00:00:12,629 --> 00:00:09,840

cohort in this venture mr ronald mains

3
00:00:13,749 --> 00:00:12,639

who is the general manager of wtap tv

4
00:00:15,589 --> 00:00:13,759

and radio

00:00:17,349 --> 00:00:15,599

and we are here to

6
00:00:19,349 --> 00:00:17,359

ask this gentleman questions

7
00:00:21,029 --> 00:00:19,359

and we will be asking questions for the

8
00:00:22,950 --> 00:00:21,039

next half hour

9
00:00:25,670 --> 00:00:22,960

to 25 minutes

10
00:00:28,830 --> 00:00:25,680

our guest is mr dernberger

11
00:00:31,029 --> 00:00:28,840

route number two mineral wells west

12
00:00:32,549 --> 00:00:31,039

virginia mr dernberger has a very

13
00:00:33,910 --> 00:00:32,559

interesting story to tell us this

14

00:00:35,270 --> 00:00:33,920

evening

15

00:00:37,270 --> 00:00:35,280

i will

16

00:00:38,790 --> 00:00:37,280

give you a thumbnail sketch to begin

17

00:00:40,630 --> 00:00:38,800

with

18

00:00:42,790 --> 00:00:40,640

whether or not you believe in

19

00:00:44,709 --> 00:00:42,800

unidentified flying objects or not is

20

00:00:46,549 --> 00:00:44,719

not the point

21

00:00:49,990 --> 00:00:46,559

whether you believe in what you hear or

22

00:00:51,990 --> 00:00:50,000

see on this program is not the point

23

00:00:53,350 --> 00:00:52,000

we are here to talk to a man that

24

00:00:55,430 --> 00:00:53,360

allegedly

25

00:00:57,270 --> 00:00:55,440

did make contact

26
00:00:59,270 --> 00:00:57,280
with such an object

27
00:01:00,549 --> 00:00:59,280
within the parkersburg area

28
00:01:03,750 --> 00:01:00,559
last evening

29
00:01:05,750 --> 00:01:03,760
november the 2nd 1966 and approximately

30
00:01:07,670 --> 00:01:05,760
7 25 pm

31
00:01:09,830 --> 00:01:07,680
the incident allegedly took place on

32
00:01:12,469 --> 00:01:09,840
interstate highway 77 near the

33
00:01:14,789 --> 00:01:12,479
interchange of route number 47.

34
00:01:16,390 --> 00:01:14,799
this gentleman is a salesman in the area

35
00:01:18,550 --> 00:01:16,400
he has been a resident of the area for

36
00:01:20,070 --> 00:01:18,560
the past 50 years

37
00:01:22,630 --> 00:01:20,080
and he has

38
00:01:25,670 --> 00:01:22,640

given us permission to interview him

39

00:01:29,350 --> 00:01:25,680

to show his face and to call him by name

40

00:01:31,350 --> 00:01:29,360

this in itself takes a lot of initiative

41

00:01:34,310 --> 00:01:31,360

and to be very plain

42

00:01:36,710 --> 00:01:34,320

a lot of know-how

43

00:01:38,469 --> 00:01:36,720

mr danberger

44

00:01:39,590 --> 00:01:38,479

in your own words would you please

45

00:01:41,590 --> 00:01:39,600

relate

46

00:01:44,630 --> 00:01:41,600

what happened last night

47

00:01:45,910 --> 00:01:44,640

well i was i am a salesman and i drive a

48

00:01:48,710 --> 00:01:45,920

truck

49

00:01:51,670 --> 00:01:48,720

and last night uh shortly after seven

50

00:01:55,350 --> 00:01:51,680

o'clock i was coming from marietta ohio

51

00:01:57,270 --> 00:01:55,360

coming down interstate 77.

