

**Three live in pain and terror
after attack by blazing UFO**

1
00:00:05,749 --> 00:00:02,629
it was

2
00:00:07,849 --> 00:00:05,759
between 9 and 9 15 we was coming back

3
00:00:09,430 --> 00:00:07,859
from New Caney we had been to a bingo

4
00:00:14,030 --> 00:00:09,440
game midi cash

5
00:00:16,010 --> 00:00:14,040
my grandson Kobe Landrum and me

6
00:00:18,290 --> 00:00:16,020
and um

7
00:00:20,150 --> 00:00:18,300
we started seeing the line over to the

8
00:00:24,170 --> 00:00:20,160
left of us

9
00:00:27,769 --> 00:00:24,180
and it seemed to be

10
00:00:31,130 --> 00:00:27,779
way off and but we got to wondering what

11
00:00:33,350 --> 00:00:31,140
it was and uh

12
00:00:35,270 --> 00:00:33,360
the trees every once in a while would

13
00:00:37,069 --> 00:00:35,280

make it disappear and then it would come

14

00:00:40,490 --> 00:00:37,079

back into view

15

00:00:45,110 --> 00:00:40,500

and as we went down the road well

16

00:00:51,950 --> 00:00:47,510

were you afraid at all

17

00:00:55,010 --> 00:00:51,960

not at first we was just curious to you

18

00:00:57,830 --> 00:00:55,020

know and wondering what it was and uh

19

00:01:00,229 --> 00:00:57,840

because Kobe kept saying uh see it

20

00:01:02,090 --> 00:01:00,239

Grandma see it Grandma uh he'd say see

21

00:01:04,070 --> 00:01:02,100

it ain't Betty and uh

22

00:01:07,130 --> 00:01:04,080

so we said yeah we see it and he'd say

23

00:01:08,750 --> 00:01:07,140

what is it and we said well we don't

24

00:01:10,969 --> 00:01:08,760

know you know

25

00:01:14,330 --> 00:01:10,979

you estimate what color it was or how

26

00:01:16,190 --> 00:01:14,340

big it was well it was

27

00:01:19,670 --> 00:01:16,200

um

28

00:01:21,770 --> 00:01:19,680

when we first saw it it was

29

00:01:23,990 --> 00:01:21,780

um about half as big as a water tower

30

00:01:26,929 --> 00:01:24,000

and it looked um

31

00:01:30,890 --> 00:01:26,939

you know it was a big bike kind of

32

00:01:32,510 --> 00:01:30,900

glowing light you know and um

33

00:01:36,530 --> 00:01:32,520

so

34

00:01:39,350 --> 00:01:36,540

as we traveled on down the road well uh

35

00:01:43,429 --> 00:01:39,360

it disappeared and then it come back

36

00:01:48,350 --> 00:01:46,490

nobody was following you at all no we

37

00:01:50,210 --> 00:01:48,360

were going like we were going toward

38

00:01:52,490 --> 00:01:50,220

where it was

39

00:01:55,730 --> 00:01:52,500

and it was kind of like it was floating

40

00:01:58,249 --> 00:01:55,740

uh on to the

41

00:02:00,230 --> 00:01:58,259

closer to the left of us

42

00:02:02,270 --> 00:02:00,240

and um

43

00:02:04,010 --> 00:02:02,280

so

44

00:02:06,109 --> 00:02:04,020

when we get

45

00:02:07,249 --> 00:02:06,119

down here I'll show you exactly where

46

00:02:09,169 --> 00:02:07,259

he's at

47

00:02:13,790 --> 00:02:09,179

were there any other cars on this road

48

00:02:19,070 --> 00:02:16,309

if it's you know it was kind of Cloudy

49

00:02:20,630 --> 00:02:19,080

and had been bad

50

00:02:22,490 --> 00:02:20,640

it was um

51
00:02:23,990 --> 00:02:22,500
when it's like that there's not very

52
00:02:26,630 --> 00:02:24,000
many people to travel through here

53
00:02:29,390 --> 00:02:26,640
because it's

54
00:02:32,930 --> 00:02:29,400
you know in the wintertime people stay

55
00:02:38,630 --> 00:02:35,089
the year was this

56
00:02:50,990 --> 00:02:41,210
uh

57
00:02:56,750 --> 00:02:52,570
not down here

58
00:03:01,490 --> 00:02:58,610
what about you Kobe what'd you think of

59
00:03:08,750 --> 00:03:03,410
it's scary

60
00:03:13,430 --> 00:03:11,630
like bright

61
00:03:17,149 --> 00:03:13,440
yeah

62
00:03:22,970 --> 00:03:19,130
right before

63
00:03:22,980 --> 00:03:32,149

it looked like a diamond

64

00:03:38,509 --> 00:03:35,270

nope it was a white light

65

00:03:39,400 --> 00:03:38,519

no it was it looked like fire

66

00:03:43,430 --> 00:03:39,410

it's like fire

67

00:03:48,530 --> 00:03:45,890

I'll tell you what scared of then you

68

00:04:04,070 --> 00:03:52,089

is it making a big noise like a trainer

