

1  
00:00:04,730 --> 00:00:02,510  
commercial pilots nor a sketch of the

2  
00:00:06,829 --> 00:00:04,740  
Flying Saucer they both saw while

3  
00:00:10,129 --> 00:00:06,839  
piloting a plane between Little Rock and

4  
00:00:11,690 --> 00:00:10,139  
Memphis here's the strange story believe

5  
00:00:13,610 --> 00:00:11,700  
it or not

6  
00:00:15,530 --> 00:00:13,620  
we feel definitely that it was a

7  
00:00:17,750 --> 00:00:15,540  
controlled uh controlled aircraft of

8  
00:00:19,910 --> 00:00:17,760  
some type uh don't you think I think it

9  
00:00:22,189 --> 00:00:19,920  
had to be what was the first thing that

10  
00:00:24,529 --> 00:00:22,199  
that really Drew your attention to uh

11  
00:00:27,830 --> 00:00:24,539  
good thing probably a flying sausage egg

12  
00:00:29,330 --> 00:00:27,840  
well uh the Cutler pattern of Light That

13  
00:00:31,130 --> 00:00:29,340

Remains under what I turned the

14

00:00:34,190 --> 00:00:31,140

underneath side of the ship to get past

15

00:00:37,310 --> 00:00:34,200

uh in front of us in the crossfire plan

16

00:00:39,530 --> 00:00:37,320

I'm uh I'm not inclined to believe that

17

00:00:43,490 --> 00:00:39,540

it's anything that uh from some Falls

18

00:00:45,350 --> 00:00:43,500

play some planets uh I am uh of the

19

00:00:47,569 --> 00:00:45,360

opinion that we will know what this uh