52

00:01:59,190 --> 00:01:57,280

and just before i came to the

53

00:02:01,109 --> 00:01:59,200

intersection of

54

00:02:02,550 --> 00:02:01,119

route 47

55

00:02:05,830 --> 00:02:02,560

there was a car

56

00:02:08,150 --> 00:02:05,840

past me overtaking me from behind

57

00:02:10,389 --> 00:02:08,160

and following closely behind this car

58

00:02:13,190 --> 00:02:10,399

was this

59

00:02:15,589 --> 00:02:13,200

unidentified flying object

60

00:02:18,229 --> 00:02:15,599

and as the car head or the car behind

61

00:02:20,070 --> 00:02:18,239

past me this object

62

00:02:22,309 --> 00:02:20,080

was following close behind it and it

63

00:02:24,949 --> 00:02:22,319

swerved directly in front of my truck

64

00:02:27,110 --> 00:02:24,959

turning crosswise

65

00:02:29,190 --> 00:02:27,120

and when it turned crosswise it slowed

66

00:02:31,830 --> 00:02:29,200

down it started slowing not

67

00:02:33,910 --> 00:02:31,840

abruptly or too fast but it gave me

68

00:02:36,470 --> 00:02:33,920

plenty of time to step on my brakes and

69

00:02:39,910 --> 00:02:36,480

slow down with it but it forced me to

70

00:02:45,030 --> 00:02:41,670

as soon as i had stopped there was a

71

00:02:46,630 --> 00:02:45,040

door open in the side of this vehicle

72

00:02:48,390 --> 00:02:46,640

and this man

73

00:02:51,110 --> 00:02:48,400

stepped out

74

00:02:53,030 --> 00:02:51,120

and came directly to me

75

00:02:55,190 --> 00:02:53,040

or came to the truck he walked to the

76

00:02:57,190 --> 00:02:55,200

right hand side of the truck

77

00:02:59,110 --> 00:02:57,200

and he told me to roll down the window

78

00:03:01,830 --> 00:02:59,120

he asked me to roll down the window on

79

00:03:04,390 --> 00:03:01,840

my right hand side of my truck

80

00:03:06,710 --> 00:03:04,400

and i'd done what he asked

81

00:03:08,550 --> 00:03:06,720

and this man stood there and he

82

00:03:10,949 --> 00:03:08,560

he first asked me

83

00:03:12,869 --> 00:03:10,959

what i was called

84

00:03:14,869 --> 00:03:12,879

and i knew he meant my name and i told

85

00:03:17,190 --> 00:03:14,879

him my name

86

00:03:19,270 --> 00:03:17,200

and he asked me he said why are you

87

00:03:21,509 --> 00:03:19,280

frightened he said don't be frightened

88

00:03:23,509 --> 00:03:21,519

we wish you no harm

89
00:03:26,149 --> 00:03:23,519
he said we mean you no harm we wish you

90
00:03:27,270 --> 00:03:26,159
only happiness

91
00:03:33,110 --> 00:03:27,280
and

92
00:03:37,190 --> 00:03:33,120
my name he said he was called cold

93
00:03:39,670 --> 00:03:37,200
that was the name that he was called by

94
00:03:42,309 --> 00:03:39,680
and he asked me what the city of

95
00:03:43,589 --> 00:03:42,319
parkinsburg he pointed to the lights he

96
00:03:44,949 --> 00:03:43,599
didn't point

97
00:03:46,789 --> 00:03:44,959
but he gave the impression that he was

98
00:03:48,869 --> 00:03:46,799
pointing and he asked me what that was

99
00:03:51,509 --> 00:03:48,879
called

100
00:03:54,869 --> 00:03:51,519
and i told him it was a

101
00:03:57,350 --> 00:03:54,879
parkersburg it was a city a town

102
00:03:59,110 --> 00:03:57,360
and he asked me if most all the people

103
00:04:01,509 --> 00:03:59,120
lived in my

104
00:04:03,509 --> 00:04:01,519
this city or town

105
00:04:05,429 --> 00:04:03,519
and i explained to him

106
00:04:07,429 --> 00:04:05,439
that it was a place of business it's

107
00:04:08,710 --> 00:04:07,439
where we transacted our

108
00:04:11,110 --> 00:04:08,720
business

109
00:04:14,470 --> 00:04:11,120
that the people lived in communities

110
00:04:16,789 --> 00:04:14,480
outlying communities most of the people

111
00:04:19,110 --> 00:04:16,799
and when i told him that this was a city

112
00:04:21,670 --> 00:04:19,120
he said at his

113
00:04:24,390 --> 00:04:21,680

where his home was that that was called

114

00:04:25,270 --> 00:04:24,400

a gathering

115

00:04:27,430 --> 00:04:25,280

and

116

00:04:29,430 --> 00:04:27,440

again he told me not to be frightened

117

00:04:32,629 --> 00:04:29,440

which i was i was

118

00:04:36,790 --> 00:04:32,639

i was very frightened

119

00:04:39,430 --> 00:04:36,800

and as far as i can understand

120

00:04:42,710 --> 00:04:39,440

this was all mental there was no spoken

121

00:04:43,749 --> 00:04:42,720

words from him i knew what he was asking

122

00:04:46,230 --> 00:04:43,759

me

123

00:04:49,270 --> 00:04:46,240

but yet he stood there and his mouth did

124

00:04:50,070 --> 00:04:49,280

not move he had a smile on his face he

125

00:04:54,629 --> 00:04:50,080

was

126

00:04:58,390 --> 00:04:54,639

he appeared very courteous and friendly

127

00:05:01,030 --> 00:04:58,400

and after i talked with him a while

128

00:05:03,189 --> 00:05:01,040

he told me he would see me he said we

129

00:05:04,710 --> 00:05:03,199

will see you again and

130

00:05:07,510 --> 00:05:04,720

he left in his

131

00:05:10,310 --> 00:05:07,520

vehicle now mr dernberger for the

132

00:05:13,350 --> 00:05:10,320

sake of our television audience here uh

133

00:05:15,909 --> 00:05:13,360

the the words that you used cold cold

134

00:05:17,670 --> 00:05:15,919

would be like uh cold is his name this

135

00:05:19,749 --> 00:05:17,680

is how it sounded to you that his name

136

00:05:21,749 --> 00:05:19,759

was cold yes

137

00:05:22,870 --> 00:05:21,759

and though the word

138

00:05:25,430 --> 00:05:22,880

gathering

139

00:05:27,909 --> 00:05:25,440

was like we would know together or

140

00:05:29,590 --> 00:05:27,919

something like that yes that's what he

141

00:05:32,390 --> 00:05:29,600

meant that was the impression that he

142

00:05:34,950 --> 00:05:32,400

gave and he did not move his lips nor

143

00:05:38,629 --> 00:05:34,960

utter any sound whatsoever he he talked

144

00:05:41,590 --> 00:05:38,639

with you in in telepathy then that was

145

00:05:44,230 --> 00:05:41,600

right that his lips did not move he

146

00:05:47,590 --> 00:05:44,240

uttered no words at all but you talked i

147

00:05:49,990 --> 00:05:47,600

mean he did yes i talked he told me

148

00:05:52,550 --> 00:05:50,000

he told me twice that i could either

149

00:05:55,110 --> 00:05:52,560

talk or i could think

150

00:05:57,510 --> 00:05:55,120

which either would be better or easier

151
00:05:59,510 --> 00:05:57,520
for me this was an instant thing this

152
00:06:01,029 --> 00:05:59,520
wasn't there was no hesitation on his

153
00:06:02,710 --> 00:06:01,039
part or on your part you knew

154
00:06:04,309 --> 00:06:02,720
immediately what he was

155
00:06:05,830 --> 00:06:04,319
communicating to you and he knew

156
00:06:09,430 --> 00:06:05,840
immediately what you were communicating

157
00:06:16,070 --> 00:06:11,430
what did this object what color was this

158
00:06:18,710 --> 00:06:16,080
object this object was between a real

159
00:06:20,390 --> 00:06:18,720
dark gray and black i would call it a

160
00:06:22,790 --> 00:06:20,400
charcoal collar

161
00:06:24,710 --> 00:06:22,800
it glistened in my headlights my

162
00:06:28,629 --> 00:06:24,720
headlights when it stopped me my

163
00:06:30,309 --> 00:06:28,639

headlights were shining directly on it

164

00:06:31,749 --> 00:06:30,319

that

165

00:06:34,150 --> 00:06:31,759

with our lights in it

166

00:06:37,029 --> 00:06:34,160

no i see no lights of any kind there was

167

00:06:39,029 --> 00:06:37,039

no lights in them there were windows

168

00:06:40,629 --> 00:06:39,039

if there was windows i couldn't detect

169

00:06:43,749 --> 00:06:40,639

them i couldn't see them

170

00:06:46,070 --> 00:06:43,759

and when the door now you could you had

171

00:06:47,510 --> 00:06:46,080

a very clear view from behind the wheel

172

00:06:54,309 --> 00:06:47,520

of your van

173

00:06:57,110 --> 00:06:54,319

he came forward toward you

174

00:06:59,189 --> 00:06:57,120

be did he tell you that he communicate

175

00:07:01,189 --> 00:06:59,199

to you to roll your window down before

176

00:07:02,309 --> 00:07:01,199

he got to the side of your truck was he

177

00:07:04,629 --> 00:07:02,319

still in your headlights when he

178

00:07:07,350 --> 00:07:04,639

commuted he was he was still in my

179

00:07:10,150 --> 00:07:07,360

headlights walking

180

00:07:11,749 --> 00:07:10,160

in a in a kind of a diagonal way across

181

00:07:13,909 --> 00:07:11,759

my headlights to the right-hand side of

182

00:07:15,589 --> 00:07:13,919

my truck when he told me then to roll

183

00:07:16,950 --> 00:07:15,599

down if i would please roll down the

184

00:07:18,469 --> 00:07:16,960

window on the right-hand side of my

185

00:07:20,790 --> 00:07:18,479

truck

186

00:07:23,909 --> 00:07:20,800

now in the beginning

187

00:07:26,710 --> 00:07:23,919

you were driving south on 77.

