

ALAN GODFREY

Ex Police Constable

LINDA TAYLOR

1
00:00:08,750 --> 00:00:04,130
it's about 20 foot wide about 20 foot

2
00:00:08,760 --> 00:00:12,830
14.

3
00:00:12,840 --> 00:00:18,830
the bottom spinning

4
00:00:25,429 --> 00:00:20,750
was

5
00:00:33,770 --> 00:00:27,050
there's a light coming from underneath

6
00:00:33,780 --> 00:00:45,830
to be careful

7
00:00:45,840 --> 00:01:12,050
foreign

8
00:01:12,060 --> 00:01:16,490
who else is

9
00:01:16,500 --> 00:01:25,630
um

10
00:01:25,640 --> 00:01:30,950
can you briefly describe

11
00:01:30,960 --> 00:01:35,569
I don't know

12
00:01:44,710 --> 00:01:39,649
small yes how small is small

13
00:01:44,720 --> 00:01:51,950

and how many

14

00:01:51,960 --> 00:01:56,389

okay eight of these

15

00:01:59,510 --> 00:01:58,069

well that's the extraordinary story of

16

00:02:00,410 --> 00:01:59,520

Alan Godfrey who joins us now I'm

17

00:02:02,210 --> 00:02:00,420

pleased to say you're looking a lot

18

00:02:04,249 --> 00:02:02,220

better now one of the things that

19

00:02:06,050 --> 00:02:04,259

intrigues me about this is that you're a

20

00:02:08,150 --> 00:02:06,060

former policeman as well it seems to be

21

00:02:10,669 --> 00:02:08,160

a bit of a hazard of the job you're like

22

00:02:13,010 --> 00:02:10,679

Tony yeah I was out in a police car one

23

00:02:14,930 --> 00:02:13,020

night and six of my colleagues had seen

24

00:02:18,410 --> 00:02:14,940

this UFO

25

00:02:20,330 --> 00:02:18,420

and buzzing around the Tomlin Valley

26

00:02:21,890 --> 00:02:20,340

and I came actually came across it

27

00:02:27,650 --> 00:02:21,900

blocking the main trunk roll through

28

00:02:32,270 --> 00:02:30,050

I remember the incident

29

00:02:34,190 --> 00:02:32,280

Ally the UFO existed it was only 25

30

00:02:35,990 --> 00:02:34,200

yards off it and he was completely

31

00:02:38,030 --> 00:02:36,000

blocking the main road

32

00:02:41,570 --> 00:02:38,040

what made you want to go under hypnosis

33

00:02:43,309 --> 00:02:41,580

to find out more about it then

34

00:02:45,050 --> 00:02:43,319

I think one of it notices for about 12

35

00:02:46,430 --> 00:02:45,060

months after the event that's a long

36

00:02:49,550 --> 00:02:46,440

time afterwards I mean did you see any

37

00:02:51,350 --> 00:02:49,560

films or read any books or about science

38

00:02:52,309 --> 00:02:51,360

fiction or anything in that time maybe

39

00:02:55,250 --> 00:02:52,319

it was

40

00:02:57,589 --> 00:02:55,260

obviously up to the event I mean I have

41

00:02:59,630 --> 00:02:57,599

no interest whatsoever in UFOs a lot

42

00:03:01,550 --> 00:02:59,640

less monster or anything you know I was

43

00:03:02,509 --> 00:03:01,560

just a total police officer 10-year

44

00:03:04,130 --> 00:03:02,519

service

45

00:03:06,530 --> 00:03:04,140

uh and when you come across something

46

00:03:08,930 --> 00:03:06,540

like this and the reaction within the

47

00:03:10,070 --> 00:03:08,940

job and the I'm from the ministry of

48

00:03:11,990 --> 00:03:10,080

defense that

49

00:03:13,910 --> 00:03:12,000

and their investigations that I had to

50

00:03:16,070 --> 00:03:13,920

go on there obviously I became

51
00:03:19,210 --> 00:03:16,080
interested in what I'd actually seen

52
00:03:21,589 --> 00:03:19,220
right and when I found out through

53
00:03:24,050 --> 00:03:21,599
investigative work by other people that

