

1
00:00:03,510 --> 00:00:01,990
i don't remember being taken

2
00:00:06,470 --> 00:00:03,520
just like i don't remember being dropped

3
00:00:08,390 --> 00:00:06,480
off but i was asleep when it happened

4
00:00:10,790 --> 00:00:08,400
she may have been dreaming but amy

5
00:00:13,589 --> 00:00:10,800
rylance says she didn't imagine it when

6
00:00:14,950 --> 00:00:13,599
a spaceship landed in her front yard and

7
00:00:17,910 --> 00:00:14,960
took her away

8
00:00:18,790 --> 00:00:17,920
do you believe in aliens or ufos i do

9
00:00:27,910 --> 00:00:18,800
now

10
00:00:31,269 --> 00:00:27,920
was also in the house that night and

11
00:00:34,950 --> 00:00:31,279
claimed she was woken by a bright light

12
00:00:37,510 --> 00:00:34,960
i've seen amy in front of me

13
00:00:39,990 --> 00:00:37,520

on a beam of light being

14

00:00:42,229 --> 00:00:40,000

carried out of the

15

00:00:43,510 --> 00:00:42,239

living room window into a

16

00:00:46,310 --> 00:00:43,520

really

17

00:00:49,590 --> 00:00:46,320

huge ship outside the only evidence this

18

00:00:51,830 --> 00:00:49,600

happened a torn curtain and a burnt bush

19

00:00:53,990 --> 00:00:51,840

apparently singed by the bright light

20

00:00:57,590 --> 00:00:54,000

which carried sleeping amy out the

21

00:01:00,229 --> 00:00:57,600

window no i don't drink i

22

00:01:02,630 --> 00:01:00,239

don't take drugs at all

23

00:01:04,630 --> 00:01:02,640

i'm just a normal person

24

00:01:06,550 --> 00:01:04,640

so what was your reaction when you saw

25

00:01:07,590 --> 00:01:06,560

this what did you do did you reach out

26

00:01:10,950 --> 00:01:07,600

to help

27

00:01:13,030 --> 00:01:10,960

no i couldn't i was shocked i

28

00:01:16,230 --> 00:01:13,040

couldn't believe it and

29

00:01:18,149 --> 00:01:16,240

i have i feigned it next to wake up was

30

00:01:20,149 --> 00:01:18,159

amy's husband keith

31

00:01:22,870 --> 00:01:20,159

i freaked out completely

32

00:01:25,190 --> 00:01:22,880

i went mental running around

33

00:01:28,149 --> 00:01:25,200

screaming for her but after i believed

34

00:01:29,830 --> 00:01:28,159

uh um petra which i i did after about

35

00:01:31,670 --> 00:01:29,840

five minutes i called the police the

36

00:01:34,390 --> 00:01:31,680

only physical evidence i have are the

37

00:01:35,350 --> 00:01:34,400

marks from from the tests that they did

38

00:01:37,510 --> 00:01:35,360

on me

39

00:01:39,190 --> 00:01:37,520

what sort of tests

40

00:01:42,069 --> 00:01:39,200

just um

41

00:01:44,469 --> 00:01:42,079

just getting kind of dna samples and

42

00:01:45,350 --> 00:01:44,479

they didn't do anything bad to me so

43

00:01:47,350 --> 00:01:45,360

it was

44

00:01:49,910 --> 00:01:47,360

wholly a good experience from my point

45

00:01:52,310 --> 00:01:49,920

of view amy and keith say no one can

46

00:01:54,710 --> 00:01:52,320

explain how she was taken from mirabara

47

00:01:57,429 --> 00:01:54,720

in southern queensland and ended up in

48

00:02:00,310 --> 00:01:57,439

makai in north queensland a distance of

49

00:02:02,310 --> 00:02:00,320

800 kilometers in three hours in the

50

00:02:04,230 --> 00:02:02,320

middle of the night so it doesn't matter

51

00:02:07,590 --> 00:02:04,240

if we were all on hallucinogenic drugs

52

00:02:09,669 --> 00:02:07,600

and drinking that still wouldn't put amy
