

NOV 10. 94  
AM 2:20

1  
00:00:07,749 --> 00:00:05,269  
on november the 10th of 1994

2  
00:00:10,870 --> 00:00:07,759  
a clermont county resident recorded

3  
00:00:13,430 --> 00:00:10,880  
several minutes of home video footage

4  
00:00:20,310 --> 00:00:13,440  
showing an object comprised of four

5  
00:00:24,470 --> 00:00:22,150  
the soundless object seems to

6  
00:00:26,310 --> 00:00:24,480  
demonstrate a rolling motion

7  
00:00:29,109 --> 00:00:26,320  
that would appear to place a

8  
00:00:30,950 --> 00:00:29,119  
conventional aircraft and an upside down

9  
00:00:36,069 --> 00:00:30,960  
inverted pitch

10  
00:00:40,310 --> 00:00:38,470  
the videotape and the claim was

11  
00:00:43,350 --> 00:00:40,320  
thoroughly investigated

12  
00:00:45,910 --> 00:00:43,360  
and others in the same area also told of

13  
00:00:59,510 --> 00:00:45,920

similar occurrences in the weeks before

14

00:01:04,310 --> 00:01:01,830

the mysterious object was picked up on

15

00:01:09,350 --> 00:01:04,320

the home video camera after witnesses

16

00:01:14,149 --> 00:01:11,510

i was in bed sound asleep

17

00:01:16,230 --> 00:01:14,159

and all sudden i heard some boom

18

00:01:18,870 --> 00:01:16,240

booming sounds

19

00:01:19,670 --> 00:01:18,880

and i got up and i came out and asked my

20

00:01:21,510 --> 00:01:19,680

son

21

00:01:23,429 --> 00:01:21,520

what all the noise was

22

00:01:26,870 --> 00:01:23,439

he said mom i don't know

23

00:01:27,670 --> 00:01:26,880

so i opened up the door to look outside

24

00:01:30,550 --> 00:01:27,680

and

25

00:01:33,190 --> 00:01:30,560

there were so many intense lights that

26

00:01:36,390 --> 00:01:33,200

it was it was something so i started

27

00:01:38,710 --> 00:01:36,400

yelling oh my god where's my camera

28

00:01:41,590 --> 00:01:38,720

i videotaped the lights

29

00:01:43,590 --> 00:01:41,600

going across and over top of the field

30

00:01:45,749 --> 00:01:43,600

across the street they were just on the

31

00:01:47,830 --> 00:01:45,759

other side of the dumpster here

32

00:01:49,510 --> 00:01:47,840

uh they were very low

33

00:01:51,910 --> 00:01:49,520

some of them were coming

34

00:01:54,789 --> 00:01:51,920

in one direction then would stop and go

35

00:01:57,350 --> 00:01:54,799

back in the opposite direction

36

00:01:59,350 --> 00:01:57,360

some of them would stop in midair

37

00:02:01,510 --> 00:01:59,360

and there would be like two of them at a

38

00:02:03,510 --> 00:02:01,520

time over top of each other and they

39

00:02:04,430 --> 00:02:03,520

would separate and go in opposite

40

00:02:07,190 --> 00:02:04,440

directions

41

00:02:09,510 --> 00:02:07,200

[Music]

42

00:02:12,310 --> 00:02:09,520

this is the video barb recorded on

43

00:02:18,949 --> 00:02:12,320

november the 10th 1994.

44

00:02:22,070 --> 00:02:18,959

[Music]

45

00:02:24,309 --> 00:02:22,080

who's the boy right now

46

00:02:26,710 --> 00:02:24,319

barb also recorded videotape of an

47

00:02:28,470 --> 00:02:26,720

actual airplane traveling overhead

48

00:02:30,869 --> 00:02:28,480

comparing this video with one of the

49

00:02:32,710 --> 00:02:30,879

objects that barb says is weird gives us

50

00:02:34,790 --> 00:02:32,720

the impression that the aircraft engine

51  
00:02:37,110 --> 00:02:34,800  
noise from the plane can be heard very

52  
00:02:39,930 --> 00:02:37,120  
clearly and the unidentified object

53  
00:02:41,589 --> 00:02:39,940  
seems to make no sound at all

54  
00:02:47,990 --> 00:02:41,599  
[Music]