54
00:03:26,270 --> 00:03:24,060
I had it actually had a time lapse

55
00:03:28,490 --> 00:03:26,280
uh and I was asked to do under hypnotic

56
00:03:30,170 --> 00:03:28,500
regression which incidentally was done

57
00:03:32,570 --> 00:03:30,180
by the police surgeon and it was still

58
00:03:34,670 --> 00:03:32,580
under proper medical okay well I think I

59
00:03:36,290 --> 00:03:34,680
think you've established that I'm quite

60
00:03:37,970 --> 00:03:36,300
intrigued though to know what some of

61
00:03:39,470 --> 00:03:37,980
our Skeptics have got to say about a

62
00:03:41,210 --> 00:03:39,480
story like that I mean it sounds very

63
00:03:42,770 --> 00:03:41,220

convincing now John Mason I know that

64

00:03:44,809 --> 00:03:42,780

you've spent a long time looking at this

65

00:03:47,390 --> 00:03:44,819

and you're not at all convinced but

66

00:03:48,890 --> 00:03:47,400

can you explain a story like that well

67

00:03:50,930 --> 00:03:48,900

firstly let's say that hypnotic

68

00:03:53,750 --> 00:03:50,940

regression has been used in America in

69

00:03:55,309 --> 00:03:53,760

many many cases to look at people who've

70

00:03:58,789 --> 00:03:55,319

had these so-called abduction

71

00:04:02,270 --> 00:03:58,799

experiences and in a lot of cases there

72

00:04:03,890 --> 00:04:02,280

has been leading of the person under the

73

00:04:05,570 --> 00:04:03,900

influence there was a couple of

74

00:04:07,610 --> 00:04:05,580

questions in that interview there where

75

00:04:11,330 --> 00:04:07,620

there was a certain amount of leading of

76

00:04:13,970 --> 00:04:11,340

the abductee by the interviewer now

77

00:04:16,189 --> 00:04:13,980

who carried out that session I was the

78

00:04:18,310 --> 00:04:16,199

person who arranged oh that immediately

79

00:04:21,349 --> 00:04:18,320

makes me scared no no no no no no no no

80

00:04:23,270 --> 00:04:21,359

I did not utter one word

81

00:04:25,670 --> 00:04:23,280

during that session but you were there

82

00:04:28,189 --> 00:04:25,680

pleased I was there but I was silent I

83

00:04:30,110 --> 00:04:28,199

was the cameraman the invest the

84

00:04:32,870 --> 00:04:30,120

interrogation was conducted by the

85

00:04:35,570 --> 00:04:32,880

doctor who didn't even know that it what

86

00:04:37,310 --> 00:04:35,580

that it was a UFO event I deliberately

87

00:04:38,749 --> 00:04:37,320

didn't tell her Harry can I give you can

88

00:04:39,830 --> 00:04:38,759

I just give you a very quick quotation I

89

00:04:41,810 --> 00:04:39,840

just want to say now this is a very

90

00:04:44,570 --> 00:04:41,820

unfair criticism I did not lead the

91

00:04:46,969 --> 00:04:44,580

witness I never spoke a word at all

92

00:04:49,850 --> 00:04:46,979

during that session and the doctor had

93

00:04:51,890 --> 00:04:49,860

no idea what was coming next he was just

94

00:04:54,350 --> 00:04:51,900

asked to invest to hypnotize a police

95

00:04:56,390 --> 00:04:54,360

officers does that does that satisfy you

96

00:04:58,189 --> 00:04:56,400

no no you're a very very quick quotation

97

00:04:59,330 --> 00:04:58,199

from a guy who is past president of the

98

00:05:00,530 --> 00:04:59,340

international Society of clinical

99

00:05:02,090 --> 00:05:00,540

hypnotists it'll have to be quick

100

00:05:04,010 --> 00:05:02,100

professor of Psychiatry and various