69

00:04:11,770 --> 00:04:06,410

about where that sign is yeah just a

70

00:04:17,810 --> 00:04:15,310

okay now once we get past this sign

71

00:04:20,210 --> 00:04:17,820

what began to happen I love them down a

72

00:04:22,370 --> 00:04:20,220

little bit further

73

00:04:26,930 --> 00:04:22,380

well all at once I saw it and when it

74

00:04:29,030 --> 00:04:26,940

come in to the left of us and um

75

00:04:32,270 --> 00:04:29,040

I screamed

76

00:04:34,909 --> 00:04:32,280

on down a little bit further

77

00:04:37,070 --> 00:04:34,919

not long about here

78

00:04:39,110 --> 00:04:37,080

and it was raining and everything we

79

00:04:41,450 --> 00:04:39,120

couldn't pull over it out of the road

80

00:04:43,850 --> 00:04:41,460

but it it's just like it it come down

81

00:04:45,950 --> 00:04:43,860

and it was just you know hanging up

82

00:04:50,210 --> 00:04:45,960

there and um

83

00:04:52,070 --> 00:04:50,220

blocking your path well I I feel like if

84

00:04:54,290 --> 00:04:52,080

we had a went on

85

00:04:56,749 --> 00:04:54,300

we would have burned up because you

86

00:05:00,230 --> 00:04:56,759

could feel the heat from it and it was

87

00:05:02,749 --> 00:05:00,240

um about the size of a water tower and

88

00:05:06,290 --> 00:05:02,759

when the Fire come out out the bottom of

89

00:05:08,270 --> 00:05:06,300

it it would it never did get only just

90

00:05:10,310 --> 00:05:08,280

you know past you know up above the

91

00:05:12,290 --> 00:05:10,320

Treetops I thought you saw something

92

00:05:14,510 --> 00:05:12,300

that there was actual flame shooting out

93

00:05:17,390 --> 00:05:14,520

of it yes sir the flame when it would

94

00:05:18,350 --> 00:05:17,400

come down it would lift and when it

95

00:05:21,050 --> 00:05:18,360

would let

96

00:05:23,270 --> 00:05:21,060

off it would ease back like it was going

97

00:05:25,490 --> 00:05:23,280

to come down you know and making a loud

98

00:05:27,890 --> 00:05:25,500

noise yes sir any uh when the flame

99

00:05:29,930 --> 00:05:27,900

would come way down it sounded like

100

00:05:30,770 --> 00:05:29,940

you've heard um

101

00:05:34,189 --> 00:05:30,780

um

102

00:05:36,529 --> 00:05:34,199

let me explain to you this way uh uh

103

00:05:39,230 --> 00:05:36,539

like when anybody's doing well then you

104

00:05:41,870 --> 00:05:39,240

know how that the sound except it was

105

00:05:43,969 --> 00:05:41,880

loud loud loud and when it would come

106

00:05:47,090 --> 00:05:43,979

down well that's what it would lift up

107

00:05:50,150 --> 00:05:47,100

in the um it just sat there suspended

108

00:05:52,969 --> 00:05:50,160

and Betty got out Betty cash and walked

109

00:05:54,830 --> 00:05:52,979

past the front of the car because she

110

00:05:59,210 --> 00:05:54,840

was trying to find out what it was

111

00:06:04,129 --> 00:06:01,490

um two or three minutes I guess and uh

112

00:06:07,249 --> 00:06:04,139

he was trying to get away from it to run

113

00:06:08,990 --> 00:06:07,259

and um I grabbed a hold of him and he

114

00:06:10,909 --> 00:06:09,000

and pushed him back in the car and he

115

00:06:12,950 --> 00:06:10,919

grabbed a hold of me of pulling and

116

00:06:14,810 --> 00:06:12,960

screaming for me to get back in the car

117

00:06:16,550 --> 00:06:14,820

and I got back in the car and I was

118

00:06:18,290 --> 00:06:16,560

begging Betty to get back in the car

119

00:06:21,170 --> 00:06:18,300

because I felt like we were going to

120

00:06:24,469 --> 00:06:21,180

burn up and um

121

00:06:29,749 --> 00:06:27,529

all I could think of

122

00:06:32,330 --> 00:06:29,759

I've been raised that you know the world

123

00:06:35,150 --> 00:06:32,340

will be destroyed by fire you know and

124

00:06:36,950 --> 00:06:35,160

the whole area looked like it was you

125

00:06:38,749 --> 00:06:36,960

know from the light of it looked like

126

00:06:42,290 --> 00:06:38,759

that the whole Woods was going to be set

127

00:06:43,909 --> 00:06:42,300

on fire and uh Kobe was screaming and

128

