

1
00:00:03,270 --> 00:00:01,750
i was traveling from sydney

2
00:00:04,630 --> 00:00:03,280
in a northerly direction toward gosford

3
00:00:05,990 --> 00:00:04,640
along this particular road here the

4
00:00:07,670 --> 00:00:06,000
pacific highway

5
00:00:09,750 --> 00:00:07,680
and um

6
00:00:12,470 --> 00:00:09,760
i it was quiet there wasn't a lot of

7
00:00:13,910 --> 00:00:12,480
traffic it was early christmas morning

8
00:00:16,230 --> 00:00:13,920
and uh

9
00:00:17,750 --> 00:00:16,240
i was just gazing out of the the front

10
00:00:19,429 --> 00:00:17,760
window of the car

11
00:00:21,830 --> 00:00:19,439
and i saw

12
00:00:25,349 --> 00:00:21,840
approximately a half a kilometer away

13
00:00:30,630 --> 00:00:25,359

a bright silvery silver metallic object

14

00:00:34,389 --> 00:00:33,430

i stood here not believing my eyes

15

00:00:38,150 --> 00:00:34,399

because

16

00:00:40,229 --> 00:00:38,160

where i sit i can see the open water

17

00:00:42,950 --> 00:00:40,239

and i just couldn't believe that this

18

00:00:45,190 --> 00:00:42,960

thing could appear on the water

19

00:00:47,110 --> 00:00:45,200

was some kind of craft but it was

20

00:00:49,350 --> 00:00:47,120

completely surrounded in lights

21

00:00:51,510 --> 00:00:49,360

underneath and all around and

22

00:00:53,189 --> 00:00:51,520

it just looked like a carousel it wasn't

23

00:00:55,750 --> 00:00:53,199

anything flat

24

00:00:57,270 --> 00:00:55,760

all people that i spoke to

25

00:00:59,270 --> 00:00:57,280

had exactly the same thing to say there

26
00:01:01,189 --> 00:00:59,280
was no variance whatsoever in the object

27
00:01:02,150 --> 00:01:01,199
that was sighted

28
00:01:04,149 --> 00:01:02,160
it was

29
00:01:07,910 --> 00:01:04,159
a huge chrome

30
00:01:09,670 --> 00:01:07,920
very shiny object in the shape of a ball

31
00:01:11,030 --> 00:01:09,680
at the bottom of the ball

32
00:01:12,870 --> 00:01:11,040
was a number of

33
00:01:14,310 --> 00:01:12,880
huge white lights

34
00:01:17,429 --> 00:01:14,320
but this object looked like it was

35
00:01:21,350 --> 00:01:19,190
some cause were quite frightful in the

36
00:01:24,149 --> 00:01:21,360
voice you can actually hear the fear and

37
00:01:26,550 --> 00:01:24,159
in the background especially

38
00:01:28,230 --> 00:01:26,560

the fear of people and of course animals

39

00:01:29,749 --> 00:01:28,240
and things at the time that we're

40

00:01:32,069 --> 00:01:29,759
experiencing

41

00:01:33,749 --> 00:01:32,079
this phenomena

42

00:01:35,109 --> 00:01:33,759
we're looking out above this headland

43

00:01:37,670 --> 00:01:35,119
here

44

00:01:39,270 --> 00:01:37,680
and we're watching a bright light

45

00:01:41,350 --> 00:01:39,280
moving a strange

46

00:01:43,910 --> 00:01:41,360
like fashion that you'll never see that

47

00:01:45,190 --> 00:01:43,920
or we never saw anyway

48

00:01:46,310 --> 00:01:45,200
i was moving

49

00:01:48,469 --> 00:01:46,320
quickly

50

00:01:50,069 --> 00:01:48,479
and move for instance in a zigzag

51
00:01:52,710 --> 00:01:50,079
fashion

52
00:01:55,350 --> 00:01:52,720
we're watching it for 10 to 15 minutes

53
00:01:57,190 --> 00:01:55,360
move in this direction north

54
00:02:00,709 --> 00:01:57,200
and we just saw this bright light

55
00:02:01,830 --> 00:02:00,719
15 20 meters above our car just a bright

56
00:02:06,389 --> 00:02:01,840
light

57
00:02:12,229 --> 00:02:10,630
it was just it was just awesome

58
00:02:14,309 --> 00:02:12,239
all of a sudden i saw these lights come

59
00:02:15,670 --> 00:02:14,319
out of the water like still acting like

60
00:02:17,190 --> 00:02:15,680
a cylinder

61
00:02:20,470 --> 00:02:17,200
and flash

62
00:02:22,229 --> 00:02:20,480
and the top of the water was all lit up

63
00:02:24,309 --> 00:02:22,239

and as that light was up i could hear

64

00:02:25,910 --> 00:02:24,319

the rushing of water

65

00:02:28,309 --> 00:02:25,920

movement of water

66

00:02:30,550 --> 00:02:28,319

and then the water being raised up

67

00:02:34,309 --> 00:02:30,560

and then shortly after down comes the

68

00:02:37,589 --> 00:02:35,589

i'll notice this

69

00:02:40,070 --> 00:02:37,599

rather bright light that seemed to be on

70

00:02:41,430 --> 00:02:40,080

the right-hand side of the car

71

00:02:42,790 --> 00:02:41,440

and it seemed to be following us for

72

00:02:44,790 --> 00:02:42,800

quite a while

73

00:02:46,309 --> 00:02:44,800

and then all of a sudden it turned and

74

00:02:48,630 --> 00:02:46,319

went at a right angle right across the

75

00:02:51,830 --> 00:02:48,640

expressway in front of the car

76
00:02:53,990 --> 00:02:51,840
it was large uh round it seemed to have

77
00:02:55,430 --> 00:02:54,000
a stream of sparks flying out the back

78
00:02:58,309 --> 00:02:55,440
of it i don't know what it was but it

79
00:03:00,470 --> 00:02:58,319
was most peculiar

80
00:03:02,229 --> 00:03:00,480
that was moving in moving in ways in the

81
00:03:04,550 --> 00:03:02,239
sky which could only

82
00:03:06,149 --> 00:03:04,560
be described

83
00:03:07,910 --> 00:03:06,159
as a ufo

84
00:03:10,309 --> 00:03:07,920
when you see something like this there's

85
00:03:12,470 --> 00:03:10,319
a sure knowledge that you're looking at

86
00:03:13,910 --> 00:03:12,480
something that is beyond your experience

87
00:03:16,869 --> 00:03:13,920
i'm not young

88
00:03:19,910 --> 00:03:16,879

and people might think oh you're a bit

89

00:03:21,990 --> 00:03:19,920

strange seeing things and i imagine had

90

00:03:23,190 --> 00:03:22,000

imagination no i've got imagination but

91

00:03:25,270 --> 00:03:23,200

not like that

92

00:03:26,630 --> 00:03:25,280

not when i see something that i see i

93

00:03:28,229 --> 00:03:26,640

know i saw it

94

00:03:31,110 --> 00:03:28,239

at first i thought well maybe it's some

95

00:03:33,190 --> 00:03:31,120

type of meteorite but it was too large

96

00:03:35,910 --> 00:03:33,200

it was traveling too slow

97

00:03:38,789 --> 00:03:35,920

and turned turned a right angle which i

98

00:03:41,030 --> 00:03:38,799

know meteorites aren't going to do i was

99

00:03:43,670 --> 00:03:41,040

just bewildered how something could