101
00:05:05,990 --> 00:05:04,020
other things and what he says about this

102
00:05:08,090 --> 00:05:06,000
kind of hypnosis is there is no way by

103
00:05:10,010 --> 00:05:08,100
which anyone even a psychologist or

104
00:05:11,990 --> 00:05:10,020
psychiatrist with extensive training in

105
00:05:12,950 --> 00:05:12,000
the field of hypnosis can for any

106
00:05:14,930 --> 00:05:12,960
particular piece of information

107
00:05:17,150 --> 00:05:14,940
determine whether it is an actual memory

108
00:05:18,950 --> 00:05:17,160
versus a confabulation that's it by

109
00:05:20,570 --> 00:05:18,960
confabulation he means a construction

110
00:05:21,950 --> 00:05:20,580
that comes out of the unconscious mind

111
00:05:23,450 --> 00:05:21,960
from things that have been read from

112
00:05:25,010 --> 00:05:23,460
things that have been heard Harry what

113
00:05:27,650 --> 00:05:25,020

you have to say to that then well we're

114

00:05:30,110 --> 00:05:27,660

talking about no my comment is this that

115

00:05:32,090 --> 00:05:30,120

I have arranged probably about a dozen

116

00:05:33,710 --> 00:05:32,100

or more hypnotic regression experiments

117

00:05:36,170 --> 00:05:33,720

with different doctors

118

00:05:37,790 --> 00:05:36,180

under hypnosis well what comes how this

119

00:05:41,350 --> 00:05:37,800

comes about is you have a witness or

120

00:05:44,090 --> 00:05:41,360

Witnesses who see a u film followed by

121

00:05:45,469 --> 00:05:44,100

well all right think they do followed by

122

00:05:47,210 --> 00:05:45,479

an amnesia

123

00:05:48,469 --> 00:05:47,220

uh often they are multiple witness

124

00:05:50,749 --> 00:05:48,479

sightings

125

00:05:53,270 --> 00:05:50,759

during hit the hypnotic regression

126

00:05:55,430 --> 00:05:53,280

session let me finish during the

127

00:05:59,090 --> 00:05:55,440

hypnotic regression experiment sessions

128

00:06:02,270 --> 00:05:59,100

they come out with the same account more

129

00:06:04,310 --> 00:06:02,280

or less as Alan Godfrey under hypnosis

130

00:06:06,249 --> 00:06:04,320

their blood pressure Rises their pulse

131

00:06:11,330 --> 00:06:06,259

rate they express

132

00:06:12,890 --> 00:06:11,340

display extreme bodily fear now if the

133

00:06:14,450 --> 00:06:12,900

accounts are very similar I have no

134

00:06:15,770 --> 00:06:14,460

explanation I wish I had you must be

135

00:06:16,850 --> 00:06:15,780

aware of it right I'm still quite

136

00:06:19,730 --> 00:06:16,860

intrigued because I know that we could

137

00:06:20,930 --> 00:06:19,740

go down a path of the hypnotism which um

138

00:06:23,990 --> 00:06:20,940

I mean I'm still interested you know how

139

00:06:25,850 --> 00:06:24,000

I got it I'm still intrigued by this

140

00:06:26,749 --> 00:06:25,860

business about losing an hour out of

141

00:06:28,129 --> 00:06:26,759

your life which is actually what

142

00:06:30,529 --> 00:06:28,139

happened to you as well isn't it Victor

143

00:06:33,230 --> 00:06:30,539

now how did that did that happen yeah

144

00:06:35,749 --> 00:06:33,240

I'd first like to say that before I had

145

00:06:38,150 --> 00:06:35,759

my UFO experience or my mother and I had

146

00:06:40,730 --> 00:06:38,160

had the experience

147

00:06:42,409 --> 00:06:40,740

um I had no interest in UFOs at all but

148

00:06:45,249 --> 00:06:42,419

I wouldn't have thought insensitive