00:06:46,730 --> 00:06:43,919

everything and I was afraid that he was

129

00:06:48,650 --> 00:06:46,740

going to have a heart attack so um I'm

130

00:06:51,110 --> 00:06:48,660

beginning to talk to him that you know

131

00:06:54,230 --> 00:06:51,120

if he saw a big band it would be Jesus

132

00:06:56,510 --> 00:06:54,240

and he'd come to cast a better place and

133

00:06:58,129 --> 00:06:56,520

um he asked me one part about his papa

134

00:07:00,890 --> 00:06:58,139

and I said we go through Dayton and pick

135

00:07:03,710 --> 00:07:00,900

him up that's all I could think of to

136

00:07:06,290 --> 00:07:03,720

calm him down enough that he

137

00:07:08,749 --> 00:07:06,300

with that that he wouldn't die because

138

00:07:11,689 --> 00:07:08,759

I've always felt like that anybody could

139

00:07:12,650 --> 00:07:11,699

be scared enough that they would die and

140

00:07:16,550 --> 00:07:12,660

um

141

00:07:18,529 --> 00:07:16,560

I was scared and he was scared and Betty

142

00:07:20,809 --> 00:07:18,539

got back in the car and she was scared

143

00:07:23,689 --> 00:07:20,819

but when it that last plane come way

144

00:07:26,210 --> 00:07:23,699

down it lifted off and it went over to

145

00:07:29,330 --> 00:07:26,220

the right of us and it just gradually

146

00:07:30,290 --> 00:07:29,340

went up and went it didn't foof off it

147

00:07:32,930 --> 00:07:30,300

just

148

00:07:34,610 --> 00:07:32,940

you know gradually went and we when it

149

00:07:36,650 --> 00:07:34,620

got out of the way we started on down

150

00:07:38,409 --> 00:07:36,660

and we could see it

151
00:07:41,990 --> 00:07:38,419
but

152
00:07:45,409 --> 00:07:42,000
we saw that we saw helicopters how many

153
00:07:47,450 --> 00:07:45,419
helicopters and they were well a lot of

154
00:07:50,029 --> 00:07:47,460
I mean they were

155
00:07:51,409 --> 00:07:50,039
more and more because they a helicopter

156
00:07:53,930 --> 00:07:51,419
just kept coming you know from all

157
00:07:56,450 --> 00:07:53,940
directions and they were the kind that

158
00:07:58,249 --> 00:07:56,460
uh reason we

159
00:07:59,930 --> 00:07:58,259
were so curious about them they had the

160
00:08:02,390 --> 00:07:59,940
double rotaries to them you know the

161
00:08:04,370 --> 00:08:02,400
kind that we never I had never saw

162
00:08:07,730 --> 00:08:04,380
before what happened when you got out of

163
00:08:10,490 --> 00:08:07,740

the car well uh when I screamed for her

164

00:08:12,230 --> 00:08:10,500

to stop uh it would have went on under

165

00:08:15,589 --> 00:08:12,240

it we'd have burned up

166

00:08:16,370 --> 00:08:15,599

and um we got out in the car

167

00:08:18,529 --> 00:08:16,380

um

168

00:08:19,670 --> 00:08:18,539

to see if we could figure out you know

169

00:08:21,830 --> 00:08:19,680

what it was

170

00:08:25,850 --> 00:08:21,840

and I think we got out in the car to run

171

00:08:27,469 --> 00:08:25,860

but Kobe was screaming and hollering and

172

00:08:29,089 --> 00:08:27,479

trying to get away from me and I knew if

173

00:08:30,830 --> 00:08:29,099

I let him away I don't know where I'd

174

00:08:32,690 --> 00:08:30,840

have called him or not so I grabbed him

175

00:08:35,050 --> 00:08:32,700

and pushed him back in the car

176

00:08:37,850 --> 00:08:35,060

was it threatening you at all

177

00:08:40,070 --> 00:08:37,860

no it was just hanging there and when

178

00:08:42,050 --> 00:08:40,080

the fire come down it would lift

179

00:08:44,389 --> 00:08:42,060

and then when the fire let up it was

180

00:08:45,470 --> 00:08:44,399

like it was coming back down again and

181

00:08:47,870 --> 00:08:45,480

it was hot

182

00:08:50,870 --> 00:08:47,880

it was real hot

183

00:08:53,449 --> 00:08:50,880

what happened to you and um

184

00:08:55,430 --> 00:08:53,459

well I didn't realize at the time

185

00:08:58,490 --> 00:08:55,440

anything was happening to me

186

00:09:01,250 --> 00:08:58,500

except I was afraid I got back out when

187

00:09:03,650 --> 00:09:01,260

we got back in the car and I finally got

188

