affect i think one of the

2712
01:49:00,629 --> 01:48:58,480
qualities is the capacity

2713
01:49:03,350 --> 01:49:00,639

to be there with a person who's

2714

01:49:05,510 --> 01:49:03,360

undergoing extraordinarily powerful

2715

01:49:07,350 --> 01:49:05,520

affect about a matter which is not

2716

01:49:09,990 --> 01:49:07,360

explainable

2717

01:49:11,430 --> 01:49:10,000

now mental health professionals are very

2718

01:49:13,430 --> 01:49:11,440

it's very important i think a lot of

2719

01:49:15,350 --> 01:49:13,440

people go into my field

2720

01:49:16,629 --> 01:49:15,360

because they want to be able to explain

2721

01:49:19,109 --> 01:49:16,639

the things that have troubled them in

2722

01:49:21,350 --> 01:49:19,119

their lives and this is to to be with

2723

01:49:23,430 --> 01:49:21,360

mystery that is so powerful that

2724

01:49:25,589 --> 01:49:23,440

challenges our reality

2725

01:49:28,310 --> 01:49:25,599

at the same time the sensitivity

2726

01:49:30,070 --> 01:49:28,320

that john and you are talking about it i

2727

01:49:32,470 --> 01:49:30,080

think it requires a

2728

01:49:33,910 --> 01:49:32,480

that we perhaps invent a new field which

2729

01:49:35,669 --> 01:49:33,920

will have mental health professionals

2730

01:49:37,669 --> 01:49:35,679

but we'll have some other folks too and

2731

01:49:40,470 --> 01:49:37,679

then to develop training programs that

2732

01:49:43,430 --> 01:49:40,480

are specific to this kind and related

2733

01:49:47,750 --> 01:49:43,440

work

2734

01:49:49,589 --> 01:49:47,760

thing is that one of the things i have

2735

01:49:50,709 --> 01:49:49,599

found is that

2736

01:49:53,589 --> 01:49:50,719

people

2737

01:49:58,070 --> 01:49:53,599

need somebody to listen to them

2738

01:49:59,510 --> 01:49:58,080

without feeling any judgment and that

2739

01:50:00,470 --> 01:49:59,520

i have

2740

01:50:02,790 --> 01:50:00,480

just

2741

01:50:05,189 --> 01:50:02,800

held more men and women

2742

01:50:07,270 --> 01:50:05,199

who just began to sob and there's

2743

01:50:08,310 --> 01:50:07,280

nothing more i can do than just hold

2744

01:50:09,589 --> 01:50:08,320

them

2745

01:50:12,149 --> 01:50:09,599

and yet

2746

01:50:13,589 --> 01:50:12,159

that in itself seems to be a kind of

2747

01:50:16,790 --> 01:50:13,599

catharsis

2748

01:50:17,990 --> 01:50:16,800

and i've experienced that many times and

2749

01:50:23,990 --> 01:50:18,000

there

2750

01:50:25,510 --> 01:50:24,000

compassion is the area uh and we are

2751
01:50:28,310 --> 01:50:25,520
dealing with something that is so

2752
01:50:30,709 --> 01:50:28,320
unknown and unpredictable but that is

2753
01:50:33,350 --> 01:50:30,719
