

1
00:00:04,670 --> 00:00:02,690
well it was my wife Kathleen who forced

2
00:00:06,650 --> 00:00:04,680
to my attention to it

3
00:00:08,629 --> 00:00:06,660
she pointed out something which looked

4
00:00:13,370 --> 00:00:08,639
like an airplane

5
00:00:16,250 --> 00:00:13,380
but after some time minutes or so we saw

6
00:00:18,349 --> 00:00:16,260
that it wasn't because of the shape

7
00:00:21,650 --> 00:00:18,359
number one and the lights

8
00:00:25,130 --> 00:00:21,660
and at this stage it consisted of

9
00:00:27,830 --> 00:00:25,140
to our mind uh it looked like a cloud

10
00:00:28,849 --> 00:00:27,840
with two lights shining out of it but I

11
00:00:31,669 --> 00:00:28,859
wouldn't

12
00:00:34,069 --> 00:00:31,679
flashing on and off as you would see

13
00:00:36,110 --> 00:00:34,079

and an airplane when we had traveled

14

00:00:38,990 --> 00:00:36,120

about two miles of the road

15

00:00:41,030 --> 00:00:39,000

it had dropped to a level of about 100

16

00:00:43,190 --> 00:00:41,040

feet from the ground and how far away

17

00:00:44,930 --> 00:00:43,200

from it where were you from it at this

18

00:00:48,650 --> 00:00:44,940

time it's very difficult to say but it

19

00:00:50,810 --> 00:00:48,660

looked like 150 to 200 yards

20

00:00:53,810 --> 00:00:50,820

it was uh

21

00:00:56,689 --> 00:00:53,820

more or less hovering at the stage

22

00:00:58,910 --> 00:00:56,699

could you see a shape at this stage no

23

00:01:02,569 --> 00:00:58,920

just a massive light

24

00:01:05,509 --> 00:01:02,579

and it was coming down from the sky uh

25

00:01:07,670 --> 00:01:05,519

it had come down at this stage it was

26

00:01:10,010 --> 00:01:07,680

hovering and what about colors was it

27

00:01:11,330 --> 00:01:10,020

red or white or what it consisted of

28

00:01:15,410 --> 00:01:11,340

three colors

29

00:01:17,330 --> 00:01:15,420

uh a nuns and Crimson light which seemed

30

00:01:18,289 --> 00:01:17,340

to be coming more from the top of the

31

00:01:20,690 --> 00:01:18,299

object

32

00:01:26,390 --> 00:01:20,700

which was the whole thing was surrounded

33

00:01:30,109 --> 00:01:26,400

by a mess of bluish fog or vapor

34

00:01:35,810 --> 00:01:30,119

which more or less obscured the whole

35

00:01:38,330 --> 00:01:35,820

object what was its shape uh it was

36

00:01:39,950 --> 00:01:38,340

spherical half a sphere I suppose you

37

00:01:42,170 --> 00:01:39,960

could describe it and did it actually

38

00:01:45,230 --> 00:01:42,180

come down and touch the ground

39

00:01:47,749 --> 00:01:45,240

well I had been looking at it uh when we

40

00:01:50,510 --> 00:01:47,759

got to the point where we started

41

00:01:53,870 --> 00:01:50,520

hovering I stopped the car switched off

42

00:01:57,709 --> 00:01:56,990

see if I could hear any noise

43

00:02:00,289 --> 00:01:57,719

um

44

00:02:01,789 --> 00:02:00,299

there was no knives from it

45

00:02:04,609 --> 00:02:01,799

uh

46

00:02:06,649 --> 00:02:04,619

it was moving in a kind of a backward

47

00:02:09,529 --> 00:02:06,659

forward Direction

48

00:02:12,949 --> 00:02:09,539

and dropping very slowly I was looking

49

00:02:15,650 --> 00:02:12,959

over a five foot fence and cutting at

50

00:02:17,510 --> 00:02:15,660

this stage got quite frightened well

51
00:02:19,729 --> 00:02:17,520
what frightened you about it Mrs Shelley

52
00:02:22,430 --> 00:02:19,739
I just couldn't understand what it was

53
00:02:25,490 --> 00:02:22,440
but what did you think it was

54
00:02:27,470 --> 00:02:25,500
well I did think it was some I won't say

55
00:02:28,910 --> 00:02:27,480
Flying Saucer some identified object

56
00:02:31,070 --> 00:02:28,920
something I had never seen before

57
00:02:33,589 --> 00:02:31,080
something unnatural

58
00:02:35,509 --> 00:02:33,599
to my mind yes did you get out of the

59
00:02:37,729 --> 00:02:35,519
characters no I didn't I stayed inside

60
00:02:39,589 --> 00:02:37,739
and I called John but you had a clear

61
00:02:42,110 --> 00:02:39,599
view of it yes I could the window was

62
00:02:44,030 --> 00:02:42,120
down and I could see it probably not as

63
00:02:47,630 --> 00:02:44,040

well as John saw at the stage when it

64

00:02:49,670 --> 00:02:47,640

was hovering but I'd I was watching it

65

00:02:51,710 --> 00:02:49,680