00:09:06,769 --> 00:09:03,660

Betty back in the car and it lifted and

189

00:09:09,710 --> 00:09:06,779

went over to the lot of us we was on our

190

00:09:11,630 --> 00:09:09,720

way home well um I had a headache and

191

00:09:14,870 --> 00:09:11,640

Betty could take my terrible headache

192

00:09:17,870 --> 00:09:14,880

and um

193

00:09:20,570 --> 00:09:17,880

Kobe said he was burning

194

00:09:21,530 --> 00:09:20,580

and it was just like we had been out in

195

00:09:25,370 --> 00:09:21,540

the

196

00:09:27,650 --> 00:09:25,380

heat and got sunburned you know how to

197

00:09:29,810 --> 00:09:27,660

um win anything a chappie in the winter

198

00:09:30,949 --> 00:09:29,820

time and you feel like you you know you

199

00:09:32,570 --> 00:09:30,959

burning

200

00:09:35,690 --> 00:09:32,580

well that's the way we felt and I got

201
00:09:39,290 --> 00:09:35,700
home and put uh baby lotion on us and by

202
00:09:41,449 --> 00:09:39,300
one o'clock we was blistered and Betty

203
00:09:45,170 --> 00:09:41,459
uh the lady that was with us Betty cash

204
00:09:46,730 --> 00:09:45,180
she had big blisters on

205
00:09:50,990 --> 00:09:46,740
this side

206
00:09:52,550 --> 00:09:51,000
of her on her neck and on her face and

207
00:09:55,130 --> 00:09:52,560
it was

208
00:09:57,889 --> 00:09:55,140
big old knots they hadn't come out into

209
00:10:02,329 --> 00:09:57,899
blisters and um

210
00:10:04,970 --> 00:10:02,339
I tried for from I

211
00:10:07,130 --> 00:10:04,980
from December and I tried till the 2nd

212
00:10:09,230 --> 00:10:07,140
of January before I got her into a

213
00:10:11,150 --> 00:10:09,240

hospital I got a doctor to see her

214

00:10:13,430 --> 00:10:11,160

because she didn't have any people here

215

00:10:16,610 --> 00:10:13,440

and I somebody had to take care of her

216

00:10:18,650 --> 00:10:16,620

and when I got her in the hospital all

217

00:10:19,970 --> 00:10:18,660

of them down there asked if we was a

218

00:10:23,870 --> 00:10:19,980

burn patient

219

00:10:26,870 --> 00:10:23,880

and she said no yeah but I mean I wasn't

220

00:10:29,210 --> 00:10:26,880

as bad as she was so I felt like that I

221

00:10:31,370 --> 00:10:29,220

had to stay able to take care of Kobe

222

00:10:33,170 --> 00:10:31,380

and to take care of her what did the

223

00:10:35,449 --> 00:10:33,180

doctor say to you when he examined all

224

00:10:38,030 --> 00:10:35,459

three of you uh

225

00:10:40,070 --> 00:10:38,040

well he that's what he asked is have had

226

00:10:41,990 --> 00:10:40,080

we been burned

227

00:10:44,269 --> 00:10:42,000

and we told him not his you know no

228

00:10:46,850 --> 00:10:44,279

because we hadn't we thought he meant

229

00:10:49,550 --> 00:10:46,860

like burn with fire or you know

230

00:10:51,410 --> 00:10:49,560

something like that and um

231

00:10:53,870 --> 00:10:51,420

when Betty broke out in those big old

232

00:10:55,009 --> 00:10:53,880

blisters and all of her hair started

233

00:10:57,889 --> 00:10:55,019

falling out

234

00:10:59,269 --> 00:10:57,899

well um they couldn't understand it and

235

00:11:03,530 --> 00:10:59,279

he couldn't find out what was wrong with

236

00:11:05,569 --> 00:11:03,540

her and uh so um

237

00:11:07,069 --> 00:11:05,579

I knew it had to be something that

238

00:11:10,250 --> 00:11:07,079

happened

239

00:11:13,130 --> 00:11:10,260

with the object because we were all

240

00:11:15,290 --> 00:11:13,140

three of us we had the same symptoms we

241

00:11:19,069 --> 00:11:15,300

were hurt bad where were you hurt the

242

00:11:24,290 --> 00:11:19,079

worst well um just my eyes medically

243

00:11:27,170 --> 00:11:24,300

what exactly happened to you and Kobe uh

244

00:11:28,910 --> 00:11:27,180

did it hurt your eyes it hurt our eyes

245

00:11:32,509 --> 00:11:28,920

ah

246

00:11:34,550 --> 00:11:32,519

because my eyes swelled and they teared

247

00:11:36,350 --> 00:11:34,560

when I'd go to sleep at night next

248

00:11:38,690 --> 00:11:36,360

morning my pillow would be completely

249

00:11:41,690 --> 00:11:38,700