one thing every one of us can give each

2754
01:50:35,830 --> 01:50:33,360
other is more compassion and less

2755
01:50:38,470 --> 01:50:35,840
criticism and judgment and if you have

2756
01:50:40,470 --> 01:50:38,480
somebody who is trying to tell you an

2757
01:50:43,510 --> 01:50:40,480
experience that just sounds like it is

2758
01:50:45,830 --> 01:50:43,520
completely over the top to you

2759
01:50:47,270 --> 01:50:45,840
at your subtitle level

2760
01:50:52,950 --> 01:50:47,280
just listen

2761
01:50:55,669 --> 01:50:52,960
talk it all the way out some nights when

2762
01:50:57,589 --> 01:50:55,679
i feel like i am so exhausted and i want

2763
01:50:59,589 --> 01:50:57,599

to lie down

2764

01:51:02,149 --> 01:50:59,599

and you get the phone call and you know

2765

01:51:02,950 --> 01:51:02,159

it's going to be an hour at least

2766

01:51:05,589 --> 01:51:02,960

but

2767

01:51:08,149 --> 01:51:05,599

somehow everybody keeps going through

2768

01:51:09,910 --> 01:51:08,159

this kind of together and i think that's

2769

01:51:12,070 --> 01:51:09,920

really another important part of this in

2770

01:51:12,790 --> 01:51:12,080

addition to what the professionals

2771

01:51:15,189 --> 01:51:12,800

uh

2772

01:51:17,750 --> 01:51:15,199

have to be able to provide too

2773

01:51:20,310 --> 01:51:17,760

yeah you can't teach people compassion

2774

01:51:22,310 --> 01:51:20,320

there's no certification for that that's

2775

01:51:23,750 --> 01:51:22,320

something the person working with with

2776

01:51:25,510 --> 01:51:23,760

the researcher will know or the

2777

01:51:27,430 --> 01:51:25,520

investigator will know there's also a

2778

01:51:28,950 --> 01:51:27,440

great deal of intuition involved in this

2779

01:51:30,870 --> 01:51:28,960

and again you can't learn it i think

2780

01:51:32,870 --> 01:51:30,880

there are some born people to work with

2781

01:51:34,310 --> 01:51:32,880

this and there are some people that all

2782

01:51:36,390 --> 01:51:34,320

the training in the world would not make

2783

01:51:40,310 --> 01:51:36,400

competent to do so

2784

01:51:40,320 --> 01:51:43,669

next

2785

01:51:48,070 --> 01:51:46,470

um after you get past the if this is

2786

01:51:49,510 --> 01:51:48,080

happening questions or how this is

2787

01:51:51,510 --> 01:51:49,520

happening questions it just kind of

2788

01:51:54,070 --> 01:51:51,520

leaves one question left why is it

2789

01:51:57,109 --> 01:51:55,510

out of all your research and everything

2790

01:52:02,310 --> 01:51:57,119

what's what's your best guess

2791

01:52:02,320 --> 01:52:06,790

i want an answer from everyone

2792

01:52:09,270 --> 01:52:07,290

next

2793

01:52:11,669 --> 01:52:09,280

[Laughter]

