ILLUSTRATION

OCT-11-1973

1
00:00:04,870 --> 00:00:02,990
Eddie on October 11 1973 you were

2
00:00:07,490 --> 00:00:04,880
stationed in Okinawa and the U.S Marines

3
00:00:09,650 --> 00:00:07,500
and you didn't hear about the encounter

4
00:00:11,629 --> 00:00:09,660
from your mother and father you read

5
00:00:13,310 --> 00:00:11,639
about it in Stars and Stripes could you

6
00:00:14,749 --> 00:00:13,320
tell us about your reaction and and what

7
00:00:17,750 --> 00:00:14,759
it felt like to

8
00:00:20,410 --> 00:00:17,760
find out about that this way

9
00:00:23,870 --> 00:00:20,420
yes uh my first reaction was shock

10
00:00:25,310 --> 00:00:23,880
because I really didn't understand what

11
00:00:28,009 --> 00:00:25,320
had happened to my father

12
00:00:30,830 --> 00:00:28,019
and when I read the parts about where Dr

13
00:00:32,870 --> 00:00:30,840

harder and Dr heineck came down to do an

14

00:00:35,750 --> 00:00:32,880

investigation I didn't really understand

15

00:00:37,130 --> 00:00:35,760

what all that involved that led me to

16

00:00:39,889 --> 00:00:37,140

believe that there there may have been

17

00:00:42,049 --> 00:00:39,899

some harm done to them

18

00:00:43,750 --> 00:00:42,059

I had no way of finding out other than

19

00:00:46,850 --> 00:00:43,760

waiting for a letter to come from home

20

00:00:49,010 --> 00:00:46,860

and the the articles in the paper were

21

00:00:51,470 --> 00:00:49,020

just bits and pieces you might say two

22

00:00:52,970 --> 00:00:51,480

men were picked up and were boarded a

23

00:00:54,470 --> 00:00:52,980

UFO on the Pascagoula River in

24

00:00:56,990 --> 00:00:54,480

Pascagoula Mississippi

25

00:01:00,290 --> 00:00:57,000

and basically that's all that was in the

26

00:01:01,610 --> 00:01:00,300

paper the first article I think there

27

00:01:03,709 --> 00:01:01,620

was two articles that followed that

28

00:01:05,710 --> 00:01:03,719

maybe in a week's time but it didn't

29

00:01:08,590 --> 00:01:05,720

give me much more information than that

30

00:01:10,910 --> 00:01:08,600

and I really didn't know what to think

31

00:01:12,530 --> 00:01:10,920

how did the other members of your

32

00:01:14,330 --> 00:01:12,540

company react

33

00:01:17,570 --> 00:01:14,340

they um

34

00:01:19,250 --> 00:01:17,580

they they act as reacted sort of

35

00:01:21,649 --> 00:01:19,260

surprised there was several guys in my

36

00:01:23,210 --> 00:01:21,659

company there from Mississippi uh they

37

00:01:25,090 --> 00:01:23,220

were quite concerned because we had been

38

00:01:28,490 --> 00:01:25,100

stationed at other bases together

39

00:01:31,310 --> 00:01:28,500

nobody ridiculed me uh they were quite

40

00:01:32,749 --> 00:01:31,320

interested in it uh they were as anxious

41

00:01:34,730 --> 00:01:32,759

as I was to find out some information

42

00:01:37,730 --> 00:01:34,740

from home to see what really happened

43

00:01:40,609 --> 00:01:37,740

and

44

00:01:41,870 --> 00:01:40,619

they were just basically good-natured

45

00:01:43,789 --> 00:01:41,880

about it you know

46

00:01:46,190 --> 00:01:43,799

Tisha at the time of your father in

47

00:01:48,350 --> 00:01:46,200

Calvin's encounter you were very small

48

00:01:52,190 --> 00:01:48,360

child so young that you don't even

49

00:01:54,950 --> 00:01:52,200

really remember the encounter but the

50

00:01:59,389 --> 00:01:54,960

years have come and gone were here 14

51
00:02:01,730 --> 00:01:59,399
years later and the book UFO contacted

52
00:02:04,149 --> 00:02:01,740
Pascagoula has been published your

53
00:02:07,730 --> 00:02:04,159
father and Calvin's story has been

54
00:02:09,949 --> 00:02:07,740
on the front page of the major newspaper

55
00:02:13,729 --> 00:02:09,959
here on the Gulf Coast as well as some

56
00:02:16,790 --> 00:02:13,739
of the smaller newspapers tell us about

57
00:02:19,010 --> 00:02:16,800
the years growing up the

58
00:02:21,830 --> 00:02:19,020
was there ever a time that you had any

59
00:02:24,710 --> 00:02:21,840
doubt about their story and and also if

60
00:02:28,010 --> 00:02:24,720
you would the reaction of your friends

61
00:02:30,770 --> 00:02:28,020
and acquaintances outside of the family

62
00:02:33,949 --> 00:02:30,780
well I've never doubted my parents

63
00:02:36,190 --> 00:02:33,959

um I believe everything they say and my

64

00:02:38,330 --> 00:02:36,200

friends have supported me real well and

65

00:02:40,490 --> 00:02:38,340

they've always been there there's been

66

00:02:43,610 --> 00:02:40,500

no ridicule towards me or towards the

67

00:02:45,890 --> 00:02:43,620

book and everybody's just been real good

68

00:02:48,110 --> 00:02:45,900

to me

69

00:02:51,050 --> 00:02:48,120

glands if it could all be done over

70

00:02:54,890 --> 00:02:51,060

again would you prefer that Charlie and

71

00:02:58,490 --> 00:02:54,900

Calvin didn't report this incident

72

00:03:01,490 --> 00:02:58,500

I won't even report it

73

00:03:03,830 --> 00:03:01,500

I certainly would

74

00:03:05,630 --> 00:03:03,840

because he has it's happened to him and

75

00:03:08,809 --> 00:03:05,640

he's proven he's proven it's happened to

76

00:03:11,690 --> 00:03:08,819

him and it's owlcrate

77

00:03:14,809 --> 00:03:11,700

so regardless of uh

78

00:03:17,410 --> 00:03:14,819

any of the frustrations or or problems

79

00:03:20,390 --> 00:03:17,420

that it may have created over the years

80

00:03:22,550 --> 00:03:20,400

if any you would still want it to be

81

00:03:25,970 --> 00:03:22,560

reported and for people to know

82

00:03:30,589 --> 00:03:28,309

it was real frightening to me that night

83

00:03:32,330 --> 00:03:30,599

and scary it was hard for me to believe

84

00:03:33,890 --> 00:03:32,340

you know just like everybody else you

85

00:03:35,390 --> 00:03:33,900

know I guess they thought the same thing

86

00:03:37,670 --> 00:03:35,400

I did you know we didn't know if it was

87

00:03:40,970 --> 00:03:37,680

real or what happened

88

00:03:42,470 --> 00:03:40,980

but uh the next day I knew it did happen

89

00:03:44,869 --> 00:03:42,480

to

90

00:03:46,130 --> 00:03:44,879

and for days on the weeks on the month

91

00:03:48,530 --> 00:03:46,140

song I knew it happened to him because

92

00:03:50,270 --> 00:03:48,540

he had cold sweats had to change his

93

00:03:52,729 --> 00:03:50,280

sheets at least two and three times a

94

00:03:55,190 --> 00:03:52,739

night from cold sweats