188

00:07:27,990 --> 00:07:26,720

from marietta yes toward mineral wells

189

00:07:30,950 --> 00:07:28,000

yes

190

00:07:33,270 --> 00:07:30,960

a car passed you it did

191

00:07:34,230 --> 00:07:33,280

immediately behind this car of what

192

00:07:37,029 --> 00:07:34,240

distance

193

00:07:39,990 --> 00:07:37,039

i would say between 25 and 30 feet it

194

00:07:43,189 --> 00:07:40,000

was very close to the other car uh it

195

00:07:45,029 --> 00:07:43,199

came this object yes hovering how far

196

00:07:47,670 --> 00:07:45,039

off the ground would you say well when

197

00:07:49,189 --> 00:07:47,680

it when i first seen it

198

00:08:03,270 --> 00:07:49,199

i

199

00:08:05,350 --> 00:08:03,280

to 35 feet long

200

00:08:07,749 --> 00:08:05,360

and it came directly across

201
00:08:09,350 --> 00:08:07,759
past my truck and immediately turned

202
00:08:11,990 --> 00:08:09,360
sideways

203
00:08:14,070 --> 00:08:12,000
it was completely crossed the two-lane

204
00:08:16,550 --> 00:08:14,080
highway it was

205
00:08:18,390 --> 00:08:16,560
it completely blocked me i went partly

206
00:08:20,230 --> 00:08:18,400
off of the road onto the berm to try to

207
00:08:21,909 --> 00:08:20,240
go around it but i couldn't get around

208
00:08:24,469 --> 00:08:21,919
it

209
00:08:27,029 --> 00:08:24,479
now let me ask you something uh this

210
00:08:28,469 --> 00:08:27,039
then when it came in front of your car

211
00:08:30,710 --> 00:08:28,479
i have

212
00:08:33,509 --> 00:08:30,720
mr dernberger was kind enough to draw us

213
00:08:35,589 --> 00:08:33,519

a sketch of what this object appeared to

214

00:08:39,350 --> 00:08:35,599

him

215

00:08:43,190 --> 00:08:41,110

i'm correct then that

216

00:08:45,670 --> 00:08:43,200

the the object came alongside of your

217

00:08:48,230 --> 00:08:45,680

car veered in front of your car

218

00:08:50,230 --> 00:08:48,240

and as you slow or your truck and as you

219

00:08:51,030 --> 00:08:50,240

slowed your truck down the object slowed

220

00:08:54,070 --> 00:08:51,040

down

221

00:08:56,310 --> 00:08:54,080

and then when it landed it didn't land

222

00:08:58,389 --> 00:08:56,320

it stayed off the ground yes it was

223

00:08:59,670 --> 00:08:58,399

approximately eight to ten inches off of

224

00:09:01,829 --> 00:08:59,680

the ground

225

00:09:03,110 --> 00:09:01,839

and as soon as it come to a stop

226

00:09:06,710 --> 00:09:03,120

immediately

227

00:09:09,590 --> 00:09:06,720

there was a door on the side facing me

228

00:09:12,150 --> 00:09:09,600

open and this man stepped out

229

00:09:14,230 --> 00:09:12,160

and he started walking immediately right

230

00:09:16,949 --> 00:09:14,240

to the right hand side of my truck now

231

00:09:18,389 --> 00:09:16,959

this is that would be then the picture

232

00:09:19,509 --> 00:09:18,399

we have on our screen right now that

233

00:09:23,430 --> 00:09:19,519

would be the

234

00:09:25,350 --> 00:09:23,440

be going right at that is that the idea

235

00:09:28,150 --> 00:09:25,360

that's that point now where would the

236

00:09:30,790 --> 00:09:28,160

door be in uh in that particular object

237

00:09:32,070 --> 00:09:30,800

there it would be right where the large

238

00:09:42,230 --> 00:09:32,080

part

239

00:09:45,670 --> 00:09:44,470

wilson back up front farther about here

240

00:09:51,509 --> 00:09:45,680

right there

241

00:09:55,509 --> 00:09:51,519

and the it uh it resembled just an

242

00:09:57,910 --> 00:09:55,519

ordinary automobile door when it opened

243

00:09:59,829 --> 00:09:57,920

all right now this it it didn't open

244

00:10:02,470 --> 00:09:59,839

from a bottom hinge or a top engine open

245

00:10:08,070 --> 00:10:04,949

yes it opened from the side how about

246

00:10:11,269 --> 00:10:08,080

would you i was this gentleman uh

247

00:10:13,590 --> 00:10:11,279

i was this person dressed uh what type

248

00:10:16,310 --> 00:10:13,600

of clothing did he wear

249

00:10:19,350 --> 00:10:16,320

he had a top coat on

250

00:10:22,870 --> 00:10:19,360

and it was zippered down the front

251

00:10:25,430 --> 00:10:22,880

uh his top uh the top two buttons

252

00:10:27,509 --> 00:10:25,440

like my coat here were open and he this

253

00:10:30,069 --> 00:10:27,519

uh outfit was a

254

00:10:32,150 --> 00:10:30,079

shiny material it was a

255

00:10:34,630 --> 00:10:32,160

glossy outfit

256

00:10:37,190 --> 00:10:34,640

like it was metallic i suppose you would

257

00:10:39,430 --> 00:10:37,200

call it and his shirt was a little bit

258

00:10:42,949 --> 00:10:39,440

darker than his jacket

259

00:10:46,230 --> 00:10:42,959

and below his coat he had on trousers of

260

00:10:48,230 --> 00:10:46,240

the same kind of a cloth material

261

00:10:50,790 --> 00:10:48,240

and i believe the trousers were just a

262

00:10:53,350 --> 00:10:50,800

shade lighter than his coat which would

263

00:10:55,990 --> 00:10:53,360

have been a navy blue the color

264

00:10:57,990 --> 00:10:56,000

dark blue yes

265

00:10:59,990 --> 00:10:58,000

uh what about the uh

266

00:11:02,710 --> 00:11:00,000

what about the texture of his skin the

267

00:11:05,269 --> 00:11:02,720

color of his skin uh his eyes eyebrows

268

00:11:07,829 --> 00:11:05,279

eyelashes hairline uh what what were

269

00:11:09,110 --> 00:11:07,839

these what did he look like he looked

270

00:11:12,150 --> 00:11:09,120

perfectly

271

00:11:13,030 --> 00:11:12,160

natural and normal as any human being he

272

00:11:19,750 --> 00:11:13,040

had

273

00:11:21,509 --> 00:11:19,760

deep suntan he was not too dark but it

274

00:11:23,590 --> 00:11:21,519

was just like he had been out in the sun

275

00:11:25,910 --> 00:11:23,600

a lot and had a good time

276

00:11:30,710 --> 00:11:25,920

his hair was combed straight back and it

277

00:11:33,110 --> 00:11:30,720

was a dark brown and he seemed to have

278

00:11:36,949 --> 00:11:33,120

a good thick head of hair and his

279

00:11:39,509 --> 00:11:36,959

eyebrows his face and his features were

280

00:11:41,430 --> 00:11:39,519

very normal

281

00:11:43,990 --> 00:11:41,440