2794

01:52:14,229 --> 01:52:11,679

oh that's the big one uh

2795

01:52:15,990 --> 01:52:14,239

jeez we would probably all give you a

2796

01:52:18,550 --> 01:52:16,000

different answer on that i mean there's

2797

01:52:20,390 --> 01:52:18,560

so many possibilities and you probably

2798

01:52:22,149 --> 01:52:20,400

heard the different theories

2799

01:52:23,589 --> 01:52:22,159

i really don't like to speculate

2800

01:52:25,270 --> 01:52:23,599

speculate i mean

2801

01:52:27,109 --> 01:52:25,280

when people ask that question i will

2802

01:52:29,750 --> 01:52:27,119

list maybe five different theories like

2803

01:52:32,229 --> 01:52:29,760

you know it's to save us is to save them

2804

01:52:34,070 --> 01:52:32,239

it's to save the planet it's uh none of

2805

01:52:36,629 --> 01:52:34,080

that it's scientific research it's like

2806

01:52:38,390 --> 01:52:36,639

what we do with wildlife on and on

2807

01:52:40,870 --> 01:52:38,400

and there's no one thing that sticks out

2808

01:52:42,950 --> 01:52:40,880

in my mind uh in fact more recently it

2809

01:52:44,790 --> 01:52:42,960

seems like maybe it's more

2810

01:52:47,430 --> 01:52:44,800

spiritual related maybe it's some

2811

01:52:50,950 --> 01:52:47,440

evolution of consciousness and and

2812

01:52:52,709 --> 01:52:50,960

um like in 2001 the monolith appears and

2813

01:52:55,030 --> 01:52:52,719

then all of a sudden everybody's doing

2814

01:52:58,070 --> 01:52:55,040

new and neat different things it's like

2815

01:53:01,910 --> 01:52:58,080

maybe it's something like that

2816

01:53:05,510 --> 01:53:01,920

i don't know and it gets tricky

2817

01:53:13,030 --> 01:53:05,520

getting into all the speculation

2818

01:53:19,189 --> 01:53:14,790

not none of us want to deal with this

2819

01:53:22,709 --> 01:53:21,189

sometimes i feel like i'm

2820

01:53:25,109 --> 01:53:22,719

in one of those rooms you know the

2821

01:53:27,270 --> 01:53:25,119

dances or they had the all the mirror

2822

01:53:28,149 --> 01:53:27,280

the faceted mirrors

2823

01:53:32,310 --> 01:53:28,159

and

2824

01:53:34,229 --> 01:53:32,320

which wall you look at

2825

01:53:36,149 --> 01:53:34,239

and it moves and it moves and it moves

2826
01:53:38,550 --> 01:53:36,159
that's the way this whole phenomenon

2827
01:53:41,589 --> 01:53:38,560
feels and that means

2828
01:53:43,270 --> 01:53:41,599
the multiple facets that go beyond uh

2829
01:53:45,589 --> 01:53:43,280
the human abduction involves the

2830
01:53:48,709 --> 01:53:45,599
mutilations the crop circles

2831
01:53:51,109 --> 01:53:48,719
uh the whole area of uh what used to be

2832
01:53:53,510 --> 01:53:51,119
called parapsychology esp mental

2833
01:53:55,030 --> 01:53:53,520
telepathy is all of it seems in some way

2834
01:53:56,550 --> 01:53:55,040
or another to have some relationship

2835
01:53:58,229 --> 01:53:56,560
here

2836
01:54:01,270 --> 01:53:58,239
but

2837
01:54:03,750 --> 01:54:01,280
if i had i guess

2838
01:54:05,430 --> 01:54:03,760

one honest

2839

01:54:07,669 --> 01:54:05,440

gut reaction

2840

01:54:09,510 --> 01:54:07,679

to all of this

2841

01:54:12,470 --> 01:54:09,520

i really do believe that there is

2842

01:54:13,990 --> 01:54:12,480

something in conflict about us and i

2843

01:54:16,709 --> 01:54:14,000

think that there are

2844

01:54:19,510 --> 01:54:16,719

forces uh that are ebbing and flowing of

2845

01:54:21,350 --> 01:54:19,520

which and around us a lot of the time we

2846

01:54:23,109 --> 01:54:21,360

seem to be unconscious

2847

01:54:26,950 --> 01:54:23,119

of the ebbing and the flowing of these

2848

01:54:32,070 --> 01:54:29,990

jacques villa calls it a control system

2849

01:54:34,790 --> 01:54:32,080

i've tended to use simply the word

2850

01:54:38,629 --> 01:54:34,800

another intelligence

2851
01:54:44,550 --> 01:54:41,669
i really do feel that