wet and it looked just like

250

00:11:43,370 --> 00:11:41,700

they were just gonna deteriorate what

251
00:11:46,009 --> 00:11:43,380
did it do to your skin

252
00:11:48,230 --> 00:11:46,019
well same thing the blisters

253
00:11:49,730 --> 00:11:48,240
and and then the blisters you know when

254
00:11:52,370 --> 00:11:49,740
they started getting

255
00:11:54,110 --> 00:11:52,380
better they were runny blisters and and

256
00:11:56,990 --> 00:11:54,120
it's like that my whole hand was going

257
00:12:00,710 --> 00:11:57,000
to bleed my arms what did the doctors

258
00:12:00,720 --> 00:12:04,190
they um

259
00:12:04,200 --> 00:12:10,490
said it had to be some sort of radiation

260
00:12:14,710 --> 00:12:12,410
are you experiencing anything else

261
00:12:18,470 --> 00:12:14,720
besides

262
00:12:24,470 --> 00:12:18,480
vomiting and um like him he had no

263
00:12:30,470 --> 00:12:27,949

we couldn't eat and we drink water I

264

00:12:32,750 --> 00:12:30,480

mean it was just like we were dying for

265

00:12:34,310 --> 00:12:32,760

a drink of water we didn't want we

266

00:12:35,930 --> 00:12:34,320

didn't want cold we didn't want nothing

267

00:12:38,630 --> 00:12:35,940

but water

268

00:12:40,970 --> 00:12:38,640

we couldn't get enough water

269

00:12:42,889 --> 00:12:40,980

when you came out of the car and looked

270

00:12:45,490 --> 00:12:42,899

and you saw this thing move away what

271

00:12:48,470 --> 00:12:45,500

exactly went on when you saw it lift off

272

00:12:50,329 --> 00:12:48,480

well I said I was sitting back in the

273

00:12:53,210 --> 00:12:50,339

car I hadn't got back in the car and I

274

00:12:55,970 --> 00:12:53,220

said Thank God It's Going you know

275

00:12:57,949 --> 00:12:55,980

and I said uh

276

00:13:00,470 --> 00:12:57,959

let's wait a minute and we'll be ready

277

00:13:03,829 --> 00:13:00,480

uh then maybe we can you know get Andre

278

00:13:05,389 --> 00:13:03,839

so when it lifted well um

279

00:13:12,889 --> 00:13:05,399

we

280

00:13:15,110 --> 00:13:12,899

on under it I mean on down the road

281

00:13:17,810 --> 00:13:15,120

because it had drifted over to to the

282

00:13:19,430 --> 00:13:17,820

left of us and um

283

00:13:21,769 --> 00:13:19,440

I just want to begin to see the

284

00:13:23,389 --> 00:13:21,779

helicopters what kind of helicopters

285

00:13:24,470 --> 00:13:23,399

well um

286

00:13:27,290 --> 00:13:24,480

what made you think they were

287

00:13:29,990 --> 00:13:27,300

helicopters because uh

288

00:13:31,970 --> 00:13:30,000

they sounded I mean the rotaries and

289

00:13:34,610 --> 00:13:31,980

everything you could hear the swish of

290

00:13:36,650 --> 00:13:34,620

them you could hear the Aurora um

291

00:13:40,129 --> 00:13:36,660

and um

292

00:13:42,230 --> 00:13:40,139

you can see them from the a glow from

293

00:13:44,990 --> 00:13:42,240

the object you could see the helicopters

294

00:13:46,550 --> 00:13:45,000

this object was it suspended by a cable

295

00:13:48,829 --> 00:13:46,560

or something from one of the helicopters

296

00:13:52,190 --> 00:13:48,839

I could we couldn't tell

297

00:13:54,650 --> 00:13:52,200

but it uh you know when it was

298

00:13:57,590 --> 00:13:54,660

hanging there you know like it was going

299

00:14:00,889 --> 00:13:57,600

to fall we could hear a beep

300

00:14:03,470 --> 00:14:00,899

and it was a loud beep it's real it's

301

00:14:05,750 --> 00:14:03,480

real shrill beat beep how many

302

00:14:07,550 --> 00:14:05,760

helicopters were there in the air

303

00:14:10,310 --> 00:14:07,560

um

304

00:14:13,550 --> 00:14:10,320

well they didn't count them here when we

305

00:14:15,949 --> 00:14:13,560

we went on down it's about four miles we

306

00:14:19,930 --> 00:14:15,959

stopped and we counted uh the

307

00:14:22,190 --> 00:14:19,940

helicopters I counted 22. 22 helicopters

308

00:14:24,650 --> 00:14:22,200

said there's another one and I said yeah

309

00:14:27,110 --> 00:14:24,660

that makes 23. but I actually counted

310

00:14:29,930 --> 00:14:27,120

22.