i don't believe that he looked any

282

00:11:45,910 --> 00:11:44,000

different from any other

283

00:11:46,710 --> 00:11:45,920

man that we'd meet on the street now

284

00:11:50,069 --> 00:11:46,720

this

285

00:11:50,949 --> 00:11:50,079

ship that he stepped out of when he came

286

00:11:52,630 --> 00:11:50,959

when he

287

00:11:54,870 --> 00:11:52,640

left the ship

288

00:11:56,630 --> 00:11:54,880

and started toward your truck toward

289

00:11:58,550 --> 00:11:56,640

your van

290

00:12:01,110 --> 00:11:58,560

the ship remained

291

00:12:03,190 --> 00:12:01,120

there as he walked toward you know

292

00:12:05,990 --> 00:12:03,200

immediately that he stepped out of the

293

00:12:08,389 --> 00:12:06,000

truck or out of his vehicle the door

294

00:12:10,470 --> 00:12:08,399

closed and the vehicle lifted straight

295

00:12:12,870 --> 00:12:10,480

up it went straight just as straight as

296

00:12:15,829 --> 00:12:12,880

you could point upward and it went up

297

00:12:18,389 --> 00:12:15,839

and uh i did see it and uh occasionally

298

00:12:20,230 --> 00:12:18,399

as i was talking to this man i looked up

299

00:12:23,590 --> 00:12:20,240

and it was still there it was approx

300

00:12:25,509 --> 00:12:23,600

approximately 50 to 75 feet

301
00:12:27,190 --> 00:12:25,519
off of the ground and it stayed there

302
00:12:30,629 --> 00:12:27,200
all the time this

303
00:12:32,790 --> 00:12:30,639
man was talking to him now when he did

304
00:12:34,710 --> 00:12:32,800
when he talked to you did he uh turn his

305
00:12:36,629 --> 00:12:34,720
head away as i'm turning my head away

306
00:12:39,750 --> 00:12:36,639
now or did he

307
00:12:41,269 --> 00:12:39,760
stare right at you or did uh

308
00:12:43,990 --> 00:12:41,279
what what was

309
00:12:46,069 --> 00:12:44,000
what was his movement he watched me when

310
00:12:47,910 --> 00:12:46,079
he was talking to me he looked at me

311
00:12:50,389 --> 00:12:47,920
directly in the face

312
00:12:52,949 --> 00:12:50,399
but as uh there were several cars and

313
00:12:55,269 --> 00:12:52,959

several big trucks passed

314

00:12:58,230 --> 00:12:55,279

and as these big trucks would pass he

315

00:13:01,430 --> 00:12:58,240

would turn his head and glance at the

316

00:13:02,310 --> 00:13:01,440

trucks but there was no

317

00:13:04,069 --> 00:13:02,320

uh

318

00:13:05,670 --> 00:13:04,079

did you look at the object in the air

319

00:13:08,310 --> 00:13:05,680

while he was talking with you did you

320

00:13:10,310 --> 00:13:08,320

glance something yes i in fact i i

321

00:13:12,550 --> 00:13:10,320

leaned forward and looked kind of out of

322

00:13:13,430 --> 00:13:12,560

my windshield and i could see it it was

323

00:13:15,350 --> 00:13:13,440

still

324

00:13:17,269 --> 00:13:15,360

so then this communication that you that

325

00:13:19,110 --> 00:13:17,279

he had with you would not necessarily

326

00:13:20,230 --> 00:13:19,120

depend upon him looking you in the eye

327

00:13:23,350 --> 00:13:20,240

or anything like that they're not

328

00:13:25,110 --> 00:13:23,360

evident no no i he did not in fact when

329

00:13:27,269 --> 00:13:25,120

he first got out of the

330

00:13:29,430 --> 00:13:27,279

vehicle when he told me to roll the

331

00:13:31,350 --> 00:13:29,440

window down he it was impossible for him

332

00:13:32,710 --> 00:13:31,360

to see my eyes because i was behind my

333

00:13:34,310 --> 00:13:32,720

own headlights

334

00:13:36,389 --> 00:13:34,320

and he could not have done it how old

335

00:13:39,190 --> 00:13:36,399

would you say he was he left me

336

00:13:43,590 --> 00:13:39,200

approximately 35 40 years old

337

00:13:44,550 --> 00:13:43,600

he was very nice looking man he was neat

338

00:13:46,310 --> 00:13:44,560

and

339

00:13:48,470 --> 00:13:46,320

what specifically did he say to you what

340

00:13:50,790 --> 00:13:48,480

did he say

341

00:13:53,350 --> 00:13:50,800

hi it's a nice evening or what i mean

342

00:13:55,190 --> 00:13:53,360

why did he stop you what was his when he

343

00:13:57,350 --> 00:13:55,200

when he asked me to roll the window down

344

00:13:59,110 --> 00:13:57,360

which i did i rolled the window down and

345

00:14:00,829 --> 00:13:59,120

he told me he said

346

00:14:04,230 --> 00:14:00,839

i would like to talk to

347

00:14:05,910 --> 00:14:04,240

you and uh

348

00:14:08,310 --> 00:14:05,920

i just couldn't answer him i just

349

00:14:09,910 --> 00:14:08,320

couldn't speak and at that that is the

350

00:14:12,870 --> 00:14:09,920

first time he told me not to be

351
00:14:13,910 --> 00:14:12,880
frightened he said he wished me no harm

352
00:14:15,829 --> 00:14:13,920
and

353
00:14:18,629 --> 00:14:15,839
he talked a little bit in this vein he

354
00:14:20,550 --> 00:14:18,639
asked me why he said why are you

355
00:14:22,870 --> 00:14:20,560
fighting with us he said we are the same

356
00:14:25,910 --> 00:14:22,880
as you she said we eat we breathe we

357
00:14:28,230 --> 00:14:25,920
sleep we bleed even as you do

358
00:14:31,110 --> 00:14:28,240
he said we are like you

359
00:14:32,870 --> 00:14:31,120
and he said please be not frightened did

360
00:14:35,750 --> 00:14:32,880
he say where he was from

361
00:14:38,790 --> 00:14:35,760
he did not say where he was from but

362
00:14:41,269 --> 00:14:38,800
when he asked me what parkersburg was

363
00:14:44,150 --> 00:14:41,279

and i told him he said it

364

00:14:46,629 --> 00:14:44,160

at where i s where i stay or where i

365

00:14:48,949 --> 00:14:46,639

live my home he said we call this a

366

00:14:50,470 --> 00:14:48,959

gathering

367

00:14:51,750 --> 00:14:50,480

did he say anything about him did he

368

00:14:54,389 --> 00:14:51,760

volunteer

369

00:14:55,430 --> 00:14:54,399

uh did he did he have a family what did

370

00:14:59,670 --> 00:14:55,440

what

371

00:15:03,030 --> 00:14:59,680

where you were he asked me he asked me

372

00:15:05,350 --> 00:15:03,040

if i if i worked for a living

373

00:15:06,470 --> 00:15:05,360

he asked me if i if i had to work to

374

00:15:08,710 --> 00:15:06,480

live

375