2852
01:54:47,109 --> 01:54:44,560
at least two somethings

2853
01:54:49,669 --> 01:54:47,119
are in conflict

2854
01:54:53,350 --> 01:54:49,679
and whether or not all of the old

2855
01:54:55,430 --> 01:54:53,360
literature and biblical perspectives of

2856
01:54:57,189 --> 01:54:55,440
the light and the dark whatever words

2857
01:55:00,310 --> 01:54:57,199
you want to put on it

2858
01:55:01,350 --> 01:55:00,320
are involved something along those lines

2859
01:55:03,669 --> 01:55:01,360
i think

2860
01:55:08,070 --> 01:55:03,679
is inherent to the nature of what we are

2861
01:55:10,070 --> 01:55:08,080
dealing with and that it is forcing um

2862
01:55:12,149 --> 01:55:10,080
it is forcing us

2863
01:55:14,629 --> 01:55:12,159

to deal with things we don't want to

2864

01:55:16,149 --> 01:55:14,639

deal with because of the complexities of

2865

01:55:27,510 --> 01:55:16,159

the ebb and flow of the forces and

2866

01:55:30,790 --> 01:55:28,629

as different as some of these

2867

01:55:32,950 --> 01:55:30,800

experiences are when that talked about

2868

01:55:35,030 --> 01:55:32,960

earlier other various groups having

2869

01:55:37,030 --> 01:55:35,040

various agendas i think that it's

2870

01:55:38,870 --> 01:55:37,040

undoubtedly true that there is at least

2871

01:55:39,990 --> 01:55:38,880

one group that harvests from us

2872

01:55:42,310 --> 01:55:40,000

something

2873

01:55:43,910 --> 01:55:42,320

maybe more than one thing they we have

2874

01:55:46,870 --> 01:55:43,920

something they want and they come and

2875

01:55:49,189 --> 01:55:46,880

get it there is another seems to be

2876

01:55:51,589 --> 01:55:49,199

another group that tries to elevate

2877

01:55:54,310 --> 01:55:51,599

impart educate teach and teach us in

2878

01:55:56,149 --> 01:55:54,320

some way how to maybe resist this other

2879

01:55:57,910 --> 01:55:56,159

thing and i think that's the sense of

2880

01:56:00,310 --> 01:55:57,920

conflict that comes across again and

2881

01:56:01,830 --> 01:56:00,320

again and again we have something one

2882

01:56:04,310 --> 01:56:01,840

group wants and they don't care how they

2883

01:56:06,149 --> 01:56:04,320

get it they get it another

2884

01:56:08,629 --> 01:56:06,159

force i won't even say group because

2885

01:56:10,149 --> 01:56:08,639

sometimes they are only information and

2886

01:56:11,990 --> 01:56:10,159

not be not

2887

01:56:13,189 --> 01:56:12,000

actually there seems to be trying to

2888

01:56:15,430 --> 01:56:13,199

help us

2889

01:56:16,950 --> 01:56:15,440

find a way to be

2890

01:56:18,870 --> 01:56:16,960

strong enough

2891

01:56:21,990 --> 01:56:18,880

are evolved enough or in some way

2892

01:56:23,510 --> 01:56:22,000

resisted enough to take charge of and

2893

01:56:25,189 --> 01:56:23,520

take control of these things that are

2894

01:56:26,070 --> 01:56:25,199

taking from us

2895

01:56:28,550 --> 01:56:26,080

and

2896

01:56:30,390 --> 01:56:28,560

i sometimes i think maybe we're the good

2897

01:56:32,310 --> 01:56:30,400

et's the ones who are trying to do this

2898

01:56:34,229 --> 01:56:32,320

maybe we did come down here and and

2899

01:56:35,990 --> 01:56:34,239

incarnate to do this sort of battle it

2900

01:56:38,229 --> 01:56:36,000

comes across from many abductees that's

2901
01:56:40,229 --> 01:56:38,239
exactly how they feel and you begin to

2902
01:56:41,669 --> 01:56:40,239
see that's not altogether a crazy

2903
01:56:43,750 --> 01:56:41,679
possibility

2904
01:56:45,750 --> 01:56:43,760
and yet there is a group that does

2905
01:56:47,830 --> 01:56:45,760
very much disregard anything about us

2906
01:56:50,390 --> 01:56:47,840
spiritually there's something at the

2907
01:56:52,270 --> 01:56:50,400
heart of this involving our souls

2908
01:56:54,149 --> 01:56:52,280
maybe they don't have them

2909
01:56:57,109 --> 01:56:54,159
[Music]

