

1  
00:00:05,110 --> 00:00:02,470  
i was carrying the two cats

2  
00:00:07,829 --> 00:00:05,120  
i was walking to the garage

3  
00:00:10,310 --> 00:00:07,839  
and i got by this corner

4  
00:00:12,150 --> 00:00:10,320  
right by the house here

5  
00:00:14,470 --> 00:00:12,160  
and i looked

6  
00:00:16,230 --> 00:00:14,480  
and there was this weird object funny

7  
00:00:17,830 --> 00:00:16,240  
noises and it was really bright and i

8  
00:00:20,310 --> 00:00:17,840  
didn't know what i should do

9  
00:00:22,070 --> 00:00:20,320  
so i was going back and forth

10  
00:00:23,429 --> 00:00:22,080  
and finally i threw the cat in the

11  
00:00:26,390 --> 00:00:23,439  
garage

12  
00:00:27,990 --> 00:00:26,400  
and then i ran to the house

13  
00:00:29,990 --> 00:00:28,000

around the corner and i couldn't get the

14

00:00:32,470 --> 00:00:30,000

door open when i first saw it i was

15

00:00:33,750 --> 00:00:32,480

standing approximately right here but i

16

00:00:35,190 --> 00:00:33,760

couldn't get too good of a view of it

17

00:00:37,510 --> 00:00:35,200

because the brush and the trees were in

18

00:00:39,670 --> 00:00:37,520

the way so then i um

19

00:00:40,790 --> 00:00:39,680

i went back into the house and i got my

20

00:00:43,350 --> 00:00:40,800

coat on

21

00:00:44,630 --> 00:00:43,360

my two youngest boys and jane were

22

00:00:46,790 --> 00:00:44,640

following me

23

00:00:48,470 --> 00:00:46,800

we went over here we had a better look

24

00:00:50,709 --> 00:00:48,480

at the object that was sitting on the

25

00:00:52,310 --> 00:00:50,719

road

26

00:00:54,470 --> 00:00:52,320

and

27

00:00:57,189 --> 00:00:54,480

my curiosity still

28

00:00:59,670 --> 00:00:57,199

wanted me to get a better view of it

29

00:01:01,110 --> 00:00:59,680

so we walked down

30

00:01:02,869 --> 00:01:01,120

of course the ground was covered with

31

00:01:06,550 --> 00:01:02,879

snow

32

00:01:07,910 --> 00:01:06,560

my car was sitting here in the driveway

33

00:01:09,590 --> 00:01:07,920

and

34

00:01:11,030 --> 00:01:09,600

of course there was snow banks on the

35

00:01:13,670 --> 00:01:11,040

side of the roads and there's where i

36

00:01:17,429 --> 00:01:13,680

got my estimate of the size of the

37

00:01:19,350 --> 00:01:17,439

object approximately 12 feet in diameter

38

00:01:20,390 --> 00:01:19,360

but also with the markings on in the

39

00:01:22,550 --> 00:01:20,400

snow

40

00:01:25,030 --> 00:01:22,560

and i would judge that the object at the

41

00:01:29,830 --> 00:01:25,040

center of it was approximately six feet

42

00:01:34,230 --> 00:01:31,910

my two boys my girl started proceeding

43

00:01:35,830 --> 00:01:34,240

here closer my girl told me not to go

44

00:01:37,830 --> 00:01:35,840

any closer to it

45

00:01:39,910 --> 00:01:37,840

yeah she ran back in the house he was

46

00:01:42,069 --> 00:01:39,920

gonna go walking up to it and i went

47

00:01:44,310 --> 00:01:42,079

back to the house and told my mom

48

00:01:46,630 --> 00:01:44,320

that he was going to go up there and

49

00:01:48,789 --> 00:01:46,640

get closer to it and she came out and

50

00:01:51,030 --> 00:01:48,799

she yelled at him my wife came out and

51  