00:15:10,710 --> 00:15:08,720

and i explained to him what i was i he

376

00:15:11,670 --> 00:15:10,720

even asked me where i lived and i told

377

00:15:17,910 --> 00:15:11,680

him

378

00:15:20,310 --> 00:15:17,920

and he told me that he was a searcher

379

00:15:21,670 --> 00:15:20,320

a searcher a searcher but he didn't tell

380

00:15:23,430 --> 00:15:21,680

you what he was searching for no he

381

00:15:28,150 --> 00:15:23,440

didn't

382

00:15:31,509 --> 00:15:28,160

information other than this

383

00:15:34,470 --> 00:15:31,519

but at two or three times he did tell me

384

00:15:36,310 --> 00:15:34,480

he said mr dernberger look at me

385

00:15:37,269 --> 00:15:36,320

he said do not be frightened and look at

386

00:15:39,110 --> 00:15:37,279

me

387

00:15:40,790 --> 00:15:39,120

and i believe if i hadn't been

388

00:15:42,150 --> 00:15:40,800

frightened i believe that if i had

389

00:15:44,230 --> 00:15:42,160

looked to him

390

00:15:45,269 --> 00:15:44,240

i believe that i could understood a lot

391

00:15:47,430 --> 00:15:45,279

more of

392

00:15:49,350 --> 00:15:47,440

what he wanted me to than what i

393

00:15:51,509 --> 00:15:49,360

actually did

394

00:15:55,030 --> 00:15:51,519

you just have this feeling i mean i have

395

00:15:58,710 --> 00:15:55,040

that feeling i

396

00:16:01,030 --> 00:15:58,720

i i was very nervous i was very upset

397

00:16:03,990 --> 00:16:01,040

after this happened

398

00:16:06,629 --> 00:16:04,000

and after i got home and after i had

399

00:16:08,389 --> 00:16:06,639

calmed down i can look back now and i

400

00:16:10,150 --> 00:16:08,399

see where i should have asked him

401
00:16:12,389 --> 00:16:10,160
questions and i believe i had the

402
00:16:14,870 --> 00:16:12,399
impression that he would have answered

403
00:16:16,470 --> 00:16:14,880
these questions readily you believe in

404
00:16:18,710 --> 00:16:16,480
flying saucers

405
00:16:21,110 --> 00:16:18,720
i have never have believed in frying

406
00:16:22,949 --> 00:16:21,120
saucers before i

407
00:16:25,749 --> 00:16:22,959
i have heard about them

408
00:16:27,749 --> 00:16:25,759
a few times i've even read in the paper

409
00:16:29,430 --> 00:16:27,759
about flying objects

410
00:16:31,990 --> 00:16:29,440
but i

411
00:16:33,749 --> 00:16:32,000
honestly never did believe in it

412
00:16:35,829 --> 00:16:33,759
do you believe in them now

413
00:16:37,350 --> 00:16:35,839

i believe in what i see last night i

414

00:16:44,629 --> 00:16:37,360

believe it was

415

00:16:46,629 --> 00:16:44,639

some kind of an aircraft or spacecraft

416

00:16:48,470 --> 00:16:46,639

or something mr dernberger we have a

417

00:16:49,269 --> 00:16:48,480

program on radio called the joe pine

418

00:16:52,389 --> 00:16:49,279

show

419

00:16:55,910 --> 00:16:52,399

and mr pine interviews

420

00:16:58,230 --> 00:16:55,920

extraordinary people in various

421

00:17:00,389 --> 00:16:58,240

uh that are involved in various

422

00:17:02,829 --> 00:17:00,399

occupations and

423

00:17:05,110 --> 00:17:02,839

and some

424

00:17:06,230 --> 00:17:05,120

non-occupational type of

425

00:17:08,069 --> 00:17:06,240

businesses

426

00:17:09,829 --> 00:17:08,079

and

427

00:17:12,390 --> 00:17:09,839

have you ever heard of joe pine no i

428

00:17:15,270 --> 00:17:12,400

haven't i don't believe i have all right

429

00:17:16,150 --> 00:17:15,280

on one of his recent broadcasts

430

00:17:21,270 --> 00:17:16,160

he

431

00:17:23,029 --> 00:17:21,280

who had not only had somewhat similar uh

432

00:17:25,429 --> 00:17:23,039

somewhat similar experience to what you

433

00:17:26,630 --> 00:17:25,439

had last evening

434

00:17:28,470 --> 00:17:26,640

but

435

00:17:31,669 --> 00:17:28,480

this gentleman went one step further and

436

00:17:34,310 --> 00:17:31,679

he had taken uh been taken aboard

437

00:17:36,630 --> 00:17:34,320

a spaceship which by the way was

438

00:17:39,750 --> 00:17:36,640

described quite similar similarly to

439

00:17:41,830 --> 00:17:39,760

what you described this particular ship

440

00:17:44,310 --> 00:17:41,840

and this ship with these people who

441

00:17:46,630 --> 00:17:44,320

looked like we do and so forth took him

442

00:17:48,710 --> 00:17:46,640

to venus and took him to mars and

443

00:17:50,230 --> 00:17:48,720

brought him back home again

444

00:17:51,830 --> 00:17:50,240

what what would you think of a story

445

00:17:53,029 --> 00:17:51,840

like that if somebody told it to you

446

00:17:54,310 --> 00:17:53,039

what would you think of the person

447

00:17:55,990 --> 00:17:54,320

telling you that story would you believe

448

00:17:59,190 --> 00:17:56,000

that now would you believe that that

449

00:18:01,669 --> 00:17:59,200

could be possible now mister uh man i

450

00:18:03,350 --> 00:18:01,679

believe now that that could happen if

451
00:18:06,390 --> 00:18:03,360
someone would have told me yesterday

452
00:18:09,110 --> 00:18:06,400
before this happened i would have

453
00:18:11,430 --> 00:18:09,120
frankly thought he was enough

454
00:18:14,310 --> 00:18:11,440
but i honestly believe now that it could

455
00:18:16,549 --> 00:18:14,320
happen i wouldn't i'm surely not going

456
00:18:19,430 --> 00:18:16,559
to say it couldn't happen

457
00:18:22,710 --> 00:18:19,440
uh now these men last night or this man

458
00:18:24,950 --> 00:18:22,720
he made uh gave me no indication that he

459
00:18:27,430 --> 00:18:24,960
wanted me on his ship he didn't ask me

460
00:18:29,750 --> 00:18:27,440
to get out of my truck

461
00:18:31,590 --> 00:18:29,760
as i say he was very friendly and

462
00:18:33,190 --> 00:18:31,600
courteous

463
00:18:34,549 --> 00:18:33,200

and uh

464

00:18:37,029 --> 00:18:34,559

you drink

465

00:18:38,230 --> 00:18:37,039

no i do not drink okay

466

00:18:40,230 --> 00:18:38,240

other i mean you don't drink

467

00:18:43,909 --> 00:18:40,240

intoxicating beverages no i do not drink

468

00:18:45,590 --> 00:18:43,919

any intoxicating beverages at all i

469

00:18:47,029 --> 00:18:45,600

i don't believe in drinking and i just

470

00:18:50,789 --> 00:18:47,039