2910
01:56:58,550 --> 01:56:57,119
before um before we continue with the

2911
01:57:00,390 --> 01:56:58,560
questions

2912
01:57:03,270 --> 01:57:00,400
we are going to end this at 11

2913
01:57:05,430 --> 01:57:03,280

officially and any of you that do want

2914

01:57:07,189 --> 01:57:05,440

to stick around and ask more questions

2915

01:57:09,830 --> 01:57:07,199

that the researchers can do so but

2916

01:57:11,589 --> 01:57:09,840

anyone you're free to leave at 11 and

2917

01:57:13,030 --> 01:57:11,599

that includes anyone in the panel some

2918

01:57:13,990 --> 01:57:13,040

would like to get some sleep tonight i

2919

01:57:17,510 --> 01:57:14,000

think

2920

01:57:19,189 --> 01:57:17,520

reply

2921

01:57:23,030 --> 01:57:19,199

to the question that was on the floor is

2922

01:57:28,070 --> 01:57:26,149

okay i um

2923

01:57:30,629 --> 01:57:28,080

a teenage girl

2924

01:57:32,950 --> 01:57:30,639

said to her a grandmother who

2925

01:57:35,189 --> 01:57:32,960

said something that was disturbing to

2926

01:57:37,510 --> 01:57:35,199

her in a publicly embarrassing way

2927

01:57:39,430 --> 01:57:37,520

grandma you missed an extraordinary

2928

01:57:43,430 --> 01:57:39,440

opportunity to keep your mouth shut uh

2929

01:57:45,189 --> 01:57:43,440

in that uh and i i i'm not taking that

2930

01:57:47,350 --> 01:57:45,199

advice unfortunately

2931

01:57:49,750 --> 01:57:47,360

well just one quick thought about that

2932

01:57:51,189 --> 01:57:49,760

ultimate question we tend to think of us

2933

01:57:53,830 --> 01:57:51,199

and them

2934

01:57:55,270 --> 01:57:53,840

but one way to think one might think

2935

01:57:56,870 --> 01:57:55,280

about it is

2936

01:57:59,189 --> 01:57:56,880

that there's some kind of a coming

2937

01:58:00,950 --> 01:57:59,199

together that is a relationship and that

2938

01:58:03,430 --> 01:58:00,960

the intelligence that's bringing us

2939

01:58:05,910 --> 01:58:03,440

together is not ours or

2940

01:58:07,510 --> 01:58:05,920

theirs that the motivational structure

2941

01:58:10,070 --> 01:58:07,520

is in some

2942

01:58:12,629 --> 01:58:10,080

higher level or whatever and that

2943

01:58:14,790 --> 01:58:12,639

they get something from it

2944

01:58:16,629 --> 01:58:14,800

maybe some kind of embodiment some sort

2945

01:58:18,950 --> 01:58:16,639

of biological

2946

01:58:20,149 --> 01:58:18,960

evolution and we get something

2947

01:58:21,910 --> 01:58:20,159

which is some opening of our

2948

01:58:22,950 --> 01:58:21,920

consciousness some kind of

2949

01:58:27,510 --> 01:58:22,960

re

2950

01:58:30,310 --> 01:58:27,520

whole thing is orchestrated not at our

2951
01:58:31,750 --> 01:58:30,320
level uh and that maybe i'm just getting

2952
01:58:34,470 --> 01:58:31,760
a little dotty because it's late at

2953
01:58:36,470 --> 01:58:34,480
night here but i i really wonder if

2954
01:58:37,430 --> 01:58:36,480
there isn't another consciousness some

2955
01:58:40,149 --> 01:58:37,440
kind of

2956
01:58:43,510 --> 01:58:40,159
divine consciousness that may be

2957
01:58:46,629 --> 01:58:43,520
uh at work here and isn't us or them but

2958
01:58:48,470 --> 01:58:46,639
that we are in a program not of our own

2959
01:58:50,550 --> 01:58:48,480
making i mean that's the ultimate loss

2960
01:58:52,390 --> 01:58:50,560
of control

2961
01:58:53,750 --> 01:58:52,400
definitely

2962
01:58:55,109 --> 01:58:53,760
yeah i'd like to

2963
01:58:56,310 --> 01:58:55,119

to actually attempt to answer the

2964

01:58:58,470 --> 01:58:56,320

question

2965

01:59:00,229 --> 01:58:58,480

it's my personal opinion of course but

2966

01:59:01,910 --> 01:59:00,239

starting from where john just left off

2967

01:59:04,470 --> 01:59:01,920

this lofty place is where i'd like to

2968

01:59:07,030 --> 01:59:04,480

start as opposed to why this abductee or

2969

01:59:07,990 --> 01:59:07,040

that or this contactee why the whole

2970

01:59:10,229 --> 01:59:08,000

thing

2971

01:59:11,830 --> 01:59:10,239

why the interaction going on touching on

2972

01:59:14,790 --> 01:59:11,840

this concept

2973