311

00:14:31,490 --> 00:14:29,940

I could account and one want to you know

312

00:14:33,769 --> 00:14:31,500

are

313

00:14:36,470 --> 00:14:33,779

twice maybe but if they'd have been

314

00:14:38,210 --> 00:14:36,480

eight or ten of them that big a helicopt

315

00:14:40,430 --> 00:14:38,220

because it would have been too many were

316

00:14:43,009 --> 00:14:40,440

they chasing this object

317

00:14:45,949 --> 00:14:43,019

well they uh it was like as if they were

318

00:14:49,069 --> 00:14:45,959

around it and and coming to it and

319

00:14:52,129 --> 00:14:49,079

everything like it was this object was

320

00:14:58,009 --> 00:14:55,670

and they were you know maybe

321

00:15:00,050 --> 00:14:58,019

gonna you know

322

00:15:02,269 --> 00:15:00,060

be there in case it fell or something

323

00:15:03,889 --> 00:15:02,279

what happened then when you saw the

324

00:15:05,750 --> 00:15:03,899

helicopters and this object in the air

325

00:15:08,389 --> 00:15:05,760

well it um

326

00:15:10,790 --> 00:15:08,399

kept drifting off to the right of us and

327

00:15:13,389 --> 00:15:10,800

when we got almost to Dayton we could

328

00:15:16,970 --> 00:15:13,399

yet look back and see the uh

329

00:15:19,550 --> 00:15:16,980

the object the glow of the object and

330

00:15:22,310 --> 00:15:19,560

they were yet helicopters come yet

331

00:15:24,290 --> 00:15:22,320

coming and going toward it what do you

332

00:15:25,490 --> 00:15:24,300

think all this was I think it's

333

00:15:28,910 --> 00:15:25,500

something the government

334

00:15:31,490 --> 00:15:28,920

has and it got out of control

335

00:15:33,110 --> 00:15:31,500

you don't think it was a spaceship from

336

00:15:40,670 --> 00:15:33,120

another planet you think it was Earth

337

00:15:43,430 --> 00:15:42,470

it was something the government had up

338

00:15:47,090 --> 00:15:43,440

there

339

00:15:49,670 --> 00:15:47,100

if they didn't if it wasn't government

340

00:15:51,590 --> 00:15:49,680

the government knew about it because the

341

00:15:55,250 --> 00:15:51,600

helicopters were up there and they were

342

00:15:57,110 --> 00:15:55,260

our government helicopters if they don't

343

00:15:59,509 --> 00:15:57,120

know about it somebody's done ripped

344

00:16:01,069 --> 00:15:59,519

them off did you contact the Air Force

345

00:16:03,350 --> 00:16:01,079

after your incident happened and ask

346

00:16:05,870 --> 00:16:03,360

them what they were doing out here yes

347

00:16:08,210 --> 00:16:05,880

sir and they said they wasn't out here

348

00:16:14,569 --> 00:16:08,220

they said the helicopters don't fly at

349

00:16:18,410 --> 00:16:16,850

did you try to contact the Air Force

350

00:16:20,810 --> 00:16:18,420

about what you saw

351

00:16:24,590 --> 00:16:20,820

yesterday we went to uh

352

00:16:26,990 --> 00:16:24,600

um Austin to the Air Force Base and

353

00:16:29,750 --> 00:16:27,000

begged them for help what did they tell

354

00:16:32,150 --> 00:16:29,760

you they said if we wanted any help we

355

00:16:34,670 --> 00:16:32,160

would have to find us a lawyer and file

356

00:16:36,530 --> 00:16:34,680

some papers did they deny having these

357

00:16:38,230 --> 00:16:36,540

helicopters in the area oh they didn't

358

00:16:41,150 --> 00:16:38,240

know nothing about it but they had the

359

00:16:43,730 --> 00:16:41,160

map spread out

360

00:16:45,769 --> 00:16:43,740

and we couldn't see because our eyes

361

00:16:48,769 --> 00:16:45,779

were burning so bad and the lady that

362

00:16:50,629 --> 00:16:48,779

was in there pinpointed the road to us

363

00:16:52,790 --> 00:16:50,639

but yet they didn't know nothing about

364

00:16:54,590 --> 00:16:52,800

it did the Army have anything to do with

365

00:16:57,170 --> 00:16:54,600

this did you try to contact the Army

366

00:16:59,449 --> 00:16:57,180

we've tried to contact everybody

367

00:17:01,550 --> 00:16:59,459

and everybody denies it

368

00:17:04,490 --> 00:17:01,560

but apart one of the

369

00:17:06,169 --> 00:17:04,500

um National Guard Pilots said they were

370

00:17:08,030 --> 00:17:06,179

called out that night by Montgomery

371

00:17:09,890 --> 00:17:08,040

County Sheriff's department but when he

372

00:17:13,010 --> 00:17:09,900

was counted he didn't know nothing about

373

00:17:15,590 --> 00:17:13,020

that either he said that Miss cash and

374

00:17:18,409 --> 00:17:15,600

me told him Miss cash wasn't with me

375

00:17:22,030 --> 00:17:18,419

when he told me it was my friend

376
00:17:26,329 --> 00:17:22,040
because me as cash was in the hospital

377