don't

471

00:18:55,190 --> 00:18:50,799

but what i saw last night i know that i

472

00:18:57,830 --> 00:18:55,200

saw it it was no figment of imagination

473

00:19:00,390 --> 00:18:57,840

it was there and i was there and

474

00:19:03,270 --> 00:19:00,400

now you you said that uh he he also made

475

00:19:05,590 --> 00:19:03,280

the statement that we will see you again

476
00:19:07,590 --> 00:19:05,600
when he was getting ready to leave he

477
00:19:10,230 --> 00:19:07,600
stepped back

478
00:19:11,750 --> 00:19:10,240
from the truck about one step and he

479
00:19:14,710 --> 00:19:11,760
said uh

480
00:19:17,190 --> 00:19:14,720
mr dernberger we will see you again he

481
00:19:19,669 --> 00:19:17,200
didn't say i he said we

482
00:19:20,950 --> 00:19:19,679
will see you again

483
00:19:23,110 --> 00:19:20,960
and uh

484
00:19:24,390 --> 00:19:23,120
when he got in the truck or when he got

485
00:19:26,549 --> 00:19:24,400
in the vehicle

486
00:19:29,750 --> 00:19:26,559
the door opened as he walked up to the

487
00:19:31,750 --> 00:19:29,760
vehicle and he stepped up into it

488
00:19:33,350 --> 00:19:31,760

and there was another

489

00:19:38,150 --> 00:19:33,360

man

490

00:19:40,950 --> 00:19:38,160

i can just see his outline but i did see

491

00:19:42,789 --> 00:19:40,960

his arm and hand reach outside and take

492

00:19:44,230 --> 00:19:42,799

a hold of the door and pull the door

493

00:19:49,830 --> 00:19:44,240

closed

494

00:19:52,230 --> 00:19:49,840

audible noise like you shut the door

495

00:19:54,870 --> 00:19:52,240

onto the big heavy automobile what kind

496

00:19:57,590 --> 00:19:54,880

of a noise did this object make when it

497

00:19:59,029 --> 00:19:57,600

was uh hovering above the ground six or

498

00:20:01,029 --> 00:19:59,039

ten inches and

499

00:20:02,070 --> 00:20:01,039

and then uh upon

500

00:20:06,710 --> 00:20:02,080

uh

501
00:20:09,029 --> 00:20:06,720
went back up in the air 75 or 100 feet

502
00:20:10,870 --> 00:20:09,039
uh this is a an object now that we're

503
00:20:12,070 --> 00:20:10,880
talking about that's nine eight or nine

504
00:20:14,230 --> 00:20:12,080
feet high

505
00:20:16,150 --> 00:20:14,240
36 feet long

506
00:20:18,830 --> 00:20:16,160
and about eight or nine feet across

507
00:20:20,470 --> 00:20:18,840
that's right in brett

508
00:20:21,830 --> 00:20:20,480
uh

509
00:20:23,669 --> 00:20:21,840
it would

510
00:20:26,230 --> 00:20:23,679
although it's really not too large an

511
00:20:28,470 --> 00:20:26,240
object it is it's larger than what a an

512
00:20:30,390 --> 00:20:28,480
automobile for example yes

513
00:20:32,390 --> 00:20:30,400

uh and to lift something like that would

514

00:20:33,990 --> 00:20:32,400

take a lot of

515

00:20:36,789 --> 00:20:34,000

a lot of force to do this what kind of a

516

00:20:39,190 --> 00:20:36,799

sound did this make it the the sound

517

00:20:41,270 --> 00:20:39,200

when it was hovering over the ground and

518

00:20:43,110 --> 00:20:41,280

when it was lifting i i couldn't

519

00:20:46,950 --> 00:20:43,120

distinguish no difference in the sound

520

00:20:49,270 --> 00:20:46,960

it was a low fluttering noise it uh

521

00:20:51,750 --> 00:20:49,280

well if you've ever heard the blades of

522

00:20:54,470 --> 00:20:51,760

a helicopter as it was idling sitting on

523

00:20:56,310 --> 00:20:54,480

the ground that would be the closest way

524

00:20:58,549 --> 00:20:56,320

that i could describe the noise it made

525

00:21:02,630 --> 00:20:58,559

but it was not very very loud can you

526

00:21:08,470 --> 00:21:04,310

it was a fluttering noise it sounded

527

00:21:12,549 --> 00:21:09,909

but it's a sound you've never heard

528

00:21:14,789 --> 00:21:12,559

before i had never heard anything

529

00:21:16,630 --> 00:21:14,799

like it before in my life let's let's

530

00:21:18,710 --> 00:21:16,640

get back to this uh

531

00:21:20,549 --> 00:21:18,720

let's get back to the fella here now he

532

00:21:22,789 --> 00:21:20,559

was how tall

533

00:21:25,909 --> 00:21:22,799

i would say he was close to six feet

534

00:21:29,430 --> 00:21:25,919

tall and he'd weigh around 180 or 100

535

00:21:31,669 --> 00:21:29,440

maybe i'm six feet tall he's heavier

536

00:21:35,110 --> 00:21:31,679

height but heavier than that yes he was

537

00:21:37,510 --> 00:21:35,120

heavier his face was more full he's how

538

00:21:40,070 --> 00:21:37,520

much do you figure that i would weigh

539

00:21:42,789 --> 00:21:40,080

i'd say about a hundred and

540

00:21:45,110 --> 00:21:42,799

sixty five to seventy hundred are you

541

00:21:46,310 --> 00:21:45,120

you're right on the button that's that's

542

00:21:47,510 --> 00:21:46,320

right

543

00:21:49,590 --> 00:21:47,520

uh

544

00:21:51,590 --> 00:21:49,600

there were no lights this was now this

545

00:21:54,549 --> 00:21:51,600

was dark this time of night you were it

546

00:21:56,870 --> 00:21:54,559

was dark it was completely dark but i

547

00:21:58,950 --> 00:21:56,880

never at any time turn my headlights off

548

00:22:00,149 --> 00:21:58,960

and i also had the lights in the truck

549

00:22:02,549 --> 00:22:00,159

on

550

00:22:05,510 --> 00:22:02,559

i have a cab light and then i have

551
00:22:07,669 --> 00:22:05,520
lights back through my truck

552
00:22:10,950 --> 00:22:07,679
and these lights were on it gave good

553
00:22:12,789 --> 00:22:10,960
illumination up close to the truck

554
00:22:15,270 --> 00:22:12,799
but not too far back but while he was

555
00:22:16,710 --> 00:22:15,280
standing and talking to me i could see

556
00:22:19,190 --> 00:22:16,720
him clearly

557
00:22:21,350 --> 00:22:19,200
and at several times there was cars

558
00:22:22,390 --> 00:22:21,360
passed and trucks passed

559
00:22:24,789 --> 00:22:22,400
and uh

560
00:22:25,750 --> 00:22:24,799
especially cars that came up from behind

561
00:22:29,029 --> 00:22:25,760
me

562
00:22:31,190 --> 00:22:29,039
throwing their headlights directly on

563
00:22:33,270 --> 00:22:31,200

the back end of my truck and was

564

00:22:35,750 --> 00:22:33,280

throwing a good light on him