55  
00:02:52,229 --> 00:02:49,990  
november 10th was a strange night in

56  
00:02:54,550 --> 00:02:52,239  
owensville along with barb and her

57  
00:02:56,550 --> 00:02:54,560  
videotape there were quite a few others

58  
00:02:58,790 --> 00:02:56,560  
who told of eerie glowing lights that

59  
00:03:01,350 --> 00:02:58,800  
zipped about on that rainy night

60  
00:03:04,309 --> 00:03:01,360  
some did not want to appear on camera

61  
00:03:06,550 --> 00:03:04,319  
one resident larry moore says he does

62  
00:03:09,110 --> 00:03:06,560  
not know barb and has no knowledge of

63  
00:03:11,830 --> 00:03:09,120

her videotape but he saw something that

64

00:03:14,309 --> 00:03:11,840

he could not identify

65

00:03:16,149 --> 00:03:14,319

okay what i'm saying was a light

66

00:03:18,390 --> 00:03:16,159

coming through the trees

67

00:03:22,470 --> 00:03:18,400

and it was coming at a pretty rapid

68

00:03:25,270 --> 00:03:22,480

speed between 50 and 60 miles on

69

00:03:27,830 --> 00:03:25,280

and uh the light was unusual to be the

70

00:03:29,110 --> 00:03:27,840

slow as it was

71

00:03:31,270 --> 00:03:29,120

it was kind of

72

00:03:32,470 --> 00:03:31,280

eerie looking you know just just look at

73

00:03:35,110 --> 00:03:32,480

it like that

74

00:03:37,190 --> 00:03:35,120

but you know it wasn't a plane that low

75

00:03:39,270 --> 00:03:37,200

or something that loads like that

76

00:03:40,550 --> 00:03:39,280

it's something i've never seen before

77

00:03:41,750 --> 00:03:40,560

but it

78

00:03:42,869 --> 00:03:41,760

when it

79

00:03:45,830 --> 00:03:42,879

came so

80

00:03:48,229 --> 00:03:45,840

fast like that he just suddenly stopped

81

00:03:49,990 --> 00:03:48,239

and it was about like 30 foot below the

82

00:03:51,030 --> 00:03:50,000

trees

83

00:03:53,350 --> 00:03:51,040

and

84

00:03:55,910 --> 00:03:53,360

it was just a big bright light like it

85

00:03:57,110 --> 00:03:55,920

had some kind of a glow to it

86

00:03:59,270 --> 00:03:57,120

but

87

00:04:01,910 --> 00:03:59,280

i couldn't figure out what it was

88

00:04:03,830 --> 00:04:01,920

was standing there watching the lights

89

00:04:04,949 --> 00:04:03,840

all of a sudden i noticed that there was

90

00:04:12,470 --> 00:04:04,959

a sheriff

91

00:04:16,629 --> 00:04:15,270

oh boy he's bloody he's feeding him now

92

00:04:19,349 --> 00:04:16,639

do you see

93

00:04:21,769 --> 00:04:19,359

he saw it right here

94

00:04:27,189 --> 00:04:21,779

listen to him

95

00:04:32,230 --> 00:04:29,830

i bet somebody called

96

00:04:34,870 --> 00:04:32,240

there was a very intense light

97

00:04:37,270 --> 00:04:34,880

on the other behind the dumpster

98

00:04:40,390 --> 00:04:37,280

the sheriff must have noticed it because

99

00:04:42,550 --> 00:04:40,400

at that time he sped up very noticeably

100

00:04:44,469 --> 00:04:42,560

in his car

101  
00:04:46,070 --> 00:04:44,479  
i followed him as far as i could with

102  
00:04:49,110 --> 00:04:46,080  
video camera

103  
00:04:51,830 --> 00:04:49,120  
over to the church where he sat and

104  
00:04:53,189 --> 00:04:51,840  
watched the lights also there goes the

105  
00:04:59,909 --> 00:04:53,199  
sheriff

106  
00:05:05,749 --> 00:05:02,629  
and here he's facing one how about that

107  
00:05:07,510 --> 00:05:05,759  