and the whole time while it was

66

00:02:54,830 --> 00:02:51,720

descending from the sky and indeed it's

67

00:02:56,330 --> 00:02:54,840

just what John said it was you saw just

68

00:02:58,550 --> 00:02:56,340

what he said exactly we discussed it

69

00:03:01,550 --> 00:02:58,560

afterwards just to make sure and we did

70

00:03:03,350 --> 00:03:01,560

see exactly the same thing and when your

71

00:03:05,570 --> 00:03:03,360

wife called you to get back into the car

72

00:03:08,030 --> 00:03:05,580

had the thing landed at this stage well

73

00:03:12,229 --> 00:03:08,040

it was just dropping below eye level at

74

00:03:14,210 --> 00:03:12,239

this stage and my reaction then was go

75

00:03:21,550 --> 00:03:14,220

down after it I was just about to climb

76

00:03:25,729 --> 00:03:24,290

well now let's just look at some of the

77

00:03:27,649 --> 00:03:25,739

possibilities do you think it could have

78

00:03:29,390 --> 00:03:27,659

been a meteorological balloon or

79

00:03:31,190 --> 00:03:29,400

something this was my first thought

80

00:03:32,750 --> 00:03:31,200

actually that could have been something

81

00:03:34,449 --> 00:03:32,760

like that but then

82

00:03:37,089 --> 00:03:34,459

because I don't know very much about

83

00:03:40,309 --> 00:03:37,099

meteorological balloons

84

00:03:43,309 --> 00:03:40,319

but I would have taught this it couldn't

85

00:03:45,350 --> 00:03:43,319

drop so fast from the sky it just

86

00:03:47,449 --> 00:03:45,360

dropped that distance in a less than

87

00:03:50,030 --> 00:03:47,459

three minutes or possibly have been 30

88

00:03:52,369 --> 00:03:50,040

feet on the height of a house yeah but

89

00:03:54,830 --> 00:03:52,379

what about what about the mist of some

90

00:03:56,869 --> 00:03:54,840

sort did this occur to it it did occur

91

00:03:59,449 --> 00:03:56,879

to me yes well now you've had a week or

92

00:04:01,309 --> 00:03:59,459

more to reflect on this have you thought

93

00:04:04,789 --> 00:04:01,319

what it could possibly be

94

00:04:07,309 --> 00:04:04,799

I'm keeping an open mind on it I'm not

95

00:04:09,710 --> 00:04:07,319

convinced of anything yet but the

96

00:04:12,050 --> 00:04:09,720

shelleys were not the only ones to make

97

00:04:13,850 --> 00:04:12,060

this odd sighting young Ellen O'Donnell

98

00:04:16,009 --> 00:04:13,860

was coming home one and a half hours

99

00:04:20,449 --> 00:04:16,019

later with her boyfriend when she saw

100

00:04:22,610 --> 00:04:20,459

the lights too I saw the strange object

101
00:04:25,670 --> 00:04:22,620
I can't

102
00:04:27,710 --> 00:04:25,680
over there and

103
00:04:30,170 --> 00:04:27,720
up against the head yes up against the

104
00:04:32,210 --> 00:04:30,180
hill and I just said Teddy there's

105
00:04:33,409 --> 00:04:32,220
something over there and he said don't

106
00:04:36,230 --> 00:04:33,419
mind it

107
00:04:39,409 --> 00:04:36,240
what color was it Adam oh every color

108
00:04:41,749 --> 00:04:39,419
orange for instance I think the word is

109
00:04:44,570 --> 00:04:41,759
like you know

110
00:04:46,370 --> 00:04:44,580
there were light coming out of it no not

111
00:04:48,890 --> 00:04:46,380
exactly

112
00:04:50,870 --> 00:04:48,900
what shape was it would you say

113
00:04:53,270 --> 00:04:50,880

shape

114

00:05:02,050 --> 00:04:53,280

just more round than anything else I'd

115

00:05:05,810 --> 00:05:04,310

what about some sort of mist could it

116

00:05:07,790 --> 00:05:05,820

have been no I wouldn't say that either

117

00:05:10,370 --> 00:05:07,800

because it's something I never saw

118

00:05:13,010 --> 00:05:10,380

before and

119

00:05:14,990 --> 00:05:13,020

what did it frighten you yes it did what

120

00:05:17,330 --> 00:05:15,000

did you do did you go straight home

121

00:05:19,490 --> 00:05:17,340

I jumped into his arms

122

00:05:22,310 --> 00:05:19,500

I don't know if you went then did you no

123

00:05:24,469 --> 00:05:22,320

well we had we sold uh we were walking

124

00:05:25,790 --> 00:05:24,479

and we thought you know but was it the

125

00:05:28,129 --> 00:05:25,800

moon suppose it was the moon no it

126

00:05:31,550 --> 00:05:28,139

wasn't the moon no definitely or some

127

00:05:34,550 --> 00:05:31,560

Stars no no just something I just