565

00:22:37,270 --> 00:22:35,760

but no one slowed down or no one

566

00:22:39,029 --> 00:22:37,280

straight down as

567

00:22:41,029 --> 00:22:39,039

but they would have easily been able to

568

00:22:42,549 --> 00:22:41,039

see him yes thank you suppose maybe

569

00:22:44,149 --> 00:22:42,559

somebody in our

570

00:22:45,029 --> 00:22:44,159

audience might have passed you last

571

00:22:46,549 --> 00:22:45,039

evening

572

00:22:49,190 --> 00:22:46,559

standing there talking with this fellow

573

00:22:51,510 --> 00:22:49,200

i know that there was several cars past

574

00:22:53,510 --> 00:22:51,520

me and one car as this thing settled

575

00:22:54,390 --> 00:22:53,520

down in front of me was coming to meet

576

00:22:55,830 --> 00:22:54,400

me

577

00:22:58,710 --> 00:22:55,840

and when this thing was directly in

578

00:23:01,350 --> 00:22:58,720

front of me this car came to meet me

579

00:23:03,430 --> 00:23:01,360

and his headlights were it was in a kind

580

00:23:05,270 --> 00:23:03,440

of a curve where this guy came to meet

581

00:23:07,350 --> 00:23:05,280

me would be making a left-hand curve and

582

00:23:08,630 --> 00:23:07,360

his lights would be shining off to the

583

00:23:10,549 --> 00:23:08,640

right

584

00:23:13,590 --> 00:23:10,559

but i still think that he could have

585

00:23:15,830 --> 00:23:13,600

seen and probably did see

586

00:23:18,310 --> 00:23:15,840

whatever this object was

587

00:23:19,750 --> 00:23:18,320

glenn i've been monopolizing here you uh

588

00:23:23,190 --> 00:23:19,760

sneak in with the questions some

589

00:23:25,990 --> 00:23:23,200

questions you'd like to ask

590

00:23:27,830 --> 00:23:26,000

i know personally that mr dernberger was

591

00:23:29,350 --> 00:23:27,840

scared because i talked to him a short

592

00:23:31,750 --> 00:23:29,360

time after this happened by telephone

593

00:23:33,190 --> 00:23:31,760

last night

594

00:23:35,190 --> 00:23:33,200

what did your wife think when you told

595

00:23:37,350 --> 00:23:35,200

him about this episode

596

00:23:40,070 --> 00:23:37,360

well my wife was uh

597

00:23:43,510 --> 00:23:40,080

she took it pretty calmly but

598

00:23:45,830 --> 00:23:43,520

it kind of made her nervous she uh

599

00:23:47,669 --> 00:23:45,840

she worried today before i started back

600

00:23:51,750 --> 00:23:47,679

to work she thought

601
00:23:53,990 --> 00:23:51,760
the same thing could happen again and

602
00:23:56,310 --> 00:23:54,000
she believes that

603
00:23:59,750 --> 00:23:56,320
what i told her

604
00:24:01,990 --> 00:23:59,760
and she's pretty upset herself about it

605
00:24:04,310 --> 00:24:02,000
this stop communication

606
00:24:06,870 --> 00:24:04,320
which is apparently extra sensory

607
00:24:08,630 --> 00:24:06,880
perception or mental telepathy

608
00:24:11,350 --> 00:24:08,640
when uh was you first aware that this

609
00:24:14,149 --> 00:24:11,360
was the way that you were communicating

610
00:24:16,149 --> 00:24:14,159
well uh when he first told me to come

611
00:24:18,149 --> 00:24:16,159
when he first got out of his vehicle and

612
00:24:20,070 --> 00:24:18,159
started over to my car that is when he

613
00:24:21,909 --> 00:24:20,080

first told me or asked me if i'd roll

614

00:24:24,630 --> 00:24:21,919

down my window

615

00:24:27,110 --> 00:24:24,640

at that time right at that minute

616

00:24:30,310 --> 00:24:27,120

i didn't know that

617

00:24:33,350 --> 00:24:30,320

it was mental telepathy

618

00:24:34,710 --> 00:24:33,360

but when he came to the door

619

00:24:36,870 --> 00:24:34,720

and looked in through the window from

620

00:24:39,110 --> 00:24:36,880

the right-hand side of the truck and i

621

00:24:41,110 --> 00:24:39,120

realized that he was speaking but his

622

00:24:43,909 --> 00:24:41,120

lips were not moving is this the thing

623

00:24:46,470 --> 00:24:43,919

that frightens you this is what made me

624

00:24:48,149 --> 00:24:46,480

that frightened me more than anything i

625

00:24:50,149 --> 00:24:48,159

believe that had happened

626
00:24:52,230 --> 00:24:50,159
happened to a time even more so than

627
00:24:53,350 --> 00:24:52,240
when i actually seen the

628
00:24:56,710 --> 00:24:53,360
object

629
00:24:58,870 --> 00:24:56,720
and i know that

630
00:25:01,830 --> 00:24:58,880
he told me not to be frightened he was

631
00:25:04,310 --> 00:25:01,840
very reassuring in his attitude he was

632
00:25:06,070 --> 00:25:04,320
friendly he smiled continuously while i

633
00:25:08,149 --> 00:25:06,080
talked to him

634
00:25:11,110 --> 00:25:08,159
he kept his arms folded something like

635
00:25:13,110 --> 00:25:11,120
this all the time his arms were folded

636
00:25:14,870 --> 00:25:13,120
completely at all times like i said his

637
00:25:17,110 --> 00:25:14,880
hands were hidden

638
00:25:19,269 --> 00:25:17,120

and at the time i talked to him i didn't

639

00:25:21,590 --> 00:25:19,279

think nothing about it but after i

640

00:25:22,950 --> 00:25:21,600

started home i did wonder why he stood

641

00:25:24,470 --> 00:25:22,960

that way

642

00:25:26,830 --> 00:25:24,480

and as i believe one of you gentlemen

643

00:25:30,390 --> 00:25:26,840

asked me before

644

00:25:32,230 --> 00:25:30,400

uh about his hands when this man closed

645

00:25:34,070 --> 00:25:32,240

the door when he got back into the

646

00:25:36,630 --> 00:25:34,080

vehicle i distinctly seen this other

647

00:25:37,669 --> 00:25:36,640

man's hand and arm

648

00:25:39,350 --> 00:25:37,679

and uh

649

00:25:41,430 --> 00:25:39,360

his arm looked

650

00:25:44,390 --> 00:25:41,440

completely normal in his hand now you

651
00:25:45,990 --> 00:25:44,400
describe the uh you describe the attire

652
00:25:47,909 --> 00:25:46,000
of this person

653
00:25:54,630 --> 00:25:47,919
uh

654
00:25:55,590 --> 00:25:54,640
wearing than than a uniform yes we know

655
00:25:58,950 --> 00:25:55,600
as a

656
00:26:01,750 --> 00:25:58,960
i would say that it wasn't a uniform

657
00:26:03,669 --> 00:26:01,760
it didn't have you know the

658
00:26:05,430 --> 00:26:03,679
the cut of the uniform it was more like