got sheriff sitting right under one

108  
00:05:09,430 --> 00:05:07,520  
and they sit there

109  
00:05:11,830 --> 00:05:09,440  
they're having like a spear down face

110  
00:05:13,550 --> 00:05:11,840  
off for a couple minutes

111  
00:05:16,710 --> 00:05:13,560  
and the light is just sitting

112  
00:05:18,790 --> 00:05:16,720  
motionlessly in the up in the sky

113  
00:05:20,710 --> 00:05:18,800

there's no sound

114

00:05:22,469 --> 00:05:20,720

then all of a sudden the light pulls to

115

00:05:25,670 --> 00:05:22,479

the right

116

00:05:28,870 --> 00:05:25,680

the sheriff's taillights change again

117

00:05:35,390 --> 00:05:28,880

and he pulls up and pulls to the right

118

00:05:35,400 --> 00:05:42,710

[Music]

119

00:05:46,710 --> 00:05:44,710

what happened that night

120

00:05:49,029 --> 00:05:46,720

an attempt was made to locate the

121

00:05:50,830 --> 00:05:49,039

officer who was on the video

122

00:05:55,590 --> 00:05:50,840

that sheriff's gonna follow

123

00:05:59,510 --> 00:05:57,320

oh there he goes chasing him

124

00:06:01,909 --> 00:05:59,520

[Music]

125

00:06:03,749 --> 00:06:01,919

but our efforts were futile we spoke

126

00:06:05,830 --> 00:06:03,759

with lieutenant wilson of the clermont

127

00:06:08,309 --> 00:06:05,840

county sheriff's department who said he

128

00:06:10,950 --> 00:06:08,319

checked into it and he told us that he

129

00:06:11,990 --> 00:06:10,960

had no information and no reports were

130

00:06:13,990 --> 00:06:12,000

made

131

00:06:16,790 --> 00:06:14,000

lights in the night sky don't impress me

132

00:06:18,070 --> 00:06:16,800

he said and that our job is protecting

133

00:06:19,830 --> 00:06:18,080

people

134

00:06:23,029 --> 00:06:19,840

long as one of these bad boys don't hurt

135

00:06:25,110 --> 00:06:23,039

anyone it's not our concern

136

00:06:27,430 --> 00:06:25,120

when asked to make an on-camera comment

137

00:06:29,749 --> 00:06:27,440

about the videotape clermont county

138

00:06:31,909 --> 00:06:29,759

sheriff john van camp abruptly stepped

139

00:06:38,840 --> 00:06:31,919

in it and kirkley said

140

00:06:45,510 --> 00:06:42,710

[Music]

141

00:06:47,510 --> 00:06:45,520

the owensville recording was taken

dale farmer

145

00:06:59,909 --> 00:06:57,909

right now i kind of think it's probably

146

00:07:01,350 --> 00:06:59,919

mad made

147

00:07:04,230 --> 00:07:01,360

probably some kind of experimental

148

00:07:08,950 --> 00:07:04,240

aircraft that the air force or navy

149

00:07:12,150 --> 00:07:10,790

most notable through computer

enhancement

151  
00:07:16,710 --> 00:07:13,599  
is the appearance

152  
00:07:19,189 --> 00:07:16,720  
of a structured surface behind the large

153  
00:07:22,950 --> 00:07:19,199  
aircraft headlights

154  
00:07:26,070 --> 00:07:22,960  
extensive computer analysis has detailed

155  
00:07:28,469 --> 00:07:26,080  
a possible triangular outline of what

156  
00:07:32,940 --> 00:07:28,479  
may be a solid structure connecting the

surrounding the clermont county

160

recording another videotape of a similar

161  
00:07:50,150 --> 00:07:49,280  
object was recorded several months later

162  
00:07:53,189 --> 00:07:50,160

164

00:07:58,710 --> 00:07:56,160

this video recording was made by a news

been reported in all parts of the world