149

00:06:47,930 --> 00:06:45,259

enough to laugh at somebody okay okay

150

00:06:50,809 --> 00:06:47,940

right got some insensitive people in

151

00:06:52,430 --> 00:06:50,819

here tonight very much so yes

152

00:06:53,749 --> 00:06:52,440

um my mother and I were innocently

153

00:06:55,550 --> 00:06:53,759

traveling home from Southport to

154

00:06:58,969 --> 00:06:55,560

Manchester after visiting a sick

155

00:07:01,969 --> 00:06:58,979

relation we were buzzed by a UFO it came

156

00:07:03,950 --> 00:07:01,979

40 feet above our car it was a massive

157

00:07:06,350 --> 00:07:03,960

craft twice the size of a double decker

158

00:07:09,409 --> 00:07:06,360

bus it was a soundless craft the lights

159

00:07:11,689 --> 00:07:09,419

on it were five feet in diameter it

160

00:07:13,430 --> 00:07:11,699

slowed my car down from 66 miles an hour

161

00:07:15,590 --> 00:07:13,440

down to four miles an hour and my car

162

00:07:17,210 --> 00:07:15,600

was literally bumping off the road all

163

00:07:19,129 --> 00:07:17,220

the electrics were interfered with and

164

00:07:20,689 --> 00:07:19,139

the engine was interfered with we were

165

00:07:23,330 --> 00:07:20,699

stopped on the Queen's Highway we were

166

00:07:25,969 --> 00:07:23,340

interfered with on that road by an

167

00:07:28,189 --> 00:07:25,979

aircraft of unknown Origins it's just

168

00:07:30,830 --> 00:07:28,199

fascinating how much time did you lose

169

00:07:32,510 --> 00:07:30,840

exactly we lost 50 five minutes out of

170

00:07:35,270 --> 00:07:32,520

our lives and I've been under hypnosis

171

00:07:37,670 --> 00:07:35,280

five times as you want to find out what

172

00:07:40,129 --> 00:07:37,680

happened yes I do but I want to find out

173

00:07:42,710 --> 00:07:40,139

where the craft came from it was not

174

00:07:44,629 --> 00:07:42,720

from this Earth tell me how seriously

175

00:07:46,129 --> 00:07:44,639

that was taken I know you tried to find

176

00:07:48,589 --> 00:07:46,139

out from the mod if they knew anything

177

00:07:52,550 --> 00:07:50,870

I was ignored for a long long time and

178

00:07:55,249 --> 00:07:52,560

then I got a very silly stupid letter

179

00:07:58,249 --> 00:07:55,259

back about saying that um they they

180

00:08:00,770 --> 00:07:58,259

agreed that some UFO

181

00:08:02,150 --> 00:08:00,780

um we don't need to see we don't need to

182

00:08:03,589 --> 00:08:02,160

see the letter Harry but they actually

183

00:08:05,629 --> 00:08:03,599

told you to go and see a doctor didn't

184

00:08:07,309 --> 00:08:05,639

they the second letter I got that sorry

185

00:08:08,749 --> 00:08:07,319

the first letter I broadly advised me to

186

00:08:10,969 --> 00:08:08,759

my mother and I to go and see a doctor

187

00:08:12,589 --> 00:08:10,979

if we were upset about it which you were

188

00:08:14,870 --> 00:08:12,599

obviously very upset about the letter as

189

00:08:17,210 --> 00:08:14,880

well well in fact we do have someone

190

00:08:18,890 --> 00:08:17,220

here tonight who has spent many years

191

00:08:22,129 --> 00:08:18,900

working for the ministry of Defense

192

00:08:24,710 --> 00:08:22,139

Ralph noise now what about treating a

193

00:08:26,270 --> 00:08:24,720

case like that well I'm extremely sorry

194

00:08:28,309 --> 00:08:26,280

to hear that Linda had a silly and

195