00:17:31,549 --> 00:17:28,490
for this object

378
00:17:32,630 --> 00:17:31,559
they were investigating an object right

379
00:17:34,490 --> 00:17:32,640
but you don't think it was

380
00:17:36,169 --> 00:17:34,500
extraterrestrial you think it was an Air

381
00:17:37,850 --> 00:17:36,179
Force project

382
00:17:39,350 --> 00:17:37,860
and they should be responsible for the

383
00:17:40,970 --> 00:17:39,360
damage they caused you and your family

384
00:17:44,930 --> 00:17:40,980
right

385
00:17:48,470 --> 00:17:46,610
put that by the government the

386
00:17:50,210 --> 00:17:48,480
government knew about it and they have

387
00:17:52,370 --> 00:17:50,220
control over the Airways why didn't they

388
00:17:55,789 --> 00:17:52,380

stop it what artists

389

00:17:57,650 --> 00:17:55,799

what happened to Kobe well um like I say

390

00:18:01,010 --> 00:17:57,660

he

391

00:18:04,250 --> 00:18:01,020

most of his hair come out

392

00:18:07,070 --> 00:18:04,260

and he had this diarrhea and had no

393

00:18:09,110 --> 00:18:07,080

control over his bowels or his kidneys

394

00:18:11,090 --> 00:18:09,120

and he was blistered doctors say that

395

00:18:12,950 --> 00:18:11,100

was a radiation poison and they said

396

00:18:15,169 --> 00:18:12,960

there's a possibility that was radiation

397

00:18:17,330 --> 00:18:15,179

poisoning and if we could

398

00:18:22,310 --> 00:18:17,340

said we need to find out the kind of

399

00:18:25,010 --> 00:18:22,320

radiation it was because if it was

400

00:18:26,690 --> 00:18:25,020

radiation by the time he's 15 to 18

401
00:18:30,890 --> 00:18:26,700
years old he'll come down like with

402
00:18:32,810 --> 00:18:30,900
leukemia but it won't be leukemia

403
00:18:34,190 --> 00:18:32,820
and if they was to treat him for

404
00:18:35,990 --> 00:18:34,200
leukemia

405
00:18:37,669 --> 00:18:36,000
it could kill him because of the

406
00:18:39,110 --> 00:18:37,679
radiation that would be in his body and

407
00:18:41,510 --> 00:18:39,120
did you tell the Air Force what your

408
00:18:44,090 --> 00:18:41,520
doctor told you yeah what did they tell

409
00:18:46,370 --> 00:18:44,100
you they said well there was nothing

410
00:18:48,409 --> 00:18:46,380
they could do about it

411
00:18:50,870 --> 00:18:48,419
and if we wanted to do anything about it

412
00:18:55,010 --> 00:18:50,880
we'd have to if we could find us a

413
00:19:00,470 --> 00:18:55,020

lawyer we'd have to find us a civilian

414

00:19:04,850 --> 00:19:02,630

told the Air Force about this that they

415

00:19:08,690 --> 00:19:04,860

absolutely without a doubt deny anything

416

00:19:11,450 --> 00:19:08,700

was up at all or did they say no comment

417

00:19:13,909 --> 00:19:11,460

well they wouldn't comment on it

418

00:19:16,010 --> 00:19:13,919

but um they didn't deny it they didn't

419

00:19:17,870 --> 00:19:16,020

deny

420

00:19:21,650 --> 00:19:17,880

they didn't comment on it no they didn't

421

00:19:27,049 --> 00:19:24,110

and um what do you plan to that's

422

00:19:29,330 --> 00:19:27,059

serious well we could come down you know

423

00:19:31,730 --> 00:19:29,340

in his later years that could affect his

424

00:19:35,029 --> 00:19:31,740

health what are you gonna do

425

00:19:37,430 --> 00:19:35,039

that's why I'm fighting now

426

00:19:38,330 --> 00:19:37,440

well I'm I'm trying to find out what it

427

00:19:42,650 --> 00:19:38,340

was

428

00:19:45,110 --> 00:19:42,660

can find out what kind of radiation it

429

00:19:47,330 --> 00:19:45,120

it was putting out because we certainly

430

00:19:50,510 --> 00:19:47,340

didn't pull our hair out we didn't burn

431

00:19:52,190 --> 00:19:50,520

ourselves and I didn't uh injure my eyes

432

00:19:53,990 --> 00:19:52,200

to where I can't see out of one of them

433

00:19:55,909 --> 00:19:54,000

and I sure wouldn't enjoy a little

434

00:19:58,610 --> 00:19:55,919

seven-year-old boy

435

00:20:00,830 --> 00:19:58,620

because I love him with all my heart

436

00:20:02,750 --> 00:20:00,840

you still have marks on your hands right

437

00:20:08,450 --> 00:20:02,760

and I'll carry them as long as I live I

438

00:20:08,460 --> 00:20:15,289

On My Feet

439

00:20:21,110 --> 00:20:17,390

those are all from the incident that

440

00:20:24,049 --> 00:20:22,669

I think I don't have something to fight

441

00:20:29,270 --> 00:20:24,059

about

442

00:20:31,310 --> 00:20:29,280

well I can't see none on the side vision

443

00:20:32,870 --> 00:20:31,320

of this sign and it's just like I'm

444

00:20:34,490 --> 00:20:32,880

using one eye

445

00:20:36,710 --> 00:20:34,500

I can't see how

446