659
00:26:08,470 --> 00:26:05,440
you'd uh wear a

660
00:26:11,269 --> 00:26:08,480
suit to town or was it a clock like this

661
00:26:13,430 --> 00:26:11,279
well it was a bright shiny color cloth

662
00:26:15,110 --> 00:26:13,440
it looked like a what my wife calls a

663
00:26:17,590 --> 00:26:15,120

hard fabric

664

00:26:18,789 --> 00:26:17,600

it glistened when the lights would shine

665

00:26:20,710 --> 00:26:18,799

on it

666

00:26:22,630 --> 00:26:20,720

a luminous time yes

667

00:26:24,630 --> 00:26:22,640

the arm that came out

668

00:26:26,149 --> 00:26:24,640

another arm from inside came out to

669

00:26:26,950 --> 00:26:26,159

close the door when this gentleman got

670

00:26:28,149 --> 00:26:26,960

back

671

00:26:32,390 --> 00:26:28,159

uh

672

00:26:35,590 --> 00:26:32,400

in the same type of

673

00:26:37,669 --> 00:26:35,600

i would say it was identically the same

674

00:26:39,750 --> 00:26:37,679

it looked the same to

675

00:26:41,830 --> 00:26:39,760

now he had on

676

00:26:45,430 --> 00:26:41,840

from what you could

677

00:26:48,630 --> 00:26:45,440

see he had on a shirt that buttoned

678

00:26:51,269 --> 00:26:48,640

he had a collar but no tie he had no tie

679

00:26:52,950 --> 00:26:51,279

but i know that the top button of his

680

00:26:55,269 --> 00:26:52,960

shirt at the throat i know he had a

681

00:26:57,029 --> 00:26:55,279

button there i seen that

682

00:27:00,630 --> 00:26:57,039

i looked at that button

683

00:27:02,789 --> 00:27:00,640

this button now his top coat

684

00:27:05,750 --> 00:27:02,799

was zippered

685

00:27:07,990 --> 00:27:05,760

it had a zipper on the front of his coat

686

00:27:11,430 --> 00:27:10,070

he looked perfectly normal why do you

687

00:27:15,190 --> 00:27:11,440

suppose

688

00:27:17,269 --> 00:27:15,200

to uh

689

00:27:17,990 --> 00:27:17,279

the right hand side of your truck rather

690

00:27:19,909 --> 00:27:18,000

than

691

00:27:22,070 --> 00:27:19,919

the nearest side to you why do you

692

00:27:24,230 --> 00:27:22,080

figure that he came around

693

00:27:25,909 --> 00:27:24,240

that time well the only reason that i

694

00:27:29,750 --> 00:27:25,919

could uh

695

00:27:31,750 --> 00:27:29,760

give for that was that i had two wheels

696

00:27:33,269 --> 00:27:31,760

off on the berm and two wheels sitting

697

00:27:34,549 --> 00:27:33,279

on the highway where i'd been trying to

698

00:27:36,710 --> 00:27:34,559

get around this before he got me

699

00:27:38,549 --> 00:27:36,720

completely stopped and i believe that

700

00:27:41,750 --> 00:27:38,559

this man actually knew the traffic

701
00:27:43,669 --> 00:27:41,760
conditions i believe he knew that

702
00:27:45,430 --> 00:27:43,679
he would be safer on the other now if he

703
00:27:47,269 --> 00:27:45,440
didn't use

704
00:27:48,870 --> 00:27:47,279
words in communicating with you if you

705
00:27:50,470 --> 00:27:48,880
use thoughts why did he have you roll

706
00:27:51,669 --> 00:27:50,480
your window down so that he could hear

707
00:27:54,549 --> 00:27:51,679
you

708
00:27:55,990 --> 00:27:54,559
so i feel that this was why he didn't i

709
00:27:57,590 --> 00:27:56,000
believe that he had me to roll the

710
00:27:59,110 --> 00:27:57,600
window down so he could look at me

711
00:28:02,470 --> 00:27:59,120
without looking through the glass

712
00:28:04,549 --> 00:28:02,480
because the glass was very rain street

713
00:28:06,789 --> 00:28:04,559

where had been raining

714

00:28:08,870 --> 00:28:06,799

and that is the impression that i got

715

00:28:11,830 --> 00:28:08,880

that he wanted the window down so i'd be

716

00:28:14,870 --> 00:28:11,840

in closer communication with him or so

717

00:28:17,269 --> 00:28:14,880

we could see each other

718

00:28:20,230 --> 00:28:17,279

the uh

719

00:28:25,830 --> 00:28:23,669

time when he when he left you when he

720

00:28:27,510 --> 00:28:25,840

when your conversation was and how did

721

00:28:28,710 --> 00:28:27,520

you know that it was all over did he say

722

00:28:30,870 --> 00:28:28,720

well that's

723

00:28:32,710 --> 00:28:30,880

did he say anything to the fact that

724

00:28:33,909 --> 00:28:32,720

while i've got to be going now i have to

725

00:28:35,510 --> 00:28:33,919

go i know

726

00:28:38,149 --> 00:28:35,520

what did how did he terminate this

727

00:28:40,149 --> 00:28:38,159

economy he terminated his conversation

728

00:28:41,029 --> 00:28:40,159

very quickly

729

00:28:43,029 --> 00:28:41,039

uh

730

00:28:44,950 --> 00:28:43,039

one second we were talking there and the

731

00:28:46,950 --> 00:28:44,960

next thing this vehicle settled down

732

00:28:48,389 --> 00:28:46,960

right the side he stepped back from the

733

00:28:49,750 --> 00:28:48,399

truck and

734

00:28:52,389 --> 00:28:49,760

when he stepped back this thing came

735

00:28:54,149 --> 00:28:52,399

right back down now it wasn't crosswise

736

00:28:55,909 --> 00:28:54,159

the road when it came down it was

737

00:28:56,630 --> 00:28:55,919

heading in the same direction i was it

738

00:28:58,549 --> 00:28:56,640

was

739

00:29:01,110 --> 00:28:58,559

like the length of the truck

740

00:29:02,870 --> 00:29:01,120

and when they settled down he turned and

741

00:29:05,510 --> 00:29:02,880

walked up around in front of my

742

00:29:07,190 --> 00:29:05,520

headlights and back but just before he

743

00:29:09,350 --> 00:29:07,200

started he said

744

00:29:12,950 --> 00:29:09,360

mr dernberger we will be seeing you

745

00:29:15,750 --> 00:29:12,960

again you believe he will

746

00:29:21,590 --> 00:29:18,549

i did believe it but now i i don't know

747

00:29:25,430 --> 00:29:21,600

how to answer that honestly because i'm

748

00:29:27,029 --> 00:29:25,440

afraid he will and i don't want him to

749

00:29:31,430 --> 00:29:27,039

but i

750

00:29:34,789 --> 00:29:33,590

you're apprehensive that he will see you

751
00:29:40,549 --> 00:29:34,799
yet

752
00:29:42,230 --> 00:29:40,559
experience well i

753
00:29:44,549 --> 00:29:42,240
i don't think that i'd be quite so

754
00:29:46,630 --> 00:29:44,559