00:08:30,830 --> 00:08:28,319

stupid letter but what would you expect

196

00:08:33,829 --> 00:08:30,840

a government Department to do about a

197

00:08:35,990 --> 00:08:33,839

story which is told like that if I may

198

00:08:38,630 --> 00:08:36,000

speak personally I haven't got the least

199

00:08:41,690 --> 00:08:38,640

doubt that what happened to Linda and

200

00:08:44,029 --> 00:08:41,700

what happened to Alan is parallel by

201
00:08:46,790 --> 00:08:44,039
hundreds of cases worldwide which I

202
00:08:48,470 --> 00:08:46,800
think are very well evidenced I thought

203
00:08:50,210 --> 00:08:48,480
it was very nice of the Brave lady back

204
00:08:52,850 --> 00:08:50,220
there to report her citing that orange

205
00:08:54,910 --> 00:08:52,860
Globe I understand what the gentleman

206
00:08:58,730 --> 00:08:54,920
Beck was saying

207
00:09:00,590 --> 00:08:58,740
what does the ministry of defense do in

208
00:09:03,530 --> 00:09:00,600
these cases exactly what did you do

209
00:09:04,970 --> 00:09:03,540
because of your defense is to consider

210
00:09:07,430 --> 00:09:04,980
whether anything has got into our

211
00:09:10,009 --> 00:09:07,440
airspace which shouldn't be there

212
00:09:13,310 --> 00:09:10,019
um well it sounds as if it has well it

213
00:09:15,410 --> 00:09:13,320

never has in any solid form that we ever

214

00:09:17,630 --> 00:09:15,420

traced and I think we're into a very

215

00:09:19,130 --> 00:09:17,640

difficult area here because when you

216

00:09:21,829 --> 00:09:19,140

start talking about something which is

217

00:09:25,009 --> 00:09:21,839

real but not solid you're into a very

218

00:09:27,470 --> 00:09:25,019

weird area the ministry of Defense

219

00:09:30,110 --> 00:09:27,480

received hundreds and hundreds of

220

00:09:32,630 --> 00:09:30,120

reports in the public every year uh in

221

00:09:34,190 --> 00:09:32,640

in tricky years meaning when things seem

222

00:09:35,690 --> 00:09:34,200

to be going on we used to get seven or

223

00:09:37,910 --> 00:09:35,700

eight hundred reports sometimes two of

224

00:09:40,370 --> 00:09:37,920

them but do they take it seriously every

225

00:09:42,410 --> 00:09:40,380

single time but hang on but but then

226

00:09:43,570 --> 00:09:42,420

they take it seriously enough do you

227

00:09:46,250 --> 00:09:43,580

think

228

00:09:47,590 --> 00:09:46,260

may I respond to them may I respond to

229

00:09:50,210 --> 00:09:47,600

Harry

230

00:09:53,269 --> 00:09:50,220

it's a fire live Rockets out of you

231

00:09:55,370 --> 00:09:53,279

which had intruded into UK airspace okay

232

00:09:57,070 --> 00:09:55,380

we're short of time to go into another

233

00:10:00,470 --> 00:09:57,080

story

234

00:10:03,350 --> 00:10:00,480

sorry the concern of the ministry of

235

00:10:05,750 --> 00:10:03,360

Defense can only be can only be it as a

236

00:10:07,730 --> 00:10:05,760

defense department has anything got into

237

00:10:09,710 --> 00:10:07,740

our airspace which shouldn't be there

238

00:10:12,110 --> 00:10:09,720

which has got past our radar system

239

00:10:14,750 --> 00:10:12,120

which might do damage

240

00:10:16,250 --> 00:10:14,760

we never encountered anything which

241

00:10:17,150 --> 00:10:16,260

persisted from all the machines I'm

242

00:10:18,829 --> 00:10:17,160

sorry

243

00:10:20,449 --> 00:10:18,839

I'm going to have to stop you I'm