00:20:40,130 --> 00:20:36,720

to read anymore

447

00:20:42,230 --> 00:20:40,140

I can't drive the automobile no more

448

00:20:43,970 --> 00:20:42,240

so when I have to go somewhere I have to

449

00:20:47,169 --> 00:20:43,980

get either my daughter or my

450

00:20:49,669 --> 00:20:47,179

daughter-in-law or my grandson

451
00:20:52,190 --> 00:20:49,679
so when you and your grandma were

452
00:20:53,930 --> 00:20:52,200
driving down here

453
00:20:55,850 --> 00:20:53,940
you saw that bright light were you

454
00:20:58,070 --> 00:20:55,860
afraid

455
00:21:01,730 --> 00:20:58,080
well not at first

456
00:21:04,130 --> 00:21:01,740
but after he got on closer to it I got

457
00:21:08,930 --> 00:21:04,140
scared did it hurt you

458
00:21:12,169 --> 00:21:08,940
well it burned it when I got home and

459
00:21:14,270 --> 00:21:12,179
when I went to sleep my grandma I had

460
00:21:16,250 --> 00:21:14,280
blisters on me

461
00:21:20,330 --> 00:21:16,260
and um

462
00:21:22,549 --> 00:21:20,340
what what the same night thank you

463
00:21:25,130 --> 00:21:22,559

the next morning I had a bunch of

464

00:21:26,210 --> 00:21:25,140

blisters on my face

465

00:21:28,909 --> 00:21:26,220

and

466

00:21:30,169 --> 00:21:28,919

um I got my doctor me do you feel sick

467

00:21:35,270 --> 00:21:30,179

at all

468

00:21:42,049 --> 00:21:38,630

what do you think it was out there

469

00:21:47,510 --> 00:21:44,510

what up all I can think of is the

470

00:21:52,610 --> 00:21:48,890

if you didn't know about the government

471

00:21:54,830 --> 00:21:52,620

what do you think it might be

472

00:21:57,830 --> 00:21:54,840

I don't know

473

00:21:59,510 --> 00:21:57,840

what exactly did it look like to you do

474

00:22:08,210 --> 00:21:59,520

you think it was being chased by

475

00:22:13,010 --> 00:22:10,730

what exactly did it look like to you

476
00:22:15,289 --> 00:22:13,020
you think it might have been a spaceship

477
00:22:16,909 --> 00:22:15,299
no it couldn't have been special why do

478
00:22:19,310 --> 00:22:16,919
you say that I don't believe in

479
00:22:22,130 --> 00:22:19,320
spaceships

480
00:22:25,370 --> 00:22:22,140
it looked like a diamond shaped did it

481
00:22:26,930 --> 00:22:25,380
move fast or slow it moved slow

482
00:22:31,250 --> 00:22:26,940
was it loud

483
00:22:33,169 --> 00:22:31,260
yeah this is loud it's it it sounded

484
00:22:35,630 --> 00:22:33,179
like a jet engine but it

485
00:22:37,909 --> 00:22:35,640
sounded like about five jet engines put

486
00:22:41,330 --> 00:22:37,919
together what did you see out there that

487
00:22:49,490 --> 00:22:44,330
three of them what were they doing

488
00:22:53,510 --> 00:22:51,770

23 helicopters I mean they're big

489

00:22:55,669 --> 00:22:53,520

helicopters

490

00:22:59,570 --> 00:22:55,679

how big was that object would you say as

491

00:22:59,580 --> 00:23:02,570

I think it's a water

492

00:23:06,049 --> 00:23:04,250

and the helicopters were over it what

493

00:23:07,010 --> 00:23:06,059

were they doing shining lights on it or

494

00:23:12,230 --> 00:23:07,020

anything

495

00:23:16,250 --> 00:23:14,029

did the helicopters have their lights on

496

00:23:19,010 --> 00:23:16,260

so you could see if they were army or

497

00:23:21,110 --> 00:23:19,020

Air Force or you could identify what

498

00:23:23,390 --> 00:23:21,120

they were you couldn't really tell but

499

00:23:27,230 --> 00:23:23,400

there was double rotary lack the

500

00:23:29,149 --> 00:23:27,240

governments helicopters now those double

501
00:23:32,750 --> 00:23:29,159
rotary propellers

502
00:23:40,230 --> 00:23:32,760
are used by helicopters that haul around

503
00:23:42,789 --> 00:23:40,930
[Applause]

504
00:23:46,310 --> 00:23:42,799
[Music]

505
00:23:51,169 --> 00:23:46,320
are you scared anymore

506
00:23:53,270 --> 00:23:51,179
well I'll have I hadn't have I'm not mad

507
00:24:00,049 --> 00:23:53,280
about it what kind of nightmares did you

508
00:24:06,110 --> 00:24:02,450
wow I mean what did you dream about that

509
00:24:06,120 --> 00:24:09,409
what was it doing to you

510
00:24:15,110 --> 00:24:13,130
but not it's just not close out here

511
00:24:17,570 --> 00:24:15,120
again

512
00:24:20,450 --> 00:24:17,580
you don't dream about that anymore

513
00:24:25,970 --> 00:24:23,570

well I hadn't for a long time

514

00:24:29,029 --> 00:24:25,980

so you're not scared anymore

515

00:24:32,690 --> 00:24:29,039

well sometimes I think about it and I

516

00:24:38,570 --> 00:24:35,110

what are your friends at school thing

517

00:24:40,370 --> 00:24:38,580

well most of them don't believe me