00:01:53,030 --> 00:01:51,040  
hollered at me and told me to not be

52  
00:01:57,109 --> 00:01:53,040  
pushing to go any closer to it because

53  
00:01:58,870 --> 00:01:57,119  
not knowing exactly what the object was

54  
00:02:00,709 --> 00:01:58,880  
on the road

55  
00:02:02,149 --> 00:02:00,719  
and of course i did get a very good view

56  
00:02:03,910 --> 00:02:02,159  
of it from here

57  
00:02:06,469 --> 00:02:03,920  
as there was no nothing blocking my

58  
00:02:09,830 --> 00:02:06,479  
vision on the on the road and we went in

59  
00:02:12,309 --> 00:02:09,840  
the house and we called deputy sheriff

60  
00:02:13,750 --> 00:02:12,319  
and when the deputy um

61  
00:02:17,190 --> 00:02:13,760  
said hello

62  
00:02:19,510 --> 00:02:17,200  
it was a boom and it was gone i went out

63  
00:02:21,670 --> 00:02:19,520

and i couldn't see it anymore oh monty

64

00:02:23,670 --> 00:02:21,680

my oldest boy he was all upset he says

65

00:02:25,110 --> 00:02:23,680

told my other two boys now don't say

66

00:02:26,309 --> 00:02:25,120

anything don't say anything to kids at

67

00:02:27,350 --> 00:02:26,319

school we don't want nothing of this to

68

00:02:28,949 --> 00:02:27,360

get out

69

00:02:32,790 --> 00:02:28,959

and of course janie was in tears she

70

00:02:34,790 --> 00:02:32,800

says well i know what i saw she says

71

00:02:36,390 --> 00:02:34,800

he's trying to tell me i'm crazy or

72

00:02:38,070 --> 00:02:36,400

something she said i know what we saw

73

00:02:39,509 --> 00:02:38,080

she's don't try to tell me i didn't see

74

00:02:41,030 --> 00:02:39,519

anything because she said i know i saw

75

00:02:42,869 --> 00:02:41,040

it and she was in tears and everything

76

00:02:44,550 --> 00:02:42,879

else that night

77

00:02:46,470 --> 00:02:44,560

and of course the undersheriff i

78

00:02:47,910 --> 00:02:46,480

apologize when he left me off here

79

00:02:49,750 --> 00:02:47,920

because i thought well now we didn't

80

00:02:51,110 --> 00:02:49,760

find anything he'll think i'm i'm a

81

00:02:52,790 --> 00:02:51,120

little off too he says no no don't

82

00:02:54,550 --> 00:02:52,800

forget just forget about it i said well

83

00:02:56,150 --> 00:02:54,560

let's i said okay let's forget about

84

00:02:57,509 --> 00:02:56,160

none of this but don't tell anybody then

85

00:02:58,949 --> 00:02:57,519

i i matter of fact i even mentioned i

86

00:03:01,509 --> 00:02:58,959

said don't tell anybody i said just

87

00:03:03,509 --> 00:03:01,519

forget it then because i said i didn't

88

00:03:05,670 --> 00:03:03,519

let's drop the whole story i've known mr

89

00:03:06,790 --> 00:03:05,680

baker for about 30 years

90

00:03:10,550 --> 00:03:06,800

and

91

00:03:13,270 --> 00:03:10,560

have been here a long time

92

00:03:15,030 --> 00:03:13,280

and when this story broke on the ufos

93

00:03:17,350 --> 00:03:15,040

he asked me not to put it in the paper

94

00:03:18,710 --> 00:03:17,360

because of the anxiety his family was

95

00:03:21,509 --> 00:03:18,720

being put through

96

00:03:23,350 --> 00:03:21,519

by callers and uh

97

00:03:26,550 --> 00:03:23,360

curiosity seekers

98

00:03:28,630 --> 00:03:26,560

and uh so i thought that i wouldn't