01:59:16,310 --> 01:59:14,800

is that uh imagine humanity

2974

01:59:17,510 --> 01:59:16,320

walking along the ground and coming to

2975

01:59:19,510 --> 01:59:17,520

this fence

2976

01:59:21,510 --> 01:59:19,520

and we climb up on the fence and i mean

2977

01:59:23,830 --> 01:59:21,520

all of humanity we climb up on the fence

2978

01:59:25,189 --> 01:59:23,840

and for some reason we liked it up there

2979

01:59:27,510 --> 01:59:25,199

and instead of just sitting on the fence

2980

01:59:28,870 --> 01:59:27,520

we've built a a grand tree house up

2981

01:59:31,270 --> 01:59:28,880

there and we've really entrenched

2982

01:59:33,109 --> 01:59:31,280

ourselves on the top of this fence

2983

01:59:34,870 --> 01:59:33,119

and uh maybe the reason that all of

2984

01:59:36,470 --> 01:59:34,880

these things are happening is because

2985

01:59:37,750 --> 01:59:36,480

somebody's saying you're you're not

2986

01:59:40,310 --> 01:59:37,760

supposed to be sitting on the fence

2987

01:59:42,390 --> 01:59:40,320

please get off and we're going no no we

2988

01:59:44,550 --> 01:59:42,400

like it up here we like it up here

2989

01:59:45,990 --> 01:59:44,560

so some of the people went uh some of

2990

01:59:47,750 --> 01:59:46,000

humanity said okay i'll get off and we

2991

01:59:49,270 --> 01:59:47,760

jumped off and went on

2992

01:59:51,030 --> 01:59:49,280

and uh some of the people said no we're

2993

01:59:52,470 --> 01:59:51,040

stand we like the fence

2994

01:59:53,350 --> 01:59:52,480

okay so then

2995

01:59:56,390 --> 01:59:53,360

enter

2996

01:59:59,430 --> 01:59:56,400

the not so nice influence that says get

2997

02:00:00,229 --> 01:59:59,440

off the fence and smack you off of there

2998

02:00:04,709 --> 02:00:00,239

both

2999

02:00:07,589 --> 02:00:04,719

valid the point is get off the fence and

3000

02:00:09,830 --> 02:00:07,599

get moving get your consciousness going

3001

02:00:11,990 --> 02:00:09,840

again and broaden yourself and

3002

02:00:13,669 --> 02:00:12,000

understand what what is really going on

3003

02:00:15,030 --> 02:00:13,679

and you can have some nasty lizard

3004

02:00:16,790 --> 02:00:15,040

aliens drag you on board and do all

3005

02:00:18,870 --> 02:00:16,800

kinds of rude things to you and that

3006

02:00:21,030 --> 02:00:18,880

might help get you off the fence or you

3007

02:00:23,189 --> 02:00:21,040

can say okay i'll get down and go on my

3008

02:00:26,629 --> 02:00:23,199

way whatever the whatever the reasoning

3009

02:00:28,709 --> 02:00:26,639

is maybe the whole thing is uh is

3010

02:00:29,589 --> 02:00:28,719

telling us to get to to get on about our

3011

02:00:32,070 --> 02:00:29,599

way

3012

02:00:34,149 --> 02:00:32,080

and i i think that 20 years ago it was

3013

02:00:35,750 --> 02:00:34,159

really easy to be a ufologist

3014

02:00:36,629 --> 02:00:35,760

compared to what it is now because back

3015

02:00:38,550 --> 02:00:36,639

then

3016

02:00:40,229 --> 02:00:38,560

the phenomenon was over there it flew

3017

02:00:41,750 --> 02:00:40,239

around it landed once a while we got

3018

02:00:43,830 --> 02:00:41,760

excited about that

3019

02:00:45,750 --> 02:00:43,840

uh abduction phenomenon was something

3020

02:00:46,790 --> 02:00:45,760

that was like pretty bizarre in those

3021

02:00:48,950 --> 02:00:46,800

days

3022

02:00:52,149 --> 02:00:48,960

now it is very personal

3023

02:00:53,910 --> 02:00:52,159

the ufo phenomenon is purse we are all

3024

02:00:54,870 --> 02:00:53,920

personally involved in one way or

3025

02:00:56,950 --> 02:00:54,880

another

3026

02:00:58,950 --> 02:00:56,960

directly with this phenomenon we have

3027

02:01:01,189 --> 02:00:58,960

never been able to get information

3028

02:01:03,669 --> 02:01:01,199

directly from the source before like we

3029

02:01:05,109 --> 02:01:03,679

do now meaning abductees contactees and

3030

02:01:06,550 --> 02:01:05,119

the researchers are right there in the

3031

02:01:08,229 --> 02:01:06,560

middle of it as well

3032

02:01:10,470 --> 02:01:08,239

so it is something that we're all
